## Florida Residency For Tuition Purposes

This notice summarizes the provisions of Florida School Code (SB20-E) Section 1009.21 and University Policy/Procedure concerning Florida Residency for tuition purposes.

In determining residency classification, students fall into one of two categories. They are either *independent students* (students *not* claimed on parent's or legal guardian's federal income tax statement or whose parents do not provide 50% or more of their support) or *dependent students* (students, regardless of age, who are claimed as dependents by parent or legal guardian on federal income tax statement or whose parents provide 50% or more of their support).

The law basically requires that a U.S. citizen/permanent resident alien/independent student or a dependent student's parent/legal guardian has established and maintained a *LEGAL* Florida residence for at least twelve (12) months before the first day of classes of the term for which Florida residency status is sought.

USF is required to obtain documentation of 12 months' legal residence before a student is classified as a Florida resident for tuition purposes. A student is required to request Florida residency in writing and submit supporting documents no later than the fifth day of classes in the term for which classification is sought.

The following is acceptable, nonconclusive evidence of the establishment of a legal residence in Florida. At least one such document must be dated/issued at least 12 months before the first day of classes of the term for which Florida residency is sought.

1. Proof of purchase of permanent home in Florida.
2. Declaration of Domicile.
3. Florida's driver's license.
4. Florida voter's registration.
5. Florida vehicle registration.
6. Florida vehicle title.
7. Professional/occupational license issued in Florida.
8. Florida incorporation or other evidence of legal residence in Florida.
9. Full-time, non-temporary employment in Florida.

For more information regarding residency for tuition purposes please visit: <http://www.registrar.usf.edu/Residency/>

**PLEASE NOTE:** Rent receipts, leases, employment records, tax returns, school/college records are **NOT** evidence of establishing a legal Florida residence. Students who are dependent on out-of-state parents or who come to Florida for educational purposes are generally ineligible for reclassification to Florida status.

In rare cases, the law allows some students (e.g., military, public school teachers, etc.) who do not meet the basic requirements to be classified as Florida residents for tuition purposes. For more information about exceptional categories, contact the Admissions Office, the Office of the Registrar, or the Office of the General Counsel.

## Fees

The levels of the Activity and Service Fee, the Health Fee, and the Athletic fee are determined on each campus by a student fee committee appointed by the President of the University and the Student Government President. The committee includes USF faculty and students with the majority of the committee being students. The fees may be reviewed on a yearly basis.

Registration fees are assessed in accordance with University Board of Trustees rules. **All fees are subject to change without prior notice. The University will make every effort to advertise any such changes if they occur.**

1. **Admissions Application Fee**  
(Each application - not refundable) \$30.00
2. **Non-degree Application**  
(Each application - not refundable) \$20.00

## 3. Tuition

Schedule/Fee Statements are no longer mailed. Tuition is due by the fifth day of each term. Students may view and/or pay their current term fees online by accessing the "Tuition, Fees & Payments" option in OASIS at <http://usfonline.admin.usf.edu/>.

The student is responsible for paying fees in full by the appropriate due date stated in the particular term's "Schedule of Classes." Failure to do so may result in cancellation of the student's registration. Fees paid by mail must be post-marked by the post office, *not* office meter stamped, on or before the fifth day of the term. Checks are payable to USF. To avoid a \$100.00 late payment fee, all tuition fees must be paid or postmarked by the U.S. Post Office, not office metered, by the fifth day of the term. The University cannot be responsible for lost or misdirected U.S. Postal mail. A student whose registration has been cancelled may request registration reinstatement through the fourth week of class for the academic term. Upon approval for reinstatement, all fees and other debts owed to the University must be paid in full by cash, money order, check or credit card before reinstatement will be affected.

Current fees are posted in the Schedule of Classes (<http://isis2.admin.usf.edu/ssearch/search.asp>) and on the OASIS web site (<http://usfonline.admin.usf.edu/>).

- a. **Students who *only* register for a co-op assignment** must pay a minimum of one (1) hour at the level of the co-op assignment.
- b. **Cashier's Office Hours** - Regular Registration - See regular registration dates and times in "Schedule of Classes." Regular Cashier's office hours are Monday, Thursday, Friday from 9:00am - 5:00pm and Tuesday, Wednesday from 9:00am - 6:00pm.
- c. **Tuition fee payment** should be mailed to:  
Tuition/Purchasing and Financial Services  
University of South Florida, ADM 147  
4202 E. Fowler Avenue  
Tampa, Florida 33620-5800
- d. **Off-Campus College of Education Courses**  
Students enrolling for off-campus (Continuing Education) courses will be assessed fees according to the fee structure "a" above. Continuing Education courses are designated by the "700 series" section number. The "Schedule of Classes," which is printed each semester, should be used as a reference for updated information.

