The College of Education envisions itself as a leader in regional, national and international education. Leadership in education encompasses: Collaboration that serves communities, institutions, and individuals; Academic excellence; Research, scholarship, and inquiry that renews the educational process; and Ethical practice and diversity.

The Mission of the College of Education is to: offer challenging learning opportunities in a supportive and diverse environment; create and support research, scholarship, and inquiry in education; prepare the next generation of educators, scholars, and leaders for P-K 12 and the professoriate through exemplary undergraduate and graduate degree programs; serve the community to offer programs that prepare professionals who work competently, collaboratively, and ethically to improve educational outcomes for all.

Educator preparation programs are aligned with the Florida Educator Accomplished Practices and each program has an assessment program in place to monitor student progress toward these standards. Programs that do not lead to teacher certification are aligned with their respective professional standards and have assessment programs in place to monitor student progress toward those standards.

The College of Education is committed to a continuous and systematic examination of the professional program of educator preparation. Each subdivision of the college maintains professional standards by participating in nationally-certified program reviews and also through ongoing departmental appraisals of learning outcomes.

The University follows a University-wide approach to educator preparation. Its programs for the preparation of teachers represent a cooperative effort in planning and practice by faculties in appropriate academic areas. Liberal Arts courses and courses in the content areas are offered through the College of Arts and Sciences. Courses primarily designed for teacher candidates are taught by the College of Education faculty.

**Critical Tasks/Assignments**

Students in educator preparation programs leading to teacher certification are required to complete critical tasks/assignments in several of their professional preparation courses. Several of the educator preparation programs require students to submit these critical tasks/assignments to an electronic portfolio. Therefore, a yearly access code to the electronic portfolio is required in all educator preparation programs.

**Admission Requirements for Students Entering Educator Preparation Programs**

Students who wish to teach in a particular subject area or field should begin preliminary coursework during their first year in college. However, students are not admitted to the College of Education (and into an educator preparation program) until they finish the university’s liberal arts freshman and sophomore requirements and the state-mandated common prerequisites for education. They must also have the appropriate GPA and have passed the CLAST, PRAXIS, or GKT.

Students may apply for entrance into one of the upper-level educator preparation programs offered by the College of Education after completing prerequisite courses. All students who plan to teach apply for admission to an educator preparation program through the Student Academic Services Office of the College of Education.

Admission to an upper-level educator preparation program is contingent upon meeting the following preliminary college requirements:

1. Completion of a College of Education application form.
2. Completion of General Education requirements. (For USF, see “Academic Policies and Procedures - Liberal Arts Requirements” section of the catalog.) General education courses will be determined by the community college or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution’s existing catalog or in the Community College Counseling Manual. Note: Students should attend an pre-education advising session to make certain they are enrolled in courses appropriate to their intended major.
3. Completion of all portions of the CLAST, PRAXIS I, or General Knowledge Test with passing scores. No exceptions or waivers accepted.
4. Although no longer required for admission to the College of Education, students are still encouraged to take the ACT or SAT. Many existing scholarships still require these scores.
5. Completion of State Mandated Common Prerequisites

**Note:** The following prerequisites are required for all education majors. Students should consult their intended majors (listed under “Departments and Programs,” below) for a list of other specific course prerequisites.

- EDF X005 Introduction to Education (3)
- EDG X701* Teaching Diverse Populations (3)
- EME X404 Introduction to Educational Technology (3)

*In addition to EDG X701, a minimum of 6 semester hours with an international or diversity focus is required.

Eligible courses will be determined by the community college or university where the student is currently earning the Associate in Arts or baccalaureate degree. Foreign language courses may be used to meet this requirement.

**Completion of General Education requirements:** General education courses will be determined by the community college or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution’s existing catalog or in the Community College Counseling Manual. (For USF, see “Academic Policies and Procedures - Liberal Arts Requirements” section of the catalog.)

Advising (DAC 107).

Applications for programs may also be obtained from Pre-Education subscriptions in this catalog for additional admission information. Generally, certain programs admit students only in a specified semester. Some programs accept a limited number of students. Additional criteria as may be established by each program. Credit requirements in each major include courses in the following categories: Professional Education Core, Teaching Specialization Preparation, and Liberal Arts Exit Requirements. For questions concerning General Education and Liberal Arts Exit Requirements, refer to the Liberal Arts Requirements section of the catalog. See specific requirements for each major listed in “Departments and Programs” below.

Some programs accept a limited number of students. Additionally, certain programs admit students only in a specified semester. Students should refer to the specific program descriptions in this catalog for additional admission information and prerequisites. Information regarding admission requirements for programs may also be obtained from Pre-Education Advising (DAC 107).

Education Advising

Student Academic Services (SAS) is responsible for many of the processes and procedures that support the academic pursuits of students in the College. The department’s major areas of responsibility include: Pre-Education Advising, Undergraduate Advising, Graduate Studies, Teacher Certification, and Internship. SAS is committed to serving the University community, particularly students in the College of Education. Students are ultimately responsible for knowing and fulfilling all university, college, and degree program requirements for graduation. Students are encouraged to make an appointment with an academic advisor in EDU 106 each semester. For additional contact information, please call the SAS office or visit the web site at http://www.coedu.usf.edu/sas/.

Advising Offices

Tampa Campus: For admitted College of Education students, EDU 106, (813) 974-1804. For pre-education students, DAC 107, (813) 974-2979.

Sarasota Campus: USS 805D, (941) 359-4331 or 4330.

Lakeland Campus: LLC 2100, (800) USF-5636 (in state only), or (863) 867-7023.

Office Hours: 9 a.m. – 5 p.m. Monday through Friday. The Tampa office is closed on Wednesdays until 10:00 a.m. Generally offices are open 9:00 a.m. - 5:00 p.m. Monday through Friday. Some offices are open before 9 a.m. or until 6, Mondays through Thursdays; call the offices listed above for exact hours and appointment times.

Application Information:

(Admitted USF students are eligible.) For general information, call (813) 974-2979. The admission process to the College of Education (COE) is separate and in addition to admission to USF. The deadlines to submit an application are as follows: Fall Semester (July 15th), Spring Semester (November 15th), and Summer Semester (April 15th). Not all majors accept applications for summer entrance. Contact the Pre-Education Advising Office (DAC 107) for those majors that accept summer applicants. Tampa Campus students must register and attend a College of Education orientation after being accepted into the College of Education.

During the College Orientation, students receive information about their degree program, and register for courses for their first semester. Regional campus students should call their appropriate campus for orientation and advising appointment.

Time Limitations

The College of Education may accept professional education and specialization coursework completed at this University or at other accredited institutions as follows:

1. Courses completed within the last five years may be accepted.
2. Courses completed over five years but less than ten years must be accepted. Students must earn a minimum “C-” grade or “S” in their appropriate coursework.
3. Courses completed ten years ago or longer will count as elective credit only.

