The announcements, information, policies, rules, regulations, and procedures set forth in this Catalog are for information only and are subject to continual review and change without notice.

The University of South Florida is committed to the principles of equal education, equal access, and equal employment opportunities without regard to race, color, marital status, sex, religion, national origin, disability, age, or Vietnam or disabled veteran status as provided by law and in accordance with the University's respect for personal dignity. These principles are applied in the conduct of University programs and activities and the provision of facilities and services.
Communicating With The University

Communications regarding the services and programs listed below should be directed by letter or by phone to the appropriate office on the Tampa, St. Petersburg, Lakeland, or Sarasota campuses. Mailing addresses and general telephone numbers for the campuses are given on the previous page. The offices listed below (on the Tampa Campus unless otherwise indicated) may be dialed direct at the telephone numbers shown.

**Academic Advising (for Undeclared and Undecided Students)**

Professional Degree

| Doctor of Medicine                        | Doctor of Physical Therapy         | D.P.T. |

The University of South Florida and all colleges, departments and programs therein establish certain academic requirements that must be met before a degree is granted. These requirements concern such things as curricula and courses, majors and minors, and academic residence. Advisors, directors, department chairs, and deans are available to help the student understand and arrange to meet these requirements, but the student is responsible for fulfilling them. At the end of a student’s course of study, if requirements for graduation have not been satisfied, the degree will not be granted. For this reason, it is important for all students to acquaint themselves with all regulations and to remain currently informed throughout their college careers and to be responsible for completing requirements. Courses, programs, and requirements described in the catalog may be suspended, deleted, restricted, supplemented, or changed in any other manner at any time at the sole discretion of the University and the USF Board of Trustees.
Vision, Mission, Goals, and Values

Vision

The University of South Florida envisions itself as a premier research university with state, national and global impact, and positioned for membership in the Association of American Universities (AAU).

Mission

As Florida’s leading metropolitan research university, USF is dedicated to excellence in:

• Student access and success in an engaged, and interdisciplinary, learner-centered environment,
• Research and scientific discovery, including the generation, dissemination, and translation of new knowledge across disciplines; to strengthen the economy; to promote civic culture and the arts; and to design and build sustainable, healthy communities, and
• Embracing innovation, and supporting scholarly and artistic engagement to build a community of learners together with significant and sustainable university-community partnerships and collaborations.

Goals

The University of South Florida will pursue its rising stature as a pre-eminent research university with a state, national and global impact, and position itself for membership in the Association of American Universities (AAU) through:

• Expanding world-class interdisciplinary research, creative, and scholarly endeavors.
• Promoting globally competitive undergraduate, graduate and professional programs that support interdisciplinary inquiry, intellectual development, knowledge and skill acquisition, and student success through a diverse, fully-engaged, learner-centered campus environment.
• Expanding local and global engagement initiatives to strengthen and sustain healthy communities and to improve the quality of life.
• Enhancing all sources of revenue, and maximizing effectiveness in business practices and financial management to establish a strong and sustainable economic base in support of USF’s growth.

Values

The University of South Florida values:

• Excellence in teaching and learning; scholarship and research (both basic and applied/translational); together with community engagement and public service based on the highest standards of discovery, creativity and intellectual attainment,
• Outstanding research and scientific discovery, including the application of new knowledge to solve state, national and global problems,
• Recruitment and retention of world-class faculty and high potential undergraduate and graduate students,
• Access to a world-class, globally relevant and affordable education, including utilization of alternative modes of delivery,
• Student competitiveness, success and academic achievement through knowledge, communication and critical thinking skill acquisition,
• Cultural and ethnic diversity and inclusion along with an enhanced global experience, understanding, and appreciation,
• Integrated, interdisciplinary inquiry and collaboration across departmental, college and campus boundaries,
• Facilitating the optimal development of personal and professional potential of students, faculty, and staff, and enriching the quality of an engaged campus community,
• Shared governance structures that empower all USF stakeholders, campuses and entities to reach their full potential,
• The creation and support of a premier university system that adds value to the region, state and nation while ensuring necessary levels of autonomy and preserving the distinctive regional and strategic identities of all member campuses and entities,
• An environment of collegiality based on the principles of academic freedom, respect, integrity, civility, the freedom to engage in debate, the exchange of ideas and intellectual discovery, and professional responsibility,
Commitment to Honor & Living the Commitment

As an ethical community, the University of South Florida is dedicated to the ideals of excellence in scholarship, academic learning and student development. By joining this community, each member is expected to accept and live these commitments.

I resolve to maintain the honor and integrity of the university community in pursuit of scholarship, academic learning and student development.

Living the Commitment: A commitment to this resolution upholds our core values of honesty, diligence and trust within our academic and professional lives. This means that authentic and sincere efforts motivate our work while we strive for genuine, trustworthy interactions.

I resolve to respect the dignity and intrinsic value of all persons.

Living the Commitment: A commitment to this resolution requires appreciation for another’s personal right to explore freely, to express oneself responsibly, and to participate actively in building an environment of mutual respect and inclusion for each individual. This means that we will support equal rights and opportunities for all people, while exhibiting behaviors which are compassionate and considerate to others.

I resolve to contribute to the progress and greater good of the community.

Living the Commitment: A commitment to this resolution motivates us to serve the University with words and actions that generate a positive impact on the future of the whole community. This means that active and creative thought and contributions within a collegial environment will expand both the nature and scope of knowledge and the quality of community life.

I resolve to strive for excellence and discovery for myself, others, and the University.

Living the Commitment: A commitment to this resolution confirms the shared values that make the University a strong community. We hold high expectations for our own academic and professional work. Concurrently, we endeavor to support the success of others as we all seek to contribute to the mission of the University.

ABOUT THE USF SYSTEM

The University of South Florida System (USF System) is composed of two separately accredited institutions, USF and USF St. Petersburg. USF consists of the main research campus in Tampa, which includes USF Health, its College of Marine Science in St. Petersburg, and two regional campuses - USF Sarasota-Manatee and USF Polytechnic, located in Lakeland. The USF System was awarded $380.4 million in research contracts and grants in FY 2008/2009. It has a $1.8 billion annual budget, an annual economic impact of $3.2 billion and serves more than 47,000 students. The USF System is a member of the Big East Athletic Conference.

ABOUT USF TAMPA

Founded in 1956, the University of South Florida opened its doors in 1960 to 2,000 students. Since then, USF has achieved distinction in all areas — academics, sports, research and funding. USF, including USF Health, is located in northeast Tampa, a vibrant metropolitan area. The University serves more than 39,000 students and offers 232 degree programs at the undergraduate, graduate, specialists and doctoral levels, including the doctor of medicine.

USF comprises 11 colleges: Arts & Sciences, Behavioral & Community Sciences, Business, Education, Engineering, Honors, Marine Science, Medicine, Nursing, Public Health, and The Arts. It is the largest and most comprehensive institution
of the USF System and the only institution offering doctoral degrees. USF offers an Honors College for high-ability students, an extensive study abroad and internship program, interdisciplinary research opportunities, and a Center for Global Solutions that enables students to address real-world challenges affecting communities around the world. USF offers specialized academic guidance services for veterans taking advantage of the Post-9/11 Veterans Education Bill.

With more than 1,800 faculty members from some of the world’s most prestigious universities and research institutions, USF is the university chosen by many of the nation’s brightest students. Students come to USF from every state, every U.S. territory, and 157 countries around the world. More than 30 percent of the student body is African American, Hispanic, Asian, Asian/Pacific Islander, Native American or other ethnicity. USF is included in the 2009 Hispanic Outlook in Higher Education’s annual list of the top 100 U.S. institutions that conferred the most college degrees on Hispanic student.

USF is included in the 2010 Princeton Review “Best 371 Colleges” listing of the country’s best institutions for undergraduate education. Only about 15% of America’s 2,500 four-year colleges (and two Canadian colleges) are profiled in this ranking. In 2009, The Princeton Review also ranked USF as one of the nation’s 50 “Best Value” public colleges and universities.

With a strong focus in medical treatment and research, bioengineering, life sciences, and the arts, USF is one of Florida’s top three research universities and was awarded nearly $380.4 million in research contracts and grants during the 2008/2009 fiscal year. USF’s federal funds for academic research and development increased 213 percent from 2000 to 2007. According to the Chronicle of Higher Education, no other American university grew its federal research funding at a faster rate than USF.

USF is one of only three Florida public universities classified by the Carnegie Foundation for the Advancement of Teaching in the top tier of research universities (RU/VH), a distinction attained by only 2.2 percent of all universities. The University is also one of only 25 public research universities nationwide that holds both a RU/VH and community engaged designation by the Carnegie Foundation. USF is included in the 2009 President’s Higher Education Community Service Honor Roll, the highest federal recognition a school can achieve for its commitment to service-learning and civic engagement.

A member of the Big East Athletic Conference, USF competes with NCAA Division 1 Conference rivals in 17 varsity sports. The men’s soccer team earned the 2008 Big East championship title, men’s tennis earned the 2009 Big East title and women’s basketball the 2009 WNIT championship. The USF Bulls excel on the field and in the classroom, with 159 student-athletes named to the 2008-2009 Big East All-Academic Team.

USF FACILITIES

Since its inception, USF has endeavored to provide facilities that assist students and scholars in achieving their educational and professional goals.

USF, which includes USF Health, is situated on more than 1,700 acres in northeast Tampa, one of the fastest growing areas in Tampa Bay. USF features more than 250 buildings valued at over $1.5 billion, including modern science and engineering labs; a communications building with a full range of broadcast facilities; foreign language listening labs; fine art studios and display spaces; education teaching labs; a dozen computer labs with free Internet access; a public television station; and a listener-supported radio station.

The Tampa campus is in a construction boom with more than $433 million recently completed or planned projects. Completed projects include the new 233,000 square-foot Marshall Student Center, the Joint Military Leadership Center, the Morsani Center for Advanced Healthcare, the Richard A. Beard Parking Facility, the Medical Faculty Office Building, and the Juniper/Poplar residence hall, which features “state of the art” classrooms, an in-house dining hall, convenience store and restaurant. Construction projects in progress include the Patel Center for Global Solutions, a new learning facility for the College of The Arts, the Interdisciplinary Science Teaching & Research Facility, and the USF Student Wellness & Nutrition Center. Future planned projects include an expansion of the existing recreation/wellness center and sports facilities.

The campus also offers a wide variety of recreational facilities, including a multi-million dollar recreation center featuring a 6,500-square-foot weight room, an indoor pool, racquetball courts and various fitness studios; three outdoor swimming pools; 22 lighted tennis courts; an 18-hole golf course; a running trail; three softball fields; four outdoor basketball and volleyball courts; and 10 lighted multi-purpose fields. In addition, USF offers a wide range of living options for students who wish to live on campus, including traditional-style, suite-style and apartment-style resident halls. Greek housing is also available for members of USF’s sororities and fraternities.

DIVERSITY AND EQUAL OPPORTUNITY POLICY

It is the goal of the University to create and maintain a work and study environment free of discrimination and harassment. Discrimination on the basis of race, color, sex, marital status, religion, national origin, disability or age is prohibited by University policies, federal and state laws. The USF system protects its faculty, staff, and students from discrimination and harassment based on sexual orientation. Any person who believes that he or she has been subjected to discrimination may file a complaint with the Office of Diversity and Equal Opportunity, ADM 172. The telephone number is 974-4373. It shall be prohibited for any employee of USF to discriminate or take retaliatory action against any individual who, in good faith, has opposed an alleged unlawful practice or has made a charge, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under the provisions of applicable law or the university equal opportunity policies.
Advocacy Program

The Advocacy Program provides free and private services to USF students, faculty and staff, both men and women, who have experienced crime, violence or abuse, for incidents occurring on or off campus, recently or in the past. Services may include: crisis intervention, emotional support, personal and systems advocacy, court accompaniment, victim helpline, safety planning and information, options, and referrals. We also provide prevention and education presentations.

Appointments are available in our office or other safe locations on campus. Walk-ins are welcomed, Monday - Friday, 8:00 a.m. to 5:00 p.m. An advocate is available after hours and on weekends and holidays by contacting the University Police. Please visit our web site at http://www.usf.edu/advocacy.

Guide to Resources for Students with Disabilities

In accordance with Section 504 of the Rehabilitation Act, The Americans with Disabilities Act and The ADA Amendments Act, the University of South Florida provides reasonable classroom accommodations for otherwise qualified students who have documented disabilities. Students seeking accommodations must register with the Services for Students with Disabilities Office. See www.sds.usf.edu for a list of common accommodations and more information on the accommodations process.

Admissions: Students with disabilities apply under the same guidelines as all students through the Offices of Undergraduate or Graduate Admissions.

Course Substitution: Students with disabilities requesting substitution of course work for General Education, foreign language requirements, or CLAS Requirement should contact Students with Disabilities Services. Students with declared majors requesting substitution of departmental graduation requirements will need to contact the chair of their department. In either case, students will be requested to submit documentation to SDS to support their request for an exception.

Parking: Students with state parking privileges need only supply their state card as documentation for eligibility to Parking and Transportation Services. Students without state privileges need medical documentation to be considered for on-campus parking. Contact: http://www.usf.edu/parking_services.

Housing: Accessible on-campus residence hall housing is available for students with special needs. Specific information is available through Housing and Residential Education. Contact: http://www.housing.usf.edu.

Diversity and Equal Opportunity: Students with disabilities are encouraged to participate fully in all University events, programs, and other campus activities. Information on whom to contact to request accommodation or assistance should be listed on program information and advertisements. If unable to secure the requested assistance or if additional help with accessibility is needed, contact the ADA Coordinator in Diversity and Equal Opportunity (DEO) at www.usf.edu/ada.

USF CONTACTS FOR STUDENTS WITH DISABILITIES SERVICES

USF Tampa - Reasonable Academic Accommodations and Services for Students
Ms. Deborah McCarthy, Director
Students with Disabilities Services
4202 E. Fowler Avenue, SVC 1133
Tampa, FL  33620-6500
(813) 974-4309 (Voice)
(813) 974-5651 (TDD)
dmccarthy@admin.usf.edu
http://www.sds.usf.edu
The Office of Admissions assists prospective students with learning about the opportunities available to them at the University. The office is responsible for processing applications for admission for undergraduate and former students returning. Admissions also reviews transfer credit completed at other regionally accredited institutions for determination of transferability. Admission services are available at all USF institutions.

Admission to the University of South Florida requires evidence of ability to successfully complete academic work, the capacity to think creatively, and strong motivation. The minimum admission requirements are designed to help identify applicants whose academic background indicates potential for success at USF; however, satisfaction of minimum admission requirements does not guarantee acceptance. The admission of new students at all levels is on a selective basis within curricular, space, and fiscal limitations. The selection process may include such factors as grades, test scores, pattern of courses completed, class rank, educational objectives, past conduct, school recommendations, personal recommendations, and portfolios. Preference for admission in any term will be given to those applicants whose credentials indicate the greatest promise of academic success.

The University encourages applications from qualified applicants of both genders and from all cultural, racial, religious, ethnic, and age groups. In the admission process there is no discrimination on the basis of these factors or on the basis of disability, veterans status, sexual orientation, or national origin. These policies are further described under “Applying for Admission” and “Requirements for Admission.”

The University supports equal educational opportunity for disadvantaged students. Requests for waiver of the $30.00 application fee are considered by the Director of Admissions if payment of this fee creates severe financial hardship and serves as a deterrent to application.

Students are admitted to USF in accordance with the mission and goals of the University and within enrollment limitations established by the Department of Education, State University System of Florida and the Florida Legislature.

Applying for Admission

Obtaining an Application

The University of South Florida prefers all applicants to apply online. The online undergraduate admissions application may be found on the Office of Undergraduate Admissions web page at http://usfweb2.usf.edu/admissions/application.html.

When to Apply

Applications for admission are accepted as early as 12 months before the requested entry term. Applications for admission and the non-refundable application fee should be submitted by the deadline date (see academic calendar) for the requested entry term or by the application deadline for the requested degree program (see specific programs in this catalog), whichever is earlier.

Who Should Apply

An application for admission must be submitted by all students who have not been admitted to and enrolled in a USF degree program within the last three terms. Former or continuing USF degree-seeking students must file another application for admission when applying for a second degree program, another level of study or readmission (see Readmission). Anyone who has previously been admitted and enrolled as a degree-seeking student and has paid an application fee is required to pay the $30 application fee.

The Director of Undergraduate Admissions may waive payment of the application fee for disadvantaged applicants if the fee serves as a deterrent to application.

Changing Requested Term of Entry

Applicants may update their application for admission for up to one year from the originally requested term of admission. All requests for changes of entry term must specify any academic work attempted that was not reflected on the original application and must be received by the appropriate published application deadline for the new term of entry or degree program specified, whichever is earlier. Additionally, any issues related to criminal or academic misconduct that were not reflected on the initial application must be reported in writing to the Office of Undergraduate Admissions. A new application and fee must be submitted when applicants wish to be considered for admission for a term that begins more than 12 months after the originally requested entry term.

An applicant who requests a new entry term must meet the admissions requirements in effect for the new term requested. Entry for some programs is limited to specified terms.
General Admission Policies

Transcripts and Other Admission Documents
All official transcripts, test scores, and any other required credentials must be received directly from the issuing agencies. It is the applicant’s responsibility to initiate the request for credentials to the issuing agencies and to assure their receipt by the USF Office of Undergraduate Admissions in Tampa, St. Petersburg, Sarasota-Manatee, or Polytechnic in Lakeland for students enrolled at those USF institutions. (See "Minimum Requirements for Admission" below for information concerning required documentation).

All credentials and documents submitted become the property of USF. The originals or copies of the originals will not be returned to the applicant or forwarded to another institution, agency, or person.

Provisional Admission
An applicant admitted on a provisional basis must submit the requested missing credentials, such as official final transcripts or test scores, which substantiate eligibility for admission before a second registration will be permitted.

Applicants who do not meet standard Department of Education minimum admission requirements may be admitted to the University on academic probation. Students admitted on probationary status must accumulate 30 semester credits and maintain a minimum cumulative 2.0 grade point average (GPA) each term enrolled with no single term GPA below a 1.0 before the probationary status is removed. (A term GPA below 2.0 in the first term of enrollment results in permanent academic dismissal.) Advising is mandatory prior to registration. Failure to meet these conditions results in permanent academic dismissal from the University.

USF System Admission Criteria vs. Differential Admission Criteria
Undergraduate students are admitted to USF based on system admission criteria. Differential admission criteria, which are higher than the system admission criteria, are required for admission to the research campus in Tampa. Students admitted to USF Tampa may register for classes offered by any USF institution or campus. Students admitted to USF St. Petersburg, Sarasota-Manatee or Polytechnic campuses who do not meet the differential criteria are restricted from changing their home campus or registering for courses offered by USF’s Tampa campus.

Students may apply to have the registration restriction removed, which will allow the students to take courses offered by any USF institution or campus, when they have a cumulative postsecondary GPA that meets the current transfer admission criteria for USF’s Tampa campus.

For the 2010-2011 academic year, a freshman who does not meet the differential admission criteria must earn at least 30 credit hours (at least 12 of which must be earned at USF and not through dual enrollment, AP, AICE or IB exam credit) and have a 3.0 cumulative GPA, and a transfer student who does not meet the differential admission criteria must earn at least 60 credit hours and have a 2.75 cumulative GPA to have access to courses offered at all USF institutions or campuses. Any exceptions must be requested on a course-by-course basis and will be approved only when the course is required for on-time progression toward degree for the student. Requests for exceptions must be initiated through the academic advisor at the home institution or campus and must be approved by the Dean of the appropriate college at USF Tampa.

Non-degree Seeking Status
Performance in courses taken as a non-degree-seeking student will not qualify an applicant for admission as a degree-seeking student. Similarly, courses taken as a non-degree-seeking student will not be utilized in determining an applicant’s grade point average for purposes of admission.

A non-degree-seeking student who has been dismissed from USF is not eligible for admission to USF as a degree-seeking student at the undergraduate level. If extenuating circumstances contributed to the academic dismissal and the student meets other admissions requirements, a request for waiver of this rule may be submitted to the Faculty Committee on Student Admissions. This rule does not apply to a student who has earned a degree from a regionally accredited institution subsequent to academic dismissal.

Freshman and undergraduate transfer applicants denied admission to USF as degree-seeking students will not be permitted to enroll as non-degree-seeking students.

Admission Denials
Receipt of final official credentials that fail to substantiate eligibility will result in rescission of admission, reclassification to non-degree status, and denial of continued enrollment in subsequent terms.

An undergraduate applicant who is denied admission may be eligible to appeal and will be advised of applicable appeal procedures by the Office of Undergraduate Admissions.

An application for admission or a residency affidavit submitted by or on behalf of a student that contains false, fraudulent, or incomplete statements may result in denial of admission, further registration and/or degrees awarded.

The University may refuse admission to a student whose record shows previous misconduct not in the best interest of citizens of the University community.
Required Summer Term Attendance
Effective September 1, 1976, all students entering USF with fewer than 60 semester hours of credit are required to earn at least 9 semester hours of credit prior to graduation by attendance during one or more summer semesters. The University may waive the application of this rule in cases of unusual hardship. A student who wishes to have the rule waived must complete a “Request for Waiver of Mandatory Summer Enrollment Form” available in the Office of the Registrar. After submission of the form to the Office of the Registrar, the student will be notified by mail of the action taken.

Students are exempt from the summer requirement provided they have earned 9 or more credits from one of the acceleration mechanisms listed below prior to matriculation at an SUS institution. There is no provision for partial credit that would allow students to complete in summer enrollment only the difference in credits between the required 9 semester hours and the number of credits less than 9 that they completed prior to matriculation. (Approved acceleration mechanisms include: Advanced Placement, International Baccalaureate, Dual Credit, Early Admission, Advanced International Certificate of Education, and credit from the Florida Virtual School.

The requirement may be fulfilled only by attending one of the universities in the State University System: University of South Florida, Florida Agricultural and Mechanical University, Florida Atlantic University, Florida Gulf Coast University, Florida International University, Florida State University, New College of Florida, University of Central Florida, University of Florida, University of North Florida, and University of West Florida.

CLAS Requirement (CLASR)
All undergraduate students admitted to USF must satisfy the CLAS requirement, must meet exemption criteria, or must qualify for a waiver on the two sections of the College Level Academic Skills requirement (CLASR) prior to receiving an A.A. certificate or baccalaureate degree from the University. Transfer students entering USF with fewer than 45 transferable semester hours must meet the CLASR during the term in which 45 semester hours will be completed. Transfer students entering USF with 45 or more transferable semester hours must meet the CLASR during the first term of enrollment.

Required Orientation
Prior to beginning classes, all new undergraduate students (Freshman)/Transfer) are required to participate in Orientation at the USF institution to which they are admitted. Orientation sessions are designed to assist new students with their transition into the University. During the University Orientation students are made aware of the following: college overviews and requirements for their degree program; general University policies and services; and student activities and campus life. In addition, academic advising and registration for classes are all part of the orientation process.

All new students will receive Orientation information after admission.

Required Proof of Immunity
Prior to registering for classes, all students born after 1956 are required to present documentation of proof of immunity to MEASLES (Rubella) and RUBELLA (German Measles). It is further required that all students must present proof of immunity to Hepatitis B and Meningitis or decline immunization by signature. Students living in USF Housing must be vaccinated against meningitis (no declination is permitted). (See Immunization Policy.)

Limited Access Programs
Undergraduates seeking entrance to limited access degree programs must meet special program requirements in addition to requirements for admission to the University. While many limited access programs admit students only at the junior level, some programs admit students for the freshman or sophomore years. The admission criteria and procedures for limited access programs at USF furnish equal access to A.A. degree holders from Florida public colleges, transfers from other SUS institutions, and USF students of equivalent status. Transfer applicants with 60 or more transferable semester hours who are seeking admission to limited access programs must meet the grade point average requirement specified by the program to be eligible for admission to USF. Beginning in Summer 2010, transfer applicants with 30 to 59 transferable semester hours who are seeking admission to certain limited access programs such as nursing may be required to meet a higher transfer grade point average requirement that would allow eventual admission to those particular degree programs.

USF, with approval of the Board of Governors and the Articulation Coordinating Committee, has established the following undergraduate programs as limited access: Liberal Studies, Mass Communications, and the B.A./M.A. Program in Mathematics in the College of Arts and Sciences; the Social Work Program in the College of Behavioral and Community Sciences; all degree programs in the College of Business; all degree programs in the College of Education; all degree programs in the College of Engineering; the Athletic Training Program in the College of Medicine; all degree programs in the College of Nursing; and the B.F.A. in Dance in the College of the Arts. The admissions requirements for these degree programs may be found with other program information in appropriate sections of this catalog.

Minimum Requirements for Admission

Freshman Applicants
To be considered for admission, freshman applicants must submit a USF or FACTS Application for Admission, a non-refundable application fee, an official high school transcript, official GED scores if applicable, SAT or ACT score, with writing and a TOEFL or IELTS score if applicable.
Although USF has minimum freshman admission requirements, meeting these minimum standards does not guarantee admission. Applicants selected for admission usually exceed the eligibility requirements; however, USF also considers applicants who do not fully meet minimum requirements but who have important attributes, special talents or unique circumstances that may contribute to a representative and diverse student body. These freshman applicants are considered for admission by a faculty committee on the basis of other appropriate evidence of ability to do successful academic work at USF.

For purposes of admission, USF recalculates a high school grade point average (GPA) based on grades earned in all college preparatory academic courses. In recalculating a GPA, USF assigns additional weights to grades earned in honors, Dual Enrollment, Advanced Placement courses, International Baccalaureate courses, and Advanced International Certificate of Education courses.

The University normally requires a diploma from a Florida public or a regionally accredited high school or the state-approved General Education Development (GED) diploma. Students admitted under the Early Admission Program are exempted from this requirement. Students who are participating in an approved home schooling program are expected to provide acceptable copies of annual evaluations for the equivalent of grades 9 through 12. A portfolio or additional documentation may be requested if deemed necessary to complete an appropriate evaluation for admission. Other minimum requirements are outlined below.

1. Freshman applicants must submit an official test score from the Scholastic Assessment Test (SAT) or the American College Test (ACT). Applicants graduating from high school after January 1, 2006 will be required to submit an SAT or ACT score that includes the Writing component. Students with test scores form older versions of the admissions test(s) may be required to retest for admission purposes. Receipt of an SAT without Writing or ACT without Essay will not fulfill the test score requirement.

2. For freshman applicants earning a high school diploma, the following college preparatory academic units (year-long courses or equivalents) normally offered in grades nine through twelve are required: four units of English (three of the four must incorporate substantial writing requirements); three units of mathematics (algebra I and above). Freshman applicants, who graduate from high school in 2011 and beyond, will be required to complete four academic units in mathematics; three units of natural sciences (two of the three must incorporate substantial laboratory requirements); three units of social sciences (history, civics, political science, economics, sociology, psychology and geography); two units of the same foreign language; and three additional units of academic electives.

3. Freshman applicants who have between a 3.3 (B+) and 4.0 (A) grade point average as recalculated by USF using all attempted academic courses are considered competitive. The University sets admission requirements that may be found on the Undergraduate Admissions web homepage. Please refer to http://usfweb2.usf.edu/admissions/requirements.htm for the current admission requirements. Admission to the University is selective; therefore, meeting requirements does not guarantee admission.

4. Applicants submitting a GED diploma must have an overall score of at least 300 for all five tests and at least 50 on each of the five tests. GED holders must also submit an SAT or ACT score that will be considered in assessing the applicant's probability of success (also required of students in an approved home schooling program).

5. In the absence of the above, the University will also consider appropriate alternative evidence of academic achievement, ability, motivation and responsibility that indicates potential for successful academic work at USF.

6. A first-time-in-college applicant whose native language is not English may be required to present a minimum score of 550 (paper-based test) or 79 (Internet-based test) on the Test of English as a Foreign Language (TOEFL), or a score of 6.5 on the International English Language Testing service exam (IELTS). The TOEFL or IELTS requirement may be waived on an individual basis when appropriate alternative evidence of English language proficiency is presented in writing (including SAT Critical Reading score of 460 or above, or an ACT English/Writing score of 18 or above and Reading Score of 19 or above).

7. First-time-in-college applicants seeking admission at the freshman level to a limited access degree program in Engineering must meet additional requirements specified by the program.

8. If a student has not earned the following minimum scores on the SAT or the ACT, remedial college preparatory work will be required during the first term of enrollment at USF:

   SAT - Mathematics 460, Critical Reading 460, Writing 440

   or

   ACT – English/Writing 18, Reading 19, Mathematics 19

   Students requiring this remedial coursework will be offered admission only for Summer term.

Provisional Offers of Admission

Some applicants may be offered admission to the University of South Florida with the provision that they enroll at USF St. Petersburg, USF Sarasota-Manatee or USF Polytechnic or in an alternate term and/or program that differs from that requested on the application for admission. For example, a freshman applicant may be offered admission to USF St. Petersburg due to enrollment limits and/or differential admission criteria for USF in Tampa. In this event, the freshman would be restricted to taking courses at USF St. Petersburg until he or she has earned 30 semester hours (12 of which must be earned at USF St. Petersburg and not through dual enrollment, AP, AICE or IB credit) with a 3.0 transfer GPA, at which time the student can request to change the home campus. The provisions of all offers of admission will be stated clearly in materials included in the acceptance packet.
USF Admissions Deposit
Freshmen admitted to the University of South Florida are required to submit a $200 non-refundable admission deposit by May 1 for either summer or fall admission.

The admission deposit will be credited to the student's account and applied toward their first semester tuition. The admission deposit will be waived for admitted freshmen who demonstrate significant financial need on a FAFSA (Free Application for Federal Student Aid) submitted by USF's priority deadline of March 1st.

Admitted freshmen are encouraged to pay the deposit online via OASIS (USF’s Online Access Student Information System). Online payment is the University’s preferred payment method. Checks and money orders submitted to the Cashier’s Office (ADM 151) are also acceptable forms of payment.

Early Admission Applicants (Freshman)
USF provides an early admission program to meet the needs of highly capable, mature high school students. Under the Early Admission program these students may enter the University as regularly enrolled, degree-seeking students prior to graduation from high school. Participation in the Early Admission program shall be limited to students who have completed a minimum of six semesters of full-time secondary enrollment, including studies undertaken in the ninth grade. In addition, Early Admission applicants should be enrolled in a strong college-preparatory curriculum while in high school. Applications for Early Admission will be reviewed by the Director of Undergraduate Admissions in conjunction with the Dean of the Honors College. Students enrolled in the Early Admission program must take courses that are creditable toward the high school diploma and the associate or baccalaureate degree.

Students wishing to be accepted as Early Admissions students at USF must:
1. have completed the equivalent of the junior year of high school, requiring one more year to complete requirements for the high school diploma;
2. have a 1200 on the Mathematics and Critical Reading sections of the SAT, with no less than 500 on either section; and 440 on the writing section, or a composite score of 27 on the EACT with no less than a score of 21 in English, 21 in Reading, and 21 on Mathematics; a 3.5 high school grade point average (computed by USF); and a TOEFL score, if applicable (students who do not meet all the requirements may discuss possible exceptions with the coordinator for Early Admission);
3. meet regular USF admission criteria for degree-seeking undergraduate students;
4. contact coordinator for Early Admission.

Undergraduate Transfer Applicants
Applicants with fewer than 60 transferable semester credits are considered lower-level transfers; upper-level transfers are those with 60 or more transferable semester credits (see below). Regardless of category, grade point averages (GPA) for purpose of admission will be computed based only on grades earned in courses that are acceptable for transfer credit and as calculated by USF.

USF requires all transfers with 60+ transferable hours—including A.A. transfers from Florida colleges—to meet the GPA requirement for their intended major. Applicants for Business, Communications, Education, and Engineering must have a 2.50 transfer GPA; applicants for Mass Communications must have a 2.75; applicants for Athletic Training must have a 2.80 transfer GPA; applicants for Architecture and Liberal Studies must have a 3.00; and, applicants for Nursing must have a 2.50 with an A.S. in Nursing or a 3.65 with 60+ hours, including an AA degree.

USF no longer will consider transfers with fewer than 30 transferable hours, as national and institutional data suggests that students who transfer earlier are less likely to succeed academically. For those with 30 to 59 hours, USF will require a 3.00 transfer GPA, again based on data related to transfer student success in the classroom. For other transfers with 60+ hours (including Florida College System transfers without an A.A. or A.S. degree), USF St. Petersburg, USF Sarasota/Manatee and USF Polytechnic will continue to consider applicants with a 2.00 transfer GPA, while USF Tampa now will require a 2.75 transfer GPA. As these changes in transfer criteria are implemented, USF will continue to assist transfer students in their efforts to identify the best academic fit within the USF system.

Meeting minimum requirements, however, does not guarantee admission to USF. In addition, limited access programs may require a higher GPA or completion of specific prerequisites. Transfer admission criteria are subject to change without notice based on space availability.

USF accepts transfer credit from institutions that are regionally accredited at the time the credits are earned.

Applicants with fewer than 60 transferable semester credits are considered lower-level transfers; upper-level transfers are those with 60 or more transferable semester credits (see below). Regardless of category, grade point averages (GPA) for purpose of admission will be computed based only on grades earned in courses that are acceptable for transfer credit and as calculated by USF.

USF accepts transfer credits, without a course by course evaluation of the prior coursework, only from institutions that are accredited by one of the regional accrediting agencies/commissions recognized by USF at the time the credits are earned (See Evaluation of Transfer Credit). Courses approved for transfer by the Statewide Course Numbering System (SCNS) from non-regionally accredited institutions will be considered for transfer credit the same as credits from regionally accredited institutions. All credits earned during the period of time a regionally accredited institution was in a "candidacy" status for accreditation are considered for transfer credit. Credits earned at an institution that is currently in "candidacy" status will not be considered for transfer credit until such time as the awarding institution receives full regional accreditation. For an applicant
applying from a non-regionally accredited school, the admissions decision will be based on prior work at a regionally accredited institution or on the transferable work completed at a non-regionally accredited institution as approved by SCNS. If all post-secondary work is from a non-regionally accredited school, not including SCNS approved coursework, the evaluation will be based on the high school record and test scores and the applicant will be regarded as a freshman for purposes of admission.

USF reserves the right to evaluate specific courses and deny transfer credit. USF does not award transfer credit that is determined to be occupational or vocational in nature except that work specifically approved as part of the Bachelor of Science in Applied Science program or approved by the academic department of the student's major.

Lower-Level Transfer Applicants
(30 to 59 transferable semester credits)

To be considered for admission, transfer applicants with fewer than 60 transferable semester credits must submit a USF or FACTS Application for Admission, a non-refundable application fee, an official transcript from each previous college attended, an official high school transcript, official GED scores if applicable, official SAT or ACT scores, and a TOEFL or IELTS score if applicable.

Lower-level transfer applicants who will enter USF with 30-59 transferable semester credits must minimally meet the following requirements to be considered for admission in good standing; however, satisfying these minimum requirements does not guarantee admission:
1. Have an overall B average (transfer GPA of 3.0 on a 4.0 scale) as calculated by USF;
2. Be in good standing and eligible to return to the last regionally accredited institution attended.
3. Satisfy fully all freshman admissions standards as described in the previous section entitled “Freshman Applicants.” (Meeting freshman admission standards may be a critical requirement for undergraduate applicants with fewer than 60 transferable credits);
4. Complete (with passing grades) two years of the same foreign language in high school or 8 to 10 semester hours of the same foreign language at the post-secondary level.
5. If applicable, present a minimum score of 550 (paper-based test), or 79 (Internet-based test) on the Test of English as a Foreign Language (TOEFL) or 6.5 on the IELTS if the applicant’s native language is not English. The TOEFL or IELTS requirement may be waived on an individual basis when appropriate alternative evidence of English language proficiency is presented in writing (including an SAT Critical Reading Score of 460 or better and SAT Writing score of 440 or better, or an ACT English/Writing score of 18 or better and Reading score of 19 or better).
6. Transfer applicants whose transcripts demonstrate an unsatisfactory course completion ratio will be denied admission to USF Tampa. For the current percentage required for admission, please consult the transfer admissions web page at www.usf.edu/admissions/transfers.

USF also considers applicants who do not fully meet the minimum requirements as stated in #1 and #2 above but who have important attributes, special talents, or unique circumstances that may contribute to a representative and diverse student body. These undergraduate transfer applicants are considered for admission by a faculty committee on the basis of other appropriate evidence of promise for academic success. These applicants should also submit appropriate alternative evidence of academic achievement, ability, motivation, and responsibility that supports potential for academic success at USF.

Upper-Level Transfer Applicants
(60 or more transferable semester credits)

To be considered for admission, transfer applicants with 60 or more transferable semester credits must submit a USF or FACTS application for admission, a non-refundable application fee, an official transcript from each previous college attended, and a TOEFL or IELTS score if applicable. Final transcripts with any degree awarded, or a minimum of 60 semester hours of transferable credit earned prior to initial enrollment at USF, must be submitted to determine final admissions eligibility.

Any transfer student with 60 or more semester hours who designates a desire for admission to a limited access undergraduate program must meet the overall admission GPA criteria of that program in order to be admitted to the University.

Applicants with Associate in Arts (A.A.) degrees from Florida College System institutions will be admitted as juniors into the University within curricular, space and fiscal limitations. A.A. degree holders seeking admission to quota/limited access degree programs must also meet all requirements specified by the desired program. The admission of Florida College System A.A. transfer students is governed by the Articulation Agreement between state universities and public colleges in Florida.

Undergraduate transfer students who have not earned the A.A. degree from a Florida public institution or who have attended another college after receipt of the A.A. must minimally meet the following requirements to be considered for admission; however, satisfying these minimum requirements does not guarantee admission:
1. Be in good standing and eligible to return to the last regionally accredited institution attended as a degree-seeking student or a non-regionally accredited institution participating in the SCNS with SCNS approved transferable credits;
2. Have an overall “B-” average as calculated by USF (transfer GPA of 2.75 on a 4.0 scale) in all college-level courses acceptable for transfer credit to USF Tampa (in calculation of the GPA, incomplete grades are computed as failures and course “repeats” are not forgiven when the courses are repeated at different institutions.); USF St. Petersburg, USF Sarasota-Manatee and USF Polytechnic will consider admission with a 2.0 transfer GPA in non-limited access majors.
3. Complete (with passing grades) two years of the same foreign language in high school or 8 to 10 semester hours of the same foreign language at a previous college or university. Students who entered a Florida public college prior to August 1, 1989 and maintain continuous enrollment until the time of their USF entry as degree-seeking students may be admitted without the required foreign language study;

4. Meet the minimum grade point average required by the program if entering a limited access program and transferring 60 or more semester hours;

5. If applicable, present a minimum score of 213 (computer-based test) or 79 (Internet-based test) on the Test of English as a Foreign Language (TOEFL), or 6.5 on the IELTS. The TOEFL requirement may be waived on an individual basis when appropriate alternative evidence of English language proficiency is presented in writing.

6. Transfer applicants whose transcripts demonstrate an unsatisfactory course completion ratio will be denied admission to USF Tampa. For the current percentage required for admission, please consult the transfer admissions web page at www.usf.edu/admissions/transfers.

Upper-level transfer applicants to a limited access major in Nursing, Business or Mass Communication must meet program requirements prior to admission to the University. Refer to requirements listed in the College of Arts and Sciences (Mass Communication), College of Business, or College of Nursing section of the catalog.

USF also considers applicants who do not fully meet the minimum requirements as stated in #1 and #2 above but who have important attributes, special talents or unique circumstances that may contribute to a representative and diverse student body. These undergraduate transfer applicants are considered for admission by a faculty committee on the basis of other appropriate evidence of promise for academic success. These applicants should also submit appropriate alternative evidence of academic achievement, ability, motivation and responsibility that indicates a potential for academic success at USF.

**Evaluation of Transfer Credit**

1. The receipt and evaluation of transfer credit is the responsibility of the Office of Undergraduate Admissions. The Office of Undergraduate Admissions will evaluate the acceptability of total credits transferable to the University. The college of the student’s major will assign equivalent courses in determining which courses are applicable toward a specific degree at the University. In some instances, exact course equivalents will also be determined by other colleges that offer the same or similar courses as part of their programs of study. Transfer students should be prepared with personal copies of their transcripts of all past course work to discuss advisement and placement with the appropriate academic advisor and should contact the college of their major soon after registration so that an official evaluation may be completed.

2. USF will readily or automatically accept credits only from those institutions accredited by one of the regional accrediting agencies/commissions* at the time the credits are earned. (See * below for agencies recognized by USF.) Credits earned at an institution that is currently in “candidacy” status will not be considered for transfer credit until such time as the awarding institution receives full accreditation. Courses approved for transfer by the Statewide Course Numbering System (SCNS) from non-regionally accredited institutions will be considered for transfer credit the same as credits from regionally accredited institutions.

3. Admitted students who wish to transfer courses from colleges or universities that are accredited by organizations and associations other than regional accrediting associations may request a review of those courses by contacting their academic advisors to initiate the process. Students will be asked to submit detailed information about the content and standards for each course to be reviewed, including, but not limited to a detailed syllabus that contains the course description, prerequisites and co-requisites, major learning outcomes, textbooks, and the academic qualifications of the instructor. These materials will be submitted to the appropriate department for review by the faculty and the process make take some time, during which no credit will be awarded until the department review is completed. Only those courses that appear to match courses currently offered by the university will be reviewed for transfer.

4. USF reserves the right to deny credit for specific courses. USF does not award transfer credit from institutions that it determines to be occupational or vocational in nature except for work that is specifically approved as part of the Bachelor of Science in Applied Science program or approved by the academic department of the student’s major.

5. Associate of Arts (A.A.) degree holders from Florida public accredited institutions will be considered as having met USF general distribution requirements and are automatically awarded 60 semester hours of credit. A course-by-course transfer credit evaluation will be done for all out-of-state and private in-state A.A. degree holders.

6. All courses from a Florida College System Institution/University bearing the same State Common Course prefix and last three numbers as a USF course are automatically transferred and transfer students may not be required to repeat these courses, unless a college age-of-record policy is involved. That same automatic transferability of credits applies to courses completed at non-regionally accredited institutions that have been specifically approved by the SCNS. Excluded are graduate courses, studio courses in art, internships, practicums, and performing arts courses such as dance, theater performance, voice, and instrumental music.

7. All undergraduate degree programs at USF require a minimum of 48 hours of upper-level work that would have been completed at a four-year college or university. This policy does not affect approved articulated programs based on the A.S. degree. For information regarding specific articulated A.S. degree programs, consult the Office of Undergraduate Studies, B.S.A.S. Program.

8. Credit will not be awarded for GED tests.
9. Military service school courses will be evaluated with reference to the recommendation of the American Council of Education when official credentials have been presented. Such recommendation, however, is not binding upon the University.
10. For ROTC and military science courses taken after Fall Quarter 1975, the maximum credit will vary with each college. A student must confer with his/her college advisor to determine the acceptability for his/her major. ROTC and military science courses taken prior to Fall 1975 are not acceptable for transfer credit.
11. A maximum of 45 semester hours of College Level Examination Program (subject and general examinations) credits can be accepted for transfer credit.
12. A maximum of 30 semester hours of extension, correspondence, and military service education credits can be applied toward a degree.
13. Grades earned in transferred courses are not computed in the student’s USF GPA except for the purposes of admission to limited access programs, the awarding of honors at graduation, and class ranking of baccalaureate students.
14. International postsecondary credentials must be evaluated by an independent evaluation service, with associated costs to be paid by the student.
15. A continuously-enrolled USF degree-seeking student must obtain prior written approval from the college of the student’s major in order for courses taken at other regionally-accredited institutions to be applied to the USF degree program.

* Accrediting Agencies/Commissions: New England Association of Schools and Colleges, Commission on Institutions of Higher Learning; Middle States Association of Colleges and Secondary Schools, Commission on Higher Education; North Central Association of Colleges and Schools; Northwest Association of Schools and Colleges; Southern Association of Colleges and Schools, Commission on Colleges; Western Association of Schools and Colleges, Accrediting Commission for Senior Colleges and Accrediting Commission for Junior Colleges.

International Applicants (non-resident aliens)
To be considered for admission, international applicants (non-resident aliens) must submit a USF or FACTS Application for Admission, a non-refundable application fee payable in U.S. dollars, a TOEFL or IELTS score if applicable, a Statement of Financial Responsibility, undergraduate admissions test scores as specified for appropriate applicant category, transcripts showing subjects and grades from the first year of secondary work to the time of application. Transcripts in a language other than English must be accompanied by a certified English translation.
Post-secondary international credentials must be evaluated by an independent evaluation service, with associated costs to be paid by the student. Information about recommended and approved independent evaluators is available from the Office of Undergraduate Admissions (http://usfweb2.usf.edu/Admissions/International/credential-evaluation.aspx).
An international applicant (non-resident alien) must meet all admission requirements for the appropriate applicant category (freshman, undergraduate transfer, graduate). Other minimum requirements are as follows:
1. An international applicant whose native language is not English must present a minimum score of 79 (internet-based test), 213 (computer-based test), 550 (paper-based test) on the Test of English as a Foreign Language (TOEFL), or 6.5 on the IELTS. The TOEFL requirement may be waived on an individual basis when appropriate alternative evidence of English language proficiency is presented in writing (including an SAT Critical Reading score of 460 or better and SAT Reading score of 440 or better, or an ACT English/Write score of 18 or better and an ACT Reading score of 19 or better.
2. International applicants must be in good standing at the last institution attended.
3. International applicants must submit the USF Financial Statement substantiating availability of financial resources sufficient to cover all educational, maintenance, and personal expenses while attending USF, without financial assistance from the University.
4. International applicants seeking admission to limited access undergraduate degree programs must also meet all requirements specified by the program.

Graduate Applicants
Graduate applicants should refer to the USF Graduate Catalog.

Transient Applicants
An undergraduate transient student is one who comes to the University from another regionally accredited institution and wishes to take courses at USF for one term only before returning to the parent institution. Transient students may enroll at USF as non-degree-seeking students. (See Non-Degree-Seeking Students.)

Financial Aid
Location/phone:
Tampa Campus: SVC 1102, (813) 974-4700

Web Addresses:
Financial Aid Web: http://usfweb2.usf.edu/finaid/
OASIS Web: http://usfonline.admin.usf.edu
FAFSA Web: http://www.fafsa.ed.gov
Email: http://www.usf.edu/askusf/
USF makes every effort to ensure that all qualified students have access to an education. All student financial aid programs are administered or coordinated through the USF Office of Financial Aid.

USF’s Financial Aid Web site provides step-by-step guidance through the financial aid application process. USF’s Online Access Student Information System (OASIS Web) allows students to monitor the status of their financial aid from application to disbursement of funds.

All students wishing to receive financial aid are encouraged to start the financial aid process as early as possible each year after January 1. The first step is to complete and submit the Free Application for Federal Student Aid (FAFSA) online. For more detailed guidance and information, log onto the Financial Aid Website or stop by the Financial Aid office.

Orientation

Location/phone: SVC 2049, (813) 974-3060
Website: www.usf.edu/orientation

Every new student at the University of South Florida must attend an on-campus, University Orientation on the campus in which they are admitted. Orientation on all campuses provides an introduction to the University of South Florida and facilitates the smooth transition of students into the academic and social environments of the University. During the University Orientation, students are made aware of the following: college overviews and requirements for their degree program; general University policies and services; and student activities and campus life. In addition, academic advising and registration for classes are part of the orientation process. Orientation is required for all new students to the University. Orientation programs are available on all campuses and students should contact their home campus directly to make arrangements for their orientation session.

First Year (FY) Students USF Tampa - Students admitted for the summer or fall terms are required to stay overnight in a campus residence hall. Families of FY students admitted for the summer or fall will experience a separate orientation program, which runs concurrently with the student program. Orientation sessions are conducted by the Offices of Orientation and New Student Connections and are scheduled prior to each term in an academic year.

Honors College

Tampa Campus

Academically talented students in all majors may avail themselves of Honors opportunities at USF’s Tampa campus. The College is primarily designed for first-time-in-college students (FTICs); however, Honors also accepts continuing USF and transfer students. Honors College experiences are grounded in the liberal arts tradition and intended for students regardless of major. The primary goals of the Honors College are the development of critical thinking skills, an appreciation of the liberal arts tradition and the development of creative, independent thought. (See complete description under Honors College.) Many scholarships are available for Honors students.

Potential FTIC students are actively recruited, but any interested student who feels that he/she is qualified may request admission. Invited students present at least a 3.8 USF recalculated weighted academic high school GPA and a 1300 SAT (based only on Critical Reading and Mathematics sections) or a 29 composite ACT score.

Interested continuing USF students and transfer students may request admission by contacting the Honors College. Eligible continuing USF students present a 3.5 USF GPA, based on at least 45 USF credits. Eligible transfer students present a 3.5 transfer GPA, based on at least 45 college credits.

Departmental Honors opportunities are available in select departments that wish to offer Honors-level work for superior students majoring in their disciplines. Requirements vary according to department, but all require the completion of a Thesis. Students may enroll in both the Honors College and Departmental Honors.

Admission to the Honors College is determined by the Dean of The Honors College; admission to Departmental Honors is determined by the individual department. Students who satisfactorily complete Honors and graduate with at least an overall GPA of 3.3 and a USF GPA of 3.3 (all course attempts are included in the Honors GPA) shall be identified as Honors College graduates on their diplomas and transcripts, and at the Honors College Graduation Ceremony.

Evening Courses

The admission requirements and achievement levels in the day and evening courses are the same. Any student accepted to the University may enroll in any appropriate course offered in the evening.

Opportunities for Accelerated Progress Toward Undergraduate Degrees

USF provides several options by which students may accelerate their progress toward completing the baccalaureate degree. These options recognize knowledge which has been acquired prior to or during attendance at USF and provide the opportunity to earn University credit. Options which may be used include the following:

1. Recognition of satisfactory performance on tests offered through the College Level Examination Program (see CLEP).
2. Recognition of satisfactory performance on tests offered through Advanced Placement Programs of the College Entrance Examination Board (see Advanced Placement Credit Programs).
3. Recognition of the International Baccalaureate Diploma Program. Students who earn the IB Diploma will be awarded 30 semester hours of college credit and sophomore standing. Credit for standard level exams with a score of 4 or higher may be awarded to those students who do not earn the IB diploma.

4. Dual enrollment as a non-degree-seeking student at USF or a community college prior to graduation from high school (see Dual Enrollment [Public/Private High/Home School]). Florida College System students should follow eligibility criteria for non-degree seeking students (below).

5. Early admission for high school students (see Early Admission Freshmen).

6. Educational Outreach courses by television.

   Credits may be earned through a combination of the above options. Students should contact their college advisors for further information concerning the application of this credit toward their degree requirements.

   Internal processes (such as auditions, portfolio reviews, and placement tests) utilized in the various departments for the sole purpose of determining a student’s most appropriate area, level, or section placement in a program of study are not to be construed as examining mechanisms for the granting of credit.

Non-Degree Seeking Student

Non-degree seeking student enrollment is on a space-available basis and has been established for those individuals who, while not desirous of earning a degree, would like to enroll in all levels of university courses. Teachers needing to take courses for certification purposes, high school students (with the permission of their respective guidance counselor), individuals desirous of taking courses for self-enrichment, and senior citizens are examples of those eligible to utilize this enrollment method. Senior citizens only are absolved from paying the $30 application processing fee. Former USF undergraduate degree-seeking students may only enroll as non-degree seeking students if they have completed their previous degree program or earned an equivalent degree at another institution. Should the latter be the case, an official transcript (reflecting the degree) from that institution must be sent to the USF Office of the Registrar (Attention: Registration and Records Area) prior to registration.

Applicants denied admission to USF as degree-seeking undergraduates may not enroll as non-degree seeking students. Performance in courses taken in this category will not qualify an applicant for admission as a degree-seeking student.

A non-degree-seeking student who has been dismissed from USF is not eligible for admission to USF as a degree-seeking student at the undergraduate level. If extenuating circumstances contributed to the academic dismissal and the student meets other admissions requirements, a request for waiver of this rule may be submitted to the Faculty Committee on Student Admissions. This rule does not apply to a student who has earned a degree from a regionally accredited institution subsequent to academic dismissal.

Individuals enrolling as non-degree seeking students who plan to make formal application to the University may not apply more than 14 semester hours toward an undergraduate degree.

Non-degree-seeking students are subject to the same academic policies as undergraduate degree-seeking students and must adhere to deadline dates published in the University Schedule of Classes. Non-degree seeking students are not eligible to receive University honors or participate in the USF/Florida College System cross-registration program. Non-degree-seeking students also are not eligible to live in University housing or receive financial aid. Non-degree seeking students are subject to the academic probation and dismissal policy listed in this catalog. Non-degree seeking students who are academically dismissed from the University may appeal to the Academic Regulations Committee (ARC) through the ARC representative for TRansitional Advising Center (TRAC) to return. Potential non-degree seeking students should also refer to the section of the catalog of the college(s) offering the course(s) of interest to them to determine whether any special college requirements exist which must be met prior to enrolling.

NOTE: Prior to registering for classes, all students born after 1956 are required to present documentation of proof of immunity to MEASLES (Rubeola) and RUBELLA (German Measles). It is further required that all students must present proof of immunity to Hepatitis B and Meningitis or decline immunization by signature. Students living in USF Housing must be vaccinated against meningitis (no declination is permitted). (See Immunization Policy.)

Early Admission (Public/Private High/Home School)

Through Early Admission, highly capable, mature high school students enrolled in a strong college-preparatory curriculum may enter the University as regularly enrolled, degree-seeking students prior to graduation from high school.

Students in the Early Admission program must take courses that are creditable toward the high school diploma and the associate or baccalaureate degree. Prospective applicants must:

1. have completed the equivalent of the junior year of high school, requiring one more year to complete requirements for the high school diploma;
2. typically have a 1200 on the Mathematics and Critical Reading sections of the SAT, with no less than 500 on either section; or a 27 on the EACT with no less than a score of 21 on English, 21 on the Reading, and 21 on Mathematics; and a 3.5 high school grade point average (computed by USF); and a TOEFL score, if applicable;
3. meet regular USF admission criteria for degree-seeking undergraduate students;
4. contact coordinator for Early Admission.
Dual Enrollment (Public/Private High/Home School)

Dual enrollment in USF classes is open to academically qualified students currently enrolled in public/private high schools and home schools who are recommended by their guidance counselor or principal. During dual enrollment students may only take courses which are creditable toward their high school diploma.

Students wishing to be accepted as Dual Enrollment students at the University of South Florida must:
1. Be at least 16 years old at start of term, unless enrolled in a special summer program initiated by USF or a special course section involving only dual enrollment students;
2. Have proof of a minimum of 500 on SAT V (Critical Reading) and 500 on SAT Q (Mathematics); or a score of 21 on EACT English, 18 on EACT Reading and a score of 21 on EACT Mathematics; or appropriate placement test scores; and a TOEFL score, if applicable;
3. Have (a) completed the equivalent of the sophomore year, (b) students typically present a 3.5 grade point average or higher on a 4.0 scale (as calculated by USF), and (c) satisfied any course prerequisites; and
4. Provide a list of courses and the number of credits necessary to complete high school diploma from the school counselor or principal on school stationery.
5. Need college level courses that are not offered at the local community college.

A student may not work on a second undergraduate degree if he/she has been accepted into a graduate program.

To be readmitted, a student must meet the following requirements:
1. Be eligible to return to the University of South Florida;
2. Be in good standing and eligible to return to the last institution attended as a degree-seeking student; and
3. Have achieved a GPA of at least 2.0 as calculated by USF on a 4.0 scale on all college-level academic courses attempted at institution(s) attended since last enrolled at USF, and meet the minimum GPA for the declared major.
4. If previously enrolled at USF and academically dismissed at the end of the last term of enrollment, must file an ARC (Academic Regulations Committee) petition in conjunction with the application for readmission.

Students who have attended one or more institutions since their last enrollment must request official transcripts of all work attempted at the other institution(s) be sent to the USF Office of Undergraduate Admissions. Acceptability of transfer credits toward completion of USF degree programs will be determined by the college of the student’s major.

Senior Citizen Tuition Waiver Program

Florida residents who are 60 years of age or older as of registration day, and have lived in Florida for the last 12 months, may enroll on a space available basis in certain undergraduate and graduate courses without paying fees. The Senior Citizen Tuition Waiver covers a maximum of nine credit hours per term and is applicable only if the student registers for these courses during the designated registration period. Due to the non-degree seeking status, academic credit is not awarded, examinations are not required and grades are not assigned. A parking permit, purchased from Parking Services, is required.

NOTE: Prior to registering for classes, all students born after 1956 are required to present documentation of proof of immunity to MEASLES (Rubeola) and RUBELLA (German Measles). It is further required that all students must present proof of immunity to Hepatitis B and Meningitis or decline immunization by signature. Students living in USF Housing must be vaccinated against meningitis (no declination is permitted). (See Immunization Policy.)
Students need not be present in order to register for courses; the Application and Registration worksheet may be submitted by mail or fax.

Many courses require departmental approval, prerequisites, or have other restrictions which may limit registration. If you are aware of those restrictions, you may acquire the necessary permits in advance of registration. There is a Registration Worksheet form to accomplish this. Additionally, the permits may be submitted electronically in OASIS by the issuing department. Under no circumstances will notes on plain paper without department letterhead be accepted.

Students may not pre-register for courses in which they plan to use the Senior Citizen Tuition waiver. The waiver will not be processed if a Senior citizen pre-registers and then submits a Senior Citizen tuition waiver form for those courses.

It is the student’s responsibility to complete and submit the waiver form allowing sufficient time for the form to reach The Office of the Registrar by the registration deadline.

More information about the program can be found at the Office of the Registrar’s website, www.registrar.usf.edu. Enter the Word SENIOR in the “search box.” The Application and Registration worksheet are on the Registrar’s Office Forms page; look under the “Quick Links” section of that page.

Florida College System

High school graduates planning to start their college education at a Florida College System institution should confer with the college counselor and ask that their academic program be planned with the assistance of the USF Undergraduate Catalog that is available at http://www.ugs.usf.edu/catalogs.htm. This catalog, prepared by the USF Office of Undergraduate Studies, explicitly describes the undergraduate program requirements and Florida’s common prerequisites that should be followed to ensure maximum ease of transfer into the students’ upper-level programs on a par with their native USF counterparts.

Articulation Agreement

An articulation agreement, in effect since April 13, 1971 and later adopted by the Florida Legislature in statute form as Florida law, governs an effective and orderly transfer of Florida College System students into the State University System (SUS).

The agreement defines and establishes the Associate of Arts degree from a Florida public community/junior college as the basis for all articulation rights. Among these guarantees, the following are central to the transfer process:

Admission into the State University System
1. A.A. graduates will be granted admission to a university within the SUS, but not necessarily to the university or program of choice.
2. A.A. graduates will have the same opportunity to enroll in a university limited access program as the native university student.
3. Upon transferring to a state university, A.A. graduates will be awarded at least 60 credit hours towards the baccalaureate degree, exclusive of occupational courses and basic required physical education courses.
4. Credits that are part of the A.A. degree earned through articulated acceleration mechanisms, such as dual enrollment, International Baccalaureate, early admission, advanced placement and credit by exam, will be transferable to the state university.
5. As participants in the Statewide Course Numbering System, receiving institutions must accept all courses taken at the transfer institution if the courses at each institution have the same prefix and the same last three digits of the course number.
6. The university catalog in effect the year the A.A. degree student first enrolled at a Florida College System institution will remain in effect for the student’s entire program, provided the student maintains continuous enrollment as defined in that catalog.
7. Once a student has completed the general education core and this fact is noted on the transcript, regardless of whether or not an A.A. degree is awarded, no other state university or community college to which the student may transfer can require additional courses to the general education core.
8. A separate agreement establishes the Associate of Science (A.S.) degree for articulation into specialized programs. Career ladder and capstone degree programs can be found at FACTS.org (http://www.facts.org/pdf_sw/statwidearticulationmanual.pdf).

Included in these transfer guarantees is the right of appeal. Students may appeal to the university and to the Statewide Articulation Coordinating Committee. Students who have questions or want more information about the articulation agreement should contact the Office of Undergraduate Studies.
The University of South Florida is committed to a holistic, integrated, multi-faceted approach to students’ learning. Learning is a transformative experience that happens inside and outside the classroom, through coursework, laboratories, student employment, residence halls, student organizations, leadership opportunities, internships, athletics, and volunteerism. The Division of Student Affairs contributes to the development of the educational environment that enhances students’ ability to grow and develop into effective and engaged citizens who are prepared and committed to positively impact the world around them. Student Affairs is committed to promoting student development and learning, providing quality services for students, and fostering a sense of community.

DIVISION OF STUDENT AFFAIRS

The Division of Student Affairs is committed to creating a student-centered learning community distinguished by collaborative relationships with colleagues across the university. The Division provides opportunities to prepare students for lifelong success in a diverse multicultural, and international world. Comprised of twenty-three departments, Student Affairs staff members are dedicated to the values of integrity, collaboration, open communication, and mutual respect.

The role of the Division of Student Affairs is to provide a broad range of educational, social, psychological, physical, and spiritual programs that increase students’ capacity to learn; to provide facilities and fundamental services that foster the optimal living and learning environment on campus; to facilitate the overall development of each student; and, to enhance the overall campus community. The Division provides students with opportunities to become involved in the life of the University outside of the classroom, students who are more engaged with and involved in their college experience are more likely to experience success and graduate.

Students who attend the University of South Florida are subject to University policies in addition to guidelines established by the Board of Trustees of the University of South Florida. The Office of the Vice President of Student Affairs, along with other University officials, is charged with interpreting the policies of the Board of Trustees to students, their families, and others in the University community. To prepare students for successful lives after graduation, Student Affairs staff members foster an environment where students are challenged and supported to make good decisions and to learn from the outcomes of those decisions. Students are expected to take primary responsibility for their education: they are accountable to know and fulfill academic requirements, meet financial obligations, and adhere to the University’s expectations for appropriate conduct.

Students with Disabilities Services

Web address: http://www.sds.usf.edu/
Location/Phone: USF Tampa: 4202 E. Fowler Ave, SVC 1133, Tampa, FL 33620; Voice: (813) 974-4309; TTY: (813) 974-5651; VP: (813) 974-1585

The University recognizes and values students with disabilities. Students with disabilities participate in all aspects of university life. Academic accommodations are arranged through the Students with Disabilities Services office. Students with Disabilities Services (SDS) makes the final determination as to the type of academic accommodations that can be rendered for students with disabilities. Each student is responsible for self-identifying and applying for accommodations and services at this office. The process of applying for services is described in detail in the SDS website www.sds.usf.edu. Information Sessions are provided for students, parents, and other concerned persons. The dates and times of these Information Sessions are on the SDS website.

The student initiates the process by identifying herself/himself to the SDS office and completing an application. The student identifies herself/himself and applies for accommodations by providing to SDS documentation both of the disability and the significant impact of that disability on academic performance. SDS staff and other experts will review the documentation, a process that typically takes ten working days. To summarize, a student interested in having accommodations for a disability should:

1) Visit our website http://www.sds.usf.edu
2) Present documentation of her/his disability to our office as soon as possible
3) Attend an Information Session

If the documentation provides the necessary information and demonstrates the need for reasonable accommodations, the student will be invited to an enrollment meeting with a coordinator. The purpose of the meeting is for the coordinator to fashion reasonable accommodations with the student. At this meeting the student will be given information about the process for having a memorandum of accommodation for each professor for that semester. It is the student’s responsibility to present the memorandum of accommodation to each professor.

At the start of each semester, the student is responsible for providing feedback about the effectiveness of the accommodations to date and registering for accommodations for the new semester. Each semester the student is responsible for giving each of her/his professors a memorandum of accommodation for that semester within two weeks of receiving the letter.

Examination accommodations, the most frequently needed accommodations, are the responsibility of the professor. The SDS office will assist the professor in providing accommodated examinations if the professor is unable to do so. The directions for this process are on the SDS website.
A nationally certified American Sign Language interpreter is on the SDS staff. Interpreting services are available for classroom and class-related activities for students with hearing impairments. The process for accessing these services is described on the SDS website.

*Federal laws require that persons with disabilities receive reasonable accommodations in order to fully participate in all aspects of society. Specifically, the Americans with Disabilities Act of 1990 (ADA) addresses this issue and provides relief for persons who do not receive reasonable accommodations.*

### Office of the Student Ombudsman

**Location:** ADM 191, (813) 974-7107  
http://www.sa.usf.edu/dontstopdontdrop/index.htm

The Office of the Student Ombudsman serves as a confidential, neutral third party providing information, advice, intervention and referrals to all USF students. The Student Ombudsman works with students to resolve a variety of problems.

Don’t Stop, Don’t Drop! is a new USF initiative of the Office of the Student Ombudsman and was created to assist USF students who find themselves challenged by the economic downturn. This initiative works to find solutions to students’ immediate financial need or to help locate with other resources for students. Please visit the Student Ombudsman for additional guidance, analysis of need and recommendation for resolution.

### Parents and Family Association

**Phone:** (813) 974-9212  
**Web address:** www.sa.usf.edu/pfa/

The Parents Association’s mission is to enhance the quality of life for students who attend the University of South Florida as well as provide opportunities that will involve parents and legal guardians in ways that are meaningful to them and beneficial to the University.

The Parents Association provides a forum for parents to obtain information, ask questions enhance the student experience; and support the mission and priorities of the University.

Parents may become involved by joining the Association or by contributing to the Parents Fund and by attending the Family Weekend program or other events sponsored by the Association.

### Student Health Services

**Location/phone:** SHS is located east of the USF Bookstore and north of the Student Services Building, (813) 974 2331, FAX (813) 974-8391.  
**Address:** 4202 East Fowler Avenue, SHS 100 Tampa FL 33620 6750  
**Internet:** www.shsweb.shs.usf.edu  
**Office Hours:** Monday through Friday 8:30 a.m. to 5:00 p.m. (hours may vary on holidays and semester breaks). SHS is closed on weekends.  
**After Hours Consultation:** An SHS physician is available by telephone after hours to provide medical advice and direction for currently enrolled USF students. The on call physician may be contacted at the SHS telephone number, 974 2331.  
**Emergency Services:** SHS does not provide ambulance services. If students require emergency services or immediate medical attention after hours, two nearby facilities are the University Community Hospital (971 6000) on Fletcher Avenue (north of campus) and the Doctor’s walk-in Clinic (977 2777) on Bruce B. Downs Boulevard (west of campus).

Student Health Services (SHS) provides primary health care and health education services to all eligible registered students. The SHS staff is comprised of board certified primary care physicians, advanced registered nurse practitioners, board certified physician assistants, registered nurses, licensed practical nurses and assistants, licensed laboratory technologists, certified health educators, a registered dietitian, and administrative personnel. SHS strives to provide the best possible care for the university student community.

**Eligibility and Fees:** SHS provides services to any registered student with a valid student ID card who has paid the Tampa campus health fee. USF Tampa Campus students are assessed this health fee and it is included in their tuition each semester. Students registered on campuses other than Tampa may volunteer to pay this health fee. Students taking a semester off may also elect to pay this health fee, entitling them to the same benefits as any student who is currently registered. Student Health Services accepts only Visa or MasterCard. Unpaid fees will be transferred to OASIS and payment may be made at the Cashier’s Office.

**The Health Fee entitles students to**

- Unlimited visits to the ambulatory clinic
- Access to SHS specialty clinics at a reduced cost (Gynecology)
- Reduced cost for laboratory tests
- Reduced cost for medications dispensed at SHS
- Limited visits to the Counseling Center at no charge
- Unlimited access to all health education programs at no cost
• Antigen injections (If you require allergy shots, SHS can store and administer your injections. Complete written instructions must be submitted by the prescribing physician for antigen therapy to be approved by SHS’s medical director.)

Prescriptions:
SHS does not operate a pharmacy; the physicians dispense frequently-prescribed medications at the time of the visit. If the necessary medication prescribed is not available in the inventory, a prescription will be written which can be filled at any local pharmacy.

Health Insurance:
For Student Health Services to provide optimal service to students, it is important that they have adequate health insurance. The Student Insurance Office (SIO) with the assistance of the Insurance Committee has contracted a reliable health insurance company to provide USF students with an affordable student health insurance plan for sickness and accidental injury tailored to the particular needs of college students. The SIO is there to assist students in understanding the available health insurance plans and encourages all registered students who do not have health insurance to visit the office located just west of SHS in the lower level of the Bookstore building (next to textbook buyback).

Health Promotion Programs:
Health Education functions as a resource for the university community regarding health and wellness issues and encourages responsible decision making and positive lifestyle choices. The department is staffed by health educators, a registered and licensed dietitian, and other support personnel. A variety of information on health topics, as well as free blood pressure, height and weight readings are available. The following services are provided free of charge unless otherwise stated, and offered upon request.

Individual Educational Sessions:
• HIV Antibody, Syphilis, Herpes Testing - Confidential testing is available to USF students for a fee. Referrals are made to local community agencies for anonymous HIV testing.
• Nutrition Counseling - One-on-one consultations are available to USF students. Topics include general nutrition, weight management, disordered eating, cardiovascular nutrition, diabetes, vegetarianism, or other nutrition-related issues.
• Other Individual Education Counseling - Consultations and referrals are available on other topics including STIs, birth control options, sexual health, and alcohol and other drugs.

Outreach:
• Educational Programs - Staff members are available for educational outreach programs. Programs can be tailored to meet the special needs of a group or organization.
• Health Promotion Activities - Health Promotion staff are frequently found around campus distributing information and materials.
• Awareness Campaigns - Throughout the year, Health Promotion develops and organizes various events, activities and materials in recognition of national awareness campaigns, including National Collegiate Alcohol Awareness Week, National Eating Disorders Awareness Week, and Sexual Responsibility Week.

REACH Peer Education Program (Responsible Education and Action for Campus Health)
REACH Peer Educators (PEs) are selected and trained to provide innovative and interactive educational programs and activities regarding sexual responsibility, sexually transmitted infections, contraception, alcohol and other drug awareness, and general college health to fellow students. Programs are presented in residence halls, in academic classes, and to student organizations. PEs are also involved with various health promotion activities and awareness campaigns. Students can get involved with the program as staff members or volunteers.

For more information about Health Promotion, stop by the SHS Annex, located next to the main SHS building in the lower level of the Marshall Center (beside Book Buyback) or call 813-974-4936.

Immunization Policy

1) Introduction
The University of South Florida requires the following immunizations for registration and specific immunization in order to be eligible for on-campus housing.

2) Statement of Policy

A) ALL STUDENTS MUST HAVE:
• MEASLES - proof of immunity if born after 12/31/1956
• RUBELLA - proof of immunity if born after 12/31/1956
• HEPATITIS B - proof of immunity or signed waiver declining the vaccine
• MENINGITIS - proof of immunity or signed waiver declining the vaccine except as listed below

B) IN ADDITION, STUDENTS ELECTING TO LIVE IN ON-CAMPUS HOUSING MUST HAVE:
• MENINGITIS - Medical documentation of immunization with Meningitis vaccine

Declining by waiver of this vaccine is not acceptable for students in on-campus housing. No student will be assigned housing without proof of vaccine.

C) HEALTH HISTORY FORM
All students must complete the USF Mandatory Immunization Health History Form (http://www.shs.usf.edu/)

D) PROOF OF IMMUNIZATION
Proof of immunity that will be accepted for each disease is as follows:

1. MEASLES:
   a. Medical documentation of immunization with TWO (2) DOSES of live measles virus vaccine on or after the first birthday and administered at least 28 days apart. Persons vaccinated with killed, or an unknown vaccine, prior to 1968 must be revaccinated. Persons born before 1957 may be considered to have had a natural infection, and therefore do not need measles vaccine. The documented date of immunization for measles should indicate the day, month, and year. However, only month and year will suffice if the month and year indicate that the immunization was given at least 13 months after the month of birth. OR,
   b. Copy of laboratory (serologic) evidence of measles immunity (IgG rubeola titer) OR,
   c. A written, dated statement signed by a physician on his/her stationery that specifies the date seen and stating that the person has had an illness characterized by a generalized rash lasting three (3) or more days, a fever of 101° Fahrenheit or greater, a cough, and conjunctivitis, and, in the physician’s opinion, is diagnosed to have had the 10 day measles (rubeola).

2. RUBELLA:
   a. Medical documentation of immunization with live rubella virus vaccine on, or after, the first birthday. The documented date of immunization for rubella should indicate the day, month, and year. However, only month and year will suffice if the month and year indicate that the immunization was given at least 13 months after the month of birth. OR,
   b. Copy of laboratory (serologic) evidence of rubella immunity (IgG rubella titer).

3. HEPATITIS B:
   a. Medical documentation of immunization with 3 doses of Hepatitis B vaccine OR
   b. Copy of laboratory (serologic) evidence of Hepatitis B immunity (anti-HBs titer).

4. MENINGITIS:
   Medical documentation of immunization with Meningitis vaccine.

E) EXEMPTIONS:
1. RELIGIOUS: Religious exemptions - contact USF Student Health Services for an application.

2. MEDICAL: Requests for temporary or permanent medical exemptions must be submitted to USF Student Health Services by the attending physician, must include reason for exemption and duration of exemption.

   In the event of a disease outbreak, students exempted from immunization requirements may be requested by the University, at the direction of the public health officials, to show titer proof of immunity, become immunized, or remain off campus for the duration of the outbreak.

   All requests for exemptions will be reviewed to ensure consistency in application.

F) CONSEQUENCES:
Students who fail to comply with the requirements as stated above will be blocked from registration and/or on-campus housing assignment. In specific circumstances, a temporary override may be granted; however, vaccination requirements must be completed before any further registration in subsequent terms will be permitted and current registration may be suspended if any deficiency in immunization status is identified.

SUS Health Insurance Requirement for International Students
The State University System of Florida requires that all international students have medical insurance in order to register for classes at USF.
Marshall Student Center

Location: In the center of campus, near the USF Bookstore
Web address: www.msc.usf.edu

The new Marshall Student Center opened in 2008 and is the student union at USF. As the student union, it serves as the focal point for daily activity for students, staff, faculty, alumni and visitors. The Marshall Student Center seeks to add another dimension to campus life by providing programs, events, services and other extra-curricular activities to add to the overall experience at USF. It is the place to meet with friends, relax and unwind between classes and study sessions. It’s where one can go grab a bite to eat, get involved in student organizations, play a game of pool and much more.

The offices and activities housed in the Marshall Student Center provide many of the social activities on campus. From Patio Tuesdays to concerts and shows to community service projects, the Center for Student Involvement has plenty of activities for the campus to enjoy. Whether it’s the Campus Activities Board, the Office of Fraternotu & Sorority Life, the Center for Leadership and Civic Engagement, Homecoming, New Student Connections, Student Government or the Office of Multicultural Affairs, there are many social and educational activities to enjoy on campus. Many events take place throughout the Marshall Student Center, the MSC Amphitheatre, and the MLK Plaza.

On the first floor is the new Food Court. With a variety of offerings including Sbarro’s Italian Eatery, Chick-Fil-A, Subway, Moe’s Southwest Grill, Miso Sushi and Noodle bar, and more, the Food Court is a great stop on campus. Other dining venues in the Marshall Student Center include Einstein Bros. Bagels, Ben & Jerry’s Ice Cream and the third floor, all-you-can-eat buffet, “On Top of the Palms” restaurant. The MSC also includes the first Beef O’Brady’s restaurant on a college campus. It can be found on the first floor on the south side near the theater buildings.

For other diversions, visitors can stop by Centre Gallery, a student run art space with various exhibits throughout each semester. There are plenty of lounges throughout the building for relaxing, studying, meeting with friends or just to unwind with peace and quiet.

In the retail section is the USF ID Card Center, where students, staff and faculty acquire their university ID cards. A satellite branch of the USF Federal Credit Union is also located on the first floor with two ATM’s. The retail section also includes the USF Computer Store, the new Bulls Country Pharmacy and USF Dining Services where you can purchase meal plans or add to a declining balance account. On the first floor near the Information Desk is where the Bull Market desk can be found. The Bull Market is held every Wednesday on the MSC Plaza.

In the center of the atrium in the Marshall Student Center is the Information Desk. The Information Desk provides phone numbers, directions, bus route information and more. The Marshall Student Center offers a wide variety of events, programs and services for the entire USF community.

Student Government

Location/phone: MSC 4300, (813) 974-2401
Web address: sg.usf.edu

Any registered student may apply for membership in Student Government (SG) which consists of over 150 elected, appointed, and hired student leaders. SG is made up of three branches: the Executive (President, Vice President, and Cabinet Officers), Legislative (Student Senate), and Judicial (Supreme Court). SG also employs several Agencies to serve student needs including SAFE Team, Student Resource Agency, WBUL Radio, and SG Computer Services. Student Government represents all student interests in programs, plans, policies, and procedures of the University and secures student representation to University governance. SG allocates and oversees the Activity & Service Fee Fund (over $10 million) which supports many student-centered services, programs, and activities, such as Marshall Center, Campus Recreation, Campus Activities Board, University Lecture Series, SG Branches and Agencies, College Councils, and over 150 student organizations. Student Government strives to assist students with all student issues, so please take the time to get to know your Student Government and find out how they can serve you.

Office of Fraternity & Sorority Life

Location/phone: MSC 2300, (813) 97G-REEK (4-7335)
Web address: usfgreeklife.com/

The Office of Fraternity & Sorority Life advises and works with the almost 40 social/service based fraternities and sororities and their respective governing councils in areas of programming, leadership development, recruitment/intake, new member education and self-governance.

Office of Multicultural Affairs (OMA)

Location/phone: MSC 3300, (813) 974-5111
Web address: multicultural.usf.edu

OMA helps to advance the cultural competence of students through the art of cultivating interpersonal and cross-cultural relationships. By way of community building, diversity awareness programming, advising, advocacy and global leadership, OMA provides inclusive and holistic development for ALL USF students.
Office of Student Programming

Location/phone: MSC 2306, (813) 974-1001
Office Hours: Monday through Friday, 9 a.m. – 5 p.m.

The Office of Student Programs offers students, faculty, staff, alumni, and community members the opportunity to have unique on-campus experiences. The variety of student-run programs offered helps the campus community to see and hear things they would not otherwise encounter. To accomplish this goal, the office is dedicated to programming diverse social, cultural, artistic, recreational, and school-spirited events. The areas that comprise the Office of Student Programs are: Basement Band Series, Campus Activities Board, Centre Gallery, Homecoming Steering Committee, and University Lecture Series. The types of events planned by these areas include concerts, comedy shows, movie screenings, art exhibits and receptions, hypnotist shows, and many more. These events range in size from small, intimate settings to large arena shows.

Center for Student Involvement

Location/phone: MSC 3300, (813) 974-7595
Office Hours: Monday through Friday, 8 a.m. – 6 p.m.

The Center for Student Involvement is THE place students to learn about opportunities to get involved in campus life. Through activities, programs, events, workshops, and courses, CSI provides opportunities to learn intellectually, socially, and emotionally as part of the student life experience at USF. Departments comprised mainly of students plan and execute a variety of programs including lectures, concerts, and more. Departments include the Office of Student Programs and the Office of Student Organizations. With hundreds of ways for students to be involved, visit the CSI website for more information at www.involvement.usf.edu.

This is also where you will find the H.Y.P.E. Resource Center. H.Y.P.E. stands for How You Promote Events and it is where registered student organizations can utilize computers, copiers and color printers to promote and market their events to the USF campus.

Center for Student Leadership & Civic Engagement

Location/phone: MSC 1300, (813) 974-7795
Web Address: leadandserve.usf.edu
Office Hours: Monday through Friday, 8 a.m. – 5 p.m.

This Center for Leadreship and Civic Engagement develops students into leaders that will make a positive difference in the world. These programs help each student discover their passion and talents, while developing their skills and understanding leadership and active citizenship. Opportunities include workshops, conferences, peer education, courses for credit, and individual or group trainings. Students can become “Certified Student Leaders” which will signify to future employers or graduate schools that they have been trained and are prepared to be valuable assets to any team or initiative. Visit the Center to find out how to maximize your leadership potential.

They also provide opportunities for students to participate in community service, service-learning and civic leadership programs. Through these programs, the Center provides opportunities to connect to the community, gain real-life experience, learn intellectually, socially and emotionally and gain leadership skills.

Office of New Student Connections

Phone: 813-974-2896
WEB Address: www.newstudent.usf.edu

The Office of New Student Connections at the University of South Florida facilitates the successful transition, adjustment and connection of first-year and transfer students to the campus community. Through programs, partnerships, and mentoring, we offer opportunities for students to form meaningful connections that provide a foundation for success in their first year and throughout their college experience.

New Student Connections helps new students…
- Discover ways to feel connected to the campus community.
- Learn techniques on how to successfully navigate the campus.
- Develop meaningful relationships with peers, student leaders, staff and faculty.
- Utilize available academic and support resources.
- Find out about important University dates & deadlines.

Some examples of programs and services include: UConnect - the academic and social online community for first-year students, Week of Welcome (WOW), academic and social organizations for first-year and transfer students, and Peer Advisor Leaders (PALs). For additional assistance contact the Office of New Student Connections at 813-974-2896 or email newstudent.usf.edu.

Campus Recreation

Location/phone: Northwest of the Sun Dome, (813) 974-3177.

Campus Recreation enriches the educational experience by providing opportunities that focus on the development of lifelong wellness skills for students, faculty, and staff. Campus Recreation is designed to provide opportunities for participation in a wide variety of sports and recreational activities for the entire University community.
Campus Recreation offers five distinct divisions: informal recreation, outdoor recreation, intramurals, fitness/noncredit instruction, and sports clubs. The informal recreation division administers all recreational facilities. The division assists groups in reservations and ensures availability of recreational facilities for informal, drop-in use. Facilities include indoor and outdoor pools, gymnasiums, weight room/activity rooms, tennis courts, racquetball courts, intramural fields, and jogging trail.

Through the fitness/noncredit instruction division, students have the opportunity to take a wide variety of noncredit classes ranging from aerobics to scuba. Also, the Campus Recreation Center offers the opportunity to work out in a state-of-the-art weight room as well as participate in racquetball on six 4-wall courts.

The Outdoor Recreation Division offers students the opportunity to become involved in adventure trips (hiking, canoeing, camping, etc.) as participants or as group leaders. The division also administers a fully equipped outdoor rental center and resource center. In addition, the division is responsible for the USF Riverfront Park, a complete riverfront recreational site located on the Hillsborough River, which includes a ropes/challenge course, primitive camping, and a disc golf course.

The Intramural program offers competitive and recreational tournaments in a variety of sports and recreational activities. The activities represent a broad selection of sports and include individual, team, and aquatic sports.

The sports clubs program supports a wide range of student-organized groups. The sports clubs provide for instruction, recreation, and competition in various sports activities.

Injuries occurring in any of the Campus Recreation programs are not covered by the University or the Campus Recreation Office.

Information about any of the above activities can be found at the USF Campus Recreation Center, located directly northwest of the Sun Dome, or by calling 974-3177. The department’s website is: http://isis.fastmail.usf.edu/camprec/rec.html.

Standards and Student Conduct Procedures

Standards of Conduct

Just as the University maintains high standards of academic performance, the members of the University community support high standards of individual conduct and human relations. Responsibility for one’s own conduct and respect for the rights of others are essential conditions for the academic and personal freedom within the University community. Self-discipline and sensitivity to the rights and interests of others are the principal elements of the University Student Code of Conduct. The Student Code of Conduct sets forth a foundation of values that represent a standard of expected behavior both inside and outside the classroom. The University reserves the right to deny admission or refuse enrollment to students whose actions are contrary to the purposes of the University or impair the welfare or freedom of other members of the University community.

Students have often asked for advice on standards of dress and personal appearance. The University does not have a formal dress code but campus attire is expected to be appropriate for the activity in which the individual is engaged.

Conduct Procedures

Student Conduct procedures are followed when a student fails to exercise his/her responsibility in an acceptable manner or commits an offense as outlined in the student planner (http://www.sa.usf.edu/srr). The University disciplinary procedures afford students the opportunity to participate in discussions of the matter and to present information in one’s own behalf, to seek an advisor in one’s own best interest, and the right of appeal. Students are entitled to participate in the development of standards of conduct supporting their interests in the purpose of the University. The University disciplinary procedures are described in the student planner.

For Non-Academic Grievances: In order to assure that student rights are preserved in our community, the Office of Student Rights and Responsibilities administers the University Student Code of Conduct. Any student may file a question, complaint, or statement of grievance in the Office of Student Rights and Responsibilities, in person or in writing.

For Academic Grievances: Students should follow the academic grievance procedure.

University Bookstores

The on-campus bookstores are owned by the University of South Florida and operated by Barnes & Noble College Bookstores, Inc. The primary function of the university bookstores is to extend services to the students, faculty, staff, alumni and visitors of the university. The USF Bookstore and the Health Sciences Bookstore are located on the Tampa Campus. VISA, MasterCard, Discover and American Express are accepted at all stores. The USF Bulls Bucks may also be used for purchases in the Tampa Campus store.

The USF Bookstore & Cafe

Location/phone: On Martin Luther King Plaza between the Marshall Center and the Student Services Building. Customer Service: (813) 974-2631

Usual Hours: Monday through Thursday from 8:00 a.m. - 7:00 p.m., Friday from 8:00 a.m. - 5:00 p.m. and Saturday from 10:00 a.m. - 4:00 p.m. Extended hours and additional registers open at the beginning of each term.

Web address: http://sftampa.bncollege.com

The bookstore offers a wide variety of books and merchandise including: all course-required supplies and textbooks; a complete selection of writing implements, folders, paper and other class supplies; a wide selection of fiction, nonfiction and
magazine titles; college clothing; class rings; imprinted souvenirs and gift items. The Main Bookstore at the Tampa Campus also features a full service café proudly serving Starbucks products. Visit the internet café on our second level for lunch or a coffee break.

Personnel are available to assist customers in finding and/or ordering course texts and general books. A year-round Buyback Program offers a source for cashing in used textbooks. We also provide an on-line store for textbook reservations and/or delivery for every semester.

Health Sciences Bookstore & Cafe
Location/Phone: Medical Center (MDC 1050), (813) 974-4984
Usual Store Hours: Monday through Friday from 7:30 a.m. to 5:00 p.m. Extended hours at the beginning of each term.
Usual Cafe Hours: Monday through Friday from 7:30 a.m. to 2:00 p.m.
Web address: http://usfhsc.bkstore.com

Store features medical textbooks and equipment, professional apparel, USF-imprinted clothing, greeting cards, balloons, gifts, candy, snacks, cold drinks and other items.

USF I.D. Card

The USFCard is the official I.D. card of the University of South Florida. It provides electronic verification and validation for a variety of University services and functions. University policies require that all student, faculty and staff members carry the USFCard while on campus. Students may be denied services if they do not have one. The USFCard may also be used to make purchases from on-campus copiers, snack and vending machines equipped with card readers. Value can be added to the vend stripe at Bull Buck machines located around campus. For additional information: http://it.usf.edu/services/usfcard
Office of the Dean

Location/Phone: CPR 475, (813) 974-4090
Email: publicaffairs@iac.usf.edu
Web Site: http://global.usf.edu/

International Affairs works in collaboration with the colleges and regional campuses to promote international education, research, outreach, and service programs. It is comprised of the following units: International Services, Education Abroad, the Confucius Institute, and the Japanese Outreach Initiative. It also has oversight of the Peace Corps and Fulbright programs.

Confucius Institute

Phone: (813) 974-6740
Email: kim@iac.usf.edu
Web Site: www.global.usf.edu/confucius

The USF Confucius Institute is one of 56 Confucius Institutes in the United States and one of nearly 300 worldwide. The USF Confucius Institute assists the educational and business communities in Tampa Bay to develop closer ties with China through Chinese language instruction and cultural exchange. The USF Confucius Institute offers Chinese language and culture classes year round. The Institute focuses on educational initiatives related to tourism, trade, and sustainable healthy communities. The Confucius Institute at the University of South Florida is a collaborative effort between China’s Office of Chinese Language Council International under the Ministry of Education and Nankai University. Nankai University is USF’s designated university partner.

Japanese Outreach Initiative

Mitsuo Ogishima
Email: mogishima@iac.usf.edu
Phone: 813-974-9948
Web Site: http://global.usf.edu/joi.php

The USF Japan Outreach Initiative (JOI) Coordinator promotes understanding of Japanese culture, language, and business practices for USF students as well as the broader Tampa Bay and Florida communities. The JOI Coordinator facilitates dialogue about current Japan-U.S. issues and gives Japanese language and culture presentations, and organizes events. Presentations include: Japanese culture and language, comparative analysis of the U.S. and Japan, conducting business in Japan, preparing for job interviews, in addition to numerous other topics.

Office of International Services

Location/Phone: CPR 469, (813) 974-5102
Email: collymore@iac.usf.edu
Web Site: http://global.usf.edu/isss/

The University of South Florida welcomes qualified students from all over the world to our campus community. The resulting international educational exchange leads to the enrichment of our common life, the intellectual development of our students, the research endeavors of the University, and mutual understanding between the peoples of the world represented at USF. The ensuing exchange of life stories exposes all USF students, faculty, and staff to the likenesses and differences that exist between cultures, worldviews, experiences, and ideas.

The mission of International Services is to promote awareness, understanding and compliance of federal immigration regulations and university policies while supporting and enhancing the academic, cultural and social experiences of all international students, scholars and staff at the University of South Florida. International Services staff advises the 1,400 international students and 200 visiting scholars regarding immigration compliance, visa status maintenance and acculturation issues. In addition, they conduct orientation programs for new students and offer workshops on employment, career planning, and cultural adjustment. The office promotes cross cultural understanding by working with USF departments and other on campus organizations to plan events and inform students and scholars about upcoming activities, via listserv, email and the International Services website.

For more information about International Services, please call (813) 974-5102.

Education Abroad Office

Location/Phone: CPR 468, (813) 974-4314
Email: studyabroad@iac.usf.edu
Web Site: http://global.usf.edu/educationabroad

USF offers students the world as their classroom through its programs abroad. Whether a student chooses a short-term summer program, a semester or year at a university overseas, an internship or service learning, there is a program for nearly every student need. For students who have studied abroad, the program serves as one of the most outstanding and memorable experiences of their entire academic career.
Students in most disciplines can find a program of study to complement their undergraduate degrees. Most programs provide USF credit and thus students can be assured that if they plan carefully, they will continue to make steady progress towards graduation while abroad. For those students looking for truly international qualifications, several programs lead to dual degrees, certificates, or double majors.

Students can study abroad at any time in their academic careers, and have a wide range of study options with programs ranging from one week (over spring break) to a year. A large number of faculty-led summer programs of 2-6 weeks provide the opportunity to concentrate study abroad in a summer session and help students fulfill the 9-hour summer graduation requirement. All programs are developed as cost-effectively as possible, recognizing the financial concerns of today's students. Federal and state financial aid can be applied to USF programs abroad, and some additional scholarship assistance is available through the Education Abroad Office.

For additional information or for individual program brochures, please visit the Education Abroad Office, or access the web site.
Florida Residency for Tuition Purposes

This notice summarizes the provisions of Florida School Code (SB20-E) Section 1009.21 and University Policy/Procedure concerning Florida Residency for tuition purposes.

In determining residency classification, students fall into one of two categories. They are either independent students (students not claimed on parent’s or legal guardian’s federal income tax statement or whose parents do not provide 50% or more of their support) or dependent students (students, regardless of age, who are claimed as dependents by parent or legal guardian on federal income tax statement or whose parents provide 50% or more of their support).

The law basically requires that a U.S. citizen/permanent resident alien/independent student or a dependent student’s parent/legal guardian has established and maintained a LEGAL Florida residence for at least twelve (12) months before the first day of classes of the term for which Florida residency status is sought.

USF is required to obtain documentation of 12 months’ legal residence before a student is classified as a Florida resident for tuition purposes. A student is required to request Florida residency in writing and submit supporting documents no later than the fifth day of classes in the term for which classification is sought.

The following is acceptable, non-conclusive evidence of the establishment of a legal residence in Florida. Two documents must be dated/issued at least 12 months before the first day of classes of the term for which Florida residency is sought.
1. Proof of purchase of permanent home in Florida. Must be dated/issued at least 12 months before the first day of classes of the term for which Florida residency status is sought.
2. Declaration of Domicile.
3. Florida’s driver’s license.
4. Florida voter’s registration.
5. Florida vehicle registration.
6. Florida vehicle title.
7. Professional/occupational license issued in Florida.
8. Florida incorporation or other evidence of legal residence in Florida.

For more information regarding residency for tuition purposes please visit: http://www.registrar.usf.edu/Residency/

PLEASE NOTE: Rent receipts, leases, employment records, tax returns, school/college records are NOT evidence of establishing a legal Florida residence. Students who are dependent on out-of-state parents or who come to Florida for educational purposes are generally ineligible for reclassification to Florida status.

In rare cases, the law allows some students (e.g., military, public school teachers, etc.) who do not meet the basic requirements to be classified as Florida residents for tuition purposes. For more information about exceptional categories, contact the Admissions Office, the Office of the Registrar, or the Office of the General Counsel.

Fees

The levels of the Activity and Service Fee, the Health Fee, and the Athletic fee are determined on each campus by a student fee committee appointed by the President of the University and the Student Government President. The committee includes USF faculty and students with the majority of the committee being students. The fees may be reviewed on a yearly basis.

Registration fees are assessed in accordance with University Board of Trustees rules. All fees are subject to change without prior notice. The University will make every effort to advertise any such changes if they occur.

1. Admissions Application Fee
   (Each application - not refundable) $30.00
2. Non-degree Application
   (Each application - not refundable) $30.00
3. Tuition
   Schedule/Fee Statements are no longer mailed. Tuition is due by the fifth day of each term. Students may view and/or pay their current term fees online by accessing the “Tuition, Fees & Payments” option in OASIS at http://usfonline.admin.usf.edu.
   The student is responsible for paying fees in full by the appropriate due date stated in the particular term’s “Schedule of Classes.” Failure to do so may result in cancellation of the student’s registration. Fees paid by mail must be postmarked by the post office, not office meter stamped, on or before the fifth day of the term. Checks are payable to USF.
   To avoid a $100.00 late payment fee, all tuition fees must be paid or postmarked by the U.S. Post Office, not office metered, by the fifth day of the term. The University cannot be responsible for lost or misdirected U.S. Postal mail. A student whose registration has been cancelled may request registration reinstatement through the fourth week of class for the academic term. Note: All students who successfully petition for reinstatement from financial cancellation due to non-payment will be assessed a $100 late registration fee. Upon approval for reinstatement, all fees and other debts owed to the University must be paid in full by cash, money order, check or credit card before reinstatement will be affected.
   Current fees are posted in the Schedule of Classes and on the OASIS web site (http://usfonline.admin.usf.edu/).
   a. Students who only register for a co-op assignment must pay a minimum of one (1) hour at the level of the co-op assignment.
   b. Cashier’s Office Hours - Regular Registration - See regular registration dates and times in “Schedule of Classes.” Regular Cashier’s Office hours are Monday through Friday from 9:00am - 5:00pm.
Cancellation for Non-Payment of Fees

Upon satisfaction of eligibility criteria, financial aid will be credited to student accounts after the drop/add period is over. Monies in excess of charges will be electronically deposited to each student’s checking account via eDeposit, or checks will be mailed to student’s local address.

Financial Aid Disbursement

Upon satisfaction of eligibility criteria, financial aid will be credited to student accounts after the drop/add period is over. Monies in excess of charges will be electronically deposited to each student’s checking account via eDeposit, or checks will be mailed to student’s local address.

Late Registration Fee

All degree seeking students who initiate (i.e., those students who have not enrolled for any courses during early or regular registration) their registration during the late registration period will be automatically assessed a $100.00 late registration fee. All non-degree seeking students who have not registered for any courses by the end of the first week of classes will be automatically assessed a $100.00 late registration fee. All students who successfully petition for late registration into a course or for reinstatement from financial cancellation due to non-payment will be automatically assessed a $100.00 late registration fee.

Financial Aid Disbursement

Upon satisfaction of eligibility criteria, financial aid will be credited to student accounts after the drop/add period is over. Monies in excess of charges will be electronically deposited to each student’s checking account via eDeposit, or checks will be mailed to student’s local address.

Cancellation for Non-Payment of Fees

Students not on an authorized deferred payment of fees and who have not paid their tuition fees in full by a specified day (per “Schedule of Classes”) will have their registration for that term cancelled. This means, specifically, that a student will receive no credit for any courses taken during that term.

Intern Certificate of Participation

Individuals who have supervised interns may register for courses during a term by presenting their intern Certificate of Participation. The Intern Participation Certificate effective July 1, 1997 states that certificate holders are entitled to a waiver of only matriculation fees for a maximum of six (6) credit hours instruction during a single term. Certificates are valid for three years from the date of issuance.

Fees must be paid or postmarked by the U.S. Post Office (not office meter marked) by the fifth day of the term. The University cannot be responsible for lost or misdirected U.S. Postal mail.

Employee Tuition Program

The USF Employee Tuition Program authorizes full-time USF employees that are appointed to established positions, to enroll in USF credit courses, up to six credit hours per semester. For summer, terms A, B, and C are all parts of one semester. The employee must be appointed prior to the first day of class and is expected to be employed full-time past the end of the semester for which enrolled. For additional information, please visit the Human Resources website at http://usfweb2.usf.edu/usfpers/procedures/edasst/overview.htm.

Tuition Deferment for VA Students

Students receiving VA benefits who have applied in writing no later than the date specified in the “Schedule of Classes” for the deferment in Veterans Services have until a specified date (see Schedule of Classes) to pay tuition in full.

Florida Prepaid College Program

Students who are eligible to receive benefits under this program are responsible for the local portion of fees. This fee must be paid or postmarked by the fifth day of the term to avoid being cancelled or charged the $100.00 late payment fee.

Mailed Payments

To avoid cancellation of registration or a $100.00 Late Payment Fee, all fee payments must be postmarked, by the post office metered, by the applicable fee payment deadline listed in the Academic Calendar.

Returned Registration Checks

A student’s current registration is subject to cancellation if the check presented in payment of those fees is returned to the University unpaid. Dishonored fee payment checks must be redeemed within 10 calendar days to avoid cancellation of a student’s current registration. A $100.00 Late Payment Fee and a $25.00 administrative charge will be assessed on any registration check returned unpaid to the University.

Meal Plans

Students are required to purchase a meal plan if they have not lived in the residence halls at USF/Tampa campus prior to the 2010-2011 academic year (summer residence not included) and must submit a meal plan contract in order for housing to be processed. In order to be considered voluntary, students must have 12 college attended credit hours (dual enrollment not accepted), have lived on the USF Tampa campus for one year or do not live on campus. All meal plans are a two-semester commitment. Students must sign up for the same amount (dollar value) in the spring as they did in the fall semester.

Meal Plans

Each meal plan comes with meals and dining dollars. Meals are to be eaten at Fresh Food Company, Bulls Den Café and Juniper Dining. Dining Dollars can be used at any USF Dining location on campus. Meals do not roll over from semester to semester. Dining Dollars roll over from fall to spring, but not spring onward.

Level 1: available to mandatory students living in suite or traditional style residence halls and voluntary students
Dining Dollar Plans

Plans consist of Dining Dollars only that can be used at any USF Dining location. Students pay a selected amount for a plan and receive 10% extra. Also, participants with Dining Dollars will receive a discount entry rate into our three dining halls: Fresh Food Company, Bulls Den Café and Juniper Dining. Dining Dollars can be reloaded in increments of $100, and receive 10% extra for each $100 purchased.

- $300 Dining Dollars: Pay $300 receive $330
- $500 Dining Dollars: Pay $500 receive $550
- $1000 Dining Dollars: Pay $1000 receive $1100

Meal Plan Office
Marshall Student Center, Room 1502
Phone: (813) 974-4499
Fax: (813) 974-3434
Website: www.usfdining.com

NOTE: Information is subject to change. For the latest updates and hours of operation, please visit our website at www.usfdining.com.

Refund of Tuition/Fees Payment
Release of Tuition/Fees Liability

The following refunds, less deductions for unpaid debts to the University, are authorized. A Refund Request form must be completed and presented to Cash Collections, ADM Room 125, in the Division of Purchasing and Financial Services to initiate the refund process. A two-week waiting period is observed for each refund to be sure checks have cleared.

a. 100% of registration fees and tuition will be refunded if notice of withdrawal from the University is approved prior to the end of drop/add period and written documentation is received from the student.

b. 25% of registration fees and tuition paid less building and capital improvement fees, will be refunded if notice of withdrawal from all courses from the University is approved prior to the end of the fourth week of classes (summer term is prior to the end of the third week of classes) and written documentation is received from the student.

Fee Adjustment Request After Fifth Day of the Term

One-hundred percent (100%) of tuition and fees will be refunded if, within six (6) months of the end of the semester to which the refund is applicable, a student who has withdrawn or dropped a course completes and files with the Registrar's office a Fee Adjustment Request FORM citing circumstances outside of the student's control which are confirmed and approved by the Registrar. Circumstances to be considered within this six month period include:

1. Illness of a student of such severity or duration, as confirmed in writing by a physician, to preclude completion of the course(s),
2. Death of the student or death in the immediate family (parent, spouse, child or sibling),
3. Active military duty,
4. University error, or
5. Other documented exceptional circumstances beyond the control of the student which precluded completion of the course(s) accompanied by letter of explanation.

Special requests for an extension of the six (6) month deadline must include specific facts indicating special circumstances which (i) were beyond the control of the student (ii) clearly impaired the student's physical or mental ability to correct their academic/financial record at the University and (iii) are supported by written explanation and verifiable documentation.

Pursuant to Public Law 102-325, the Higher Education Amendments of 1992, students attending the University for the first time who withdraw are entitled to a pro rata refund of tuition, fees, room and board.
A student who receives financial aid and subsequently changes the enrollment status which results in a refund in accordance with this section, will have the appropriate share of the refund returned to the University's financial aid programs in accordance with the Financial Aid Policy on Refunds and Repayments.

**Payment of Accounts Due the University**

Charges against students for loss or breakage of University equipment, books, fines and other charges are due immediately. Delinquent accounts may be considered sufficient cause for cancellation of registration. University regulations prohibit registration, or release of transcript, diploma, or grades for any student whose account with the University is delinquent. Delinquent accounts may be turned over to a collection agency and all collection costs including legal fees will be added to the student account balance. Financial aid from a succeeding academic year cannot be used to repay prior academic year debts. Payments can be brought into the Cashier’s Office in the Administration Building, mailed to Tuition, University of South Florida, P.O. Box 864571, Orlando, FL 32886-4571, or can be made online by accessing OASIS at [http://usfonline.admin.usf.edu/](http://usfonline.admin.usf.edu/) and should be made by the appropriate deadline.

**Financial Aid**

In addition to finding a wealth of information on the Web regarding your financial aid, you can monitor your aid application via OASIS: [http://usfonline.admin.usf.edu/](http://usfonline.admin.usf.edu/).

The first step in obtaining financial aid is filing the Free Application for Federal Student Aid (FAFSA) at [http://www.fafsa.ed.gov](http://www.fafsa.ed.gov). Be sure to list the University of South Florida, school code #001537, as a school to receive your information.

Since many programs are funded on a limited basis, it is to your advantage to apply early. Priority application dates and detailed information regarding financial aid are provided each year on our Web site. Check out USF’s scholarship information at [http://usfweb2.usf.edu/finaid/scholarships/](http://usfweb2.usf.edu/finaid/scholarships/) and conduct a nationwide scholarship search through [http://www.fastweb.com/](http://www.fastweb.com/).

The Office of Financial Aid communicates important information regarding your aid via e-mail throughout the year. Therefore, it is extremely important that you ensure that your current e-mail address for financial aid is in OASIS.

Tuition, housing and meal plan deferments are automatically posted for qualified financial aid applicants. The deadline for deferred tuition payment can be found at [www.usf.edu/finaid/](http://www.usf.edu/finaid/).

If you withdraw from USF, either officially or unofficially, before the end of a semester, you may be required to repay all or a portion of the aid you received. For detailed information on the Federal Return of Title IV Funds requirement, go to [http://usfweb2.usf.edu/finaid/REFUND.html](http://usfweb2.usf.edu/finaid/REFUND.html).

Each campus has financial representatives. Tampa (813) 974-4700; USF Polytechnic (863) 667-7028; Sarasota-Manatee (941) 359-4459; USF-St. Petersburg (727) 553-4128. If you are outside the calling area, call us at 1-877-USF-BULLS.

**Academic Scholarships**

1. The Financial Aid Office provides prospective and currently enrolled students with a central location to access scholarship information. The office administers The First Generation Matching Grant, The Florida Bright Futures Scholarships, and a variety of privately-funded scholarships made possible through the generosity of friends and alumni of the University. The Financial Aid Office also manages the scholarship renewal process for students who have been awarded scholarships through the Undergraduate Admissions Office. An online search for USF scholarships can be found at [http://usfweb2.usf.edu/finaid/scholarships/](http://usfweb2.usf.edu/finaid/scholarships/).

2. The Office of Undergraduate Admissions at the University of South Florida offers a number of scholarships based on academic merit to students planning to enter USF for the first time as a freshman or upper-level transfer student. These scholarships are highly competitive. The criteria noted for the various scholarships are used as minimum starting points for consideration; meeting or exceeding the minimum requirements will not guarantee selection. For non-Florida residents, a limited number of out-of-state tuition waivers are available based on academic performance.

3. The individual colleges of the University (the College of business, the College of Education, etc.) administer some scholarships directly through the Dean’s Office in each college. New students and transfer students are advised to contact the USF Office of Undergraduate Admissions first, and then the individual colleges regarding scholarship opportunities.

**Parking and Transportation Services**

**Do I have to have a parking permit?**

Parking permits are required to park at the University of South Florida 24 hours a day, 7 days a week, including holidays. Permit types are used to designate parking locations on campus, such as resident, non-resident, Park-n-Ride, visitor, staff, etc. Each person may purchase only one vehicle permit (an additional permit for motorcycle, and/or a bicycle is allowed). Permits shall be purchased for the campus of primary assignment. If you don’t have a permit, you must park at a metered parking space or a timed space. For additional permit information visit our website at [www.usf.edu/parking_services](http://www.usf.edu/parking_services) or call 974-3990, Option #1.
How do I obtain a permit?

Visit the Parking & Transportation Services website www.usf.edu/parking_services. Establish a parking services account and purchase your permit online. Parking permits may also be purchased at the following locations:

USF Tampa Parking and Transportation Services
(Located off of USF-West Holly between USF-North Palm and USF-Magnolia)
Parking Service Lobby hours: Mon – Thurs 7:30 am to 5:30 pm, Fri 7:30 am to 5:00 pm

All office hours are subject to modification and are extended at the beginning of the term. Visit our website www.usf.edu/parking_services for office location and hours of operation.

Daily visitor permits can be purchased from the Campus Information Center (USF-Leroy Collins Blvd. & Fowler Ave.) Monday – Thursday 7:00 am – 6:00 pm and on Friday 7:00 am – 5:00 pm, also from parking permit machines located within designated visitor lots. Parking maps and brochures are available with details and lot designations.

Do Visitors need a parking permit?

Yes. The daily parking fee is currently $5.00. The fee is applicable to visitors and event attendees who park in visitor lots as defined in the parking brochure. Faculty, staff, students and vendors are not eligible for these permits. Visitors may take advantage of the Fare Free Campus Shuttle to travel to their destinations on campus with a Bull Runner pass or USF ID.

Bull Runner

Bull Runner bus service is provided to USF faculty, staff, students and visitors from 7 a.m. until midnight, Monday through Thursday, and 7 a.m. to 5:30 p.m. on Friday. The C & D routes run Saturday and Sunday from 2:30 p.m. to 9:30 p.m. Bull Runner routes cover the entire USF Tampa Campus, and the following off campus locations: 42nd St., Skipper Rd., and 46th St.; and the University Mall with a stop at UATC. Visitors must be accompanied by a USF ID Card holder to board the bus or have a Bull Runner pass. The weekend routes (C & D) offer extended service to the USF Library, University Mall and various shopping locations. Check out our Web site at www.usf.edu/bullrunner for the most up to date information. Routes and schedules are subject to modification. Ride the Bull Runner and save time and money.

In addition to the Bull Runner, USF students may ride HART routes fare free with their USF (ID) card. For more information call HART at 254-4278 or visit their web site at HART www.hartline.org.

Motorist Assistance Program (M.A.P.)

How can I get help when I have a problem with a vehicle?

Need to jump start your car? Low tires? Call the Division of Public Safety Motorist Assistance Program (MAP) at (813) 974-8040. This FREE service is provided Monday – Thursday from 8:00 am until 8:30 pm, and Friday 8:00 am until 4:30 pm (except holidays) by the Division of Public Safety, Parking Enforcement. After 8:30 PM Monday through Thursday and after 4:30 PM on Friday, and on weekends and holidays, call Allied Barton Security dispatch at 813/974-3952 for assistance.

Bicycle Permits

Permits for bicycles are FREE! A bicycle permit registers the bicycle and can provide information to the police in the event of loss.

What happens if I get a parking ticket?

Parking regulations are designed to provide safe and orderly parking. Violation of these regulations can result in parking citations, immobilization of your vehicle or towing. Creating, modifying, altering a parking permit or being in possession of a lost or stolen permit is a serious violation and will result in immediate immobilization or towing of the vehicle and possible revocation of campus parking permit. If you receive a parking citation and believe that extraordinary or mitigating circumstances warrant a waiver then you may petition Parking and Transportation Services within 14 days for reconsideration. Respond to parking citations within 14 days of issuance to avoid late fees. Most common citations are for no permit, expired parking meter, and parking out of assigned area. To appeal a parking citation visit our website www.usf.edu/parking_services, and file your appeal electronically. Failure to respond to parking citations could result in collection agency efforts and additional cost.

Additional Questions?

Visit the Parking and Transportation Services website at www.usf.edu/parking_services. You can check your account status, update vehicle information, and submit questions and suggestions. Check for all late breaking news and updates concerning parking and shuttle service. Or you may contact the Tampa Campus Parking & Transportation Services at (813) 974-3990.
Special Services

Department of Veterans Affairs (VA) Benefits

USF is approved for the education of veterans, eligible dependents, members of the selected reserve, and active-duty personnel who are eligible for benefits under public laws now in effect. All degree programs currently offered at USF are approved by the State Approving Agency.

Students who may be eligible for benefits are urged to contact Veterans Services for information, procedures, and forms as early as possible. To initiate, change, or renew benefits at USF, a request must be submitted through that office.

To be eligible for full-time VA benefits at USF, undergraduate students must enroll for 12 or more semester hours, and graduate students must enroll for 9 or more semester hours each normal academic term.

VA regulations require that students take only courses that are applicable to their degree program or other approved programs and make satisfactory progress toward their degree. Students should consult the “Handbook for VA Students” (available at their local USF Veterans Services office) or log on to USF Veterans Services web site: http://usfweb.usf.edu/vetserve for information on various programs/services, and VA rules and regulations. Under no circumstances will the VA pay benefits to a student taking a course by audit. It is the student’s responsibility to inquire concerning all VA rules and regulations and to report any change in number of registered hours, change of majors, or adding a double major or dual degree which affects his/her benefits. Additionally, V-A benefits will be terminated for students who are dismissed for academic or disciplinary reasons and can only be reinstated after academic counseling.

Veterans with a service-connected disability approved for benefits under Chapter 31 may contact the Office of Student Financial Services no earlier than two weeks prior to the start of classes for a book and supplies voucher. The VA toll-free number is 1-888-442-4551.
REGISTRATION
UNIVERSITY OF SOUTH FLORIDA - 2010/2011 UNDERGRADUATE CATALOG

Office of the Registrar

Locations/phones:
USF Tampa: SVC 1034, (813) 974-2000

Web address: http://www.registrar.usf.edu

The Registrar’s Office provides a wealth of student, academic, and administrative services. The Registrar’s Office is responsible for maintaining each student’s academic record from the time of admission to degree. Therefore, virtually every USF student is a consumer of services provided by the Registrar’s Office.

Registrar’s staff publish the University Schedule of Classes (online only), coordinate registration and drop/add activities, process grade information each semester, prepare transcripts and diplomas, as well as certify student enrollment status. Registrar’s staff also review and act upon student requests for reclassification of residency and process changes of name and student I.D. number.

Students interested in petitioning the Academic Regulations Committee (ARC), requesting fee adjustments, late registration fee waivers, or posting of grade forgiveness will find information and forms on the web and in the Registrar’s Office.

The Registrar’s Office provides information and services to students via OASIS, the University’s Online Access Student Information System. Using their self-declared personal identification number (PIN), students can register and drop/add, process address changes, access registration appointment and hold information, request privacy, view their grades and order transcripts. Students can also browse the University Schedule of Classes. Information and services are continually being added for students.

Although technology is being used as an enabler to provide better service, Registrar’s staff provide in-person information and services in its lobby area as well as over the telephone. Records and Registration offices are also located on every regional campus.

The Office of the Registrar maintains the official academic records for all students and course registrations for currently enrolled students. Students are encouraged to contact the Office of the Registrar about general questions concerning academic policies and procedures of their current registration or academic record.

Note: Each student must be aware of the University’s academic policies and procedures insofar as they affect him/her.

Immunization Policy

1) Introduction
The University of South Florida requires the following immunizations for registration and specific immunization in order to be eligible for on-campus housing.

2) Statement of Policy

A) ALL STUDENTS MUST HAVE:
• MEASLES- proof of immunity if born after 12/31/1956
• RUBELLA - proof of immunity if born after 12/31/1956
• HEPATITIS B - proof of immunity or signed waiver declining the vaccine
• MENINGITIS - proof of immunity or signed waiver declining the vaccine except as listed below

B) IN ADDITION, STUDENTS ELECTING TO LIVE IN ON-CAMPUS HOUSING MUST HAVE:
• MENINGITIS -Medical documentation of immunization with Meningitis vaccine

Declining by waiver of this vaccine is not acceptable for students in on-campus housing. No student will be assigned housing without proof of vaccine.

C) HEALTH HISTORY FORM
All students must complete the USF Mandatory Immunization Health History Form (http://www.shs.usf.edu/).
New admits will be provided a Medical History/Immunization Form with their admissions letter. In order to register, this form must be completed, signed, and returned to:
Student Health Services
University of South Florida
4202 East Fowler Avenue, SHS 100
Tampa, FL 33620 6750
Immunization Fax: (813) 974 5888
Telephone: (813) 974 4056
D) PROOF OF IMMUNIZATION

Proof of immunity that will be accepted for each disease is as follows:

1. MEASLES:
   a. Medical documentation of immunization with TWO (2) DOSES of live measles virus vaccine on or after the first birthday and administered at least 28 days apart. Persons vaccinated with killed, or an unknown vaccine, prior to 1968 must be revaccinated. Persons born before 1957 may be considered to have had a natural infection, and therefore do not need measles vaccine. The documented date of immunization for measles should indicate the day, month, and year. However, only month and year will suffice if the month and year indicate that the immunization was given at least 13 months after the month of birth. OR,
   b. Copy of laboratory (serologic) evidence of measles immunity (IgG rubeola titer) OR,
   c. A written, dated statement signed by a physician on his/her stationery that specifies the date seen and stating that the person has had an illness characterized by a generalized rash lasting three (3) or more days, a fever of 101°F Fahrenheit or greater, a cough, and conjunctivitis, and, in the physician's opinion, is diagnosed to have had the 10 day measles (rubeola).

2. RUBELLA:
   a. Medical documentation of immunization with live rubella virus vaccine on, or after, the first birthday. The documented date of immunization for rubella should indicate the day, month, and year. However, only month and year will suffice if the month and year indicate that the immunization was given at least 13 months after the month of birth. OR,
   b. Copy of laboratory (serologic) evidence of rubella immunity (IgG rubella titer).

3. HEPATITIS B:
   a. Medical documentation of immunization with 3 doses of Hepatitis B vaccine OR
   b. Copy of laboratory (serologic) evidence of Hepatitis B immunity (anti-HBs titer).

4. MENINGITIS:
   Medical documentation of immunization with Meningitis vaccine.

E. EXEMPTIONS:

1. RELIGIOUS: Religious exemptions - contact USF Student Health Services for an application.

2. MEDICAL: Requests for temporary or permanent medical exemptions must be submitted to USF Student Health Services by the attending physician, must include reason for exemption and duration of exemption.

   In the event of a disease outbreak, students exempted from immunization requirements may be requested by the University, at the direction of the public health officials, to show titer proof of immunity, become immunized, or remain off campus for the duration of the outbreak.

   All requests for exemptions will be reviewed to ensure consistency in application.

F. CONSEQUENCES:

   Students who fail to comply with the requirements as stated above will be blocked from registration and/or on-campus housing assignment. In specific circumstances, a temporary override may be granted; however, vaccination requirements must be completed before any further registration in subsequent terms will be permitted and current registration may be suspended if any deficiency in immunization status is identified.

   SUS Health Insurance Requirement for International Students

   The State University System of Florida requires that all international students have medical insurance in order to register for classes at USF.

   Registration for Admitted Degree-Seeking Students

   Continuing degree-seeking students register by appointment for their next semester's courses during the preceding term, either by web or in person (regional campuses only). Appointment times and instructions for all registration periods are online in the Schedule of Classes for the appropriate semester at www.registrar.usf.edu.

   Prior to initial registration, all newly admitted undergraduate students and readmitted former undergraduate students returning are required to participate in an orientation/academic advising program on the USF campus where they will take all or the majority of courses. Newly admitted students and readmitted Former Students Returning receive Orientation/Academic Advising/Registration instructions from the USF Office of Orientation.

   Registered students may make schedule adjustments in the regular registration period during the preceding term or in the drop/add period during the first week of classes. (Deadline information is available in the Academic Calendar.)
Degree-seeking students who do not register prior to the first day of classes may late-register the first week of classes. A $100.00 late registration fee is charged during this week. (See the section on fees for additional information and the appropriate term’s Schedule of Classes for dates.) To avoid cancellation of registration, fees are due and payable for all registered courses of record on the fifth day of classes (end of drop/add period). (See Academic Calendar for dates.)

NOTE: A Mandatory Medical History Form is required for all students (regardless of age). According to Florida Administrative Code Rule 6C-6.001(5), “Each student accepted for admission shall, prior to registration, submit on a form, provided by the institution, a medical history signed by the student.”

Academic Advising for Undergraduate Students

USF seeks to guide all students in selecting programs and courses best suited to their personal abilities, educational interests, and career objectives. Students who have been admitted to the University and their major area of study may visit their designated academic advising office housed in each of the six colleges offering baccalaureate degrees. Others who have not yet declared a major or students taking lower-level coursework in a limited access program should visit the TRansitional Advising Center (TRac). TRac also serves as an initial point of contact for non-admitted, prospective, and/or non-degree seeking students who need information about the University’s academic structure.

All students are encouraged to establish an advising relationship with a college or TRac and periodically visit their advisors to keep abreast of any policy, procedural, or curriculum changes that may affect them. In fact, some colleges require advisor approval of student programs each semester. It is important for students to keep in mind that although the University provides advising services to assist students with academic planning, it is each student’s responsibility to see that all graduation requirements are met.

Orientation and Initial Advising

It is necessary that all students attend the University-mandated Orientation Program. The purpose of this initial contact is to assign an academic advisor and to provide the advising unit with routine information to assist it in collecting and maintaining the necessary records to assure the student’s proper progress toward education goals. Transfer students should bring an unofficial or student copy of their transcript(s) at the time of orientation.

Advising for Limited Access Programs

Students are cautioned that admission to the University does not imply admission to all the programs and courses offered by the individual colleges; this is especially true with respect to colleges with limited access programs. Colleges such as Business, Education, Engineering, and Nursing have been designated as limited access colleges and require completion of certain prerequisites before a student may declare a major in one of them. It is important that students check the college sections of the catalog for advising and admission requirements. Students planning to enter a limited access program should be aware that their admission by the college may be denied or delayed and should be prepared with alternative plans of action. Students seeking admission to limited access programs must demonstrate successful academic progress toward meeting the limited access requirements in order to remain undeclared beyond 45 semester hours of credit.

Lower-level transfer students (entering the University with fewer than 60 semester hours) and upper-level transfer students (entering with 60 or more semester hours) who do not meet the requirements of a limited access major are assigned initially to the Transitional Advising Center. Upper-level transfer students (entering the University with 60 semester hours or more) who meet the admission requirements of a major are assigned to the college of that major for advising.

Advising for Non-Limited Access Programs

In the case of non-limited access colleges, students may declare a major by completing a form in the appropriate college advising office, usually during one of the orientations required by the University. Students who do not wish to declare a major or who cannot meet the necessary prerequisites of a limited access major are advised by the Transitional Advising Center. Upper-level transfer students (entering the University with 60 semester hours or more) who meet the admission requirements of a major are assigned to the college of that major for advising.

Course Attendance at First Class Meeting

This policy has been put into effect so that USF may effectively utilize classroom space and to insure that all students have maximum opportunity to enroll in classes where demand exceeds availability of seats.

Students are required to attend the first class meeting of undergraduate courses for which they registered prior to the first day of the term. Names of students who register prior to the first day of the term are printed on the first class roll for each course section. The first class roll is used by professors to drop students who do not attend the first day of class. Students having extenuating circumstances beyond their control and who are unable to attend the first class meeting must notify the instructor or the department prior to the first class meeting to request waiver of the first class attendance requirement. Students who add courses or late-register during the first week of classes will not be on the first class roll and, therefore, will not be dropped for non-attendance by the instructor. Please note that the Registrar’s Office does not add students whose names are handwritten on the first day class rolls to courses, and these students are required to add the course by OASIS. To avoid fee liability and academic penalty, the student is responsible for insuring that he/she has dropped or been dropped from all undesired courses by the end of the 5th day of classes.
This policy is not applicable to courses in the following categories: Educational Outreach, Open University (TV), FEEDS Program, Community Experiential Learning (CEL), Cooperative Education Training, and courses that do not have regularly scheduled meeting days/times (such as, directed reading, or study, individual research, thesis, dissertation, internship, practica, etc.). **Students are responsible for dropping undesired courses in these categories by the 5th day of classes to avoid fee liability and academic penalty.**

**General Attendance**

Class attendance and participation is an essential part of an undergraduate education. A program or individual instructor may require attendance of all students in a program or class, and students should be aware of and observe specific attendance requirements of an individual college, school, department, program, or instructor. Students are expected to attend classes and take examinations as determined by the University. Instructors may assign a failing grade for excessive absences.

The University will provide written notice of the class schedule and formal examination periods at the beginning of each academic term. A clear syllabus statement regarding required class attendance shall be provided by the faculty for each student during the first week of classes.

University policy requires that all students attend the first class meeting of all undergraduate classes for which they are registered. Undergraduate students who do not attend the first class meeting of a course for which they are registered will be dropped from the course.

Instructors should accommodate a small number of absences when students have a valid excuse. Reasons for excused absences include documented illness, deaths in the immediate family and other documented crises, call to active military duty, court-imposed legal obligations (e.g., jury duty and subpoenas), religious days, special requirements of other courses and university sponsored events (e.g., performances, games/meets, judging trips, field trips), and severe weather conditions. Employment schedules and athletic training/practice schedules of students do not comprise a valid excuse for absences.

The University, through its faculty, will make every attempt to schedule required classes and examinations in view of customarily observed religious holidays of those religious groups or communities comprising the University's constituency. No student shall be compelled to attend class or sit for an examination at a day or time prohibited by his or her religious belief.

Any student who believes that he or she has been treated unfairly with regard to the above may seek review of a complaint through established Student Academic Grievance Procedures (found in the Graduate and Undergraduate catalogs) and those provided by the University's Office of Diversity and Equal Opportunity.

**Procedures for Excused Absences and Make-up Work**

Students are expected to notify their instructors at the beginning of each academic term if they intend to be absent from a class or announced examination for the approved reason as noted above in accordance with this policy. In the event that a student is absent for one of these noted reasons on a day when the instructor collects work for purposes of grading (homework, quiz, etc.), the student shall be given a reasonable opportunity to make up such work or shall not have that work averaged into the student's grade, at the discretion of the instructor.

If excused for an absence, the student is responsible for completing all academic work, examinations, assignments, and labs within a period of time and in a manner deemed appropriate by the instructor. The manner for accommodating excused absences appropriately is in the hands of the instructor, but a student who is absent for an excused reason should not be at a disadvantage when compared to other students. The approved reasons for excused absences apply even if a student in a course has the option of dropping an assignment grade (e.g., dropping the lowest quiz score). Excused absences for other reasons may be allowed or declined entirely at the discretion of the instructor.

Even if individual absences are excused, excessive absences may threaten a student's satisfactory completion of a course. Absences may count from the first class meeting, including for students who hope to add the class after the first day.

**Documented Jury Duty**

The University respects the need for all citizens to serve on a jury when called to duty. If a student serves as a juror, class absences will be considered excused when the student provides advance notice to the instructor, the instructor acknowledges the request, and the student provides written verification of jury selection and proof of service.

Any potential student juror may notify the court of conflicts or undue hardship and request an excuse from service. The individual student must make the decision as to whether jury service will present an undue hardship and then take the affirmative action to request to be excused from service and may need to provide a written explanation to the court. If a student does not request to be excused and is selected to serve, the student may miss a prolonged period of time resulting in the inability to complete the academic requirements of classes.

**Documented Medical Attention for Illness**

Students are excused for absences from documented illnesses that require medical attention. While students should not attend class with infectious conditions, even if medical attention is not sought, the decision to excuse absences from undocumented illnesses is at the discretion of the individual instructor. Consideration should also be given to students whose dependent children experience serious illness. Extended illnesses may interfere with the satisfactory completion of courses, and in such cases a student should contact his or her college by the deadline to drop a course. After the drop deadline, students
may submit an Academic Regulations Committee (ARC) petition with proper documentation to drop a course or withdraw for medical reasons. Students may find additional information through their college ARC representative.

**Early Notification of Instructor Requirement for University Sponsored Activities**

The University recognizes the importance of participation in University-sponsored activities such as music performances, athletic competition, and debate. It also recognizes that such participation may result in conflicts with scheduled class times. It is the responsibility of participating students to provide a full list of anticipated conflicting days to instructors by the end of the first week of the term, and directors and advisors of University activity programs have an obligation to assist students with this task. Students are responsible for identifying potential absences specific to a particular class; a general schedule for a team or ensemble does not satisfy this requirement. Students should provide instructors with addenda and changes to scheduled conflicts (e.g., end-of-season tournaments, newly scheduled events, or rescheduled events) as soon as they are available. Directors and advisors of University activity programs should consult with participating students prior to registration to help them choose courses that do not have excessive anticipated conflicts.

**Early Notification Requirement for Observed Religious Days**

In accordance with USF Policy 10-045, USF faculty members will try to avoid scheduling examinations on customarily observed religious holidays. Students are expected to provide written notice to their instructors at the beginning of each academic term if they expect to be absent for a class or announced examination because of the observance of religious days. Instructors are not obliged to accommodate such requests if they are made after the first week of the term. In any case, no student shall be compelled to attend class or sit for an examination at a day or time when such activity is prohibited by his or her religious belief, as long as the student has provided timely notice.

If a student believes that an instructor or program has not responded reasonably to a timely notice of expected observance of religious days, he or she may seek review of a complaint through established University Academic Grievance Procedures (found in the Graduate and Undergraduate Catalogs) and those provided by the University’s Office of Diversity and Equal Opportunity.

**Adds**

After a student has completed his/her registration on the date assigned, he/she may add courses until the add deadline specified in the Academic Calendar. See the appropriate semester’s University Schedule of Classes for detailed instructions and dates online at [www.registrar.usf.edu/ssearch/search.php](http://www.registrar.usf.edu/ssearch/search.php).

**Drops**

A student may drop a course(s) during the regular registration and drop/add periods (first five days of classes). No entry of the course(s) will appear on any permanent academic records and full refund of fees is due for course(s) dropped within those periods.

A student may also drop a course(s) between the second and tenth week of the semester (except for Summer sessions - see the Summer Schedule of Classes for dates). Registration fees must be paid for the course(s) and the academic record will reflect a “W” grade for the dropped course(s).

**Auditing Privileges and Fees**

A student who wishes to sit in on a class to review the course material may do so; however, the student is not allowed to take exams, earn grades, or receive credit.

The student's status for that class is an audit and his/her presence in the classroom is as a listener. Audit status must be obtained only during the first five days of the term by filing an Audit Form and a date-stamped permit from the college/department on the campus where the course is being offered, with the Registrar’s Office. IN-STATE fees are assessed for all audit courses.

**Cancellation Before First Class Day**

Students may cancel their registration by notifying the Office of the Registrar in writing prior to the first day of classes. If fees have already been paid, the student may request a full refund of fees from the Office of Purchasing and Financial Services.

**Withdrawal**

A student may withdraw from the University without academic penalty during the first ten weeks of any term (except for Summer Sessions). He/she must submit a completed Withdrawal Form to the Office of the Registrar. No entry is made on the academic record for withdrawals submitted during the first week of the term. All subsequent withdrawals (through the tenth week of classes in the Fall and Spring Semesters) are posted to the academic record with “W” grades assigned to the courses. Withdrawal deadlines for the Summer sessions are listed in the Academic Calendar and are published in the [Schedule of Classes](http://www.registrar.usf.edu/ssearch/search.php) for the Summer Term. Students who withdraw may not continue to attend classes.

Students who withdraw during the drop/add period as stated in the Academic Calendar may receive a full refund of fees. All refunds must be requested in writing from the Office of Purchasing and Financial Services. No refund is allowed after this period except for specified reasons. See “Refund of Fees” under Financial Information for complete details.
Repeat Course Surcharges

Initiated by the Florida Legislature (H.B. 1545 of 1997) to reduce costs, all state universities must monitor undergraduate student progress and charge students the “full cost of instruction” for certain repeats of undergraduate courses. This policy became effective Fall 1997 and requires USF to charge students a substantial per credit hour surcharge when they attempt a course three or more times at USF, unless the course is specifically designed to be repeated or is required to be repeated by their major. Requirements to earn a passing or higher grade than previously earned in a course do not exempt the surcharge. Students will be required to pay the surcharge in addition to the appropriate in-state or out-of-state tuition rates. It is important to note that all attempts count, including withdrawals after the first week of classes and courses with incomplete grades.

The University may grant exceptions to this rule based on extenuating circumstances and financial hardship. However, the University may only approve one appeal per course. The exceptions included in the Statute are extenuating circumstances and financial hardship and are defined as follows:

Extenuating circumstances are those circumstances determined by the University to be exceptional and beyond the control of the student and may include but not be limited to serious illness, documented medical condition preventing completion; death of an immediate family member, involuntary call to active duty; university error, other emergency circumstances or extraordinary situations. Documentation, regardless of the situation, must be submitted with the request for a waiver of this surcharge.

The criteria used by the universities for determining financial hardship should include, but not be limited to, qualification for federal need-based financial aid. Students with other documented financial hardships may also be considered.

The student must fill out a Fee Adjustment Request Form and indicate the request is for a waiver of the repeat course surcharge. They must also submit a statement that explains their request and provide all documentation relating to it. The completed form with documentation should be submitted to the Office of the Registrar for consideration.

Student Academic Support System (SASS)

Location/phone: SVC 2054, (813) 974-4505
Web address: http://www.sis.usf.edu/sass/

The Student Academic Support System (SASS) is the State University System (SUS) computer-assisted advising system that enhances undergraduate education. The report produced by this system is available to each undergraduate student through the student’s advisor, advising office, and FACTS (Florida Academic Counseling & Tracking for Students) Network. FACTS can be accessed by modem, open-use computer labs, the Registrar’s office (SVC 1034, Tampa Campus), and the TRansitional Advising Center (SVC 2011, Tampa Campus). FACTS is a unique network that provides access to the computing resources of Florida’s higher education institutions. You can access FACTS directly at http://www.facts.org. The SASS audit matches the student’s academic record (both USF and transfer courses) against the requirements of the student’s degree program. There is a different SASS audit for each degree program. Students can explore different degree programs thru FACTS by selecting “Degree Program Shopping at your Home Institution” from the FACTS-Academic Advising link. The central SASS office maintains the data and trains appropriate college personnel.

Transcript Information

Transcripts of a student’s USF academic record may be released only by authorization of the student online at http://usfonline.admin.usf.edu/ or in person or by writing to the Office of the Registrar. By law, requests must include the student’s identification number, the date and the student’s signature or must be affected online via the student’s 6-digit self-assigned personal identification number (PIN), which is essentially the student’s electronic signature. In order for transcripts to be issued, the student must have no financial obligations to the University. Transcripts are normally mailed/ready for pick-up within two working days after the request is received.

Letter requests must include: (1) date of request and student’s current address; (2) student ID number and full name; (3) name and complete address of recipient; and (4) number of copies and special instructions, such as, “hold for degree statement” or “hold for current term grades,” and the student’s signature. Degree statements are posted approximately four to six weeks after the graduation ceremony. Current term grades are posted approximately one week after the final exams end. If grades for the current term are needed, clearly indicate -that the transcript request is to be held for grades.

To order transcripts by mail, send payment ($10.00 per copy, check or money order only) and letter to:
Transcript Clerk, Registrar’s Office
USF- SVC 1034
4202 E. Fowler Avenue
Tampa, FL 33620-6950

To order a transcript in person, hand-carry payment (check, money order or cash) and letter to USF Cashier’s Office in ADM 131.

Note: Transcript fees are subject to change.

Student Records Policy

Pursuant to the provisions of the Family Educational Rights and Privacy Act ("FERPA"; 20 USC Par. 1232g), 34 CFR Par. 99.1 et seq, Florida Statutes Sub. Par. 1002.22 and 1006.52 and USF Rule 6C4-2.0021, Florida Administrative Code, students have the right to:
1. Inspect and review their education records
2. Privacy in their education records
3. Challenge the accuracy of their education records
4. Report violations of FERPA to the FERPA Office, Department of Education, 400 Madison Avenue, SW, Washington, D.C. 20202 and/or bring actions in Florida Circuit Court for violations of Rule 6C4-2.001, Florida Administrative Code.
5. Copies of the University’s student records policy, USF Rule 6C4-2.0021, may be obtained from:
   University Registrar or USF Agency Clerk
   SVC 1034
   Office of the General Counsel
   4202 Fowler Avenue
   4202 Fowler Avenue - ADM 250
   Tampa, Florida 33620
   Tampa, Florida 33620

**Release of Student Information**

Pursuant to requirements of the Family Educational Rights and Privacy Act (FERPA), the following types of information, designated by law as “directory information,” may be released via official media of USF (according to USF policy):

- Student name, local and permanent addresses, telephone listing, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, full- and part-time status, and the most recent previous educational agency or institution attended, and other similar information.

The University Directory, published annually by the University, contains only the following information, however: student name, local and permanent address, telephone listing, classification, and major field of study. The Directory and other listings of “directory information” are circulated in the course of University business and, therefore, are accessible to the public, as well as to students, faculty, and staff.

Students must inform the USF Office of the Registrar in writing (forms available for that purpose), if they wish directory information to be withheld. Such requests must be received within the first two (2) weeks of the semester and will remain in effect until the student has not been enrolled at USF for three (3) consecutive terms.

Notification to the University of refusal to permit release of “directory information” via the University Directory must be received no later than the end of the first week of classes in the Fall Semester.

**Confidentiality Policy**

In the interest of openness and building trust with our students, USF now affords students the right to limit data usage and sharing of their information, without having to request non-disclosure of directory information under the Family Education Rights and Privacy Act (FERPA). Pursuant to the requirements of FERPA, the following types of information designated by law as “directory information” can be released, if the student has not requested privacy or non-disclosure: Name, Date of Birth, Address, Telephone, Major, Dates of Attendance, Enrollment Status, Degrees, and Prior Institutions Attended.

All other student data is considered to be protected.

Under new University policy which is less restrictive than Privacy under FERPA, students may now request confidentiality as a way to “opt out” from having their personal contact information (i.e. name, address, telephone) disclosed to vendors, credit card companies, or outside agencies that are not providing a service that would otherwise be performed by the University. To request confidentiality, go to: [https://www.registrar.usf.edu/privacy/](https://www.registrar.usf.edu/privacy/).

**Academic Record**

The student’s academic record shall not be changed after the student has graduated.

**Administrative Holds**

A student may be placed on administrative hold by failure to meet obligations to the University. When a student is on administrative hold, he/she may not be allowed to register, receive a diploma, or receive a transcript. Settlement of financial accounts must be made at the University Cashier’s Office. Each student placed on administrative hold should determine from the Office of the Registrar which office placed him/her in this status and clear the obligation with that respective office.

**Student Information Changes**

Notifications regarding changes of address, name, residency, and citizenship should be filed promptly with the Office of the Registrar.
Semester System

USF operates on a semester system. Semesters begin in August and January with Summer Sessions beginning in May and July. See Academic Calendar for appropriate dates.

Academic Load

The maximum load of an undergraduate student is 18 hours (Fall & Spring semesters) and 14 hours (Summer Term) unless approval is received from the dean or an authorized representative of the student's college. Students classified as Undecided must receive approval from the Transitional Advising Center. In the Fall or Spring Semester 12 hours is the minimum load for a student to be considered as full-time.

**Full-time Undergraduate Student Definition - Summer Term**

- **Sessions “A” & “B” (6 weeks)**
  - For Academic purposes: 6 hours or more each session
  - For Financial aid purposes: must enroll for 12 hours (undergraduate) in any combination of Sessions “A,” “B” and “C”

- **Session “C” (10 weeks)**
  - For Academic purposes: 9 hours or more
  - For Financial aid purposes: must enroll for 12 hours (undergraduate) in any combination of Sessions “A,” “B” and “C”

Students receiving Veterans’ Administration benefits should confirm their Summer Term enrollment with the Office of Veterans’ Services or Veterans’ Coordinator.

Undergraduates may not enroll in 6000-level courses or higher without approval of the college/department in which the course is offered.

Availability of Courses

USF does not commit itself to offer all the courses, programs, and majors listed in this catalog unless there is sufficient demand to justify them. Some courses, for example, may be offered only in alternate semesters or years, or even less frequently if there is little demand.

Transfer of Credit to USF

USF will accept credits only from those institutions accredited by one of the accrediting agencies/commissions recognized by USF. However, USF reserves the right to deny credit for specific courses. The receipt and evaluation of total transfer credit are the responsibility of the Office of Undergraduate Admissions. The college of the student's major will determine which courses are applicable toward a specific degree and will assign equivalent courses (see Evaluation of Transfer of Credit under Admissions and Related Matters).

USF subscribes fully to all of the provisions of the statewide Articulation Agreement (Rule 6A-10.024) and strongly recommends that students complete the associate of arts degree or, in certain prior-approved areas, the associate of science degree, before transferring. Special details for students who do not plan to complete the associate degree requirements are available from the Office of Undergraduate Admissions. Also, all transfer students should refer to other entries about undergraduate transfers in the Admissions section of this catalog.

Former Student Returning

The Office of Admissions will evaluate the acceptability of transfer credits taken at regionally-accredited institutions since last enrolled at USF. The college of the student’s major will determine which courses are applicable for his/her major. In some instances, exact course equivalents will also be determined by other colleges that offer the same or similar course(s) as a part of their programs of study.

Continuous Enrolled Degree-Seeking Student

The Office of Admissions will determine the acceptability of transfer credits for continuing, degree-seeking students who take courses at regionally-accredited institutions. However, PRIOR WRITTEN APPROVAL MUST BE OBTAINED from the college of the student’s major if these credits are to be applicable to the USF degree program. A properly-executed Transient Student Form or Cross Enrollment Form should be used for this purpose.

Declaration of Major

First-year students often enter the university undecided about their career plans and intended majors and that usually creates little difficulty for them. Many of the more than 90 majors at USF allow students considerable options in their early course choices.
Conversely, many other majors, and often the most popular majors, require completion of particular courses within the first two years. For instance, students with majors in fine arts and engineering should begin specific coursework in their first year and are best served by declaring their majors upon entering the university.

It clearly is advantageous for students to make early decisions about their majors to be on track and to remain on-track toward their degrees and to graduate in a timely manner. Students are urged to declare a major upon entry to the university. If they are unable to formally choose or declare a major or a pre-major they should follow the multi-semester inquiry-based (for undecided) curriculums that best matches their interests.

All students must be officially declared in a major or a pre-major before they register for more than 36 credits. Beginning Fall Semester 2005, FTIC students who will have completed 36 or more credits at the end of the term in which they are enrolled will not be allowed to register for further credit coursework at the university until they have declared a major or pre-major.

Transfer students, especially those who have completed 60 hours of work prior to transferring to USF, should declare their majors upon entry to the university. Transfer students who have not declared a major (or pre-major) and who have completed 75 or more credits of college coursework will not be allowed to register for further credit coursework at the university until they have declared a major or a pre-major. Students transferring in 75 or more credits will be required to declare a major (or pre-major) at the time of admission.

Many resources are made available by the university to assist students in making career decisions and choosing their majors. Information about these resources is readily available from academic advisors. All entering FTIC students who have not made a career/major decision upon entry to the university will be required to follow one of the multi-semester inquiry-based (for undecided) curriculums offered by the university and enroll in the University Experience or Career Development Process course.

College Level Academic Skills Requirement (CLAS)

The College Level Academic Skills (CLAS) requirement is a part of Florida's system of educational accountability. CLAS is a state-mandated achievement that measures attainment of communication and mathematics skills expected of students completing their sophomore year in college. These skills were identified by the faculties of community colleges and state universities and adopted by the Florida Board of Governors (Regulation 6.018). A student must meet CLAS requirements or achieve alternate criteria to receive an Associate in Arts or a baccalaureate degree from any Florida public institution.

Please Note: CLAS exemptions or waivers are not acceptable for admission to or graduation from programs in the College of Education.

Students who have already earned a baccalaureate degree from a regionally-accredited institution are exempt from the CLAS requirement at USF. In addition, students who have earned an Associate of Arts degree from a Florida College System institution are exempt from the CLAS requirement at USF. An Associate of Science degree is not sufficient to exempt CLAS at USF.

Please see http://www.ugs.usf.edu/student/clast/index.htm for the most up-to-date information.

Courses to Satisfy board of Governors Articulation Resolution (6A-10.030) (*Gordon Rule*)

Prior to receipt of an Associate in Arts degree from a Florida College System institution or university or prior to entry into the upper division of a public university or college, a student shall complete successfully the following:

a. Six (6) semester hours of English coursework and six (6) semester hours of additional coursework in which the student is required to demonstrate college-level writing skills through multiple assignments. Each institution shall designate the courses that fulfill the writing requirements of this section. These course designations shall be submitted to the Statewide Course Numbering System. An institution to which a student transfers shall accept courses so designated by the sending institution as meeting the writing requirements outlined in this section.

b. Six (6) semester hours of mathematics coursework at the level of college algebra or higher. For the purposes of this rule, applied logic, statistics and other such computation coursework which may not be placed within a mathematics department may be used to fulfill three (3) hours of the six (6) hours required by this section.

c. Students awarded college credit in English based on their demonstration of writing skills through dual enrollment, advanced placement, or international baccalaureate instruction pursuant to 6A-10.024, and students awarded college credit based on their demonstration of mathematics skills at the level of college algebra or higher through one (1) or more of the acceleration mechanisms in 6A-10.024, shall be considered to have satisfied the requirements in subsection 6A-10.030(2), to the extent of the college credit awarded.

Note: The Gordon Rule communication and computation requirements are considered met for any student entering the university with an A.A. from a Florida public community college. Gordon Rule communication requirement is considered met for any student entering the university with 60 or more hours.

Students must achieve a proficiency level of at least C- in the course in order to receive Gordon Rule Communication credit.
### Communication (12 semester hours)

Note that CGS 2060 will not satisfy the USF General Education Quantitative Methods requirement. CLEP general/subject examinations in mathematics, calculus, college algebra, college algebra-trigonometry, and trigonometry may satisfy this requirement.

Grades, Scholarship Requirements, and Review Procedures

The University is interested in each student making reasonable progress towards his/her educational goals and will aid each student through guidance and faculty advising. To make students aware of their academic progress, the University has enacted a system of grading and policies of Academic Probation and Academic Dismissal that indicates whether or not a student is
showing sufficient progress toward meeting degree requirements. Notations of Grades, Academic Probation and Academic Dismissal are posted to the student’s academic record.

When a student is academically dismissed from the University and is ineligible to re-enroll, it may be in his/her best interest to re-evaluate his/her educational goals with an academic advisor in his/her college. If the student’s poor academic performance has resulted from extenuating circumstances or if after a period of time the student feels he/she has gained adequate maturity and motivation, he/she may petition the Academic Regulations Committee for permission to re-enroll. See “Academic Regulations Committee,” for information on petitioning.

**Grading System**

Effective Fall Semester, 2000, USF faculty may use a plus/minus grading system to assign student grades. The use of the plus/minus grading system is at the discretion of the individual faculty member.

A student's measure of academic achievement is recorded on the academic record based on the following grading system:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Description</th>
<th>Quality Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>A+</td>

</tr>
</tbody>
</table>

**Other Grades**

- E: Course repeated, not included in GPA
- FF: Failure/academic dishonesty
- I: Incomplete
- IF: Incomplete grade changed to Failure
- IU: Incomplete grade changed to Unsatisfactory
- M: No grade submitted by instructor
- MF: Missing grade changed to Failure
- MU: Missing grade changed to Unsatisfactory
- N: Audit
- R: Repeated Course
- S: Satisfactory
- U: Unsatisfactory
- W: Withdrawal from course without penalty
- WC: Withdrawal for extenuating circumstances
- Z: Indicates continuing registration.

Please note that the grade of C- will satisfy specified minimum requirements of the Gordon Rule courses and the common prerequisites unless otherwise specified in the Catalog.

**Grade Point Average**

The University uses the quality points listed above. The grade-point average (GPA) is computed by dividing the total number of quality points by the total hours attempted at USF. The total quality points are figured by multiplying the number of credits assigned to each course by the quality point value of the grade given. Credit hours for courses with grades of I, IU, M, MU, N, S, U, W, Z, and grades that are preceded by an “E” are subtracted from the total hours attempted before the GPA is calculated.

Credit hours for repeated USF coursework will be awarded only once per course unless the course is a university-approved repeatable course. “D” and “F” grades, however, for repeated USF coursework will be counted in the computation of the student’s GPA as many times as those grades for that course are recorded. If a student originally earns a “C” or higher in a course that may not be repeated for additional credit and earns a “C” or higher on a subsequent enrollment the new grade is not computed in the USF GPA unless the forgiveness policy is being applied.
**“I” Grade Policy**

An "I" grade indicates incomplete coursework and may be awarded to graduate and undergraduate students. (Undergraduate rules apply to non-degree-seeking students.) It may be awarded to an undergraduate student only when a small portion of the student’s work is incomplete and only when the student is otherwise earning a passing grade. Until removed, the “I” is not computed in the GPA for either undergraduate or graduate students. The time limit for removing the "I" is to be set by the instructor of the course. For undergraduate students, this time limit may not exceed two academic semesters, whether or not the student is in residence, and/or graduation, whichever comes first. “I” grades not removed by the end of the time limit will be changed to “IF” or “IU,” whichever is appropriate. If an instructor is willing, he or she may accept work from a student after an I grade has changed to an IF or IU grade, and assign the student a final grade in the course, unless the student has graduated. Whether or not the student is in residence, any change to “IF” grades will be calculated in the cumulative GPA and, if applicable, the student will be placed on appropriate probation or academically dismissed. **Students are not required to re-register for courses in which they are only completing previous course requirements to change an “I” grade.** However, if a student wants to audit a course for review in order to complete course requirements, full fees must be paid.

**“M” Grade Policy**

An “M” is automatically assigned as a default grade when the instructor does not submit any grade for an undergraduate student. (Undergraduate rules also apply to non-degree-seeking students.) Until removed, the “M” is not computed in the GPA. The time limit for removing the “M” may not exceed one academic semester (whether or not the student is enrolled) and/or graduation, whichever comes first. “M” grades that are not removed by the end of the next semester/term will be changed to “MF” or “MU,” whichever is appropriate. Whether or not the student is enrolled, any change to “MF” grades will be computed in the cumulative GPA, and, if applicable, the student will be placed on appropriate probation or academically dismissed.

**S/U Grade System**

**No-option Courses.** Certain courses have been designated as S/U courses. The “S” and “U” grades are used to indicate the student’s final grade. These S/U only courses are identified with (S/U only) after the course definition in this catalog. No grading system option is available to students or faculty in these courses.

**Option Courses.** Any undergraduate course may be taken on an S/U basis by a student under the following conditions and restrictions:

1. Required courses in the major may not be taken on an S/U basis.
2. Specifically designated required courses in the distribution requirements of the student’s college may not be taken on an S/U basis.
3. Courses to satisfy 6A-10.30 (Gordon Rule) may not be taken on an S/U basis.
4. Courses to satisfy USF’s B.A. foreign language requirement may not be taken on an S/U basis.
5. All elective courses for the major and all elective courses in the distribution requirements and all other free elective courses may be taken on an S/U basis except where:
   a. The certifying college restricts the number of courses that may be taken on an S/U basis in any one or all of the above areas or restricts the total number of S/U courses that can be accepted for all of the above areas.
   b. The certifying college specifies that certain courses may not be taken on an S/U basis.
   c. The instructor of a course refuses to allow the course to be taken on an S/U basis.

**Mechanism for Assigning S/U Grades.** The method by which a student receives an “S” or “U” grade in an option course will consist of the following:

1. A written agreement signed by both instructor and student shall be filed with such offices as may be designated by the college. The college shall set the deadline (no later than the last day of classes for the term) for the student to decide if he/she wishes to take the course on an S/U basis.
2. The instructor shall assign final letter grades A, B, C, D, F, or I, but will transmit to the Registrar “S” or “U” consistent with the following:
   a. Letter grade, A, B, C, or C- shall be equivalent to a letter grade of “S.”
   b. Letter grades D or F shall be equivalent to a letter grade of “U.” “S” and “U” grades are not computed in the student’s GPA.

**Grade Forgiveness Policy**

USF’s forgiveness policy permits an undergraduate to repeat a course and have the repeated grade computed in his/her GPA in place of the original grade, providing the repeat grade is posted as “D-” or higher (exception - see Honors at Graduation) and is higher than the first grade. Normally, grade forgiveness may only be applied to a specific course that a student chooses to repeat. No course taken on the S/U grade basis may have the grade forgiveness applied. Under unusual circumstances, a different but similar course may be used if the substitute course has been previously approved by the college dean and is on file in the Office of the Registrar.

The grade forgiveness policy cannot apply to any course in which the grade of “FF” has been recorded.

Any undergraduate or non-degree seeking student who wishes to implement grade forgiveness must:

1. Complete a “Grade Forgiveness Request Form” (available on the Office of the Registrar’s website) for each course to be repeated.
2. Adhere to the following conditions:
A student on Final Academic Probation who fails to raise his/her cumulative USF GPA to 2.00 or higher at the end of the next term of enrollment will be placed on Final Academic Probation (FP). If the cumulative GPA is not raised to 2.00 or higher at the end of the next term of enrollment, the student will be placed on Academic Probation (AP). If the cumulative GPA is not raised to 2.00 or higher at the end of the next term of enrollment, the student will be placed on Final Academic Probation (FP). A student on Final Academic Probation who fails to raise his/her cumulative USF GPA to 2.00 or higher at the end of the next term of enrollment will be placed on Final Academic Probation (FP).

A student admitted to the university on probationary status will be placed on Academic Probation (AP) his/her first term with the above rules related to Final Academic Probation and Academic Dismissal applying. Academic advising prior to registration is mandatory until the student is removed from probationary status.

The determination and notification of probationary status or academic dismissal will be made by the Registrar’s Office on the student’s semester grade report and academic record.

A student who attends another college or university during academic dismissal will be classified as a transfer student and readmission will be based on the total record accumulated from all colleges and universities attended.

A student who has accumulated fewer than 60 semester hours is academically dismissed from USF or falls below a 2.0 GPA and subsequently achieves an A.A. degree or an articulated A.S. degree from a Florida public community/junior college (or other SUS institution), that student, when returning to the University, will return with the USF GPA earned prior to dismissal unless he/she exercises the option of Academic Renewal I as provided in this catalog.

USF recognizes that not every student’s academic record is flawless and that many times students get off to such a poor start that their future academic opportunities are limited. USF can offer many of those students a second chance. The University’s Academic Renewal policy allows students, who provide evidence that they might now achieve academic success, to renew their pursuit of baccalaureate degrees without the responsibility of having to overcome the entire burden of low grades and low grade-point-averages that reflect academic work attempted in the past. To facilitate this opportunity, students who qualify for Academic Renewal...
Renewal may, with the approval of the Academic Regulations Committee, have portions of their academic record not counted in the determination of their grade point averages (GPAs) for graduation purposes. Their entire academic record, however, will continue to be reflected on their transcripts even though a selected portion will not be counted in their GPAs. Academic Renewal students are admitted with the same terms of academic probation and dismissal as other undergraduate students. Academic Renewal will only be applied to a student’s academic record one time at USF.

Academic Renewal I applies to students who were academically dismissed or on formal academic probationary status (institutional cumulative GPA of less than 2.00) with fewer than 60 credits from USF or other institutions of higher education but who otherwise were eligible to return to USF or other institutions of higher education prior to their successful completion of 60 transferable credits. They may be admitted to the University with Academic Renewal I after completing all requirements for the Associate in Arts degree or equivalent (including general education, Gordon Rule and CLAST requirements) at a two- or four-year college. Academic Renewal I students will enter USF as juniors and their USF grade point average will be calculated from that point forward. Such students will be required to earn 60 unduplicated degree credits from USF, with a grade point average of at least 2.00 subsequent to the AA degree, in order to graduate from USF. They also may be excluded from admission to limited access programs. Further, students who exercise the Academic Renewal policy will not be considered for University Honors at graduation unless they meet the criteria using all grades earned.