## 4. Late Registration Fee

All degree seeking students who initiate (i.e., those students who have not enrolled for any courses during early or regular registration) their registration during the late registration period will be automatically assessed a \$100.00 late registration fee.

All non-degree seeking students who have not registered for any courses by the end of the first week of classes will be automatically assessed a \$100.00 late registration fee.

## 5. Financial Aid Disbursement

Upon satisfaction of eligibility criteria, financial aid will be credited to student accounts after the drop/add period is over. Monies in excess of charges will be electronically deposited to the students' checking account via eDeposit, or checks will be mailed to student's local address.

## 6. Cancellation for Non-Payment of Fees

Students not on an authorized deferred payment of fees and who have not paid their tuition fees in full by a specified day (per "Schedule of Classes") will have their registration for that term cancelled. This means, specifically, that a student will receive no credit for any courses taken during that term.

## 7. Intern Certificate of Participation

Individuals who have supervised interns may register for courses during a term by presenting their Intern Certificate of Participation. The Intern Participation Certificate effective July 1, 1997 states that certificate holders are entitled to a

waiver of *only matriculation fees* for a maximum of six (6) credit hours instruction during a single term. Certificates are valid for three years from the date of issuance. Fees must be paid or postmarked by the U.S. Post Office (not office meter marked) by the fifth day of the term. The University cannot be responsible for lost or misdirected U.S. Postal mail.

**8. Employee Tuition Program**

The USF Employee Tuition Program authorizes full-time USF employees that are appointed to established positions, to enroll in USF credit courses, up to six credit hours per semester. For summer, terms A, B, and C are all parts of one semester. The employee must be appointed prior to the first day of class and is expected to be employed full-time past the end of the semester for which enrolled. For additional information, please visit the Human Resources website at [www.usf.edu/HR/procedures/edasst/tuition.htm](http://www.usf.edu/HR/procedures/edasst/tuition.htm).

**9. Tuition Deferment for VA Students**

Students receiving VA benefits who have applied in writing no later than the date specified in the "Schedule of Classes" for the deferment in Veterans Services have until a specified date (see *Schedule of Classes*) to pay tuition in full.

**10. Florida Prepaid College Program**

Students who are eligible to receive benefits under this program are responsible for the local portion of fees. This fee must be paid or postmarked by the fifth day of the term to avoid being cancelled or charged the \$100.00 late payment fee.

**11. Mailed Payments**

To avoid cancellation of registration or a \$100.00 Late Payment Fee, all fee payments must be postmarked, by the **post office not office metered**, by the applicable fee payment deadline listed in the Academic Calendar.

**12. Returned Registration Checks**

A student's current registration is subject to cancellation if the check presented in payment of those fees is returned to the University unpaid. Dishonored fee payment checks must be redeemed within 10 calendar days to avoid cancellation of a student's current registration. **A \$100.00 Late Payment Fee and a \$25.00 administrative charge will be assessed on any registration check returned unpaid to the University.**

**Fee Adjustment Request After Fifth Day of the Term**

Effective January, 1989, USF approves a refund of 100% of the tuition and registration fees if a student withdraws or drops a course due to circumstances determined by the university to be exceptional and beyond the control of the student. These situations must be documentable. Requests for fee adjustments must meet one of the conditions below to be considered.

- a. 100% of registration fees and tuition will be refunded when a student withdraws or drops a course due to circumstances determined by the University to be exceptional and beyond the control of the student, including but not limited to:
  - 1) Illness of a student of such severity or duration, as confirmed in writing by a physician, to preclude completion of the course(s),
  - 2) Death of the student or death in the immediate family (parent, spouse, child or sibling) as confirmed by documentation indicating the student's relationship to the deceased,
  - 3) Involuntary call to active military duty as confirmed by military orders,

- 4) A situation in which the university is in error as confirmed in writing by an appropriate University official,
  - 5) Other documented exceptional circumstances beyond the control of the student that precluded completion of the course(s) accompanied by letter of explanation and appropriate documentation.
- b. Students who receive financial aid and subsequently change their enrollment status that results in a refund in accordance with this subsection, may have all or a portion of their refund returned to the University's financial aid programs in accordance with the Financial Aid Policy on Refunds and Repayments.