Qualifications for Internship Experience in Educator Preparation Programs

The final internship experience involves observing and teaching in an early childhood, elementary, secondary, or exceptional classroom. In most programs internship sites include the entire spectrum of sites available in the various counties served by USF.

Special requirements for enrollment in the final internship and seminar courses are:

1. Admission to the College of Education.
2. Completion of General Education, "Gordon Rule," and all other program prerequisites.
3. Passing scores on all sections of the General Knowledge Test.
4. Completion of an application for the final internship by the deadline noted. Applications for final internship are made through the Student Academic Services website (www.coedu.usf.edu/sas/). Application deadline for Fall Semester is January 15th. Application deadline for Spring semester is June 15th.
5. Completion of fingerprinting and background check as required by the school district in which the student is placed.
6. Elementary, Early Childhood and Physical Education programs require completion of all professional education and specialization course work except for EEX 4070 and Senior Seminar.
7. Special Education programs require completion of all professional education and specialization coursework.
8. Secondary Education Programs require completion of the professional course sequence except for EEX 4070/EDF 4430 and a minimum of two thirds of the specialization coursework.
9. Elementary, Early Childhood, and Physical Education programs require a combined grade point average of 2.50 in professional education and specialization coursework as well as an overall USF GPA of 2.50.
10. Special Education programs require a minimum GPA of 2.50 in professional education and specialization coursework or an overall USF GPA of 2.50.
11. Students must earn a minimum “C-” grade or “S” in their required major courses.

College Requirements for Graduation from Educator Preparation Programs

To be certified by the College of Education for graduation, a student must have:
1. Earned a minimum of 120-semester hours credit.
2. Successfully complete all program requirements for ESOL.
3. A minimum overall USF grade-point average of 2.50 or a minimum GPA of 2.50 in teaching specialization courses and a minimum GPA of 2.50 in the Professional Education sequence is required for Secondary Education Programs. The Physical Education, Elementary and Early Childhood programs require a combined grade point average of 2.50 in professional education and specialization as well as an overall USF GPA of 2.50.
4. Satisfactory completion of the internship is also required. Must pass the General Knowledge Test prior to the completion of internship.
5. Passing scores on the appropriate FTCE Subject Area and Professional Education subtests. NOTE: English, Math, Science, and Social Science majors must pass the 6-12 subject matter exam.
6. All documents due for graduation (i.e., test scores, final grades, final transcripts) must be submitted to the Director of Undergraduate Programs and Internship (in EDU 106) no later than 5:00 pm on the Friday after the graduation ceremony. If that date is a university holiday, then the said information must be submitted no later than 5:00 pm on the Thursday after the graduation ceremony.
7. Completed the major requirements in a state-approved educator preparation program (which includes general preparation, teaching specialization, and professional preparation).
8. A minimum of 8 credits in professional courses in addition to internship and 12 credits in specialization courses must have been earned at USF.
9. A minimum of 50 hours after admittance to an upper-level program.

Note: Normally, the college will recommend the granting of a Bachelor of Science degree* in the following fields:

- Early Childhood Education
- Elementary Education
- Exceptional Student Education
- English Education
- English Language Arts Education
- French Education
- German Education
- Italian Education
- Latin Education
- Russian Education
- Spanish Education
- Mathematics Education
- Physical Education
- K-12 Education
- Exercise Science Education
- Science Education
- Biology Education
- Chemistry Education
- Physics Education
- Social Science Education
- Mathematics Secondary Education
- Physics Secondary Education
- K-12 Secondary Education
- Exercise Science Secondary Education
- Science Secondary Education
- Biology Secondary Education
- Chemistry Secondary Education
- Physics Secondary Education
- Social Science Secondary Education

* A Bachelor of Arts degree may be awarded when competency in a foreign language is demonstrated and a student has met the nine hour Liberal Arts Exit requirements.

SunCoast Area Teacher Training Program (SCATT)

Founded in 1981, the SunCoast Area Teacher Training (SCATT) Honors Program celebrates excellence in teaching while emphasizing professionalism. SCATT is an award-winning teacher training program designed to enrich the already outstanding teacher preparation programs currently offered within the College of Education. Its mission is to enhance the teaching profession by establishing high performance expectations for all members by offering research-based learning experiences that support exceptional instruction and encourage reflective practice. Although the majority of participants in the SCATT program are undergraduates, as much as 10% of its members are graduate students enrolled in a Master of Arts in Teaching (MAT) program. Classroom teachers may choose to continue their involvement in SCATT by completing the requirements to become a SCATT Clinical Teacher, supervising SCATT students during their final Level III internship.

As an active member of SCATT, students participate in a variety of activities, workshops, seminars and field trips to enrich their knowledge base as educators. The entrance and exit requirements for the program help identify those students who have demonstrated high levels of academic achievement, leadership potential and those who have a commitment to aspire to the highest standards of the teaching profession. To graduate as a SCATT student, individuals participate in activities each semester prior to final internship that extend "above and beyond" the requirements of their academic curricula. In addition, they are offered the opportunity to network with students pursuing other education programs other than their own. During final internship, SCATT students participate in intensive leadership and communication skills training. The SCATT program is highly regarded by school principals and because SCATT graduates have the enriched experiences necessary to be top-notch teachers. For additional information about the SCATT Honors Program, please feel free to visit the SCATT Office (located on the second floor of the David C. Anchin Center, just off the rotunda), call us at (813) 974-2061 or visit our Web site at (www.SCATT.coedu.usf.edu).

* A Bachelor of Arts degree may be awarded when competency in a foreign language is demonstrated and a student has met the nine hour Liberal Arts Exit requirements.

Music Education is offered in the College of Visual and Performing Arts.

See Departmental Section for specific program requirements.

Departments and Programs

The College of Education is organized into 8 departments. Each department has one or more programs listed alphabetically in the following section.

Department of Adult, Career & Higher Education

The Department of Adult, Career and Higher Education offers no programs at the undergraduate level.

Department of Childhood Education

The Childhood Education Department has the responsibility for the development and supervision of programs leading to the Bachelor of Science Degree in Early Childhood Education and Elementary Education. Please be advised that program and/or course requirements are subject to change, per state legislative mandates,
Early Childhood and Elementary Education Programs

Early Childhood and Elementary majors will be assigned to a specified sequence of courses to be followed throughout the program enrollment. Coursework will include internship and field experience. Students who withdraw from or who have unsatisfactory grades in the field experiences or internships must petition the department Professional Standards Committee before they will be allowed to repeat the internships. Any internship can only be taken twice before removal from program.

Students must have an overall USF GPA of 2.5 and a GPA of 2.5 in the combined Professional Core and Teaching Specialization prior to final internship and graduation.