Academic Renewal II applies to students who were academically dismissed or on formal academic probationary status (institutional cumulative GPA of less than 2.00) with 60 or more earned credits from USF or other institutions of higher education but who otherwise were eligible to return to USF or other institutions of higher education after the successful completion of 60 transferable credits. These students may be admitted to the University with Academic Renewal II if they are able to provide convincing evidence of changes that indicate they might be successful given a new opportunity. Normally, such students will have been engaged in successful non-academic activities such as work or the military for approximately five years or will have demonstrated more recent academic success through completion of an associates’ degree or certificate at another institution. Academic Renewal II students will be offered an opportunity to enter USF with all coursework and grades from up to three academic semesters (or equivalent) prior to their academic dismissal or probation from USF or other institutions of higher education to be dropped from consideration in grade-point-average calculations at the University. Determination of which semester(s) may be dropped (up to three) is determined by the student through consultation with the college Academic Regulations Committee representative. Students utilizing the Academic Renewal II policy must earn a cumulative GPA of 2.00 in USF coursework attempted subsequent to Academic Renewal II, in order to graduate. Students who elect to exercise the Academic Renewal policy will not be allowed to use any credit earned during the academic terms from which courses are dropped from grade-point-average consideration toward meeting degree requirements at the University* and they may be excluded from admission to limited access programs. Further, students who exercise the Academic Renewal policy will not be considered for University Honors at graduation unless they meet the criteria using all grades earned.

*Students who engage the Academic Renewal II policy will lose the credit they earned during the terms (up to three) they choose to exclude from GPA calculations. They will not necessarily have to repeat a course completed with a grade of "C" or higher to meet specific course requirements.

College Policies for Academic Progress

Colleges may determine and implement standards of academic progress for undergraduate students (majors in the college) in addition to those established by USF. Students who do not meet the academic standards of progress set by their colleges will be placed on probation and may be disenrolled. The college dean is responsible for implementing standards of academic progress and for notifying students of their probationary or disenrollment status.

Colleges may restrict the course selections and the number of hours a student may take that do not apply toward completion of degree requirements. Students who exceed this limit may have part or all of their registration canceled.

Colleges are responsible for publicizing and students are responsible for knowing their college’s policies for academic progress.

Class Standing

A student’s class is determined by the number of credits he/she has earned without relation to his/her GPA.

Admission to a College

All newly-admitted students must be advised initially by an academic advisor. All undeclared students are assigned to the Transitional Advising Center for the purpose of advising until a choice of major is made. At that time, he/she may be coded into the college containing the major department. Undeclared FTIC and lower-level transfer students must choose a major or college-based pre-major before registering for more than 36 semester hours. New upper-level transfer students who are undeclared must choose a major before registering for more than 75 semester hours.

Change of Major

All undergraduate students desiring to change their major should consult the Advising Office in the old and new college(s) of their interest.

Final Examinations

Examinations in academic subjects are, for most courses, an integral part of the learning process and one part of a procedure for evaluating student performance and determining grades. USF requires certain standards for the examination process in order to protect the academic integrity of courses and the best interests of both the student and the instructor.

Testing in General: In each academic course, the student is expected to undergo a meaningful testing and evaluation that will reveal the student’s intellectual growth in the subject matter covered or otherwise reflect the achievement of the course objectives.

The instructor has the responsibility of maintaining a fair and impartial testing and examination procedure, has the right to define and structure the testing process, and shall not be restricted as to form, style or content of the examination. It is the policy of USF that all students facing an examination (of any type) shall have equal advance notice of the form and content of that examination. The University regards the routine use of all or part of the same formal examination for successive academic terms as unsound policy except when used with adequate safeguards such as a random selection of questions from a large pool. Use of an electronic device not specifically authorized by the instructor is not permitted during any examination. Such use may result in academic dishonesty or disruption of the academic process and will be handled as student violations.

Comprehensive Final Examinations: The last 6 days of the Fall and Spring semesters shall be set aside for final examinations, and any comprehensive final examination must be given during this designated period. If a segment examination is given in lieu of a comprehensive examination, the segment examination must be given in the period designated during final examination week. The period of two hours shall be allotted for each final examination. If a student has a direct conflict of scheduled examinations or has three or more examinations scheduled on the same day, the student may petition the appropriate instructor to reschedule one of the student’s examinations. The final examination schedule shall be published in the same manner and place as the Schedule of Classes.

Dean’s List

Full-time undergraduate students who demonstrate superior academic achievement during one semester will be honored on a “Dean’s List.” To be eligible for the Dean’s List, a student must be in a “pool” (defined hereafter) and must complete 12 hours of graded (A-F) USF courses with no incomplete grades during the semester. The “pool” consists of all students who have registered for at least 12 hours of USF courses in a given semester. The Dean’s List shall consist of the fewer of: 1) the upper 10% of the enrollment of the college or 2) students in the college with a USF 3.5 GPA or above (ties at the 90th percentile will be included in the honors group).

The dean of the college in which the student is majoring or the Dean of Undergraduate Studies for undeclared students will recognize this academic honor. Students who are eligible should contact their College Advising Office for information.

Academic Regulations Committee

Certain academic regulations for the University are managed by the Academic Regulations Committee (ARC) within each college. Each college’s Academic Regulations Committee regularly reviews petitions submitted by undergraduate students. Undergraduate students must petition and secure approval from their college’s Academic Regulations Committee to return to the University after having been academically dismissed or to receive special consideration regarding an academic regulation, including late or retroactive drop of a course, late registration or late add of a course, deletion of a course, and withdrawal from a term. The ARC representatives or designees in each College meet with the student, assist with the petition process, and serve on their college’s Academic Regulations Committee. Representatives from the college ARC’s also meet formally once a term. The ARC representatives or designees in each College meet with the student, assist with the petition process, and serve on their college’s Academic Regulations Committee. Representatives from the college ARC’s also meet formally once a term. The ARC representatives or designees in each College meet with the student, assist with the petition process, and serve on their college’s Academic Regulations Committee. Representatives from the college ARC’s also meet formally once a term.

The college Academic Regulations Committee will reexamine petitions when the student provides new and substantive information directly related to the petition or evidence that an error was made. A final ARC decision may be appealed first through the College Dean or designee, and then the Associate Dean of Undergraduate Studies.

Students submitting petitions from the regional campuses (USF Sarasota-Manatee and USF Polytechnic) must follow the same process as USF Tampa students, but may submit their petitions to a regional campus liaison. The liaison will then submit the petition to the college representative of the student’s current major and assist in communications with the student.

The University has implemented a statute of limitations on student petitions for retroactive adds, drops, withdrawals, and registration. A student will be limited to two calendar years (six academic semesters/terms) for such appeals whether the student is in attendance or not.
STUDENT ACADEMIC GRIEVANCE PROCEDURES  
(USF Policy 10-002)

I. Introduction (Purpose and Intent)

The purpose of these procedures is to provide all undergraduate and graduate students taking courses within the University of South Florida system (USF system) an opportunity for objective review of facts and events pertinent to the cause of the academic grievance. Such review will be accomplished in a collegial, non-judicial atmosphere rather than an adversarial one, and shall allow the parties involved to participate. All parties will be expected to act in a professional and civil manner.

The procedures that follow are designed to ensure objective and fair treatment of both students and instructors. These guidelines are meant to govern all colleges (exclusive of the College of Medicine which maintains its own procedures), however, as individual USF system institutions, colleges or campuses may have different levels of authority or titles, each student must obtain the specific designations used by each entity for levels of authority and titles in the process with appropriate designations of authority if necessary.

In the case of grade appeals, the USF system reserves the right to change a student’s grade if it is determined at the conclusion of the grievance process that the grade given was incorrect. In such circumstances, the Dean or Provost/Sr. Vice President for Academic Affairs, the Regional Vice-Chancellor for Academic Affairs, or the Sr. Vice President, USF Health may file an administrative grade change. The term “incorrect” means the assigned grade was based on something other than performance in the course, or that the assignment of the grade was not consistent with the criteria for awarding of grades as described in the course syllabus or other materials distributed to the student. In the case of all other academic grievances, the USF system reserves the right to determine the final outcome based on the procedures detailed herein.

In the case of Academic Integrity (USF Regulation 3.027) violations, these Student Academic Grievance Procedures apply and include an Academic Integrity Review Process at the College Level as described in section III below.

II. Terms and Guidelines

An “academic grievance” is a claim that a specific academic decision or action that affects that student’s academic record or status has violated published policies and procedures, or has been applied to the grievant in a manner different from that used for other students. Grievances may relate to such decisions as the assignment of a grade seen by the student as incorrect or the dismissal or failure of a student for his or her action(s). Academic grievances will not deal with general student complaints.

“Instructor” shall mean any classroom instructor, thesis/dissertation/directed study supervisor, committee member or chair, or counselor/advisor who interacts with the student in an academic environment.

“Department Chair/Director” shall mean the academic head of a college department or the director of a program—or in all cases a “Department’s designee” appointed to handle academic grievances.

“Dean” shall mean a College Dean, or the Dean of Undergraduate Studies, or the Dean of the Graduate School, or the equivalent as indicated—or in all cases a “Dean’s designee” appointed to handle academic grievances for the unit.

“Time” shall mean “academic time,” that is, periods when USF system classes are in session. The person vested with authority at the appropriate level may extend any of the time periods contained herein for good cause. Any extensions must be communicated in writing to all parties. For the purposes of this policy, each step shall be afforded three (3) weeks as a standard time limit. When a department considers a grievance according to published departmental procedures approved by the College Dean and Provost or College Dean and Regional Vice Chancellor for Academic Affairs, as pertinent, the time line specified in this academic unit’s procedures will govern the process and no additional notice of time extension is needed.

“Written communication” shall mean communication by hard copy to the recipient’s address of record.

The “burden of proof” shall be upon the student such that the student challenging the decision, action or grade assigned has the burden of supplying evidence that proves that the instructor’s decision was incorrect, in all cases except alleged violations of academic integrity. In cases where the issue is academic integrity, the burden of proof shall be upon the instructor. In considering grievances, decisions will be based on the preponderance of the evidence.

Neither party shall be entitled to bring “legal representation” to any actual grievance proceeding as this is an internal review of an academic decision.

As some Colleges may not have departments or some campuses may use different titles, the next level that applies to that College shall be substituted. If the incident giving rise to a grievance occurs on the St. Petersburg campus, the approved policy on that campus shall govern.

III. Statement of Policy

A. Resolution at the Department Level

1. The student shall first make a reasonable effort to resolve his or her grievance with the instructor concerned, with the date of the incident triggering the start of the process (i.e. the issuance of a grade; the receipt of an assignment) and the instructor shall accommodate a reasonable request to discuss and attempt to resolve this issue.
2. If the situation cannot be resolved or the instructor is not available, the student shall file a notification letter within three weeks of the triggering incident to the department Chairperson/Director. This shall be a concise written statement of particulars and must include information pertaining to how, in the student’s opinion, University system policies or procedures were violated. The department Chairperson/Director shall provide a copy of this statement to the instructor. The instructor may file a written response to the grievance.

3. The department Chairperson/Director shall discuss the statement jointly or individually with the student and the instructor to see if the grievance can be resolved. If the department maintains its own grievance procedure,* it should be applied at this point. If the grievance can be resolved, the Chairperson/Director shall provide a statement to that effect to the student and the instructor with a copy to the College Dean.

4. If the grievance cannot be resolved, the department Chair/Chairperson shall notify both the student and the instructor, informing the student of his/her right to file a written request directed back to the Chair/Chairperson/Director within three weeks to advance the grievance to the College Level. Upon receipt of the student’s request to move the process to the College Level and the instructor’s response to the grievance (if provided), the Chairperson/Director shall immediately notify the College Dean of the grievance, providing copies of the student’s initiating grievance statement, any instructor’s written response to the grievance, and the written request from the student to have the process advanced to the College Level. Should the student not file a written request to move the grievance to the College Level within the prescribed time, the grievance will end.

   If the grievance concerns the Chairperson/Director or other officials of the department, the student has a right to bypass the departmental process and proceed directly to the College Level.

B. Resolution at the College Level

1. Upon receipt of the grievance, the College Dean shall either determine that the matter is not an academic grievance and dismiss it or within three weeks shall establish an Academic Grievance Committee. The membership of the Committee shall be constituted as follows:

   a. Three (3) faculty members and two (2) students (undergraduate or graduate as appropriate to the case) shall be selected from the college by the Dean.

   b. Wherever practical, the Committee shall not include members of the faculty or students of the department directly involved with the grievance, or faculty or students of the student’s major department. The student or faculty may request to attend a Committee meeting. The Chairperson will designate which meeting the student or instructor may attend to present any final statement to the Committee. In addition, only the Committee may invite additional parties such as faculty or students from the department involved with the grievance or from the student’s major department or outside party to provide expert or other relevant testimony in the proceedings. The student or instructor may be present during the other’s final statement and may hear the additional information provided, however, neither may be present during the committee’s deliberations.

   c. The student or instructor may bring an advisor (not to act as legal counsel or to participate in the meetings) to the meeting.

2. The Committee will operate in the following manner:

   a. The Committee Chairperson will be appointed by the College Dean from among the three faculty members appointed to the Committee.

   b. The Committee Chairperson shall be responsible for scheduling meetings, overseeing the deliberations of the committee and ensuring that full and fair consideration is provided to all parties. The Committee Chairperson shall vote on committee decisions only when required to break a tie.

   c. In Committee reviews involving Academic Integrity, the following Academic Integrity Review Process shall be followed in addition to the other Department procedures if applicable:

      1) The Committee Chairperson shall notify the student and instructor of the date and time of the meeting.

      2) The student and instructor may submit a list of questions to the Committee Chairperson to be answered by the student and instructor. If submitted, the questions will be disseminated by the Committee Chairperson and the Committee Chairperson will ensure that the questions are answered in writing and submitted for review by the Committee, student, and instructor before the initial meeting.

      3) Students shall be permitted to remain in the course or program during the Academic Integrity Review Process. However, if the student is in a clinical or internship setting, the student may be removed from such setting until the issue of Academic Integrity is resolved. In such cases, the program will attempt to identify an alternative educational option to the clinical or internship to enable the student to continue progressing in the program.

   d. All deliberations shall be in private and held confidential by all members of the Committee. The recommendation of the Committee shall be based on the factual evidence presented to it.

   e. Within three weeks of the Committee appointment, the Committee Chairperson shall deliver in writing to the College Dean a report of the findings and a recommended resolution.

   f. Within three weeks of receipt of the Committee recommendation, the College Dean shall provide a decision in writing to all parties (the student, the instructor and the department Chair/Program Director). The Dean’s decision shall indicate whether the decision was consistent with the committee’s recommendation.

   g. The student or the instructor may appeal the decision of the College Dean to the University Level only if the decision of the College Dean is contrary to the recommendation of the Committee (which will be indicated in the Dean’s
Disruption of the academic process is defined as the act, words, or general conduct of a student in a classroom or other academic environment which in the reasonable estimation of the instructor: (a) directs attention away from the academic matters at hand, such as noisy distractions, persistent, disrespectful or abusive interruption of lecture, exam, academic discussion, or general University operations, or (b) presents a danger to the health, safety or well-being of self or other persons. References to classroom or academic area include all academic settings (live or online, and including field experiences) and references to Instructor include the course instructor, USF faculty, administrators, and staff. Misconduct occurring in other campus areas on University premises or which adversely affects the University community and/or the pursuit of its mission is already prohibited by the Student Code of Conduct and will be handled by those procedures.

Academic discussion that includes disagreement with the course instructor during times when the instructor permits discussion is not in itself disruptive behavior and is not prohibited.

Some disruptive students may have emotional or mental health disorders. Although such students may be considered disabled and are protected under the Rehabilitation Act/ADA, they are held to the same standards of conduct as any student. The following applies to all campuses of the University of South Florida; however, non-substantive procedural modifications

C. Resolution at the University Level

The Provost/Sr. Vice President for Academic Affairs or the Sr. Vice President, USF Health has delegated authority to the Dean of Undergraduate Studies to act in place of the Provost/Sr. Vice President in all academic grievance appeals involving undergraduate students unless the grievance occurred in a program within Undergraduate Studies, wherein it will go back to the Provost to redelegate. The Dean of Graduate School will act in place of the Provost/Sr. Vice President in all academic grievance appeals involving graduate students. The Regional Vice Chancellor for Academic Affairs at USF St. Petersburg may delegate authority to a designated academic administrator at USF St. Petersburg to hear the appeal at the University level.

1. The student or the instructor may appeal at the University Level within three weeks of the receipt of a decision made at the College Level, when (1) the decision by a College Dean is contrary to the recommendation of a college Grievance Committee, or (2) there is cause to think a procedural violation of these USF system Academic Grievance Procedures has been made. Within three weeks of receipt of the appeal to the decision, the Undergraduate/Graduate Dean in consultation with the Faculty Senate and the Student Senate, shall appoint an Appeals Committee consisting of three faculty members drawn from the University Undergraduate Council or Graduate Council (as appropriate), and two students, undergraduate or graduate (as appropriate).
2. The structure, functions and operating procedures of the Appeals Committee will be the same as those of the College Committee (i.e. chaired by one of the appointed faculty members appointed by the Undergraduate/Graduate Dean who will not vote except in the case of a tie, having no representation from either party’s respective departments, developing a recommendation to the Undergraduate/Graduate Dean, etc.).
3. Within three weeks of the appointment, the Committee Chairperson shall deliver in writing to the Undergraduate/Graduate Dean a report of the findings of the Committee and a recommended resolution.
4. Within three weeks of receipt of the Committee recommendation, the Undergraduate/Graduate Dean shall provide a decision in writing to all parties.
5. If the Undergraduate/Graduate Dean’s decision is that a grade change is merited, the Undergraduate/Graduate Dean shall initiate the grade change on the authority of the Provost and so inform all parties. In all academic grievance appeals, the Undergraduate/Graduate Dean’s decision is final and not subject to further appeal within the University.

These procedures shall take effect commencing (February 10, 2009) and shall supersede all other academic grievance procedures currently in effect, with the exception of the procedures of the College of Medicine.

*Departments may develop their own formal procedures for considering grievances. Such procedures must be considered and approved by the College Dean and the Provost, and published on the Department’s web site. When such procedures exist, the Department’s examination of the grievance will unfold as specified in the procedures. If the Departmental process upholds the student’s grievance, the Department Chair will work with the College, the student and the instructor to remedy the situation. If the Department does not uphold the grievance, the Chair will report the fact to the Dean. The student may, in such cases, request the College Level review as outlined in these USF system procedures.

**DISRUPTION OF ACADEMIC PROCESS**

(1) Disruptive students in the academic setting hinder the educational process. Although disruptive student conduct is already prohibited by the Student Code of Conduct, the purpose of this policy is to clarify what constitutes disruptive behavior in the academic setting, what actions faculty and relevant academic officers may take in response to disruptive conduct, and the authority of the Office of Student Rights and Responsibilities or designated office handling conduct issues in Student Affairs to initiate separate disciplinary proceedings against students for disruptive conduct.

(2) Disruption of the academic process is defined as the act, words, or general conduct of a student in a classroom or other academic environment which includes emotional or mental health disorders. Although such students may be considered disabled and are protected under the Rehabilitation Act/ADA, they are held to the same standards of conduct as any student. The following applies to all campuses of the University of South Florida; however, non-substantive procedural modifications...
to reflect the particular circumstances of each regional campus are permitted. Information concerning these procedures is available through the Student Affairs Office at those regional campuses.

(3) Procedures for Handling Disruption of Academic Process

(a) General Guidelines for Instructor:

1. If a student is disruptive, the Instructor may ask the student to stop the disruptive behavior and/or warn the student that such disruptive behavior can result in academic and/or disciplinary action. Alleged disruptions of the academic process will be handled initially by the Instructor, who will discuss the incident with the student whenever possible. It must be noted that the Faculty Senate considers the traditional relationship between student and instructor as the primary means of settling disputes that may arise.

2. The Instructor is authorized to ask a student to leave the classroom or academic area and desist from the disruptive behavior if the Instructor deems it necessary. If the Instructor does this, s/he will send an Academic Disruption Incident Report within 48 hours simultaneously to (a.) the department chair, (b.) the Assistant/Associate Dean of the College (as determined by the College), (c) the Office of Student Rights and Responsibilities (OSRR) or the regional campus’ designated office in Student Affairs, and (d.) the student. If the situation is deemed an emergency or circumstances require more immediate action, the instructor should notify the appropriate law enforcement agency, OSRR and other authorities as soon as possible. Any filed Incident Report can, and should, be updated if new information pertinent to the situation is obtained.

3. An Instructor may also further exclude the student from the classroom or other academic area pending resolution of the matter. If the Instructor recommends exclusion (temporary or permanent) from the classroom pending resolution, the student must be informed of the exclusion before the next scheduled class (either by phone, email or in person). That notice must: (a.) inform the student of the exclusion, (b.) inform the student of his/her right to request an expedited review of the exclusion within two days to the Chair of the Department. If such academic exclusion occurs, and if the student requests a review, Chair of the Department shall review the exclusion within two days of the date the student requests the review and decide if the student can return to the specific class and/or any academic setting. This decision may be appealed in writing by the student within two days to the Dean of Undergraduate Studies or Graduate Studies or the institutional designee (as appropriate) for review and decision within two days. Any decision rendered at that point must be in writing and will serve as the final and binding academic decision of the university.

Each academic decision or sanction must be communicated to the Office of Students Rights and Responsibilities or the regional campus’ designated office as soon as possible.

(b) Possible Academic Sanctions and Grading Guidelines:

- Warning to the student
- Voluntary withdrawal by the student from the class(es)
- Temporary exclusion and/or permanent dismissal from the instructor’s classroom or academic area, program, or college, pending an expedited appeal
- Academic sanction, including assignment of a final grade — If the final determination is a dismissal from class, the grade assigned for the class will depend on the student’s status at the time of dismissal. If the student had a passing grade in the class at the time of dismissal, a grade of “W” will be assigned for the course. If the student had a failing grade in the class at the time of dismissal, a grade of “F” will be assigned for the course. These grades will become a part of the student’s permanent record. In addition, if the academic disruption results in dismissal from more than the classroom or academic area of the incident, this grading policy may be applied in all classes affected.

(c) Documentation and Academic Disruption Incident Report:

Instructors should be aware that notes of the dates, times, witnesses and details of the incidents of disruption and the impact of the disruption on those present may be important in any future proceedings which may be necessary. Referrals to the Office of Student Rights and Responsibilities or designated office in Student Affairs require written documentation containing factual and descriptive information. The student is entitled to see this documentation.

The Academic Disruption Incident Report must be submitted by hardcopy (not email) simultaneously within 48 hours to (a.) the department chair, (b.) the Assistant/Associate Dean of the College (as determined by the College), (c.) the Office of Student Rights and Responsibilities or the regional campus’ designated office in Student Affairs, and (d.) the student. The form can be downloaded from the designated website in Student Affairs or completed by way of memorandum containing the following information:
ACADEMIC INTEGRITY OF STUDENTS

Academic integrity is the foundation of the University of South Florida’s commitment to the academic honesty and personal integrity of its University community. Academic integrity is grounded in certain fundamental values, which include honesty, respect and fairness. Broadly defined, academic honesty is the completion of all academic endeavors and claims of scholarly knowledge as representative of one’s own efforts. Knowledge and maintenance of the academic standards of honesty and integrity as set forth by the University are the responsibility of the entire academic community, including the instructional faculty, staff and students.

General Policies:
The following policies and procedures apply to all students, instructional faculty and staff who participate in administration of academic classes, programs and research at the University of South Florida. This regulation asserts fairness in that it requires notice to any student accused of a violation of academic integrity and provides a directive for discussion between the instructor and student to seek a fair and equitable resolution. If a fair resolution is not accomplished in this discussion, this regulation allows the student continued rights of due process under the academic grievance procedures based upon the preponderance of the evidence. The policies described below are the only policies and procedures that govern violations of academic integrity at the University and supersede any previous policies or regulations.

Violations of Academic Integrity: Undergraduate
Behaviors that violate academic integrity are listed below, and are not intended to be all inclusive.
(a) Cheating

Definition:

*Cheating* is using or attempting to use materials, information, notes, study aids, or other assistance in any type of examination or evaluation which have not been authorized by the instructor.

Clarification:

1. Students completing any type of examination or evaluation are prohibited from looking at or transmitting materials to another student (including electronic reproductions and transmissions) and from using external aids of any sort (e.g., books, notes, calculators, photographic images or conversation with others) unless the instructor has indicated specifically in advance that this will be allowed.
2. Students may not take examinations or evaluations in the place of other persons. Students may not allow other persons to take examinations or evaluations in their places.
3. Students may not acquire unauthorized information about an examination or evaluation and may not use any such information improperly acquired by others.
4. Instructors, programs and departments may establish, with the approval of the colleges, additional rules for exam environments and behavior. Such rules must be announced in advance in a course syllabus or other advance written notice to students.

(b) Plagiarism

Definition:

*Plagiarism* is intentionally or carelessly presenting the work of another as one’s own. It includes submitting an assignment purporting to be the student’s original work which has wholly or in part been created by another person. It also includes the presentation of the work, ideas, representations, or words of another person without customary and proper acknowledgement of sources. Students must consult with their instructors for clarification in any situation in which the need for documentation is an issue, and will have plagiarized in any situation in which their work is not properly documented.

Clarification:

1. Every direct quotation must be identified by quotation marks or appropriate indentation and must be properly acknowledged by parenthetical citation in the text or in a footnote or endnote.
2. When material from another source is paraphrased or summarized in whole or in part in one’s own words, that source must be acknowledged in a footnote or endnote, or by parenthetical citation in the text.
3. Information gained in reading or research that is not common professional knowledge must be acknowledged in a parenthetical citation in the text or in a footnote or endnote.
4. This prohibition includes, but is not limited to, the use of papers, reports, projects, and other such materials prepared by someone else.

(c) Fabrication, Forgery and Obstruction

Definitions:

*Fabrication* is the use of invented, counterfeited, altered or forged information in assignments of any type including those activities done in conjunction with academic courses that require students to be involved in out-of-classroom experiences. *Forgery* is the imitating or counterfeiting of images, documents, signatures, and the like. *Obstruction* is any behavior that limits the academic opportunities of other students by improperly impeding their work or their access to educational resources.

Clarification:

1. Fabricated or forged information may not be used in any laboratory experiment, report of research, or academic exercise. Invention for artistic purposes is legitimate under circumstances explicitly authorized by an instructor.
2. Students may not furnish to instructors fabricated or forged explanations of absences or of other aspects of their performance and behavior.
3. Students may not furnish, or attempt to furnish, fabricated, forged or misleading information to university officials on university records, or on records of agencies in which students are fulfilling academic assignments.
4. Students may not steal, change, or destroy another student’s work. Students may not impede the work of others by the theft, defacement, mutilation or obstruction of resources so as to deprive others of their use.
5. Obstruction does not include the content of statements or arguments that are germane to a class or other educational activity.

(d) Multiple Submissions

Definition: *Multiple submissions* are the submissions of the same or substantially the same work for credit in two or more courses. Multiple submissions shall include the use of any prior academic effort previously submitted for academic credit at this or a different institution. Multiple submissions shall not include those situations where the prior written approval by the instructor in the current course is given to the student to use a prior academic work or endeavor.
Clarification:
1. Students may not normally submit any academic assignment, work, or endeavor in more than one course for academic credit of any sort. This will apply to submissions of the same or substantially the same work in the same semester or in different semesters.
2. Students may not normally submit the same or substantially the same work in two different classes for academic credit even if the work is being graded on different bases in the separate courses (e.g., graded for research effort and content versus grammar and spelling).
3. Students may resubmit a prior academic endeavor if there is substantial new work, research, or other appropriate additional effort. The student shall disclose the use of the prior work to the instructor and receive the instructor’s permission to use it PRIOR to the submission of the current endeavor.
4. Students may submit the same or substantially the same work in two or more courses with the prior written permission of all faculty involved. Instructors will specify the expected academic effort applicable to their courses and the overall endeavor shall reflect the same or additional academic effort as if separate assignments were submitted in each course. Failure by the student to obtain the written permission of each instructor shall be considered a multiple submission.

(e) Complicity

Definition:
Complicity is assisting or attempting to assist another person in any act of academic dishonesty.

Clarification:
1. Students may not allow other students to copy from their papers during any type of examination.
2. Students may not assist other students in acts of academic dishonesty by providing material of any kind that one may have reason to believe will be misrepresented to an instructor or other university official.
3. Students may not provide substantive information about test questions or the material to be tested before a scheduled examination unless they have been specifically authorized to do so by the course instructor. This does not apply to examinations that have been administered and returned to students in previous semesters.

(f) Misconduct in Research and Creative Endeavors

Definition:
Misconduct in research is serious deviation from the accepted professional practices within a discipline or from the policies of the university in carrying out, reporting, or exhibiting the results of research or in publishing, exhibiting, or performing creative endeavors. It includes the fabrication or falsification of data, plagiarism, and scientific or creative misrepresentation. It does not include honest error or honest disagreement about the interpretation of data.

Clarification:
1. Students may not invent or counterfeit information.
2. Students may not report results dishonestly, whether by altering data, by improperly revising data, by selective reporting or analysis of data, or by being grossly negligent in the collecting or analysis of data.
3. Students may not represent another person’s ideas, writing or data as their own.
4. Students may not appropriate or release the ideas or data of others when such data have been shared in the expectation of confidentiality.
5. Students may not publish, exhibit, or perform work in circumstances that will mislead others. They may not misrepresent the nature of the material or its originality, and they may not add or delete the names of authors without permission.
6. Students must adhere to all federal, state, municipal, and university regulations for the protection of human and other animal subjects.
7. Students may not conceal or otherwise fail to report any misconduct involving research, professional conduct, or artistic performance of which they have knowledge.
8. Students must abide by the university’s policies on Misconduct in Research where applicable, which can be found in the University’s Policies and Procedures Manual at the General Counsel’s website.

(g) Computer Misuse

Definition:
Misuse of computers includes unethical, or illegal use of the computers of any person, institution or agency in which students are performing part of their academic program.

Clarification:
1. Students may not use the university computer system in support of any act of plagiarism.
2. Students may not monitor or tamper with another person’s electronic communications.
(h) Misuse of Intellectual Property

Definition:

*Misuse of intellectual property* is the illegal use of copyright materials, trademarks, trade secrets or intellectual properties.

Clarification:

Students may not violate state or federal laws concerning the fair use of copies.

Violations and Sanctions for Undergraduate Students

NOTE: These policies apply to undergraduate students, even if taking graduate coursework.

Violations for undergraduate students at the University of South Florida are classified into four levels according to the nature of the infraction. For each level of violation a corresponding set of sanctions is recommended, however, specific academic programs may include additional and different sanctions. These sanctions are intended as general guidelines for the academic community with examples cited below for each level of violation. These examples are not to be considered all-inclusive.

It is recommended that the instructor forward a concise written statement describing the academic dishonesty of an incident with its particulars to the Undergraduate Dean’s Office for violations in Levels Two through Four. These records will be maintained until graduation or until they are of no further administrative value. This will enable better handling of multiple violations.

(a) Level One Violations

Level One violations may occur because of inexperience or lack of knowledge of principles of academic integrity on the part of persons committing the violation. These violations address incidents when intent is questionable and are likely to involve a small fraction of the total course work, are not extensive, and/or occur on a minor assignment. The following are examples:

1. Working with another student on a laboratory or other homework assignment when such work is prohibited.
2. Failure to footnote or give proper acknowledgment in an extremely limited section of an assignment.

Recommended sanctions for Level One violations are listed below:

- Reduction or no credit given for the original assignment.
- An assigned paper or research project on a relevant topic.
- A make-up assignment at a more difficult level than the original assignment.
- Required attendance in a non-credit workshop or seminar on ethics or related subjects.

(b) Level Two Violations

Level Two violations are characterized by dishonesty of a more serious character or that which affects a more significant aspect or portion of the course work. The following are examples:

1. Quoting directly or paraphrasing, to a moderate extent, without acknowledging the source.
2. Submitting the same work or major portions thereof to satisfy the requirements of more than one course without permission from the instructor.
3. Using data or interpretative material for a laboratory report without acknowledging the sources or the collaborators. All contributors to preparation of data and/or to writing the report must be named.
4. Receiving assistance from others, such as research, statistical, computer programming, or field data collection help that constitutes an essential element in the undertaking without acknowledging such assistance in a paper, examination or project.

Recommended sanctions for Level Two violations are listed below:

- Failing grade for the assignment involved with the grade in the course determined in the normal manner.
- Failing grade for the course, which may be an F or FF on the internal transcript.

(c) Level Three Violations

Level Three violations are those that go beyond Level One or Two violations and that affect a major or essential portion of work done to meet course requirements, or involve premeditation, or are preceded by one or more violations at Levels One and/or Two. Examples include:

1. Copying on examinations.
2. Plagiarizing major portions of a written assignment.
3. Acting to facilitate copying during an exam.
4. Using prohibited materials, e.g., books, notes, or calculators during an examination.
5. Collaborating before an exam to develop methods of exchanging information and implementation thereof.
6. Altering examinations for the purposes of regrading.
7. Acquiring or distributing an examination from unauthorized sources prior to the examination.
8. Presenting the work of another as one’s own.
9. Using purchased term paper or other materials.
10. Removing posted or reserved material, or preventing other students from having access to it.
11. Fabricating data by inventing or deliberately altering material (this includes citing “sources” that are not, in fact, sources.
12. Using unethical or improper means of acquiring data.
Recommended sanctions for Level Three violations are listed below:
- Failing grade for the course with a designation of FF on student’s internal transcript.
- Possible suspension from the university for one semester.

(d) Level Four Violations

Level Four violations represent the most serious breaches of intellectual honesty. Examples of Level Four violations include:
1. All academic infractions committed after return from suspension for a previous academic honesty violation.
2. Infractions of academic honesty in ways similar to criminal activity (such as forging a grade form, stealing an examination from a professor or from a university office; buying an examination; or falsifying a transcript to secure entry into the University or change the record of work done at the University).
3. Having a substitute take an examination or taking an examination for someone else.
4. Fabrication of evidence, falsification of data, quoting directly or paraphrasing without acknowledging the source, and/or presenting the ideas of another as one’s own in a senior thesis, within a master’s thesis or doctoral dissertation, in scholarly articles submitted to refereed journals, or in other work represented as one’s own as a graduate student.
5. Sabotaging another student’s work through actions designed to prevent the student from successfully completing an assignment.
6. Willful violation of a canon of the ethical code of the profession for which a student is preparing.

Recommended sanctions for Level Four violations are listed below:
- The typical sanction for all Level Four violations is permanent academic dismissal from the University with the designation of “Dismissed for Academic Dishonesty” to be placed permanently on a student’s external transcript.

(5) Additional Undergraduate Guidelines for Academic Dishonesty:

(a) Grade Assignment
1. An “FF” grade assigned to indicate academic dishonesty is reflected only on internal records and prevents the student from repeating the course using the Grade Forgiveness Policy. Students with any “FF” grade on record will not be eligible for honors at graduation.
2. If a student who has been accused of academic dishonesty drops the course, the student’s registration in the course will be reinstated until the issue is resolved.
3. Any assigned grade may be changed to an FF, F, or other grade depending on the instructor’s decision or the ultimate resolution of an academic grievance procedure. This includes any instance of academic dishonesty that is not detected by the instructor until after the student has dropped or completed the course.
4. Notification to the student of the FF grade and the option of appeal concerning the alleged academic dishonesty shall be the responsibility of the instructor and/or department chair. (See Student Academic Grievance Procedures.)
5. Notice that a student has been dismissed for reasons of academic dishonesty will be reflected on the student’s transcript with the formal notation: Dismissed for Academic Dishonesty.
6. More serious violations of academic integrity may be referred to the Office of Students Rights and Responsibilities as a student conduct violation.

(b) Multiple Violations:
1. For the first FF recorded in an undergraduate student’s USF academic record, the student will receive a letter from the Dean of Undergraduate Studies informing him or her of being placed on “Academic Dishonesty Warning” for the remainder of enrollment at USF and of appeal rights for the FF grade. 2. For the second FF recorded, the undergraduate student will be suspended for one full semester and readmitted only after writing a clear statement indicating remorse, understanding of the seriousness of the offense, and understanding of the importance of integrity in all areas, including academic work. A letter informing him or her of this action and appeal rights will be sent from the Dean of Undergraduate Studies.
3. For the third FF recorded, the undergraduate student will be permanently dismissed from the university for violations of academic integrity and with notice of that dismissal as a part of the formal record and transcript. 4. The maximum penalty for receipt of any FF grade may be permanent dismissal from the university for violations of academic integrity and with a notice of that dismissal as a part of the student’s formal record and transcript.

FOUNDATIONS OF KNOWLEDGE AND LEARNING CORE CURRICULUM

General Education

An effective university education must engage students with a diversity of ideas, concepts, and ways of acquiring knowledge. The Foundations of Knowledge and Learning Core (FKL) Curriculum at the University of South Florida emphasizes inquiry as the means of developing complex intellectual skills that enable students to become critical thinkers, concerned citizens, successful professionals, and reflective people who throughout their lives are aware of, understand, and engage with the complexities and challenges that our global realities require.

The core curriculum at the University of South Florida is designed to develop baccalaureate graduates who:
- Understand symbolic, expressive, and interpretive communication systems in all of their complexities.
The General Education (36 credits) and Exit curriculum (6 credits) consists of six Core Areas of Knowledge and Inquiry. These Core Areas are:

A. English Composition
Students must satisfactorily complete six (6) credit hours of approved coursework (Composition I and II). A major emphasis of the University of South Florida’s General Education curriculum is to develop and refine students’ written communication skills. Composition I and II provide the foundation for academic and professional writing by emphasizing systematic organization, effective use of detail, compelling treatment of evidence, demonstration of reading skills, appropriate consideration of audience, language use (style) appropriate to discipline and audience, and construction and analysis of valid and sound arguments. In both courses, process writing is fostered through multiple drafts with careful revision and editing.

B. Fine Arts and Humanities
Students must satisfactorily complete three (3) credit hours of approved coursework in Fine Arts and six (6) credit hours of approved coursework in Humanities.

The Fine Arts core is constituted of courses from the visual arts, music, dance, theatre, and creative writing that address the creative experience; engage students in theoretical and/or experiential study of aesthetic dimensions; and address perspectives of both the artist and the public. Course content is focused upon the meaning, theories, history, products and processes of the fine arts by individuals and groups and provides students with an appreciation of how the fine arts contribute to the ways of knowing, the human experience, and contemporary life. Course options often interdisciplinary, considering the interrelationships among the disciplines of the fine arts as well as other core areas of knowledge.

The Humanities core is made up of courses that emphasize areas of inquiry in which we turn our attention to ourselves. Studies in Humanities foster students’ ability to analyze beliefs; to make sound judgments about the evidence that supports them; to communicate through language and other symbolic media; and to be creative in expressing themselves and in interpreting how others express themselves creatively. The courses explore methods and theories of criticism that apply to our creative, expressive, and communicative actions; enable students to appreciate different cultures and traditions within our own society; and increase students’ knowledge of human civilizations, past and present, and their languages, literature, art, religion, and philosophy. Courses that fulfill these goals will emphasize the use of primary texts and sources and require writing assignments in which students produce a sustained argument in continuous prose.

C. Human and Cultural Diversity in a Global Context
Students must satisfactorily complete three (3) credit hours of approved coursework in Human and Cultural Diversity in a Global Context. Courses in this core area apply principles and theories to the understanding of global processes and phenomena in an interdisciplinary manner; develop an understanding of prevailing world conditions and trends; create an awareness of the diversity of cultures and their roles in the global political economy; foster knowledge of the interrelations among global economic, political, environmental and social systems; and create an awareness of the problems confronting cultural groups, nations, and the human species as a whole. These courses afford students a basic understanding of human and cultural diversity as an integral part of the evolution of humanity; the interrelations among ecological, biological, cultural and gender diversity; the distinction between diversity as product and cause of evolution, and the politicization of diversity; and that a balanced appreciation of human and cultural diversity can be achieved only if the topic is examined historically within the context of the global system.

D. Mathematics and Quantitative Reasoning
Students must satisfactorily complete a minimum of six (6) credit hours of approved mathematics coursework OR three (3) credit hours of approved mathematics coursework and three (3) credit hours of approved coursework in quantitative reasoning. Both the mathematics courses and the quantitative reasoning courses in this core area are taught at the level of college algebra or higher and at least one course must have either an MAC or an MGF prefix. Courses that meet the requirements for quantitative reasoning are designed to instill skills sufficient for responding critically to quantitative issues in the media and public life. Typical elements in such a course include analyzing evidence; verbalizing problems into mathematical form; reading graphs; understanding logical arguments; detecting logical fallacies; understanding evidence; evaluating risks; assessing uncertainty; detecting errors in data; designing experiments; understanding creation of models; understanding validations and inferences; interpreting quantitative data; developing number sense; and developing symbol sense.

E. Natural Sciences
Students must satisfactorily complete at least six (6) credit hours of approved coursework in the Natural sciences core area with at least one course taken from each category of Physical Sciences and Life Sciences.

Approved courses in the Physical Sciences are introductory in nature and present (or have as a prerequisite a college course that presents) the fundamentals of the physical science with relevant applications and should emphasize scientific methodology
by involving the student in making observations, evaluating data, and solving problems. The course may be one that is required for majors in the Physical Sciences and technology or a course designed for non-specialists. The courses in this core area will engage students with the relationship of physical science to human and environmental issues with courses for non-science majors including a greater focus on evaluating and using scientific evidence for decision making.

Approved courses in the Life Sciences are introductory courses that present (or have as a prerequisite a college course that present) the fundamentals of biological science, including genetics/speciation/evolution, growth/differentiation, metabolism/bio-energetics and ecology/ethology and should emphasize scientific methodology by involving the student in making observations, evaluating data, and solving problems. These courses will engage students with the relationship of life science to human and environmental issues, with courses for non-science majors including a greater focus on evaluating and using scientific evidence for decision making. Introductory courses for majors in the Life Sciences that do not cover all the topics specified above may be certified for General Education credit by special permission of the General Education Council.

F. Social and Behavioral Sciences

Students must satisfactorily complete at least six (6) credit hours of approved coursework in the core area of Social and Behavioral Sciences. The courses may be interdisciplinary and need not be sequential. Approved courses in the Social Sciences area will provide opportunities to study social groups, institutions, and organizations, and their context; have a theoretical and empirical focus on individuals in relation to others and their environment; formulate basic questions and inquiry about the nature of social life through both interpretive and systematic analyses and address a broad area with concern for both methodological and substantive issues. The courses will have a theoretical and empirical approach to the study of human behavior; formulate basic questions and inquiry about the nature of human behavior through both interpretive and systematic analyses; and address a broad area with appropriate attention to both general issues and methods of the discipline.

General Education Requirements – 36 hours

6 English Composition
3 Fine Arts
3 Human and Cultural Diversity in a Global Context
6 Humanities
6 Mathematics Or 3 Mathematics and 3 Quantitative Reasoning
3 Natural Sciences (Life Science)
3 Natural Sciences (Physical Science)
6 Social and Behavioral Sciences

Exit Requirements – 6 hours

3 Capstone
3 Writing Intensive

Students must receive a minimum grade of “C-” in each course to fulfill any core requirement in either the core curriculum or the exit courses. S/U grades are not acceptable for USF FKL courses.

Freshman English Requirement

All first-time-in-college students are required to take Freshman English (a sequential two-semester course of study) in accordance with the following conditions:
1. First-time-enrolled students (a) who do not intend to take the CLEP Freshman English Test or (b) who have been notified of failing CLEP prior to registration and who do not intend to attempt the exam a second time must take ENC 1101 and ENC 1102 sequentially. If a student fails the first course, he/she must repeat it before proceeding to the next Freshman English course. Students should normally take these courses during their freshman year, but these courses are high demand and it is possible that registration space will not always be available.
2. First-time-enrolled students (a) who have not taken CLEP prior to their arrival on campus or (b) who have failed but wish to repeat the test should attempt CLEP during their first nine (9) weeks. During this semester, they should not enroll in ENC 1101. If a student either fails or doesn’t attempt the CLEP examination during his/her first nine (9) weeks, the student normally should take ENC 1101 in the following semester. In this case, the student will normally complete the sequence by the first semester of his/her sophomore year.

These policies do not apply to first-time-enrolled students who can meet the Freshman English requirement with credit transferred from another institution or those with appropriate AP or IB English credit.

Credit by Examination

A student who feels he/she has already acquired the basic content of a course on his/her approved schedule should inquire about credit-by-examination. Some exams are offered through the College Level Examination Program (CLEP) and others may be offered within departments. Interested students should obtain additional information from their advisors or Testing Services.
Graduation Requirements - Baccalaureate Degree

University Requirements

University minimum requirements for graduation consist of the following: earn a minimum of 120 semester hours with an overall 2.00 GPA, including a 2.00 GPA in all courses attempted at USF; a transfer student must have a GPA of 2.0 or higher when combined with all work attempted at other institutions; satisfactorily complete CLAS Requirement and the writing and computation course requirements of BOG Articulation Regulation 6A-10.030; earn a minimum of 48 semester hours of upper-level work (courses numbered 3000 and above); complete Liberal Arts requirements; complete residency requirement; complete program requirements as determined by the college; and be recommended for graduation by the dean of the appropriate college. The requirements must be met by every student upon whom a degree is conferred. The total number of semester hours needed to complete the baccalaureate degree depends upon the academic major field of study. No grades may be changed following graduation.

In recognition that students seeking a second Bachelor’s degree have completed a rigorous program of study at a regionally accredited or comparable international institution, some graduation requirements are considered met by virtue of their previous degree. These include: CLASR, Gordon Rule, Summer Enrollment, the Foreign Language Entrance Requirement, Foundation of Knowledge and Learning Core Curriculum (General Education) and the Exit Requirements. Each degree program will determine degree applicability of transfer courses for the major.

All students entering USF with fewer than 60 semester hours of credit are required to earn at least 9 semester hours of credit prior to graduation by attendance during one or more summer semesters. The University may waive the application of this rule in cases of unusual hardship to the individual. (See Summer Enrollment Requirement below.)

Summer Enrollment Requirement

All students entering USF with fewer than 60 semester hours of credit are required to earn at least 9 semester hours of credit prior to graduation by attendance during one or more summer semesters. The University may waive the application of this rule in cases of unusual hardship. A student who wishes to have the rule waived must complete a "Request for Waiver of Mandatory Summer Enrollment Form" available in the Office of the Registrar. After submission of the form to the Office of the Registrar, the student will be notified by mail of the action taken.

Students are exempt from the summer requirement provided they have earned 9 or more credits from one of the acceleration mechanisms listed below prior to matriculation at an SUS institution. There is no provision for partial credit that would allow students to complete in summer enrollment only the difference in credits between the required 9 semester hours and the number of credits less than 9 that they completed prior to matriculation. (Approved acceleration mechanisms include: Advanced Placement, International Baccalaureate, Dual Credit, Early Admission, Advanced International Certificate of Education, and credit from the Florida Virtual School.

The requirement may be fulfilled only by attending one of the universities in the State University System: University of South Florida, Florida Agricultural and Mechanical University, Florida Atlantic University, Florida Gulf Coast University, Florida International University, Florida State University, New College of Florida, University of Central Florida, University of Florida, University of North Florida and University of West Florida.

Foreign Language Graduation Requirement for B.A. Students

In addition to the foreign language entrance requirement all students applying for a Bachelor of Arts degree from USF must demonstrate competency in a foreign language. To demonstrate this competency, students may take either two semesters of a beginning college-level foreign language or one semester of a higher-level course and earn a letter grade of “C” (no “S” grades) or above in the appropriate level course or demonstrate equivalent competency by passing an examination. Languages should be selected from among the ones listed below:

Classical Languages
- Greek (Ancient)
- Greek (New Testament)
- Hebrew (Classical)
- Latin

Modern Languages
- Arabic
- Chinese
- French
- German
- Greek (Modern)
- Hebrew (Modern)
- Italian
- Japanese
- Polish
- Portuguese
- Russian
- Spanish
- Yoruba

American Sign Language

Approval needed by the student’s program/department major. The following programs accept Sign Language Competency for the exit requirement: Africana Studies, American Studies, Anthropology, Chemistry, Communication, Communication Sciences and Disorders, Criminology, Economics, Gerontology, History, Interdisciplinary Social Sciences, Mass Communications, Political Science, Psychology, Religious Studies, Sociology, Theatre, Women’s Studies, and all programs in the College of Education.
Students electing to take the examination in French, German, Italian, Portuguese, Russian, or Spanish should apply to the Director of the Department of World Languages. Students taking the examination in Ancient or Modern Greek or in Latin should also apply to the Director of the Department of World Languages. Students taking the examination in New Testament Greek or in Hebrew should apply to the Chairperson of Religious Studies. Students utilizing American Sign Language should apply to the Chairperson of Communication Sciences and Disorders.

Foreign Language Placement

Students with two or more years of study in a foreign language in high school, or with postsecondary course(s) in foreign language, or with experiential learning of a foreign language may not enroll for credit in courses in that language without first taking a placement examination administered by the Department of World Languages. Should the placement examination indicate that remedial work is required (1120-1121), the student will be allowed to enroll with the understanding that the grade eventually earned will be either an “S” or “U.”

Under no circumstances will a student who places above the first year level or who passes a higher-level course be allowed to register for or receive credit for a lower-level course in that specific language. Students to whom this regulation applies should inquire of the Department of World Languages for the placement examination.

Academic Residence

Any credits transferred from a University of South Florida accredited institution must be processed as transfer credits from any regionally accredited institution.

Candidates for graduation must have completed at least 30 hours of the last 60 hours of their undergraduate credits in courses offered by the institution from which they receive a degree. Individual colleges and programs may have more stringent requirements, approved by the university, such as the number of specific courses in the major that must be completed at the institution from which a student may receive a degree.

Exceptions to the above rules may be made for students who are enrolled at other universities in USF approved exchanges, study abroad programs, co-op training programs or correspondence courses from the University of Florida. CLEP credit does not count toward academic residence.

Academic Major

USF offers curricula leading to the baccalaureate degree in the following fields. The degree is indicated in parentheses after each major code. For clarification, the following terms are defined:

Specialization: Those courses required to give the student academic concentration and baccalaureate identification such as Mathematics, Accounting, Psychology, etc.

Supporting or Related: These courses may be prerequisites to the specialization courses, or they may support specialized courses by giving preparation or breadth to the area of specialization. These courses are often referred to as college or program core courses.

Program Electives: These are usually a broad band of courses offered by the college offering the major to further enrich the student in the general academic field of the major.

College of Arts and Sciences:
African Studies (AFA) (B.A.)
American Studies (AMS) (B.A.)
Anthropology (ANT) (B.A.)
Biology (BIO) (B.S.)
Marine Biology (MRN) (B.S.)
Biomedical Sciences (BMS) (B.S.)
Chemistry (CHM) (B.A.)
Biotechnology/Biotechnology (CBY) (B.A.)
Health Professions (CHHH) (B.A.)
Chemistry (CHS) (B.S.)
Classics - Latin/Greek (CLS) (B.A.)
Communication (SPE) (B.A.)
Relational Communication (SRC) (B.A.)
Organizational Communication (SOG) (B.A.)
Health Communication (SHC) (B.A.)
Culture and Media (SMD) (B.A.)
Performance Studies (SPS) (B.A.)
Public Advocacy (SAD) (B.A.)
Economics (ECO) (B.A.)
English (ENG) (B.A.)
  Literature (LIT) (B.A.)
  Creative Writing (CRW) (B.A.)
  Professional-Technical Writing (CWT) (B.A.)
Environmental Science and Policy (ESP) (B.S.)
French (FRE) (B.A.)
  International Studies and Business (IFB) (B.A.)
Geography (GPY) (B.A.)
Geology (GLY) (B.A.)
Geology (GLS) (B.S.)
German (GER) (B.A.)
History (HTY) (B.A.)
Humanities (HUM) (B.A.)
Interdisciplinary Classical Civilizations (ICC) (B.A.)
Interdisciplinary Natural Sciences (INS) (B.S.)
Interdisciplinary Social Sciences (ISS) (B.A.)
International Studies (INT) (B.A.)
Italian (ITA) (B.A.)
Liberal Studies (ALA) (B.A.)
Mass Communications (COM) (B.A.)
  Advertising (ADV) (B.A.)
  Broadcast News (NWS) (B.A.)
  Broadcast - Program & Production (PGM) (B.A.)
  Journalism - Magazine (MAG) (B.A.)
  Journalism - News Editorial (JOU) (B.A.)
  Public Relations (PUR) (B.A.)
  Visual Communications (VIC) (B.A.)
Mathematics (MTH) (B.A.)
Medical Technology (MET) (B.S.)
Microbiology (MIC) (B.S.)
Philosophy (PHI) (B.A.)
Physics (PHY) (B.A.)
Physics (PHS) (B.S.)
Political Science (POL) (B.A.)
Psychology (PSY) (B.A.)
Religious Studies (REL) (B.A.)
Russian (RUS) (B.A.)
Sociology (SOC) (B.A.)
Spanish (SPA) (B.A.)
  International Studies and Business (ISB) (B.A.)
Statistics (STC) (B.A.)
Women’s Studies (WST) (B.A.)

College of Behavioral and Community Service (B.A./B.S. option):
  Communication Sciences and Disorders (CSD) (B.A.)
  Deaf Studies (DST) (B.A.)
  Interpreter Training (ITT) (B.A.)
  Speech/Language/Hearing (LSH) (B.A.)
Criminology (CCJ) (B.A.)
Gerontology (GEY) (B.A.)
Long Term Health Care (GES) (B.S.)
Social Work (SOK) (B.S.W.)

College of Business (B.A./B.S. option):
  Accounting (ACC)
  Advertising (ADV)
  Finance (FIN)
  General Business Administration (GBA)
    Accounting (GAA)
    Finance (GFI)
  International Business (GIN)
Marketing (GMK)
Management (GMN)
Management Information Systems (GIS)
International Business (ITB) (B.A.)
Management Information Systems (ISM)
Management (MAN)
Marketing (MKT)

College of Education (B.A./B.S. option):
  Early Childhood Education (BEC)
  Elementary Education (BEE)
  English Education (BEN)
  Foreign Language Education (FLE)
    French (BFF) (B.A.)
    German (BFG) (B.A.)
    Italian (BFI) (B.A.)
    Russian (BFR) (B.A.)
    Spanish (BFS) (B.A.)
  Mathematics Education (BMA)
  Physical Education (PET)
    Exercise Science (BPW)
  Science Education (SCE)
    Biology (BSB)
    Chemistry (BSC)
    Physics (BSY)
  Social Science Education (BSS)
  Exceptional Student Education (BEX) (B.S.)

College of Engineering:
  Chemical & Biomedical Engineering (ECH) (B.S.C.H.)
  Civil Engineering (ECE) (B.S.C.E.)
    Environmental (ENV) (B.S.C.E.)
  Computer Engineering (ECP) (B.S.C.P.)
  Computer Information Systems (EIF) (B.S.I.S.)
  Computer Science (BCS) (B.S.C.S.)
  Electrical Engineering (EEL) (B.S.E.E.)
  Engineering, General (EGU) (B.S.E.)
  Industrial Engineering (EIE) (B.S.I.E.)
  Mechanical Engineering (EME) (B.S.M.E.)

College of Medicine:
  Athletic Training (BAT) (B.S.)

College of Nursing (B.S.):
  Nursing (NUR)
  Nursing (Registered Nurse) (NRN)
  Nursing (Accelerated from bachelor degrees in other fields) (SBN)

College of The Arts:
  Art (ART) (B.A.)
    Art History (AHI) (B.A.)
    Art Studio (ARS) (B.A.)
  Art (ARB) (B.F.A.)
    Art Studio (ARS) (B.F.A.)
    Graphic Design (AGD) (B.F.A.)
  Art History (AHM) (B.A.)
  Dance (DAN) (B.A./B.F.A.)
    Ballet (DAB) (B.F.A.)
    Modern (DAM) (B.F.A.)
    Dance Studies (DAS) (B.A.)
Music (MUS) (B.M.)
  Composition (MUC) (B.M.)
  Electronic Music (EMU) (B.M.)
  Jazz Composition (MJC) (B.M.)
  Jazz Performance (MJP) (B.M.)
  Performance (MPF) (B.M.)
  Piano Pedagogy (MPP) (B.M.)
Music Education (MUE) (B.S.)
Music Studies (MSU) (B.A.)
Studio Art (SBF) (B.F.A.)
Studio Art (SBA) (B.A.)
Theatre (TAR/TFA) (B.A./B.F.A.)
  Arts (TAA) (B.A.)
  Design (TAD) (B.A.)
  Design (TDF) (B.F.A.)
  Performance (TFD) (B.A.)

Undergraduate Studies
Applied Science (APS) (B.S.A.S.)
  American Sign Language (ASG) (B.S.A.S.)
  Behavioral Healthcare (ABH) (B.S.A.S.)
  Business Administration (ABU) (B.S.A.S.)
  Criminal Justice (ACJ) (B.S.A.S.)
  Early Childhood Development (AEC) (B.S.A.S.)
  Environmental Policy (AEP) (B.S.A.S.)
  Gerontology (AGR) (B.S.A.S.)
  Hospitality Management (AHG) (B.S.A.S.)
  Industrial Operations (AIO) (B.S.A.S.)
  Information Technology (ATC) (B.S.A.S.)
  Leadership Studies (ALS) (B.S.A.S.)
  Public Administration (APU) (B.S.A.S.)
  Public Health (APL) (B.S.A.S.)
  Urban Studies (AUR) (B.S.A.S.)

The Honors College:
  Individualized Interdisciplinary Honors Research/Comparative Studies (Limited Access Second Major) (HON) (B.A.)

Academic Minor

In addition to major programs, many departments offer an academic minor that requires approximately one-half the upper-level credits required for a major. Students interested in a particular minor should obtain the specific requirements from the appropriate department. The department may require the same admission or retention standards as required for the major.

Each academic minor conforms to the University requirements:
1. A minimum of 8 semester hours of credit used to satisfy the requirements of a minor must be from USF courses.
2. A student may not have a major and a minor in the same program. Department courses used in the major may not apply to the minor.
3. USF coursework for a minor must have a GPA of at least 2.0.
4. Only an undergraduate degree-seeking student at USF is eligible for a minor.
5. A minor can be applied for and received only in conjunction with applying for and receiving a baccalaureate degree except for students who have already received a baccalaureate degree from USF who may earn certification of a minor by taking additional undergraduate coursework at the University and applying for the certification.

USF offers curricula leading to an academic minor in the following fields:

Arts and Sciences:
  Africana Studies
  American Studies
  Anthropology
  Biomedical Physics
  Chemistry
  Classics
  Communication
Economics
English: Creative Writing
English: English and American Literature
English: Professional-Technical Writing
Environmental Policy
French
Geography
Geology
German
History
Humanities
Interdisciplinary Classical Civilizations
International Studies
Italian
Linguistics
Mass Communications
Mathematics
Modern Greek
Philosophy
Physics
Political Science
Psychology
Public Administration
Religious Studies
Russian
Sociology
Spanish
Women's Studies
Women's Studies: Women of Color

Behavioral and Community Services:
American Sign Language
Behavioral Healthcare
Criminology
Gerontology

Business:
Accounting
Entrepreneurship
Finance
General Business Administration
International Business
Management
Management Information Systems
Marketing

Education:
Educational Foundations & Research

Engineering:
Biomedical Engineering

Public Health:
General Public Health

The Arts:
Art
Art History
Dance
Electronic Music
Student's Choice of Catalog

In order to graduate from USF, each degree-seeking student must meet all of the graduation requirements specified in the USF catalog of his/her choice. A degree-seeking student may choose any USF catalog published during his/her continuous enrollment. Students who have transferred from one Florida public institution to another are affected by the following Department of Education policy:

Graduation requirements in effect at the receiving SUS institution at the time a student enrolls at a Florida public institution of higher learning shall apply to that student in the same manner that graduation requirements apply to its native students provided the student has had continuous enrollment as defined in the SUS institution’s catalog.

At USF, “continuous enrollment” is defined as enrolling as a degree seeking student at least one term each twelve month period. Therefore, students cannot choose a USF catalog published prior to or during an academic year in which they did not maintain continuous enrollment. (Each catalog is considered to be published during the academic year printed on the title page.)

If the student cannot meet all of the graduation requirements specified in the catalog of his/her choice due to decisions and changes by the University in policy matter, course offering, etc., appropriate substitutions will be determined by the chairperson of the department or program of the student’s major.

USF’s policies are subject to change and apply to all students regardless of their choice of catalog. If the student’s graduation requirements are affected by changes in University policies, appropriate arrangements will be made to preclude penalization of the student.

Repeat Course Work

The hours for a course that has been repeated may be counted only once toward the minimum 120 semester hours of credit (earned hours) required for graduation. All credit hours (except when grade forgiveness is applied) are calculated in the GPA. (See Repeat Course Surcharges.)

Double Undergraduate Major

Students may elect to graduate with two majors. In that event, they must apply independently to each college and be assigned an advisor in each discipline. The student must meet all requirements of each major separately and must be certified for graduation by the appropriate dean(s).

Second Undergraduate Major

A student who wishes to work for a second major, after receipt of a baccalaureate degree, must apply through the Office of Admissions and meet the major requirements as determined by the college. (Exceptions to this rule are students who had been previously accepted for a “Double Undergraduate Major” but graduated with only one major.) After acceptance by the appropriate college and proof of completion, the student’s “permanent academic record” will be posted accordingly.*

*Note that those students who complete the requirements for a second major must be aware that they will not receive a second degree.

Two Degrees (USF Students)

A student at USF may receive two baccalaureate degrees provided he/she meets University graduation requirements for both degrees. In addition to the minimum 120 semester hours that apply toward the first degree and include at least 60 semester hours from a baccalaureate institution, the student must also earn at least a minimum of 30 semester hours in on-campus USF undergraduate courses that will apply toward the second degree. The student must also meet the requirements of the college awarding the degree and the residency requirement.

Second Baccalaureate Degree

(Transfer Students)

A student already graduated from an accredited four-year institution must earn a minimum of an additional 30 semester hours of USF undergraduate courses to apply toward his/her second baccalaureate degree. Students must also meet the University’s regular graduation requirements, as well as the requirements of the college awarding the degree and the residency requirements.
Availability of a Baccalaureate Degree for Students Enrolled in or Graduated from a Five-year Master's Program

A student may enroll in a baccalaureate degree program while enrolled in or after graduation from a five-year master's degree program. In consultation with an advisor in the five-year program and an advisor in the baccalaureate-level program and with the approval of the college dean(s) offering the program(s), the student is required to complete the following:

a. Satisfy degree requirements for the five-year master's program.

b. Satisfy requirements for the baccalaureate-level program.

Application for Graduation

In order to graduate, a student must submit an application for the bachelor's degree or Associate in Arts certificate to the Office of the Registrar. This application must be submitted in the term of expected graduation by the deadline noted in the academic calendar for the student to be assured of availability of academic regalia for participation in the graduation ceremony, certification of graduation by the end of the term, inclusion of name in the graduation Bulletin, and timely ordering of the diploma. Students who submit the application for graduation after the posted deadline but prior to the last day of classes for the academic term and who are determined to have met all graduation requirements in that semester may have their graduation posted that term.

Students who submit an application after the graduation application deadline, and wish to graduate in that term, will be assessed a $50.00 late fee. Students must note that when applying late, their application may not be processed before the next term's registration period if they have not met all degree requirements. Applications received after the last day of classes will result in the graduation being posted at the end of the following academic term. If a student applies for graduation and is not approved, a new application for degree must be submitted by the deadline in a new term. In order for the degree statement to appear on a student's academic record, the student must file the aforementioned application whether or not participation in the commencement ceremony is desired.

The application for the bachelor's degree is available from the student's college advising office. The application for an Associate in Arts degree is available from the Transitional Advising Center in Academic Support and Achievement.

The application must first be certified (signed or stamped in the section, "Office Use Only") by the student's college (Transitional Advising Center for the A.A. certificate). The college retains one copy, and the student must submit the remaining copies to the Office of the Registrar prior to the graduation application deadline. Inquiries concerning approval or denial of graduation should be made to the appropriate college or to the Transitional Advising Center in Academic Support and Achievement.

It is the student’s responsibility to clear all "I" grades (incompletes) in courses required for graduation and to provide official transcripts of all transferred course work needed for graduation at least 3 weeks prior to the end of the term in which he/she expects to graduate.

A student applying for a second undergraduate major must do so within the same deadline set for applying for a degree. A student applying for a minor must:

1. File a separate request for certification for the minor in the department of the minor during the semester of graduation;
2. Apply for the minor on the “Application for Degree,” listing both the minor and college responsible for the minor on the application; and
3. Have no "I" grade in required courses.

For purposes of honors recognition at the ceremony, students must have a 3.50 GPA before the term in which they plan to graduate to have honors recognized publicly at the commencement ceremony.

Note: Some colleges ask students to file applications as early as the semester before anticipated graduation to help ensure that they will meet all graduation requirements in the semester in which they intend to graduate. Although applications will be accepted until the last day of classes for the semester of graduation, students applying late will jeopardize their chances of having met all requirements and may delay their graduation as a result.

Posthumous Degrees or Degrees in Memoriam

The University may award a posthumous baccalaureate, master's or doctoral (and medical) degree to a student who was in good standing at the University at the time of his or her death and who had completed all substantive requirements for the degree. The University may also award baccalaureate, master’s, doctoral and medical degrees in memoriam to a student who was in good standing at the University at the time of his or her death.

To award a non-thesis degree, the student would need to have completed all courses required for the degree. Courses required for the degree, in which the student is enrolled at the time of his or her death, must have been completed to the satisfaction of the faculty so that passing grades might be posted. All other requirements (e.g., grade point average, CLAS Requirement and other tests) must have been satisfied as well.

To award a thesis degree, all courses must be completed as described above and the thesis must be sufficiently complete to the satisfaction of the faculty so that certification of completion may be posted to the student’s record.

Procedures for Award of Posthumous Degrees or Degrees in Memoriam

The chairperson of a department, on his or her own initiative or upon the request of the family of the student, may recommend a posthumous degree, or a degree in memoriam, by forwarding the recommendation to the respective dean of the college. If approved by the Dean, the recommendation with supporting documentation will be forwarded to the Provost for approval. If the
Provost approves the recommendation, the Office of the Registrar will be notified and the degree will be awarded at the next commencement ceremony or will be presented to the student’s family in an appropriate setting.

Diplomas for posthumous degrees will be identical to other degrees awarded in the same colleges and majors. Diplomas for Degrees in Memoriam will be prepared to read “Bachelor of Arts in Memoriam, Bachelor of Science in Memoriam,” “Master of Arts in Memoriam,” etc., depending upon the degree the student was pursuing at the time of his or her death. Undergraduate students who have not chosen a major at the time of death will be awarded the “Bachelor of Arts in Memoriam.”

Honors at Graduation

To be considered for honors at graduation, a baccalaureate candidate must have completed at least 40 credits of graded upper level work at USF and have earned a grade point average of 3.50 or higher for all graded coursework attempted at USF. For those students in programs requiring multiple clinical experiences (such as Nursing and Education), a baccalaureate candidate must have completed at least 30 hours of graded upper level coursework and have earned a grade point average of 3.5 or higher for all graded coursework attempted at USF. In addition, to be eligible for honors, transfer students and USF students who have postsecondary work elsewhere must have an overall GPA of 3.50 or higher counting all USF courses as well as all transferable work attempted at other institutions. The forgiveness policy at USF or other institutions and plus/minus grades awarded at other institutions will not be applicable in computing the GPA for honors. In addition, students with a record of academic dishonesty appearing on any transcripts may graduate from a degree program after meeting all degree requirements, but will not be eligible for honors at graduation, including the honor of graduating from the Honors College or a departmental honors program.

Candidates with a USF GPA of 3.50 or higher and an overall GPA of 3.50 but below 3.70 shall receive a diploma designation of cum laude (with honor).

Candidates with a USF GPA of 3.50 or higher and an overall GPA of 3.70 but below 3.90 shall receive a diploma designation of magna cum laude (with high honor).

Candidates with a USF GPA of 3.50 or higher and an overall GPA of 3.90 or above shall receive a diploma designation of summa cum laude (with highest honor).

In each academic dean has the option to select on the basis of exceptional achievement 1% of the college’s graduates or 1 student per semester for graduating with distinction.

For purposes of honors recognition at the commencement ceremony, students must have a 3.50 GPA before the term in which they plan to graduate to have honors recognized publicly at the commencement ceremony.

NOTE: The GPA is not rounded up when determining honors at graduation (e.g., 3.69 is not the same as 3.70).

Commencement

Commencement ceremonies are held at the end of each academic semester. Ceremonies are held three times a year in Tampa (Spring, Summer and Fall) with multiple ceremonies hosted in a day. Ceremonies are held twice a year at the regional campuses (Spring and Fall).

Students register to participate in a Commencement ceremony through the Commencement website, www.usf.edu/commencement. Registration for that term’s ceremony is open on the first day of classes for that term. Deadline for ceremony registration varies by campus. Registration is open to all students; however, doctoral candidates cannot participate in Commencement exercises until all requirements for such degrees have been fulfilled.

To apply to graduate (submit your application to graduate to receive your diploma), contact the Office of the Registrar. Students do not receive their diploma at the ceremony. Information regarding the ceremony will be mailed to students who apply to graduate by the end of the fourth week of the term. The list of student names published in the Commencement program is also taken from the list of students who applied to graduate by the end of the fourth week of the term. Students who have elected total privacy on their records will not have their names published in the Commencement program.

Commencement is a most dignified ceremony fitting for the accomplishment you have achieved. Academic regalia is required. Other than the cost of regalia, there is no fee to participate in a Commencement ceremony for graduates and their families and guests.

Additional information about Commencement can be found at www.usf.edu/commencement or by calling (813) 974-1816.

Certification Requirements

Associate in Arts

Upon the student’s successful completion of the minimum requirements for the Associate in Arts Certificate, the University will present the student who has properly made application with an appropriate certificate.

1. To receive the Associate in Arts, the student must complete 60 semester hours of university credit; at least 20 of the last 30 semester hours counted toward the Certificate must be completed in residence at USF; the minimum grade point average must be 2.00 on work attempted at the USF; in addition, a transfer student must have a GPA of 2.00 or higher when combined with transfer work accepted and evaluated by the USF Office of Admissions; and the Foundations of Knowledge and Learning Core Curriculum Requirement of USF must be satisfied. Physical Education and military science credits do not count within the 60 semester hours toward the Associate in Arts. In addition the student must have met the College Level Academic Skills requirement and fulfill the writing and computation course requirements of 6A-10.030 prior to receiving the Associate in Arts Certificate.
2. Application Procedure for the Associate in Arts Certificate. The Application for an Associate in Arts Certificate can be obtained from the Transitional Advising Center prior to the application deadline. The deadline to apply for a degree/certificate in each semester is stated in the Academic Calendar in the catalog.

3. The Associate in Arts certificate must be awarded at least one term prior to the term that the student becomes eligible for the baccalaureate degree.

4. Final processing for the Associate in Arts will be done after grades are processed at the end of the semester for which the student applied. All work, including transfer work, taken in that semester will be evaluated with respect to the requirements for the Associate in Arts Certificate.

5. Any incomplete grades shown on the permanent record of an Associate in Arts applicant at the time grades are processed will be treated as an F in the calculation of grade point average.

6. The Foundations of Knowledge and Learning Core Curriculum Requirement is based on the approved University policy in effect in the catalog year the student chooses according to the University policy regarding the choice of catalog. The consideration of whether or not Foundations of Knowledge and Learning Core Curriculum Requirement is met will be made without consideration of the student's choice of major at the time he/she applies.

7. Residence credit will be broadly defined to include USF sponsored student exchange programs and the University of Florida Correspondence Division. Where the grades from these institutions, except those earned through the University of Florida Correspondence Division, are recorded on the permanent record at USF, and included in the grade point average calculation, they will also be counted in the student's grade point average as work attempted at USF for the Associate in Arts Certificate.

8. An applicant who has not been enrolled at USF for three semesters may be contacted to ascertain whether or not that applicant meets the residency requirements.

9. In approving any application for the Associate in Arts Certificate, satisfactory/unsatisfactory grades will be accepted according to the approved University policy in effect during the terms of the student’s enrollment without regard for the student’s declared major. Students must be aware that if they have taken any courses on a satisfactory/unsatisfactory basis where such grades are not acceptable by the college of the major, the students may be required to repeat particular courses for a traditional letter grade or take additional courses for a traditional letter grade to meet the college requirements.

10. All USF colleges with undergraduate programs will accept the Associate in Arts from USF. That is, the student will be placed at least, at the junior level and will be considered to have met the University’s Foundations of Knowledge and Learning Core Curriculum Requirement. The applicability of the courses taken by the student toward his/her major program will be determined by the college of the student's major. Similarly, any special requirements for a student's professional certification (e.g., Education and Engineering) are not necessarily met by the Associate in Arts certificate, but could be included as part of the Foundations of Knowledge and Learning Core Curriculum Requirement. Thus, students should check with their colleges concerning meeting any special requirements in an efficient manner.

11. The awarding of the Associate in Arts is posted on the permanent record but does not alter the calculation of the grade point average nor does it interrupt the accumulation of the student's record.

12. Students who follow a baccalaureate degree program as recommended by a college will not necessarily be eligible for the Associate in Arts certificate prior to the completion of 90 semester hours.
ACADEMIC PROGRAMS AND SERVICES

USF/FLORIDA COLLEGE SYSTEM
CROSS ENROLLMENT

Some undergraduate students may find it advantageous to cross enroll at a Florida College System institution while attending USF. To prevent problems with financial aid and other registration issues, see a USF college advisor for detailed instructions and course approval. Procedures to permit this type of registration are available during specified times printed in the University Schedule of Classes. Credit hours for the course(s) taken at the host institution will apply toward graduation only if prior approval was received from the student’s USF advisor. The grade point average will not transfer to USF.

TRANSPORT STUDENTS

USF degree-seeking students who wish to enroll at another regionally accredited institution MUST HAVE PRIOR WRITTEN APPROVAL from their college academic advisor to receive credit for courses taken. The transient student/cross enrollment form should be used for this purpose. First term, first time in college freshmen are not eligible for USF awarded financial aid if granted transient student status.

USF Testing Services

Location/Phone:  SVC 2060; (813) 974-2742
Office Hours:  8 a.m. – 5 p.m., Monday through Friday
Web Address:  http://www.outreach.usf.edu/conted/testing/

The Office of Testing Services serves three principal functions:
1. Admissions, Academic and Placement Testing: Tests required for admission to colleges, graduate and professional schools as well as many other special tests are administered by this office. Examples are the ACT, SAT, CPT, GRE, LSAT, FTCE, FELE, PRAXIS and TOEFL.
2. Credit-By-Examination: The College-Level Examination Program (CLEP) is administered through this office.

COLLEGE LEVEL EXAMINATION PROGRAM (CLEP)

USF allows students to receive up to 45 semester hours of credit towards the baccalaureate degree upon successful completion of General and Subject College Level Examination Program (CLEP), IB, and DANTES examinations. Performance levels necessary to achieve credit have been established at a common level for all universities and community colleges in the State system. Credit earned through one examination program may not be duplicated by another examination or course. The following limitations should be recognized:
1. CLEP credit will not satisfy USF’s residency requirement;
2. Credit for the General Natural Science examination will be granted for non-majors only.

Certain General and Subject CLEP Examinations noted in the table found at http://www.outreach.usf.edu/conted/testing/ may apply to the General Education Liberal Arts Requirements. Some programs do not award credit toward the degree for certain CLEP examinations, and certain graduate or professional schools such as law, medicine and engineering may not grant equal recognition to students with extensive examination credits. An academic advisor should be consulted to ascertain the applicability of a specific CLEP examination toward a student’s degree requirements and the advisability of taking the examinations in a student’s specific situation.

Descriptions of the examination content and other information are available from Educational Testing Service in Princeton, New Jersey.

The CLEP General and Subject Examinations are administered on the Tampa Campus. Testing schedules are available in USF Testing Services (SVC 2060). Prior registration is required.

For information regarding CLEP examinations, please go to the USF Testing Services web site http://www.outreach.usf.edu/conted/testing/.

ADVANCED PLACEMENT CREDIT PROGRAM

The University participates in the Advanced Placement Program conducted by the College Entrance Examination Board. The Advanced Placement Test is based on specific college level courses that are offered in a number of high schools. Interested students should contact their high school counselors or principals for additional information. Please note: not all colleges will interpret AP test results in the same manner.

Center for Africa and the Diaspora

Location/Phone:  FAO 274, (813) 974-4727
Email:  vduke@ibl.usf.edu
Web Site:  http://www.usf.edu/ibl

The Center for Africa and the Diaspora is a joint venture between the Institute on Black Life and International Affairs. The Center works with IBL and International Affairs to provide leadership and advocacy for research, program development and community service initiatives that examine and illuminate the contributions of Africans and other peoples of African descent, as well as problems and issues that affect their lives. Through educational and cultural exchanges, symposia, and other programs, USF
students, faculty, and scholars and the local community are linked in tangible and productive ways to the world African community on issues of global relevance. The Center fosters interdisciplinary partnerships and collaborative arrangements with a wide range of institutions and organizations in Africa and the African Diaspora in Tampa Bay and around the world.

The English Language Institute

**Location/Phone:** CPR 443, (813) 974-3433  
**E-mail:** elimain@cas.usf.edu  
**Website:** [http://www.eli.usf.edu/](http://www.eli.usf.edu/)

The English Language Institute (ELI) is the research and teaching laboratory of the Department of World Languages. The ELI offers an intensive academic English as a Second Language (ESL) program to prepare students to study at a US university. In addition, the ELI conducts a variety of special language programs and pursues an active research and teacher development agenda led by faculty and students associated with the Master's Program in Applied Linguistics and the Ph.D. Program in Second Language Acquisition/Instruction Technology, a joint program of the College of Arts and Sciences and the College of Education.

Students are tested and placed in one of five levels, ranging from beginning to advanced. Students attend non-credit classes 21 hours per week. International students on a USF I-20, F-2 and J-2 visa holders, as well as permanent residents and citizens may enroll part-time in the ELI. The integrated-skills, content-based curriculum includes instruction in listening and speaking, reading and writing, grammar, academic strategies, and test preparation electives (TOEFL, GRE, GMAT, SAT, ACT, SPEAK) for upper-level students.

The English Language Institute is authorized to issue a Certificate of Eligibility (I-20) to students who require a Student Visa (F-1) and who meet criteria set forth by the U.S. Bureau of Citizens and Immigration Services.

**INDEPENDENT STUDY**

Undergraduate students wishing to take a course by independent study must contact the instructor of the course for permission. The instructor specifies the requirements to be completed by the student including tests, periodic class attendance, term papers, etc.

Not all courses in the University may be taken by independent study. The respective colleges have jurisdiction in the determination of which courses may be taken in this manner.

The regular grading system applies to all independent study students: Grades earned by independent study have the same status as those acquired through regular class attendance. Students taking a course by independent study must register for the specific course section in the regular manner.

**ENROLLMENT IN EVENING COURSES**

Evening courses at USF are part of the regular academic program; they are offered at times convenient to people within commuting distance who wish to continue their education at night while occupied during the day with other responsibilities. Requirements for day and evening courses are the same.

**COMMUNITY EXPERIENTIAL LEARNING PROGRAM**

**Location/Phone/Email:** NES 305, (813) 974-8452, jones@cas.usf.edu

The Community Experiential Learning (CEL) Program offers students the opportunity to explore the relationship between their classroom learning and the broader community. With faculty guidance, students design their own community experiences and receive between one and four academic credit(s) upon completion. Students may choose to work as an intern with a community organization/agency or to explore a community issue through independent research. The community can be as close as a neighborhood just beyond the campus or on the other side of the world.

Students may participate in the CEL Program anytime during their academic career. Good standing at the University and a 2.0 GPA is required for acceptance into the Program. CEL courses are offered throughout the entire year. Ideally students should plan their CEL projects during the term prior to their implementation, but they can be added at any time during the term. Information may be obtained from Robin Jones in NES 305, (813) 974-8452.

**STATE UNIVERSITY SYSTEM CORRESPONDENCE COURSES**

The University of Florida's Division of Continuing Education's (DOCE) Department of Correspondence Study administers all correspondence instruction for Florida's State University System (SUS).

Correspondence study at the University of Florida is a consortium of universities within the State University System of Florida that offers high school, undergraduate and graduate courses for credit through interactive, self-directed study.

DOCE provides courses for students who wish to begin college programs early, take courses with conflicting times or closed sections, meet prerequisites, pursue professional development, or personal enrichment. DOCE courses' content and requirements parallel their on-campus counterparts.

Enrollment in all courses is possible at any time of the year; however, prior approval of an advisor is needed if a course is to be used toward a diploma or a degree.

For more information, please contact: Department of Correspondence Study, 2209 NW 13th Street, Suite D, Gainesville, FL 32609; (352) 392-1711, or toll free at (800) 327-4218; or e-mail: learn@doce.ufl.edu. Be sure to check out the home page: [http://www.correspondencestudy.ufl.edu/](http://www.correspondencestudy.ufl.edu/).
USF considers independent study by correspondence as resident credit. Grades are not transferable. Exception: grades for courses taken by Cooperative Education students while on a training period are transferred and will be used in computing the USF GPA.

FLORIDA COLLEGE EXCHANGE PROGRAM

Through an exchange agreement, students of USF, with the approval of their advisors, may elect courses at nearby Florida College. Credit for acceptable work may be transferred to USF and counted as elective credit toward graduation. Students from Florida College have a similar transfer arrangement.

Costs for students under these cross enrollment plans are based on credit hours of work taken, and payment is made to the appropriate institution in accordance with its per-hour fee rate.

Florida College students enjoy full privileges of the state-wide articulation agreement and of USF transfer student policies, such as academic renewal and full acceptance of the Associate of Arts degree.

THE WASHINGTON CENTER INTERNSHIP PROGRAM

Location/Phone/Email: NES 305, (813) 974-8452, jones@cas.usf.edu

All USF undergraduates seeking to live and learn in the nation’s capital are eligible to apply for the Washington Center Internship Program. Students participate in either the fall, spring or summer semesters and can earn course credit. Study at TWC consists of two major components: (1) working 35 hours per week at your selected internship and, (2) taking one seminar that meets once per week. Opportunities for internships are not limited to government positions, but include a vast array of non-profit and for-profit options.

In conjunction with The Washington Center located in Washington, D.C., students are housed in a conveniently located apartment complex within walking distance to public transportation (the Metro). The Washington Center also provides a student lecture series and a number of special events (e.g., breakfast with members of Congress, cultural events at the Kennedy Center). The costs of the program vary depending upon date of attendance. Generous scholarships are available.

Information and applications can be obtained at the website: www.twc.edu. For details on The Washington Center Internship Program, please contact Robin Jones, Faculty Liaison for TWC Internship Program, 4202 East Fowler Avenue, NES 305, Tampa, FL 33620-8100.

Academic Services and Support

USF ECampus

Web site: http://www.outreach.usf.edu

USF ECampus extends the University’s academic resources to help learners meet their educational and professional goals by developing and supporting credit and noncredit programs.

Distance Learning

USF ECampus assists USF colleges and departments offering courses, certificates, and degree programs in distance learning formats. Distance learning provides access to the university learning experience by removing barriers of time and place. Courses are available in a variety of disciplines and offer alternatives in time, place, format, or delivery systems to extend educational opportunities throughout the region and beyond. A variety of technology options such as the World Wide Web, television, videoconferencing, and other technologies, allow faculty and students to communicate at the same time or on a time-delayed basis at times that fit the student’s personal schedule. Distance learning courses are included with regular departmental offerings in OASIS and identified by distance learning icons; contact the department offering the course for more information. For more information, please call 1-888-873-4968.

Continuing Education

USF ECampus provides the following noncredit programs and services:

- Professional and Workforce Development (PWD) offers short courses for professional and personal development and computer applications training.
- Cultural, computer and personal enrichment courses for senior adults at the Osher Lifelong Learning Institute at USF (OLLI).
- Meeting, training and computer lab room rentals at the USF Downtown Center.
- Testing Services administers paper and pencil, and computer based tests for Educational Testing Services (GRE, GMAT, TOEFL, etc.), College Level Examination Program (CLEP), Florida Teachers Certification examinations (FTCE and FELE) as well as other professional certification programs.

For more information, please visit the website at http://www.outreach.usf.edu/conted or call (813) 974-5201.
Metro Initiatives (USF4YOU)

USF4YOU offers a variety of services and seeks to increase access to educational programs for working adults. Through USF4YOU, the public can learn about USF’s graduate certificates, professional master’s degrees, online/distance education, alternative calendar programs, bachelor’s degree completion options and non-credit education opportunities. USF4YOU also provides prospective students referrals to traditional undergraduate and graduate advisors.

Phone Toll Free: 1-888-873-4968
Phone Local: (813) 974-2827
Fax: (813) 974-7061
Location: SVC 1072
E-mail: USF4YOU@admin.usf.edu
Web: http://www.usf4you.org/

Bachelor of General Studies Degree

USF’s Bachelor of General Studies Degree (BGS) is a customized, interdisciplinary degree that provides students with options to choose an appropriate academic program that fits their educational and professional goals. The BGS program will provide mid-career adult students with the opportunity to integrate completion of the baccalaureate degree into their established lifestyle.

Admissions Requirements

Students must:
- Have completed at least 60 credit hours at a regionally accredited college or university
- Have been out of school for approximately three (3) or more years
- Complete a screened application process conducted by a program advisor
- Be in good standing with former educational institutions
- Meet USF’s general admissions standards for transfer students (please refer to USF’s Admissions requirements for transfer students at this link http://usfweb2.usf.edu/admissions/transfer_reqs.htm)
- Demonstrate ability and desire to complete the degree (personal statement, letters of recommendation)

For complete application instructions, please see http://www.usf4you.usf.edu/programs/bachelorsBGS.asp.

The USF Library System

Web address: http://www.lib.usf.edu
Tampa Library: (813) 974-2729 (for hours, call 974-2727)
Shimberg Health Sciences Library (Tampa Campus): MDC 1200, (813) 974-2243
Louis de la Parte Florida Mental Health Institute Library (Tampa Campus): MHC 1744, (813) 974-4471

All six libraries within the USF Library System contain over 2.2 million volumes, 30,000 serial titles, most in electronic format, and 75,000 media materials. The state university libraries together contain over 12,000,000 volumes of information resources. Books and periodicals are cataloged and arranged on open shelves using the Library of Congress Classification System. Books may be checked out with renewal privileges; periodicals may not be checked out.

The USF Library System enhances teaching and learning through the delivery of online library resources and services to the dorm, office, or home as well as on-site at any of the USF Libraries. Special features include the online catalog, an electronic course reserve system, electronic journals, books and databases. Many electronic resources are full-text, and digitized historical materials such as photographs, documents, and oral histories. Beyond content, there is online access to numerous library services such as interlibrary loan, the ability to renew materials, and reference assistance requests via the library website.

The Library catalog, also available online, may be searched by author, title, subject, and keyword to identify the libraries’ holdings. The Library website also has links to other catalogs of libraries within the state and worldwide. Workstations located in various USF libraries provide access to the online catalog as well as a vast array of electronic resources.

The USF libraries can obtain materials from each campus, SUS and other libraries upon request. Students, staff and faculty can have access to resources by requesting material using online forms found at the USF Library System homepage at http://www.lib.usf.edu.

More information about the USF Library System, including the electronic resources and library services to distance learners, is available at http://www.lib.usf.edu.

TAMPALIBRARY

Central to the philosophy of the Tampa Library is the view that the people it serves are equally as important as the books on its shelves. Students are encouraged to become familiar with the collections, to master the techniques of using them, regardless of format, and to achieve a familiarity with information resources that will become lifelong learning skills.

The Tampa Library is a collection of approximately 1.8 million volumes, 10,900 periodicals and 2,797,000 microforms to support a broad range and depth of faculty and student research as well as personal knowledge and cultural advancement.

Reference Collection: The Reference Collection is located on the first floor of the Tampa Library in the Information Commons. Reference librarians assist students and faculty with both electronic and print resources, including government documents.
Reference assistance is also available online by selecting the Ask-A-Librarian link on the Library website. Reference librarians teach information literacy classes to students and faculty in support of teaching and research using state-of-the-art electronic classrooms. The Library's instruction program focuses on the search, evaluation and application of information via the use of print collections, 600+ databases, and World Wide Web. One-on-one consultation appointments with librarians are available to any researcher in need of customized assistance.

**Periodicals Collection:** The Periodicals Collection is located on the second floor with service provided at the Periodical Information Desk. The collection contains more than 2,500 current print periodicals and selected newspapers from Florida and major cities in the U.S. and foreign countries. A large collection of periodicals and newspapers in microfiche and microfilm is also located in the Periodicals Microform Room. The Library catalog and Internet workstations provide access to full-text databases and electronic journals. Also located here is self-service photocopying equipment.

**Government Documents Collection:** The Library is a selective depository for United States government publications and a full depository for the public documents of Florida. Federal and State print documents are housed in the basement of the Library. Over a million documents are available in microform and electronic format. The Collection is augmented by the acquisition of United Nations committee reports on microfiche, selected publications of other public agencies, selected reference tools, and other specialized indexes and finding aids. Assistance with the location and use of publications in the Government Documents Collection is provided at the Service Desk located in the Information Commons on the first floor of the Library. For access to a wide range of online government publications, please visit the Government Documents website at [http://www.lib.usf.edu/public/index.cfm?pg=GovernmentDocuments](http://www.lib.usf.edu/public/index.cfm?pg=GovernmentDocuments).

**Special Collections and Florida Studies Center:** Located on the fourth floor, this department houses the Library’s rare books, Florida history and other special collections, as well as the University’s archives. Its holdings total over one million items, with rare and unusual materials ranging from 4,000 year-old Sumerian tablets to modern fine printing. In addition to books, Special Collections houses thousands of historical photographs, early maps, sheet music, printed ephemera and oral histories. The department holds a number of major archival collections, including the papers of Florida governors, congressmen and other political leaders, the Research Collection on the Nixon Presidency, and the records of Tampa’s Spanish, Cuban and Italian immigrant mutual aid societies. Holdings also include the papers and manuscripts of literary figures like Piers Anthony and Dion Boucicault. The department’s strongest area of emphasis is Florida history, but it also houses notable collections of historical children’s literature, dime novels, early American schoolbooks, and cigar label art. An increasing number of the department’s photographs and other resources have been digitized and are accessible on-line. Further information is available through the department’s website at [http://www.lib.usf.edu/public/index.cfm?pg=SpecialCollections](http://www.lib.usf.edu/public/index.cfm?pg=SpecialCollections).

**Access and Media Services (circulation, interlibrary services, media, reserve):** Access and Media Services are located on the first floor. The reserve collection contains books and media, while all articles are on electronic reserve within Blackboard. The Electronic Reserves can be accessed via Blackboard, the university’s content management system by valid, affiliated users. Circulating books that are shelved on the third through fifth floors can be checked out at the circulation service desk on the first floor. The Library uses an automated circulation system that facilitates easy and quick check out of books. Renewals can be done in person or via the Library’s website. A statement of the library’s circulation policy is available at the Service desk and on the USF Library’s home page. Interlibrary Loan services can obtain materials from other libraries upon request, providing university-affiliated patrons access to resources beyond the onsite collections at each campus. Faculty wishing to place materials on reserve or those wishing to obtain Interlibrary Loan or reserve materials can find the appropriate forms at [http://www.lib.usf.edu/public/index.cfm?pg=OnlineForms](http://www.lib.usf.edu/public/index.cfm?pg=OnlineForms).

The Library Media Collections provides media materials for instruction, research, and curriculum support. Videocassettes, sound recordings, DVDs, CDs, and other audio-visual formats as well as music scores are available for loan. The Media Resources area, also on the 1st floor, provides equipment for individual use of all media in the collection and on reserve. Multimedia rooms are available for group use of the collection. All foreign language audiotapes have been digitized and made available online.

**Instructional and Open-Use Labs:** The Library’s Information Commons, which is located on the 1st floor, allows for full access to the Library’s Electronic resources as well as all information management software supported by Academic Computing at 140+ workstations. Trained assistance with the technologies and intellectual content of resources is available at a Common’s service desk. Two teaching labs, located on the second floor, are reserved for library instruction.

More information about the collections and services of the Tampa Library is available on the web at [http://www.lib.usf.edu](http://www.lib.usf.edu). For the most up-to-date recording of Library hours of operation, call (813) 974-2727.

**PUBLIC BROADCASTING**

WUSF Public Broadcasting is a membership supported, non-commercial public service media organization that celebrates educational, cultural and artistic excellence and is an authentic source of information for the people of the greater Tampa Bay and Sarasota region. WUSF 89.7 and TV 16 and wusf.org focus programming on issues of concern to citizens such as information on Education, Transportation, the Environment, the Economy and Growth Management.

**WUSF 89.7,** as an NPR member station, provides non-commercial, objective, in-depth journalism from more than 700 correspondents reporting from 17 domestic and 14 foreign news bureaus. WUSF 89.7 also provides classical music, jazz and entertainment programs. WUSF 89.7 now offers a second audio channel of programming via HD Radio technology. The new stream called 89.72 broadcasts all news and public affairs 24 hours a day, seven days a week. Visit our website, [www.wusf.org](http://www.wusf.org).
As the public television service of USF, WUSF-TV brings a broader perspective to world events through BBC World News and Deutsche Welle World News. In March, 2001, WUSF-TV moved into a new, state-of-the-art telecommunications facility housed next to WUSF 89.7 located in the center of the USF campus. It employs digital technology, allowing WUSF-TV to broadcast four channels of educational programming at one time. These channels are available over the air, via direct broadcast satellites or from cable operators. Labeled “multicasting” this capacity enables WUSF and the University to share more of its wealth of educational and cultural resources. WUSF-TV reaches more than 850,000 viewers per week.

Intellis Media is a creative division of WUSF comprised of media, communications, engineering and production professionals. This resource of talent allows WUSF to provide customized communications, production and technology solutions to USF academic and support services units as well as clients in the corporate, government, education and non-profit sectors.

The WUSF website, www.wusf.org, provides a separate archive related to state news, focusing on the pending issues before legislators and the actions taken by our elected representatives and the Governor and his cabinet. Podcasts of locally produced news stories are available along with links to other NPR programs.

WUSF Radio Reading Service is a public service of the University of South Florida and WUSF Public Broadcasting. The Radio Reading Service serves the blind, physically disabled, visually impaired and those with reading disabilities by providing vital information to encourage independent living. It is a lifeline to those who rely on the 24-hour-a-day reading of newspapers, current magazines and health information programs. The WUSF Radio Reading Service has 150 dedicated volunteers who generously donate their time reading for the visually impaired.

WUSF works closely with the School of Mass Communications to provide students with practicum experience and internships. USF's Mass Communications students have an enlarged working studio environment where they may learn important on-the-job skills.

OFFICE OF RESEARCH & INNOVATION

Location/Phone: USF Research Park, 3702 Spectrum Blvd., Ste. 175, Tampa, FL 33612, (813) 974-5570
Web Address: http://www.research.usf.edu/

Creative research and scholarly activities are essential aspects of the undergraduate educational experience at USF. The promotion and administration of research are the responsibilities of the Office of Research & Innovation and its divisions, which provide services that enable USF faculty, staff, and students at all academic levels to be competitive in a dynamic research environment. The Office of Research & Innovation oversees the administration of research contracts and grants, patents and copyrights, federal and state research compliance regulations, USF's own internal award programs, economic development initiatives, public-private partnerships, research park development, technology transfer, and research activities at affiliated hospitals and institutes.

The Office of Research & Innovation supports undergraduate research through the Honors College (contact Dr. Stuart Silverman, email: silverman@honors.usf.edu) and the Undergraduate Research Program (contact Dr. Naomi Yavneh, yavneh@honors.usf.edu). In addition, specialized research projects are supported by grants that offer financial support for students. An excellent undergraduate research experience is available through the College of Engineering's Research Experience for Undergraduates (contact Dr. Rudy Schlaf, email: schlaf@eng.usf.edu). This program offers research assistantships supported jointly by the Office of Research & Innovation and the College of Engineering, as well as select fellowships funded by the National Science Foundation.

From developing a grant proposal or filing a patent, the staff of the Office of Research & Innovation are trained professionals committed to meeting the needs of USF researchers. In turn, the dedication of USF students and faculty has contributed to the phenomenal growth in research that USF has experienced.

In addition to the programs noted above, students can become involved in research by contacting faculty, who, with the support of private and public agencies, contribute to our knowledge about the world in which we live and apply their findings and skills to solving many of the problems facing contemporary society. Many contributions evolve from basic research—others, from practical applications of new knowledge. USF encourages research as a vital part of the University's instructional programs.
First-time-in-college (FTIC) students take nine Honors courses that examine the nature of human knowledge, ethics, interdisciplinary approaches to the natural and social sciences, arts and humanities, multiculturalism, and major works and issues. A Senior Honors Thesis is the culmination of the Honors experience. (Course descriptions-IDH prefix- appear later in the catalog.) Students also complete six semester hours of English, six semester hours of Mathematics, and the foreign language exit requirement (please refer to the foreign language requirement for students pursuing the Bachelor of Arts degree for further information). Honors students may satisfy the English, Math, and Foreign Language requirements through Advanced Placement, IB, dual enrollment, and CLEP (See “Academic Programs and Services” section). First-time-in-college Honors students satisfy USF General Education and Exit requirements by completing the core Honors courses and the English, Math, and Foreign Language requirements. Enrolling in the Honors College does not generally increase the number of credits needed to graduate.

The Honors College offers a variety of accelerated programs in Medicine (7-year B.S./M.D.), Physical Therapy (B.S./D.P.T.), Public Health, and the Medical Sciences (B.A./Ph.D.). Other programs may be developed and may be found on the Honors College website. Details may be found on the Honors College website or by calling the Honors College.

Potential FTIC students are actively recruited, but any interested student who feels that he/she is qualified may request admission. Invited students present at least a 3.8 USF recalculated weighted academic high school GPA and a 1300 SAT (based only on Critical Reading and Mathematics sections) or a 29 composite ACT score.

Interested continuing USF students and transfer students may request admission by contacting the Honors College. Eligible continuing USF students present a 3.5 USF GPA, based on at least 45 USF credits. Eligible transfer students present a 3.5 transfer GPA, based on at least 45 college credits.

Continuing USF students and transfer students accepted into the Honors College take five Honors courses that include: inquiry into major works and major issues, a two-semester Senior Thesis, and two electives chosen from the core Honors offerings. Students also complete the foreign language exit requirement. Completion of the Honors Major Works/Major Issues and Senior Thesis may satisfy the USF Exit Requirements. Enrolling in the Honors College does not generally increase the number of credits needed to graduate.

Departmental Honors opportunities are available in select departments that wish to offer Honors-level work for superior students majoring in their disciplines. Requirements vary according to department, but all require the completion of a Thesis. Students may enroll in both the Honors College and Departmental Honors.

Admission to the Honors College is determined by the Dean of The Honors College; admission to Departmental Honors is determined by the individual department. Students who satisfactorily complete Honors and graduate with at least an overall GPA of 3.3 and a USF GPA of 3.3 (all course attempts are included in the Honors GPA) shall be identified as Honors College graduates on their diplomas and transcripts, and at the Honors College Graduation Ceremony.

**Honors Research Major**

The Honors College Research Major (HCRM) is designed primarily for Honors College (HC) students preparing for graduate or professional school, although it is available to other HC students as well. The HCRM is designed to be a second major. That is, in order to have an HCRM, a student would complete all requirements of a regularly offered USF major. (Credits = 30-36)

HCRM students complete IDH 2010, 3100, 3350, 3400 and 4200, freshman English I and II, 2 semesters of mathematics and two semesters of a foreign language in order to meet USF General Education requirements. AP, IB, CLEP, dual enrollment and other acceptable forms of credit could be used to satisfy the English, math and foreign language requirements. (Credits = 18-42)

The HCRM consists of 30 credit hours and includes courses to satisfy the USF Exit Requirements (IDH 4000 and six credits of IDH 4970).

The 30 hours consists of 2 cognates, each containing a minimum of 12 credit hours. Each cognate requires a research project of at least 9 credit hours; the remaining hours could be appropriate coursework, independent study or an increased number of research hours.

One cognate is directly related to the student’s primary major; the second cognate must be outside the department of the student’s major.

The student will have a separate research committee for each cognate, consisting of a mentor and two faculty “readers.” The HC Dean approves the mentor, and the mentor approves the “readers”. The committee and student design the cognate courses of study and submit the written plan for HC approval.

The committee shall ensure that the student has an appropriate background in scientific method/experimental design/research tools. Research project format shall be discipline appropriate and clearly represent the number of credits earned.
Formal prospectus/proposal and final presentations will be required of each student in both cognates. No grade below “B” will be accepted towards the HCRM.

Honors Faculty
Dean: Stuart Silverman; Associate Dean and Director of Undergraduate Research: Naomi Yavneh; Assistant Dean: Georg Kleine
(Instructors for the Honors courses are recruited from among the University’s outstanding teacher-scholars)

George Jenkins Scholars Program
Location/phone: SVC 1088, (813) 974-3087
The Jenkins Scholars Program is one of the highest funded academic scholarships at USF. The George Jenkins Scholarships are funded through the Publix Super Markets Charities, which was founded by the late George Jenkins, the initial founder and owner of Publix Supermarkets.
A select group of Jenkins Scholars are elected annually from a statewide competition of high school seniors who are admitted to USF as freshmen. The Jenkins recipients are academically talented students with financial need.
The Jenkins Scholars Program is designed to provide academic and personal support services for all scholars, freshman through senior year. The scholars participate in various scholarly and cultural activities, such as academic monitoring, mentoring activities, academic/personal development seminars, career advising and planned activities with the Jenkins family.

Holcombe Scholars Program
Location/phone: SVC 1088, (813) 974-3087
The Holcombe Scholars Program is one of the highest funded academic scholarships at USF. These Scholarships are funded by Brad and Terry Holcombe, two USF graduates.
A select group of Scholars are elected annually from a statewide competition of high school seniors who are admitted to USF as freshmen. The Holcombe recipients are academically talented students with financial need.
The program is designed to provide academic and personal support services for all scholars, freshman through senior year. The scholars participate in various scholarly and cultural activities, such as academic monitoring, mentoring activities, academic/personal development seminars, career advising and planned activities with the Holcombe family.

Office of Undergraduate Research
Location/phone: SVC 1088, (813) 974-6842
Office Hours: 8 a.m. – 5 p.m., Monday through Friday
Web Address: http://ur.usf.edu/content/index.html
The Office of Undergraduate Research is a university-wide office, responsible for creating and facilitating research opportunities for all interested undergraduates, in any discipline. In addition to matching students as research apprentices to faculty mentors throughout the university, the Office of Undergraduate Research offers training in research skills and methods through workshops, coursework and interdisciplinary REU (“Research Experience for Undergraduates”) programs. Students engaged in research with a faculty mentor are eligible to apply for undergraduate research grants, while travel grants are available to undergraduates whose work is accepted for presentation at a conference. In addition, each year, researchers whose work is accepted travel as a group to present their research at National Conference on Undergraduate Research.
Students engaged in substantive research projects may submit their work for possible inclusion in the university’s annual Undergraduate Research Symposium. Posters and oral presentations are judged by faculty researchers who are leaders in their respective fields, and scholarship prizes are awarded.

Office of National Scholarships & Resources for Educational Distinction
Tampa Campus Location/Phone: SVC 1088; (813) 974-3087
Office Hours: 8 a.m. – 5 p.m., Monday through Friday
Web Address: http://red.usf.edu
The Office of National Scholarships & Resources for Educational Distinction (ONS) serves as a clearinghouse for nationally competitive scholarships and fellowships. In general, these scholarships and fellowships are designed for creative, highly driven, academically strong, visionary students. Some awards support graduate/professional study in the U.S., while others involve education abroad or independent research.
These opportunities are open to all qualified USF students who wish to apply. As such, ONS strives to match opportunities to students’ interests and plans. ONS identifies and coordinates mentors, services, and resources for educational endeavors. We assist and support prospective applicants throughout an award’s application process. Most importantly, fulfilling the University’s Strategic Goals, ONS seeks to foster personal growth, leadership skills, international understanding, creativity, and a desire for public service among our students.
For over 30 years, University of South Florida students have won nationally prestigious awards including Truman, Udall, and Kaiser Family Foundation/Barbara Jordan scholarships. ONS continues this tradition of recognizing academic excellence.

The Office of National Scholarships & Resources for Educational Distinction also coordinates the University’s Undergraduate Scholar Award. The Undergraduate Scholar Award program adds depth to students’ academic experience by fostering applied learning to real-life issues and problems through faculty-supervised research. This innovative program creates opportunities for students to engage in meaningful service and promotes ‘connecting’ with the global community. USF’s Undergraduate Scholars Award recognizes students who fulfill the University’s goals of community engagement, undergraduate research, and global citizenship on a student’s transcript and diploma.
The College of Arts and Sciences is a community of scholars dedicated to the idea that educated people are the basis of a just and free society. The essentials of education are a capacity for and an appreciation of social change within a context of prior human achievement. The faculty of the Arts and Sciences strive to instill in their students a history of human ideas, a sense of love for learning, and an understanding of the means that scholars have used in their search for beauty and order in the natural world.

The education provided by the disciplines of the Arts and Sciences is the foundation upon which the lives and professions of our students are built, and the basis from which personal growth occurs. The College of Arts and Sciences takes as its goal a melding of the natural, humanistic and social philosophies into a comprehensive whole that encourages the development of new ideas and new approaches to the understanding of our universe.

Great universities provide direction for their communities and service for their needs. The faculty of the Arts and Sciences as well as the staff, who support and encourage their work, explore their scholarly interests within the home and community created by the academic society. It is the responsibility of scholars to share their discoveries for the betterment of society. Thus, the Arts and Sciences embrace disciplines that strive to make immediate use of knowledge in the service of social goals as well as disciplines whose discoveries contribute to the fund of basic information that is the stepping stone of applied knowledge.

General Information
The College of Arts and Sciences Dean’s Office is located in Cooper Hall (CPR), Room 107. For additional information about the College, visit our web site at http://www.cas.usf.edu. Information regarding advising, admission to the College, graduation requirements, special programs, and departments follows.

Community Initiative
Universities have become major actors in today’s knowledge-based society. As such they can no longer remain secluded ivory towers, removed from the social problems that surround them. Recognizing this, the College of Arts and Sciences launched the Community Initiative, a new focus that identifies the community outside the university as an integral part of its educational mission to acquire, disseminate, and apply knowledge. The Community Initiative develops concrete and integrated efforts to link the teaching, research, and service components of our College with the interests and needs of residential, community-based organizations and businesses in the local area. Two major components of the Community Initiative are the Urban Studies Certificate Program and the Community Experiential Learning (CEL) Program. The Urban Studies Certificate gives students the opportunity to supplement their education and training with a focus on the urban world around them. Through the Community Experiential Learning (CEL) Program, students can explore the relationship between their classroom learning and the broader community as they do community-based independent research or internships. Additional information may be obtained from Robin R. Jones, Director, by calling (813) 974-8452 or emailing jones@cas.usf.edu. The office is located in NES 305.

Undergraduate Advising Information
Advising in the College of Arts and Sciences is decentralized. Students are advised by academic advisors in the department of their major. For a list of advisors, consult “Academic/Students” on the College of Arts and Sciences web page http://www.cas.usf.edu. The Arts and Sciences Office of Graduate and Undergraduate Studies, located in the Behavioral Science Building (BEH), Room 201, (813) 974-6957, handles all student-related academic matters. Advising for Pre-Health Professions is provided through the Office of Graduate and Undergraduate Studies, USF Tampa.

Office Hours
The Arts and Sciences Office of Graduate and Undergraduate Studies is open 8 a.m. to 5 p.m. Monday through Friday. Academic advisors and major departments should be contacted directly to obtain information about office hours and appointment availability. Students are also encouraged to utilize the College’s on-line advising information located at http://www.cas.usf.edu.

Undergraduate Admission to the College of Arts and Sciences
Admission to the College of Arts and Sciences is open to students who have been accepted to the University of South Florida and who declare a major in a particular field. Liberal Studies and Mass Communications are limited access degree programs and have additional requirements listed under “Departments and Programs.” Although Cell Biology, Microbiology and Molecular Biology, Communication, Integrative Biology, and Psychology are not limited access programs, they do have restrictive admission requirements.

Undergraduate students must submit a formal application for admission into the College. This usually occurs during orientation and advising for new students. This application is available online for current students at http://www.cas.usf.edu/declare/. Students preparing for a science or mathematics career must plan their courses carefully because of the sequential nature of the curricula. Students seeking entrance into a health professional school or the medical technology internship program require specialized counseling, therefore, immediate application for admission into the College is strongly recommended.
General Requirements for B.A./B.S. Degree

Within the College of Arts and Sciences

The College of Arts and Sciences offers two undergraduate degrees: Bachelor of Arts and Bachelor of Science.

IT IS EACH STUDENT'S RESPONSIBILITY TO MEET GRADUATION REQUIREMENTS:

1. Complete at least 120 accepted semester hours, 124 for Mass Communications, with a minimum USF cumulative gpa and overall gpa of 2.00. (Important! All grades including “D”s and “F”s are used to calculate gpa’s for students in the College of Arts and Sciences.)

2. Maintain major gpa of 2.00 in USF coursework. Note: In Anthropology, English and Mass Communications students must have a 2.50 major gpa in USF coursework; and the Integrative Biology major with a concentration in Marine Biology requires a 3.0 major gpa in USF coursework.

3. Complete the Foreign Language Entrance Requirement if entering USF fall semester, 1987 or later. Students pursuing a B.A. degree must complete the Foreign Language Exit Requirement.

4. Students enrolling in a college must satisfy Articulation Resolution 6A-10.30 (Gordon Rule) concerning computation and communication. Transfer students who enter the University of South Florida with 60 or more semester hours from a regionally accredited institution are considered to have met the communication portion of the Gordon Rule.

5. Complete Foundations of Knowledge and Learning Core Curriculum Requirements (for more information, see section titled “Core Curriculum Requirements.”)

Core Curriculum Requirements of 36 hours credit:

a. English Composition 6
b. Mathematics and Quantitative Reasoning (Calculus is required) 6
c. Natural Sciences 6
d. Social and Behavioral Sciences 6
e. Human Cultural Diversity Global Context 3
f. Fine Arts 3
g. Humanities 6

6. Physical Education coursework is limited to 2 semester hours.

7. ROTC courses are limited to 9 semester hours.

8. When double majoring, a maximum of 2 courses or 8 hours may be used to satisfy requirements between majors. Students should check with the college and respective departments when pursuing more than one major/degree.

9. Maximum of 20 hours of S/U option. S/U contracts must be negotiated in writing within the first three (3) weeks of the term. None of the 20 credits may be taken in the student’s major unless S/U is the only grading option. Coursework fulfilling the Gordon Rule requirement may not be taken S/U.

10. The Audit option is available only during the first 5 days of classes.

11. Complete at least 9 semester hours at a Florida public university in the Florida State University System during summer terms if entering USF with fewer than 60 semester hours.

12. “D” grades are not acceptable in the major and supporting sciences for all natural sciences majors (Biomedical Sciences; Cell Biology, Microbiology, and Molecular Biology; Integrative Biology; Interdisciplinary Natural Sciences; Medical Technology; Chemistry; Geology; Math; and Physics). “D” grades are not acceptable for the major area in Anthropology, Communication, English, Geography, History, Humanities, Mass Communications, Philosophy, Psychology, and Sociology.

13. Complete all major course requirements.

14. Complete a minimum of 48 hours of upper-level courses (numbered 3000 or above).

15. Thirty (30) of the last 60 semester hours must be completed at USF to fulfill the residency requirement.

16. Biomedical Sciences; Cell Biology, Microbiology, and Molecular Biology; Chemistry; Economics; English; Integrative Biology; Interdisciplinary Natural Sciences; Mass Communications; Mathematics; Physics; Political Science; Religious Studies; and Sociology have established minimum major course hours to be taken in residency at USF. See the department section of the catalog for these credit-hour requirements. In addition, all students who have majors outside the natural sciences must take a minimum of 80 hours outside of the major department.

17. Students must satisfy CLAS (College Level Academic Skills Requirement).

For late application information, please refer to the Application for Graduation section of the Academic Policy and Procedures division of the catalog.
Note: The College of Arts and Sciences will not accept graduation applications from potential baccalaureate students who have previously been denied graduation three times. Upon the third denial, the students will be informed in writing that they may only reapply with documentation that they have met all outstanding baccalaureate graduation requirements.

DEPARTMENTAL MINOR

Minors generally require half as many hours as required for the major. In order to help students develop some concentration in elective work taken in conjunction with their chosen major, the College of Arts and Sciences offers minors in the following: Africana Studies, American Studies, Anthropology, Biomedical Physics, Chemistry, Classics, Communication, Economics, English, Environmental Policy, French, Geography, Geology, German, History, Humanities, International Studies, Italian, Linguistics, Mass Communications, Mathematics, Philosophy, Physics, Political Science, Psychology, Public Administration, Religious Studies, Russian, Sociology, Spanish, and Women’s Studies.

Certain restrictions apply to students earning a minor: (a) students may not use courses in the major for the minor, unless approved by the department offering the minor; and (b) ISS majors may not earn a minor in any of the cognate areas incorporated in their contracts. In some departments, S/U grades within the minor curriculum are not countable. Specific requirements for the different minors appear under the departmental summaries listed under "Departments and Programs."

Baccalaureate-Level Degree Programs

The departments in the College of Arts and Sciences include Africana Studies; American Studies; Anthropology; Cell Biology, Microbiology, and Molecular Biology; Chemistry; Communication; Economics; English; Environmental Science and Policy; Geography; Geology; Government and International Affairs; History; Humanities; Integrative Biology; Interdisciplinary Social Sciences; Liberal Studies; Mass Communications; Mathematics; Philosophy; Physics; Psychology; Religious Studies; Sociology; Women’s Studies, and World Languages. The College of Arts and Sciences offers 57 major fields of study as described in the following pages. In addition to the departmental majors, interdisciplinary majors are offered.

BACHELOR OF ARTS (B.A.)
Africana Studies (AFA)
Anthropology (ANT)
Chemistry (CHM)
  - Biochemistry Concentration (CBY)
  - Health Professions Concentration (CHH)
Communication
  - Relational Communication (SRC)
  - Organizational Communication (SOG)
  - Health Communication (SHC)
  - Culture and Media (SMD)
  - Performance Studies (SPS)
  - Public Advocacy (SAD)
Economics (ECO)
English
  - Creative Writing Concentration (CRW)
  - English and American Literature (LIT)
  - Professional and Technical Writing (CWT)
Geography (GPY)
Geology (GLY)
Government and International Affairs
  - International Studies (INT)
  - Political Science (POL)
History (HTY)
Humanities and American Studies
  - American Studies (AMS)
  - Humanities (HUM)
Interdisciplinary Social Sciences (ISS)
Liberal Studies (ALA)
Mass Communications
  - Advertising Concentration (ADV)
  - Journalism/Magazine Production Concentration (MAG)
  - News Concentration (NWS)
  - News Editorial Concentration (JOU)
  - Programming and Production Concentration (PGM)
  - Public Relations Concentration (PUR)
Mathematics (MTH)
Philosophy (PHI)
Physics (PHY)
Psychology (PSY)
Religious Studies (REL)
Sociology (SOC)
Statistics (STC)
Women’s Studies (WST)
World Languages
   Classics (CLS)
   French (FRE)
      French International Studies & Business Concentration (IFB)
   German (GER)
   Interdisciplinary Classical Civilizations (ICC)
   Italian (ITA)
   Russian (RUS)
   Spanish (SPA)
      Spanish International Studies & Business Concentration (ISB)

BACHELOR OF SCIENCE (B.S.)
   Cell Biology, Microbiology, and Molecular Biology
      Biology (BIO)
      Microbiology (MIC)
Chemistry
   Chemistry (CHS)
   Biomedical Sciences (BMS)
   Medical Technology (MET)
   Interdisciplinary Natural Sciences (INS)
Environmental Science and Policy (ESP)
Geology (GLS)
Integrative Biology
   Biology (BIO)
   Marine Biology Concentration (MRN)
Physics (PHS)

Honors Programs
The College of Arts and Sciences offers undergraduate honors programs in Anthropology, Biology, Classics, Communication, English, Geology, Mathematics, Philosophy, Political Science, Psychology, Religious Studies, and Sociology. Students interested in one of these honors programs should consult the appropriate department for further information.

Special Programs
COMMUNITY EXPERIENTIAL LEARNING PROGRAM
The Community Experiential Learning (CEL) Program offers students the opportunity to explore the relationship between their classroom learning and the broader community. With faculty guidance, students design their own community experiences and receive between one and four academic credit(s) upon completion. Students may choose to work as an intern with a community organization/agency or to explore a community issue through independent research. The community can be as close as a neighborhood just beyond the campus or on the other side of the world.

Students may participate in CEL anytime during their academic career. Good standing at the university and a 2.0 GPA is required for acceptance into the Program. CEL courses are offered throughout the entire year. Ideally, students should plan their CEL projects during the term prior to their implementation, but they can be added at any time during the term. Information may be obtained from Robin Jones, NES 305 or at jones@cas.usf.edu, (813) 974-8452.

Institute for the Study of Latin America and the Caribbean (ISLAC)
Location/Phone: CPR 474, (813) 974-3547
Email: islac.assistant@iac.usf.edu
Web Site: http://global.usf.edu/islac/
The mission of ISLAC is to promote the study of Latin America and the Caribbean, to further USF’s strategic plan for internationalization. ISLAC is an academic unit devoted to interdisciplinary research and teaching focused on economic, social, political and cultural formations in Latin America and the Caribbean and among the Hispanic/Latino populations in North America, framing these issues in the broader context of human security in the Americas. ISLAC has 72 affiliate faculty members who are drawn from a number of social science, humanities, arts, and human service fields, including, but not limited to, History,
Languages and Literature, Humanities, Anthropology, Political Science, Sociology, Economics, Business, Geography, Public Administration, Fine Arts, Public Health, Education and Mental Health.

ISLAC offers a Certificate in Latin America and Caribbean Studies, open to undergraduate students enrolled in any USF major and a Graduate Certificate in LACS, as well as USF students and non-degree seeking students who have already obtained a BA. ISLAC also offers a Graduate Certificate in Cuban Studies and a Masters of Arts (M.A.) in Latin America and Caribbean Studies. All ISLAC academic programs are interdisciplinary, flexible and applied.

The Institute fosters greater knowledge of Latin America and the Caribbean, and Latino issues, through partnerships with community organizations and USF departments to sponsor lectures and cultural events that are open to the public throughout the year. ISLAC faculty and staff are engaged with USF administration to strengthen community ties and to advance the internationalization of USF programs, research, curricula, faculty and students.

CERTIFICATE IN AFRICANA LITERATURES

The College of Arts and Sciences offers this Certificate through the collaboration of the departments of Africana Studies, English, and World Languages. It is designed for majors in all colleges as well as non-degree seeking students who wish to engage in a focused study of Africana literatures, acquire appreciation and knowledge of these literatures, and have that knowledge formally recognized in their academic record. The Certificate is further designed, through its internship hours, to enhance the student’s academic and professional growth and development.

Students are required to take 18 credit hours. There are twelve hours of core courses and 6 hours of required elective courses. Other courses may be substituted for elective hours with the approval of the program Coordinator. Students must declare their intention to acquire the Certificate prior to completing nine hours of program coursework. A grade of B or better is required in core courses and a cumulative overall GPA of 3.0 must be maintained in all work for the Certificate. Students are to schedule course and internship hours in consultation with Certificate program Coordinator.

Other Specifications:

Students are encouraged to make practical experience in the literary discipline an important component of their academic work. Students can enroll for 3 credit hours in the Internship course to fulfill this objective.

CERTIFICATE IN ASIAN STUDIES

The certificate in Asian Studies is designed for majors in any field who wish to gain a broad knowledge of a world area that is of unique importance.

Requirements for the Certificate in Asian Studies:

1. 18 semester hours from the courses listed below.
2. At least two courses must be from Group A and at least two courses must be from Group B. (Other relevant courses may be substituted with the approval of the program advisor.)
3. Students must declare their intention to be awarded the certificate by notifying the program advisor at least one full semester prior to graduation.
4. Students who fail to achieve a cumulative 2.5 GPA or higher in the program will be denied the certificate.

CERTIFICATE IN FILM STUDIES

The Certificate in Film Studies is designed for undergraduate students majoring in another field who also desire a concentration in film studies. The certificate program is a carefully structured, interdisciplinary sequence of four courses (12-15 credits) that provides students with a broad introduction to the field of film studies. Receipt of a Certificate in Film Studies is recorded on the student’s transcript.

Spanning colleges, departments, and academic disciplines, the Film Studies Certificate provides students with a balanced and multi-faceted course of study that will focus on the functions and manifestations of film as a medium in contemporary western society.

The proposed course of study grants the student a multi-disciplinary comprehension of film as an aesthetic medium and an understanding of how it describes, and has helped shape, the socio-political situation of western civilizations.

The student and the Coordinator will plan the individual course of study, which requires between 12 and 15 semester hours. Students must declare their intention to be awarded the certificate by notifying the Coordinator at least one full semester prior to graduation. A cumulative GPA of 2.5 in the certificate course work is required. Courses must be taken on a letter-grade basis.

To receive an application and for more information contact Dr. Margit Grieb, Coordinator of the Certificate in Film Studies, at grieber@cas.usf.edu.

The following courses meet the requirements for the certificate (courses not listed below may be included in the program if approved by the Coordinator):

Core Course (3 credits, required):

Students will take 1 core course chosen from the following list:

- ENG 3115 Introduction to Film: Criticism and Theory
- FIL 1004 Introduction to Film Studies
- HUM 1580 Introduction to Film

Group I (Area Studies):

Students will take 3-4 credits of elective courses chosen from the following list:

- FRE 4392 African Images in Francophone Film
- GET 3522 Fantastic Films of Early German Cinema
- GET 3524 German Popular Film
- GET 4523 New German Cinema to Present
- HUM 4930 Selected Topics in Humanities*
- ITT 3540 Italian Culture through Film
- INR 4931 Selected Topics*
- LAS 3116 Latin America through Film

*Please see academic advisor for appropriate General Foreign Language and Special/Selected Topics courses.

Group II (Film Medium & History) :

Students will take 3-4 credits of elective courses chosen from the following list:

- ENG 3113 The Movies as Narrative Art
FIL 2000 Film: The Language of Vision
FIL 3427C Beginning Film
FIL 3845 World Cinema
THE 2252 Great Performances on Film

Group III (Socio-Political & Historical Perspectives): Students will take 3-4 credits of elective courses chosen from the following list:

AMS 4152 Film in American Culture
ARH 4744 Selected Topics in the History of Film
LAH 2733 Latin American History in Film
REL 3111 The Religious Quest in Contemporary Films
REL 3170 Religion, Ethics and Society through Film
SYG 3011 Social Problems through Film
WST 4335 Women and Film

NOTE: Course of study must be approved by the Coordinator. Ideally, students should take at least one course from each group. Courses not included in the above groups may be included in the program if approved by the Coordinator.

CERTIFICATE IN ITALIAN STUDIES

The College of Arts and Sciences and the College of Visual and Performing Arts offer a certificate in Italian Studies. The history of the geographic expression that today we call Italy is the sum of many particular histories and cultures. Yet, in their diversity and diaspora, the people of Italy have preserved, through time and place, a sense of common identity. For this reason, to understand the complexity of past and present experiences of Italians in the peninsula and of their descendants abroad, the Undergraduate Certificate in Italian Studies is designed with a broad interdisciplinary perspective.

The certificate will encompass courses in several departments in two colleges. The majority of courses will focus on the study of history and culture of the people who inhabit or originated from the Italian peninsula and the islands of Sardinia and Sicily from pre-historic times to the present. In addition, however, offerings will also focus on the Italian diaspora with specific reference to the experiences of people of Italian descent in the many nations in which they settled from the early 19th century to the present.

Students are required to take between 23 and 28 semester hours from a list of courses approved for the certificate. A Faculty Advisory Committee will coordinate the Certificate of Italian Studies. Students may receive credit for courses, not included in the below list, or (if circumstances require it) may substitute a required course with another, by petitioning and if approved by the Advisory Committee.

Study Abroad: Students in the Italian Studies Certificate program are strongly encouraged to study abroad for the summer, a semester or a year in the USF in Italy program or in any other accredited program. The Advisory Committee will determine which courses taken as part of the overseas experience will count toward fulfilling the requirements for the certificate.

For additional information, send a message to Dr. Giovanna Benadusi or Dr. Fraser Ottanelli, Coordinators of the Certificate in Italian Studies at itastudies@cas.usf.edu.

NOTE: Students may apply a maximum of sixteen credits in the same department toward fulfilling the requirements for the certificate.

I. Language Requirement:

Students must demonstrate proficiency in Italian or complete two semesters of language courses chosen from the following courses.

ITA 1120 Beginning Italian I
ITA 1121 Beginning Italian II
ITA 2200 Intermediate Italian I
ITA 2240 Italian Conversation I
ITA 2241 Italian Conversation II
ITA 3420 Composition
LAT 1120 Beginning Latin I

II. Core Courses:

Each student will take three courses at the 3000 or 4000 level on topics related to Italy in either Art History (ARH), Italian literature and culture (ITW), Humanities (HUM) or History (HIS). However, only one course will be allowed from each department.

III. Elective Courses:

Students will take 6-8 credits of elective courses related to Italy. Course topics may vary. The following lists some of the possible courses:
Anthropology:
   ANT 4143 European Archaeology
   ANT 4930 Special Topics in Anthropology*

Art History:
   ARH 4318 Venetian Art [instructor’s consent]

English:
   LIT 4930 Special Topics in English Studies*

Government and International Affairs:
   POT 4936 Selected Topics in Political Theory*

History:
   EUH 3412 Roman Republic
   EUH 3413 Roman Empire
   HIS 3930 Special Topics*

Humanities:
   HUM 4437 Italian Renaissance Culture
   HUM 4930 Selected Topics in Humanities*

World Languages:
   CLA 3123 Roman Civilization
   CLT 3102 Roman Literature in Translation
   ITA 1120 Beginning Italian I
   ITA 1121 Beginning Italian II
   ITA 2200 Intermediate Italian I
   ITA 2240 Italian Conversation I
   ITA 2241 Italian Conversation II
   ITA 3420 Composition
   ITA 3470 Overseas Study
   ITW 4100 Survey of Italian Literature I
   ITW 4101 Survey of Italian Literature II
   ITW 4905 Directed Study
   LAT 1120 Beginning Latin I

Theatre:
   THE 4480 The Theatre of Luigi Pirandello

*Please see academic advisor for appropriate Special/Selected Topics courses.

CERTIFICATE IN LATIN AMERICAN AND CARIBBEAN STUDIES

The College of Arts and Sciences offers a Certificate in Latin American and Caribbean Studies for students who wish to gain an intensive multi-disciplinary understanding of this important area, and have that knowledge formally recognized in their academic record. This program is open to all USF majors of all colleges.

The certificate requires a minimum of 15 semester hours of courses about Latin America and the Caribbean. One LAS seminar must be taken in addition to courses in: 1) Anthropology, 2) Geography/Government & International Studies, 3) History, and 4) Art/Humanities/Literature.

Students must also demonstrate proficiency in a Latin American or Caribbean language (Spanish, Portuguese, French, or Amerindian language) or have two semesters of course work in any of these languages. Students who already know a Latin American or Caribbean language are strongly encouraged to learn a second language.

Study abroad programs are encouraged and will be credited toward the Certificate.

The following courses are a sample of courses offered that fulfill the certificate requirements. However, these should be considered as a partial list only. Students are strongly encouraged to review the Schedule of Classes each semester for current course offerings at [http://web.usf.edu/iac/islac/courses.html](http://web.usf.edu/iac/islac/courses.html).

1) Anthropology
   ANT 4162 South American Archaeology
   ANT 4163 Mesoamerican Archaeology
   ANT 4340 The Caribbean
ANT 4324 Mexico and Central America
ANT 4930 Selected Topics in Anthropology*

2) Geography/Government & International Affairs
CPO 4930 Comparative Government and Politics of Selected Countries or Areas*
INR 4931 Selected Topics*
LAS 3002 Latin America

3) History
AMH 3421 Early Florida
LAH 2020 Latin American Civilization
LAH 2734 Latin American History in Film
LAH 3130 Colonial Latin America
LAH 3200 Modern Latin America
LAH 3430 History of Mexico
LAH 3470 History of the Caribbean
HIS 3930 Special Topics*

4) Art/Humanities/Literature
ARH 4930 Art History: Selected Topics*
HUM 4464 Latin American Culture Since 1492
SPN 3520 Spanish American Civilization
SPN 5135 Colonial Spanish American Literature
SPN 5525 Modern Spanish American Literature
SPT 2524 Women Writers of Latin America
SPW 3030 Introduction to Hispanic Literature
SPW 4131 Survey of Spanish American Literature
THE 4434 Caribbean Theatre

5) Others
ECO 4430 The Economics of Latin America
REL 3375 Issues in Caribbean Religions
See also: Sociology, Economics, Study Abroad.

*Please see academic advisor for appropriate Selected Topics courses.

For information and advice about the certificate program, contact the Institute for the Study of Latin America and The Caribbean (ISLAC), CPR 474, call 974-3547, or send an email to thompson@iac.usf.edu. The program is open to all majors in all colleges. Applications are available at: http://web.usf.edu/iac/islac/undergrad_cert.html. Course offerings can be checked at: http://web.usf.edu/iac/islac/courses.html.

CERTIFICATE IN MODERN WESTERN EUROPEAN STUDIES

The College of Arts and Sciences offers this certificate through the collaboration of the Departments of English, Geography, History, Humanities and Cultural Studies, Government and International Affairs, World Languages, and Philosophy. It is designed for majors in any field who wish to gain a multi-disciplinary understanding of a part of the world that has shaped much of our civilization and holds great significance for Americans in the present and the future.

The student and the Coordinator will plan the individual course of study, which requires between 21 and 24 semester hours. Students must declare their intention to be awarded the certificate by notifying the Coordinator at least one full semester prior to graduation. A cumulative GPA of 2.5 in the certificate course work is required. Please contact Dr. Christine M. Probes at World Languages, CPR 107, (813) 974-2743, or by e-mail: probes@cas.usf.edu.

1) Language Requirement (6)
Students will take two additional semesters of the foreign language they have taken in fulfillment of the College of Arts and Sciences language requirement.

2) Core Courses (9-10)
Students will take a total of three courses from the following; one of them must be either EUS 3000 or GEA 3500.
EUS 3000 Europe
GEA 3500 Geography of Europe
EUH 3205 History of Nineteenth Century Europe
or
EUH 3206 History of Twentieth Century Europe
HUM 3251 Studies in Culture: The Twentieth Century
LIT 3144 Modern European Novel
PHM 4331 Modern Political Philosophy

3) Elective Courses (6-8)

A. Overseas Experience
Students should make Western European study and travel an important component of their academic work. They are required to enroll for at least 3 elective credit hours in courses that involve Western European study and travel. These
may be taken in one of three ways:
1. as IDS 4955 (Off-Campus Term International Program),
2.*as one or two of the courses listed below as Elective Courses, or
3.*as part of overseas study courses offered by other USF colleges and other universities.
*Elective courses under options (2) and (3) will be chosen in consultation with the Coordinator and an Advisory Committee.

Western European study and travel allows students to concentrate on one of the areas of electives. Students may want to use overseas experience credits to fulfill their summer enrollment requirement.

A structured alternative experience in the United States may be substituted for the Overseas Experience. The Certificate accepts IDS 4955 or 4956 (Off-Campus Term Special Project) or any of the courses listed below as Elective Courses for credit for this requirement. Coordinator, Advisory Committee and student will tailor the experience to fit the student's individual needs.

B. English
ENL 3230 British Literature 1616-1780
ENL 3251 British Literature 1780-1900
ENL 3273 British Literature 1900-1945
ENL 3331 Early Shakespeare
ENL 3332 Late Shakespeare
LIT 3102 Literature of the Western World II Since the Renaissance

C. History
EUH 3142 Renaissance and Reformation
EUH 3202 History of 17th and 18th Century Europe
EUH 3205 History of 19th Century Europe
EUH 3206 History of 20th Century Europe
EUH 3461 German History to 1870
EUH 3462 German History 1870 to Present
EUH 3501 British History to 1688
EUH 3502 British History 1688 to Present
HIS 3930 Special Topics
HIS 4900 Directed Reading

D. Humanities and Cultural Studies
HUM 4437 Italian Renaissance Culture
HUM 4438 Northern Renaissance Culture
HUM 4440 Arts and Letters in the 17th and 18th Centuries
HUM 4442 Arts and Letters of the Romantic Period
HUM 4444 19th Century European Arts and Letters
HUM 4445 20th Century European Arts and Letters
HUM 4905 Directed Study
HUM 4941 Study on Location

E. Government and International Affairs
CPO 4930 Comparative Government and Politics
INR 3955 Overseas Study
INR 4900 Directed Readings
INR 4910 Directed Research
INR 4931 Selected Topics
POS 3931 Selected Topics
POS 4905 Independent Study
POT 4054 Modern Political Theory

F. World Languages
(Note: the student should take courses from the list below after completing the two additional semesters of the foreign language requirement (see I) or, if already advanced in a language, with the instructor’s approval. These courses are generally taught in the target language."

FRENCH
FRE 3230 Reading in French Literature and Culture
FRE 3440 French for Business
FRE 3500 French Civilization
FRW 4100 Introduction to French Novel
FRW 4101 Introduction to French Drama and Poetry
FRE 4905 Directed Study
FRE 4930 Selected Topics
GERMAN
GER 3500 German Civilization
GET 3100 German Literature in English
GET 3290 Fantastic Films of Early German Cinema
GEW 4100 Survey of German Literature I
GEW 4101 Survey of German Literature II
GEW 4900 Directed Study
GEW 4930 Selected Topics

ITALIAN
ITW 4100 Survey of Italian Literature I
ITW 4101 Survey of Italian Literature II
ITW 4905 Directed Study

SPANISH
SPN 3440 Spanish for Business
SPN 3441 Advanced Spanish for Business Writing
SPN 3500 Spanish Civilization
SPW 3030 Introduction to Hispanic Literature
SPW 4100 Survey of Spanish Literature I
SPW 4101 Survey of Spanish Literature II
SPW 4900 Directed Study
SPW 4930 Selected Topics

G. Philosophy
PHH 3420 History of Philosophy
PHH 4440 Continental Philosophy
PHM 4331 Modern Political Philosophy
PHP 3786 Existentialism
PHP 4410 Kant
PHP 4740 The Rationalists
PHP 4745 The Empiricists

Courses not included in the above list may be included in the program if approved by the Coordinator and an Advisory Committee.

NOTE: Courses which apply to the certificate may also count toward a student's major.

CERTIFICATE IN RUSSIAN STUDIES

The College of Arts and Sciences offers this certificate through the collaboration of the Departments of World Languages, Government and International Affairs, and History. Courses from other departments may count if their subject matter has significant Russian or Eurasian content. It is designed for majors in any field who wish to gain a deeper insight into the multifaceted Russian world in contemporary and historical perspectives.

The student and the coordinator will plan the individual course of study, which requires from 23 to 25 semester hours. Students must declare their intention to be awarded the certificate by notifying the coordinator at least one full semester prior to graduation. A cumulative GPA of 3.0 in the certificate course work is required. Please contact Professor Victor Peppard at World Languages, CPR 418, phone (813) 974-2012, e-mail: peppard@cas.usf.edu or Professor Darrell Slider at SOC 381, phone (813) 974-9378, e-mail: dslider@cas.usf.edu.

Requirements

I. Language: All students are encouraged to develop their language skills to the highest possible level. Non-heritage speakers should complete at least RUS 2200 (Russian III), and heritage speakers should complete one semester of RUS 4900 Analytical Reading.

II. Required Core Courses

A. Two of the following courses:
   EUH 3575 Imperial Russia (4)
   EUH 3576 Soviet Union (4)
   EUS 3022 Russia (3)

B. One of the following courses:
   RUS 3500 Russian Civilization (3)
   RUT 3110 Russian Classics in English (3)
   RUT 3111 20th Century Russian Literature in English (3)
III. Elective Courses

HIS 3930 Selected Topics* (4)
HIS 4900 Directed Reading* (1-3)
INR 3018 World Ideologies (3)
INR 4900 Directed Readings* (1-3)
INR 4910 Directed Research* (1-3)
INR 3955 Overseas Study* (1-6)
RUS 2221 Russian IV (4)
RUS 3240 Conversation I (4)
RUS 4241 Conversation II (4)
RUS 2270 Overseas Study (1-6)
RUS 3470 Overseas Study (1-6)
RUS 4471 Advanced Overseas Study (1-6)

*When topic is defined as Russian/Eurasian or related area.

Other courses may be substituted for those listed above with approval of a Russian Studies Coordinator. Students are strongly recommended to take advantage of overseas study opportunities.

CERTIFICATE IN URBAN STUDIES

The Urban Studies Certificate offers students the opportunity to supplement their education and training with a focus on the problems and potentials of the urban world around us. Eighty percent of Americans live in one of the country’s nearly 400 major metropolitan areas. Understanding the economic, social, cultural, political and spatial phenomena of urban areas, and how they came to be, is essential if one is to thrive in today’s world. The Urban Studies curriculum begins with an interdisciplinary Introduction to Urban Studies and then weaves the multidisciplinary urban offerings into a coherent understanding of urban life. The Urban Studies Coordinator helps each student fashion a curriculum that meets his/her unique intellectual and career needs. The curriculum, through its courses and internship possibilities, focuses on the “real world,” thus providing students with a valuable foundation for their career planning and advancement. With the help of the Urban Studies Coordinator, students can design concentrations in urban planning, urban management, community development, community organizing, etc. The Certificate requires a minimum of 24 credits.

1) Core Courses (9-10 credits)

URS 3002 Introduction to Urban Studies (3)
And 2 of the following:
ANT 4442 Urban Life and Culture (3)
ARC 4784 The City (3)
ECP 3613 Economics of the Urban Environment (3)
GEO 3602 Urban Geography (4)
GEO 4604 Topics in Urban Geography (4)
POS 3142 Introduction to Urban Politics and Government (3)
SYA 4930 Selected Topics* (1-3)
SYD 4410 Urban Sociology (3)
SYD 4411 Urban Life (3)

Courses may have prerequisites within the discipline.

*Please see academic advisor for the appropriate selected topics course.

2) Methods Courses (select 1 of the following: 3-4 credits)

AFA 4350 African American Community Research (3)
ANT 4285 Oral History (3)
ANT 4495 Methods in Cultural Research (3)
CCJ 3701 Research Methods in Criminal Justice I (3)
POS 3713 Empirical Political Analysis (3)
STA 2122 Social Science Statistics (3)
SYA 3300 Research Methods (3)
SYA 3310 Qualitative Inquiry (3)
GEO 3164C Quantitative Methods (3)
GIS 3006 Computer Cartography (3)

Courses may have prerequisites within the discipline.

3) Electives (select 4 from the following list or from the CORE COURSES not counted above: minimum of 12 credits)

African Studies

AFA 4331 Social Institutions and the African-American Community (3)
AMH 3572 African American History since 1865 (3)
### Anthropology
- **ANT 4316** Ethnic Diversity in the U.S. (3)
- **ANT 4701** Applied Anthropology (3)
- **ANT 4930** Special Topics in Anthropology (3) (when applicable)

### Communication
- **SPC 3710** Communication and Cultural Diversity (3)
- **SPC 4714** Communication, Culture and Community (3)

### Criminology
- **CCJ 3003** Crime and Justice in America (4)
- **CCJ 3024** Survey of the Criminal Justice System (3)
- **CCJ 3610** Theories of Criminal Behavior (3)
- **CCJ 3621** Patterns of Criminal Behavior (3)
- **CCJ 4450** Criminal Justice Administration (3)

### Economics
- **ECO 4323** Radical Political Economy (3)
- **ECO 4504** Public Finance (3)
- **ECP 3201** Economics of Women and Work (3)
- **ECP 3203** Labor Economics (3)
- **ECP 3302** Environmental Economics (3)
- **ECP 3530** Economics of Health (3)

### Geography
- **EVR 2861** Introduction to Environmental Policy (3)
- **GEO 4471** Political Geography (4)
- **GEO 4502** Economic Geography (4)
- **GEO 4700** Transportation Geography (4)
- **URP 4052** Urban and Regional Planning (4)

### History
- **AMH 3423** Modern Florida (4)
- **AMH 3500** American Labor History (4)
- **AMH 3530** Immigration History (4)
- **AMH 3572** African American History since 1865 (3)

### Political Science
- **POS 2112** State & Local Government and Politics (3)
- **POS 3182** Florida Politics and Government (3)
- **POS 5155** Issues of Urban Government and Politics (3)

### Public Administration
- **PAD 3003** Introduction to Public Administration (3)
- **PAD 4144** Nonprofit Organizations and Public Policy (3)
- **PAD 4204** Public Financial Administration (3)
- **PAD 5333** Concepts & Issues in Public Planning (3)
- **PAD 5807** Administration of Urban Affairs (3)

### Social Work
- **SOW 3210** The American Social Welfare System (3)

### Sociology
- **SYO 3120** Sociology of Families (3)
- **SYO 3530** Social Inequalities in a Global Society (3)
- **SYD 3700** Racial and Ethnic Relations (3)
- **SYP 4111** Identity and Community (3)
- **SYP 4420** Consumer Culture (3)
- **SYP 4510** Sociological Aspects of Deviance (3)
- **SYP 4530** Sociology of Juvenile Delinquency (3)

4) Internships (1 of the following can be substituted as an ELECTIVE)
- **CCJ 4940** Internship for Criminal Justice Majors (3)
- **IDS 4942** Community Internship (3)
- **IDS 4956** International Community Internship (3)
- **POS 4941** Field Work (3)
SYA 4949 Sociological Internship (3)

CERTIFICATE IN WOMEN’S SPIRITUALITY

The Undergraduate Certificate in Women’s Spirituality is designed through the collaboration of Women’s Studies and Religious Studies for majors in any field who wish to understand women’s experiences in relation to diverse spiritualities, past and present. This program is intended for all students who have an interest in spirituality and personal growth. The Women’s Spirituality Certificate complements a wide range of undergraduate majors and professional careers. The Certificate is also valuable for non-degree seeking students interested in personal development and spiritual inquiry.

Students are required to take 15 credit hours from a list of courses approved for the certificate. Other courses would need the approval of the advisor.

Relevant Study Abroad Programs in India/Asia may be credited with at least 3 semester hours toward the certificate.

Courses (15 credits)

REL 3132 Witchcraft and Paganism in America (3)
REL 3145 Women and Religion (3)
REL 3146 Womanist Vision in Religion (3)
REL 3335 Gods and Goddesses in India (3)
REL 3391 In Search of the Goddess (3)
REL 3936 Women in Islam (3)
REL 4218 Women and the Bible (3)
REL 4930 Selected Topics* (3)
SYA 4930 Religion and Sexuality (3)
WST 4930 Selected Topics* (3)
WST 4930 Women’s Spiritual Memoirs* (3)
WST 4930 Transformations in Consciousness (3)

Other Selected Topics courses with REL and WST prefixes as approved by the advisor.

Other courses may be substituted for those listed above upon approval of the advisor in either Women’s Studies or Religious Studies.

Health Professions

The University of South Florida is an excellent location to prepare for a career in the health professions. The Veterans Administration Hospital, University of South Florida Medical Center, Shriner’s Hospital for Children, H. Lee Moffitt Cancer Center and Research Institute, University of South Florida Mental Health Institute, and University Community Hospital are within walking distance of the campus and offer students excellent opportunities for observation, research, and experience.

The College of Arts and Sciences offers programs designed to prepare students for admission to professional schools of medicine, osteopathic medicine, chiropractic medicine, dentistry, optometry, podiatry, veterinary medicine, pharmacy, physician assistant, and physical therapy. Most of these professions require four years of preprofessional preparation followed by four years of training in a professional school. A few well-prepared students with exceptional qualifications may be admitted to some professional schools as early as the completion of the junior year of preprofessional work. The preprofessional programs do not meet requirements for a degree; therefore, students must choose a major in addition to fulfilling their preprofessional requirements. Most preprofessional students major in biology, biomedical sciences, or chemistry because of their interests in the health sciences, and the considerable overlap between the preprofessional curriculum and the degree requirements for those majors. Entrance into all professional schools or programs is competitive, and students should begin establishing a record of excellence with the first semester at USF. Furthermore, it is essential that students pursue courses developing a sense of understanding of cultural and humane values as well as basic social problems. Students should also have some clinical and/or volunteer experience related to the medical field.

Students considering one of the health professions should contact the College of Arts and Sciences during the first semester at USF to declare their interest in a health professions program.

For specific information about the following programs in Florida, please see our health professions website at:
http://www.cas.usf.edu/health_professions.

- Medical
- For information regarding the USF Medical program, please visit http://hsc.usf.edu/medicine.
- Dental
- Optometry
- Physical Therapy
- For information regarding the USF Physical Therapy program, please visit http://dpt.hsc.usf.edu.
- Veterinary Medicine
Requirements for Health Professions Schools

These courses prepare students for admission to professional schools of chiropractic medicine, dentistry, medicine, osteopathic medicine, podiatric medicine, optometry, veterinary medicine, physical therapy, and pharmacy. All of these professional schools have in common the following course requirements, which should be completed by the end of the junior year, the usual time of application:

Biology
- BSC 2010, 2010L Biology I: Cellular Processes (3,1)
- BSC 2011, 2011L Biology II: Diversity (3,1)

Chemistry
- CHM 2045, 2045L General Chemistry I (3,1)
- CHM 2046, 2046L General Chemistry II (3,1)
- CHM 2210, 2210L Organic Chemistry I (3,2)
- CHM 2211, 2211L Organic Chemistry II (3,2)

Physics
- PHY 2053, 2053L General Physics I (3,1)
- PHY 2054, 2054L General Physics II (3,1)

In addition to these requirements it is generally expected that preprofessional students will complete two semesters of English and mathematics appropriate for their degree. Some schools require calculus and some require one or two courses in biochemistry. CLEP credit usually is not accepted by professional schools, and some schools do not accept AP or IB and have specific restrictions for accepting DE credits. Students should check with the school of their choice regarding acceptable acceleration credit.

Requirements for B.S. Degree for Early Admission Students

Early admission to professional school is exceptional with today’s competitive applicant pool; however, a few students may be admitted prior to completion of the bachelor’s degree through special programs.

There are no State Mandated Common Prerequisites for this degree program.

Students planning on early admission should begin studies at a 4-year institution as professional schools require at least 1 year of studies at a university prior to application. Depending upon the professional school, additional science courses may be required or strongly recommended as indicated in the preceding sections. Exposure to a health profession is also strongly recommended.

Students who are admitted to an accredited U.S. medical or dental school after completing their junior year at the University of South Florida may be awarded the B.S. degree in Biomedical Sciences from the College of Arts and Sciences subject to the following conditions:
1. Transfer of a minimum of 30 semester hours of science courses from an accredited medical or dental school.
2. Completion of a minimum of 90 semester hours of credit with a minimum grade point average of 2.0 prior to transfer to the medical or dental school.
3. Completion of the following courses with at least a C- in each course:
   Biology
   - BSC 2010, 2010L Biology I: Cellular Processes (3,1)
   - BSC 2011, 2011L Biology II: Diversity (3,1)
   - MCB 3020C General Microbiology (4)

   Plus two of the following biology courses, including at least one with a laboratory (minimum 7 semester hours):
   - PCB 3023, 3023L Cell Biology (lab optional) (3,1)
   - PCB 3063, 3063L General Genetics (lab optional) (3,1)
   - MCB 4502 Virology (3)
   - MCB 4115 Determinative Bacteriology (5)
   - MCB 5815 Medical Mycology (3)
   - PCB 4064 Experimental Genetics (3)
   - PCB 4723 Animal Physiology (3)
   - PCB 4723L Animal Physiology Lab (1)
PCB 5235 Principles of Immunology (3)  
ZOO 3323C Anatomy of Chordates (4)  
ZOO 3713 Comparative Vertebrate Anatomy (4)  
ZOO 4603 Animal Embryology (4)  
ZOO 4753C Histology (4)

Chemistry  
CHM 2045, 2045L General Chemistry I (3,1)  
CHM 2046, 2046L General Chemistry II (3,1)  
CHM 2210, 2210L Organic Chemistry I (3,2)  
CHM 2211, 2211L Organic Chemistry II (3,2)  
BCH 3023 Introductory Biochemistry (3)

Physics  
PHY 2053, 2053L General Physics I (3,1)  
PHY 2054, 2054L General Physics II (3,1)

Mathematics  
MAC 2241, MAC 2311, or MAC 2281 Calculus (4,4,4)

Plus either the second semester of a calculus sequence  
OR  
STA 2023 Introductory Statistics I (4)

4. Completion of the University’s General Education and Exit Requirements.  
5. Completion of the last 30 hours prior to transfer to a medical or dental school in residence at the University of South Florida.  
6. Application for the degree must be received no later than two years from the date of entrance into the professional school.

Students admitted to professional schools of veterinary medicine, optometry, physical therapy, or podiatric medicine prior to completion of their degree may also be able to transfer courses from the professional school and receive their bachelor’s degree. However, approval of the courses to be transferred must be obtained on an individual basis from the College of Arts and Sciences, and in some cases it may be necessary for students to complete more than 90 hours prior to leaving the University of South Florida.

TEACHER EDUCATION PROGRAMS

The College of Arts and Sciences offers B.A. and M.A. degree programs for secondary school teachers and the M.A. degree for junior college teachers.

B.S. Degree Programs for Secondary School Teachers

The College of Arts and Sciences, in cooperation with the College of Education, offers degree programs in Mathematics, Biology, Chemistry, Physics, English, Foreign Language and Social Science Education. Prospective students should consult the College of Education portion of this catalog under the heading, Department of Secondary Education for degree requirements.

• AFRICANA STUDIES (AFA)

Africana Studies is a liberal arts program offering a major, a minor, and a certificate. This program provides all students with the opportunity to study the history, culture and lived experiences of people of African descent in the United States, Africa, the Caribbean, and elsewhere; study the influence of Africa and people of African descent on world and U.S. thought, culture, and politics; study the social construction and consequences of race and racism; develop needed critical thinking skills to address the often narrow and Eurocentric bias in the current knowledge base; and examine their personal experiences, prejudices, and potential contributions in a multi-racial, multi-cultural society.

Students who major or minor in Africana Studies have the option of emphasizing African American Studies, African Studies, or African and African Diaspora Studies (including the Caribbean). In addition to the minor, students have the option of earning an Undergraduate Certificate in Africana Literatures. Admission to the Africana Studies major, minor, or Certificate is open to all students who have been duly admitted to the University of South Florida.

Prerequisites (Recommended Prerequisites) for Students Transferring from a Florida College System Institution:

The department encourages students to complete the A.A. degree at a Florida College System institution. Some courses required for the major may also meet General Education Requirements, thereby transferring maximum hours to the University.
If you transfer with fewer than 60 semester hours of acceptable credit, you must meet the University’s entering first-year student requirements, including ACT or SAT test scores, GPA, and course requirements. Students are encouraged to complete the following prerequisites, or major, support, or elective courses if available, during the program of study at the community college, and when feasible, in General Education/Gordon Rule courses.

AFA 2000 Introduction to the Black Experience in Africa & Its Diaspora 3
AFS 2250 Culture and Society in Africa 3
AMH 3571 African-American History I 3
AMH 3572 African-American History II 3

There are no State Mandated Common Prerequisites for this degree program.

Please be aware of the immunization, foreign language, and continuous enrollment policies of the University. This is a non-limited access program with the above courses recommended.

Requirements for the Major in Africana Studies

Beyond the recommended prerequisites, the major in Africana Studies consists of a minimum of 36 hours:

Major requirements for the B.A. Degree (36 Credit Hours)

Core Courses:
   AFA 2000 Introduction to the Black Experience in Africa and its Diaspora (3)
   AFH 3100 African History to 1850 (3)
   AFH 3200 African History since 1850 (3)
   AMH 3571 African-American History to 1865 (3)
   AMH 3572 African-American History since 1865 (3)

Within the 21 remaining credit hours, students may choose to emphasize African American Studies, African Studies or African and African Diaspora Studies (including the Caribbean). Students should speak with a departmental advisor regarding this aspect of their program.

Requirements for the Minor in Africana Studies

Major requirements for the Minor (18 Credit Hours)

Core Courses:
   AFA 2000 Introduction to the Black Experience in Africa and its Diaspora (3)
   AFH 3100 African History to 1850 (3) OR AFH 3200 African History since 1850 (3)
   AMH 3571 African-American History to 1865 (3) OR AMH 3572 African-American History since 1865 (3)

As with the major, students may choose to develop within the 9 remaining credit hours an area of emphasis in African American Studies, African Studies, or African and African Diaspora Studies (including the Caribbean). Please meet with a departmental advisor regarding this aspect of your program.

• ANTHROPOLOGY (ANT)

Anthropology aims at comprehending people as biological and social beings. It is concerned with all forms of people through time and space. One consequence of this broad-ranging view is the presence within anthropology of four branches: archaeology, biological anthropology, cultural anthropology, and linguistics. Exposure to anthropological information and the cross-cultural perspective produces heightened sensitivity in the student to the world about him/her. This helps the student to adopt an intellectual posture of disciplined skepticism with respect to any scheme that purports to define and account for regularities in human life.

The Department of Anthropology is concerned with applying anthropological knowledge, theory, method, and perspectives to problems of contemporary society. Illustrative areas of activity include human services needs assessment, program planning and evaluation, public archaeology, social and environmental impact assessment, public policy analysis, and applied linguistics.

In 1986 the department instituted an honors program to provide its best students with an opportunity to engage in a significant academic experience. Outstanding seniors may participate in a year-long course of study and original research in an area of their choosing under the guidance of a faculty mentor.

Students majoring in other fields may find anthropology coursework an exciting and valuable supplement to their primary academic interest. A minor in anthropology has been developed with this purpose in mind. The minor program is structured to allow the student maximum flexibility in course selection within a broadly defined progression of anthropological concerns. Thus, the student is able to tailor a minor in anthropology to best suit special wants and needs in the context of an overall curriculum.

For additional information about the department please visit our web site: http://www.cas.usf.edu/anthropology/index.html.
Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution:

Students wishing to transfer to USF should complete the A.A. degree at a Florida College System institution. Students should complete two lower level, introductory courses (6 credit hours) in Anthropology prior to entering the university. If not taken at the community college, they must be completed before the degree is granted. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A grade of “C” is the minimum acceptable grade. If students transfer with fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements. The transfer student should also be aware of the immunization, foreign language, and continuous enrollment policies of the university.

