

Art

Degree Designation: BFA

Mission Statement

"... dedicated to educating, challenging and inspiring students for leadership in the arts."

Student Learning Outcomes

Content / Discipline Skills

- Will have achieved a high level of skill and concept in their artworks.
- Will be able to note and contextualize contemporary artists working in the same medium as the student.
- Will be able to create a "professional level portfolio" of their artworks.

Critical Thinking Skills

- Demonstrate independent critical thinking and analytical abilities, including the capacities to engage in inductive and deductive thinking and quantitative reasoning.

Communication Skills

- Create and deliver effective oral presentations
- Develop effective written presentations
- Contribute effectively to group discussions

Assessment Strategies

- Through a variety of mechanisms, including examinations, capstone experiences and assignments, internships, and portfolios, the faculty of the School of Art will measure students' achievement of the identified core learning outcomes. The results of the assessments will be used to improve student achievement and program effectiveness.