Part-time students in Elementary Education (those planning to take 9 hours or less per semester) must meet program and internship requirements associated with the programs. These requirements include being available to participate in the internships during regular school hours.

Part-time students in Early Childhood Education must meet with the program coordinator prior to admission to the program. These students also must meet program and internship requirements associated with the programs. The requirements include being available to participate in internships during regular school hours.

Early Childhood Program

Students may complete a state-approved program to be eligible for licensure in Early Childhood Education Pre-Kindergarten/Primary (age 3 - Grade 3). The current program of studies includes both coursework and extensive field experiences in early childhood settings to enable students to integrate theory with teaching practice. Graduation is dependent upon successful completion of the required courses, Chalk and Wire requirements, associated internships, and a professional portfolio demonstrating the program outcomes and the Florida Educator Accomplished Practices. Early Childhood majors will be eligible for certification in Pre-Kindergarten/Primary (age 3 - Grade 3). Students must pass all Chalk and Wire assignments and upload every assignment to their Chalk and Wire account in order to graduate from the program.

Early Childhood Education with ESOL Endorsement

The College of Education offers a full ESOL Endorsement for all Elementary Education major graduates. The special requirements for ESOL endorsement through infusion are as follows:
- Successful completion of (1) TSL 4080, TSL 4081, and TSL 4251, with a minimum grade of 70% or better on all three sections of the ESOL Comprehensive Exam administered in the three ESOL courses; (2) a 20-hour early ESOL field experience in TSL 4080; (3) a late ESOL field experience where students plan, implement, and evaluate lessons for one or more ESOL students over 10 days; and (4) an ESOL folder, containing all assignments and test results from TSL 4080, TSL 4081, and TSL 4251, and all ESOL performance check-off sheets from other ESOL-infused courses that a student has taken.

Elementary Education Program

Students may complete a state-approved program to be eligible for certification in Elementary Education (Grades K-6). Degree and certification requirements are subject to change in accordance with state mandates. The current program of studies includes both coursework and extensive field experience in elementary school settings to enable students to integrate theory with teaching practice. All elementary education students are required to demonstrate the Accomplished Practices (APs) through core assignments in courses and internships that are submitted to the Chalk and Wire electronic portfolio system. Students must pass all Chalk and Wire assignments and upload every assignment to their Chalk and Wire account in order to graduate from the program.

Elementary Education with ESOL Endorsement

The College of Education offers a full ESOL Endorsement for all Elementary Education major graduates. The special requirements for ESOL endorsement through infusion are as follows:
- Successful completion of (1) TSL 4080, TSL 4081, and TSL 4251, with a minimum grade of 70% or better on all three sections of the ESOL Comprehensive Exam administered in the three ESOL courses; (2) a 20-hour early ESOL field experience in TSL 4080; (3) a late ESOL field experience where students plan, implement, and evaluate lessons for one or more ESOL students over 10 days; and (4) an ESOL folder, containing all assignments and test results from TSL 4080, TSL 4081, and TSL 4251, and all ESOL performance check-off sheets from other ESOL-infused courses that a student has taken.

• **EARLY CHILDHOOD EDUCATION: Pre-Kindergarten/Primary**

Requirements for the B.S. Degree (BEC): In addition to the courses listed below, students must complete “Preliminary Requirements for Students entering Teacher Education Programs.”

Prerequisites (State Mandated Common Prerequisites):

These prerequisites must be met by transfer students as well as USF students. A grade of “C-” is the minimum acceptable grade.
- EDF X005 Introduction to Education (3)
- EDG X701 Teaching Diverse Populations (3)
- EME X040 Introduction to Educational Technology (3)

In addition to EDG X701, a minimum of 6 semester hours with an international or diversity focus is required. Eligible courses will be determined by the community college or university where the student is currently earning the Associate in Arts or baccalaureate degree.

Foreign language courses may be used to meet this requirement.

Completion of General Education requirements: General education courses will be determined by the community college or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution’s existing catalog or in the Community College Counseling Manual. (For USF, see “Academic Policies and Procedures - Liberal Arts Requirements” section of the catalog.)

</tr>
</tbody>
</table>

*Please see academic advisor for required Directed Studies courses.
The order in which these courses are to be taken is spelled out in the program of study.

Please be advised that program and/or course requirements are subject to change, per state legislative mandates, Florida State Department of Education program approval standards, and accreditation criteria.

NOTE: In order to satisfy the 6 hour rule for Exit requirements, Early Childhood students must pass an exit requirement course (in addition to EEC 4008) outside of the Early Childhood program.

- ELEMENTARY EDUCATION

Requirements for the B.S. Degree (BEE): In addition to the courses listed below, students must complete “Preliminary Requirements for Students entering Teacher Education Programs.”

Prerequisites (State Mandated Common Prerequisites): These prerequisites must be met by transfer students as well as USF students. A grade of "C" is the minimum acceptable grade.

- EDF X005 Introduction to Education (3)
- EDG X701* Teaching Diverse Populations (3)
- EME X040 Introduction to Educational Technology (3)

*In addition to EDG X701, a minimum of 6 semester hours with an international or diversity focus is required. Eligible courses will be determined by the community college or university where the student is currently earning the Associate in Arts or baccalaureate degree. Foreign language courses may be used to meet this requirement.

Completion of General Education requirements: General education courses will be determined by the community college or university where the student is currently earning the Associate in Arts or baccalaureate degree, and will be published in the institution’s existing catalog or in the Community College Counseling Manual. (For USF, see “Academic Policies and Procedures - Liberal Arts Requirements” section of the catalog.)

Students are advised that the Elementary Education specialization will require an enrollment of more than the traditional four semesters of the junior and senior years in order to complete the program specialization courses and the required sequence of internship. The order in which these courses are to be taken is designated in the program of study.

- ENGLISH EDUCATION with ESOL Endorsement

Requirements for the B.S. Degree (BEN): In addition to the courses listed below, students must complete “Preliminary Requirements for Students entering Teacher Education Programs.”

The College of Education offers a full ESOL Endorsement for all English Education major graduates. The special requirements for ESOL endorsement through infusion are as follows: Successful completion of (1) FLE 4317 and FLE 4316 with a minimum grade of 70% or better on part one and part two of the ESOL Comprehensive Exam administered in the two ESOL courses; (2) a 20-hour early ESOL field experience in FLE 4317; (3) a 20-hour internship in FLE 4318 in an ESOL classroom; and (4) a 20-hour field experience in FLE 4317 and FLE 4316. Eligible courses will be determined by the community college or university where the student is currently earning the Associate in Arts or baccalaureate degree. For USF, see “Academic Policies and Procedures - Liberal Arts Requirements” section of the catalog.)
Specialization (21 credit hours):

- English Electives (9 hours) - to include advanced composition (LIT 2000 or ENL 3323 recommended)
- Literature Course (3 hours) - select from LIT, AML, ENL

Recommended Courses:

- SPC X600 Public Speaking (3)
- Literature course (3)
- Electives in English (3)

Prerequisites (State Mandated Common Prerequisites):

- EDF X005 Introduction to Education (3)
- EDG X701* Teaching Diverse Populations (3)
- EME X040 Introduction to Educational Technology (3)
- Other program prerequisites: **

Completion of General Education requirements: General education courses will be determined by the community college or university where the student is currently earning the Associate in Arts or baccalaureate degree. Foreign language courses may be used to meet this requirement.