Requirements for the Major in Anthropology

Beyond the recommended prerequisites listed above, the major in Anthropology consists of a minimum of 36 credit hours. In order to graduate, students must maintain an average best attempt 2.5 GPA in all courses counted toward the major. In addition, students must have a minimum C (2.0) grade in the senior core course ANT 4034. A C- grade is not acceptable. ANT 2000, although suggested, is not a prerequisite to intermediate level courses. ANT 2000 may, however, be included in the 36 credit hour major requirement. Students who have not taken ANT 2000 must make up the missing hours with elective coursework. ANT 3101, ANT 2410, ANT 2511 and ANT 3610 are required as intermediate level training in the main subdivisions of the field, and ANT 4034 completes the specific requirements. Majors are required to complete a minimum of 18 hours of 4000-level elective coursework, including courses from at least three of the four subfields shown below. A minimum of three (3) of these 18 credits must be selected from a list of designated methods courses. Methods courses may also be counted toward the subdivision requirement.

Required Core Courses

ANT 2410 Cultural Anthropology (3)
ANT 2511 Biological Anthropology (3)
ANT 2511L Biological Anthropology Laboratory (1)
ANT 3101 Archaeology (3)
ANT 3610 Anthropological Linguistics (3)
ANT 4034 Theories of Culture (3)

Area Electives

Archaeology
ANT 4142 Old World Archaeology (3)
ANT 4143 European Archaeology (3)
ANT 4147 Environmental Archaeology (3)
ANT 4153 North American Archaeology (3)
ANT 4158 Florida Archaeology (4)
ANT 4165 South American Archaeology (3)
ANT 4163 Mesoamerican Archaeology (3)
ANT 4172 Historical Archaeology (3)
ANT 4180 Laboratory Methods in Archaeology (2-4)
ANT 4181 Museum Methods (4)
ANT 4183C Archaeological Science (4)
ANT 4195 Fantastic Archeology (3)
ANT 4824 Archaeological Field Methods (4-12)

Biological Anthropology
ANT 4520 Forensic Anthropology (4)
ANT 4586 Prehistoric Human Evolution (3)
ANT 4587 Human Variation (3)

Anthropological Linguistics
ANT 4620 Language and Culture (3)
ANT 4750 Language and Social Interaction (3)

Cultural Anthropology
ANT 4231 Folklore (3)
ANT 4241 Magic and Religion (3)
ANT 4285 Oral History (3)
ANT 4302 Gender in Cross-Cultural Perspective (3)
ANT 4312 North American Indians (3)
ANT 4316 Ethnic Diversity in the United States (3)
ANT 4323 Mexico and Central America (3)
ANT 4340 The Caribbean (3)
ANT 4390 Visual Anthropology (3)
ANT 4432 The Individual and Culture (3)
ANT 4442 Urban Life and Culture (3)
ANT 4462 Health, Illness, and Culture (3)
ANT 4495 Methods in Cultural Research (3)
ANT 4701 Applied Anthropology (3)
ANT 4935 Rethinking Anthropology (3)
URS 3002 Introduction to Urban Studies (3)

Methods
ANT 4180 Lab Methods in Archaeology (2-4)
ANT 4181 Museum Methods (4)
ANT 4183C Archaeological Science (4)
ANT 4285 Oral History (3)
ANT 4390 Visual Anthropology (3)
ANT 4495 Methods in Cultural Research (3)
ANT 4520C Forensic Anthropology (4)
ANT 4824 Archaeological Field Methods (4-12)

Special Topics
ANT 4930 Special Topics (3)

Depending upon the specific topic, this may count toward any of the subdivisions and/or the methods requirement.

Anthropology majors are urged to become competent readers and speakers of a relevant modern foreign language (which may include American Sign Language). They are also urged to enhance their English reading, writing, speaking and critical thinking capabilities and develop their skills in computational, statistical and other forms of quantitative analysis at every opportunity. Students are encouraged to fulfill General Education and Exit requirements with courses relevant to their interests in anthropology whenever possible. In pursuit of all these goals, they should meet with the department's Undergraduate Advisor at least once each semester to discuss such topics as academic progress, future course plans, Department Honors Program, summer field schools, job opportunities, graduate education and professional careers in anthropology.

Requirements for the Minor in Anthropology
The minor in Anthropology consists of a minimum of 18 credit hours with a "C" average (2.0), distributed among three areas. Students will normally progress through these areas in the order listed below, selecting courses prerequisite or otherwise appropriate to courses desired in subsequent areas. Exceptions to this pattern must be approved by the department's undergraduate advisor. Students are urged to consult with advisor to create the most beneficial set of courses. ANT 2000, although suggested, is not a prerequisite to subsequent courses, although it may be included in the 18 credits required for the minor.
1. Intermediate-level core courses (3-6 credit hours)
   ANT 2410 Cultural Anthropology
   ANT 2511 Biological Anthropology
   ANT 3101 Archaeology
   ANT 3610 Anthropological Linguistics
2. 4000-level elective courses (9-12 credit hours)
   As described above in the listing of elective courses in archaeology, physical anthropology, anthropological linguistics and cultural anthropology.

Requirements for the Anthropology Honors Program
The purpose of the Honors Program is to provide outstanding Anthropology undergraduates with advanced, individually tailored training in areas of anthropology of interest to them. The program, operating independently of the major itself, involves a year of coursework and research culminating in the writing of an Honors thesis. Students in the second semester of their junior year, prior to completion of 90 semester hours, may apply to the program, which begins in the Fall semester. Admission is competitive, based on the student’s overall academic record (minimal 3.25 GPA overall, 3.5 GPA for USF anthropology course work), a 2-page personal statement indicating research interests, and a letter of recommendation from a member of the Department of Anthropology. Successful completion of the program requires maintenance of a 3.25 overall and a 3.5 in the major, completion of ANT 4932 (4) (Honors Seminar) with a grade of “B” or better, completion of ANT 4970 (3) (Honors Thesis) with a grade of “S,” and completion of all other requirements for graduation. See the Anthropology Department Undergraduate Advisor for further information and application forms.
• BIOLOGY (BIO/MIC)

Degrees in Biology are offered by the Department of Cell Biology, Microbiology and Molecular Biology (CMMB) and by the Department of Integrative Biology (IB). The Bachelor Science degree in Biology is offered jointly by the two departments. The two departments offer the following concentrations in the Biology Bachelor of Science degree: Cell & Molecular Biology (CMMB); Environmental Biology (IB), Integrative Animal Biology (IB), and Marine Biology (IB). Effective Fall 2010, all incoming students will be required to choose one of the concentrations listed above when declaring a major in Biology. The degree in Biology is preparatory for careers in such areas as teaching, agriculture, medicine, dentistry, conservation, and biotechnology, or for post-baccalaureate study in the various life sciences. Students enrolled in the Bachelor of Science Concentration in Cell & Molecular Biology are eligible to apply for an Accelerated BS/MS degree in Biology. This program allows B.S. majors to take graduate courses for the elective part of the Cell and Molecular Concentration and apply them to a non-thesis M.S. degree in Biology with a Concentration in Cell and Molecular Biology. Successful students can earn the M.S. degree in two additional semesters beyond the completion of the B.S. degree. More information can be found at the CMMB departmental web site (http://biology.usf.edu/cmmb/undergraduate). The accelerated BS/MS program is intended for students entering professions that do not need extensive laboratory experience but require more specialized knowledge of Cell and Molecular Biology.

The Bachelor of Science in Microbiology (MIC), offered by the CMMB, provides students with the broad range of courses necessary to qualify for certification by the National Registry of Microbiologists, American Society of Microbiology, employment in microbiology and related fields. This degree is preparatory for careers in teaching, medicine, biotechnology and post-baccalaureate study in related life sciences.

In addition to a set of courses in biology, students must have a thorough preparation in other areas of natural sciences to be competitive for jobs or for further study beyond the baccalaureate. A modern biology curriculum is built on a foundation of mathematics, chemistry and physics. Students should study the requirements listed below and then make maximum use of the vigorous advising program maintained by the departments in structuring their programs.

Minimum requirements for Majors

A student must receive a "C-" grade or better in all Department of Integrative Biology or Department of Cell Biology, Microbiology, and Molecular Biology courses and Supporting Courses in the Natural Sciences, except if they are used as Free Elective courses. This specification applies to both USF and transfer courses. D and F grades earned in attempting to satisfy major requirements will be used in calculating the GPA, except if they are removed by grade forgiveness.

Please note that some supporting science courses may require a "C" (2.0) grade or better in order to meet the next course in the sequence’s prerequisites.
Additionally, all Biology or Microbiology majors entering USF for the first time, in Fall 2009 or later, who subsequently earn 3 D and/or F grades in USF coursework for their major and/or supporting coursework will be required to change their major to a major more appropriate to their goals and academic performance. That major may not be one conferred by the Department of Chemistry, Department of Integrative Biology or Department of Cell Biology, Microbiology, and Molecular Biology.

All continuing USF students who entered USF prior to Fall 2009 and who have not earned any D or F grades in USF coursework for their major and/or supporting coursework for the major by the beginning of Fall 2009, will also be allowed 3 D and/or F grades in subsequent terms before being required to choose another major more appropriate to their goals and academic performance, and to one that is not conferred by the Department of Chemistry, Department of Integrative Biology or Department of Cell Biology, Microbiology, and Molecular Biology. Any continuing USF students who enter USF prior to Fall 2009 and who have earned greater than or equal to 1 D or F grade in USF coursework for their major and/or supporting coursework for the major by the beginning of Fall 2009, will be allowed only 2 more D and/or F grades in subsequent semesters before being required to choose another major more appropriate to their goals and academic performance, and to one that is not conferred by the Department of Chemistry, Department of Integrative Biology or Department of Cell Biology, Microbiology, and Molecular Biology.

Grade Forgiveness will NOT apply to the mandated requirement of changing major.

REQUIREMENTS FOR THE BIOLOGY B.S. MAJOR WITH A CONCENTRATION IN CELL AND MOLECULAR BIOLOGY

REQUIREMENTS FOR THE BIOLOGY B.S. MAJOR (BIO)

Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution: Students should complete the following prerequisite courses listed below at the lower level prior to entering the university. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of "C-" is the minimum acceptable grade.

BSC 1010/1010L Introduction to Biology I-Cellular Processes (with lab)
Acceptable substitutes: PCB X010, PCB X011, PCB X021, PCB X131, BSC X040, BSC 2012

BSC 1011/1011L Introduction to Biology II-Diversity (with lab)
Acceptable substitutes: ZOO X010, BOT X010, BSC X041, BOT X013

CHM 1045/1045L General Chemistry I (with lab)

CHM 1046/1046L General Chemistry II (with lab)
CHM 2210/2210L Organic Chemistry I (with lab)
   Acceptable substitutes: PHY 3043/3043L, PHY 3048/3048L, PHY 3049/3049L, or equivalent
CHM 2211/2211L Organic Chemistry II (with lab)
   Acceptable substitutes: PHY 3053/3053L, PHY 3048/3048L, PHY 3049/3049L, or equivalent
MAC X311 Calculus I
   Acceptable substitutes: MAC 2233, MAC 2253, MAC X281
MAC X312 Calculus II
   Acceptable substitutes: STA 2122, 2014, 2023, 2034, 2321 or equivalent; MAC 2234, 2254, 3282
This is a non-limited access program with the above courses recommended.

REQUIRED COURSES FOR THE BIOLOGY MAJOR - CONCENTRATION IN CELL BIOLOGY AND MOLECULAR BIOLOGY

Department of Cell Biology, Microbiology, and Molecular Biology AND Department of Integrative Biology

Minimum: 40 credit hours

1. Required Courses [29 hrs]:
   a. BSC 2010 Biology I Cellular Processes (3)
      BSC 2010L Biology I Cellular Processes Laboratory (1)
      BSC 2011 Biology II Diversity (3)
      BSC 2011L Biology II Diversity Laboratory (1)
   b. PCB 3063 General Genetics (3)
      PCB 3063L General Genetics Laboratory (1)
      PCB 3023 Cell Biology (3)
      PCB 3023L Cell Biology Laboratory (1)
      PCB 3043 Principles of Ecology (3)
      PCB 3043 Principles of Ecology Laboratory (1)
      MCB 3410 Cell Metabolism (3)
      PCB 4024 Molecular Biology of Cell (3)
      PCB 4026 Molecular Biology of Gene (3)

2. Elective courses [minimum 11 hrs.]
   PCB 3712 General Physiology (3)
   PCB 4843 Principles of Neuroscience (3)
   ZOO 4753 Human Histology and Histopathology (4)
   ZOO 4695 Developmental Biology (4)
   MCB 3020C General Microbiology (4)
   BOT 4434C Mycology (3)
   PCB 4663 Human Genetics (3)
   BSC 5420 Genetic Engineering (3)
   BSC 4458 Bioinformatics (3)
   PCB 5616 Molecular Phylogenetics (3)
   PCB 4522 Experimental Genetics (3)
   BSC 4910 Undergraduate Research (1-4)
   BSC 4933 Selected Topics (1-4)
   BSC 4905 Independent Study (1)

3. Supporting Courses in the Natural Sciences -minimum 34 credits
   a. CHM 2045 General Chemistry I (3)
      CHM 2045L General Chemistry I Laboratory (1)
      CHM 2046 General Chemistry II (3)
      CHM 2046L General Chemistry II Laboratory (1)
   b. CHM 2210 Organic Chemistry I (3)
      CHM 2210L Organic Chemistry I Laboratory (2)
      CHM 2211 Organic Chemistry II (3)
      CHM 2211L Organic Chemistry II Laboratory (2)
   c. MAC 2241 Life Sciences Calculus I (4)
      and
      MAC 2242 Life Sciences Calculus II (4)
      OR
      MAC 2281 Engineering Calculus I (4)
      and
      MAC 2282 Engineering Calculus II (4)
OR
MAC 2311 Calculus I (4)
and
MAC 2312 Calculus II (4)
STA 2023 Introductory Statistics I (4) may be substituted for any Calculus II

d. PHY 2048 General Physics I (3)
   PHY 2048L General Physics I Laboratory (1)
   PHY 2049 General Physics II (3)
   PHY 2049L General Physics II Laboratory (1)
OR
   PHY 2053 General Physics I (3)
   PHY 2053L General Physics I Laboratory (1)
   PHY 2054 General Physics II (3)
   PHY 2054L General Physics II Laboratory (1)

4. Meet all College and University requirements.

Minimum Grade for Majors
A student must receive a “C-” grade or better in all Department of Integrative Biology or Department of Cell Biology, Microbiology, and Molecular Biology courses and Supporting Courses in the Natural Sciences, except if they are used as Free Elective courses. This specification applies to both USF and transfer courses. D and F grades earned in attempting to satisfy major requirements will be used in calculating the GPA, except if they are removed by grade forgiveness.

REQUIREMENTS FOR THE BIOLOGY B.S. MAJOR WITH A CONCENTRATION IN ENVIRONMENTAL BIOLOGY

Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution: Students should complete the following prerequisite courses listed below at the lower level prior to entering the university. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of “C-” is the minimum acceptable grade.

- BSC 1010/1010L Introduction to Biology I-Cellular Processes (with lab)
  Acceptable substitutes: PCB X010, PCB X011, PCB X021, PCB X131, BSC X040, BSC 2012
- BSC 1011/1011L Introduction to Biology II-Diversity (with lab)
  Acceptable substitutes: ZOO X010, BOT X010, BSC X041, BOT X013
- CHM 1045/1045L General Chemistry I (with lab)
- CHM 1046/1046L General Chemistry II (with lab)
- CHM 2210/2210L Organic Chemistry I (with lab)
  Acceptable substitutes: PHY 3043/3043L, PHY 3048/3048L, PHY 3049/3049L, or equivalent
- CHM 2211/2211L Organic Chemistry II (with lab)
  Acceptable substitutes: PHY 3053/3053L, PHY 3048/3048L, PHY 3049/3049L, or equivalent
- MAC X311 Calculus I
  Acceptable substitutes: MAC 2233, MAC 2253, MAC X281
- MAC X312 Calculus II
  Acceptable substitutes: STA 2122, 2014, 2023, 2034, 2321 or equivalent; MAC 2234, 2254, 3282

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university.

This is a non-limited access program with the above courses recommended.

1. Required Courses for the Biology Major – Concentration in Environmental Biology – minimum 40 credit hours.

Required Courses – ECOLOGY AND BIODIVERSITY TRACK [25-26 hrs]:

a. BSC 2010 Biology I Cellular Processes (3)
   BSC 2010L Biology I Cellular Processes Laboratory (1)
   BSC 2011 Biology II Diversity (3)
   BSC 2011L Biology II Diversity Laboratory (1)

b. PCB 3043 Principles of Ecology (3)
   PCB 3043L Principles of Ecology Laboratory (1)
   PCB 3063 General Genetics (3)
   PCB 3063L General Genetics Laboratory (1)
   PCB 4674 Organic Evolution (3)
   BSC 4933 Conservation Biology (3)
c. One of the following
   BSC 4933 Plant Ecology (3) OR
   BSC 4933 Physiological Ecology (3) OR
   PCB 5307 Limnology (3) OR
   ZOO 5555C Marine Animal Ecology (4)

Required Courses – ENVIRONMENTAL MICROBIOLOGY TRACK [31-33 hrs]:

a. BSC 2010 Biology I Cellular Processes (3)
   BSC 2010L Biology I Cellular Processes Laboratory (1)
   BSC 2011 Biology II Diversity (3)
   BSC 2011L Biology II Diversity Laboratory (1)

b. PCB 3043 Principles of Ecology (3)
   PCB 3043L Principles of Ecology Laboratory (1)
   PCB 3063 General Genetics (3)
   PCB 3063L General Genetics Laboratory (1)
   MCB 3020C General Microbiology (4)
   MCB 4404 Microbial Physiology and Genetics (4)
   MCB 4404L Microbial Physiology and Genetics Laboratory (1)

c. Two of the following
   BSC 5444 Genomics (3) OR
   MCB 5655 Applied and Environmental Microbiology (3) OR
   BSC 4933 Microbiology of Waterborne Pathogens (3) OR
   BSC 4933 Ecology of Infectious Diseases (3) OR
   BSC 4933 Parasitology (3)

Required Courses – ENVIRONMENTAL PLANT BIOLOGY TRACK [26-27 hrs]:

a. BSC 2010 Biology I Cellular Processes (3)
   BSC 2010L Biology I Cellular Processes Laboratory (1)
   BSC 2011 Biology II Diversity (3)
   BSC 2011L Biology II Diversity Laboratory (1)

b. PCB 3043 Principles of Ecology (3)
   PCB 3043L Principles of Ecology Laboratory (1)
   PCB 3063 General Genetics (3)
   PCB 3063L General Genetics Laboratory (1)
   BOT 3373C Vascular Plants Form and Function (4)
   BSC 4933 Plant Ecology (3)

c. One of the following
   BOT 4152C Field Botany (3) OR
   PCB 3712 General Physiology (3) AND
   PCB 3713L General Physiology Laboratory (1)

2. Elective Courses – minimum 7-15 credit hours: Any Tampa Campus IB Biology or CMMB Biology Department course (course code prefix of BOT, BSC, ENY, MCB, PCB, or ZOO) with the exception of courses labeled as “not for major credit,” and BCH 3023 Introduction to Biochemistry (3) and BCH 3023L Introduction to Biochemistry Laboratory (2). At least eight (8) or these hours must be at the 4000 level or higher. A maximum of four (4) hours of Undergraduate Research (BSC 4910 or MCB 4910) may be applied. A minimum of 20 hours of Biology courses must be taken in residency and be applicable to the major.

3. Supporting Courses in the Natural Sciences – minimum 34 credit hours

a. CHM 2045 General Chemistry I (3)
   CHM 2045L General Chemistry I Laboratory (1)
   CHM 2046 General Chemistry II (3)
   CHM 2046L General Chemistry II Laboratory (1)

b. CHM 2210 Organic Chemistry I (3)
   CHM 2210L Organic Chemistry I Laboratory (2)
   CHM 2211 Organic Chemistry II (3)
   CHM 2211L Organic Chemistry II Laboratory (2)

c. MAC 2241 Life Sciences Calculus I (4) and
   MAC 2242 Life Sciences Calculus II (4) OR
   MAC 2281 Engineering Calculus I (4) and
   MAC 2282 Engineering Calculus II (4) OR
   MAC 2311 Calculus I (4) and
MAC 2312 Calculus II (4)  
STA 2023 Introductory Statistics I (4) may be substituted for any Calculus II  
d. PHY 2048 General Physics I (3) and  
   PHY 2048L General Physics I Laboratory (1) and  
   PHY 2049 General Physics II (3) and  
   PHY 2049L General Physics II Laboratory (1) OR  
   PHY 2053 General Physics I (3) and  
   PHY 2053L General Physics I Laboratory (1) and  
   PHY 2054 General Physics II (3) and  
   PHY 2054L General Physics II Laboratory (1)  

4. Meet all College and University requirements

Minimum Grade for Majors: A student must receive a "C-" grade or better in all Department of Integrative Biology or Department of Cell Biology, Microbiology, and Molecular Biology courses and Supporting Courses in the Natural Sciences, except if they are used as Free Elective courses. This specification applies to both USF and transfer courses. D and F grades earned in attempting to satisfy major requirements will be used in calculating the GPA, except if they are removed by grade forgiveness.

**REQUIREMENTS FOR THE BIOLOGY B.S. MAJOR WITH A CONCENTRATION IN INTEGRATIVE ANIMAL BIOLOGY**

Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution: Students should complete the following prerequisite courses listed below at the lower level prior to entering the university. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of "C-" is the minimum acceptable grade.

- **BSC 1010/1010L Introduction to Biology I-Cellular Processes (with lab)**  
  Acceptable substitutes: PCB X010, PCB X011, PCB X021, PCB X131, BSC X040, BSC 2012  
- **BSC 1011/1011L Introduction to Biology II-Diversity (with lab)**  
  Acceptable substitutes: ZOO X010, BOT X010, BSC X041, BOT X013  
- **CHM 1045/1045L General Chemistry I (with lab)**  
- **CHM 1046/1046L General Chemistry II (with lab)**  
- **CHM 2210/2210L Organic Chemistry I (with lab)**  
  Acceptable substitutes: PHY 3043/3043L, PHY 3048/3048L, PHY 3049/3049L, or equivalent  
- **CHM 2211/2211L Organic Chemistry II (with lab)**  
  Acceptable substitutes: PHY 3053/3053L, PHY 3048/3048L, PHY 3049/3049L, or equivalent  
- **MAC X311 Calculus I**  
  Acceptable substitutes: MAC 2233, MAC 2253, MAC X281  
- **MAC X312 Calculus II**  
  Acceptable substitutes: STA 2122, 2014, 2023, 2034, 2321 or equivalent; MAC 2234, 2254, 3282  

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university.

This is a non-limited access program with the above courses recommended.

1. Required Courses for the Biology Major – Concentration in Integrative Animal Biology – minimum 40 credit hours.
   **Required Courses [24 hrs]:**
   a. **BSC 2010 Biology I Cellular Processes**  
      BSC 2010L Biology I Cellular Processes Laboratory  
      BSC 2011 Biology II Diversity  
      BSC 2011L Biology II Diversity Laboratory  
   b. **PCB 3043 Principles of Ecology**  
      PCB 3043L Principles of Ecology Laboratory  
      PCB 3063 General Genetics  
      PCB 3063L General Genetics Laboratory  
   c. One of the following pairs of structure and function courses, with laboratories  
      BSC 2093C Human Anatomy and Physiology I (4) and  
      BSC 2094C Human Anatomy and Physiology II (4) OR  
      ZOO 2303 Vertebrate Zoology (3) and  
      BSC 2933 Vertebrate Zoology Laboratory (1) and  
      PCB 3712 General Physiology (3) and  
      PCB 3713L General Physiology Laboratory (1) OR  
      ZOO 3713C Comparative Vertebrate Anatomy (4) and either  
      PCB 3712 General Physiology (3) and
PCB 3713L General Physiology Laboratory (1) or
PCB 4723 Animal Physiology (3) and
PCB 4723L Animal Physiology Laboratory (1) OR
ZOO 3205C Advanced Invertebrate Zoology (4) and
PCB 3712 General Physiology (3) and
PCB 3713L General Physiology Laboratory (1) OR
ENY 3004C Introduction to Entomology (4) and
PCB 3712 General Physiology (3) and
PCB 3713L General Physiology Laboratory (1)

2. Elective Courses – minimum 16 credit hours: Any Tampa Campus IB Biology or CMMB Biology Department course (course
code prefix of BOT, BSC, ENY, MCB, PCB, or ZOO) with the exception of courses labeled as “not for major credit,” and BCH
3023 Introduction to Biochemistry (3) and BCH 3023L Introduction to Biochemistry Laboratory (2). At least eight (8) or these
hours must be at the 4000 level or higher. A maximum of four (4) hours of Undergraduate Research (BSC 4910 or MCB
4910) may be applied. A minimum of 20 hours of Biology courses must be taken in residency and be applicable to the major.

3. Supporting Courses in the Natural Sciences – minimum 34 credit hours
a. CHM 2045 General Chemistry I (3)
   CHM 2045L General Chemistry I Laboratory (1)
   CHM 2046 General Chemistry II (3)
   CHM 2046L General Chemistry II Laboratory (1)
b. CHM 2210 Organic Chemistry I (3)
   CHM 2210L Organic Chemistry I Laboratory (2)
   CHM 2211 Organic Chemistry II (3)
   CHM 2211L Organic Chemistry II Laboratory (2)
c. MAC 2241 Life Sciences Calculus I (4) and
   MAC 2242 Life Sciences Calculus II (4) OR
   MAC 2281 Engineering Calculus I (4) and
   MAC 2282 Engineering Calculus II (4) OR
   MAC 2311 Calculus I (4) and
   MAC 2312 Calculus II (4)
   STA 2023 Introductory Statistics I (4) may be substituted for any Calculus II
d. PHY 2048 General Physics I (3) and
   PHY 2048L General Physics I Laboratory (1) and
   PHY 2049 General Physics II (3) and
   PHY 2049L General Physics II Laboratory (1) OR
   PHY 2053 General Physics I (3) and
   PHY 2053L General Physics I Laboratory (1) and
   PHY 2054 General Physics II (3) and
   PHY 2054L General Physics II Laboratory (1)

4. Meet all College and University requirements

Minimum Grade for Majors: A student must receive a “C-” grade or better in all Department of Integrative Biology or Department
of Cell Biology, Microbiology, and Molecular Biology courses and Supporting Courses in the Natural Sciences, except if they
are used as Free Elective courses. This specification applies to both USF and transfer courses. D and F grades earned in
attempts to satisfy major requirements will be used in calculating the GPA, except if they are removed by grade forgiveness.

REQUIREMENTS FOR THE BIOLOGY B.S. MAJOR WITH A CONCENTRATION IN MARINE
BIOLOGY (MRN)

Requirements for Entrance into the Biology Degree with a Concentration in Marine Biology
Student applies to Marine Biology Program after meeting all entrance requirements of BIO major. In addition, a student must
have a major GPA of at least 3.0 at the time of application and maintain a major GPA of at least 3.0 throughout the program.

Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System
Institution: Students should complete the following prerequisite courses listed below at the lower level prior to entering the
university. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless
stated otherwise, a grade of “C-” is the minimum acceptable grade.

BSC 1010/1010LIntroduction to Biology I-Cellular Processes (with lab)
   Acceptable substitutes: PCB X010, PCB X011, PCB X021, PCB X131, BSC X040, BSC 2012
BSC 1011/1011LIntroduction to Biology II-Diversity (with lab)
   Acceptable substitutes: ZOO X010, BOT X010, BSC X041, BOT X013
CHM 1045/1045L General Chemistry I (with lab)
CHM 1046/1046L General Chemistry II (with lab)
CHM 2210/2210L Organic Chemistry I (with lab)
   Acceptable substitutes: PHY 3043/3043L, PHY 3048/3048L, PHY 3049/3049L, or equivalent
CHM 2211/2211L Organic Chemistry II (with lab)
   Acceptable substitutes: PHY 3053/3053L, PHY 3048/3048L, PHY 3049/3049L, or equivalent
MAC X311 Calculus I
   Acceptable substitutes: MAC 2233, MAC 2253, MAC X281
MAC X312 Calculus II
   Acceptable substitutes: STA 2122, 2014, 2023, 2034, 2321 or equivalent; MAC 2234, 2254, 3282

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university.

This is a non-limited access program with the above courses recommended.

1. Required Courses for the Biology Major — Marine Biology Concentration – minimum 40 credit hours.

   Required Courses [25 hrs]
   a. BSC 2010 Biology I Cellular Processes (3)
      BSC 2010L Biology I Cellular Processes Laboratory (1)
      BSC 2011 Biology II Diversity (3)
      BSC 2011L Biology II Diversity Laboratory (1)
   b. PCB 3043 Principles of Ecology (3)
      PCB 3043L Principles of Ecology Laboratory (1)
      PCB 3063 General Genetics (3)
      PCB 3063L General Genetics Laboratory (1)
      BSC 3312 Marine Biology (3)
      BSC 4937 Seminar in Marine Biology (2)
   c. One of the following
      BOT 3373C Vascular Plants Form and Function (4) OR
      MCB 3020C General Microbiology (4) OR
      ZOO 2303 Vertebrate Zoology (3) and
      ZOO 2933 Vertebrate Zoology Laboratory (1) OR
      ZOO 3713C Comparative Vertebrate Anatomy (4) OR
      ZOO 3205C Advanced Invertebrate Zoology (4)

2. Elective Courses – minimum 15 credit hours: Choose from courses listed in 1c, above, and/or from the following list.
   BOT 5185C Marine Botany
   BSC 4313C Advanced Marine Biology
   GIS 5049 GIS for Non-Majors
   GLY 4734 Beaches and Coastal Environments
   MCB 4404/4404L Microbial Physiology and Genetics (with laboratory)
   MCB 5655 Applied and Environmental Biology
   OCB 6050 Biological Oceanography
   OCC 6050 Chemical Oceanography
   OCE 4930 Selected Topics in Marine Science*
   OCE 6934 Selected Topics in Oceanography*
   OCG 6051 Geological Oceanography
   OCP 6050 Physical Oceanography
   PCB 4674 Organic Evolution
   PCB 3712/3713L General Physiology (with laboratory)
   PCB 4723/4723L Animal Physiology (with laboratory)
   ZOO 4513 Animal Behavior
   ZOO 5456/5456L Ichthyology (with laboratory)
   ZOO 5555C Marine Animal Ecology

   *Please see academic advisor for appropriate selected topics courses.

   A maximum of six (6) hours may be taken in courses from other departments/colleges in the list above. At least eight (8) or these hours must be at the 4000 level or higher. A maximum of four (4) hours of Undergraduate Research (BSC 4910 or MCB 4910) may be applied. A minimum of 20 hours of Biology courses must be taken in residency and be applicable to the major.

3. Supporting Courses in the Natural Sciences – minimum 34 credit hours
   a. CHM 2045 General Chemistry I (3)
      CHM 2045L General Chemistry I Laboratory (1)
      CHM 2046 General Chemistry II (3)
CHM 2046L General Chemistry II Laboratory (1)
b. CHM 2210 Organic Chemistry I (3)
   CHM 2210L Organic Chemistry I Laboratory (2)
   CHM 2211 Organic Chemistry II (3)
   CHM 2211L Organic Chemistry II Laboratory (2)
c. MAC 2241 Life Sciences Calculus I (4) and
   MAC 2242 Life Sciences Calculus II (4) OR
   MAC 2281 Engineering Calculus I (4) and
   MAC 2282 Engineering Calculus II(4) OR
   MAC 2311 Calculus I (4) and
   MAC 2312 Calculus II (4)
   STA 2023 Introductory Statistics I (4) may be substituted for any Calculus II

d. PHY 2048 General Physics I (3) and
   PHY 2048L General Physics I Laboratory (1)
   and
   PHY 2049 General Physics II (3)
   and
   PHY 2049L General Physics II Laboratory (1)
   OR
   PHY 2053 General Physics I (3)
   and
   PHY 2053L General Physics I Laboratory (1)
   and
   PHY 2054 General Physics II (3) and
   PHY 2054L General Physics II Laboratory (1)

4. Meet all College and University requirements

Minimum Grade for Majors: A student must receive a “C-” grade or better in all Department of Integrative Biology or Department of Cell Biology, Microbiology, and Molecular Biology courses and Supporting Courses in the Natural Sciences, except if they are used as Free Elective courses. This specification applies to both USF and transfer courses. D and F grades earned in attempting to satisfy major requirements will be used in calculating the GPA, except if they are removed by grade forgiveness.

Requirements for the Microbiology B.S. Major (MIC)

Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution:

Students should complete the following prerequisite courses listed below at the lower level prior to entering the university. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of “C-” is the minimum acceptable grade.

BSC X010/X010L Introduction to Biology I-Cellular Processes (with lab)
   Acceptable substitutes: PCB X010, PCB X011, PCB X021, PCB X131, BSC X040, BSC 2012
BSC X011/X011L Introduction to Biology II-Diversity (with lab)
   Acceptable substitutes: ZOO X010, BOT X010, BSC X041, BOT X013
CHM X045/X045L General Chemistry I (with lab)
CHM X046/X046L General Chemistry II (with lab)
CHM X210/X210L Organic Chemistry I (with lab)
   Acceptable substitutes: PHY 3043/3043L, PHY 3048/3048L, PHY 3049/3049L, or equivalent
CHM X211/X211L Organic Chemistry II (with lab)
   Acceptable substitutes: PHY 3053/3053L, PHY 3048/3048L, PHY 3049/3049L, or equivalent
MAC X311 Calculus I
   Acceptable substitutes: MAC 2233, MAC 2253, MAC

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

Required Courses for the Microbiology Major

1. Department of Cell Biology, Microbiology, and Molecular Biology Courses-minimum 42 credit hours
   a. Foundational courses
      BSC 2010 Biology I Cellular Processes (3)
      BSC 2010L Biology I Cellular Processes Laboratory (1)
BSC 2011 Biology II Diversity (3)
BSC 2011L Biology II Diversity Laboratory (1)

b. Core courses
PCB 3023 Cell Biology (3)
PCB 3023L Cell Biology Laboratory (1)
PCB 3063 General Genetics (3)
MCB 3410 Cell Metabolism (3)
MCB 3020C General Microbiology (4)

c. Advanced courses
i. Complete all of the following:
   MCB 4115C Determinative Bacteriology (5)
   MCB 4320 Molecular Microbiology (3)
ii. Complete Twelve (12) hours from the following list:
   BSC 4905 Independent Study* (1)
   BSC 4933 Selected Topics in Biology* (1-4)
   BSC 5931 Selected Topics in Biology* (1-4)
   BOT 4434C Mycology (3)
   MCB 4503 Virology (3)
   MCB 4313 Industrial Microbiology (3)
   MCB 4905 Microbiology Undergraduate Research (1-4)
   MCB 4934 Seminar in Microbiology (1)
   MCB 5206 Public Health and Pathogenic Microbiology (3)
   MCB 5655 Applied and Environmental Biology (3)
   MCB 5815 Medical Mycology (3)
   PCB 4234 Principles of Immunology (3)
   BCH 3023 Introductory Biochemistry (3)
   BCH 3023L Basic Biochemistry Laboratory (2)
   MCB 4404 Microbial Physiology and Genetics (4)
   MCB 4404L Microbial Physiology and Genetics Laboratory (1)
   MCB 5206 Public Health and Pathogenic Microbiology (3)
   MCB 5655 Applied and Environmental Biology (3)
   MCB 5815 Medical Mycology (3)
   *Please see an Academic Advisor for appropriate selected topics courses.
iii. A maximum of four (4) credit hours of Undergraduate Research (MCB 4910) may be applied.
iv. A minimum of 20 hours of Biology courses must be taken in residency and be applicable to the major.

2. Supporting Courses in the Natural Sciences-minimum 34 credit hours
a. CHM 2045 General Chemistry I (3)
   CHM 2045L General Chemistry I Laboratory (1)
   CHM 2046 General Chemistry II (3)
   CHM 2046L General Chemistry II Laboratory (1)
b. CHM 2210 Organic Chemistry I (3)
   CHM 2210L Organic Chemistry I Laboratory (2)
   CHM 2211 Organic Chemistry II (3)
   CHM 2211L Organic Chemistry II Laboratory (2)
c. MAC 2241 Life Sciences Calculus I (4)
   and
   MAC 2242 Life Sciences Calculus II (4)
   OR
   MAC 2281 Engineering Calculus I (4)
   and
   MAC 2282 Engineering Calculus II (4)
   OR
   MAC 2311 Calculus I (4)
   and
   MAC 2312 Calculus II (4)
   STA 2023 Introductory Statistics I (4)
   may be substituted any Calculus II
   OR
   PHY 2048 General Physics I (3)
   PHY 2048L General Physics I Laboratory (1)
   PHY 2049 General Physics II (3)
   PHY 2049L General Physics II Laboratory (1)

OR

PHY 2053 General Physics I (3)
PHY 2053L General Physics I Laboratory (1)
PHY 2054 General Physics II (3)
PHY 2054L General Physics II Laboratory (1)

3. Meet all College and University requirements.

• CHEMISTRY (CHS/CHM/BMS/INS/MET)

The Department of Chemistry awards five degrees at the baccalaureate level: the Bachelor of Arts in Chemistry and, four Bachelor of Science degrees, in Chemistry, Biomedical Sciences, Interdisciplinary Natural Sciences, and Medical Technology. The Bachelor of Arts in Chemistry is also offered with an emphasis in Biochemistry or an emphasis for Health Professions. The Chemistry Department also awards three degrees at the graduate level, a non-thesis Master of Arts, the Master of Science and the Doctor of Philosophy. Each of the graduate degrees offers specialization in the areas of analytical chemistry, biochemistry, inorganic chemistry, organic chemistry and physical chemistry. The chemistry faculty is comprised of 28 full time members all of whom hold the Ph.D. degree. The combination of a large and strong faculty with a wide variety of courses and electives provides students with programs of study which can be tailored to fit individual needs while maintaining a sound background in all general aspects of chemistry.

Majors in chemistry are well prepared to enter a wide range of chemical careers as well as many interdisciplinary activities that are the hallmark of modern science and technology. These include teaching and research in academic, government and private settings, bio medical research and clinical practice, environmental activities, materials science, law, business and other professions. The Bachelor of Science is particularly designed for students wishing to continue with graduate training in chemistry and closely allied disciplines and graduates are certified for membership in the American Chemical Society. The Bachelor of Arts provides opportunities for curricula individually tailored to meet many career objectives.

General Requirements for the Majors in Chemistry

The required sequence of Chemistry courses should be started immediately in the freshman year; the mathematics and physics requirements should be completed before the junior year as preparation for CHM 4410 Physical Chemistry I (B.S. degree), courses which is to be taken in the third year. CHM 4410 is a prerequisite to other advanced courses required for the B.S. degree in chemistry. CHM 4060 “Use of Chemical Literature” also is a prerequisite to several B.S. degree courses.

A grade of C or better is required in each chemistry course and each supporting course specified for a chemistry degree. All courses in a chemistry program must be taken with letter grade (A, B, C, D, F, I) except those courses which are graded S/U only. Nine hours of upper level chemistry courses must be completed at USF for the Bachelor of Arts in Chemistry and the Bachelor of Science in Chemistry degree. Twelve hours of upper level major applicable courses must be completed at USF for the INS degree. Twelve credit hours of major-applicable upper-level natural science courses must be completed at USF which includes seven credits of Chemistry coursework applicable to the BMS major.

FKL or Liberal Arts Requirement. The student is required to complete the university’s Liberal Arts Requirement. Chemistry and Mathematics courses required for chemistry degrees satisfy the Liberal Arts requirements in the areas of Natural Science and Quantitative Methods.

Free Electives. Courses over and above the required courses should be taken to complete a 120 hour program. Recommended courses are listed in the degree requirements below. Additional courses in computer programming, economics, management, engineering, statistics, writing, and other applied disciplines are strongly recommended to strengthen the degree for subsequent professional employment.

Transfer Credit: It is strongly recommended that students transferring from community/junior colleges to the University of South Florida complete whole sequences of chemistry courses, such as general and organic chemistry, before the transfer. Even though courses may carry the same common course number, topics may vary sufficiently from school to school.

D/F Policy: The following three departments, the Department of Chemistry, the Department of Cell Biology, Microbiology and Molecular Biology and the Department of Integrative Biology will be instituting a new procedure to provide students with the best opportunity to progress toward their degree requirements.

Beginning Fall 2009, the following D and/or F grade rules will apply for students to continue in all of the following majors:

Biomedical Sciences
Biology (including the marine science concentration)
Microbiology
Chemistry (BA, BS)
Medical Technology
and
Pre-medical sciences students (PMS) who have not yet declared a major

• All students entering USF for the first time, in Fall 2009 or later, who subsequently earn 3 D and/or F grades in USF coursework for their major and/or supporting coursework for the major (i.e. Math, Biology, Chemistry and Physics) will be required to change their major to a major more appropriate to their goals and academic performance, and to a major that is not conferred by the
Department of Chemistry, Department of Integrative Biology or Department of Cell Biology, Microbiology, and Molecular Biology.

• All continuing USF students who entered USF prior to Fall 2009 and who have not earned any D or F grades in USF coursework for their major and/or supporting coursework for the major (i.e. Math, Biology, Chemistry and Physics) by the beginning of Fall 2009, will also be allowed 3 D and/or F grades in subsequent terms before being required to choose another major more appropriate to their goals and academic performance, and to one that is not conferred by the Department of Chemistry, Department of Integrative Biology or Department of Cell Biology, Microbiology, and Molecular Biology.

• All continuing USF students who entered USF prior to Fall 2009 and who have earned > 1 D or F grade in USF coursework for their major and/or supporting coursework for the major (i.e. Math, Biology, Chemistry and Physics) by the beginning of Fall 2009, will be allowed only 2 more D and/or F grades in subsequent terms before being required to choose another major more appropriate to their goals and academic performance, and to one that is not conferred by the Department of Chemistry, Department of Integrative Biology or Department of Cell Biology, Microbiology, and Molecular Biology.

Grade Forgiveness will NOT apply to the mandated requirement of changing majors.

Appeals to the required change of major will be handled in the department of the student’s major and ONLY those students whose appeal is based on exceptional circumstances will be considered.

Advisors in the College of Arts and Sciences Undergraduate Studies Office, BEH 201 (974-6957), will be available to assist students in the selection of a new major within the College.

Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution:

Students should complete the following prerequisite courses listed below at the lower level prior to entering the university. These include two semesters each of General Chemistry lecture and lab, Organic Chemistry lecture and lab, Calculus, and General Physics lecture and lab. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

CHM X045/X045L General Chemistry I (with lab) or CHM 1040&1041, or 1045C, or 1045E
CHM X046/X046L General Chemistry II or CHM 1046C, or 1046E
MAC 2311 Calculus I or MAC 2281 Eng Calculus I
MAC 2312 Calculus II or MAC 2282 Eng Calculus II

CHM 2210/2210L Organic Chem I & Lab or CHM 2210C
CHM 2211/2211L Organic Chem II & Lab or CHM 2211C

OR
PHY 2048/2048L Gen Physics I & Lab or PHY 2048C, or PHY 2053C
PHY 2049/2049L Gen Physics II & Lab or PHY 2049C, or PHY 2054C

BA in Chemistry (CHM)

The B.A. degree in Chemistry provides a course of study for students whose careers will require a thorough understanding of chemistry required for a variety of professional activities such as in health related professions, science teaching, business, law and other areas. Inherent in this program is a high degree of flexibility which permits tailoring a course of study to the student’s own educational objectives. The B.A. student whose goals change in the direction of graduate study should supplement this curriculum by addition and/or substitution of a selection of advanced courses from the B.S. program. Prerequisites are included in the list below.

Required Chemistry Courses (33 credit hours)

CHM 2045 General Chemistry I (3)
CHM 2045L General Chemistry I Lab (1)
CHM 2046 General Chemistry II (3)
CHM 2046L General Chemistry II Lab (1)
CHM 2210 Organic Chemistry I (3)
CHM 2210L Organic Chemistry I Lab (2)
CHM 2211 Organic Chemistry II (3)
CHM 2211L Organic Chemistry II Lab (2)
CHM 3120C Elementary Analytical Chemistry I (4)
CHM 3610 Intermediate Inorganic Chemistry I (3)
CHM 3610L Intermediate Inorganic Chem. I Lab (1)
CHM 4410 Physical Chemistry I (4)
CHM 4413 Biophysical Chemistry (3)
Required Chemistry Electives (6 credit hours)

3000 level or above; may include not more than 1 hour of CHM 4970.
Suggested courses: BCH 3023, BCH 3023L, CHS 4300, CHM 4060, CHM 4070, CHM 4130, CHM 4411, CHM 4410L, CHM 4611, CHM 4970, CHM 4932*, CHS 4301L.

*Content varies each semester.

BA in Chemistry, emphasis in Biochemistry (CHM)

The Chemistry B.A. offers a unique opportunity for students to pursue later studies and/or professional emphasis in Biochemistry and Biotechnology along with a strong foundation in the chemical knowledge and skills that are essential to these areas. The following schedule of courses meets the requirements for a B.A. in Chemistry and provides core courses in other disciplines basic to biochemistry and biotechnology. Prerequisites are included in the list below.

Required Chemistry Courses (30 credit hours)

<table>
<thead>
<tr>
<th>Course</th>

*BSC 2011, 2011L are required as pre-requisites to this course.
Other suggested electives important for advanced studies in biochemistry: CHM 4932*, CHM 4070, PCB 3063, PCB 5235, PCB 5525, STA 2023, MCB 3020, MCB 4502, PCB 4253, PCB 5845, EVR 2001.

*Content varies each semester.

**BA in Chemistry, emphasis for Health Professions (CHM)**

A chemistry core is essential for preparation for medical, dental, veterinarian and other health related professions. The B.A. in Chemistry includes this core as well as the flexibility to incorporate the other science courses required for admission to programs in the health professions. The course of study outlined below incorporates the goals for health related careers. Prerequisites are included in the list below.

*Content varies each semester.

**BS in Chemistry (CHS)**

The Bachelor of Science in Chemistry is a rigorous program that supplies the foundation in chemistry required for both the student who begins a chemical vocation immediately upon graduation as well as the one who pursues advanced study in chemistry or related areas. In accord with this goal, the curriculum for the B.S. degree in Chemistry meets the requirements for degree certification by the American Chemical Society. Because of the strong base developed in this curriculum, the B.S. in Chemistry also provides entry into other chemistry related advanced studies. Prerequisites are included in the list below.

**Required Chemistry Courses** (50 credit hours)

<table>
<thead>
<tr>
<th>Course Code</th>

CHM 4611 Advanced Inorganic Chemistry (3)

Required Supporting Courses (20-23 credit hours)

MAC 2311 (4)  or  MAC 2281 (3)
MAC 2312 (4)  or  MAC 2282 (3)
MAC 2313 (4)  or  MAC 2283 (3)
PHY 2048 (3)  or  PHY 2049 (3)
PHY 2048L (1)  or  PHY 2049L (1)

Required natural science or engin. elective (3-6 hours)
1 - 3000 level course (PHY 3101, MAP 4302 suggested)
or

Other suggested chemistry electives: CHM 4970, BCH 3023L, CHM 4070, CHM 4413, CHM 4932*.

*Content varies each semester.

Minor in Chemistry

Minimum of 24 total hours. Eight hours of approved Chemistry coursework must be completed at USF. Students apply for a minor when submitting a graduation application (i.e., there is no need to “declare” a minor).

Chemistry, Biomedical Sciences, Interdisciplinary Natural Sciences, and Medical Technology majors are not eligible for the minor in Chemistry.

Required Chemistry Courses (14 credit hours)

CHM 2045 General Chemistry I (3)
CHM 2045L General Chemistry I Lab (1)
CHM 2046 General Chemistry II (3)
CHM 2046L General Chemistry II Lab (1)
CHM 2210 Organic Chemistry I (3)
CHM 2210L Organic Chemistry I Lab (2)
CHM 4060 Use of Chemical Lit. (1)

Chemistry Electives (Minimum 10 hours)

Choose 10 hours of structured classes, applicable to the major. Chemistry courses used to satisfy a major requirement cannot be used toward a minor in Chemistry.

NOTE: In all laboratory classes the lecture is PR/CR.

BCH 3023 Introductory Biochemistry (3)
BCH 3023L Basic Biochemistry Lab (2)
CHM 2211 Organic Chemistry II (3)
CHM 2211L Organic Chemistry II Lab (2)
CHM 3120C Elementary Analytical Chemistry (4)
CHM 3610 Intermediate Inorganic Chemistry (3)
CHM 3610L Intermediate Inorganic Chem. Lab (1)
CHM 4300 Biomolecules (3)
CHM 4410 Physical Chemistry I (4)
CHM 4410L Physical Chemistry Laboratory (1)
CHM 4411 Physical Chemistry II (4)
CHM 4413 Biophysical Chemistry (3)
CHM 4932 Selected Topics in Chemistry* (1-3)
CHS 4300 Fund. Clinical Chemistry (3)

*Note: CHM 4932 content varies each semester. Recent topics include: Medicinal Chemistry, Applied Spectroscopy, NMR, Toxic Substances, Natural Products, Antibiotics, Analytical Environmental Methods, Chemistry of Materials, Polymer Chemistry, Spectroscopy, & Computer in Chemistry.

**BIOMEDICAL SCIENCES (BMS)**

Biomedical Sciences is designed to fulfill the major requirements for professional schools in the Health Sciences (e.g. Medicine, Pharmacy, Medicine, Dentistry). Students contemplating graduate study should pursue a major in the discipline of their interest, such as Biology, Chemistry, or Microbiology. A grade of C or better is required for science and mathematics courses and each supporting course for the Major.

**Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution:**

Students should complete the following prerequisite courses listed below at the lower level prior to entering the university. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

- BSC X010, X010L & BSC X011, X011L Biology I and II with Lab 8
- CHM X045 & CHM X045L General Chemistry & Lab 4
- CHM X046 & CHM X046L General Chemistry II & Lab 4
- CHM X210 & CHM X210L Organic Chemistry & Lab 4
- CHM X211 & CHM X211L Organic Chemistry II & Lab 4
- PHY X053 & X053L General Physics I & Lab 4
- or
- BSC X093 Human Anatomy & Physiology I 4
- PHY X054 & X054L General Physics II & Lab 4
- or
- BSC X094 Human Anatomy & Physiology II 4
- and
- MAC X241 Life Sciences Calculus 4
- or
- MAC X311 Calculus I 4
- and
- MAC X242 Life Sciences Calculus II 4
- or
- MAC X312 Calculus II 4
- or
- STA X023 Introductory Statistics I 3
- or
- STA X122 Social Science Statistics 3
- or
Equivalent

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

**Tier 1 - Required Biology and Chemistry Courses:**

**Biology:**
- BSC 2010 Biology I - Cellular Processes (3)
- BSC 2010L Biology I Lab (1)
- BSC 2011 Biology II - Diversity (3)
- BSC 2011L Biology II Lab (1)

**Chemistry:**
- CHM 2045 General Chemistry I (3)
- CHM 2045L General Chemistry I Lab (1)
- CHM 2046 General Chemistry II (3)
- CHM 2046L General Chemistry II Lab (1)
CHM 2210 Organic Chemistry I (3)
CHM 2210L Organic Chemistry I Lab (2)
CHM 2211 Organic Chemistry II (3)
CHM 2211L Organic Chemistry II Lab (2)

**Required Supporting Courses:**

**Mathematics:**
- MAC 2241 Life Sciences Calculus I (4)
- MAC 2242 Life Sciences Calculus II (4)

**or**
- STA 2023 Introductory Statistics (4)

*MAC 2311 and MAC 2312 are also acceptable for the major.
*MAC 2281 and MAC 2282 are also acceptable for the major

**Physics:**
- PHY 2053 General Physics I (3)
- PHY 2053L General Physics I Lab (1)
- PHY 2054 General Physics II (3)
- PHY 2054L General Physics II Lab (1)

*Students may substitute Human Anatomy or Physiology I and II (BSC 2093C & 2094C or BSC 2085, 2085L & BSC 2086, 2086L) for Physics I & II

**Tier 2 - Required Biomedical Electives:**

### INTERDISCIPLINARY NATURAL SCIENCES (INS)

The Interdisciplinary Natural Science degree serves the academic and career goals of undergraduate students who seek a broad education in the Natural Sciences (Biology, Chemistry, Physics, Mathematics, Geology).

For information on teacher certification in science or mathematics, prospective teachers should consult the section entitled Teacher Education Programs and also consult the College of Education section of the catalog. A grade of C or better is required for all sciences and mathematics requirements listed below, and those specific to USF.

#### Prerequisites (Recommended Prerequisites) for Students Transferring from a Florida College System Institution:

Students wishing to transfer to USF should complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. If students transfer with fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

There are no State Mandated Common Prerequisites for this degree program.

Students are encouraged to complete as many of the following courses as possible, during the program of study at the community college, and when feasible in General Education/Gordon Rule courses. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

- Biology I and Biology II
  - (BSC 2010, 2010L, BSC 2011, 2011L) 8
- Calculus
  - (MAC 2241, MAC 2242 or MAC 2311, MAC 2312 or MAC 2281 and MAC 2282) 8
  - STA 2023 could be substituted for Calculus II
- General Chemistry
  - (CHM 2045, CHM 2045L, CHM 2046, CHM 2046L) 8
- General Physics
  - (PHY 2053, PHY 2053L, PHY 2054, PHY 2054L or PHY 2048, PHY 2048L, PHY 2049, PHY 2049L) 8
- Introduction to Physical Geology and History of the Earth and Life
  - (GLY 2010, GLY 2000L, GLY 2100, GLY 2100L) 8

### Requirements for the Major in Interdisciplinary Natural Sciences

Coursework required for Interdisciplinary Natural Science majors:

**TIER 1**

Two introductory courses in each of 5 natural sciences areas (Math, Physics, Chemistry, Biology, Geology) totaling 40 hours:

- **Calculus I and II**
  - (MAC 2241, 2242 or MAC 2311, 2312 or MAC 2281, 2282)
  - (STA 2023 could be substituted for Calculus II)
- **Biology I and II**
  - (BSC 2010, 2010L and BSC 2011, 2011L)
- **General Chemistry I and II**
  - (CHM 2045, 2045L and CHM 2046, 2046L)
Geology I and II  
(GLY 2010, 2000L and GLY 2100, 2100L)

Physics I and II  
(PHY 2053, 2053L, 2054, 2054L, or PHY 2048, 2048L, 2049, 2049L)

**TIER 2**

At least 8 hours of structured, upper division (3000 level or higher) courses in three of the five natural sciences areas, totaling 24 hours. All Tier 2 courses in the sciences will be selected by the individual student, but must be chosen from the list of courses approved for department Major credit.

**Residency**

At least 12 of the 24 hours at Tier 2 must be taken at USF.

**MEDICAL TECHNOLOGY (MET)**

The University of South Florida offers a four year program leading to the Bachelor of Science degree in Medical Technology. The first three years are completed on campus; the fourth year (12 months) is completed at one of three affiliated hospitals in Florida, located in Tampa, Orlando, and Jacksonville. Admission to the fourth year is limited by the number of openings in affiliated hospitals and, at the present time, is competitive. Selection for the clinical program is made by the hospitals and students not admitted to a clinical program may need to select an alternate degree. Generally, hospitals require a minimum GPA of 2.5, and our students admitted to clinical programs in recent years have had a mean GPA of about 3.0.

All courses required for admission to the clinical program must be completed prior to beginning the clinical year. These requirements include:

1. A minimum of 90 semester hours (excluding physical education.)
2. All university FKL Liberal Arts requirements.
4. All sciences and mathematics requirements listed below, including Common Prerequisites and those specific to USF, with a “C” or higher in each course.

**Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution:**

Students wishing to transfer to USF should complete the A.A. degree at a Florida College System institution. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A student who transfers with fewer than 60 semester hours of acceptable credit must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements. The transfer student should also be aware of the immunization, foreign language, and continuous enrollment policies of the university.

Students should complete the following **prerequisite courses** listed below at the lower level prior to entering the university. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of “C” is the minimum acceptable grade. They may be completed at a Florida College System institution or other institution or at USF.

1) General Biology I with lab  
(e.g. BSC1010C, BSC1011C, BSC1010/1010L, BSC 1011/1011L, BSC 2010/2010L, PCB 2131/2131L, BSC 2011/2011L, ZOO 2010, ZOO 1010)

2) Human Anatomy and Physiology I with lab  
(e.g. BSC 1085/1085L, BSC 1085C, BSC 1093, BSC 2093C, BSC 2085/2085L, BSC 1011C, BSC 2011, PCB 4703, PCB 3703, PCB 3702, PCB 3702.3.4 (student’s choice of one of these three labs), PCB 3703C, BSC 2085C, BSC 2023C)

3) Human Anatomy and Physiology II with lab  
(e.g. BSC 1086/1086L, BSC 1086C, BSC 2094C, ZOO 3732C, ZOO 3731, PCB 3124C, PCB 2131, BSC 1094, BSC 2096, BSC 2011, PCB 2510/2510L, BSC 2086C)

4) General Microbiology with lab  
(e.g. MCB 3020/3020L, MCB 2013/2013L, MCB 2013C/2013L, MCB 3023/3023L, MCB 3020C, MCB 2010/2010L)

5) General Chemistry I with lab  
(e.g. CHM 1045/1045L, CHM 1045C, CHM 2045/2045L)

6) General Chemistry II with lab  
(e.g. CHM 1046/1046L, CHM 1046C, CHM 1040/1040L, CHM 1041/1041L, CHM 1046E/1046L, CHM 2046/2046L)

7) Organic Chemistry I with lab  
(e.g. CHM 2210/2210L, CHM 2010/2010L, CHM 2210C, CHM 3210)

8) Organic Chemistry II with lab  
(e.g. CHM 2211/2211L, CHM 2110/2111L, CHM 2211C, CHM 3211/3211L, CHM 3120/3120L, CHM 2120/2120L, CHM 2120C, CHM 3120C)
Statistics (3-4)
(e.g. STA 2023, STA 2014, STA 2122, STA 2037, STA 2040, STA 2024, STA 2321, STA 3023)

Students should carefully follow all prerequisite requirements for individual courses. The USF courses recommended to meet the state mandated prerequisites as listed above are:

General Biology I with lab (BSC 2010,2010L) (4)
Human Anatomy and Physiology I (with lab where available) (BSC 2093C or BSC 1085,1085L) (3-4)
General Biology II with lab (BSC 2011,2011L) (4)
General Microbiology with lab (MCB 3020C) (4)
General Chemistry I with lab (CHM 2045,2045L) (4)
General Chemistry II with lab (CHM 2046,2046L) (4)
Organic Chemistry I with lab (CHM 2210,2210L) (4-5)
Organic Chemistry II with lab (CHM 2211,2211L) (4)
Statistics (STA 2023) (4)

In addition to the Common Prerequisites listed above, the following courses are required for the degree at USF:

College Algebra (MAC 1105 or MAC 1147) (3-4)
Cell Biology with lab (PCB 3023,L) (4)
Immunology (PCB 5235 or equivalent) (3)
Determinative Bacteriology with lab (MCB 4115C) (5)
Biochemistry (BCH 3023) (3)

Ability to use computers is essential for work in a modern laboratory. Hospitals recommend elective courses in use of computers and in management.

Upon successful completion of this curriculum and acceptance by one of the affiliated hospitals, the student will complete 12 continuous months of training at that hospital. Hospital programs begin in July or early August each year, and some hospitals also have programs beginning in January or February. During this clinical training, the student will continue to be registered as a full time student of the university and will receive a total of 30 credit hours of work in:

- MLS 4031 Introduction to Medical Technology
- MLS 4861 Clinical Immunology
- MLS 4863 Clinical Microbiology
- MLS 4865 Clinical Immunohematology
- MLS 4860 Clinical Urinalysis and Body Fluid
- MLS 4862 Clinical Hematology
- MLS 4864 Clinical Chemistry
- MLS 4866 Clinical Laboratory Management and Education

These courses, listed under “Interdisciplinary Arts and Sciences,” will be taught at the hospital. A “C” or higher must be earned in each course. Students successfully completing this program will be granted a Bachelor of Science degree in Medical Technology.

Students should complete the following prerequisite courses listed below at the lower level prior to entering the university. These include two semesters each of General Chemistry lecture and lab, Organic Chemistry lecture and lab, Calculus, and General Physics lecture and lab. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

- COMMUNICATION (SPE)

Communication focuses on the concepts, theories, and practice of human communication. Students apply their understanding of communication research and principles to personal, professional, and community relationships and concerns.

The department encourages students to tailor their programs of study to meet their own interests. Majors select from one of six areas of concentration: Relational Communication, Organizational Communication, Health Communication, Culture and Media, Performance Studies, or Public Advocacy.

The Honors Program in Communication allows qualified students to pursue advanced study. A minor in Communication is also available.

Requirements for the Major in Communication

A major in Communication requires a minimum of 36 credit hours from departmental offerings. A final grade of at least “C-minus” is required for a departmental course to count toward a Communication major. Courses may not be taken S/U where a grade option exists.
Communication is a restrictive major. To be admitted to the major, students must fulfill these three criteria:

- Complete at least 30 hours of college level work
- Have an overall grade point average in all college courses of 2.5 or above
- Complete the SPC 2608 prerequisite or equivalent public speaking course.

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university.

**Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution:**

Students must complete SPC 2608, Public Speaking, before being admitted to the Communication major. A student can be admitted to the university without SPC 2608, but it must be completed as part of requirements for the major.

I. **Prerequisites (3 hours)**

This course is a prerequisite for declaring the communication major:

- SPC 2608 Public Speaking

II. **Required Courses (12 hours)**

Students must take each of these four courses as early as possible in the major. These courses are prerequisites for taking many of the more advanced courses in the respective concentrations.

- COM 2000 Introduction to Communication
- ORI 2000 Introduction to Communication asPerformance
- SPC 3301 Interpersonal Communication
- SPC 2541 Persuasion

III. **Area of Concentration (15 hours)**

Students must take a minimum of fifteen hours in one of the six areas of concentration. Many courses are listed in more than one concentration. Therefore, students should plan their concentration coursework in ongoing consultation with the advisor.

**Relational Communication** - COM 3014, COM 4020, COM 4021, COM 4022, COM 4030, COM 4702, COM 4710, ORI 4019, ORI 4220, ORI 4460, SPC 3212, SPC 3425, SPC 3710, SPC 4305, SPC 4310, SPC 4431, SPC 4714

**Organizational Communication** - COM 3120, COM 3122, COM 4050, COM 4124, SPC 3212, SPC 3425, SPC 3602, SPC 4714

**Health Communication** - COM 4020, COM 4021, COM 4022, COM 4702, SPC 3212, SPC 4305, SPC 4431

**Culture and Media** - COM 3014, COM 3051, COM 3413, COM 4016, COM 4021, COM 4030, COM 4050, COM 4104, COM4414, COM4931, ORI 3950, ORI 4019, ORI 4410, ORI 4931, SPC 3230, SPC 3513, SPC 3602, SPC 3653, SPC 3680, SPC 3710, SPC 4201, SPC 4310, SPC 4632, SPC 4683, SPC 4714

**Performance Studies** - COM 3014, COM 3413, COM 4016, COM 4030, ORI 3950, ORI 4019, ORI 4120, ORI4150, ORI 4220, ORI 4310, ORI 4320, ORI 4410, ORI 4460, ORI 4931, SPC 3653, SPC 4201

**Public Advocacy** - COM 3014, COM 3413, COM 4016, COM4030, COM 4050, COM 4104, ORI 4019, ORI 4410, SPC 3230, SPC 3425, SPC 3513, SPC 3602, SPC 3653, SPC 3680, SPC 3710, SPC 4683, SPC 4714

IV. **Departmental Electives (6) hours**

Students must take 6 additional hours of elective coursework from any concentration in the Department of Communication at the 3000-level or higher.

V. The concentrations of the following courses will be designated when offered

- COM 4942 Communication Intern Seminar
- SPC 4930 Selected Topics (titles and topics vary each semester)
- SPC 4932 Senior Seminar

VI. The following courses are contracted individually between student and instructor. The concentration will be designated when the course is contracted.

- SPC 4900 Directed Readings
- SPC 4903 Honors Readings
- SPC 4905 Undergraduate Research
- SPC 4970 Honors Thesis
Communication Honors Program

The Honors Program in Communication provides an opportunity for exceptional undergraduate students in Communication to work closely with a faculty member in an intensive research experience. Each Honors student is required to complete and defend an undergraduate Honors Thesis. Application to the program ordinarily occurs during the second semester of the junior year or prior to completion of 90 semester hours. Admission to the program is based on the student’s overall academic record, performance in communication courses, and recommendations of faculty. To be admitted to the program, a student should have at least a 3.5 GPA in all communication courses and a 3.0 cumulative GPA. Students are required to complete 3 hours of Honors Reading and 3 hours of Honors Thesis. Students interested in the Honors Program should consult the department for further information about admission and program requirements.

Requirements for the Minor in Communication

The minor in Communication is available to students pursuing any other major at USF. The minor in Communication requires a minimum of 18 hours of departmental coursework, including:

- SPC 2608 Public Speaking
- COM 2000 Introduction to Communication

The other 12 hours may be selected from among departmental offerings and must include a minimum of 6 hours at the 3000-level or higher. A grade of “C-minus” is required for a departmental course to count toward a Communication minor. Courses may not be taken S/U where a grade option exists.

- ECONOMICS (ECO)

Economics offers a clear and logical way of thinking about complicated issues such as unemployment, inflation, pollution, and crime. The department offers broad course choices allowing students to tailor their programs to provide training for professional careers in business, teaching, government, and law. Students interested in majoring or minoring in economics should contact the undergraduate advisor in the Economics Department for more information.

Requirements for the Major in Economics

Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution:

The State of Florida has identified common course prerequisites for the major in Economics. These courses must be completed with a minimum grade of “C” before the degree is granted. If the courses are not transferred in, they may be taken at USF.

- ECO X013 Economic Principles: Macroeconomics (3)
- ECO X023 Economic Principles: Microeconomics (3)
  or
- ECO XXXX and ECO XXXX (6)

Coursework in the Economics Major:

A student may earn a Bachelor of Arts degree with a major in Economics by satisfactorily completing 33 credits in Economics in addition to college requirements. The 33 credits must include:

- ECO 2013 Economic Principles: Macroeconomics (3)
- ECO 2023 Economic Principles: Microeconomics (3)
- ECO 3101 Intermediate Price Theory (3)
- ECO 3203 Intermediate Macroeconomics (3)
- QMB 2100 Business and Economic Statistics I (3)
- QMB 3200 Business and Economics Statistics II (3)
- Economics electives numbered 3000 or higher (15)

Economics electives numbered 3000 or higher (15)

ECP 3703, Managerial Economics (formerly ECO 3100), may be substituted for ECO 3101. Students may not take both for credit.

ECO 1000 (if taken before both ECO 2013 and ECO 2023) may be substituted for a maximum of 3 hours of upper level elective credit.

Students must obtain a grade of “C-” or higher in ECO 3101 or ECP 3703 (formerly ECO 3100) in order to enroll in any course for which ECO 3101 or ECP 3703 is a prerequisite.

No more than 3 hours credit can be applied toward a major from ECO 4905 and/or ECO 4914.

At least 12 hours of upper level credit must be taken in residence at USF.

Economics majors working at the regional campuses may not be able to fulfill all economics course requirements at those campuses.
Requirements for the Minor in Economics

All students, regardless of college, can earn a minor in Economics by satisfactorily completing 18 hours in Economics including:

- ECO 2013 Economic Principles: Macroeconomics (3)
- ECO 2023 Economic Principles: Microeconomics (3)
- Economics electives numbered 3000 or higher (may include QMB 3200) (12)

ECO 1000, if taken before both ECO 2013 and ECO 2023, may be substituted for 3 hours of upper level electives. Before being recognized as a minor in economics a student must obtain program approval by the Economics Department Undergraduate Advisor. A grade point average of 2.0 or higher must be achieved in the minor course work at USF and in all minor courses completed at any institution. At least 9 hours must be taken in residence at USF.

The Economics Pre-Law Curriculum

Economic principles provide the foundation for much of our legal system. Economics offers a series of courses to provide the abstract and applied skills required by those seeking legal careers.

The Economics Pre-Law Curriculum fits easily within the Economics major or minor but is open to other students.

Five-year Bachelor/Master Degree Program

This program allows superior students with strong analytical skills and the ability to handle a fast paced, challenging program the opportunity to complete both the Bachelor and Master degrees in economics in five years.

The program requires the students to take two graduate level courses required for the MA degree during the last year in the Bachelor program. These 6 hours are counted as general electives (not major electives) in the undergraduate program and are also used to satisfy the requirements for the MA in economics. After completing the 120-hour Bachelor’s program, five-year students take 24 hours at the graduate level.

To be eligible for the program, a student must have completed at least 6 hours of 3000 level or above economics courses at USF (not including statistics), have an overall grade point average of 3.0 or above, and have a minimum of 3.25 cumulative grade point average in all economics courses (including statistics).

To apply for admission, send a letter to the Undergraduate Program Director in the Department of Economics stating your qualifications and desire to enter the program. To plan your program, or for additional information, see the Undergraduate Advisor in Economics.

• ENGLISH (ENG)

Requirements for the Major in English

Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution:

Students wishing to transfer to USF should complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements, thereby transferring maximum hours to the university. If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements, including ACT or SAT test scores, GPA, and course requirements.

The transfer student should also be aware of the immunization, foreign language, and continuous enrollment policies of the university. The English Department does not accept Sign Language as a foreign language.

Students should complete the following prerequisite courses listed below at the lower level prior to entering the university. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of “C-” is the minimum acceptable grade.

- ENC 1101 Composition I
- ENC 1102 Composition II
- or
- Six semester hours earned in courses taught in the English Department, EACH with 6,000 words of evaluated writing for a TOTAL of 12,000 words.

Suggested electives:

- AMH 2010 American History I 3
- AMH 2020 American History II 3
- EUH 2021 Medieval History I 3
- EUH 2022 Medieval History II 3

Upper-level coursework in the English Major:

The program in English provides three areas of specialization (divided into three degree-options below):
Literary Studies - This program of study aims to provide students with an overall sense of literary method, history, and range of literary accomplishment (including knowledge of emerging fields, world literatures, and ethnic literatures). It allows students to make connections between contemporary life and the study of literature in a variety of ways. It evaluates a student’s grasp of formal and technical elements of literary knowledge and emphasizes the development of writing skills and the practice of disciplinary writing. The major should conclude with a demonstration of such knowledge and written expression in preparation either for further study (graduate and professional schools) or excellent communication and research skills in a work environment.

Creative Writing - This 36-hour program is designed for aspiring writers of fiction, poetry, and creative nonfiction. Students who graduate from this program will demonstrate the following: 1) knowledge of the forms and techniques of poetry, fiction, and creative nonfiction, 2) knowledge of literary genres and the techniques used by authors within each genre, 3) the ability to analyze literature in its cultural and philosophical context, 4) the ability to critique student manuscripts and offer constructive feedback within a workshop setting.

Technical Communication and New Media - The undergraduate degree in Technical Communication and New Media offers to prepare students to work as innovative professional communicators in a variety of fields - from government to business to medicine. The program will produce graduates who can creatively compose using a variety of tools in order to communicate with their audiences or to assist others with their clients.

The English Education major is described under the section for the College of Education. Major requirements for English majors are listed below. A grade of below C- will not be counted toward fulfilling the major requirements. Grades of “D” or “F” in English courses will, however, be used in calculating the major GPA unless the course is retaken under the grade forgiveness policy. Students may not use more than one Directed Study toward meeting the major requirements. Transfer students must earn at least 15 hours in the major at USF. A 2.5 GPA in the major is required for graduation.

**Option I: Literary Studies**

This program of study aims to provide students with an overall sense of literary method, history, and range of literary accomplishment (including knowledge of emerging fields, world literatures, and ethnic literatures). It allows students to make connections between contemporary life and the study of literature in a variety of ways. It evaluates a student’s grasp of formal and technical elements of literary knowledge and emphasizes the development of writing skills and the practice of disciplinary writing. The major should conclude with a demonstration of such knowledge and written expression in preparation either for further study (graduate and professional schools) or excellent communication and research skills in a work environment.

Twelve courses (36 hours) as follows:

I. Required Courses (2 courses/6 hours)
   - ENG 3014 Introduction to Literary Methods (recommended during first 2 semesters of the major)
   - ENG 4013 Literary Criticism (recommended before any 4000-level courses)

II. Historical Distribution Requirements (1 course from each of the following groups) (5 courses/15 hours)
   A. Medieval / Renaissance
      - ENL 3015 British Literature to 1616
      - ENL 3331 Early Shakespeare
      - ENL 3332 Late Shakespeare
      - ENL 4311 Chaucer
      - ENL 4338 Advanced Studies in Shakespeare
   B. 17th / 18th-Century British
      - ENL 3230 British Literature 1616-1780
      - ENL 4341 Milton
      - ENL 3016 Studies in 17th and 18th-Century British Literature
   C. 19th-Century British
      - ENL 3251 British Literature 1780-1900
      - ENL 4122 Nineteenth-Century British Novel
      - ENL 3017 Studies in Nineteenth-Century British Literature
   D. American before 1900
      - AML 3031 American Literature from the Beginnings to 1860
      - AML 3032 American Literature from 1860 to 1912
      - AML 4261 Literature of the South
   E. 20th-Century American or British
      - AML 3051 American Literature from 1912 to 1945
      - AML 4121 Twentieth-Century American Novel
      - AML 4261 Literature of the South
      - ENL 3026 Studies in 20th Century Literature
      - ENL 3273 British Literature 1900-1945
      - ENL 4132 British Novel Conrad to the Present
III. Cultural-Critical Studies (2 courses/6 hours)
AML 3604 African American Literature
AML 3630 Latino/a Literature
AML 4111 Nineteenth-Century American Novel
AML 4121 Twentieth-Century American Novel
ENG 4060 History of the English Language
ENL 4122 Nineteenth-Century British Novel
ENL 4132 British Novel Conrad to the Present
LIN 4671 Traditional English Grammar
LIN 4680 Structure of American English
LIT 3022 Modern Short Prose
LIT 3031 Survey of Poetry
LIT 3043 Modern Drama
LIT 3093 Contemporary Literature
LIT 3101 Literature of the Western World through Renaissance
LIT 3102 Literature of the Western World since Renaissance
LIT 3144 Modern European Novel
LIT 3410 Religious and Philosophical Themes in Literature
LIT 4386 British and American Literature by Women

IV. Electives (3 courses/9 hours)
AML 4300 Selected American Authors
ENG 4674 Film and Culture
ENL 4303 Selected British Authors
LIT 3374 Bible as Literature
LIT 3930 Selected Topics in Literature
LIT 4930 Selected Topics in English Studies
Any additional major course listed (above) under Option 1, LIT
Any major CRW course listed under Option 2, CRW major
Any major ENC course listed under Option 3, CWT major

OPTION II: Creative Writing
This 36-hour program is designed for aspiring writers of fiction, poetry, and creative nonfiction. Students who graduate from this program will demonstrate the following: 1) knowledge of the forms and techniques of poetry, fiction, and creative nonfiction, 2) knowledge of literary genres and the techniques used by authors within each genre, 3) the ability to analyze literature in its cultural and philosophical context, 4) the ability to critique student manuscripts and offer constructive feedback within a workshop setting.

1. Writing Requirements: Six courses (18 hours) as follows:
   CRW 3111 Form and Technique of Fiction
   CRW 3311 Form and Technique of Poetry
   (CRW 3111 must be taken before any other courses in the Fiction series, and CRW 3311 must be taken before any other courses in the Poetry series. Students are urged to take these two courses during the first year of their major.)
   Any four of the following courses:
   CRW 3112 Fiction I
   CRW 3121 Fiction II
   CRW 3312 Poetry I
   CRW 3321 Poetry II
   CRW 4930 Selected Topics in Creative Writing (May be repeated twice for a total of 6 credits. Choices would include creative nonfiction, screenwriting, craft courses in fiction/poetry, young adult literature, lyric poetry, etc.)

2. Literature Requirements: Six courses as follows:
   One of the following courses that concentrates on literature written pre-1900: AML 3031, AML 3032, AML 4111, ENG 4060, ENL 3015, ENL 3016, ENL 3017, ENL 3230, ENL 3251, ENL 3331, ENL 3332, ENL 4122, ENL 4311, ENL 4338, ENL 4341, LIT 3031, LIT 3101.
   Any five additional major literature courses from those listed in OPTION 1, the Literature major.

OPTION III: Technical Communication and New Media
The undergraduate degree in Technical Communication and New Media offers to prepare students to work as innovative professional communicators in a variety of fields - from government to business to medicine. The program will produce graduates who can creatively compose using a variety of tools in order to communicate with their audiences or to assist others with their clients.
1. Required courses (15 hours)
   ENC 3242 Technical Communication for Majors
   ENC 3414 New Media for Technical Communication
   ENC 4218 Visual Rhetoric for Technical Communication
   ENC 4311 Advanced Composition
   ENC 4906 Internship
2. Electives: 7 courses from the following: (21 hours)
   ENC 3246 Communication for Engineers
   ENC 3250 Professional Writing
   ENC 3310 Expository Writing
   ENC 4020 Rhetorical Theory
   ENC 4260 Advanced Technical Writing
   ENC 4931 Selected Topics in Technical and Professional Writing
   Any courses listed in Option 1, the Literature major
   Any courses listed in Option 2, the Creative Writing major

Requirements for the Minor in English English and American Literature Minor (15 hours)
1. One of the following:
   AML 3031 American Literature to 1860
   AML 3032 American Literature 1860-1912
   AML 3051 American Literature 1912-1945
2. Two of the following:
   ENL 3015 British Literature to 1616
   ENL 3230 British Literature 1616-1780
   ENL 3251 British Literature 1780-1900
   ENL 3273 British Literature 1900-1945
   ENL 3331 Early Shakespeare
   ENL 3332 Late Shakespeare
3. One course at the 4000 level listed in major OPTION I
4. One additional 3000- or 4000-level course accepted for the major with AML, CRW, ENC, ENG, ENL, LIN, or LIT prefix.

Creative Writing Minor (15 hours)
1. CRW 3111 Form & Technique of Fiction
   CRW 3311 Form & Technique of Poetry
   Any two of the following:
   CRW 3112 Fiction I
   CRW 3121 Fiction II
   CRW 3312 Poetry I
   CRW 3321 Poetry II
   CRW 4120 Fiction III
   CRW 4320 Poetry III
   CRW 4930 Selected Topics in Creative Writing
2. One AML or ENL course listed in OPTION I.

Professional and Technical Writing Minor (15 hours)
1. ENC 2210 Technical Writing
   ENC 4260 Advanced Technical Writing
   Any two of the following courses:
   ENC 3250 Professional Writing
   ENC 3310 Expository Writing
   ENC 4311 Advanced Composition
   ENC 4931 Selected Topics in Professional and Technical Writing
2. One AML or ENL course listed in OPTION I.

English Honors program
The Department of English Honors Program will provide a carefully selected group of seniors with opportunities for advanced scholarship:
A. Closer contact with faculty tutors than students in the regular major program;
B. An opportunity to work and exchange ideas in the stimulating environment of a small group of fellow students with similar aims and abilities;
C. An opportunity to develop individual initiative and sophisticated critical skills.
The English Honors Program will benefit those interested in graduate work, advanced professional study, or greater intellectual challenges.
Admissions Criteria

Students may apply for the program after completing 80 hours of course work (90 before actual admission). Applicants should have a GPA of 3.3 in the major and an overall GPA of 3.0 and should submit signatures of recommendation from two English faculty supporting their applications.

After screening all applications, the department's Honors Committee will select participants for each year's program.

Requirements for Completion of Departmental Honors

1. The Honors student will complete the requirements of his/her chosen English major as described in the current catalog.
2. In addition to the requirements of the major, the student will take two (three-hour) Honors seminars during the first fall semester following admission to the program. Both courses should help the student in selecting a topic for his/her Honors thesis.
3. During the spring semester of the program, the Honors student will enroll for three thesis hours. The Director of the English Honors Program will serve as instructor of record for the thesis hours. Under the direction of the instructors of the Honors seminars and/or the Director of the English Honors Program, the student will choose a member of the English Department faculty to serve as director of his/her thesis and one or two additional faculty members to serve as readers of the thesis. The student must satisfy the following requirements:
   a. Complete 9 hours of English Honors courses (ENG 4935, ENG 4936, ENG 4970) with a 3.0 GPA;
   b. Complete all major requirements with a 3.3 GPA and academic course work with an overall GPA of 3.0;
   c. Submit an acceptable thesis to the Departmental Honors committee before his/her graduation from the university.
4. The student who completes all requirements above will graduate with Honors in English. The credit hours completed within the program by the student who does not complete all Honors requirements will, of course, count toward the baccalaureate degree.

Honors students failing to complete a thesis within two years after acceptance into the program will be notified by the Honors Committee of their dismissal from the program.

**ENVIRONMENTAL SCIENCE AND POLICY (EVR)**

The status of the earth's environment has been a major concern since the 1960s. As we enter the 21st century, it represents one of the most critical issues facing nearly all nations individually as well as the earth community as a whole. Increased population, technology, globalization and diminishing natural resources all play an important role in the changing environment. As a consequence, governments at all levels are devoting resources to help understand the problems that we are facing and to aid in their mitigation. This includes everything from public education to cleaning up toxic waste sites.

The environmental industry is a growing arena for employment for degree holders at all levels. Students completing the Bachelor of Science (B.S.) in Environmental Science and Policy have found employment with government agencies (city, county, state, and federal), private industry, and non-profit organizations. Examples of careers include field scientist, research scientist, policy analyst, lobbyist, conservationist, and educator. Some also go on to attend graduate or law school.

The B.S. in Environmental Science and Policy was approved in 1995. This interdisciplinary program spans multiple colleges within the university but is housed in the Department of Geography in the College of Arts and Sciences. All students must complete the University's General Education Requirements. All majors in the program must complete the required courses including two introductory courses in environmental science and policy, one semester of calculus, 2 semesters each of general biology and general chemistry, environmental ethics, environmental politics and policy, statistics and physical science (either geology or physics). In addition, majors take 6-7 courses that allow them to sub-specialize in science or in policy. Students choosing to sub-specialize in science take a second semester of calculus, 1 semester of organic chemistry and lab, and 4 electives within designated tracks. Students choosing to sub-specialize in policy take environmental law and environmental economics and 4 electives within designated categories. Finally, all majors must complete an upper division seminar and an internship or project. The Department Advisor advises ESP majors. Unless stated otherwise, a grade of "C-" is the minimum acceptable grade.

**Requirements for the Major in Environmental Science and Policy**

**Prerequisites (Recommended Prerequisites) for Students Transferring from a Florida College System Institution:**

Students wishing to transfer to USF should complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. If students transfer with fewer than 60 semester hours of acceptable credit, the students must meet the university's entering freshman requirements including ACT or SAT test scores, GPA, and course requirements. **There are no State Mandated Common Prerequisites for this degree program.**

The transfer student should also be aware of the immunization, foreign language, and continuous enrollment policies of the university.

Students are encouraged to complete the following required supporting major courses prior to entering the university. Unless stated otherwise, a grade of "C-" is the minimum acceptable grade.

**BSC 2010 and BSC 2010L Biology 1 and Lab**
BSC 2011 and BSC 2011L Biology II and Lab 4
and
CHM 2045 & CHM 2045L General Chemistry & Lab 4
CHM 2046 & CHM 2046L General Chemistry II & Lab 4
plus
STA 2023  Statistics 3
One approved Geology or Physics Course with Lab 4
and either
MAC 2241  Life Sciences Calculus I 4
or
MAC 2281  Engineering Calculus I 4
or
MAC 2311  Calculus I 3
A second semester of calculus is only required of students pursuing the ESP-Science concentration. Students may choose among:
MAC 2242  Life Sciences Calculus II 4
or
MAC 2282  Engineering Calculus II 4
or
MAC 2312  Calculus II 3
All students majoring in Environmental Science and Policy are required to see the advisor each semester prior to registration for the following term. Students who are eligible for an internship must see the internship coordinator six weeks prior to the beginning of the semester in which they will complete the internship.

REQUIREMENTS FOR ALL ENVIRONMENTAL SCIENCE MAJORS

EVR 2002  Intro to Environmental Science
EVR 2001L Intro to Environmental Science Lab
EVR 2861  Intro to Environmental Policy
EVR 4921  ESP Seminar
BSC 2010  Biology I
BSC 2010L Biology Lab I
BSC 2011  Biology II
BSC 2011L Biology Lab II
CHM 2045  General Chemistry I
CHM 2045L Chemistry Lab I
CHM 2046  General Chemistry II
CHM 2046L Chemistry Lab II
PUP 4203  Environmental Politics and Policy
PHI 3640  Environmental Ethics
EVR 4910  ESP Project
or
EVR 4940  ESP Internship

Calculus
MAC 2241  Life Science Calculus I
or
MAC 2281  Engineering Calculus I
or
MAC 2311  Calculus I

Statistics
STA 2023  Introductory Statistics
or
QMB 2100  Business and Economic Statistics
or
EGN 3443  Engineering Statistics

Geology or Physics
GLY 2010  Dynamic Earth
GLY 2000L Essentials of Geology Lab
or
GLY 2100  Historical Geology
GLY 2000L Essentials of Geology Lab
Science Track
MAC 2242 or MAC 2282 or MAC 2312 and CHM 2210 and CHM 2210L plus 4 approved science-related electives. Please contact the Program office for a current list of electives under these categories.

Policy Track
ECP 3302 and POS 3697
plus four approved policy-related electives.
Please contact the Program office for a current list of electives under this category. The Program is located in NES 200 or you may call (813) 974-0443.

Requirements for the Minor in Environmental Policy
A total of 19-20 credits are required for the minor in Environmental Policy, 12 of which must be completed at USF. The Minor in Environmental Policy consists of the following program outline:

- **Required core courses:**
  - EVR 2002 Environmental Science
  - EVR 2001L Introduction to Environmental Science Lab
  - EVR 2861 Introduction to Environmental Policy

- **Four of the following four courses:**
  - PUP 4203 Environmental Politics and Policy
  - PHI 3640 Environmental Ethics
  - ECP 3302 Environmental Economics (prerequisite: ECO 2023 Microeconomics)
  - POS 3697 Environmental Law

- Plus one approved policy-related elective. Please contact the department office for a current list of electives under this category.

- **GEOGRAPHY (GPY)**
  The degree program in Geography consists of 11 courses (41 hours total), 7 of which are core courses required of all majors, and four of which are electives chosen by the student. Upper level electives offer applied and techniques orientations for students, depending on their interests, to complement the core course structure for the major.
  Electives in physical geography focus on major environmental systems including the hydrosphere, atmosphere, geosphere, and biosphere. Particular emphasis is placed on the human modification of the natural environment and the global interconnections of the major earth systems.
  Electives in human and urban geography focus on the social and spatial effects of the growth of cities, including issues such as the historical evolution of urban form and function, land-use changes and conflicts, economic restructuring, the growth and decline of inner-cities, and urban racial and ethnic relations.
  Students are encouraged to seek assistance with the choice of electives through the department undergraduate advisor.

**Requirements for the Major in Geography**

**Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution:**
Students wishing to transfer to USF should complete the A.A. degree at a Florida College System institution. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

The transfer student should also be aware of the immunization, foreign language, and continuous enrollment policies of the university.

Two introductory courses in Geography with GEO prefix must be completed:
- GEO XXXX 3
- GEO XXXX 3

**Major Course Requirements**
A major in Geography consists of 11 courses as follows:
Required core courses (7 courses + lab):
- GEO 2200 Intro to Physical Geography (3)
- GEO 2200L Intro to Physical Geography Lab (1)
- GEO 2400 Intro to Human Geography (4)
- GEO 3164C Research Methods in Geography (4)
- GEO 4933 Geography Colloquium (1)
- GIS 3006 Computer Cartography (4)
- GIS 4043C Geographic Information Systems (4)
- GEA XXXX One course with GEA prefix (4)

Choose from:
- GEA 2000 World Regional Geography
- GEA 3194 Regional Geography
- GEA 3405 Geography of Latin America
- GEA 3500 Geography of Europe
- GEA 3703 Geography of Asia

Supporting Courses (4 courses):
With the help of their advisor, majors must select 4 courses (or 16 credits) from among the following list for their additional course work:
- GEO 3602 Urban Geography (4)
- GEO 4114C Geographic Techniques & Methodology (4)
- GEO 4204C Topics in Physical Geography (4)
- GEO 4210 Process Geomorphology (4)
- GEO 4244 Tropical Meteorology (4)
- GEO 4265 Soil Genesis and Classification (4)
- GEO 4280C Hydrology (4)
- GEO 4284 Water Resources Management (4)
- GEO 4300 Biogeography (4)
- GEO 4340 Natural Hazards (4)
- GEO 4372 Global Conservation (4)
- GEO 4421 Cultural Geography (4)
- GEO 4471 Political Geography (4)
- GEO 4502 Economic Geography (4)
- GEO 4604 Topics in Urban Geography (4)
- GEO 4700 Transportation Geography (4)
- GEO 4930 Selected Topics (4)
- GIS 4035C Remote Sensing of the Environment (4)
- MET 4002 Climatology (4)
- MET 4012C Meteorology (4)
- URP 4052 Urban & Regional Planning (4)

Courses Excluded as Electives for the major:
- GEO 1930 Geography of Current Events (4)
- GEO 2371 Earth System Science (3)

Only 4 combined hours of the following courses may be applied toward the degree:
- GEO 4900 Directed Reading (1-4)
- GEO 4910 Individual Research (1-4)

Minimum Requirements for Major
Students must earn a C- or better in all major course work. D and F grades earned in major course work will be used in calculating the major GPA, except where removed by grade forgiveness. Students must maintain a minimum 2.0 major GPA in order to graduate.

Requirements for the Minor in Geography
A minor in Geography consists of 20 credit hours, with a minimum grade-point average of 2.0. The required courses are:
- GEO 2200 (3)    GEO 2200L (1)    GEO 2400 (4)

One GEA elective (4) and two upper level (3000-5000 level) GEO, GIS, MET or URP electives (8).

Students may not apply upper level Geography electives to the Geography minor if these electives are being used to satisfy their requirements in another major.
The Department of Geology offers programs leading to Bachelor of Arts, Bachelor of Science, Master of Science, and Doctor of Philosophy degrees. Geology is one of the broadest of all sciences because of its dependence on fundamentals of biology, chemistry, mathematics, and physics as applied to the study of the earth. As a result, undergraduate students are expected to obtain a broad background in the other sciences as well as a concentration in geology.

The Bachelor of Science degree program provides the student with a hands-on foundation in the fundamentals of the geosciences. The Bachelor of Arts program is designed primarily for the liberal arts student who has an interest in the subject, but who is not preparing for a career in the field, or for the pre-professional school student. A student who elects the B.A. program and decides to pursue the geology profession or attend graduate school will need at least physics and field geology in his/her program.

The graduate program in geology allows the student to pursue advanced studies in nearly all areas of geology. As a result of faculty interests and geographic location, several geologic subdisciplines are emphasized, including applied geophysics, coastal geology, geomorphology, geochemistry, hydrogeology, paleobiology, petrology, volcanology, and geoscience education.

Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution:

Students wishing to transfer to USF should complete the A.A. degree at a Florida College System institution. Some courses required for the major may also meet USF’s Foundations of Knowledge and Learning (FKL) core curriculum requirements, thereby transferring maximum hours to the university. If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

The transfer student should also be aware of the immunization, foreign language, and continuous enrollment policies of the university.

Students should complete the following prerequisite courses listed below at the lower level prior to entering the University. If these courses are not taken at the community college, they (or their equivalents) must be completed before the degree is granted. Unless stated otherwise, a grade of "C" is the minimum acceptable grade.

CHM 1045/1045L General Chemistry I (with lab) or CHM 1045C or CHM 1045E
CHM 1046/1046L General Chemistry II (with lab) or CHM 1046C or CHM 1046E
GLY 2010C Introduction to Physical Geology
MAC 2311 Calculus I
PHY 2048C* General Physics and Laboratory I or PHY 2048/2048L or PHY 2053C
PHY 2049C* General Physics and Laboratory II or PHY 2049/2049L or PHY 2054C

*The choice of physics sequence depends on the area of geology specialization.

Requirements for the Major in Geology (BA)

1. Geology courses (36 hours):
   a. Introductory Sequence* (4 hours):
      1) One course chosen from GLY 2010, GLY 2030, GLY 2100, and OCE 2001 (3) or other comparable acceptable course offerings, as approved by the Undergraduate Advisor (3)
      2) GLY 2000L (1)
         *Transfer students who have taken GLY 2010C or GLY 2100C or the equivalent will be deemed to have met the introductory sequence requirements. However, ALL students are strongly encouraged to take GLY 2000L, as this course will greatly facilitate success in the upper-level offerings.
   b. Core Courses: (20 hours):
      · GLY 3311C The Solid Earth: Petrology and Geochemistry (4)
      · GLY 3402C The Solid Earth: Plate Tectonics and Earth Structure (4)
      · GLY 3552C Sedimentary Record 1: Sedimentary Processes and Petrology (4)
      · GLY 3720C Fluid Earth 1: Basic Principles or GLY 4822C Fluid Earth 2: Hydrogeology (4)
      · GLY 4104C Sedimentary Record 3: Paleontology and Earth Evolution* (4)
         *(Requirement is waived for students who have taken GLY2010, GLY 2000L or GLY 2010L, and GLY 2100, GLY 2100L)
   c. Upper-Level Elective (12 hours):
      · GLY 4554C Sedimentary Record 2: The Earth’s Surface (4)
      · GLY 4104C Sedimentary Record 3: Paleontology and Earth Evolution (if not counted toward Core requirements above) (4)
      · GLY 4324C Physical Volcanology (4)
      · GLY 4480C Seismology (4)
      · GLY 3720C Fluid Earth 1: Basic Principles or GLY 4822C, Fluid Earth 2: Hydrogeology (if not counted toward Core requirements above) (4)
GLY 4310C Petrology (4)
GLY 4866 Computational Geology (3)
GLY 4921 Geocommunications (3)
GLY 4780 Geologic Field Studies (3)
And/or other 3000-4000 level GLY courses, as approved by the Undergraduate Advisor

2. Supporting Courses for the B.A. Degree (24 hours):
- CHM 2045, 2045L, CHM 2046, 2046L
- MAC 2281, 2282 (recommended) or MAC 2241, 2242 or MAC 2311, 2312
- PHY 2048, 2048L, PHY 2049, 2049L (recommended) or PHY 2053, 2053L, PHY 2054, 2054L

Requirements for the Major in Geology (BS)

1. Geology courses (44 hours):
   a. Introductory Sequence* (4 hours):
      1) One course chosen from GLY 2100, GLY 2010, GLY 2030, and OCE 2001, or other comparable acceptable course offerings, as approved by the Undergraduate Advisor (3)
      2) GLY 2000L (1)
         *Transfer students who have taken GLY 2010C or GLY 2100C or the equivalent will be deemed to have met the introductory sequence requirements. However, ALL students are strongly encouraged to take GLY 2000L, as this course will greatly facilitate success in the upper-level offerings.
   b. Core Courses (20 hours):
      GLY 3311C The Solid Earth: Petrology and Geochemistry (4)
      GLY 3402C The Solid Earth: Plate Tectonics and Earth Structure (4)
      GLY 3552C Sedimentary Record 1: Sedimentary Processes and Petrology (4)
      GLY 3720C Fluid Earth 1: Basic Principles or GLY 4822C Fluid Earth 2: Hydrogeology (4)
      GLY 4104C Sedimentary Record 3: Paleontology and Earth Evolution* (4)
      GLY 4554C Sedimentary Record 2: The Earth’s Surface (4)
      * (Requirement is waived for students who have taken GLY 2010, GLY 2000L or GLY 2010L, and GLY 2100, GLY 2100L)
   c. Upper-Level Electives (14 hours):
      GLY 4554C Sedimentary Record 2: The Earth’s Surface (4)
      GLY 4104C Sedimentary Record 3: Paleontology and Earth Evolution (if not counted toward Core requirements above) (4)
      GLY 4324C Physical Volcanology (4)
      GLY 4480C Seismology (4)
      GLY 3720C Fluid Earth 1: Basic Principles or GLY 4822C, Fluid Earth 2: Hydrogeology (4)
      GLY 4310C Petrology (4)
      GLY 4866 Computational Geology (3)
      GLY 4921 Geocommunications (3)
      GLY 4780 Geologic Field Studies (3)
      And/or other 3000-4000 level GLY courses, as approved by the Undergraduate Advisor

Quantitative Requirement: Of these electives, at least six hours must be drawn from courses identified by the Department as including high quantitative content. Courses which meet this requirement include: GLY 4866, GLY 4822C, GLY 4324C, GLY 4480C. Others may be approved by the Undergraduate Advisor

d. Capstone Sequence (6 hours):
   6 hours of GLY 4947L/4948L/4949L (1 credit of each of these and any combination for the remaining 3 credits), or an Approved Geology field course.

2. Supporting Courses for the BS Degree (28 hours):
   BSC 2010, 2010L
   CHM 2045, 2045L, CHM 2046, 2046L
   MAC 2281, MAC 2282 (recommended) or MAC 2311, MAC 2312
   PHY 2048, 2048L, PHY 2049, 2049L (recommended) or PHY 2053, 2053L, PHY 2054, 2054L

Liberal Arts Requirements
   All students are required to complete the University’s Foundations of Knowledge and Learning core curriculum.
Free Electives (19-25 hours)

The student will choose, in consultation with his/her geology advisor, such courses in the natural sciences that support his/her major interest in the field of geology. Courses in computer programming and additional mathematics are of particular value. Those students who anticipate continuing for a doctorate in graduate school are encouraged to take a foreign language, preferably French, German, or Russian.

D and F grades earned in attempting to satisfy major requirements will be used in calculating the major GPA.

Geology Honors Program

The purpose of the Honors Program is to provide a select group of undergraduate geology majors an opportunity to undertake an intensive, individualized research experience. The culmination of the program is the completion and presentation of an honor’s thesis. To apply, interested students should contact the Geology Undergraduate Advisor during the second semester of the student’s junior year. Admission to the program requires a GPA of 3.5 in the major and an overall GPA of 3.2.

Requirements for the Minor in Geology

16 credit hours are required, which must include the completion of the introductory sequence courses (4 hours) and any three Geology Core courses (12 hours).

Teacher Education Programs

Prospective elementary and secondary school teachers desiring to teach science should include basic courses in geology and related sciences as part of their curriculum.

• GOVERNMENT & INTERNATIONAL AFFAIRS (INT/POL/PAD)

The Department of Government and International Affairs includes programs in International Studies, Political Science, and Public Administration. Its goal is to provide students the opportunity to study the nature of government, politics and administration at the local, national and international levels, as well as the interdisciplinary nature of the international system. Towards that end it offers students a choice of two undergraduate degrees, one in International Studies and another in Political Science. The Department of Government and International Affairs provides students with a range of courses of study and areas of concentration, including electives offered through the Public Administration program. For more specific details students are advised to consult the description of each specific program below.

INTERNATIONAL STUDIES (INT)

The major in International Studies enables students to undertake programs of study which emphasize (a) preparation for careers in international activities, or (b) the study of particular international themes or topics, or (c) the study of particular regions or cultures. Each student develops a course of study designed to fulfill his or her career and educational goals in consultation with the International Studies Advisor.

Requirements for the Major in International Studies

Prerequisites (Recommended Prerequisites) for Students Transferring from a Florida College System Institution:

Students wishing to transfer to USF should complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. If students transfer with fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

The transfer student should also be aware of the immunization, foreign language, and continuous enrollment policies of the university.

While the INT program does not have mandatory prerequisites, a student may apply up to 10 credit hours of lower level courses from the following list: AFS 2250, Culture and Society in Africa, ANT 2410, Cultural Anthropology; GEA 2000, World Regional Geography; CPO 2002, Comparative Politics; INR 2002, Introduction to International Relations; REL 2300, Introduction to World Religions; or GEB 2350, Doing Business Around the World.

Upper-level Course Requirements

The major consists of a minimum of 36 semester hours. At least 18 of these hours (six courses) must be from the International Studies Program offerings. The six required courses are

INR 3011 Globalization (3)
INR 3081 International Issues and Actors or INR 3102 American Foreign Policy (3)
INR 3038 International Wealth and Power -SS (3)
INR 4936 Senior Seminar – MW or INR 4083 Conflict in the World (3)

Plus one topical and one area studies course chosen from the INT upper division electives.

It is recommended that the student complete INR 3011 before taking INR 3081.
The additional 18 hours may be selected from elective courses from within the International Studies Program or from course offerings of other departments, which are approved by the major advisor as having adequate international or cross-cultural content.

With the approval of the major advisor, credits earned in INR 4900 (1-3) and INR 4910 (1-3) may be used to augment or substitute for the foregoing requirements. Students are encouraged, but not required, to engage in study abroad programs, a large number of which have been approved by the USF International Affairs Center. Credits earned in such programs apply toward graduation and many also apply to the INT major. A limited number of internships in the Tampa Bay area are available to provide students with real-world experience while earning credits in the major. Also, USF is affiliated with The Washington Center, an internship program in the nation’s capital.

**Required Supporting Courses**

- Students must pass a 2000 level foreign language course (that is, at least one semester of foreign language study beyond the first year introductory courses), or complete one year of study of a non-Western language. Students who are bilingual or who are already conversationally fluent or who can translate with facility from a foreign language text are exempt from the above course requirement, but the INT faculty may require demonstration of proficiency.

- Students will be provided with academic advice and counsel about other courses offered throughout the university which may support and complement their major program. INT majors should plan their programs in conjunction with the advisor who is empowered to make appropriate substitutions when educationally justified.

**Requirements for the Minor in International Studies**

The minor in International Studies is a set of International Studies courses taken by a student that approximates one half of the upper level credits required for a major. The minor consists of 18 credit hours made up of six courses as follows:

- INR 3011 Globalization (3)
- INR 3081 International Issues and Actors or INR 3102 American Foreign Policy (3)
- INR 3038 International Wealth and Power-SS (3)
- Plus 3 upper level courses chosen from the International Studies Program’s offerings.

Each student’s program must be planned with the International Studies Program major advisor, who is empowered to approve appropriate substitutions when educationally justified.

**POLITICAL SCIENCE (POL)**

The undergraduate program leading to the B.A. degree in political science offers a general purpose degree, and a number of more specialized alternatives. The program is designed for students interested in and seeking to understand political problems, issues, and the nature of the political process, as well as the philosophical and legal basis of political structures and processes at local, state, national, and international levels. Satisfying the degree requirements prepares students for positions in the public and private sectors, for law school, for graduate work in political science, international relations, public administration, and related disciplines, for positions in education, and for applied political activity.

**Requirements for the Major in Political Science**

**Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution:**

- Students should complete any two introductory courses with a POS, INR or CPO prefix (ideally POS 1041 or POS 2041, and POS 1112 or POS 2112) at the lower level prior to entering the university. If these introductory courses are not taken at the community college, they must be completed before the degree is granted. A grade of “C” is the minimum acceptable grade.

**Upper-level Course Requirements**

- A minimum of 36 credit hours is required to satisfy the requirements of the major. Students must take the 12 credit hours of required core courses in political science. No more than six credit hours can be taken from POS 4905, POS 4910, and POS 4941. Students enrolled in the Washington, D.C. semester program may have this rule altered by their advisor. (A GPA of 3.0 is required to enroll in these courses; the Chair may grant special exception for students with a GPA between 2.70 and 2.99).

- In addition, all Political Science majors are required to take at least 3 credit hours of Economics (See your advisor for recommendations).

- Students transferring credit hours toward a major in political science must complete a minimum of 21 credit hours within the Department, regardless of the number of credits transferred.

The undergraduate curriculum in political science is composed of the following:

**Required Core Courses (12 credit hours)**

- CPO 2002 Introduction to Comparative Politics (3)
- or
- INR 2002 Introduction to International Relations (3)
- and
- POS 2041 American National Government (3)
POT 3003 Introduction to Political Theory (3)
POS 3713 Empirical Political Analysis (3)

Note that either CPO 2002 or INR 2002 must be taken as a core course. However, the other course not taken as a core course may be taken as an elective.

Students should complete POT 3003 and POS 3713 by the end of their junior year; students transferring with 45 credit hours or more must complete these courses within their first two semesters in residence at USF. A grade of “C” or better is required in all core courses.

Students must choose electives from the seven fields (24 credit hours) with at least one course from Field I, one course from Field II or III, and one course from any of Fields IV, V, VI, or VII. Core courses must be completed before a course from a given field or field grouping can be taken.

Field I Political Theory
POT 3013 (3) POT 4064 (3)
POT 4054 (3) POT 4204 (3)

Field II Comparative Government and Politics
CPO 4034 (3) CPO 4930 (3) CPO 5934 (3)

Field III International Relations
INR 3102 (3) INR 3370 (3) INR 4403 (3)
INR 3038 (3) INR 4035 (3) INR 4502 (3)
INR 3336 (3) INR 4254 (3) INR 5086 (3)

Field IV American National and State Governments
POS 2080 (3) POS 3453 (3) POS 5094 (3)
POS 2112 (3) POS 4204 (3) PUP 4323 (3)
POS 3173 (3) POS 4413 (3)
POS 3182 (3) POS 4424 (3)

Field V Urban Government and Politics
POS 3142 (3) POS 5155 (3) URP 4050 (3)

Field VI Public Policy
INR 3102 (3) PUP 4203 (3) PUP 5607 (3)
PUP 4002 (3) PUP 4323 (3) URP 4050 (3)

Field VII Law and Politics
INR 4403 (3) POS 3691 (3) POS 4624 (3)
POS 3283 (3) POS 4614 (3) POS 4693 (3)
POS 4694 (3)

The following courses are not included within any of the seven fields, but may still be used as elective hours:
PAD 3003 (3) POS 4936 (3) PAD 4204 (3)
POS 4941 (3-15) POS 4905 (1-3) POS 4970 (3)
POS 4910 (1-3) POS 3931 (3) POS 4109 (3)
POT 4661 (3) POT 4936 (3)

Requirements for the Minor in Political Science

A minor in political science requires the completion of a minimum of 18 credit hours, made up of two courses (6 credit hours) from among CPO 2002 (or INR 2002), POS 2041, and POT 3003. An additional 12 credit hours of courses included in the Political Science major are also required.

Students transferring credit hours toward a minor in political science must complete 12 credit hours within the Department, regardless of the number of credit hours transferred.

Field Work
Political Science has a field work program that provides students with part-time internships with state and local government and with political parties at the state and local level. Academic credit is available for such internships. For further information, contact the Department of Government and International Affairs.

Honors in Political Science
The Honors Program in Political Science is designed for the outstanding undergraduate who seeks an intensive learning experience plus academic recognition during the senior year.

Eligibility:
Political Science majors with a 3.5 grade point average in political science courses and a 3.0 overall average will be invited to participate in the honors program.

Requirements:
Students who participate must complete the Honors seminar with a grade of “B” or better and must write an Honors Thesis, POS 4970 (3). The Honors Thesis must meet the following criteria:
a) a thesis proposal must be approved by the student’s major professor before s/he begins writing;
b) students need two thesis advisors who must approve the final version of the thesis;
c) students will publicly present their thesis and provide a copy of it to the department after the final draft has been approved;
d) the thesis must be at least 50 pages long, contain an abstract, table of contents, bibliography and footnotes/endnotes;
e) all theses are due during the last week of classes for the semester in which the student is currently enrolled.

Pre-Law Plan in Political Science

The Political Science Program offers a pre-law plan designed for the undergraduate students who are considering a career related to law (Courses on Law and Politics are listed under Field VII of the Political Science undergraduate curriculum). The Pre-Law Plan is available to students of all majors. The courses making up the field are of particular interest to law-oriented students, but may be taken by others as well. Those following the pre-law plan are recommended to complete courses that can help them develop necessary skills to study law. Students receive the skills and information needed for entry into a number of law-related positions in business and government. Please see the departmental undergraduate advisor to obtain more information about the pre-law plan.

Prior to admission to law school, a student must take the Law School Admission Test (LSAT), as given by the Educational Testing Service of Princeton, New Jersey.

The Law School Admission Test is given simultaneously several times each year at the University of South Florida and numerous other testing centers throughout the state. Students should plan to take the test at least one year prior to planned enrollment in law school. Additional information is available from the Department of Government and International Affairs, University of South Florida.

Prerequisites (Recommended Prerequisites) for Students Transferring from a Florida College System Institution:

Students wishing to transfer to USF should complete the A.A. degree at a Florida College System institution. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. If students transfer with fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

There are no State Mandated Common Prerequisites for this program.

The transfer student should also be aware of the immunization, foreign language, and continuous enrollment policies of the university.

Students are encouraged to complete the following prerequisites, or major, support, or elective courses if available, during the program of study at the community college, and when feasible in General Education/Gordon Rule courses. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

AMH 2010 American History I (3)
AMH 2020 American History II (3)
ENC 3310 Expository Writing (3)
EUH 1000 World Civilization I (3)
EUH 1101 World Civilization II (3)
POS 2112 State and Local Government (3)
SPC 2608 Public Speaking (3)

International Affairs Focus in Political Science

The area of Political Science offers a number of courses that prepare students for graduate study in International Relations and career opportunities in private or public transnational organizations.

Basic courses in the area include:

CPO 2002 Introduction to Comparative Politics
INR 3102 American Foreign Policy

In addition, Political Science offers the following upper-level courses:

CPO 4034 Politics of Developing Areas
CPO 4930 Comparative Politics of Selected Areas
INR 4334 Defense Policy
INR 4035 International Political Economy
INR 4403 International Law
INR 4502 International Organizations
CPO 5934 Selected Topics in Comparative Politics
INR 5086 Issues in International Relations

Students desiring careers in international affairs or international administration are encouraged to supplement these courses with courses offered in International Studies, Management, Economics, Business Administration, Foreign Languages, and Public Administration.
Public Administration (PAD)

The Public Administration Program offers courses that serve as electives for undergraduate students. Completion of these courses will benefit those students preparing for a career in local, state, or federal agencies of government, non-profit organizations, and special service districts and/or graduate work in public administration and related fields. The courses listed below may be taken for undergraduate credit. Please note that the 5000-level courses listed are available to seniors and graduate students only.

- PAD 3003 Introduction to Public Administration
- PAD 4144 Nonprofit Organizations and Public Policy
- PAD 4204 Public Financial Administration
- PAD 4419 Personnel and Supervision in Today’s Organizations
- PAD 4712 Managing Information Resources in the Public Sector
- PAD 4930 Selected Topics in Public Administration and Public Policy
- PAD 5035 Issues in Public Administration and Public Policy
- PAD 5044 Environment of Public Administration
- PAD 5333 Concepts and Issues in Public Planning
- PAD 5605 Administrative Law and Regulation
- PAD 5700 Research Methods in Public Administration
- PAD 5807 Urban and Local Government Administration
- PAD 5836 Comparative Public Administration
- POS 5159 Urban Policy Analysis

An undergraduate minor in Public Administration has recently been approved. For further information, please contact the Public Administration Program.

Requirements for the Minor in Public Administration

The minor in Public Administration consists of 15 credit hours.

**Required Public Administration Courses (12 cr. hrs.)**

- PAD 3003 Introduction to Public Administration (3)
- PAD 4204 Public Financial Administration (3)
- PAD 4419 Personnel and Supervision for Today’s Organizations (3)
- PAD 4712 Managing Information Resources in the Public Sector (3)

**Public Administration Electives**

- PAD 4930 Selected Topics in Public Administration and Public Policy (3)
- PAD 5035 Issues in Public Administration and Public Policy
- PAD 5605 Administrative Law and Regulation
- PAD 5807 Urban and Local Government Administration
- PAD 5159 Urban Policy Analysis
- PAD 5044 Environment of Public Administration
- PAD 5836 Comparative Public Administration
- PUP 4002 Public Policy

HISTORY (HTY)

The discipline of history embraces a diverse world of ideas, peoples, and events. Our faculty seeks to inform and question, to provoke and to challenge our students to a higher level of understanding of the past. History at South Florida offers the student an opportunity to explore civilizations from around the globe and from the ancient through contemporary eras. We encourage our students to move beyond traditional memorization of material to a critical level of thinking, analysis, and synthesis. Accomplished history majors are attractive to all kinds of employers in any number of fields, as well as to graduate and professional schools. USF history alumni can be found in such diverse professions as law, medicine, business, government, foreign service, politics, and education.

Requirements for the Major in History

A minimum of 36 semester hours is required for a major in history. A minimum grade of “C-” or better must be attained in each course counted toward the 36-hour requirement. However, grades of “D” or “F” in history coursework will be used in calculating the major GPA unless the course is retaken under the grade forgiveness policy. A Major GPA of at least 2.0 is necessary for graduation.
Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution:

Students wishing to transfer to USF should complete the A.A. degree at a Florida College System institution. If students transfer with fewer than 60 semester hours of acceptable credit, they must meet the university's entering freshman requirements including ACT or SAT test scores, GPA, and course requirements. The transfer student should be aware of the immunization, foreign language, and continuous enrollment policies of the university. Specific state mandated common prerequisites for admission to the major include six (6) hours of introductory history courses with AMH, EUH, LAH, ASH, HIS or WOH prefixes.

Lower-level Course Requirements for the Major

Including the six credits of courses to meet the common prerequisites students must complete a minimum total of 12 hours of 2000 level courses, or their equivalent, to meet the lower level requirements of the major. Two of these courses must be sequential. Students may choose from introductory courses in the fields of Ancient, Medieval, Modern European, or American history to fulfill this two-course sequence. The remaining hourly requirements may be filled by taking any of the other 2000 level history courses.

Students at a community college planning to transfer to USF and major in history are encouraged to complete as many of the lower level requirements as possible at the community college level. Courses that fulfill the General Education/Gordon Rule requirement would be especially valuable. The minimum acceptable grade for courses being transferred for history department credit is a “C-.” If these courses have not been completed satisfactorily upon enrolling at USF, they must be taken before the degree is granted.

Upper-level Course Requirements for the Major

A minimum of 24 hours of course work from the 3000-4000 level is required to fulfill the 36-hour minimum requirement. Two of these courses, the Pro-Seminar and the Theory of History courses are required for all majors. A GPA of 2.25 in the history major is required before a student can be permitted into either of these courses. Additionally, these courses may only be taken in the last two semesters prior to graduation and may not be taken during the same semester. The remaining 16 hours of credit may be chosen from the department offerings each semester. For elective hours outside of the major, it is recommended that history majors take ENC 3310, “Expository Writing,” SPC 2608, “Public Speaking,” and LIS 2005, “Library/Internet Research Skills.” Additional hours can be profitably drawn from the following disciplines: Africana Studies, American Studies, Anthropology, Classics, Economics, Geography, Government and International Affairs, Psychology, Philosophy, Religious Studies, Sociology, Women's Studies, Literature, the Humanities, and the Fine Arts.

Open University courses and exit courses titled “Issues in History” (HIS 3938) and “War and Society” (HIS 3308) are not eligible for major field credit.

Requirements for the Minor

The minor in History entails an 18-hour program organized and contracted by the student and the department around the specific needs of the student’s major program. A minimum of 8 hours must be completed at the University of South Florida. A minimum grade of “C-” or better must be attained in each course. One lower-level sequence is required, earning 6 credit hours. The department will supervise certification of the minor. Students interested in a minor in history are encouraged to see the History department advisor as early in their undergraduate program as possible.

Open University courses and exit courses titled “Issues in History” (HIS 3938) and “War and Society” (HIS 3308) are not eligible for minor field credit.

• HUMANITIES & CULTURAL STUDIES (HUM/AMS)

The Department of Humanities and Cultural Studies offers students a choice of two undergraduate degrees, one in Humanities and one in American Studies. Students may also minor in each area. For more specific details, students are advised to consult the description of each specific program below.

HUMANITIES (HUM)

The Humanities Program offers an interdisciplinary curriculum that investigates the visual arts, music, literature, and the cultures from which they emerge.

Requirements for the Major in Humanities

Prerequisites (Recommended Prerequisites) for Students Transferring from a Florida College System Institution:

Students wishing to transfer to USF should complete the A.A. degree at a Florida College System institution. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. If students transfer with fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

There are no State Mandated Common Prerequisites for this degree program.
The transfer student should also be aware of the immunization, foreign language, and continuous enrollment policies of the university.

Students are encouraged to complete the following major, support, or elective courses, if available, during the program of study at the community college, and when feasible in General Education/Gordon Rule courses. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

- ENC 1101 Composition I (3)
- ENC 1102 Composition II (3)
- Humanities (HUM 2000-level courses) (6)
- Creative Writing courses (CRW courses) (3-6)
- Introductory courses in applied and non-applied Fine Arts (ART, MUS) (6)
- Literature in Translation (RUT, CLT courses) (3-6)
- Social Science (AMH, EUH courses) (6)

Course Requirements for the Humanities Major
36 credit hours, distributed as follows:

“Core” courses - 12 hours

(1) HUM 2230 European Humanities: Renaissance – 20th Century: 3 credits

(2) One additional Interdisciplinary Historical Survey: 3 credits
- Either HUM 2210: Studies in Culture: The Classical Through Medieval Periods
- Or HUM 2252: 20th-century European Culture
- Or HUM 2270: 20th-century American Culture
- Or HUM 2466: Modern Latin American Culture

(3) One Introductory Genre course: 3 credits
- Either FIL 1002: Introduction to Film
- Or HUM 2515: Introduction to Popular Music
- Or a similar course approved by the department

(4) HUM 3804 “Introduction to Cultural Studies” (Prereq. HUM 2230): 3 credits. Students must pass this course with a B- or better in order to register for the Pro-seminar.

“Concentration” courses; 9 hours

Students will follow one of two tracks: “Modern Humanities” or “Ancient, Medieval and Early Modern.” Up to six of these hours can be taken in approved courses outside the department. Otherwise, the courses must be taken from the following lists (all courses are 3 credits):

Ancient, Medieval, and Early Modern Concentration
- HUM 3482: Ancient Near East Cultures
- HUM 3431: Hellenistic World
- HUM 3240: Early Middle Ages
- HUM 3231: Renaissance
- HUM 3237: 17th century Europe
- HUM 3241: Medieval and Gothic Europe
- HUM 3242: Enlightenment

Modern Concentration
- HUM 3242: Enlightenment
- HUM 3244: 19th century Europe
- HUM 3457: 19th century US
- HUM 3458: 20th century US
- AMS 3230: 1920s and 30s America
- AMS 3001: Turn of the Century America

“Interdisciplinary Cultural Studies” courses; 9 hours

Students must take three courses from among the following. All are variable topics courses, and may be repeated up to 6 hours with a change of topic.
HUM 4396: Places, Spaces, and Regions  
HUM 4459: Identity and Power  
HUM 4260: Genres and Media  
HUM 4934: Issues in Cultural Theory  
HUM 4471: Cultural Periods and Styles

Pro-seminar/Senior Seminar two-semester senior-year sequence; 6 hours

(1) HUM 3331: Pro-seminar: 3 credits  
Students must have at least 6 units of upper level major course work in addition to a B- in HUM 3821 in order to enroll in the Pro-seminar.

(2) HUM 4931: Seminar in Humanities: 3 credits  
Students must pass the Pro-seminar with at least a C- to register for the senior seminar.

Requirements for the Minor in Humanities  
The curriculum for the Humanities minor is comparable to that of the program for the B.A. degree, but it is less comprehensive. Course requirements are as follows:  
1. Eighteen semester hours of Humanities courses. 
2. Not over eight of these eighteen hours may be taken below the 3000 level.

AMERICAN STUDIES (AMS)  
The American Studies major is designed for students who seek to understand the cultural patterns, beliefs and values that have unified and sometimes divided Americans. American Studies is an interdisciplinary program that emphasizes the diversity of American people and institutions; the importance of gender, race, ethnicity and social class; the material and technological foundations of American society; the development of distinctive regions within the United States; and creative expression in art, architecture, film, literature, music and photography.

Requirements for the Major in American Studies  
Prerequisites (Recommended Prerequisites) for Students Transferring from a Florida College System Institution:  
Students wishing to transfer to USF should complete the A.A. degree at a Florida College System institution. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. If students transfer with fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements. There are no State Mandated Common Prerequisites for this degree program.

The transfer student should also be aware of the immunization, foreign language, and continuous enrollment policies of the university.  
Students are encouraged to complete the following major, support, or elective courses if available, during the program of study at the community college, and when feasible in General Education/Gordon Rule courses. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

AMH 2010 American History I (3)  
AMH 2020 American History II (3)  
ENC 1101 Composition I (3)  
ENC 1102 Composition II (3)  
POS 2041 American National Government (3)

Course Requirements for the American Studies Major  
36 credit hours, distributed as follows:

1. AMS 2030 (Introduction to American Studies) 3 credits  
2. One 2000-level survey course, either AMS 2201 (Colonial American Culture), AMS 2212 (Nineteenth-Century American Culture) or AMS 2270 (Twentieth-Century American Culture) 3 credits  
3. One additional 3000- or 4000-level Period course (e.g. AMS 3230 America During the 1920s and 1930s, AMS 3001 American Culture, 1880-1915, AMS 3260 American Culture, 1830-1860) 3-4 credits  
4. One 3000- or 4000-level Regions course (e.g. AMS 3210 Regions of America) 3 or 4 credits.  
5. One 3000- or 4000-level Genre course (e.g. AMS 3601 Material Culture and American Society, AMS 4152 Film in American Culture, PGY 3001 Photography in American Culture) 3 or 4 credits  
6. Senior Seminar (AMS 4935) 4 credits  
7. 8-9 additional AMS credit hours
8. 3-6 additional credit hours of supporting courses (e.g. American Literature, American History) to be chosen in consultation with the undergraduate advisor.

9. Introduction to Cultural Studies (HUM 3821) 3 credits

Requirements for the Minor in American Studies

18 credit hours distributed as follows:
1. AMS 2030 (Introduction to American Studies) 3 credits.
2. One 2000-level survey course (AMS 2201, AMS 2212, AMS 2270) 3 credits.
3. 6 additional AMS credit hours.
4. 6 additional credit hours of supporting courses to be chosen in consultation with the undergraduate advisor.

• INTERDISCIPLINARY SOCIAL SCIENCES (ISS)

The ISS program is designed to provide an interdisciplinary integration of the social sciences for students who are interested in a broad educational experience. ISS offers a wide choice of courses, and an opportunity to design a quality program geared toward individual needs and interests. Students plan their program in ongoing consultation with the advisor who approves each individual curriculum contract.

Specific requirements for a B.A. degree in Interdisciplinary Social Sciences (ISS) are outlined below:

Prerequisites (Recommended Prerequisites) for Students Transferring from a Florida College System Institution:

Students wishing to transfer to USF should complete the A.A. degree at a Florida College System institution. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. If students transfer with fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university.

There are no State Mandated Common Prerequisites for the ISS degree program.

Florida College System courses may be counted toward the ISS degree. These could include General Education credits, Gordon Rule classes, and courses such as the examples listed below. A grade of “C” is the minimum acceptable grade.

AFA 2000 Introduction to the Black Experience [In Africa and Its Diaspora] (3)
AMH 2010 American History I (3)
AMH 2020 American History II (3)
ANT 2000 Introduction to Anthropology (3)
ECO 2013 Economic Principles (Macroeconomics) (3)
ECO 2023 Economic Principles (Microeconomics) (3)
GEA 2000 World Regional Geography (4)
POS 2041 American National Government (3)
POS 2112 State and Local Government (3)
SYG 2000 Introduction to Sociology (3)
WST X015 Introduction to Women’s Studies (3)

Interdisciplinary Core Courses

Two of these courses, an introductory course (3010) and the senior seminar (4935), introduce and employ the interdisciplinary social science perspective. These courses involve students in the study of human life and experience; the various concepts, theories and methods used in the social sciences; and apply them to contemporary issues and questions. Social Science Statistics (STA 2122) is the third core course required for majors in Interdisciplinary Social Sciences.

Coursework required for Interdisciplinary Social Sciences Majors

1. Required core courses for the major are:
   ISS 3013 Introduction to Social Sciences (3)
   ISS 4935 Seminar in the Social Sciences -MW (3)
   STA 2122 Social Sciences Statistics -6A QM (3)

2. The ISS student chooses between two cognate areas and completes twelve hours in each. In addition, three special electives emphasize cultural diversity.

3. Students should work out a program of study at the onset of their junior year, particularly before too many courses are completed in the College of Arts and Sciences. No student should assume that courses already completed will automatically count toward the ISS degree.

4. The completion of 42 approved hours of course work from the College of Arts and Sciences (CAS), with a minimum of 30 hours at the 3000 or above level.

5. Students must maintain a minimum grade point average of 2.0 in ISS to graduate.

6. ISS majors must satisfy two semesters of a foreign language in order to graduate.
7. Other personal curricula may be tailored for those highly motivated students, with a minimum grade point average of 3.2, developed with the approval of the advisor. This course of study will be directed toward the special educational interests of these students. An in-depth Honors Research Paper will be required of students taking this option.

No transfer courses with grades of “D” are acceptable for credit in the ISS major.

Cognate Areas - Students select two areas and take 12 hours in each. Cognates must be selected from the areas of study listed below:

Liberal Studies (ALA)

Please note: this program is not accept new students at this time.

The Liberal Studies degree fulfills the intent of the traditional Liberal Arts Degree and is for students who want a broad academic background to realize their academic or career goals.

Prerequisites (Recommended Prerequisites) for Students Transferring from a Florida College System Institution:

Students wishing to transfer to USF should complete the A.A. degree at a Florida College System institution. Some courses required for the major may also meet General Education Requirement credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

There are no State Mandated Common Prerequisites for this degree program.

The transfer student should also be aware of the immunization, foreign language, and continuous enrollment policies of the university.

Program Admission Procedure and Upper-level Course Requirements: Students must apply for admission to the program separately from applying to the university. To apply for the Liberal Studies Program, students must (1) have completed a minimum of 20 and no more than 80 semester hours, (2) have a minimum overall grade point average of 3.0 at the time of admission, and (3) submit a written proposal and program of study, explaining the student’s special academic circumstances and goals for which this major is appropriate. This proposal must be approved by a faculty committee of three professors (Chair to be selected by the student) to be assembled by the student and the director of the major.

The student must complete the General Education Requirements (and all other university requirements), and a minimum of 4 semesters of one foreign language. The remaining hours will be devoted to interdisciplinary study in the College of Arts and Sciences. Ideally, the hours will include courses in the social sciences, humanities, and natural sciences. In the student’s last semester, the faculty committee must approve a senior paper.

For information, contact the Associate Dean for Graduate and Undergraduate Studies in BEH 201.

Library and Information Science (LIS)

The School of Library and Information Science offers undergraduate courses to meet a wide range of information literacy needs in support of the university’s academic programs. The courses provide the understanding and skills needed to access essential information resources in an increasingly information driven, technological world, whether in support of scholarship in academic disciplines or the occupational demands of society.

Students are able to take a variety of courses that will prepare them to access and evaluate these information resources. Topics taught in these courses include using the modern, electronic library and the Internet to meet academic, professional, and personal information needs, and designing websites that meet professional standards.

The School’s faculty will advise those undergraduates interested in graduate study in librarianship. The American Library Association accredits the Library and Information Science Master’s program, and graduates are prepared for professional positions in all types of libraries, media centers, and information agencies. The Library and Information Science program at the University of South Florida meets the Florida State Board of Education coursework requirements for certification as an Educational Media Specialist (grades K-12).

Beginning in Fall, 2010, the School of Library and Information Science will offer the Bachelor of Information Technology program.

For more information, visit our web site at http://slis.usf.edu/.

Mass Communications (COM)

The School of Mass Communications, accredited by the Accrediting Council on Education in Journalism and Mass Communications, offers approximately 70 courses varying in content from the highly technical and field-specialized in some cases to an essential liberal arts orientation in others. The program introduces students to the theories, principles, and problems of communications, emphasizing the concept of freedom of information as the cornerstone of constitutional
democracy and preparing students for future leadership roles in communications media. Graduates should understand the structure and functions of mass media systems as well as the basic processes of communication. In addition, students specialize in an area of mass communications (advertising, multimedia journalism and production, or public relations) to blend a strong introduction to professional skills with the theoretical orientation.

Majors seeking careers in the mass media will be directed to the various media in close contact with the School for summer internships, practica and part-time work. A limited number of students will have the opportunity to serve as interns with a mass communications organization and take MMC 4945 for three hours credit. Students may not receive credit for both an internship (MMC 4945) and a practicum (ADV 4940, JOU 3941, JOU 4944, PUR 4700, RTV 3941, RTV 4942, VIC 3943).

Requirements for the Major in Mass Communications

To be admitted to the core curriculum in Mass Communications, students must have completed a minimum of 30 hours (including at least 15 semester hours for which grades and a grade point average have been awarded) with a 2.75 minimum Overall Grade Point Average, including ENC 1101 and 1102 with a minimum grade of “C” in each. Applicants must establish a minimum score of 60 percent on the Mass Communications English Diagnostic Test prior to entering MMC 2100 (Writing for Mass Media). (Students who transfer MMC 2100 or its equivalent must pass the Mass Communications English Diagnostic Test with a score of at least 70 percent, which is the same score required for the successful completion of MMC 2100 at USF.) Both courses in the Mass Communications core curriculum (MMC 2100 and MMC 3602) must be completed with a minimum grade of “C” before any other Mass Communications course may be taken. Students failing to achieve a minimum grade of “C” in both MMC 2100 and MMC 3602 will be disallowed as majors in the School. A 2.5 GPA in Mass Communications courses is required for graduation, and no student may graduate with a grade lower than “C” in any Mass Communications course.

The Mass Communications major requires six hours of core curriculum courses (MMC 2100 and MMC 3602) and 31 hours of a combination of required and selective sequence courses for a total of 37 hours in Mass Communications within the 124-hour degree requirement. Six hours in Mass Communications writing courses (three hours in addition to MMC 2100) are a part of the graduation requirement.

Mass Communications majors are required to take a minimum of 80 hours in courses outside the journalism and mass communications areas, with no fewer than 65 hours in the basic liberal arts and sciences. (Liberal Arts courses are listed in materials available from the School advisors.) To facilitate this, no more than 44 hours of Mass Communications courses may be applied toward the bachelor’s degree within the 124-hour graduation requirement. Mass Communications majors taking more than 44 hours of Mass Communications courses, regardless of the departments in which those courses are listed, must add those hours to the 124 hours required for graduation. In particular, film and photography courses offered in other departments may be considered to be Mass Communications courses and added to the 124-hour degree requirement.

At least twenty-two (22) hours of resident School courses are required.

All material submitted by students as assignments in writing, reporting, editing, photography and electronic news gathering and production classes is subject to publication or broadcast. The School uses a variety of online, print and electronic media outlets.

Sign Language may be used as an option by Mass Communications majors to fulfill the language requirement.

Most Mass Communications courses have prerequisites as specified in the course description (these prerequisites are separate from the State Mandated Common Prerequisites for program admission listed below). Refer to each prerequisite listed to determine progressive prerequisites for each course. Students also should note that the Mass Communications major is a four-semester program at a minimum and the majority of courses are offered only during the day.

Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution:

This is a limited access program. Students wishing to transfer to USF should complete the A.A. degree at a Florida College System institution. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. If students transfer with fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

The transfer student should also be aware of the immunization, foreign language, and continuous enrollment policies of the university.

Students must complete 18 semester hours outside the Mass Communications curriculum and beyond the 36 hours of general education requirements prior to entering the university. If these courses are not taken at the community college, they must be completed before the degree is granted. A grade of “C” is the minimum acceptable grade. Students are encouraged to complete the following prerequisites, or major, support, or elective courses if available, during the program of study at the community college, and when feasible in General Education/Gordon Rule courses.

- English Composition (minimum grade of “C”) (6)
- MMC 3602 Mass Communications and Society (3)

Prior to being admitted to the School of Mass Communications, a student must:

Complete a minimum of 30 semester hours including all General Education requirements and six hours of English composition (with a minimum grade of “C”), earn a 2.75 overall GPA, and pass a School-administered English Diagnostic Test.
A maximum of nine semester hours in Mass Communications courses will be accepted from a community college or other lower-level program toward a degree in Mass Communications. It is suggested that the nine hours include the equivalent of the School core curriculum and one sequence introduction course. Approval by an appropriate advisor is required.

**Required Upper-level Coursework for the Mass Communications Major**

**School Core Curriculum**

MMC 2100 Writing for the Mass Media

MMC 3602 Mass Comm and Society

**Sequence Requirements**

**1. ADVERTISING Requirements**

ADV 3008 Introduction to Advertising

ADV 3101 Advertising Creativity

ADV 3300 Advertising Media Strategy

ADV 3500 Advertising Research

ADV 4600 Advertising Management

ADV 4800 Advertising Campaigns

or

MMC 4936 Selected Topics in Mass Communication Studies*

ADV 4940 Advertising Practicum

MMC 4200 Communications Law

or

MMC 4203 Media Ethics

**Sequence Specialization Courses** (two courses within specialization)

Creative Specialization (two courses)

ADV 4204 Advanced Advertising Creativity (required)

ADV 4710 Portfolio Building

or

MMC 4936 Selected Topics in Mass Communications Studies*

Media Specialization (two courses)

ADV 4301 Advanced Media Strategy (required)

ADV 4310 Digital Media

or

MMC 4936 Selected Topics in Mass Communications Studies*

**Selective Requirements** (one course)

JOU 2100 Beginning Reporting

PUR 3000 Principles of Public Relations

RTV 3001 Introduction to Telecommunications

MMC 4936 Selected Topics in Mass Communications Studies*

*Please see the academic advisor for appropriate selected topics courses.

**Other Requirements:** The following courses are required outside the School to complete sequence requirements:

ECO 1000 Basic Economics

MAR 3023 Basic Marketing

**2. Multimedia Journalism and Production Requirements**

News-Editorial Option

JOU 2100 Beginning Reporting

JOU 3101 Advanced Reporting

JOU 4181 Public Affairs Reporting

JOU 4201 News Editing I

MMC 4200 Communications Law

MMC 4203 Communication Ethics

JOU 4206 Newspaper and News Publication Design

or

PGY 3610 Photojournalism I

Selective Requirements (10 hours required, selected with advisor’s approval)

**Other Requirements:** The following courses are required outside the School to complete sequence requirements:

ECO 1000 Basic Economics

PHI 1103 Critical Thinking
POS 2041 American National Government
POS 2112 State and Local Government and Politics
or
POS 3142 Intro to Urban Politics & Government
and
SYG 2010 Contemporary Social Problems

Magazine Option
JOU 2100 Beginning Reporting
JOU 3101 Advanced Reporting
JOU 3308 Magazine Article and Feature Writing
JOU 4201 News Editing I
JOU 4212 Magazine Design and Production
MMC 4200 Communications Law
MMC 4203 Communication Ethics
MMC 4420 Research Methods
Selective Requirements (7 hours required, selected with advisor’s approval)

Other Requirements: The following courses are required outside the School to complete sequence requirements:
ECO 1000 Basic Economics
CRW 2100 Narration and Description
PHI 1103 Critical Thinking
POS 2041 American National Government
POS 2112 State and Local Government and Politics
or
POS 3142 Intro to Urban Politics and Government
and
SYG 2010 Contemporary Social Problems

Telecommunications News Option
JOU 4181 Public Affairs Reporting
MMC 4200 Communications Law
MMC 4420 Research Methods
RTV 3001 Introduction to Telecommunications
RTV 3301 Broadcast News
RTV 4304 TV News
RTV 4320 Electronic Field Production
Selective Requirements (9 hours required, selected with advisor’s approval)

Other Requirements: The following courses are required outside the School to complete sequence requirements:
PHI 1103 Critical Thinking
POS 2041 American National Government
POS 2112 State and Local Government and Politics
or
POS 3142 Intro to Urban Politics and Government
and
SPC 2608 Public Speaking

Telecommunications Production Option
MMC 4200 Communications Law
RTV 2100 Writing for Radio and TV
RTV 3001 Introduction to Telecommunications
RTV 3301 Broadcast News
RTV 4220 TV Production and Direction
RTV 4320 Electronic Field Production
RTV 4500 Telecommunications Programming and Management
Selective Requirements (9 hours required, selected with advisor’s approval)

Other Requirements: The following courses are required outside the School to complete sequence requirements:
CRW 2100 Narration and Description
or
ENC 3310 Expository Writing
and
PHI 1103 Critical Thinking
3. PUBLIC RELATIONS Requirements

ADV 3008 Introduction to Advertising
JOU 2100 Beginning Reporting
MMC 4200 Communications Law
or
MMC 4203 Communication Ethics
PUR 3000 Principles of Public Relations
PUR 3500 Public Relations Research
PUR 4100 Writing for Public Relations
PUR 4101 Public Relations Design and Production
PUR 4801 Advanced Public Relations

Selective Requirements (4 hours required, selected with advisor’s approval)

Other Requirements: The following courses are required outside the School to complete sequence requirements:
ECO 1000 Basic Economics
LIS 2005 Library and Internet Research Skills
MAN 3025 Principles of Management
MAR 3023 Basic Marketing
POS 2041 American National Government
POS 2112 State and Local Government and Politics
or
POS 3142 Intro to Urban Politics and Government

Requirements for the Minor in Mass Communications

The minor in Mass Communications is available to students pursuing any other major at USF. Students who wish to minor must apply for admission to the School of Mass Communications and must meet all admission standards required of majors. Please see “Requirements for the Major in Mass Communications” for more admission information.

The minor in Mass Communications requires a minimum of 18 hours of School coursework, including:
MMC 2100 (3) MMC 3602 (3)

The other 12 hours may be selected from among School offerings and must include a minimum of 9 hours at the 3000-level or higher. All major course prerequisites must be met. A grade of “D” or “F” will not be counted toward a mass communications minor and a 2.5 grade point average in all minor coursework must be maintained. All minor hours must be completed at USF.

• MATHEMATICS and STATISTICS (MTH/STC)

The Department of Mathematics and Statistics offers a diversity of courses designed not only to enable the student to pursue professions in mathematics and statistics, but also to enhance the student’s competence in the fields of engineering, the physical sciences, the life sciences, and the social sciences. The department offers programs leading to the B.A., M.A., and Ph.D. degrees. The undergraduate programs emphasize the broad nature of modern mathematics and statistics and its close associations with the real world. The programs are designed to prepare students for entry into graduate school or careers in industry or secondary education.

The Department of Mathematics and Statistics consists of approximately 31 full-time faculty members, whose areas of interest include: algebra, applied mathematics, approximation theory, celestial mechanics, complex analysis, dynamical systems, functional analysis, graph theory, logic, number theory, ordinary differential equations, partial differential equations, potential theory, probability theory, real analysis, statistics, theoretical computer science, and topology.

Minimum Grade Requirements

In general, grades of C- or better are required for courses in the mathematics major and minor and in the statistics major. However, C- is not an acceptable grade for any course that is being used as a prerequisite for a follow-on course. For these courses a grade of C (2.00 grade points) or better is required. Students whose prerequisites are more than three years old will be expected to take a placement test prior to taking a follow-on course.

Teacher Education Programs

For information concerning the degree programs for secondary school teachers, see the description given in the College of Education, Department of Secondary Education.
Requirements for the Major in Mathematics

Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution:

Students wishing to transfer to USF from a Florida College System institution should complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university.

A student who transfers without an A.A. degree and has fewer than 60 semester hours of acceptable credit must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements. The transfer student should also be aware of the immunization, foreign language, and continuous enrollment policies of the university.

Students should complete the following prerequisite courses listed below at the lower level prior to entering the university. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

- COP XXXX Computer Language Course*
- MAC X311 Calculus I
- MAC X312 Calculus II
- MAC X313 Calculus III
- MAP X302 Differential Equations

Students must also complete one laboratory based science course from the following:

- BSC XXXX/XXXXXL (4)
- CHM XXXX/XXXXXL (4)
- PHY XXXX/XXXXXL (4)
- GLY XXXXXX/XXXXXL (4)

* a scientific programming course designed for computer science majors - (Pascal, FORTRAN, C, C++, or C++ recommended)

MAJOR IN MATHEMATICS

In order to gain the admission to the program a student must satisfy the following requirements:

1. have at least a 2.0 grade point average for all USF college courses, and
2. have at least a 2.0 grade point average for all mathematics courses.

Additionally, students admitted to the program and later subsequently earn three D's and/or F’s in their major courses or courses supporting their major will dropped from the program.

The courses taken to satisfy the requirements below will constitute the major program referred to in the general graduation requirements of the College of Arts and Sciences.

Majors are encouraged to consult the department’s Undergraduate Advisor before every semester. The Undergraduate Advisor will recommend electives that are appropriate for the student’s interests and goals.

Majors are encouraged to consider the Honors Program and the Accelerated BA/MA Program, which are outlined below.

1. Mathematics Requirements (Minimum 45 credit hours)

   Core Requirement. Majors must complete the following sixcourses (23 credit hours):
   - MAC 2311 Calculus I (4)
   - MAC 2312 Calculus II (4)
   - MAC 2313 Calculus III (4)
   - MAP 2302 Differential Equations (3)
   - MGF 3301 Bridge to Abstract Mathematics (4)
   - MAS 3105 Linear Algebra (4)

   Analysis Requirement. Majors must complete one of the following two courses (4 credit hours):
   - MAA 4211 Intermediate Analysis I (4)
   - MAS 4156 Vector Calculus (4)

   Majors who complete both MAA 4211 and MAS 4156 may count one of these towards the Elective Requirement below.

   Elective Requirement. Majors must complete six courses from the following electives (Minimum 18 credit hours):
   - COP 4313 Symbolic Computations in Mathematics (3)
   - MAA 4211 Intermediate Analysis I (4)
   - MAA 4212 Intermediate Analysis II (3)
   - MAA 4402 Complex Variables (3)
   - MAD 4401 Numerical Analysis (3)
   - MAD 4504 Theory of Computation (3)
   - MAS 4156 Vector Calculus (4)
Special Notes:
MAT 4930, Selected Topics in Mathematics, or 5000-level mathematics courses may be taken as electives, with the approval of the Undergraduate Advisor.

One or two courses from another department which are of high mathematical content may also be taken as electives, with the approval of the Undergraduate Advisor and the Chairman.

Majors wishing to take a course in statistics should first take STA 4442 and then STA 4321.

Majors wishing to continue towards a graduate degree in mathematics should take MAS 4301 and MAA 4211. (See also the sections on the Honors Program and the Accelerated BA/MA Program below.)

Majors are required to take the minimum of 12 credit hours of required courses at the department of Mathematics and Statistics in USF.

2. Mathematics-related Courses (Min. 6 credit hours)
Majors must take two courses in science or engineering which are required courses for the majors within those departments. The two courses need not be in the same department. Science courses must include laboratories and be offered by the departments of Cell Biology, Microbiology, and Molecular Biology; Chemistry; Geology; Integrative Biology; or Physics.

HONORS PROGRAM IN MATHEMATICS
The program is designed for students who wish to obtain a B.A. degree that will indicate unusual strength in the field of mathematics. Successful completion of the program will be prominently displayed on the student's diploma and will be recorded on the official USF transcript of the student's work.

Students are eligible for admission to the program when they
1. have completed MAS 4301, Elementary Abstract Algebra,
2. have at least a 3.0 grade point average for all college courses, and
3. have at least a 3.5 grade point average for mathematics courses.

Applications are submitted to the Undergraduate Committee of the Department of Mathematics.

The requirements for a B.A. degree in mathematics with honors are as follows:
1. completion of the requirements of the major in mathematics,
2. completion of MAA 4211, Intermediate Analysis I,
3. completion of MAT 4970, Mathematics Senior Thesis,
4. completion of eight mathematics courses at or above the 4000-level,
5. at least a 3.0 average for all college courses, and
6. at least a 3.5 average for mathematics courses.

ACCELERATED BA/MA PROGRAM
This program is designed for superior students having a solid background in high school mathematics and the ability to handle a fast paced, challenging program leading to a BA and MA degree in mathematics in four to five years.

The program meets all the requirements for the BA degree, but requires the student to take those graduate level courses required for the MA degree during the last two years in the program. Up to 20 hours of graduate courses may be counted towards the MA degree as well as the BA degree, but not towards the undergraduate major (that is, as free electives).

For admission to the program, a student must
1. have completed at least 30 hours of college credit including 8 hours of 3000-level or above mathematics courses,
2. have at least a 3.0 grade point average for all college courses, and
3. have at least a 3.5 grade point average for all mathematics courses taken at the 3000-level or above.

To apply for admission, send a letter to the Chair of the Department of Mathematics stating your qualifications and desire to enter the program. An important benefit of this program is that a student is eligible to apply for a graduate teaching assistantship once he or she has completed the undergraduate mathematics major courses. To plan your program, see the Undergraduate Advisor in Mathematics.

Requirements for the Minor in Mathematics
The minor in mathematics is open to all students. Students with majors in the sciences, engineering, business, and the social sciences are particularly encouraged to pursue the minor. A student wishing to receive a minor in mathematics must meet the following course requirements (minimum of 26 credit hours):
1. Required Courses (20 credit hours)
   Either
   - MAC 2311 Calculus I (4)
   - MAC 2312 Calculus II (4)
   - MAC 2313 Calculus III (4)
   Or
   - MAC 2281 Engineering Calculus I (4)
   - MAC 2282 Engineering Calculus II (4)
   - MAC 2283 Engineering Calculus III (4)
   Also, both of the following:
   - MGF 3301 Bridge to Abstract Mathematics (4)
   - MAS 3105 Linear Algebra (4)

2. Elective Courses (Min. 6 credit hours)
   Any 2 mathematics courses that are required or elective for the major in mathematics.

Special Notes.
A student wishing to receive a minor in mathematics is required to take the minimum of 8 credit hours of required courses at the department of Mathematics and Statistics in USF.

Requirements for the Major in Statistics
Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution:
   Students wishing to transfer to USF from a Florida College System institution should complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university.
   A student who transfers without an A.A. degree and has fewer than 60 semester hours of acceptable credit must meet the university's entering freshman requirements including ACT or SAT test scores, GPA, and course requirements. The transfer student should also be aware of the immunization, foreign language, and continuous enrollment policies of the university.
   Students should complete the following prerequisite courses listed below at the lower level prior to entering the university. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of "C" is the minimum acceptable grade.
   - COP XXXX Computer Language Course*
   - MAC X311 Calculus I
   - MAC X312 Calculus with Analytic Geometry II
   - MAC X313 Calculus III
   - STA 2XXX Statistics
   Students must also complete one laboratory based science course from the following:
   - BSC XXXX/XXXXXL (4)
   - CHM XXXX/XXXXXL (4)
   - PHY XXXX/XXXXXL (4)
   - GLY XXXX/XXXXXL (4)
   *a scientific programming course designed for computer science majors - (Pascal, FORTRAN, C, C+, or C++ recommended)

MAJOR IN STATISTICS
   The courses taken to satisfy the requirements below will constitute the major program referred to in the general graduation requirements of the College of Arts and Sciences.
   Majors are encouraged to consult the department’s Undergraduate Advisor before every semester. The Undergraduate Advisor will recommend electives that are appropriate for the student’s interests and goals.

Statistics Requirements (Minimum 47 credit hours)

Core Requirement. Majors must complete the following five courses (Min. 19 credit hours):
   Either
   - MAC 2311 Calculus I (4)
   - MAC 2312 Calculus II (4)
   - MAC 2313 Calculus III (4)
   OR
   - MAC 2281 Engineering Calculus I (4)
   - MAC 2282 Engineering Calculus II (4)
   - MAC 2283 Engineering Calculus III (4)
Also
STA 4102 Computational Methods for Applied Statistics

Plus completion of one of the three lab-based science courses below
BSC XXXX/XXXXXL (4)
CHM XXXX/XXXXXL (4)
PHY XXXX/XXXXXL (4)
GLY XXXX/XXXXXL (4)

Required Courses (Min. 19 credit hours):
STA 2023 Introductory Statistics I (4)
STA 3024 Introductory Statistics II (3)
STA 4321 Introduction to Mathematical Statistics I (3)
STA 4443 Introduction to Mathematical Statistics II (3)
STA 4442 Introduction to Probability I (3)
STA 4445 Introduction to Probability II (3)

Elective Requirement: Majors must complete 3 courses from the following electives (Min. 9 credit hours):
STA 4222 Sample Survey Design (3)
STA 4502 Nonparametric Statistical Methods (3)
STA 4504 Categorical Data Analysis (3)
STA 4702 Multivariate Statistical Methods (3)
STA 4821 Stochastic Processes (3)
STA 4852 Applied Time Series (3)
MAP 2302 Differential Equations (3)
MAS 3105 Linear Algebra (4)

Special Notes.
One or two courses from another department which are of high statistical content may be taken as electives, with the approval of the Undergraduate Advisor and the Chairman.

STA 4930, Selected Topics in Mathematics or 5000-level statistics courses may be taken as electives, with the approval of the Undergraduate Advisor.

• PHILOSOPHY (PHI)

Prerequisites (Recommended Prerequisites) for Students Transferring from a Florida College System Institution:
Students wishing to transfer to USF should complete the A.A. degree at a Florida College System institution. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. If students transfer with fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements. There are no State Mandated Common Prerequisites for this degree program.

The transfer student should also be aware of the immunization, foreign language, and continuous enrollment policies of the university.

Students are encouraged to complete the following courses if available during the program of study at the community college and when feasible in General Education/Gordon Rule courses. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.
Mathematics (any courses)
Foreign Languages (Beginning and Intermediate German, French, or Latin) (1120-1121 level and 2200-2201 level)
Classics (CLT, CLA for example)

Requirements for the Major in Philosophy
Majors in philosophy must complete at least 36 credit hours comprised of the following:
a. PHH 3062 History of Western Philosophy: AncientPhilosophy
b. Two of the following three courses
   PHH 3280 Medieval and Renaissance Philosophy
   PHH 3420 Early Modern Philosophy
   PHH 3442 Late Modern Philosophy
c. One of the following courses:
   PHI 3100 Formal Logic (Strongly encouraged)
   PHI 2101 Introduction to Formal Logic
d. One of the following two courses
   PHI 4670 Contemporary Ethical Theory
   PHM 4340 Contemporary Political Philosophy

e. Two of the following three courses
   PHI 4300 Theory of Knowledge
   PHI 3404 Philosophy of Science
   PHI 4320 Philosophy of Mind

f. 12 credit hours of Philosophy electives, of which 6 must be at the 4000 or 5000 level

g. PHI 4938 Philosophy Capstone Seminar

Two additional stipulations apply:
1. *Minimum passing grade requirement.* No grade below C- in any required philosophy course or philosophy elective may count toward the major;
2. **Beginning Fall 2010: Residency Requirement.** No more than six hours of philosophy electives and three hours of required philosophy coursework taken at institutions other than USF may count toward the major.

**Requirements for the Minor in Philosophy**

A minor in philosophy consists of the completion of at least 18 credit hours, which includes the following courses or an approved substitute for one only:

a. PHH 3062 History of Western Philosophy: Ancient Philosophy

b. One of the following three courses:
   PHH 3280 Medieval and Renaissance Philosophy
   PHH 3420 Early Modern Philosophy
   PHH 3442 Late Modern Philosophy

c. PHI 4670 Contemporary Ethical Theory
   or
   PHP 3786 Existentialism
   or
   PHI 4320 Philosophy of Mind

d. PHI 2101 Introduction to Formal Logic
   or
   PHI 3404 Philosophy of Science

e. 6 credit hours of Philosophy electives

No credit taken on an “S/U” basis may be applied toward the minor.

**Honors Program**

The Honors Program in Philosophy allows superior students to pursue philosophical studies at a more advanced level than is customary in undergraduate philosophy programs. Students in the Honors Program will be required to do independent research and to write and defend an undergraduate thesis.

**Admission Criteria:**

1. Students must already have declared a major in Philosophy.
2. Students must complete 9 hours in Philosophy at the 3000 level or higher (PHI 2101 may count toward the 9 hours).
3. Students must have an overall grade point average of 3.0, and their grade point average in Philosophy must be at least 3.5.
4. Students who wish to be considered for the Honors Program must request to be nominated by a member of the faculty. Once nominated by a faculty member, a majority of the faculty who have taught the student must approve the student’s admission to the Honors Program.

**Program Requirements:**

In addition to completing the requirements for the Major in Philosophy, students must meet the following requirements.

1. Students cannot receive a grade lower than a “B” in any Philosophy course, and their grade point average in Philosophy must be at least 3.5 to remain in, or be graduated from, the Honors Program.
2. PHH 4440 Continental Philosophy
   or
   PHP 4784 Analytical Philosophy
   or
   PHP 3786 Existentialism
   or
   PHH 4700 American Philosophy
3. Students must write a senior thesis and undergo an oral examination on the thesis before a committee of two Philosophy faculty members. Students will register for 3 hours in directed study in Philosophy (PHI 4905) for work on their thesis. Students who are in the Honors College may use the same project to count for both Philosophy Honors and an Honors
College thesis. In such cases, the student shall not register for directed study in Philosophy (PHI 4905) as part of completing the thesis.

4. Students must complete 36 credit hours in Philosophy.

• PHYSICS (PHY/PHS)

The Department of Physics offers undergraduate programs leading to a Bachelor of Arts (B.A.) or a Bachelor of Science (B.S.) degree. The B.A. program is designed for students interested in a more general education in physics. The curriculum allows enough flexibility in electives to enable students to combine a physics major with another major in such areas as mathematics, biology, chemistry, computer science, engineering, business, and teacher education. The B.S. program is for students planning to pursue graduate studies in physics, applied science or engineering. For those students who desire additional capabilities in physics beyond the General Physics sequence, they may pursue a Minor in Physics or Biomedical Physics.

At the graduate level, the Department of Physics offers three Master’s degree programs (Master of Science in Physics, Master of Science in Applied Physics and Dual-Master Degrees in Physics and Engineering Science) and a Ph.D. degree program in Applied Physics.

Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution:

Students wishing to transfer to USF should complete the A.A. degree at a Florida College System institution. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. If students transfer with fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

The transfer student should also be aware of the immunization, foreign language, and continuous enrollment policies of the university.