### Payment of Accounts Due the University

Charges against students for loss or breakage of University equipment, books, fines and other charges are due immediately. Delinquent accounts may be considered sufficient cause for cancellation of registration. University regulations prohibit registration, or release of transcript, diploma, or grades for any student whose account with the University is delinquent. Delinquent accounts may be turned over to a collection agency and all collection costs including legal fees will be added to the student account balance. Financial aid from a succeeding academic year cannot be used to repay prior academic year debts. Payments can be brought into the Cashier's Office in the Administration Building, mailed to Purchasing and Financial Services, USF, 4202 E. Fowler Avenue, Tampa, FL 33620-5800, or can be made online by accessing OASIS at <http://usfonline.admin.usf.edu/> and should be made by the appropriate deadline.

### Financial Aid

In addition to finding a wealth of information on the Web regarding your financial aid, you can apply for aid and monitor your aid application at USF via the Financial Aid Web: <http://www.usf.edu/finaid> and via OASIS: <http://usfonline.admin.usf.edu/>.

Complete and submit the FAFSA online at <http://www.fafsa.ed.gov>. Be sure to list the University of South Florida, school code #001537, as a school to receive your information.

Since many programs are funded on a limited basis, it is to your advantage to apply early. Priority application dates and detailed information regarding financial aid are provided each year in the Financial Aid Handbook and on our Web site. Conduct a nationwide scholarship search: <http://www.fastweb.com/> and check out USF's scholarship information: <http://www.usf.edu/finaid/scholarships.html>.

The Office of Financial Aid communicates important information regarding your aid via e-mail throughout the year. Therefore, it is extremely important that you ensure that your current e-mail address for financial aid is in OASIS.

Tuition, housing and meal plan deferments are automatically posted for qualified financial aid applicants. Short-term loans are also available for limited use. The deadline for deferred tuition payment and details about short-term loans can be found at [www.usf.edu/finaid/](http://www.usf.edu/finaid/).

We are required by federal regulations to verify your last date of attendance in classes, at the end of each semester. If you receive all F, I, U or M grades for a term you will be considered an "unofficial" withdrawal. After grades are posted, you will be notified that you are being considered an "unofficial" withdrawal. After 30 days, we are required to begin the return to Title IV Repayment calculation and billing process and assume you unofficially withdrew at the 50% point of the term. To ensure your Last Date of Attendance is documented correctly, you may submit the Change Last Date of Attendance form to your instructor/academic department and return it to the Office of Financial Aid. The calculation will be revised to include the new date and the amount you owe may be revised. You will be notified of the result of our review. It may take 2-4 weeks to restore funds that were billed and returned to the Federal Student Aid programs (including loans). The amount of federal

aid that you must repay is determined via the Federal Formula for Return of Title IV funds (Section 484B of the Higher Education Act). This law also specifies the order in which funds are to be returned to the financial aid programs from which they were awarded, starting with loan program.

Each campus has a financial representative. Tampa (813) 974-4700; Lakeland (863) 667-7028; Sarasota (941) 359-4459; St. Petersburg (727) 553-4128. If you are outside the calling area, call us at 1-877-USF-BULLS.

## Special Services

### Department of Veterans Affairs (VA) Benefits

USF is approved for the education of veterans, eligible dependents, members of the selected reserve, and active-duty personnel who are eligible for benefits under public laws now in effect. All degree programs currently offered at USF are approved by the State Approving Agency.

Students who may be eligible for benefits are urged to contact Veterans Services for information, procedures, and forms as early as possible. To initiate, change, or renew benefits at USF, a request must be submitted through that office.

To be eligible for full-time VA benefits at USF, undergraduate students must enroll for 12 or more semester hours, and graduate students must enroll for 9 or more semester hours each normal academic term.

VA regulations require that students take only courses that are applicable to their degree program or other approved program and make satisfactory progress toward their degree. Students should consult the "Handbook for VA Students" (available at their local USF Veterans Services office) or log on to USF Veterans Services web site: <http://usfweb.usf.edu/vetserve> for information on various programs/services, and VA rules and regulations. Under no circumstances will the VA pay benefits to a student taking a course by audit. *It is the student's responsibility to inquire concerning all VA rules and regulations and to report any change in number of registered hours, change of majors, or adding a double major or dual degree which affects his/her benefits.* Additionally, VA benefits will be terminated for students who are dismissed for academic or disciplinary reasons and can only be reinstated after academic counseling.

Veterans with a service-connected disability approved for benefits under Chapter 31 may contact the Office of Student Financial Services no earlier than one week prior to the start of classes for a book and supplies voucher. The VA toll-free number is 1-888-442-4551.