**Courses specified in this category may apply to general education coursework.

Prerequisites (State Mandated Common Prerequisites):

- A grade of "C-" is the minimum acceptable grade.
- EDF X005 Introduction to Education (3)
- EDG X701* Teaching Diverse Populations (3)
- EME X040 Introduction to Educational Technology (3)
- Other program prerequisites: **

Professional Education (23 credit hours):

- EDF 3604 Social Foundations of Education (Exit) 3
- EDF 3214 Human Development and Learning 3
- EDF 4430 Measurement for Teachers 3
- EEX 4070 Integrating Exceptional Students in the Regular Classroom 2
- FLE 4317 Teaching LEP Students K-12 3
- FLE 4316 Language Principles and Acquisition 3
- Literacy Course 3
- ESE 4322 Classroom Management 3

Specialization (21 credit hours):

- ENC 3310 Expository Writing 3

Additional Specialization (24 credit hours):

- LAE 4464 Adolescent Literature for Middle and Secondary Students (Exit) 3
- LAE 4323 Methods of Teaching English: Middle School 3
- LAE 4530 Methods of Teaching English: Practicum 3
- LAE 4335 Methods of Teaching English: High School 3
- LAE 4936 Senior Seminar in English Education 2
- LAE 4940 Internship: English Education 10

FOREIGN LANGUAGE EDUCATION with ESOL Endorsement

Requirements for the B.S. Degree (BFS/BFF/BFI/BFG/BFR): In addition to the courses listed below, students must complete "Preliminary Requirements for Students entering Teacher Education Programs." A minimum of 30 credit hours beyond intermediate course requirements must be earned in the foreign language. Programs are available for Spanish (BFS), French (BFF), Italian (BFI), German (BFG) and Russian (BFR).

The College of Education offers a full ESOL Endorsement for all Foreign Language Education major graduates. The special requirements for ESOL endorsement through infusion are as follows: Successful completion of (1) FLE 4317 and FLE 4316 with a minimum grade of 70% or better on part one and part two of the ESOL Comprehensive Exam administered in the two ESOL courses; (2) a 20-hour early ESOL field experience in FLE 4317; (3) a late ESOL field experience where students plan, implement, and evaluate lessons for one or more ESOL students over 10 days; and (4) an ESOL binder, containing all ESOL-related assignments taken in the College of Education and an ESOL-performance Standards Checklist that documents the completion of the necessary number of standards. FLE students must also take ESOL 2, which is not part of the ESOL requirement for the FLE program, but does meet the reading requirement.

Prerequisites (State Mandated Common Prerequisites):

- A grade of "C-" is the minimum acceptable grade.
- EDF X005 Introduction to Education (3)
- EDG X701* Teaching Diverse Populations (3)
- EME 2040 Introduction to Educational Technology (3)
- Other program prerequisites:**

**Courses specified in this category may apply to general education coursework.
Completion of General Education requirements: General education courses will be determined by the community college or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution's existing catalog or in the Community College Counseling Manual. (For USF, see "Academic Policies and Procedures - Liberal Arts Requirements" section of the catalog.)

Professional Education (33 credit hours):
EDF 3214 Human Development and Learning 3
EDF 3604 Social Foundations of Education (Exit) 3
EDF 4430 Measurement for Teachers 3
EEX 4070 Integrating Exceptional Students in the Regular Classroom 3
FLE 4316 Language Principles and Acquisition 3
FLE 4317 Teaching LEP Students K-12 3
TSL 4081 ESOL 2 Literacy Development in English Language Learners 3
FLE 4936 Senior Seminar in Foreign Language Education 2
ESE 4322 Classroom Management 3

Teaching Specialization (42 credit hours):
1. Foreign language (30)
   Conversation and Composition 12
   Literature 6
   Culture and Civilization 6
   Linguistics 3
   Exit requirement language course 3
2. Foreign Language Education
   12 credit hours in methods of teaching a language at the elementary and secondary levels, including a practicum.
   Fall Term:
   FLE 4314 Methods of Teaching Foreign Languages and ESOL in the Elementary School 3
   Spring Term:
   FLE 4333 Methods of Teaching Foreign Languages and ESOL in the Secondary School 3
   FLE 4370 Practicum in Foreign Language Teaching in the Secondary School 3
   Summer Term:
   FLE 4920 Technology in the Foreign and Second Language Classroom 3

- MATHEMATICS EDUCATION

Requirements for the B.S. Degree (BMA): In addition to the courses listed below, students must complete “Preliminary Requirements for Students entering Teacher Education Programs” (see statement under main college heading).

Prerequisites (State Mandated Common Prerequisites):
These prerequisites must be met by transfer students as well as USF students. A grade of "C-" is the minimum acceptable grade.
- EDF X005 Introduction to Education (3)
- EGD 2701* Teaching Diverse Populations (3)
- EME 2040 Introduction to Educational Technology (3)
- Other state mandated program prerequisites:**
  Four (4) hours Calculus & Analytic Geometry I
  Four (4) hours Calculus & Analytic Geometry II
  Four (4) hours Electives in Mathematics
Three (3) hours Computer Programming Language (applicable to microcomputer)
*In addition to EGD X701, a minimum of 6 semester hours with an international or diversity focus is required. Eligible courses will be determined by the community college or university where the student is currently earning the Associate in Arts or baccalaureate degree. Foreign language courses may be used to meet this requirement.

- SCIENCE EDUCATION

Requirements for the B.S. Degree (BSB, BSC, BSY): In addition to the courses listed below, students must complete “Preliminary Requirements for Students entering Teacher Education Programs.”