Students should complete the following prerequisite courses listed below at the lower level prior to entering the university. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

CHM 1045/1045L General Chemistry I (with lab) or CHM 1040 & CHM 1041 or CHM 1045C or CHM 1045E
CHM 1046/1046L General Chemistry II (with lab) or CHM 1046C or CHM 1046E

It is recommended that students complete the following common prerequisite courses listed below prior to enrolling in upper division courses as a major. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

MAC 2311 Calculus I or MAC X281
MAC 2312 Calculus II or MAC X282
MAC 2313 Calculus III or MAC X283
PHY 2048/2048L General Physics I or PHY 2048C
PHY 2049/2049L General Physics II or PHY 2049C

Requirements for the Major in Physics (B.A. and B.S.)

Physics Courses

For the B.A. in PHYSICS (PHY) (37 credit hours)
PHY 2048 General Physics I (3)
PHY 2048L General Physics I Lab (1)
PHY 2049 General Physics II (3)
PHY 2049L General Physics II Lab (1)
PHY 3101 Modern Physics (3)
PHZ 3113 Mathematical Methods in Physics (3)
PHY 3822L Intermediate Lab (3)
PHY 3221 Mechanics I (3)
PHY 3323 Electricity and Magnetism I (3)
PHY 4823L Advanced Laboratory (3)
PHY 4910 Undergraduate Research (1-4) (1 hour recommended)
PHY 4222 Mechanics II (3)
PHY 4930 Undergraduate Seminar (1)
PHY 4324 Electricity and Magnetism II (3)
### For the B.S. in PHYSICS (47 credit hours)

### Liberal Arts Requirements

The student is required to complete the university's Liberal Arts Requirements.

### Free Electives

Courses over and above required courses should be taken to complete a 120-hour program.

### Residency Requirement

A minimum of 20 credit hours of physics courses (see 1 above) in residency.

### Minimum Grade Requirement

A minimum grade of “C” is required for all physics classes in the curriculum.

### Teacher Education Programs

For information concerning the degree programs for secondary school teachers, see College of Education, Department of Secondary Education; for junior college teachers, see USF Graduate Catalog.

### Requirements for the Minor in Physics

A minor in Physics consists of 19 credit hours which includes:

or Physics electives subject to approval of undergraduate advisor.
Required Supporting Courses
Correct prerequisites for any course required.
A "C-" is the minimum acceptable grade for any course in the minor.
A minimum "C" (2.0) average in the 19 credit hours is required for obtaining this minor.

Requirements for the Minor in Biomedical Physics
A minor in Biomedical Physics consists of 16 credit hours which includes:

PHY 2048 or 2053 General Physics I (3)
PHY 2048L or 2053L General Physics I Lab (1)
PHY 2049 or 2054 General Physics II (3)
PHY 2049L or 2054L General Physics II Lab (1)
PHZ 4702 Appl of Phy to Bio. & Medicine I (4)
PHZ 4703 Appl of Phy to Bio. & Medicine II (4)

This minor combines fundamental knowledge of physics acquired through the General Physics lectures and laboratories to applications that cover a wide spectrum of topics of interest to students pursuing a future clinical or research career in the areas of biology, medicine, biophysics, and other related areas.

A "C-" is the minimum acceptable grade for any course in the minor. A minimum "C" (2.0) average in the 16 credit hours is required for obtaining this minor.

• PSYCHOLOGY (PSY)
Psychology involves the scientific study of behavior and mental processes. Because of this focus, psychology is relevant to many other areas of study both inside and outside of the social and behavioral sciences. The undergraduate program in Psychology offers the student a well-rounded liberal arts education. In addition, the program provides excellent training for qualified students who wish to pursue graduate work in such disciplines as Clinical, Cognitive and Neural Sciences or Industrial Psychology, Education, Gerontology, Counseling, Management, Medicine, Law, and other human service programs. The undergraduate major emphasizes the breadth of psychology while allowing the student some electives to pursue in depth a particular aspect of the field. Interested undergraduate majors may apply for admission to the Honors Program. The graduate faculty of the Psychology Department are divided into three broad program areas: (a) Clinical, (b) Cognition, Neuroscience and Social and (c) Industrial/Organizational. Each of these program areas offers Ph.D.-level training as well as instruction at the undergraduate level. For more information about the undergraduate and graduate programs in Psychology, please visit the Psychology Department’s website at [http://psychology.usf.edu](http://psychology.usf.edu).

Requirements for the Major in Psychology
Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution:
Psychology is not a limited access program, but transfer students are encouraged to complete the following state-approved prerequisite courses at the lower level prior to entering the university. If these courses are not taken prior to transferring to USF, they must be completed before the degree is granted. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

PSY X012 Introduction to Psychological Science
any other lower level Psychology course within the Psychology inventory
STA X0XX Any level Statistics course (X000 - X099), including PSY 3204 (Psychological Statistics)
BSC XXXX General Biology course (or BSC X200, X209, or ZOO X010)

Once declared a Psychology major, continuation in the major requires successful completion of PSY 2012 Introduction to Psychological Science, PSY 3204 Psychological Statistics (or another approved Statistics course), and PSY 3213 Research Methods in Psychology, with at least a grade of C (not C-) and a grade point average for those three courses of 2.5 or higher. PSY 3213, Research Methods, is the prerequisite to all of the upper-level Psychology coursework with the exception of PSB 3444 Drugs and Behavior, and GEY 4612 Psychology of Aging.

Majors must complete at least 34 credit hours of specified Psychology major coursework. A minimum grade of “C-” or better must be attained in each course in the major, except for PSY 2012,PSY 3204 (or other qualifying statistics course) and PSY 3213, where a C or better is required. Although a C- is allowable for individual courses, a major GPA of 2.0 minimum is required for graduation. All majors must complete:

Requirements for Psychology Majors
1. Introductory Psychology Requirements (10 credit hours):
   PSY 2012 Introduction to Psychological Science (3 credit hours)
   PSY 3204 Psychological Statistics or any approved statistics course (3 credit hours)
   PSY 3213 Research Methods in Psychology (4 credit hours)
After the introductory psychology requirements, students may choose among courses within the following categories to satisfy the remaining requirements.

2. One Methods Course: (3 credit hours):
   - CLP 4433 Tests and Measurements (3 credit hours)
   - PSY 4205 Experimental Design and Analysis (3 credit hours)

3. Two Courses in Cognitive and Neural Sciences (6 credit hours):
   - EXP 4204C Perception (3 credit hours)
   - EXP 4404 Psychology of Learning (3 credit hours)
   - PSB 4004C Physiological Psychology (3 credit hours)
   - EXP 4304 Motivation (3 credit hours)
   - EXP 4680C Cognitive Psychology (3 credit hours)

4. Two Courses in Social/Applied Psychology (6 credit hours):
   - CLP 4143 Abnormal Psychology (3 credit hours)
   - INP 4004 Industrial Psychology (3 credit hours)
   - SOP 4004 Social Psychology (3 credit hours)
   - DEP 4053 Developmental Psychology (3 credit hours)
   - PPE 4003 Personality (3 credit hours)

5. Psychology Elective Courses: If a student took PSY 3204 to meet the statistics requirement, the student must take 3 Psychology Elective courses (9 credit hours). If a student took a different statistics course, the student must take 4 Psychology Elective courses (12 credit hours). The Psychology Elective courses may be chosen from the courses listed in the above categories beyond the required number for each group and/or any of the following:
   - PSB 3444 Drugs and Behavior (3 credit hours)**
   - GEY 4612 Psychology of Aging (3 credit hours)**
   - CBH 4004 Comparative Psychology (3 credit hours)
   - CLP 4414 Behavior Modification (3 credit hours)
   - SOP 4514 Holocaust Soc. Prejudice (3 credit hours)
   - SOP 4330 HIV/AIDS (3 credit hours)
   - PSY 4913 Directed Study (1-3 credit hours)-The instructor’s permission is required
   - PSY 4931 Select Topics (3 credit hours)-These are graduate-type seminars designed for advanced undergraduate students. Generally, these courses require the instructor’s permission. See Oasis for current titles.
   **No prerequisite required

Notes:
1. No more than a total of 3 hours of PSY 4913, Directed Study, or PSY 4970, Honors Thesis, (combined) may count toward the major.
2. PSY 4931, Select Topics, may be repeated 3 times for credit under 3 different topics.
3. DEP 3103, Child Psychology, SOP 3742, Psychology of Women, SYP 3000, Social Psychology, and PSY 4932, Honors Seminar, do not count toward the major requirements.

Requirements for the Minor in Psychology
A minor in Psychology consists of a minimum of 18 credit hours, comprising PSY 2012, any Statistics course or PSY 3213, and any four upper-level psychology courses except PSY 4913 and DEP 3103. Students minoring in Psychology must obtain a ‘C’ or better in any college level statistics course or PSY 3213. A GPA of 2.0 or better in the minor is required for certification and students must complete at least 8 credit hours toward the minor in residency at USF. The purpose of the minor is to help students majoring in other disciplines to obtain an appropriate psychology background that will complement their work in their major.

Psychology Honors Program
The purpose of the Honors Program is to provide a select group of qualified undergraduate Psychology majors an opportunity to undertake an intensive individualized research experience. The culmination of the Honors Program is the completion and defense of an honors thesis. Application for the program will take place during the first semester of the student’s junior year or, typically, prior to completion of 90 semester credits. Admission to the program is competitive and based on the student’s overall academic record, performance in psychology courses, a letter of recommendation from a member of the Psychology Department faculty, agreement of a faculty member to serve as the thesis advisor, and strong performance in the Discovering Research in Psychology course. Successful completion of the program requires a GPA of 3.5 in major coursework, an overall GPA of 3.25 at USF, and, typically, completion of 43 hours in Psychology including PSY 4932, Honors Seminar (6) and PSY 4970, Honors Thesis (6). See the Psychology Department website for details of the program and an application form.

• RELIGIOUS STUDIES (REL)
In Religious Studies, students are exposed to a cross-cultural and multi-disciplinary study of the way in which both individuals and civilizations are deeply influenced by human religious experience. The goal is to enable the educated person
to understand better the various ways in which religious values and institutions shape human behavior through a comparative study of religions and cultures. Such an education is invaluable for careers as diverse as journalism, law, medicine, business, as well as careers more directly related to the practice of religion. Majors in Religious Studies will also find courses designed to give them the methodological, theoretical and linguistic skills needed to go on to advanced graduate study in the field.

Requirements for the Major in Religious Studies

Recommended Prerequisites (State Mandated Common Prerequisites)

Students wishing to transfer to USF should complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. If students transfer with fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

There are no State Mandated Common Prerequisites for this degree program.

Upper-level Requirements and Coursework for the Religious Studies Major

Students must choose a total of 36 credit hours from Religious Studies courses. Transfer students may not apply more than 12 hours taken elsewhere toward the major at the University of South Florida. Only letter grades will be counted toward the minimum of 24 credit hours taken at the University of South Florida for transfer students or 36 (for non-transfer students) credit hours necessary to complete the 36 credit hours required for the major. Students taking Religious Studies as a second major need to complete only 30 credit hours. To do so they must make a written request to the Undergraduate Director at the time they declare their major.

All majors must take

1. One of the following (only one will count toward Religious Studies requirements)
   a. REL 2300 Introduction to World Religions (4)
   b. REL 2306 Contemporary World Religions (4)
   c. REL 3308 World Religions (3)
2. REL 3003 Introduction to Religious Studies (4)
3. REL 3014 Introduction to Major Religious Texts (3)
4. REL 4931 Seminar in Religion (3)
   (note: eligibility for REL 4931 contingent on successful completion of REL 3003 and REL 3014)
5. Major must complete 22 or 23 additional credit hours that satisfy the following requirements:
   a. Take at least one course from each of the areas (Western Religions, Non-Western Religions, and Issues and Approaches)
   b. Take at least 18 credit hours at the 3000/4000 level, of which a minimum of 9 must be at the 4000 level
   c. Earn at least a “C-” for courses to count toward the major.

It is the prerogative of the Department of Religious Studies to determine whether courses taken at other universities may be applied toward the major at USF. This will be decided as soon as the student becomes a major in the Department of Religious Studies at USF.

The department’s course offerings are sufficiently varied that a student should expect to enroll in its scheduled classes. No more than three directed studies courses may be applied toward the major. Any student who wishes to take any type of directed study, including REL 3900, must have the (written) approval of his/her instructor.

For purposes of the major requirement, religion courses are divided into the following three (3) areas:

Western traditions (primarily Judaism, Christianity, and Islam)
REL 2210, 2240, 3120, 3131, 3132, 3280, 3303, 3363, 3367, 3500 3561, 3602, 3607, 3611, 3613, 4133, 4171, 4215, 4217, 4245, 4250, 4252, 4626, 4670

Non-Western traditions (Religious traditions other than those other Western Tradition)
REL 3000, 3318, 3330, 3335, 3340, 3380, 4333, 4343, 4344,

Issues and Approaches
REL 3101, 3111, 3114, 3116, 3117, 3140, 3145, 3146, 3170, 3191, 3375, 3391, 3420, 3465, 3801, 4113, 4161, 4177, 4193, 4218, 4939

Variable Credit Individualized Courses (Students are limited to six (credit) hrs of the following courses)
REL 3900, 4910

Requirements for the Minor in Religious Studies

Students choose a total of 18 credit hours from Religious Studies courses. Transfer students may not apply more than 6 credit hours taken elsewhere toward the minor at USF. Only letter grades will be counted for transfer. Requests for transfer of credit must be made to the Undergraduate Director in writing when declaring a minor.
All minors must take

a. REL 3003 Introduction to Religious Studies (4)
b. REL 3014 Introduction to Major Religious Texts (3)
c. An additional 11 credit hours chosen from Religious Studies courses. Students are expected to study at least two different religious traditions.

It is the prerogative of the Department of Religious Studies to determine whether courses taken at other universities may be applied toward the minor at USF. This will be decided as soon as the student declares a minor in the Department of Religious Studies at USF.

Requirements for the Honors Program in Religious Studies

The purpose of the Honors Program in Religious Studies is to provide outstanding undergraduates with advanced and individualized learning opportunities in Religious Studies and their areas of special interest in this field. In addition it will serve to facilitate more direct contact between students in the program and their faculty mentors. In this program, students who have demonstrated significant academic achievement will inquire into issues and questions in the study of religion at an advanced level under the guidance of faculty members with demonstrated expertise in their fields of study and a strong commitment to teaching. Upon completion of the program, the student’s transcript will state that the student graduated with Honors in Religious Studies. Application to the program should be submitted during a student’s junior year. The Honors Committee will review all applicants before selecting no more than 10 individuals for the Honors Programs. Inductees will be notified of their admission to the Honors Program in the Spring term. Honors Program students are exempt from Sr. Seminar (REL 4931) contingent on their completion of the Honors Program. If students do not complete the Honors Program, they are required to complete Sr. Seminar in order to satisfy degree requirements.

Admissions Criteria:
1. Religious Studies majors who have completed at least 70 (and preferably less than 90) hours of course work with an overall GPA of at least 3.25.
2. Completion of REL 3003 Introduction to Religion and at least 12 additional hours of course work in the department of Religious Studies with a GPA of at least 3.5 in the major.
3. A letter of recommendation from a Religious Studies faculty member who is familiar with the applicant’s work.
4. A statement from a Religious Studies faculty member expressing her/his willingness to serve as chair of the applicant’s thesis committee.
5. A short essay (2-3) pages by the applicant that includes the following: (a) a statement of the applicant’s qualifications for the program, (b) the applicant’s area(s) of special interest, (c) an explanation of how the program will benefit from the applicant’s inclusion in the program, and (d) the applicant’s post-graduate plans.

Requirements for Completion of the Departmental Honors

1. Completion of the requirements for a Religious Studies major with a GPA of 3.5 or higher in the major.
2. Completion of a USF degree with an overall GPA of 3.25 or higher.
3. Completion of 5 credit hours of “Honors Seminar.” Honors students will take the seminar for 3 credit hours in the Fall and 2 credit hours in the Spring.
4. Completion of 5 credit hours of Thesis/Directed Research for 2 credit hours in the Fall and 3 credit hours in the Spring. Honors students must also complete and present their Honors thesis in the second semester of their Senior year. Students who do not complete this requirement may, upon the recommendation of their major instructor and the Department Honors Program Coordinator, be allowed to continue in special circumstances.

Required Courses for the Honors Program:
REL 4911 Undergraduate Research (Honors Thesis) (2)
REL 4911 Undergraduate Research (Honors Thesis) (3)
REL 4937 Selected Topics: Fall Honors Seminar (3)
REL 4938 Selected Topics: Spring Honors Seminar (2)

**SOCIOMETRY (SOC)**

Sociology is the study of social life and the social causes and consequences of human behavior. Sociologists investigate the structure of groups, organizations, and societies. Because all human behavior is social, the subject matter of sociology ranges from intimate families to hostile mobs; from crime to religion; from the divisions of race, gender, and social class to the shared beliefs of a common culture; from the sociology of work to the sociology of emotions.

The Sociology major is designed to provide students with a broad liberal arts education and a greater understanding and insight into the social systems and processes that bear upon everyday lives. Opportunities for students with Bachelor’s degrees in Sociology are quite varied. Some go on to work for human service agencies; others work in personnel, criminal justice, and urban planning; others enter graduate programs in sociology, education, law, medicine, or social work. Toward these ends, all students are encouraged to become skilled in the use of computers and libraries.
Requirements for the Major in Sociology

Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution:

Students wishing to transfer to USF should complete the A.A. degree at a Florida College System institution. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

The transfer student should also be aware of the immunization, foreign language, and continuous enrollment policies of the university.

Students should complete two lower level courses with the prefixes of SYD, SYG, SYO or SYP prior to entering the university. If these courses are not taken at the community college, they must be completed before the degree is granted. A grade of “C-” is the minimum acceptable grade. Students are encouraged to take the following specific courses, if available, during the program of study at the community college, and when feasible in General Education/Gordon Rule courses.

STA 2122 Social Science Statistics (3)
SYG 2000 Introduction to Sociology (3)

Specific Coursework in the Sociology Major

The major consists of a minimum of 36 credit hours of Sociology coursework plus ISS STA 2122: “Social Science Statistics” or its equivalent. All university wide regulations regarding transfer credits and credits needed for graduation apply, at least 27 of the 36 hours of coursework in Sociology must be USF credits. Only courses in which a grade of “C-” or better is attained will count toward the minimum hours although lower grades are included in calculating the major GPA.

The minimum of 36 credit hours in Sociology must include the following four core courses (12 hours): SYG 2000 Introduction to Sociology (May be replaced with an upper level sociology elective if a total of 12 or more hours of sociology coursework is completed before declaring a Sociology major)
SYA 3110 Classical Theory
SYA 3300 Research Methods (Prerequisite: STA 2122 Social Science Statistics or its equivalent)
SYA 4935 Senior Seminar

The remaining 24 hours of sociology coursework may be comprised of any courses offered by the Sociology department. No more than three hours of SYA4910, Individual Research, and SYA 4949, Sociological Internship, may count toward the 36 hour minimum.

Students are encouraged to make an appointment to talk with the Sociology Department Undergraduate Advisor when they have questions about major requirements or about which electives offered each semester would best meet their educational and career goals.

Requirements for the Minor in Sociology

A minor in Sociology consists of a minimum of 18 credit hours in Sociology, at least 12 of which must be USF credits. Minors must take SYG 2000 Introduction to Sociology and SYA 3110 Classical Theory. No more than three hours of SYA 4910 “Individual Research” may count toward the 18 hour minimum. Only courses in which a grade of “C-” or better is attained will count toward the minimum hours.

While students do not declare a Sociology minor until application for graduation, they are encouraged to make an appointment with the Sociology Department Undergraduate Advisor if they wish to discuss which Sociology electives offered each semester would best meet their educational and career goals.

Honors Program in Sociology

Through the Undergraduate Honors Program, the Department of Sociology provides its outstanding students with opportunities to work closely with faculty and graduate students with shared interests in specific areas of social experience. Students accepted into the program select a faculty mentor with expertise in the area of study of interest to the student. Under the supervision of this mentor, honors students conduct sociological research in their area of interest culminating in the preparation of an honors thesis. Students apply to the Honors Program in the Spring Semester during their junior year for admission for the following Fall. Admission to the program is competitive. Meeting minimum requirements does not guarantee admission.

Minimum Eligibility Requirements:
1. Junior standing.
2. 12 semester hours of sociology course work with a major GPA of 3.0 by the end of the semester in which application is made.
3. Overall USF GPA of 3.00 or higher.
4. Selection and approval of faculty mentor.

Completion Requirements:
1. Completion of all requirements for the major.
2. Completion of at least one upper level elective relevant to the thesis (course must be approved by faculty mentor).
3. USF overall and major GPA of at least 3.00.
4. Successful completion of the Honors Seminar.

Applications for the Undergraduate Honors Program in Sociology are available in the Sociology Department (CPR 209).

• WOMEN’S AND GENDER STUDIES (WST)

Women’s and Gender Studies at the University of South Florida offers an interdisciplinary field of study that features and critically examines women’s experiences, taking into consideration historical, cultural, racial, class, and other differences. The department offers a B.A., a minor in Women’s Studies, a concentration in Women of Color Studies, and a certificate in Women’s Spirituality. Enhancing knowledge about feminisms and gender studies through teaching, emphasis on multiculturalism and diversity, the department focuses on critical thinking, collaborative learning, and personal empowerment.

Women’s and Gender Studies offers excellent undergraduate preparation as well for
• Those who wish to apply to law school or to graduate study in a variety of fields, e.g., Urban or Medical Anthropology, Counselor Education, Criminal Justice, Gerontology, History, Rehabilitation Counseling, Social Work, Women’s Studies
• Those who want to focus on women in specific disciplines or professions; and
• Those whose training would benefit from a close scrutiny of the major issues facing women today.

Requirements for the Major in Women’s Studies

Prerequisites (Recommended Prerequisites) for Students Transferring from a Florida College System Institution:
Students wishing to transfer to USF should complete the A.A. degree at a Florida College System institution. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. If students transfer with fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

The transfer student should also be aware of the immunization, foreign language, and continuous enrollment policies of the university.

No State Mandated Common Prerequisites are required for this degree program. However, during the program of study at the community college students should begin to satisfy General Education/Gordon Rule requirements, take WST 3015, “Introduction to Women’s Studies,” or other introductory courses in the Social Sciences and Liberal Arts. Courses to help students with reading and writing skills are helpful as well. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

Upper-level Coursework for Women’s Studies Majors
Each major must complete 36 hours distributed as follows:

I. Required Core Courses (15 hours)
   WST 3311 Issues in Feminism (3)
   WST 4310 History of Feminism in the U.S. (3)
   WST 4522 Classics in Feminist Theory (3)
   WST 4935 Capstone/Senior Project (3)
   AFA 4335 Black Women in America OR
   WST 4262 Literature by Women of Color in the Diaspora (3)

II. Select 21 credit hours from the following list, noting prerequisites where applicable:
   ANT 4302 Gender in Crosscultural Perspective (3)
   WST 2250 The Female Experience in America (3)
   WST 3210 European Feminist History: Pre-18th Century (3)
   WST 3220 European Feminist History: 18th Century to Present (3)
   WST 3225 Women, Environment and Gender (3)
   WST 3412 Women in the Developing World (3)
   WST 3440 Women and Social Action (3)
   WST 3620 Men and Sexism (3)
   WST 4260 Research Issues on Women of Color (3)
   WST 4410 Postcolonial Women Writers (3)
   WST 4335 Women and Film (3)
   WST 4320 The Politics of Women’s Health (3)
   WST 4350 Women and Science (3)
   WST 4561 Contemporary Feminist Theory (3)
   PHI 4632 Feminist Ethics (3)
   POS 4693 Women and Law I (3)
   POS 4694 Women and Law II (3)
Requirements for the Minor in Women's Studies

A student wishing to minor in Women's Studies will be required to take six courses:

Required:
- WST 3015 or WST 3311

Electives:
- Plus 15 credit hours with at least 2 courses at the 4000 level and above.

Minor in “Women of Color”

Women’s and Gender Studies offers a specific concentration in the area of Women of Color whose focus will be to examine the relationship between women of color and institutions of power.

The concentration prepares students for graduate work and/or professional careers in traditional and non-traditional areas such as health and education, international relations, the creative arts, law, medicine, social work, government and public policy, the social sciences, and community organization.

The requirements for the minor are 15 hours, which are to be selected from the following upper-level courses:
- AFA 4335 Black Women in America (3)
- WST 4260 Research Issues on Women of Color (3)
- WST 4930 Selected Topics (1-4)
- ANT 4302 Gender in Cross-Cultural Perspective (3)
- WST 4262 Literature by Women of Color in the Diaspora (3)
- WST 3412 Women in the Developing World (3)
- WST 4410 Postcolonial Women Writers (3)

WORLD LANGUAGES

The Department of World Languages offers students several undergraduate degrees. Although a baccalaureate degree is not offered in Linguistics, a minor is available to students. Comprehensive information about these programs is listed below.

CLASSICS (CLS)

Classics at USF is a language-based, interdisciplinary humanities field. We provide instruction in the Greek and Latin languages, and translation courses that focus on the study of Greek and Roman civilization, literature, mythology, philosophy, and religion.

Comprised of 5 faculty members who specialize in widely diverse aspects of the Greek and Roman world (such as Greek tragedy and philosophy, Roman epic and historiography) our department combines the intimacy of a small liberal arts college with the wide-ranging educational interests of a large state university.

Our majors are of particular interest to students who wish to teach the languages, to those who plan graduate study in a humanistic discipline, and to those who want an undergraduate major that focuses on the ancient civilizations that are the cornerstone of the Western Tradition.

Requirements for the Major in Classics

Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution: Students wishing to transfer to USF should complete the A.A. degree at a Florida College System institution. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, the students
must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements. The transfer student should also be aware of the immunization, foreign language, and continuous enrollment policies of the university.

To complete a major in Classics, students should demonstrate proficiency at the intermediate level within the target language. This may be accomplished by completing 6-12 hours within the language or by demonstrated competency at the intermediate level. If this coursework (or associated competency) is not completed at a Florida College System institution, it must be completed before the degree is granted. A grade of “C” is the minimum acceptable grade.

Upper-Level Coursework for the Classics Major

- **Requirements for the Major in Classics**
  All students who wish to enroll in the Classics Major must schedule an appointment with the Advisor.

- **General Requirements for the Major**
  The Classics Major requires 10 courses and 30 hours, which are divided between language and civilization requirements.

- **Language requirements**
  Majors are required to take at least four successive courses in a single language, Latin or Ancient Greek (LAT, LNW, GRE, GRW).

- **Civilization Requirements**
  Majors are required to take six upper-level civilization courses, including the core courses offered by Classics: Greek Civilization, Roman Civilization, Classical Mythology, Greek Literature in Translation, and Roman Civilization in Translation. The sixth remaining class for the major can also be fulfilled through appropriate courses offered by the Departments of History, Humanities, Religion, and Philosophy, etc., but only with the approval of the Advisor.

Requirements for the Minor in Classics

- **General Requirements for the Classics Minor**
  The Classics Minor requires 5 courses and 15 hours, which are divided between language and civilization requirements.

- **Language requirements**
  Minors are required to take at least two successive courses in a single language, Latin or Ancient Greek (LAT, LNW, GRE, GRW).

- **Civilization Requirements**
  Majors are required to take three of the upper level civilization courses offered by Classics: Greek Civilization, Roman Civilization, Classical Mythology, Greek Literature in Translation, and Roman Civilization in Translation.

Honors Program

- To graduate with Honors in Classics, the successful candidate must apply in the junior year, and complete special requirements during the senior year.
- To apply, the candidate must schedule an appointment with the Advisor and a Thesis Director chosen by the candidate.

Admissions Criteria

1. Senior status, with a departmental and overall GPA of 3.5.
2. Completion of the core courses in Classics.
3. An appropriate project accepted by a faculty member of Classics who agrees to serve as Thesis Director.

Requirements for Completion of Departmental Honors:

1. The candidate must maintain a departmental and overall GPA of 3.5.
2. The candidate must pass two (2) sight translations in either Greek or Latin (passages to be determined by the Thesis Director and the candidate.)
3. The candidate must turn in the completed thesis (thirty to fifty pages, at the discretion of the Thesis Director) before April of the senior year, and defend the thesis before a committee of at least three faculty members by May of the senior year. (Committee members to be chosen by the candidate and Thesis Director.)

Dismissal Procedures

- The student must maintain a Departmental GPA of 3.5, must submit the Honors Thesis on time, and must pass the scheduled Departmental Honors Examination. Otherwise, the candidate receives no Honors.

Requirements for the Major in Interdisciplinary Classical Civilizations (ICC)

Interdisciplinary Classical Civilizations is a broad-based area study encompassing the literature, history, linguistics, art and archaeology, philosophy, and religion of Greece, Rome and the Near East from pre-history to late antiquity. For centuries, the study of these vibrant societies has been recognized as essential to a proper understanding of our own culture and, recently, there has been a renewed recognition of the skills such study develops.
All students wishing to enroll in the ICC major must schedule an appointment with the Coordinator of Interdisciplinary Classical Civilizations in order to develop a program of study. Students will be urged to fulfill their General Education and University Exit Requirements, whenever possible, from courses taught within the Classical Civilizations Program. Courses that are applied toward the Gen. Ed. or “Core” Requirements cannot be utilized more than once.

Language Requirement: To complete a major in Interdisciplinary Classical Civilizations, students should demonstrate proficiency at the intermediate level within the target ancient language. This may be accomplished by completing 6-12 hours of coursework or by demonstrated competency at the intermediate level through examination. If this coursework (or associated competency) is not completed at the community college, it must be completed before the degree is granted. A grade of “C” is the minimum acceptable grade. If the target language is Latin or Greek, this would mean the completion of either LAT 2220 or GRE 2220 at USF, or the demonstration of a similar level of proficiency by examination.

The ICC Major can be fulfilled in one of two ways:
A. The ICC Major (33 hours minimum) is intended for students who wish to become familiar with aspects of the Classical heritage of Western Civilization.
B. The ICC Major with Honors (39 hours minimum) is intended for students who wish to continue their studies beyond the undergraduate level and includes a thesis (3 hrs.). The student must also maintain a 3.5 GPA within the major and a 3.3 overall GPA.

A. Requirements of the ICC Major (33 hours minimum)
1. 12 hours from the ICC “Core.”
   - CLA 3103 Greek Civilization (3)
   - CLT 3101 Greek Literature in Translation (3)
   - CLA 3123 Roman Civilization (3)
   - CLT 3102 Roman Literature in Translation (3)
   - HIS 3930 Classical Archaeology (3)
   - ANT 3101 Archaeology (with approval of Coordinator) (3)
   - REL 3280 Biblical Archaeology (3)
   - CLT 3370 Classical Mythology (3)

2. 18 hours (minimum) from the ICC “Fields.”
   - Two (2) courses from an approved list of 2000 to 3000 level courses in Anthropology, Classics, History, Philosophy, or Religious Studies.
   - Four (4) courses from an approved list of 3000 to 4000 level courses in Anthropology, Classics, History, Philosophy, or Religious Studies.

3. 3-4 hours from an approved list of 4000 level Exit Requirement courses in Anthropology, Classics, History, Philosophy, or Religious Studies.

B. Requirements of the ICC Major with Honors (39 hours minimum):
1. 12 hours from the ICC “Core.”
   - CLA 3103 Greek Civilization (3)
   - CLT 3101 Greek Literature in Translation (3)
   - CLA 3123 Roman Civilization (3)
   - CLT 3102 Roman Literature in Translation (3)
   - HIS 3930 Classical Archaeology (3)
   - REL 3280 Biblical Archaeology (3)
   - CLT 3370 Classical Mythology (3)

2. 12 hours beyond the BA Language Requirement in either Greek or Latin.
   - Competence in one or two ancient languages for 5 semesters of coursework is required. Courses must be taken with the approval of the Coordinator.
3. 12-16 hours (4 courses) from the Major Field Requirements.
   Major Fields are currently defined in Ancient History, Philosophy and Religious Studies. The student will select four courses
   in the Major Field area with the approval of the Coordinator. The student must take at least one exit level course in the Major
   Field he/she chooses.

4. 3 hours of Faculty Mentored Research.
   The student will complete a research project under the direction of a faculty committee composed of a faculty mentor and
   at least two additional faculty members. The project is intended to produce a substantial research paper that can serve as
   a writing sample when the student applies for advanced graduate study.

5. Maintenance of a 3.5 GPA within the major and a 3.3 overall GPA.

Requirements for the Minor in Interdisciplinary Classical Civilizations (ICC)

The ICC Minor (15 hours minimum) can be fulfilled in one of two ways:

A. Courses are divided by level, with the “field” of study unrestricted.
   1. Two courses (6 hours) from the ICC Minor "Core."
      · Either
         CLA 3103 Greek Civilization (3)
      or
      · CLT 3101 Greek Literature in Translation (3)
      · Either
         CLA 3123 Roman Civilization (3)
      or
      · CLT 3102 Roman Literature in Translation (3)
      · CLT 3370 Classical Mythology (3)
   2. 3-4 hours from 2000-3000 level courses in Anthropology, History, Philosophy and Religious Studies selected with the
      guidance and approval of the Coordinator.
   3. 6-8 hours from 3000-4000 level courses in Anthropology, History, Philosophy and Religious Studies selected with the
      guidance and approval of the Coordinator.

B. Courses are organized along an interdisciplinary principle.
   1. Two courses (6 hours) from the ICC Minor "Core."
      · Either
         CLA 3103 Greek Civilization (3)
      or
      · CLT 3101 Greek Literature in Translation (3)
      · Either
         CLA 3123 Roman Civilization (3)
      or
      · CLT 3102 Roman Literature in Translation (3)
      · CLT 3370 Classical Mythology (3)
   2. 9-12 hours from the Interdisciplinary Requirements. The student will complete three 3-4 credit courses, one each from three
      of the following four fields: (1) Anthropology, (2) History, (3) Philosophy, (4) Religious Studies. Courses are chosen
      with the guidance and approval of the Coordinator from the list certified for the major.

MODERN LANGUAGES (FRE/GER/GRK/ITA/RUS/SPA)

Foreign Language major programs are designed to meet the needs of students who desire competency in a language and
an expanded understanding of its culture and literature. They are of particular interest to students who wish to teach languages,
those who plan to further their studies in graduate school, and those who seek careers in various types of foreign or foreign-
related employment, either in government or business.

Major programs leading to the bachelor of arts degree are offered in French, German, Italian, Russian, and Spanish. All
major programs in foreign language require a total of 32 hours of coursework above the intermediate level. French and Spanish
majors with an International Studies and Business Concentration require a total of 63 hours of coursework distributed in the
three areas.

The following languages may also be taken as a minor: French, German, Italian, Latin, Modern Greek, Russian, and
Spanish. The minor consists of 15 hours of course work in French and Spanish above the second-year level, and 16 hours
in the other languages except for the less commonly taught languages. In order to begin taking courses for the minor, the student
will have satisfactorily completed the intermediate level or have equivalent proficiency in the foreign language. Instruction in
less commonly taught languages may be available upon sufficient demand.

Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution:
Students wishing to transfer to USF should complete the A.A. degree at a Florida College System institution. Some
courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the
Students should demonstrate proficiency at the intermediate level within the target language. This may be accomplished by completing 6-12 hours within the language or by demonstrated competency at the intermediate level. If this coursework (or associated competency) is not completed at the community college, it must be completed before the degree is granted. Students are encouraged to complete the following prerequisites, or major, support, or elective courses if available, during the program of study at the community college, and when feasible in General Education/Gordon Rule courses. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

Required courses in Business for the major (18 credit hours)
- ACG 3074 (3)
- ECO 1000 (3)
- MAN 3025 (3)

Supporting courses in Business for the major (6 credit hours)
Choose any two upper-level international business courses.

Required overseas study courses & area studies courses (9 credit hours)
Select 3 overseas study credit hours or 3 credit hours overseas plus 6 credits area studies planned with an advisor (2 courses from International Studies or other departments).
Africana Studies Club (AFA Club) - Provides a forum for the open discussion of topics related and relevant to people of African-descent both on the African continent and in the Diaspora. The organization provides a vital link between the students and the faculty of the Department of Africana Studies, and acts as a base for student activism on campus and in the community.

Alpha Epsilon Delta (AED) - National Premedical Honor Society - Open to all USF students with an interest in health professions. To be inducted into the national honorary, students must have 3.0 overall GPA and science GPA with a minimum of 3 semesters of college work completed, including one semester at USF. Students do not need to be in the national honorary in order to participate in the chapter at USF. For further information please go to www ctr.usf.edu/aed.

American Chemical Society Student Affiliate - To enhance the students' knowledge of chemistry and chemistry related fields. For further information please call (813) 974-2144, CHE 205.

American Criminal Justice Association - To offer students an organization that exposes them to career opportunities in fields related to criminology. We also provide interaction between students and professionals in the field of criminal justice. For further information please call (813) 974-6217.

American Library Association (ALA) - To promote the highest quality library and information services and public access to information. Students enrolled in programs of study or certificate in librarianship or information sciences are welcome to join ALA. For more information please go to: http://www.alan.org.

Pre-Med American Medical Student Association (PreAMSA) - Open to all Pre-Medical students. AMSA sponsors student-run projects carried out at the local level that allows future physicians to work in their communities as teachers and advocates of health promotion and disease prevention. For further information please go to http://ctr.usf.edu/pamsa/

American Society for Information Science and Technology (ASIS&T) - To advance the information sciences and related applications of information technology by providing focus, opportunity, and support to information professionals and organizations. Open to full and part-time students. Student membership prerequisite: faculty advisor's signature. For more information please go to: http://www.asis.org/index.html.

Anthropology Club - To promote and encourage an interest in Anthropology among individuals within the USF community, to provide a forum for the exchange of anthropological ideas between faculty and students, and foster an informal and creative atmosphere for interaction. For further information please call the Department Office at (813) 974-2138.

Arts and Sciences College Council - To represent the students of the College of Arts & Sciences in expressing their opinions, to help them participate in determining college policy, to provide services that may help in furthering their interests and education in the Arts and Sciences. For further information please go to BEH 201 or call (813) 974-6957.

Arts and Sciences Honor Society - To recognize high academic achievement by students in the College of Arts and Sciences. Membership is by invitation. One induction is held each year during the fall semester. For further information, check the ASHS website at http://nosferatu.cas.usf.edu/~poonkase or call (813) 974-6957.

Association of Minority Communicators - To inform minority students interested in Communication about the profession and to help them gain practical experience.

Classical Society – Open to all USF students and established to promote interest in the ancient world, provide educational and social events among students and faculty, and to foster the Classical heritage of the modern world. For more information, go to the Society website on Blackboard.

Colloquia in Literature and Linguistics - Provides a stimulating environment in which graduate students in French, Spanish, and Linguistics can share and expand their scholarly endeavors. Sponsors guest lectures. For further information please go to CPR 419.

Communication Council - To encourage and promote extracurricular learning as well as social interaction among communication majors and minors. For further information please go to CIS 3058.

Economics Scholar Society - To promote and develop the application of economic concepts within the student body and provide a social basis for interaction. For further information visit BSN 3432 or call (813) 974-4252.
Eta Sigma Phi – Open to all students of classical Greek and Latin, the purpose of the national honor society for classics is to promote classical students, and to stimulate interest in the history, literature, and art of ancient Greece and Rome. For further information, visit the Classical Society website on Blackboard.

Feminist Student Alliance – Is a feminist organization for social equality and achieves its aim through activism around campus and in our community.

French Club - To promote the interest of the French language, Francophone culture and civilization through programs scheduled at club meetings and through social events of the club. For further information please go to CPR 419.

Gamma Theta Upsilon (GTU) - An international honor society in geography. The purposes of GTU are: to further professional interest in geography by affording a common organization for those interested in the field; to strengthen student and professional training through academic experiences in addition to those of the classroom and laboratory; to encourage student research of high quality. For further information, please go to NES 201.

Geography Club - To foster understanding of and stimulate interest in the discipline of Geography and its subfields. For further information please go to NES 201.

Geography Graduate Student Alliance - To promote social and professional interactions among students in graduate programs in Environmental Science and Policy, Geography, and Urban and Regional Planning. For further information please go to NES 201.

Geology Club - The Geology Club at USF involves its members along with the department in many activities such as trips, annual T-shirt sales and extracurricular academic participation. These events include hosting weekly lecture series by professional geologists and providing opportunities for members to teach geology to local elementary schools. For further information please contact Dr. Mark Rains, SCA 531; or Geology Web Page @ www.cas.usf.edu/geology/

German Club - To promote the interest of German language, culture, and civilization through programs scheduled at club meetings and through social events of the club. For further information please go to CPR 419.

HOSA - Health Occupations Students of America (HOSA) is a national organization that supplements the health education curriculum. HOSA develops the whole person, not just job-specific skills. HOSA's purpose is to foster leadership skills, communication skills and other occupational competencies and social skills that will lead to a successful career in the health field. For further information please go to http://ctr.usf.edu/hosa/.

Humanities and American Studies Society - This organization’s stated purpose, according to its Constitution, is “to inspire a greater appreciation of our past and present through the study and enjoyment of various art forms.” Activities range from gallery strolls to lectures, film series, and campus theatre performances.

International Studies Organization - To promote interaction between students and faculty. To enlighten the student populace of USF of the values of International studies and to foster gender relations among international studies majors. For further information please go to SOC 373.

Iota Iota Iota - Triota for short, is an academic honor society in women’s studies. Its purpose is to encourage and support scholarship and excellence in women’s studies. Triota members strive to maintain the feminist values central to women’s studies: egalitarianism, inclusiveness, and the celebration of the diversity of women’s experience. Triota’s mission is one of service to other women’s studies students.

Italian Club - The purpose of the Circolo Culturale Italiano is to provide educational opportunities and experiences in the American Life to its members and help them to improve their knowledge of the Italian language and culture. It also sponsors lectures, social events and grants scholarships to deserving students of Italian. For further information please go to CPR 419.

Lambda Pi Eta - The local chapter of the official honor society of the National Communication Association recognizes outstanding academic achievement in the discipline of Communication.

Minority Preprofessional Science Society/Minority Association of Premedical Students (MPSS/MAPS) - The objectives of the Society are to promote minority student interest in careers in the natural sciences and the health professions and to provide a support network to enable students to be academically successful. The Society meets weekly on Thursday afternoons. Membership is open to all students in the College of Arts and Sciences. For further information go to http://ctr.usf.edu/mpss/.
National Student Speech Language Association - Association was created because of students’ desire for a closer affiliation with professionals in the discipline of human communication sciences and disorders.

Omicron Delta Epsilon - The international economics honor society promoting outstanding achievements in economics and the establishment of closer ties between students and faculty.

Phi Alpha Theta - National Honor Society for outstanding History students to promote the study of History. For more information, go to www.cas.usf.edu/history.

PHI ORG (Undergraduate Philosophy Organization) - Open to all USF students with an interest in philosophy. The purpose of the organization is to enhance the study of philosophy and to increase awareness of philosophical issues in the campus community.

Phi Sigma Iota - International Honor Society for outstanding majors and minors in Classics, all Foreign Languages and Literatures, Bilingual Education, Foreign Language Education and Comparative Literature.

Pi Gamma Mu - International Honor Society for the Social Sciences.

Pi Mu Epsilon - The mathematics honor society to which the best scholars among our students are invited. Particular emphasis is given to performance in mathematics courses. For further information please go to PHY 342.

Pi Sigma Alpha - To function as an integral part of the political science department in the promotion of worthwhile extracurricular activities related to public affairs. For further information please go to SOC 352.

Pre-Dental Society - The Pre-Dental Society is open to all students with an interest in Dentistry. Through the Society students have an opportunity to not only get to know other Pre-Dental students, but to meet and hear presentations from dental school admissions’ officers and practicing dentists. The Society also has organized an extensive mentor program through which students can arrange to observe dentists from each of the specialties as they work in their offices. For further information please go to http://ctr.usf.edu/predental/.

Pre-Optometry Society - This new society will provide students an opportunity to learn more about the profession of optometry and to meet other students interested in the profession. Any interested student is invited to join. For further information please go to http://www.ctr.usf.edu/pops/

Pre-Veterinary Society - USF Pre-veterinary Society provides fellowship and exchange among students interested in veterinary medicine, animal science and/or research. Membership is open to students from USF and other local colleges who wish to participate in a variety of activities that will enhance their knowledge in animal science. Activities have included tours at EPCOT - the Land of the Seas, Sea World, Lowry Park Zoo, an ostrich farm, and University of Florida College of Veterinary Medicine. Students meet a variety of specialists in the area.

Psi Chi - Psi Chi is the National Honor Society in Psychology, founded in 1929 for the purposes of encouraging, stimulating, and maintaining excellence in scholarship, and advancing the science of psychology. Membership is open to graduate and undergraduate men and women who meet the minimum qualifications. Psi Chi is a member of the Association of College Honor Societies and is an affiliate of the American Psychological Association and the Association for Psychological Science.

Religious Studies Club – The Religious Studies Club is open to all USF students who are interested in the academic study of religion. The club gives students an opportunity to learn more about religion and its study from one another and guests invited to club sponsored meetings and events. The Religious Studies Club can be contacted at: RSCUSF@yahoo.com

Sigma Gamma Epsilon - To recognize and promote academic and professional excellence in the Earth Sciences.

Sigma Pi Sigma - Physics National Honor Society. Contact Dr. Robert Criss at (813) 974-0165 for more information.

Sigma Tau Delta – International Honor Society for students of English

Society of Physics Students (SPS) - An affiliate of the American Institute of Physics and includes the honor society of Sigma Pi Sigma. Contact Dr. Robert Criss at (813) 974-0165 for more information.

Special Libraries Association (SLA) - The global organization for innovative information professionals and their strategic partners. SLA promotes and strengthens its members through learning, advocacy, and networking initiatives. Student
memberships are granted to applicants enrolled in at least two library or information science courses. For more information please go to: http://www.sla.org.

**Student Broadcasting Association** - To give students with an interest in television/radio journalism hands-on experience and the opportunity to produce a news program for public access television. For further information please go to CIS 3005.

**Student Chapter of the Mathematical Association of America** - A club for students who enjoy doing, discussing and learning mathematics. For further information please go to PHY 342.

**Student Environmental Association** - The purpose of this organization is to provide interaction among students interested in environmental issues on campus, in our region, and around the world. For further information, please go to NES 201.

**Student Society for Technical Communication-SSTC** - offers students scholarships, publication competitions, internship opportunities, resume and computer workshops and networking socials with local professionals who are established in the field. For further information please go to CTR 2419.

**University Psychology Association** - The purpose of this organization shall be to foster understanding and stimulate interest in the discipline of Psychology and its sub fields. University Psychology Association is open to all USF students interested in the field of Psychology.

## ARTS AND SCIENCES FACULTY

### Africana Studies

**Chairperson:** Deborah G. Plant; **Associate Professors:** D. G. Plant, C. R. Rodriguez, E. Kissi; **Assistant Professors:** E. D. Duke, K. Simeon-Jones; **Instructor:** D. Washington; **Visiting Research Associate:** H. R. Kaplan; **Other Faculty:** K. Davis-John, J. Holmes, R. Jones, J. A. Maxwell-Simmons, S. Moore, L. W. Morehouse, F. U. Ohaegbulam, C. Probes, W. Rand, B. T. Shuler, S. Toland-Dix, S. Wright.

### Anthropology

**Chairperson:** B. Weisman; **Professors:** R. Baer, E. Bird, K. Borman, S. Greenbaum, L. Madrigal, R. Tykot, B. Weisman, N. White, L. Whiteford; **Associate Professors:** K. Davis-Salazar, D. Himmelgreen, J. Messing, N. Romero-Daza, C. Wells, K. Yelvington; **Assistant Professors:** H. Castaneda, A. Jackson, E. Kimmerle, T. Pluckhahn, R. Zarger; **Instructor:** L. Collins, J. Napor; **Courtesy Faculty:** C. Bryant, J. Coreil; **Emeritus Faculty:** M. Angrosino, C. Wienker, A. Wolfe.

### Cell Biology, Microbiology and Molecular Biology

**Chairperson and Professor:** R. Larsen; **Associate Chairperson and Professor:** B. Space; **Assistant Chair and Instructor:** P. Muisener; **Emeritus Professors:** J. Binford, J. C. Davis, Jr., J. E. Fernandez, L. Mandell, T. C. Owen, B. Stevens; **Distinguished University Professor Emeritus:** D. F. Martin; **Professors:** B. J. Baker, S. H. Grossman, W. C. Guida, J. P. Harmon, M. D. Johnston, M. L. McLaughlin, G. G. Meisels, D. J. Merkler, R. M. O’Malley, R. Potter, B. Space, E. Turos, M. Zaworotoko; **Associate Professors:** K. S. Bisht, M. Eddaooudi, J. Lewis, A. Malik, L. Ming, P. Zhang; **Assistant Professors:** M. Acevedo-Duncan, J. Antilla, A. Cardenas, X. Li, R. Manetsch; **Research Assistant Professors:** T. Gauthier, E. Rivera; **Instructors:** K. Caswell, V. Tibbs-Lykourinou; **Faculty:** L. P. Mercer, S. T. Weldegirma; **Faculty:** L. P. Mercer.

### Chemistry

**Chairperson and Professor:** R. Larsen; **Associate Chairperson and Professor:** B. Space; **Assistant Chair and Instructor:** P. Muisener; **Emeritus Professors:** J. Binford, J. C. Davis, Jr., J. E. Fernandez, L. Mandell, T. C. Owen, B. Stevens; **Distinguished University Professor Emeritus:** D. F. Martin; **Professors:** B. J. Baker, S. H. Grossman, W. C. Guida, J. P. Harmon, M. D. Johnston, M. L. McLaughlin, G. G. Meisels, D. J. Merkler, R. M. O’Malley, R. Potter, B. Space, E. Turos, M. Zaworotoko; **Associate Professors:** K. S. Bisht, M. Eddaooudi, J. Lewis, A. Malik, L. Ming, P. Zhang; **Assistant Professors:** M. Acevedo-Duncan, J. Antilla, A. Cardenas, X. Li, R. Manetsch; **Research Assistant Professors:** T. Gauthier, E. Rivera; **Instructors:** K. Caswell, V. Tibbs-Lykourinou; **Faculty:** L. P. Mercer, S. T. Weldegirma; **Faculty:** L. P. Mercer.

Interim Chairperson: M. Myerson; Professor Emeriti: C. DiPalma, L. L. McAlister, M. Myerson, J. Snook; Associate Professor: K. Vaz; Visiting Faculty: L. Clark; L. Lucas; J. Nettleton Affiliate Faculty S. Crawley; G. Grewal.

World Languages
The College of Behavioral and Community Sciences (BCS) prepares students, scholars, human service providers, policy makers, and other professionals to improve the quality of life, health, and safety of diverse populations and to promote positive change in individuals, groups, communities, organizations and systems. Through multidisciplinary teaching and research, service, and engagement with community partners, the College focuses on the rigorous development, dissemination/implementation and analysis of innovative solutions to the complex challenges that affect the behavior and well-being of individuals, families, populations, and communities in which we live.

The College offers undergraduate programs in Communication Sciences and Disorders, with concentrations in Interpreter Training and Language-Speech-Hearing Disorders; Criminology, Gerontology, Long-Term Care Administration and Social Work as well as a minor in Behavioral Healthcare.

Master’s programs are available in Applied Behavior Analysis, Aural Habilitation/Deaf Education, Criminal Justice Administration, Criminology, Gerontology, Rehabilitation & Mental Health Counseling, Social Work, and Speech-Language Pathology.

Doctoral programs are offered in Aging Studies, Audiology, Communication Sciences & Disorders, Criminology, and Social Work. Graduate studies in Behavioral Health are offered in collaboration with the College of Public Health at both the master’s and doctoral level.

General Information
The College of Behavioral and Community Sciences Dean’s Office is located in the Louis de la Parte Florida Mental Health Institute (FMHI) building in MHC 1110 and the Office of Student Services (which handles student-related academic matters) is located in MHC 1143/1149. Academic Advising is housed within the major departments. Advisor contact information is available at http://www.bcs.usf.edu/CurrentStudents/Undergraduate.cfm. Additional information about the College of BCS is also available at http://www.bcs.usf.edu/index.cfm

General Requirements for
B.A./B.S./B.S.W. Degree

Within the College of Behavioral and Community Sciences

The College of Behavioral and Community Sciences offers three undergraduate degrees: Bachelor of Arts, Bachelor of Science, and Bachelor of Social Work. IT IS EACH STUDENT’S RESPONSIBILITY TO MEET GRADUATION REQUIREMENTS:
1. Complete at least 120 accepted semester hours with a minimum USF cumulative gpa and overall gpa of 2.00. (Important! All grades including “D”s and “F”s are used to calculate gpa’s for students in the College of Behavioral and Community Sciences.)
2. Maintain major gpa of 2.00 in USF coursework.
3. Complete the Foreign Language Entrance Requirement. Students pursuing a B.A. degree must also complete the Foreign Language Exit Requirement.
4. Satisfy Board of Governors Articulation Resolution 6A-10.30 (Gordon Rule) concerning computation and communication. Transfer students who enter USF with 60 or more semester hours from a regionally accredited institution are considered to have met the communication portion of the Gordon Rule.
5. Complete 36 hours of General Education Requirements (for more information, see section titled “Foundations of Knowledge and Learning” (FKL) in Academic Policies and Procedures section.)
Core Curriculum Requirements:
Six (6) hours credit in English Composition
Six (6) hours credit in Mathematics and Quantitative Reasoning
Six (6) hours credit in Natural Sciences (3 credit hours in Life Science and 3 credit hours in Physical Science)
Six (6) hours credit in Social and Behavioral Sciences
Six (6) hours credit in Humanities
Three (3) hours credit in Fine Arts
Three (3) hours credit in Human and Cultural Diversity in a Global Context
Prior to graduation, each student must also complete 6 hours of Exit Requirements:
Three (3) hours credit in Capstone category
Three (3) hours credit in Writing Intensive category
6. Complete at least 9 semester hours at a Florida public university in the Florida State University System during summer terms if entering USF with fewer than 60 semester hours.
7. Complete all major course requirements.
8. Thirty (30) of the last 60 semester hours must be completed at USF to fulfill the residency requirement.
9. Physical Education coursework is limited to 2 semester hours.
10. ROTC courses are limited to 9 semester hours.
11. When double majoring, a maximum of 2 courses or 8 hours may be used to satisfy requirements between majors. Students should check with the college and respective departments when pursuing more than one degree.
12. Maximum of 20 hours of S/U option. S/U contracts must be negotiated in writing within the first three (3) weeks of the term. None of the 20 credits may be taken in the student’s major unless S/U is the only grading option. Coursework fulfilling the Gordon Rule requirement may not be taken S/U.
13. The Audit option is available only during the first 5 days of classes.
14. Complete a minimum of 48 hours of upper-level courses (numbered 3000 or above).
15. Students must satisfactorily complete the College Level Academic Skills Requirement (CLAS-R).
16. Students must apply for graduation by the end of the fourth week of their final semester (See Registrar’s calendar for exact dates.) For late application information, please refer to the Application for Graduation section of the Academic Policy and Procedures division of the catalog.

Note: The College of Behavioral and Community Sciences will not accept graduation applications from potential baccalaureate students who have previously been denied graduation three times. Upon the third denial, the students will be informed in writing that they may only reapply with documentation that they have met all outstanding baccalaureate degree requirements.

DEPARTMENTAL MINOR

In order to help students develop concentrations in elective work taken in conjunction with their chosen major, the College of Behavioral and Community Sciences offers minors in the following areas: American Sign Language, Behavioral Healthcare, Criminology, and Gerontology.

Certain restrictions apply to students earning a minor: (a) students may not use courses in the major for the minor, unless approved by the department offering the minor; and (b) ISS majors may not earn a minor in any of the cognate areas incorporated in their contracts. In some departments, S/U grades within the minor curriculum do not count toward the major. Specific requirements for the different minors appear under the departmental summaries listed in “Departments and Programs” Section.

• COMMUNICATION SCIENCES AND DISORDERS (LSH, ITT, DST)

The undergraduate program in Communication Sciences and Disorders (CSD) offers three curriculum concentrations that lead to the B.A. degree: 1) The undergraduate concentration in Language-Speech-Hearing Sciences (LSH) provides pre-professional study that prepares the student for Master’s level preparation in Speech-Language Pathology, or Deaf Education, or for entry into the clinical Doctor of Audiology degree (AuD); 2) The undergraduate curriculum in Interpreter Training (ITT) prepares individuals to work in settings with clients who require American Sign Language Interpretation skills due to their hearing impairment or deafness; 3) The undergraduate concentration in Deaf Studies (DST) focuses on the study of deaf culture through the development of communicative proficiency in ASL and prepares the individual to work in a variety of social service settings with individuals who are deaf. (Students are not currently being admitted into the DST concentration.). Students interested in the LSH or ITT concentrations should contact the Department of Communication Sciences and Disorders regarding academic advising. The Department also offers an undergraduate minor in American Sign Language (ASL), a Master’s of Science degree in Speech-Language Pathology, a Doctor of Audiology degree, and the research Ph.D. in Communication Sciences and Disorders.

Concentrations in Communication Sciences and Disorders (CSD)

Prerequisites (Recommended Prerequisites) for Students Transferring from a Florida College System Institution:

Students entering the university with fewer than 60 semester hours of acceptable credit must meet the university’s entering freshman requirements including ACT and SAT test scores, GPA, and course requirements. Students wishing to transfer to USF should complete the A.A. degree at the community college. Some courses required for the LSH or ITT concentrations may also meet General Education Requirements thereby transferring maximum hours to the university.

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program.

There are no State Mandated Common Prerequisites for the LSH, ITT, or DST concentrations.

General Information:

All undergraduates seeking enrollment in CSD must be in good academic standing as undergraduate students at the University of South Florida. Prior to beginning coursework in the junior year in the department, students should complete general education requirements, and have achieved 60 semester hours of coursework. Students with advising concerns relative to their first 60 semester hours are encouraged to meet with undergraduate departmental advisors since required and recommended courses for admission to the LSH or ITT concentrations will also meet other university requirements.
Recommended Courses for the LSH Concentration:

Students who plan to major in LSH are encouraged to complete the following courses during the program of study at the community college. Note that national certification in Speech-Language Pathology and Audiology through the Council of Academic Accreditation of the American-Speech-Language-Hearing Association requires coursework in the Social, Biological and Physical Sciences, and Mathematics.

I. PSY 2012 Psychological Science I  3
STA 2122 Social Science Statistics (or equivalent)  3
BSC 1085 Human Anatomy & Physiology I  3
BSC 1085L Human Anatomy & Physiology I Lab  1
or equivalent work such as: BSC 2093C Human Anatomy & Physiology I  3
PHY 2020 Conceptual Physics  3

II. Complete the foreign language requirement

Requirements for the concentration in Language-Speech-Hearing (LSH)  
(min. 48 credit hours)

Coursework is sequenced for the LSH concentration in Language-Speech-Hearing Sciences. All students must complete study in basic knowledge of the communication sciences and in basic knowledge of communication disorders. Upon admission to the concentration each student will be assigned an advisor to provide guidance in academic planning.

The course of study includes, but may not be limited to the following courses:

SPA 3002 (3)  SPA 3112 (3)  SPA 4222 (3)
SPA 3004 (3)  SPA 3310 (3)  SPA 4555 (3)
SPA 3011 (3)  SPA 4050 (3)  SPA 4632 (3)
SPA 3030 (3)  SPA 4201 (3)  SPA 4930 (6)
SPA 3101 (3)  SPA 4210 (3)  STA 2122 (3)

Effective July 1989, the academic requirements for employment in the public school system for Speech-Language Pathologists is the Master’s degree.

Students in the LSH concentration are encouraged to join the USF chapter of the National Student Speech-Language-Hearing Association. This group is affiliated with the American Speech-Language-Hearing Association (ASHA) and has many membership benefits.

Requirements for the concentration in Interpreter Training (ITT)  
(min. 56 – 59 hours)

The ITT concentration seeks to educate students to become interpreters for deaf individuals. A program of 56-59 credit hours is planned for the student majoring in the Interpreter Training concentration. Course content is distributed across six categories of information and skills necessary for a career in Interpreting:
1. Role of the Interpreter in various settings
2. Working with deaf consumers of various backgrounds and/or having multiple disabilities
4. Techniques and Applications of Interpreting
5. Professional Practices of the Interpreter
6. Internship

Admission requirements for ITT Concentration:
Admission to the program of study for Interpreter Training (ITT) requires students to demonstrate the ability to use ASL at the intermediate level on a standardized ASL competency test such as the Sign Communication Proficiency Index (SCPI) or other equivalent evaluation. Completing a community college interpreter training program curriculum is highly recommended.

Prerequisites for Admission
ASL 2140C Basic American Sign Language
ASL 2150C Intermediate American Sign Language
ASL 4161C Advanced American Sign Language
ASL 4201C American Sign Language IV
ASL 4301C Structure of Sign Language
ASL 3514 American Deaf Culture

Students wishing to enter the ITT major must successfully complete ASL 2140C, ASL 2150C, ASL 4161C and ASL 4201C (or the lower level equivalent courses at the community colleges) with a grade point average for these four courses of 3.0 or higher.

The course of study includes:
EDF 3604 (3)  SPA 3004 (3)  INT 4261 (2)
EEX 4070 (3)  INT 3004 (3)  INT 4250 (4)
ISS 3010 (3)  INT 3110 (4)  SPA 4930 (3)
LIN 3010 (3)  INT 3111 (4)  INT 4251 (4)
SPA 3673 (3)  INT 3112 (3)  INT 4944 (4)
OR  INT 4260 (2)  INT 4190 (3)
SPA 3310 (3)  SPA 4962 (1)

Graduation within the ITT major also requires successful completion of a comprehensive practical exit examination and successful completion of the National Registry of Interpreters for the Deaf (NRID) written examination.

Minimum Grade for Majors
A student must receive a “C” grade or better in all courses within the major and in required prerequisites. Any student who receives a grade of “D” or lower in more than two USF Communication Sciences and Disorders courses will be automatically barred from continuing as an undergraduate major in CSD. Grade forgiveness may be used for two courses only and may be used only for course work taken in the first year of study at the 3000 level. Courses that comprise the second year of the major or those at the 4000 level may not be repeated for grade forgiveness.

Requirements for the concentration in Deaf Studies (DST)
(min. 30 credit hours)

(Not currently admitting students for the 2010/2011 year while under administrative review)

The DST concentration seeks to educate students to communicate with the deaf and to apply this knowledge in work settings where knowledge of the deaf culture is essential for the provision of social services. This DST concentration is not intended to prepare interpreters for the deaf although exceptionally proficient students may qualify as interpreters. This concentration also does not qualify students for admission into the M.S. programs in Speech-Language Pathology or Deaf Education, nor the Doctor of Audiology Program. Those students choosing to become teachers of individuals who are deaf must pursue the LSH concentration in Language-Speech-Hearing Sciences and obtain the M.S. degree in Aural Rehabilitation/Deaf Education.

General admission requirements and recommendations for DST are identical to the LSH concentration in Language-Speech-Hearing Sciences. The specific course of study for the DST concentration also assumes that the student has completed an A.A. degree or its equivalency. Upon admission to the concentration, each student will be assigned an advisor for the purpose of academic planning. The following courses are included in the major:
SPA 3002 (3)  ASL 2140C (4)  ASL 3514 (3)
SPA 3004 (3)  ASL 2150C (4)
SPA 3030 (3)  ASL 4161C (4)  SPA 4632 (3)
SPA 3310 (3)  ASL 4301C (4)
Other electives (6)

Honors Program
The Honors Program in Communication Sciences and Disorders (LSH, ITT) provides outstanding undergraduates with advanced, individualized training in their areas of interest as well as additional research training. Admission to the Honors Program requires the student to submit evidence of (1) 70 hours of college level course work completed with a 3.25 grade point average or better, (2) 9 credit hours within the Communication Sciences and Disorders (CSD) curriculum with at least a 3.5 average in these courses, and (3) a letter of recommendation from a CSD faculty member. After acceptance to the Honors Program, the student must complete the requirements for the major with a GPA above 3.5 for courses taken within the department and an overall GPA above 3.25. The Honors Student will complete 6 credit hours in advanced level courses that pertain to the major, complete 2 credits in Honors Colloquia and write an Honors Thesis.

Requirements for the Minor in American Sign Language
Students seeking a minor in American Sign Language must complete a minimum of 17-18 credits:
1. A minor must include these four courses:
   ASL 2140C Basic American Sign Language
   ASL 2150C Intermediate American Sign Language
ASL 4161C Advanced American Sign Language
2. SPA 4632 Nature and Needs of the Deaf and Hard of Hearing
   or
   ASL 3514 American Deaf Culture
3. ASL 4201C American Sign Language IV
   or
   ASL 4301C Structure of Sign Language
4. Students seeking a minor in ASL must complete 12 of the 17-18 credit hours at USF.
5. A GPA of 2.0 or better must be achieved in minor course work in order for a student to be certified for graduation with a minor in American Sign Language.

• CRIMINOLOGY (CCJ)

The major in Criminology provides students with in-depth exposure to the total criminal justice system including law enforcement, detention, the judiciary, corrections, juvenile justice and probation and parole. The program concentrates on achieving balance in the above aspects of the system from the perspective of the criminal justice professional, the offender, and society. The program provides a solid background in the theory, issues and methodology comprising Criminology.

The objective of the undergraduate program in Criminology is to develop a sound educational basis either for graduate work or for professional training in one or more of the specialized areas comprising the modern urban criminal justice system.

Prerequisites (Recommended Prerequisites) for Students Transferring from a Florida College System Institution:
Students wishing to transfer to USF should complete the A.A. degree at a Florida College System institution. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. If students transfer with fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

There are no State Mandated Common Prerequisites for this degree program.
Transfer students should be aware that by university regulation they are obligated to establish academic residency by completing the equivalent of one academic year (30 semester hours) in “on-campus” courses. All undergraduate transfer students electing Criminology as their major will be required, moreover, to take a minimum of 30 credit hours in major coursework at the University of South Florida. These residency requirements are designed to ensure that transfer students who subsequently receive their baccalaureate degree from the University of South Florida with a major in Criminology will have been exposed to the same body of knowledge in their major as those students who complete all or a major portion of their coursework at the University of South Florida. The transfer student should also be aware of the immunization, foreign language, and continuous enrollment policies of the university.

Requirements for the Major in Criminology
A minimum of 36 semester hours is required of all undergraduate majors in Criminology including:
1. Each of the following core courses:
   CCJ 3024 (3)*
   CCJ 3610 (3)*
   CCJ 3701 (3)**
   CCJ 4934 (3)
2. 24 semester hours of electives within the major.

*Students who plan to attend graduate school should also take CCJ 4700 as one of their electives within the major. Students must take CCJ 3610 prior to enrollment in CCJ 3701.
**Students who plan to continue on to graduate school should also take CCJ 4700 as one of their electives within the major.

NOTE: No more than six (6) hours of CCJ 4900, CCJ 4910 or any combination of the two will be accepted toward the minimum number of hours in the major. A student may take an unlimited amount of CCJ 4933 or 4934 as long as they vary in title.

Any student who receives a grade of “D” or lower in more than one USF CCJ course will be automatically barred from continuing as a Criminology major.

Requirements for the Minor in Criminology
A minimum of 18 hours is required of all Undergraduate minors in Criminology including:
1. The following two required courses:
   CCJ 3024 (3)
   CCJ 3610 (3)
2. An additional 12 semester hours of electives within Criminology.

Please note! Because all courses are programmed for majors only, each semester students will be required to obtain approval for all criminology courses with the exception of CCJ 3024. This can be accomplished by emailing the USF student ID number and reference numbers to the advising office. Upon receipt of the email, students will be registered for courses.
A minimum of 9 semester hours must be completed at USF. Students minoring in Criminology are subject to the Department’s “2 D” Rule.

**GERONTOLOGY (GEY)**

Gerontology is the study of the process of human aging in all its many aspects: physical, psychological, and social. In the School of Aging Studies, the academic home of the gerontology programs, particular emphasis is placed upon applied gerontology, with the goal of educating students who in their professional careers will work to sustain or improve the quality of life of older persons. Because Gerontology is an interdisciplinary field, dual majors with other departments are encouraged. The School of Aging Studies offers the degrees of Bachelor of Arts in Gerontology, Bachelor of Science in Long Term Care Administration, a minor in Gerontology, and Master of Arts in Gerontology. The School of Aging Studies also hosts the university-wide Ph.D. in Aging Studies, and offers 4 graduate certificates in Gerontology. Students wishing to transfer to USF should complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. If students transfer with fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

The transfer student should also be aware of the immunization, foreign language, and continuous enrollment policies of the university.

**Requirements for the Major in Gerontology (B.A.)**

The Bachelor of Arts Degree in Gerontology entails 36 semester hours of required course work. In this program the course of study is intended to provide students with a liberal education in gerontology and some exposure to the various career opportunities in the field of aging. This degree is especially appropriate for students who plan to pursue graduate or professional work in gerontology, or some other field, or who plan to work with older adults in careers such as case management, social services, or activity therapy.

**Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution:**

For those seeking the Bachelor of Arts degree, students should complete STA X122 (Social Science Statistics) at the lower level prior to entering the university. If this course is not taken at the community college, it must be completed before the degree is granted. A grade of “C” is the minimum acceptable grade. Acceptable substitutes for STA X122 are: QMB 2150 or QMB X100, STA 2022, X013, X014, X040, X023, or X024. There are no other common prerequisites for the Gerontology program leading to the Bachelor of Arts degree.

A grade of lower than “C-” in Gerontology courses will not be counted toward fulfilling the requirements for the major.

**Required Courses**:

- GEY 2000 Introduction to Gerontology (3)
- GEY 3601 Physical Changes and Aging (3)
- GEY 3625 Sociocultural Aspects of Aging (3)
- GEY 4401 Research Methods in Gerontology (3)
- GEY 4612 Psychology of Aging (3)

A required prerequisite is STA 2122.

**Required Capstone Experience. Students will choose one:**

- GEY 4945 Field Placement (3)
- GEY 4935 Senior Seminar (3)

B.A. students complete 18 additional elective hours, which may include additional field placement. Students should meet frequently with the departmental advisor to plan courses and field work that will prepare the student for their career goals.

**Requirements for the Major in Long Term Care Administration (B.S.)**

The Bachelor of Science Degree in Long Term Care Administration is a 36 semester hour specialist degree which, in addition to providing students with a basic education in gerontology, is intended to prepare students for entry level positions in Nursing Home Administration. It is especially appropriate for students who intend to begin working immediately following completion of the degree program.

**Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution:**

For those seeking the Bachelor of Science degree, students complete the prerequisite courses listed below. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

- ACG X001 or X021 Financial Accounting
- ACG X011 or X071 or X630 Managerial Accounting
A grade of lower than “C-” in Gerontology courses will not be counted toward fulfilling the requirements for the major.

Required courses:
- GEY 3601 Physical Changes and Aging (3)
- GEY 4327 Understanding Policies and Practices of Long Term Care (3)
- GEY 4328 Health Care Operations (3)
- GEY 4329 Regulatory and Clinical Operations (3)
- GEY 4608 Alzheimer’s Disease Management (3)
- GEY 4641 Death and Dying (3)
- GEY 4935 Program and Service Evaluation (3)
- GEY 4945 Field Placement (9)
- MAN 3301 Human Resource Management (3)
- ISM 3011 Information Systems in Organizations (3)

Recommended Electives:
- GEY 3625 Sociocultural Aspects (3)
- GEY 4360 Gerontological Counseling (3)
- GEY 4628 Race, Ethnicity and Aging (3)
- MAR 3023 Basic Marketing (3)
- BUL 3320 Law and Business (3)
- MAN 3240 Organizational Behavior Analysis (3)

Students in the B.S. program will only be allowed to register for the full-time internship (GEY 4945) after successful completion of all (or all but one) of the required courses in the B.S. major. Because the B.S. internship requires full-time effort, students will be allowed to take no more than four (4) credits concurrent with the B.S. internship.

Students interested in either the B.A. or the B.S. option should contact the School of Aging Studies as early as possible in their careers at the University of South Florida.

Requirements for the Minor in Gerontology

An undergraduate minor is available for students interested in pursuing gerontology careers in conjunction with any undergraduate major, but it should be particularly beneficial to persons majoring in such disciplines as anthropology, business, communication sciences and disorders, government and international affairs, nursing, psychology, health care, social work, and sociology. Requirements for the minor in Gerontology total 15 hours of the following courses:

Required:
- GEY 2000 Introduction to Gerontology (3)

Required: Choose 2 of the following 3 courses
- GEY 3601 Physical Changes and Aging (3)
- GEY 3625 Sociocultural Aspects of Aging (3)
- GEY 4612 Psychology of Aging (3)

Electives:
Six additional GEY credit hours

• REHABILITATION & MENTAL HEALTH COUNSELING (REF)

FiveYear Master’s Program
(Not currently admitting students; under administrative review)

A five-year master’s program is available to undergraduates where an M.A. degree in Rehabilitation and Mental Health Counseling and a bachelor’s degree in another major can be earned in a total program of 150 semester hours. An undergraduate major is required. Students admitted through the five-year program (REF) must have completed 90 semester hours of work and have satisfied Foundations of Knowledge and Learning Core Curriculum, CLAS-R, and Rule 6A-10.30 (Gordon Rule) requirements. Minimum admission requirements include a “B” average or above over the last 60 semester hours. All applicants must take the GRE whether or not they have a 3.0 grade-point average. A detailed description of the M.A. program in Rehabilitation and Mental Health Counseling may be found in the Graduate Catalog and on the Internet at http://rmhc.bcs.usf.edu/.
Undergraduates interested in the five-year program (REF) should contact the Department at the start of their sophomore year. Applications for the five-year program are available from the Department. GRE scores and three letters of recommendation must be received before any application is processed.

**Mission Statement**

The mission of the Department of Rehabilitation and Mental Health Counseling is to promote quality services for individuals with differences in abilities and to help the state meet its human service needs in the areas of rehabilitation and mental health through teaching, research and service.

**Objectives**

1. To provide students with a sound knowledge of the basic philosophical tenets and relevant historical foundations of rehabilitation and mental health counseling, and to prepare master’s level rehabilitation and mental health counselors who adhere to ethical principles, including the belief in human dignity and the right of all individuals to fully participate in society.
2. To prepare master’s level rehabilitation and mental health counselors to be critical consumers of information and to encourage participation in and contribution to the expansion of knowledge in the fields of rehabilitation and mental health counseling.
3. To encourage the professional growth and development of master’s level rehabilitation and mental health counselors through the promotion of on-going involvement in the rehabilitation community at the local, state, and national levels, and to promote advocacy on behalf of people with differences in abilities.

Rehabilitation counselors work in a wide variety of settings, including public and private rehabilitation programs and facilities, mental health treatment settings, and substance abuse treatment settings. Some establish their own private rehabilitation or mental health counseling practices.

Rehabilitation and Mental Health Counseling have roots in both the national rehabilitation movement and professional counseling movement. Training, which includes experiential learning, emphasizes psychological, social, medical, and vocational aspects of disability; and also the development and refinement of personal adjustment and mental health counseling skills. Graduates with an M.A. degree from the USF Department of Rehabilitation and Mental Health Counseling are prepared for careers as both rehabilitation and mental health counselors.

The graduate program in Rehabilitation and Mental Health Counseling is fully accredited by the Council on Rehabilitation Education (CORE), the national accrediting body for rehabilitation counselor training programs. Upon completion of the program, graduates are eligible to sit for the national certification examination of the Commission on Rehabilitation Counselor Certification. After passing this examination, the graduate is registered with the Commission as a Certified Rehabilitation Counselor (CRC). Within the 60 hour M.A. program, graduates also meet Florida’s educational standards for licensure as a Clinical Mental Health Counselor. The Department offers four graduate certificate programs: (1) Addictions and Substance Abuse Counseling; (2) Marriage and Family Therapy; (3) Rehabilitation Technology; and (4) Behavioral Health Counseling. Each student may elect to pursue a program of specialization in either area. The Addictions and Substance Abuse Counseling program is approved by the Certification Board for Additions Professionals of Florida (CBAPF Approved Provider #179A).

Several courses within the program have prerequisites. Please contact the Department at (813) 974-2855 for specific details about these requirements.

- **SOCIAL WORK (SOK)**

The University of South Florida offers a program leading to a Bachelor of Social Work (B.S.W.) degree in the School of Social Work, College of Behavioral & Community Sciences. This program has been developed in accordance with the guidelines set forth by the Council on Social Work Education, the national accrediting body for social work education programs, and in accordance with the recommendations of the National Association of Social Workers. The B.S.W. program is fully accredited by the Council on Social Work Education. The primary objective of the B.S.W. program is the preparation of the graduate for beginning level professional practice as a social work generalist.

The secondary objectives of the B.S.W. program are to:

1. Provide for the social work human resources needs of the university service district (the central Florida west coast area), the State of Florida, and the Southeast Region;
2. Prepare graduates for additional professional training at the graduate level in social work or in related human service professions;
3. Provide an exposure to social work as a profession and to contemporary issues in the social welfare field.

In preparing the B.S.W. graduate for beginning professional practice, the curriculum provides students with an opportunity to develop a knowledge base and skill base as a ‘generalist’ practitioner. Students will develop an understanding of various methods of intervention and skills in their application to a variety of client systems. For example, interventive methods may take the form of individual and group counseling, resource development, consultation, teaching, advocacy, etc. Client systems may be individuals, families, groups, organizations, or communities. The student will develop an understanding of the dynamics of human behavior in individual, group and organizational contexts and the influences of the socio-cultural environment upon those behaviors. The student will learn about the development of social welfare systems and institutions and the social, economic, and political processes affecting policy development and program implementation. The student
will develop an understanding of the utilization of basic social research skills particularly related to the processes of problem-solving, planning, and evaluation.

The student will also become aware of the value base of the profession and engage in a self-examination process as it relates to the development and reflection of ethical and effective professional practice. The B.S.W. program, as any professional program, places great emphasis on the development of a professionally responsible graduate in terms of one’s obligations to the client system served, the profession itself, the organization in which one works, and to the general public which ultimately provides any profession with legitimacy.

Enrollment in the B.S.W. program is limited. Students may apply for admission to the School for the B.S.W. program during enrollment in either SOW 3303 or SOW 3210.

However, the completion of the prerequisites does not guarantee the student’s admission to the program. Limited state funding places constraints on the size of the social work faculty and in order to maintain a high quality of instruction, it is necessary to achieve an appropriate faculty-student ratio. This means that it may be necessary to deny full admission to the B.S.W. program solely on the basis of no available space. Any student applying for full admission to the program should be aware of this possibility.

A student must maintain a minimum GPA of 2.75 in social work courses while enrolled in the program and demonstrate behaviors that are congruent with professional standards and values as described above in order to proceed in the major. Any student who fails to maintain at least a 2.75 GPA in the social work major and/or demonstrates behaviors that are incongruent with the standards and values of the profession may not proceed in the major.

A social work major receiving a grade of less than “C” in a core course will be required to repeat the course. A grade of “C-” is not considered acceptable and a student receiving a “C-” in a core course must repeat the course. Furthermore, no student will be allowed to enter field placement with a “C-” grade or below in any SOW core courses, even if the student’s GPA is 2.75 or above with the inclusion of the “C-” grade or below.

Admission to the B.S.W. program is a three stage process, i.e., common prerequisites, provisional courses, and core curriculum. Any student who holds a minimum of sophomore standing and is completing common prerequisite work in political science, biology, economics, psychology and sociology (see specific requirements below) may declare a social work major. At this stage, students may file a declaration of major form with the College of Behavioral and Community Sciences, Office of Graduate and Undergraduate Studies. All majors will be referred to an advisor within the School who will assist the student in selecting courses. Many students will have already taken most of the common prerequisite courses as part of general education at USF or in their course of study at a community college. After completion, a student will be ready for courses in the provisional social work major, a final step in applying for full admission to the B.S.W. program as a full major. It is necessary to be admitted as a full major before taking core social work courses. Admission requirements for the social work full major are as follows:

1. A student must have completed a minimum of one semester as a provisional social work major.
2. A student must have completed required common prerequisites and provisional courses (see listing).
3. A student must complete an application for full admission and file it with the School of Social Work before the beginning of the semester in which admission is sought; dates will be announced in provisional courses.
4. A student may be asked to complete an admission interview with a favorable action from the Undergraduate Committee.
6. A student must have successfully completed CLAST or have been exempted or waived from the CLAST.
7. A student must achieve a GPA of 2.75 in all Social Work courses to enroll in field placement and subsequently graduate with the B.S.W. degree.

Requirements for the Major in Social Work

Prerequisites (State Mandated Common Prerequisites)

**Social Work is a limited access program.** Students wishing to transfer to USF may complete the A.A. degree at a Florida College System institution. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. If students transfer with fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements. The transfer student should also be aware of the immunization, foreign language, and continuous enrollment policies of the university.

Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution:

A student must successfully complete the following courses, by earning a “C” or better. A grade of “C-” is not acceptable as a passing grade.

One course in each of the following cognate areas

- American Government (American National Government or American Government) or
Introduction to Public Policy (3)
Biology (Human Biology or Anatomy & Physiology) (3)
ECO Economics (Microeconomics or Macroeconomics or Introduction to Economics) (3)
Introductory Psychology (3)
Introductory Sociology/Social Problems (3)

At USF, the following courses are recommended to meet this requirement (one course in each area):

**American Government**
- POS 2041 American National Government (3)
- PUP 4002 Public Policy (3)

**Biology**
- BSC 1005 Principles of Biology for Non-majors (3)

**Economics:**
- ECO1000 Basic Economics (3)
- ECO 2013 Economic Principles (Macroeconomics) (3)
- ECO 2023 Economic Principles (Microeconomics) (3)

**Psychology:**
- PSY 2012 Psychological Science I (3)

**Sociology:**
- SYG 2000 Introduction to Sociology (3)
- SYG 2010 Contemporary Social Problems (3)

If possible, students enrolled in community colleges should take their college equivalents of common prerequisite courses (P) and cross-cultural provisional course (P*) before entering USF. All courses must be passed with a “C” or better. A grade of “C-” is not acceptable as a passing grade in any of the common prerequisite courses or the cross-cultural course.

SOW 3303 Introduction to Social Work and SOW 3210 American Social Welfare must be taken at USF or another accredited institution and must be completed, earning a grade of “B” or better. A grade of “B-” is not acceptable as a passing grade for either course.

**Foundation Courses (F*) for Social Work Majors (May be completed after transferring to USF).**

1. To meet the foundation cross cultural prerequisite a student must complete either one Human and Cultural Diversity in a Global Context general education course or one of the following cross cultural courses by earning a grade of “C” or better. A grade of “C-” is not acceptable.

   **African American Studies:**
   - AFA 2000 Intro to the Black Experience

   **Anthropology:**
   - ANT2000 Intro to Anthropology (3)
   - ANT 2410 Intro to Cultural Anthropology (3)

   **Women’s Studies:**
   - WST 3015 Introduction to Women’s Studies (3)
   - WST 3311 Issues in Feminism (3)

2. Both of the following Social Work courses, earning a “B” or better:
   - SOW 3210 American Social Welfare System (3)
   - SOW 3303 Introduction to Social Work (3)

**Social Work Core Courses**

1. Human Behavior and Social Environment Courses
   - SOW 3101 (4)
   - SOW 3102 (3)
   - SOW 4522 (3)

2. Social Welfare: Policy & Program Course
   - SOW 4233 (3)

3. Social Research Course
   - SOW 3401 (3)

4. Social Work Practice Courses
   - SOW 4341 (5)
   - SOW 4343 (5)
   - SOW 4930 (3)

5. Field Experience
   - SOW 4510 (3)
   - SOW 4510L (6)

**Summary:**
- Core Courses: 29 hours
- Field Experience: 9 hours
- TOTAL: 38 hours
The mission of the Louis de la Parte Florida Mental Health Institute is to improve the lives of people with mental, addictive and developmental disorders through research, training, and education.

The Institute's programs are conducted by three departments: Aging and Mental Health, Child and Family Studies, and Mental Health Law and Policy. The Institute conducts a broad range of applied research, training, and dissemination activities related to the planning, development, delivery, and evaluation of behavioral health services. The Institute’s training and consultation activities are provided for a variety of audiences including students, behavioral health and health care professionals, the Florida legislature, administrators, policy makers, consumers, and the public.

The Institute offers an undergraduate minor in behavioral healthcare (see listing below) and provides research experiences for undergraduates. In addition to the credits earned in the minor, students may earn academic credit for research conducted with faculty mentors at the Institute.

Behavioral Health

Behavioral health problems, such as mental illness and substance abuse, are among the greatest public health challenges facing our communities. New, scientifically-based approaches are available to treat and prevent many behavioral health problems. Students will be exposed to treatment approaches as well as to issues in the organization, financing, delivery, and outcomes of behavioral health services. The emphasis of the curricula is on practices that have been scientifically validated and their delivery within the context of current funding, policies and trends.

The minor in Behavioral Healthcare is available to students interested in pursuing a career in the broad field of behavioral health in conjunction with any undergraduate major. It should be particularly beneficial to persons majoring in disciplines such as psychology, social work, sociology, anthropology, gerontology, pre-med, criminology, and nursing.

A GPA of 2.0, or better in this minor is required for certification. At least nine (9) of the credit hours must be taken at USF. A Behavioral Healthcare advisor is available to guide students on course selection and to coordinate the minor with related majors.

Behavioral Healthcare Minor

The Minor in Behavioral Healthcare consists of a minimum of fifteen (15) credit hours comprised of the following courses:

**Required Courses:**

- MHS 3411 Multidisciplinary Behavioral Healthcare Services 3
- MHS 4002 Behavioral Health Systems Delivery 3
- MHS 4408 Exemplary Practices in Behavioral Healthcare Treatment 3
- MHS 4425 Field Experience in Behavioral Healthcare* 3

**Electives (minimum of 3 credit hours required):**

- MHS 4931 Selected Topics in Behavioral Healthcare** 1-4
- MHS 4906 Directed Study 1-4

* A student completing a field placement in Psychology, Social Work, or other of the human services may be exempted (by the advisor) from the “Field Experience in Behavioral Healthcare” and may substitute an elective from the above list. Enrollment in MHS 4425 requires prior College approval.

**Topics covered include among others: Psychology and the Law (3), Behavioral Health Issues in Children (3), Behavioral Health Issues in Elders (3).

Other Behavioral Health Options

A concentration in Behavioral Healthcare is offered through the Bachelor of Science in Applied Science degree program as well as the Bachelor of General Studies. The concentration requires eighteen (18) credits from the courses listed above. Please see the B.S. in Applied Science at http://www.ugs.usf.edu/academic/bsas.htm and B.G.S. at http://www.usf4you.usf.edu/programs/bachelorsBGS.asp for additional information.

A cognate in Behavioral Healthcare for the Interdisciplinary Social Sciences major requires twelve (12) credits from the courses listed above. MHC 4425 is not required to complete the cognate.
Communication Sciences and Disorders

Criminology

Aging Studies

Rehabilitation and Mental Health Counseling
Chairperson: T. J. Wright; Distinguished Research Professor: W. G. Emener; Professors: J. D. Rasch; Associate Professors: C. Dixon, S. Kelley, M. Richard, T. J. Wright; Instructor and Field Placement Coordinator: G. DuDell; Visiting Assistant Professor: R. G. Henry.

Social Work
Director (Interim): A. Strozier; Associate Director: S. Speer; Director of Field Program: K. Williams; Professors: W. Rowe; Associate Professors: S. Allen, K. Black, R. Ersing, S. Fogel, M. Rank, L. Rapp-Paglietti, A. Strozier Assistant Professors: I. Carrion, N. S. Park, A. Saloum; Instructors: S. Blanco, M. Marley, J. Roberts, S. Speer, R. Tilden, P. Williams; Visiting Faculty: C. Canning, K. Littlewood; BSW Advisors: J. Carpenter, A. Weisz.
The College of Business offers courses of study leading to both undergraduate and graduate degrees. All degree programs in the College of Business are fully accredited by AACSB International — The Association to Advance Collegiate Schools of Business.

The undergraduate curriculum that leads to a Bachelor of Arts or Bachelor of Science degree in Business Administration is composed of several segments: (1) broad general education in the arts, humanities and sciences; (2) the common body of knowledge for management responsibilities; and (3) specialized majors in Accounting, Finance, General Business, International Business, Management, Management Information Systems, and Marketing. Through flexibility in its requirements, the College is able to satisfy the different interests and career objectives of students with diverse backgrounds. Graduate programs in the College are described in the USF Graduate Catalog.

The College of Business is located near the corner of Maple Street and Alumni Drive on the south-central side of campus. To access information about the College online, use the following web address: www.coba.usf.edu.

Undergraduate Admission to the College

Admission to the College of Business is based upon availability of faculty and space within each discipline. The College is an upper-level, limited access college, which means that it has admission requirements in addition to those of the University in general. Students interested in pursuing a degree in the areas offered by the College of Business must complete the required prerequisites for entering the college in addition to other related criteria listed in 1-4 below.

Requirements for Admission to the College of Business

1. Students must satisfy the following criteria:
   a. Minimum of 60 semester hours of college credit earned.
   b. Minimum of 2.5 cumulative grade point average on all college-level work and a minimum of 2.0 on all credit attempted at USF, including any prior to renewal.
   c. Completion of the following State Mandated Common
      Prerequisites (or equivalents) with a grade of C- or higher in each course and an overall 2.0 GPA:
      * ACG X021/ACG X022 Financial Accounting (or ACG X001 & ACG X011)
      * ACG X071 Managerial Accounting (or X301)
      CGS X120 Computers in Business (or acceptable Substitute, i.e., CGS X100, CGS X530, CGS X570, CGS X531, CGS X000, MAN X812)
      ECO X013 Principles of Macroeconomics
      ECO X023 Principles of Microeconomics
      MAC X233 Elementary Calculus or MAC 2230
      STA X023 Introductory Statistics or QMB X100
      (or STA X122 although STA X023 and QMB X100 are preferred).
      * accounting majors must earn a C not C- in ACG 2021 & 2071
      'or demonstrated competency.
   d. In computing entry grade point average all business and economics courses taken for S or U grades will be converted to C or F, respectively.

2. Students working toward meeting the limited access criteria will be permitted to enroll in all foundation courses in Business (listed below) except GEB 4890, provided they have completed 60 semester hours, a minimum of 2.4 overall GPA, and have met course prerequisites.

3. A minimum score of 550 on paper and pencil or 213 on computerized TOEFL is required, when applicable.

4. Students must be admitted to the College of Business at least one term before their anticipated graduation date.

Transfer Students

Transfer credits will be accepted from accredited institutions; however, all hours earned may not be applied toward USF business degree requirements. Individual courses will be evaluated by an academic advisor and appropriately credited toward requirements in the student’s program at USF.

Florida public junior/community college students enrolled in an Associate of Arts (AA) program should normally complete the general education requirements and the State Mandated Common Prerequisites at a Florida College System institution. As a rule, AA students should avoid taking any business courses at the junior/community college that are listed as 3000 and 4000 level courses at USF. Normally, courses in finance, marketing, management, and accounting, as well as other business administration and economics courses, taken at the lower division level that are offered as upper division courses at USF will not be accepted for upper division credit in business administration or economics. In general, business courses taken at the lower level, at technical schools, or as part of professional or military training, are not applicable to the degree programs of the College of Business. Exceptions to this policy will be made only upon proper validation of such courses. Validation consists of successfully completing specified advanced courses in the discipline.

Florida College System students pursuing an Associate of Science (AS) program in Business Administration are fully admissible to USF. Please see a business advisor to determine the articulation courses, discuss admission to the College
of Business and prepare a program plan for degree completion. Students transferring to the College of Business with an A.S. in Business Administration may earn a major in General Business Administration only.

Florida College System students pursuing an Associate of Science (AS) program in any other discipline should contact the Director of the BSAS program in the Office of Undergraduate Studies, SVC 2002, (813) 974-4051, for information regarding course transferability and degree articulation.

**BACCALAUREATE LEVEL DEGREE PROGRAMS**

**General Requirements for B.A./B.S. Degrees in Administration Business**

Students must satisfactorily complete a minimum of 120 semester hours. Of the minimum 120, at least 60 hours must be business courses, and a minimum of 54 hours must be non-business courses (i.e., all courses not normally offered in the College of Business). Additional electives may be required to reach a minimum of 120 hours and can be either business or non-business.

As a part of the 120-hour requirements for the B.A. or B.S. degree, the following criteria also apply:

**GPA:** A minimum grade-point average of 2.0 must be achieved in the following areas:

- The major and minor fields
- College foundation courses
- All USF coursework
- Overall GPA (USF and all transfer work)

**CLAS and Gordon Rule:** Students must have satisfactorily completed CLAS and the writing and computation course requirements of Board of Governors Articulation Resolution 6A-10.30 (“Gordon Rule”).

**Foreign Language:** For a Bachelor of Arts degree, students must demonstrate competency in a foreign language (refer to the Academic Policies and Procedures section of this catalog). The College of Business does not approve American Sign Language for the Foreign Language Exit Requirement.

**Residency:** College of Business residency requirements for graduation exceed the minimum requirements established for USF. Students are required to complete satisfactorily at USF-Tampa a minimum of 50 percent (30-33 semester hours depending on major) of required business courses, including 12-18 semester hours in the major field. In addition, USF COB students must meet COB residence requirements from the degree granting campus. Normally, independent study and independent research courses do not fulfill this requirement.

**International Course Requirement:** All business students are required to select at least one course that deals with contemporary international topics. This course can be included in the business, non-business, or elective category. Consult with a business advisor for approved courses.

**No S/U courses in major or minor:** All courses in the major or minor field and all foundation coursework in business must be taken on a graded basis; the S/U option is not available.

**Academic Dismissal:** Students dismissed more than once from the USF System for academic reasons will not be readmitted to the College of Business - Tampa.

*See Exit Requirements for more details

2. Exit Course Requirements

- a. The Capstone Course
- b. The Writing Intensive Course

**Total**

3. Speech/Writing Requirements for Business Majors

- a. SPC 2608 Public Speaking or COM 3110 Communication for Business and the Professions

**Sem. Hours**

3
b. ENC 3250 Professional Writing or 
ENC 3310 Expository Writing or equivalent 3
Total 6

4. Additional elective credits
Students may or may not need to take additional hours to meet the minimum of 54 non-business credits (see “Electives” heading below for a suggested course)

Total non-business credit hours 54

BUSINESS (60-66 hrs. minimum)
1. Foundation Courses in Business - Required - a minimum grade of C- in each foundation course with an overall 2.0 GPA
   * ACG 2021 Principles of Financial Accounting 3
   * ACG 2071 Principles of Managerial Accounting 3
   ECO 2013 Economic Principles: Macroeconomics 3
   ECO 2023 Economic Principles: Microeconomics 3
   QMB 2100 Business & Economic Statistics I 3
   BUL 3320 Law and Business I 3
   FIN 3403 Principles of Finance 3
   ** ISM 3011 Information Systems in Organizations 3
   QMB 3200 Business & Economic Statistics II 3
   MAN 3025 Principles of Management 3
   ***MAR 3023 Basic Marketing 3
   GEB 4890 Strategic Mgmt/Decision Making 3
Total 36

2. Major Requirements (specific courses for each major are listed in the “Departments and Programs” section below.) 18-24

3. Business Electives:
CGS 2100* 3
FIN/MKT majors only 3
Minimum Business Credits 60-66

* Accounting majors must earn C not C- in ACG 2021 & 2071
** Information Systems (ISM) majors must earn C not C- in ISM 3011
*** Marketing majors must earn C not C- in MKT 3023

ELECTIVES IN BUSINESS OR NON-BUSINESS
Sufficient elective courses to reach a minimum of 120 hours (ranges from 0-6 credit hours if above requirements are met)
Minimum total hours 120

*Waiver examination administered by the College only may be substituted for CGS 2100. See Advisor for details.

Student Advising and Records
The Office of Undergraduate Advising and Programs (located in Ferguson Hall, BSN 2102) provides the following:
1. Orientation for freshmen and transfer students.
2. Academic advising and program information for:
   a. pre-business students who have applied to the College of Business and declared business as their intended major.
   b. students who meet all College of Business admission requirements.
3. Evaluation of undergraduate transcripts for all declared and admitted business transfer students.
4. Maintenance of academic advising records.
5. Certification of graduation.

Advising Offices
Location: BSN 2102, (813) 974-4290 or schedule an advising appointment on-line: http://www.coba.usf.edu/services/ugrad/index.html.

Office Hours
8am-6pm Monday-Thursday.
8am-4pm on Fridays.

While the University provides advising services to assist students with academic planning, the responsibility for ensuring that all graduation requirements are met ultimately rests solely with the student.
• GENERAL BUSINESS (GBA)

The General Business major provides students with substantial preparation in two functional areas of business and prepares them for positions in a business world that is increasingly interdisciplinary and values cross-functional abilities.

Requirements for the B.A./B.S. Degree: Within the 120-semester-hours program as listed in the Business General Requirement section (including the state mandated common prerequisites), students must complete two minors from the following business disciplines: accounting, economics, finance, management, management information systems, or marketing. A minimum of 24 hours of upper-level course work must be earned with a GPA of at least 2.0 in each minor. The requirements for each minor are listed with the description of the major.* Minors applied to the General Business major will be referred to as concentrations. Concentrations used as part of the General Business Major will not also be subsequently listed as independent minors on the transcript.
*One exception: A minor/concentration in economics must consist of four upper level economics courses, excluding QMB 3200.

Please note: Courses used to satisfy a major in accounting, economics, finance, information systems management or marketing may not be used to satisfy either minor or economics concentration requirement for the GBA major. Courses used in the minors or concentrations for the GBA major cannot be used for a major.

Requirements for a Minor in Business Administration (Non-Business Majors Only): Students are required to process an application for the minor in the College of Business. Students must complete an introductory computer course (with content similar to CGS 2100 Computers in Business) or obtain a waiver for this requirement from the College of Business by demonstrating competence in the use of computers.

1. The course requirements are as follows:
   - ACG 3074 Managerial Accounting for Non-Business Majors* 3
   - ECO 1000 Basic Economics** 3
   - FIN 3403 Principles of Finance 3
   - MAN 3025 Principles of Management 3
   - MKT 3023 Basic Marketing 3
   - MAN 4802 Entrepreneurship & Small Business Management 3
   Total 18

2. A grade point average of 2.0 or better must be achieved in the minor course work at USF and in all minor courses completed at other institutions.
3. At least 12 hours of the required 18 credit hours must be taken in residence at USF Tampa.
   *ACG 2021 & ACG 2071 can be substituted for ACG 3074.
   **ECO 2013 & ECO 2023 can be substituted for ECO 1000.

• ACCOUNTING (ACC)

The objective of the baccalaureate degree program in accountancy is to provide students with accounting and business knowledge that will serve as a basis for careers in industry, government, non-profit organizations and public accountancy. The baccalaureate program also prepares students for entry into the Master of Accountancy (M.Acc.) professional degree program.

The State of Florida, like most states, requires a fifth year of education in order to sit for the CPA examination. Questions concerning the CPA examination should be directed to the faculty of the School of Accountancy.

Requirements for the B.A./B.S. Degree: Accounting majors have additional admission requirements beyond the entry requirements to the College of Business as listed in the General Requirements section. To be fully admitted, accounting majors must successfully complete ACG 3103 with a grade of C, not C- on no more than two attempts. “W” grades count as an attempt. In addition, the prerequisites for ACG 3103 require students to earn a grade of C, not C- in both ACG 2021 and ACG 2071. Students who fail to meet the requirements to continue in this major will be counseled into other majors either within COB or other colleges as appropriate. All students wishing to take Intermediate I must earn at least a 70% on a principles of financial accounting (ACG 2021 material only) “competency exam” prior to taking Intermediate I. A student will be able to take the competency exam a maximum of two times. If a student does not make the minimum 70% passing grade within the second attempt, the student will not be allowed to take Intermediate I unless he/she retakes ACG 2021 and then passes the competency exam at the minimum specified level of 70%. Within the 120-semester-hour program listed in the General Requirements section, students must complete a minimum of 24 hours of upper level accounting with a grade of C not C- in all courses. Accounting major courses must be no older than 5 years to count for degree credit. This applies both to continuing USF accounting majors, as well as accounting major courses transferred in from other institutions. A student could petition the Director for an exception to the policy and the Director may grant or deny such petition, at his/her discretion. Students must complete 18 hours of the upper level accounting requirement in residency at USF Tampa. Finally, students must earn a 2.0 GPA on all major course work at USF Tampa and have an overall 2.0 major GPA including any applicable transfer work.
### Required Accounting Courses:
- ACG 3103 Intermediate Financial Accounting I 3
- ACG 3113 Intermediate Financial Accounting II 3
- ACG 3341 Cost Accounting and Control I 3
- ACG 3401 Accounting Information Systems 3
- ACG 4632 Auditing I 3
- TAX 4001 Concepts of Federal Income Taxation 3

### Electives (6 hours selected from):
- ACG 4123 Intermediate Financial Accounting III 3
- ACG 4351 Cost Accounting and Control II 3
- ACG 4642 Auditing II 3
- ACG 4931 Selected Topics 3
- ACG 5201 Advanced Financial Accounting 3
- ACG 5505 Governmental/Not-for-Profit Accounting 3
- ACG 5675 Internal and Operational Auditing 3
- TAX 5015 Federal Taxation of Business Entities 3

Total Required Hours: 24

The student’s program must also include course work taken in behavioral sciences and humanities, such as psychology, anthropology, and sociology, and the political environment of business and society, such as political science, public administration, and ethics. College of Business advisors will recommend courses that will satisfy the program requirements.

Accounting majors can use the forgiveness policy only once in upper-level accounting courses. Accounting courses taken by accounting majors on an S/U basis will not be counted toward the 120-hour graduation requirement. Independent Research, ACG 4911, will not be accepted as credit toward the minimum degree requirements in the accounting concentration.

### Requirements for a Minor in Accounting (for Business Majors Only):
Students majoring in Business may minor in Accounting. The requirements are:

1. ACG 3103 Intermediate Financial Accounting I 3
   - ACG 3341 Cost Accounting and Control I 3
   - ACG 3401 Accounting Information Systems 3
   - TAX 4001 Concepts of Federal Income Taxation 3

2. A grade of “C” (not C-) or better must be earned in each of the four upper-level accounting courses taken. A grade point average of 2.0 or higher must be achieved in all minor course work. All attempts will be included in the GPA unless grade forgiveness has been used. Only one grade forgiveness may be used in the minor.

3. All 12 credit hours must be taken in residence at USF - Tampa.

### ECONOMICS (ECN)
Economics offers a clear and logical approach to business decision making. The department offers broad course choices allowing students to tailor their programs to provide training for careers in business as well as teaching, government, and law. Students interested in majoring or minoring in economics should contact the Undergraduate Advisor in the Economics Department for more information.

#### Requirements for the B.A./B.S. Degree:
Within the 120-semester-hour program as listed in the Business General Requirement section (including the state mandated common prerequisites), students must complete a minimum of 21 hours of upper level economics beyond the foundation courses for business.

#### Required Economics Courses:
- ECO 3101 Intermediate Price Theory 3
- ECO 3203 Intermediate Macroeconomics 3
- 15 hours of upper level economics courses 15

Total: 21

Students must obtain a grade of “C-” or higher in ECO 3101 Intermediate Price Theory or ECP 3703 Managerial Economics (formerly ECO 3100) to enroll in any course for which ECO 3101 or ECP 3703 is a prerequisite. Students cannot take both ECO 3101 and ECP 3703 for credit. No more than 3 hours credit can be applied toward a major from ECO 4905 and/or ECO 4914. At least 12 upper level hours must be taken in residence at USF-Tampa. A grade point average of 2.0 or higher must be achieved in all major course work at USF and an overall 2.0 GPA including transfer work.

Economics offers two majors, one in the College of Arts and Sciences and the other in the College of Business.

#### Requirements for a Minor in Economics:
All students, regardless of college can earn a minor in Economics by satisfactorily completing 18 hours in Economics. The requirements are:
1. ECO 2013 Economic Principles: Macroeconomics 3
   ECO 2023 Economic Principles: Microeconomics 3
   Upper-level economics electives (may include QMB 3200) 12
   Total Economics Hours 18

Business majors can obtain a minor with 9 additional upper-level hours in economics beyond the foundation requirements for business.

2. Before being recognized as a minor in economics, a student must obtain program approval by the Economics Department Undergraduate Advisor.

3. A grade point average of 2.0 or higher must be achieved in minor course work at USF and in all minor courses completed at other institutions. ECO 4905 and ECO 4914 may not be counted toward the minor.

4. At least 9 hours must be taken in residence at USF Tampa.

The Economics Pre Law Curriculum
Economic principles provide the foundation for much of our legal system. Economics offers a series of courses to provide the abstract and applied skills required by those seeking legal careers.

The Economics Pre Law Curriculum fits easily within the Economics major or minor but is open to other students.

Five-year Bachelor/Master Degree Program
This program allows superior students with strong analytical skills and the ability to handle a fast-paced, challenging program the opportunity to complete both the Bachelor and Master degrees in economics in five years.

The program requires the student to take two graduate level courses required for the MA degree during the last year in the Bachelor’s program. These 6 hours are counted as general electives (not major electives) in the undergraduate program and are also used to satisfy the requirements for the MA in economics. After completing the 120-hour Bachelor program five-year students take 24 hours at the graduate level.

To be eligible for the program, a student must have completed at least 6 hours of 3000 level or above economics courses at USF (not including statistics), have an overall grade point average of 3.0 or above, and have a minimum of 3.25 cumulative grade point average in all economics courses (including statistics).

To apply for admission, send a letter to the Graduate Program Director in the Department of Economics stating your qualifications and desire to enter the program. To plan your program, or for additional information, see the Undergraduate Advisor in Economics.

• FINANCE (FIN)
The Finance major provides a broad based, analytical program for students anticipating a career in the management of both large and small organizations. Finance provides a good background for students seeking general careers in business. Finance majors can elect to take courses in the following areas that prepare them for entry and advanced careers in
- financial management of corporations
- management of financial institutions
- investments
- financial services, insurance, and real estate.

In addition, the program in Finance is designed to provide the skills required by students earning degrees in other business disciplines and by students who seek professional degrees in areas such as law and public administration.

The Finance program offers applied and theoretical courses that enable the graduate to identify and solve problems in the acquisition and allocation of funds by organizations in the public and private sectors in domestic and international settings. It provides the background necessary for managing wealth in a risky environment. Finance relies on an interdisciplinary approach that draws on economic theory, accounting, information systems, and the quantitative decision frameworks of statistics and mathematics.

The major is designed to ensure that graduates are familiar with the tools of financial decision making and that they possess the skills to stay abreast of the developments in the field. Finance graduates will understand the functions and operations of financial markets, become familiar with computer applications in finance, and know how to access and utilize financial information. Course content is designed to provide majors with an appreciation of cooperative work skills and to enhance their verbal and written communication skills.

Requirements for the B.A./B.S. Degree: Within the 120-semester-hour program listed in the Business General Requirement section (including the state mandated common prerequisites), students must complete a minimum of 18 hours of upper-level finance courses beyond FIN 3403. At least 12 hours must be taken in residence at USF Tampa. A grade point average of 2.0 or higher must be achieved in all major course work at USF and an overall 2.0 GPA including transfer work. Students are required to earn a C- or higher in all finance courses that are counted toward the major requirements.
Required Finance Courses:
  FIN 4303  Financial Institutions and Markets  3
  FIN 4414  Advanced Corporation Finance  3
  FIN 4504  Principles of Investments  3
  FIN 4443  Financial Policies and Strategies*  3
  Additional upper-level Finance electives  6-12
  Total  18-24

*FIN 4443 is a capstone course that should be taken in the final semester of the major (or as close as possible).

Finance electives can be selected from among those 3000 and 4000 level classes that have FIN, REE, and RMI prefixes. At least one elective must have an FIN prefix. Independent Study (FIN 4905) and Independent Research (FIN 4915) will not be accepted as credit toward the minimum degree requirements for a major in Finance. The courses listed below are suggested electives that are relevant for students who might want to pursue careers in the following areas:

Corporate Financial Management
  FIN 3604  International Finance
  FIN 4412  Working Capital Management
  FIN 4443  Financial Policies and Strategies
  FIN 4461  Financial Statement Analysis

Management of Financial Institutions
  FIN 3233  Money and Banking
  FIN 3604  International Finance
  FIN 4324  Bank Management
  FIN 4412  Working Capital Management
  FIN 4443  Financial Policies and Strategies
  FIN 4461  Financial Statement Analysis

Investments
  FIN 3604  International Finance
  FIN 4461  Financial Statement Analysis
  FIN 4514  Advanced Investment Analysis & Management
  FIN 4934  Selected Topics in Finance*

Financial Services
  FIN 3604  International Finance
  FIN 4514  Advanced Investment Analysis & Management
  FIN 4934  Selected Topics in Finance*
  RMI 3011  Principles of Insurance

*Please see your academic advisor for the necessary selected topics course.

Requirements for a Minor in Finance (for Business Majors only): Students majoring in Business may minor in Finance. The requirements are
1. FIN 4504  Principles of Investments  3
   FIN 4303  Financial Institutions and Markets  3
   FIN 4414  Advanced Corporation Finance  3
   FIN 4443  Financial Policies and Strategies*  3
   Total Finance Hours  12

*FIN 4443 is capstone course that should be taken in the final semester of the minor (or as close as possible).
2. A grade point average of 2.0 or better must be achieved in the minor course work at USF and in all minor courses completed at other institutions. Students are required to earn a C- or higher in finance courses that are counted toward the minor requirements.
3. At least 9 of the required 12 credit hours must be taken in residence at USF - Tampa.

• INFORMATION SYSTEMS AND DECISION SCIENCES (ISM)
The Management Information Systems (MIS) major provides the skills and knowledge necessary for information systems development and support positions in both business and non-business organizations.

Requirements for the B.A./B.S. Degree: Within the 120-semester-hour program listed in the Business General Requirement section (including the state mandated common prerequisites), students must complete a set of 5 required MIS courses and 3 approved MIS electives. MIS majors must earn a “C” or higher (not C-) in ISM 3011 and the five required MIS courses. Students
must have a 2.0 or higher GPA in the major; they can use grade forgiveness for only one upper-level MIS course. At least 18 hours must be taken in residence at USF Tampa. A grade point average of 2.0 or higher must be achieved in all major course work at USF and an overall 2.0 GPA including transfer work.

Required MIS Courses:
ISM 3232 Business Application Development* 3
ISM 3113 Systems Analysis and Design* 3
ISM 4212 Database Administration 3
ISM 4220 Business Data Communications 3
ISM 4300 Managing Information Resources 3

Plus Approved MIS Electives** 9
Total Hours Required for B.A./B.S. Degree 24

*ISM 3232 (Business Application Development) is recommended to be taken before, or concurrently with, ISM 3113 (Systems Analysis and Design).

**No more than three hours of ISM 4950 can be counted as MIS electives. (ISM 4905 will not count as an MIS elective.)

Requirements for a Minor in MIS (for Business majors only): Students majoring in Business may minor in MIS. The requirements are:
1. ISM 3113 Systems Analysis and Design 3
2. ISM 4212 Database Administration 3
3. Approved MIS Elective 6
Total MIS hours 12

2. A grade point average of 2.0 or better must be achieved in the minor course work at USF and in all minor courses completed at other institutions.
3. At least 9 hours of the required 12 credit hours must be taken in residence at USF Tampa.

• MANAGEMENT AND ORGANIZATION (MAN)

The undergraduate major in Management prepares students to manage and lead sustainable organizations focused on financial prosperity, social justice, and concern for the natural environment. It also prepares students for graduate study in business and other fields.

Mastery of course content enables students to inspire themselves, others, teams, and organizations to coordinate efforts to provide effective outcomes. Content covered includes ethics and virtue, organizational behavior, human resources, domestic and international cultural differences, and negotiating skills. A capstone course integrates the learning objectives of the major in a study of a real company where students demonstrate that they can now apply effectively what they have learned.

Requirements for the B.A./B.S. Degree: Within the 120-semester-hour program listed in the Business General Requirement section (including the state mandated common prerequisites), students must complete 21 hours of management beyond MAN 3025. At least 15 hours must be taken in residence at USF Tampa. A grade point average of 2.0 or higher must be achieved in all major course work at USF and an overall 2.0 GPA including transfer work.

Required Management Courses:
MAN 3240 Organizational Behavior Analysis 3
MAN 4930 Management Ethics 3
MAN 4282 Organizational Assessment 3
MAN 3301 Human Resource Management 3
MAN 4600 International Management 3
MAN 4441 Negotiation and Conflict Resolution 3
MAN 4930 Integrated Management Applications 3

Total 21

Requirements for a Minor in Management (for Business Majors Only): Students majoring in Business may minor in Management.

The requirements are:
1. MAN 3240 Organizational Analysis 3
2. MAN 3301 Human Resource Management 3
3. MAN 4282 Organizational Assessment 3
4. MAN 4600 International Management 3
Total Management hours 12

2. A grade point average of 2.0 or better must be achieved in the minor course work at USF and in all minor courses completed at other institutions.
3. At least 9 hours of the required 12 credit hours must be taken in residence at USF-Tampa.
• **MARKETING (MKT)**

Marketing is a dynamic field with many dimensions, including product selection and planning, product distribution, pricing and promotion. Marketing poses many challenges and yields generous rewards for those who meet these challenges. Marketing operations are carried out domestically and internationally in virtually all business organizations that offer a product or service. Many marketing concepts are applicable to the operations of non-profit organizations such as governmental, educational, and health care institutions, as well as charitable and political campaigns.

Marketing operations provide the most visible links between the firm or institution and its many publics. Marketing deals with people who are constantly changing in their needs, wants, and desires; and coupled with these changing tastes is a fiercely competitive environment sustained by all the resources of a rapidly evolving technology. These forces lead to much of the challenge and to much of the dynamic nature of marketing.

The Marketing program at USF prepares students for initial entry and management positions in many areas of marketing with a curriculum that is concerned with:
1. Understanding how to attract and retain customers;
2. Having the ability to find and analyze information;
3. Being able to design, collect, and analyze marketing information to be used in managerial decision making;
4. Using electronic and traditional media to create satisfied loyal customers;
5. Having personal communication skills that businesses demand;
6. Being capable of writing a winning marketing plan;
7. Understanding and being able to apply the latest marketing concepts, including marketing automation.

**Requirements for the B.A./B.S. Degree:** Within the 120-semester-hour program listed in the Business General Requirement section (including the state mandated common prerequisites), students must complete a minimum of 18 hours in marketing beyond MAR 3023. At least 12 hours must be taken in residence at USF–Tampa. A grade of "C" or higher (not C-) is required in all Marketing classes including Basic Marketing (MAR 3023) plus a 2.0 GPA in all major course work at USF and an overall 2.0 GPA including transfer work.

**Required Marketing Courses:**
- MAR 3823 Marketing Management 3
- MAR 3613 Marketing Research 3
- MAR 3400 Professional Selling 3
- MAR 4333 Electronic/Promotion Management 3
- MAR 4824 Marketing Management Problems 3
- Additional upper-level marketing courses 3-9
**Total** 18-24

It is strongly recommended that marketing majors take an internship course as part of their plan of study. It is also recommended that courses in information technology, finance, management, and international business be included in the business electives.

Undergraduate students in the College of Business not majoring in Marketing can greatly enhance their attractiveness to employers by taking a minor in Marketing or taking selected courses from the Marketing curriculum to broaden their backgrounds. Marketing is particularly complementary for College of Business students majoring in Information Systems, Finance, and Management.

**Requirements for a Minor in Marketing (for Business Majors Only):** The requirements are:
1. MAR 3823 Marketing Management 3
   Any 3 upper level Marketing courses with a MAR prefix (excluding MAR 4824) 9
   **Total Marketing Hours** 12
2. A grade of "C" or higher (NOT C-) is required in MAR 3023 and all marketing minor coursework.
3. A grade point average of 2.0 or better must be achieved in the course work at USF and in all minor courses completed at other institutions.
4. At least 9 hours of the required 12 credit hours must be taken in residence at USF–Tampa.

**Requirements for the Zimmerman Advertising Business Major (ZAP):**

The Advertising major in the College of Business is unique in that it is a collaborative effort of the departments of Mass Communications in the College of Arts and Science and Marketing in the College of Business. The major complements an existing Advertising track in the Mass Communications major and provides students the opportunity to combine the creative aspects of advertising with knowledge, skills, and abilities in accounting, economics, finance, information systems, management, marketing and strategy.

**Requirements for the B.A./B.S. Degree:** Within the 120-semester hour program listed in the Business General Requirement section (including the state mandated common prerequisites), students must complete the 6-hour Mass Communications core, and the 22-hour major.
Required courses for the Advertising major:

- ADV 3008 Introduction to Advertising 3
- ADV 3101 Advertising Creativity 3
- ADV 3300 Advertising Media Strategy 3
- ADV 4800 Advertising Campaigns 3
- ADV 4940 Advertising Practicum 1
- MAR 3613 Marketing Research 3
- MAR 3823 Marketing Management 3
- MAR 4503 Buyer Behavior 3

Total 22

Residency: Six of the nine marketing hours must be taken in residency at USF Tampa. Ten of the thirteen advertising hours must be taken in residency at USF Tampa. At least a minimum of a C (not C-) grade must be earned in each course. An overall GPA of 2.0 is required in the major for graduation.

Requirements for the minor in Entrepreneurship:

This is an interdisciplinary entrepreneurship minor for majors in 1) business and 2) industrial and managing systems engineering majors. This minor prepares graduates to enter their chosen major area of concentration in a variety of for-profit and not-for-profit positions. Students will demonstrate professional competencies in team building, oral and written communication skills, analytical abilities and information technology proficiencies. These are essential entrepreneurial skills.

Requirements for a minor in Entrepreneurship (for Business and Industrial Engineering majors only)

1. ENT 4015 New Venture Formation 3
   - EIN 4935 Selected Topics: Creativity and Technology 3
   And two courses from the following:
   - EIN 4935 Selected Topics: Product Development
   - ENT 4227 Fundamentals of Venture Capital
   - MAN 4802 Entrepreneurship and Small Business Management
   - MAN 4804 Small Business Management Counseling 6

   Total 12

2. A grade point average of 2.0 or better must be achieved in the course work at USF and in all minor courses completed at other institutions.

3. At least 9 hours of the required 12 credit hours must be taken in residence at USF Tampa.

INTERNATIONAL BUSINESS (ITB)

The Bachelor of Arts in International Business (IB) provides students with the knowledge, skills and experience necessary for successful careers in the global business environment.

Graduates will have not only the International Business major, but also a minor in one of the functional areas of business (finance, management, marketing, economics and information systems). With this preparation, graduates will find employment in many manufacturing, service or knowledge-based industries with international markets, international suppliers, international sources of finance or an internationally diverse work force.

The IB program is unique in that it combines preparation in business administration with language training, area studies, and a meaningful overseas work or study experience. The curriculum includes, in addition to the general education and liberal arts requirements, a strong grounding in business core courses, an 18-hour major in international business and area studies subjects, a minor in a functional area of business, training in a foreign language and overseas academic or business experience. International students, who have completed at least the equivalent of a high school education in their native country, are advised to pursue another business major. At a minimum, international students, who have completed at least the equivalent of a high school education in their native country, may not study the area of their origin as part of the International Business major. A minimum of 120 hours is required to complete a B.A. in International Business. At least 12 hours must be taken in residence at USF Tampa.

International Business Major (18)

Business Courses

- FIN 3604 International Finance 3
- or ECO 3703 International Economics 3
- ISM 4382 Global Information 3
- or MAR 4156 International Marketing 3
- or MAN 4600 International Management 3
- MAN 4631 Capstone Course 3

Total 9
Area Studies Courses (9)
Students should see an advisor for an approved list of upper level area studies courses.

Business Minor/Concentration (12)
Students will choose a minor from the following disciplines:
- Economics
- Finance
- Marketing
- Management
- Information Systems

Within each concentration one course must be an international business course. The international business course is in addition to the three international business courses as required in the above International Business Major area.

Foreign Language Above First Year (9)
Language(s) selected should support the area and the Area Studies courses.

Overseas Business Internship (3) or Semester Abroad

The International Business Major is designed to be completed within 120 credit hours. Certain courses satisfy requirements in more than one area. To maximize academic options, students should seek guidance from an advisor once a decision has been made to pursue this major.

Please note: Courses used to satisfy a major in accounting, economics, finance, information systems management or marketing may not be used to satisfy the minor or economics concentration requirement for the ITB major. Courses used for the minor or concentration for the ITB major cannot be used for a major.

Minor in International Business

Students Majoring in Business
To qualify for the minor in International Business, students with a major in one of the degree programs in Business must successfully complete a minimum of 12 hours of international business or related course work. At least 9 semester credit hours in the minor must be selected from a set of approved upper-level international business courses (see below). One of the courses in the minor, relevant to the student’s international area of interest, can be an approved area studies course, or other course, taken outside the College. A minimum of 9 semester hours of the minor course work must be taken at USF–Tampa. A grade point average of 2.0 or higher must be achieved in minor course work taken at USF, as well as in any transfer work applicable to the minor. Competency to effectively communicate in a foreign language is strongly advised.

Non Business Majors
To qualify for the International Business minor, non business majors must complete the requirements for the minor in Business Administration (see previous Requirements for a Minor in Business) and complete at USF a minimum of 9 semester credit hours selected from a set of approved upper-level international business courses. A grade point average of 2.0 or better must be achieved in the minor course work taken at USF, as well as in any transfer work applicable to the minor program. Competency to communicate in a foreign language is strongly advised. A minimum of 18 hours must be taken in residence at USF Tampa.
A statement attesting to the completion of the Minor in International Business will appear on the student’s official transcript.

Courses Approved for International Business
The following courses are currently approved for the International Business major and minor:
- ECO 3703 International Economics
- FIN 3604 International Finance
- ISM 4382 Global Information Systems
- MAN 4600 International Management
- MAN 4631 Global Perspectives and Management Choices
- MAR 4156 International Marketing

Student Organizations within the College of Business
All students are encouraged to participate in extracurricular activities. The following organizations provide a means for students to develop both professionally and socially while attending the College of Business.

Alpha Kappa Psi - Provides a forum for leadership development in preparation for careers in all areas of business, Alpha Kappa Psi is a progressive, coed, professional business fraternity.

Association of Marketing Students – As a collegiate chapter of the American Marketing Association, this organization will help to further the growth of business oriented individuals within the field of marketing.
Beta Alpha Psi - The international professional accounting, finance, and information systems honors organization devoted to the promotion of the profession, inspiring professional ideals, and recognizing academic achievement.

Beta Gamma Sigma – An honor society that encourages and rewards outstanding scholarship among business students.

Business College Council - Student representatives advise the dean and the faculty on student attitudes and goals. Also, the Council acts as a liaison between the Student Government Association and the College of Business.

Delta Sigma Pi - Fosters the study of business and a close association between students and the business world. Delta Sigma Pi is a coed, professional business fraternity.

Economics Scholar Society – To promote and develop the application of economic concepts within the student body and provide a social basis for interaction.

International Business Board - Promotes interest in international business, provides professional and cultural programs, and encourages dialogue regarding opportunities for study and work abroad.

Management Information Systems Society - The MIS Society is a career oriented organization focusing on all areas of business data management and information systems development.

Minority Business Association - Encourages and supports students in their efforts to achieve success in a demanding academic setting.

National Association of Black Accountants - Develops, encourages, and serves as a resource for greater participation by African-Americans and other minorities in the accounting and finance professions.

Omicron Delta Epsilon - The international economics honor society promoting outstanding achievements in economics and the establishment of closer ties between students and faculty.

Student Finance Association - An organization for finance majors and other business-oriented students that provides exposure to the many facets and opportunities in the field of finance.

COLLEGE OF BUSINESS FACULTY

Accounting

Finance

Information Systems & Decision Sciences

Management

Marketing Faculty
Chairperson: M. B. Stamps; Professors: S. A. Baumgarten, D. J. Ortinau, P. J. Solomon, J. R. Stock; Associate Professors: J. S. Hensel, A. Kumar, B. Lafferty, M. B. Stamps, S. Varki; Assistant Professor; Instructors: N. M. Noel, C. Osborne, V. B. Panzer, J. M. Solomon.
The College of Education is accredited by the National Council for Accreditation of Teacher Education (NCATE). All educator preparation programs must meet the requirements of Chapter 6A-5.066 Rules of the State Board of Education of Florida, and have “Approved Program” status.

The College of Education envisions itself as a leader in regional, national and international education. Leadership in education encompasses: Collaboration that serves communities, institutions, and individuals; Academic excellence; Research, scholarship, and inquiry that renews the educational process; and Ethical practice (CARE).

The Mission of the College of Education is to: offer challenging learning opportunities in a supportive and diverse environment; create and support research, scholarship, and inquiry in education; prepare the next generation of educators, scholars, and leaders for pK-12 and the professoriate through exemplary undergraduate and graduate degree programs; serve the community to offer programs that prepare professionals who work competently, collaboratively, and ethically to improve educational outcomes for all.

Educator preparation programs are aligned with the Florida Educator Accomplished Practices and each program has an assessment program in place to monitor student progress toward these standards. Programs that do not lead to teacher certification are aligned with their respective professional standards and have assessment programs in place to monitor student progress toward those standards. Students in educator preparation programs leading to teacher certification are required to **complete critical tasks/assignments** in several of their professional preparation courses. Educator preparation programs require students to submit these critical tasks/assignments in an electronic portfolio. Therefore, a yearly access code to the electronic portfolio must be purchased by the student.

The College of Education is committed to a continuous and systematic examination of the professional program of educator preparation. Each subdivision of the college maintains professional standards by participating in nationally-certified program reviews and also through ongoing departmental appraisals of learning outcomes.

The University follows a University-wide approach to educator preparation. Its programs for the preparation of teachers represent a cooperative effort in planning and practice by faculties in appropriate academic areas. Many Foundations of Knowledge and Learning (FKL) Core Curriculum courses and courses in the content areas are offered through the College of Arts and Sciences. Courses primarily designed for teacher candidates are taught by the College of Education faculty.

Please be advised that program and/or course requirements and fingerprinting/background check procedures are subject to change, per state legislative mandates, Florida State Department of Education program approval standards, accreditation criteria, and school district policy and procedures.

**Admission Requirements for Students Entering Educator Preparation Programs**

Students who wish to teach in a particular subject area or field should begin preliminary coursework during their first year in college. However, students are not admitted to the College of Education (and into an educator preparation program) until they finish the university’s Foundations of Knowledge and Learning Core Curriculum freshman and sophomore requirements and the state-mandated common prerequisites for education, have the appropriate GPA, and have passed the CLASR, PRAXIS I, or GKT.

Students may apply for entrance into one of the upper-level educator preparation programs offered by the College of Education after completing prerequisite courses. All students who plan to teach must apply for admission to an educator preparation program through the Pre-Education Advising Office in the Student Academic Services Office of the College of Education.

Admission to an upper-level educator preparation program is contingent upon meeting the following preliminary college requirements:

1. Completion of a College of Education application form.
2. Completion of Foundations of Knowledge and Learning Core Curriculum requirements. (For USF, see “Academic Policies and Procedures - Foundations of Knowledge and Learning Core Curriculum Requirements” section of the catalog.) FKL courses will be determined by the community college or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution’s existing catalog. **Note:** Students should attend a pre-education advising session to make certain they are enrolled in courses appropriate for their intended major.
3. Completion of all portions of the CLAS Requirements, PRAXIS I, or General Knowledge Test with passing scores. No exemptions or waivers are acceptable. Successful completion of all sections of the General Knowledge Test (GKT) during the first semester of admission is required. Failure to complete successfully all sections of the GKT during the first semester of admission will result in revocation of admission into the College of Education.
4. Although no longer required for admission to the College of Education, students are still encouraged to take the ACT or SAT. Many existing scholarships still require these scores.
5. Completion of State Mandated Common Prerequisites **Note:** The following prerequisites are required for all education majors. Students should consult their intended majors (listed under “Departments and Programs,” below) for a list of other...
specific course prerequisites and requirements beyond these listed below:

- EDF X005 Introduction to the Teaching Profession (3)
- EDF X085* Introduction to Diversity for Educators (3)
- EME X040 Introduction to Technology for Educators (3)

*In addition to EDF X085, a minimum of 6 semester hours with an international or diversity focus is required. Eligible courses will be determined by the community college or university where the student is currently earning the Associate in Arts or baccalaureate degree. Foreign language courses may be used to meet this requirement.

Completion of Foundations of Knowledge and Learning Core Curriculum requirements: Foundations of Knowledge and Learning Core Curriculum courses will be determined by the Florida College System institution or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution’s existing catalog or in the Counseling Manual. (For USF, see “Academic Policies and Procedures - Foundations of Knowledge and Learning Core Curriculum Requirements” section of the catalog.)

6. Minimum GPA: An overall minimum GPA of 2.50 on all attempted hours.

7. Additional criteria as may be established by each program. Credit requirements in each major include courses in the following categories: Professional Education Core, Teaching Specialization Preparation, and Exit Requirements. For questions concerning Foundations of Knowledge and Learning Core Curriculum and Exit Requirements, refer to the Foundations of Knowledge and Learning Core Curriculum Requirements section of the catalog. See specific requirements for each major listed in "Departments and Programs" below.

Some programs accept a limited number of students. Additionally, certain programs admit students only in a specified semester. Students should refer to the specific program descriptions in this catalog for additional admission information and prerequisites. Information regarding admission requirements for programs may also be obtained from Pre-Education Advising (DAC 107).

Information for International Students Pursuing a Degree in College of Education Programs

If your program requires a field experience or internship through the College of Education, you will need to obtain a Social Security Number (SSN) in order to complete the requirements for several courses. Obtaining the SSN is the responsibility of the student.

Undergraduate Students

If you are pursuing a Bachelor’s Degree in an educator preparation field, you will need to complete field experiences in EDF 2005 and EDG 2701. These are prerequisite courses required for admission to the College of Education. You will need an SSN before enrolling the first day of classes for these courses.

If you are pursuing a Bachelor's degree in Exercise Science you might need an SSN to complete a field experience or internship depending on your placement site requirements. If you are in this program please discuss this with the program coordinator of the Exercise Science program.

Education Advising

Student Academic Services (SAS) is responsible for many of the processes and procedures that support the academic pursuits of students in the College. The department’s major areas of responsibility include: Pre-Education Advising, Undergraduate Advising, Graduate Studies, Teacher Certification, and Internship. SAS is committed to serving the University community, particularly students in the College of Education.
Students are ultimately responsible for knowing and fulfilling all university, college, and degree program requirements for graduation. Admitted students are encouraged to make an appointment with an academic advisor in EDU 106 each semester. For additional contact information, please call the SAS office or visit the web site at http://www.coedu.usf.edu/sas/.

**Advising Office**

**USF Tampa:** For admitted College of Education students, EDU 106, (813) 974-1804. For pre-education students, DAC 107, (813) 974-2979.

**Application Information:**

*(Admitted USF students are eligible.)* For general information, call (813) 974-2979. The admission process to the College of Education (COEDU) is separate and in addition to admission to USF. The deadlines to submit an application are as follows: Fall Semester (July 15th), Spring Semester (November 15th), and Summer Semester (April 15th). Not all majors accept applications for summer entrance. Contact the Pre-Education Advising Office (DAC 107) for those majors that accept summer applicants. Tampa Campus students must register and attend a COEDU orientation after being accepted into the College.

During the College Orientation, students receive information about their degree program, and register for courses for their first semester.

**Time Limitations**

The College of Education may accept professional education and specialization coursework completed at this University or at other accredited institutions as follows:

1. Courses completed within the last five years may be accepted.
2. Courses completed over five years but less than ten years ago must have the approval of the chairperson from the department in which the equivalent course is taught.
3. Courses completed ten years ago or longer will count as elective credit only.

**Qualifications for Internship Experience in Educator Preparation Programs**

The final internship experience involves observing and teaching in an early childhood, elementary, secondary, or exceptional classroom. In most programs internship sites include the entire spectrum of sites available in the various counties served by USF.

Special requirements for enrollment in the final internship and seminar courses are:

1. Admission to the College of Education.
2. Completion of Foundations of Knowledge and Learning Core Curriculum, “Gordon Rule,” and all other program prerequisites.
3. Passing scores on all sections of the General Knowledge Test. Passing scores must be submitted to the student's academic advisor in EDU 106 no later than 5:00 p.m. on the date the internship application is due.
4. Completion of an application for the final internship by the deadline noted. Applications for final internship are made through the Student Academic Services website (www.coedu.usf.edu/sas/). Application deadline for Fall Semester is mid-June. Application deadline for Spring semester is mid-June.
5. Completion of fingerprinting and background check as required by the school district in which the student is placed.
6. Elementary and Early Childhood programs require completion of all professional education and specialization course work except for HLP 4722 and Senior Seminar.
7. Special Education and Physical Education programs require completion of all professional education and specialization coursework.
8. Secondary Education Programs require completion of the professional course sequence except for EEX 4070/EDF 4430 and a minimum of two thirds of the specialization coursework.
9. Elementary, Early Childhood, and Physical Education programs require a combined grade point average of 2.50 in professional education and specialization coursework as well as an overall USF GPA of 2.50. Special Education programs require an overall USF GPA of 2.50. Secondary Education programs require a minimum GPA of 2.50 in professional education and specialization coursework or an overall USF GPA of 2.50.
10. Students must earn a minimum “C-” or better grade or “S” in their required major courses.

Failure to successfully complete the Subject Area and Professional Education components of the FTCE will result in an “I” final grade for the final internship experience.

**College Requirements for Graduation from Educator Preparation Programs**

To be certified by the College of Education for graduation, a student must have:

1. Earned a minimum of 120-semester hour credit.
2. Successfully complete all program requirements for ESOL.
3. A minimum overall USF grade-point average of 2.50 or a minimum GPA of 2.50 in teaching specialization courses and a minimum GPA of 2.50 in the Professional Education sequence is required for Secondary Education Programs. The Physical
Education, Elementary and Early Childhood programs require a combined grade point average of 2.50 in professional education and specialization as well as an overall USF GPA of 2.50.

4. Satisfactory completion of the internship so includes successful passing the Subject Area and Professional Education components of the FTCE.

5. Passing scores on the appropriate FTCE Subject Area and Professional Education subtests. NOTE: English, Math, Science, and Social Science majors must pass the 6-12 subject matter exam.

6. All documents due for graduation (i.e., test scores, final grades, final transcripts) must be submitted to the Director of Undergraduate Programs and Internship (in EDU 106) no later than 5:00 pm on the Friday after the graduation ceremony. If that date is a university holiday, then the said information must be submitted no later than 5:00 pm on the Thursday after the graduation ceremony.

7. Completed the major requirements in a state-approved educator preparation program (which includes general preparation, teaching specialization, and professional preparation).

8. A minimum of 8 credits in professional courses in addition to internship and 12 credits in specialization courses must have been earned at USF.

9. A minimum of 30 hours after admittance to an upper-level program.

Note 1: Normally, the college will recommend the granting of a Bachelor of Science (BS) degree which includes a minimum of 6 credit hours of exit courses. To obtain a Bachelor of Arts (BA) degree, the student must meet the Foreign Language Competency (see graduation requirements in front of catalog) and complete 9 hours of exit courses, 3 of which must be in Literature and Writing and 3 of which must be offered outside the College of Education.

Note 2: Students must satisfy all CLAS Requirement.

SunCoast Area Teacher Training Program (SCATT)

Founded in 1981, the SunCoast Area Teacher Training (SCATT) Honors Program celebrates excellence in teaching while emphasizing professionalism. SCATT is an award-winning teacher training program designed to enrich the already outstanding teacher preparation programs currently offered within the College of Education. Its mission is to enhance the teaching profession by establishing high performance expectations for all members by offering research-based learning experiences that support exceptional instruction and encourage reflective practice. Although the majority of participants in the SCATT program are undergraduates, as much as 10% of its members are graduate students enrolled in a Master of Arts in Teaching (MAT) program. Classroom teachers may choose to continue their involvement in SCATT by completing the requirements to become a SCATT Clinical Teacher, supervising SCATT students during their final Level III internship.

As an active member of SCATT, students participate in a variety of activities, workshops, seminars and field trips to enrich their knowledge base as educators. The entrance and exit requirements for the program help identify those students who have demonstrated high levels of academic achievement, leadership potential and those who have a commitment to aspire to the highest standards of the teaching profession. To graduate as a SCATT student, individuals participate in activities each semester prior to final internship that extend “above and beyond” the requirements of their academic curricula. In addition, they are offered the opportunity to network with students pursuing other education programs other than their own. During final internship, SCATT students participate in intensive leadership and communication skills training. The SCATT program is highly regarded by school principals and because SCATT graduates have the enriched experiences necessary to be top-notch teachers. For additional information about the SCATT Honors Program, please feel free to visit the SCATT Office (located on the second floor of the David C. Anchin Center, just off the rotunda), call us at (813) 974-2061 or visit our Web site at (www.SCATT.coedu.usf.edu).

A Bachelor of Arts degree may be awarded when competency in a foreign language is demonstrated and a student has met the 6 hour Exit requirements.

Music Education is offered in the College of The Arts. See Departmental Section for specific program requirements.

DEPARTMENTS AND PROGRAMS

The College of Education is organized into seven departments. Each department has one or more programs listed alphabetically in the following section.

Department of Adult, Career & Higher Education

The Department of Adult, Career and Higher Education offers no programs at the undergraduate level.

Department of Childhood Education and Literacy Studies

The Childhood Education and Literacy Studies Department has the responsibility for the development and supervision of programs leading to the Bachelor of Science Degree in Early Childhood Education and Elementary Education.

Please be advised that program and/or course requirements are subject to change, per state legislative mandates, Florida State Department of Education program approval standards, and accreditation criteria.

All of the programs offered on regional campuses may vary in requirements and course offerings. For an accurate schedule of courses and requirements, please check with the campus you plan to attend.

Early Childhood and Elementary Education Programs

Early Childhood and Elementary majors will be assigned to a specified sequence of courses to be followed throughout the program enrollment. Coursework will include internship and field experience. Students who withdraw from or who have unsatisfactory grades in the field experiences or internships must petition the department Professional Standards Committee before they will be allowed to repeat the internships. Any internship can only be taken twice before removal from program.

Students must have an overall USF GPA of 2.5 and a GPA of 2.5 in the combined Professional Core and Teaching Specialization prior to final internship and graduation.

Part-time students in Elementary Education (those planning to take 9 hours or less per semester) must meet program and internship requirements associated with the programs. These requirements include being available to participate in the internships during regular school hours.

The Early Childhood Education is a full-time cohort program in which a group of preservice teachers take their early childhood specialization coursework together. Part-time studies are only approved for extenuating circumstances, and a student requesting part-time enrollment must meet with the program coordinator prior to admission to the program. These students also must meet program and internship requirements associated with the programs. The requirements include being available to participate in internships during regular school hours.

Early Childhood with ESOL Endorsement

Students may complete a state-approved program to be eligible for licensure in Early Childhood Education Pre-Kindergarten/Primary (age 3 - Grade 3). The current program of studies includes both coursework and extensive field experiences in early childhood settings to enable students to integrate theory with teaching practice. Graduation is dependent upon successful completion of the required courses, Chalk and Wire requirements, associated internships, and a professional portfolio demonstrating the program outcomes and the Florida Educator Accomplished Practices. Early Childhood majors will be eligible for certification in Pre-Kindergarten/Primary (age 3 - Grade 3). Students must pass all Chalk and Wire assignments and upload every assignment to their Chalk and Wire account in order to graduate from the program.

The College of Education offers a full ESOL Endorsement for all Early Childhood Education major graduates. The special requirements for ESOL endorsement through infusion are as follows: Successful completion of (1) TSL 4080, TSL 4081, and TSL 4251, with a minimum grade of 70% or better on all three sections of the ESOL Comprehensive Exam administered in
the three ESOL courses; (2) a 20-hour early ESOL field experience in TSL 4080; (3) a late ESOL field experience where students plan, implement, and evaluate lessons for one or more ESOL students over 10 days; and (4) an ESOL folder, containing all assignments and test results from TSL 4080, TSL 4081, and TSL 4251, and all ESOL performance check-off sheets from other ESOL-infused courses that a student has taken.

Elementary Education with ESOL Endorsement

Students may complete a state-approved program to be eligible for certification in Elementary Education (Grades K-6). Degree and certification requirements are subject to change in accordance with state mandates. The current program of studies includes both coursework and extensive field experience in elementary school settings to enable students to integrate theory with teaching practice. All elementary education students are required to demonstrate the Accomplished Practices (APs) through core assignments in courses and internships that are submitted to the Chalk and Wire electronic portfolio system. Students must pass all Chalk and Wire assignments and upload every assignment to their Chalk and Wire account in order to graduate from the program.

The College of Education offers a full ESOL Endorsement for all Elementary Education major graduates. The special requirements for ESOL endorsement through infusion are as follows: Successful completion of (1) TSL 4080, TSL 4081, and TSL 4251, with a minimum grade of 70% or better on all three sections of the ESOL Comprehensive Exam administered in the three ESOL courses; (2) a 20-hour early ESOL field experience in TSL 4080; (3) a late ESOL field experience where students plan, implement, and evaluate lessons for one or more ESOL students over 10 days; and (4) an ESOL folder, containing all assignments and test results from TSL 4080, TSL 4081, and TSL 4251, and all ESOL performance check-off sheets from other ESOL-infused courses that a student has taken.

Requirements after Admission into the Elementary and Early Childhood Programs:

1. Maintain at least a 2.5 G.P.A. in program. If a student falls below 2.5 G.P.A. they will be dismissed.
2. Receive a grade of C- or higher in all required courses to progress to the following semester.
3. Pay for costs in addition to tuition, fees, and books such as:
   a. Chalk and Wire access codes that are purchased at the bookstore
   b. Transportation to and from school sites required in courses and internships
   c. Criminal background checks and finger printing for internships
   d. Assignments in some classes (e.g., printing/binding of group project reports, academic and professional portfolio, etc.)

**EARLY CHILDHOOD EDUCATION: Pre-Kindergarten/Primary**

Requirements for the B.S. Degree (BEC): In addition to the courses listed below, students must complete “Preliminary Requirements for Students entering Teacher Education Programs.” All students must have completed and passed all sections of the General Knowledge Test (GKT) prior to being admitted.

Prerequisites (State Mandated Common Prerequisites): These prerequisites must be met by transfer students as well as USF students. A grade of “C-” is the minimum acceptable grade.

- EDF X005 Introduction to the Teaching Profession (3)
- EDF X085* Introduction to Diversity for Educators (3)
- EME X040 Introduction to Technology for Educators (3)

*In addition to EDF X085, a minimum of 6 semester hours with an international or diversity focus is required. Eligible courses will be determined by the Florida College System institution or university where the student is currently earning the Associate in Arts or baccalaureate degree. Foreign language courses may be used to meet this requirement.

Completion of Foundations of Knowledge and Learning Core Curriculum requirements (General Education): Foundations of Knowledge and Learning Core Curriculum (General Education) courses will be determined by the Florida College System institution or university where the student currently is earning the Associate in Arts or baccalaureate degree and will be published in the institution’s existing catalog or in the Florida College System institution Counseling Manual. (For USF, see “Academic Policies and Procedures - Foundations of Knowledge and Learning Core Curriculum Requirements” section of the catalog.)

Professional Education Core (39 cr. hrs.):

- EDF 4214 Child Growth and Learning 3
- EEC 4940 Senior Internship 10
- EEC 4941 Field Experience I 3
- EEC 4936 Senior Seminar in Elementary Early Childhood Education 2
- EEC 4942 Field Experience II 3
- EEC 4943 Field Experience III 3
- EDG 4909 Directed Studies* 1-4
TSL 4080 Curriculum and Pedagogy of ESOL 3
TSL 4081 Literacy Development in English Language Learners 3
TSL 4251 Applying Linguistics to ESOL Teaching and Testing 3

*Please see academic advisor for required Directed Studies courses.

Specialization (30 cr. hrs.):
EDG 4909 Young Children with Special Needs 3
EDG 4909 Assessment, Evaluation, Reporting Process 3
EEC 4008 Literature in Early Childhood Education (Exit) 3
EEC 4203 Programs for Young Children 3
EEC 4211 Integrated Curriculum: Science and Mathematics 3
EEC 4212 Integrated Curriculum: Social Sciences/Humanities & Art 3
EEC 4303 Creative and Affective Experiences for Young Children 3
EEC 4307 Cognitive Experiences for Young Children 3
EEC 4408 Child, Family & Teacher Relations 3
EEC 4706 Language and Emerging Literacy 3
HSC 3301 Health, Safety, Nutrition and Motor Skills for the Young Child 3
RED 4310 Early Literacy Learning 3
RED 4511 Linking Literacy Assessment to Instruction 3

The order in which these courses are to be taken is spelled out in the program of study.

• ELEMENTARY EDUCATION

Requirements for the B.S. Degree (BEE): In addition to the courses listed below, students must complete “Preliminary Requirements for Students entering Teacher Education Programs.” All students must have completed and passed all sections of the General Knowledge Test (GKT) prior to being admitted

Prerequisites (State Mandated Common Prerequisites): These prerequisites must be met by transfer students as well as USF students. A grade of “C-” is the minimum acceptable grade.
- EDF X005 Introduction to the Teaching Profession (3)
- EDF X085* Introduction to Diversity for Educators (3)
- EME X040 Introduction to Technology for Educators (3)

*In addition to EDF X085, a minimum of 6 semester hours with an international or diversity focus is required. Eligible courses will be determined by the Florida College System institution or university where the student is currently earning the Associate in Arts or baccalaureate degree. Foreign language courses may be used to meet this requirement.

Completion of Foundations of Knowledge and Learning Core Curriculum requirements (General Education): Foundations of Knowledge and Learning Core Curriculum (General Education) courses will be determined by the Florida College System institution or university where the student currently is earning the Associate in Arts or baccalaureate degree and will be published in the institution’s existing catalog or in the Florida College System institution Counseling Manual. (For USF, see “Academic Policies and Procedures - Foundations of Knowledge and Learning Core Curriculum Requirements” section of the catalog.)

Students are advised that the Elementary Education specialization will require an enrollment of more than the traditional four semesters of the junior and senior years in order to complete the program specialization courses and the required sequence of internship.

The order in which these courses are to be taken is designated in the program of study.

Professional Education (32-33 credit hours):
EDF 3122 Learning and the Developing Child 3
EDF 3604 Social Foundations of Education (Exit) 3
EDF 4430 Measurement for Teachers 3
EEX 4070 Integrating Exceptional Students in the Regular Classroom 2-3
TSL 4080 Curriculum and Pedagogy of ESOL 3
TSL 4081 Literacy Development in English Language Learners 3
TSL 4251 Applying Linguistics to ESOL Teaching and Testing 3
EDE 4940 Internship 10-12
Specialization (41 credit hours):

- EDE 4301 Classroom Management, School Safety, Ethics, Law, and Elementary Methods 3
- EDE 4941 Childhood Education Internship Level I 3
- HLP 4722 Health and Physical Education for the Child 2
- EDE 4942 Childhood Education Internship Level II 6
- LAE 4314 Teaching Writing in the Elementary School 3
- LAE 4414 Teaching Literature in the Elementary Schools (Exit) 3
- MAE 4310 Teaching Elementary School Mathematics I 3
- MAE 4326 Teaching Elementary School Mathematics II 3
- RED 4310 Reading and Learning to Read 3
- RED 4511 Linking Literacy Assessment to Instruction 3
- SCE 4310 Teaching Elementary School Science 3
- SSE 4313 Teaching Elementary (K-6) Social Studies 3
- EDE 4223 Creative Experiences for the Child 3

Department of Secondary Education

The following programs are housed in the department of Secondary Education:
- English Education with ESOL Endorsement
- Foreign Language Education with ESOL Endorsement
- Mathematics Education
- Science Education
- Social Science Education

The undergraduate programs offered by the department are designed to prepare students to meet Florida teacher certification requirements and to become highly competent secondary teachers. Specialized courses in the teaching of mathematics, science, and social science are also offered for students majoring in elementary, early childhood, and special education.

Please be advised that program and/or course requirements are subject to change, per state legislative mandates, Florida State Department of Education program approval standards, and accreditation criteria.

• ENGLISH EDUCATION with ESOL Endorsement

Requirements for the B.S. Degree (BEN):

In addition to the courses listed below, students must complete “Preliminary Requirements for Students entering Teacher Education Programs.”

The College of Education offers a full ESOL Endorsement for all English Education major graduates. The special requirements for ESOL endorsement through infusion are as follows: Successful completion of (1) FLE 4317 and FLE 4316 with a minimum grade of 70% or better on part one and part two of the ESOL Comprehensive Exam administered in the two ESOL courses; (2) a 20-hour early ESOL field experience in FLE 4317; (3) a late ESOL field experience where students plan, implement, and evaluate lessons for one or more ESOL students over 10 days; and (4) an ESOL binder, containing all ESOL-related assignments taken in the College of Education and an ESOL-performance Standards Checklist that documents the completion of the necessary number of standards.

Prerequisites (State Mandated Common Prerequisites): These prerequisites must be met by transfer students as well as USF students. A grade of "C-" is the minimum acceptable grade.

- EDF X005 Introduction to the Teaching Profession (3)
- EDF X085 * Teaching Diversity for Educators (3)
- EME X040 Introduction to Technology for Educators (3)
- Other program prerequisites: **
  - SPC X600/SPC X608/SPC X016 Public Speaking (3)
  - ENG X101*** (3)
  - ENG X102*** (3)
  - Lit Course (ENL, LIT, or AML) (3)

*In addition to EDF X085, a minimum of 6 semester hours with an international or diversity focus is required. Eligible courses will be determined by the Florida College System institution or university where the student is currently earning the Associate in Arts or baccalaureate degree. Foreign language courses may be used to meet this requirement.

**Courses specified in this category may apply to Foundations of Knowledge and Learning (FKL) Core Curriculum coursework.

***ENC X101 and ENC X102 or equivalent composition.
Completion of Foundations of Knowledge and Learning Core Curriculum requirements (General Education): FKL Core Curriculum (General Education) courses will be determined by the Florida College System institution or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution’s existing catalog or in the Florida College System institution Counseling Manual. (For USF, see “Academic Policies and Procedures – Foundations of Knowledge and Learning Core Curriculum” section of the catalog.)

Recommended Courses:
Literature Course (3 hours) - select from LIT, AML, ENL (LIT 2000 or ENL 3323 recommended)
English Electives (9 hours) - to include advanced composition and mediacy (CRW 2100 or CRW X111 and MMC 2100 or ENC X310 and LIT 2046 or LIT X301 recommended)

Professional Education (23 credit hours):
- EDF 3604 Social Foundations of Education (Exit) 3
- EDF 3214 Human Development and Learning 3
- EDF 4430 Measurement for Teachers 3
- EEX 4070 Integrating Exceptional Students in the Regular Classroom 2
- FLE 4317 Teaching LEP Students K-12 3
- FLE 4316 Language Principles and Acquisition 3
- Literacy Course 3
- ESE 4322 Classroom Management 3

Specialization (21 credit hours):
- ENC 3310 Expository Writing 3
- One of the following:
  - LIT 3103 Great Literature of the World (Exit) 3
  - WST 4410 Third World Women Writers (Exit) 3
  - LAE 4469 Teaching World Literature to Middle and Secondary Students 3
- One of the following:
  - AML 3031 American Literature to 1860 3
  - AML 3032 American Literature 1860-1912 3
  - AML 3051 American Literature 1912-1945 3
- One of the following:
  - ENL 3015 British Literature to 1616 3
  - ENL 3230 British Literature 1616-1780 3
  - ENL 3251 British Literature 1780-1900 3
  - ENL 3273 British Literature 1900-1945 3
- One of the following:
  - LIT 3383 The Image of Women in Literature 3
  - LIT 4386 British and American Literature by Women (Exit) 3
- One of the following:
  - LIN 3010 Introduction to Linguistics 3
  - ENG 4060 History of the English Language 3
- One of the following:
  - LIN 3670 English Grammar and Usage 3
  - LIN 4680 Structure of American English 3

Additional Specialization (24 credit hours):
- LAE 4464 Adolescent Literature for Middle and Secondary Students (Exit) 3
- LAE 4323 Methods of Teaching English: Middle School (Fall Semester Only) 3
- LAE 4530 Methods of Teaching English: Practicum (Fall Semester Only) 3
- LAE 4335 Methods of Teaching English: High School (Spring Semester Only) 3
- LAE 4936 Senior Seminar in English Education 2
- LAE 4940 Internship: English Education 10
English Education (BEN), BS/BA, 120

The curricula and courses presented below are a guide for remaining on track towards the bachelor's degree. Please note that alternative courses exist for many of the courses and that this is not an official degree plan. It is an advising tool and students should consult with an advisor in their major to ensure that all degree requirements are met.

TOTAL CREDIT HOURS TO DEGREE 120

• FOREIGN LANGUAGE EDUCATION with ESOL Endorsement

Requirements for the B.S. Degree (BFS/BFF/BFI/BFG/BFR):
In addition to the courses listed below, students must complete “Preliminary Requirements for Students entering Teacher Education Programs.” A minimum of 30 credit hours beyond intermediate course requirements must be earned in the foreign language. Programs are available for Spanish (BFS), French (BFF), Italian (BFI), German (BFG) and Russian (BFR).

The College of Education offers a full ESOL Endorsement for all Foreign Language Education major graduates. The special requirements for ESOL endorsement through infusion are as follows: Successful completion of (1) FLE 4317 and FLE 4316 with a minimum grade of 70% or better on part one and part two of the ESOL Comprehensive Exam administered in the two ESOL courses; (2) a 20-hour early ESOL field experience in FLE 4317; (3) a late ESOL field experience where students plan, implement, and evaluate lessons for one or more ESOL students over 10 days; and (4) an ESOL binder, containing all ESOL-related assignments taken in the College of Education and an ESOL-performance Standards Checklist that documents the completion of the necessary number of standards. FLE students must also take TSL 4081 - ESOL 2, which is not part of the ESOL requirement for the FLE program, but does meet the reading requirement.