Prerequisites (State Mandated Common Prerequisites):
These prerequisites must be met by transfer students as well as USF students. A grade of "C-" is the minimum acceptable grade.
- EDF X005 Introduction to Education (3)
- EGD X701* Teaching Diverse Populations (3)
- EME X040 Introduction to Educational Technology (3)
- Other state mandated program prerequisites:
  For Biology Teacher Education** -
  Biology with Lab 8
  Chemistry with Lab or Physics with Lab 8
  Electives in Science 6
  For Chemistry Teacher Education** -
  Chemistry with Lab 8
  Biology with Lab or Physics with Lab 8
  Electives in Science 6
  For Physics Teacher Education** -
  Physics with Lab 8
  Biology with Lab or Chemistry with Lab 8
  Electives in Science 6
*In addition to EGD X701, a minimum of 6 semester hours with an international or diversity focus is required.
Eligible courses will be determined by the community college or university where the student is currently earning the Associate in Arts or baccalaureate degree. Foreign language courses may be used to meet this requirement. **Courses specified in this category may apply to general education coursework.**

**Completion of General Education requirements:** General education courses will be determined by the community college or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution’s existing catalog or in the Community College Counseling Manual. (For USF, see “Academic Policies and Procedures - Liberal Arts Requirements” section of the catalog.)

**Professional Education Core for all Tracks (29 credit hours):**
The required courses in the professional education core are as follows:

- EDF 3214 Human Development and Learning 3
- EDF 3604 Social Foundations of Education (Exit) 3
- EDF 4430 Measurement for Teachers 3
- EEX 4070 Integrating Exceptional Students in the Regular Classroom 2
- TSL 4324 ESOL Competencies and Strategies 3
- SCE 4936 Senior Seminar in Science Education 2
- SCE 4940 Internship: Science Education 10
- ESE 4322 Classroom Management 3

**Biology Education Prerequisites (19 credit hours):**
- BSC 2010 Biology I* 3
- BSC 2010L Biology I Lab* 1
- BSC 2011 Biology II* 3
- BSC 2011L Biology II Lab* 1
- CHM 2045, 2045L General Chemistry I and Lab* 8
- or
- PHY 2048, 2048L General Physics I and Lab (with Calculus) 3
- and
- PHY 2049, 2049L General Physics II and Lab* (with Calculus) 3
- or
- PHY 2053, 2053L General Physics and Lab* 3
- and
- PHY 2054, 2054L General Physics and Lab

Human Anatomy Physiology Course 3

**Specialization (40 credit hours):**
- Human Anatomy Physiology Course 3
- PCB 3063 General Genetics 3
- PCB 3023, 3023L Cell Biology and Lab 4
- PCB 3043, 3043L Principles of Ecology and Lab 4
- PCB 4674 Organic Evolution 3
- MCB 3030C Introduction to Microbiology 3
- SCE 4320 Teaching Methods in Middle Grades Science 3
- SCE 4330 Teaching Methods in Secondary School Science 3
- SCE 4305 Communication Skills in the Science Classroom 3
- SCE 4236 Science, Technology, Society Interaction 3

**Additional Requirements**
- MAC 2281 Engineering Calculus I 4
- or
- MAC 2311 Calculus I 4

**Chemistry Education Prerequisites (16 credit hours):**
- CHM 2045 General Chemistry I* 3
- CHM 2045L General Chemistry Lab* 1
- CHM 2046 General Chemistry II* 3
- CHM 2046L General Chemistry II Lab* 1
- BSC 2010, 2010L Biology I and Lab* and
- BSC 2011, 2011L Biology II and Lab* 8
- or
- PHY 2048, 2048L Physics I and Lab* (with Calculus) 4
- and
- PHY 2049, 2049L Physics II and Lab* (with Calculus) 4
- or
- PHY 2053, 2053L Physics and Lab* 3
- and
- PHY 2054, 2054L Physics and Lab

**Specialization (37 credit hours):**
- CHM 2210, 2210L Organic Chemistry I and Lab 5
- CHM 3120C Elementary Analytical Chemistry 3
- CHM 3400 Elementary Physical Chemistry I 3
- CHM 3610, 3610L Intermediate Inorganic Chemistry and Lab 4
- CHM 4070 Historical Perspectives in Chemistry 3
- BCH 3023 Introductory Biochemistry 3
- SCE 4320 Teaching Methods in Middle Grades Science 3
- SCE 4330 Teaching Methods in Secondary School Science 3
- SCE 4305 Communication Skills in the Science Classroom 3
- SCE 4236 Science, Technology, Science Interaction 3
- MAC 2281 Engineering Calculus I 4
- or
- MAC 2311 Calculus I 3

**Physics Education Prerequisites (16 credit hours):**
- BSC 2010, 2010L Biology I and Lab* and
- BSC 2011, 2011L Biology II and Lab* 8
- or
- CHM 2045, 2045L General Chemistry I and Lab* and
- CHM 2046, 2046L General Chemistry II and Lab* 8
- or
- PHY 2048, 2048L General Physics I and Lab* (with Calculus) 4
- and
- PHY 2049, 2049L General Physics II and Lab* (with Calculus) 4
- or
- PHY 2053, 2053L General Physics I and Lab* 3
- and
- PHY 2054, 2054L General Physics II and Lab* 3

**Specialization (39 credit hours):**
- PHY 2020 Conceptual Physics 3
- PHY 3101 Modern Physics 3
- PHY 3221 Mechanics I 3
- PHY 3323C Electricity and Magnetism 3
- PHY 4031 Great Themes in Physics 3
- Physics Electives (Select from PHY3 to PHY5, PHZ3 to PHZ5)
- Computer Applications in Physics 3
- SCE 4320 Teaching Methods in Middle Grade Science 3
- SCE 4330 Teaching Methods in Secondary School Science 3
- SCE 4305 Communication Skills in the Science Classroom 3
Mon Prerequisites:

Science Education program to fulfill the State Mandated Common Prerequisites.

Completion of General Education requirements:

General education coursework.

Professional Education Core (17 credit hours):

EDF 3214 Human Development and Learning 3
EDF 3604 Social Foundations of Education (Exit) 3
EDF 4430 Measurement for Teachers 3
EDF X701* Teaching Diverse Populations 3
EDF 4430 Measurement for Teachers 3
ESE 4322 Classroom Management 3

Social Sciences Specialization (44-45 credit hours):

AMH 2010 American History I 3
AMH 2020 American History II 3
AMH 3421 Early Florida 4
AMH 3423 Modern Florida 4
GEA 2000 World Regional Geography 3
HUM 2210 Studies in Culture: Classical through Medieval 3
HUM 2230 Studies in Culture: Renaissance through the 20th Century 3
INR 3018 World Ideologies 3
POS 2112 State and Local Government 3
Any 3000/4000 level Social Science course 3/4

Any course from African, Asian, or Latin American, or Middle Eastern History 3

One of the following:

ANT 2000 Introduction to Anthropology 3
ANT 2410 Cultural Anthropology 3

One of the following:

ECO 1000 Basic Economics 3
ECO 2013 Macroeconomics 3

One of the following:

SYG 2000 Introduction to Sociology 3
SYG 2010 Contemporary Problems 3

One of the following:

POS 2041 American National Government 3
POS 2080 The American Political Tradition 3

Social Science Education (27 credit hours):

SSE 4333 Teaching Middle Grades Social Science 3
SSE 4334 Teaching Secondary Grades Social Science 3
SSE 4335 Teaching Social Science Themes* 3
SSE 4600 Reading and Basic Skills in the Social Sciences 3
SSE 4936 Senior Seminar in Social Sciences Education 2
SSE 4940 Internship: Social Science Education** 10

*SSE 4333 must be successfully completed prior to SSE 4335.