Prerequisites (State Mandated Common Prerequisites): These prerequisites must be met by transfer students as well as USF students. A grade of “C-” is the minimum acceptable grade.
• EDF X005 Introduction to the Teaching Profession (3)
• EDF X085 *  Teaching Diversity for Educators (3)
• EME 2040 Introduction to Technology for Educators (3)
• Other program prerequisites:**
  XXX XXXX (8) – Eight credits in the same foreign language at the intermediate level
  XXX XXXX (3) – Three credits in the same language of study with a cultural emphasis
  *In addition to EDF X085, a minimum of 6 semester hours with an international or diversity focus is required. Eligible courses will be determined by the Florida College System institution or university where the student is currently earning the Associate in Arts or baccalaureate degree. Foreign language courses may be used to meet this requirement.
  **Courses specified in this category may apply to Foundations of Knowledge and Learning Core Curriculum coursework.

Completion of Foundations of Knowledge and Learning Core Curriculum requirements (General Education): Foundations of Knowledge and Learning Core Curriculum courses (General Education) will be determined by the Florida College System institution or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution’s existing catalog or in the Counseling Manual. (For USF, see “Academic Policies and Procedures – Foundations of Knowledge and Learning Core Curriculum” section of the catalog.)

Professional Education (33 credit hours):
EDF  3214 Human Development and Learning  3
EDF  3604 Social Foundations of Education (Exit)  3
EDF  4430 Measurement for Teachers  3
EEX  4070 Integrating Exceptional Students in the Regular Classroom  3
FLE  4316 Language Principles and Acquisition  3
Teaching Specialization (42 credit hours):

1. Foreign language (30)
   - Conversation and Composition 12
   - Literature 6
   - Culture and Civilization 6
   - Linguistics 3
   - Exit requirement language course 3

2. Foreign Language Education
   12 credit hours in methods of teaching a language at the elementary and secondary levels, including a practicum.

   Fall Term:
   - FLE 4314 Methods of Teaching Foreign Languages and ESOL in the Elementary School 3

   Spring Term:
   - FLE 4333 Methods of Teaching Foreign Languages and ESOL in the Secondary School 3
   - FLE 4370 Practicum in Foreign Language Teaching in the Secondary School 3

   Summer Term:
   - FLE 4290 Technology in the Foreign and Second Language Classroom 3

• MATHEMATICS EDUCATION

Requirements for the B.S. Degree (BMA):
In addition to the courses listed below, students must complete “Preliminary Requirements for Students entering Teacher Education Programs (see statement under main college heading).”

Prerequisites (State Mandated Common Prerequisites): These prerequisites must be met by transfer students as well as USF students. A grade of “C-” is the minimum acceptable grade.
- EDF X005 Introduction to the Teaching Profession (3)
- EDF X085* Teaching Diversity for Educators (3)
- EME 2040 Introduction to Technology for Educators (3)
- Other state mandated program prerequisites:**
  - Four (4) hours Calculus & Analytic Geometry I
  - Four (4) hours Calculus & Analytic Geometry II
  - Four (4) hours Electives in Mathematics

*In addition to EDF X085, a minimum of 6 semester hours with an international or diversity focus is required. Eligible courses will be determined by the community college or university where the student is currently earning the Associate in Arts or baccalaureate degree. Foreign language courses may be used to meet this requirement.

** Courses specified in this category may apply to the USF Foundations of Knowledge and Learning (FKL) Core Curriculum coursework.

Completion of Foundations of Knowledge and Learning Core Curriculum requirements (General Education): FKL Core Curriculum courses (General Education) will be determined by the Florida College System institution or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution’s existing catalog or in the Counseling Manual. (For USF, see “Academic Policies and Procedures - Liberal Arts Requirements” section of the catalog.)

Professional Education (32 credit hours):
- EDF 3214 Human Development and Learning 3
- EDF 3604 Social Foundations of Education (Exit) 3
- EDF 4430 Measurement for Teachers 3
- EEX 4070 Integrating Exceptional Students in the Regular Classroom 2
- TSL 4324 ESOL Competencies and Strategies 3
- MAE 4940 Internship: Mathematics Education 10
- MAE 4936 Senior Seminar in Mathematics Education 2
- ESE 4322 Classroom Management 3
Specialization (30-31 credit hours):
- MAC 2313 Calculus III 4
- MAD 3100 Discrete Mathematics 3
- MAS 3105 Linear Algebra 4
- MAS 4214 Elementary Number Theory 3
- MAS 4301 Elementary Abstract Algebra 3

TOTAL CREDIT HOURS TO DEGREE 122

SCIENCE EDUCATION
Requirements for the B.S. Degree (BSB, BSC, BSY): In addition to the courses listed below, students must complete “Preliminary Requirements for Students entering Teacher Education Programs.”

Prerequisites (State Mandated Common Prerequisites): These prerequisites must be met by transfer students as well as USF students. A grade of “C-” is the minimum acceptable grade.
- EDF X005 Introduction to the Teaching Profession (3)
- EDF X085 * Teaching Diversity for Educators (3)
- EME X040 Introduction to Technology for Educators (3)
- Other state mandated program prerequisites:
  For Biology Teacher Education** -
  Biology with Lab 8
  Chemistry with Lab or Physics with Lab 8
  For Chemistry Teacher Education** -
  Chemistry with Lab 8
  Biology with Lab or Physics with Lab 8
  For Physics Teacher Education** -
  Physics with Lab 8
  Biology with Lab or Chemistry with Lab 8
*In addition to EDF X085, a minimum of 6 semester hours with an international or diversity focus is required. Eligible courses will be determined by the community college or university where the student is currently earning the Associate in Arts or baccalaureate degree. Foreign language courses may be used to meet this requirement.
** Courses specified in this category may apply to Foundations of Knowledge and Learning Core Curriculum coursework.

Completion of Foundations of Knowledge and Learning Core Curriculum requirements (General Education): Foundations of Knowledge and Learning (FKL) Core Curriculum courses (General Education) will be determined by the Florida College System institution or university where the student currently is earning the Associate in Arts or baccalaureate degree, and
will be published in the institution’s existing catalog or in the Counseling Manual. (For USF, see “Academic Policies and Procedures – Foundations of Knowledge and Learning Core Curriculum” section of the catalog.)

Professional Education Core for all Tracks (29 credit hours):
The required courses in the professional education core are as follows:

- EDF 3214 Human Development and Learning 3
- EDF 3604 Social Foundations of Education (Exit) 3
- EDF 4430 Measurement for Teachers 3
- EEX 4070 Integrating Exceptional Students in the Regular Classroom 2
- TSL 4324 ESOL Competencies and Strategies 3
- SCE 4936 Senior Seminar in Science Education 2
- SCE 4940 Internship: Science Education 10
- ESE 4322 Classroom Management 3

Biology Education
Prerequisites (16 credit hours):
- BSC 2010 Biology I* 3
- BSC 2010L Biology I Lab* 1
- BSC 2011 Biology II* 3
- BSC 2011L Biology II Lab* 1
- CHM 2045, 2045L General Chemistry I and Lab* 4
- PHY 2048, 2048L General Physics I and Lab (with Calculus)
  or
- PHY 2053, 2053L General Physics and Lab*
- MAC 2311 or MAC 2281

Specialization (40 credit hours):
- Human Anatomy Physiology Course 3
- PCB 3063 General Genetics 3
- PCB 3023, 3023L Cell Biology and Lab 4
- PCB 3043, 3043L Principles of Ecology and Lab 4
- PCB 4674 Organic Evolution 3
- MCB 3030C Introduction to Microbiology 4
- BSC 4057 Environmental Issues (Exit) 3
- SCE 4320 Teaching Methods in Middle Grades Science 3
- SCE 4330 Teaching Methods in Secondary School Science 3
- SCE 4305 Communication Skills in the Science Classroom 3
- SCE 4236 Science, Technology, Society Interaction 3

Additional Requirements
- MAC 2281 Engineering Calculus I 4
  or
- MAC 2311 Calculus I 4

Science Education (SCE), Biology (BSB), BS/BA, 120 – TAPS Plan
The curricula and courses presented below are a guide for remaining on track towards the bachelor’s degree. TOTAL CREDIT HOURS TO DEGREE 127

• SOCIAL SCIENCE EDUCATION

Requirements for the B.S. Degree (BSS): In addition to the courses listed below, students must complete “Preliminary Requirements for Students entering Teacher Education Programs.” It is recommended that students pursue a double major in Social Science Education with History or one of the Social Sciences.

Prerequisites (State Mandated Common Prerequisites): These prerequisites must be met by transfer students as well as USF students. A grade of “C-” is the minimum acceptable grade.
• EDF X005 Introduction to the Teaching Profession (3)
• EDF X085 Teaching Diversity for Educators (3)
• EME X040 Introduction to Technology for Educators (3)
• Other program prerequisites**:
  American Government (3)
Select four of the six areas for a total of 12 credit hours: Anthropology (3), Cultural Geography (3), Economics (3), History (3), Psychology (3), Sociology (3)
*In addition to EDF X085, a minimum of 6 semester hours with an international or diversity focus is required. Eligible courses will be determined by the Florida College System institution or university where the student is currently earning the Associate in Arts or baccalaureate degree. Foreign language courses may be used to meet this requirement.
** Courses specified in this category may apply to Foundations of Knowledge and Learning (FKL) Core Curriculum coursework.

Completion of Foundations of Knowledge and Learning Core Curriculum requirements (General Education): Foundations of Knowledge and Learning Core Curriculum courses (General Education) will be determined by the Florida College System institution or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution’s existing catalog or in the Counseling Manual. (For USF, see “Academic Policies and Procedures – Foundations of Knowledge and Learning Core Curriculum” section of the catalog.)

The following are the courses recommended by the Social Science Education program to fulfill the State Mandated Common Prerequisites:
1 POS 2041 American National Government
or
POS 2080 American Political Tradition

2 ANT 2000 Introduction to Anthropology
or
ANT 2410 Cultural Anthropology
or

3 GEA 2000 Global Geography
or

4 ECO 1000 Basic Economics
or
ECO 2013 Macroeconomics
or

5 SYG 2000 Introduction to Sociology
or
SYG 2010 Contemporary Sociology
or
PSY 2012 Introduction to Psychological Science
AMH 2010 American History I
AMH 2020 American History II

Professional Education Core (17 credit hours):
EDF 3214 Human Development and Learning 3
EDF 3604 Social Foundations of Education (Exit) 3
EDF 4430 Measurement for Teachers 3
EEX 4070 Integrating Exceptional Students in the Regular Classroom 2
TSL 4324 ESOL Competencies and Strategies 3
ESE 4322 Classroom Management 3

Social Sciences Specialization (44-45 credit hours):
AMH 2010 American History I 3
AMH 2020 American History II 3
AMH 3421 Early Florida 4
AMH 3423 Modern Florida 4
GEA 2000 World Regional Geography 3
HUM 2210 Studies in Culture: Classical through Medieval 3
HUM 2230 Studies in Culture: Renaissance through the 20th Century 3
INR 3018 World Ideologies 3
POS 2112 State and Local Government 3
Any 3000/4000 level Social Science course 3/4
Any course from African, Asian, or Latin American, or Middle Eastern History 3
One of the following:
ANT 2000 Introduction to Anthropology 3
ANT 2410 Cultural Anthropology 3
One of the following:
ECO 1000 Basic Economics 3
ECO 2013 Macroeconomics 3
One of the following:
SYG 2000 Introduction to Sociology 3
SYG 2010 Contemporary Problems 3
One of the following:
POS 2041 American National Government 3
POS 2080 The American Political Tradition 3

Social Science Education (27 credit hours):
SSE 4333 Teaching Middle Grades Social Science 3
SSE 4334 Teaching Secondary Grades Social Science 3
SSE 4335 Teaching Social Science Themes* 3
SSE 4600 Reading and Basic Skills in the Social Sciences 3
**Social Science Education (BSS), BS/BA, 120**

The curricula and courses presented below are a guide for remaining on track towards the bachelor’s degree. Please note that alternative courses exist for many of the courses and that this is not an official degree plan. It is an advising tool and students should consult with an advisor in their major to ensure that all degree requirements are met.

Department of Educational Measurement and Research
The Department of Educational Measurement and Research offers EDF 4430, Measurement for Teachers, that provides students with the measurement and evaluation skills and dispositions they need to be effective classroom teachers. Students use curriculum-based, learner-based, context-based, and professionally-based standards to develop and use objective, product, and live performance tests; attitude observation and self-report assessments; they analyze and evaluate learner progress, their tests, and their instruction; and they communicate learner progress using portfolios, grades, and standardized test profiles. The course is delivered using web-based distance and web-enhanced laboratory formats.

School of Physical Education & Exercise Science
The School of Physical Education & Exercise Science offers a variety of Elective Physical Education courses and conducts a Physical Education Teacher Preparation Program, and an Exercise Science Program. For Athletic Training, please refer to the College of Medicine - Department of Orthopaedics and Sports Medicine.

• PHYSICAL EDUCATION ELECTIVE PROGRAM
Physical Education elective offerings in the School of Physical Education and Exercise Science are designed to provide opportunities for all students in the University to acquire knowledge and movement skills related to an active healthy lifestyle. Laboratory experiences in over twenty-five different exercise and sports activities allow students to select and develop proficiency appropriate for leisure pursuit and personal development. Special competency courses provide for in-depth study in such areas as personal wellness, current issues in sports, and first aid.

• PHYSICAL EDUCATION and EXERCISE SCIENCE
Students must enroll in one of the following programs: a) Physical Education K-12 (Florida Teacher Certification); or b) Exercise Science.

Requirements for the B.S. Degree (PET, BPW): The two-year programs are offered beginning in the junior year and include mandatory attendance during the summer session between the junior and senior years. Students in Physical Education and Exercise Science may enter in the Fall Semester of each year only. Students proceed through the programs in cohorts and are required to complete all required courses each semester with a grade of "C-" or better in order to progress to the next semester. Students who do not complete the requirements will be dismissed from the program and may reapply for the next cohort.

For K-12 Physical Education Major (PET):
The physical education program is a full-time program. Students must be available for classes from 8:00 am - 5:00 pm, Monday through Friday each semester. Additional time commitments may be necessary for course work in the evenings. Entrance requirements are:
1. An overall GPA of 2.50.
2. Completion of all the following "common statewide prerequisites" for physical education programs prior to fall admission with a C- or higher.

**Prerequisites (State Mandated Common Prerequisites):** These prerequisites must be met by transfer students as well as USF students.

- EDF X005 Introduction to the Teaching Profession (3)
- EDF X085* Teaching Diversity for Educators (3)
- EME X040 Introduction to Technology for Educators (3)
- Other program prerequisites**
  - Anatomy & Physiology I (3-4)
  - Care and Prevention of Athletic Injuries or Anatomy & Physiology II w/ lab (3-4)
  - Skill Development Courses in Physical Activities (4-5)

*In addition to EDF X085, a minimum of 6 semester hours with an international or diversity focus is required. Eligible courses will be determined by the community college or university where the student is currently earning the Associate in Arts or baccalaureate degree. Foreign language courses may be used to meet this requirement.

** Courses specified in this category may apply to Foundations of Knowledge and Learning Core Curriculum coursework.

**Completion of Foundations of Knowledge and Learning Core Curriculum requirements (General Education):** Foundations of Knowledge and Learning Core Curriculum courses (General Education) will be determined by the Florida College System institution or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution’s existing catalog or in the Counseling Manual. (For USF, see “Academic Policies and Procedures - Foundations of Knowledge and Learning Core Curriculum Requirements” section of the catalog.)

**Requirements, After Admission:**
Students accepted into the physical education program must meet the following additional requirements:

1. Sign an agreement to abide by the standards set forth in the School of Physical Education and Exercise Science Student Handbook on Professional Behavior and Ethical Conduct.
2. Pay for costs in addition to tuition, fees, and books such as:
   a. Attendance at the state professional organization conference (minimally 1 year)
   b. Student membership in the state physical education professional organizations
   c. Transportation to and from school sites required in courses and internships
   d. Physical Education Teacher Education uniform for internships
   e. Criminal background checks and fingerprinting for internships
   f. Assignments in some classes (e.g., printing/binding of group project reports, academic and professional portfolio, professional file, etc.)
   g. Electronic assignment portfolio throughout program
4. Receive a grade of C- or higher in all required courses and maintain a 2.50 GPA in order to progress to the next semester.
5. Complete professional development plans throughout the program.
6. Complete and pass individual development plans in identified skill areas during the program.

Semester IV:
PET 3013 Professional Development in Phys. Ed. II 1
EDG 4909 Directed Studies * 3
PET 4401 Class Management, Safety, Ethics, Law and Organization and Administration of Physical Education 3
PET 4442 Instructional Design & Content: Physical Education Secondary 3
PET 4944 Phys. Ed. Pre-Internship: Secondary 3
Total 13
*Please see academic advisor for required Directed Studies course.

Semester V
PET 4946 Internship in Phys. Ed.: Elementary 6
PET 4947 Internship in Phys. Ed.: Secondary 6
PET 3252 Issues in Sport (exit) 3
Total 15

For Exercise Science Major (BPW):
Students who successfully complete the undergraduate Exercise Science Major earn a B.S. degree in Physical Education with a Specialization in Exercise Science. This program is offered in the School of Physical Education & Exercise Science in the College of Education. The Exercise Science program is endorsed by the American College of Sports Medicine (ACSM) and prepares students for a variety of entry level positions in the exercise science field. See our website (http://www.coedu.usf.edu/main/departments/physed/programs/progEs.html) for the types of jobs and job settings available as well as other important information. Successful completion of the program qualifies students for national professional certifications such as ACSM’s Certified Health Fitness Specialist (HFS) and the National Strength and Conditioning Association’s (NSCA’s) Certified Strength and Conditioning Specialist (CSCS).

The course work is offered over a two-year period beginning in the fall semester of the student’s junior year as shown below. The summer session (Session C – 10 weeks) between the junior and senior year is mandatory. Students can enter the program during the fall semester only and they progress through the program in a cohort.

Completion of Foundations of Knowledge and Learning Core Curriculum requirements (General Education): Foundations of Knowledge and Learning Core Curriculum courses (General Education) will be determined by the Florida College System institution or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution’s existing catalog. (For USF, see “Academic Policies and Procedures - Foundations of Knowledge and Learning Core Curriculum Requirements” section of the catalog.)

Major Requirements:
The exercise science program is a full-time program. Students must be available for classes from 8:00 am – 5:00 pm, Monday through Thursday each semester. Additional time commitments may be necessary for course work such as PET 3940 (Practicum) and PET 4941 (Internship). The exercise science program is a limited access program meaning that enrollment is limited to 30 students each fall semester. Selection of the 30 students is based on the following criteria:

1. An overall GPA of 2.50. This is a College of Education criterion.
2. Completion of all the following “common statewide prerequisites” for exercise science programs by the spring semester prior to fall admission with a C- or higher.
3. Students with the top 30 composite GPAs will be selected for admission into the program. A composite GPA score will be calculated for each student by adding 30% of the overall GPA and 70% of the common statewide prerequisite GPA.

Prerequisites (State Mandated Common Prerequisites): These prerequisites must be met by transfer students as well as USF students. A grade of “C-” is the minimum acceptable grade.

Human Anatomy and Physiology I and lab 4
or
Human Anatomy and lab 4
Human Anatomy and Physiology II and lab 4
or
Human Physiology and lab 4
College Algebra or higher 3
Statistics or Pre-Calculus 3
General Psychology 3
General Nutrition 3
Survey of Chemistry or higher and lab 4
Public Speaking 3

The following are “recommended” prerequisite courses and the grades in these courses will not be used to calculate the “common statewide prerequisite” GPA for admission.

1. PEM 2131 Weight Training 2
2. HLP 2081 Personal Wellness 3

NOTE: Though no computer course is recommended, students need to possess excellent computer skills, e.g., MS applications.

Admission Criteria: Students must:
1. Apply to the University of South Florida.
2. Submit a completed application to the Exercise Science program, including official transcripts between June 1st and July 15th for fall admission.
3. Complete the Foundations of Knowledge and Learning Core Curriculum requirements for the University of South Florida or for the Florida public college or university in which the student took his or her Foundations of Knowledge and Learning Core Curriculum requirements.
4. Successfully meet exemption requirements for CLAS.

Requirements, After Admission:
By August 1st, students will be informed if they have been accepted into the program. Students accepted into the program must inform the College of Education advising office by August 15th that they will or will not be enrolling in fall classes. Once admitted, students will need to meet the following requirements:

1. Complete an online College of Education Orientation and attend an Exercise Science Orientation prior to the beginning of the fall semester.
2. Sign an agreement to abide by the standards set forth in the School of Physical Education & Exercise Science Student Handbook on Professional Behavior and Ethical Conduct.
3. Pay for costs in addition to tuition, fees, and books such as:
   a. Material and supply fee for PET 3384
   b. Student membership for the Exercise Science student organization
   c. Professional liability insurance
   d. Student membership in at least one professional organization
   e. Transportation to and from field experiences required in courses including the practicum and internship
   f. Possible requirements of practicum/internship sites such as health/medical exam, immunizations/vaccines, criminal background check, finger printing, drug/alcohol screening, personal health insurance, uniforms, and parking
   g. Possible costs associated with obtaining physician clearance (e.g., medical exam and/or tests) prior to participation in physical activity/exercise. Students complete a Pre-Activity Screening Questionnaire (PASQ) based on American College of Sports Medicine guidelines to determine if physician clearance is needed.
   h. Assignments in some classes (e.g., printing/binding of group project reports, academic and professional portfolio, etc.)
4. Receive a grade of C- or higher in all required courses and maintain a 2.5 GPA (overall and in major) in order to progress to the next semester.
5. Complete 10 hours of volunteer community service for a non-profit health care organization.

Semester 1 Fall (12 hours)

PET 3211 Stress Management 2
PET 3314 Professional Development Seminar 1
PET 3353 Exercise Physiology 3
PET 3361 Nutrition for Fitness and Sport 3
PET 4219 Exercise Psychology 3
Semester 2 Spring (15 hours)
- PET 3312 Biomechanics 3
- PET 3384 Exercise Testing and Prescription 3
- PET 3404 Emergency Response and Planning 3
- PET 4402 Planning and Evaluating Fitness/Wellness Program 3
- XXX XXXX Exit Requirement Course 3

Semester 3 Summer (9 hours)
- PET 3940 Practicum in Fitness/Wellness* 3
- PET 3365 Physical Activity Epidemiology 3
- PET 4093 Strength and Conditioning 3

*Subject to change; Please see your academic advisor

Semester 4 Fall (12 hours)
- PET 3713 Theory and Practice of Teaching Group Exercise 3
- PET 4406 Individualized Fitness/Wellness Programming 3
- PET 4416 Administration of Fitness/Wellness Centers 3
- PET 4550 Clinical Exercise Testing and Prescription 3

Semester 5 Spring (12 hours)
- PET 4941 Internship in Fitness/Wellness 9
- PET 3252 Issues in Sport - recommended 3

Department of Psychological and Social Foundations of Education

The Department of Psychological and Social Foundations of Education does not offer a specific major or degree program, but provides courses for all students majoring in the wide array of undergraduate programs available in the College of Education. These courses contribute to the students’ understanding of the general education enterprises and are considered foundational to later professional specialization. Consequently, these courses should be taken early in the professional program, typically in the junior year.

Professional Education Core (34-39 cr. hrs.):
- EDF 3122 Learning and the Developing Child 3
- EDF 3214 Human Development and Learning 3
- EDF 3514 History of Education in the United States 3
- EDF 3604 Social Foundations of Education 3
- EDF 4111 Child Growth and Learning 3
- EDF 4131 Learning and the Developing Adolescent 3

In addition the department offers:
- EDF 3228 Human Behavior and Environmental Selection 3
- EDF 4905 Independent Study: Educational Foundations 1-3
- EDF 4909 Directed Study: Educational Foundations 1-3
- EDF 5607 Trends in Social-Political Foundations of Schooling in the U.S. 3
- IDS 3115 Values and Choices 3

The Counselor Education program offers undergraduate courses focusing on human services skill development, decision-making and personal growth. Course content contributes to student success in academic and personal endeavors and may serve to orient students to post-graduate work in human services fields.

- MHS 4052 Human Relations Skills in Counseling 4
- MHS 4905 Independent Study: Guidance and Counseling Education 1-4
- SDS 4040 Introduction to Student Personnel Work in Higher Education 2

Department of Special Education

The Department of Special Education prepares teachers to work with children who have emotional and behavioral disabilities, intellectual disabilities and specific learning disabilities. The undergraduate program is a state-approved program that leads to certification in Exceptional Student Education (ESE).

Students are required to meet University and College of Education entrance requirements prior to enrollment in the Department. Upon admission, students affiliate with the campus on which they wish to take their program of studies. Students
may not register for courses on other campuses without permission. For USF Tampa, students are assigned to cohorts. All courses are taken with the assigned cohort. The program sequence includes three semesters of part-time field experience and one semester of full-time internship. All part-time field experiences must be successfully completed as a member of a cohort concurrently enrolled in linked specified courses in designated local schools. Final internships are assigned only to designated school districts where partnerships exist. Field experiences begin during the first semester of a student’s enrollment with increasing involvement throughout the program. Students are responsible for providing transportation to their field-experience sites.

Please be advised that program and/or course requirements are subject to change, per state legislative mandates, Florida State Department of Education program approval standards, and accreditation criteria.

• EXCEPTIONAL CHILD EDUCATION with ESOL and Reading Endorsement

The College of Education offers a full ESOL Endorsement for all Special Education major graduates. The special requirements for ESOL endorsement through infusion are as follows: Successful completion of (1) FLE 4317 and FLE 4316 with a minimum grade of 70% or better on part one and part two of the ESOL Comprehensive Exam administered in the two ESOL courses; (2) a 20-hour early ESOL field experience in FLE 4317; (3) a late ESOL field experience where students plan, implement, and evaluate lessons for one or more ESOL students over a 10 days; and (4) an ESOL binder, containing all ESOL-related assignments taken in the College of Education and an ESOL-performance Standards Checklist that documents the completion of the necessary number of standards.

The special education requirements for the Reading Endorsement through infusion are as follows: (1) completion of specialized courses with a grade of C or S; (2) completion of RED4511, RED4310, and LAE4314 with a grade of C; (3) a 60 hour field experience with a grade of S where students demonstrate application of all reading competencies, and (4) a Reading Endorsement binder containing the Demonstration of Accomplishment Documentation Form and supporting artifacts.

Prerequisites (State Mandated Common Prerequisites): These prerequisites must be met by transfer students as well as USF students. A grade of “C-” is the minimum acceptable grade.

• EDF X005 Introduction to the Teaching Profession (3)
• EDF X085* Teaching Diversity for Educators (3)
• EME X040 Introduction to Technology for Educators (3)

*In addition to EDF X085, a minimum of 6 semester hours with an international or diversity focus is required. Eligible courses will be determined by the community college or university where the student is currently earning the Associate in Arts or baccalaureate degree. Foreign language courses may be used to meet this requirement.

Completion of Foundations of Knowledge and Learning Core Curriculum requirements (General Education): Foundations of Knowledge and Learning Core Curriculum courses (General Education) will be determined by the Florida College System institution or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution’s existing catalog or in the Counseling Manual. (For USF, see “Academic Policies and Procedures - Foundations of Knowledge and Learning Core Curriculum Requirements” section of the catalog.)

Professional Education Core (31-32 credit hours):
The required courses in the professional education core are as follows:

Area of Specialization

Exceptional Student Education

Students seeking the B. S. degree with certification in Exceptional Student Education are required to take the following courses:
**Student Organizations and Activities**

**The Alliance of Health and Fitness Professionals (AHFP)**
The Alliance of Health and Fitness Professionals (AHFP) is an official USF student organization designed to provide exercise science majors with a variety of professional development and leadership experiences. Activities include preparing for certifications in the field, attending professional conferences, participating in volunteer community projects and programs, and coordinating many local educational and social events. Each year, the organization plans an annual awards banquet to recognize graduating seniors.

**Association of Physical Education College Students (APECS)**
The Association of Physical Education College Students (APECS) is open to all students enrolled in the K-12 Physical Education Program. Social and professional meetings are conducted throughout the year. Professional service to the community is also provided by the association.

**Kappa Delta Pi**
Kappa Delta Pi is an international co-educational honor society in Education. The society was founded to recognize and encourage excellence in scholarship, high personal standards, improvement in teacher preparation, and distinction in achievement. Undergraduate student applicants must have an overall grade point average of 3.0. Graduate students must have an overall grade point average of 3.5. For more information regarding Kappa Delta Pi please visit [www.kdp.org](http://www.kdp.org).

**National Education Association Student Program (NEASP)**
The National Education Association extends its usual member benefits to student teachers, providing opportunities for professional growth, leadership training, and also $1 million liability insurance coverage while interns are engaged in student teaching. Membership is open to all students ([http://www.nea.org/home/1676htm](http://www.nea.org/home/1676htm)).

**Student Council for Exceptional Children (SCEC)**
The Student Council for Exceptional Children (SCEC) is an organization opened to students from across the university interested in the education of children and young adults with exceptionalities and who wish to serve this population as they learn to appreciate the diversity present in our schools and society. Activities of the USF Chapter include a variety of service projects, as well as support of the COEDU Children’s Festival, Special Olympics, and field trips to various special education facilities, opportunities to hear prominent speakers, attend seminars, visit state and national conferences, and participate in social events. All interested students are invited to join.

**SunCoast Area Teacher Training (SCATT)**
The SunCoast Area Teacher Training (SCATT) Honors Program is an award-winning teacher training program designed to enhance the outstanding teacher preparation programs offered within the USF College of Education. Its mission is to enhance the teaching profession by establishing high performance expectations for all members and offering research-based learning experiences that support exceptional instruction and encourage reflective practice. To apply, please complete an application available in the SCATT Office, which is located on the second floor of the David C. Anchin Center in the COEDU building, visit our website at [http://scatt.coedu.usf.edu/](http://scatt.coedu.usf.edu/), or call (813) 974-2061 for additional information.

*Interim Chairperson:* A. Cranston-Gingras;  
*Professors:* W.E. Blank, J.A. Eison, W.B. James, W.H. Young;  
*Associate Professors:* D. Dellow, V. Hernandez-Gantes, J.B. Scaglione, W.R. Sullins;  
*Assistant Professor:* R. B. Closson;  
*Instructor:* D. Mulenga.
Childhood/Language Arts/Reading Education

Educational Measurement and Research
Chairperson: C.V. Hines; Professors: R. F. Dedrick; J. M. Ferron, C. V. Hines, J. D. Kromrey; Associate Professor: L. Rodriguez-Campos; Assistant Professor: Y. Chen; Visiting Assistant Professor: D. Vizcain.

Physical Education and Exercise Science
Director: S. Sanders; Professors: J. Eickhoff-Shemek, F. N. Faucette, S. Sanders, M. J. Stewart; Associate Professors: C. D. Ashley, M. Kilpatrick; Assistant Professors: B. Campbell, S. Haichun.

Psychological and Social Foundations

Secondary Education

Special Education
MISSION STATEMENT

The mission of the USF College of Engineering is to improve the quality of life in our community by:
• Providing a high quality education for our engineering students and practicing professionals
• Creating new knowledge and solving real world problems via innovative research
• Engaging in effective community service and outreach.

WHAT WE DO

At the undergraduate level the College is committed to provide students with a strong, broad-based, fundamental engineering education as preparation for careers in industry in a global environment, and government, or as preparation for advanced studies in professional schools of engineering, science, law, business and medicine.

At the graduate level students work in close collaboration with faculty, pursuing advanced topics within their disciplines, which will result in advancements in their fields and society at large.

Utilizing the expertise of its individual and collective faculty, the College is dedicated to the development of new fundamental knowledge and processes or procedures, which will benefit all humanity. The College promotes multi-disciplinary approaches, commitment to life-long learning and awareness of societal issues, which are requisite for meeting technological challenges.

The College provides technical assistance and technology transfer to the region, state and nation. In all facets of teaching, research and service, the College emphasizes close liaisons with industry and government to provide students and faculty with the skills and perspectives needed to ensure effective technological leadership.

**********

The engineering programs of the College (Chemical Engineering, Civil Engineering, Computer Engineering, Electrical Engineering, Industrial Engineering and Mechanical Engineering) are accredited by the Engineering Accreditation Commission of the Accreditation Board for Engineering and Technology, Inc. (ABET), 111 Market Place, Suite 1050, Baltimore, MD 21202-4012 - telephone: (410) 347-7700. has accredited the Engineering programs of the College. The Bachelor of Science program in Computer Science is accredited by the Computing Accreditation Commission (CAC of ABET).

DEPARTMENTS AND PROGRAMS

The College of Engineering offers undergraduate and graduate programs to prepare students for a broad spectrum of professional careers in engineering. Laboratory experience as well as real-world participation in technological problem solving is a key aspect of a professional engineer’s college education. The College of Engineering, in implementing this need, augments modern laboratory and research facilities in close collaboration with the professional societies and the many industries in the metropolitan Tampa Bay area. The College of Engineering offers undergraduate degrees in Chemical Engineering, Civil Engineering, Computer Engineering, Computer Science, Information Systems, Electrical Engineering, General Engineering, Industrial Engineering, and Mechanical Engineering. In addition, the College offers a minor in Biomedical Engineering and several certificate programs offering additional specialization expertise in a related or cross disciplinary area.

The engineering programs of the College have been developed with an emphasis on three broad aspects of engineering activity: design, research, and the operation of complex technological systems. Students who are interested in advanced design or research should pursue the 5-Year Program leading to a Master of Science degree in a designated Engineering discipline. The supervision of the academic programs is the function of the administrative departments together with several coordinators. Each department is responsible for specific professional programs, faculty, laboratories, and student advising.

The Departments and Programs section that follows contains descriptions of the engineering degrees offered by the College. The “Four Year Programs” section includes courses students need to take, beginning with the freshman year, to earn the Bachelor of Science degree. Students interested in particular programs offered by the College of Engineering should direct their inquiries to the College of Engineering Office of Student Services (see Advising section below). Information is also available on the College’s website: http://www.eng.usf.edu/.

ENGINEERING TODAY AND TOMORROW

The College of Engineering recognizes that modern engineering solutions draw on knowledge of several branches of engineering. It also recognizes that future technological and societal developments will lead to shifting of the relative emphasis on various branches of engineering, triggered by new needs or a reassessment of national goals. For this reason the College’s programs include a strong engineering foundation portion, designed to equip the graduating engineer with a broad base of fundamental technical knowledge and specialization course work in sufficient depth to embark upon a successful professional career.
The Bachelor of Science degrees offered in the various engineering disciplines provide the student a broad education with sufficient technical background to contribute effectively in many phases of engineering not requiring the depth of knowledge needed for advanced design or research. The baccalaureate degree is considered the minimum educational credential in the engineering profession. Students interested in design and in research are strongly encouraged to pursue advanced work beyond the baccalaureate at this or other institutions. Today’s engineering professionals value and participate in post baccalaureate study to obtain the information and training necessary to effectively meet tomorrow’s technological challenges. In order to keep abreast of evolving technologies continuing education is available through formal graduate study, seminars, special institutes, memberships in professional organizations and other structured educational opportunities.

Professional Registration

Students who have attained senior status, and are in good academic standing in an ABET accredited engineering program, are eligible to register for examinations leading to licensure as a professional engineer. The first examination, called the Fundamentals of Engineering (FE) Exam, is offered by the Florida Board of Professional Engineers and is usually taken the semester prior to graduation. In addition to the knowledge acquired through the engineering curriculum, many students take advantage of review courses offered in the College of Engineering to prepare for the Fundamentals of Engineering Examination. Registering for the FE exam during the senior year is strongly encouraged for students graduating with an engineering degree.

Cooperative Education Programs

A wide variety of industries and government agencies have established cooperative education programs for engineering students to provide them the opportunity to become familiar with the practical aspects of operations and careers. Students in the Career Center’s Cooperative Education (Co-op) program may alternate periods of paid employment in their major field with like periods of study, or may elect to participate in part-time employment while attending classes every semester. Students following the Co-op program usually encounter no problems in scheduling their program, since required Social Science and Humanities, Mathematics and Science, and Engineering Common courses are offered every semester. Students normally apply for participation in this program during their sophomore year and pursue actual Co-op employment during their junior and senior years. The senior year is generally pursued on a full-time study basis, since some specialization courses are not offered every semester.

Research Experiences for Undergraduate Students

The Research Experiences for Undergraduate Students program in the USF College of Engineering offers undergraduate students an opportunity to directly participate in state-of-the-art research efforts. Undergraduate students who are selected for this program work with professors and graduate students on a variety of exciting and interdisciplinary research projects. Graduate students and professors serve as research partners and mentors as undergraduate research assistants participate in the scientific process and gain insight regarding research ethics and professionalism.

Engineers Students in the University Honors College

Engineering students participating in the University Honors Program are able to complete their Engineering Bachelors degree in four years. Many enter the accelerated program in the fourth year to pursue the combined Bachelors and Masters programs in Engineering. Students who qualify for the Honors Program at USF should contact the Honors College or Engineering Student Services to learn about the benefits of this prestigious program.

Army, Air Force and Naval R.O.T.C. for Engineering Students

The academic and technological knowledge an engineering degree provides is a distinct advantage to individuals interested in a military appointment or career. This is especially true for those participating in one of the ROTC programs at USF.

Accelerated Programs Leading to the Bachelor and Master of Science Degrees in Engineering

Well qualified students who, at the beginning of their senior year, are clearly interested in graduate study are invited to pursue an accelerated program of study leading simultaneously to the Bachelor of Science and Master of Science in Engineering.

Preparation for Engineering

The high school student anticipating a career in engineering should present a strong academic record including four years of advanced high school mathematics and science including Chemistry and Physics. Prospective students who lack sufficient preparation in high school must elect to follow a program to overcome their deficiencies. Alternatives for these students,
classified “Pre-Engineering,” include preparatory coursework at the University of South Florida or other regionally accredited institutions of higher learning.

Student Laptop Computer Requirement

All students entering the College of Engineering are required to have a laptop computer that they can use in their Engineering classes and labs. The laptop computer must be capable of connecting to the Internet via wireless. The minimum computer requirements can be found on the College of Engineering website.

Undergraduate Admission to the College of Engineering

Students apply to the College of Engineering upon initial entry to USF by declaring Engineering as their intended major on their admissions application.

College of Engineering Admission Requirements for First Time in College Students

First time in college students meeting the criteria below are granted direct entry to the College. Those who do not are classified “Pre-Engineering.” Pre-Engineering students are fully admitted to the College after satisfactorily completing Calculus I and II and Physics I and II with labs. Additional requirements must be met prior to admission to specific degree programs.

a. Admitted to the University of South Florida as a degree seeking student;
b. Test Scores:
   SAT—combined score of 1150 minimum with a minimum quantitative of 550
   ACT—combined score of 25 minimum and mathematics of 25 minimum

c. High School Mathematics: Should include sufficient algebra and trigonometry to enter Engineering Calculus I

d. High School Grade Point Average of 3.0/4.0

College of Engineering Admission Requirements for Transfer Students

1. Transfer students must meet the following minimum requirements:
   a. Admitted to the University of South Florida as a degree seeking student
   b. Minimum GPA of 2.0 in each of the following categories: overall undergraduate GPA, math and science courses (best attempt), engineering courses; courses within the major.
   c. Must have earned the required grade in math, science and engineering courses in no more than three registered attempts. Grades of W, I, IF, U, R, M, and MF are considered attempts. Registration that is canceled for non-payment is considered an attempt.
   d. Completion of Calculus I and II and Physics I and II, Physics Laboratory I, Physics Laboratory II with minimum grades of C (C- is insufficient).

Transfer students who meet criteria a., b. and c. but not d. will be classified pre-engineering until criteria d. is met.
Transfer students who do not meet criteria a, b, or c will not be admitted to the College of Engineering.

2. Florida College System transfer students that have met the minimum criteria above and have completed the courses shown below with the minimum required grades as specified by the Academic Department are accepted directly into the College of Engineering and to the specific program.

*or CHS X440 if 4 credits with included laboratory

a. Computer Science

Transfer students into the Computer Science program from a Florida College System institution are not required to have MAP 2302 or the Chemistry course indicated above.
b. Information Systems
Transfer students into the Information Systems program from a Florida College System institution are not required to have MAP 2302 or Calculus III or the Chemistry course indicated above.

Transfer Credit
The USF College of Engineering will accept transfer credit from non-Florida Statewide Common Course Numbering System courses when appropriate if the transferred course has been passed with a grade of “C” or better and it is determined to be equivalent in both content and quality. In some cases credit for a course may be granted, but the hours accepted may be less than the hours earned at another school. In general, engineering and technology courses taken at technical schools, or as part of professional or military training, are not applicable to the degree programs of the College of Engineering. Transfer students should be prepared to submit detailed course syllabi from the previous institution if requested.

While credit work from other institutions may be granted subject to the conditions of the previous paragraph, at least 30 credit hours including a minimum number of semester hours of engineering coursework, specified by the degree-granting department, must be taken at USF to receive the baccalaureate degree.

Prospective transfer students may contact the College’s Office of Student Services (813/974-2684) to request an assessment.

Required Prerequisites for Entering Engineering Programs
Departmental admissions requirements vary by program. Students considering transferring to USF should familiarize themselves with the requirements for their intended department as early as possible. Students admitted to the University of South Florida and the College of Engineering must qualify for the program of their choice by successfully meeting the requirements below. Unless otherwise stated, the minimum acceptable grade in math and science prerequisites is a grade of C or higher (C- is insufficient). Minimum acceptable grades for math, science and engineering courses, as they pertain to specific degree programs are defined by the academic departments. Students are strongly encouraged to familiarize themselves with departmental guidelines.

Prior to being admitted to a department, a student may be permitted to take no more than two departmental engineering courses. Once admitted, individual departments may have continuation requirements which specify minimum performance standards in core engineering courses for the discipline which must be met before further registration in the Department is granted.

The Department of Chemical & Biomedical Engineering
Bachelor of Science in Chemical Engineering:
• Completion of
  MAC2311 or MAC2281, MAC2312 or MAC2282, MAC2313 or MAC 2283
  PHY2048, PHY2048L, PHY2049, PHY2049L
  CHM2045, CHM2045L
  with a minimum grade of C in each course.
• A minimum overall GPA of 2.0
• A minimum USF GPA of 2.0

The Department of Civil and Environmental Engineering
Bachelor of Science in Civil Engineering:
• Completion of
  MAC2311or MAC2281, MAC2312 or MAC2282, MAC2313 or MAC 2283
  PHY2048, PHY2048L, PHY2049, PHY2049L
  CHM2045, CHM2045L
  with a 2.3 GPA (based on best attempt) in these prerequisites
• A minimum overall GPA of 2.0
• A minimum USF GPA of 2.0

The Department of Computer Science and Engineering
Bachelor of Science in Computer Engineering and Bachelor of Science in Computer Science
Admission to the Department as a Pre-CSE student requires
• Completion of
  ENC1101, ENC1102
  MAC2311or MAC2281, MAC2312 or MAC2282
  PHY2048, PHY2048L, PHY2049, PHY2049L
  with a 3.0 GPA (based on best attempt in these courses) and a minimum grade of “C” in each course (grades of “C-” are insufficient).
• A minimum overall GPA of 2.0
• A minimum USF GPA of 2.0

Bachelor of Science in Information Systems

Admission to the Department as a Pre-CSE student requires
• Completion of
  ENC1101, ENC1102
  MAC2311, MAC2281 or MAC2241, MAC2312, MAC2282 or MAC2242
  PHY2048 and PHY2048 or PHY2053 and PHY2053L
  PHY2049 and PHY2049L or PHY2054 and PHY2054L
with a 3.0 GPA (based on best attempt in these courses) and a minimum grade of “C” in each course (“C-” is insufficient).
• A minimum overall GPA of 2.0
• A minimum USF GPA of 2.0

Admission to one of the three major degree tracks is granted by also meeting the following continuation requirements
• Completion of CDA3103 and COP3514 with a minimum grade of “B”, based on best attempts in each course (grades of “B-” are insufficient).
• A minimum overall GPA of 2.0
• A minimum USF GPA of 2.0

The Department of Electrical Engineering
Bachelor of Science in Electrical Engineering:
• Completion of
  MAC2311 or MAC2281, MAC2312 or MAC2282, MAC2313 or MAC 2283
  PHY2048, PHY2048L, PHY2049, PHY2049L
  CHM2045, CHM2045L
  with a minimum grade of C in each course and a 3.0 GPA based upon the best attempt in these courses.
• A minimum overall GPA of 2.0
• A minimum USF GPA of 2.0

The Department of Industrial and Management Systems Engineering
Bachelor of Science in Industrial Engineering:
• Completion of
  MAC2311 or MAC2281, MAC2312 or MAC2282 MAC2313 or MAC 2283
  PHY2048, PHY2048L, PHY2049, PHY2049L
  CHM2045, CHM2045L
  with a minimum grade of C in each course.
• A minimum overall GPA of 2.0
• A minimum USF GPA of 2.0

The Department of Mechanical Engineering
Bachelor of Science in Mechanical Engineering:
• Completion of
  MAC2311 or MAC2281, MAC2312 or MAC2282, MAC2313 or MAC 2283
  PHY2048, PHY2048L, PHY2049, PHY2049L
  CHM2045, CHM2045L
  with a minimum grade of C in each course and a 2.5 GPA based upon all attempts in these courses (grade forgiveness is honored in this calculation).
• A minimum overall GPA of 2.0
• A minimum USF GPA of 2.0

ACCELERATED PROGRAMS LEADING TO BACHELORS AND MASTERS DEGREES IN ENGINEERING
Well qualified students who, at the beginning of their senior year, are clearly interested in graduate study are invited to apply to the Accelerated Graduate Program leading simultaneously to the Bachelor of Science in Engineering and Master of Science in Engineering degrees. The general basis of the five-year program includes:
1. The opportunity of taking some graduate courses during the fourth year and deferring the taking of some senior courses to the fifth year.
2. Up to six credit hours, to be determined by program, may be counted toward both degrees in some degree programs.
Students apply for admission to this program through their departmental advisor. Admissions requirements vary by department.

Minimum application requirements:
- Senior standing (90 credits)
- At least 16 upper level engineering credits completed
- Meet or exceed the graduate program entrance requirements of the department.

Engineering Advising

Effective pursuit of engineering and engineering related studies requires careful attention to both the sequence and the type of courses taken. The engineering curriculum differs in key respects from the study plans of other majors even in the freshman year. Professional advisors in the College of Engineering provide individualized academic planning and guidance, New students must attend the University’s Orientation program. They will be introduced to the engineering advisors during this program and receive advisement for their first semester. The student and advisors jointly work out a plan of study that meets both the student's career objectives and the College of Engineering's degree requirements.

While the College provides advising services to assist students with academic planning, the responsibility for seeing that all performance standards and graduation requirements are met rests with the student.

Advising Office
Tampa Campus: TECO Energy Hall, Room 1302, (813) 974-2684.

Preliminary Coursework for Engineering Students

The College of Engineering Bachelor of Science programs are founded on a set of coursework that is designed to give each student a thorough foundation of knowledge on which specialization studies and a professional career can be based. Emphasis is placed on three key elements; development of communication skills, familiarity with the social sciences and humanities and a solid base in science and mathematics. Students selecting an Engineering major should be aware of specific requirements. Students may consult the College’s Advising Office for detailed information.

1. University Foundations of Knowledge and Learning Core Curriculum (FKL) Requirements

All students are required to take 42 semester hours to complete the University FKL requirements. Thirty-six (36) semester hours will satisfy the FKL core course requirements and 6 semester hours will satisfy the exit requirements. Students in the College of Engineering may take a second physical science course in place of the life science requirement. In addition, 12 hours considered Gordon Rule Communication (6A) courses must be completed. For Engineering students, these are ENC 1101, ENC 1102, ENC 3246, and one more. The fourth course is selected from any general education or departmental course that have been certified Gordon Rule Communication (6A) by the USF Undergraduate Council.

2. Mathematics and Science Core Requirements

For students in the engineering programs, the mathematics coursework consists of a Calculus for Engineers sequence (or a calculus sequence of equivalent level), Differential Equations, and additional hours of designated courses supportive of the student’s selected field of specialization, as specified by the department. Science coursework includes the Physics with Calculus sequence and General Chemistry course(s) depending on the degree-granting program. Students whose preparation is insufficient to enter the Calculus for Engineers are required to take supplementary algebra and trigonometry courses.

Grading Policies

1. S/U Grading Policy

Students pursuing College of Engineering degree programs are expected to take their courses on a graded basis. Please refer to the grading system in the Academic Policies and Procedures section of this catalog. S/U grading option must be requested during the first week of classes. Courses taken on an S/U basis are not applicable to the College’s degree programs. Exceptions require written approval of the department advisor prior to registration.

2. I Grade Policy

The criteria for requesting and time limit for completing a grade of “I” (incomplete) are detailed in the University’s Academic Policies and Procedures portion of this Catalog. A written agreement detailing the specific requirements and time limit for completion is required in some departments and recommended in all others.

Full tuition must be paid and an audit form must be submitted to the Registrar’s Office by the end of the first week of classes if a student wishes to attend the course again to review the material. If a student registers for the course but does not request to audit the course, a grade will be submitted for the subsequent registration and the I grade will be converted to an IF. In this case, the student may choose to apply grade forgiveness.
3. Minimum Acceptable Grade in Required Courses
The minimum acceptable grade in math and science prerequisites is a C (C- is insufficient). The minimum acceptable grade in engineering courses is determined by the academic department. Students are strongly encouraged to familiarize themselves with the math/science GPA required for admission to the intended engineering department as well as the minimum grade required in engineering courses. Grades higher than “C” may be indicated.

Minimum Performance and Graduation Requirements

1. Minimum Requirements
All undergraduate students with a student classification of engineering or pre-engineering and students who have been admitted to any academic department in the College of Engineering must maintain a minimum cumulative GPA of 2.0 in each of the following categories:
   a. Overall Undergraduate GPA
   b. USF GPA
   c. Math and Science courses (best attempt)
   d. Engineering Courses
   e. Courses within the major
In no case will the minimum GPA for a category be less than 2.0.
Students who do not meet the required minimum GPA in each category are ineligible for further registration in the College unless individually designed academic plans to correct their GPA deficiencies are recommended by their academic advisors. Approved plans must include a strategy to eliminate the deficiency in two semesters or less by meeting specific goals. Students who are afforded this opportunity will be closely monitored. Those who, for any reason, fail to meet the terms of their academic plans will be ineligible to declare or continue to declare a major, or intended major, in the College of Engineering and will be ineligible to register for courses that are restricted to engineering students. Engineering and pre-engineering students may request continuation with an academic plan only one time.

All undergraduate students with student classifications of engineering or pre-engineering and students who have been admitted to any academic department in the College must earn the required grade in math, science and engineering courses in no more than three registered attempts. Grades of W, I, IF, U, R, M, and MF are considered attempts. Registration that is canceled for non-payment is also considered an attempt. Those who, for any reason, fail to meet this requirement will be ineligible to declare or continue to declare a major, or intended major, in the College of Engineering and will be ineligible to register for courses that are restricted to engineering students.

Students who are ineligible for further registration in the College of Engineering will be provided with a wide range of services to assist them in selecting a new career path. Students who have been academically dismissed from the University of South Florida may choose to attend another institution of higher learning and reapply to USF after thus improving their overall GPA. These returning students will be considered for readmission to the College if they meet the minimum College of Engineering admission requirements for transfer students and the program entrance requirements for their intended major as published in the University of South Florida Undergraduate Catalog in effect during the term of return.

2. English Requirement
Students evidencing an English deficiency will be required to initiate the necessary corrective programs. It is recognized that such deficiencies can exist even though a student has met the University’s minimum English requirements. Correction of any deficiency must commence the term after a student has been notified and must be completed prior to recommendation of the student for graduation by the faculty of the College.

3. Mathematics Requirement
Students evidencing a lack of the ability to apply mathematics will be required to take remedial coursework beyond their regular degree requirements. Faculty of the College who encounter students deficient in mathematical ability will refer such cases to the Advising Office even if passing grades have been obtained in the math prerequisites for engineering.

4. Residency Requirement
Transfer students must complete a minimum number of approved specialization courses in the USF degree granting department. The minimum number of USF specialization credit hours required is established by the respective academic department. In no case will this be less than 18 hours for each bachelor’s degree. The University residency requirement of 30 USF hours for each bachelor’s degree must also be met. General engineering courses are not considered specialization courses.
A dual degree student must meet the requirements of each degree program and have a minimum of 18 approved specialization hours taken in the degree granting department beyond those specialization hours required for the first degree.

5. Years to Degree
The College of Engineering requires that a student complete the baccalaureate degree within five years after beginning engineering specialization courses. Specialization courses taken more than five years prior to graduation will not be counted toward the degree. Exceptions may be granted by the Academic Department.
6. Disruption of Academic Process and Academic Dishonesty
The College of Engineering will maintain an environment that encourages all to study and conduct engineering research free from undue disruption. Disruption of the Academic Process is a matter the College is obliged to report to Student Judicial Services. Academic dishonesty, in any form, is taken very seriously by the College of Engineering and will result in sanctions. The most serious penalty is dismissal from the University. (See University policies regarding academic dishonesty.)

7. Grievance Procedure
Students should make themselves fully aware of the University’s grievance procedures. (See University policies regarding grievance procedures.)

8. University, College and Program Requirements
The College requirements described in the section above are in addition to requirements set forth in the University policy and procedures section and the departmental sections of this catalog. It is the student’s responsibility to complete all university, college, program and curricular requirements prior to graduation.

9. Graduation Application Procedures and Deadlines
Each engineering student is required to complete an application for graduation and check list. Students should schedule an appointment with the Department Undergraduate Coordinator to review graduation qualifications and obtain departmental signatures well in advance of the College graduation application deadline. Approved applications must be submitted to the College of Engineering Advising Office the term prior to the semester in which graduation is sought. Graduation applications are due on the dates indicated below.

August 1st for Fall Graduation
November 1st for Spring Graduation
April 1st for Summer Graduation

The Departments may have earlier graduation application deadlines. The Department deadline takes precedence over the College deadline.

Certificate Programs
Several formalized engineering certificate programs, at the undergraduate and graduate levels, have been developed to provide qualified individuals an opportunity to enhance their degrees prior to graduation or to engage in discipline related continuing education.

Certificate in Biomedical Engineering
Biomedical Engineering is a highly interdisciplinary field where basic engineering principles are applied to problems in the biomedical sciences. Typical specific areas of interest include: understanding basic biochemical and physiological processes, designing and analyzing medical diagnostics and procedures, evaluation and design of health care systems and facilities, design and valuation of prosthetic devices, and general biomedical product development. The College of Engineering offers an undergraduate Enhancement Certificate in Biomedical Engineering. There are two main purposes for the certificate program 1) to accommodate students interested in entering medical school following graduation (this program satisfies most of the typical minimal admission standards for medical school); and 2) to prepare students for graduate education program, drawing from all engineering disciplines, biology, physical sciences, biomedical and clinical sciences. Undergraduate students anticipating graduate studies in the bioengineering area (or related fields such as medicine) are strongly encouraged to gain research experience as part of their program. Research possibilities exist in Engineering, the Health Sciences Center, Public Health, and Arts and Sciences.

The Certificate in Biomedical Engineering provides students an opportunity to get an introduction to a rapidly developing field of study and to receive recognition for their endeavors. Students in the program must fulfill all the requirements for an Engineering undergraduate degree, such as Bachelor of Science in Chemical Engineering and also meet the additional requirements of the Certificate program. Enrollment is through the Department of Chemical & Biomedical Engineering.

Certificate in Technology Management
A post baccalaureate student may enhance professional achievement by completing a Certificate in Technology Management. The required fifteen (15) semester hours in five (5) courses will enhance students’ ability to succeed in a highly competitive global environment. This certificate is designed for individuals with technical backgrounds. Qualitative approaches with quantitative methods are emphasized to strengthen technical credentials and while developing managerial competencies. This program is offered by the Department of Industrial and Management Systems Engineering on the Tampa Campus or online via APEX.
Certificate in Total Quality Management

An undergraduate student, or graduate engineer, may enhance professional achievement by receiving a Certificate in Total Quality Management. The student must satisfactorily complete five courses (15 credit-hours beyond the BS degree) of the eight courses in Total Quality Management. Courses include Statistical Quality Control, Design of Experiments, Reliability, Total Quality Management, and Benchmarking. Enrollment is through the Department of Industrial and Management Systems Engineering.

Certificate in Materials Science and Engineering

The Materials Science and Engineering certificate requires 15 credit hours of theoretical and applied materials courses. The Materials Science and Engineering Certificate is designed to provide students with an opportunity to gain a focused introduction into a dynamic and explosively growing technological field. The certificate has been designed to be as flexible as possible thus allowing students from different disciplines to take advantage of the program. Enrollment is through the Department of Chemical & Biomedical Engineering.

Certificate of Wireless Engineering

This Certificate provides post-baccalaureate students with studies in engineering techniques of modern wireless circuits, antennas, and communication systems. Students must have successfully completed an undergraduate course in Electromagnetics. The candidate should also have an earned B.S. in Electrical Engineering or Computer Engineering. Any other degree track must meet the Electrical Engineering department’s approval.

Certificate of Enhancement

The Certificate of Enhancement in (a designated engineering discipline) provides students an opportunity to gain an enhanced experience in their chosen field while pursuing an engineering degree. Each department may offer a certificate of enhancement in the designated discipline. These include the Certificates of Enhancement in Chemical Engineering, Civil & Environmental Engineering, Computer Science, Computer Engineering, Electrical Engineering, Industrial and Management Systems Engineering, Information Systems and Mechanical Engineering. In addition, there are two specialized Certificates of Enhancement in Transportation Engineering and Wireless Engineering.

Requirements:
1. Enrolled in a Bachelor of Science degree program in a specified engineering discipline.
2. A minimum of 15 hours of additional specialization related courses, which have been approved by the department beyond those included as a part of the B.S. degree, from an approved list. Courses must be taken on a letter-grade basis, and a minimum of 9 hours must be College of Engineering courses.
3. A G.P.A. of 2.0 or greater for the additional hours.
4. The student must receive the B.S. degree to receive the Certificate of Enhancement.

Please direct inquiries to the Director of Advising. (813)974-4937.

• CHEMICAL & BIOMEDICAL ENGINEERING

Undergraduate Degree Offered:
Bachelor of Science in Chemical Engineering (B.S.C.H.)

Graduate Degrees Offered:
Master of Science in Chemical Engineering (M.S.C.H.)
Master in Chemical Engineering (M.C.H.E.)
Master of Engineering (M.E.)
Master of Science in Engineering (M.S.E.)
Master of Science in Biomedical Engineering (M.S.B.E.)
Doctor of Philosophy in Chemical Engineering (Ph.D.)
Doctor of Philosophy in Engineering Science (Ph.D.)
Doctor of Philosophy in Biomedical Engineering (Ph.D.)

This department offers coursework and study in all areas fundamental to Chemical & Biomedical Engineering. Engineering specialization courses, together with mathematics, physics, chemistry, other interdisciplinary engineering fundamentals, and liberal arts courses, provide the basis for long-range professional progress. Because of the many professional areas available for employment to the chemical engineer, the students are also required to take a number of electives from areas such as biotechnology, materials, and environmental engineering. These electives are designed to broaden the experience and, therefore, the employment possibilities of our graduates. The Chemical & Biomedical Engineering Department also offers a sequence of courses in chemical engineering science, biotechnology and biomedical engineering.

A sequence of courses in the engineering aspects of biotechnology is currently available within the Chemical Engineering program. Topics include applied microbiology, fermentation, enzyme technology, cell separation technology, biomedical
Students pursuing the Bachelor of Science in Chemical Engineering take coursework in advanced chemistry, thermodynamics, fluids, heat, and mass transfer, numerical methods, separation processes, reacting systems, instrumentation, control, and plant design. Students must also satisfactorily complete a design project as part of their program. Students seeking the Biotechnology/Biomedical Certificate are also required to take additional courses in general biology, microbiology, and biochemistry. Chemical and Biomedical engineering students must maintain a GPA of 2.0 in required departmental courses. Therefore, it is imperative that the students retain close contact with their advisor.

Students completing this program normally initiate their careers in manufacturing, environmental, and biological enterprises. Chemical engineers are found in administrative, technical, and research positions in these industries. Main products of these industries are petrochemicals, polymers, fibers, natural and synthetic fuels, electronic materials, fertilizers, pharmaceuticals, bio-materials, etc.

Solutions of modern societal and scientific problems often require the use of chemical engineering skills. Chemical and biomedical engineering students must have access to a personal computer during their last two years of study. Those who do not own one will be severely disadvantaged.

Mission Statement

The mission of the Department of Chemical & Biomedical Engineering is to prepare graduates with fundamental knowledge and contemporary skills for the development, economic design, and safe operation of chemical and biological systems, processes, products, and methods in a manner compatible with societal values.

Program Education Objectives

1. Demonstrate professional engineering competence by holding positions of increasing responsibility in industry, business, government and/or educational institutions.
2. Publish papers, reports, patents and/or technical presentations at local, national, international meetings or within the professional organization/company that they are affiliated with.
3. Continue to improve their technical skills, knowledge and understanding through continuing education, pursuit of advanced degrees, and/or pursuit of professional license in their chosen profession.

Departmental Policies

In addition to the College’s graduation requirements, the department has the following policies:

1. Mandatory academic advising of students for each term.
2. Exit interviews as a graduation requirement.
3. Many courses required for the BS degree in Chemical Engineering have other pre-requisite courses. Pre-requisite courses must be completed with a C- or better before the student is allowed to take a course. This applies to pre-requisite courses taken in other departments as well. The only exceptions are the Admissions Requirements courses listed below, which must be passed with a grade of C or better.

Four-Year Curriculum - Chemical Engineering

Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution: If a student wishes to transfer without an A.A. degree and has fewer than 60 semester hours of acceptable credit, the student must meet the University’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

Students should complete the following prerequisite courses listed below at the lower level prior to entering the University. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

Students qualify for direct entry to their intended department if they have completed the following courses at a Florida College System institution or University in the Florida State University System (SUS) and meet all other admissions requirements of the University and College.

Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. The following are transferable courses from the Florida College System Institution that will be accepted in the Math/Science/Engineering areas:

**Mathematics:**

PHY 2048/PHY 2048L
PHY 2049/PHY 2049L

Courses at a Florida College System Institution
CHM X045/L or CHM X045C or CHS X440/CHM 045L (4)
CHM X046/L or CHM 046C
PHY X048C or PHY X043/X048L (4)
PHY X049C or PHY X044/L/PHY X049L (4)

Chemical & Biomedical Engineering Admissions Requirements

Students must have completed the equivalent USF Engineering Calculus General Physics and Chemistry courses with a C or better in each course; must have a USF and an overall GPA of 2.0 or better.

Chemical Engineering (ECH), BSCH, 131

The curricula and courses presented below are a guide for remaining on track towards the bachelor's degree. Please note that alternative courses exist for many of the courses and that this is not an official degree plan. It is an advising tool and students should consult with an advisor in their major to ensure that all degree requirements are met.

Fall Semester - Year 1
CHM 2045 General Chemistry I 3
CHM 2045L General Chemistry I Laboratory 1
EGN 3000 Foundations of Engineering 1
ENC 1101 Composition I 3

XXX XXXX Social and Behavioral Sciences Elective 3
Total 11

Fall Semester - Year 3
ECH 4123 Chemical Engineering Thermodynamics 3
### Biomedical Engineering Minor

This biomedical engineering minor is a 15 credit hour program that is open to all engineering majors and other students that meet the prerequisites listed below. For engineering majors, at least 9 hours beyond the B.S. in any Engineering discipline must be completed for the biomedical engineering minor. Student must register with the Department of Chemical & Biomedical Engineering undergraduate advisor prior to starting this minor program. Departments within the College of Engineering are currently developing additional courses that will be added to the list of courses that can be applied to this minor, so consultation with the advisor will insure that students are informed of all offered courses.

#### Prerequisite courses:
1. Biology I:  BSC 2010
2. Calculus II:  MAC 2282, MAC 2242, MAC 2233 or MAC 2312
3. Physics II:  PHY 2049 or PHY 2054
4. General Chemistry II:  CHM 2046

#### Required Courses (6 hours)
- ECH 4931 Special Topics in Chemical Engineering* 3
- BME 4406 Engineering of Biological Systems 3

#### The remaining 9 credit hours can be taken from the following list:
- ECH 6417 Bioseparations 3
- ECH 4931 Special Topics in Chemical Engineering** 3
- PHZ 4702 Applications of Physics to Biology & Medicine I 4
- PHZ 4703 Applications of Physics to Biology & Medicine II 4
- BCH 3023 Introductory Biochemistry 3
**Please see academic advisor for required special topics courses.**

**Please see academic advisor for selected special topics courses.**

### CIVIL AND ENVIRONMENTAL ENGINEERING

**Undergraduate Degree Offered:**
- Bachelor of Science in Civil Engineering (B.S.C.E.)

**Graduate Degrees Offered:**
- Master of Science in Civil Engineering (M.S.C.E.)
- Master of Science in Environmental Engineering (M.S.E.V.)
- Master of Civil Engineering (M.C.E.)
- Master of Environmental Engineering (M.E.V.E.)
- Doctor of Philosophy in Civil Engineering (Ph.D.)
- Doctor of Philosophy in Engineering Science (Ph.D.)

This department offers course work and study pertinent to Civil Engineering, Engineering Mechanics, Material Science, and Environmental Engineering. Areas of concentration are Environmental/Water Resources Engineering; Structures/Materials/Geotechnical Engineering; and Geotechnical/Transportation Engineering.

Students completing the program may enter the profession as engineers in civil, structural, geotechnical, transportation, water resources, environmental, hydraulics, or materials disciplines. All of these disciplines share the need for knowledge in the areas of engineering mechanics, civil engineering, material science, and environmental engineering. Through choice of the proper area of concentration, a student has the opportunity to channel academic studies specifically towards his/her career choice.

Graduates of the program may commence their engineering careers in either industry, engineering consulting firms, or public service at the federal, state, or local level. Initial assignments may include planning, design and implementation of water resources systems; planning and design of transportation and housing systems; regional planning, design, and management for abatement of air, water and solid waste pollution problems; design of bridges and single and multistory structures; and supervision of construction projects.

**Mission Statement**

The Civil Engineering Program of the Department of Civil and Environmental Engineering at the University of South Florida will provide undergraduate students with strong, broad-based, engineering education which gives them the basic intellectual and organization skills that allow them to work with complex systems with technological, social and environmental components. As many of the Program’s graduates begin work upon graduation in industry or with governmental organizations, the curriculum is designed to prepare students for these roles by requiring a number of courses in the various fields of civil engineering and by providing limited specialization in one given area. The curriculum is designed to encourage lifelong learning and to prepare students for undertaking advanced studies in engineering or in other professional areas.

**Program Educational Objectives Associated with the Mission Statement**

The program and curriculum of the Department of Civil and Environmental Engineering are designed to meet the needs of all students within the context of its Mission Statement. The Program Educational Objectives associated with the Department’s Mission Statement are:

1. The Civil Engineering Program at the University of South Florida has as a program educational objective that graduates, within 3-6 years after graduation, can obtain positions in civil engineering firms or government agencies where they
   - deal effectively with clients, the public, or other engineering groups,
   - communicate effectively with co-workers and the public, and
   - are effective members of teams involved in the design and/or construction of civil engineering projects.

2. The Civil Engineering Program at the University of South Florida has as a program educational objective that graduates, within 3-6 years after graduation, are continuing their professional development by extending their professional knowledge through independent learning, continuing educational courses, conferences, workshops, short courses, and/or graduate study.

3. The Civil Engineering Program at the University of South Florida has as a program educational objective that graduates, within 3-6 years after graduation, that are working in engineering related public or private organizations encouraging professional registration will have made appropriate progress towards achieving that registration.
Concentrations
In addition to designated common coursework in engineering mechanics, civil, and environmental engineering, students undertake a concentration of 15 hours of coursework plus a 3-hour capstone design course and a 1 hour Professional and Ethical Issues in Engineering.

Departmental Policies
In addition to the College’s graduation requirements, the Department has the following policies:
All students must:
1. Participate in mandatory advising prior to each term;
2. Participate in Department assessment activities and successfully complete an exit interview before graduating;
3. Maintain a C- or better in EGN 3311 Statics; EGN 3331 Mechanics of Materials; EGN 3353 Basic Fluid Mechanics; and EGN 3365 Materials Engineering to continue in the program, including a 2.5 GPA (best attempt) in all these courses;
4. Earn a C- or better in all engineering courses used to meet graduation requirements;
5. Consider the advice of the college to complete and pass the Fundamentals of Engineering Exam (F.E. Exam).
6. Periodically provide writing samples as part of the Department’s writing assessment program.

Four-Year Curriculum - Civil Engineering

Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution
If a student wishes to transfer without an A.A. degree and has fewer than 60 semester hours of acceptable credit, the student must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

Students should complete the prerequisite courses listed below at the lower level prior to entering the University. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

Students qualify for direct entry to their intended department if they have completed the following courses at a Florida College System institution or University in the Florida State University System (SUS) and meet all of the other admissions requirements of the University and College.

Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. The following are transferable courses from a Florida College System institution that will be accepted in the Math/Science/Engineering areas:

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university, as well as the qualitative standards required.

Civil and Environmental Engineering Admissions Requirements
Students entering the Civil & Environmental Engineering department must have completed the equivalent USF Engineering Calculus sequence, one year equivalent USF General Physics and one semester equivalent USF General Chemistry with a minimum of 2.3 GPA; and must have an overall and USF GPA of 2.0 or better.

Continuation Requirements
Continuation in the Civil & Environmental Engineering program requires a minimum grade of C- as well as a 2.5 GPA (based on best attempt) over the following courses:

- EGN 3311 - Statics
- EGN 3331 - Mechanics of Materials
- EGN 3353 - Basic Fluid Mechanics
- EGN 3365 - Materials
Civil Engineering (ECE), BSCE, 131

The curricula and courses presented below are a guide for remaining on track towards the bachelor’s degree. Please note that alternative courses exist for many of the courses and that this is not an official degree plan. It is an advising tool and students should consult with an advisor in their major to ensure that all degree requirements are met.

TOTAL CREDIT HOURS TO DEGREE 131

Gordon Rule (6A) is fully met through the mathematics courses above, ENC1101, ENC1102, ENC 3246 and by selecting one technical or general education elective that is an approved 6A communication course or by completing an AA degree at a Florida College System institution.

Foundations of Learning and Knowledge Core Curriculum: The math and science courses required for this major fully meet the math and science requirements of the FLK core curriculum. Students in the College of Engineering are exempt from the “Life Science” requirement.

The writing intensive and capstone design exit requirements are fully met through ENC3246 and a Capstone Design Course.

Civil Engineering Concentration AND CAPSTONE DESIGN Requirements

Civil Engineering students take one of the 3 tracks next listed:

Structures/Materials/Geotechnical Track
CES 4702 Concepts of Concrete Design 3
CES 4605 Concepts of Steel Design 3
CGN 4851 Concrete Construction Materials 3
CEG 4012 Geotechnical Engineering II
or
TTE 4005 Transportation Engineering II 3
XXXXXXX Technical Elective 3
CES 4750 Capstone Structures/Materials/Geotechnical Design 3

Geotechnical/Transportation Track
CGN 4851 Concrete Construction Materials 3
CEG 4012 Geotechnical Engineering II 3
TTE 4005 Transportation Engineering II 3
XXXXXXX Technical Elective 3
XXXXXXX Technical Elective 3
CEG 4850 Capstone Geotechnical/Transportation Design 3

Environmental/Water Resources Track
ENV 4417 Water Quality and Treatment 3
CWR 4540 Water Resources Engineering I 3
CEG 4012 Geotechnical Engineering II
or
TTE 4005 Transportation Engineering II 3
XXXXXXX Technical Elective 3
XXXXXXX Technical Elective 3
CWR 4812 Capstone Water Resources/Environmental Design 3

The Program supports the following technical elective courses:

CCE 4031 Construction Management 3
CEG 4012 Geotechnical Engineering II 3
CES 4605 Concepts of Steel Design 3
CES 4702 Concepts of Concrete Design 3
CGN 4851 Concrete Construction Materials 3
CGN 4933 Special Topics in Civil & Environmental Engineering ** 3
CWR 4540 Water Resources Engineering I 3
ENV 4417 Water Quality and Treatment 3
SUR 2101 Engineering Land Survey 3
TTE 4005 Transportation Engineering II 3
TTE 4003 Transportation and Society 3

**Please see academic advisor for selected special topics courses.

• COMPUTER SCIENCE AND ENGINEERING

Undergraduate Degrees Offered:
Bachelor of Science in Computer Science (B.S.C.S)
Bachelor of Science in Computer Engineering (B.S.Cp.E.)
Bachelor of Science in Information Systems (B.S.I.S)

Graduate Degrees Offered:
Master of Science in Computer Science (M.S.C.S)
Master of Science in Computer Engineering (M.S.Cp.E.)
Doctor of Philosophy in Computer Science and Engineering (Ph.D.)

This Department offers coursework and study in all areas fundamental to Computer Science, Computer Engineering, and Information Systems. Three undergraduate degree programs are offered within the Department, which lead to the Bachelor of Science in Computer Science, in Computer Engineering, and in Information Systems. The Computer Science program focuses on the design, development, and application of software systems and on the theory of computation. Additional course work in algorithms, discrete structures, object oriented design, data structures, operating systems, digital logic design, computer architecture, and a wide range of advanced electives extend and supplement the core. The Computer Engineering program emphasizes the application of engineering principles to the design of computer hardware and software and devotes additional time to issues of computer architecture and advanced topics in hardware design, including extensive laboratory work. Students in this program also acquire a broad background in engineering topics through related coursework in the College. The Information Systems program combines a basic coverage of software with a core of business related courses and additional course work in areas such as networks and databases. The emphasis in this program is on the application of computing.

Graduates from the Department follow rewarding careers in software and hardware development in industry and in government agencies. In addition to providing the credentials necessary for a professional career, the undergraduate curriculum prepares students for graduate education towards an M.S. or Ph.D. within the Department or at other universities. The Department faculty members are very committed to including undergraduate students in research through the Research Experience for Undergraduates (REU) program.

The Department offers a five year B.S./M.S. program where highly motivated students can complete both a B.S. and M.S. degree in five years. The five year program allows students to take graduate courses in their senior year that count towards both their B.S. and M.S. degrees. The Department also offers a minor in Computer Science, which provides a solid core of computing skills for students from other majors. The minor comprises 18 to 21 hours of course work within the Departmental core courses and advanced electives. The minor is intended for students who are interested in learning the fundamentals of Computer Science to enhance their major. The minor will also be of interest to those students intending to pursue a graduate degree where computing is essential background knowledge.

Mission Statement
In keeping with the mission of the College of Engineering, the Department of Computer Science and Engineering strives for excellence in teaching, research, and public service. Specifically, the Department aspires to:
1. Lead the advancement of computer science through internationally recognized research and graduate education, as well as technology transfer to regional industries.
2. Prepare students for full and ethical participation in a diverse society and encourage lifelong learning.
3. Educate students in the best practices of the field as well as integrate the latest research into the curriculum.
4. Foster the development of problem solving and communication skills as an integral component of the profession.
5. Provide quality learning experiences through small classes, active learning styles of teaching, and opportunities for meaningful interactions between students and faculty.

Objectives
The Department of Computer Science and Engineering has established the following objectives for graduates of the Department. Since the Department offers three degree programs, the objectives are defined for each program.

Computer Science Program Educational Objectives
1. Our graduates will apply their knowledge and skills to succeed in a computer science career and/or obtain an advanced degree.
2. Our graduates will function ethically and responsibly and will remain informed and involved as full participants in our profession and our society. Our graduates will successfully function in multi-disciplinary teams.
3. Our graduates will apply the basic principles and practices of computing grounded in mathematics and science to successfully complete software related engineering projects to meet customer business objectives and/or productively engage in research.
4. Our graduates will apply the basic computing principles and the knowledge of major areas of application of those fundamentals to the benefit of society.

Computer Engineering Program Educational Objectives
1. Our graduates will apply their knowledge and skills to succeed in a computer engineering career and/or obtain an advanced degree.
2. Our graduates will function ethically and responsibly and will remain informed and involved as full participants in our profession and our society. Our graduates will successfully function in multi-disciplinary teams.
3. Our graduates will apply the basic principles and practices of computing grounded in mathematics and science to successfully complete hardware and/or software related engineering projects to meet customer business objectives and/or productively engage in research.
4. Our graduates will apply the basic principles and practices of engineering in the computing domain to the benefit of society.

Computer Information Systems Program Educational Objectives
1. Our graduates will apply their knowledge and skills to succeed in an information systems career.
2. Our graduates will function ethically and responsibly and will remain informed and involved as full participants in our profession and our society. Our graduates will successfully function in multi-disciplinary teams.
3. Our graduates will apply the basic principles and practices of computing grounded in mathematics, science and business to successfully complete projects and perform services related to information systems to meet customer business objectives.
4. Our graduates will apply the basic computing principles and the knowledge of major areas of application of those fundamentals to the benefit of society.

Departmental Policies
In addition to the College’s graduation requirements, the Department has the following policies:
1. Mandatory academic advising and/or mentoring of students.
2. Exit interview as a graduation requirement.
3. In addition to the College’s graduation requirements, the Department policy concerning grades is:
   a. The minimum grade in specialization courses is a “C-”, except as stated in Department admission requirements.
   b. The minimum grade in math, science, and engineering courses which are required for the degree is a “C-”, except as stated in Department admission requirements.

Four-Year Curriculum in Computer Science

Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution: If a student wishes to transfer without an A.A. degree and has fewer than 60 semester hours of acceptable credit, the student must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

Students should complete the following prerequisite courses listed below at the lower level prior to entering the University. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted.
Unless stated otherwise, a grade of “C” is the minimum acceptable grade (“C-” is insufficient). Students qualify for direct entry to the Department if they have completed the following courses at a Florida College System institution or University in the Florida State University System (SUS) and meet all other admissions requirements of the University and College.

Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university.

**Two (2) science courses for science majors.

Please be aware of the immunization, foreign language, continuous enrollment policies of the university, and qualitative standards required.

Computer Science Admissions Requirements

All students must complete the equivalent of USF Composition I & II, Engineering Calculus I & II and Calculus-based General Physics I & II (with labs) with an overall grade point average of 3.00 or higher in these courses (best attempt) to be admitted to the Department of Computer Science and Engineering. Continuation in the major requires successful completion of CDA 3103 and COP 3514 with the required GPA as stated in the Computer Science and Engineering prerequisite statement in the College of Engineering general section.

Computer Science (BCS), BSCS, 120

The curricula and courses presented below are a guide for remaining on track towards the bachelor’s degree. Please note that alternative courses exist for many of the courses and that this is not an official degree plan. TOTAL CREDIT HOURS TO DEGREE 120

Gordon Rule (6A) is fully met through the mathematics courses above, ENC1101, ENC1102, ENC3246 and CIS4250 or by completing an A.A. degree at a Florida College System institution. The writing intensive and capstone design exit requirements are fully met through ENC3246 and CIS4250.
Foundations of Learning and Knowledge Core Curriculum: The math and science courses required for this major fully meet the math and science requirements of the FLK core curriculum. Students in the College of Engineering may substitute a second “Physical Science” course for the required “Life Science” course.

Computer Science Minor

This Computer Science minor is an 18 credit hour program that is open to all students, except for Department majors, that meet the prerequisites listed below. The Computer Science minor is expected to be very attractive to students in other Engineering departments, and to students in Mathematics and the Sciences (including Physics, Chemistry, and Biology). Students must register with the Department of Computer Science and Engineering undergraduate advisor prior to starting this minor program. Consultation with the Department undergraduate advisor will insure that students are informed of all offered courses. All catalog prerequisites and registration requirements must be met for enrollment in any of the courses required for the minor. All students desiring to pursue the minor must meet the same entry and continuation requirements as a Departmental major

Prerequisite courses:
1. Calculus I and II (MAC 2281 and MAC 2282 are recommended)
2. Physics I and II with lab (PHY 2048/2048L and PHY 2049/2049L are recommended)
3. Programming Concepts COP 2510 or other approved introductory programming course

Required Courses (12 hours)

- COP 3514 Program Design 3
- CDA 3103 Computer Organization 3
- COP 3331 Object Oriented Design 3
- COP 4530 Data Structures 3

The remaining six credit hours can be taken from electives offered by the Department. Specialty tracks in hardware, software, theory, and many other areas can be defined in consultation with the Department undergraduate advisor. A specific pre-graduate school track (requiring a total of 21 hours) intended for students planning to seek admission into the Department graduate program has been defined as follows:

- COT 4400 Analysis of Algorithms 3
- COP 4600 Operating Systems 3
- CDA 4205 Computer Architecture 3

Successful completion of the minor requires a minimum 2.0 GPA in the above listed courses.

• ELECTRICAL ENGINEERING

Undergraduate Degree Offered:
Bachelor of Science in Electrical Engineering (B.S.E.E.)

Graduate Degrees Offered:
Master of Science in Electrical Engineering (M.S.E.E.)
Master of Engineering (M.E.)
Master of Science in Engineering (M.S.E.)
Master of Science in Engineering Science (M.S.E.S)
Doctor of Philosophy in Electrical Engineering (Ph.D.)
Doctor of Philosophy in Engineering Science (Ph.D.)

This department offers study in all areas fundamental to Electrical Engineering and the electrical sciences: circuit analysis and design, electronics, communications, electromagnetics, controls, solid state, system analysis, digital circuit design and microelectromechanical systems (MEMS). Basic concepts are augmented with well-equipped laboratories in circuits, electronics, digital systems, microwave techniques, wireless circuits & systems, and controls and communications. In addition, a general-purpose computer facility, a microprocessor and digital signal processing laboratory, and a microelectronics fabrication, design/test and metrology laboratory are available to undergraduate and graduate students.

Mission Statement
The mission of the Electrical Engineering Department at the University of South Florida is to provide internationally recognized educational programs; to conduct and disseminate internationally recognized research benefiting humanity; to provide service to society; and to emphasize the need for lifelong learning, ethical conduct and an understanding of the diverse social context in which engineering is practiced.
Objectives
The Department objectives are to produce graduates
1. with the knowledge and skills necessary to practice Electrical Engineering successfully.
2. who can pursue advanced topics through graduate or professional studies.

Students pursuing the Bachelor of Science in the Electrical Engineering program take designated coursework in network analysis, electronics, communications, electromagnetic theory, control systems, microelectronics and microprocessors. This coursework is supplemented by electives in many specialized areas of electrical engineering.

Students completing this program normally pursue industrial careers in electronics, communications, power and controls, digital systems, microelectronics, and information systems. The electrical graduate may apply his/her knowledge to such diverse areas as wireless and satellite communications, remote guidance, MEMS, sensing technology, systems integration, automation, computer and information systems, electronic power generation and transmission, electrically propelled transportation, etc. The graduate may do this by performing needed engineering functions related to research and development (often requires an advanced degree), design, production, operation, sales, or management of these products/services.

Departmental Policies
In addition to the College’s graduation requirement, the department has the following policies:
1. Mandatory academic advising of students for each term.
2. Exit interviews as a graduation requirement.
3. Students must pass all required BSEE courses, except EGN 3373 and EGN 3374, humanities and social sciences, with a grade of “C” or better. EGN 3373 and EGN 3374 must be passed with a grade of B or better to continue in the program while a D is acceptable in humanities and social sciences.

The Electrical Engineering Honors Program:

I. Admissions Criteria:
   a. Junior status – An invitation to apply will be sent to eligible students at the start of their junior year by the Department of Electrical Engineering and application can be made at that time with decisions made at the end of the first semester, junior year;
   b. Completion of the core courses required for the Electrical Engineering major with a GPA of at least 3.5 through the completion of the first semester, junior year;
   c. An overall GPA of at least 3.5 through the completion of the first semester, junior year.
   d. Recommendation of a committee consisting of Electrical Engineering faculty members and engineering leaders from industry, based upon an application, letters of recommendation, statement of interest, and an interview.

II. Requirements for Completion of Departmental Honors:
   a. Completion of requirements for a major in Electrical Engineering with a GPA of at least 3.5 for core courses and an overall GPA of at least 3.5;
   b. Selection of two (2) Technical Electives in conjunction with a program advisor. One of the courses should be a 4000 level Sustainable Engineering/Green Engineering course and the other should be a course at the 5000/6000 level;
   c. Nine (9) additional credits (the EE Honors courses) beyond the degree requirements, which include a 4000 level Leadership Forum, 4000 level Internship/Study Abroad/ Enrichment Experience, and 5000 level Honors Thesis. These courses are described in the sequel.

III. Continuation Requirements:
   a. Electrical Engineering Leadership Honors Program students failing to complete the EE Honors courses with a grade of “B” or better will not be eligible to continue in the program and will be notified by the Department of Electrical Engineering of their dismissal from the program.
   b. Electrical Engineering Leadership Honors Program students must complete and defend their Honors thesis in the second semester of their senior year. Students who do not complete this requirement may, upon the recommendation of their Honors thesis supervisor and the Department of Electrical Engineering, be allowed to continue in the program until the final semester prior to their graduation. Under no circumstances shall the extension be for more than one academic year.

Four-Year Curriculum in Electrical Engineering

Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution: If a student wishes to transfer without an A.A. degree and has fewer than 60 semester hours of acceptable credit, the student must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

Students should complete the following prerequisite courses listed below at the lower level prior to entering the University. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted.
Students qualify for direct entry to the department if they have completed the following courses at a Florida College System institution or University in the Florida State University System (SUS) and meet all other admissions requirements of the University and College.

Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university.

</tr>
</tbody>
</table>

Please be aware of the immunization, foreign language, continuous enrollment policies of the university, and qualitative standards required.

**Electrical Engineering Admissions Requirements**

Admission to the EE Department requires completion of Engineering Calculus I, II & III; General Physics I & II (with labs); and Chemistry I (with lab) with a 3.00 overall grade point average in these courses (best attempt) and a minimum grade of "C" in each course. Continuation in the major requires successful completion of EGN 3373, EGN 3374, and Differential Equations with grades of B or higher (best attempt).

**Electrical Engineering (EEL), BSEE, 128**

The curricula and courses presented below are a guide for remaining on track towards the bachelor's degree. Please note that alternative courses exist for many of the courses and that this is not an official degree plan. It is an advising tool and students should consult with an advisor in their major to ensure that all degree requirements are met.

Gordon Rule (6A) is fully met through the mathematics courses above, ENC 1101, ENC 1102, ENC 3246 and by selecting one technical or general education elective that is an approved 6A communication course or by completing an AA degree at a Florida College System institution.

Foundations of Learning and Knowledge Core Curriculum: The math and science courses required for this major fully meet the math and science requirements of the FLK core curriculum. Students in the College of Engineering are exempt from the “Life Science” requirement.

The writing intensive and capstone design requirements are fully met through ENC 3246 and EEL4914.

Departmental Policy: For EE majors a minimum grade of B is required for EGN 3373, EGN 3374 and Differential Equations.
INDUSTRIAL AND MANAGEMENT SYSTEMS ENGINEERING

Undergraduate Degree Offered:
Bachelor of Science in Industrial Engineering (B.S.I.E.)

Graduate Degrees Offered:
Master of Science in Industrial Engineering (M.S.I.E.)
Master of Science in Engineering Management (M.S.E.M)
Master of Industrial Engineering (M.I.E.)
Doctor of Philosophy in Industrial Engineering (Ph.D.)

This department offers study pertinent to the design, evaluation and operation of a variety of industrial systems, ranging from the analysis of public systems to the operation of manufacturing plants. Topics include production planning and control, production and plant design, applied statistics, operations research, human factors and productivity, manufacturing, and automation. The department has excellent laboratory facilities that support class projects and research in microcomputer applications, computer-aided manufacturing, human performance, automation, and applications of robotics. The Accelerated Graduate Program (formerly called the 5 year program) in Engineering Management allows qualified students in any participating Engineering major to simultaneously enroll in graduate and undergraduate courses. Up to six credit hours of approved courses may be counted towards both the bachelor’s and the master’s degrees, reducing the total number of credit hours required to complete both degrees.

The Master of Science in Engineering Management (MSEM) is a multidisciplinary graduate degree program directed towards engineers who want to transition to technical management. Courses in the program involve concepts in engineering management, resource management, strategic planning, and productivity. The program offers evening and off-campus courses.

Mission Statement
The mission of the IMSE Department is to provide students with a high quality education which integrates the latest research and practices of the field into the curriculum, to pursue excellence in basic and applied research in the field of Industrial and Management Systems Engineering, and to provide service to the profession and to society.

Objectives
1. Our graduates will have comprehensive knowledge of industrial engineering and related scientific principles.
2. Our graduates will have the ability to think creatively, communicate effectively, and work productively in teams.
3. Our graduates will have an understanding of ethical and professional responsibilities of an industrial engineer.
4. Our graduates will be motivated to contribute to society in activities such as role models for the young, advisory positions for government or non-profit agencies, and as active members in professional organizations.
5. Our graduates will pursue life-long learning opportunities, such as short courses, seminars, professional conferences, certificate programs, and graduate studies.

Departmental Policies
In addition to the College’s graduation requirement, the department has the following policies:
1. Mandatory academic advising of students for each term.
2. An exit interview is a graduation requirement.

Four-Year Curriculum in Industrial and Management Systems Engineering

Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution: If a student wishes to transfer without an A.A. degree and has fewer than 60 semester hours of acceptable credit, the student must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

Students should complete the following prerequisite courses listed below at the lower level prior to entering the University. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

Students qualify for direct entry to the department if they have completed the following courses at a Florida College System institution or University in the Florida State University System (SUS) and meet all other admissions requirements of the University and College.

Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university.
Mathematics:

Courses at USF | Courses at a Florida College System Institution
---|---
MAC 2281 | MAC 2311/MAC 2281 (4)
MAC 2282 | MAC 2312/MAC 2282 (4)
MAC 2283 | MAC 2313/MAC 2283 (4)
MAP 2302 | MAP 2302/MAP X305(3)

Natural Sciences:

PHY 2048/PHY 2048L | PHY X048C or PHY X043/X048L (4)
PHY 2049/PHY 2049L | PHY X049C or PHY X044/PHY X049L (4)

Please be aware of the immunization, foreign language, continuous enrollment policies of the university, and qualitative standards required.

Industrial Engineering Admissions Requirements

Transfer students must have completed the equivalent USF Engineering Calculus sequence with a 2.0 GPA; must have completed one year of equivalent USF General Physics and Chemistry courses with a minimum of 2.0 GPA; must have a USF and overall GPA of 2.0 or better.

Industrial Engineering (EIE), BSIE, 128

The curricula and courses presented below indicates how a diligent student who can devote full time to coursework can satisfy requirements in four academic years. Students without a solid foundation or those who cannot devote full time to academics should plan a slower pace. The following sequence is intended to facilitate registration planning and is subject to change based upon course availability. The sequence may also vary based upon individual considerations. Registration assistance will be provided by academic advisors.

### MECHANICAL ENGINEERING

Undergraduate Degree Offered:
- Bachelor of Science in Mechanical Engineering (B.S.M.E.)

Graduate Degrees Offered:
- Master of Mechanical Engineering (M.M.E.)
- Master of Science in Mechanical Engineering (M.S.M.E.)*
- Master of Engineering (M.E.)
- Master of Science in Engineering (M.S.E.)
- Doctor of Philosophy in Mechanical Engineering (Ph.D.)
Doctor of Philosophy in Engineering Science (Ph.D.)
*The Department offers a combined B.S./M.S. five year degree program.

Students pursuing the Bachelor of Science in Mechanical Engineering program take coursework in thermodynamics, heat transfer, instrumentation, measurements, solid and fluid mechanics, dynamics, machine analysis and design, mechanical design, manufacturing processes, vibrations and controls. This is supplemented by elective coursework in such areas as sustainability, internal combustion engines, refrigeration and air conditioning, mechanical design, robotics, propulsion, computer-aided design, manufacturing, bio-engineering, alternative energy, thermal design, composite materials, and tribology. Laboratories are available for basic instrumentation, thermal and fluid sciences, solid mechanics, data acquisition, controls, CAD/CAE, and vibrations.

Graduates of this program are employed in design, manufacturing, contracting, operations, marketing, and management in virtually all segments of industry and government, including, but not limited to: aeronautics, aerospace and propulsion; automotive, internal combustion engines, fuel cells and transportation; propulsion systems; electronic utilities and power generation; heating, ventilation and air conditioning; structures and machinery design; mining and oil exploration; paper, textile, food, and petrochemical industries/processing/manufacturing; micro and nano materials and semiconductors; and biomaterials and bioengineering. There are abundant career opportunities in a wide range of industries because mechanical equipment is required in every aspect of modern industry.

Mission Statement
The Mission of the Mechanical Engineering Department is:

a. to provide an exemplary undergraduate and graduate education for students entering the mechanical engineering profession or seeking careers in related fields;
b. to advance scientific knowledge through basic and applied research;
c. to disseminate technical information through scholarly publication and presentation, and continuing education;
d. to advance the profession through service within the associated societies;
e. to promote activities which embrace global development.

Objectives
The objectives of the Undergraduate Program in Mechanical Engineering are:

a. Our graduates will successfully apply concepts of science, mathematics, computation, and engineering in their chosen endeavor;
b. Our graduates will possess knowledge and skills essential to engineering processes, such as design, analysis, synthesis, fabrication and experimental techniques;
c. Our graduates will demonstrate skills for professional interaction and leadership including multi-disciplinary collaboration, and effective oral and written communication.
d. Our graduates will understand technology within a global, societal and economic context. They will also demonstrate continued career development as well as professional and ethical responsibility.

Departmental Policies
The Department has the following policies:

a. Mandatory academic advising of students for each term,
b. Exit interviews as a graduation requirement,
c. Students are encouraged to take the FE Exam.

Admissions Requirements
Students entering the Mechanical Engineering department must have completed the equivalent USF Engineering Calculus sequence, one year equivalent USF General Physics and one semester equivalent USF General Chemistry with a minimum of 2.5 GPA based upon the better of the first two attempts.

Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution: If a student wishes to transfer without an A.A. degree and has fewer than 60 semester hours of acceptable credit, the student must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements. Students should complete the prerequisite courses listed below at the lower level prior to entering the University. If these courses are not taken at a Florida College System institution, they must be completed before admission into the department is granted. A grade of “C” is the minimum acceptable grade in prerequisite courses.

Students qualify for direct entry to the department if they have completed the following courses at a Florida College System institution or University in the Florida State University System (SUS) and meet all other admissions requirements of the University and College.

Some courses required for the major may also meet General Education Requirements.
### Mathematics:

</tr>
</tbody>
</table>

*or CHS X440 if 4 credits with included laboratory

A grade of "C" is the minimum acceptable grade in these prerequisite courses.

Students qualify for direct entry to the department if they have completed these courses at a Community College or University in the Florida State University System (SUS) and meet all other admissions requirements of the University and College.

If a student wishes to transfer without an A.A. degree and has fewer than 60 semester hours of acceptable credit, the student must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

Please be aware of the immunization, foreign language, continuous enrollment policies, and qualitative standards of the university.

### Grade Requirements

Students in the Mechanical Engineering Department must have and maintain a minimum 2.0 GPA in EGN engineering and EML specialization courses, as well as a minimum overall and USF GPA of 2.0. A grade of “C-” is the minimum acceptable grade for EGN and EML courses which are prerequisites to other EGN and EML courses.

### Curriculum for BSME, (128 credit hours)

*The curricula and specialization courses presented below are a guide for remaining on track towards the bachelor’s degree. Please note that alternatives exist for some of the courses and that this is not an official degree plan. It is an advising tool and students must consult with the Department advisor to ensure that all degree requirements are met.*

**TOTAL CREDIT HOURS FOR BSME** 128

Gordon Rule (6A) is fully met through the mathematics courses above, ENC 1101, ENC 1102, ENC 3246 and by selecting one general education elective that is an approved 6A communication course or by completing an AA degree at a Florida College System institution.

The math and science courses required for this major fully meet the math and science requirements of the Foundations of Learning and Knowledge core curriculum. Students in the College of Engineering are exempt from the “Life Science” requirement.

The writing intensive and capstone design exit requirements are fully met through EML 4551 and ENC 3246.

**GENERAL ENGINEERING**

**BACHELOR OF SCIENCE IN ENGINEERING (B.S.E)**

**Program Mission**

The General Engineering Program of the College of Engineering at the University of South Florida provides undergraduate students with a strong, broad-based, engineering education which gives them the basic intellectual and organization skills to work within complex organizational systems with technological, social and environmental components. Specifically
graduates of the program are expected to be able to apply knowledge of basic math, science and engineering with an understanding of societal implications of engineering decisions in both local and global context.

This program is tailored to meet the needs of students with academic and career goals that are best met by following a program of study that is cross-disciplinary in nature. The curriculum plan for each student pursuing this option is developed in consultation with faculty advisors and must be approved by the Associate Dean for Academic Affairs or his designee.

Program Objectives
The Objectives of the Undergraduate Program in General Engineering are to prepare students to:

- Apply knowledge of basic math, science and engineering
- Identify, formulate and solve engineering problems
- Design and conduct experiments, as well as analyze and interpret data
- Utilize the techniques, skills and modern engineering tools necessary for engineering practice
- Function effectively on teams
- Utilize well developed oral and written communication skills to effectively interact with colleagues, clients and the public
- Understand the societal implications of engineering decisions and designs in both a local and global context and demonstrate the ethical training needed to evaluate them

Program Application:
Students must submit a statement of purpose and a proposed plan of study signed by a faculty mentor to the Director of Advising, USF College of Engineering, 4202 E. Fowler Avenue, Tampa, FL33620

Admission Requirements:
Completion of
MAC2311 or MAC2281, MAC2312 or MAC2282
MAC2313 or MAC 2283
PHY2048, PHY2048L, PHY2049, PHY2049L
CHM2045, CHM2045L
with a minimum grade of C (not C-) in these courses.

Meet all minimum performance requirements of the College of Engineering

Graduation Requirements
In addition to the University's graduation requirements and completion of the required courses and approved specialization courses, graduation requirements for the Bachelor of Engineering degree program include:
1. Mandatory academic advising of students each term;
2. Exit interviews as a graduation requirement;
3. No grade lower than a C (not a C-) in degree applicable math, science or engineering courses.

Four-Year Curriculum - General Engineering

Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution: If a student wishes to transfer without an A.A. degree and has fewer than 60 semester hours of acceptable credit, the student must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

Students should complete the following prerequisite courses listed below at the lower level prior to entering the University. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of "C" is the minimum acceptable grade.

Mathematics:
Courses at USF Courses at a Florida College System Institution
MAC 2281 MAC 2311/MAC 2281 (4)
MAC 2282 MAC 2312/MAC 2282 (4)
MAC 2283 MAC 2313/MAC 2283 (4)
MAP 2302 MAP 2302/MAP X305(3)

Natural Sciences:
Courses at USF Courses at a Florida College System Institution
CHM 2045/CHM 2045L CHM X045/L or CHM X045C or CHS X440/CHM X045L* (4)
PHY 2048/PHY 2048L PHY X048C or PHY X043/X048L (4)
PHY 2049/PHY 2049L PHY X049C or PHY X044/PHY X049L (4)
*or CHS X440 if 4 credits with included laboratory
Please be aware of the immunization, foreign language, continuous enrollment policies of the university, and qualitative standards required.

**Admissions Requirements**

Students entering the General Engineering degree must have completed the equivalent USF Engineering Calculus sequence, one year equivalent USF General Physics and one semester equivalent USF General Chemistry with a minimum 2.0 GPA; and must have a USF and an overall GPA of 2.0 or better.

Continuation Requirements: Completion of the following: EGN 3311, EGN 3343, EGN 3443 and EGN 3373 with grades of C or better, (C- is insufficient), is required before registration in specialization courses will be permitted.

**Department Policies:**

1. Advising is mandatory prior to each term.
2. A grade of C or better is required in Math, Science and Engineering Courses (C- is insufficient).
3. College Electives must be relevant to specialization and approved by the Program Coordinator.

Gordon Rule (6A) is fully met through the mathematics courses above, ENC1101, ENC1102, ENC 3211 and by selecting one technical or general education elective that is an approved 6A communication course or by completing an AA degree at a Florida College System institution.

Capstone Design and Writing Intensive Exit Requirements are fully met through ENC3211 and a Capstone Design Course offered in the College of Engineering.

### Chemical & Biomedical Engineering

**Chair:** V. Bhethanabotla; **Emeritus Professor:** J.C. Busot, J.A. Llewellyn, C.A. Smith; **Professors:** V.R. Bhethanabotla, S.W. Campbell, R. Gilbert, Y. Goswami, B. Joseph, W.E. Lee, III, A. K. Sunol; **Associate Professors:** N. Alcantar, V. Gupta, M. Jaroszeski, J. T. Wolan; **Assistant Professors:** J. Kuhn, R. G. Toomey; **Courtesy Faculty:** A. Ghaneh-Fard, D. McMillan, S. Sunol, R. Kothapalli, L. Heller, R. Heller, S. Eschrich, M. Frankie, B. Schulz, T. Fawcett, D. Keefe, E. Persson, S. Kranc, W. Johnson.

### Civil and Environmental Engineering

**Chairperson:** W. Carpenter; **Professors Emeriti:** M. W. Anderson, R.P. Carnahan, W. Echelberger, J.E. Griffith, S. Kranc; **Distinguished University Professor:** A. A. Sagüés; **State of Florida 21st Century World Class Scholar:** J. Mihelcic; **Professors:** W.C. Carpenter, M. Gunaratne, J.J. Lu, M.A. Ross, A. A. Sagüés, R. Sen; **J. Mihelcic; Associate Professors:** S. Ergas, G. Mullins, M. Nachabe, A. Zayed; **Assistant Professors:** J. Cunningham, A. Pinjari, D. Simkins, P. Stroot, A. Tejada, M. Trotz, D. Yeh; Q. Zhang, Y. Zhang; **Instructor:** K. Nohra; M. Stokes; **Lecturers:** D. Magolan, L. Phillips; **Courtesy Faculty:** E. Mierzejewski, S.E. Polzin, A. Stuart.

### Computer Science and Engineering

**Chairperson:** L. Hall; **Distinguished Professors:** A. Kandel, N. Ranganathan; **Professors:** K. Christensen, D. Goldgof, L. Hall, R. Kasturi, R. Perez, L. Piegl, S. Sarkar; **Associate Professors:** S. Katkooi, M. Labrador, D. Rundus; **Assistant Professors:** A. Iamnitchi, J. Ligatti, L. Palmer, X. Qian, Y. Sun, R. Tripathi, Y. Tu, H. Zheng; **Instructors:** H. Jeanty, E. Kellner, R. Tindell, R. Turner, J. Wang; **Professors Emeritus:** H. Glass, M. Varanasi.
Electrical Engineering

Industrial and Management Systems

Mechanical Engineering
**Department of Orthopaedics & Sports Medicine**

**For Athletic Training Major (BAT):**

The undergraduate Athletic Training Major is a limited access program designed to prepare students for a successful career as an Athletic Trainer. Athletic Trainers are health care professionals who collaborate with physicians to optimize activity and participation of patients and clients. Athletic training encompasses the prevention, diagnosis, and intervention of emergency, acute, and chronic medical conditions involving impairment, functional limitations, and disabilities. Admission to the major is gained through completion of required criteria set forth by the Department of Orthopaedics and Sports Medicine in addition to the regular university application process. Successful completion of the major qualifies students to sit for the Board of Certification Examination and eligible for Florida or any other state Athletic Trainer Licensure. The Athletic Training Program is accredited by the Commission on Accreditation of Athletic Training Education Programs (CAATE).

This is a full-time 2-year program with a considerable clinical education component. Students must be available for class from 8am - 12pm daily and from 2pm - 7pm daily for clinical education. Considerable evening and weekend hours may also be required. Students will accumulate a minimum of 250 hours of clinical education per semester. This program follows an alternate calendar.

Graduates from this program establish successful careers as athletic trainers in secondary schools, colleges and universities, professional sports programs, sports medicine clinics, and other athletic health care settings. Interested students should visit our web site at [http://www.usfatep.com](http://www.usfatep.com). The web site offers students a proposed four-year course sequence, a description of our program, a listing of approved clinical sites, and dates/times of information meetings.

**Major Requirements:**

In order to be admitted to the Athletic Training Education Program, students must participate in a selective admissions procedure. Information meetings are held each semester to provide students with information, applications and forms. Times and locations are listed on the program's web site at [http://www.usfatep.com](http://www.usfatep.com). Pre-Athletic Training majors enrolled at USF may also access information through Blackboard.

Enrollment in the program is limited and students must apply before February 1 of each year to be considered for admission the following Summer “C” Session. Students must complete at least 60 semester credit hours of the total 120 credit hours required for graduation prior to admission. The admission process includes prior admission to the University, application to the athletic training program, submission of all transcripts, recommendation forms, blood borne pathogen training, 50 hours of observation of a certified athletic trainer, first aid and CPR certification, and a written essay on career goals. Students are given a pre-interview score consisting of scores for GPA, GPA in prerequisite classes, professional involvement, leadership ability, recommendations, observation hours and essay. Top candidates will be invited for an interview. Interviews are typically held the last weekend in February yearly. Students will be notified of their status in the program following the interview. This program begins during the Summer “C” session. Students must be able to meet technical standards and must pass a background check upon admission to the program.

**Admission Criteria:** Students must:

a. Apply to the University of South Florida no later than December 1st of the year preceding application to the Athletic Training Education Program.

b. Meet the criteria for admission to the Athletic Training Education Program.

c. Complete the Foundations of Knowledge and Learning Core Curriculum Requirements of the University (36 credit hours). *See the Foundations of Knowledge and Learning Core Curriculum Requirements section of the catalog.*

d. Complete the following statewide common prerequisites or an equivalent with at least a “C” average: (33 credit hours).

<table>

</tr>
</tbody>
</table>

e. Successfully meet exemption requirements for the CLASR.

f. Achieve a minimum cumulative GPA of 2.8.

g. Achieve a minimum prerequisite GPA of 2.8.

h. Complete and record 50 hours of observation with a certified athletic trainer. **Students must complete Blood Borne Pathogen training prior to completing observation hours.** Half of the hours must be done in a “traditional” athletic training setting (i.e., high school, college/university or professional sports venue). The remaining hours may be done in a sports medicine clinic. All hours must be completed under a licensed athletic trainer. Documentation should be submitted with application. i. Submit a completed Athletic Training Application by February 1st.
j. Students must be First Aid and CPR certified at the time of application and maintain certification throughout the academic program. This may be initially accomplished by taking HSC 2400 First Aid & CPR or taking courses through the American Red Cross, National Safety Council or American Heart Association.

k. Meet the technical standards for admission or show potential for accomplished tasks with accommodation as determined by the Student Disability Office.

l. Participate in an interview by invitation on the designated date and time

</table>

Please Note:

PET 3670L, 3671L, 4672L, and 4673L each require a minimum of 250 hours/semester of clinical education at various sites. Students should be aware that this is a considerable time commitment and should plan accordingly. Students may be expected to accumulate more than 250 hours/semester in some rotations due to the demands of the particular rotation.

Once admitted to the Athletic Training Education Program students must be available from 8am – 12 pm for class and from 2 pm – 7pm for clinical education daily (times vary depending on site). Students must also be available nights and weekends for clinical assignments. This program utilizes an alternative calendar. Clinical courses start prior to the start of main campus courses each semester. Clinical hours may not coincide with University holidays and breaks.

There will be additional costs (above tuition and fees) for courses and clinical rotations that may include, but are not limited to professional liability insurance, physical examination and immunizations, professional association fees, lab fees and uniforms. Transportation is needed for all off-campus clinical sites. Each student will have a minimum of one off-campus rotation.

Students are required to be fingerprinted and complete a background check prior to starting rotations at any public or private school. The athletic training student is responsible for this additional expense.

Students proceed through the program in cohorts and are required to complete all the required courses each semester with a grade of “C-” or better in order to progress to the next semester. Students who do not complete the requirements will be dismissed from the program. Students must maintain a 3.0 GPA in the core courses or will be placed on probation in the program. Two consecutive semesters on probation may result in the student being dismissed from the program. Courses are only offered one time per year, so any dismissal will delay graduation. Re-application materials are reviewed and are based upon a student’s unwavering demonstration of modification of circumstances that previously lead to dismissal from the ATEP.
Undergraduate Nursing Program

General Information
The program is accredited by the Commission on Collegiate Nursing Education, One DuPont Circle, NW Suite 530, Washington, DC, 20036, (202) 887-6791, and approved by the Florida State Board of Nursing. Graduates of the Upper Division and Second Degree sequences are eligible to sit for the National Council Licensure Examination (NCLEX) Registered Nurse qualifying exam. Graduates may apply for licensure in Florida or other states, and successful undergraduates have the educational background necessary for graduate study in nursing.

The College of Nursing encourages applications from qualified applicants of both sexes and from all cultural, racial, religious, ethnic, and age groups. The College of Nursing uses selective criteria for the admission of students. Admissions are determined on the basis of availability of sufficient qualified faculty, laboratory and classroom facilities, and clinical teaching resources. Final admission to all nursing programs is conditional upon passing a Level 2 criminal background check. The background check must be completed at the applicant’s expense in accordance with the College of Nursing policy and procedures on criminal background checks and drug screening.

The College of Nursing is a limited access program. Any student who applies to any undergraduate program at the College of Nursing is initially coded as “pre-nursing” prior to official acceptance to the College of Nursing. No undergraduate nursing courses will be transferred from any institution.

1. The C.A.R.E. (Creating Access to RN Education) program is a special program designed for the first time in college (FTIC) students. Minimum requirements for consideration are at least a 3.6 cumulative weighted high school grade point average and a combined score of at least 1200 on the SAT or a composite score of at least 28 on the ACT. Please contact College of Nursing at (813) 974-9305 for detailed information.

2. The Upper Division sequence is for students who have completed all nursing pre-requisite courses and have a minimum GPA of 3.2. This is a full-time, limited access program, as mandated by the state, and is structured sequentially. Admission is competitive, and students with higher GPAs are given preference.

3. The Second Degree sequence is for students who have a baccalaureate degree in another field and a minimum undergraduate GPA of 3.0. Students with an awarded bachelor’s degree and who have completed all the nursing pre-requisite courses may be considered for admission into the Second Degree sequence. Upon completion, students will earn a second bachelor’s degree. This is a full-time, limited access program, as mandated by the state, and is structured sequentially. Admission is competitive.

4. The RN to BS program is for students currently licensed to practice as a Registered Nurse by the Florida Board of Nursing. The RN to BS option allows an RN with a diploma or an Associate’s degree in nursing to earn a Bachelor of Science degree with a major in nursing.

5. The RN to MS program is for students currently licensed to practice as a Registered Nurse by the Florida Board of Nursing. The RN to MS option allows an RN with a diploma or an Associate’s degree in nursing to earn a Master of Science degree with select concentrations in nursing. Upon completion of the RN to MS program a student who has fulfilled the University Foreign Language requirement may also apply for the awarding of the Bachelor of Science degree with a major in Nursing.

Nursing Advising
The College of Nursing Office of Undergraduate Studies offers a comprehensive service for all College of Nursing students as well as information sessions and general information for prospective students. These services include information sessions, registration, academic advising, scholarships, graduation certification, and other services. However, the student must remember that he or she is ultimately responsible for meeting all graduation requirements.

The goals of the Office of Undergraduate Studies are to
• Facilitate the application and acceptance process for students
• Assist students as they develop their educational plans
• Guide students to select appropriate courses
• Help students interpret institutional requirements
• Advise students to facilitate progression in their course of study
• Facilitate graduation process for students
Location and Phone Number: The College of Nursing (MDN) building is located near Bruce B. Downs Blvd. and west Holly Drive on the northwest corner of campus. The mailing address is 12901 Bruce B. Downs Blvd, MDC 22, Tampa, FL 33612-4766. The College telephone number is (813) 974-2191.

Advising Offices: To schedule an advising appointment at a location where the College of Nursing offers courses, call the College of Nursing Office of Student Services at (813) 974-2191 or toll-free at (888) 974-9488 or http://health.usf.edu/nocms/nursing.

Office Hours: 8 a.m. - 5 p.m., Monday through Friday.

Prerequisite Coursework for Nursing Students

Prerequisites (State Mandated Common Prerequisites) for Students Transferring from a Florida College System Institution:

The University and the College of Nursing work closely with Florida College System institutions within the 10 county USF service area. The University’s Foundations of Knowledge and Learning Core Curriculum (General Education) requirements and College of Nursing’s prerequisite/support courses may be completed through the A.A. degree from a Florida College System institution. If a student wishes to transfer without an A.A. degree and has fewer than 60 semester hours of acceptable credit, the student must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements. The A.A. degree satisfies admission requirements only if courses are carefully selected and include the required major prerequisite/support courses.

The College of Nursing requires certain courses within the Foundations of Knowledge and Learning Core Curriculum (General Education) requirement for the natural, social and behavioral sciences, and mathematics. Students must complete the prerequisite courses listed below prior to being admitted to the upper-division major except those students in the C.A.R.E. program. All prerequisite courses must be completed with a grade of “C” or higher.

All courses not approved by the Florida State Course Numbering System (includes all Florida public colleges, universities, and College System institutions) used to satisfy these prerequisite requirements will be evaluated individually on the basis of content and will require a catalog course description and a copy of the syllabus for assessment.

- BSC X085C Human Anatomy & Physiology I or any Human Anatomy & Physiology I course, 3-4 semester hours
- BSC X086C Human Anatomy & Physiology II or any Human Anatomy & Physiology II course, 3-4 semester hours
- CHM XXXX Comprehensive General Chemistry (CHM 1032 or higher), 4-6 semester hours
- DEP X004 Human Growth & Development or any Human Growth & Development course, 3 semester hours
- HUN X201 Human Nutrition or any Human Nutrition course OR NUR 1192, 3 semester hours
- MCB X010C Microbiology or Any Microbiology course, 4 semester hours
- PSY X012 Introduction to Psychology or any General Psychology course, 3 semester hours
- STA X014 Statistics or any Statistics course, 3 semester hours
- SYG X000 Introduction to Sociology or any Introduction to Sociology course, 3 semester hours

Foundations of Knowledge and Learning (FKL) Requirements:

The College of Nursing requires certain courses within the University’s FKL requirements for the natural, social and behavioral sciences, and mathematics. Students should contact their academic advisor for the list of FKL courses approved to meet the College of Nursing requirements. Courses that meet the state mandated common prerequisites may also meet the USF FKL requirements. Students with a Florida community college A.A. degree (other than in nursing) will be considered to have met all of the USF General Education requirements. A grade of ‘C-’ or better is required in the FKL courses.

- English Composition 6
- Fine Arts 3
- Human and Cultural Diversity in a Global Context 3
- Humanities 6
- Mathematics OR 3 Mathematics AND 3 Quantitative Reasoning 6

- Social and Behavioral Sciences 6

NURSING PROGRAM

• Upper Division Sequence

Admission Requirements

- Admission to the University of South Florida
- Application to the College of Nursing prior to the published deadline for the intended term of entry
• Completion of all nursing pre-requisites course by published application deadline for the intended term of entry
• Minimum 3.2 cumulative GPA on all undergraduate work. Required pre-requisite course grades may be weighed
• Completion of the College Level Academic Skills requirement (CLAS-R) or equivalent
• Completion of the University's foreign language entrance requirement
• May be requested to submit a personal statement and description of work or volunteer experiences

Prerequisite Requirements:
The state-mandated nursing common pre-requisites are required to be completed before the published deadline for the intended term of entry. A grade of 'C' or better is required.

BSC X085C Human Anatomy & Physiology I or any Human Anatomy & Physiology I course, 3-4 semester hours
BSC X086C Human Anatomy & Physiology II or any Human Anatomy & Physiology II course, 3-4 semester hours
CHM XXXX Comprehensive General Chemistry (CHM 1032 or higher), 4-6 semester hours
DEP X004 Human Growth & Development or any Human Growth & Development course, 3 semester hours
HUN X201 Human Nutrition or any Human Nutrition course, 3 semester hours, OR NUR 1192
MCB X010C Microbiology or Any Microbiology course, 4 semester hours
PSY X012 Introduction to Psychology or any General Psychology course, 3 semester hours
STA X014 Statistics or any Statistics course, 3 semester hours
SYG X000 Introduction to Sociology or any Introduction to Sociology course, 3 semester hours

Additional Requirements: The following FKL/General Education requirements must be completed prior to admission into the Upper Division sequence and must be completed with a ‘C’ or better:

6 English Composition
6 Mathematics*
   OR
   3 Mathematics AND 3 Quantitative Reasoning
3 Natural Sciences (Life Science)
3 Natural Sciences (Physical Science)
6 Social and Behavioral Sciences
*College Algebra or Finite Math preferred and STA X014 Statistics - recommended courses

• The following General Education requirements may be completed while in the Upper Division program:
  3 Fine Arts
  3 Human and Cultural Diversity in a Global Context
  6 Humanities

• Completion of all other University Baccalaureate degree requirements
• Additional coursework may be required to meet the USF graduation credit hour requirement.

TOTAL CREDIT HOURS TO DEGREE 121

• Second Bachelors Sequence

Admission Requirements
• Admission to the University of South Florida
• Application to the College of Nursing prior to the published deadline for the intended term of entry
• Completion of all nursing pre-requisite courses by the published deadline for the intended term of entry
• Completion of first bachelor’s degree, from an accredited institution, by the published application deadline for the intended
term of entry
• Minimum 3.0 cumulative GPA on all undergraduate work

Admission will based on GPA, grades in certain courses, work experience, volunteerism, and writing sample. (See College
of Nursing website for details.)
• Completion of the College Level Academic Skills requirement (CLASR) or equivalent
• Completion of the University's foreign language entrance requirement

Prerequisite Requirements:
• The state-mandated nursing common pre-requisites are required to be completed before the published deadline for the
intended term of entry. A grade of ‘C’ or better is required.

BSC X085C Human Anatomy & Physiology I or any Human Anatomy & Physiology I course, 3-4 semester hours
BSC X086C Human Anatomy & Physiology II or any Human Anatomy & Physiology II course, 3-4 semester hours
CHM XXXX Comprehensive General Chemistry (CHM 1032 or higher), 4-6 semester hours

NUR 4635L Community Clinical – Peds/OB (4)
NUR 4948L Preceptorship (Capstone) (6)
NUR 4827C Leadership& Management in Prof Nursing Practice (3)

Total: 69

Note: Second Degree sequence pre-licensure students who receive a D, F or U (any grade below a C) in any required nursing course will not be permitted to continue in that sequence. The student will be allowed to remain in the nursing program as a traditional upper division student, space and appropriate clinical placement permitting.

• RN to Bachelors Program

Admissions Requirements:
- Admission to the University of South Florida
- Application to the College of Nursing prior to the published deadline for the intended term of entry
- Current Florida RN licensure and Associate’s of Science in Nursing degree from a regionally accredited institution or diploma in Nursing (Those individuals with an Associate’s degree in Nursing may apply contingent on passage of NCLEX exam during first semester of study in the College of Nursing)
- Minimum 2.5 cumulative GPA on all undergraduate course work
- Completion of the College Level Academic Skills Test requirement (CLAS-R) or equivalent
- Completion of the University Foreign Language entrance requirement

Prerequisite Requirements:
The state-mandated nursing common pre-requisites are required to be completed. These courses can be completed while in the RN to BS program. However, if a letter grade of less than ‘C’ is received prior to application to the College of Nursing, the course(s) must be repeated prior to application:

BSC X085C Human Anatomy & Physiology I or any Human Anatomy & Physiology I course, 3-4 semester hours
BSC X086C Human Anatomy & Physiology II or any Human Anatomy & Physiology II course, 3-4 semester hours
CHM XXXX Comprehensive General Chemistry (CHM 1032 or higher), 4-6 semester hours
DEP X004 Human Growth & Development or any Human Growth & Development course, 3 semester hours
HUN X201 Human Nutrition or any Human Nutrition course, 3 semester hours, OR NUR 1192
MCB X010C Microbiology or any Microbiology course, 4 semester hours
PSY X012 Introduction to Psychology or any General Psychology course, 3 semester hours
STA X014 Statistics or any Statistics course, 3 semester hours
SYG X000 Introduction to Sociology or any Introduction to Sociology course, 3 semester hours

Additional Requirements:
The following General Education requirements must be completed while in the Lower Division program:
- Completion of the following courses prior to the application deadline for the intended term of entry; a grade of ‘C’ or better is required:
  6 English Composition
6 Mathematics*  
OR  
3 Mathematics  
AND  
3 Quantitative Reasoning  
3 Natural Sciences (Life Science)  
3 Natural Sciences (Physical Science)  
6 Social and Behavioral Sciences  
*College Algebra or Finite Math preferred and STA X014 Statistics recommended courses

- The following General Education requirements may be completed while in the Upper Division program:  
  3 Fine Arts  
  3 Human and Cultural Diversity in a Global Context  
  6 Humanities  

- Completion of all other University Baccalaureate degree requirements  
- Additional coursework may be required to meet the USF graduation credit hour requirement.

RN to BS Course of Study:  
A letter grade of “C” or better is required in all Nursing (NUR) courses.

RN to Masters - Accelerated Graduate Program

Associate Degree in Nursing to Master's Degree  
Registered nurses who have earned an Associate of Science Degree in nursing, but who have not yet earned a bachelor’s degree are eligible for Admission to the Accelerated Graduate Program. Students complete 15 credit hours of transition coursework at the baccalaureate level before applying to the master’s program.

The College of Nursing at the University of South Florida offers an AS/RN to MS bridge program for Registered Nurses with an Associate Degree in Nursing. This program leads to a Master of Science (MS) degree with a major in Nursing with concentrations available in a variety of areas.

Students apply at the undergraduate level first (Phase I) which allows the student to complete all nursing bachelor coursework and any missing pre-requisites/general education courses. After completing all undergraduate coursework, students apply to graduate school. (Phase II – admissions is not guaranteed, see RN Academic Advisor on this process after acceptance to the undergraduate program.)

Admissions Requirements:
- Acceptance to the University of South Florida Undergraduate Admissions  
- Application to the College of Nursing prior to the published deadline for the intended term of entry  
- Completed Associates Degree in Nursing from a regionally accredited institution  
- Minimum 3.0 cumulative G.P.A. on all undergraduate coursework (excluding Associate of Science Nursing courses)  
- Evidence of current Florida RN licensure in good standing  
- Have completed English Composition I and II (6 credits) by the College of Nursing application deadline. English Composition I and II requirements include:*  
  - Minimum C grade and  
  - Minimum 2.5 combined GPA for the two courses
• Have completed two Gordon Rule Math Courses (6 credits total) by the College of Nursing application deadline. The College of Nursing prefers applicants to take 3 credits of College Algebra, Finite Math, or Liberal Arts Math and 3 credits of Statistics. Gordon Rule Math requirements include:
  o Minimum C grade and
  o Minimum 2.5 combined GPA for the two courses

Prerequisite Requirements:
The state-mandated nursing common pre-requisites are required to be completed. These courses can be completed before or while in the RN to MS program but must be completed no later than the last term before transitioning to Master's program. Additionally, if a letter grade of less than a ‘C’ is received prior to application to the College of Nursing, the course(s) must be repeated prior to application:

Foundations of Knowledge and Learning (General Education) Requirements: The following FKL/General Education requirements must be completed before or while in the Lower Division program and must be completed with a ‘C’ or better:

<table>

• The following General Education requirements may be completed before or while in the nursing program:
  Fine Arts                                                                  | (3)     |
  Human and Cultural Diversity in a Global Context                            | (3)     |
  Humanities                                                                 | (6)     |

Note: If the student intends to receive a bachelor’s degree in addition to a master’s degree, the University’s foreign language entrance requirement

RN to MS Transitional Courses:
A letter grade of “B” or greater and a cumulative 3.0 GPA* or more is required to be considered for application to the master portion of this program. Students must complete the bridge courses within two years from admission to the undergraduate portion of the program.

*Note: Selected concentrations in the Master’s program are highly competitive. Additional admission requirements and a higher GPA may be required for these concentrations. Your master’s concentration of choice is not a guarantee due to the competitiveness of some concentrations. Effective Summer 2009, Adult and Family masters concentrations will only admit in the summer semester.

During the semester that the student is completing the undergraduate nursing transition courses, the student will meet with an advisor to review all requirements to complete the transition into the Masters program. Based on guidance by the advisor, students will be required to submit an additional application to the College of Nursing and provide three letters of recommendation, a copy of resume or curriculum vita, and other materials as required. Students may also be required to have an interview with a faculty member within their master’s concentration. Students will choose a Master’s concentration and will complete additional courses based on that concentration. See the graduate catalog for a list of Master’s concentrations and associated graduate course requirements.
As we enter the new millennium, public health looms large at the forefront of the world’s concerns. Population pressures, environmental problems, maternal and child health care, disaster management, new emerging diseases, behavioral challenges, health care management and cost containment demand solutions from the public health professional.

To meet these challenges, the mission of the College of Public Health is to promote public health through research, education and services. The USF College of Public Health is one of only 40 public health colleges in the nation and is fully accredited by the Council on Education for Public Health. College has five departments: Community and Family Health, or Epidemiology and Biostatistics, or Environmental and Occupational Health, or Health Policy and Management, or Global Health. In addition, there is a college-wide area of study includes Public Health Practice (PHP). PHP requires a minimum of 3 years of health-related work experience. Master’s degrees include the Master of Public Health (MPH), which is a professional, non-thesis degree; the Master of Health Administration (MHA); the Master of Science Public Health (MSPH), a research thesis degree; as well as the doctoral (PhD) degree.

Undergraduate students who are seeking a career in public health can select to major in a broad range of Bachelor degree programs including engineering, business, social sciences, biological sciences, nursing, social work, pre-medicine, other allied health specialties or interdisciplinary degrees in order to be prepared for graduate work in the College. Pre-medical students seeking admission to medical school may want to consider completing a Master’s degree in public health prior to application or admission to medical schools or as an alternative to clinical degrees. The College offers several programs that allow students to complete their undergraduate and master’s degrees in an accelerated format including the Undergraduate Accelerated Entry Program for Master’s Degree in Public Health Education, Fast Track for Honors BMS, ISS and INS Students, and (4 + 1) Environmental and Occupational Health.

The course of study and field experiences are designed to prepare health professionals with skills to develop, implement, manage and evaluate programs that focus on health, behavioral, legal, medical and economic factors. Public health is also concerned with finding cost-effective ways to keep health care costs down while assuring quality. Career opportunities are available in a variety of work settings including hospitals and ambulatory care facilities, managed care organizations, voluntary health agencies, public and private school systems, colleges and universities, local, federal and state health agencies, private industry and international health organizations.

The undergraduate program in the College has cultivated into a vibrant program with over 3000 students enrolled in our courses each semester. Based on the enrollment figures and students expressing their interest in declaring a minor in public health, a General Public Health Minor (GPHM) was developed and approved by the USF Undergraduate Council in Fall 2005. Each department in the college offers undergraduate courses that will apply to the GPHM.

The purpose of the undergraduate curriculum offered in the College is to promote student-centered learning so the students may articulate the role of public health in disease prevention and health promotion locally, statewide, nationally, and globally. Moreover, students will be able to analyze public health issues related to a particular concentration area, become knowledgeable about dynamic career paths in public health and develop an understanding of public health that serves as a foundation for the pursuit of graduate public health degrees.

Undergraduate students seeking careers in public health are invited to refer to the College website http://publichealth.usf.edu, or contact the College advisor: advisor@health.usf.edu to request the College of Public Health Career Guide. Students may review the broad range of public health professions and also plan an undergraduate program that will meet the college’s admission requirements for graduate work. Introduction to Public Health and Survey of Human Disease (or their equivalent) are prerequisites for several concentrations prior to graduate study in public health. College courses are offered through traditional classroom methods, on-line courses and programs, weekend programs, learning institutes, certificates and continuing education courses.

General Public Health Minor

The goal of the General Public Health Minor is to develop in a broad range of students an understanding and appreciation of the field of Public Health.

Upon completion of the General Public Health Minor coursework, a student will be able to:
1. Articulate the role of public health in disease prevention and health promotion at the local, state, national and global level.
2. Describe public health concepts and issues.
3. Discuss and analyze current public health issues.
4. Describe career paths in public health.
5. Develop an understanding of public health that can serve as a foundation for the pursuit of graduate public health degrees.

The General Public Health Minor consists of 18 credit hours. It is recommended that students follow the sequence of courses listed below. These courses will give students a broad overview of public health concepts. Departmental courses can then be selected from a wide range of College of Public Health courses in consultation with the undergraduate academic advisors. Students are encouraged to select departmental courses that provide a cohesive learning experience based on their individual interests and goals, assisted by academic advisors in the student’s major and College of Public Health.
Required Courses (9 credit hours):
- HSA 4100 Introduction to Public Health 3
- HSC 4551 Survey of Human Disease 3

Choose one of the following:
- HSC 2100 Contemporary Health Science 3
- HSC 4537 Medical Terminology 3

Electives (9 credit hours):
- HSC 2130 Sex, Health and Decision Making 3
- HSC 3541 Human Structure and Function 3
- HSC 4211 Health, Behavior and Society 3
- HSC 4134 Prevention of Mental Illness 3
- HSC 4504 Foundations of Public Health Immunology 3
- HSC 4542 Stress, Health and College Life 3
- HSC 4579 Foundations of Maternal and Child Health 3
- HSC 4933 Special Topics in Public Health * 3

*Please see academic advisor for selection of special topics courses.

For any additional information about the College of Public Health Minor, please feel free to contact:
Michelle Hodge; advisor@health.usf.edu, (813) 974-6665

5-Year College of Public Health Programs

The College offers several programs that allow students to complete their undergraduate and master's degrees in an accelerated format.

Undergraduate Accelerated Entry Program for Master's Degree in Public Health Education

The Department of Community and Family Health in the College of Public Health offers an accelerated entry program that enables qualified undergraduate students to enter the Master of Public Health (MPH) degree program with a concentration in Public Health Education. Applicants must have attained a grade point average of at least a 3.0 on a four-point scale, or received a minimum Verbal GRE score of 500 and a minimum Quantitative GRE score of 550. This special MPH program permits students to earn an MPH without first completing the baccalaureate. Applicants must have completed 90 undergraduate semester hours in a program related to the field of public health such as social sciences, natural sciences, behavioral sciences, pre-medicine, pre-dental, nursing, or education. Interested students are encouraged to consult the Department of Community and Family Health advisor upon completing 60 undergraduate semester hours. Contact: Michelle Hodge, (813) 974-6505; email: advisor@health.usf.edu.

Fast Track for Honors BMS, ISS and INS Students

Undergraduate students in Honors programs will be eligible to apply for admission to selected graduate degree programs in public health during their senior year. This fast track format will allow eligible seniors to complete up to 20 graduate credits in public health which will count toward the Bachelor's degree as well as a Master of Public Health (MPH) or Master of Science in Public Health (MSPh). These graduate degrees vary in credit hours. Application deadline for these programs is June 1 for guaranteed consideration. Applications will be accepted during the junior year. A minimum score of 450 for the verbal and 550 for quantitative sections of GRE, good standing in Honors program, senior status, and 2 letters of recommendation from undergraduate faculty are required. For further information: http://publichealth.usf.edu/fasttrack.html

(4 + 1) Environmental and Occupational Health

This program provides opportunities for students to enroll in a MPH or MSPh program in the College of Public Health at the beginning of their senior year. Eligible seniors complete up to 20 graduate credits in public health that count toward the bachelor's degree as well as an MPH or MSPh. Admission requirements include minimum verbal score of 450 and minimum quantitative score of 550 on the Graduate Record Exam (GRE) General Test, or a mean MCAT of 8, good academic standing in the undergraduate program, senior status at the start of the program, two letters of recommendation from undergraduate faculty, transcripts from all institutions of higher learning, a one-page career goal statement, approval by the Environmental and Occupational Health Student Affairs and Admission Committee; and approval by the College and Graduate School. Contact: Michelle Hodge, (813) 974-6505; email: advisor@health.usf.edu.

Certificate Programs

Students who have completed their bachelor's degree may register for certificates in Disaster Management, Health Management and Leadership, Infection Control, Social Marketing and Public Health, Diasporas and Health Disparities (with Africana Studies), Safety Management, Violence and Injury: Prevention and Intervention, Epidemiology, Interdisciplinary Women’s Health, Maternal and Child Health, Public Health Policy and Programs, Public Health Generalist, Humanitarian Assistance, and Biostatistics.
The GRE is not required for Certificate programs. However, Certificates may have other specific requirements. Refer to the College of Public Health website: for flyers describing certificate programs. Contact the USF Office of Graduate Certificates, (813) 974-2442 www.outreach.usf.edu/gradcerts for application forms.

Public Health Advising

Potential applicants should prepare at the undergraduate level for careers in public health. Undergraduate public health courses present a broad range of public health issues and are offered on campus and on-line. These undergraduate courses can be selected as part of the student’s approved planned program or as electives to prepare students for graduate classes. Except for the undergraduate student selecting the Accelerated Health Education program or the Fast Track for Honors program, all applicants should have completed or be in their last semester of completing the Bachelor’s degree prior to applying to this College. All departments, except the Department of Epidemiology and Biostatistics, accept the MCAT score in lieu of the GRE for admission. The GMAT may be submitted for the Department of Health Policy and Management. Advisors in the College assist undergraduate students with career planning and selecting undergraduate coursework. For specific information, request a College of Public Health Catalog and Career Guide followed by an appointment with the College advisor.

Advising Office: The College of Public Health is located facing Bruce B. Downs Boulevard at the Northwest corner of the USF Campus near the Fletcher Avenue intersection. Advising office is in the College of Public Health (CPH) Room 1150. Call toll free 1-888-USF-COPH or locally (813) 974-6505 for the Public Health Career Guide, a copy of the upcoming Schedule of Classes which can also be found on the web at: publichealth.usf.edu/academicaffairs/

Non-Degree Registration: Students who have completed the Bachelor’s degree may register for up to 12 hours as “non-degree” students while in the process of preparing to apply to the College: publichealth.usf.edu/nondegree.html. Contact Michelle Hodge; advisor@health.usf.edu, (813) 974-6665 for more information.

Address: 13201 Bruce B. Down Blvd, Tampa, FL 33612-3805; Mailpoint - MDC 56
Office Hours: 8am–5pm, Monday through Friday. Walk-ins are welcome but an appointment is recommended.
Email: advisor@health.usf.edu
Web Address: publichealth.usf.edu
The College of The Arts exists in the context of a dynamic, contemporary, urban, research university setting, characterized by its cultural diversity. The College provides opportunities for students to develop their interests and talents to the fullest whether they wish to pursue a creative or performing career, a teaching career, or life-long artistic enrichment.

**Mission**

The mission of the USF College of The Arts is to conduct scholarly and creative research and to challenge and inspire students to make significant contributions in the arts.

The College provides a learning environment that is engaged locally and nationally in contemporary issues and initiatives.

**Vision**

The USF College of The Arts aspires to achieve national and international recognition as a distinguished center for study, creation, and research in the arts.

The College will provide an innovative environment to prepare the next generation of artists, educators, scholars, and audiences.

The College will support and promote creative research and production in the visual and performing arts.

The College will engage in advancing the cultural vitality of the Tampa Bay region.

The College of The Arts is a unique entity housing the School of Architecture and Community Design, School of Art and Art History, the School of Music, and the School of Theatre and Dance. The Institute for Research in Art includes the Contemporary Art Museum, Graphicstudio, and the program for Public Art. All serve multiple academic purposes within the College of The Arts as well as enrich the cultural environment within the university community. More information about each program is available on the College website at [http://www.arts.usf.edu/](http://www.arts.usf.edu/).

**College Activities and Events**

The College of The Arts arranges a full schedule of concerts, plays, lectures, films, and workshops featuring students, faculty, and visiting artists and scholars. Events are open to the general public and are presented both during the day and in the evening. Special ticket privileges are available to USF students. For more information, contact the Arts Events Office at (813) 974-2323 or [http://eps.arts.usf.edu/](http://eps.arts.usf.edu/).

**Visiting Artist and Scholars Program and Artist-in-Residence**

The College of The Arts is committed to creating and cultivating an artistic environment to enhance the total learning experience of its students and the community at large. Each year performing groups and internationally recognized visual artists and scholars are invited to the campus for a period of residency. The visiting artists and scholars provide opportunities for students and the community to participate in their teaching, creative, and performing abilities.

**Institute for Research in Art**

USF’s Institute for Research in Art houses the Contemporary Art Museum, Graphicstudio and the program for Public Art. The IRA is dedicated to an international artists’ residency program that brings to the University and Tampa Bay community today’s most accomplished and influential artists working in the international arena. Exhibitions, collection development, publication of limited edition graphics and sculpture multiples, commissioned public art works, lectures, symposia, workshops and special events are designed to foster awareness about the role of contemporary artists in shaping our culture and society.

**Contemporary Art Museum**

The Contemporary Art Museum presents exhibitions that focus on contemporary art and also showcase the work of faculty, students and alumni. The exhibitions and art collection serve as an integral part of the studio and art history curriculum of the School of Art and Art History. Educational programs are offered to the University and Tampa Bay community. The Contemporary Art Museum houses the USF art collection that is composed of original graphics, drawings, photographs, and African and Pre-Columbian artifacts.

**Graphicstudio**

Graphicstudio was founded in 1968 as an experimental, research-oriented collaborative workshop in the College of Fine Arts. Over sixty leading international artists have created more than 400 limited-edition fine art works at Graphicstudio, in intaglio, photogravure, lithography, relief, serigraphy, sculpture, and artist books. Graphicstudio’s works are archived at the National Gallery of Art in Washington, D.C., the only university-based workshop so honored. Graphicstudio offers unique opportunities for graduate students to work and learn in a professional environment. Offerings include classes, conferences, internships and graduate assistantships in printmaking, sculpture fabrication, curation, education and arts administration.
Contemporary Arts Program

In conjunction with the Endowed Chair and program in Contemporary Art History, the College promotes understanding of contemporary art practice and provides opportunities for persons interested in a critical and research oriented engagement with contemporary discourse.

The British International Theatre Program

The BRIT program provides residencies for major British theatre artists to work from two to eight weeks each year in master classes and Theatre productions. This private/public-endowed partnership creates a rich learning and performing environment for theatre students.

The John W. Holloway Endowed Chair in Dance and Theatre

The Holloway endowment provides short and long term working residencies for major dance and theatre artists in master classes and on productions in dance and theatre. This program fosters original, contemporary, and traditional dance compositions and theatre works enhanced by visiting artists working in collaboration with faculty and students.

SYCOM (Systems Complex for the Studio and Performing Arts)

SYCOM offers facilities for all different fields of professional audio, from analog synthesis to MIDI to digital recording. Through a wide range of courses, students learn techniques of the professional recording studio and the skills to record and produce live music, as well as modern digital audio editing and mastering.

Music Festivals

The School of Music sponsors a variety of Festivals for high school students. Among these are the Festival of Winds which enjoys a tradition of more than 25 years on the USF campus, the Festival of Voices which brings talented high school vocalists to campus to experience choral singing under the direction of USF faculty and guest conductors, and the Festival of Strings that features orchestral and chamber music experiences. All the Festival programs provide an opportunity for participants to experience an intensive and high level musical experience while enjoying the fellowship of other talented musicians in the context of a supportive and educational atmosphere provided by the faculty and students of the School of Music. For details about each program, contact the Coordinator of Admissions in the School of Music.

SCHOOL OF ARCHITECTURE & COMMUNITY DESIGN

Location/ Phone: HMS 301 Tampa Campus; (813) 974-4031
Web Address: www.arch.usf.edu
E-mail: information@arch.usf.edu

Mission

The School of Architecture & Community Design, founded in 1986, emphasizes architecture and community design proficiency, technical competency, and applied research that constitute thorough preparation for practice, now and into the 21st century. The School of Architecture & Community Design’s mission is to provide graduate level education that:
- Provides a holistic design curriculum and instruction through a variety of pedagogical approaches.
- Encourages individual and collaborative discoveries.
- Emphasizes continuity between design and construction.
- Builds technical and professional proficiency.
- Offers wide ranging global learning experiences.
- Provides opportunities for engagement with diverse communities.

and for students and faculty to conduct scholarly research and creative activity that:
- Is innovative, disciplinary, and interdisciplinary.
- Advances the understanding of the built environment as it relates to society and culture.
- Contributes to theory and practice in the disciplines of architecture and urbanism.
- Relevant to local communities.
- Advances the contemporary state of critical practice.
- Provokes (stimulates/instigates) critical discourse on architecture and urbanism.
- Explores (embraces) emerging technologies.

Our aim is to graduate professionals who will be recognized for their design excellence in enhancing the quality of the built environment.
ARCHITECTURE STUDIES FOR UNDERGRADUATES

The School of Architecture & Community Design (SACD) offers graduate degrees and certificates. In some circumstances, undergraduates can enroll in the Master of Architecture Program before completing a baccalaureate degree (see below):

M. Arch. Program for non-degree holding students

For non-degree holding students, the School’s professional program involves a minimum of 165 credit hours of undergraduate and graduate work, leading to the M. Arch. degree. No bachelor's degree is awarded.

Before entering the program, students are to complete a minimum of 60 credit hours of general education and prerequisite courses at a community college (in an associate of architecture transfer program), the University of South Florida, or other college or university. Having completed these requirements, students will complete the School’s 105 credit hour, M. Arch. program.

Students electing course of study will hold “undergraduate” status for the first 120 credit hours and “graduate” status for the remaining credit hour requirement.

In addition to, or part of, the undergraduate course requirements of 60 credit hours, all undergraduate students must have successfully completed the following prerequisites for admission into the program:

a. ARC 2211 – Introduction to Architecture – 3 cr. hrs.
c. creative art or design courses – 8 cr. hrs. (minimum)
d. an undergraduate course in Calculus;
e. an undergraduate course in Physics; and
f. an undergraduate course in Computer-Aided Drafting (CAD)
g. a GRE Test Score.

M. Arch. Program for students with a 2-year Associate’s Degree in Architecture

Students having a two-year, associate’s degree in architecture must complete a minimum of 93 credit hours in the School’s Master of Architecture program. Holders of an Associate’s degree in Architecture will normally receive a waiver of 12 credit hours for their previous design studio experience, reducing the normal 105 credit hour M. Arch. degree requirement to 93 credit hours.

Further, these students may receive waivers for the following architectural courses in which a grade of B or better was earned: Design Theory, History I, History II, and Structures I. However, pending the review of each applicant’s transcript and portfolio, these credit hour and course waivers may not be granted.

In addition to, or part of, these curricula requirements, all undergraduate students must have successfully completed the following prerequisites for admission into the program:

a. an undergraduate course in Calculus;
b. an undergraduate course in Physics; and
c. an undergraduate course in Computer-Aided Drafting (CAD)
d. a GRE Test Score.

Architecture Courses for undergraduate not seeking the M. Arch. degree

The School encourages other University students, not pursuing the M. Arch. degree, to enroll in its numerous undergraduate and graduate courses as electives within their individual majors. The School offers ARC 4784 – “The City” as an approved Exit course, as well as ARC 2001 – “Introduction to Architecture,” ARC 2131 – “Introduction to Architectural Design/Graphics”, ARC 2701 – “Architectural History I,” and ARC 2701 – “Architectural History II” as approved Foundations of Knowledge and Learning Core Curriculum (General Education) courses. Credits earned in the School’s graduate level elective courses on a non-degree seeking basis can later be applied toward advanced standing in the M. Arch. curriculum by those students who meet the School’s admission requirements.

Admission into the School of Architecture & Community Design

In order to enroll in the M. Arch. program, interested students must be accepted into the University as well as the School. Undergraduate students must be accepted into the University of South Florida by the Office of Undergraduate Admissions and into the School of Architecture & Community Design. These are separate admissions processes that involve different application forms, supportive materials, and deadlines. For more detailed information, students should see Undergraduate Admissions online and visit the SACD website at http://www.arch.usf.edu/.

RESEARCH AND OTHER ACTIVITIES

Florida Center for Community Design + Research

The Florida Center is a non-profit public service institute of the School of Architecture & Community Design. It was founded in 1986 to assist the citizens of Florida in the creation of more livable and sustainable communities through applied community design, multi-disciplinary research, and public education. The diverse staff includes architecture faculty and students, research scientists, and programmer analysts. In addition, the Center has affiliated faculty or graduate students from the Department of Anthropology, Biology, Fine Arts, Geography, and Social Work.
According to the 2004 edition of the NAAB Conditions and Procedures:

- passed the Architect Registration Examination (ARE)
- completed the Intern Development Program (IDP)
- earned a professional degree from a School accredited by the National Architectural Accrediting Board (NAAB)

normally must have:

- earned a professional degree from a School accredited by the National Architectural Accrediting Board (NAAB)
- completed the Intern Development Program (IDP)
- passed the Architect Registration Examination (ARE)

According to the 2004 edition of the NAAB Conditions and Procedures:

“In the United States, most state registration boards require a degree from an accredited professional degree program as a prerequisite for licensure. The National Architectural Accrediting Board (NAAB), which is the sole agency authorized to accredit US professional degree programs in architecture, recognizes three types of degrees: the Bachelor of Architecture, the Master of Architecture, and the Doctor of Architecture. A program may be granted a 6-year, 3-year, or 2-year term of accreditation, depending on the extent of its conformance with established educational standards.

Master’s degree programs may consist of a pre-professional undergraduate degree and a professional graduate degree which, when earned sequentially, comprise an accredited professional education. However, the pre-professional degree is not, by itself, recognized as an accredited degree.”

The Master of Architecture program at USF is fully accredited.

**BACCALAUREATE-LEVEL DEGREE PROGRAMS**

The College of The Arts offers four undergraduate degrees:

- Bachelor of Arts (B.A.) in Art Studio or Art History, Dance, Music Studies, and Theatre
- Bachelor of Music (B.M.) in Music
- Bachelor of Fine Arts (B.F.A) in Studio Art, Theatre Design, or Dance Performance
- Bachelor of Science (B.S.) in Music Education

**Undergraduate Admission to the College of The Arts**

Admission to the College of The Arts is contingent on acceptance into the university through the USF Office of Admissions. Additionally, students who wish to major or minor in art, dance, music, or theatre should contact the respective School. Admission is open for Theatre majors. Auditions are required for admission to the Dance program and the School of Music and must occur on specific dates as posted by those programs. The School of Art & Art History requires a satisfactory portfolio review of all candidates seeking admission to the B.A. in Studio Art or the B.F.A. in Studio Art. Specific dates will be posted by the program. Students who have not presented an acceptable portfolio on the posted date prior to orientation and registration will not be admitted into the School. The B.A. in Art History does not require a portfolio review. Please note, however, that Art History majors may take only those studio courses mandated by the state for their degree program. Art History students who wish to take other studio courses, or to double major, must successfully fulfill the requirement for portfolio review at the regularly scheduled time. Transfer students who wish to major in Studio Art must complete the equivalent core curriculum and pass a regularly scheduled portfolio review prior to admission to the School of Art & Art History. All prospective students in the College of The Arts must complete the necessary forms in the Office of Student Services and Advising in FAH 120 in order to be on file as majors or minors.

Although the Theatre program is an open admission programs, transfer students and current USF students who request admission to this program must be placed according to their abilities. Theatre students wishing to concentrate in performance or design must audition or have a portfolio review for acceptance into the upper-division concentration courses. Dance and music students must complete successful auditions prior to Orientation and registration for their home unit’s core courses. Art students must successfully complete a scheduled portfolio review prior to Orientation and registration.

Students with previously earned college credit, who request admission to the College of The Arts are required to provide copies of their transcripts to their advisors for the purpose of deciding which credits can apply to their degree program at USF. Copies of catalog pages with course descriptions from previous institutions are needed for each course being transferred for degree requirements. A minimum grade of “C” is usually necessary for courses in the concentration.

**The Arts Advising**

The College of The Arts (CTA) Office of Student Services and Advising, located in the Fine Arts building, offers a comprehensive service to all students in CTA and advice to non-majors who are interested in taking CTA courses. The service...
includes Stampede to Success, registration, academic advising, scholarships, graduation certification, and referrals to other university and community-based services and career-related opportunities. Three major-field advisors (art, music, theatre/dance), TAPS Advisor, Advising Assistant Director, and support staff work with students toward their matriculation according to curricular outlines. However, the student must remember that he or she is ultimately responsible for meeting all graduation requirements.

The goals of the office of Student Services and Advising are to:
- Help students clarify their life and career goals
- Help students develop their educational plans
- Help students select appropriate courses
- Help students interpret institutional requirements
- Track student progress toward established goals
- Facilitate total student development
- Foster the development of individual student's talent to the fullest

Advising Office
Tampa Campus: College of The Arts (FAH), Room 120, (813) 974-3660.

Office Hours
Office hours are 8 a.m. - 5 p.m., Monday - Friday.

General Requirements for B.A. Degrees
Within the College of The Arts

1. All degree programs require 120 credit hours.
2. General Education Requirements may be satisfied by (1) completing the university’s General Education Requirements, (2) completing the A.A. degree from a Florida Junior or Community College, or (3) completing the general education requirements from another Florida state university. General education courses transferred from other accredited institutions will be evaluated based on USF General Education equivalencies. The A.A. degree is in no way a requirement for acceptance into the College of The Arts (or into any one of its upper-level degree programs), or a requirement for graduation from the university.
3. Students admitted to the College of The Arts with transfer credits, or former students returning with credits dating ten or more years prior to admission (or readmission), will have those credits reviewed by the College and department/school and may be required to take specified competency tests in their major area.
4. In the College of The Arts at the discretion of the disciplines, must take six fine arts credit hours in a field other than the major discipline (Dance, 3 credits; BA Music Studies, 6 credits; BM Music, 3 credits). Transfer of degree fine arts credits must be evaluated by an advisor. Fine Arts courses for this requirement may be taken as S/U grading at the discretion of the instructor.
5. A maximum number of ROTC credits totaling no more than the maximum allowed in the Free Elective Area for each major may be counted toward all degrees.
6. A maximum of four credit hours of elective Physical Education credits taken at USF may be counted as general elective credit toward all degrees.
7. Students must satisfactorily meet the College Level Academic Skills Test CLAST requirement and the writing and computation course requirement of 6A-10.30 (Gordon Rule).
8. Students applying for a B.A. degree must demonstrate competency in a foreign language as described under Foreign Language Competency Policy of this catalog.
9. For degree programs, see requirements listed under each School.
10. A minimum of 20 credit hours in the major unit must be earned in residence. This requirement, however, may be waived by the school based on examination (e.g., portfolio review, audition). A student must also earn 30 of the last 60 hours of credits in residence at USF. However, any course work to be taken and any credits to be earned outside of the university must have prior approval from the appropriate school and the college in order to apply these credits toward graduation. Waiver of prerequisite course work totaling no more than 12 credit hours in the major or College requirements is possible by demonstration of competence. Unless credit is awarded by approved official tests, i.e., A.P., CLEP, the credit hours must be made up according to school or college recommendations. A faculty committee conducts waiver reviews. Specific questions concerning program requirements for all degrees in the College or other related problems should be directed to the College of The Arts Coordinator of Advising.

College Policy for Academic Progress
The following criteria will serve as the bases for disenrollment from a major in the College of The Arts:
1. Grade point average below 2.0 in the major.
2. Recommendation by major applied (studio) art, dance, music or theatre faculty with approval of respective school director.
3. The school may recommend probationary status (rather than disenrollment) for one semester when academic progress is not maintained.
Contracts and Permission Procedures

Directed Studies Contracts
All Directed Studies and other variable credit courses in the College of The Arts require contracts between students and instructors describing the work to be undertaken by the student and specifying the credit hours. These contracts are to be completed in quadruplicate and appropriately signed. It is the student's responsibility to obtain the necessary signatures and make the required distribution of all copies. **Important:** the student must have his/her signed copy of a contract at the time of registration.

S/U Grade Contracts
The College of The Arts requires that any S/U grading agreement entered into between student and instructor be formalized by a contract in quadruplicate signed by the student and the instructor and distributed according to instructions.

“I” Grade Contracts
Incompletes must be contracted for by mutual agreement between student and instructor, with the contract describing specifically the amount and nature of the work to be completed for the removal of the incomplete grade. This contract additionally clearly specifies the date that the work will be due (within legal limits) for grading. Both the student and the instructor must sign this contract and the four copies must be distributed according to instructions. **A student must not register for a course again to remove an “I” grade.**

Permission Procedures
Admission into some courses is possible only by consent of instructor (CI), consent of chairperson (CC), consent of advisor, or by audition or portfolio review. When such special permission is required, it will be the student's responsibility to obtain any required permission prior to registration.

S/U Grading in the College
1. Non-majors enrolled in courses in the College of The Arts may undertake such courses on an S/U basis with instructor approval. See Contracts and Permission Procedures for information concerning S/U Grade Contracts.
2. Credits earned by a non-major student with an “S” grade will not count toward the student's minimum major course graduation requirement should that student ultimately decide to become a major student in one of the four arts disciplines in the College. Instead, such credits earned with an “S” grade will be assigned to the student’s Free Elective category (with the exception of music, which will become non-countable).
3. Although College of The Arts majors may take coursework in their major as Free Electives, they are not entitled to the S/U grading option for these courses taken in their major subject area, even when specifically used or intended to be used as Free Electives.
4. In the College of The Arts, the only S/U graded courses available to a major student in his/her major subject area are those curriculum allowable courses designated S/U (that is, S/U only).
5. A maximum of 9 credit hours of S/U credits in non-major courses may apply towards a degree in the College of The Arts. Please refer to Academic Policies section for more information concerning the university’s S/U Grading policy.

Dean’s List Honors
See Academic Policies and Procedures, Programs and Services.

Interdisciplinary Study
There is no formal interdisciplinary arts degree offered in the College of The Arts. However, it is possible for a student to pursue such a program of study in the College by utilizing free electives allowed in the major program. A student may also choose a double undergraduate major in two units or arts disciplines within the College of The Arts as a means of interdisciplinary study. See the major advisor in the programs of particular interest.

Minor Programs
The College of The Arts offers minor programs in Art History, Dance, Music, and Theatre. Majors in the College of The Arts may pursue a minor in any certified minors program at USF except within the same arts discipline as the major. The requirements for these programs are located under the school academic program descriptions and also require that a minimum of eight hours be taken at USF. For university minor policy, consult that section in the catalog. Please note that the minor in Studio Art has been temporarily suspended.