**Only SSE 4936 can be taken at the same time as SSE 4940.

Department of Educational Measurement and Research

The Department of Educational Measurement and Research offers EDF 4430, Measurement for Teachers, that provides students with the measurement and evaluation skills and dispositions they need to be effective classroom teachers. Students use curriculum-based, learner-based, context-based, and professionally-based standards to develop and use objective, product, and live performance tests; attitude observation and self-report assessments; they analyze and evaluate learner progress, their tests, and their instruction; and they communicate learner progress using portfolios, grades, and standardized test profiles. The course is delivered using web-based distance and web-enhanced laboratory format.

School of Physical Education and Exercise Science

The School of Physical Education and Exercise Science teaches a variety of Elective Physical Education courses and conducts a Physical Education Teacher Preparation Program, and an Exercise Science Program. For Athletic Training, please refer to the College of Medicine Orthopedic Surgery.

• PHYSICAL EDUCATION ELECTIVE PROGRAM

Physical Education elective offerings in the School of Physical Education and Exercise Science are designed to provide
opportunities for all students in the university to acquire knowledge and movement skills related to an active healthy lifestyle. Laboratory experiences in over twenty-five different exercise and sports activities allow students to select and develop proficiency appropriate for leisure pursuit and personal development. Special competency courses provide for in-depth study in such areas as personal wellness, current issues in sports, and first aid.

- **PHYSICAL EDUCATION and EXERCISE SCIENCE**
  
  Students must enroll in one of the following programs: a) Physical Education K-12 (Florida Teacher Certification); or b) Exercise Science.

### Requirements for the B.S. Degree (PET, BPW):

The two-year programs are offered beginning in the junior year and includes mandatory attendance during the summer session between the junior and senior years. Students in Physical Education and Exercise Science may enter in the Fall Semester of each year only. Students proceed through the programs in cohorts and are required to complete all required courses each semester with a grade of "C-" or better in order to progress to the next semester. Students who do not complete the requirements will be dismissed from the program and may reapply for the next cohort.

#### For K-12 Physical Education Major (PET):

**Prerequisites (State Mandated Common Prerequisites):**

These prerequisites must be met by transfer students as well as USF students. A grade of "C-" is the minimum acceptable grade.

- EDF X005 Introduction to Education (3)
- EDG X701* Teaching Diverse Populations (3)
- EME X040 Introduction to Educational Technology (3)
- Other program prerequisites**
  - Anatomy & Physiology I (3-4)
  - Care and Prevention of Athletic Injuries
  - Anatomy & Physiology II w/lab (3-4)
  - Skill Development Courses in Physical Activities (4-5)
  - Conditioning, Fitness & Wellness Courses in Physical Activities (3)

*In addition to EDG X701, a minimum of 6 semester hours with an international or diversity focus is required. Eligible courses will be determined by the community college or university where the student is currently earning the Associate in Arts or baccalaureate degree. Foreign language courses may be used to meet this requirement.* **Courses specified in this category may apply to general education coursework.

#### Completion of General Education requirements:

General education courses will be determined by the community college or university where the student is currently earning the Associate in Arts or baccalaureate degree, and will be published in the institution's existing catalog or in the Community College Counseling Manual. (For USF, see "Academic Policies and Procedures - Liberal Arts Requirements" section of the catalog.)

#### For Exercise Science Major (BPW):

Students who successfully complete the undergraduate Exercise Science Major earn a B.S. degree in Physical Education with a Specialization in Exercise Science. This program is offered in the School of Physical Education, Wellness, and Sport Studies in the College of Education. The Exercise Science program is endorsed by the American College of Sports Medicine (ACSM) and prepares students for a variety of entry level positions in the exercise science field. See our website [http://pe.usf.edu/exsci/](http://pe.usf.edu/exsci/) for the types of jobs and job settings available as well as other important information. Successful completion of the program qualifies students for national professional certifications such as ACSM's Health/Fitness Instructor (H/FI) and the National Strength and Conditioning Associations (NSCA's) Certified Strength and Conditioning Specialist (CSCS).

The course work is offered over a two-year period beginning in the fall semester of the student's junior year as shown below. The summer session between the junior and senior year is mandatory. Students can enter the program during the fall semester only and they progress through the program in a cohort.

#### Completion of General Education requirements:

General education courses will be determined by the community college or university where the student is currently earning the Associate in Arts or baccalaureate degree, and will be published in the institution's existing catalog or in the Community College Counseling Manual. (For USF, see "Academic Policies and Procedures - Liberal Arts Requirements" section of the catalog.)
Major Requirements:
The exercise science program is a full-time program. Students must be available for classes from 8:00 am - 4:00 pm, Monday through Thursday each semester. Additional time commitments may be necessary for course work such as PET 3940 (Practicum) and PET 4941 (Internship). The exercise science program is a limited access program meaning that enrollment is limited to 30 students each fall semester. Selection of the 30 students is based on the following criteria:

1. An overall GPA of 2.50. This is a College of Education criterion.
2. Completion of all the following "common statewide prerequisites" for exercise science programs by the spring semester prior to fall admission with a C- or higher.
3. Students with the top 30 composite GPAs will be selected for admission into the program. A composite GPA score will be calculated for each student by adding 30% of the overall GPA and 70% of the common statewide prerequisite GPA.

Prerequisites (State Mandated Common Prerequisites): These prerequisites must be met by transfer students as well as USF students. A grade of "C-" is the minimum acceptable grade.

- Human Anatomy and Physiology I and lab
- Human Anatomy and Physiology II and lab
- Human Physiology and lab
- College Algebra or higher
- Statistics or Pre-Calculus
- General Psychology
- General Nutrition
- Survey of Chemistry or higher and lab

The following are "recommended" prerequisite courses and the grades in these courses will not be used to calculate the "common statewide prerequisite" GPA for admission.

1. PEM 2131 Weight Training
2. SPC 2600 Public Speaking
3. HLP 2081 Personal Wellness

NOTE: Though no computer course is recommended, students need to possess excellent computer skills, e.g., MS applications.