• **ART (ART)**
The School of Art & Art History offers the Bachelor of Fine Arts degree in Studio Art, the Bachelor of Arts degree in Studio Art, and the Bachelor of Arts degree in Art History. The two studio curricula (BA - studio concentration and BFA) are designed to develop the student's consciousness of aesthetic and ideological aspects of art and its relationship to life and to assist students in the realization of personal ideas and imagery. Many students interested in college teaching, museum or gallery work, fine or commercial studio work pursue the extended discipline and experience offered at the graduate level.
Although the Studio Art programs allow many possible courses of study, most art major students will select one area of emphasis chosen from the course offerings listed.

The major areas of emphasis, available to Tampa campus undergraduate art studio students are Drawing, Painting, Sculpture, Ceramics, Electronic Media (Computer Imaging, Video), Printmaking and Photography. Admission to the School of Art & Art History Studio programs is by portfolio. Applicants should submit the required information by the deadlines for each term as posted on the School of Art & Art History website, www.art.usf.edu.

Transfer studio credit will be accepted on the basis of portfolio and transcript evaluation. The School of Art & Art History will accept all Florida state programs that are part of the "Common Prerequisites."

The Art History program (BA - Art History) reflects the faculty’s belief that strong liberal arts study, supplemented with internships and travel, is the most appropriate preparation for students who desire further study at the graduate level or professional work in the fields of art history research, teaching or galleries and museums. Students who pursue the BA in Art History will acquire a broad, thorough knowledge of art from prehistory to the present.

For additional requirements see Graduation Requirements, College of The Arts.

Prerequisites (State Mandated Common Prerequisites)

The School of Art & Art History encourages students who wish to transfer from Florida Community Colleges to complete their A.A. prior to transfer. If a student wishes to transfer without an A.A. degree and has fewer than 60 semester hours of acceptable credit, the student must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements. Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. Candidates for admission into the two studio programs must successfully complete a portfolio review at a posted review date in order to be admitted. Please note that acceptance into the School of Art & Art History does not mean that you are admitted to U.S.F. and that acceptance by U.S.F. does not mean that you have been accepted by the School of Art & Art History. Each application process is separate and both must be completed for consideration of acceptance into the studio programs.

Please note: Enrollment into the School of Art & Art History as a studio major is contingent upon two separate applications and acceptances:
1. Submission of completed USF Admissions application and acceptance into the University of South Florida, and
2. Submission of completed School of Art & Art History application and acceptance into the School of Art & Art History.
3. Application to the BA Art History does not require a separate application to the School of Art & Art History nor a portfolio.

Students may complete the prerequisite courses listed below prior to entering the university. Unless stated otherwise, a grade of "C-" is the minimum acceptable grade. The following prerequisite courses will be accepted as meeting lower level requirements.

ARTX201/X202 Design I and Design II or ART 2201
ARTX300/X301 Drawing I and Drawing II
  or ARH 3001 Art Appreciation
ARTX050/X051 Art History Survey I and Art History Survey II
ARTXXXX Any 2-3 introductory media course, 6-9 semester hours or 12 hours of ART XXXX

Note: It is recommended that transfer students complete both Design I and Design II prior to transfer. If a student does not complete Design I and Design II prior to transfer they should wait and enroll in ART 2201 (Concepts and Practices I) and ART 2203 (Concepts and Practices II) at USF.

Requirements for the B.A. Degree in Studio Art

The following courses apply to the B.A. degree in Art Studio:

I. Art Preparation (All coursework in the School of Art & Art History must have a grade of "C-" or better to satisfy program requirements.)

Total 20 hours

*History of Visual Arts I and II must be used to satisfy the General Education Historical Perspectives requirement if the student is to remain within 120 hours for the degree.

**Concepts and Practices I or II must be used to satisfy the General Education Fine Arts requirement if the student is to remain within 120 hours for the degree.

All studio courses, other than those designed as core or beginning studios, require the completion of the following core courses (ART 2201C or equivalent, ART 2203C or equivalent, ARH 2050 or ARH 2051, and ART 2301C or equivalent) and a satisfactory portfolio review. Refer to our web site at www.art.usf.edu for the scheduled review date.
II. Beginning Studio Workshops
A minimum of 12 hours from the following Beginning Studio Workshops is required. These courses may not be repeated. These courses are prerequisites to the intermediate level Studio Courses. Students must take at least one two-dimensional and one three-dimensional studio course.

- ART 2400C Beginning Printmaking (3)
- ART 2500C Beginning Painting (3)
- ART 2701C Beginning Sculpture (3)
- ART 2750C Beginning Ceramics (3)
- ART 3612C Digital Video and Electronic Arts (3)
- PGY 2401C Beginning Photography (3)

Total 12 hours

III. Intermediate Studio Workshops
A minimum of 6 hours from the following:

- 3000 Level Studio (6)

Total 6 hours

B.A. students may take advanced courses if they have the requisite 3.25 Major G.P.A. and course prerequisites. This would represent work in excess of degree requirements.

IV. Expanded Context Courses
A minimum of 3 hours of your studio work must be from selected expanded context courses. Expanded context courses include ART 4806 Theme Studio, cross-media classes and/or ART 4930 special topics studio classes.

V. Art History
A minimum of 12 hours in the following history courses:

- ARH 4100 Prehistoric & Ancient (4)
- ARH 4170 Greek & Roman (4)
- ARH 4200 Medieval (4)
- ARH 4301 Renaissance (4)
- ARH 4350 Baroque and Rococo (4)
- ARH 4430 19th Century (4)
- ARH 4450 20th Century** (4)
- ARH 4520 African (4)
- ARH 4530 Asian Art (4)
- ARH 4800 Critical Studies (4)
- ARH 4930 Art History: Selected Topics*** (4)

Total 12 hours

*4 hours may be taken in either critical studies seminar ARH 4800 or Directed Reading ART 4900.
**ARH 4450 is required of all majors.
***ARH 4930 Art History: Selected Topics may be taken for degree credit only by approval of the academic advisor for the School of Art and Art History.

VI. Additional Requirements
Extended Studies* (2)

Total 2 hours

*Paris Program, Public Art, Museum Internships, Community Art, Artists Internships/Apprenticeships, and London Middlesex Program.

VII. Recommendations
Students are encouraged to take additional credits in the Studio Workshops and Theme Studio Courses to fulfill art electives. Total Art 55 hours

Total Semester Hours for the B.A. degree in Art Studio:
Please note under General Education that the Historical Perspectives must be satisfied with History of Visual Arts I, ARH 2050 and History of Visual Arts II, ARH 2051, and that Fine Arts must be satisfied with Concepts and Practices I, ART 2201 or Concepts and Practices II, ART 2203.

- FKL Core Curriculum* (27)
- Exit Requirements (9)
- Art Requirements (55)
- Free Electives (Maximum Art 9 hours) (29)

Total 120 hours

*Please note that 9 hours of FKL requirements are satisfied by the Art School curriculum and that the actual total hours in FKL courses remains 36 as state-mandated.

Note: All Students earning a B.A. degree in Studio Art or Art History must complete the Foreign Language Exit Requirement.
Requirements for the B.F.A. Degree in Studio Art

Admission into the B.F.A. program is contingent upon the student having a 3.25 major GPA, which must be maintained for the degree to be awarded. The accelerated studio experiences provided for students meeting the requirements of the Bachelor of Fine Arts degree will better prepare them for professional participation in the visual arts. Any B.F.A. candidate with a major G.P.A. of less than 3.25 upon completion of 40 hours in the major must change his or her program from B.F.A. to B.A.

All studio courses, other than those designated as core, or beginning studios require the completion of the following core courses (ART 2201C or equivalent, ART 2203C or equivalent, ARH 2050 or ARH 2051, ART 2301C or equivalent, and ART 3310C or equivalent) and a satisfactory portfolio review. Refer to our web site at [www.art.usf.edu](http://www.art.usf.edu) for the scheduled review date.

The B.F.A. program in Studio Art will expose the student to many possibilities in the art-making process. The areas of emphasis in art media on the Tampa campus are painting, drawing, printmaking, photography, sculpture, ceramics and electronic media/video/performance. These options provide access to a comprehensive program of study in art. Students can develop their conceptual and technical skills in a particular art discipline or decide to investigate a specific subject through the use of numerous media and "mixed" forms of art.

The USF School of Art & Art History hosts fully equipped studios in all of these disciplines.

The new B.F.A. program in Graphic Design is limited access and offered only at USF St. Petersburg. (Juniors and Seniors only.)

Transfer credit from other institutions is accepted on the basis of portfolio and transcript evaluation. The School of Art & Art History accepts transfer credit from all Florida programs that are part of the “common course prerequisites”.

*Please note that 9 hours of the FKL requirements are satisfied by the Art School curriculum and that the actual total hours in FKL courses remains 36 as state-mandated.

Requirements for the B.A. Degree in Art History

The following courses are necessary for completing a B.A. degree in Art History:

I. Art Preparation (All coursework in The School of Art & Art History must have a grade of "C-" or better to satisfy program requirements.)
   - ARH 2050 History of Visual Arts I* (3)
   - ARH 2051 History of Visual Arts II* (3)
   - ART 2201C Concepts and Practices I (4)
   - ART 2301C Beginning Drawing (3)
   Total 13 hours
*History of Visual Arts I and II must be used to satisfy the General Education Historical Perspectives requirement if the student is to remain within 120 hours for the degree.

Plus: Minimum of 24 hours in the following history courses:

II. Art History Survey
   - ARH 4100 Prehistoric & Ancient (4)
   - ARH 4170 Greek & Roman (4)
   - ARH 4200 Medieval (4)
   - ARH 4301 Renaissance (4)
   - ARH 4350 Baroque and Rococo (4)
   - ARH 4430 19th Century (4)
   - ARH 4450 20th Century (4)
   - ARH 4520 African (4)
   - ARH 4530 Asian Art (4)
   - ARH 4930 Art History: Selected Topics* (4)
   Total 24 hours
*ARH 4930 Art History selected topics may be taken for degree credit only by approval of the academic advisor for the school of art and art history.

III. Art History Critical Studies or Directed Reading**
   - ARH 4800 Critical Studies in Art History and/or
   - ART 4900 Directed Reading
   Total 12 hours
**Students may substitute 4 hours of ARH 4800 Critical Studies for 4 hours of 4000 level art history survey by permission of the instructor.

IV. Plus
   Extended Studies: required of all majors (2)
   (London Middlesex Program, Paris Program, Public Art, Museum Internships, Community Art, Artists Internship/Apprenticeships, Art History Apprenticeships)
   Total 2 hours

V. Recommendations
   Students are encouraged to take additional credits in Art History critical studies courses and Art History survey courses. Total Art History 51 hours

Total semester Hours for the B.A. degree in Art History
FKL Core Curriculum* (30)
Enter Requirements (9)
Art Requirements (51)
Free Elective (Maximum Art 9 hours) (30)

   Total 16 hours

VISITING ARTISTS AND SCHOLARS
The School of Art & Art History is widely known for the consistent level of excellence of its programs. Aside from the contributions of its permanent staff, and to insure the continuing expansion of learning opportunities available to students, the School has brought to the campus internationally known artists and lecturers such as Alice Aycock, Linda Benglis, Jack Burnham, James Casebere, Albert Chong, Robert Colescott, Hal Foster, Edward Fry, Guillermo Gomez-Pena, Adam Gopnik, The Guerrilla Girls, Dave Hickey, Barbara Kruger, Donald Kuspit, Alfred Leslie, Komar and Melamid, Marlon Riggs, Tim Rollins, Alison Saar, Lorna Simpson, Miriam Shapiro, Robert Stackhouse, Renee Stout, Sidney Tillum, and The Art Guys.

USF CONTEMPORARY ART MUSEUM
The USF Contemporary Art Museum (CAM) is recognized as one of the leading cultural institutions in the state by the State of Florida Cultural Institutions Program. The USF CAM brings vital, investigative, and scholarly exhibitions of contemporary art to the university and Tampa Bay Community. Artists include Matt Mullican, Robert Stackhouse, Pat Steir, Tyler Turkle, and Robin Winters, as well as internationally recognized artists from Africa, Europe, and Latin America, such as Leo Copers, Patrick Corillon, Alfredo Jaar, Antonio Martorelli, Pepon Osorio, and Peter Weibel. The Museum also houses the university’s art collection with exceptional holdings in graphics, sculpture multiples, and recent photography. The Museum is actively engaged in commissioning architecturally related public art projects designed to enhance the public spaces on the USF campus. Recent projects include works by Dale Elred, Richard Fleischer, Doug Hollis, Nancy Holt, Ned Smyth, and Elyn Zimmerman. USF CAM organizes symposia, lectures, workshops, and visiting artist presentations to engender interest in contemporary art, educate the public, and facilitate the exchange of ideas among artists, museum members, experts in the art field, and the community. The exhibition, educational programs, and art collection serve as an integral part of the studio and art history curriculum of the School of Art and Art History and other liberal studies areas while enhancing the cultural vitality of the campus and Tampa Bay communities.

GRAPHICSTUDIO
The Institute for Research in Art/Graphicstudio was founded within the College in 1968 to perform basic research in the visual arts through collaboration with internationally renowned artists in the production of print and multiple editions. Over the years, Graphicstudio has received many honors including the establishment of a permanent archive at the National Gallery of Art in Washington, D.C., and the achievement of the “Florida Arts Recognition Award” from the Department of State. Work/study programs, directed study, as well as graduate assistantships are available to USF students at Graphicstudio’s production facility. Students are able to study completed editions as well as preparatory works in the Graphicstudio Gallery. Graphicstudio also sponsors lectures by invited guests and colloquia on a variety of subjects relating to the visual arts.
• DANCE (DAN)

The dance program in the School of Theatre & Dance offers professional preparation through a curriculum of study within two degree options: B.F.A. in Dance Performance and B.A. in Dance Studies. There is an expressed commitment to the development and production of original creative works as extensions of studio/classroom experiences, of faculty research, and in interaction with guest artists.

The presentation of dance in concert is essential to the educational mission, and provides students and the community with numerous opportunities for expanding aesthetic experiences.

Through intensive study in dance technique, creative studio studies and dance theory, students are prepared for careers in performance, choreography, and education. Additionally, these degree programs may help prepare students for graduate work in Dance Sciences/Medicine, Dance Therapy, Arts Management, Performance, Choreography, or Interdisciplinary Studies.

Admission to the Dance program is contingent upon acceptance by the university and successful completion of a placement audition. Students must complete the audition prior to Orientation and registration for Dance courses.

Prospective majors must contact the School of Theatre and Dance for audition dates prior to being permitted to register for classes. Acceptance into major technique classes is by faculty audition. Acceptance into each of the degree programs (B.F.A., B.A.) requires acceptable technical proficiency, academic standards commensurate with USF guidelines, and recommendation of the faculty.

USF Dance in Paris Program

In May of 2007, the Dance program at USF expanded the parameters of its curriculum by offering its students a program of study in Paris. This four-week course will present an opportunity for dance majors to expand their historical, cultural and performance-based knowledge through exposure to the rich tradition of dance in the French capital.

The goal of the USF Dance in Paris Program is to enable students to expand upon information they have already gleaned from several courses required of dance majors: history, choreography, and technique.

Led by USF faculty members, this four-week intensive course in Paris will also feature studio classes taught by Parisian and other European dancers and choreographers of distinction, thereby exposing students to the contemporary Continental dance lexicon.

As Paris is the cradle of western dance civilization, students will visit the sites of some of history’s greatest dance events, including The Paris Opera, the Theatre de Chaillot and Versailles. Further, students will be led to reevaluate their notions of traditional dance-making by embarking upon projects involving site-specific work in the city’s many museums and music venues as well as those areas unique to the everyday life of the city, such as its cafes and the metro. Students will also attend performances by important dance artists working in Paris or visiting from elsewhere, thereby expanding their performance vocabulary.

Prerequisites (State Mandated Common Prerequisites)

The College of The Arts encourages students to complete the A.A. degree at a Florida College System institution. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. If a student wishes to transfer without an A.A. degree and has fewer than 60 semester hours of acceptable credit, the student must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements. Please be aware of the immunization, foreign language, and continuous enrollment policies of the university.

Students are encouraged to complete the following required courses and/or electives (if available) during the program of study at the community college. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of “C” is the minimum acceptable grade. If students are coming to the university from a Florida College System institution, the following prerequisite courses will be accepted as meeting lower level requirements.

Prerequisites for B.F.A. in Dance Performance and B.A. in Dance Studies:

- Any 24 credit hours from the following 30 hours will be accepted toward the major.
  - DAN X610 (3) or DAN X600 (3)
  - DAN X611 (3) or DAN X601 (3)
  - DAA X610 (2)
  - DAA X611 (2)
  - DAA X680 (2) - or any lower level Repertory course in the X400-X400 series up to 4 credit hours.
  - DAA X681 (2) - or any lower level Repertory course in the X400-X400 series up to 4 credit hours.
  - DAA X200-X209 (8) - Up to 8 credit hours of any lower level Ballet Technique courses within the X200-X209 taxonomy.
  - DAA X100-X109 (8) - Up to 8 credit hours of any lower level Modern Technique courses within the X100-X109 taxonomy.

Although credit or elective credit toward the major will be given for these courses, placement in upper level technique classes will continue to be based on individual proficiency. Other technique courses in other styles of dance may be accepted toward the major on a case-by-case basis at the discretion of the university. Transfer dance credits must be evaluated by faculty and dance advisor at time of entrance.
Requirements for the B.F.A. Degree in Dance

The BFA in Dance Performance (Ballet or Modern emphasis) offers professional preparation, which includes extensive study in Studio Technique, Choreographic Studies and Dance Theory. The focus of this degree is the development of dancers who will enter the professional world of dance/arts as performers and choreographers. Beyond the expectations for continuing opportunities for performance, students selecting the BFA will develop and present solo and group Senior Choreographic Projects.

The BFA is a limited access program. Students must participate in a selective admissions procedure. At the end of their third semester, students will be assessed by Dance faculty to determine eligibility. Dancers must continue to take technique courses throughout their degree program.

Requirements for the B.A. Degree in Dance Studies

The B.A. in Dance Studies is designed to provide students with a comprehensive core of study in Studio Technique, Choreographic Studies, and Dance Theory. The focus of this degree is to enable the student to combine dance with another area of interest and encourage the development of an individualized program of study through the selection of general education requirements as well as a focused selection of elective courses. The selection of electives should be designed to provide each student with the maximum value of a liberal arts education within a focused area of study. A student with additional interest in another field (i.e. African Studies, Anthropology, Communications, Education, History, Psychology, Religious Studies, Theatre, Women’s Studies, etc.) should complete focused study in that area along with the core of study in dance. Each student is required to develop a final independent project incorporating dance with his or her focused study. Dance students must continue to take at least one technique course each semester. At the end of the third semester faculty will determine if appropriate progression has been made for continuation in the B.A. Dance Studies track.

Coursework to be taken at USF

Studio Technique (20 semester hours)

DAA 3108 Modern II (6)
DAA 3208 Ballet II (6)

Free Electives (15-17 semester hours)

B.S. Degree in Dance Education

The Dance Education Curriculum is currently suspended. See the Director of the School of Theatre & Dance for further information. It is recommended that students seeking to become teachers obtain a B.A. in Dance Studies with specialization in Education.
Requirements for the Dance Minor

The Dance Minor is designed to provide students with a scope of experiences in dance that include studio technique, creative studio studies and dance theory. The student selecting a Dance Minor should arrange to meet with the academic advisor in dance prior to enrolling for classes.

Studio Technique (10 semester hours)
Select 10 credits from:
- DAA 2205 Ballet I (2)
- DAA 3208 Ballet II (3)
- DAA 3209 Ballet III (3)
- DAA 4211 Ballet IV (4)
- DAA 2105 Modern Dance I (2)
- DAA 3108 Modern Dance II (3)
- DAA 3109 Modern Dance III (3)
- DAA 4111 Modern Dance IV (4)
- DAA 2504 Jazz Dance (2)
- DAA 4930 Special Topics in Dance (2)

(Studio Dance courses may be repeated once toward the Dance Minor.)

Creative Studio Studies (4 semester hours)
Select 4 credits from:
- DAA 3624 Dance Improvisation (2)
- DAA 3614 Choreography I* (2)
- DAA 3615 Choreography II* (2)

*Music for Dance is a pre-requisite for Choreography and instructor approval.

Dance Theory (6 semester hours)
Select 6 credits from:
- DAN 2100 Introduction to Dance (3)
- DAN 4134 Dance History Through the 19th Century (3)
- DAN 4135 20th Century Dance History (3)

Dance Electives (4 semester hours)

TOTAL 24

Critiques
1. All students will be evaluated periodically by the faculty and critiqued each semester and will participate in progress conferences with the faculty.
2. If a student evidences deficiency in some area or in continuing progress toward the degree, the student may be placed on probation within the Dance program.
3. Failure to make satisfactory progress after being placed on probation shall constitute grounds for program recommendation to drop and discontinue the major.

Minimum Grade for Dance Courses
A student must receive a “C” grade or better in required courses for Dance Majors. Should a student fail to do so, the course(s) in which the student receives “D” or “F” must be repeated and a “C” grade or better earned. Note: The student choosing a Dance Minor must achieve a “C” or better in all courses applied to the minor in dance.

Additional Standards
In addition to meeting the specific requirements and standards discussed above, the student and advisor will periodically evaluate the student’s general progress. Students are required to meet with the Academic Advisor in Dance each semester. An unsatisfactory rating in one or more of the following areas could place the student on probation. A student on probation is given a specific amount of time to achieve a satisfactory rating before being dropped from the major program. The criteria include:
1. Appropriate academic progress.
2. Adequate technical skills and adaptability.
3. “B” average in major studio classes.
4. Physical conditioning that includes: nutrition, flexibility, strength, and healthful weight management necessary to facilitate safe technical and artistic expression.
5. Class probation and program probation require review, i.e., reinstatement in good standing or recommendation to drop major.

For other non-major requirements see both The Arts College requirements and the university’s General Distribution and graduation requirements.
Visiting Artists and Artists-in-Residence

The School of Theatre & Dance believes in the ongoing influence of guest artists as choreographers, teachers for master classes, residencies and performers. The programs provide numerous opportunities to enhance the students’ artistic awareness of professional possibilities.

• MUSIC (MUS)

The music curriculum is designed for students gifted in the performance and/or composition of music. Applicants for a major in music are required to pass an entrance audition in their respective performance areas. Composition applicants may be asked to submit appropriate scores and/or tapes of their compositions for faculty appraisal in addition to passing an entrance audition.

Academic programs offered in the Bachelor of Music degree include the areas of Performance (voice, piano, and orchestral instruments), Composition (acoustic and electronic), Electronic Music (including acoustic), and Jazz Studies.

The B.S. degree in Music Education is designed to serve students who wish to develop a high level of musical expertise and have a commitment to help develop musical potentials in other people.

The B.A. degree in Music Studies is a liberal arts degree with a greatly reduced number of credit hours in music. It allows students to pursue a double major and/or a minor in another field. The B.A. is offered with a choice of emphasis in performance, composition, music history, or music theory.

Acceptance into the School of Music

Students must apply for acceptance into the USF School of Music if they are an incoming freshman, transfer student, or part-time student and plan to major in any undergraduate degree program or minor in music. Contact the Coordinator of Auditions.

Applying for acceptance by audition into the School of Music is a separate procedure from the University admissions process. If a student is accepted into the School of Music but is denied acceptance into the University, he or she may contact the School for assistance in appealing this decision.

Auditions

Audition Procedure: All students must audition before a committee consisting of the appropriate music faculty members. Campus audition dates are scheduled each year during January and February for Fall admission to the School of Music. Auditions for Spring admission are scheduled during December juries. Taped auditions may be considered, but must be heard by the faculty committee as above. Composition and Electronic Music students may submit a portfolio as well as arrange an audition. Note that scholarship consideration will be given for live auditions only.

Music Theory Placement Examination

All freshmen and transfer music students are required to take a Music Theory Placement Examination. If the music advisor determines that a student does not have a background to be placed beyond Level 1, they will be registered for MUT 1111. For placement in the Written and/or Aural Theory sequence, placement tests are given at the first class meeting of MUT 1111. This test is evaluated by the Theory Coordinator and an appropriate placement is determined. The results of the exam will indicate the level of theory to which the student will be assigned.

Transfer Policy

USF evaluates and transfers credits from other institutions the student has attended. To insure that transfer credits are properly applied toward the degree program, the issue should be discussed with the music advisor (CTA advising office, FAH 120). Personal copies of transcripts (in addition to those sent to USF) of all past course work and a copy of a catalog from the institution(s) at which the credits were earned should be shown to the advisor. This will help to credit the maximum application of course work completed at other institutions to a USF degree. Credits applicable to the degree will be transferred only if they have grades of “C-” or better.

All incoming students must audition for acceptance into the School of Music and for placement in the applied music studio. Additionally, they must take placement tests in written theory, aural theory, and keyboard skills in order to receive advice for appropriate registration.

Theory courses taken in the Florida College System and the Florida State University System automatically transfer and substitute for the equivalent courses at USF.

Florida College System students are encouraged to complete the A.A. degree at the Florida College System institution. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. If a student wishes to transfer without an A.A. degree and has fewer than 60 semester hours of acceptable credit, the student must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements. Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

Applied Music Requirement Policy

The following degree requirements must be completed in applied music:
B.M. in Performance and Jazz  
Minimum of 24 hours, including a minimum of two semesters (6 hours) at the 4000 level.

B.M. in Composition and Electronic Music  
Minimum of 8 hours of applied music principal, including a minimum of two semesters at the 2000 level or higher.

B.S. in Music Education  
Minimum of 12 hours of applied music principal, including a minimum of two semesters at the 3000 level.

First-time-in-college (FTIC) students generally will be placed at the 1000 applied music level; transfer students will be evaluated by the faculty Audition Committee and placed at the appropriate level. All students will be promoted to their next level of instruction upon the recommendation of their applied music teacher and successful completion of a performance examination (jury) by area applied music faculty. This examination may be scheduled at the conclusion of any semester, but definitely will occur at the end of spring semester.

Although permission is occasionally granted by the applied area faculty to give a recital in the first semester of the final required level, no more than two semesters of applied studio lessons are allowed at each level, i.e., 1000, 2000, 3000, and 4000 levels. In rare instances, a third semester at the final required level for the degree program (3000 for BA Performance Emphasis and BS degrees; 4000 for BM degree) may be allowed for extenuating circumstances only by faculty jury consent. Therefore, the junior recital must be given no later than the second semester of the 3000 level, and the senior recital must be given no later than the junior recital of the 4000 level. Note: Failure to comply with the semester/level regulation and to earn at least a C- in any given semester will result in an automatic dismissal from the School of Music.

Applied music courses consist of private lessons (time to be arranged between the student and faculty member) as well as scheduled studio meetings. All undergraduate students enrolled in applied music are required to be enrolled concurrently in at least one appropriate major ensemble corresponding to the applied major. Scholarship students may be required to enroll in additional ensembles.

Piano Proficiency Requirement Policies
All Music Majors (other than Piano Performance and Jazz Studies majors) must demonstrate proficiency on the piano, as established by the syllabi for Keyboard Skills I-IV, in order to graduate. They may do this in one of three ways:

1. A Piano Proficiency Placement Exam, whereby students are expected to demonstrate technical and musical skills through performance of repertoire, scales, arpeggi, harmonization, improvisation and sight-reading. (Sign-up sheets for this exam are posted outside FAH 217 during the first week of classes.) For students who do not pass this exam, the School of music offers four levels of Keyboard Skills courses as electives. Students will be placed in the level indicated by their exam performances. Ultimately, a grade of “C-” or better in Level IV satisfies the Piano Proficiency Requirement.

2. If the music advisor determines that a student does not have a background to be placed beyond Keyboard Skills Level I, they will advise the student to register for Level I and no exam will be necessary.

3. A student who feels that he or she has acquired the necessary skills to meet the Piano Proficiency Requirement (either through accelerated practice or private lessons) may also sign up for the Piano Proficiency Placement Exam the first week of any semester and demonstrate their acquired skills to the Keyboard Skills Coordinator. If a student passes this exam, the Piano Proficiency Requirement will be met.

Jazz Studies majors must satisfy the Jazz Piano Proficiency requirement through a placement test administered by the jazz faculty after completing the Jazz Theory and Improvisation II.

Recital Attendance Requirement
All music majors and minors are expected to attend recitals throughout the duration of their degree program. All BM majors are required to attend a minimum of 80 recitals. Music Studies and Music Education majors are required to attend a minimum of 60 recitals. Music minors are required to attend a minimum of 20 recitals. It is recommended that students attend an average or 10 to 15 recitals each term. Transfer students will have the attendance requirement pro-rated according to their studio level placement, allowing for 10 recitals to be credited for every term waived.

Students should sign programs they attend and turn them in to the music office with their name and student I.D. number on each program. The purpose of this requirement is to ensure that music students hear a variety of student, faculty and other professional-level performances. Students should register for MUS 2010, Recital Attendance, in the term in which they expect to complete the requirement. The course is graded S/U and is required for graduation.

Major Performing Ensembles
To fulfill major ensemble requirements, music majors and minors may use the ensembles listed on the music advising website. All students enrolled in applied music for 2 or 3 hours are required to enroll in a major ensemble appropriate for their performance medium. A list of approved major ensembles is provided on the music advising website.
• Upper division BM voice performance majors may take up to two semesters of opera as a major ensemble. Scholarship students may be required to enroll in additional ensembles.

• Upper division voice principals in the BS degree program in Music Education or the BA degree program in Music Studies (applied emphasis) may take up to one semester of opera as a major ensemble. Scholarship students may be required to enroll in additional ensembles.

• Students who elect to take applied music beyond their minimal degree requirements will have the option of enrolling in either choral ensembles or in opera. Scholarship students may be required to enroll in additional ensembles.

Minimum Grade for Music Courses
All music majors and minors must earn at least a “C-” in every music course required for their degree program. Music education students must earn at least “C-” in all required music, music education, and education courses. Registration in required music courses resulting in grades of “D” or “F” must be repeated. Sequel courses may not be taken until prerequisites are satisfied with appropriate grades or waivers.

Requirements for the B.M. Degree in Performance (MPF), Composition (MUC), Electronic Music (EMU), and Jazz Studies (MJP)

Prerequisites (State Mandated Common Prerequisites)
Transfer students should complete the following prerequisite courses listed below at the lower level prior to entering the university. If these courses are not taken at a Florida community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of “C-” is the minimum acceptable grade. If students are coming to the university from a community college, the following prerequisite courses will be accepted as meeting lower level requirements.

MUT 1111 Music Theory
  or MUT 1121, 1122, 2126, or 2127
MUT 1112 Music Theory
  or MUT 1121, 1122, 2126, or 2127
MUT 2116 Music Theory
  or MUT 1121, 1122, 2126, or 2127
MUT 2117 Music Theory
  or MUT 1121, 1122, 2126, or 2127
MUT 1241 Aural Theory
  or MUT 1221, 1222, 2226, 2227,1261, 1261, 2266, 2267, 1271, 1272, 2276, or 2277
MUT 1242 Aural Theory
  or MUT 1221, 1222, 2226, 2227, 1261, 1261, 2266, 2267, 1271, 1272, 2276, or 2277
MUT 2246 Advanced Aural Theory
  or MUT 1221, 1222, 2226, 2227, 1261, 1261, 2266, 2267, 1271, 1272, 2276, or 2277
MUT 2247 Advanced Aural Theory
  or MUT 1221, 1222, 2226, 2227, 1261, 1261, 2266, 2267, 1271, 1272, 2276, or 2277
MUNXX Chamber Music Ensemble, 4 semester hours
MVX1X1X Secondary Applied Music Courses,
  2-4 semester hours
MVX2X2X Secondary Applied Music Courses,
  2-4 semester hours
Secondary Piano Proficiency by Examination
  or MVK 1111, 1112, and 2122
  or MVK 1111r, 1112r, 2121r, and 2121r
  or MVK 1211 and 2221
Electives: Music credits beyond those required may be used as program electives.

Core Requirements for Performance, Composition, and Electronic Music Concentrations

Music Theory (22)
MUT 1111 (3) MUT 2116 (3) MUT 4571 (3)
MUT 1112 (3) MUT 2117 (3) MUT 4411 (3)
MUT 1241 (1) MUT 2246 (1) or
MUT 1242 (1) MUT 2247 (1) MUT 4421 (3)
Music Literature (3)
   MUL 2111 (3)*

Music History (8)
   MUH 3301 (3)* MUH 3302 (3)*
   MUH 3300 (2) or MUH 2051 (3) or MUH 4058 (3)* or MUH 4801 (3)

Conducting (2)
   MUG 3104

Senior Seminar (1)
   MUS 4935 (1)
   MUS 2010 Recital Attendance (0)

Ensemble
   Performance Majors (8), Composition (4)
   All students enrolled in applied music for 3 or 2 credit hours are required to enroll in a major ensemble appropriate to their
   performing medium.

Music Electives (12-13 hours)

CTA Requirement (3 hours)
   Music majors should take one 3-hour CTA course certified in the Fine Arts section of the Foundations of Knowledge and
   Learning Core Curriculum or the Liberal Arts Requirements in order to graduate within 120 semester credit hours. This course
   must be taken in the School of Art and Art History or Theatre and Dance, not in the School of Music.

Performance Concentration
   • Voice performance majors must enroll in MUS 2201 for a total of 3 credits as part of their Music Electives.
   • Voice performance majors are required to be competent at the beginning level of French, German, and Italian languages
     in addition to taking foreign language diction classes offered in the School of Music. Proficiency tests are administered
     by the Department of World Language Education. If needed, courses 1120 (4 credit hours) and 1120L (lab for 1 credit hour)
     in each language may be taken in the College of Arts and Sciences for up to 15 credit hours to meet the foreign language
     proficiency requirement.
   • Upper division BM voice performance majors may take up to two semesters of opera as a major ensemble. Students who
     elect to take applied music beyond their minimal degree requirements will have the option of enrolling in either choral
     ensembles or in opera.
   • Performance majors in piano are required to enroll in MVK 4640 for 4 credits as a part of the Music Electives.
   • The following requirements for the piano pedagogy emphasis are to be taken as a part of the Music Electives:
     MVK 4640 (4) MVK 4641 (4)

Recital Scheduling Procedures and Policies
   JUNIOR RECITAL FOR BA AND BM DEGREES: A public recital (must be shared with another junior recital) will be given
   during the student’s junior year. The student should have achieved junior classification as defined by the university and should
   be enrolled at the 3000 level in applied music, which would normally occur during a student’s third year of study. Credit may
   be granted to transfer students for junior recitals completed at other institutions. This recital should have been completed
   during the student’s junior year at that institution and a request for recognition of that recital should be made in writing to the
   applied division coordinator. No studio teacher is under any obligation to accept these transfer recitals.
   JUNIOR RECITAL FOR BS DEGREE IN MUSIC EDUCATION: A public recital will be given during the student’s last year of
   applied music study. The student should have achieved junior classification as defined by the university and should be enrolled
   at the 3000 level in applied music. A recital performed at another institution will not satisfy graduation requirements for USF.
   The recital must be performed on the USF campus and the student must be enrolled in the studio of a USF faculty member
   during the term of said recital. Exceptions may be made by the Director of the School of Music when deemed appropriate.
   SENIOR RECITAL FOR BM DEGREE: A public recital will be given during a student’s senior year. The student should have
   achieved senior classification as defined by the university and should be enrolled at the 4000 level in applied music, which
   would normally occur during a student’s fourth year of study. A senior recital performed at another institution will not satisfy
   graduate requirements for USF. The recital must be performed on the USF campus and the student must be enrolled in the
   studio of a USF faculty member during the term of said recital unless written permission to deviate from this policy is obtained
   from the School of Music Director.
   A RECITAL APPROVAL FORM MUST BE COMPLETED FOLLOWING ALL RECITALS AND PLACED IN EACH MUSIC
   STUDENT’S ADVISING FOLDER IN ORDER FOR DEGREE CERTIFICATION PROCEDURES TO BE COMPLETED.

Composition Concentration: Senior Recital Requirement
   Portfolio and Presentation: The student will produce an approved acoustic composition portfolio of 60 minutes; 45 minutes
   must be performed publicly through the period of study. All portfolio compositions must be produced under the instruction of
   the composition faculty while enrolled in Music Composition classes and lessons (MUC 2221, 3231, and 4241.) In addition,
   up to 15 minutes of original music (not arrangements) may be from approved Electronic Music, Orchestration, 20th-Century
Theory, and Jazz Composition courses. Prior approval by the composition faculty is required for any work’s inclusion in the portfolio. For a piece to earn performance minutes, it again must gain prior faculty approval and have proper documentation of the performance included in the portfolio. Note that in-class performances do not constitute a public presentation; however, readings by major ensembles do count as a public performance.

The Portfolio, presented in a final jury before graduation, shall include:
1. A Cover Sheet, listing every composition, the duration, and minutes performed. Include venue, date, and program of performance
2. One score of each composition, (professional quality and individually bound). An exception to this is when a written score is deemed not applicable to a particular work.
3. Recordings (when available) should be compiled on a single, well-labeled compact disc. Identify any recordings that are of public presentation minutes

Applied Music (Principal) (8)
A minimum of 8 credit hours of applied music is required with a minimum of 4 credit hours at the 2000 level.

Composition Courses (24)
- MUC 2301 (3) MUC 2221 (3, 3) MUC 3231 (3)
- MUC 3401 (3) MUC 3402 (3) MUC 4241 (3)
- MUT 4311 (2) MUT 4312 (2)

Electronic Music Concentration: Senior Recital Requirement

Portfolio and Presentation: The student will produce an approved electronic composition portfolio of 60 minutes; 45 minutes must be performed publicly through the period of study. All portfolio works must be produced under the instruction of the Electronic Music faculty while enrolled in SYCOM classes. At least 15 minutes of electronic music must be multimedia in nature, that is, involving collaboration with acoustic instruments, theater, dance, visual arts, film, or other approved medium. In addition, up to 15 minutes of original music (not arrangements) may be acoustic compositions from approved Music Composition, Orchestration, 20th-Century Theory, and Jazz Composition courses. Prior approval by the electronic music faculty is required for any work’s inclusion in the portfolio. For a piece to earn performance minutes, it again must gain prior faculty approval and have proper documentation of the performance included in the portfolio. Note that in-class performances do not constitute a public presentation; however, readings by major ensembles do count as a public performance.

The Portfolio, presented in a final jury before graduation, shall include:
1. A Cover Sheet, listing every composition, the duration, and minutes performed. Include venue, date, and program of performance
2. All Recordings compiled on a single, well-labeled compact disc
3. A clearly labeled, standard video DVD of multimedia performances, (if applicable.)
4. Scores (professional quality/individually bound) of works involving acoustic instruments.

Applied Music (Principal) (8)
A minimum of 8 credit hours of applied music is required with a minimum of 4 credit hours at the 2000 level.

Composition Courses (29)

Ensemble:
Performance (8) All students enrolled in applied music for 2 or 3 hours are required to enroll in a major ensemble appropriate for their performing medium.

Music Electives (12-13 hours)

CTA Requirement (3 hours)
Music majors should take one 3-hour CTA course certified in Historical Perspectives or one 3-hour CTA course certified in the Fine Arts section of the Liberal Arts Requirements in order to graduate within 120 semester credit hours. These courses must be taken in the Schools of Art and Art History and/or Theatre and Dance, not in the School of Music.

Jazz Studies Concentration

Applied music (major) through the 3000 level (min. of 18 hours).
The Basic Jazz Theory Exam must be successfully completed before a student is allowed to enroll in MUT 2641, Jazz Theory/Improvisation I class. The exam is offered on the first day of each Fall semester.

All Jazz Studies majors must successfully complete the Improvisational Competency Exam before they are permitted to present their Junior Recital or be admitted to MUT 3663, Advanced Jazz Improvisation. The exam is offered each semester during Final Exams (juries) and is adjudicated by the Jazz Studies faculty. Each student must demonstrate competency in the art of improvisation on repertoire drawn from the Jazz Chamber Ensemble Tune List and materials taught in MUT 2641-2642, Jazz Theory and Improvisation I-II.
(See Piano Proficiency Requirement Policies)

Requirements for the B.S. Degree in Music Education (MUE)

Prerequisites (State Mandated Common Prerequisites)
Transfer students should complete the following prerequisite courses listed below at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Unless stated otherwise, a grade of “C-” is the minimum acceptable grade. If students are coming to the university from a Florida College System institution, the following prerequisite courses will be accepted as meeting lower level requirements.

Note: The following prerequisites are required for all education majors. Students should consult their intended majors (listed under "Departments and Programs," below) for a list of other specific course prerequisites and requirements beyond these listed below:

- EDF X005 Introduction to the Teaching Profession
- EDG 2085 Introduction to Diversity for Educators
- EME 2040 Introduction to Computers in Education

MUT x111 Music Theory or MUT x121, x122, x126, or x127
MUT x112 Music Theory or MUT x121, x122, x126, or x127

MUNXXX 4 semester hours
MVxX11 Secondary Applied Music Courses, 2-4 semester hours
MVxX21 Secondary Applied Music Courses, 2-4 semester hours
Secondary Piano Proficiency by Examination or MVK x111, x112, x121 and x122 or MVK x111r, x112r, x121r or MVK x211 and x221

This is an official state teacher education program. All music education students must demonstrate teaching proficiency upon completion of MUE 2090 in order to continue in the program. Students remain coded as pre-music education (MPE) until all degree admission requirements have been met.
ALL FKL courses, lower-level education courses, and examinations required by the College of Education must be
completed for official admission to the BS degree program in music education. The FTCE (Florida Teacher Certification Exam),
which includes the GKT (General Knowledge Test), the PED (Professional Education Exam), and the SAE (Subject Area
Examination in Music) must be taken before entering the internship and successfully completed for the degree and for Florida
teacher certification. A copy of the GKT results must be given by the student to the College of Education Internship Office
immediately upon receipt.

Gordon Rule Communication requirements (12 credit hours in ENC 1101, 1102, and two other Gordon writing course) and
Computation requirements (6 credit hours) are satisfied through FKL courses.

The CTA requirement for a course in art, dance, or theatre is waived for teacher education music majors.

The minimum acceptable grade for music, music education, education, and Gordon courses is "C-." The GPA in both
specialization courses (music) and professional courses (music education and education) must be 2.5 in order to graduate.

MUG 3104 Basic Conducting

**Music History**

- MUH 2XXX American Roots or Non-Western Music (see FKL Fine Arts)
- MUH 3300 Medieval and Renaissance (PR for MUH 3301 and MUH 3302)
- MUH 3301 Baroque and Classic
- MUH 3302 Romantic through Contemporary

Music Electives

Applied Principal (Studio) (2 terms each level)

- MVx 131X, 232X, 333X (culminating in junior recital)

MUN 3XXX Major Ensemble (concurrent registration with studio)

Upper division voice principals may take up to one semester of opera as a major ensemble.

MUS 2101 Recital Attendance (attendance at minimum 60 programs)

**MUSIC EDUCATION (35 cr. hrs.) & EDUCATION (12 cr. hrs.)**

Methods courses include (1) curriculum and instruction, (2) human development and learning, (3) classroom management,
(4) assessment through measurements, (5) teaching exceptional students with varied learning styles and achievement levels.

Professional Education Courses - 15 credit hours - All must be completed with a C- or better. No "S" grades.

- EDF X005 Introduction to The Teaching Profession
- EDG 2085 Introduction to Diversity for Educators
- EME 2040 Introduction to Computers in Education
- TSL 4324 ESOL Competencies and Strategies
- RED 4310 Reading and Learning to Read

Music Education: 32 credit hours - All must be completed with a C- or better. No "S" grades.

- MUE 2090 Theoretical Bases of Music Education
- MUE 3421 Choral Techniques and Pedagogy
- MUE 3422 Wind Techniques and Pedagogy
- MUE 3423 String Techniques and Pedagogy
- MUE 3475 Percussions Techniques (or MUE 3443 Percussion Ensemble)
- MUE 3424 Creative Performance Chamber Ensemble
- MUE 3401 Progressive Music Education Methods 1
- MUE 3425 Progressive Music Education Methods 2
- MUE 4311 General Music Methods
- MUE 4331 Choral Methods or MUE 4332 Instrumental Methods
Requirements for the B.A. Degree in Music Studies (MSU)

Prerequisites (State Mandated Common Prerequisites)

Transfer students should complete the following prerequisite courses listed below at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Unless stated otherwise, a grade of "C-" is the minimum acceptable grade. If students are coming to the university from the Florida College System institution, the following prerequisite courses will be accepted as meeting lower level requirements.

MUT x111 Music Theory
  or MUT x121, x122, x126, or x127
MUT x112 Music Theory
  or MUT x121, x122, x126, or x127
MUT x116 Music Theory
  or MUT x121, x122, x126, or x127
MUT x117 Music Theory
  or MUT x121, x122, x126, or x127
MUT x241 Aural Theory
  or MUT x221, x222, x226, x227, x261, x266, x267, x271, x272, x276, or x277
MUT x242 Aural Theory
  or MUT x221, x222, x226, x227, x261, x266, x267, x271, x272, x276, or x277
MUT x246 Advanced Aural Theory
  or MUT x221, x222, x226, x227, x261, x266, x267, x271, x272, x276, or x277
MUT x247 Advanced Aural Theory
  or MUT x221, x222, x226, x227, x261, x266, x267, x271, x272, x276, or x277
MUN XXXX 4 semester hours
MVX x1X Secondary Applied Music Courses, 2-4 semester hours
MVX x2X Secondary Applied Music Courses, 2-4 semester hours
Secondary Piano Proficiency by Examination
  or MVK x111, x112, and x122
  or MVK x111r, x112r, x121r, and x121r
  or MVK x211 and x221

Core (36 credit hours)

APPLIED STUDIES IN MUSIC

Completion of sophomore level in studio (Principal, not Major) 8
Four terms in major ensemble 4
MUG 3104 (conducting) or MUT 2641 (jazz theory & improvisation) 2

ACADEMIC STUDIES IN MUSIC

Four terms of theory (written and aural). 16
Placement Test is required.
Written: MUT 1111, 1112, 2116, 2117; Aural: MUT 1241, 1242, 2246, 2247
Literature and History: MUL 2111, and MUH 3301 or 3302 6

MUSIC EMPHASIS (CHOOSE ONE) (9 credit hours)

1. Applied Music
  Completion of junior level in studio, including junior recital 4
  Three additional terms of major ensemble 3
  Upper division voice principals may take up to one semester of opera as a major ensemble.
  MUG 4302 (conducting) or MUT 2642 (jazz theory & improvisation) 3
2. Music Composition (MUC)
   Three additional courses: MUC 2221 (twice) and MUC 2301 9
3. Music History (MUH)
   Three additional courses: MUH 2051 or 2632, MUH 3301 or 3302, and MUH 4058 or 4801 9
4. Music Theory (MUT)
   Three additional courses of MUT 4421, 4571, and MUC/MUT course 9

KEYBOARD SKILLS & OTHER MUSIC ELECTIVES
Excluding non-major music courses 4-6
Piano proficiency is required and may be demonstrated by testing or by taking levels 1 and 2 of Keyboard Skills as electives in music. Other courses for electives may be selected from applied music, music composition, music education, music history, music literature, and music theory.

RECITAL ATTENDANCE
Students register for Recital Attendance (MUS 2010) only in the semester in which they will complete a minimum total of 60 to receive an “S” grade (0 credit hours). Students keep records in FAH 136 office. 10-15 recitals per term.

CTA Requirement
Students seeking a minor in music may choose from three concentrations, each requiring 20-22 semester hours: (1) Music Performance, (2) Music Composition or (3) Academic Studies in Music.

• An audition is required for a minor in performance, but not for composition or academic studies.
• A minimum of eight hours for the minor must be earned at USF.
• A minimum grade of “C-” is required in all music courses.
• A minimum grade point average of 2.0 must be earned in music courses for the minor.

(1) MUSIC PERFORMANCE

Academic Core
Two terms of written and aural theory (placement test is required)
   Written: MUT 1111, 1112, 2116, 2117 7
   Aural: MUT 1241, 1242, 2246, 2247 2
Music Electives 3
Literature (MUL) or History (MUH), excluding courses for non-majors 3

Applied Studies
Completion of freshman level in studio (Principal or Major) 4-6
Concurrent enrollment in major ensemble* 2
   *Placement Audition is required.

(2) MUSIC COMPOSITION

Academic Core
Two terms of written and aural theory* (placement test is required)
   Written: MUT 1111, 1112, 2116, 2117 6
   Aural: MUT 1241, 1242, 2246, 2247 2
Literature (MUL) or History (MUH), excluding courses for non-majors 3

Composition Studies
MUC 2301 Introduction to Electronic Music 3
MUC 2221 Composition (taken twice, or once plus MUT 4311) 3
MUT 4311 Orchestration (in lieu of second term of MUC 2221) 2
MUN Ensemble ((subject to approval of advisor and ensemble director) 1

(3) ACADEMIC STUDIES: MUSIC LITERATURE – HISTORY – THEORY

Academic Core
   Written: MUT 1111, 1112, 2116, 2117 6
   Aural: MUT 1241, 1242, 2246, 2247 2
Literature (MUL) or History (MUH), excluding courses for non-majors 3
Academic Studies
MUL and/or MUH and/or MUT, excluding courses for non-majors 7-8
MUN Ensemble ((subject to approval of advisor and ensemble director) 2

Admission to all studio applied music courses is strictly by audition and/or permission of the instructor. Studio courses may be repeated for credit as stipulated in the catalog.

Please declare your minor by completing the Declaration of Minor form in the Office of Student Services and Advising, FAH 120, in the College of The Arts. Be sure to indicate this music minor on your application for graduation in your college. Note: Music majors cannot declare a minor in a music concentration.

Requirements for a Minor in Electronic Music

- A minimum of eight hours for the minor must be earned at USF.
- A minimum grade of “C-” is required in all music courses.
- A minimum grade point average of 2.0 must be earned in music courses for the minor.

PREREQUISITE: THEORY PROFICIENCY
Students seeking a minor in electronic music must be proficient in basic music theory. They may establish their proficiency by taking and passing the Theory Placement Test at the First class meeting of MUT 1111. When they pass the test, they must bring proof to the music advisor in order to be allowed to register for music courses requiring a permit (departmental approval).

STUDIES IN ELECTRONIC MUSIC (in the following sequence)
MUC 2301 Introduction to Electronic Music 3
MUC 3401 EM: Analog Synthesis I 3
MUC 3402 EM: Analog Synthesis II 3
MUC 3441 EM: Digital Synthesis I 3
MUC 3442 EM: Digital Synthesis II 3

ELECTIVES IN MUSIC (may be concurrent with EM courses)
Excluding non-major music courses 4-6
Taken from applied music (including ensembles), music composition, music education, music history, music literature, and music theory.

Please declare your minor by completing the Declaration of Minor form in the Office of Student Services and Advising, FAH 120, in the College of The Arts. Be sure to indicate this music minor on your application for graduation in your college. Note: Music majors cannot declare a minor in a music concentration.

The Faculty
The music faculty is made up of outstanding musicians and scholars whose talents and achievements provide a unique educational resource for all music students. Faculty ensembles such as the Faculty Chamber Players and the Faculty Jazz Combo provide an important musical contribution to campus and Tampa area cultural life, and many music faculty perform in professional music ensembles across west central Florida.

Student Organizations
The Music organizations of Sigma Alpha Iota, Phi Mu Alpha Sinfonia, and Pi Kappa Lambda, the honorary music organization, maintain active chapters in the School of Music. Additionally, chapters of the College Music Educators National Conference, American Choral Directors Association, Kappa Kappa Psi Band Fraternity and the International Association of Jazz Educators provide an important liaison with other professional musicians and teachers.

Visiting Scholars, Artists, and Artists-in-Residence
The School of Music utilizes guest composers, conductors, and performing musicians to enhance its offerings in terms of teaching faculty, forum appearances, and the conducting of musical programs, symposia, and clinics. Some prominent musicians and scholars who have appeared in the past are: Norman Dello Joio, Olly Wilson, Randall Thompson, Guarneri String Quartet, Virgil Thompson, Beaux Arts Trio, Walter Trampler, Boris Goldovsky, Fred Hemke, Gregg Smith, Lukas Foss, Norman Luboff, Maurice Andre, Phil Woods, Jean Pierre Rampal, David Baker, Adele Adison, John Cage, Byron Janis, Karel Husa, Louis Bellson, Leslie Bassett, David Samuels, Samuel Adler, Julius Baker, Gunther Schuller, Ransom Wilson, Robert Merrill, T. J. Anderson, Doc Severinsen, Hale Smith, Bethany Beardslee, George Russell, Robert Shaw, Art Blakey, Toshiko
Financial Aid
Scholarship and Talent Award Guidelines

The School of Music offers a variety of financial aid programs to assist talented musicians in their musical studies. Two types of awards – Scholarships and Talent Awards – are in place, each with its own set of criteria. Scholarship awards will be automatically renewed every year (four years for entering Freshmen or until the anticipated graduation date of transfer students) upon the request of the student and maintenance of the standards (described below) established by the School of Music. Talent Awards must be renewed every semester via approval of the ensemble director. Awards typically are made on the basis of excellence in musicianship and/or personnel needs in a particular performance area. Financial assistance programs include up to four-year scholarship commitments and/or per-semester talent awards. All entering transfer and returning students intending to participate in a major ensemble are eligible to apply and audition for a financial award.

The audition committees will make recommendations to the appropriate ensemble director. These recommendations may include a suggested award amount and/or simply a designation as to the eligibility level of the student.

Final recommendations on the amount of the award given will be made by the appropriate ensemble director to the Director of the School of Music. These decisions will be based upon a variety of factors including: available budget, proven ability of student, ensemble/school needs, potential to succeed, letters of recommendation, and all academic records.

Talent Award

The student must enroll for credit and perform satisfactorily in the ensemble awarding the money. The student is not required to study in an applied studio, to be enrolled for 12 credit hours, to meet minimum academic standards or to be pursuing a music major or minor. All talent award recipients must request renewal directly from the ensemble director granting the award each semester. The director may request the student to re-audition or may choose not to renew the award.

Scholarship Award

• Student must be pursuing a music major or minor
• Student must maintain a minimum of 12 semester hours of course load in each semester
• Student must maintain a GPA of 2.5 overall and 3.0 in all music courses
• Student must enroll for credit in an applied music studio appropriate to the performing instrument
• Student must enroll for credit in the ensemble(s) appropriate to the performing instrument
• Students are often required to perform in two ensembles, depending upon the needs of the ensemble program.
• NOTE: All music students on scholarship will be required to perform up to two services per semester in reading/performing student composer projects as part of the expectations to maintain their music financial aid. These two services are not inclusive of rehearsals to prepare the student works should public performance be a part of the required services. The Coordinator of the Composition program or his/her designee will organize administration of the composition program and the student participation in required services.

Continuing Students Scholarship: All scholarship students who wish to continue to receive their awards must fill out a Continuing Scholarship Application Form in the Spring semester. Failure to do so may result in the reallocation of the scholarship to other students. Each student must also submit a performance evaluation sheet from their applied teacher and major ensemble director along with their request for renewal.

Duration of Awards: Scholarship awards are given to incoming freshmen for eight semesters. Length of award to transfer students will be determined after an evaluation of their transcript has projected a graduation date. Students may not continue to renew their scholarship beyond this point. They may, however, apply to an ensemble director for a talent award after this time. Talent awards may be renewed as many times as are deemed appropriate by the ensemble director.

Revocation of Awards: Scholarship awards may be revoked if students
• Fail to maintain full-time status (12 credit hours)
• Fail to maintain required GPA
• Fail to participate in appropriate ensembles (as determined by applied teachers and ensemble directors)
• Switch major area of study outside of music
• Fail to perform satisfactorily in applied lessons or major ensemble(s)
• Fail to maintain satisfactory progress in academic studies in music

Repayment of award will be sought from any student who drops out of school, drops out of ensemble/applied music participation, or fails to maintain 12 credit hours during a semester in which they have received an award.

Interning Music Education Students: A student, during his/her interning semester, may continue to receive scholarship monies (even though they may be unable to comply with the ensemble requirement) upon approval by the Director of the School of Music. The Director will, as a matter of course, seek the recommendation of the applied instructor and the Coordinator of Music Education.
THEATRE (TAR)

TheatreUSF is fully accredited by the National Association of Schools of Theatre (NAST). Through its curriculum and production program, Theatre offers seriously interested students the opportunity to prepare within a liberal arts atmosphere for a professional career in the theatre or to continue their studies at the graduate level.

For over 30 years, our exclusively undergraduate program has prepared critically aware and skilled theatre practitioners. The school’s mission is to educate students in the art of theatre, to conduct original research, and to present challenging productions to the university and Tampa Bay communities.

Students may graduate with a broad based theatre arts degree, or they may specialize in performance or design.

Special Features

1. The endowed British International Theatre Program (BRIT) brings three or more professional artists from the UK to work with upper level students for up to 6-8 weeks each spring semester. The BRIT Program is available each spring semester to advanced theatre students by audition. The program consists of master classes and/or production experience with select guest artists from the U.K.
2. The John W. Holloway Endowed Chair in Dance and Theatre provides funds annually for guest artist residencies. The Holloway Program provides classes and production experiences with internationally renowned artists in design, directing, acting, writing, and musical theatre.
3. USF’s Theatre program has a formal student Exchange Program with Middlesex University in London, England.
4. The School Honors Program allows small select groups of upper-division students to work on special projects with faculty and guest artists for up to one year. The Honors Program is available to upper level majors who have a 3.5 GPA in the major and a 3.2 overall GPA and who have achieved a comparably high level of artistic or scholarly achievement. A 6-8 credit one-year sequence of courses is offered to students accepted into the Honors Program. The sequence progresses from a reading seminar to a guest artist practicum to a student thesis or project. With approval of director and instructor, the entire Honors sequence may substitute for one of the Theatre History/Literature requirements.

Guest artists have been working professionals from New York, San Francisco, Denver, Los Angeles, Munich, London, Tel Aviv.

Visiting Artists and Artists-in-Residence

TheatreUSF actively promotes guest artists on campus. A representative list of artists includes Maria Aitken, Peter Barkworth, Bill Bryden, Daniel Chumley, Russel Craig, Matthew Francis, George Froscher, Christopher Fry, John and Lisel Gale, Patrick Garland, Ronald Harwood, Jeff Jones, Rachel Kavanaugh, Sam Mendes, Bob Moody, Eric Overmyer, Louise Page, Estelle Parsons, Olga Petrovna, Roni Pinkovitch, Denis Quilley, Gerlind Reinshagen, L. Kenneth Richardson, Lord Brian Rix, James Roose-Evans, Dorothy Tutin, Robert Wierzel, and Jose Yglesias. These and others have helped the department develop relationships with: UMO, London’s West End, The Royal National Theatre, The Royal Shakespeare Company, The Actors’ Studio, Broadway, San Francisco Mime Troupe, Free Theatre of Munich, The Chichester Festival, The Edinburgh Festival, The Spoleto Festival, Yale Repertory Theatre, and Habimah Theatre in Israel.

Requirements for the B.A. Degree with a Major in Theatre

Prerequisites (State Mandated Common Prerequisites)

For students transferring from a Florida College System institution: Students are encouraged to complete the A.A. degree at a Florida College System institution. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. If a student wishes to transfer without an A.A. degree and has fewer than 60 semester hours of acceptable credit, the student must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements. Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the courses below recommended.

Students need not have completed a concentration of courses in theatre in order to consider a Theatre major at USF. However, admission to the upper-level Theatre Performance program is by audition and admission to the upper-level Design sequence is by portfolio review. If the student does not succeed in passing the audition or portfolio review certain Theatre program requirements may have to be repeated until successful completion of the audition or portfolio review can be achieved.

Students should complete the following prerequisite courses listed below at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Unless stated otherwise, a grade of “C” is the minimum acceptable grade. A “C” average in the major is required for graduation.

If students are coming to the university from a Florida College System institution, the following prerequisite courses will be accepted as meeting lower level requirements.

THE X000  Introduction to the Theatre or any introductory course from 001-035 at the 1 or 2 level
THE X300  Script Analysis, 3 semester hours or THE X305
TPA X290  Production Involvement, 1 semester hour
THE X925  Production Involvement, 1 semester hour
TPA X200  Introduction to Technical Theatre I, 3 semester hours or TPA X210, 3 semester hours
TPP X190  Studio Theatre-Cast, 1 semester hour or TPP X110, 1 semester hour
PLUS nine hours of any combination of THE, TPA and TPP courses.

The students may choose one of three areas for the B.A. degree: Performance, Design or Theatre Arts. Common to all is the following core, normally taken in the years indicated:

Core Curriculum (33 hours)
First Year (14 hours)
THE 2020  Introduction to Theatre  (3)
TPP 2110  Voice-Body Improvisation (3)
TPA 2200  Intro to Technical Theatre I (3)
TPA 2290L  Intro to Technical Theatre Lab I (1)
TPA 2211  Intro to Technical Theatre II (3)
TPA 2291L  Intro to Technical Theatre Lab II (1)

Second Year (8 hours)
THE 2305  Script Analysis (3)
Choice of:
THE 3110  Theatre History I - XMW  (3)
THE 3111  Theatre History II - XMW and (3)
TPA 2292  Production Involvement I (1)
TPP 2190  Studio Theatre Performance I (1)

Third Year (8 hours)
Choice of two Theatre History/Literature:
THE 3110  Theatre History I - XMW (3)
THE 3111  Theatre History II - XMW (3)
THE 4174  New British Theatre and Drama -6A -XMW-XLW (3)
THE 4180  Theatre Origins -6A -XMW-XLW (3)
THE 4320  Theatre of Myth and Ritual -6A -XMW-XLW (3)
THE 4330  Shakespeare for the Theatre -6A -XMW -XLW (3)
THE 4360  19th Century Theatre Revolution -6A -XMW-XLW (3)
THE 4401  American Drama -6A -XMW-XLW (3)
THE 4434  Caribbean Theatre -6A -XMW-XLW (3)
THE 4435  Theatre of Pluralism -6A -XMW-XLW (3)
THE 4442  Comedy of Classic & Neoclassic Stage -6A -XLW-XMW (3)
THE 4480  Drama Special Topics (3)

Note: By prior agreement between the director and instructor the Honors sequence in its entirety (THE 4593, 4594, 4595) may substitute for one Theatre History/Literature course requirement.
TPA 4293  Production Involvement II (1)
TPP 4193  Studio Performance II (1)

Fourth Year (3 hours)
THE 4562  Contemporary Performance Theory -6A -XMW-XLW (3)
Audition and Portfolio Review: All students desiring admittance into the upper level acting courses must audition and those entering the upper level design sequence must present a portfolio. This normally occurs after the completion of the sophomore year.

REQUIRED COURSES FOR AREAS OF STUDY IN THEATRE

Theatre Arts Concentration (BA Degree)
The Theatre Arts Concentration is intended for the student who, in consultation with the Theatre Advisor, wishes to construct his/her own degree program from a broad spectrum of theatre courses. In addition to courses in performance and design, areas of study available are Puppetry, Playwriting, Stage Management, Directing, Literature and Criticism.

A minimum of 7 credits chosen from THE; TPP; TPA courses with the approval of the advisor. All audition and portfolio requirements apply. A minimum of 12 credits must be taken in the USF School of Theatre & Dance.

COLLEGE OF THE ARTS FACULTY

Architecture & Community Design + Florida Center for Community Design & Research

Director: Robert MacLeod; Associate Professors: S. Cooke, T. Green, M. Halfflants, D. Powers, N. Sanders; Assistant Professors: S. Bassett, V. Mehta, S. Russell, M. Weston; Associate in Research: S. Landry, J. Griffin, T. Johnson; Assistant in Research: Ron Chandler.

Art & Art History

Director: W. Wilson; Professor: L. Marcus; Associate Professors: E. A. Fraser, R. Lawrence, B. Shanks, H. Szepe; Assistant Professors: W. Babcox, N. Bender, J. Byrd, E. Condon, C. Cornejo, G. Green, R. Marchi, N. Mason, A. Pollack, N. Schiller, J. Weitz; Instructors: M. Fournier; Assistant in Media Technologies: G. Maddison; Assistant in Student Advising: R. Olinger; Distinguished Professor - Dean Emeritus: D. J. Saff; Dean Emeritus - Professor Emeritus: H. W. Covington; Chair Emeritus-Professor Emeritus: G. Pappas.

Music and Music Education

Theatre and Dance

OFFICE OF THE DEAN

Location/Phone: SVC 2003; (813) 974-4051
Office Hours: 8 a.m. – 5 p.m., Monday through Friday
Web Address: http://www.ugs.usf.edu/ugs.htm

The Office of Undergraduate Studies (UGS) works in partnership with the academic colleges in the development, review and enhancement of the undergraduate programs to assist faculty to provide outstanding undergraduate education for students. The members of the UGS team work with faculty to establish and administer academic policies, assist with undergraduate curriculum development and review, and support proposals for new and revised programs and courses through the various approval processes. In addition to assisting with the academic programs offered by the colleges, Undergraduate Studies offers a number of academic programs including the Bachelor of Science in Applied Sciences, Leadership Studies, and the Army, Air Force and Naval Reserve Officer Training Corps programs.

Undergraduate Studies provides strong set of Student Success programs designed to make it more likely that students will successfully navigate the complexities of the transition to college and the baccalaureate experience. (It integrates academic endeavors with meaningful experiences within myriad student development programs.) Together, they aim to provide coordinated opportunities for students to develop their identities and intellectual competencies for successful careers and lifelong learning. Those services include: Tutoring and Learning Services in the Learning Commons, the University Career Center, First-Year and Transfer Student Orientation, the Transitional Advising Center, the University Experience Course, First Generation Access and Pre-Collegiate Programs, and the Academic Enrichment Center for Student Athletes.

The Dean is committed to providing vision and leadership in undergraduate education and to serving the needs of all undergraduate students including those with non-traditional and diverse backgrounds.

The Career Center

Location/Phone: SVC 2088, (813) 974-2171, 8-5, Mon-Fri.
Web address: http://www.career.usf.edu

The Career Center provides USF students with comprehensive career planning and job search services. A staff of experienced Career Center professionals is available to help students choose a career; gain career-related work experience and plan their job search. The Career Center also provides information on employment opportunities and creates venues where students can network and interview with local, state, national and international employers.

The Career Center’s numerous services are clustered into the areas of career planning, career-related work experience, job search preparation, and making contact with employers.

Career Planning

Individual Career Counseling Appointments may be made with a career counselor to help students make an informed decision about a potential career and major.

Career Assessment Surveys are available to help students identify their interests, skills and work values.

Career Decision-making Seminars, offered online, teach students about the career development process and how to choose a career and academic major.

Career Reference Library contains information on career fields, including job descriptions, working conditions, educational requirements, salary information and projected employment outlook.

Career-related Work Experience

Part-time Jobs, both on and off campus, including Federal Work Study (FWS) jobs are posted on the Career Center web site.

Cooperative Education (“Co-op”) a structured, academic program of paid, practical work experience related to a student’s major is administered by the Career Center. Eligibility and program details are located on the Career Center web site.

Internships from on and off-campus employers are advertised on the Career Center web site. Internships for academic credit are coordinated through the student’s sponsoring academic department.

Job Search Preparation

Individual Job Search Coaching Appointments may be scheduled for assistance with resume/cover letter preparation; interview techniques; and various other job search strategies.

Walk-in Advising is available to answer questions about careers, job search or Career Center services. These fifteen-minute sessions are available Monday through Thursday from 10:00 a.m. - 3:00 p.m. during fall and spring semesters.

Job Search Seminars, offered online, are available on topics such as resume writing, interview techniques and other job search strategies.

Job Search Reference Library contains resources on resume writing, interviewing and job search strategies, employer directories and salary information.

Job Search Computer Lab, located in the Career Center reference library, is equipped with computers with Internet access for conducting an on-line job search, scheduling on-campus interviews and researching employers.
Making Contact with Employers

On-Campus Interviews for Internships and Full-time Positions are conducted in the Career Center by recruiters from numerous types of organizations. All majors are eligible to participate.

Resume Referral is available to students with a resume uploaded in the Career Center's online resume database. Students can electronically refer their resume to apply for both on-campus interviews, and employment opportunities advertised in the Career Center’s job listing database.

Virtual Video Interview (VVI) allows students to visually market their skills, experiences and qualifications to a potential employer by making a web-based video, accessible to employers with internet access. The VVI, linked to the student’s uploaded resume, is the latest technology for screening interviews, and can also be used for interview practice by students.

Career Networking Fairs, held each semester, bring students and employers together to network and discuss employment opportunities.

Job Listings are posted on the Career Center’s web site daily and include part-time jobs, internships, Cooperative Education and full-time professional positions.

Credential Service is available through a partnership between the Career Center and Interfolio, Inc., an on-line service available to students applying to graduate or professional schools, or applying for jobs requiring a credential file, dossier or portfolio.

Alumni CareerQuest Services

Alumni CareerQuest assists USF alumni in the development of career and job searches critical for navigating today's competitive job market. Alumni CareerQuest is exclusively for USF graduates who have completed a minimum of a bachelor's degree.

Transitional Advising Center (TRAC)

Location/phone: SVC 2043, (813) 974-2645
Web address: http://www.ugs.usf.edu/trac/trac.htm

The Center’s primary responsibility is to provide academic advising to undergraduate students in transition (undeclared), with a special emphasis on the needs of students entering a university for the first time.

The following services are provided to these undergraduate students: advisement regarding academic policies and programs, assistance in the selection of a major, administration of special programs for at risk or underprepared student populations. The staff prepares students for entrance into Pre-Hospitality Management, Pre-Information Technology (IT) and the Bachelor of Science in Applied Science (BSAS). The staff also evaluates and certifies all students seeking Associate of Arts certificates.

Students who are undecided about a major will be assigned to TRAC. Appointments can be scheduled online at: http://usfweb3.usf.edu/appointments/StudentSignon.asp.

The TRAC staff encourages its students to utilize any of the following services:

- Advisement regarding academic policies, programs, and requirements
- Major selection process
- Workshops and specialized advising for students at-risk
- Preparation for limited access majors
- Evaluation of credits for an Associate of Arts Degree

The Transitional Advising Center is dedicated to promoting the successful achievement of transitional students' academic goals through comprehensive advising services.

Tutoring & Learning Services

Location/phone: LIB 206, (813) 974-2713
Web address: http://guides.lib.usf.edu/tutoring

Tutoring & Learning Services is part of the Library Learning Commons and is located on the second floor in 206, LIB 206. Offering a variety of academic support services, the mission of the department is to strengthen students' ability to learn effectively and efficiently. Tutoring is available in many different subject areas including math, science, and languages and is free for all registered USF students. Appointments are encouraged and can be scheduled by phone or in person. In addition, a number of courses and workshops on learning strategies, test-taking, study and research skills are offered each semester including several credited courses such as Advanced Reading (REA 1206), Critical Reading and Writing (REA 2105), Advanced Learning Systems (REA 1605), Strategic Learning (REA 2604), and Reading Lab (REA 1305).

Writing Center

Location/phone: LIB 125, (813) 974-8293
Web address: http://guides.lib.usf.edu/writing

The Writing Center is a place for writers of all skill levels to take chances, ask questions, and develop their abilities. The Writing Center is another academic support partner in the Library Learning Commons and is located at LIB 109, just beyond the Reference Desk. Writing support is free to all registered USF students. Writing consultants are graduate students from the
Student Support Services provides a six-week summer program to ease the transition from high school to college, enhance self-confidence, establish a strong foundation during the summer semester, and expose students to university resources and staff and faculty. Appointments are encouraged and can be scheduled by phone or in person.

Academic Enrichment Center for Student Athletes
The Academic Enrichment Program at the University of South Florida is designed to be a full service program with the goal of providing the programs and services necessary to enhance the total development of the USF student-athlete. The program is focused on the unique needs and demands of student-athletes at USF and fosters the cultivation of skills that allow for the development of potential in the classroom, on the field and for the future.

The Academic Enrichment Program provides a variety of support mechanisms for all student-athletes by way of specific events and activities designed to promote academic success, athletic success, community service, career development and personal development. The theories and tenants mirror those promoted through the NCAA CHAMPS Life/Skills model, but are designed specifically for the identified needs and challenges specific to our student-athlete body.

First Generation Access and Pre-collegiate Programs
The First Generation Access and Pre-collegiate Programs (FGAPP) consist of retention programs providing access to a university education for promising first year students who are first-generation college students and/or come from limited income households. The Freshman Summer Institute and the Student Support Services programs provide services and activities that focus on helping students transition from high school to college, improving student persistence and graduation, promoting academic achievement and providing academic, social, and cultural support during their matriculation at the University.

FGAPP also administers federal and state funded pre-collegiate programs charged with serving the needs of underserved students in Hillsborough County. These programs, Upward Bound and the College Reach-Out Program (CROP), work with first-generation and limited income secondary students (grades 8 thru 12) who aspire to attain a post-secondary education. Both programs encourage, support, and prepare students to successfully complete high school on a timely basis and acquire the necessary skills, to successfully enter and graduate from their college of choice.

The Freshman Summer Institute
Location/phone: SVC 2011, (813) 974-4227
Web address: http://www.ugs.usf.edu/fsi/fsi.htm

The Freshman Summer Institute (FSI) provides access to a university education for students from first generation and/or limited income families and identifies qualified individuals through a review of admission applications, academic records, and family income as determined by the Free Application for Federal Student Aid. Each year a limited number of students enter USF through this program.

All students admitted to FSI must enroll in a six-week summer session. Throughout the six weeks, students are required to live in the residence halls where they experience an environment supportive of their academic work. Each student receives a class schedule based on standardized test scores, high school transcript, and intended major. Students typically register for a rigorous academic schedule over a six-week period consisting of nine credits in general education courses. Students attend weekly workshops on a variety of topics relevant to academic success, acclimation to college life, and their growth and development as first-year students. Students must end the summer term in good academic standing in order to continue in the fall semester.

The Freshman Summer Institute tackles the challenges of the freshman year with an active concern for students’ personal and academic welfare, enhancing their academic enrichment and better orienting them to the university environment. Continuous counseling and advising is a crucial element of the program. Counselors personally advise, counsel and monitor students’ progress throughout the first year. Personalized attention, combined with a holistic approach for student growth, distinguishes the Freshman Summer Institute as a unique student resource.

Student Support Services
Location/phone: SVC 2011, (813) 974-4301
Web address: http://www.ugs.usf.edu/sss/sss.htm

Student Support Services (SSS) is a federally funded retention program designed to help students make a smooth transition from high school to the University of South Florida. The program provides academic and personal support for students during their first two years of enrollment. A student is eligible to participate in Student Support Services if the student meets all of the following requirements:

a) Is a citizen or national of the United States or meets the residency requirements for Federal student financial assistance;

b) Is enrolled at the grantee institution or accepted for enrollment in the next academic term at that institution;

c) Has a need for academic support (SAT below 1010 or ACT below 21 or high school grade point average below 3.0);

d) Is 1) a low income individual; 2) a first general college student (the students parents did not earn a four year degree); or 3) an individual with disabilities.

Student Support Services provides a six-week summer program to ease the transition from high school to college, enhance self-confidence, establish a strong foundation during the summer semester, and expose students to university resources and
facilities. Students receive a comprehensive summer orientation, individualized advising, college survival skills and course credit toward graduation. Students must complete the summer term in good academic standing in order to participate in the program during future terms. Other services provided include ongoing individual counseling, midterm assessment, early registration, informational seminars, financial assistance, tutorial assistance, laptop loan program, computer lab, career programs, and counseling. Research reveals that USF’s Student Support Services Program has been recognized nationally for its positive impact on student retention and graduation rates. In fact, 80-90% of program participants are in good academic standing at the end of each semester.

ENLACE
Location/phone: SVC 2011, (813) 974-2563
Web address: http://www.ugs.usf.edu/enlace/enlace.htm

ENLACE (Engaging Latino Communities for Education) is a program designed to promote academic success, retention, and graduation of Latino students on the University of South Florida campus. Focusing on first generation in college students from limited income families, the program helps students make a smooth transition to campus life and provides services designed to help create a strong sense of community of students. ENLACE provides motivation, encouragement, and guidance in professional and personal development. Students are encouraged to participate in community outreach programs through activities that celebrate their culture, educate their community, and provide opportunities for growth and development.

College Reach-Out Program
Location/phone: SVC 1054, (813) 974-3713
Web address: http://www.ugs.usf.edu/crop/crop.htm

The College Reach-Out Program (CROP) is a statewide program designed to increase the number of students who successfully complete a postsecondary institution. The program’s primary objective is to strengthen the educational motivation and preparation of low-income and educationally disadvantaged students in grades 8 through 12, representing various cultural backgrounds, who otherwise would be unlikely to seek admission to a community college, state university, or independent post secondary institution without special support and recruitment efforts.

The goals of CROP are to motivate students to pursue a postsecondary institution, develop students’ basic learning skills, to strengthen students’ and parents’ understanding of the benefits of postsecondary education, and foster academic, personal, and career development through supplemental instruction.

Upward Bound Program
Location/phone: SVC 1054, (813) 974-9138
Web address: http://www.ugs.usf.edu/enlace/enlace.htm

The Upward Bound Program (UBP) at the University of South Florida provides fundamental support to participants in their preparation for college placement. The program provides opportunities for participants to succeed in their pre-college performance and ultimately in their higher education pursuits. UBP serves high school students (grades 9 through 12) from low-income and first-generation college households.

The goal of UBP is to increase the rates at which high school students enroll in and graduate from institutions of post-secondary education. The purpose of UBP is to provide assistances in developing goals, improving academic skills, and providing the motivation necessary to achieve success in a college or post-secondary program. The program serves 130 students from 10 target schools in the Hillsborough County School District that have been determined to have a high need for academic support.

BACHELOR OF GENERAL STUDIES (BGS)

Location: SVC 1072
Phone: 1-888-873-4968 (USF4YOU)
FAX: 813-974-7061
E-mail: usf4you@admin.usf.edu
http://www.usf4you.usf.edu/programs/bachelorsBGS.asp

USF’s Bachelor of General Studies Degree (BGS) is a customized, interdisciplinary degree that provides students with options to choose an appropriate academic program that fits their educational and professional goals. The BGS program will provide mid-career adult students with the opportunity to integrate completion of the baccalaureate degree into their established lifestyle.

To be eligible for admission to the BGS program, students must first be admitted to USF. After admission to USF, students must:

- Have completed at least 60 credit hours at a regionally accredited college or university
- Have been out of school for approximately three (3) or more years
- Complete a screened application process conducted by a program advisor
- Be in good standing with former educational institutions
- Demonstrate ability and desire to complete the degree (personal statement, letters of recommendation)
BGS applications include three (3) letters of recommendation, a Personal Goal Statement, Resume (1-2 pages). These documents should be sent directly to:

Bachelor of General Studies Program
Metro Initiatives/USF4YOU
University of South Florida
4202 E. Fowler Avenue, SVC 1072
Tampa, FL 33620

Upon acceptance to the BGS, students will complete the necessary coursework to reach 120 credit hours. The 120-hour requirement includes completing the following:

- USF General Education (GE) requirements or approved equivalents – unless GE credits were completed at another Florida institution
- USF residency requirements (at least 30 hours earned at USF)
- One or two disciplinary concentrations selected by the student and approved by the advisor
- All USF exit requirements
- All CLAST and foreign language requirements
- A minimum of 48 semester hours of upper-level work, (courses numbered 3000 and above)

BGS students will take an active role in creating their academic programs. Rather than choosing a traditional major, BGS students can choose from a number of established plans of study or can create their own individualized plan of study. BGS students complete 18-24 credits (core courses and electives) within selected concentrations:

- Aging Studies
- Behavioral Healthcare Services
- Business
- Environmental Policy and Management
- Public Administration
- Public Health
- Urban Studies
- Women's Studies

All BGS students complete a capstone experience identified by the home department of each concentration. Each department may develop specific capstone courses or prefer to enroll their students in a BGS capstone course developed by the faculty members on the BGS advisory committee.

**Bachelor of Science in Applied Science (APS)**

**Location/Phone:** SVC 2003; (813) 974-4051  
**Office Hours:** 8 a.m. – 5 p.m., Monday through Friday  
**Web Address:** http://www.ugs.usf.edu/academic/bsas.htm

Workforce projections for the 21st century indicate that there will be an ongoing need for people with specific skills and abilities to fill Florida’s growing number of specialized, scientific, industrial and technological positions. Florida's two-year colleges offer many exceptional programs that meet these demands through their Associate in Science (A.S.) degrees. Although these applied and technical degrees provide excellent preparation for students seeking jobs that require specific knowledge, skill and ability, they have not generally transferred very efficiently into four-year Bachelor's degree programs. The Bachelor of Science in Applied Science (BSAS) has been developed by USF under certain provisions of Florida legislation to remove constraints from the transfer process, recognize past course work as transferable credit to the university, and afford exciting new opportunities for A.S. degree holders to pursue and acquire a distinctive USF Bachelor's degree.

The BSAS program is a “capstone” degree offering A.S. degree holders an efficient pathway to a Bachelor's degree. It provides Florida A.S. transfer students with a broad educational experience and a unique academic area of concentration. The various concentrations allow students to somewhat tailor their degree to match their academic interests and career ambitions. To achieve this end, BSAS students will plan their program in ongoing consultation with an academic advisor who will help students design their individualized program of study.

**Requirements for the Major in Bachelor of Science in Applied Science**

**Recommended Prerequisites (State Mandated Common Prerequisites)**

This degree program is available ONLY to Associate in Science (A.S.) graduates from a Florida public community/junior college.
There are no State Mandated Common Prerequisites for this degree program.

Students wishing to transfer to USF must complete the A.S. degree with an overall “C” average in all college-level courses accepted for transfer credit to USF. Students are encouraged to complete at least 18 credit hours of the General Education Requirements as part of their A.S. degree, and it is highly recommended that students select Gordon Rule communication and computation courses to fulfill these requirements while at the community college.

The A.S. degree will transfer as a complete “60 credit hour package” to USF (applicable only to the BSAS program). Technical coursework will transfer as a 42 credit hour technical block. The remaining 18 credit hours of General Education coursework from the A.S. will be matched against USF requirements to determine which courses remain outstanding for fulfillment of the university’s 36 credit hour General Education Requirement.

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university.

Community College Block Credit
(Transferred from A.S.) 42
Community College General Education
(Transferred from A.S.) 18
USF General Education 18
USF Exit Courses 6
USF Area of Concentration* 18-21
USF Electives** 15-18
Total BSAS Credit Hours 120

*Note that all BSAS Areas of Concentration are at least 18 credit hours (some require 21 credit hours).
** Elective credit hours may vary slightly, but will not require students to exceed a total of 120 credit hours for completion of the BSAS degree.

Within the 60 credit hours of USF coursework beyond the A.S., BSAS students will complete:
• a minimum of 48 credit hours of upper-level (3000-4999) courses
• at least 30 hours of the last 60 credit hours at USF
• CLAST requirements
• foreign language requirement (can be satisfied by two years of high school foreign language credit or 8 college credit hours in a single foreign language)

Online Programs: The only BSAS Areas of Concentration available completely online are Criminal Justice, Industrial Operations and Information technology. All courses required for Public Health are available online with the exception of a mandatory first day attendance on-campus requirement for one course – HSC4531 Medical Terminology.

Requirements for Areas of Concentration

BSAS - American Sign Language (ASG) Concentration consists of 19 credit hours:

ASL 2140C Basic American Sign Language (4)
ASL 2150C Intermediate American Sign Language (4)
ASL 4161C Advanced American Sign Language (4)

PLUS ONE OF THE FOLLOWING:
ASL 4201C American Sign Language IV (4)
ASL 4301C Structure of Sign Language (4)

PLUS ONE OF THE FOLLOWING:
ASL 3514 American Deaf Culture (3)
SPA 4632 Nature and Needs of Deaf and Hard of Hearing (3)

BSAS - Behavioral Healthcare Concentration (ABH) consists of 18 credit hours:

MHS 3411 Multidisciplinary Behavioral Healthcare Services (3)
MHS 4002 Behavioral Health Systems Delivery (3)
MHS 4408 Exemplary Practices in Behavioral Healthcare Treatment (3)
MHS 4425 Field Experience in Behavioral Healthcare (3)

AND, TWO OF THE FOLLOWING:
MHS 4931 Selected Topics in Behavioral Healthcare (3)
MHS 4906 Directed Study/Readings (3)
BSAS – Criminal Justice Concentration (ACJ) consists of 18 credit hours:
Only available at USF Polytechnic or Sarasota-Manatee campus

- CCJ 3610 Theories of Criminal Behavior (3)
- CCJ 4934 Seminar in Criminology (XMW) (3)
PLUS FOUR OF THE FOLLOWING:
- CJE 4114 American Law Enforcement Systems (3)
- CCJ 4450 Criminal Justice Administration (3)
- CJC 4010 American Correctional Systems (3)
- CJE 4010 The Juvenile Justice System (3)
- CCJ 3621 Patterns of Criminal Behavior (3)
- CJC 4166 Alternatives to Incarceration (3)
- CJE 4410 Criminal Rights & Procedures (3)
- CJT 4100 Criminal Investigations (3)
- CCJ 4450 Criminal Justice Administration (3)
- CJC 4010 American Correctional Systems (3)
- CCJ 4933 Selected Topics in Criminology (3)
- CJC 4604 Abnormal Behavior & Criminality (3)
- CCJ 3701 Research Methods in Criminal Justice I (3)

BSAS - General Business Concentration (ABU) consists of 18 credit hours:

- ACG 3074 Managerial Accounting for Non-Business Majors (3)
- ECO 1000 Basic Economics (3)
- FIN 3403 Principles of Finance (3)
- MAN 3025 Principles of Management (3)
- MAN 4802 Entrepreneurship & Small Business Management (3)
OR
- GEB 4890 Strategic Management & Decision Making (3)
- MAR 3023 Basic Marketing (3)

BSAS – Early Childhood Development Concentration (AEC) consists of 18 credit hours:
Only available at USF Polytechnic or Sarasota-Manatee campus

- EDF 4111 Child Growth & Learning (3)
- EDG 4909 Young Children w/ Special Needs (3)
- HSC 3301 Health, Safety, Nutrition & Motor Skills (3)
- EEC 4303 Creative & Affective Experiences (3)
- EEC 4408 Child, Family & Teacher Relations (3)
- PAD 4419 Personnel & Supervision (3)

BSAS – Environmental Policy Concentration (AEP) consists of 19-20 credits:

- EVR 2001 Introduction to Environmental Science (3)
- EVR 2001L Intro. to Environmental Science Lab (3)
- EVR 2861 Introduction to Environmental Policy (3)
PLUS THREE OF THE FOLLOWING:
- PUP 4203 Environmental Politics and Policy (3)
- PHI 3640 Environmental Ethics (3)
- ECP 3302 Environmental Economics (PR: ECO 2023 Microeconomics) (3)
- POS 3697 Environmental Law (3)
PLUS ONE OF THE FOLLOWING:
- ANT 4147 Environmental Archaeology (3)
- BSC 4057 Environmental Issues (3)
- ECP 3613 Economics of the Urban Environment (3)
- EDF 3228 Human Behavior & Environmental Selection (3)
- EVR 4930 Selected Topics in Environmental Policy (1-4)
- GEO 4340 Natural Hazards (4)
- HIS 4936 Seminar in Environmental History (4)
- IDS 3186 Science and Ethics of Disease (3)
- WST 3225 Women, Environment and Gender (3)

BSAS – Gerontology Concentration (AGR) consists of 21 credit hours:

- GEY 2000 Introduction to Gerontology (3)
or
GEY 3263 Aging in the 21st Century (3)
GEY 3601 Physical Changes and Aging (3)
GEY 3625 Sociocultural Aspects of Aging (3)
GEY 4612 Psychology of Aging (3)

PLUS THREE OF THE FOLLOWING:
GEY 3323 Community Services of Older Adults (3)
GEY 4322 Casework Management (3)
GEY 4327 Long-Term Care Administration I (3)
GEY 4340 Housing for the Elderly (3)
GEY 4360 Gerontological Counseling (3)
GEY 4608 Alzheimer’s Disease Management (3)
GEY 4635 Business Management in an Aging Society (3)
GEY 4641 Death and Dying (3)
GEY 4647 Ethical and Legal Issues in Aging (3)

BSAS – Industrial Operations Concentration (AIO) consists of 18 credit hours:
Only available through USF Polytechnic campus
PREREQUISITES - 9 HOURS:
MAC 1105 College Algebra (3)
STA 2023 Introductory Statistics (3)
COP 2510 Programming Concepts (3)
REQUIRED COURSES:
ETG 3612 Operations Management (3)
MAN 3025 Principles of Management (3)
ACG 3074 Accounting for Non-Business Majors (3)
OR
EIN 4352 Engineering Cost Analysis (3)
EIN 3241 Work Design and Ergonomics I (3)
EIN 4242 Work Design and Ergonomics II (3)
ETI 4116 Industrial Quality Control (3)

BSAS – Leadership Studies (ALS) consists of 18 credit hours:
Students must complete 6 credit hours from each tier (total 18 cr. hrs.).

Tier I (6 hrs): Personal Systems
LDR 2010 Leadership Fundamentals (3)
or
LDR 3930 Leading in the Workplace (3)
plus
LDR 4104 Leadership Theories (3)

Tier II (6hrs): Organizational Systems — select any two
LDR 4114 Contemporary Leadership Readings (3)
LDR 4164 Organizational Theory and Process (3)
LDR 4564 Images of Leadership in Print & Film (3)
LDR 3214 Leadership in the Fraternal Movement (3)
LDR 3930-Special Topics (organizational) (3)

Tier III (6hrs): Global Systems — select any two
LDR 3263 Leadership Practicum (3)
LDR 4204 Ethics & Power in Leadership (3)
LDR 4230 Global Leadership (3)
LDR 3930 Special Topics (global) (3)

BSAS - Public Administration Concentration (APU) consists of 18 credit hours:
PAD 3003 Introduction to Public Administration (3)
PAD 4204 Public Financial Administration (3)
PAD 4419 Personnel and Supervision in Today’s Organizations (3)
PAD 4712 Managing Information Resources (3)
in the Public Sector (3)
POS 3182 Florida Politics and Government (3)

Plus any one of the following:
  PUP 4002 Public Policy (3)
  PAD 5035 Issues in Public Administration and Public Policy (3)
  PAD 5044 Environment of Public Administration (3)
  PAD 5159 Urban Policy Analysis (3)
  PAD 5333 Concepts and Issues in Public Planning (3)
  PAD 5605 Administrative Law and Regulation (3)
  PAD 5700 Research Methods in Public Administration (3)
  PAD 5807 Urban and Local Government Administration (3)
  PAD 5836 Comparative Public Administration (3)

BSAS – Public Health Concentration (APL) consists of 18 credit hours:
  HSA 4120 Introduction to Public Health (3)
  HSC 4554 Survey of Human Disease (3)
  HSC 4933 Special Topics in Public Health* (3)
*Please see academic advisor for required special topics courses.

Electives (9 credit hours):
  HSC 3541 Human Structure and Function (3)
  HSC 4504 Foundations of Public Health Immunology (3)
  HSC 4542 Stress, Health and College Life (3)
  HSC 4579 Foundations of Maternal & Child Health (3)
  HSC 4933 Special Topics in Public Health** (3)
  MHS 4002 Behavioral Health System Delivery (3)

**AREAS FROM SELECTED SPECIAL TOPICS COURSES SHOULD BE SELECTED IN CONSULTATION WITH YOUR ACADEMIC ADVISOR.
Selected special topics courses can include the following subjects:
• Behavioral Health System Delivery
• Foundations of Global Health
• Introduction to Environmental Health
• Introduction to Food Safety
• Men’s Health and Gender in Society
• Secret History of Death and Disease
• Understanding U.S. Health Care
• Women’s Health: A Public Health Perspective

BSAS – Urban Studies Concentration (AUR) consists of 18-21 credit hours:
  URS 3002 Introduction to Urban Studies (3)
  Plus any of five of the following:
    ARC 4784 The City (3)
    AMS 3700 Racism in American Society (3)
    AMH 3423 Modern History (4)
    IDS 4942 Community Internship (1-4)
    ECP 3613 Economics of Urban Environment (3)
    ISS 3930 ST: Community Studies (1-4)
    SYA 4930 ST: Urban Life (3)
    GEO 3602 Urban Geography (4)
    GEO 4604 Advanced Urban Geography (4)
    PAD 3003 Introduction to Public Administration (3)
    POS 3142 Introduction to Urban Politics and Government (3)
    SOW 3203 American Social Welfare System (3)
    SPC 3710 Communication and Cultural Diversity (3)
    SYD 3700 Racial and Ethnic Relations (3)
    URP 4050 City Planning and Community Development (3)
    URP 4052 Urban and Regional Planning (4)

Contact the BSAS Program for additional BSAS Concentrations that may have developed since the publication of this catalog.
Aerospace Studies
Air Force ROTC

Location/Phone: CWY 407; (813) 974-3367
Office Hours: 8 a.m. – 5 p.m., Monday through Friday
Web Address: http://cyber.acomp.usf.edu/~airforce/

The Air Force Reserve Officers Training Corps (AFROTC) curriculum includes 12-16 course hours of instruction by active duty Air Force officers over a two- to four-year period. A student who completes the AFROTC program will receive an Air Force commission as a second lieutenant and is guaranteed a position in the active duty Air Force at a starting pay of approximately $45,000 per year.

AFROTC is offered as a two-, three-, or four-year program. The three- and four-year programs normally require a student to successfully complete all degree requirements for award of a bachelor’s degree, 14 or 16 course hours of AFROTC classes respectively, and a four-week field training encampment between his/her sophomore or junior years. The two-year program gives students who do not enroll in AFROTC during their freshman and sophomore years the opportunity of taking AFROTC. Students should apply for the two-year program by December of the sophomore year. The student attends a six-week field training encampment in the summer after program entry. Upon entering the program, the students then complete all undergraduate degree requirements, and 12 credit hours of AFROTC courses.

ROTC students take a 1.8 hour non-credit leadership laboratory in addition to the academic classes. Students wear the Air Force uniform during these periods and are taught customs and courtesies of the Air Force. Leadership Laboratory is open to students who are members of the Reserve Officer Training Corps or are eligible to pursue a commission as determined by the Professor of Aerospace Studies.

AFROTC 4, 3 and 2-year scholarships are available for eligible applicants. Depending on student qualifications, these scholarships may pay all tuition, fees, books, and a $300 - $500 per month tax-free stipend. Those interested in more information about scholarship criteria should contact the AFROTC Department.

Students interested in enrolling in the programs can begin registration procedures through the ROTC office in CWY 407 or by registering for the appropriate “AFR” course through university registration. Veterans, active duty personnel, and graduate students are encouraged to inquire about special accelerated programs designed for them. The AFROTC phone number is (813) 974-3367.

Minor in Aerospace Studies

In order for the student to minor in Aerospace Studies a minimum GPA of 2.0 is required in all courses used to satisfy the minor. A minimum of 12 semester hours of the 16 semester hours required must be earned at USF. Grades less than “C” (GPA of 2.0) or “S” grades will not be accepted. Students will not be able to use credit through exam or independent study for application to the minor. This program will provide the student an understanding of management and leadership concepts as they relate to military officers. In addition, students will analyze the evolution of American defense policy and strategy. Special emphasis is placed on developing the student’s communication skills.

Specific Course Requirements for the Minor:

a. Total credit hours required: 16

b. Required courses:
   AFR 3220 Air Force Leadership and Management I 3
   AFR 3231 Air Force Leadership and Management II 3
   AFR 4201 National Security Affairs and Preparation for Active Duty I 3
   AFR 4211 National Security Affairs and Preparation for Active Duty II 3

c. Other specifications: combination of 4 credit hours from any of the military elective courses below:
   AFR 1101 Foundation of the United States Air Force Part I 1
   AFR 1120 Foundation of the United States Air Force Part II 1
   AFR 2130 The Evolution of USAF Aerospace Power Part 1 1
   AFR 2140 The Evolution of USAF Aerospace Power Part 2 1
   AFR 2940 Basic Aerospace Internship
   Optional Courses:
   MSL 1001C Leadership in the Army Profession 2
The Department of Military Science for Army Reserve Officers Training Corps (ROTC) was established to select and prepare students to serve as officers in the Regular and Reserve components of the United States Army. The curriculum is designed to develop students’ leadership potential and improve students’ planning, organizational, and managerial skills.

Army ROTC training is divided into two phases: the first two years constitute the Basic Course; the last two the Advanced Course. The Department offers both a four- and a two-year program, each leading to a commission as a Second Lieutenant in the United States Army. The four-year program requires completion of the Basic Course, a five-week field training course, and the Advanced Course. Students with prior active military service or previous training at military schools may be exempt from some or all of the Basic Course. Students with questions concerning the various options should contact the Professor of Military Science for more information. Enrollment is open to qualified students at all levels, including graduate students. Offerings are published each semester.

Army ROTC training provides scholarships, pay, free uniforms and textbooks. Scholarships are awarded on a competitive basis in all academic majors. The scholarship pays full tuition or room and board, books, lab and mandatory fees, and certain other academic expenses. All Advanced Course and scholarship students receive a monthly subsistence payment that ranges from $300.00 as a freshman to $500.00 as a senior. This is in addition to the pay of approximately $700.00 while attending the five-week field training course at the Leadership Development and Assessment Course at Fort Lewis, Washington.

Additional skills training: Airborne School, Air Assault School, and the Northern Warfare School are available to both Basic and Advanced Course students during semester breaks. Additional skills training is also available during the academic year to include first aid, rappelling, orienteering, etc.

Basic Course: The Basic Course consists of four semesters of classroom instruction of one and a half hour each week and a leadership lab. Students incur no military commitment by participating in the Basic Course. In lieu of attending the basic course classroom instruction, a student may attend the four-week Leadership Training Course at Fort Knox, Kentucky during the summer of the student’s sophomore year.

Advanced Course: The Advanced Course consists of four semesters of classroom instruction of three hours each week, leadership lab, physical fitness and field training exercises, and a five-week training phase at Leadership Development and Assessment Course. The Advanced Course is designed to prepare the student who desires to be a Professional Army Officer for duty, either Active Army, Reserve or National Guard. Additional follow-on training is available to selected cadets at both US based and overseas active Army units.

Job Opportunities: The newly commissioned officer can be guaranteed Reserve or National Guard duty, or compete for an Active Duty commission. Prior to commissioning the student may request to serve in a number of career fields to include aviation, engineering, medical, law, law enforcement, logistics, and personnel administration.

Requirements for an ROTC Commission: Students who desire to earn a commission as a Second Lieutenant in the United States Army must meet the following requirements: four semesters of the ROTC Advanced Course, successful completion of the Professional Military Education Courses (written communication skills, computer literacy, and military history), attendance at Leadership Development and Assessment Course, maintain and graduate with a minimum of a 2.0 GPA, successful completion of the Army Physical Fitness Test, compliance with the Army height and weight standards, and other requirements of the United States Army.

Minor in Military Science

The minor in Military Science entails a 18-hour program organized and coordinated through the Department of Military Science. A minimum of 14 of the 18 hours must be earned at USF and the student must maintain a 2.0 GPA in the minor. A minimum grade of “C” or better must be maintained in each course. “S” grades will not be accepted. This program is designed to provide the student with an in-depth understanding of Army leadership doctrine and the fundamental principles by which Army leaders act to accomplish their mission. This minor lays out a leadership framework that allows students to apply leadership concepts learned in the classroom. Additional emphasis is placed on character development, oral and written communication, physical

 Email Address: naval@nrotc.usf.edu

 The Naval Science Program at the University of South Florida is administered by the Naval Reserve Officers Training Corps (NROTC) Unit. This program affords selected men and women the opportunity to receive instruction in Navy specified courses which, in conjunction with the baccalaureate degree, will qualify them for a commission in the United States Navy or Marine Corps. Students enrolled in the university who are physically and mentally qualified are eligible to apply for the NROTC program. As naval officers, USF NROTC graduates become eligible for varied careers, serving in aviation squadrons, on surface ships, on submarines in the nuclear power program, at naval installations all over the world, or in the numerous sub-specialties as an officer of the Marines Corps. With the consent of the Professor of Naval Science, any student, although not enrolled in the NROTC program, is eligible for enrollment in naval science courses. The USF NROTC Unit offers participation through four programs: (1) the Navy-Marine Corps Scholarship Program, (2) the Navy-Marine Corps Four-Year College Program, (3) the Two-Year NROTC College Program, and (4) the Two-Year NROTC Scholarship Program.

 The Navy-Marine Corps Four-Year Scholarship Program—The NROTC National Scholarship Program is open to young men and women of all races, creeds, and national origin who are United States citizens. Students are selected on their own merit to become officers in the United States Navy and Marine Corps. Scholarship students are appointed Midshipmen, U.S. Navy Reserve. The Navy pays for tuition, fees, textbooks, uniforms, and a monthly subsistence allowance of up to $400.00 for four years. Scholarship students are normally selected through national competition during their senior year in high school. Each year, ten Professor of Naval Science scholarships are available through a competitive selection process to Black and Hispanic students with academic potential who have yet to demonstrate their performance in a college environment or who have completed at least one, but not more than two semesters of course work at the university with a cumulative GPA of 3.0 or better and with no grade below "C". Although it is not a requirement, a student in the NROTC Scholarship Program is encouraged to pursue a major in engineering, mathematics, chemistry, or physics to meet the technological requirements of the Navy. Other fields of study for a major leading to a baccalaureate degree are permitted, with the approval of the Professor of Naval Science. Regardless of the major, every scholarship student must complete one year of physics and one year of calculus.

 Students must include certain Navy specified courses in their program and complete a program of courses as prescribed by the professor of naval science. Upon graduation, and successful completion of the naval science curriculum, the midshipman
will receive a commission as Ensign in the U.S. Navy or Second Lieutenant in the U.S. Marine Corps and serve on active duty for a minimum of four years.

The Navy-Marine Corps Four-Year College Program—The NROTC College Program is designed to train and educate well-qualified young men and women for commissioning. Selected students are appointed as midshipmen in the Naval Reserve prior to commencement of the advanced course in the junior year. The Navy pays for uniforms and naval science textbooks during the four-year period, and during the junior and senior years, pays the midshipman up to $400.00 per month subsistence allowance. Each student is selected for enrollment in the program on the basis of past academic performance, potential, personal interviews, and a physical examination. A college program midshipman only acquires a military service obligation after entering the advanced courses at the beginning of the junior year.

Although there are no restrictions on the major college program students may pursue, it is highly recommended that they pursue a course of study similar to that of scholarship students. Students must also include in their program certain Navy specified courses and a program of courses in naval science. Students, upon graduation and successful completion of the Naval Science Institute, the Navy provides room and board, books, uniforms, and transportation from home and return, as well as pays the student approximately $365.00 month. Upon successful completion of the course, the Navy pays for uniforms, naval science textbooks, and up to $400.00 per month subsistence allowance.

Students must also include in their program certain Navy specified courses and a program of courses in naval science. Students, upon graduation and successful completion of the naval science curriculum, receive a commission as an Ensign in the U.S. Navy or a Second Lieutenant in the U.S. Marine Corps and serve on active duty for a minimum of three years.

Two-Year NROTC College Program (Non-Scholarship)—The USF NROTC offers on a limited basis a two-year non-scholarship program which is designed specifically for students commencing their third year of college, who were not enrolled in the NROTC program during their freshman and sophomore years. Applications must be submitted during the sophomore year by the first of March to permit processing, personal interviews, and a physical examination. Qualifications for acceptance to this program include demonstrated ability to complete college level science and math courses. Upon acceptance into this program, the student attends a six-week intensive course at the Naval Science Institute in Newport, Rhode Island, in the summer prior to commencing the junior year of study. Students in a five-year engineering curriculum may attend the institution during their third and fourth years. The six-week summer course qualifies the student for enrollment in the NROTC program at the junior level. During the student’s attendance at the Naval Science Institute, the Navy provides room and board, books, uniforms, and transportation from home and return, as well as pays the student approximately $365.00 month. Upon successful completion of the course, the Navy pays for uniforms, naval science textbooks, and up to $400.00 per month subsistence allowance.

Students must also include in their program certain Navy specified courses and a program of courses in naval science. Students, upon graduation and successful completion of the naval science curriculum, receive a commission as an Ensign in the U.S. Navy or a Second Lieutenant in the U.S. Marine Corps and serve on active duty for a minimum of three years.

Two-Year NROTC Scholarship Program—The two-year scholarship program is administered in the same manner as the two-year non-scholarship program, except that a student who has excelled in a math, physical science, or engineering major and who has demonstrated above average performance in integral calculus may be selected for a two-year full tuition scholarship, to be awarded upon successful completion of the six-week period of training at the Naval Science Institute. In addition to the full-tuition scholarship, the student will receive up to $400.00 subsistence per month, books, and lab fees.

Regardless of the major, every scholarship student must complete one year of calculus-based physics and one year of calculus. Students must include certain Navy specified courses in their program and complete a program of courses as prescribed by the Professor of Naval Science. Upon graduation, and successful completion of the naval science curriculum, the midshipman will receive a commission as an Ensign in the U.S. Navy or Second Lieutenant in the U.S. Marine Corps and serve on active duty for a minimum of four years.

Summer Training—The NROTC Scholarship Program student is required to complete training of approximately four weeks during each of the three summer recesses. During the first summer period, each scholarship student will receive instruction in aviation training, marine combat training, surface warfare indoctrination, and submarine indoctrination either in Norfolk, Virginia or San Diego, California. The second summer training period will be performed aboard operational ships of the U.S. Fleet. During the third summer, candidates for U.S. Navy commissions will perform training aboard operational ships or aviation squadrons as a junior officer. The student who qualifies for nuclear propulsion training may elect to cruise on nuclear powered ships or submarines. Some midshipmen cruise with allied navies through the Midshipman Foreign Exchange Program. Transportation costs to and from the training sites, subsistence, quarters, and pay of approximately $365 per month will be paid to every participating student. The candidates for U.S. Marine Corps commissions will perform training at the U.S. Marine Corps Base, Quantico, Virginia. The Marine Option NROTC Summer Training Program, “Bulldog,” is a six-week training program designed to prepare midshipmen for appointment to commissioned grade by providing basic military instruction and physical training. An evaluation of midshipmen is made to ensure that they possess the leadership, academic, and physical qualifications required for appointment to commissioned grade in the Marine Corps Reserve. Female midshipmen participate in all NROTC curriculum requirements and activities, including cruises aboard selected ships. A woman who has qualified for Marine Option NROTC Summer Training at Quantico attends the Woman Officer Candidate Course in Quantico, Virginia.

Specified University Courses: In addition to satisfying requirements for a baccalaureate degree, the student must satisfactorily complete the following four-year curriculum guide, including required naval science courses and specified university courses.

### Notes:
1. Undergraduate naval sciences required to be completed for all students before Fall Semester junior year.
2. Upper division Naval Science courses required of Navy Options and not required of Marine Options.
3. Required of Marine Option midshipmen only.
4. One year of each calculus and calculus-based physics is required for every Navy option scholarship student. It is recommended, but optional for College Program and Marine Options.

#### Furnished Items
- All uniforms, textbooks, and equipment needed by the student for naval science courses are furnished by the Navy.

#### Use of Navy Science courses as University Electives
- Academic departments within the university may, according to their own policies, accept naval science courses as electives to fulfill requirements in their academic program.

#### Naval Science Minor
- Upon successful completion of the four-year Naval Science Program, a student may be awarded a minor in naval science. Specific requirements should be arranged with the student’s academic department.

#### Naval Science Laboratory
- The naval science curriculum includes a weekly three-hour laboratory covering professional and military subject matter. Attendance is mandatory for all midshipmen.

### Minor in Naval Science and Leadership

The minor in Naval Science and Leadership entails an 18-hour program organized and coordinated through the Department of Naval Science. A minimum of 14 of the 18 credit hours must be earned at USF and the student must maintain a 2.0 GPA in the minor. A minimum grade of “C” or better must be maintained in each course. “S” grades will not be accepted. This program is designed to provide the student with an in-depth understanding of Naval leadership doctrine and the fundamental principles by which Navy and Marine Corps leaders act to accomplish their mission. The minor lays out a framework by which the Navy and Marine Corps conduct routine operations and planning, and it also provides a foundation in design theory with a practical application to naval platforms and weapon systems. Special emphasis is placed on character development and effective communication skills.

#### Required courses: (Total of 12 Credit Hours)
- NSC 1110 Introduction to Naval Science (3)
- NSC 1140 Sea Power and Maritime Affairs (3)
- NSC 2231 Principles of Naval Management I (3)
- NSC 4232 Principles of Naval Management II (3)

#### Other specifications: combination of 6 credit hours from any of the naval science courses below:
- NSC 2121 Naval Ship Systems I (3)
- NSC 2212C Navigation/Naval Operations I: Navigation (3)
The minor in Leadership Studies consists of a minimum of 18 credit hours with a “B” average (3.0). All students shall complete the first courses in the sequence and select four additional courses from the list of approved courses for the program. The series of courses is designed to help students develop personal and organizational leadership skills. The program is interdisciplinary in nature and should be of significant benefit to students in all areas of study.

Courses are designed to give students a practical and theoretical grasp of leadership. The basic assumption is that leadership can be learned and, therefore, taught. This program has a unique approach to leadership education that combines practical theories of leadership and learning to provide opportunities for students to study the nature of authority, leadership, social and role dynamics, political processes and the values that orient their careers. Students learn personal, diagnostic, operational, and tactical skills. In these classes, students are challenged to investigate self, context, and strategy.

**Required Courses (6 hours):**
- LDR 2010 Leadership Fundamentals 3
- LDR 4114 Survey of Leadership Readings 3

** Elective Courses (12 hours):**
- LDR 3263 Community Leadership Practicum 3
- LDR 4104 Theories of Leadership 3
- LDR 4164 Organizational Theories and Processes 3
- LDR 4204 Ethics and Power in Leadership 3
- LDR 4564 Images of Leadership in Print and Film 3
- SLS 3930 Selected Topics in Leadership 1-4
Courses offered for credit by the University of South Florida are listed on the following pages in alphabetical order by college and subject area. The first line of each description includes the State Common Course prefix and number (see below), title of the course, and number of credits. Credits separated by commas indicate unified courses offered in different semesters:

**AMH 2010, 2020 AMERICAN HISTORY I, II (4,4)**

Credits separated by a hyphen indicate variable credit:

**HUM 4905 DIRECTED RESEARCH (1-5)**

The abbreviation “var.” also indicates variable credit:

**MAT 7912 DIRECTED RESEARCH (var.)**

The following abbreviations are utilized in various course descriptions:

- **PR** Prerequisite
- **CI** With the consent of the instructor
- **CC** With the consent of the chairperson of the department or program
- **CP** Co-prerequisite
- **CR** Co-requisite
- **DPR** Departmental Permit Required
- **GS** Graduate Standing
- **GR** Graduate Standing
- **ML** Master’s Level
- **S/U** S/U Grade System
- **Lec.** Lecture
- **Lab.** Laboratory
- **Dem.** Demonstration
- **Fro.** Problem
- **Dis.** Discussion

**SPECIAL INFORMATION COURSE CODES**

**6A** Courses to satisfy Rule 6A-10.30 (Gordon Rule)

*Foundations of Knowledge and Learning Core Curriculum Requirements – for students graduating under the 2009-2010 and subsequent USF Undergraduate Catalogs*

- **CAEC** English Composition
- **CAFA** Fine Arts
- **CAGC** Human and Cultural Diversity in a Global Context
- **CAHU** Humanities
- **CAMA** Mathematics
- **CANL** Natural Sciences (Life Science)
- **CANP** Natural Sciences (Physical Science)
- **CAQR** Quantitative Reasoning
- **CASB** Social and Behavioral Sciences
- **HHCP** Human Historical Context and Process

*Exit Requirements – for students graduating under the 2009-2010 and subsequent USF Undergraduate Catalog*

- **CPST** Capstone – CPST
- **WRIN** Writing Intensive - WRIN

*Liberal Arts Requirements - for students graduating under a USF undergraduate catalog prior to 2009-2010*

- **EC** Course fulfills part of the Liberal Arts General Education Requirement for English Composition
- **FA** Course fulfills part of the Liberal Arts General Education Requirement for Fine Arts
- **HP** Course fulfills part of the Liberal Arts General Education Requirement for Historical Perspectives
- **NS** Course fulfills part of the Liberal Arts General Education Requirement for Natural Sciences
- **AF** Course fulfills part of the Liberal Arts General Education Requirement for African, Latin American, Middle Eastern, or Asian Perspectives
- **QM** Course fulfills part of the Liberal Arts General Education Requirement for Qualitative Methods
Five Year Course Deletion Rule

In compliance with State of Florida Department of Education ruled 6A-10.0331, USF undergraduate courses not taught for five years, or fewer if desired, are deleted from the Undergraduate Catalog.

The University reserves the right to substitute, not offer, or add courses that are listed in this catalog.

Alphabetical Listing of Departments and Programs

COURSE LEVEL DEFINITION

Lower Level  0000-1999 Freshman Level
Upper Level  3000-3999 Junior Level
Graduate Level  5000-5999 Senior/Graduate Level

Level  2000-2999 Sophomore Level
Level  4000-4999 Senior Level
Level  6000-Up Graduate Level
Florida’s Statewide Course Numbering System

Courses in this catalog are identified by prefixes and numbers that were assigned by Florida’s Statewide Course Numbering System. This numbering system is used by all public postsecondary institutions in Florida and 33 participating non-public institutions. The major purpose of this system is to facilitate the transfer of courses between participating institutions.

Each participating institution controls the title, credit, and content of its own courses and recommends the first digit of the course number to indicate the level at which students normally take the course. Course prefixes and the last three digits of the course numbers are assigned by members of faculty discipline committees appointed for that purpose by the Florida Department of Education in Tallahassee. Individuals nominated to serve on these committees are selected to maintain a representative balance as to type of institution and discipline field or specialization.

The course prefix and each digit in the course number have a meaning in the Statewide Course Numbering System (SCNS). The list of course prefixes and numbers, along with their generic titles, is referred to as the “SCNS taxonomy.” Descriptions of the content of courses are referred to as “course equivalency profiles.”

General Rule for Course Equivalencies

Equivalent courses at different institutions are identified by the same prefixes and same last three digits of the course number and are guaranteed to be transferable between participating institutions that offer the course, with a few exceptions. (Exceptions are listed below.)

For example, a survey course in social problems is offered by 35 different postsecondary institutions. Each institution uses “SYG_010” to identify its social problems course. The level code is the first digit and represents the year in which students normally take the course at a specific institution. In the SCNS taxonomy, “SYG” means “Sociology, General,” the century digit “0” represents “Entry-level General Sociology,” the decade digit “1” represents “Survey Course,” and the unit digit “0” represents “Social Problems.”

In science and other areas, a “C” or “L” after the course number is known as a lab indicator. The “C” represents a combined lecture and laboratory course that meets in the same place at the same time. The “L” represents a laboratory course or the laboratory part of a course, having the same prefix and course number without a lab indicator, which meets at a different time or place.

Transfer of any successfully completed course from one institution to another is guaranteed in cases where the course to be transferred is equivalent to one offered by the receiving institution. Equivalencies are established by the same prefix and last three digits and comparable faculty credentials at both institutions. For example, SYG 1010 is offered at a community college. The same course is offered at a state university as SYG 2010. A student who has successfully complete SYG 1010 at the community college is guaranteed to receive transfer credit for SYG 2010 at the state university if the student transfers. The student cannot be required to take SYG 2010 again since SYG 1010 is equivalent to SYG 2010. Transfer credit must be awarded for successfully completed equivalent courses and used by the receiving institution to determine satisfaction of requirements by transfer students on the same basis as credit awarded to the native students. It is the prerogative of the receiving institution, however, to offer transfer credit for courses successfully completed that have not been designated as equivalent.

The Course Prefix

The course prefix is a three-letter designator for a major division of an academic discipline, subject matter area, or sub-category of knowledge. The prefix is not intended to identify the department in which a course is offered. Rather, the content of a course determines the prefix designation.

Authority for Acceptance of Equivalent Courses

Section 1007.24(7), Florida Statutes, states:

Any student who transfers among postsecondary institutions that are fully accredited by a regional or national accrediting agency recognized by the United States Department of Education and that participate in the statewide course numbering system shall be awarded credit by the receiving institution for courses satisfactorily completed by the student at the previous institutions. Credit shall be awarded if the courses are judged by the appropriate statewide course numbering system faculty committees representing school districts, public postsecondary educational institutions, and participating nonpublic postsecondary educational institutions to be academically equivalent to courses offered at the receiving institution, including equivalency of faculty credentials, regardless of the public or nonpublic control of the previous institution. The Department of Education shall ensure that credits
to be accepted by a receiving institution are generated in courses for which the faculty possess credentials that are comparable to those required by the accrediting association of the receiving institution. The award of credit may be limited to courses that are entered in the statewide course numbering system. Credits awarded pursuant to this subsection shall satisfy institutional requirements on the same basis as credits awarded to native students.

**Exceptions to the General Rule for Equivalency**

The following courses are exceptions to the general rule for course equivalencies and may not transfer. Transferability is at the discretion of the receiving institution:

A. Courses in the 900-999 series (e.g., ART 2905)
B. Internships, practica, clinical experiences, and study abroad courses
C. Performance or studio courses in Art, Dance, Theater, and Music
D. Skills courses in Criminal Justice
E. Graduate courses
F. Courses not offered by the receiving institution

College preparatory and vocational preparatory course may not be used to meet degree requirements and are not transferable.

Questions about the Statewide Course Numbering System and appeals regarding course credit transfer decisions should be directed to the Office of the Dean, Undergraduate Studies in SVC 2002 at the University of South Florida or the Florida Department of Education, Office of Articulation, 1401 Turlington Building, Tallahassee, Florida 32399-0400. Special reports and technical information may be requested by calling telephone number (850) 245-0427 or SunCom 205-0427.
ACG 2071 Principles of Managerial Accounting (3) BU ACC  
PR: ACG 2021 with a grade of C- or better. A study of the accountant’s role in assisting management in the planning and controlling of business activities.

ACG 3074 Managerial Accounting for Non-Business Majors (3) BU ACC  
Does not count towards major or CPA requirements. Not available for credit for Business majors. The study of the uses of accounting data internally by managers in planning and controlling the affairs of organizations.

ACG 3103 Intermediate Financial Accounting I (3) BU ACC  
PR: ACG 2071 with a grade of C or better, not C-. Continuation of ACG 3103. Topics covered include property, plant and equipment, intangibles, current liabilities, long-term debt, leases, tax allocation, statement of cash flows.

ACG 3341 Cost Accounting and Control I (3) BU ACC  
PR: ACG 3103 with a grade of C or better, not C-. Deals with cost accounting systems for different entities, cost behavior patterns, cost-volume-profit analysis, relevant information for decision making, and budgets and standard costs for planning and control.

ACG 3401 Accounting Information Systems (3) BU ACC  
PR: ACG 3103 with a grade of C or better, not C-. This course provides students with a basic understanding of well-controlled information systems in a variety of technological environments with added emphasis on the collection, processing, and reporting of accounting information.

ACG 4123 Intermediate Financial Accounting II (3) BU ACC  
PR: ACG 3113 with a grade of C or better, not C-. Theory and practice underlying stockholders’ equity, dilutive securities and EPS, derivatives, revenue recognition, post-retirement benefits, error analysis, full disclosure, and other current accounting topics.

ACG 4351 Cost Accounting And Control II (3) BU ACC  
PR: ACG 3103 and ACG 3341 with a grade of C or better, not C-. Application of the material covered in ACG 3341 with specific emphasis on cost allocations, performance measurements, analysis of current cost accounting systems and accounting in today’s environment (giving consideration to the influences of the international environment).

ACG 4632 Auditing I (3) BU ACC  
PR: ACG 3113 and ACG 3401. This course provides a sound conceptual foundation of basic auditing process from the perspective of the public accounting profession. Professional standards, ethics, legal responsibilities, and the utilization of technology are addressed.

ACG 4642 Auditing II (3) BU ACC  
PR: ACG 4632 with a grade of C or better, not C-. Further development of material covered in ACG 4632, with special emphasis on additional reporting topics and audit techniques not previously addressed.

ACG 4901 Independent Study (1-3) BU ACC  
PR: Consent of Director. S/U only. Specialized independent study determined by the students’ needs and interests.

ACG 4911 Independent Research (1-4) BU ACC  
PR: Consent of Director. Individual study contract with instructor and director required. The research project will be mutually determined by the student and instructor.

ACG 4931 Selected Topics In Accounting (1-4) BU ACC  
The course content will depend on student demand and instructor’s interest.

ACG 5205 Advanced Financial Accounting (3) BU ACC  
PR: ACG 3113 Accounting for business combinations, preparation of consolidated financial statements, home office/branch relationships, foreign operations and transactions, partnerships.

ACG 5505 Governmental/Not-For-Profit Accounting (3) BU ACC  

ACG 5675 Internal and Operational Auditing (3) BU ACC  
PR: ACG 3113 and ACG 3401. CR: ACG 4632. The objective of Internal and Operational Auditing is to provide students with an opportunity to learn about the theory and practice of internal and operational auditing and to apply relevant audit principles and techniques to selected audit problems.

ADE 4384 Working With the Adult Learner (3) ED EDV  
An investigation of the needs of the adult learner. Identification of principles of adult learning; physiological, psychological, and social characteristics of adult learners, and corresponding implications are explored.

ADV 3008 Introduction to Advertising (3) AS COM  
PR: MMC 2100 and MMC 3602. A study of the structures, functions, and persuasive language of advertising in mass media with attention to social, political, economic, and legal aspects.

ADV 3101 Advertising Creativity (3) AS COM  
PR: ADV 3008 and ECO 1000. Study of copywriting and art direction in the creation of advertising messages for alternative media platforms. Restricted to majors only.

ADV 3103 Radio-Television Advertising (3) AS COM  
PR: ADV 3008. An intensive study and analysis of radio and television for advertising purposes, including copywriting, script and storyboard preparation, time buying and selling techniques, audience research methods, and basic production concepts.

ADV 3200 Advertising Design (3) AS COM  
PR: ADV 3008 (for advertising sequence majors) or VIC 3001 (for other Mass Comm majors). Application of graphic design principles to various areas of advertising. Combining visual and verbal elements effectively.

ADV 3300 Advertising Media Strategy (3) AS COM  
PR: ADV 3008 and ECO 1000. Problems, techniques, strategy of media research, planning, budgeting and effective utilization in advertising.

ADV 3500 Advertising Research (3) AS COM  
PR: ADV 3008. Overview of scientific research methods as used in advertising. Emphasis on the acquisition, analysis,
and evaluation of primary and secondary data, and the principles of survey and experimental research.

ADV 3700 Retail Advertising Planning and Execution (3) AS COM
PR: ADV 3008 and ADV 3101. A study of retail advertising, including management decisions, processes, procedures, media planning, production techniques, and problems affecting the development of advertising to fulfill retail objectives.

ADV 4204 Advanced Advertising Creativity (3) AS COM
PR: ADV 3101, ADV 3300, ADV 3500, ADV 4600, ECO 1000, MAR 3023. Focused on producing advertising messages, the curriculum integrates: ethics, branding, consumer insight, message strategy, concepting, persuasion, copywriting, design, and presentations. Students learn to execute effective advertising messages.

ADV 4301 Advanced Media Strategy (3) AS COM
PR: ADV 3101, ADV 3300, ADV 3500, ADV 4600, ECO 1000, MAR 3023. Emphasizing decision making and critical thinking, this advanced course prepares students for the complexities of advertising media planning, implementation, and evaluation.

ADV 4310 Digital Media (3) AS COM
PR: ADV 3101, ADV 3300, ADV 3500, ADV 4600, ECO 1000, MAR 3023. This course focuses on the impact of new communication technologies on consumer behavior and advertising practice. Students will learn the nature of digital media options and how to incorporate them into advertising planning.

ADV 4600 Advertising Management (3) AS COM
PR: ADV 3008, ADV 3101, ADV 3300. Application of analytical planning concepts to advertising planning and decision-making. Case study method used to explore advertising and promotional programs; media and creative strategies; consumer, retail, industrial, and public service applications.

ADV 4710 Portfolio Building (3) AS COM
PR: ADV 3101, ADV 3300, ADV 3500, ADV 4600, ECO 1000, MAR 3023. This course goes beyond the basics of copy and layout to develop a broader understanding of the creative advertising process. It stresses creativity and organizational ability in portfolio building, along with technical skills in portfolio production.

ADV 4800 Advertising Campaigns (3) AS COM
PR: ADV 3101, ADV 3300, ADV 3500, ADV 4600, ECO 1000, and MAR 3023. Advanced advertising course requiring planning and production of complete general advertising campaign, including research, production methods, budgeting, and media schedules.

ADV 4940 Advertising Practicum (1) AS COM
PR: CI. For advertising sequence majors. S/U only. Practical experience outside the classroom where the student works for academic credit under the supervision of a professional practitioner. Periodic written and oral reports to the faculty member coordinating the study.

AFA 2000 Introduction to the Black Experience [In Africa and Its Diaspora] 6A AF CASB (3) AS AFA
Fundamental perspectives on the nature and significance of the Black Experience in Africa and black communities in the Americas.

AFA 2380 History and Theory of Genocide CAGC (3) AS AFA
This course examines the concept of genocide; its origins in human history and the evolution of international law aimed at defining and criminalizing genocide.

AFA 4150 Africa and the United States 6A SS HP AF (3) AS INT
An examination of the historical and current political, economic, and cultural relations between the United States and Africa.

AFA 4313 Black English MW (3) AS AFA
PR: Junior or Senior standing. This course focuses on linguistic patterns among African Americans in the U.S., South and Central America, and the Caribbean. It examines language in relation to issues of domination, social stratification, economics and political empowerment.

AFA 4331 Social Institutions and the African American Community (3) AS AFA
A study of social institutions as they relate to the African American community, with emphasis on social systems operating within and on the African American community.

AFA 4333 The African Diaspora: Blacks in the Construction of the Americas MW (3) AS AFA
PR: Junior or Senior standing. This course will examine the historical and geographical distribution of Africans in the diaspora and the political and economic roles they have played in the development of the Western world, with a focus on America. The course takes an interdisciplinary approach. The course is not restricted to majors and is not repeatable for credit.

AFA 4335 Black Women in America 6A MW CPST (3) AS AFA
An interdisciplinary survey of the contemporary experience of black women in America, including the African roots, myths, and realities surrounding that experience.

AFA 4350 African American Community Research MW (3) AS AFA
This interactive, field experience course introduces students to active and applied research methodologies and the uses of this research in Black urban communities.

AFA 4500 Slavery in the Americas and the Caribbean MW (3) AS AFA
This course examines the institution of enslavement in North, South, and Central America, and the Caribbean. It takes an interdisciplinary approach in exploring the social, political, and economic underpinnings of slavery.

AFA 4502 Middle Passage MW AF HP (3) AS AFA
The Middle Passage focuses on the trafficking of African peoples from Africa to destinations in the Americas and Europe. Emphasis is placed on the capture, detention, and transport of Africans, and their response to the experience.

AFA 4900 Directed Readings (2-3) AS AFA
PR: CI. Independent readings in a particular area of African and African American Studies, selected by student and instructor.

AFA 4931 Selected Topics in Africana Studies (1-3) AS AFA
Topics offered are selected to reflect student needs and faculty interests. In depth study in such areas as the Black Student and the American Educational Process; the Black Experience in the Americas; European Expansion in Africa to 19th century; Contemporary Economic Problems in Africa.

AFA 5935 Issues in Africana Studies (1-4) AS AFA
Variable topics course focusing on the history, culture, and lived experiences of Africans, African American, and/or
AFR 2140 The Evolution of USAF Aerospace Power Part 2 (1) US AFR

AFR 3220 Air Force Leadership and Management - I (3) US AFR
CR: AFR 2000, AFR 2001. An integrated management course emphasizing the individual as a manager in an Air Force milieu. The individual motivational and behavioral processes, leadership, communication, and group dynamics are covered to provide a foundation for the development of the junior officer's professional skills as an Air Force officer (officership). The basic managerial processes involving decision making, utilization of analytic aids in planning, organizing, and controlling in a changing environment are emphasized as necessary professional concepts.

AFR 3231 Air Force Leadership and Management - II (3) US AFR
CR: AFR 2000, AFR 2001. A continuation of the study of Air Force advancement and leadership. Concentration is on organizational and personal values, management of forces in change, organizational power, politics, and managerial strategy and tactics are discussed within the context of the military organization. Actual Air Force cases are used to enhance the learning and communication processes.

AMH 2020 American History II HP CAHU HHCP (3) AS HTY
A history of the United States with attention given to relevant developments in the Western Hemisphere from 1877 to the present.

AMH 3110 American Colonial History to 1750 (4) AS HTY
A study of the evolution of American society from the Age of Reconnaissance to 1750. Attention is given to the transformation from colonies to provinces with emphasis on ethnocultural conflict, religion, labor systems, and political culture.

AMH 3130 The American Revolutionary Era (4) AS HTY
Emphasis on the causes of the American revolution, the nature of Constitution-making, and the establishment of the federal system. Also examines the significance of loyalism, violence, and slavery in American society from 1750-1789.

AMH 3140 The Age of Jefferson (4) AS HTY
A comprehensive study of American society and political culture from 1789-1828. Focuses on demographic trends, party systems, expansionism, Indian policy, labor, and ethno-cultural conflicts.

AMH 3160 The Age of Jackson (4) AS HTY
The United States from 1828-1850, with emphasis on social and political conflict. Consideration of evangelicalism, reform, labor movements, urbanization, and political activity in the antebellum era.

AMH 3170 The Civil War and Reconstruction (4) AS HTY
An examination of political, social, and economic climate of the 1850's that led to the American Civil War. The course does focus upon the war itself in its military, diplomatic, and political consequences through the end of the Reconstruction (1877).

AMH 3201 The United States, 1877-1914 (4) AS HTY
A study of America from the end of Reconstruction to World War I. Ranging over political, social, and international developments, the course covers industrialization, immigration, unions, reform, feminism, race relations and imperialism.

AMH 3231 The United States, 1914-1945 (4) AS HTY
The United States from World War I to the end of World War II. Covering political, social and international developments, the course examines the lives of Americans, including minorities and women, during war, prosperity, and the Great Depression.

AMH 3270 The United States since 1945 (4) AS HTY
A study of America's role in the Cold War, in Vietnam, and in the post-Cold War era. Also examines domestic developments, such as the consumer culture, protest movements, and abuses of political power.

AMH 3403 The South since 1865 (4) AS HTY
Southern history since the surrender at Appomattox. Topics covered include Reconstruction, the Populist revolt, race relations, demagoguery and disfranchisement, Southern women, and the Civil Rights Movement.

AMH 3421 Early Florida (4) AS HTY
A history of colonial Florida under the Spanish and English. Florida as an area of discovery, colonization, and imperial conflict; the emergence of Florida within the regional setting.

AMH 3423 Modern Florida (4) AS HTY
An historical survey of Florida from the territorial period to the modern era. An examination of the social, political, and economic changes occurring in Florida between 1821 and the 1980s.

AMH 3500 American Labor History (4) AS HTY
A study of American workers from the colonial period to the present. Examines the changing nature of work, its effects on workers (including minorities and women), and their responses as expressed in strikes, unions, and political action.

AMH 3510 U.S. Diplomatic History to 1898 6A (4) AS HTY
The development of American Foreign Relations in the Agricultural era.

AMH 3511 U.S. Diplomatic History in the 20th Century (4) AS HTY
A history of American Foreign Relations in the Industrial era.

AMH 3530 Immigration History (4) AS HTY
A study of the composition and character of the “American” people with emphasis on the period from 1840s to the 1920s. Examines old world backgrounds of immigrants and their responses to the new world’s social, economic and political conditions.

AMH 3540 United States Military History (4) AS HTY
A study of American military policy and practices from colonial days to the present. Attention is given both to tactics and to strategy in the unfolding formulation and development of American armed might.

AMH 3545 War and American Empire (4) AS HTY
The U.S. evolved in 200 years from 13 colonies to the number one power in the world. To achieve this goal we utilized war to achieve empire. This course will examine the link between American War and empire from the Revolution through Viet Nam.

AMH 3561 American Women I (4) AS HTY
A study of women in the evolution of American society from European origins to 1877. Women’s roles in the family, economy, politics, wars, and reform movements will be examined.

AMH 3562 American Women II (4) AS HTY
A study of women in the evolution of American society from 1877 to the present. Women’s roles in the family, economy, politics, immigration, wars, religion and reform movements will be examined.

AMH 3571 African American History to 1865 HP CAHU HHCP (3) AS AFA
This course surveys the history of people of African-descent in the U.S. from the beginning of the Atlantic Slave Trade to 1865. Major topics include the rise & fall of slavery, ethnic & racial identities, resistance, gender, culture, and community.

AMH 3572 African American History since 1865 HP CAHU HHCP (3) AS AFA
This course explores the history of African Americans since 1865. Major topics include the struggle for equality, class and gender dimensions of the Black freedom struggle, and the varied approaches in the fight against oppression and inequality.

AMH 4601 Early American History and Archaeology (6) AS HTY
This course is a five week long summer practicum in early American historical archaeology. The class brings together historical research, material culture studies, and historical research.
archaeology methods within a professional historical archaeology setting.

AML 3031 American Literature From the Beginnings to 1860 (3) AS ENG
A study of representative works from the period of early settlement through American Romanticism, with emphasis on such writers as Cooper, Irving, Bryant, Hawthorne, Emerson, Melville, Thoreau, and Poe, among others.

AML 3032 American Literature From 1860 to 1912 (3) AS ENG
A study of representative works of selected American Realists and early Naturalists, among them Whitman, Dickinson, Twain, James, Howells, Crane, Dreiser, Wharton, Robinson, Dunbar, and Johnson.

AML 3051 American Literature From 1912-1945 (3) AS ENG
A study of poetry, drama, and fiction by such writers as Pound, Stein, Fitzgerald, Hemingway, Faulkner, Porter, Toomer, Cummings, Williams, Anderson, Steinbeck, Wright, West, Stevens, Henry Miller, and others.

AML 3413 Historical Perspectives in Early American Literature HP (3) AS ENG
Examines American literature from the Colonial Period to the Civil War as a manifestation of geographical, political, social, and intellectual forces. Will not be counted toward the English major.

AML 3604 African American Literature 6A LW WRIN (3) AS ENG
A study of black American literature from the nineteenth century to the present, including the works of such writers as W.E.B. DuBois, Jean Toomer, Langston Hughes, Richard Wright, Ralph Ellison, LeRoi Jones, and Nikki Giovanni.

AML 3630 U.S. Latino/Latina Literature in English (3) AS ENG PR: ENC 1101 and ENC 1102. This 3000-level literature course surveys American English literature by Latino/Latina writers (with Spanish American ancestry). Authors may include Piri Thomas, Sandra Cisneros, Esmeralda Santiago, Luis Valdez, Tomás Rivera, Oscar Hijuelos, etc.

AML 4111 Nineteenth-Century American Novel (3) AS ENG
A study of the American novel from its beginnings through 1900, including such novelists as Cooper, Hawthorne, Melville, James, Twain, Crane, and Dreiser, among others.

AML 4121 Twentieth-Century American Novel (3) AS ENG
A study of major trends and influences in American prose fiction from 1900 to the present, including works by such writers as Hemingway, London, Wharton, Fitzgerald, Faulkner, West, Mailer, Bellow, Ellison, Donleavy, Updike, Vonnegut, and others.

AML 4261 Literature of the South (3) AS ENG
A study of the major writers of the Southern Renaissance, including writers such as Faulkner, Wolfe, Caldwell, Hellman, McCullers, O’Connor, Warren, Styron, Tate, Davidson, and Dickey.

AML 4300 Selected American Authors (3) AS ENG
The study of two or three related major authors in American literature. The course may include such writers as Melville and Hawthorne, Hemingway and Faulkner, James and Twain, Pound and Eliot, Stevens and Lowell, etc. Specific topics will vary. May be taken twice for credit with different topics.

AML 4303 Zora Neale Hurston: Major Works 6A MW LW (3) AS AFA
PR: Junior or Senior standing. The course focuses on the life, works, and times of Zora Neale Hurston as a major Harlem Renaissance figure and a renowned Florida writer.

AML 4624 Black Women Writers 6A LW (3) AS AFA
Black women writers focus on the literature of women of Africa and the African Diaspora. It examines the social, historical, artistic, political, economic, and spiritual lives of Africana women in the context of a global community.

AMS 2030 Introduction to American Studies SS HP CAHU HHCP (3) AS AMS
An overview of American Studies, the interdisciplinary study of American culture. Analysis of the arts and literature, including music; social issues; popular culture; material culture; cultural diversity; and social change.

AMS 2201 Colonial American Culture HP (3) AS AMS
An examination of cultural patterns in America as they developed between 1600 and 1780 with an emphasis on the texture of everyday life.

AMS 2212 Nineteenth-century American Culture HP (3) AS AMS
An examination of cultural patterns in America from 1776 to 1900 with an emphasis on the texture of everyday life.

AMS 2270 Twentieth-century American Culture HP CAHU HHCP (3) AS AMS
An examination of cultural patterns in America from 1900 to the present with an emphasis on the texture of everyday life.

AMS 2363 Issues in American Civilization (1-4) AS AMS
An examination of selected topics such as natural environment, the quality of life, society, the arts and culture, American communities, the nature of work, the future of the family, American success myth, youth in America. Topic varies.

AMS 3001 American Culture 1880-1915 6A HP (4) AS AMS
Integration of major aspects of American life between the 1880s and World War I.

AMS 3210 Regions of America HP (4) AS AMS
The pattern of American culture as revealed through an examination of selected writings and other pertinent materials dealing with selected American regions. Topic varies.

AMS 3230 America During the 1920s and 1930s 6A CAHU (3-4) AS AMS
Course provides an interdisciplinary examination of American culture during the turbulent interwar years, 1919 through 1941. Students will examine how the arts, advertising, fashion, and social behavior registered changing cultural values.

AMS 3260 American Culture, 1830-1860 6A HP (4) AS AMS
Examines the patterns of American culture in the years leading up to the Civil War. Topics include religion and social reform, race relations, and the impact of industrialization.

AMS 3302 Architecture and the American Environment (3) AS AMS
By means of slides, lectures and discussion, this course examines 350 years of American architectural history. Architectural styles, aesthetics and the relation between a building and its social environment are stressed.
AMS 3370 Southern Women: Myth and Reality 6A HP WRIN (3) AS AMS
This course will identify the myths surrounding Southern women, discern their sources and purposes, and contrast them with history.

AMS 3601 Material Culture and American Society SS HP (3) AS AMS
By means of slides, lectures and student projects, examines connections between artifacts and American cultural attitudes from 17th century to present. Topics include: architecture, furniture, gravestones, toys, and the material subcultures of women, African-Americans and communal societies.

AMS 3700 Racism in American Society SS HP CASB (3) AS AMS
This course will help students understand the extent and causes of racism, anti-Semitism and prejudice in the U.S. They will learn how prejudice arises, the roots of racism, and its effects on society using lectures and videos.

AMS 3930 Selected Topics in American Studies (1-4) AS AMS
Offerings include Cultural Darwinism in America, America Through Foreign Eyes, and The Female Hero in American Culture.

AMS 4152 Film in American Culture (3) AS AMS
Surveys the contributions to the American culture of major films from the perspectives of genres and styles, critical methodologies and theories. Variable topics such as: region, subject, or period of time. Repeatable up to 9 credit hours with change of topic.

AMS 4804 Major Ideas in America MW CPST (3) AS AMS
Investigates the role of one or more influential ideas in American culture, for example: individualism, identity, community, dissent, reform, utopianism, democracy. Emphasizes the critical analysis of a variety of primary texts. Topic varies.

AMS 4910 Individual Research (1-4) AS AMS
The content of the course will be governed by student demand and instructor interest. Instructor approval required prior to registration.

AMS 4930 Selected Topics in American Studies (1-4) AS AMS
PR: Senior in American Studies or CI. Offerings include the social implications of American painting, Technology in Twentieth Century America, American Environmental Problems, Popular Culture in America, American Military Experience, and Labor in America.

AMS 4935 Senior Seminar in American Studies (4) AS AMS
PR: Senior in American Studies or CI.

AMS 4940 Internship in American Studies (1-2) AS AMS
A structured, out-of-class learning experience designed to provide first-hand, practical training in careers related to American Studies. Restricted to American Studies majors. Repeatable up to 4 credit hours.

ANG 5395 Visual Anthropology (3) AS ANT
PR: Graduate standing. This class will examine the major dimensions of visual anthropology with an emphasis on the visual means of presenting anthropology to the discipline and general public. The course will focus on visual documentation and study of visual images.

ANG 5486 Quantitative Methods in Anthropology (3) AS ANT
PR: Graduate Standing. This course is an introduction to quantitative methods for the anthropologist covering both classical statistical approaches and exploratory data analysis, using computers with statistical software.

ANG 5901 Directed Reading (1-4) AS ANT

ANG 5910 Individual Research (2-4) AS ANT
PR: DPR. Contract required prior to registration. S/U. Individual guidance in selected research project.

ANG 5937 Seminar In Anthropology (2-4) AS ANT
PR: Senior or GS. Topics to be chosen by students and instructor.

ANT 2000 Introduction to Anthropology SS AF CASB (4) AS ANT
The cross-cultural study of the human species in biological and social perspective. Surveys the four major branches of anthropology: physical anthropology, archaeology, linguistic anthropology, and cultural anthropology.

ANT 2410 Cultural Anthropology SS AF CAGC (3) AS ANT
Students are exposed to methods and concepts for cross cultural study of the world’s peoples. Case studies demonstrate variations in human adaptation and encourage an understanding of and appreciation for diverse cultures and their values.

ANT 2511 Biological Anthropology NS CANL (3) AS ANT
This is an overview of biological anthropology. It covers areas such as evolutionary theory and genetics (critical thinking and scientific process), human variation (diversity), and epidemiology (environment). It also has a historical component.

ANT 2511L Biological Anthropology Laboratory (1) AS ANT
CR: ANT 2511 This is a lab companion to an overview of biological anthropology. The students will be doing laboratories which are relevant to the class topics covered in the lecture hall in ANT 2511.

ANT 3005 The Anthropological Perspective AF (3) AS ANT
For non-anthropology majors only. May not be counted for credit toward an anthropology major. Presents the basic concepts of anthropology as they are relevant to contemporary life. Aims at enabling the student to understand the anthropologist’s cross-cultural view of the human species as adapting throughbiosocial means to life on this planet.

ANT 3101 Archaeology SS CAGC HHCP (3) AS ANT
PR: ANT 2000 recommended for Anthropology Majors/Minors. Focuses on critical thinking about the past, archaeological research. Methods, theory, web resources, and scientific analysis in the study of world prehistory, from human origins to modern times.

ANT 3610 Anthropological Linguistics SS (3) AS ANT
The comparative study of language in its cultural context, especially emphasizing the role of language in the cultural interpretation of physical and social reality.

ANT 4012 Fantastic Archaeology MW (3) AS ANT
PR: Junior standing or above. Mysteries including the Lost Continent of Atlantis, Ancient Astronauts, Piltdown Man, Psychic Archaeology, Noah’s Ark, and the Shroud of Turin.
will be examined, while emphasizing skills in critical thinking that have much wider practical applications.

**ANT 4014 Anthropology of American Culture (3) AS ANT**
PR: ANT 2410 This course examines American culture from an anthropological perspective. Various sources and methods will be used in formulating our portraits including readings, films, fieldwork, and personal experiences.

**ANT 4034 Theories of Culture (3) AS ANT**
PR: Senior standing with major in anthropology or DPR. The major concepts that form the anthropological view of humanity are viewed in historical perspective. Basic ideas of the western philosophical tradition are analyzed from the Greeks to the 19th century when they became incorporated into the new discipline of anthropology. 20th century anthropological developments on these themes are considered.

**ANT 4142 Old World Archaeology (3) AS ANT**
PR: ANT 3101 or DPR. The archaeology of Europe, Asia and Africa, from the earliest humans through the emergence of state-level societies in many parts of the Old World. The course will focus on comparative aspects of economic, social, political, and religious organization in prehistoric Near East, Egypt, China, the Aegean, Europe and Africa.

**ANT 4143 European Archaeology (3) AS ANT**
PR: ANT 3101 or DPR. The archaeology of Europe, from the first Paleolithic inhabitants to the fall of Roman civilization. The course will focus on ancient material culture while emphasizing social and economic questions such as the emergence of modern humans, the adoption of agriculture, the development of complex societies, and the rise of civilization.

**ANT 4147 Environmental Archaeology (3) AS ANT**
PR: ANT 3101 or DPR. This course examines environmental constraints on ancient human societies, and how human activities have impacted the environment in the last several thousand years. Presentation of the methods used to reconstruct prehistoric environments will be followed by case studies from Florida, Central and South America, Easter Island, the Mediterranean and the Near East.

**ANT 4153 North American Archaeology (3) AS ANT**
PR: ANT 3101 or DPR. An examination of the evidence regarding the human settlement of North America from its beginnings through the development of aboriginal culture to the period of European conquest. Emphasis on the comparative study of material culture at selected sites from all time periods. No field work is involved.

**ANT 4158 Florida Archaeology (4) AS ANT**
PR: ANT 3101 or DPR. Culture history and culture process over 10,000 years from the time of the first people in Florida (Paleo-Indians) through the elaborate Weeden Island and Safety Harbor burial and temple mound cultures to the Spanish entrada and consequences of European conquest. Review of temporal and spatial relationships within the entire eastern U.S. and elsewhere. May be part of a summer (or other semester) field school, combined with Field Methods in Archaeology and Laboratory Methods in Archaeology.

**ANT 4163 Mesoamerican Archaeology (3) AS ANT**
PR: ANT 3101 or DPR. The chronological sequence from its beginnings through Protohistoric development is described and analyzed. Cultures such as the Maya, Aztec, Mixtec, Zapotec, Olmec, and Toltec are included, with emphasis on the environmental setting and the relationship between cultural ecology and the growth of civilization.

**ANT 4165 South American Archaeology (3) AS ANT**
PR: ANT 3101 or DPR. Describes and analyzes the sequence of cultural development in prehistoric South America. Cultures such as the Inca, Chavin, Mochica, Wari, Chimú are included. Emphasis on the environmental setting and the relationship between cultural ecology and the growth of civilization.

**ANT 4172 Historical Archaeology MW (3) AS ANT**
PR: ANT 3101 or DPR. A survey and analysis of archaeology focused on the historic period. Laboratory research with data recovered from historic sites in addition to class work.

**ANT 4180 Laboratory Methods in Archaeology (2-4) AS ANT**
PR: ANT 3101 or DPR. Data and materials recovered from archaeological survey and excavation are processed in the laboratory; includes artifact cleaning, cataloguing, identification, and analysis; soil flotation; reconstruction and conservation of artifacts, mapmaking, etc. May be offered as part of a summer (or other semester) field session. May be combined with Florida Archaeology and Field Methods in Archaeology.

**ANT 4181 Museum Methods (4) AS ANT**
PR: ANT 3101 and DPR. Design, preparation and installation of exhibits in the Department of Anthropology Teaching Exhibit Gallery. Emphasis on theory, research, design, and construction. Discussion of museum-related issues such as administration and curation.

**ANT 4183C Archaeological Science (4) AS ANT**
PR: ANT 3101 or DPR. This course focuses on the application of scientific methods of analysis to archaeological materials including bone, stone, pottery, and metal. Methods include absolute dating, remote sensing, optical and SEM microscopy, elemental and isotope analysis. Laboratory sections provide hands-on experience with a variety of archaeological materials and analytical methods.

**ANT 4231 Folklore 6A (3) AS ANT**
PR: ANT 2410 or DPR. Focuses on cross-cultural methods and techniques regarding the collection, classification, and analysis of such materials as myths, jokes, games, and items of material culture. African (or African-derived), Oceanic and Native American societies are surveyed.

**ANT 4241 Anthropology of Religion 6A MWWRIN (3) AS ANT**
PR: ANT 2000, ANT 2410. The cross-cultural study of Religious activities in traditional and modern societies will be discussed. Ritual behavior, religious practitioners, and symbols of belief will be considered.

**ANT 4285 Oral History (3) AS ANT**
PR: ANT 2410 or DPR. A survey of the history, methods, and current applications of oral history research, primarily in the anthropological study of culture, but with reference to allied disciplines. Students will become familiar with oral history through intensive analysis of selected case studies as well as guided field projects.

**ANT 4302 Gender in Cross-Cultural Perspective MW CPST HHCP (3) AS ANT**
PR: an anthropology or a women’s studies class. Examines roles of women, men, other genders and social, economic,
and political aspects of sex and gender, from a biocultural, 4-field anthropological perspective, emphasizing non-Western societies and cross-cultural comparison in past and present.

**ANT 4312 North American Indians (3) AS ANT**
PR: ANT 2410 or DPR. An examination of the evidence for the origin and antiquity of human beings in North America and of patterns of regional development until the period of contact with European colonists. Emphasis on varieties of ecological adaptation, social, political and religious systems, enculturation and worldview, folklore and visual art.

**ANT 4316 Ethnic Diversity in the United States MW (3) AS ANT**
PR: ANT 2410 or DPR. Special concerns include ethnic diversity in American society, historical and contemporary diversity in values, experiences, and lifestyles, and an examination of policies and problems affecting ethnic groups in the United States.

**ANT 4323 Mexico and Central America (3) AS ANT**
PR: ANT 2410 or DPR. Restricted to Anthropology majors, LACS certificate students, juniors and seniors only. Focuses on the history, contemporary values and interpersonal relationships, and patterns of rural and urban life in Mesoamerica. Guatemala and Mexico are emphasized.

**ANT 4340 The Caribbean 6A MW (3) AS ANT**
PR: ANT 2410 or DPR. Restricted to junior and senior CAS majors. Main themes include: the depopulation of the aboriginal population and the resettlement of the area via slavery, indenture, and migration; contemporary ethnic heterogeneity; economic problems of Third World microstates; development of a modern social and political consciousness. Religious diversity, music, the graphic arts, and the literature of the contemporary Caribbean will also be surveyed.

**ANT 4390 Visual Anthropology (3) AS ANT**
PR: ANT 2410 and DPR. The use of photographic techniques for the cross-cultural recording and analysis of human activities. The study of ethnographic photography as both art and science, and the production of an anthropological study that expresses the goal of “visual literacy.” Review and evaluation of the uses of visual techniques and the evidence they provide to the social scientist.

**ANT 4401 Exploring Cross-Cultural Diversity MW CPST (3) ASANT**
This course will address a variety of challenging issues related to the general topic of cross-cultural diversity in contemporary American life.

**ANT 4403 Environmental Anthropology (3) AS ANT**
PR: ANT 2410 or DPR. Explores cultural, social, political, and economic dimensions of contemporary environmental problems. Emphasis placed on the links between local-level environmental degradation and broader regional and global forces.

**ANT 4432 The Individual and Culture 6A MW (3) AS AN**
PR: ANT 2410 or DPR. The relationship between the individual and society is studied cross-culturally. Main themes include child-rearing practices, psychosomatic illness and curing. Discussion of theories and models of personality development with special reference to their applicability to the emerging field of cross-cultural mental health planning.

**ANT 4442 Urban Life and Culture (3) AS ANT**
PR: ANT 2410 or DPR. The cross-cultural study of urbanization, urbanism and human problems associated with metropolitan environments. Emphasis on the ethnography of city life and its relationship to the practical applications of urban research.

**ANT 4462 Health, Illness, and Culture (3) AS ANT**
PR: ANT 2410 or DPR. The study of health and human behavior in cross-cultural perspective. Main themes include: the impact of disease on the development of human culture; comparative studies of curing practices; medical systems in their relationship to ideology. Emphasis on understanding the role of medicine, and the behavior of both practitioners and patients in modern societies.

**ANT 4495 Methods in Cultural Research (3) AS ANT**
PR: DPR. Restricted to juniors and seniors. The stages in the development and execution of ethnological research are discussed and practiced. Literature search, hypothesis formation, selection of data collection techniques, elicitation of information, data analysis, and report presentation are stressed. Research design models from the case literature are studied and supervised research in the local community is designed and carried out.

**ANT 4516 Human Variation (3) AS ANT**
PR: ANT 2511 or DPR. An overview of evolution and biological variations of human races. Anatomical, morphological, and physiological patterns are surveyed geographically. Cultural influences on racial biology are explored.

**ANT 4520C Forensic Anthropology (4) AS ANT**
PR: ANT 2511 or DPR. This course is designed to familiarize students with forensic anthropology through lectures and lab work. Students will learn human skeletal biology for personal identification and cause of death. This course is restricted to majors and is not repeatable.

**ANT 4586 Prehistoric Human Evolution NS (3) AS ANT**
PR: ANT 2511 or DPR. A survey of the fossil record from the early primates through the ascent of Homo sapiens sapiens, focusing on the human lineage. Biosocial patterns and cultures of the past are also covered.

**ANT 4620 Language and Culture 6A (3) AS ANT**
PR: ANT 3610 or DPR. Examines the relationships between language and culture in cross-cultural perspective. Explores the extent to which languages shape the world views of their speakers. Emphasis on the nature and degree of fit between linguistics and other cultural systems of knowledge.

**ANT 4701 Applied Anthropology (3) AS ANT**
PR: ANT 2410 or DPR. A review of approaches applying the anthropological perspective to contemporary human problems. Particular emphasis placed on public policy issues in United States society. Discussion of the historical development of applied anthropology, problems of economic development of the Third World, and the ethics of applied research and intervention.

**ANT 4750 Language and Social Interaction 6A (3) AS ANT**
PR: ANT 3610 or DPR. Examines the role of language and other modes of communication in the social settings of speech communities. Student field projects focus on the
cross-cultural description and analysis of patterns of communication in ethnographic contexts.

**ANT 4824 Archaeological Field Methods (4-12) AS ANT**
PR: ANT 3101 and DPR. Offered as all or part of a summer (or other semester) field session. May or may not be combined with Florida Archaeology and Laboratory Methods in Archaeology. Students learn appropriate methods of archaeological survey, excavation, data and materials recovery, recording, and processing.

**ANT 4901 Directed Reading (1-4) AS ANT**

**ANT 4905 Individual Research (2-4) AS ANT**
PR: DPR. S/U only. Individual guidance in a selected research project. Contract required prior to registration.

**ANT 4930 Special Topics in Anthropology (2-4) AS ANT**
PR: Variable depending on topic or DPR. Topics to be chosen by students and instructor permitting newly developing subdisciplinary special interests to be explored.

**ANT 4932 Honors Seminar (4) AS ANT**
PR: Admission to the honors program in anthropology and DPR. Seminar designed to provide the honors student with an opportunity to present, discuss and defend his/her own research and to explore in-depth topics in several areas of anthropology.

**ANT 4935 Rethinking Anthropology 6A (3) AS ANT**
PR: Anthropology Major/Minor. This course is the senior seminar in anthropology. The objectives are to reflect upon and integrate major material covered in previous courses, to reflect upon the status on the discipline of anthropology, and to allow students to determine where they see themselves within the discipline. We will reflect upon the four fields of anthropology and ethics, as well as key issues such as evolution, race, and culture, and students are encouraged to integrate their knowledge from previous classes.

**ANT 4940 Directed Internship Including Practicum (2-4) AS ANT**
PR: DPR. S/U only. Individual guidance in a selected internship. Contract required prior to registration. Majors and non-majors. May be repeated for credit; max 6 total hours.

**ANT 4970 Honors Thesis (3) AS ANT**
PR: Admission to the honors program, completion of the honors seminar and DPR. S/U only. The student under the supervision of a faculty member will formalize, conduct, analyze, and report in writing a research project in anthropology.

**APK 4136 Exercise Prescription for Strength & Conditioning (3) ME ATH**
PR: PET 3351. Athletic Training majors only. Techniques in conducting health-fitness test and exercise prescription for adults. Includes cardiovascular strength, flexibility, body composition, health risk testing, exercise prescribing, and monitoring.

**ARA 1120 Modern Arabic I (4) AS WLE**
CR: ARA 1120L. An intensive study of basic skills: pronunciation, listening comprehension, speaking and some composition.

**ARA 1120L Modern Arabic I Laboratory (1) AS WLE**
CR: ARA 1120. S/U only. A laboratory designed to offer additional practice using various instructional technologies and media. Concurrent enrollment with a lecture session is required, and, if dropped, then dropped simultaneously.

**ARA 1121 Modern Arabic II (4) AS WLE**
PR: ARA 1120 or its equivalent. CR: ARA 1120L. A continuation of ARA 1120. More sophisticated oral/aural skills are attained. Basic reading skills are acquired.

**ARA 1121L Modern Arabic II Laboratory (1) AS WLE**
CR: ARA 1121. Concurrent enrollment with a lecture session is required, and, if dropped, then dropped simultaneously. S/U only. A laboratory designed to offer additional practice using various instructional technologies and media.

**ARA 2220 Modern Arabic III (4) AS WLE**
PR: ARA 1121 or the equivalent. For language students who intend to attain basic proficiency.

**ARA 2221 Modern Arabic IV (4) AS WLE**
PR: ARA 2220 or the equivalent. Continuation of ARA 2220. Practice of writing, speaking and listening skills for language students who intend to attain basic proficiency.

**ARA 4905 Directed Study (1-5) AS WLE**
Departmental approval required. S/U only. Permits study options in Arabic not available in regularly scheduled curriculum at departmental discretion.

**ARA 4930 Selected Topics (1-5) AS WLE**
Departmental approval required. Course permits classes in Arabic not available in the regularly scheduled curriculum at departmental discretion.

**ARC 2131 Introduction to Architectural Design and Graphics FA (4) TA ARC**
An introduction to fundamental “critical thinking” and graphic communication skills in architecture.

**ARC 2211 Introduction to Architecture HP FA (3) TA ARC**
An introduction to the analysis and interpretation of the architecture and urban design of various cultures.

**ARC 2701 Architectural History I HP FA (3) TA ARC**
Overview of the built environment from prehistory through the Middle Ages. Buildings and cities in their geographical, topographical, political, aesthetic, social, technological and economic context.

**ARC 2702 Architectural History II HP FA (3) TA ARC**
Overview of the built environment from the Middle Ages to the present. Buildings and cities in their geographical, topographical, political, aesthetic, social, technological and economic context.

**ARC 2932 Selected Topics (1-4) TA ARC**
Selected topics will include architectural diagramming, freehand drawing, model making, photography, and computer graphics. Courses are intended for non-majors and are repeatable.

**ARC 4784 The City 6A MW (3) TA ARC**
This course examines the history of the city, as both idea and reality, with a particular focus on Western cities, and the 20th century. The course is open to undergraduates and students in the Graduate Architecture Program.

**ARC 4931 Selected Topics in Architecture and Community Design (2-4) TA ARC**
Variable topics will be offered for pre-professional studies for students in the Liberal Studies Major/ALA Degree Program and as electives for other undergraduates.
ARC 5175 Computer Technology (3) TA ARC  
PR: CC. Introduction to the application of computer technology in current architectural practice. The exploration of available software, programs, and computer services for word processing, information handling, specification writing, feasibility analysis, cost estimating, economic performance and life cycle cost analysis, project management (network programming and analysis), computer graphics, computer aided design and drafting.

ARC 5216 The Building Arts (3) TA ARC  
PR: CC. Introduction to the man-made environment. The study and profession of architecture. The various facets of the process of shaping the built environment as it manifests itself in the different roles and specialization of the experts involved in the process, and in the various academic courses that prepare the architect for practice.

ARC 5256 Design Theory (3) TA ARC  
PR: DPR. Survey of major schools of thought in design theory, methods of design and problem-solving, and design research. The nature of the design activity and its recurring difficulties. The nature and different types of problems. Traditional approaches to problem-solving and design in architecture; recent systematic as well as intuitive approaches to problem-solving based on developments in other fields. Scientific method; the systems approach and design.

ARC 5361 Core Design I (9) TA ARC  
PR: CC. First of two semester Design Fundamentals/Design Graphics sequence focusing on design abstractions and analysis of the factors influencing conceptual design. Emphasis is placed on ordering principles, pattern recognition and utilization, and figure-ground relationships. Development of craftsmanship, drawing as a means to design, and perceptual acuity are stressed.

ARC 5362 Core Design II (9) TA ARC  
PR: ARC 5361, CC. Second of a two semester Design Fundamentals/Design Graphics sequence focusing on synthesis of design concepts and application of ordering principles in architectural design. Emphasis is placed on developing an understanding and awareness of architectural elements and compositions. Students examine the work of significant architects and use it as a basis for design exploration. Graphic documentation, diagramming, and model studies are stressed.

ARC 5363 Core Design III (6) TA ARC  
PR: ARC 5362, ARC 5467, ARC 5587, ARC 5731. CO: ARC 5689. Study of the various phases of the building delivery and design process, and of different approaches to ordering that process in a systematic fashion. The student will use one such systematic approach in the investigation and development of design solutions for a project of moderate scale and complexity. Studies of built form ordering principles, mass/void relationships, scale and proportion, color, texture, contextual relationships, meaning/imagery, and building technology (awareness of structural organization, services networks, construction processes and materials). Aspects of human behavior as design determinants.

ARC 5364 Advanced Design A (6) TA ARC  
PR: ARC 5363. CP: ARC 5588, ARC 5467. Application of orderly design processes to building projects of moderate complexity and scale. Continued investigation of the relationship between human behavior and the environment. Analysis and integration of site relationships into the development of design solutions. Legal aspects of zoning, building codes, and regulations regarding access for accessibility, fire escape, etc.

ARC 5365 Advanced Design B (6) TA ARC  
PR: ARC 5363. CP: ARC 5588, ARC 5467. Investigation of the interaction between user requirements, environmental determinants, site and urban context conditions, technological factors, and design intentions in the development of design solutions for projects of medium scale and complexity. The analysis, design, and coordination of the various resulting systems, including structural, circulation, service networks, space zoning and use, environmental control systems at the interface between interior and exterior of a building. Representation of these relationships and systems in diagrams and models, and their manifestation in design and construction details.

ARC 5366 Advanced Design C (6) TA ARC  
PR: ARC 5363. CP: ARC 5588, ARC 5467. Design of multi-purpose buildings of medium to large scale and complexity. Issues of community and neighborhood design as they relate to the design of buildings. Restoration and adaptive re-use of existing historic buildings. Focus on thinking through as well as documenting the complete building system and process.

ARC 5467 Materials and Methods of Construction (3) TA ARC  
PR: ARC 5470, CC. Overview of properties of primary construction materials and systems that make up building structures and enclosures. Emphasis on elements and assemblies relative to various climates, technologies, costs, building codes, and craftsmanship.

ARC 5470 Introduction to Technology (3) TA ARC  
Introduction to architectural technology, including structures, materials and methods of construction, and environmental controls. Overview of building systems and components and their integration into architectural design projects.

ARC 5587 Structures I (3) TA ARC  
PR: Calculus, Physics, and ARC 5470, CC. Review of static and mechanical principles of materials. Analysis and evaluation for appropriate selection of structural systems and elements. Analysis and design of timber and steel structures, based on moment, shear, and deflection. Fundamentals of wind and seismic design as they apply to wood and steel construction. Truss analysis, beam and column behavior.

ARC 5588 Structures II (3) TA ARC  

ARC 5689 Environmental Technology (3) TA ARC  
PR: ARC 5467 and ARC 5470. Comprehensive overview of mechanical systems for buildings including: water and waste: fire protection and suppression; heating, cooling
and controls; electric power distribution and illumination; communications; transportation systems, and acoustics.

**ARC 5731 Architectural History I (3) TA ARC**
Overview of the built environment from prehistory through the Middle Ages. Buildings and cities in their geographical, topographical, political, aesthetic, social, technological, and economic context. Varieties of methodological approaches to the analysis of historical architecture. The focus will be on the built environment of Europe and the Mediterranean basin.

**ARC 5732 Architectural History II (3) TA ARC**
Overview of the built environment from the Renaissance to the present. Buildings and cities in their geographical, topographical, political, aesthetic, social, technological, and economic context. Study of various methodological approaches to the analysis of historic architecture, and development of student's own approach. Emphasis will be on the built environment of Europe and America.

**ARC 5789 Modern Architecture History (3) TA ARC**
PR: CC, CI. Exploration of the philosophic, economic, aesthetic, social, historical and moral imperatives used by modern architects and historians in their attempt to design the appropriate physical environment for a new social order. The course will investigate the writings and works of the proponents of the modern style of architecture and study the “New Architecture” as defined by those who broke tradition and expressed the new era using modern construction materials and techniques.

**ARC 5793 History Abroad (3) TA ARC**
PR: CC. Summer study abroad. Location and description varies from year to year.

**ARC 5794 Florida Architectural History (3) TA ARC**
An examination of the environmental, sociological, technological, political, economic, cultural, and other factors that influenced the discovery, growth, and urbanization of Florida as manifested by its architecture.

**ARC 5920 Architectural Design Studio Abroad (5) TA ARC**
PR: CC. Summer study abroad. Location and description varies from year to year.

**ARC 5931 Special Studies in Architecture (1-5) TA ARC**
PR: CC. Variable titles offered on topics of special interest.

**ARE 3044 Experiential Basis of Artistic Mind (3) TA ART**
Designed to awaken the language of image and metaphor, with emphasis on the internal and expressive aspects of art as well as their application in the schools and the community.

**ARE 3354 Art Teaching Strategies I (3) TA ART**
PR: ARE 3044. A combination of theory, philosophy and practice in both public and private learning centers to provide the student with a variety of teaching concepts and media exploration in art education and to further enable the student to understand stages of young people, three to eighteen.

**ARE 4313 Art For the Child and You (3) TA ART**
Art and the intellectual, creative, emotional, and aesthetic growth of children.

**ARE 4341 Art Teaching Strategies II (3) TA ART**
Media and the learning process will be explored through photographic arts, cinematography and video systems. Teaching strategies and media criticism for application at elementary and secondary levels.

**ARE 4443 Crafts Workshop in Art Education (3) TA ART**
PR: ARE 3044. The study and practice of processes and media involved with the exploration and expression of cultural traditions and individual ideas through crafts.

**ARE 4642 Community Arts (3) TA ART**
PR: ARE 3044. Explores the arts as infrastructure through identification, Exploration and experimentation of unique community spaces, populations and new environments for and learning in the arts.

**ARE 4909 Directed Study: Art Education (1-3) TA ART**
PR: Senior standing. Directed study contract required. Designed to extend teaching competencies in the field of art education.

**ARE 4936 Senior Seminar in Art Education (2) TA ART**

**ARE 4940 Internship: Art Education (1-12) TA ART**
CR: ARE 4936. S/U only. One full semester of internship in a public or private school. In special programs where the intern experience is distributed over two or more semesters, students will be registered for credit which accumulates from 9 to 12 semester hours.

**ARH 2050 History of Visual Arts (4) TA FA CAFA CAHU HHCP**
Overview of the built environment from prehistory through the conquests of Alexander the Great.

**ARH 3001 Introduction To Art (4) TA ART**
This course will investigate the relationship of materials and content of artists' productions/products as well as conceptual processes.

**ARH 4115 Ancient Egyptian and Near Eastern Art (4) TA ART**
PR: ARH 2050 recommended but not required. A study of the art and cultures of ancient Egypt and the Near East, from the prehistoric period through the conquests of Alexander the Great.

**ARH 4130 Greek Art (4) TA ART**
PR: ARH 2050 or EUH 2011 recommended but not required. A comprehensive study of ancient Greek sculpture, painting, architecture, and other artistic media from the Bronze Age through the Hellenistic period.

**ARH 4150 Roman Art (4) TA ART**
PR: ARH 2050 or EUH 2011 recommended but not required. A comprehensive study of ancient Roman sculpture, painting, architecture, and other artistic media from the founding of Rome through the reign of Constantine.
ARH 4170 Greek and Roman Art (4) TA ART
A comprehensive study of Aegean, Mycenaean, Etruscan, Greek and Roman painting, sculpture and architecture.

ARH 4200 Medieval Art (4) TA ART
PR: DPR. A comprehensive study of early Christian, Byzantine and Medieval painting, sculpture, architecture and manuscript illumination.

ARH 4301 Renaissance Art (4) TA ART
PR: DPR. A comprehensive study of Renaissance and Mannerist painting, sculpture and architecture in Italy and Northern Europe.

ARH 4318 Venetian Art (4) TA ART
PR: DPR. Major monuments of Venetian art are examined to elucidate the importance of Venice as the crossroads of cultural exchange between Islam, Byzantium, and the West, and the importance of Venetian art to the history of art and art criticism.

ARH 4350 Baroque and Rococo Art (4) TA ART
PR: DPR. A comprehensive study of the painting, sculpture and architecture in France, Italy, Spain and the Netherlands in the seventeenth and early eighteenth centuries.

ARH 4430 Nineteenth Century Art (4) TA ART
PR: ARH 2051. A comprehensive study of nineteenth century painting, sculpture and architecture in America and Europe. Gender/multicultural issues and methodologies in 19th century art are emphasized.

ARH 4450 Twentieth Century Art (4) TA ART
PR: ARH 2051. A comprehensive study of painting, sculpture and architecture from Cezanne to the present in Europe and the United States. Required of all art majors.

ARH 4455 Modern Political Iconography MW (4) TA ART
PR: DPR. The course explores art in which political themes are considered to be the source and determinant of aesthetic decisions. The dominant iconographic theme is the iconography of revolution, rebellion, and other forms of political struggle in 20th Century art and film.

ARH 4520 African Art (4) TA ART
PR: DPR. A combination of survey, comparative study and in-depth analysis of African sculpture, mainly from West and Central Africa. Emphasis on diversity of forms and contexts, functions, symbolism and meanings.

ARH 4530 Asian Art (4) TA ART
PR: Departmental Approval. An introduction to concepts of the arts of China, Japan and other Far Eastern countries.

ARH 4547 Buddhist Art (4) TA ART
PR: DPR. This course examines one important aspect of Asian artistic production. Buddhist Art begins in India and travels via the Himalayas and Southeast Asia to East Asia, touching on artistic expression of major principles and practices, changes in art as the religion comes in contact with pre-existing cultures, and modern artistic practice.

ARH 4557 Chinese Art (4) TA ART
PR: DPR. Chinese Art proceeds chronologically, from the Neolithic era up to the contemporary art world. The course considers cultural, linguistic, technical, philosophic, political and religious influences on the art works produced by this ancient society.

ARH 4710 History of Photography 6A MW HHCP WRIN (4) TA ART
PR: ARH 2051. Comprehensive overview of the history of photography from its inception to the present day with an emphasis on the relationship of photography to the visual arts and popular culture.

ARH 4721C History of Printmaking 6A (3) TA ART
The history of Western printmaking from the Middle Ages to contemporary times, with an emphasis on artmaking technology and research, cultural perspectives and theoretical/critical analytical capabilities. The course is open to majors and non-majors. It is not repeatable for credit.

ARH 4724 History of Graphic Design 6A (4) TA ART
This course surveys the design profession and the graphic design discipline. Students will explore graphic styles from the turn of the century to contemporary works, highlighting the innovations of influential designers throughout history.

ARH 4744 Selected Topics In The History of Film (4) TA ART
In-depth investigation of a selected period, development, or school in the history of film as art.

ARH 4800 Critical Studies In Art History 6A (4) TA ART
PR: Two advanced Art Histories. Specialized intensive studies in art history. Specific subject matter varies. To be announced at each course offering.

ARH 4890 Paris Art History (4) TA ART
PR: Minimum 8 hours of art history at the undergraduate level or equivalent. CI. This course will explore issues central to the history and criticism of art through the rich visual culture of Paris. Themes will include art and national identity, orientalism, the avant-garde and the role of the museum in the evolution of modern art.

ARH 4930 Art History: Selected Topics (2-4) TA ART
Lecture/discussion course designed to offer areas of expertise of visiting scholars or specific interests of resident faculty.

ARH 4937 Seminar In The History Of Art History (4) TA ART
PR: Four courses in Art History at the 4000 level, DPR. An examination of the origins of Art History as a discipline and changing nature of Art History from Vasari to the present.

ARH 5451 Cultural and Intellectual History of Modern Art (4) TA ART
PR: CI. A course in which theories of modern artists and of critics and historians of Modernism are treated as a part of general cultural and intellectual history.

ARH 5813 Methods of Art History (4) TA ART
Must be taken during the student's first two semesters in the M.A. program This course introduces students to various methods which art historians have used to analyze the form and content of individual works of art, and to various modes of historical explanation.

ARH 5836 Collection and Exhibition Management (3) TA ART
PR: Art Advisor's Approval This class will introduce students to the basic principles of collections care and management and to the intellectual and practical tasks of preparing an exhibition. Sessions will include art handling, registration and condition reporting, preparing works of art for transit, environmental standards for collections storage and exhibition, and the professional responsibilities of the curator.

ART 2201C Concepts and Practices 6A FA CAFA (4) TA ART
Introduce students to diverse art studio practices and concepts where topics include forms of communication, sourcing inspiration, and critical theory. Studio projects are
ART 2203C Concepts and Practices II 6A FA CAFA (4) TA ART
PR: ART 2201. Continuation of ART 2201 building on diverse art studio practice and concepts including crafting an artistic self, measuring success, and examining the artists role. Art projects are augmented by lecture, discussion, reading, writing and critiques.

ART 2301C Beginning Drawing (3) TA ART
PR: Majors Only. Projects exploring the methods, media, and concepts of drawing.

ART 2400C Beginning Printmaking (3) TA ART
PR: Majors Only. This course is designed as an introduction to the medium of printmaking. It concentrates on the technical production of various print media including: intaglio, relief, monoprint and serigraphy (screen printing).

ART 2500C Beginning Painting (3) TA ART
PR: Majors Only. Projects in painting with emphasis on the exploration of methods and media and the development of individual concepts.

ART 2701C Beginning Sculpture (3) TA ART
PR: Majors Only. Projects in sculpture with emphasis on contemporary theory and issues, the development of individual concepts and the exploration of materials, tools and processes.

ART 2750C Beginning Ceramics (3) TA ART
PR: Majors Only. An introduction to the use of ceramic materials as a means of self expression and critical exploration.

ART 2930 Selected Topics In Art (2-4) TA ART
PR: Majors Only. The content of this course will be determined by student demand and instructor interest. Open University offerings under this number may not be counted for degree credit for art majors.

ART 3310C Intermediate Drawing (3) TA ART
PR: ART 2301C. Permit required. Majors Only. An extension of the skills and concepts introduced in Beginning Drawing with an emphasis on individual experimentation and the development of advanced critical and technical skills in the discipline. Repeatable up to 15 hours.

ART 3380C Selected Topics in Drawing (3) TA ART
PR: ART 2203C, ARH 2050, ARH 2051, ART 2301C, ART 3310C. Majors Only. Selected Topics in Drawing is an intermediate course providing focused exploration of content specific to the discipline. It furthers the development of skills and critical discourse in the field. Majors only. Repeatable up to 15 hours.

ART 3403C Intermediate Printmaking (3) TA ART
PR: ARH 2050, ARH 2051, ART 2301C, ART 2201C, ART 2203C, ART 3310C, ART 2400C. This course concentrates on developing intermediate skills in printmaking with particular emphasis on conceptual topics. The course is intended for majors. Repeatable up to 15 hours.

ART 3461C Selected Topics in Printmaking (3) TA ART
PR: ART 2203C, ARH 2050, ARH 2051, ART 2301C, ART 3310C, ART 2400C, ART 3401C. Majors Only. Selected Topics in Printmaking is an intermediate course providing focused exploration of content specific to the discipline. It furthers the development of skills and critical discourse in the field. Majors only. Repeatable up to 15 hours.

ART 3465 Digital Printmaking (3) TA ART
PR: ART 3612C or ART 2400C. Majors Only. An investigation of printmaking using the computer as a design interface between electronic and traditional printmaking processes. Repeatable up to 9 hours.

ART 3513C Selected Topics in Painting (3) TA ART
PR: ART 2201C, ART 2203C, ART 2301C, ART 2500C, ART 3310C, ARH 2050, ARH 2051. Majors Only. Selected Topics in Painting is an intermediate course providing focused exploration of content specific to the discipline. It furthers the development of skills and critical discourse in the field. Majors only. Repeatable up to 15 hours.

ART 3530C Intermediate Painting (3) TA ART
PR: ART 2201C, ART 2203C, ART 2301C, ART 2500C, ART 3310C, ARH 2050, ARH 2051. Majors only. An extension of the skills and concepts introduced in Beginning Painting with an emphasis on individual experimentation and the development of advanced critical and technical skills in the discipline. Repeatable up to 15 hours.

ART 3612C Beginning Digital Video and Electronic Arts (3) TA ART
PR: Majors Only. An introductory exploration of the issues and practices involved in the creation of experimental computer art. The course focuses on an interdisciplinary approach to electronic media.

ART 3613C Intermediate Digital Video and Electronic Arts (3) TA ART
PR: ART 2201C, ART 2203C, ART 2301C, ART 3310C, ART 3612C, ARH 2050, ARH 2051. An intermediate exploration of the issues and practices involved in the creation of experimental computer art. The course focuses on an interdisciplinary approach to electronic media while developing individual creative growth. Repeatable up to 15 hours.

ART 3635 Selected Topics in Electronic Media (3) TA ART
PR: ART 2201C, ART 2203C, ART 2301C, ART 3310C, ART 3612, ART 3613C. Majors Only. Selected Topics in Electronic Media is an intermediate course providing focused exploration of content specific to the discipline. It furthers the development of skills and critical discourse in the field. Majors only. Repeatable up to 15 hours.

ART 3709C Intermediate Sculpture (3) TA ART
PR: ART 2201C, ART 2203C, ART 2301C, ART 3310C, ARH 2050, ARH 2051. This course expands upon the principles and processes introduced in Beginning Sculpture, developing a higher level of technical competence and critical sophistication. Repeatable up to 15 hours.

ART 3712C Multiples, Molds, and Bronzecasting (3) TA ART
PR: ART 2701C and ART 3704C. Majors Only. Continued studies and projects in sculpture with emphasis on the nature of multiples explored through advanced mold-making and bronzecasting. This course may not be repeated for credit. The conceptual implications of the multiple will be taught through reading, lecture, discussion and demonstration.

ART 3735 Selected Topics in Sculpture (3) TA ART
PR: ART 2203C, ARH 2050, ART 2051, ART 2301C, ART 3310C, ART 2701C, ART 3704C. Majors Only. Selected Topics in Sculpture is an intermediate course providing
focused exploration of content specific to the discipline. It furthers the development of skills and critical discourse in the field. Repeatable up to 15 hours.

ART 3761C Intermediate Ceramics (3) TA ART
PR: ART 2201C, ART 2203C, ART 2301C, ART 2750C, ART 3310C, ARH 2050, ARH 2051. Majors only. Intermediate problems in ceramics and emphasis on exploration of methods and media and the development of individual concepts. Repeatable up to 15 hours.

ART 3781C Selected Topics in Ceramics (3) TA ART
PR: ART 2203C, ARH 2050, ARH 2051, ART 2301C, ART 3310C, ART 2750C, ART 3761C. Majors only. Selected Topics in Ceramics is an intermediate course providing focused exploration of content specific to the discipline. It furthers the development of skills and critical discourse in the field. Majors only. Repeatable up to 15 hours.

ART 3843C Site, Installation, and Performance (3) TA ART
PR: ART 2701C and ART 3704C. Majors Only. Continued studies and projects in sculpture with an emphasis on site-specific sculpture, installation and performance. A critical and cultural awareness of contemporary issues and media in sculpture will be developed through studio projects assigned readings, discussions, critiques and demonstrations. The course may not be repeated for credit.

ART 3935 Studio Techniques: Selected Projects (2) TA ART
PR: DPR. Concentration in specialized technical data and process. Repeatable.

ART 3939 The Real World (3) TA ART
Restricted to studio majors. Offers studio students the opportunity to analyze their experiences as art majors and explore options available to visual artists upon completion of their degree.

ART 4320C Advanced Drawing (3) TA ART
PR: 15 hours of Intermediate courses in the discipline and a 3.25 major GPA or DPR. Majors Only. Continued projects in drawing. Repeatable.

ART 4402C Advanced Printmaking (3) TA ART
PR: 12 hours of Intermediate courses in the discipline and a 3.25 major GPA or DPR. Majors Only. This course is designed as an advanced printmaking studio and emphasizes content and meaning in visual imagery. The student is encouraged to work in a specific printmaking medium (intaglio, relief, lithography or screen printing) and develop a cohesive series of images. Repeatable.

ART 4520C Advanced Painting (3) TA ART
PR: 12 hours of Intermediate courses in the discipline and a 3.25 major GPA or DPR. Majors Only. Continued projects in painting. Repeatable.

ART 4614C Advanced Digital Video and Electronic Arts (3) TA ART
PR: 12 hours of Intermediate courses in the discipline and a 3.25 major GPA or DPR. Majors Only. Advanced exploration of issues and practices involved in the creation of experimental computer art. The course continues as interdisciplinary approach to electronic media with a focus on individual and group projects. Repeatable.

ART 4616 Computer Animation (4) TA ART
Exploration of issues and practices involved in the creation of computer animations, focused on individual creative growth.

ART 4634C Visual Design for the Internet (3) TA ART
Restricted to majors. This upper level course builds upon the concepts students encountered in the introductory level graphic design courses and focuses upon web content creation and animation techniques.

ART 4710C Advanced Sculpture (3) TA ART

ART 4782C Advanced Ceramics (3) TA ART
PR: 9 hours of Intermediate courses in the discipline and a 3.25 major GPA or DPR. Majors Only. Continued problems in ceramics. Repeatable.

ART 4806 Theme Studio (3) TA ART
PR: Majors Only. All preparation courses plus course in Studio Workshop I.

ART 4814 Paris Art Studio (3) TA ART
PR: ART 2201C or equivalent. This course will explore contemporary and historic Paris as a subject and source for artmaking, drawing upon a range of concepts and strategies that emphasize imaginative encounters with its space, streets, museums, architecture and people.

ART 4900 Directed Reading (1-4) TA ART
PR: CI. Registration by contract only. A course of reading and study in an area of special concern governed by student demand, instructor interest and/or department requirements. Registration is by contract only. Repeatable.

ART 4905 Directed Study (1-4) TA ART
PR: CI, DPR. Registration by contract only. Independent studies in the various areas of Visual Arts. Course of study and credits must be assigned prior to registration. Repeatable.

ART 4925 Media Workshop: Design Production (3) TA ART
PR: Graphic design majors only. This upper level technology course will develop in-depth understanding of graphic software and print production techniques. Students will review software programs, file preparation requirements, and print production standards.

ART 4930 Selected Topics In Art (2-4) TA ART
PR: DPR. The content of this course will be determined by student demand and instructor interest. Open University offerings under this number may not be counted for degree credit for art majors. Repeatable.

ART 4940 Extended Studies (1-4) TA ART
Extended Studies requires students to engage in art-related activities that expand upon their traditional academic experience. It is by contract and may involve internship and/or foreign studies. The course is restricted to majors. Not repeatable.

ART 4970C Senior Thesis (4) TA ART
PR: DPR, CI. The creation of a coherent body of advanced level artwork that is supported by a written document describing processes working procedures, research, context and content of the artwork itself. The course is restricted to majors, and is required of all B.F.A. candidates.

ART 5390C Drawing (4) TA ART

ART 5422C Lithography (4) TA ART
PR: ART 4402C, CI, DPR. Advanced problems in various
lithographic techniques. Emphasis on individual creative expression. Repeatable.

**ART 5448C Intaglio (4) TA ART**
PR: CI. Registration by contract only. Investigations into more complex intaglio processes including photoengraving and color printing procedures. Emphasis on personal conceptual development in graphic media.

**ART 5580C Painting (4) TA ART**
PR: CI. Registration by contract only. Research in painting

**ART 5740C Sculpture (4) TA ART**

**ART 5790C Ceramics (4) TA ART**
PR: ART 2750C, DPR. Advanced problems in the various ceramic techniques, including throwing and glaze calculation. Repeatable.

**ART 5910 Research (1-4) TA ART**
PR: CI, DPR. Registration by contract only. Repeatable.

**ART 5936 Studio Techniques: Selected Projects (2) TA ART**
PR: DPR. Concentration in specialized media or processes. Repeatable.

**ASH 2270 Southeast Asian History HP AF CAHU HHCP (3) AS HTY**
This course examines the origins and development of Southeast Asian history over the past two millennia. Southeast Asia is comprised of Burma, Thailand, Laos, Cambodia, Vietnam, Malaysia, Singapore, Brunei, Indonesia, the Philippines, and East Timor.

**ASH 3404 Modern China SS HP AF (4) AS HTY**
Political, economic, and social history of China from the time of the first major Western contacts (17th-18th Centuries) through the consolidation of socialism in the late 1950's, and the Great Leap Forward.

**AST 2140C Basic American Sign Language (4) BC CSD**
PR: DPR. Introduction to American Sign Language (ASL) as used in the deaf community. General discussion of ASL structure and introduction to various manual communication systems and philosophies. Emphasis on building a basic vocabulary. One hour of laboratory course work is included. Open to all majors.

**AST 2150C Intermediate American Sign Language (4) BC CSD**
PR: ASL 2140C, DPR. A continuation of the basic course which expands the student's signing skills and introduces American Sign Language (ASL) idioms. Provides a greater opportunity for skill development in ASL structure and idiomatic usage. One hour of laboratory course work is included.

**ASL 3514 American Deaf Culture (3) BC CSD**
PR: ASL 4161C. An overview to American Deaf Culture, including its norms, values and belief systems. This course will also provide insight to deaf history in North America, and the importance of ASL to the culturally Deaf community.

**ASL 4161C Advanced American Sign Language (4) BC CSD**
PR: ASL 2150C, DPR. A continuation of the study of American Sign Language (ASL) at the advanced skill level. Added emphasis on idioms, body language, and facial expression as an integral part of ASL. An hour of laboratory course work is included.

**ASL 4201C American Sign Language 4 (4) BC CSD**
PR: ASL 4161C. This course is a continuation of the study of American Sign Language (ASL) at the highly advanced level. It provides added emphasis on skill development of the language, including storytelling and poetry. One-hour laboratory course work is included.

**ASL 4301C Structure of Sign Language (4) BC CSD**
PR: ASL 2140C and ASL 2150C. This course is a basic introduction of semiotic and linguistic consideration of American Sign Language (ASL). It includes aspects of phonology, morphology, syntax, semantics, and discourse of ASL. A one-hour laboratory is incorporated into the coursework.

**ASL 4405 Sign Language Codes (3) BC CSD**
PR: CI. A review of the sign systems (SEE I, SEE II, LOVE, and Signed English) used to code messages through the use of sign. The student will have the opportunity to practice one of the sign systems.

**ASL 4435 Fundamentals of Fingerspelling (2) BC CSD**
PR: DPR. A concentrated study of technique in fingerspelling emphasizing clarity and rhythm in expression as well as receptive understanding.

**ASN 3012 Japan Today SS (3) AS INT**
Area study courses are multi-disciplinary in nature and deal with one or more countries of a region. Each course combines some measure of political, economic, historical, religious, geographic, anthropological, and sociological analysis in dealing with salient features and current problems.

**ASN 3014 China Today AF (3) AS INT**
Area study courses are multi-disciplinary in nature and deal with one or more countries of a region. Each course combines some measure of political, economic, historical, religious, geographic, anthropological, and sociological analysis in dealing with salient features and current problems.

**ASN 3030 The Middle East AF (3) AS INT**
Area study courses are multi-disciplinary in nature and deal with one or more countries of a region. Each course combines some measure of political, economic, historical, religious, geographic, anthropological, and sociological analysis in dealing with salient features and current problems.

**AST 2003 Astronomy of the Solar System NS CANP (4) AS AST**
AST2003 is an introduction and overview of the astronomy of the solar system. It is designed to complement AST2004 to give a comprehensive overview of the science of astronomy.

**AST 2004 Stellar Astronomy and Cosmology NS CANP (4) AS AST**
AST2004 is an introduction and overview of the Stellar astronomy and Cosmology. It is designed to complement AST2003 to give a comprehensive overview of the science of Astronomy.

**AST 2032C Illustrative Astronomy (3) AS AST**
Constellations, use of small telescopes, etc., apparent motions of celestial objects, comets and meteors, seasons, weather. Current events in the space program. Planetarium and open sky demonstrations.
AST 3033 Contemporary Thinking in Astronomy NS (3) AST
PR: Junior or Senior Standing or CI. Seminar designed to assist the layman, with no scientific background, in comprehending contemporary developments in Astronomy. Necessary background material is provided by the instructor and a text. Topics covered in recent years include the space program, pulsars, x-ray astronomy, black holes, extra-terrestrial life, interacting galaxies, cosmology.

AST 3044 Archaeoastronomy (3) AS AST
PR: Jr. or Sr. Standing or CI. Astronomical concepts and observational techniques used by prehistoric/ancient peoples for detecting change of seasons, constructing calendars, predicting eclipses, etc. Particular attention is given to Stonehenge, and to works of N.A. Indians, the Maya and Aztecs, and the Egyptians. Lec.-Lab.

AST 3652 Navigation (3) AS AST
PR: Some knowledge of geometry, algebra, and trigonometry. Timekeeping, use of sextant, constellations, celestial navigation with minimum equipment, spherical astronomy.

AST 3930 Selected Topics in Astronomy (1-4) AS AST
PR: CI. Course content will depend upon the interest of the faculty member and student demand.

AST 5506 Introduction to Celestial Mechanics (3) AS AST
PR: MAC 2313 or MAC 2283 and some knowledge of differential equations, or CI. The two-body problem, introduction to Hamiltonian systems and canonical variables, equilibrium solutions and stability, elements of perturbation theory.

AST 5932 Selected Topics in Astronomy (1-5) AS AST
PR: Senior or advanced junior standing or CI. Intensive coverage of special topics to suit needs of advanced students.

BCH 3023 Introductory Biochemistry (3) AS CHM
PR: CHM 2200 or CHM 2211 and BSC 2010. Introduction to the chemistry and intermediary metabolism of biologically important substances.

BCH 3023L Basic Biochemistry Laboratory (2) AS CHM
CR: BCH 3023. Practical work in determination and characterization of important biomolecules. Lec.-lab.

BCH 4034 Advanced Biochemistry (3) AS CHM
PR: BCH 3023. An advanced undergraduate course emphasizing such topics as metabolic regulation, DNA and RNA structure and function, receptors, channels, antibodies, and contraction.

BCH 5045 Biochemistry Core Course (3) AS CHM
PR: Either CHM 2211, CHM 2211L, and CHM 3400 or CHM 4410 or graduate standing. A one-semester survey course in biochemistry for graduate students in chemistry, biology, and other appropriate fields and for particularly well-qualified undergraduates.

BCH 5105 Biochemistry Laboratory Rotations (1-3) AS CHM
A course in which first year graduate students rotate through selected professor’s laboratories to learn techniques, become familiar with ongoing research in the Department and facilitate the selection of a mentor.

BME 4406 Engineering of Biological Systems (3) EN ECH
PR: CHM 2210 (majors) or Consent of Instructor (non-majors). This course is designed to convey the basics of biological systems and the roles that engineers play in industrial biology to engineering students (primarily)and to students that are majoring in other sciences. Not repeatable for credit. For majors and non-majors.

BME 5040 Pharmaceutical Engineering (2) EN ECH
PR: Senior or graduate standing in engineering or CI. Introduction to pharmaceutical engineering, including dosage forms (tablets, capsules, powders, liquids, topical forms, and aerosols), excipients, regulatory issues, clinical studies, and good manufacturing practices.

BME 5320 Theory and Design of Bioprocesses (3) EN ECH
PR: Senior standing in engineering or CI. Open to majors and non-majors with CI. Introduction to biotechnology, including applied microbiology, enzyme technology, biomass production, bioreactor design, and transport processes in biosystems.

BME 5748 Selected Topics in Biomedical Engineering (1-3) EN ECH
Selected topics in biomedical engineering, including biomedical engineering, biomedical materials, biodynamics of circulation, separation processes in biomedical systems, and artificial organ systems.

BME 5910 Directed Research in Bioengineering (1-3) EN ECH
PR: CI. Directed research in an area of biomedical engineering or engineering biotechnology.

BME 5937 Selected Topics in Biomedical Engineering (1-3) EN ECH
PR: Senior or GS standing in Engineering or CI. Open to non-engineering students with CI. Selected topics in biomedical engineering, including biomedical engineering, biomedical materials, biodynamics of circulation, separation processes in biomedical systems, and artificial organ systems. May be taken by non-engineering students with CI. Repeatable as subjects vary.

BMS 4402 Principles of Human Pharmacology NS (3) ME MSG
Not available on S/U basis. Pharmacodynamics (effects), pharmacokinetics (absorption, distribution, metabolism, excretion) and side effects/toxicity of drugs. Designed to provide basic understanding of mechanism of drug action resulting from modifying biologic processes.

BMS 5005 Professions of Medicine: Foundations of Doctoring (1-19) ME MSG
This three-week course placed at the beginning of the medical school curriculum will introduce the students to principles that will be used through the entire medical school education and beyond. Basic scientists and clinicians present information in an integrated approach. Topical areas include: use of information resources (library/computer), the medical article, intro to evidence based medicine, effective study techniques, intro to the physical exam, cultural diversity, ethics and professionalism, and state of the art presentation. The course will use both large and small group learning techniques and students will demonstrate achievement of knowledge.

BMS 5015 Clinical Diagnosis and Reasoning (var.) ME MSG
This course aims to provide the student with the opportunity to “think like a physician.” It will provide the venue to integrate clin diagnosis/reasoning strategies with complementary aspects of clin problem solving/phys diagnosis/evidence based medicine.

**BMS 5190 Anatomy by Diagnostic Testing (1-20) ME MSG**
Describing normal human anatomy in three dimensions (frontal, coronal, and axial), using contrast medical and imaging modalities available for diagnostic radiologists. Course will be oriented to organ systems describing anatomy of the organ and its vasculature and topographic anatomy. It will include didactic lecture series and a standing display of images for self-studies. Plain radiographs, contrast studies of gastrointestinal and urinary tract, arteriograms, computed tomograms, magnetic resonance, and ultrasound scans of body organs will be displayed.

**BOT 3152C Field Botany (3) AS BIN**
PR: BSC 2010, BSC 2010L, BSC 2011, BSC 2011L & CHM 2045, CHM 2046 & MAC 1105 or higher-level MAC course or STA 2023. CP: PCB 3023 or PCB 3043 or PCB 3063 or PCB 3714. A field course emphasizing Identification and classification of native and naturalized flowering plants of Florida including historical, climatic, and floristic aspects of plant communities. Fieldwork required. Lecture and Laboratory.

**BOT 3373C Vascular Plants: Form and Function (4) AS BIN**
PR: BSC 2010, BSC 2010L, BSC 2011, BSC 2011L & CHM 2045, CHM 2046 & MAC 1105 or higher-level MAC course or STA 2023. CP: PCB 3023 or PCB 3043 or PCB 3063 or PCB 3714. Introduction to morphology, physiology and evolution of vascular plants, integrating form and function to understand diversity. Lecture and Laboratory.

**BOT 3850 Medical Botany (3) AS BCM**
PR: BSC 2010, BSC 2010L, BSC 2011, BSC 2011L, CHM 2210, MAC 1105 or higher-level MAC course or STA 2023. CP: PCB 3023 or PCB 3043 or PCB 3063 or PCB 3712. Study of agents that are produced by plants and that are toxic or psychoactive in human beings or are useful as remedies. Lecture only.

**BOT 4223C Plant Anatomy (3) AS BIN**
PR: BOT 3373C and CHM 2210 and MAC 1105 or higher-level MAC course or STA 2023. CP: PCB 3023 or PCB 3043 or PCB 3063 or PCB 3712 & CHM 2211. Comparative studies of tissue and organ systems of fossil and present-day vascular plants. Functional and phylogenetic aspects stressed. Lec.-lab.

**BOT 4434C Mycology (3) AS BCM**
PR: BOT 3373C or MCB 3020C and CHM 2210 and MAC 1105 or higher-level MAC course or STA 2023. CP: PCB 3023 or PCB 3043 or PCB 3063 or PCB 3712 & CHM 2211. A survey of the fungi with emphasis on their taxonomy, morphology, physiology and economic importance. Lec.-lab.

**BOT 4503 Plant Physiology (3) AS BIN**
PR: BOT 3373C and CHM 2210 and MAC 1105 or higher-level MAC course or STA 2023 and PHY 2053. CP: PCB 3023 or PCB 3043 or PCB 3063 or PCB 3712 & CHM 2211. Fundamental activities of plants; absorption, translocation, transpiration, metabolism, growth and related phenomena. Lecture only.

**BOT 4503L Plant Physiology Laboratory (1) AS BIN**
CP: BOT 4503. Laboratory portion of Plant Physiology.

**BOT 5185C Marine Botany (4) AS BIN**
PR: BOT 3373C, PCB 3043 and CHM 2210 and MAC 1105 or higher-level MAC course or STA 2023 and CI. CP: CHM 2211. A field course in marine plants with emphasis on ecology and functional morphology. Fieldwork will stress the ecological aspects of plants in the subtropical marine environment of Florida. Fieldwork required. Lecture and Laboratory.

**BOT 5725C Evolution of Flowering Plants (3) AS BIN**
PR: BOT 3373C and BOT 4152C or CI. A study of the evolution and phylogeny of the Angiosperms; the origin and nature of early angiosperms, “primitive” angiosperms today; evolutionary processes leading to the origin of genera, families and orders, trends of specialization in the angiosperms; phylogenetic analysis, cladistics, traditional approaches, new approaches; readings from the current and historical literature. Lec/Lab.

**BSC 1005 Biology for Life NS CANL (3) AS BIN**
A comprehensive introduction to living systems, including the scientific basis of biology, cell structure and function, genetic mechanisms, human anatomy and physiology, and ecological and evolutionary processes.

**BSC 1020 The Biology of Humans NS CANL (3) AS BCM**
This non-science majors course deals with the principles and applications of human biology. Topics include: scientific literacy, cell structure and function, anatomy and physiology, genetics, infectious diseases, and biotechnology.

**BSC 2010 Cellular Processes NS CANL (3) AS BCM**
PR: CHM 2045. CPR: BSC 2010L. This course deals with biological systems at the cellular and subcellular levels. Topics include an introduction to biochemistry, cell structure and function, enzymes, respiration, mitosis and meiosis, genetics and gene expression.

**BSC 2010L Cellular Processes Laboratory (1) AS BCM**
CR: BSC 2010. Laboratory portion of Biology I Cellular Processes relating to cellular and subcellular structure and function. Mitosis, meiosis, and Mendelian genetics will be stressed.

**BSC 2011 Biodiversity NS CANL (3) AS BIN**

**BSC 2011L Biodiversity Laboratory (1) AS BIN**
CR: BSC 2011. Laboratory portion of Biology II Diversity relating to organismal structure and function. Microscopy, as well as, plant and animal development will be stressed.

**BSC 2022 Biology of Aging NS (3) AS BCM**
An introduction to the basic biology of aging. Emphasis will be placed on understanding basic principles of biology relevant to time and the aging process which begins at birth. May be taken by majors for free elective credit.

**BSC 2025 Food: Personal and Global Perspectives NS (3) AS BIN**
May be taken by biology majors for free elective credit. The application of basic biological principles to human nutritional problems; to learn how various cultures achieve adequate nutrition and how environmental changes impact both personal and global nutrition.
BSC 2035 Sex and Today's World NS (3) AS BIN
The application of basic biological principles to female and male sexual behavior and reproduction; current social problems are treated from a biological perspective. May be taken by majors for free elective credit.

BSC 2050 Environment NS CANL (3) AS BIN
A comprehensive introduction to the environment, including the scientific basis of ecology, population growth, community and ecosystem ecology, biodiversity, resource use and availability, energy production, water, air and land pollution.

BSC 2085 Anatomy and Physiology I for Health Professionals NS CANL (3) NU NUR
CR: BSC 2085L. Introduction to the normal structure, function and selected pathological conditions for physiologic systems. Focus on understanding how the body functions in preparing for careers in nursing or health-related professions.

BSC 2086 Anatomy and Physiology II for Nursing and other Healthcare Professionals NS CANL (3) NU NUR
CR: BSC 2086L. Introduction of normal structure, function and selected pathological conditions for physiologic systems. Focus on understanding how the body functions in preparing for careers in nursing or health-related professions.

BSC 2093C Human Anatomy and Physiology I (4) AS BIN
PR: BSC 2010, BSC 2010L, BSC 2011, BSC 2011L and CHM 2045. Basic biochemistry, cell structure and function, tissues, anatomical terminology, anatomy and physiology of the integumentary, skeletal, muscular, and nervous systems. Lecture and Laboratory.

BSC 2094C Human Anatomy and Physiology II (4) AS BIN

BSC 2932 Selected Topics in Biology (1-4) AS BIN
The course content will depend on student demand and instructor's interest.

BSC 2933 Honors Seminar II: Philosophy and Ethics of Science (3) AS BIO
PR: BSC 2011, BSC 2011L, BSC 2932, & CHM 2045 & CI.

BSC 2934 Honors Seminar III: Scientific Approaches (3) AS BIO
PR: BSC 2933, CI. Enrollment is limited to Department of Biology Honors Students. Introduction to the nature of science. Historical perspectives, modes of reasoning, science vs. pseudoscience, science as an intellectual process, ethics, and resolving dilemmas.

BSC 2938 Honors Seminar I (1) AS BIO
PR: BSC 2010, BSC 2010L & CHM 2045. CR: BSC 2011, BSC 2011L. Enrollment is limited to Department of Biology Honors students. Course is designed to introduce Honors students to various research fields and current research in the Department. Faculty members present research seminars and discuss their work.

BSC 3312 Marine Biology (3) AS BIN
PR: BSC 2010, BSC 2010L, BSC 2011, BSC 2011L & CHM 2045, CHM 2046 & MAC 1105 or higher-level MAC course, or STA 2023. CP: PCB 3023 or PCB 3043 or PCB 3063 or PCB 3712. A survey of the marine environment, the types of organisms found inhabiting a variety of marine habitats, and the adaptations of the organisms to those habitats. Emphasis is placed on shallow water Florida environments. Lecture only.

BSC 3371 Environmental Issues (3) AS BIN
Not for major's credit. Study of biological, economic, ethical, legal, political and social issues relating to current environmental problems.

BSC 4313C Advanced Marine Biology (4) AS BIN
PR: BSC 3312C A detailed analysis of marine environment in the Tampa Bay or surrounding area. Field and laboratory work will provide direct experience with the system.

BSC 4434 Bioinformatics (3) AS BCM
PR: PCB 3063. CPR: PCB3023 This lecture-based, nonrestrictive course covers basics of molecular bioscience data management/analysis. Focus is on general computational methods, their bio-basis, and how to evaluate analysis results. Qualitative algorithm descriptions are included.

BSC 4905 Independent Study (1-3) AS BIO
PR: CI. S/U only. May be taken by majors for free elective credit. Specialized independent study determined by the student's needs and interests. The written contract required by the Department of Biology specifies the regulations governing independent study.

BSC 4910 Undergraduate Research (1-4) AS BIO
PR: CHM 2210 and MAC 1105 or higher MAC course or STA 2023 or CI. CP: PCB 3023 or PCB 3043 or PCB 3063 or PCB 3712 and CHM 2211. S/U only. Junior standing and 3.0 GPA required. Individual investigation with faculty supervision. Written contract by Department is necessary prior to registration.

BSC 4932 Honors Seminar IV (1) AS BIO
PR: BSC 2934 and BSC 4910 or MCB 4910; CI. CP: CHM 2211. The course serves as a formal introduction to the presentation of scientific research. It is taken in the semester prior to completion of a student's own research project and the writing of the Biology Honors Thesis.

BSC 4933 Selected Topics In Biology (1-4) AS BIO
This course covers the nature of legal and societal institutions and environments, and major aspects of public, private, UCC and related business law.

**BUL 3321 Law And Business II (3) BU GBA**
PR: BUL 3320. Legal problems in marketing of goods, nature of property, sales of personal property, securing of credit granted, nature and use of negotiable instruments.

**BUL 5332 Law and the Accountant (3) BU GBA**
PR: BUL 3320 or CI. A comprehensive study of commercial law as it affects the practice of accounting.

**CAP 4034 Computer Animation Fundamentals (3) EN ESB**
PR: COP 4530. An introductory course to computer animation. Topics include storyboarding, camera control, hierarchical character modeling, inverse kinematics, keyframing, motion capture, dynamic simulation, and facial animation.

**CAP 4063 Web Application Design (3) EN ESB**
PR: COP 4530. Analysis, design, and development of software that operates on web servers and web browsers, supporting multiple concurrent users.

**CAP 4401 Image Processing Fundamentals (3) EN ESB**
PR: COP 4530. Practical introduction to a range of fundamental image processing algorithms. Extensive programming, with emphasis on image analysis and transformation techniques. Image transformation and manipulation.

**CAP 4410 Computer Vision (3) EN ESB**
PR: COP 4530. Introduction to topics such as image formation, segmentation, feature extraction, matching, shape recovery, texture analysis, object recognition, and dynamic scene analysis.

**CAP 4660 AI Robotics (3) EN ESB**
PR: COP 4530; CR: COT 4400. A.I. methods for mobile robots (ground/aerial/underwater). Understand:(1)3 paradigms of AI robotics;(2)major ways to organize and combine behaviors in behavior-based systems;(3)major path planning;(4)simultaneous localization and mapping (SLAM) algorithms.

**CAP 5400 Digital Image Processing (3) EN ESB**
PR: COP 4530 or GS. Image formation, sources of image degradation, image enhancement techniques, edge detection operators and threshold selection, low-level processing algorithms for vision, image data compression.

**CAP 5420 Genetic Engineering and Recombinant DNA Technology (3) AS BCM**
PR: BSC 2934 and either BSC 4931 or BSC 4932. Enrollment is limited to Biology Department Honors students. S/U only. A thesis based on independent research carried out by the student.

**BSC 5444 Genomics (4) AS BIN**
PR: BSC 2011, CHM 2046, PCB 3063. We will be using genomic data available from multiple bioinformatics databases to answer an open-ended question fundamental to organismal evolution. The emphasis is to hone scientific inquiry skills in fledgling researchers.

**BSC 5931 Selected Topics in Biology (1-4) AS BIO**
PR: CI.

**BTE 4401 Special Teaching Methods: Business Education (4) ED EDV**
PR: Successful completion of BE competencies. Methods, techniques, and materials for skill development.

**BTE 4909 Directed Study: Business Education (1-3) ED EDV**
PR: Senior standing. To extend competency in teaching field.

**BTE 4936 Senior Seminar in Business and Office Education (2) ED EDV**

**BTE 4940 Internship: Business Education (1-12) ED EDV**
CR: BTE 4936. S/U only. One full semester of internship in a public or private school. In special programs where the internship experience is distributed over two or more semesters, students will be registered for credit which accumulates from 9 to 12 semester hours.

**BTE 4948 Field-Based Seminar in Business Education (3) ED EDV**
S/U only. Supervised field experience and orientation to broad field business education. Specifically designed to be preparatory for the internship.

**BTE 5171 Curriculum Construction: Business Education (3) ED EDV**
Curriculum scope, the process of planning and organizing instructional programs with emphasis on task analysis and process evaluation.

**BUL 3320 Law And Business I (3) BU GBA**
This course covers the nature of legal and societal institutions and environments, and major aspects of public,
CBH 4004 Comparative Psychology (3) AS PSY
PR: PSY 3213 with a grade of C or better or CI. The study of the evolution of behavior, similarities, and differences in capacities for environmental adjustment and for behavioral organization among important types of living beings.

CCE 4031 Construction Management (3) EN EGX
PR: EGN 3613C. Fundamentals of construction management. Topics include: general definitions, organizational roles, types of contracts, analysis of labor and equipment, cost estimating, contractor cash flow analysis, planning and scheduling, project control, construction administration, quality and safety management, and use of computer software in construction management.

CCE 5035 Construction Management & Planning (3) EN EGX
PR: EGN 3613C. Fundamentals of construction management. Topics include: general definitions, organizational roles, types of contracts, analysis of labor and equipment, cost estimating, contractor cash flow analysis, planning and scheduling, project control, construction administration, quality and safety management, and use of computer software in construction management.

CCJ 3014 Crime and Justice in America SS CASB (4) BC CJP
This course is a non-technical survey of the nature of crime in the United States and the ways in which our society seeks to deal with juvenile and adult offenders and victims of crime.

CCJ 3024 Survey of the Criminal Justice System SS (3) BC CJP
An introduction to the structure and operation of law enforcement, prosecution, the courts, and corrections. Also includes brief coverage of major reported crimes.

CCJ 3117 Theories of Criminal Behavior (3) BC CJP
PR: Junior standing, CCJ 3024 or CI. Provides a basic understanding of the complex factors related to crime, with concentration on principal theoretical approaches to the explanation of crime.

CCJ 3621 Patterns of Criminal Behavior (3) BC CJP
PR: Junior standing. Reviews the nature and extent of the crime problem. The course will concentrate on major patterns of offender behavior including crimes against the person, property crimes, violent crimes, economic/white collar offense, syndicated (organized) crimes, consensual crimes, female crime, political crime, and will examine criminal career data.

CCJ 3701 Research Methods in Criminal Justice I (3) BC CJP
PR: Junior standing, CCJ 3024 or CCJ 3610 or CI. Introduces the student to some of the fundamentals of knowledge-generating processes in criminal justice.

CCJ 3706 Applied Statistics in Crime (3) AP CJP
This course is designed as a beginning undergraduate level statistics course for criminology majors. In addition to learning how and when to apply appropriate statistical tests, students will learn a number of basic statistical concepts. Majors Only.

CCJ 4450 Criminal Justice Administration (3) BC CJP
PR: Junior standing, CJJE 4114 or CJT 4100 or CI. This course is designed to provide an in-depth examination of both the practical and theoretical aspects of the administration of criminal justice agencies. The major focus will be on law enforcement and correctional agencies.

CCJ 4604 Abnormal Behavior and Criminality (3) BC CJP
PR: Junior standing, CCJ 3610 or CI. A systematic introduction to the relationship between mental illness and criminality, with focus on psychiatric labeling of deviant behavior and its implications for the handling of the criminal offender.

CCJ 4700 Statistical Research Methods in Criminal Justice II (3) BC CJP
PR: Junior standing, CCJ 3024 or CCJ 3610 or CI. Beginning with the scientific method, the tools commonly used to analyze criminal justice data will be emphasized. Recommended for students who intend to continue their education beyond the B.A. Required of students attending the MA program in CCJ at USF.

CCJ 4900 Directed Readings (1-3) BC CJP
PR: Junior standing, CCJ 3024, CCJ 3610, CCJ 3621, CI. S/U only. (a) Students wishing to enroll must make arrangements with a faculty member during the semester prior to actually taking the course. (b) A minimum of four CCJ courses must have been completed satisfactorily prior to enrollment. (c) First consideration will be given to Criminology majors. (d) Individual faculty members may add additional requirements at their discretion. No more than six hours of CCJ 4900, CCJ 4910 or any combination of the two will be accepted toward the minimum number of hours required for the major. This course is specifically designed to enable advanced students the opportunity to do in-depth independent work in the area of criminal justice. Each student will be under the close supervision of a faculty member of the program.

CCJ 4910 Directed Research (1-3) BC CJP
PR: Junior standing, CCJ 3024, CCJ 3610, CCJ 3621, CI. S/U only. (a) Students wishing to enroll must make arrangements with a faculty member during the semester prior to actually taking the course. (b) A minimum of four CCJ courses must have been completed satisfactorily prior to enrollment. (c) First consideration will be given to Criminology majors. (d) Individual faculty members may add additional requirements at their discretion. No more than six hours of CCJ 4900, CCJ 4910 or any combination of the two will be accepted toward the minimum number of hours required for the major. This course is designed to provide students with a research experience in which they will work closely with faculty on the development and implementation of research projects in the area of criminal justice.

CCJ 4930 Critical Issues in Policing (3) BC CJP
PR: Junior standing, CCJ 3024 or CJJE 4114 or CI. Focuses on some of the most critical issues in law enforcement today including: understanding and controlling police use of deadly force; police deviance; police prejudice and discrimination; violence-prone police officers; substance abuse by police officers; and administrative review of alleged police brutality.

CCJ 4933 Selected Topics in Criminology (3) BC CJP
PR: Junior standing, CCJ 3024, CCJ 3621, CCJ 3610 or CI. Lecture course. Topic varies and is designed to address a wide variety of issues in criminology and criminal justice. Open to non-majors with CI.
CCJ 4934 Seminar in Criminology 6A MW CPST (3) BC CJP
PR: Senior standing, CCJ 3024, CCJ 3621, CCJ 3117 and Cl. These variable topic seminars are used for the in-depth study and discussion of the relationships among culture, gender, ethics, age, society, and criminal behavior. Such examinations may include the options the criminal justice does (or does not) have to deal with these interactions, and the ethics and efficacy of the system’s response. Open to non-majors with Cl.

CCJ 4940 Internship For Criminal Justice Majors (3) BC CJP
PR: Senior standing, CCJ 3024, CCJ 3610, CCJ 3621. S/ U only. No more than 9 hours of CCJ 4940 will be accepted toward the elective hours required for the major. The internship will consist of placement with one or more of the agencies comprising the criminal justice system. This course will enable the students to gain meaningful field experience related to their future careers. The three-hour block of credit will require a minimum of ten hours of work per week during a fall or spring term, fifteen hours per week in summer, within the host agencies in addition to any written work or reading assignments. See requirements for the B.A. degree in Criminology for the number of hours required.

CCJ 4970 Honors Thesis (3) BC CJP
PR: CCJ 4934 (honors section), CCJ 4910. The student, under the direction of a faculty member, will formalize, conduct, analyze, and report in writing a research project in the Department of Criminology. The course is not repeatable. Majors only.

CDA 3101 Computer Organization for Information Technology (3) AS EIT
PR: Any Physics course and CGS 3303, or Cl. Elements of the computer are discussed in terms of the physical and conceptual design of memory, processors, busses and I/O elements. Organization of the system is cast in a meta-language that captures the logical and physical nature of the computer.

CDA 3103 Computer Organization (3) EN ESB
PR: PHY 2049 or PHY 2054 and DPR. Introduction to computer hardware, logic elements and Boolean algebra, computer arithmetic, the central processing unit, assembly language programming, input/output, and memory.

CDA 3201 Computer Logic and Design (3) EN ESB
PR: CDA 3103, COP 3514; CR: CDA 3201L and Degree Program Admission. CSE and EE majors. Others by special permission. Advanced coverage of Boolean Algebra, introduction to minimization of combinational logic circuits, analysis and synthesis of sequential circuits, testing of logic circuits and programmable logic devices.

CDA 4203 Computer System Design (3) EN ESB
PR: CDA 3201, CDA 3201L. Design Methods, Top-Down design, Building Blocks, Instruction and addressing models, minicomputer design, interfacing.

CDA 4203L Computer System Design Lab (1) EN ESB
CR: CDA 4203. This lab introduces the student to the concept of system design. Several projects are given including building timing circuits, memory-based and communication circuits, and microcomputer-based designs.

CDA 4205 Computer Architecture (3) EN ESB
PR: CDA 3201, CDA 3201L. Principles of the design of computer systems, processors, memories, and switches. Consideration of the register transfer representation of a computer, ALU’s and their implementation, control units, memory and I/O, and the hardware support of operation systems.

CDA 4213 CMOS-VLSI Design (3) EN ESB
PR: CDA 3201, CDA 3201L. Covers analysis and design of CMOS processing technology, CMOS logic and circuit design, layout timing and delay, and power and thermal issues. CMOS transistor theory. VLSI system design, case studies and rapid prototype chip design.

CDA 4213L CMOS-VLSI Design Lab (1) EN ESB

CDA 4253 Field Programmable Gate Array System Design and Analysis (3) EN ESB
PR: CDA 3201, CDA 3201L. Covers analysis and design of digital systems using VHDL simulation. Provides experience with field programmable logic gates and gate arrays. Introduces the requirements for field programmable systems; testing of circuitry, and analysis of system design.

CDA 5416 Introduction to Computer-Aided Verification (3) EN ESB
PR: CDA 3201, COT 3100, COT 4400, EEL 4851C. This course introduces basic concepts of formal verification. Topics include formal specification, algorithms, and methodologies for scalable verification. It is only for CSE majors or non-majors with permission from the instructor, not repeatable.

CEG 4011 Geotechnical Engineering I (3) EN EGX
PR: EGN 3353, EGN 3331. Fundamental and experimental concepts in soil mechanics with emphasis on soil properties, soil moisture, soil structure, and shear strength.

CEG 4011L Geotechnical/Transportation Laboratory (1) EN EGX
CR: CEG 4011. Demonstrates and experiments verifying theoretical bases of Geotechnical and Transportation Engineering. One hour lecture and two laboratory hours per week.

CEG 4012 Geotechnical Engineering II (3) EN EGX
PR: CEG 4011. Design of retaining walls, earth slopes, foundations to control settlement, soil stabilization and foundations subjected to dynamic loads. Computer applications to soil mechanics will be covered.

CEG 4850 Capstone Geotechnical/Transportation Design MW CPST (3) EN EGX

CEG 5115 Foundation Engineering (3) EN EGX
PR: CEG 4011 or CI. Design of shallow foundations, cantilevered and anchored retaining walls, piling, drilled
piers and special foundations. Computer applications to geotechnical engineering are covered.

CEG 5205 Laboratory Testing for Geotechnical Engineers (3) EN EGX
PR: CEG 4011 or CI. Both routine and advanced forms of soil testing are covered. Emphasis is placed on procedures and application of results to design.

CEN 3722 Human Computer Interfaces for Information Technology (3) AS EIT
Human-Computer Interface is the study of people, computer technology and the ways these influence each other. The basic foundations of HCI in terms of psychology, computer systems and their integration into design practice are discussed in the course.

CEN 4020 Software Engineering (3) EN ESB
PR: COP 4530. An overview of software engineering techniques for producing high quality software. Student will participate in a software development team.

CEN 4023 Software System Development (3) EN ESB
PR: COP 4530. Analysis, design, and development of software systems using objective methodology with object oriented programming and advanced software development tools (such as integrated development environments).

CEN 4031 Software Engineering Concepts for Information Technology (3) AS EIT
PR: EEL 4854 or CI. Concepts associated with production of high quality software through the use of software engineering concepts and practices are covered. In addition to conceptual presentations, students are required to participate in software development team projects.

CEN 4072 Software Testing (3) EN ESB
PR: COP 2510, COP 4530. The course provides the fundamental principles and tools for testing and validating large-scale software systems. The course is open to majors as well as non-majors.

CEN 4721 User Interface Design (3) EN ESB
PR: COP 4530. An examination of factors influencing the usability of a computer system. Topics include input and output devices, graphic and multi-media interfaces, formats for interaction/communication between computer and user, and the evaluation of usability.

CEN 3102 Structures I (3) EN EGX
PR: EGN 3331. Analysis of simple structural systems, both determinate and indeterminate. Moment area theorems; influence lines; introduction to steel design.

CEN 4141 Finite Element Analysis I (3) EN EGX

CEN 4561 Computer Aided Structural Design (3) EN EGX
PR: CES 4141. Computer aided structural analysis and design using existing finite element program, static dynamic loading.

CEN 4605 Concepts of Steel Design (3) EN EGX
PR: CES 3102. Introduction to steel design and AISC Manual of Steel Construction: Design of tension members; compression members; beams; beam columns; and bolted, welded, and riveted connections.

CES 4702 Concepts of Concrete Design (3) EN EGX
PR: CES 3102. Introduction to concrete design and the ACI Building Code Requirements for reinforced concrete: Design of flexural reinforcement in beams and slabs, design of shear reinforcement, design of concrete columns.

CES 4704 Capstone Structural/Materials Design (3) EN EGX
PR: EGN 3365, CES 4605, CES 4702. A Capstone Materials design experience for seniors in Civil and Environmental Engineering. This course will provide students with a focused design experience aimed to design for durability and reliability.

CES 4742 Concepts of Structural Design (3) EN EGX
PR: CES 3102. Introduction to concrete design and the ACI Building Code Requirements for reinforced concrete; design of flexural reinforcement in beams and slabs, design of shear reinforcement, design of concrete columns, and design of steel beams.

CES 4750 Capstone Structural/Geotechnical/ Material Design (3) MW CPST (3) EN EGX

CES 4820C Timber and Masonry Design (3) EN EGX
PR: CES 3102, CES 4702. Fundamentals of timber design including beams, columns, connections and formwork. Introduction to masonry design including design of beams, walls, columns, and pilasters.

CES 5105C Advanced Mechanics of Materials I (3) EN EGX
PR: EGN 3331, MAP 2302 Analytical study of the mechanical behavior of deformable solids. Basic concepts, stress and strain transformations, special topics in beams, theory of elasticity, criteria of failure, beams on elastic foundation.

CES 5209 Structural Dynamics (3) EN EGX
PR: CES 3102, EGN 3321. Behavior of structural components and systems when subjected to periodic dynamic loads.

CES 5715C Prestressed Concrete (3) EN EGX
PR: CI, majors only. Fundamental principles of prestressing; calculation of losses; stress analysis and design of simple beams for flexure and shear. Examples of pressures applications.

CGN 3021 Civil Engineering Laboratory (2) EN EGX
PR: CES 3102, EGN 3353, EGN 3365. A laboratory experience in departmental facilities including the subject areas of materials, fluids, environmental engineering, and computer assisted data acquisition.

CGN 4122 Professional and Ethical Issues in Engineering (MW (1) EN EGX
PR: CES 3102. The professional and ethical responsibility of engineers. The legal and ethical responsibilities of engineers in the preparation of contracts and specification. The ethics of engineer-client agreements.

CGN 4851 Concrete Construction Materials (3) EN EGX
PR: EGN 3365. Classifications and production of cements. Design and testing of concrete mixes to produce desired properties.

**Notes:**
- CGS 5765: No credit for Engineering Majors. Introduction to programming using the BASIC language and application to computational methods. Emphasis on systematic approach to problem solving. Overview of computer systems, applications & their role in society.
- CGS 3034: This course surveys current technology, and its application to various other disciplines. The course includes technical descriptions and protocols for computers. The course compares interdisciplinary applications between fields using technology.
- CGS 2060: No credit for Engineering Majors. Introduction to programming using the BASIC language and application to computational methods. Emphasis on systematic approach to problem solving. Overview of computer systems, applications & their role in society.
- CGS 2062: No credit for Engineering Majors. For non-engineering majors only. This computer literacy course covers the fundamentals of hardware, software, and programming languages, presents a broad overview of data processing concepts, problems and applications for students with little or no computing background.
- CGS 2094: Many ethical issues, e.g. privacy, freedom of speech, security, intellectual property, and workplace globalization, are impacted by computing and related technology. These issues are examined from theoretical, cultural, and geopolitical perspectives.
- CGS 2100: A study of the use and impact of computers in all areas of business organizations. Course includes hands-on experience and the use of software packages for business analysis.
- CGS 2035: Courses are one-time topics in general computer studies, applicable to all students. Specific course titles will be specified when the course is posted on the schedule.
- CGS 3303: Any PHY course. A lecture and problem solving course which deals with subjects related to computers and information technology. A broad range of conceptual and practical topics in IT are covered.
general, organic, and biological chemistry.

**CHM 2045 General Chemistry I NS CANP (3) AS CHM**
PR: 550 SAT Quantitative score or completion of MAC 1105 College Algebra with a C or better AND one year of high school chemistry or completion of CHM 2023 with a grade of C or better. Principles and applications of chemistry including properties of substances and reactions, thermochemistry, atomic-molecular structure and bonding, periodic properties of elements and compounds.

**CHM 2045L General Chemistry I Laboratory (1) AS CHM**
CP: CHM 2045. Laboratory portion of General Chemistry I. Introduction to laboratory techniques; study of properties of elements and compounds; synthesis and analysis of natural and commercial materials.

**CHM 2046 General Chemistry II NS CANP (3) AS CHM**
PR: CHM 2045 and CHM 2045L with a C or better or equivalent. Principles and applications of chemistry including solutions, chemical thermodynamics, kinetics, equilibria, aqueous chemistry, electrochemistry, and nuclear chemistry.

**CHM 2046L General Chemistry II Laboratory (1) AS CHM**
PR: CHM 2045L. Laboratory portion of General Chemistry II. Continuation of chemistry laboratory.

**CHM 2200 Organic Chemistry (4) AS CHM**

**CHM 2210 Organic Chemistry I (3) AS CHM**
PR: CHM 2046, CHM 2046L with a C or better. Fundamental principles of organic chemistry. Lecture.

**CHM 2210L Organic Chemistry Laboratory I (2) AS CHM**

**CHM 2211 Organic Chemistry II (3) AS CHM**
PR: CHM 2210 with a C or better. Continuation of organic chemistry.

**CHM 2211L Organic Chemistry Laboratory II (2) AS CHM**

**CHM 2932 Selected Topics in Chemistry (1-3) AS CHM**
Topics of interest to students relating to chemistry and other sciences.

**CHM 3120C Elementary Analytical Chemistry (4) AS CHM**

**CHM 3610 Intermediate Inorganic Chemistry (3) AS CHM**
PR: CHM 2046, CHM 2046L. Fundamental principles of inorganic chemistry including atomic structure, bonding theories and structural consequences, transition metal chemistry and illustrative laboratory work.

**CHM 3610L Intermediate Inorganic Chemistry Laboratory (1) AS CHM**
PR: Two semesters of general chemistry lecture and lab. CR: CHM 3610. Illustrative laboratory work concerning the fundamental principles of inorganic chemistry including atomic structure, bonding, transition metal chemistry, structural consequences and spectroscopic methods.

**CHM 4060 Use of the Chemical Literature (1) AS CHM**
PR: CHM 2045, CHM 2046, CHM 2210, CHM 2211. Discussions and assignments using abstracts, bibliographies, indices, encyclopedias, journals, patent files, electronic databases, and other information sources to obtain chemical and technical material and including written and oral presentations. Career information and opportunities also discussed.

**CHM 4070 Historical Perspectives in Chemistry 6A MW (3) AS CHM**
PR: One year of college chemistry; or senior standing and CI. A study in depth of the historical and philosophical aspects of outstanding chemical discoveries and theories. Lec.-dis.

**CHM 4130C Methods of Chemical Investigation I (4) AS CHM**
PR: CHM 3120C, CHM 2211, CHM 2211L, CHM 4060, CHM 4410. Theory and applications of instrumental methods in chemical research, chemical synthesis and analysis; electrochemical and calorimetric techniques, separation methods, spectroscopy, statistical analysis of data, computer data handling, and individual projects. Lec.-lab.

**CHM 4131C Methods of Chemical Investigation II (4) AS CHM**
PR: CHM 4130C. Continuation of CHM 4130C. Lec.-lab.

**CHM 4300 Biomolecules I (3) AS CHM**
PR: CHM 2211. Nature, structure, elucidation, synthesis and (in selected cases) organic chemical mechanisms of biochemical involvement of the major classes of organic compounds found in living systems.

**CHM 4410 Physical Chemistry I (4) AS CHM**
PR: CHM 2046, MAC 2242 or MAC 2282 or MAC 2312, and PHY 2054 or PHY 2049. Thermodynamics, the state of matter and solutions are presented. The course includes a recitation.

**CHM 4410L Physical Chemistry Laboratory (1) AS CHM**
PR: CHM 4410. A physical chemistry laboratory with emphasis on modern techniques and instruments. Lab.

**CHM 4411 Physical Chemistry II (4) AS CHM**
PR: CHM 2046, MAC 2242 or MAC 2282 or MAC 2312, and PHY 2054 or PHY 2049. Introduction to quantum mechanics and molecular spectroscopy. Chemical Kinetics and statistical mechanics are also presented. The course includes a recitation.

**CHM 4413 Biophysical Chemistry (3) AS CHM**
PR: CHM 2046, CHM 4410, MAC 2242 or MAC 2282 or MAC 2312, and PHY 2054 or PHY 2049. This course will cover spectroscopy, bonding and kinetics with emphasis placed on biological molecules and biochemical reactions.

**CHM 4611 Advanced Inorganic Chemistry (3) AS CHM**
PR: CHM 4410, CHM 2046, MAC 2242 or MAC 2282 or MAC 2312 and PHY 2054 or PHY 2049. An advanced descriptive and theoretical treatment of inorganic compounds.

**CHM 4905 Independent Study (1-3) AS CHM**
PR: CI. S/U only. Specialized independent study determined by the student's needs and interests. The written contract required by the College of Arts and Sciences specifies the regulations governing independent study.

**CHM 4932 Selected Topics in Chemistry (1-3) AS CHM**
PR: CI. The course content will depend on the interest of faculty members and student demand.

**CHM 4970 Undergraduate Research (1-3) AS CHM**
PR: CI. S/U only.
CHM 5225 Intermediate Organic Chemistry I (3) AS CHM
PR: CHM 2211, CHM 2211L, or equivalent or CI or GS. This course will extend organic chemistry beyond the undergraduate level and will emphasize concepts of stereochemistry and reaction mechanisms.

CHM 5226 Intermediate Organic Chemistry II (3) AS CHM
PR: CHM 5225 or CI. An introduction to synthetic organic chemistry for graduate students and advanced undergraduates. Semester II.

CHM 5425 Applications in Physical Chemistry (3) AS CHM
PR: CHM 4412 and CHM 4410 or CI or GS. Applications of chemical theory to chemical systems.

CHM 5452 Polymer Chemistry (3) AS CHM
PR: Either CHM 2211, CHM 2211L, and CHM 3400 or CHM 4410 or graduate standing. Fundamentals of polymer synthesis, structure, properties, and characterization.

CHM 5621 Principles of Inorganic Chemistry (3) AS CHM
PR: CHM 4411, CHM 4610 or CI or GS. Chemical forces, reactivity, periodicity, and literature in organic chemistry; basic core course.

CHM 5931 Selected Topics in Chemistry (1-3) AS CHM
PR: CI. The following courses are representative of those that are taught under this title: Natural Products, Stereochemistry, Reactive Intermediates, Photochemistry, Instrumental Electronics, Advanced Lab Techniques, Heterocyclic Chemistry, etc.

CHS 2440 General Chemistry for Engineers (3) AS CHM
PR: 550 SAT Quantitative score or completion of MAC 1105 College Algebra with a grade of C or better AND one year of high school chemistry or completion of CHM 2023 with a grade of C or better. Introduction to important concepts and principles of chemistry with emphasis on areas considered most relevant in an engineering context.

CHS 2440L General Chemistry for Engineers Lab (1) AS CHM
CR: CHS 2440. Laboratory portion of General Chemistry for Engineers. Introduction to laboratory techniques, study of properties of elements, synthesis and analysis of natural and commercial materials.

CHS 4300 Fundamentals of Clinical Chemistry (3) AS CHM
PR: BCH 3023. Theoretical and practical aspects of the analysis of various body fluids, with emphasis on the medical significance.

CHS 4301L Clinical Laboratory (2) AS CHM
PR: BCH 3023 and CI, CHM 3120C. Laboratory experience in some of the most important clinical determinations. Lec.-Lab.

CHT 3500 Introduction to Chinese Culture (3) AS WLE
An introductory survey of Chinese cultural traditions with an emphasis on themes important to successful interaction in contemporary Chinese society. The language of instruction is English.

CIS 3360 Principles of Information Security (3) AS EIT
PR: Admission to BSAS Concentration. Board review of Information Security and related elements. Includes terminology, history of the discipline, overview of information security program management. Suitable for IS, criminal justice, political science, accounting information systems students

CIS 3362 Cryptography and Information Security (3) AS EIT
PR: MAD 2104 or permission of instructor. This course examines classical cryptography, entropy, stream and block ciphers, public key versus symmetric cryptography, one-way and trap-door functions, plus other specific tools and techniques in popular use.

CIS 3367 Architecting Operating System Security (3) AS EIT
PR: CIS 3360 or permission of instructor. This course examines tools and techniques for securing Windows and Linux operating systems. Students will acquire knowledge and skills to perform audit assessments and implement enterprise-wide operating system security.

CIS 3932 Special Topics for Information Technology (1-4)
AS EIT
Topics to be chosen by students and instructor permitting newly developing subdisciplinary special interests to be explored.

CIS 4203 Computer Forensics & Investigations (3) US EIT
PR: Programming course and a math course. Teaches the methods of acquiring, preserving, retrieving, and presenting data that have been processed electronically and stored on computer media for use in legal proceedings. Focus on Microsoft Windows systems.

CIS 4204 Ethical Hacking (3) AS EIT
PR: Programming course and a math course. Provides an understanding of computing, networking, exploitation techniques, used for IT security. In testing, a legal ethical hacker tries to penetrate a system, finds its weakest link and analyzes ways to correct security flaws.

CIS 4250 Ethical Issues And Professional Conduct 6A MW CPST (3) EN ESB
PR: Senior standing in the Department of Computer Science and Engineering. A capstone course for Department majors only, this course introduces students to ethical issues arising in the computer sciences, through written analysis and oral presentations of technical situations which involve ethical conflicts.

CIS 4253 IT Ethics 6A MW (3) AS EIT
PR: Basic computer skills. This course will cover issues that arise from the world of online communication and its impact on our daily lives through education, processes, and information. Class discussions cover various technologies and issues that are shaping our society.

CIS 4361 Information Technology Security Management (3)
AS EIT
PR: Junior standing or above. An overview of information security management techniques and concerns is presented. Topics include: Access control systems, telecommunications and network security, security management practices, application and systems development security, cryptography, disaster recovery planning, legal and ethical issues, and physical security.

CIS 4364 Cryptology and Information Security (3) EN ESB

CIS 4365 Computer Security Policies and Disaster Preparedness (3) AS EIT
PR: CIS 3360. When an organization’s functioning is interrupted by disasters, accidents, or natural events, a loss of data and/or productivity may occur. The impact on the organization is determined by how prepared it is for
CJE 3641 Introduction to Forensic Science (3) AP CJP
This course provides students an appreciation of 'real life' forensic science and its role in the justice system. The class introduces students to the scientific techniques employed by the forensic science community. Not restricted or repeatable.

CJE 3656 Introduction to Crime Analysis (3) AP CJP

CJE 4010 Juvenile Justice System (3) BC CJP
PR: Junior standing, CCJ 3024 or CCJ 3610 or CI. Provides coverage of the juvenile and family courts, their clientele, and the complex of human services agencies and facilities that contribute to efforts at juvenile correctional intervention.

CJE 4114 American Law Enforcement Systems (3) BC CJP
PR: Junior standing, CCJ 3024 or CCJ 3117 or CI. This course provides a comprehensive examination of the American law enforcement system at the federal, state and local levels and an assessment of career opportunities within the community.

CJE 4144 Private Security Systems (3) BC CJP
PR: Junior standing plus CJE 4114, CCJ 3024, CCJ 3610, CCJ 3621 or CI. Examines some of the principal methods and techniques currently used to reduce or prevent losses due to theft and casualty.

CJL 3110 Substantive Criminal Law (3) BC CJP
PR: Junior standing, CCJ 3024, CCJ 3610, or CI. Examines the historical basis of the American criminal law system, the substantive elements of the crime, and court procedures.

CJL 3502 Introduction to Courts (3) AP CJP
Offers understanding of process & functions of US court system. Define & identify different aspects of law & crime; examine aspects of Federal & State court systems; trial process; examine roles of court workers; sentencing. Not restricted or repeatable.

CJL 4115 Environmental Law and Crime (3) BC CJP
PR: Junior standing, CCJ 3024 or CI. The course provides students with an introduction to issues in the area of environmental crime and environmental law.

CJL 4410 Criminal Rights and Procedures (3) BC CJP
PR: Junior standing, CCJ 3024 or CI. Emphasizes the Constitutional issues and rules that are applied and enforced by the courts while processing criminal cases.

CJT 4100 Criminal Investigation (3) BC CJP
PR: CCJ 3024 or CCJ 3610 or CI. Covers the major components of criminal investigation, with special attention to the scientific aspects of criminal investigation and the management of major cases.

CLA 3103 Greek Civilization 6A HP CAHU (3) AS WLE
This course surveys the major social, political, and cultural aspects of the ancient Greek world, examined both topically and chronologically across the centuries of the Ancient Greece, c. 1400 to 146 BCE.

CLA 3124 Roman Civilization HP CAHU (3) AS WLE
This course surveys the major social, political, and cultural aspects of the ancient Roman world, topically and chronologically, from 753 B.C.E to 476 CE, through the literary, historical, and artistic records of the Romans.
CLA 3435 The Hellenistic World (3) AS HUM
A comprehensive look at the Greek-speaking world after Alexander the Great, from Italy to India. Emphasis is on the social, intellectual and aesthetic changes brought about by colliding cultures.

CLA 3501 Women in Antiquity 6A LW (3) AS WLE
Women in Antiquity surveys the social, political, and cultural life of women in the ancient Mediterranean world, historically and thematically, through lecture, reading, video, and slide presentations.

CLA 3930 Selected Topics (3) AS WLE
An examination of various aspects of Greek and Roman Culture, based on ancient sources, literary and archaeological. Repeatable as topics vary.

CLA 4930 Selected Topics (1-4) AS WLE
Course content depends on student demand and instructor's interest and may range over the whole field of ancient languages, literatures and civilizations. Offerings on a semi-regular basis include Tongues of the Bible and the Bible as History.

CLP 2001 Psychology of Adjustment SS (3) AS PSY
Genetic, organic, and learned factors involved in the processes of personal adjustment; applications of mental health principles to everyday living.

CLP 4143 Abnormal Psychology (3) AS PSY
PR: PSY 3213 with a grade of C or better or CI. Descriptions, theoretical explanations, research evidence, and treatment of maladaptive behavior.

CLP 4414 Behavior Modification (3) AS PSY
PR: PSY 3213 with a grade of C or better or CI. Introduction to behavior analysis, and application of learning principles, behavioral measurement, research designs, and interventions in treatment settings.

CLP 4433 Psychological Tests and Measurement (3) AS PSY
PR: PSY 3213 with a grade of C or better or CI. Students may not receive credit for both CLP 4433 and EDF 4430. A consideration of the instruments for intellectual and personality assessment including their applications, development, and potential abuses.

CLP 4941 Community Practicum in Selected Topics (1-9) AP
PSY
PR: C or better in PSY 4931, junior standing and at least 6 hours in Psychology. Service-learning for student to apply psychological principles learned in the classroom to volunteer experiences. Community is defined at the local, national and international level. Free-standing practicum or with a corequisite course.

CLT 2044 Wordpower from Latin and Greek (3) AS WLE
Study of Greek/Latin elements as a means of building English vocabulary. Examination of Greek/Latin-based terminology from various scientific fields, its adoption into English and current usage. Attention given to Greek/Latin stems, prefixes, suffixes.

CLT 3040 Scientific and Medical Terminology (3) AS WLE
A course in the Greek and Latin word elements used in science and technology.

CLT 3103 Greek Literature in Translation 6A MW WRIN (3) AS WLE
This class investigates the most important texts of the Archaic and Classical Greek world, which are analyzed in both in a chronological sequence (c. 700 to 399 BCE) and by genre (epic poetry, philosophy, lyric, history, and drama).

CLT 3123 Roman Literature in Translation 6A MW WRIN (3) AS WLE
This course surveys the major literary texts of the ancient Roman world, examined through both the chronological order of their production (from the 3rd century B.C.E to the 2nd century C.E) and their classification into various literary genres.

CLT 3370 Classical Mythology HP CAHU (3) AS WLE
Classical Mythology surveys the myths, legends, and sagas of the Greeks and Romans chronologically (c. 1200 BCE to 17 CE) and thematically, through literature (prose and poetry), iconography (art and architecture), and film (documentary and dramatic.)

CLT 3511 Fictional Rome in American Film (3) AS WLE
Fictional Rome surveys filmic representations of ancient Rome in Hollywood, to illustrate the imaginative power of cinema to shape our perceptions of the Roman past, and exploitation of them in the context of contemporary American history and culture.

CNT 3403 Network Security and Firewalls (3) AS EIT
PR: EEL 4782. This course surveys network security standards and emphasizes applications that are widely used on the Internet and for corporate networks. This course also examines Firewalls and related tools used to provide both network and perimeter security.

CNT 4004 Computer Networks I (3) EN ESB
PR: COP 4530. An introduction to the design and analysis of computer communication networks. Topics include application layer protocols, Internet protocols, network interfaces, local and wide area networks, wireless networks, bridging and routing, and current topics.

CNT 4504 Networks II (3) EN ESB
PR: CNT 4004. Networking skills, hands-on experience in technologies and protocols, with emphasis on Internet technologies. Topics: Operation, Analysis and Evaluation of distributed systems, communication hardware/software, network monitoring and performance tools.

COM 2000 Introduction to Communication SS (3) AS SPE
Introduction to the roles, contexts, and issues in contemporary human communication. Required of Communication majors.

COM 3014 Communication, Gender and Identity (3) AS SPE
PR: COM 2000 with C- or above or consent of instructor (CI). Examines the communicative origins and implications of gender roles.

COM 3051 Analyzing Culture and Media (3) AS SPE
PR: SPC 2541. Applies theories of media and media industries to analysis of media texts to investigate relationships among culture, media, representation, and democracy. Majors only; non-majors by permit only. May not be repeated for credit.

COM 3052 Cultural Studies and Communication (3) AS SPE
PR: SPC 2541, COM 3051. Application of theories and methods of Cultural Studies to communication research. Emphasis on critical analysis of processes by which culture is produced, circulated, and negotiated. Majors only; nonmajors by permit only. May not be repeated for credit.
<table>
<thead>
<tr>
<th>Course Code</th>
<th>Title</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>COM 3110</td>
<td>Communication For Business and the Professions (3) AS SPE</td>
<td>For non-majors only. Identification of communication situations specific to business and the professions. Analysis of variables related to communication objectives and preparation of oral presentations in the form of informational reports, conference management, persuasive communications, interviews, and public hearings.</td>
</tr>
<tr>
<td>COM 3120</td>
<td>Organizational Communication (3) AS SPE</td>
<td>PR: COM 2000 with C- or above or consent of instructor (CI). A survey of communication concepts which impact upon organizational effectiveness.</td>
</tr>
<tr>
<td>COM 3122</td>
<td>Interview Communication (3) AS SPE</td>
<td>A study of communication theory relative to persuasive interviewing with an emphasis on career interview situations.</td>
</tr>
<tr>
<td>COM 3413</td>
<td>Communication and Visual Culture (3) AS SPE</td>
<td>PR: COM 2000. Examines the nature and practices of seeing as fundamental to communication with special emphasis on cultural and rhetorical implications of visual practices in aesthetic, political, and social arenas.</td>
</tr>
<tr>
<td>COM 4016</td>
<td>Public Memory (3) AS SPE</td>
<td>PR: COM 2000, SPC 2541. Exploration of collective memory as public communication. Examines public memory as created and communicated in memorials, museums, mediated history, nostalgia, and story. For majors; non-majors by permit. Not repeatable for credit.</td>
</tr>
<tr>
<td>COM 4020</td>
<td>Communicating Illness, Grief, and Loss 6A (3) AS SPE</td>
<td>PR: COM 2000 with C- or above or consent of instructor (CI). Focus on stories of illness, grief, and loss to make sense of these experiences; to understand the cultural and rhetorical influences on how stories are told; and to explore the context of everyday life, romantic relationship, families, institutions, and culture in which they occur.</td>
</tr>
<tr>
<td>COM 4021</td>
<td>Family Communication and the End of Life (3) AS SPE</td>
<td>PR: COM 2000, SPC 3301. Explores theories and practices of family communication at end-of-life through language, relationships, bioethics, and case analysis techniques. For majors; non-majors by permit only. May not be repeated for credit.</td>
</tr>
<tr>
<td>COM 4022</td>
<td>Health Communication (3) AS SPE</td>
<td>PR: COM 2000 with C- or above or consent of instructor (CI). Application of communication theory and research to the health context including provider-patient communication, health information campaigns, and health beliefs and behavior. Special attention to the value issues in health communication.</td>
</tr>
<tr>
<td>COM 4030</td>
<td>Women and Communication 6A MW (3) AS SPE</td>
<td>Examines women’s patterns of communication in a variety of contexts. Also offered under Women’s Studies.</td>
</tr>
<tr>
<td>COM 4050</td>
<td>Globalization and Democratic Discourse (3) AS SPE</td>
<td>PR: COM 2000, SPC 2541. Examines rhetoric of globalization and democracy from communication perspectives, especially the discourses of war, terrorism, nationalism, and security. For majors; non-majors by permit only. Not repeatable for credit.</td>
</tr>
<tr>
<td>COM 4104</td>
<td>Communication, Tourism, and Travel (3) AS SPE</td>
<td>PR: COM 2000, ORI 2000. Focuses on cultural, experiential, and performative practices and meanings of travel and tourism as sites of communication inquiry. Majors only; non-majors by permit. Not repeatable for credit.</td>
</tr>
<tr>
<td>COM 4124</td>
<td>Communication and Organizational Change (3) AS SPE</td>
<td>PR: COM 2000 with C- or above and COM 3120 or consent of instructor (CI). An advanced course covering current issues in organizational transformation (e.g., organizational dialogue, learning organizations, reengineering, work teams), and the role communication processes play in such changes.</td>
</tr>
<tr>
<td>COM 4128</td>
<td>Integrated Organizational Communication (3) AS SPE</td>
<td>PR: COM 3120. Explores theories, practices, and functions of integrated communications strategies and tactics in organizational contexts. For Communication majors; non-majors by permit only. May not be repeated for credit.</td>
</tr>
<tr>
<td>COM 4414</td>
<td>Race and Gender in Popular Film and Television (3) AS SPE</td>
<td>PR: SPC 2541, COM 3051. Explores representations of race and gender in contemporary TV and film and utilizes feminist and critical race theories to interrogate social inequalities. Majors only. Non-majors by permit only. May not be repeated for credit.</td>
</tr>
<tr>
<td>COM 4702</td>
<td>Communication, Language, and Mental Illness (3) AS SPE</td>
<td>PR: COM 2000, SPC 3301. Explores intersection of mental illness and communication as language, talk-in-interaction, and discourse as social practice. For majors; non-majors by permit. May not be repeated for credit.</td>
</tr>
<tr>
<td>COM 4710</td>
<td>Writing Lives 6A (3) AS SPE</td>
<td>PR: Junior/Senior standing or CI. Emphasizes writing stories about our lives and the lives of others as a way to understand, cope with and communicate social experiences.</td>
</tr>
<tr>
<td>COM 4931</td>
<td>Special Topics in Media Analysis (3) AS SPE</td>
<td>PR: SPC 2541, COM 3051. Selects contemporary topics in media, media genres, and forms to examine how social issues are reflected and changed. Majors only; non-majors by permit only. May be repeated for credit as topics change for 9 total credits.</td>
</tr>
<tr>
<td>COM 4942</td>
<td>Communication Intern Seminar (3) AS SPE</td>
<td>PR: Communication major, minimum GPA 3.0, 75 hours completed, 15 hours of core requirements and 9 elective hours completed, and CI. Seminar provides students with an opportunity to put into practice concepts and skills acquired in their study of communication. Weekly seminar sessions augment intern experience. Application for seminar must be submitted one semester prior to seminar offering.</td>
</tr>
<tr>
<td>COM 5930</td>
<td>Topics in Communication Studies (3) AS SPE</td>
<td>Topical issues in communication.</td>
</tr>
</tbody>
</table>
COP 1930 Special Topics for Information Technology (1-3)  
AS EIT  
Special topics course.

COP 2270 Programming in C for Engineers (3) EN ESB  
PR: MAC 2281, MAC 2311 or MAC 2241. This class prepares  
students to use the C programming language and the  
MATLAB environment to develop solutions to small scale  
scientiﬁc and engineering problems.

COP 2510 Programming Concepts (3) EN ESB  
PR: MAC 2281 or equivalent. An examination of a modern  
programming language emphasizing programming  
concepts and design methodology.

COP 2930 Special Topics for Information Technology (1-3)  
AS EIT  
Special topics course.

COP 2931 Special Topics for Information Technology (1-3)  
AS EIT  
Special topics course.

COP 3257 JAVA for Experienced Programmers (3) EN ESB  
PR: COP 3514 or equivalent. Program design and  
development using the JAVA programming language.  
Comparison of program design in a procedural language  
(C recommended) versus design in the JAVA language.  
Application development using advanced programming  
techniques.

COP 3331 Object Oriented Software Design (3) EN ESB  
PR: COP 3514 Design of a computer program using an  
Object-Oriented programming language. Extension of  
programming knowledge from a procedural language to  
an object-oriented language. Analysis of program  
requirements.

COP 3333 Visual Basic for Experienced Programmers (3)  
EN ESB  
PR: COP 3514. Program design and development using the  
Visual Basic language and application development  
tools. Application development using advanced  
programming techniques where visual presentation is a  
priority element.

COP 3514 Program Design (3) EN ESB  
PR: COP 2510 or CI. The class extends students’ programming  
knowledge by systematically considering the concepts  
involved in program design and creation. Students will  
also build upon their previous programming experience by  
learning to use the C programming language in a networked  
environment.

COP 3515 Program Design for Information Technology (3)  
AS EIT  
PR: COP 2510 or CI. Concepts associated with the design  
and implementation of computer programs are studied,  
with emphasis on creation of programs to be developed  
and maintained in a variety of environments from small to  
large information technology organizations.

COP 3931 Special Topics for Information Technology (1-4)  
AS EIT  
Topics to be chosen by students and instructor permitting  
newly developing subdisciplinary special interests to be  
explored.

COP 4020 Programming Languages (3) EN ESB  
PR: COP 4530. An introduction to the speciﬁcation, design,  
and analysis of programming languages. Topics include  
syntax, operational semantics, type systems, type safety,  
lambda calculus, functional programming, polymorphism,  
side effects, and objects.

COP 4313 Symbolic Computations in Mathematics 6A (3) AS  
MTH  
PR: MAS 3105 and MAP 2302. Students will write programs  
to solve problems in various areas of mathematics including  
calculus and linear algebra with symbolic programming  
systems such as Maple, Mathematica, or Macsyma.

COP 4530 Data Structures (3) EN ESB  
PR: COP 3331, admission to the CSE department. CSE majors only. Understand and implement  
fundamentals of concise data structure and organization  
for program efﬁciency, clarity and simpliﬁcation.  
Implementation of different data types and structures.  
Understanding of current data structures.

COP 4600 Operating Systems (3) EN ESB  
PR: COP 4530. Introduction to systems programming.  
Design of operating systems. Concurrent processing,  
synchronization, and storage management policies.

COP 4610 Operating Systems for Information Technology  
(3) AS EIT  
PR: EEL 4854 or CI. Introduction to concepts and practices  
of modern operating systems. Topics include process,  
parallelism, memory management, resource allocation  
and ﬁle systems. Algorithms are used to understand many  
of the concepts associated with operating systems.

COP 4610L Operating Systems Laboratory for Information  
Technology (1) AS EIT  
PR: EEL 4854 or CI. Implementation and evaluation of  
models discussed in the lecture part of the course. Students  
implement operating system algorithms in stand-alone  
mode, and modify real operating system code. Students  
implement and test algorithms in a lab environment.

COP 4620 Compilers (3) EN ESB  
PR: COP 4530. Introduction to techniques for compiling  
software; lexical, syntactic, and semantic analyses; abstract  
syntax trees; symbol tables; code generation and  
optimization.

COP 4703 Database Systems for Information Technology  
(3) AS EIT  
CR: EEL 4854 or CI. Fundamentals of database  
management systems are presented, covering relational,  
CODASYL, network, hierarchical, and object-oriented  
models. Topics include basic design concepts, analysis of  
efﬁciency as well as actual implementations of such  
systems.

COP 4710 Database Design (3) EN ESB  
PR: COP 4530 or EEL 4851C. This course covers the  
fundamentals and applications of database management  
systems, including data models, relational database  
design, query languages, and web-based database  
applications.

COP 4814 Web Services (3) AS EIT  
PR: CI. The Web services model, based on the Open  
Standards of SOAP, WSDL, and UDDI, is studied and  
applied.

COP 4816 XML Applications (3) AS EIT  
PR: CI. Completion of prerequisites for admission to IT  
program. This course introduces extensible Markup  
Language (XML), a technology for exchanging structured
CPO 4034 Data-Driven Web Sites (3) AS EIT
PR: CI. Completion of prerequisites for admission to IT program. Junior standing or above. This course builds on students' knowledge of Web development and databases by adding server-side scripting using the PHP language to interact with the mySQL database system to build transaction processing and report generating systems over the Internet.

COP 4835 Web Development Tools (3) AS EIT
PR: CI. This course builds on web design concepts and extends them to build and maintain complete Web Sites using the current de facto industry-standard integrated web site development environment/applications.

COP 4930 Information Technology Seminar (1-3) AS EIT
PR: Senior standing in Information Technology. A survey of current Information Technology topics are covered to keep the IT student abreast of the variety of domains associated with their major. Speakers with a wide variety of IT experience will give seminars to senior IT students.

COP 4931 Special Topics for Information Technology (1-4) AS EIT
Topics to be chosen by students and instructor permitting newly developing subdisciplinary special interests to be explored.

COT 3100 Introduction to Discrete Structures (3) EN ESB
PR: MAC 2281 or equivalent. Introduction to set algebra, propositional calculus and finite algebraic structures as they apply to computer systems.

COT 4115 Advanced Discrete Structures with Cryptology (3) EN ESB
PR: COP 4530, COT 3100. Advanced topics in discrete mathematics: number theory, groups, rings and fields, finite fields, and combinatorics, as applied to computer systems. Theoretical application of mathematical concepts to coding theory and cryptography.

COT 4210 Automata Theory and Formal Languages (3) EN ESB
PR: COT 3100, COP 4530. Introduction to the theory and application of various types of computing devices and the languages they recognize.

COT 4400 Analysis Of Algorithms (3) EN ESB
PR: COT 3100, COP 4530. Design principles and analysis techniques applicable to various classes of computer algorithms frequently used in practice.

CPO 2002 Introduction to Comparative Politics SS (3) AS POL
Comparison and political processes of selected nations of the non-Western world.

CPO 4034 Politics of the Developing Areas SS AF (3) AS POL
An analysis of the ideologies, governmental structures, and political processes of selected nations of the non-Western world.

CPO 4204 Government and Politics of Africa SS AF (3) AS AFA
Designed to provide the information and analytical tools necessary to interpret current Sub-Saharan African politics, Survey of political organization in traditional African societies; politics under colonial rule; the struggle for independence, and post-independence politics.

CPO 4930 Comparative Government and Politics of Selected Countries or Areas (3) AS POL
Studies political systems with common elements. Structure, process, domestic and foreign politics, and regional roles are considered.

CPO 5934 Selected Topics in Comparative Politics (3) AS POL
Sr./GS. Studies specific substantive areas in Comparative Politics, such as political economy or the politics of specific countries or regions.

CRW 2100 Narration and Description 6A (3) AS ENG
A study of narrative and descriptive techniques in prose. By making the student sensitive to language usage, the course is designed to bridge the gap between expository writing and imaginative writing.

CRW 3111 Form and Technique of Fiction 6A (3) AS ENG
A study of short narrative forms such as the anecdote, tale, character sketch, incident, monologue, epistolary story, and short story as they have been used in the development of fiction and as they exist today. Will not count toward the English major.

CRW 3112 Fiction I 6A (3) AS ENG
PR: CRW 2100 or CRW 3111. An introduction to fiction writing, beginning with a practical study of the various elements of fiction and proceeding through the many processes of revision to arrive at a completed work of art.

CRW 3121 Fiction II 6A (3) AS ENG
PR: CRW 2100 or CRW 3111, CRW 3112. A fiction workshop which provides individual and peer guidance for the student’s writing and which encourages the development of critical skills.

CRW 3311 Form and Technique of Poetry (3) AS ENG
An examination of the techniques employed in fixed forms from the couplet through the sonnet to such various forms as the rondel, ballad, villanelle, sestina, etc. Principles in the narrative, dramatic, and lyric modes are also explored.

CRW 3312 Poetry I (3) AS ENG
PR: CRW 3311. An introduction to poetry writing utilizing writing exercises employing poetic language and devices; the exercises progress to the writing of both rhymed and unrhymed metrical and non-metrical forms.

CRW 3321 Poetry II (3) AS ENG
PR: CRW 3311, CRW 3312. A poetry workshop which provides individual and peer guidance for the student’s writing and which encourages the development of critical skills.

CRW 4120 Fiction III (3) AS ENG
PR: CRW 2100 or CRW 3111, CRW 3112, CRW 3121. An advanced fiction workshop in which works may be carried over from CRW 3121 or longer forms such as the novel may be begun.

CRW 4320 Poetry III (3) AS ENG
PR: CRW 3311, CRW 3312, CRW 3321. An advanced poetry workshop in which students are expected to create works exhibiting a firm knowledge of the principles explored in the preceding courses.

CRW 4930 Selected Topics in Creative Writing (1-4) AS ENG
PR: 12 hours of CRW courses or CI. The focus of the course will be governed by student demand and instructor interest. Topics to be covered may include writing the literary essay, writing in mixed genres, and utilizing popular conventions.
### DAA 2504 Jazz Dance (2) TA DAN
PR: Admission by placement audition and DAA 2500. A technique class for the intermediate level dancer to become acquainted with the dance styles and forms of musical theatre and concert jazz dance. Emphasis is on highly stylized movement with a strong rhythmic base. May be repeated.

### DAA 2540 Theatre Dance Styles (2) TA DAN
PR: DAA 2500 or DAA 2504 or CI. Development of technical skills in social and historical dance forms frequently stylized for use by dance choreographers. Forms to be studied will include polka, clogging, waltz, folk, tap dancing, etc. May be repeated up to 4 credits.

### DAA 2570 Jazz Theatre Dance (3) TA DAN
PR: Admission by placement audition and DAA 2504. Further emphasis on projection, phrasing, rhythmic patterns and dynamics. Solo and ensemble studies leading to performance. May be repeated up to 6 credits.

### DAA 3108 Modern Dance II (3) TA DAN
PR: Admission by placement audition. Study of principles of modern dance technique. Practical work in exercises and movement phrases, utilizing changing rhythms and dynamics. Concert and performance attendance required. May be repeated.

### DAA 3208 Ballet II (3) TA DAN
PR: Admission by placement audition. Positions and barre exercises. Emphasis on correct alignment of the body and the application of simple step combinations in centre work. The use of ballet vocabulary (French terms). Material is covered almost totally as practical work in class with a few outside projects. Concert and performance attendance required. May be repeated.

### DAA 3209 Ballet III (2-3) TA DAN
PR: Admission by placement audition. Continuation of DAA 3208. Further emphasis on style and phrasing. Work on projecting mood and quality by dancing and rehearsing in more advanced choreography, leading to performance. May be repeated.

### DAA 3294 Ballet Variations (1) TA DAN
PR: DAA 3209. This course provides instruction in various forms of ballet. Semester courses include: Pointe technique, Men’s Class, Character Dance, Spanish Dance and Partnering. BFA Ballet concentration students are required to complete two semester hours. May be repeated.

### DAA 3395 World Dance Topics (1) TA DAN
PR: DAA 3209. Students will experience fundamental knowledge of dance representing various world cultures. In addition to a dance/movement component, a connection will be made to historical, spiritual/religious, ethnological and environmental indigenous aspects of people involved in dance as a cultural experience. May be repeated.

### DAA 3614 Choreography I (2) TA DAN

### DAA 3615 Choreography II (2) TA DAN
PR: DAA 3614. Preparation of studies in rhythm, dynamics, form and motivation.
DAA 3624 Dance Improvisation (2) TA DAN
For majors and non-majors. Exploring various methods of
spontaneously creating dance movement in individual and
group situations. Structured and unstructured approaches
will be explored. May be repeated.

DAA 3654 Repertory I (1) TA DAN
PR: Admission by audition. The development and
performance of solo and/or group dances.

DAA 3684 Repertory II (1) TA DAN
PR: Admission by audition. The development and
performance of solo and/or group dances.

DAA 3686 Junior Performance Project (1) TA DAN
PR: Admission by audition. Required for junior dance
majors. Involves rehearsal and performance of works
presented by a senior dance major in the dance program.
Open to all university students proficient in dance techniques
and concurrently enrolled in technique courses. Repeatable.

DAA 4110 Modern Dance IV (3-4) TA DAN
PR: Admission by placement audition. Intense work on the
growth of personal performance styles. Equal emphasis
will be given to training the body in the development of
technical excellence. May be repeated.

DAA 4211 Ballet IV (3-4) TA DAN
PR: Admission by placement audition or CI. Perfecting the
execution of barre work. Intensification of centre work. More
stress on aesthetic quality of movement and phrasing.
Students expected to be proficient in pointe work. Outside
projects, concerts, and performances are required. May be
repeated.

DAA 4616 Choreography III (2) TA DAN
PR: DAA 3615. CR: DAA 3109 or above. Work directed
toward duets and group dances. The students will submit
choreographic ideas for instructor’s approval, then proceed
with rehearsals. Lec-lab., reading. Rehearsal hours to be
arranged.

DAA 4617 Choreography IV (2) TA DAN
PR: DAA 4616. The student will prepare studies based on
free form, minimal art, and chance methods. Lec-lab.,
reading.

DAA 4685 Performance (1-3) TA DAN
PR: Admission by audition. Open to all university students
proficient in dance techniques and concurrently enrolled in
Technique. Involves rehearsal and performance of works
presented by the department. May be repeated.

DAA 4687 Performance (1-2) TA DAN
PR: Admission by audition. Open to all university students
proficient in dance techniques and concurrently enrolled in
Technique. Involves rehearsal and performance of works
presented by the department. May be repeated.

DAA 4694 Senior Choreography Project (1-5) TA DAN
PR: Dance majors with senior standing. The creation of an
original group work and solo within the senior’s major
concentration—ballet or modern. To be performed and
presented with the concurrence of a faculty advisor.

DAA 4920 Dance Studies (1-4) TA DAN
PR: CI and CC. Dance Major status. Individual study to
extended competency in technique and performance of
Dance through participation in special workshops.

DAN 3351 Ethnic/Folk Dance (2) TA DAN
An exploration of ethnic and folk dance forms in various
cultures of the eastern and western hemispheres. Students
will investigate ways of doing, making, and teaching dances
through studio work, videos, performances, and readings.

DAE 4300 Dance Pedagogy: Theory and Practice (3) TA DAN
PR: CI, CC. Designed to provide prospective teachers with
opportunities to develop concepts of pedagogy based on
principles of teaching/learning dance. Specific sections
will focus on Secondary Curriculum and Methods and on
Pre-K and Elementary Methods.

DAE 4310 Dance Pedagogy: Pre-School to Elementary (3) TA DAN
This course is designed to meet the needs of students in
Dance Education to understand the scope and sequence of
dance curriculum design and teaching methods
appropriate to Pre-K and elementary students.

DAE 4340 Dance Pedagogy: Secondary Curriculum (3) TA DAN
This course is designed to meet the needs of students in
Dance Education to understand the scope and sequence of
dance curriculum design and teaching methods
appropriate to the secondary student.

DAE 4397 Special Studies Dance Education (3) TA DAN
PR: CI and CC. PR: CI and CC. For majors and non-majors.
Designed to provide prospective dance teachers with
opportunities to develop concepts of pedagogy based on
principles of teaching-learning in dance techniques and
choreography. May be repeated up to 9 credit hours.

DAE 4936 Senior Seminar in Dance Education (2) TA DAN
CR: DAE 4940 This course represents a synthesis of the
teacher Candidate’s courses and is required concurrently
with the internship.

DAE 4940 Internship in Dance Education (1-12) TA DAN
CR: DAE 4936. S/U only. One full semester of internship in
a public or private school. In special programs where the
intern experience is distributed over two or more semesters,
students will be registered for credit which accumulates
from 9 to 12 semester hours.

DAN 2100 Introduction To Dance 6A FA (3) TA DAN
For majors and non-dance majors, a study of the art and
language of dance through lectures, discussions, concert
attendance, and studio practice. Designed to develop
awareness and insight of this art form through discussion,
observation, writing, and movement experience.

DAN 2160 Entry Seminar (2) TA DAN
This is a study of dance-related career opportunities through
lectures, assigned reading and video viewing. This course
will aid majors in understanding dance as an aesthetic art
form through discussion and critical evaluation.

DAN 3584 Practicum In Dance Production (2) TA DAN
A practicum in mounting dance concerts with shop work
and backstage participation. Intended for students working in
costuming, set preparation, light presentation, stage
management and production crew. Dance majors must
have 4 credits. May be repeated.

DAN 3614 Music For Dance (2) TA DAN
PR: Designed for majors and non-majors. Development of
musical skills in movement studies. Continued study of the
inter-relationship of music and dance through
movement experiences, observations, video, and writing.

DAN 3615 Music For Dance II (2) TA DAN
PR: DAN 3614. Development of practical music skills in
relation to dance. Continued problems in rhythmic materials
and the relationship of music forms to dance. Elements
within historical context.

DAN 3714 Dance Kinesiology (3) TA DAN
This course will give the student an understanding of basic
human anatomy and how it functions in relation to movement,
injury prevention, teaching and performance. Individual
structural differences and how these affect movement
potential will also be studied. There will be an emphasis
on the kinesiological analysis of movement with the goal
of increased efficiency, enhanced performance and injury
prevention.

DAN 4134 Dance History Through the 19th Century 6A LW (3)
Designed for majors and non-majors, this course will
present a comprehensive view of the evolution of dance as
an art form from its origins through the 19th Century. It is
designed to develop awareness and insight through lecture,
discussion, video, observation and writing.

DAN 4135 20th Century Dance MW (3) TA DAN
Designed for majors and non-majors, this course will trace
the development of dance as an art form in the 20th Century.
It is designed to develop awareness and insight through
lecture, discussion, video, observation and writing.
Students will be required to attend at least two dance
performances.

DAN 4162 Research in Dance (2) TA DAN
PR: Dance major with Junior standing, and completion of
two courses in secondary area. Course will introduce basic
research methodologies for conducting research in the
dance genre, and will serve the student in preparing for
future research based study in the field of dance. Students
will conduct library, internet, and field research.

DAN 4180 Dance Senior Seminar (2) TA DAN
PR: Dance major with senior status. A study of career
opportunities in performance, teaching, research, design,
and choreography. To aid majors in self-appraisal as
artists and develop methods to further their potential in the
professional world. Discussion, critical evaluation and
projects.

DAN 4404 Laban Movement Analysis (3) TA DAN
Specialized study in movement theories, body alignment,
and movement patterns focusing on the scientific and
analytical basis of movement in dance with consideration
for developmental processes, technique, creative
expression, and performance.

DAN 4503 Special Study in Movement, Theory, Body
Alignment (2) TA DAN
Analysis of scientific basis of movement for the dancer
through the study of body alignment and movement theories
related to dance techniques.

DAN 4906 Directed Study (1-5) TA DAN
PR: CI. CC. Independent studies in the various areas of
Dance. Must receive approval prior to registration. May be
repeated.

DAN 4930 Selected Topics In Dance (1-5) TA DAN
PR: CI and CC. The content of the course will be governed
by student and instructor interest. May be repeated by
majors.

DEC 4161 Program Management of Distributive and
Marketing Education (3) ED EDV
The study of the purposes, processes, organization,
planning, directing, coordinating and evaluation of
Distributive and Marketing Education Cooperative
Programs.

DEC 4941 Supervised Field Experience: Distance Education
(1-6) ED EDV
Planned supervised functions in the area of specialization
and coordinated with selected schools, government offices,
social agencies, businesses and industries on site.

DEP 2004 The Life Cycle (3) BC GEY
An examination of individuals and the physical, cognitive,
personality, and social changes which occur throughout
the entire life span.

DEP 3103 Child Psychology SS (3) AS PSY
Not for major credit. Developmental and psychosocial
aspects of childhood, including hereditary, maturational,
psychological, and social determinants of child behavior.

DEP 4053 Developmental Psychology (3) AS PSY
PR: PSY 3213 with a grade of C or better or CI. Survey of
methods, empirical findings, and theoretical interpretations
in the study of human development.

DEP 4135 Psychology of Language Development (3) AS PSY
PR: PSY 3213 with a grade of C or better or CI. Available both
to majors and non-majors. Surveys the course of and
processes underlying normal language development.
Presents data and theory on phonological, semantic,
syntactic, and pragmatic development.

EAB 4715 Supervised Practicum and Field Experience in
Applied Behavior Analysis (1-6) AS PSY
PR: PSY 4933 with a grade of B or better. Does not count
 toward major credit. (S/U only). Field experience in Behavior
Analysis in applied settings. Under the supervision, involves
the design, implementation and evaluation of behavior
analysis methods in applied settings. Includes both field
practicum and didactic components. May be repeated for
a maximum of 6 hours.

EAP 1850 English for International Students I (6) AS WLE
PR: Department Permission Required This course
supports the development of academic English for
international students, with an emphasis on researching
and producing papers and presentations in a variety of
academic genres with appropriate academic language
use.

EAP 1851 English for International Students II (6) AS WLE
This course supports the development of academic English
for international students, with an emphasis on researching
and producing papers and presentations in a variety of
academic genres with appropriate academic language
use.

EAS 4121 Hydro and Aerodynamics (3) EN EGR
PR: EML 3701, MAP 2302. Advanced fluid dynamics, ideal
and viscous flows, applications to flow around immersed
bodies.

EBD 4011 Introduction to Behavior Disorders (3) ED EDS
PR: EEX 4012, or equivalent or DPR. Survey of emotional,
behavioral and social disorders in children and youth.
History of the field, definitions, classifications, theoretical
approaches, intervention techniques, classroom
management, service delivery models, trends and issues.
ECH 4265C Mass Transfer Operations (3) EN ECH
PR: ECH 4845, ECH 4264, ECH 4123. Integration of phase equilibria with the principles of fluid mechanics, heat and mass transfer in the description of separation processes. Selection of the number of stages and limiting operating conditions in cascades — NTU and HTU. Sizing of partial condensers and pressure differential in columns. Transfer to single particles.

ECH 4323C Process Dynamics and Control (3) EN ECH

ECH 4415C Reaction Engineering (4) EN ECH
PR: CHM 2210, ECH 4265C. Integration of chemical equilibrium and kinetics, heat transfer and fluid mechanics into the hierarchical description of reacting systems. Analysis and selection of operating conditions and contacting models. Sizing. Restricted to department majors.

ECH 4605 Product and Process Systems Engineering (3) EN ECH

ECH 4615 Product and Process Design MW CPST (3) EN ECH
PR: ECH 4415C, ECH 4605. Synthesis and analysis of economically feasible and environmentally acceptable chemical processing routes; Design of safe chemical production and treatment facilities; Chemical product design; Computer Aided-Design; Case studies and Design Project.

ECH 4644 Process Equipment and Safety (3) EN ECH
PR: ECH 4264, ECH 4123. CoPR: ECH 4265. Design, sizing, selection and preparation of equipment specifications for the process industry in accordance with process safety management guidelines and OSHA requirements.

ECH 4845 Numerical Methods in Chemical Engineering (4)
EN ECH

ECH 4846 Numerical Methods in Chemical Engineering (4)
EN ECH
and Chemical Engineering. Lifelong learning. Leadership in the profession. Legal issues.

ECH 5320 Chemical Process Engineering I (4) EN ECH
PR: Bachelors degree in science, math, or engineering. The course presents the principles of mass balances, classical thermodynamics, phase equilibria, energy balances, and psychrometrics. The student will learn by doing many case studies. Computer software will be used to obtain solutions to many problems.

ECH 5321 Chemical Process Engineering II (4) EN ECH
PR: Bachelors degree in science, math, or engineering. Basic concepts of fluid mechanics, including viscous fluids, pipe flow with minor losses, simple fluid machinery, momentum and external flow. Steady state conductive and convective heat transfer. Not available for chemical engineering students.

ECH 5322 Chemical Process Engineering III (4) EN ECH
PR: Bachelors degree in science, math, or engineering. Basic concepts of fluid phase equilibrium, chemical equilibrium, separation processes, and chemical reactors. Not available for chemical engineering students.

ECH 5324 Automatic Process Control II (3) EN ECH
PR: ECH 4323C or CI, majors only / 2 hrs lec., 3 hrs. lab/week. The course covers the root locus and frequency response methods to study stability of control loops. The techniques of ratio, cascade, feed forward, selective, override, and multi-variable control techniques are discussed in detail and shown how to utilize to design control systems, z-transforms and discrete controllers including PID, Dahlin and deadline compensation.

ECH 5327 Chemical Process Control (4) EN ECH
PR: Bachelors degree in science, math, or engineering. Basic concepts of feedback control, process dynamics, process controllers (PID) including tuning, control loop stability, cascade, ratio, selective, override, feedforward, and multivariable control. Not available for chemical engineering students.

ECH 5740 Theory and Design of Bioprocesses (3) EN ECH
Introduction to biotechnology, including applied microbiology, enzyme technology, biomass production, bioreactor design, and transport processes in biosystems.

ECH 5747C Selected Topics in Chemical Engineering Biotechnology (1-3) EN ECH
PR: Senior or GS standing in engineering or CI. Open to majors and non-majors with CI. Selected topics in engineering in biotechnology, including cell separation technology, immobilized enzymes and cells, food engineering, biohazardous waste, and bioseparations.

ECH 5748 Selected Topics in Biomedical Engineering (1-3) ENECH
Selected topics in biomedical engineering, including biomedical engineering, biomedical materials, biodynamics of circulation, separation processes in biomedical systems, and artificial organ systems.

ECH 5785 Sustaining the Earth: An Engineering Approach (3) EN ECH
PR: CI. An approach of global perspective on ecological principles revealing how all the world’s life is connected and sustained within the biosphere and how engineering provides the tools to design solutions engaging materials science & environmental ethics.
exchange efficiency, social welfare, and efficiency consequences of market and non-market allocation.

ECO 4201 Advanced Macroeconomic Theory (3) BU ECN
PR: ECO 3203 with a grade of “B” or better. An advanced analysis of a particular topic or topics in macroeconomics. Areas of study include the theories of money, growth, and business cycles. Discussions of how such theories accord with the data are also presented.

ECO 4270 Economic Growth (3) BU ECN
PR: ECO 3101 or ECP 3703. This course provides an introduction to the theory of economic growth, the process whereby the level of real output per capita increases over time. Emphasis is on the role of factor accumulation and productivity growth and their underlying fundamentals.

ECO 4303 History Of Economic Thought (3) BU ECN

ECO 4233 Radical Political Economy MW (3) BU ECN
PR: ECO 1000 or ECO 2013 or ECO 2023 or Cl. The radical (left) and Marxist schools of thought in economics. Application of radical theory to problems of advanced capitalist and socialist societies.

ECO 4401 Introduction to Mathematical Economics (3) BU ECN
PR: ECO 3101 or ECP 3703, and MAC 2241 or MAC 2233 or Cl. Mathematical models of optimizing behavior and economic equilibrium.

ECO 4421 Introduction to Econometrics (3) BU ECN
PR: ECO 3101 or ECP 3703, and QMB 3200 with a grade of “B” or better or Cl. Survey of basic econometric techniques. Regression analysis employed to estimate consumption, investment, demand, cost, and production functions. Examines problems of auto-correlation, heteroscedasticity, multicollinearity, and specification errors.

ECO 4504 Public Finance (3) BU ECN

ECO 4704 International Trade and Policy (3) BU ECN
PR: ECO 3101 or ECP 3703 with a grade of “C” or better. Advanced analysis of international trade theory and commercial policy, international economic integration, multinational enterprise.

ECO 4713 International Macroeconomics (3) BU ECN
PR: ECO 3101 or ECP 3703 with a grade of “C” or better. Advanced analysis of international macroeconomic relationships. Foreign exchange market, international monetary system balance of payments.

ECO 4905 Independent Study (1-3) BU ECN
PR: Cl. S/U only. Specialized independent study determined by the student’s needs and interests. May be repeated up to 6 hours.

ECO 4914 Independent Research (1-3) BU ECN
PR: Cl. Individual study contract with instructor and department chairperson required. The research project will be mutually determined by the student and instructor. May be repeated up to 6 hours.

ECO 4935 Selected Topics in Economics (1-3) BU ECN
Topics to be selected by the instructor or instructors on pertinent economic issues.

ECP 3201 Economics of Women and Work MW (3) BU ECN
PR: ECO 1000 or ECO 2013 and ECO 2023. Survey of research on women, men and work in the labor market and the household. Focuses on the economic status of women. Includes historical perspective, examination of the family as an economic unit, changing work roles, and gender differences in occupation and earnings.

ECP 3203 Labor Economics (3) BU ECN
PR: PR: ECO 3101 or ECP 3703 with a grade of “C” or better. Determinants of wage and employment levels; occupational, industrial and geographical wage differentials; union and public policy effects on labor markets; the economics of discrimination; inflation, and unemployment.

ECP 3302 Environmental Economics (3) BU ECN
PR: ECO 2023. An economic analysis of environmental issues. The economics of resource use and pollution control are examined using the concepts of externalities, cost-benefit analysis, public goods, and property rights.

ECP 3413 Economics of Regulation and Antitrust (3) BU ECN
PR: ECO 2013 and ECO 2023. Economic analysis of the rationale and performance of government regulation and antitrust policy. Examination of antitrust issues such as price fixing, mergers, and monopolization, and issues regulating electric utilities, airlines, trucking, consumer product safety, product quality, and the environment.

ECP 3530 Economics of Health (3) BU ECN
PR: ECO 3101 or ECO 3703 with a grade of “C” or better. Application of economic methods to health care topics such as demand for medical care, public and private health insurance, physician and hospital supply of medical care, government regulations, and national healthcare systems.

ECP 3613 Economics of the Urban Environment MW (3) BU ECN
PR: ECO 1000 or ECO 2013 or ECO 2023 or Cl. Economic analysis of cities and urban social problems. Poverty, discrimination, housing, transportation, pollution, crime, and fiscal considerations.

ECP 3703 Managerial Economics (3) BU ECN
PR: ECO 2023. Application of microeconomic theory to problems in business decision making with a special focus on price determination. May not receive credit for both ECP 3703 and ECO 3101. Formerly ECO 3100.

ECP 4006 Economics of Sports (3) BU ECN
PR: ECO 3101 or ECO 3703. This course teaches economics using sports as a backdrop. Topics covered include the economics of labor markets, exploitation, discrimination, monopoly, monopsony, game theory, bargaining, and cartels. No particular knowledge of sports is required.

ECP 4232 Collective Bargaining and Public Policy (3) BU ECN
PR: ECO 2023 or Cl. Administration of labor management agreements. Impact of the government role in collective bargaining and labor relations.

ECP 4451 Law and Economics (3) BU ECN
PR: ECO 2013 and ECO 2023. Advanced analysis of the economic impact of tort, criminal, property, and contract law as well as in the formation and adjudication of law.

ECP 4505 Economics of Crime (3) BU ECN
theory to the analyses of criminal behavior, crime prevention, law enforcement, sanctions, and corrections.

ECP 4708 Economics of Business Strategy (3) BU ECN
PR: ECO 3101 or ECP 3703. This course examines strategies businesses can employ to improve their abilities to compete profitably. Employs game theory to examine horizontal and vertical boundaries of firm, strategic diversification, pricing, and entry deterrence.

ECS 3013 Economic Development (3) BU ECU

ECS 4003 Comparative Economic Systems MW (3) BU ECN
PR: ECO 1000 or ECO 2013 or ECO 2023 or CI. The major economic systems: traditional, capitalism, democratic socialism, communism and fascism.

ECS 4430 Economics of Latin America AF MW (3) BU ECN
PR: ECO 1000, or BOTH ECO 2013 and ECO 2023. The course examines key aspects of economic reform efforts in Latin America and the Caribbean and the challenges facing the region at the beginning of the 21st century.

EDE 4223 Creative Experiences for the Child (3) ED EDE
PR: Acceptance into College of Education. Provides students with critical understanding of visual arts, music, movement, and drama in K-6 curriculum. Students will develop knowledge and strategies to incorporate creative expression into integrated curriculum. Restricted to majors. Not repeatable.

EDE 4301 Classroom Management, School Safety, Ethics, Law and Elementary Methods (3) ED EDE
PR: Admission to the program in the Department of Childhood Education. This course examines the legal issues affecting classroom/school management, school safety, professional ethics and elementary school methods. The course explores the current knowledge of best practices of a variety of teaching and management strategies and methods deemed appropriate for a diverse elementary classroom setting including ESOL students and other exceptionalities.

EDE 4905 Independent Study: Elementary Education (1-4) EDE
S/U only. Specialized independent study determined by the student’s needs and interests.

EDE 4909 Directed Study: Elementary Education (1-3) ED EDE
PR: Senior standing. To extend competency in teaching field.

EDE 4940 Internship: Elementary Education (10-12) ED EDE
PR: EDE 4914 and EDE 4942; CR: EDE 4936. S/U only. Teacher candidate is required to demonstrate professional competencies during one semester of full day internship in a public or private elementary school.

EDE 4941 Childhood Education Internship Level I (3) ED EDE
PR: Admission to the Elementary Education. CR: RED 4310, EDG 4620. Concurrent enrollment in EDG 4620-Elementary section. S/U only. Students spend six hours per week in a supervised internship experience in classroom settings and attend a weekly seminar.

EDE 4942 Childhood Education Internship Level II (6) ED EDE
PR: EDE 4941, RED 4310, EDG 4620, EDF 3122, LAE 4314, EDE 4301, MAE 4310, SCE 4310, LAE 4414, SSE 4313, EME 2040. S/U only. Students spend 12 hours per week in a supervised internship experience in classroom settings and attend a weekly seminar.

EDE 2005 Introduction to the Teaching Profession (3) ED EDC
Introductory survey course required for admission into the College of Education. A broad overview of the history, sociology and philosophy of education in the United States focuses on education as a field of study and teaching as a profession. Includes lecture and field experience.

EDE 2085 Introduction to Diversity for Educators (3) ED EDC
Introductory survey course required for admission into the College of Education. Places schools and teaching within the context of the U.S. as a pluralistic society. Topics include: the demographics of diversity; prejudice; elements of culture; American heritage of diversity and its value; and barriers to cultural understanding. Includes lecture and field experience.

EDE 3122 Learning and the Developing Child (3) ED EDF
PR: General psychology and admission to College of Education. Preadolescent child growth and development, learning theory, and behavioral analysis applied to instruction and to the organization and management of classroom.

EDE 3214 Human Development And Learning (3) ED EDF
PR: General psychology and admission to College of Education. Application of respondent and operant learning principles to classroom learning, teaching models for different instructional goals, analysis of teacher behavior, instruction and to the organization and management of classroom.

EDE 3228 Human Behavior and Environmental Selection 6A MW (3) ED EDF
Learning principles, behavior analysis applied to global environmental and social issues. Requires elementary computer word processing skills.

EDE 3514 History of Education in the United States HP MW (3) ED EDF
PR: Upper-division standing. History of childhood, education, and schooling in the U.S. from early European and African contact to the present.

EDE 3604 Social Foundations of Education 6A MW WRIN (3) EDE
PR: Upper level standing. Social, economic and political context within which schools function and the values which provide direction for our schools.

EDE 4124 Child Growth and Learning (3) ED EDF
An introduction to child development and learning from an educational and psychological perspective. Emphasis is on the application of relevant constructs as they would reflect developmentally appropriate practices in early childhood learning settings.

EDE 4131 Learning And The Developing Adolescent (3) ED EDF
PR: General psychology and admission to College of Education. Adolescent growth and development, learning theory, and behavioral analysis applied to instruction and to the organization and management of the classroom.

EDE 4430 Measurement For Teachers (3) ED EDQ
PR: Upper level standing. Concepts and skills related to designing and developing classroom tests; evaluating tests, instruction, and student progress; and communicating student achievement. Including application
of performance assessment techniques and computer applications for measuring and assessing pupil progress.

EDF 4490 Studies in Research Design (3) ED EDF
Studies in Research Design introduces students to the logic and dynamics of the research process.

EDF 4905 Independent Study: Educational Foundations (1-4) ED EDF
PR: DPR. S/U only. Specialized independent study determined by the student's needs and interests.

EDF 4909 Directed Study: Educational Foundations (1-3) ED EDF
PR: Senior Standing. Offered only as a scheduled class. To extend competency in teaching field.

EDF 5607 Trends in the Social-Political Foundations of Schooling in the US (3) ED EDF
Current debates re: purpose and practice of formal schooling in the U.S. with historical and sociological perspectives. Satisfies social foundations requirements for Fla. Teacher certification and ESL competency in knowledge of intercultural issues in education.

EDG 2701 Teaching Diverse Populations and Field Experience (3) ED EDC
Introductory survey course required for admission into the College of Education. Places schools and teaching within the context of the U.S. as a pluralistic society. Topics include: the demographics of diversity; prejudice; elements of culture; American heritage of diversity and its value; and barriers to cultural understanding. Includes lecture and field experience.

EDG 3943 Integrated Clinical Experience Grades K-5 (2-3) EPEDE
Practical application in a clinical setting of knowledge acquired in the classroom. Includes placements for elementary and exceptional student education.

EDG 4012 Standards Based Education (1) EP EDE
PR: FLE 4317 for undergraduate, FLE 5345 for graduate students. This course is designed to introduce students to standards-based education, linking program outcomes for student learning with the relevant state and national educational standards. The course is restricted to majors and is not repeatable for credit.

EDG 4320 Introduction to Creative Drama (3) TA EDD
This course for classroom teachers introduces the theory and practice of creative drama as it applies to use by elementary, middle school and secondary school teachers. Beginning with a study of dramatic play as it relates to human development, the course includes basic strategies when using pantomime, voice improvisation, theatre games, and role playing and story dramatization.

EDG 4620 Curriculum and Instruction (3) ED EDC
An introduction to the field of curriculum and instruction. Emphasis is placed on principles of curriculum development and use of instructional strategies. Students will develop, implement, and evaluate a variety of lesson plans.

EDG 4909 Directed Studies (1-4) ED EDC
PR: Senior standing. Offered only as a scheduled class. Department permit required. To extend competency in teaching field.

EDG 4934 Final Intern Seminar (1) EP EDE
PR: Achieve passing scores on the GKT. CR: EDG 4944. The Seminar provides a ongoing continuous improvement activities throughout the full time student teaching experience. It also provides opportunities for the candidates to examine their experiences in their student teaching classroom settings.

EDG 4944 Integrated Final Internship (8-10) EP EDE
PR: BXE Majors only. CR: EDG 4934 Internship provides a full-time general education and an ESE classroom experience for candidates to integrate the theoretical knowledge from university course work and previous field experiences to master state and university standards.

EEC 2000 Introduction to Early Childhood Education (3) ED EDU
An overview of early childhood education with emphasis on its historical development, current theories, and practices.

EEC 4008 Literature in Early Childhood Education 6A LW (3) EDEDU
Jr./Sr. Standing. Emphasis is placed on developing knowledge of literature for younger children (0-8 yrs.) and methodologies and strategies for utilizing literature to teach literacy in content areas of the curriculum.

EEC 4203 Programs for Young Children (3) ED EDU
PR: Admission to College of Education. Early Childhood majors only. Develops students' understanding of historical and social foundations of early childhood education, establishing professional beliefs regarding teaching young children, and developing an appropriate learning environment.

EEC 4211 Integrated Curriculum: Science and Mathematics (3) ED EDU
PR: Admission to College of Education, EDF 4111. Early Childhood majors only. Develops an understanding of science and mathematical concepts for the appropriate stages of cognitive development of young children. Emphasis will be placed on how science and mathematics are integrated throughout the curriculum and become valued functional tools.

EEC 4212 Integrated Curriculum: Social Sciences/ Humanities & Art (3) ED EDU
PR: Admission to College of Education, EDF 4111. Early Childhood majors only. Develops an understanding of appropriate curriculum experiences in social science, humanities, and arts for kindergarten and primary grades with an emphasis on integrated experiences, and sociological influences such as culture, ethnicity, language and gender impact understandings, values, and learning.

EEC 4303 Creative and Affective Experiences for Young Children (3) ED EDU
PR: Admission to College of Education. Early Childhood majors only. Develops students' understandings of young children's creative expression through art, music, movement, play and drama. Emphasizes how to plan, implement, and evaluate appropriate learning experiences as well as selection of appropriate instructional materials.

EEC 4307 Cognitive Experiences for Young Children (3) ED EDU
PR: Admission to College of Education, EDF 4111. Early Childhood majors only. Emphasizes theoretical and practical aspects of cognitive development for children ages 3 through 6 with focus on planning integrated
experiences and content in science, mathematics, and social sciences.

**EEC 4408 Child, Family & Teacher Relations (3) ED EDU**
PR: Admission to College of Education, EDF 4111. Early Childhood majors only. Focuses on developing an understanding of traditional and non-traditional families, structural and life style variations and parenting in diverse cultures and at-risk families. Implications from these understandings will guide development of a parent involvement plan that includes effective ways to communicate with parents, conference with parents, and plan parent meetings and home visits.

**EEC 4706 Language and Emerging Literacy (3) ED EDU**
PR: Admission to College of Education, EDF 4111. Early Childhood majors only. Provides knowledge of language development and emerging literacy for typical and atypical development in children from birth to third grade, including ESOL children.

**EEC 4905 Independent Study: Early Childhood Education (1-4) ED EDU**
PR: S/U only. Early Childhood majors only. Specialized independent study determined by the student’s needs and interests.

**EEC 4909 Directed Study: Early Childhood Education (1-3) EDEDU**
PR: Senior standing. To extend knowledge in teaching field.

**EEC 4936 Senior Seminar in Elementary Early Childhood Education CPST (3) ED EDU**
PR: Senior standing; CR: EEC 4940. Synthesis of teacher candidate’s courses in complete college program.

**EEC 4940 Internship: Early Childhood (10) ED EDU**
CR: EEC 4936. S/U only. Teacher candidate is required to demonstrate professional competencies during one semester of full-day internship in a public or private elementary school.

**EEC 4941 Field Experience I (3) ED EDU**
PR: Admission to College of Education. Early Childhood majors only. Field placement with three and four year olds where teacher candidates have opportunities to apply knowledge and skills in authentic situations and become objective observers of young children’s development. Weekly seminars are conducted in conjunction with the field experience which provide teacher candidates an opportunity for reflection on their understandings.

**EEC 4942 Field Experience II (3) ED EDU**
PR: Admission to College of Education, EDF 4111. Early Childhood majors only. Field placement in kindergarten or primary grade where teacher candidates have opportunities to apply knowledge and skills in authentic situations. Emphasis on developing deeper understanding of children’s development and implications of development for program planning for both typical and atypical children.

**EEC 4943 Field Experience III (3) ED EDU**
PR: Admission to College of Education, EDF 4111. Early Childhood majors only. Field placement in kindergarten or primary grade where teacher candidates have opportunities to apply knowledge and skills in authentic situations. Focus on developing deeper understanding of growth and development and relationship to curriculum planning with an emphasis on self-evaluation of knowledge, skills, and dispositions essential for teaching.

**EEE 3302 Electronics I (3) EN EGE**
PR: EGN 3373 with a minimum grade of B. A course in the physical principles of electronic devices with emphasis on semi-conductor electronics. Includes the analysis and design of amplifiers and switching circuits.

**EEE 3394 Electronic Materials (3) EN EGE**
PR: CHM 2045, PHY 2049. This course provides electrical engineering students with a background in material science and quantum physics as these apply to electrical/electronic material properties.

**EEE 4301 Electronics II (3) EN EGE**
PR: EEE 3302. Provides further study in electronic circuits. Includes feedback and frequency response techniques in amplifier design.

**EEE 4305 Communications Electronics (3) EN EGE**
PR: EEE 4301 Provides the basic principles of RF communications circuits including oscillators, mixers, high frequency amplifiers, etc. Requires the design and implementation of a short range communications link including a transmitter and a superheterodyne receiver.

**EEE 4351C Semiconductor Devices (3) EN EGE**
PR: EEE 3394. An introduction to the fundamentals of semiconductor materials and semiconductor device operation.

**EEE 5344C Digital CMOS/VLSI Design (3) EN EGE**
PR: EEL 4705 or GS. Design, layout, simulation, and test of custom digital CMOS/VLSI chips, using a CMOS cell library and state-of-the-art CAD tools. Digital CMOS static and dynamic gates, flip flops, CMOS array structures commonly used in digital systems. Top down design example of a bit slice processor.

**EEE 5356 Integrated Circuit Technology (3) EN EGE**
PR: EEL 4351 or GS. Physics and Chemistry of integrated circuit and discrete device fabrication, materials limitations, processing schemes, failure and yield analysis. A laboratory is integral to the course.

**EEE 5357 Analog CMOS/VLSI Design (3) EN EGE**

**EEE 5382 Physical Basis Of Microelectronics (3) EN EGE**
PR: EEL 4471 or GS. Quantum mechanics with emphasis on electronic properties in atoms, molecules, and crystals; quantum statistics; energy band theory; crystal structures; defect chemistry; semiconductor properties.

**EEL 2161 Electrical Engineering Computer Methods (3) EN EGE**
Use of computers to perform analysis, simulation, and design of Electrical Engineering systems. Use of computer systems, including Internet resources. Use of analytical software. Computer programming in C++ for the solution of Electrical Engineering problems.

**EEL 3100 Network Analysis and Design (3) EN EGE**
PR: EGN 3420 with a minimum grade of C and EGN 3374 with a minimum grade of B. A third course in linear circuit analysis and design. Transient and steady-state responses of passive RLC networks to various functions.

**EEL 3115L Laboratory I (1) EN EGE**
PR: EGN 3373 with a minimum grade of B. Basic circuit theory applications; computer-aided design tools, electrical
measurement techniques.

EEL 4116L Laboratory II (1) EN EGE  
PR: EEL 3115L and EEE 3302. This laboratory is designed to introduce electrical engineering students to the design, building and testing of active electronic networks. Computer Aided Design tools and computer data acquisition strategies are examined in greater detail.

EEL 4030 Electrical Systems Environments (3) EN EGE  
PR: MAP 2302 and PHY 2049 or CC. Dynamics, vibration, thermodynamics, and heat transfer in electrical, electronic, and electromechanical systems and their environments.

EEL 4102 Linear Systems Analysis (3) EN EGE  
PR: EGN 3420 with a minimum grade of C and EGN 3374 with a minimum grade of B. Provides further study in the analysis of linear networks and systems. Includes time and frequency domain points of view. Laplace, Fourier and superposition integrals.

EEL 4163 CAD and Analysis (2) EN EGE  
The emphasis is upon applications and how to use the major CAD/A programs as effective tools to solve a wide variety of engineering problems. The coverage includes solid state design, systems analysis, digital logic, and transfer function solutions.

EEL 4243 Switching Power Supply Design (3) EN EGE  
PR: EEE 4301. Provides the basic principles of switching power supply circuits: magnetic circuits, power semiconductors, Buck, Boost, and Flyback configurations, dc to dc converters, dc to ac inverters. Requires the design and construction of a switching power supply.

EEL 4420 RF & Microwave Measurements (2-3) EN EGE  
PR: EEL 4423L or CI. This course introduces students to the theory and applications of modern radio frequency and microwave measurements. Topics to be included are network analyzer, spectrum analyzer, noise, power, and non-linear distortion measurements. Modern trends also treated are the use of on-wafer measurements for transistor characterization and the evaluation of monolithic microwave integrated circuits.

EEL 4421 RF/Microwave Circuits I (3) EN EGE  
PR: EEL 3100, EEL 4471. Introduction to passive microwave circuit design. Investigate the characteristics of transmission lines used in modern microwave systems, the tools used for analysis, and some common circuit topologies for matching, filtering and power distribution. Part one of a two-part sequence. EE majors only. Not available on an S/U basis.

EEL 4422 RF/Microwave Circuits II (3) EN EGE  
PR: EEL 4421. Introduction to active RF/Microwave circuit design. Investigate the characteristics of amplifiers and oscillators used in modern microwave systems, the tools used for analysis, and some common circuit topologies for biasing and matching. Substantial coverage of stability analysis, constant gain methods and noise figure. Part two of a two-part sequence. EE majors only. Not available on an S/U basis.

EEL 4423L Wireless Circuits & Systems Design Laboratory (2) EN EGE  
PR: EEL 4471. An extensive hands-on introduction to wireless radio frequency and microwave circuits and systems, involving modern measurements, fabrication and computer-aided design experiences at both component and sub-system levels. Not available on an S/U basis.

EEL 4471 Electromagnetics MW (3) EN EGE  
PR: MAP 2302 or EGN 3433, PHY 2049, PHY 2049L and EGN 3373 with a minimum grade of B. Electromagnetic field theory, including static and dynamic electromagnetic fields; applications; environmental effects (effects of radiation, magnetic fields).

EEL 4512C Introduction to Communication Systems (3) EN EGE  
PR: EEL 3100. Provides an introduction to the fundamental principles and techniques of analog and digital communication systems. Theory is put into practice by investigating a variety of applications. Lectures and projects develop understanding of modern communication systems design and analysis.

EEL 4567 Electro-Optics (3) EN EGE  
PR: EEL 3115L, EEL 3116L, EEL 4471. An introduction to the field of electro-optics, including visible and infra-red sources and detectors, radiometry, optical and electronic components, and fiber optics.

EEL 4657 Linear Control Systems (3) EN EGE  

EEL 4657L Linear Controls Laboratory (1) EN EGE  
PR: EEL 3100; CR: EEL 4657. This laboratory introduces students to the techniques needed for the design and implementation of automatic industrial control systems. Students will learn the basics of the software and hardware used for the design and implementation of control systems.

EEL 4705 Logic Design (3) EN EGE  
PR: EGN 3373 with a minimum grade of B for EE students only. Binary number systems; truth functions; Boolean algebra; canonical forms; minimization of combinational logic circuits; synchronous logic circuits in computers.

EEL 4705L Logic Laboratory (1) EN EGE  
CR: EEL 4705. Develop designs and demonstrate logic concepts. Schematic capture for design implementation, simulation and design verification.

EEL 4743L Microprocessor Laboratory (1) EN EGE  
CR: EEL 4744. Application of microprocessors and microcontrollers for data entry, processing, display and real time signal input/output and control.

EEL 4744 Microprocessor Principles and Applications (3) EN EGE  

EEL 4756 Digital Signal Processing (3) EN ESB  
PR: EEL 4102. Sampling and quantization of signals; frequency-domain representations, transforms; digital filtering filter structures; DFT, FFT; multi-rate processing, Spectral analysis.

EEL 4782 Computer Information Networks for Information Technology (3) AS EIT  
The course covers concepts of computer networks. Physical and logical structures are presented. Physical media, circuit switching, data flow, high-level protocols, and the ISO model are discussed. Bus, ring, star, and wireless topologies are presented.
EEL 4905 Independent Study (1-5) EN EGE
PR: CI S/U only. Specialized independent study determined by the students’ needs and interests.

EEL 4906 Professional Issues and Engineering Design MW (3) EN EGE
CR: EEE 4301, EEL 4512C, EEL 4657, EEL 4744. An introduction of engineering design with applications specific to practical engineering problems. Included are discussion of real-world issues as economics, safety, ethics and the environment.

EEL 4914 Senior Project Design (3) EN EGE
PR: EEL 4906 and Senior Standing, CI. Students apply the knowledge acquired in the classroom to design a system which meets a predetermined set of specifications. Students work individually or in small groups with a faculty member (project director) in their area of interest. (Majors only.)

EEL 4935 Special Electrical Engineering Topics I (1-4) EN EGE

EEL 4936 Special Electrical Engineering Topics II (1-4) EN EGE

EEL 4937 Special Electrical Engineering Topics III (1-3) EN EGE

EEL 5250 Power System Analysis (3) EN EGE
PR: EGN 3375. Analysis and design technique for AC power systems.

EEL 5462 Antenna Theory (3) EN EGE
PR: EEL 4471 or GS. Antenna theory beginning with fundamental parameter definitions and continuing with mathematical concepts, elemental antennas and arrays.

EEL 5572C Local and Metropolitan Area Networks (3) EN EGE
PR: EEL 4512C or GS. Basics of data communication exchange of digital information over communication media; Basics of LANs/MANs and its components: media topologies, access methods, etc.; LAN/MAN architectures and protocols-IEEE 802.xLAN Standards; High speed LANs such as FDDI, IEEE 802.6 MAN, etc., Internetworking; LAN/ MAN Design and selections.

EEL 5594L Wireless Circuits and Systems Laboratory (2) EN EGE
PR: EEL 4471. This class will provide introductory tutorial learning, plus hands-on experience in analysis, design and measurement in the field of wireless communications.

EEL 5631 Digital Control Systems (3) EN EGE
PR: EEL 4657 or GS. Sample data and digital control processes.

EEL 5754C Microprocessor Based Digital Signal Processing (3) EN EGE
PR: EEL 4705 or CI. Arithmetic systems, processing structures, efficient algorithms. DSP hardware, TI, NEC and other DSP microprocessors; multiprocessing hardware and software. System development. Application to telecommunications and voice processing.

EEL 5771 Introduction to Computer Graphics I (3) EN ESB
PR: EEL 4851C. An introduction to the evolution of computer graphics including point-plotting, line drawing, two-dimensional transformations and graphics software packages.

EEL 5935 Special Electrical Engineering Topics I (1-3) EN EGE

EEL 5936 Special Electrical Engineering Topics II (1-3) EN EGE

EEL 5937 Special Electrical Engineering Topics III (1-3) EN EGE

EEX 3751 Enhancing Family Involvement in Education (2) EP EDS
This course is designed for pre-service teachers to examine the development of partnerships with families of students with disabilities and their communities to address the educational needs of all students.

EEX 4012 Foundations of Special Education (3) ED EDS
PR: DPR. Characteristics and needs of children who have learning disabilities, emotional disabilities, hearing impairments, mental retardation, physical handicaps, speech impairments, visual limitations, and who are gifted and talented.

EEX 4054 Perspectives on Learning and Behavioral Differences (3) ED EDS
PR: EEX 4012. The purpose of this course is to introduce students to the historical and theoretical perspectives on educating students with learning and behavioral differences, develop a critical understanding of current practices in service delivery systems, and examine professional issues and trends that impact the future of the field.

EEX 4070 Integrating Exceptional Students in the Regular Classroom (2-3) ED EDS
No credit for department majors.

EEX 4221 Educational Assessment of Exceptional Students (3) ED EDS
PR: EDF 3214, EDF 4430 and EEX 4012. CR: EEX 4941 and EEX 4894. DPR. Introduction to assessment of exceptional students through formal and informal techniques. Emphasis placed on the interpretation of information for educational programming and individualization of instruction.

EEX 4243 Education of Exceptional Adolescents and Adults (3) ED EDS
PR: EEX 4012 or equivalent or DPR. Procedures for implementing educational programs for exceptional adolescents and adults. Topics include service delivery, curriculum, academic remediation, advocacy, utilization of ancillary services, alternative programs and community resources.

EEX 4604 Behavior Management for Special Needs and At-Risk Students (3) ED EDS
PR: EEX 4012. CR: EEX 4941, ELD 4941, or EMR 4941.
Techniques to prevent, analyze, and manage challenging and disruptive classroom behavior as well as teaching social skills.

EEX 4742 Narrative Perspectives on Exceptionality: Cultural and Ethical Issues 6A LW CPST (3) ED EDS
This course is designed to offer students a meaningful way to interpret and understand exceptionalities.

EEX 4764 Instructional and Adaptive Technologies for Exceptionalities (3) EP EDS
PR: BXE majors only. This course is designed to enhance the use of technology for students with profound and severe exceptionalities as well as for the general classroom.

EEX 4894 Clinical Teaching in Special Education (3) ED EDS
PR: EEX 4012, DPR. CR: EEX 4941. Effective teaching principles, instructional management procedures, and specialized teaching techniques for exceptional students.

EEX 4905 Independent Study: Exceptional Student Education (1-3) ED EDS
PR: DPR. S/U only. Specialized independent study determined by the student's needs and interests.

EEX 4909 Directed Study: Exceptional Student Education (1-3) ED EDS
PR: Senior standing. DPR. To extend competency in teaching field.

EEX 4936 Senior Seminar in Exceptional Student Education (1) ED EDS

EEX 4940 Internship: Exceptional Student Education (1-12) ED EDS
CR: EEX 4936. S/U only. One full semester of internship in an accredited public or private school.

EEX 4941 Practicum in Exceptional Student Education (1-4) ED EDS
CR: Sem I: EEX 4012; Sem II: EEX 4604; Sem III: EEX 4221 and EEX 4894. Designed to provide teacher candidates with carefully planned and supervised clinical experiences with exceptional students populations in a variety of settings. Candidates demonstrate the ability to apply concepts, theories and research. Repeatable up to six credit hours.

EEX 5705 Seminar in Preschool Handicapped (2) ED EDS
Intended to familiarize the education student with the wide range of needs and services of the preschool children with disabilities and their families and how they coordinate with educational services.

EEX 5752 Working With Families: A Pluralistic Perspective (3) ED EDS
PR: Introductory course in special education, GS. The impact of the socio-cultural/environment on the education of at-risk children and children with disabilities; family systems theory, principles of multi-cultural education, strategies for working effectively with families of school-age children, diverse cultures and family structures represented in school populations today.

EGI 4941 Undergraduate Supervised Practicum in Gifted Student Education (1-6) ED EDS
Organized, supervised experiences with gifted children. Specific experiences may be either a combination of observation and assistance with gifted children or individualized projects.

EGI 5051 Nature and Needs of the Gifted (3) ED EDS
This survey course examines the characteristics and educational needs of children and youth who are gifted, including those from special populations. Emphasis is on giftedness as defined historically, nationally and locally. The course also explores changing views of intelligence and talent development related to policy and practice in gifted education as well as the processes of identification and programming.

EGI 5307 Theory and Development of Creativity (3) ED EDS
Exploration of the concept of creativity, its factors, measurement, and application to education. Opportunities are given to work with children in a laboratory setting and to prepare materials to be used with small groups of children.

EGN 2031 History of Technology HP (3) EN EGB
Covers the evolution of technology and its influence on society from pre-historic man to the modern day. Topics include: seven technological ages of man, methods of producing power, materials, transportation, communication and calculation, and technology and society.

EGN 2080 Light and the Arts: A Quantitative Approach FA (3) EN EGB

EGN 2081 Circuit Mathematics and Physics (2) EN EGB
Remedial work on the mathematical and physical concepts that are necessary for EGN 3373. Differentiation and integration, complex numbers, phasors, vectors, the physical laws for resistors, capacitors, and inductors.

EGN 2082 History of Electrotechnology HP (3) EN EGB
Highlights of the history of electrotechnology and its relation to the development of civilization. The contributions of Volta, Faraday, Morse, Bell, Hertz, Marconi, Franklin, etc. in the context of the development of western civilization. The impact of communications, electronics and computers in the twenty-first century.

EGN 2210 Computer Tools for Engineers (3) EN EGB
PR: MAC 2281. Students will be introduced to computer based engineering tools and their application to the solution of engineering problems. The programming language, FORTRAN, will be the most emphasized tool, but coverage will also be given to other engineering/mathematical tools such as equation solving tools and spreadsheets.

EGN 3000 Foundations of Engineering (1-3) EN EGB
Introduction to the profession of engineering. Exposure to the different disciplines of engineering incorporate examples of tools and techniques used in design and presentation.

EGN 3311 Statics (3) EN EGB

EGN 3321 Dynamics (3) EN EGB
PR: EGN 3311. Dynamics of discrete particles; kinematics and kinetics for rigid bodies. Lec.

EGN 3331 Mechanics of Materials (3) EN EGB
PR: EGN 3311, EGN 4427. CP: CGN 4933 Stress, strain, Hooke's Law; torsion, beam, column analysis; combined stresses; inelastic effects, limit design. Lec.