Admission Criteria: Students must:
1. Apply to the University of South Florida.
2. Submit a completed application to the Exercise Science program, including official transcripts between June 1st and July 15th for fall admission.
3. Complete the General Education requirements for the University of South Florida or for the Florida public college or university in which the student took his or her General Education requirements.
4. Successfully meet exemption requirements for CLAST or successfully complete the exam. It is recommended that students successfully meet the exemption requirements for the CLAST or complete the exam prior to admission; however, this requirement may be met once the student is admitted to the program. Students must complete the exemption or the exam prior to graduation.

Requirements, After Admission:
By August 1st, students will be informed if they have been accepted into the program. Students accepted into the program must inform the College of Education advising office by August 15th that they will or will not be enrolling in fall classes.

Once admitted, students will need to meet the following requirements:

1. Complete an online College of Education Orientation and attend an Exercise Science Orientation prior to the beginning of the fall semester.
2. Sign an agreement to abide by the standards set forth in the School of Physical Education, Wellness, and Sports Studies Student Handbook on Professional Behavior and Ethical Conduct.
3. Pay for costs in addition to tuition, fees, and books such as:
   a. Material and supply fee for PET 3384
   b. Student membership for the Exercise Science student organization
   c. Professional liability insurance
   d. Student membership in at least one professional organization
   e. Transportation to and from field experiences required in courses including the practicum and internship
   f. Possible requirements of practicum/internship sites such as health/medical exam, immunizations/vaccines, criminal background check, finger printing, drug/alcohol screening, personal health insurance, uniforms, and parking
   g. Possible costs associated with obtaining physician clearance (e.g., medical exam and/or tests) prior to participation in physical activity/exercise. Students complete a Pre-Activity Screening Questionnaire (PASQ) based on American College of Sports Medicine guidelines to determine if physician clearance is needed.
   h. Assignments in some classes (e.g., printing/binding of group project reports, academic and professional portfolio, etc.)
4. Receive a grade of C- or higher in all required courses and maintain a 2.5 GPA in order to progress to the next semester.
5. Complete 10 hours of volunteer community service for a non-profit health care organization.
6. Complete Continuing Education Credit (CEC) tests published in exercise science refereed journals.

Semester 1 Fall (12 hours)
PET 3211 Stress Management
PET 3312 Biomechanics
PET 3314 Professional Development Seminar
PET 3341 Exercise Testing and Prescription
PET 3353 Exercise Physiology
PET 3361 Nutrition for Fitness and Sport

Semester 2 Spring (15 hours)
PET 3365 Physical Activity Epidemiology
PET 3384 Exercise Testing and Prescription
PET 3713 Theory & Practice of Teaching Group Exer. 3
PET 3404 Emergency Response and Planning
PET 3511 Exercise Science Research
PET 3514 Professional Behavior and Ethical Conduct

Semester 3 Summer (9 hours)
PET 3940 Practicum in Fitness/Wellness
PET 4093 Strength and Conditioning
PET 4402 Planning & Eval. Fitness/Wellness Prog.

Semester 4 Fall (12 hours)
PET 4219 Exercise Psychology
PET 4406 Individualized Fitness/Wellness Prog.
PET 4416 Administration of Fitness/Wellness Center
PET 4550 Clinical Exercise Testing & Prescription

Semester 5 Spring (12 hours)
PET 4941 Internship in Fitness/Wellness
PET 3252 Issues in Sport (Liberal Arts Exit)
Department of Psychological and Social Foundations of Education

The Department of Psychological and Social Foundations of Education does not offer a specific major or degree program, but provides courses for all students majoring in the wide array of undergraduate programs available in the College of Education. These courses contribute to the students' understanding of the general education enterprises and are considered foundational to later professional specialization. Consequently, these courses should be taken early in the professional program, typically in the junior year.

Professional Education Core (34-39 cr. hrs.):
- EDF 3122: Learning and the Developing Child
- EDF 3214: Human Development and Learning
- EDF 3514: History of Education in the United States
- EDF 3604: Social Foundations of Education
- EDF 4111: Child Growth and Learning
- EDF 4131: Learning and the Developing Adolescent

In addition the department offers:
- EDF 3228: Human Behavior and Environmental Selection
- EDF 4905: Independent Study: Educational Foundations
- EDF 4909: Directed Study: Educational Foundations
- EDF 5607: Trends in Social-Political Foundations of Schooling in the U.S.
- IDS 3115: Values and Choices

The Counselor Education program offers undergraduate courses focusing on human services skill development, decision-making and personal growth. Course content contributes to student success in academic and personal endeavors and may serve to orient students to post-graduate work in human services fields.

MHS 4052: Human Relations Skills in Counseling
MHS 4905: Independent Study: Guidance and Counseling Education
SDS 4040: Introduction to Student Personnel Work in Higher Education

Department of Special Education

The Department of Special Education prepares teachers to work with children who have emotional and behavioral disabilities, mental retardation, and specific learning disabilities. The undergraduate program is a state-approved program that leads to certification in Exceptional Student Education (ESE). Students are required to meet University and College of Education entrance requirements prior to enrollment in the Department. Upon admission, students affiliate with the campus on which they wish to take their program of studies. Students may not register for courses on other campuses without permission. On the Tampa Campus, students are assigned to teams. All courses are taken with the assigned team. The program sequence includes three semesters of part-time field experience and one semester of full-day internship. All part-time field experiences must be successfully completed as a member of a team concurrently enrolled in a specific course in designated local schools. Final internships are assigned only to designated school districts where partnerships exist. Field experiences begin during the first semester of a student’s enrollment with increasing involvement throughout the program. Students are responsible for providing transportation to their experience sites.

In some instances students may pursue a part-time program (3 hours or less a semester). This requires that students be available to participate in field experiences and concurrent classes during regular school hours.

Please be advised that program and/or course requirements are subject to change, per state legislative mandates, Florida State Department of Education program approval standards, and accreditation criteria.

- **EXCEPTIONAL CHILD EDUCATION with ESOL Endorsement**

The College of Education offers a full ESOL Endorsement for all Special Education major graduates. The special requirements for ESOL endorsement through infusion are as follows:

Successful completion of (1) FLE 4317 and FLE 4316 with a minimum grade of 70% or better on part one and part two of the ESOL Comprehensive Exam administered in the two ESOL courses; (2) a 20-hour early ESOL field experience in FLE 4316; (3) a late ESOL field experience where students plan, implement, and evaluate lessons for one or more ESOL students over 10 days; and (4) an ESOL binder, containing all ESOL-related assignments taken in the College of Education and an ESOL-performance Standards Checklist that documents the completion of the necessary number of standards.

Prerequisites (State Mandated Common Prerequisites): These prerequisites must be met by transfer students as well as USF students. A grade of "C-" is the minimum acceptable grade.

- EDF X005: Introduction to Education (3)
- EDG X701*: Teaching Diverse Populations (3)
- EME X040: Introduction to Educational Technology (3)

*In addition to EDG X701, a minimum of 6 semester hours with an international or diversity focus is required.

Completion of General Education requirements: General education courses will be determined by the community college or university where the student is currently earning the Associate in Arts or baccalaureate degree. Foreign language courses may be used to meet this requirement.

Area of Specialization

**Exceptional Student Education**

Students seeking the B.S. degree with certification in Exceptional Student Education are required to take the following courses:

- EEX 4011: Foundations of Special Education
- EEX 4054: Perspectives on Learning and Behavior (Disabilities)
- EEX 4221: Educational Assessment of Exceptional Students

Professional Education Core (31-32 credit hours):
The required courses in the professional education core are as follows:

- EEX 4941: Practicum in ESE
- EDF 3122: Learning and the Developing Child
- EDF 3214: Human Development and Learning
- EDF 3604: Social Foundations of Education (Exit)
- EDF 4430: Measurement for Teachers
- FLE 4316: Language Principles and Acquisition
- FLE 4317: Teaching LEP Students K-12
- EEX 4940: Internship: Exceptional Student Education
- EEX 4936: Senior Seminar in Exceptional Student Education

Please be advised that program and/or course requirements are subject to change, per state legislative mandates, Florida State Department of Education program approval standards, and accreditation criteria.

**All courses must be successfully completed with a grade of "C-" or higher.**
Kappa Delta Pi is an international co-educational honor society in Education. The society was founded to recognize and encourage excellence in scholarship, high personal standards, improvement in teacher preparation, and distinction in achievement. Undergraduate student applicants must have an overall grade point average of 3.5. Graduate students must have an overall grade point average of 3.0. Graduate students must have an overall grade point average of 3.0. Graduate students must have an overall grade point average of 3.0. Graduate students must have an overall grade point average of 3.0.}

**Student Organizations and Activities**

**The Alliance of Health and Fitness Professionals (AHEPS)**
The Alliance of Health and Fitness Professionals (AHEPS) is an official USF student organization designed to provide exercise science majors with a variety of professional development and leadership experiences. Activities include preparing for certifications in the field, attending professional conferences, participating in volunteer community projects and programs, and coordinating many local educational and social events. Each year, the organization plans an annual awards banquet to recognize graduating seniors.

**Kappa Delta Pi**
Kappa Delta Pi is an international co-educational honor society in Education. The society was founded to recognize and encourage excellence in scholarship, high personal standards, improvement in teacher preparation, and distinction in achievement. Undergraduate student applicants must have an overall grade point average of 3.0. Graduate students must have an overall grade point average of 3.5. For more information regarding Kappa Delta Pi, please visit [www.kdp.org](http://www.kdp.org).

**Multi-Cultural Organization of Students in Education (M.O.S.E.)**
The Multi-Cultural Organization of Students in Education provides students with experiences that will facilitate the educational and professional growth of its members. This is achieved by providing information about the various opportunities available to them, scheduling activities that will enrich their experiences, as well as organizing the sponsorship and participation in community service programs. Created support systems are provided (bi-weekly meetings and faculty to student mentoring). Guest speakers are also invited to meetings to discuss topics of interest such as employment and graduate school.

**National Education Association Student Program (NEASP)**
The National Education Association extends its usual membership benefits to student teachers, providing opportunities for professional growth, leadership training, and also $1 million liability insurance coverage while interns are engaged in student teaching. Membership is open to all students.

**Student Council for Exceptional Children (SCEC)**
The Student Council for Exceptional Children [SCEC] is an organization of those members of the University interested in the education of children who are gifted, emotionally disturbed, physically handicapped, mentally retarded, or have specific learning disabilities.

**Suncoast Area Teacher Training (SCATT)**
The SunCoast Area Teacher Training (SCATT) Honors Program is an award-winning teacher training program designed to enhance the outstanding teacher preparation programs offered within the USF College of Education. Its mission is to enhance the teaching profession by establishing high performance expectations for all members and offering research-based learning experiences that support exceptional instruction and encourage reflective practice. SCATT students participate each semester in a variety of activities, workshops, seminars and field trips to enrich their knowledge base as educators. To apply, please complete an application available in the SCATT Office, which is located on the second floor of the David C. Anchin Center in the COEDU building, visit our website at [http://scatt.coedu.usf.edu/](http://scatt.coedu.usf.edu/), or call (813) 974-2061 for additional information.

**EDUCATION FACULTY**

**Adolescent, Career & Higher Education**

- **Chairperson:** W. R. Sullivan; **Professors:** W.E. Blank, J.A. Eison, W.B. James, W.H. Young; **Associate Professors:** D. Dellow, V. Hernandez-Gantes, J.M. Ignash, J.B. Scaglione, W.R. Sullivan; **Assistant Professors:** R. B. Closeston.

**Childhood/Language Arts/Reading Education**

- **Interim Chairperson:** R. Brindley; **Professors:** S. Graves, S. Homan, J. King, M. Mann, J. Richards; **Associate Professors:** N. Anderson, I. Berson, S. Kragler, K. Laframboise, E. Larkin, J. Linder, M. L. Morton, S. Rushton, J. Schneider, N. Williams; **Assistant Professors:** M. Byrd Blake (Sarasota), J. Blank, D. Dennis, L. Kosten (Sarasota), J. Manning, W. Mo, A. Parker, S. Quinn, R. Sylvester (Lakeland), G. P. Wilson (Sarasota); **Instructors:** A. Hall, C. Lippincott, J. R. Meadows (Lakeland), D. Stewart, G. Wyatt (Lakeland); **Professor Emeritus:** J. Kiesler.

**ECONOMICS**

- **Chairperson:** R. Brindley; **Professors:** S. Graves, S. Homan, J. King, M. Mann, J. Richards; **Associate Professors:** N. Anderson, I. Berson, S. Kragler, K. Laframboise, E. Larkin, J. Linder, M. L. Morton, S. Rushton, J. Schneider, N. Williams; **Assistant Professors:** M. Byrd Blake (Sarasota), J. Blank, D. Dennis, L. Kosten (Sarasota), J. Manning, W. Mo, A. Parker, S. Quinn, R. Sylvester (Lakeland), G. P. Wilson (Sarasota); **Instructors:** A. Hall, C. Lippincott, J. R. Meadows (Lakeland), D. Stewart, G. Wyatt (Lakeland); **Professor Emeritus:** J. Kiesler.

**Educational Measurement and Research**

- **Chairperson:** C.V. Hines; **Professors:** J. M. Ferron, C. V. Hines, J. D. Kromrey; **Associate Professors:** R. F. Dedrick, Assistant Professors: Y. Chen, L. Rodriguez-Campos; Visiting Professors: J. Niles, G. Rendina-Gobicoff.

**Physical Education and Exercise Science**