<tbody>
<tr>
<td>EGN 3343</td>
<td>Thermodynamics I (3) EN EGB</td>
<td>3</td>
<td>EN EGB</td>
<td>PR: PHY 2049. Axiomatic introduction to thermodynamic concepts of energy, entropy, work and heat. Properties of ideal and real substances. Applications: power production and refrigeration, phase equilibria.</td>
</tr>
<tr>
<td>EGN 3358</td>
<td>Thermodynamics, Fluids, and Heat Transfer (4) EN EGB</td>
<td>4</td>
<td>EN EGB</td>
<td>PR: PHYS 2049. Thermodynamic concepts of energy, entropy, work and heat and thermodynamic cycles. Basic concepts of fluid mechanics, including viscous fluids, pipe flow with minor losses, simple fluid machinery, momentum and external flow. Steady state conductive and convective heat transfer.</td>
</tr>
<tr>
<td>EGN 3365</td>
<td>Materials Engineering I (3) EN EGB</td>
<td>3</td>
<td>EN EGB</td>
<td>PR: CHM 2045; CR: EGN 3311. Structure and property relationships in engineering materials, i.e., metal, ceramic and polymer systems. Environmental effects are also treated.</td>
</tr>
<tr>
<td>EGN 3374</td>
<td>Introduction to Electrical Systems II (3) EN EGB</td>
<td>3</td>
<td>EN EGB</td>
<td>PR: EGN 3373. CR: MAP 2302. A second course in linear passive circuits (following EGN 3373). An extension of the physical principles and models, AC/DC steady-state, transient analysis and power analysis techniques.</td>
</tr>
<tr>
<td>EGN 3375</td>
<td>Electromechanical Systems (3) EN EGB</td>
<td>3</td>
<td>EN EGB</td>
<td>PR: EGN 3373 with a minimum grade of B. Analysis of electromechanical device performance: transformers, transducers, DC motors and generators, AC motors and alternators.</td>
</tr>
<tr>
<td>EGN 3420</td>
<td>Engineering Analysis (3) EN EGB</td>
<td>3</td>
<td>EN EGB</td>
<td>PR: MAC 2282. Introduction to aspects of matrix algebra and complex algebra which are essential in engineering: simultaneous equations, connection matrices, basic eigenvalue theory, the complex exponential.</td>
</tr>
<tr>
<td>EGN 3433</td>
<td>Modeling and Analysis of Engineering Systems (3) EN EGB</td>
<td>3</td>
<td>EN EGB</td>
<td>PR: MAC 2283, PHY 2049. Dynamic analysis of electrical, mechanical, hydraulic and thermal systems; Laplace transforms; numerical methods; use of computers in dynamic systems; analytical solution to first and second order ODEs. Restricted to majors.</td>
</tr>
<tr>
<td>EGN 3443</td>

</tbody>
</table>
EIN 4364C Facilities Design (3) EN EGS
Design and modification of industrial production and material handling facilities. Basic analysis techniques, use of computer programs, automated warehousing.

EIN 4601C Automation and Robotics (3) EN EGS
PR: EIN 4621. Introduction to the practices and concepts of automation as applied to material handling, inventory storage, material transfer, industrial processes and quality control.

EIN 4621 Manufacturing Processes (3) EN EGS
PR: EGS 1113. The study of basic manufacturing processes and precision assembly. CAD/CAM including NC programming.

EIN 4891 Capstone Design MW CPST (3) EN EGS
PR: EIN 4364. Teams of students work on the design of a product/service company and performed tasks that range from product/service definition (and assessment of market needs) to production and evaluation of economic/financial feasibility. The product/service design will use existing prototype(s) that need revisions, improvements and enhancements considering design, usability, producibility/manufacturability, and delivery.

EIN 4933 Special Topics in Industrial Engineering (1-5) EN EGS
Special topics related to economic analysis, optimization, human factors, manufacturing and automation aspect of industrial systems. Repeatable up to 5 credit hours.

EIN 5174 Total Quality Management Concepts (3) EN EGS
This course will examine the methodology and procedures that companies use to improve quality and its operational benefits, including the management transformation (paradigm shift) that is evolving. Unrestricted. Non-repeatable for credit.

EIN 5182 Principles of Engineering Management (3) EN EGS
Introduction to the fundamentals of planning, organizing and leadership as needed by engineers, scientists, and other professionals considering managerial positions.

EIN 5275 Work Physiology and Biomechanics (3) EN EGS
PR: CC, majors only. Human physiological limitations encountered in design, analysis and evaluation of man-machine systems.

EIN 5350 Technology and Finance (3) EN EGS
A course for technical managers that focuses on how financial and economic principles are utilized to make technical investments and manage technical enterprises.

EIN 5357 Engineering Value Analysis (3) EN EGS
PR: EIN 5219 or equiv., majors only Statistical models for technical investments and manage technical enterprises. Repeatable up to 5 credit hours.

Laurent series, transforms. Applications to various problems in engineering and physics.

EGN 5425 Engineering Applications of Advanced Matrix Computations (3) EN EGB
Survey of theory and software for matrix computations: factorization methods, least squares and pseudoinverses, eigenvector algorithms. Special matrices and representations for control system and finite element applications.

EGS 1113 Introduction to Design Graphics (3) EN EGB
The student learns how to graphically represent technical designs using sketches, traditional drawing tools, and AutoCAD. The lab features twenty Pentium II computers running AutoCAD R14.

EIA 4360 Special Teaching Methods: Technology Education (3) ED EDV
Equips Technology Education instructors with professional competencies for classroom and laboratory settings. Includes the selection of appropriate methods, planning, and delivery of instruction, along with supervision of students in laboratory areas.

EIN 3241 Ergonomics I (3) AS EIT
Using the fundamentals of the design process, this course demonstrates the critical importance of ergonomic tools and underlying physical human capacities.

EIN 4142 Project Management (3) EN EGS

EIN 4242 Ergonomics II (3) AS EIT
PR: EIN 3241. This course applies the concepts of work design and measurements within the ergonomic arena to achieve work design that is ergonomically feasible and effective.

EIN 4243C Human Factors 6A (3) EN EGS
Design of man-machine systems, by taking into consideration both human and machine capabilities and limitations.

EIN 4312C Work Analysis (3) EN EGS
PR: EGN 3613C or EGN 3615, EGN 3443. Operation analysis and workspace design, work measurement, standard data, ergonomics, and labor costing.

EIN 4333 Production Control (3) EN EGS
PR: ESI 4312. Planning and control of production systems. Includes: forecasting and inventory control models, scheduling and sequencing, MRP, CPM/PERT, and resource requirements.

EIN 4352 Engineering Cost Analysis (3) EN EGS
PR: EGN 3615. This is a non-repeatable course restricted to Industrial Engineering majors. It provides students with the principles and techniques for the cost analysis, estimation and evaluation of engineering design in service and manufacturing organizations.

EIN 4364C Facilities Design (3) EN EGS
PR: EIN 4312C; CR: ESI 4221, EIN 4333. Design and
EIV 4360 Special Teaching Methods: Industrial-Technical Education (4) ED EGV
Instructional techniques in industrial-technical education. Vocational Industrial Clubs of America activities may be included.

EIV 5315 Program Management: Diversified Cooperative Training (3) ED EGV
Organization, coordination, and budgeting of adult, cooperative, and special programs.

ELD 4011 Introduction to Specific Learning Disabilities (3) EGV
PR: EEX 4012 or DPR. Characteristics, needs and abilities of children with SLD. Emphasis is on theories, issues, trends, and philosophy of problems for such children.

ELD 4905 Independent Study: Specific Learning Disabilities (1-3) EGV
PR: DPR. Specialized independent study determined by student's needs and interests.

ELD 4909 Directed Study: Specific Learning Disabilities (1-3) EGV
PR: Senior standing, DPR. To extend competency in teaching field.

ELD 4941 Undergraduate Supervised Practicum in SLD (1-6) EGV
PR: EEX 4012. S/U only. Supervised field experiences in assessment, behavior management and clinical teaching with classes for children who have specific learning disabilities.

EMA 4003 Introduction to Materials Science (3) EN ECH
PR: ECH 4123 or Consent of Instructor. Introduction to the main families of materials and principles behind their design, selection, development, and behavior. Relationship of properties to structure and processing of materials. Not repeatable for credit. Majors and non-majors.

EMA 4324 Corrosion of Engineering Materials I (3) EN EGX
Principles of electrochemical corrosion and the representation of corrosion processes by polarization diagrams. Origin and prevention of the localized forms of corrosion and approaches to corrosion control.

EMA 5326 Corrosion Control (3) EN EGX
PR: EGN 3365. Provide understanding of corrosion fundamentals. Introduce design for corrosion detection, protection, and control. Acquire research project experience.

EME 2040 Introduction to Technology for Educators (3) ED EDK
Designed as an introduction to computer technology and its role in teaching and learning processes. Topics include educational software, ethical and social issues, hardware, interactive multimedia, models for integrating technology into instruction, productivity tools and telecommunications.

EME 5403 Computers in Education (3) ED EDK
A survey course designed to introduce practicing teachers to microcomputer technology and its function in the classroom to augment the teaching and learning processes. Objectives include the use and evaluation of educational software, classroom use of computers, instructional computing research, generic applications software (word processors, database managers, etc.), programming, disk operating systems, and microcomputer hardware.

EML 3035 Programming Concepts for Mechanical Engineers (1) EN EGR
PR: MAC 2281, PHY 2048 Solution of engineering and science problems using programming language such as Visual Basic or Maple. Topics include fundamentals of programming, controlling program flow and arrays. Restricted to majors; not repeatable for credit.

EML 3041 Computational Methods (3) EN EGR
PR: MAP 2302, EML 3035. Techniques to solving engineering problems using numerical methods. Topics include roots of equations, matrix algebra, simultaneous linear equations, numerical integration and differentiation, and curve fitting.

EML 3262 Kinematics and Dynamics of Machinery (3) EN EGR
PR: EGN 3321 Kinematics of machines and mechanisms; position, velocity, and acceleration analysis of mechanisms; cams; gear trains; inertia forces in mechanisms; flywheels; balancing of rotating masses.

EML 3303 Mechanical Engineering Lab I (3) EN EGR

EML 3500 Mechanics of Solids (3) EN EGR
PR: EGN 3311. Stress and deflection analysis of machine parts, variable loads, endurance limits, fasteners, bearings, power transmission, code consideration of pressure and vacuum vessels, elements of design.

EML 3701 Fluid Systems (3) EN EGR
PR: EGN 3343, EGN 3321. Principles of fluid flow; piping and duct systems; fluid machinery; metering of compressible and incompressible flow; boundary layer theory; dimensional analysis; introduction to aerodynamics.

EML 4031 Visual Basic for Engineers and Scientists (3) EN EGR
PR: EML 3041 Introduces students to the powerful graphical interface language of Visual Basic. Illustrates the use of the language in engineering and science applications.

EML 4106C Thermal Systems and Economics (3) EN EGR
PR: EGN 3343. Power and refrigeration cycles; fuels and combustion; internal combustion engine cycles; cogeneration; nuclear energy; methods of economic analysis.

EML 4123 Heat Transfer (3) EN EGR
CR: EML 3701, EML 3041. Conduction, convection and radiant heat transfer; thermal properties of materials; role of fluid flow in convective heat transfer; design and selection of heat exchangers.

EML 4220 Vibrations (3) EN EGR

EML 4230 Introduction to Composite Materials (3) EN EGR
PR: EML 3500 and EML 3041. The course introduces manufacturing types and applications of advanced composites. Students study micromechanical and macromechanical behavior of a lamina and analyze and
design a laminated structure made of advanced composite materials.

EML 4246 Tribology (3) EN EGR  
PR: EML 4501. Introduction to friction, lubrication and wear. Contact of real surfaces, mechanics of friction, surface failures, boundary lubrication fluid properties, thin film lubrication, thick film lubrication, bearing and lubricant selection.

EML 4302 Mechanical Engineering Laboratory II (3) EN EGR  
PR: EML 3303. Continuation of EML 3303 with emphasis on material and energy balances, stress analysis and vibrations. Lec.-lab. The Team-Project-Time Approach.

EML 4312 Mechanical Controls (3) EN EGR  

EML 4325 Mechanical Manufacturing Processes (3) EN EGR  
PR: EGN 3365. Description of mechanical material cutting, forming and fabrication methods, as used in modern industrial manufacturing processes.

EML 4395 Motor Selection and Control (3) EN EGR  
PR: ENG 3373 Standard electrical voltages; power wiring in industrial plants; NEMA motor designs and their uses; techniques for estimating motor starting times and temperature rise; motor selection, starting, and operating safety interlocks; conventional starting and control systems; programmable controllers; electrical code requirements for conductors and protective devices.

EML 4414 Power Plant Engineering (3) EN EGR  
PR: EML 4106C. The study of large scale thermo-electric power conversion for utility systems. Combustion of hydrocarbon fuels, furnace, steam generated auxiliary system design. Topics include control of our emissions, design and performance of combined power facilities.

EML 4419 Propulsion I (3) EN EGR  
PR: EML 3701, EML 3500 or CI. Introduction to the design of propulsion systems. Basic analysis of internal combustion, jet and rocket engines. Application to ground and air transportation. Advanced propulsion concepts. Special topics for class discussion.

EML 4421 Internal Combustion Engines (3) EN EGR  
This course is for the application of thermodynamics, chemistry, dynamics of machinery, electronics and fluid mechanics. Topics covered are: introduction of engines, fuels and combustion, numerical modeling, ignition, fuel systems, balance of reciprocating mechanisms and emission control of exhaust pollutants.

EML 4501 Machine Design (3) EN EGR  
PR: EML 3500. Designed to teach students to apply the principles of engineering mechanics, materials and manufacturing to the design/analysis of machine elements and mechanical systems. Emphasis is given toward good design practice as well as pitfalls that can result in a catastrophic failure.

EML 4551 Capstone Design MW CPST (3) EN EGR  
PR: EML 4501, EML 4124 Comprehensive design or feasibility project requiring application of previously acquired engineering knowledge; use of ANSYS, CAD AND Pro/E.

EML 4552 Senior Mechanical Design (3) EN EGR  
PR: CI. Comprehensive design or feasibility study project. In some cases may be a continuation of EML 4551.

EML 4601 Air Conditioning Design (3) EN EGR  

EML 4905 Independent Study (1-4) EN EGR  
PR: CI. Specialized independent study determined by the student’s needs and interests.

EMR 4011 Mental Retardation and Developmental Disabilities (3) ED EDS  
PR: EEX 4012 or equivalent. This course is designed to provide students with a broad introduction to the area of mental retardation and developmental disabilities with particular emphasis on the educational aspects. This course is required by the State for certification in mental retardation.

EMR 4230 Educating the Severely/Profoundly Handicapped (3) ED EDS  
PR: EMR 3011 or DPR. Emphasis on educational methods and materials for teaching children with severe/profound handicaps. Practicum/field experience linkage.

EMR 4905 Independent Study: Mental Retardation (1-3) ED EDS  
S/U. May be repeated when subjects vary. DPR. Specialized independent study determined by the student’s needs and interests.

EMR 4909 Directed Study: Mental Retardation (1-3) ED EDS  
PR: Senior standing. DPR. Offered only as a scheduled class. To extend competency in teaching field.

EMR 4941 Undergraduate Supervised Practicum in Mental Retardation (1-6) ED EDS  
PR: EEX 4012. S/U only. DPR. Supervised field experiences in assessment, behavior management, and clinical teaching with children who have mental retardation.

ENC 1101 Composition I 6A EC CAEC HHCP (3) AS ENG  
PR: College-level reading and writing. ENC 1101 helps prepare students for academic work by emphasizing expository writing, the basics of library research, and the conventions of academic discourse.

ENC 1102 Composition II 6A EC CAEC (3) AS ENG  
PR: ENC 1101 (or the equivalent, i.e. passing the CLEP exam). ENC 1102 emphasizes argument, research, and style. As students engage in creative and critical thinking, they learn to support assertions based on audience and purpose; students apply library research, strategies for revision, and peer response.

ENC 1121 Composition I: Honors 6A EC (3) AS ENG  
Reserved for students in University Honors. Honors Section of ENC 1101.
ENC 1122 Composition II: Honors 6A EC (3) AS ENG
PR: ENC 1121. Reserved for students in University Honors.
Honors Section of ENC 1102.

ENC 1130 Improving College-Level Writing (3) US REA
This class approaches writing as a process and utilizes prewriting, drafting, revising, and editing. Through intensive reading and writing practice, the curriculum will address grammar, mechanics, punctuation, word usage, and essay structure.

ENC 2210 Technical Writing 6A (3) AS ENG
PR: ENC 1101 and ENC 1102 or ENC 1121 and ENC 1122. Effective presentation of technical and semi-technical information. Will not count toward the English major.

ENC 3242 Technical Communication for Majors (3) AS ENG
PR: ENC 1101 & 1102 or ENC 1121 & 1122. The study of the range of possible careers for technical communicators with special emphasis on the issues that professional writers face in various workplace contexts and on the skills needed in word processing.

ENC 3246 Communication for Engineers 6A WRIN (3) AS ENG
Focuses on writing concerns of engineers. Deals with the content, organization, format, and style of specific types of engineering documents. Provides opportunity to improve oral presentations.

ENC 3250 Professional Writing 6A WRIN (3) AS ENG
PR: ENC 1101 and ENC 1102 or ENC 1121 and ENC 1122. The course is an introduction to the techniques and types of professional writing, including correspondence and reports. It is designed to help strengthen skills of effective business and professional communication in both oral and written modes.

ENC 3310 Expository Writing 6A WRIN (3) AS ENG
PR: ENC 1101 and ENC 1102 or ENC 1121 and ENC 1122. This is a course that teaches the techniques for writing effective prose, (excluding fiction), in which student essays are extensively criticized, edited, and discussed in individual sessions with the instructor and with peers.

ENC 3416 New Media for Technical Communication (3) AS ENG
PR: ENC 1101 and ENC 1102 or ENC 1121 and ENC 1122. The study and production of digital media with special emphasis on emergent and evolving applications.

ENC 4218 Visual Rhetoric for Technical Communication (3) ASEN
PR: ENC 1101 and ENC 1102 or ENC 1121 and ENC 1122. The study and production of visual rhetoric with special emphasis on print and digital document design and technical graphics.

ENC 4260 Advanced Technical Writing (3) AS ENG
PR: ENC 2210, or ENC 3310, or Cl. Advanced Technical Writing is a course designed to develop writing skills of a high order: technical exposition; technical narration, description, and argumentation; graphics; proposals; progress reports; physical research reports; and feasibility reports.

ENC 4311 Advanced Composition (3) AS ENG
PR: ENC 3310 or Cl. Instruction and practice in writing effective, lucid, and compelling prose, with special emphasis on style, logical argumentation, and critical thinking.

ENC 4931 Selected Topics in Professional and Technical Writing (3) AS ENG
PR: ENC 3250, ENC 2210, or ENC 3310 or Cl. Focus of the course will be determined by student demand and instructor interest. Topics to be covered may include legal writing, the conventions of business writing, writing in the medical fields, and writing for the social sciences. May be taken twice for credit with different topics.

ENG 3014 Introduction to Literary Methodology (3) AS ENG
PR: ENC 1101 and ENC 1102. This course prepares English majors and minors with the basic critical and technical skills and understanding for subsequent literary study in 3000- and 4000-level courses towards the major. Substantial writing. Required of LIT majors. Recommended during first 2 semesters of LIT major.

ENG 4013 Literary Criticism (3) AS ENG
A study of the works of major literary critics from Aristotle to the present, with emphasis on their meaning, their implied world view, and their significance for our own time and literature. Required for Literature majors. Recommended before 4000-level literature courses.

ENG 4060 History of the English Language (3) AS ENG
The evolution of language from Anglo-Saxon through Middle English to Modern English. Development of the English lexicon. Changes in the pronunciation, syntactic, and semantic systems; discussion of the forms which influenced them.

ENG 4674 Film and Culture 6A MWLCPSTWRIN (3) AS ENG
PR: Junior/Senior Standing. Students will be introduced to key concepts and techniques of Film Studies, including the history of film; an examination of film genres; an overview of foreign cinema; and the study of issues of class, race, gender, and sexuality.

ENG 4906 Individual Research (1-4) AS ENG
PR: CC. Directed study in special projects.

ENG 4907 Directed Reading (3) AS ENG
PR: CC. Readings in special topics.

ENG 4935 Honors Seminar I (3) AS ENG
PR: Admission to English Honors Program. CR: ENG 4936. Variable topics. Students will be expected to participate in class discussion, make formal presentations, and complete a major research project.

ENG 4936 Honors Seminar II (3) AS ENG
PR: Admission to English Honors Program. CR: ENG 4935. Variable topics. Students will be expected to participate in class discussion, make formal presentations, and complete a major research project.

ENG 4940 Internship in English (1-4) AP ENG
PR: ENG majors only. Supervised field experience in a writing and/or reading oriented position relevant to the English major. Restricted to majors. Nonrepeatable.

ENG 4970 Honors Thesis (3) AS ENG
PR: ENG 4935, ENG 4936. For students writing English Honors theses.

ENL 3015 British Literature to 1616 (3) AS ENG
A survey of representative prose, poetry, and drama from its beginnings through the Renaissance, including such poems and figures as Beowulf, Chaucer, Malory, More, Hooker, Skelton, Wyatt, Sidney, Spenser, Shakespeare, Donne, and Jonson.
ENL 3016 Studies in 17th and 18th Century British Literature (3) AS ENG
This is a topics course focusing on 17th and 18th century British literature. It satisfies a historical distribution requirement for the English major, LIT, and may be taken more than once for credit.

ENL 3017 Studies in 19th Century British Literature (3) AS ENG
This is a topics course focusing on British Literature primarily of the years 1800-1900. It satisfies a historical distribution requirement for the English major, LIT, and may be taken more than once for credit.

ENL 3026 Studies in Twentieth-Century Literature (3) AS ENG
This is a topics course focusing on Twentieth-Century Literature (British; American; and/or World). It satisfies a historical distribution requirement for the English major, literature track, and may be taken more than once for credit.

ENL 3230 British Literature 1616-1780 (3) AS ENG
A survey of 17th Century and Neoclassical Literature, including such figures as Donne, Herbert, Crashaw, Vaughan, Marvell, Milton, Pope, Swift, Johnson, Boswell, and Goldsmith.

ENL 3251 British Literature 1780-1900 (3) AS ENG
The poetry and poetics of the Romantic figures, with attention to the continuing importance of Romantic thinking in contemporary affairs and letters; a survey of representative figures of the Victorian and Edwardian periods, including poetry, prose, and drama.

ENL 3273 British Literature 1900-1945 (3) AS ENG
Survey of poetry, drama, and fiction of such writers as Eliot, Yeats, Thomas, Conrad, Shaw, Joyce, Lawrence, Huxley, Woolf, Forster, Waugh, Owen, Auden, O'Casey, and others.

ENL 3331 Early Shakespeare (3) AS ENG
A study of from five to eight of Shakespeare's comedies, histories, and early tragedies, ending with Hamlet. Special attention to developing the student's ability to read and interpret the text.

ENL 3332 Late Shakespeare (3) AS ENG
A study of from five to eight of Shakespeare's problem plays, major tragedies, and late romances. Special attention to developing the student's ability to read and interpret the text.

ENL 3334 Shakespeare from an Historical Perspective 6A HP CAHU HHCP (3) AS ENG
This course introduces students to at least six of Shakespeare’s plays. The course will focus on artistic elements of the plays; the political, social, and intellectual milieu of the period; as well as issues of class, race, and gender. Will not count toward English major.

ENL 4122 19th Century British Novel (3) AS ENG
Study of the 19th-century British novel, including works by novelists such as Thackeray, Dickens, Eliot, Hardy, Trollope, and others. Analysis of the characteristics of the novels and their historical, social, cultural, and political contexts.

ENL 4132 British Novel: Conrad to the Present (3) AS ENG
A critical study of British fiction from 1900 to the present, with emphasis on such writers as Conrad, Lawrence, Joyce, Woolf, Huxley, Orwell, Burgess, Murdoch, Golding, and others.

ENL 4303 Selected British Authors (3) AS ENG
The study of two or three major figures in British Literature. The course may include such writers as Fielding and Austen, Keats and Yeats, Joyce and Woolf. Specific topics will vary. May be taken twice for credit with different topics.

ENL 4311 Chaucer (3) AS ENG
An intensive study of The Canterbury Tales and major critical concerns.

ENL 4338 Advanced Studies in Shakespeare (3) AS ENG
PR: ENL 3331 or ENL 3332, or CI. Intensive study of selected plays of Shakespeare, with special attention to significant critical issues and to the Elizabethan and Jacobean cultural setting.

ENL 4341 Milton (3) AS ENG
Study of the poetry and major prose of John Milton, with special emphasis on Paradise Lost.

ENT 3003 Principles of Business in Entrepreneurship (3) BU MAN
Introduction to business principles in entrepreneurship for non-business and non-industrial engineering students. Provides basic foundation in entrepreneurship, finance and accounting. Helps students to understand the role of entrepreneurship in society.

ENT 4014 New Venture Formation (3) BU MAN

ENT 4424 Fundamentals of Venture Capital and Private Equity (3) BU MAN
PR: Jr. Standing, ENT 4014 and EIN 4933 Creativity and Technology. Elective course for business and industrial engineering students. Integrates basic principles of venture financing through an examination of both venture capital and private equity in entrepreneurial new business creation and growth.

ENV 2073 Global Warming: Science and Politics of a Contemporary Issue NS CANP (3) EN EGX
Non-technical introduction to the greenhouse effect and how human activities purportedly affect the global climate. Investigation of the relationship between science and the political process. Proposed policies to address global warming.

ENV 4001 Environmental Systems Engineering (3) EN EGX
CR: EGN 3353. An introduction to various aspects of environmental problems faced by today's society. Topics covered are: air pollution, water pollution, noise pollution, solid waste management, ionizing radiation, disease transmission, and food protection.

ENV 4004L Environmental/Hydraulics Engineering Lab (1) EN EGX
PR: EGN 3353. CR: ENV 4001. Laboratory experience in the measuring of environmental and hydraulic parameters.

ENV 4351 Solid Waste Engineering (2) EN EGX
Introduction to the principles of integrated municipal solid waste management; waste minimization, recycle and disposal options. Design of landfill disposal systems. Course restricted to Civil and Environmental Engineering majors.
ENV 4417 Water Quality and Treatment (3) EN EGX
PR: EGN 3353. An introduction to municipal water supply and waste water treatment. Topics include water requirements and waste volumes, water quality, physical and chemical treatment processes, and advanced wastewater treatment processes.

ENV 4502 Water Treatment Engineering (3) EN EGX
PR: EGN 3353. CR: ENV 4001. The theory and the design of unit operations normally used in the practice of environmental engineering, such as agitation and mixing of liquids, filtration, leaching, gas absorption, sedimentation and clarification, drying, and evaporation.

ENV 4503 Wastewater Treatment Engineering (3) EN EGX
PR: ECH 3023C, EGN 3353, ENV 4001. The theory and design of unit processes normally used in environmental engineering such as coagulation of colloidal materials, water stabilization, water softening and neutralization, ion exchange, adsorption and oxidation processes for removal of iron and magnesium.

ENV 4552C Environmental Unit Operations and Processes (3) EN EGX
PR: ENV 4001, ENV 4417 or CI. Theory, experimental investigation, and modeling of operations and processes in engineered and natural systems. Laboratory evaluation of unit operations and processes used in water and wastewater treatment including chlorination, activated carbon absorption, biological treatment, gas/liquid mass transfer, filtration, coagulation, flocculation, and settling. Application of experimental data to process analysis and design. Field monitoring of surface water quality; simulation of transport and transformation of pollutants in surface waters.

ENV 4891 Capstone Environmental Engineering Design MW (3) EN EGX
PR: CWR 4540, ENV 4001, ENV 4417. A capstone environmental design experience for seniors in Civil and Environmental Engineering. A design oriented course to design both industrial and domestic water treatment and water transport systems and wastewater and collection systems. The course emphasizes the design procedure normally used in engineering practice.

ENV 5103 Air Pollution Control (3) EN EGX
PR: EGN 3353. Behavior and effects of atmospheric contaminants and the principles of making measurements in the air environment. Basic concepts of meteorology and control technology are discussed. Regulatory aspects and air pollution standards are covered.

ENV 5334 Hazardous Waste Management and Remedial Action (3) EN EGX
PR: ENV 5345 and one of the following: ENV 6347, ENV 6519, ENV 6558; or CI, majors only. Undergraduate preparation in environmental engineering or an environmental science program. Introduction to hazardous waste management and remediation: RCRA regulatory concepts, definitions, aspects of hazardous waste management from within the plant to final disposal. History of hazardous waste cleanup leading to CERCLA and its amendments, site investigations; site control; those aspects of treatment that are unique to remedial action.

ENV 5345 Solid Waste Control (3) EN EGX
PR: CI. Undergraduate preparation in environmental engineering, or graduate standing in environmental engineering or an environmental science program. Introduction to solid waste management, including its definition as an umbrella for hazardous waste: regulatory concepts; waste types, quantities, and characterization; collection and recycling; facility siting; disposal; thermal treatment.

ENV 5504C Environmental Engineering Processes (3) EN EGX
PR: ENV 4001, ENV 4004L, ENV 4417 Theory, experimental investigation, and modeling of operations and processes in engineered and natural systems. Laboratory evaluation of unit operations and process used in water and wastewater treatment including chlorination, activated carbon adsorption, biological treatment, gas/liquid mass transfer, filtration, coagulation, flocculation, and settling. This course is restricted to majors, has no external laboratory section associated with the course, is not available on an S/U basis only, is not cross-listed with another department or college.

ENY 3004C Introduction to Entomology (4) AS BIN
PR: BSC 2010, BSC 2010L, BSC 2011, BSC 2011L & CHM 2045, CHM 2046 & MAC 1105 or higher-level MAC course, or STA 2023. CP: PCB 3023 or PCB 3043 or PCB 3063 or PCB 3712. An introduction to general aspects of insect morphology, development, and classification. The identification of local forms will be emphasized. Fieldwork required. Lecture and Laboratory.

ENY 5505C Aquatic Entomology (4) AS BIN
PR: ENY 3004C and CHM 2210 and MAC 1105 or higher-level MAC course or STA 2023 and CI. CP: PCB 3023 or PCB 3043 or PCB 3063 or PCB 3712 and CHM 2211. Taxonomy, development, and ecology of aquatic insects with emphasis on local forms. Fieldwork required. Lecture and Laboratory.

EPD 5051 Advanced Theories in Motor and Physical Disabilities (3) ED EDS
PR: EEX 4012 or DPR. Biological and functional aspects of motor and physical health disabilities, including dysfunctions in central nervous system covering motor, sensory, language and psychological disorders.

EPD 5321 Educational Strategies for Physically and Multi-handicapped Students (3) ED EDS
PR: EPD 5051. Educational management of students with cerebral palsy, motor disabilities and multihandicapped conditions including rehabilitation and other community services.

ESC 4705 Geology and Development of Modern Africa MW (3) AS GLY
An in-depth look at how geology has affected the politics, history and culture of Africa. Units include the Nile and hydropolitics, deserts and climate, rifing and hominid evolution, and mining and politics.

ESE 4322 Classroom Management for Diverse School and Society (3) ED EDI
Focuses on classroom management in secondary schools including classroom climate, specific strategies to address management issues, school safety, violence, diversity, ethics, and educational law.

ESE 5342 Teaching the Adolescent Learner (3) ED EDI
Emphasis is placed on adolescent developmental and learning needs linking them to practices in the classroom appropriate to the diverse secondary education population
ESI 5344 Classroom Management for a Diverse School and Society (3) ED EDI
This course covers practical, theoretical, philosophical and ethical aspects of school and society, the education profession, and secondary schools with particular focus on classroom management, school violence, school safety, educational law and other critical social issues.

ESI 4221 Statistical Quality Control (3) EN EGS
PR: EGN 3443. This course will present the theory and methods of quality monitoring including process capability, control charts, acceptance sampling, quality engineering, and quality design.

ESI 4244 Design of Experiments (3) EN EGS
PR: EGN 3443. Activity forecasting models and control. Design and use of inventory control models, both designs applicable to engineering analyses. Analysis of variance and regression.

ESI 4312 Deterministic O. R. (3) EN EGS
PR: COP 2510, EGN 4450. An introduction to operations research techniques with particular emphasis on deterministic models. Linear programming, dynamic programming, goal programming, integer programming, and PERT/CPM networks are considered.

ESI 4313 Probabilistic O. R. (3) EN EGS

ESI 4523 Systems Simulation (3) EN EGS
PR: ESI 4313. A study of the development and analysis of computer simulation models: Monte Carlo, time-slice, and next-event. Introduction to special purpose simulation languages.

ESI 4905 Independent Study (1-5) EN EGS
PR: CI. S/U only. Specialized independent study determined by the student's needs and interests.

ESI 4911 Senior Project (2) EN EGS
PR: EIN 4364, CR: EIN 4333, ESI 4523. Analysis and design of systems in a directed project format. Individual or group work consisting of project proposal, project activities, and final report. Student projects are directed by faculty, with chairman's approval.

ESI 5219 Statistical Methods For Engineering Managers (3) ENEGS
Not open to students who have had EGN 3443. Study of statistical methods applied to engineering management problems involving estimation and prediction under conditions of uncertainty.

ESI 5236 Reliability Engineering (3) EN EGS

ESI 5306 Operations Research For Engineering Management (3) EN EGS
Not open to students who have had ESI 4312. ESI 5219 or equiv., majors only. Linear programming, non-linear programming, queuing, inventory, network analysis.

ESI 5522 Computer Simulation (3) EN EGS
PR: ESI 4521 or equiv., majors only. Design of discrete and continuous simulation models. Model validation and verification. Statistical analysis of simulation model output.

ETG 3931 Special Topics for Information Technology (1-4) AS EIT
Topics to be chosen by students and instructor permitting newly developing subdisciplinary special interests to be explored.

ETG 4930 Special Topics for Information Technology (1-4) AS EIT
Topics to be chosen by students and instructor permitting newly developing subdisciplinary special interests to be explored.

ETI 4116 Industrial Quality Control (3) AS EIT
PR: STA 2023. This course teaches the students the fundamental concepts of managing a quality assurance system.

EUH 2000 Western Civilization I (3) AP HTY
This course surveys the development of western civilization from the beginnings of Near Eastern civilization to the Renaissance.

EUH 2001 Western Civilization II (3) AP HTY
This course surveys the development of western civilization from the Renaissance to the present.

EUH 2011 Ancient History I HP CAHU HHCP (3) AS HTY
An introductory survey of ancient history. EUH 2011 treats the ancient Near East, Egypt and Greece from the origins of civilization to the Hellenistic kingdoms following the death of Alexander the Great.

EUH 2012 Ancient History II HP (3) AS HTY
An introductory survey of ancient history. EUH 2012 deals with Rome through the Regal, Republican, and Imperial periods, from the beginnings of civilization in Italy to the division of the Roman Empire, A.D. 285.

EUH 2021 Byzantine Empire HP (3) AS HTY
A thematic survey of the history of the medieval Byzantine Empire and neighboring civilizations from ca. 284-1453.

EUH 2022 The Medieval West HP CASB HHCP (3) AS HTY
An introductory survey of medieval history. EUH 2022 examines the European and Mediterranean worlds, exploring the evolution and transformation of beliefs, institutions and social structures, ca. 500-1500.

EUH 2030 Modern European History I HP (3) AS HTY
A thematic survey of Europe in the modern age. EUH 2030 treats the period from the Renaissance to the French Revolution.

EUH 2031 Modern European History II HP CAHU HHCP (3) AS HTY
A thematic survey of Europe in the modern age. EUH 2031 treats the period from the Renaissance to the French Revolution.

EUH 3142 Renaissance and Reformation (4) AS HTY
A history of Europe from the Renaissance to the Thirty Years' War (1400-1618). The cultural, social, and economic characteristics will provide the framework for artistic, philosophical, religious, and political developments.

EUH 3181 Medieval Culture (4) AS HTY
A survey of thought, culture, and art in the Middle Ages. Medieval attitudes as manifested in literature, art, philosophy, education, and religion; with emphasis upon
EUH 3185 Viking History (4) AS HTY
The role of the Vikings in the shaping of Western history. A comprehensive survey of their institutions, outlook and daily life. Viking expansion into Europe and North America.

EUH 3188 Medieval Society (4) AS HTY
A study of the daily life and attitudes of the medieval nobleman, peasant, townsmen, and the agrarian-urban economy and society which affected their lives.

EUH 3189 Medieval Politics (4) AS HTY
An inquiry into the nature, distribution, and use of political power during the Middle Ages, in such institutions as feudalism, monarchy, cities, and the church.

EUH 3202 History of 17th and 18th Century Europe (4) ASHTY
A history of Europe from the beginning of the Thirty Years’ War to the outbreak of the French Revolution. Political and intellectual developments will be assessed in the light of society and the economy.

EUH 3205 History of Nineteenth Century Europe (4) AS HTY
A comparative study of economic, political, social, and intellectual developments in nineteenth century Europe.

EUH 3206 History of Twentieth Century Europe (4) AS HTY
A comparative study of economic, political, social, and intellectual developments in twentieth century Europe.

EUH 3401 Classical Greece (4) AS HTY
A study of ancient Greece focusing on the brilliant period following the Persian Wars, but embracing as well the formative Bronze, Middle and Archaic ages, and the decline culminating in the conquest of Greece by Philip II of Macedon in 338 B.C.

EUH 3402 Age of Alexander (4) AS HTY
A study focusing on the career of Alexander the Great and on the Greek and Macedonian conquest of Imperial Persia. Also treated are the great hellenistic kingdoms prior to Rome’s conquest of the eastern Mediterranean.

EUH 3412 Roman Republic (4) AS HTY
A study of the Roman Republic from 509 B.C. to the assassination of Julius Caesar in 44 B.C., with a prelude treating Rome’s early development under royal rule. Political growth and change provide the framework for the treatment.

EUH 3413 Roman Empire (4) AS HTY
A study of Imperial Roman from the assassination of Julius Caesar in 44 B.C. to the death of the emperor Constantine in A.D. 337. Emphasized is Rome’s government of a vast Mediterranean empire including much of the near East and Europe.

EUH 3461 German History to 1870 (4) AS HTY
A political, social, and cultural approach to the history of the Germanys from 1500 through 1870, with emphasis on the Protestant Reformation, the rise of Brandenburg-Prussian, and the unification under Bismarck.

EUH 3462 German History 1870 to the Present (4) AS HTY
A political, social, and cultural approach to the history of the German Empire from 1870 through the 1970’s. The nation’s two attempts to try for world power status are highlighted, as well as the Weimar Republic, prototype of the embattled democracy.

EUH 3501 British History to 1688 (4) AS HTY
A study of major developments in British history from the 15th century to 1688.

EUH 3502 British History 1688 to Present (4) AS HTY
A study of the major themes of British history since the Glorious Revolution, including social, political, and economic developments leading to the creation of the modern demographic welfare state.

EUH 3575 History of Imperial Russia, 1689-1917 (4) AS HTY
A survey of social, political, economic, and cultural development in the Russian Empire from Peter the Great to Nicholas II. Topics include the expansion and modernization of the Empire, the culture of the Imperial court, peasant rebellions, social and legal reforms, the role of the West, and the collapse of the Romanov dynasty.

EUH 3576 History of the Soviet Union, 1917-1991 (4) AS HTY
A study of Soviet society under communism from the Revolution to the collapse of the USSR. Topics include the origins and development of revolutionary socialism, the Bolshevik seizure of power, Stalinism and the Great Terror, popular dissent and resistance, the treatment and experience of ethnic minorities, Gorbachev and the dissolution of the Soviet Union.

EUS 3000 Europe SS (3) AS INT
Area study courses are multi-disciplinary in nature and deal with one or more countries of a region. Each course combines some measure of political, economic, historical, religious, geographic, anthropological, and sociological analysis in dealing with salient features and current problems.

EUS 3022 Russia SS HP AF (3) AS INT
Area study courses are multi-disciplinary in nature and deal with one or more countries of a region. Each course combines some measure of political, economic, historical, religious, geographic, anthropological, and sociological analysis in dealing with salient features and current problems.

EVR 2001 Introduction to Environmental Science NS (3) AS ESP
An introductory lecture course linking the human and physical/biological world. The course will develop an understanding of population and resource interactions.

EVR 2001L Environmental Science Lab (1) AS ESP
A laboratory course linking the human and physical/biological world. The lab will develop an understanding of population and resource interactions and complement the lecture course. Field trips.

EVR 2002 Environmental Science: Regional and Global Issues NS CANP (3) AS ESP
Students will learn how the environment functions and how humans, through social, political and economic activities, are creating a degraded, dysfunctional environment.

EVR 2217 Energy, Environment and Sustainability NS CANP (3) ENECH
PR: MAC 1105. A critical analysis of energy sources, distribution and consumption using scientific methodology. Attributes of commonly used energy sources including environmental impact. Social, political and economic implications from a global perspective.

EVR 2861 Introduction to Environmental Policy (3) AS ESP
An introduction to environmental policy using class lectures, student projects, and independent readings. Emphasis will be placed on understanding basic policy mechanisms.
and major policy actions relating to environmental issues at the local, national and international level.

EVR 4027 Wetland Environments MW CPST (3) AS ESP
Study of the general properties and ecology of wetlands, examination of the distribution and functions of wetlands, and consideration of wetland conservation and policies.

EVR 4104 Karst Environments NS (3) AS ESP
PR: EVR 2001. The objective is to provide an understanding of the scientific principles pertaining to karst environments in Florida and around the world. Both physical processes and human interactions/impacts will be examined. Not restricted to majors and not repeatable.

EVR 4114 Climate Change NS (3) AS ESP
PR: EVR 2001. The objective is to provide an understanding of the scientific principles pertaining to global and regional climate change. Both mechanisms causing the change and human impacts on climate will be examined. Not restricted to majors and not repeatable.

EVR 4218 Research Methods in Wildlife Ecology (3) AS ESP
Research Methods in Wildlife Ecology will review the ways in which data are collected, analyzed, and reported, so that informed decisions about wildlife management and conservation can be made. The course will have both classroom and field components.

EVR 4900 Directed Readings (1-6) AS ESP
To provide advanced students with interdisciplinary research experience in areas of specific interest.

EVR 4905 Independent Study (1-6) AS ESP
To provide advanced students with the opportunity for independent study in areas of specific interest.

EVR 4910 Environmental Science and Policy Project (3-12) AS ESP
Open to senior majors only. S/U only. Environmental science project consisting of research in a field related to environmental science/environmental policy. Supervised by a faculty member. Contract and report required.

EVR 4921 Environmental Science and Policy Seminar (1) AS ESP
Restricted to senior majors. S/U only. A topical reading and discussion seminar focusing on the interdisciplinary nature of environmental science and environmental policy.

EVR 4930 Selected Topics (1-4) AS ESP
Each topic is a course under the direction of a faculty member with the content depending on the interests of the students and faculty involved. All areas of Environmental Science, Policy, Ethics and Law included.

EVR 4940 Environmental Science Internship (3-12) AS ESP
Open to senior majors only. S/U only. The purpose of this course is to promote the student's understanding and application of environmental science and policy within a practical organizational context. Contract and report required.

EVT 4065 History and Principles of Vocational Education (4) EDEDV
An overview of current policies and principles in vocational education including their historical, sociological, and philosophical bases. Open to majors and non-majors.

EVT 4084C Professional Development in Industrial Technical Education (1-3) ED EDEV
Designed for the ITE teacher in forming plans of professional development. Competencies include the development of a personal education philosophy; attributes in creating harmonious school community relationships; and desirable staff and teacher associations.

EVT 4165 Curriculum Construction: Industrial-Technical Education (4) ED EDEV
Design, development, implementation and evaluation of effective curricular materials in industrial, technical and health related occupations; includes individualized and self-paced materials. Open to majors and non-majors.

EVT 4365 Basic Teaching Methods in Vocational Education (4) ED EDEV
Examines the role of the vocational instructor in the teaching learning process; looks at factors that promote and inhibit learning. Reviews a wide variety of instructional approaches, techniques and methods; includes selection of techniques for situations.

EVT 4367 Assessing Student Skill in Industrial Technical Education (4) ED EDEV
Techniques for assessing student's mastery of skills in industrial/technical education. Focuses on specific competencies including developing and administering performance tests, monitoring student process, and others. Open to majors and non-majors.

EVT 4562 Vocational Education for Special Needs Students (4) ED EDEV
Focuses on modifying the vocational education curriculum, laboratory, shop, student outcomes, learning activities, tests, media, etc. to accommodate the unique learning needs of minority, handicapped, disadvantaged, non-traditional and other special needs students.

EVT 4651 Equity in Schools and the Workplace 6A MW CPST (3) ED EDEV
Examine equity issues related to gender, race, culture, economics in schools/workplaces. Explore legal, ethical, psychological, social perspectives including stereotyping, prejudice and discrimination for personal implications and systems change.

EVT 4905 Independent Study: Industrial-Technical Education (1-4) ED EDEV
PR: CI. S/U only. Specialized independent study determined by the student's needs and interests.

EVT 4909 Directed Study: Industrial-Technical Education (1-3) ED EDEV
PR: CI. To extend competency in teaching field.

EVT 4936 Senior Seminar in Industrial-Technical Education (2) ED EDEV
PR: Senior standing; CR: EVT 4940. Synthesis of teacher candidate's courses in complete college program.

EVT 4940 Internship: Industrial-Technical Education (1-12) EDEDV
CR: EVT 4936. S/U only. One full semester of internship in a public or private school. In special programs where the intern experience is distributed over two or more semesters, students will be registered for credit which accumulates from 9-12 semester hours.

EVT 4946 Supervised Field Experience: Industrial-Technical Education (1-6) ED EDEV
PR: CI. S/U only. Planned supervised functions in the area of specialization and coordinated with selected schools, government, offices, social agencies, businesses and industries on site.
EVT 5369 Preparation and Development for Teaching (4) ED EDV
The development of selected instructional materials, use of new educational media, performance evaluation instruments, and counseling techniques.

EXP 4104 Sensory Processes (3) AS PSY
PR: PSY 3213 with a grade of C or better or CI. Available to both majors and non-majors. Psychophysical and neurophysiological data and theory underlying sensory processes. Visual, auditory, chemical, and somatosensory systems, with particular emphasis on visual processes.

EXP 4204C Perception (3) AS PSY
PR: PSY 3213 with a grade of C or better or CI. Topics include sensory and physiological bases of perception and how people process relevant information in their environments.

EXP 4304 Motivation (3) AS PSY
PR: PSY 3213 with a grade of C or better or CI. A survey of motivational processes and mechanisms from physiological and psychological viewpoints.

EXP 4404 Psychology of Learning (3) AS PSY
PR: PSY 3213 with a grade of C or better or CI. Survey of methods, empirical findings, and theoretical interpretations in conditioning and instrumental learning.

EXP 4640 Psychology of Language (3) AS PSY
PR: PSY 3213. Historical survey of relations between psychology and linguistics leading to the emergence of psycholinguistics as a field of study. The current status of theory and research in the field will be covered.

EXP 4680C Cognitive Psychology (3) AS PSY
PR: PSY 3213 with a grade of C or better or CI. Survey of methods, empirical findings, and theoretical interpretations of human learning, information processing, verbal learning, and judgment and decision-making.

FIL 1002 Introduction to Film Studies HP SS CAHU HHCP (3) AS HUM
Students will be introduced to key concepts and techniques of Film Studies, including the history of film; an examination of film genres; an overview of foreign cinema; and the study of issues of class, race, gender, and sexuality.

FIL 2000 Film: The Language Of Vision 6A FA (4) TA ART
Exploration of the history of creative filmmaking from its beginnings to the present time. Open to both majors and non-majors.

FIL 3004 The Film as Mass Communication I: Syntax (3) AS COM
PR: MMC 2100 and MMC 3602 or DPR. The language, conventions, elements, and patterns of the film medium as related to current models of effective mass communication and new theories of nonverbal communication.

FIL 3400 Film as Mass Communication II (3) AS COM
A continuation of FIL 3004 to include the effective arrangements of scenes and sequences in motion picture and television films.

FIL 3427C Beginning Film (3) TA ART
Intermediate problems in film with emphasis on the exploration of materials and media and the development of individual concepts.

FIL 3845 World Cinema 6A FA (4) TA ART
Offers international perspectives through an examination of films from around the world. Each week narrative films from acclaimed directors will be screened, read about and discussed.

FIL 4050 Social History of the Film, 1945 to the Present (3) AS COM
PR: MMC 2100 and MMC 3602 or DPR. The development of the film from 1945 to the present.

FIL 4433C Advanced Film (3) TA ART
PR: FIL 3845. More advanced projects in filmmaking to further develop works both technically and conceptually.

FIL 5469C Cinematography (4) TA ART
PR: PGY 4520C. Advanced studio work using black and white, color and sound as technical and aesthetic factors in visual, artistic productions.

FIN 2100 Personal Finance CAQR (3) BU FIN
Not available for credit to upper-level students who have been admitted to the College of Business. May not be counted toward major requirements in FIN or GBA. Survey of the problems and techniques of personal financial planning. Includes consumer credit, insurance, home ownership, and personal investing, with attention given to current economic and legal constraints.

FIN 2935 Selected Topics in Finance (1-6) BU FIN
Not available for credit to upper-level students who have been admitted to the College of Business Administration. Topics to be selected by department chair.

FIN 3233 Money and Banking (3) BU FIN
PR: ECO 2013. Examines the structure and operations of the U.S. monetary system, commercial banking, central banking, money, and capital markets, and provides an introduction to monetary theory and policy.

FIN 3403 Principles of Finance (3) BU FIN
PR: ACG 2071, ECO 2013, and ECO 2023. Study of the processes, decision structures, and institutional arrangements concerned with the use and acquisition of funds by a firm. Includes the management of the asset and liability structure of the firm under certain and risky situations. The financial decision process will include and recognize the international as well as domestic aspects of financial management.

FIN 3604 International Finance (3) BU FIN
PR: FIN 3403. Study of factors affecting international business, assessment of risks, international managerial finance, institutions and instruments of international business finance.

FIN 4245 Federal Reserve System and Monetary Policy (3) BU FIN
PR: FIN 3233 or CI. An analysis of the Federal Reserve System, with special emphasis on monetary theory and the formulation and administration of monetary policy.

FIN 4303 Financial Institutions and Markets (3) BU FIN
PR: FIN 3403. A study of financial institutions and their roles in the capital markets; includes the savings allocation, investment, and financial decision making processes.

FIN 4324 Bank Management (3) BU FIN
PR: FIN 3403. Application of traditional finance concepts to the management of commercial banks with emphasis on decision making and problem-solving techniques to major problem areas in banking.

FIN 4412 Working Capital Management (3) BU FIN
PR: FIN 3403. An examination of short-term financial management - that is, policies and decisions related to
managing the current operations of a firm. Topics to be covered include cash management, credit and collection policy, inventory decisions, and sources of short-term financing.

FIN 4414 Advanced Corporation Finance (3) BU FIN
PR: FIN 3403. An examination of the financial policies of corporations, with special reference to dividend policy, financial structure, capital expenditures, acquisitions, mergers, and reorganizations.

FIN 4443 Financial Policies and Strategies (3) BU FIN
PR: FIN 4414. A senior seminar for majors in Finance. Primarily a case course examining financial policies and the application of financial analysis to alternative strategies.

FIN 4461 Financial Statement Analysis (3) BU FIN
PR: FIN 3403. Provides an understanding of the relationship between financial statements produced in accordance with GAAP and the informational content such statements provide. After completing the course, the student should have a better understanding of the usefulness of published financial statements to various users in a variety of circumstances.

FIN 4504 Principles of Investments (3) BU FIN
PR: ECO 2013 and FIN 3403. Survey of the risks and returns of investment media in relation to the investment objectives of individual and institutional investors. Includes an examination of the capital markets, information flows, and analytical techniques in terms of their impact on the valuation process.

FIN 4514 Advanced Investment Analysis and Management (3) BUFIN
PR: FIN 4504. A comprehensive study of security analysis and portfolio management. The course will utilize a quantitative approach to investment selection and management.

FIN 4905 Independent Study (1-3) BU FIN
PR: CI, CC. S/U only. Specialized independent study determined by the student's needs and interests.

FIN 4915 Independent Research (1-3) BU FIN
PR: CI, CC. The research project will be mutually determined by the student and instructor.

FIN 4934 Selected Topics in Finance (1-3) BU FIN
Topics to be selected by instructor and department chairperson on pertinent finance issues.

FLE 4290 Technology in the Foreign and Second Language Classroom (3) ED EDX
This course prepares pre-service and in-service teachers to infuse technology into foreign language and ESOL instruction. Students will develop technology skills and knowledge based on sound pedagogical principles that reflect research and theory in Second Language Acquisition and will apply this practical and theoretical knowledge to K-16 Foreign Language/ESOL instructional situations.

FLE 4314 Methods of Teaching Foreign Languages and ESOL in the Elementary School (3) ED EDX
PR: EDG 4620 or concurrent registration. Fluency in target language and in English. Methods of planning and teaching foreign languages in the elementary school. The emphasis is on teaching communicatively and on integrating culture in the K-6 classroom.

FLE 4316 Language Principles and Acquisition (1-3) ED EDX
PR: FLE 4317. Overview of applied Second Language Acquisition theory and the components of language, linking them to methods and techniques of providing comprehensible instruction and supporting the development of oral proficiency and literacy skills for (LEP) children.

FLE 4317 Teaching Students with Limited English Proficiency (3) ED EDX
This course is designed to prepare preprofessional teachers to provide linguistically and culturally appropriate instruction, assessment, and learning opportunities for students with Limited English Proficiency.

FLE 4333 Methods of Teaching Foreign Languages and ESOL in the Secondary School (3) ED EDX
PR: FLE 4314. Fluency in the target language and in English or DPR. Methods of teaching foreign languages within a communicative framework. Includes examination and practice of current instructional techniques in listening, speaking, reading and writing skills, testing, error correction, and computer assisted language instruction. The emphasis is on teaching foreign languages and teaching for cultural understanding at the secondary level 7-12.

FLE 4370 Practicum in Foreign Language Teaching in the Secondary School (3) ED EDX
PR: Senior standing or enrollment in Plan II Master's Program or DPR. Required concurrently with FLE 4314 or FLE 4333. Fluency in the target language and in English. Pre-internship field experience in a K-12 environment. Will include observation and practice in a K-12 classroom as well as class meetings.

FLE 4936 Senior Seminar in Foreign Language Education CPST (3) ED EDX

FLE 4940 Internship: Foreign Language Education (1-12) ED EDX
Intern takes Senior Seminar in Education concurrently. S/U only. One full semester of internship in a public or private school.

FLE 5145 Language Principles, Acquisition and Teaching (3) ED EDX
PR: FLE 5345 Restricted to Education majors and not repeatable for credit. Overview of applied SLA theory and components of language. Methods & techniques of comprehensible instruction and the development of oral proficiency and literacy skills for LEP children.

FLE 5291 Technology in the Foreign Language Classroom (3) ED EDX
PR: FLE 5313 and FLE 5331. This course is intended to prepare foreign/second language teachers to provide pedagogically sound and technologically enhanced instruction for foreign language and second language students in the K-16 realm. Basic computer literacy is recommended.

FLE 5313 Methods of Teaching Foreign Language and ESOL in the Elementary School (3) ED EDX
This course is designed to provide training in the theory and methods of teaching foreign languages and ESOL in the elementary school (FLES) to both pre- and in-service teachers.
FRE 1121L Beginning French II Laboratory (1) AS WLE
PR: FRE 1121. This course provides for the development of knowledge and skills necessary to prepare students to assume roles as foreign language (FL) and ESOL teachers at the secondary school level. It represents the second part of a sequence of methods courses.

FLE 5345 Teaching English Language Learners K-12 (3) ED EDX
This course is restricted to Education majors and is not repeatable for credit. It is designed to prepare preprofessional teachers to provide linguistically and culturally appropriate instruction, assessment, and learning opportunities for LEP students.

FLE 5366 ESOL Education in Content Areas (3) ED EDX
Enables participants to meet the special linguistic & cultural educational needs of limited English proficient (LEP) students in content area classes. Provides a theoretical & practical foundation for ESOL competencies in courses include ESOL infusion.

FLE 5895 Dual Language Education (3) ED EDX
This course is for teachers who are interested in bilingual education. The aim is to deconstruct the philosophical, theoretical, political, social and educational underpinning of instruction (K-16) when it is delivered through two languages.

FLE 5946 Practicum in Foreign Language/ESOL Teaching (3) ED EDX
PR: FLE 5313. CR: FLE 5331. This course prepares students for their internship by providing a structured pre-internship experience while meeting regularly in a university class. Opportunity to see teachers in action.

FOL 2100 General Foreign Language I (1-4) AS WLE
A general purpose course that may be used for transfer of credit, credit by examination, and similar matters; may also be used for formal courses in less commonly taught languages or in professional translation.

FOL 4101 General Foreign Language II (1-3) AS WLE
A general purpose course that may be used for transfer of credit, credit by examination, and similar matters; may also be used for formal courses in less commonly taught languages or in professional translation.

FRE 1121L Beginning French II Laboratory (1) AS WLE

FRE 2200 French III (3) AS WLE
PR: FRE 1121 or equivalent. A review of the basic structure of French.

FRE 2201 French IV (3) AS WLE
PR: FRE 2200 or equivalent. Readings in French on the intermediate level.

FRE 2240 Conversation II (3) AS WLE
PR: FRE 2241 or equivalent proficiency Conversation practice with concentration on current idiomatic usage.

FRE 2241 Conversation I (3) AS WLE
PR: FRE 1121. For development of basic conversational skills.

FRE 2270 Overseas Study-Intro. French (1-6) AS WLE
PR: Two semesters of university-level French or equivalent proficiency. Departmental approval required.

FRE 3234 Reading in French Literature and Culture (3) AS WLE
PR: FRE 2201 or equivalent. This course is designed to build reading skills in French while giving students a broad background in French culture.

FRE 3420 Composition I (3) AS WLE
PR: FRE 2200 and/or FRE 2201. A fundamental composition course for students who have completed FRE 2200 and/or 2201.

FRE 3440 French For Business (3) AS WLE
PR: FRE 2200 or equivalent. An introduction to the French language in ordinary business transactions.

FRE 3470 Overseas Study (1-6) AS WLE
Departmental approval required. An intensive study-travel project in France.

FRE 3500 French Civilization (3) AS WLE
Readings and discussion on the cultural history of France.

FRE 3502 The Francophone World MW (3) AS WLE
An undergraduate 3 credit course, which offers an overview of the main French speaking cultures throughout the world, outside of France: French Canada, the Caribbean, Belgium, Switzerland, the Maghreb, Sub-Saharan Africa, the Indian Ocean, the Middle East, Southeast Asia, Louisiana.

FRE 4392 African Images in Francophone Film HP AF SS MW (3) AS WLE
This is a film based course and technologically enhanced course which will look at cultural, socio-economic, political and gender issues in French speaking Africa. Course materials will be available in English and French.

FRE 4421 Composition II (3) AS WLE
Continuation of French composition. This course is designed to follow FRE 3420.

FRE 4471 Advanced Overseas Study (1-6) AS WLE
PR: FRE 3470 or CI. Departmental approval required. Intensive language study in France.

FRE 4700 French Linguistics (3) AS WLE
PR: LIN 3010 and FRE 2201 or equivalent. An introduction to the phonological, morphological and syntactic structure of French.

FRE 4905 Directed Study (1-3) AS WLE
Departmental approval required.

FRW 5535 Romanticism and Early Realism (3) AS WLE
PR: FRW 4101. A study of the romantic and early realistic movements with emphasis on Lamartine, Vigny, Musset, Hugo, and Balzac.

FRW 5556 Naturalism and Realism (3) AS WLE
PR: FRW 4100 or FRW 4101. A detailed study of realism and naturalism with emphasis on Flaubert, Zola, Ies Goncourt, Maupassant, and Daudet.

FRW 5745 French Literature of Quebec (3) AS WLE
PR: A survey of Francophone literature and cultures is recommended. Overview of the main representative literary works in French from Quebec in all genres (poetry, drama, novel, short story) as well as a survey of the main traits of Quebec history & culture. Open to non-majors. Not repeatable for credit. Taught in French.

FRW 5755 African and Caribbean Literature (3) AS WLE
PR: A survey of French literature. An overview of the main representative literary works in French from North and Sub-Sahara Africa as well as the Caribbean. Open to non-majors and not repeatable for credit. Course taught in French.

FRW 5829 An Introduction to Modern French Literary Criticism (3) AS WLE
A graduate elective 3 credit course entirely taught in French, which offers a survey of the main trends and methods in 20th Century literary criticism, the French having been at the avant-garde of the field.

FRW 5934 Selected Topics (1-3) AS WLE
PR: Upper-level or graduate standing. Study of an author, movement or theme.

FSS 3231 Introduction to Food Production Management (3) US HRM
Food preparation, standards and techniques in commercial food production and service. Factors affecting the quality of food, practical experience in food production and service, in accordance with food standards, sanitation & safety and cost control.

GEA 2000 World Regional Geography SS HP AF CAGC (4) AS GPY
Comparison and analysis of representative regions of the world, with emphasis on cultural, political, economic, environmental, and physical diversity.

GEA 3194 Regional Geography (4) AS GPY
Variable title course to systematically study and compare special regions identified by the instructor.

GEA 3405 Geography of Latin America 6A (4) AS GPY
Systematic geographic analysis of the Latin American world region, with emphasis on its cultural, political, economic, environmental, and physical diversity.

GEA 3500 Geography of Europe 6A (4) AS GPY
Systematic geographic analysis of the European world region, with emphasis on its cultural, political, economic, environmental, and physical diversity.

GEA 3703 Geography of Asia (4) AS GPY
Systematic geographic analysis of the Asian world region, with emphasis on its cultural, political, economic, environmental, and physical diversity.
GEB 2350 Doing Business Around the World SS (3) BU GBA
This course introduces the student to: 1) the nature of international business; 2) the framework of international organizations and the monetary system within which international business functions; 3) forces affecting international business, and 4) management responses to problems caused by international environments.

GEB 2935 Selected Topics in Business (1-6) BU GBA
Topics to be selected by department chairs.

GEB 4890 Strategic Management and Decision Making MW CPST (3) BU GBA
PR: Senior standing and FIN 3403, MAN 3025, MAR 3023. This capstone course focuses on helping students develop a top-level executive perspective on managing a business, and requires students to integrate the theoretical and functional area concepts, principles, and skills learned in previous coursework.

GEB 4905 Independent Study (1-3) BU GBA
PR: CI. S/U only. Specialized independent study determined by the student's needs and interests.

GEB 4915 Independent Research (1-4) BU GBA
PR: CI. Individual study contract with instructor and department chairperson required. The research project will be mutually determined by the student and instructor.

GEB 4935 Selected Topics in Business Administration (1-4) BU GBA
The content and organization of this course will vary according to the current interests of the faculty and needs of students.

GEO 1930 Geography of Current Events SS (4) AS GPY
For non-majors only. Application of basic geographic principles to the analysis of contemporary events in various parts of the world.

GEO 2200 Introduction to Physical Geography NS CANP (3) AS GPY
This course explores the principles of physical geography; maps; earth sun relationships; meteorological, hydrological, pedagogical, aeolian, and glacial processes, and resulting landforms.

GEO 2200L Introduction to Physical Geography Lab (1) AS GPY
CR: GEO 2200. Laboratory portion of Introduction to Physical Geography (GEO 2200).

GEO 2371 Introduction to Earth Systems Science NS CANP (3) AS GPY
For non-majors only. This course provides a general overview of the earth, the inter-relationship between its functional systems, and a review of human impacts on the earth system at all scales.

GEO 2400 Human Geography SS CAGC (4) AS GPY
Human geography encompasses those branches in geography which focus primarily upon the relationships between humans and the environments they construct. This course will examine the object of study of human geography, as well as explore many of the components of human geography, including economic geography, geopolitical, cultural geography, urban geography, population geography, and the relationships between geography and globalization.

GEO 2931 Special Topics (1-4) AS GPY
Topics are at the discretion of the instructor. This course will offer lower level topics to attract new majors.

GEO 3164C Research Methods in Geography (4) AS GPY
PR: STA 2023 or STA 2122 or QMB 2100. Statistical analysis in geographic research.

GEO 3602 Urban Geography (4) AS GPY
PR: GEO 2400 or CI. Spatial analysis of urban areas; growth, location, spacing, and size. Development, site, situation, internal structure, and hinterland are considered.

GEO 4114C Geographic Techniques and Methodology (4) AS GPY
PR: GIS 3006 and GEO 3164C, or CI. Selected topics in various geographic techniques and methodologies and their application.

GEO 4204C Topics in Physical Geography (4) AS GPY
PR: GEO 2200 or CI. Intensive study of a topic selected from physical geography.

GEO 4210 Process Geomorphology (4) AS GPY
PR: GEO 2200 or GLY 2010 or CI. Origin, evolution, and distribution of the landforms of North America.

GEO 4244 Tropical Meteorology NS (4) AS GPY
PR: GEO 2200, one approved Calculus course, or CI. This course examines the tropical atmosphere, its interaction with land and ocean, as well as weather and climate phenomena that are unique to the topics. Students will take an in-depth look at hurricane climatology, the El Nino and Southern Oscillation phenomenon, thunderstorms and lightning, satellite remote sensing, monsoons, sea-breeze convergence and Florida climatology, surface energy exchange, land use change and its impact on tropical climates.

GEO 4265 Soil Genesis and Classification (4) AS GPY
PR: GEO 2200, or CI. A systematic study of soil genesis and classification with a focus on North American and Florida soils.

GEO 4280C Hydrology (4) AS GPY
PR: GEO 2200 or CI. Introduction to the general principles that govern hydrologic processes. Approaches to hydrologic measurements and the application of hydrologic analyses to water-resource management issues are examined.

GEO 4284 Water Resources Management NS (4) AS GPY
PR:  STA 2023 or STA 2122 or QMB 2100. Statistical analysis in geographic research.

GEO 4300 Biogeography (4) AS GPY
PR: GEO 2200 and GEO 3164C, or CI. Analysis of the present and past distribution of species at an intermediate to large spatial scale.

GEO 4340 Natural Hazards (4) AS GPY
PR: Junior or Senior Standing. Examination of the physical, social, economic, political and cultural forces that create the phenomena of natural hazards. Case studies from around the world will include floods, droughts, tornadoes, hurricanes, freezes, heat waves, wild fires, earthquakes, tsunami, and volcanoes.

GEO 4372 Global Conservation 6A MW (4) AS GPY
The distribution, exploitation, and conservation of physical and human resources, ecology.

GEO 4421 Cultural Geography (4) AS GPY
PR: GEO 2400 or CI. The interrelationships of culture and nature, from ancient times to the present.

</tbody>
</table>
GET 4523 New German Cinema to Present MW HP (4) AS WLE
An overview of post-1945 Ger films with emphasis on films from New Ger Cinema (1960s-early 80s) & its aftermath. Course offers insights into Germany’s artistic, intellectual, and social history, as well as general film history and criticism. Taught in Eng.

GEW 4100 Survey of German Literature I (3) AS WLE
Course will examine a variety of texts from the 9th to the early 19th century, exposing significant moments in German literature and thought and exploring diverse perspectives on German culture and society. Course taught in German. Not repeatable.

GEW 4101 Survey of German Literature II (3) AS WLE
Course will examine a variety of texts from the 19th century to the present, exposing significant moments in German literature and thought and exploring diverse perspectives on German culture and society. Course taught in German. Course not repeatable.

GEW 4750 Women in Contemporary German Literature and Film HP (3) AS WLE
PR: GER 2200 or above or CI. This course serves as an introduction to contemporary literary works and films by women writers and directors from German speaking countries. It will examine the works based on feminist literary and cultural theory.

GEW 4900 Directed Study (1-3) AS WLE
Departmental approval required.

GEW 4930 Selected Topics (1-3) AS WLE
Study of an author, movement or theme.

GEW 5475 20th Century Literature to 1945 (3) AS WLE
A study of major styles in German literature from 1900 to WW II with emphasis on Hauptmann, Schnitzler, Hofmannsthal, George Rilke, Kaiser, Heym, Trakl, Thomas Mann, Hesse, Kafka, Benn, Brecht.

GEW 5489 20th Century Literature: 1945 to Present (3) AS WLE
Study of major trends in German literature since WW II with emphasis on Borchart, Frisch, Durrenmatt, Boll, Uwe, Johnson, Grass, Aichinger, Eich Enzensberger, Bachmann.

GEW 5515 The Enlightenment (3) AS WLE
Selected dramas and critical writings by Lessing, Wieland, Kant.

GEW 5545 Romanticism (3) AS WLE
Jenaer circle and Heidelberger circle; the late romantic period, the writers between Classicism and Romanticism.

GEW 5555 Realism (3) AS WLE
Selected works by Grillparzer, Grabbe, Buchner, Hebbel, Heine, Immerman, Stifter, Keller, Meyer, Storm, Raabe, Hulshoff, and Morike.

GEW 5606 Faust (3) AS WLE
Sources, form, content, and literary significance of Urfaust and Faust.

GEW 5615 Schiller (3) AS WLE
Selected dramas, philosophical, and aesthetical writings.

GEW 5934 Selected Topics (1-3) AS WLE
PR: Upper-level or graduate standing. Study of an author, movement or theme.

GEY 2000 Introduction to Gerontology SS CASB (3) BC GEY
This course is designed to be an introduction to the study of aging. The aging process is viewed from a multi-disciplinary perspective including the biological, psychological, and sociological aspects of aging.

GEY 3323 Community Services for Older Adults (3) BC GEY
This class is designed to introduce students to services available to older adults and to careers in the field of aging services. Content includes theoretical and practical issues, as well as exposure to opportunities for service and employment.

GEY 3601 Physical Changes and Aging (3) BC GEY
A survey of normal and pathological physical changes occurring from middle age through older age. Course emphasis will be on basic age-related changes and their implications for behavior in older age.

GEY 3625 Sociocultural Aspects of Aging SS AF CASB (3) BC GEY
Consideration of human aging in a broad sociocultural context. Course emphasis will be on historical, philosophical, and demographic aspects of aging, theories of social gerontology, attitudes toward aging and the aged, and cross-cultural perspective.

GEY 4322 Gerontological Case Management (3) BC GEY
This course examines the role and function of case management in meeting the care needs of the older adult. All aspects of case management practice are covered, including the elements of the case management process as well as ethical and legal issues.

GEY 4327 Understanding Policies and Practices of Long Term Care HP SS MW CPST (3) BC GEY
PR: GEY 2000. This course provides principles for managing disability in a variety of settings. Topics include historical context, experience of disability, and challenges of providing care for disabled persons. Course is repeatable and not restricted to GEY majors.

GEY 4328 Health Care Operations AF HP SS MW (3) BC GEY
PR: GEY 4327, ACG 2011, each with a grade of C or better. This course addresses the health care operations of long-term care facilities. This course is for students in the BS in long-term care administration, but not limited to GEY majors. The course is repeatable for credit.

GEY 4329 Regulatory and Clinical Operations (3) BC GEY
PR: GEY 4328, ACG 2011, each with a grade of C or better. This course will familiarize the student with the basic aspects of nursing home administration through the practical application of management theory and concepts. The course is not repeatable and not restricted to GEY majors.

GEY 4340 Retirement and LTC Housing for the Elderly (3) BC GEY
This course focuses on housing, environment, and long-term care theories, availability of affordable housing with services, and a number of age-related housing solutions. Repeatable for credit, and not restricted to GEY majors.

GEY 4360 Gerontological Counseling (3) BC GEY
An introduction to the study of the major mental health problems of the elderly. Current approaches to counseling the elderly in community and institutional settings are discussed.

GEY 4401 Research Methods in Gerontology (3) BC GEY
PR: STA 2122 or equivalent with a grade of C or better. Restricted to Gerontology majors, others by departmental permission. Methods and techniques of social research in
GER 4608 Alzheimer’s Disease Management (3) BC GEY
PR: GEY 2000 or GEY 3326. This course will provide instruction on effective approaches for providing care to persons with Alzheimer's Disease and related disorders in residential and home care settings. The major dementing disorders and typical behaviors presented by patients are presented along with strategies for successful behavior management. Building a dementia program and building dementia care teams are also covered.

GER 4612 Psychology of Aging SS CASB (3) BC GEY
A comprehensive overview of psychological aspects of aging. Topics will include age-related changes in sensation/perception, cognition, and personality, as well as application to late-life psychopathology.

GER 4628 Race, Ethnicity and Aging SS (3) BC GEY
This course addresses how people of different ethnic and racial groups age, in the physical, psychological, and social context. Topics include cultural competence and sensitivity. Not restricted; not repeatable.

GER 4629 Women and Aging (3) BC GEY
Because of longer life expectancy and other factors, women make up a disproportionate share of older adults in the United States. This course examines older women from a feminist perspective, is open to all majors, and is not repeatable for credit.

GER 4635 Business Management in an Aging Society MW CPST (3) BC GEY
This course provides students with an interdisciplinary perspective that addresses both business management and the impact of our aging society on business.

GER 4641 Death and Dying SS CASB (3) BC GEY
A broad overview of the basic concepts and psychosocial issues relating to the meaning of loss and death, the process of death, and the experience of grieving. Health care practices are considered along with community resources.

GER 4647 Ethical and Legal Issues of Aging SS MWC PNST (3) BC GEY
A consideration of the major ethical and legal issues in aging and their implications for policies, priorities, and services.

GER 4900 Directed Readings (1-3) BC GEY
PR: CI. A reading program with topics in gerontology conducted under the supervision of a faculty member.

GER 4917 Directed Research (1-4) BC GEY
This course will provide Undergraduate Students with an opportunity to engage in an agreed upon research project under the supervision of a professor. The course is open to any major and is repeatable for credit.

GER 4935 Special Topics in Gerontology (3) BC GEY
Courses on topics such as preretirement, mental health, human services organization, nursing home administration, the older woman, and elder abuse will be offered.

GER 4945 Field Placement (1-9) BC GEY
PR: CI. Subject to availability of internship sites approved by the School of Aging Studies. Internship in an agency or community setting. A full-time assignment to an agency or organization, engaged in planning or administering programs for older people if in the BA program (6 hours), or to a nursing home if in the BS program (9 hours).

GER 5620 Sociological Aspects Of Aging (3) BC GEY
Examines, within a sociological frame of reference, the interrelationships between the aged (or aging) and the structure and function of the social system and its major institutionalized subsystems.

GER 5630 Economics and Aging (3) BC GEY
Examines basic economic systems as they impact the aged. Emphasis is on applied aspects of economic planning, pensions, insurance, social security and other support systems.

GER 5642 Perspectives on Death and Dying (3) BC GEY
Study of the various psychological, medical, legal, and religious problems caused by dying and death, and how individuals and groups have responded in the past and present.

GIS 2010C Map Interpretation (4) AS GPY
Analysis and synthesis of various types of maps and map projections.

GIS 3006 Computer Cartography (4) AS GPY
An introduction to the concepts underlying modern, computer-based mapping and to the collection and storage of digital spatial data.

GIS 4035C Remote Sensing of the Environment (4) AS GPY
PR: GIS 3006 and GEO 3164C, or CI. Analysis of satellite images and aerial photographs for studies of the environment.

GIS 4043C Geographic Information Systems (4) AS GPY
PR: GIS 3006 and GEO 3164C, or CI. Analysis of satellite images and aerial photographs for studies of the environment.

GIS 5049 GIS for Non-Majors (3) AS GPY
An introduction to the concepts underlying digital thematic mapping and geographical information systems (GIS) for non-geography majors and non-geography graduate students.

GIS 5075 Global Positioning Systems (3) AS GPY
PR: GIS 5049: GIS for Non-Majors or permission from the instructor. Examination of the theory, operation and application of Global Positioning Systems (GPS).

GLY 2000 Earth and Environmental Systems NS (3) AS GLY
May substitute for GLY 2010 for geography majors. This course examines the geology of the earth and the environment, using an earth systems approach that looks at interactions between the lithosphere, hydrosphere, atmosphere, and biosphere. Students will learn general principles of geology, travel world-wide on the internet, and participate in discussions on topics ranging from the scientific method to the latest geologic discoveries. Open University course; taught via internet and TV. Open University course; taught via internet and TV.

GLY 2010 Dynamic Earth: Introduction to Physical Geology NS CANP (3) AS GLY
A first course in geology emphasizing the Earth’s composition, structure, and dynamics. Lectures/activities include but are not limited to plate tectonics, earthquakes, volcanism, glaciation, global warming, shorelines, and natural resources.

GLY 2010L Dynamic Earth Laboratory (1) AS GLY
PR: GLY 2010 or concurrent registration. Laboratory study of earth materials, landforms, geologic structures, topographic and geologic maps. Lec-lab-field trips.

GLY 2030 Hazards of the Earth’s Surface: Environmental Geology NS CANP (3) AS GLY
A first course in geology emphasizing catastrophic events that cause damage to humans and their possessions. Lectures and recitation activities on geologic hazards, tools geologists use to study them, and measures that can be taken to minimize them.

GLY 2050 Science, Earth and Life NS (3) AS GLY
May substitute for GLY 2010 for geology majors. The nature, history and philosophy of science intended primarily for non-science majors. Consideration of science as a way of knowing through examples taken primarily from historical geology and biology (e.g., extinction of the dinosaurs, continental drift, evolution) but also from physics and astronomy. Consideration of social relevance of science.

GLY 2051 Origins: From the Big Bang to the Ice Age NS (3) AS GLY
The history of the cosmos, origin of the universe, galaxies, the solar system, and earth, evolution of life, great extinction’s including the dinosaurs, evolution of the primates, and the environmental future of the planet. (For both non-science and science majors.)

GLY 2100 History of Life NS CANP (3) AS GLY
This course has several objectives. It is an introduction not only to basic scientific concepts in geology and evolutionary theory but, perhaps more importantly, to science as a way of understanding the world around you and finding answers to big question.

GLY 2100L Earth History Laboratory (1) AS GLY
Laboratory study of the history of the earth and life. Required for Geology majors; open to non-majors.

GLY 2160 Geology of the National Parks NS CANP (3) AS GLY
This course is delivered over the internet through blackboard and recitation meetings. It introduces the nature of geologic processes including plate tectonics, earthquakes, volcanism, and glaciation drawing on examples from our nation’s Parks.

GLY 2930 Selected Topics in Geology (1-3) AS GLY
Does not count toward the geology major. Topical courses in geology of general interest.

GLY 3311C The Solid Earth: Petrology and Geochemistry (4) AS GLY

GLY 3402C The Solid Earth: Plate Tectonics and Earth Structure (4) AS GLY
PR: 4 hrs. introductory geology including GLY 2000L; MAC 2312 or equivalent;PHY 2048. Plate tectonic theory and its implication re: the formation of structural features on outcrop and regional scales. Field and geophysical tools for structural analysis. Required field trip. Lec-Lab.

GLY 3552C Sedimentary Record 1: Sedimentary Processes and Petrology (4) AS GLY
PR: GLY 2000L, CHM 2045, MAC 2281. CR: GLY 3311C. A lecture and laboratory class that discusses sedimentary processes, formation and classification of sedimentary rock, and the sedimentary rock record. Examination of the rock record to solve problems in sedimentary geology.

GLY 3720C The Fluid Earth (4) AS GLY
PR: GLY 2000L; MAC 2311 and MAC 2312 or equivalent; CHM 2045 and CHM 2046; PHY 2048 and PHY 2048L. Physical, chemical and biological processes affecting fluids of the lithosphere, oceans and atmosphere. Water as a geologic medium and global entity. A systems approach. Not available as S/U for geology majors; S/U available for others.

GLY 3850 Geology For Engineers (3) AS GLY
PR: Junior standing in College of Engineering or CI. No credit toward the geology major, or for those with credit for GLY 2010. An examination of geologic materials and processes designed for engineering students; classification and properties of earth materials, surface processes, site investigation techniques, applications of geology to the solution of engineering problems.

GLY 4045 Moons, Planets, and Meteors: An Introduction to Planetary Science MW (3) AS GLY
PR: Junior standing, Solar System exploration, from Aristotle to NASA. Modern views on the origins of meteorites, the Moon, Mars, Venus, and other planetary bodies, and the methods of planetary study. Meteor impacts, their effects, future hazard. Space science as a tool in the study of the Earth. Field trips, lectures, Internet exercises.

GLY 4053 Theories and Arguments about the Earth MW (3) AS GLY
PR: 2000 level geology course. History of thinking about the Earth: context - geologic controversies; emphasis - geologic reasoning.

GLY 4104C Sedimentary Record 3: Paleontology and Earth Evolution (4) AS GLY
PR: GLY 2000L, GLY 3552C, BSC 2010. The study of “deep time”, including how it is measured, how it is correlated over the Earth’s surface, and how important physical, biologic, and chemical geologic processes have varied with time. Lec-Lab.

GLY 4324C Physical Volcanology (4) AS GLY
PR: GLY 3311C, MAC 2241 or MAC 2311 or MAC 2281. Physical volcanology explores the nature of volcanism on Earth and nearby planets. Topics in magma production and ascent, eruption dynamics, volcanic hazards, and volcano monitoring will be covered in lecture, laboratory, and independent exercises.

GLY 4462 Geomechanics (4) AS GLY
PR: GLY 2010 or equivalent, PHY 2048 and 2049 or equivalent. Co-PR: GLY 3402C (or an equivalent structural geology course). Overview of the mechanical behavior of
GLY 4840 Seismology (4) AS GLY
Introductory geology for majors, calculus and calculus-based physics as required for geology majors. Comprehensive introduction to theoretical and observational seismology, use of seismic waves and earthquake patterns to study earth structure, seismic hazard and risk mitigation, earthquake prediction, and techniques for the analysis of seismic data.

GLY 4554C Sedimentary Record 2: The Earth’s Surface (4) AS GLY
PR: At least one course in Geology with lab. Principles of weathering, erosion, production, and transport of sediment on the earth’s surface, and the resulting geomorphology. Modern sedimentary environments and the process-response systems that govern them. Course is open to anyone with at least one course in geology with lab. Course is not available on an S/U basis for geology majors; it is for other majors.

GLY 4734 Beaches and Coastal Environments MW (3) AS GLY
A comprehensive introduction to the nature of all coastal environments including beaches, dunes, tidal inlets, estuaries, reefs, and river deltas. Emphasis will be on the natural state of these environments and how human activities have and will impact them. Consideration of coastal management policies involving economics, ethics, policy, and environmental law.

GLY 4780 Geological Field Studies (1-3) AS GLY
PR: 1 geology course. Lectures and field trip to study modern geologic systems and/or geologic origins of specific regions. Mapping and field description techniques introduced. Topic/destination of trip varies. Trip requires camping and vigorous physical activity. Lec. Field trip.

GLY 4822C Fluid Earth 2: Hydrogeology (4) AS GLY

GLY 4866 Computational Geology (3) AS GLY

GLY 4905 Independent Study (1-3) AS GLY
PR: CI. S/U only. Specialized independent study determined by the student’s needs and interests.

GLY 4915 Undergraduate Research (1-3) AS GLY
PR: Senior or advanced junior standing and written permission of department prior to registration. S/U only. Individual experimental investigations with faculty supervision.

GLY 4920 Geology Colloquium (1) AS GLY
PR: Senior standing in Geology. S/U only. Weekly topical lectures by faculty, graduate students and invited speakers.

GLY 4921 Geocommunications (3) AS GLY
PR: Twelve (12) or more hours upper level geology courses.

GLY 4922C Fluid Earth 2: Hydrogeology (4) AS GLY
PR: At least one course in Geology with lab. Principles of weathering, erosion, production, and transport of sediment on the earth’s surface, and the resulting geomorphology. Modern sedimentary environments and the process-response systems that govern them. Course is open to anyone with at least one course in geology with lab. Course is not available on an S/U basis for geology majors; it is for other majors.

GLY 4930 Selected Topics in Geology (1-4) AS GLY
Each topic is a course under the direction of a faculty member with the content depending on the interests of the students and faculty involved. All areas of geology included.

GLY 4946L Practical and Applied Geology: Teaching Experience (1) AS GLY
PR: Junior standing, declared Geology major, and at least 12 credit hours of Geology courses, or CI. CR: Enrollment in other Practical/Applied sections. Completion of Geology supporting course sequence highly recommended. Hands-on course designed to teach the basic laboratory skills of a practicing geologist. Topics vary widely, with several different offerings each semester. May be repeated for credit.

GLY 4947L Practical and Applied Geology: Laboratory Experience (1) AS GLY
PR: Junior standing, declared Geology major, and at least 12 credit hours of Geology courses, or CI. CR: Enrollment in other Practical/Applied sections. Completion of Geology supporting course sequence highly recommended. Hands-on course designed to teach the basic laboratory skills of a practicing geologist. Topics vary widely, with several different offerings each semester. May be repeated for credit.

GLY 4948L Practical and Applied Geology: Field Experience (1) AS GLY
PR: Junior standing, declared Geology major, and at least 12 credit hours of Geology courses, or CI. CR: Enrollment in other Practical/Applied sections. Completion of Geology supporting course sequence highly recommended. Hands-on course designed to teach the basic laboratory skills of a practicing geologist. Topics vary widely, with several different offerings each semester. May be repeated for credit.

GLY 4949L Practical and Applied Geology: Computational Experience (1) AS GLY
PR: Junior standing, declared Geology major, and at least 12 credit hours of Geology courses, or CI. CR: Enrollment in other Practical/Applied sections. Completion of Geology supporting course sequence highly recommended. Hands-on course designed to teach the basic computational skills of a practicing geologist. Topics vary widely, with several different offerings each semester. May be repeated for credit.

GLY 4970 Undergraduate Honors Thesis (3) AS GLY
Open to seniors admitted to the Geology undergraduate honors program. Students will complete an independent research project under supervision of a faculty member, and present results in a senior thesis and a public presentation.

GLY 5752 Geological Field Excursion (2) AS GLY
PR: Senior standing in geology or CI. Lectures and 2-3 week field excursion to study regional geology, structure and lithogenesis of geologically complex terrain. Mapping and outcrop description techniques are emphasized.
GRE 1120 Beginning Classical Greek I (4) AS WLE
An introductory course in classical Greek grammar with appropriate readings.

GRE 1121 Beginning Classical Greek II (4) AS WLE
PR: GRE 1120 or equivalent. An introductory course in classical Greek grammar with appropriate readings.

GRE 2140 New Testament Greek I (4) AS REL

GRE 2141 New Testament Greek II (4) AS REL

GRE 2220 Intermediate Classical Greek (4) AS WLE
PR: GRE 1121 or equivalent. Readings in Greek at an intermediate level.

GRK 1120 Beginning Modern Greek I (4) AS WLE
CR: GRK 1120L. An intensive study of basic skills; pronunciation, listening comprehension, speaking and some composition.

GRK 1121L Modern Greek II Laboratory (1) AS WLE
CR: GRK 1121. Concurrent enrollment with a lecture session is required, and, if dropped, then dropped simultaneously. S/U only. A laboratory designed to offer additional practice using various instructional technologies and media.

GRK 1122 Modern Greek II (4) AS WLE
PR: GRK 1120 or its equivalent; CR: GRK 1121L. A continuation of GRK 1120. An intensive study of basic skills; pronunciation, listening comprehension, speaking and some composition.

GRK 1121L Modern Greek II Laboratory (1) AS WLE
CR: GRK 1121. Concurrent enrollment with a lecture session is required, and, if dropped, then dropped simultaneously. S/U only. A laboratory designed to offer additional practice using various instructional technologies and media.

GRK 1122 Modern Greek IV (4) AS WLE
PR: GRK 2220 or its equivalent. Continuation of GRK 2200. Practice of writing, speaking and listening skills for language students who intend to attain basic proficiency.

GRK 4905 Directed Study (1-5) AS WLE
Departmental approval required. S/U only. Permits study options in Modern Greek not available in the regularly scheduled curriculum at departmental discretion.

GRK 4930 Selected Topics (1-5) AS WLE
Departmental approval required. Course permits classes in Modern Greek not available in the regularly scheduled curriculum at departmental discretion.

GRW 3502 Survey of Greek Literature: Plato’s Republic (3) AS WLE
PR: GRE 2200 or equivalent. Plato’s Republic introduces students to Plato in the original Classical Greek language, providing the necessary transition from the Beginning and Intermediate courses to an Advanced level of proficiency in ancient Greek.

GRW 4905 Directed Reading (1-4) AS WLE
Departmental approval required.

GRW 5905 Directed Reading (1-4) AS WLE
Departmental approval required.
HFT 3423 Hospitality Information Systems (3) US HRM
PR: ISM 3011, HFT 3003. The study of management information systems in the hospitality management industry. The students will evaluate software and hardware computer systems and application software being used in the hospitality industry and develop selection strategies.

HFT 3424 Cost Control in Hospitality Operations (3) US HRM
PR: HFT 3003, FIN 3403, MAN 3025 Provides students with a thorough understanding of hospitality financial accounting concepts. The emphasis of the course is to use accounting information in making managerial decisions and to prepare and understand hospitality financial statements.

HFT 3503 Hospitality Marketing and Sales (3) US HRM
PR: MAR 3023 Principles of marketing and sales and practical application in hospitality marketing philosophies; the marketing mix; product differentiation; corporate travel market; and the association, convention, and trade show market.

HFT 3603 Law and Security for the Hospitality Industry (3) US HRM
PR: HFT 3003 Functions of the law, legal environment and legal reasoning. An overview of the security issues in the hospitality industry. The law pertaining to contracts, workmen's comp and the impact of law on economic enterprise in the hospitality industry.

HFT 3861 Beverage Management (3) US HRM
An introduction to the identification, use and service of wines, spirits, and other alcoholic beverages. An in-depth analysis of beverage operations to include selection/storage, inventory, purchasing, sales/promotion/merchandising, profits and bar management.

HFT 4221 Human Resources Management (3) US HRM
PR: HFT 3003, MAR 3023 Designed to educate new managers and supervisors in the complex issues involved in a comprehensive human resource program and its importance to hotel and restaurant business. Workmen's Compensation, ADA, training, unions, EEO and discrimination issues.

HFT 4253 Lodging Management (3) US HRM
PR: HFT 3003, MAN 3023 Principles, practices, and procedures of managerial functions as they relate to the operation of hotels. Training, conflict resolution, total quality management, crisis management, employee empowerment and service standards are focus of team building.

HFT 4323 Facilities Management in Hospitality Operations (3) US HRM
PR: HFT 3003 Engineering aspects of hospitality establishments, preventive maintenance procedures, energy conservation, waste management, pollution control, life safety systems, and facilities design and layout, air conditioning lighting, sound control.

HFT 4471 Management Accounting and Finance in Hospitality (3) US HRM
PR: FIN 3403, HFT 3003, HFT 3424 Financial functions in hospitality, interpret hospitality financial statements, capital investment decision making, financial instruments and concepts. Analytical modeling for hospitality operations, including ratio analysis and capital budgeting tools.

HFT 4853 Restaurant Trends and Challenges Seminar (3) US HRM
PR: Senior standing. Advanced level course focusing on contemporary management issues and challenges facing the foodservice and hospitality industries. Topic covered will be applicable to current trends applicable to a variety of situations.
HFT 4945 Advanced Internship (3) US HRM
PR: HFT 3003 Topics to be selected by instructor and department chairperson for pertinent Hospitality Management issues.

HFT 4936 Hotel Management Seminar (3) US HRM
PR: Senior standing. Advanced level course focusing on current problems and trends in hotel management and the hospitality industry.

HFT 4945 Advanced Internship (3) US HRM
PR: HFT 3003 Coordinated hospitality training combines practical experience with didactic academic analysis. Principles, theory and standard practices applied to operational situations. S/U only.

HIS 2931 Special Topics (2-4) AS HTY
This course emphasizes a selected historical problem or issue. A variety of instructional approaches will be taken, and topics may vary.

HIS 3308 War and Society MW (3) AS HTY
An examination of the ways in which societies have organized themselves for war and how societies are changed by war. Also explores gendered expectations in war, and the changing conduct of war. Does not count for History major or minor credit.

HIS 3474 Science and Civilization (4) AS HTY
A thematic study of the interrelationship of science and society in modern history emphasizing the institutional forms, value structures, and social relations in science as they have developed from the scientific revolution to the present.

HIS 3930 Special Topics (2-4) AS HTY
This course is designed to emphasize a selected historical problem or issue that is meaningful and challenging to the student. A variety of instructional approaches will be taken to the material. Topics will be changed each semester.

HIS 3938 Major Issues in History MW CPST HHCP (3) AS HTY
This course is an interdisciplinary examination of the historical relationship between (broadly) Asia and the West. It offers non-historians the opportunity to understand the dynamic between past and its interpretation.

HIS 4104 Theory of History (4) AS HTY
PR: History major status and 2.25 HTY major GPA required. An analysis of the foundations of historical knowledge and historical methodology. Includes a survey of historical thinking and writing from ancient times to the present.

HIS 4900 Directed Reading (1-4) AS HTY
PR: CI. Arrangement with instructor prior to registration. Readings in special topics.

HIS 4920 Colloquium in History (2-4) AS HTY
Reading and discussion of selected topics in the various fields of history. The subject and scope of inquiry will be determined by the instructor for each section.

HIS 4936 Pro-Seminar in History 6A MW (4) AS HTY
PR: History major status and 2.25 HTY major GPA required. Advanced topics in the various fields of history. Emphasis on discussion of assigned readings and on research and writing of a major paper.

HIS 4940 Internship in History (1-4) AP HTY
PR: History majors only. Supervised field experience in a research and writing-related position that relates to the History major. Possible internship sites include historical societies and museums. Restricted to majors. Repeatable for 6 total credits.

HLP 2081 Personal Wellness: A Lifetime Commitment (3) EDEDJ
An examination of the bases for adopting a positive health lifestyle with a major emphasis on diet, weight management, physical fitness, stress management, and substance-abuse management.

HLP 4722 Health and Physical Education for the Child (2) ED EDE
The course helps elementary education majors understand the health, and developmental needs of K-6 children and to learn the role of the classroom teacher in providing health services, healthy environments, and health & physical ed. instruction.

HSA 4011 Introduction to Public Health (3) PH PHC
A survey of policies and programs in public/community health with emphasis on specific needs and problems of Florida.

HSC 2100 Contemporary Health Science SS CASB (3) PH PHC
A comprehensive approach is used to educate students on how to critically research, understand, evaluate, and apply information and data related to the basic principles of emotional, intellectual, physical, social, occupational and spiritual health.

HSC 2130 Sex, Health, and Decision-Making SS CASB (3) PH CFH
This course explores the fundamental relationship between sexuality, decision making and health outcomes from a public health perspective. Students explore sexuality issues and learn tools that promote sexual health and healthy relationships.

HSC 2400 First Aid (2) ED EDP
Meets the American Red Cross certification requirements in standard and advanced first aid.

HSC 2933 Selected Topics in Public Health (1-6) PH PHC
Overview of major public health and health related issues of interest to undergraduates. Course explores a variety of health topics that are related to improving the health and health behaviors of individuals, groups and communities. Specific topics may vary each semester. No prerequisites. Majors and non majors. May be repeated for up to 6 credits.

HSC 3301 Health, Safety, Nutrition and Motor Skills for the Young Child (3) ED EDP
Provide students with the knowledge to teach developmentally appropriate motor activities; to provide continuous health services; create and maintain a healthy learning environment; and sequence appropriate health instruction for Pre-K through 3rd grade students.

HSC 3541 Human Structure and Function NS (3) PH CFH
This course is designed to introduce the structural levels of the body beginning with chemicals and progressing through cells, tissues, organs and systems with emphasis on homeostasis, stress and feedback systems. Not restricted to majors.

HSC 4134 Prevention of Mental Illness (3) PH PHC
This course explores the contributions of prevention science and public health in impeding the development of mental disorders and the events that lead to mental disorders with the major developmental focus on childhood.

<th>Course Code</th>
<th>Course Title</th>
<th>Credits</th>
<th>Co-requisite(s)</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>HSC 4172</td>
<td>Women’s Health: A Public Health Perspective</td>
<td>3</td>
<td>PH PHC</td>
<td>From a public health perspective, this course will explore the multidimensional and multidisciplinary dimensions of women’s health. The course will emphasize health promotion, disease prevention, and overall well-being.</td>
</tr>
<tr>
<td>HSC 4211</td>
<td>Health, Behavior and Society</td>
<td>3</td>
<td>PH PHC</td>
<td>This course focuses on an ecological perspective of the determinants of health including biology, individual behavior, social relationships, social stratification, institutions, neighborhoods and communities, environment, policies and globalization.</td>
</tr>
<tr>
<td>HSC 4504</td>
<td>Foundations of Public Health Immunology NS</td>
<td>3</td>
<td>PH PHC</td>
<td>This course provides an overview of the principles of Immunology and an introduction to the applications of immunology and immunologic techniques used in the surveillance, prevention and control of diseases of public health importance.</td>
</tr>
<tr>
<td>HSC 4537</td>
<td>Medical Terminology</td>
<td>3</td>
<td>PH PHC</td>
<td>This course provides a unique educational program to improve the student’s medical vocabulary. The course includes medical and scientific content information, which students encounter in other health professional courses. Not restricted to any major.</td>
</tr>
<tr>
<td>HSC 4554</td>
<td>Survey of Human Diseases</td>
<td>3</td>
<td>PH PHC</td>
<td>PR: Fund. of Biology with Lab or CI. An overview of the nature, types, and mechanisms of diseases of the major body systems.</td>
</tr>
<tr>
<td>HSC 4579</td>
<td>Foundations of Maternal and Child Health</td>
<td>3</td>
<td>PH PHC</td>
<td>This course provides an overview of maternal and child health issues and trends. With this primary aim, the objectives are organized around the knowledge of health assessment and interventions for families and children.</td>
</tr>
<tr>
<td>HSC 4580</td>
<td>Foundations of Food Safety</td>
<td>3</td>
<td>PH PHC</td>
<td>This course provides an overview of food safety practices and principles emphasizing the role of food safety in public health. Topics include proper food handling procedures, food safety hazards, food-borne illness prevention, and food safety regulations.</td>
</tr>
<tr>
<td>HSC 4624</td>
<td>Foundations of Global Health</td>
<td>3</td>
<td>PH PHC</td>
<td>This course introduces students to the principles of public health from a global perspective. Emphasis will be placed on the impact of social, economic, political and environmental factors that influence health and access to health care across the globe.</td>
</tr>
<tr>
<td>HSC 4630</td>
<td>Understanding U.S. Health Care</td>
<td>3</td>
<td>PH PHC</td>
<td>An introduction to health services; providing an overview of important components of the U.S. health care system, health policy, funding sources, and comparisons with other developed nations.</td>
</tr>
<tr>
<td>HSC 4631</td>
<td>Critical Issues in Public Health</td>
<td>3</td>
<td>PH PHC</td>
<td>This course provides students the opportunity to learn about the multiple ways to view controversial topics in public health. The course covers topics including biomedical issues, social &amp; behavioral factors related to health, and environmental issues.</td>
</tr>
<tr>
<td>HSC 4933</td>
<td>Special Topics in Public Health</td>
<td>1-6</td>
<td>PH PHC</td>
<td>PR: CI. Content will be governed by student demand and instructor interest.</td>
</tr>
<tr>
<td>HSC 5036</td>
<td>Professional Foundations of Health Education</td>
<td>1</td>
<td>PH CFH</td>
<td>The study of the practice of health education in various settings, and selected historical, cultural, philosophical, professional, and ethical issues in the practice of education.</td>
</tr>
<tr>
<td>HUM 1020</td>
<td>The Arts</td>
<td>3</td>
<td>FA CAFA</td>
<td>PR: CI. An overview of the arts of ancient Greece, Rome, and medieval Europe. Issues to be examined may include the dialogue between local traditions and cosmopolitan cultures, the relationship of the individual to society, and the bases for moral values.</td>
</tr>
<tr>
<td>HUM 2210</td>
<td>Studies in Culture: The Classical Through Medieval Periods</td>
<td>3</td>
<td>HP CAHU HHCP</td>
<td>A survey of literature and the arts of ancient Greece, Rome, and medieval Europe. Issues to be examined may include the dialogue between local traditions and cosmopolitan cultures, the relationship of the individual to society, and the bases for moral values.</td>
</tr>
<tr>
<td>HUM 2230</td>
<td>European Humanities: Renaissance - 20th Century</td>
<td>3</td>
<td>AS HUM</td>
<td>Students will be exposed to the creative expressions and cultural products of Western European societies in order not only to determine the past’s values, beliefs, and concerns, but also to enrich our own spirits, imaginations, and intellects.</td>
</tr>
<tr>
<td>HUM 2250</td>
<td>Studies in Culture: The Twentieth Century</td>
<td>3</td>
<td>HP CAHU HHCP</td>
<td>PR: HUM 2210 or HUM 2230. An overview of the cultural products of Western European societies in order not only to determine the past’s values, beliefs, and concerns, but also to enrich our own spirits, imaginations, and intellects.</td>
</tr>
<tr>
<td>HUM 2271</td>
<td>Eastern and Western Culture from Antiquity to 1400 AF</td>
<td>3</td>
<td>AS HUM</td>
<td>A comparative treatment of music, visual arts, theatre, literature, and philosophy in the East and West, proceeding chronologically from Ancient times through the Middle Ages, emphasizing Europe and India.</td>
</tr>
<tr>
<td>HUM 2273</td>
<td>Eastern and Western Culture Since 1400 AF</td>
<td>3</td>
<td>AS HUM</td>
<td>A comparative treatment of music, visual arts, theatre, literature, and philosophy in the East and West, proceeding chronologically from the Renaissance through the present, emphasizing Europe, the United States, and India.</td>
</tr>
<tr>
<td>HUM 2466</td>
<td>Latin American Civilization II: Modern Latin America</td>
<td>3</td>
<td>CAGC</td>
<td>PR: HUM 2210 or HUM 2230. An overview of the cultural heritage of Latin America since the time of independence. Verbal and visual texts will be used to study the difficult struggle to create a cultural identity that incorporates African, indigenous, and European traditions.</td>
</tr>
<tr>
<td>HUM 2522</td>
<td>Introduction, the Cultural Study of Popular Music</td>
<td>3</td>
<td>AS HUM</td>
<td>Variable topic. An interdisciplinary examination of popular music traditions as they affect race, class, and gender, and interact with commerce, technology, and politics. Students will combine critical listening with history and cultural analysis.</td>
</tr>
<tr>
<td>HUM 2930</td>
<td>Selected Topics</td>
<td>1-4</td>
<td>AS HUM</td>
<td>An introductory course dealing with a recurrent theme in the arts or focusing on a particular artistic center (a nation or city at a particular time).</td>
</tr>
</tbody>
</table>
HUM 3231 The Renaissance (3) AS HUM
Junior/Senior Level Standing. An examination of the arts of the Renaissance, focusing on primary texts and images. Themes include humanism, the revival of antiquity, the concept of the individual, the Reformation and Counter-Reformation, and the impact of New World explorations.

HUM 3237 The Seventeenth Century (3) AS HUM
Junior/Senior Level Standing. An examination of the development of the art and culture of the Baroque Period, roughly the 17th Century, focusing on primary texts and images. Themes will include mysticism, sensuality, rationalism, science, absolutism, and liberty.

HUM 3240 The Early Middle Ages (3) AS HUM
Junior/Senior Level Standing. This course examines the diverse cultures of Europe from the fourth to eleventh centuries. Major issues include the formation of religious cultures, modes of cultural contact, relationships between texts and images, and uses of earlier traditions.

HUM 3241 Central Medieval and Gothic Europe (3) AS HUM
By studying texts and artifacts, this course examines the diverse cultures of Europe from the eleventh to fourteenth centuries. A central issue covered will be the efforts of the church to create an all-embracing Christian culture.

HUM 3242 The Enlightenment (3) AS HUM
Junior/Senior Level Standing. By studying late seventeenth and eighteenth century literature, music, visual art, and philosophy, this course examines phenomena such as rationalism, classification systems, the influence of science, utilitarianism, reform, and secularism.

HUM 3244 Nineteenth-Century Arts and Letters (3) AS HUM
PR: HUM 2210 or HUM 2230. By studying 19th century literature, music, and visual art, this course examines phenomena such as the rise of capitalism, colonial expansion, nationalism, urbanism, and the redefinition of public and political life during this period of extreme change.

HUM 3331 Humanities Pro-Seminar (3) AS HUM
PR: Must have completed HUM 3804 with a GPA of 2.5 or better (grade of B- or better). A course emphasizing the analysis of primary works in relation to cultural contexts, the integration of secondary sources, and the construction of a written argument. Not restricted to majors. Offered only in fall semester.

HUM 3407 Ancient Near East Cultures (3) AS HUM
Material and intellectual culture of ancient Mesopotamia (Iraq) & Persia (Iran) from the fourth millennium BCE until the coming of Islam. Topics include the Sumerian and the Assyrian in Mesopotamia; and the Achaemenid, Parthian, and Sasanian in Persia.

HUM 3457 Nineteenth Century American Culture (3) AS HUM
Junior/Senior Level Standing. This course explores American art, literature, and cultural life from the early republic through the Gilded Age. Works are studied in their historical context in order to understand how they transmitted important information about American identity.

HUM 3458 Twentieth-Century American Culture (3) AS HUM
Junior/Senior Level Standing. A historical survey of American culture since 1900. Literature, music, visual art, film, and intellectual movements are analyzed, to understand how they have reflected and shaped cultural values and responded to changing conditions of American society.

HUM 3463 Latin American Civilization I: Pre-Columbian & Colonial (3) AS HUM
PR: HUM 2210 or HUM 2230. An overview of Pre-Columbian and Colonial Latin American Culture through 1700. Topics include literature, music, and art; ethnic diversity; political and religious tension; “high” versus “low” culture; and the clash of European and American cultures.

HUM 3804 Introduction to Cultural Studies (3) AS HUM
PR: HUM 2230. An introduction to the ideas and skills needed for doing scholarly work in interdisciplinary cultural studies. An overview of central critical discussions including gender studies, postcolonialism, class and power relationships, and technology and media.

HUM 3930 Selected Topics in Humanities (1-4) AS HUM
Courses offered under this number will always be interdisciplinary, treating more than one art media and relating them historically or in some other way. The interdisciplinary emphasis on literature and the arts, placing them in some larger context of culture or ideas, distinguished HUM courses from related courses offered in other departments of the university. Topics will vary; course may be repeated for credit with change of content.

HUM 4261 Cultural Periods and Styles (3) AS HUM
Focuses on the relationships between a particular historical period and the cultural forms characteristic of it. An interdisciplinary examination of cultural texts as responding to social and political issues of the day. Topic varies. Repeatable to 6 cr.

HUM 4391 Places, Spaces, and Regions (3) AS HUM
Focuses on relationships between geographical location and cultural dynamics. Emphases include the roles of natural environments, core-periphery relations, and local identities in the development of cultural practices. Topic varies. Repeatable to 6 cr.

HUM 4433 Ancient Greek Culture (4) AS HUM
PR: Junior standing and HUM 2210 or HUM 2230, or CI. A study of the poetry, drama, philosophy, historical writing, painting, sculpture and architecture of ancient Greece, including such authors as Homer, Sophocles, and Plato, and monuments such as the Parthenon.

HUM 4435 Early Medieval Culture (4) AS HUM
PR: Junior standing and HUM 2210 or HUM 2230, or CI. A study of the culture of Europe and the Mediterranean world from the 4th to 11th centuries through the readings of early Medieval historians, poets, and theologians, as well as the study of illuminated manuscripts, mosaics, painting and architecture.

HUM 4437 Italian Renaissance Culture (4) AS HUM
Junior/Senior Level Standing. A study of the painting, literature, music, sculpture and architecture of early modern Italy (1300-1600), emphasizing humanism, the revival of antiquity, the tension between sacred and secular, and artists such as Michelangelo, Titian, Raphael.

HUM 4438 Northern Renaissance Culture (4) AS HUM
PR: Junior standing and HUM 2210 or HUM 2230, or CI. A study of the Renaissance in Germany, France, the Netherlands, England, and Spain, including painting, architecture, literature and music, with special study of Durer, Van Eyck, El Greco, and Bosch.
HUM 4440 Arts and Letters in the 17th and 18th Centuries (4) AS HUM  
Junior/Senior Level Standing. A study of the visual arts, literature and music from the mysticism and ornament of the Baroque to the rationalism and classicism of the Enlightenment, including such artists, authors and composers as Rembrandt, Gentileschi, Voltaire, Bach, and Mozart.

HUM 4442 Arts and Letters of the Romantic Period (4) AS HUM  
PR: Junior standing and HUM 2210 or HUM 2230, or CI. Continental masterworks of fiction, painting, and music in the context of European cultural history from the French Revolution to the Revolutions of 1848.

HUM 4444 Nineteenth Century European Arts and Letters (4) AS HUM  
PR: Junior standing and HUM 2210 or HUM 2230, or CI. A study of continental literary, musical, and artistic masterworks from the Revolutions of 1848 until the outbreak of World War I.

HUM 4445 Twentieth Century Arts and Letters I (4) AS HUM  
Junior/Senior Level Standing. Analysis of selected works of twentieth century art. The course will focus on a particular phase in the development of modernism, a set of themes, or certain stylistic aspects of various arts of the twentieth century.

HUM 4446 Twentieth Century Arts and Letters II (4) AS HUM  
Junior/Senior Level Standing. Analysis of selected works of twentieth century art. The course will focus on a particular phase in the development of modernism, a set of themes, or certain stylistic aspects of various arts of the twentieth century.

HUM 4452 Nineteenth Century American Culture (4) AS HUM  
PR: Junior standing and HUM 2210 or HUM 2230, or CI. Study of selected works of art, tracing the course of American expansionism in civilization, and the interaction between the arts and the sciences in American ways of life and work, 1790-1890.

HUM 4455 Twentieth Century American Culture (4) AS HUM  
PR: Junior standing and HUM 2210 or HUM 2230, or CI. Study of selected works, tracing the course of expansion in the production and enjoyment of works of art, and interaction between the idealistic and pragmatic concerns for development of the arts in the 20th century.

HUM 4462 Pre-Columbian and Colonial Latin American Culture (4) AS HUM  
PR: Junior standing and HUM 2210 or HUM 2230, or CI. Analysis of selected Latin American works of art in their cultural context, with emphasis on the Pre-Columbian and Colonial periods. The course will focus on a particular historical, geographical, or thematic topic within those periods.

HUM 4464 Modern Latin American Culture (4) AS HUM  
Junior/Senior Level Standing. Analysis of selected Latin American works of art in their cultural context, with emphasis on the period since the time of independence. The course will focus on a particular historical, geographical, or thematic topic within that period.

HUM 4824 Issues in Cultural Theory (3) AS HUM  
Focuses on a critical issue in cultural theory. Students will delve into an issue central to cultural study and develop their ability to apply cultural theory to the analysis of cultural forms. Topic varies. Repeatable up to 6 hours with change of topic.

HUM 4825 Identity and Power (3) AS HUM  
Focuses on the relationships between social power and individual or group identity. Emphasizes how discourses on race, class, gender, and/or nationality construct individual subjectivity and imagined communities. Topic varies. Repeatable to 6 credits.

HUM 4890 Genres and Media (3) AS HUM  
This course focuses on a particular aesthetic genre or media. Emphasis is on close readings of the media or genre in question, and on how media or generic paradigms shape ideas and identities.

HUM 4905 Directed Study (1-4) AS HUM  
PR: CI. Specialized individual study determined by the student's needs and interests.

HUM 4930 Selected Topics in Humanities (1-4) AS HUM  
This course will deal with a recurrent theme in the arts as, for example, love or death, or will focus on artistic centers such as Renaissance Florence or Paris in the 1920s. Topics will vary.

HUM 4931 Seminar in Humanities 6A (3) AS HUM  
PR: HUM 3331 or CI. Senior status required. Seminar focuses on the writing of a substantial research paper in the humanities. Topic varies. Offered only in spring semester.

HUM 4938 Major Issues in the Humanities MW CPST (3) AS HUM  
The study of an important topical issue in the Humanities. Materials representing diverse views relating to that issue will be read, and works of art in different media that have relevance to the debate will be studied. Available to majors and non-majors.

HUM 4940 Internship in Humanities (1-2) AS HUM  
A structured, out-of-class learning experience providing firsthand, practical training in Humanities-related professional careers in the community. Restricted to Humanities majors. Repeatable up to 4 credit hours.

HUM 4941 Study on Location (1-4) AS HUM  
PR: Repeatable once for up to eight credits. The art of a culture will be examined during travel in groups, led by an instructor, to important cities or sites. Monuments, museums, architecture, plays, and/or concerts will be studied. Reading assignments and lectures. Not restricted.

HUN 2201 Nutrition (3) NU NUR  
PR: Course work in chemistry and biology or permission of faculty. Open to majors and non-majors. The study of fundamental principles of normal nutrition as they relate to human life and growth from conception through senescence, interpretation of current nutrition information, and application of nutrition knowledge in the establishment of good eating habits.

HUN 3932 Selected Topics in Nutrition (3) US DEA  
The content of this course will be determined by student demand and instructor interest. Repeatable up to 3 times with different topics.

IDH 2009 Honors Discovery: People, Processes and Problems (3) HC HON  
PR: Admission to Honors College. An appreciation of the research process in multiple disciplines culminating in the
production of a collaboratively developed research proposal.

IDH 2010 Acquisition of Knowledge CAHU HHCP (3) HC HON
PR: Admission to Honors College. An appreciation of the problems of how human understanding proceeds through operations such as perception, classification, and inference, among others, as well as the open philosophical questions behind these operations.

IDH 2930 Selected Topics (0-4) HC HON
PR: IDH 2010 or CI. This course is designed to emphasize a selected problem or issue that is meaningful and challenging to University Honors students and special populations. A variety of instructional approaches will be used. Topics will vary each semester. Repeatable for a total of 8 credits.

IDH 3100 Arts/Humanities Honors (1-3) HC HON
PR: IDH 2010. An introduction to western arts and letters from the perspectives of three periods (classicism, romanticism, and modernism), the relationship of ideas to art, the similarities among the arts of a given period, and important differences between periods.

IDH 3350 Natural Sciences Honors CANP (3) HC HON
PR: IDH 2010. An exploration of current knowledge concerning fundamental principles in the Sciences, their potential for application and attendant ethical and philosophical questions. Honors College students only. Repeatable up to 6 hours.

IDH 3400 Social and Behavioral Sciences Honors (3) HC HON

IDH 3600 Seminar in Applied Ethics (3) HC HON
PR: IDH 2010. This course explores ethical issues related to selected topics such as Ethics of Technology, Ethics in Business, Bio-Medical Ethics, Personal Ethics Development.

IDH 4000 Honors Program Seminar: Major Works/Majors Issues (4) HC HON
PR: IDH 2010. This course explores major works and major issues in a variety of disciplines. Each section will be devoted to content in a different academic area.

IDH 4200 Geographical Perspectives Honors (3) HC HON
PR: IDH 2010. An introduction to African, Latin American, Middle Eastern, or Asian perspectives focusing on social, political and economic, artistic, cultural and intellectual subject matter. The material will be presented within a geographical, chronological, and humanities background.

IDH 4910 Undergraduate Research (0-4) HC HON
PR: DPR. A supervised program of interdisciplinary research in areas of specific interest. Open to all USF students by application through the undergraduate research coordinator.

IDH 4930 Selected Topics (1-4) HC HON
PR: IDH 2010 or CI. This course is designed to emphasize a selected problem or issue that is meaningful and challenging to University Honors students and special populations. A variety of instructional approaches will be used. Topics will vary each semester. Repeatable for a total of 8 credits.

IDH 4950 Honors Project (1-4) HC HON
A program of independent research or study in areas of specific interest working under the supervision of a faculty mentor. Restricted to Honors College students.

IDH 4970 Honors Thesis (3) HC HON
PR: Senior Honors Standing. The development and public presentation of a senior thesis under the direction of a mentor. Course is taken for 2 semesters.

IDH 5956 Honors Graduate Project (3) HC HON
PR: Senior Status and permission of Honors College. Advanced Honors Project. Repeatable up to 12 hours.

IDH 5975 Honors Thesis (3) HC HON
PR: Senior Status and permission of Honors College. Advanced Honors Thesis. Repeatable up to 12 hours.

IDS 1505 Introduction to Research in Beh. & Com. Sciences (1) BC FMH
Overview of research problems in behavioral & community sciences, research ethics, and the responsible conduct of research. Restricted to students with a major or minor in College of Behavioral & Community Sciences.

IDS 2664 Social Science Perspectives I SS (3) AS IAS
Provides an overview of the evolution and global expansion of Western Civilization. Examines global problems of economic growth and development; geopolitical relations among nations and states, food supply and hunger, and environmental change.

IDS 2665 Social Science Perspectives II SS (3) AS IAS
Approaches the study of human behavior and society using the lens of various institutions. The course addresses issues of social stratification, economics, education, religion and social status. The course is not restricted to any major, has no lab section, and is not cross-listed.

IDS 2666 Historical Perspectives I HP (3) AS IAS
Approaches the study of human history through a series of specific case-studies that focus on historical processes. The primary focus of the course is to understand the variety of ways that the past has been brought into and understood in the present, rather than a comprehensive survey of a limited time or place.

IDS 2667 Historical Perspectives II HP (3) AS IAS
Approaches the study of human history through a series of specific exercises that focus on what historians do: produce histories. The primary focus of the course is to understand the variety of ways that the past can be emplotted in histories, rather than a comprehensive survey of a limited time or place. With this understanding, students will produce several of their own histories.

IDS 2931 Selected Topics (1-5) AS IAS
Selected topics in liberal arts and sciences. A basic introduction to the substance and theory of contemporary topics in humanities, social science or natural science.

IDS 2932 Selected Topics HP (3) AS IAS
Selected topics in the liberal arts and sciences.

IDS 2933 Selected Topics III SS (3) AS IAS
Selected topics in the Liberal Arts. A basic introduction to the substance and theory of contemporary topics in the arts and sciences.

IDS 2934 Selected Topics IV SS (3) AS IAS
Selected topics in the Liberal Arts. A basic introduction to the substance and theory of contemporary topics in the arts and sciences.
IDS 3115 Values and Choices 6A MW (3) ED EDF
An in-depth examination of values and their relationship to choices in contemporary society using historical perspective and inquiry of moral/ethical dilemmas. Available to majors or non-majors.

IDS 3186 Scientific and Ethical Dimensions of Human Disease MW (3) AS IAS
PR: DPR. An interdisciplinary perspective of the biological basis of human disease combined with critical thinking and medical ethics. Basic concepts of human disease are integrated with bioethical dimensions of patient choice, physician responsibility and current health care issues.

IDS 3662 Arts Connections FA (3) TA FAI
This is an interdisciplinary course to the arts disciplines of music, dance, theatre, and art. Artists from the four disciplines will provide weekly presentations centered around issues and ideas that have formed the basis of their creative research. Influences of diversity, new technologies and community and public arts will be explored. This course will introduce students to the role the arts play in shaping their perceptions of the world as well as reflecting the underlying values and paradigms that form our culture(s).

IDS 3663 Critical Issues Affecting the Arts 6A MW (3) TA FAI
PR: Junior standing or CI. A discussion-based examination of cultural trends, educational policies, governmental regulations, and financial factors which impact Art, Dance, Music, and Theatre.

IDS 3668 Images of Contemporary Urban Culture 6A LW (3) AS IAS
Offers multiple perspectives on the vision, theories, and practices of contemporary urban culture through the use of various literary genres. Examines the cultural realities of contemporary urban life, such as social stratification, discontinuity, anonymity and poverty; as well as its many potentials such as creative energy, diversity, and relational networks. Must have enough credit hours required for exit course admittance.

IDS 3949 Cooperative Education, Parallel (0-2) US COE
PR: 45+ semester hours completed, cumulative GPA 2.5+, have a declared major and be accepted in Cooperative Education Program. Part-time (10-25 hrs/wk) paid or for credit, career-related work experience. This course may be repeated up to 6 credit hours. Prerequisite: 45+ hours of credit, GPA2.5+, a declared major and be accepted in Cooperative Education Program.

IDS 4955 International Community Research (1-4) AS CEL
PR: CEL Program approval. Repeatable up to 8 credit hours. To provide students with an international community research experience.

IDS 4956 International Community Internship (1-4) AS CEL
PR: CEL Program approval. To provide students with an international community internship experience. Repeatable up to 8 credits.

IDS 5177 The Atelier, Its Management and History (3) TA ART
This class will consider the history of printmaking and other forms of collaborative art production through the prism of the atelier and its management.

IDS 5178 Problems in Museum Studies (3) TA ART
PR: Art Advisor's Approval This class is designed as both an academic and theoretical course to introduce students to the museum profession and develop critical thinking skills required to solve problems in the rapidly changing typography of museums. Students will develop managerial and administrative skills as they meet with and discuss the job descriptions of curators, educators, collection managers, marketing professionals, exhibit designers, registrars, and fundraisers.

INP 2101 Applied Psychology SS (3) AS PSY
The application of psychological principles and the functions of psychologist in education, government, industry, and clinical practice.

INP 4004 Industrial Psychology (3) AS PSY
PR: PSY 3213 with a grade of C or better or CI. Applications of psychological principles and the functions of psychologist in education, government, industry, and clinical practice.

INR 1015 World Perspective SS AF (3) AS INT
An interdisciplinary study of the international system, major world regions and problems.

INR 2002 Introduction to International Relations (3) AS POL
Concepts and analytical tools applied to events such as politics among nations, control of foreign policies, types of actors, war and peace.

INR 3003 Introduction to International Studies (3) AS INT
An interdisciplinary study which stresses methods and analysis. A major portion will focus on the roles which different disciplines play in interpreting the international scene.

INR 3011 Globalization (3) AS INT
Influence of globalization on political-economic and social systems around the world. International organizations involved with globalization processes are studied along with nations benefiting and suffering from the consequences of globalization.

INR 3018 World Ideologies MW (3) AS INT
A course which details and examines the ideologies of today's independent countries; analyzing them in their political, social, cultural and historical context.

INR 3033 International Political Cultures MW (3) AS INT
This course will explore ways in which culture influences the nature of government, economic success or failure, and constructive and destructive modes of self and social identification.

develop programs utilizing various user interface design techniques.

ISM 4234 Object-Oriented Design and Development (3) BU QMB
PR: ISM 3232 with a grade of “C” or better (not C-). This course presents an object-oriented approach to software development of business information systems. Students will learn to create object models of the business world and to develop information system designs based on these objects.

ISM 4240 Distributed Operating Systems (3) BU QMB
PR: ISM 3113 with a grade of “C” or better (not C-). Introduction to distributed operating systems fundamentals such as distributed systems architecture, file structures, client-server, open systems, resource allocation, and basic tools for manipulating these operating environments.

ISM 4290 Senior Seminar in Information Systems (3) BU QMB
PR: ISM 4212 with a grade of “C” or better (not C-). A seminar covering advanced topics in systems management, analysis and design. Applications of these procedures to actual or hypothetical cases.

ISM 4300 Managing Information Resources (3) BU QMB
PR: ISM 4212 and ISM 4220, with grades of “C” or better (not C-). Current issues in information systems management focusing on managing computer resources and social issues such as ethics, privacy, and legal issues including intellectual property.

ISM 4382 Global Information Systems (3) BU QMB
PR: ISM 3011 with a grade of “C” or better (not C-). Role of information technology in global business organizations and challenges in building information systems to enable global operations.

ISM 4400 Decision Support Systems (3) BU QMB
PR: QMB 3200, ISM 3011, with a grade of “C” or better (not C-). Study of quantitative analysis tools and their use in organizational decision making. Emphasis on a structured approach to making common business decisions, demonstrating several forms of mathematical modeling and other management science techniques.

ISM 4480 Electronic Commerce Systems (3) BU QMB
PR: ISM 3011 with a grade of “C” or better (not C-). MIS major or CC. Familiarize students with the opportunities and challenges associated with e-commerce and its business models, to explore the underlying technologies used in implementing e-commerce systems, and to develop the skills needed to manage effective Web sites.

ISM 4905 Independent Study (1-6) BU QMB
S/U only. Independent study as directed by designated faculty.

ISM 4930 Selected Topics in MIS (1-3) BU QMB
Selected topics in MIS.

ISM 4950 Independent Research (1-6) BU QMB
PR: CI. Individual study contract with instructor and department chairperson required. The research project will be mutually determined by the student and instructor.

ISS 1101 Knowledge and Society SS (3) AS ISS
Course introduces students to issues concerning the relationship between knowledge and society. Among the issues addressed are competing accounts of knowledge and the relationship between knowledge and other forms of human experience and different aspects of social life such as religion, morality, aesthetics, politics, and gender.

ISS 1102 Self and Society 6A SS CASB (3) AS ISS
This course considers the history of the intellectual and social underpinnings of individualism. Why do we consider ourselves “selves,” independent of social forces which we so readily recognize in others?

ISS 1103 Nature and Culture SS (3) AS ISS
This course examines competing ideas and theories concerning the relationship between nature and culture. Among the issues and questions examined are the relationship between nature and our awareness of it; to what extent is nature transformable; should “nature” dictate the shape of social institutions; how does technology affect our society and environment.

ISS 3010 Introduction to the Social Sciences (3) AS ISS
Integrates the range of social science fields into a global interdisciplinary perspective. Views social institutions and issues from perspectives of changing paradigms.

ISS 3930 Selected Topics in the Social Sciences (1-4) AS ISS
Interdisciplinary studies of varying topics, with course content dependent on student demand and instructor’s interest.

ISS 4151 Native American Women (3) AS ISS
An interdisciplinary examination of lives of Native American Women, past and present, Topics include history, education, politics, family, etc.

ISS 4900 Directed Readings (1-3) AS ISS
PR: CI. A supervised program of intensive reading of interdisciplinary materials in areas of specific interest.

ISS 4910 Directed Research (1-3) AS ISS
PR: CI. A supervised program of interdisciplinary research in areas of specific interest.

ISS 4935 Seminar in the Social Sciences MW (3) AS ISS
PR: Senior standing and ISS 3010 or CI. The seminar which caps the interdisciplinary major. Weds personal curiosity with the application of theoretical models to research on salient social issues.

ISS 4940 Internship in Interdisciplinary Social Sciences (1-4) AP ISS
PR: ISS Majors only. Individual guidance in a selected internship. Restricted to majors. Nonrepeatable.

ISS 5934 Selected Topics (1-3) AS AFA
PR: CI plus senior standing or graduate status. Interdisciplinary studies with course content dependent on student demand and instructor’s interest.

ITA 1120 Beginning Italian I (4) AS WLE
CR: ITA 1120L. The first course in the study of elementary Italian. Emphasis is on the development of basic skills in comprehension, speaking, and reading.

ITA 1120L Beginning Italian Laboratory (1) AS WLE
CR: ITA 1120. A laboratory designed to offer additional practice using various instructional technologies and media.

ITA 1121 Beginning Italian II (4) AS WLE
CR: ITA 1121L. The second course in the study of elementary Italian. Emphasis is on the development of basic skills in comprehension, speaking and reading.

ITA 1121L Beginning Italian II Laboratory (1) AS WLE
CR: ITA 1121. S/U only. Concurrent enrollment with a
lecture session is required, and, if dropped, then dropped simultaneously. A laboratory designed to offer additional practice using various instructional technologies and media.

**ITA 2200 Italian III (3) AS WLE**
PR: ITA 1121 or equivalent. Readings in Italian on the elementary level. A review of the basic structure of spoken and written Italian.

**ITA 2201 Italian IV (3) AS WLE**
PR: ITA 2200. This course marks the fourth level in the acquisition of Italian language. It continues to encourage students to speak, listen, read and write in the target language through frequent communicative activities.

**ITA 2240 Italian Conversation I (3) AS WLE**
PR: ITA 2200 or CI. This advanced-level Italian course belongs to the third level of modules leading to proficiency. It aims at consolidating student's knowledge of Italian grammar and vocabulary with the ultimate goal of fostering accuracy in Italian conversation.

**ITA 2241 Italian Conversation II (3) AS WLE**
PR: ITA 2241 or CI. This advanced-level Italian course belongs to the third level of modules leading to proficiency. It aims at consolidating student’s knowledge of Italian grammar and vocabulary with the ultimate goal of fostering accuracy in Italian conversation.

**ITA 3420 Composition (3) AS WLE**
A fundamental composition course for students who have completed ITA 2200.

**ITA 3470 Overseas Study (1-6) AS WLE**
Prior approval and early registration required. An intensive study-travel project in Italy.

**ITT 3504 Italian Culture Through Film HP MW (3) AS WLE**
An overview of Italian culture from the Unification to the present. It aims at tracing the ways in which the concept of Italian culture has been defined according to different social, historical, and political perspectives. Taught in English.

**ITW 4100 Survey of Italian Literature I (3) AS WLE**
The course aims at providing an introduction to the study of Italian Medieval and Renaissance literature and civilization. The course may be taught as a survey course or it may focus on any author, period, genre, or cultural theme.

**ITW 4101 Survey of Italian Literature II (3) AS WLE**
The course aims at providing an introduction to the study of Italian Modern and Contemporary literature and civilization. The course may be taught as a survey course or it may focus on any author, period, genre, or cultural theme.

**ITW 4905 Directed Study (1-3) AS WLE**
Departmental approval required. Selected topics in Italian literature.

**JOU 2100 Beginning Reporting (3) AS COM**
PR: MMC 2100 and MMC 3602. Basic instruction in news judgment, sources of news, newsgathering, and newswriting techniques for various media. Typing ability is required.

**JOU 3101 Advanced Reporting (3) AS COM**
PR: JOU 2100 or RTV 3301 (RTV majors only), JOU 4201 (may be taken concurrently), PHI 1103 and POS 2041. Reporting and writing the more complex and specialized story. Techniques of investigative and analytical reporting, including ethical and legal considerations.

**JOU 3306 Critical Writing: Editorials, Reviews, Columns (3) AS COM**
PR: JOU 3101 and JOU 4201. Interpretive and opinion writing for the mass media. Analysis and discussion of current events as a basis for critical thinking and editorial writing. Evaluation of editorial pages of leading newspapers. Study of journalistic techniques involved in writing reviews and personal columns.

**JOU 3308 Magazine Article and Feature Writing (3) AS COM**
PR: CRW 2100 and JOU 2100. Planning, researching, writing, and marketing articles for general and special interest magazines and newspaper supplements. Experiences in developing article ideas and analysis of magazine articles.

**JOU 3940 Reporting Practicum (1) AS COM**
PR: JOU 3101 and CI. For journalism sequence majors. S/U only. Practical experience outside the classroom where the student works for academic credit under the supervision of a professional practitioner. Periodic written and oral reports to the faculty member coordinating the study.

**JOU 4181 Public Affairs Reporting (3) AS COM**
PR: JOU 3101 or RTV 3301 (RTV majors only), POS 2041 and POS 2112 or POS 3142. Covering city council meetings, courthouse, city hall, courts, society, and other special assignments. Emphasis is on coverage of major governmental units of all levels of government, including examination and interpretation of public documents and records.

**JOU 4188 Neighborhood News Bureau (3) AP COM**
PR: JOU 2100, MMC 2100, MMC 3602 This course provides students with experience and news clips. Classes are conducted as editorial meetings and students report and write about minority and multi-ethnic communities. The course is restricted to majors and is not repeatable for credit.

**JOU 4201 News Editing I (3) AS COM**

**JOU 4206 Newspaper and News Publication Design (3) AS COM**
PR: JOU 4201 or CI. Theoretical and practical applications of newspaper and news publication design, including typography, graphics, graphics software and electronic picture editing. Exercises in design for newspapers and news publications in both print and electronic formats.

**JOU 4212 Magazine Design and Production (3) AS COM**
PR: JOU 4201. Theoretical and practical application of design principles for magazines. Design software. Study of visual design, page architecture, typography, color and illustrations. Integration of design elements in the design of magazine covers. Design elements specific to magazine and production preparation.

**JOU 4938 Senior Capstone Seminar (2) AP COM**
PR: Senior standing as a department major. Students complete a final professional project, a portfolio, and exit
examination. Senior Seminar is the result of the department’s development of a plan to set and measure learning outcomes. It is restricted to majors and not repeatable for credit.

**JOU 4941 Editing Practicum (1) AS COM**
PR: Senior standing, JOU 4201 and Cl. For journalism sequence majors. S/U only. Practical experience outside the classroom where the student works for academic credit under the supervision of a professional practitioner. Periodic written and oral reports to the faculty member coordinating the study.

**JOU 4944 Magazine Practicum (1) AS COM**
PR: Senior standing and Cl. For journalism sequence majors. S/U only. Practical experience outside the classroom where the student works for academic credit under the supervision of a professional practitioner. Periodic written and oral reports to the faculty member coordinating the study.

**JOU 5105 Newswriting and Editing (3) AS COM**
PR: GS in Mass Communications or Cl. Introduction to the basics of gathering, writing, and editing the news, with an emphasis on practical assignments done under professional conditions and standards. Discussions, readings emphasize the larger context and implications of news.

**JOU 5305 Explorations in Newswriting (3) AS COM**
PR: CC. Students work to develop writing styles, reporting on and creating stories about significant issues, events, and ideas. The course explores the notion that narrative-style journalism can be accurate, thorough, fair, and compelling, effectively bringing readers into stories and giving them a bigger stake in the news. The focus is ongoing beyond traditional practices of reporting and writing news stories.

**JOU 5344 Multimedia Journalism (3) AS COM**
PR: An appropriate undergraduate degree in mass communications or significant professional experience in journalistic writing styles. The course is designed to bring components of print, web and broadcast writing together to develop skills for and understanding of the multimedia environment. It is restricted to majors and not repeatable for credit.

**JPN 1120 Modern Japanese I (4) AS WLE**
CR: JPN 1120L. An intensive study of basic skills: pronunciation, listening comprehension, speaking, and some composition.

**JPN 1120L Modern Japanese I Laboratory (1) AS WLE**
CR: JPN 1120. Concurrent enrollment with a lecture session is required, and, if dropped, then dropped simultaneously. S/U only. A laboratory designed to offer additional practice using various instructional technologies and media.

**JPN 1121 Modern Japanese II (4) AS WLE**
PR: JPN 1120 or equivalent. CR: JPN 1121L. A continuation of JPN 1120. More sophisticated oral/aural skills are attained. Basic reading skills are acquired.

**JPN 1121L Modern Japanese II Laboratory (1) AS WLE**
CR: JPN 1121. S/U only. Concurrent enrollment with a lecture session is required, and, if dropped, then dropped simultaneously. A laboratory designed to offer additional practice using various instructional technologies and media.

**JPN 2220 Modern Japanese III (4) AS WLE**
PR: JPN 1121 or equivalent. Continuing study to attain basic proficiency in Japanese.

**JPN 2221 Modern Japanese IV (4) AS WLE**
PR: JPN 2220 or equivalent. Continuation of JPN 2200.

**JPN 4905 Directed Study (1-5) AS WLE**
Departmental approval required. S/U only. Permits study options in Japanese not available in regularly scheduled curriculum at departmental discretion.

**JPN 4930 Selected Topics (1-5) AS WLE**
Departmental approval required. Course permits study options in Japanese not available in the regularly scheduled curriculum at departmental discretion.

**LAE 4314 Teaching Writing in the Elementary School, Grades K-6 (3) ED EDE**
PR: Elementary Education majors or Cl. The purpose of this course is for students to understand children’s writing development and to design and implement instructional strategies for teaching composition in an integrated Language Arts curriculum.

**LAE 4323 Methods of Teaching English: Middle School (3) ED EDE**
Must be taken one or two semesters prior to internship. Recommended to be taken with LAE 4464. Whole language methods of integrating reading, writing, speaking, listening, viewing, and critical thinking activities into a literature-based program for middle school students.

**LAE 4332 Traditional English Grammar for Teachers (3) ED EDE**
PR: English Education Majors only or CI. Prepares teachers to teach secondary English with an interactive approach to grammar instruction in which students learn, not only the basic elements of English grammar, but also pertinent and engaging classroom activities for teaching grammar.

**LAE 4335 Methods of Teaching English: High School (3) ED EDE**
PR: LAE 4464. Must be taken one semester prior to internship concurrently with LAE 4530. Whole language methods of integrating reading, writing, speaking, listening, viewing, and critical thinking activities into a literature-based program for high school students.

**LAE 4414 Teaching Literature in the Elementary School, Grades K-6 6A LW WRIN (3) ED EDE**
This course involves the selection, evaluation, and use of fiction, nonfiction, and poetry for instructional, informational, and recreational purposes in childhood education.

**LAE 4416 Teaching Literature and Writing in the Elementary Grades 6A LW (3) ED EDE**
PR: Elementary Education major. This course is designed to provide students with the skills necessary to implement a coordinated literature program and an integrated writing curriculum. Not repeatable for credit.

**LAE 4464 Adolescent Literature for Middle and Secondary Students 6A LW (3) ED EDE**
PR: English Education majors or Cl. Recommended to be taken with LAE 4323 two semesters prior to internship. A study of the types of literature read by adolescents with an emphasis upon the criteria for the choice of good books and knowledge of available books and teaching materials.
LAE 4469 Teaching World Literature to Middle and Secondary Students MW (3) ED EDT
World literature encompasses more than Western European literature. This course is designed to emphasize, but is not limited to, the study of Eastern literature. This course fulfills the world literature course requirement for teacher certification in English.

LAE 4530 Methods of Teaching English: Practicum (3) ED EDT
PR: Senior standing or enrollment in Plan II Master’s Program. CR: LAE 4323 or LAE 4335. Taken one semester, spring or fall, prior to internship.

LAE 4936 Senior Seminar in English Education CPST (3) ED EDT
PR: Senior standing. Required concurrently with internship. Synthesis of teacher candidate’s courses in complete college program.

LAE 4940 Internship: English Education (1-12) ED EDT
S/U only. One full semester of internship in a public or private school. Intern takes Senior Seminar in English Education concurrently. In special programs where the intern experience is distributed over two or more semesters, student will be registered for credit which accumulates from 9 to 12 semester hours.

LAE 5462 Young Adult and World Literature for New Teachers (3) ED EDI
PR: Teaching position w/either English degree or 30 hrs of Undergraduate English A study of the types of literature read by adolescents, including literature representative of other cultures, with emphasis upon the criteria for the choice of good books and knowledge of available books and teaching materials.

LAE 5862 Classroom Communication in English Education (3) ED EDI
Identifies characteristics of classroom communication environment; offers insights, info, instructional strategies designed to help you become effective classroom communication managers. Emphasis on role of media & non-print texts in students’ lives.

LAE 5932 Selected Topics in the Teaching of English (3) ED EDT
PR: Certification in English and/or Mass Communications and approval of graduate advisor. Investigation of topics which are of special interest to the student and are related to the teaching of English in the secondary school. Topics will be selected by the student in accordance with his particular goals and will be approved by the student’s graduate advisor.

LAH 2020 Latin American Civilization HP AF CAGC HHCP (3) AS HTY
This course introduces the principle historical events, trends, conflicts and outcomes that have shaped the Spanish and Portuguese Americas from the Pre-Columbian period (prior to 1492) to the present.

LAH 2733 Latin American History in Film HP AF (3) AS HTY
Through the use of films and readings, the course introduces the broad sweep of Latin American history from the pre-Columbian period to today. Emphasis is placed on the social-cultural context to understand the peoples and events that have shaped Latin America.

LAH 3130 Colonial Latin America (4) AS HTY
A study of the Spanish and Portuguese Colonial empires in the New World from 1492-1830.

LAH 3200 Modern Latin America (4) AS HTY
A study of the emergence of the Latin American states. The course will examine developments in Latin America during the nineteenth and twentieth centuries. Special attention is given to the Third World character of the region.

LAH 3430 History of Mexico (4) AS HTY
Mexican history from pre-Columbian cultures to the twentieth century. Emphasis falls on the colonial political economy, social development, the wars of independence, development of the 19th century Mexican state and the Mexican revolution.

LAH 3470 History of the Caribbean (4) AS HTY
A thematic study of the circum-Caribbean from pre-Columbian cultures to the twentieth century, emphasizing the development of the Caribbean political economy with emphasis on monoculture, plantation society, and colonial/neo-colonial relationships.

LAH 3480 History of Cuba (4) AS HTY
Cuban history from pre-Columbian cultures to the Cuban Revolution. Emphasis on colonization, the sugar economy, the struggles for independence, the political economy of the Republic, and the 20th century revolutionary process.

LAS 3002 Latin America (3) AS INT
Area study courses are multi-disciplinary in nature and deal with one or more countries of a region. Each course combines some measure of political, economic, historical, religious, geographic, anthropological, and sociological analysis in dealing with salient features and current problems.

LAS 3004 The Americas - Latin and Caribbean (3) AS INT
This is a telecourse that is designed to introduce the complexities of Latin America and the Caribbean to students in the U.S. (Open University - televised course.)

LAS 3116 Latin America Through Film AF (3) AS INT
This course will use film, video, selected readings, and lectures to teach the interested student about Latin America.

LAS 4023 African Diaspora in Latin American and the Caribbean CAGC HHCP (3) AS AFA
The class examines the development and history of the African Diaspora in Latin America and the Caribbean from colonization through the modern era. While primarily a history course, anthropological and sociological perspectives are also incorporated.

LAS 4934 Selected Topics: Latin American Studies (3-9) AS INT
Latin America region will be analyzed through different specific topics to provide students analytical tools to understand hemispheric relations and the relevance of this complex region for the USA. Open to non-majors, repeatable up to 09 credits.

LAS 4940 Internship in Latin American and the Caribbean (1-9) AS INT
PR: CI. Designed to complement other instruction focused on Latin America and the Caribbean. Open to all majors and is repeatable up to 9 hours.

LAT 1120 Beginning Latin I (4) AS WLE
An introductory course in Latin grammar with appropriate readings.
LAT 1121 Beginning Latin II (4) AS WLE
PR: LAT 1120 or equivalent. An introductory course in Latin grammar with appropriate readings.

LAT 2220 Intermediate Latin (4) AS WLE
PR: LAT 1121 or equivalent. Readings in Latin at an intermediate level.

LAT 2221 Intermediate Latin II (4) AS WLE
PR: LAT 2220. This class will introduce students to their first Latin author, and to the techniques and skills of intermediate work in Latin. It will also provide a comprehensive review of Latin Grammar. It is not restricted to majors, and not repeatable for credit.

LDR 2010 Leadership Fundamentals (3) US STL
Covers a broad range of leadership topics from self-development and understanding of self, to group behavior, organizational design, ethics and teamwork. The potential of every individual to develop effective leadership skills is examined.

LDR 3214 Leadership in the Fraternal Movement (3) US STL
Designated Greek Life Position. Leadership course designed for Greek Life board members, chairpersons of chapters, governing councils and auxiliary organizations. Study of group processes and applications for building and leading organizations from corporate and non-profit perspectives.

LDR 3263 Community Leadership Practicum (3) US STL
PR: LDR 2010, PR: LDR 4114. This course involves the transference of leadership theories into practice. It provides a practical forum for students to examine and develop personal leadership skills.

LDR 3331 Leading in the Workplace (3) US STL
Explores the complex challenges of leadership through the examination of leaders and workforce situations. Designed to view leadership as a process focusing on the leader, the followers, and real-world workplace situations. Appropriate for working adults.

LDR 3930 Selected Topics in Student Leadership (0-4) US STL
Course content will depend upon the interest of the faculty member and student demand. Repeatable up to 15 credits.

LDR 4104 Theories of Leadership HP (3) US STL
PR: LDR 2010, PR: LDR 4114. Focuses on historical and modern views of leadership. It is designed to assist students analyzing and understanding the historical, social, political aspects of leadership theories and styles as well as the application of leadership theories in settings.

LDR 4114 Survey of Leadership Readings (3) US STL
PR: LDR 2010. Survey of historical and contemporary writings on leadership skills and practices. Examines the contextual manner in which the leader functions.

LDR 4164 Organizational Theories and Processes (3) US STL
PR: LDR 2010 and LDR 4114. Participants will delve into the nature of organizational dynamics, they will utilize concepts, generalizations, theories, and frames of reference to analyze organizations and leadership to understand and improve their function.

LDR 4204 Ethics and Power in Leadership (3) US STL
PR: LDR 2010, LDR 4114. Course reviews arguments for ethics in leadership as proposed by both contemporary and ancient leadership theories. It also examines theories of power and authority, and seeks answers to the apparent dilemmas through applied moral theory and psychology.

LDR 4230 Global Leadership (3) US STL
A focus on historical and contemporary issues concerning the role, responsibilities and processes for leaders in the global environment. Addresses leadership concerns relating to social, cultural, ethical, political, economical, and environmental issues.

LDR 4564 Images of Leadership in Print and Film (3) US STL
PR: LDR 2010, PR: LDR 4114. This course examines the historical development of leadership theory through contemporary times. Surveys literature and other media relevant to role of the leader and to the development and application of leadership skills.

LIN 2002 Language, Culture & Film AF CAHU (3) AS WLE
Offers initial exposure to foreign languages and cultures. Through lecture, demonstration, discussion, and the viewing of full-length feature films, students are introduced to a variety of prominent modern and ancient languages and cultures.

LIN 3010 Introduction to Linguistics (3) AS WLE
Introduction to the basic principles of linguistic science; phonological and grammatical analysis and description; language change and genetic relationships.

LIN 3670 English Grammar and Usage (3) AS ENG
A course primarily using the sentence diagram to present classifications of traditional English grammar. It is not restricted 16 by the O.U. Program.

LIN 3801 Language and Meaning 6A (3) AS WLE
A survey introduction for non-specialists to the basic principles of semantics and the way language conveys ideas. This course is also available on WUSF/TV Channel 16 by the O.U. Program.

LIN 4040 Descriptive Linguistics (3) AS WLE
PR: LIN 3010 or CI. Introduction to the basic techniques of formalizing linguistic descriptions through elementary phonological, morphological, and syntactic data solution-problems drawn from a variety of languages. Both taxonomic and generative analysis and descriptions will be developed and compared.

LIN 4575 Language Types of the World () AS WLE
Will not count toward the English major.

LIN 4600 Language and Society (3) AS WLE
PR: LIN 3010. An analysis of the interrelation of a language and the structure of society using it. The linguistic behavior patterns characteristic of particular social, political, economic, educational, and racial groups. Problems in communication between strata.

LIN 4671 Traditional English Grammar (3) AS ENG
A course primarily using the sentence diagram to present a detailed analysis of the parts of speech, verb tenses, sentence functions, and other basic grammatical classifications of traditional English grammar.

LIN 4680 Structure of American English (3) AS ENG
An introductory survey of traditional, structural, and generative transformational grammars and their techniques for the analysis and description of linguistic structure in general, and contemporary American English, in particular.
LIN 4710 Language and Communication: Acquisition and Development (3) AS WLE
PR: LIN 3010. A survey of current research and theory in the processes of normal acquisition and development of language and communication in children, the acquisition and development of phonology, syntax, semantics, pragmatics, and nonverbal communication and the role of language in general cognitive development.

LIN 4903 Directed Reading (1-3) AS WLE
PR: Cl. Readings in special topics.

LIN 4930 Selected Topics (1-3) AS WLE
PR: Cl. Course content depends upon students’ needs and instructor’s interest and may range over the entire field of linguistics.

LIN 5700 Applied Linguistics (3) AS WLE
Analysis of the phonological, morphological, and syntactic features of English as a basis for linguistic application to problems of English language acquisition by non-native speakers.

LIS 2005 Library and Internet Research Skills CASB (3) AS LIS
This course covers the development of undergraduate research and critical thinking skills to identify, evaluate, and use appropriate information sources to address educational, research, and other information needs.

LIS 2937 Selected Topics in Library/Information Science (1-3) AS LIS
Covers a variety of topics in the field of library/information science such as emerging technologies, administration and service, and current professional issues.

LIS 3361 World Wide Web Page Design and Management (3) AS LIS

LIS 4930 Selected Topics in Information Studies (3) AS LIS
Covers a variety of topics in the field of library/information science such as emerging technologies, administration and service, and current professional issues.

LIS 5020 Foundations of Library and Information Science (3) AS LIS
Introduction to the study of library and information science, history; organization; specialized literature; outstanding leaders; current trends, issues, and problems; the place of the information agency in society with its contributions to that society.

LIS 5268 Microcomputer Applications Library and Information Centers (3) AS LIS
Microcomputer hardware and software for libraries and their application in library/information settings. Projects using major applications for budgets, databases, and telecommunications are undertaken.

LIS 5315 Instructional Graphics (3) AS LIS
Theoretical aspects, planning and production of instructional graphic material. The theory of graphic communications. Interpreting needs for instructional materials appropriate for given behavioral objectives.

LIS 5333 TV in Schools and Libraries (3) AS LIS
Small format video tape recordings and the utilization of open and closed broadcasts in schools and libraries.

LIS 5418 Health Informatics for Medical Librarians (3) AS LIS
PR: LIS 5020 or LIS 6620. CR: LIS 6475. Introduction to the interdisciplinary field of medical informatics highlighting the underlying theories, and methods related to health information technology in support of decision-making, problem-solving, and other health information problems.

LIS 5566 Multicultural Literature for Children and Young Adults (3) AS LIS
Students will select and evaluate multicultural and special population materials for effective use in youth services and programs in public and school libraries.

LIT 2000 Introduction to Literature 6A HP CAHU (3) AS ENG
This course will introduce students to the three major literary forms of prose, poetry and drama as well as to various “schools” of literary criticism. Will not count toward the English major.

LIT 2010 Introduction to Fiction 6A HP CAHU (3) AS ENG
A study of the short story and novel as literary forms; approached from an historical perspective though not restricted to any historical period. Will not count toward the English major.

LIT 2020 Introduction to the Short Story 6A CAHU HHCP (3) ASENG
Introduction to the formal elements of the short story, analysis and interpretation, application of major types of literary criticism, the history of the genre and its interaction with its social context. Will not count toward the English major.

LIT 2030 Introduction to Poetry 6A HP CAHU (3) AS ENG
A study of the poem as literary form; approached from an historical perspective though not restricted to any historical period. Will not count toward the English major.

LIT 2040 Introduction to Drama 6A HP CAHU (3) AS ENG
This course will introduce students to the literary form of drama as well as to the various “schools” of literary criticism. Will not count toward the English major.

LIT 3022 Modern Short Prose HP (3) AS ENG
PR: ENC 1101 and ENC 1102. This course for English majors and minors explores modern short prose in World, British, and American literatures; genres include the short story, the long short story, the short novel, and the essay. Not repeatable.

LIT 3031 Survey of Poetry (3) AS ENG
A chronological sampling of the major poems written in English from the Middle Ages to the present. Recommended as the first literature course in the CRW (Poetry emphasis) Option.

LIT 3043 Modern Drama (3) AS ENG
A study of such modern and contemporary dramatists as Ibsen, Strindberg, Chekhov, Pirandello, Shaw, O’Neill, Pinter, Stoppard, Brecht, Beckett, and Ionesco.

LIT 3093 Contemporary Literature (3) AS ENG
An introduction to the fiction, poetry, and drama written since 1945—American, British, Continental, or Multicultural. Focus may be on one, two, or all three genres or on works from any combination of nationalities.
LIT 3101 Literature of the Western World Through the Renaissance (3) AS ENG
A study in English of the great works of Western Literature from its beginnings through the Renaissance, including the Bible, Homer, Sophocles, Plato, Euripides, Virgil, Cicero, Dante, Petrarach, Machiavelli, and Rabelais, among others.

LIT 3102 Literature of the Western World Since the Renaissance (3) AS ENG
A study in English of the great works of Western Literature from the Neoclassic to the Modern Period, including such writers as Moliere, Racine, Voltaire, Dostoevsky, Chekhov, Ibsen, Kafka, Gide, Sartre, and Camus, among others.

LIT 3103 Great Literature of the World 6A MW LW WRIN (3) ASEG
A survey of world literature including samples from the ancient and modern era, Western and Eastern traditions, male and female writers, and various ethnic cultures. Focus on values/ethics, race, ethnicity and gender; thinking and writing skills. Will not count toward the English major.

LIT 3144 Modern European Novel 6A HP (3) AS ENG
A study of the Modern European novel in translation as it developed from the nineteenth century to the present, including such writers as Dostoevsky, Flaubert, Kafka, Hesse, Camus, and Solzhenitsyn.

LIT 3155 Twentieth-Century Literature 6A HP MW LW WRIN (3) AS ENG
Examines major literary works of the 20th Century written in English and explores ways authors have expressed the age, its great issues and conflicts, in order to gain a historical perspective that will help relate the present to the recent past. Will not count toward the English major.

LIT 3301 Cultural Studies and the Popular Arts 6A MW LW WRIN (3) AS ENG
A study of American and international cultures as they are represented in the film, fiction, and other cultural artifacts of various ethnic groups and nationalities. Focuses on values/ethics, race, ethnicity and gender; thinking and writing skills. Will not count toward the English major.

LIT 3374 The Bible As Literature 6A MW WRIN (3) AS ENG
Major emphasis on literary types, literary personalities of the Old (Fall semester) and New (Spring semester) Testaments, and Biblical archetypes of British and American literary classics. Focuses on values/ethics, race, ethnicity and gender; thinking and writing skills. May be taken twice for credit with different topics.

LIT 3383 The Image of Women in Literature 6A MW LW WRIN (3) AS ENG
This course seeks to trace the origins of contemporary views about women, to analyze major Eastern and Western literary portrayals of women, to examine ideas about women's roles, and to compare and contrast cultural and racial images of women. Will not count toward the English major.

LIT 3410 Religious and Philosophical Themes (3) AS ENG
Theological and philosophical ideas, allusions, and symbols in the writings of Dostoevsky, Nietzsche, Mann, Joyce, Eliot, Camus, Sartre, among others.

LIT 3451 Literature and the Occult 6A MW LW WRIN (3) AS ENG
An introduction to the occult tradition as a major ingredient in English, Continental, American, and Multicultural literature. Focuses on values/ethics, race/ethnicity and gender; thinking and writing skills. Will not count toward the English major.

LIT 3930 Special Topics in English Studies (3) AS ENG
The study of variable specialized areas of literary interest, suitable for junior and senior English majors. Topics will vary according to student interest and instructor expertise. May be taken twice for credit with different topics.

LIT 4386 British and American Literature by Women 6A (3) ASEG
Survey of women's literary tradition in England and America from the seventeenth century to the present. Thematic focus includes self, marriage, sexuality, madness, race and generations. Writing intensive.

LIT 4804 Literature as Cultural Study MW (3) AS ENG
The study of literary texts as cultural artifacts. Literary texts as historical, social, political, psychological, philosophical, religious, etc. documents. Topics and works vary. Will not count toward the English major.

LIT 4930 Selected Topics in English Studies (1-4) AS ENG
The content of the course will be governed by student demand and instructor interest. It will examine in depth a recurring literary theme or the work of a small group of writers. Special courses in writing may also be offered under this title. May be taken twice for credit with different topics.

LNW 4381 Livy (4) AS WLE
PR: Basic knowledge of Latin. Readings in the ideas and artistry of this Roman historian.

LNW 4500 Cicero and Roman Philosophy (4) AS WLE
PR: Basic knowledge of Latin. Readings in the philosophic writings of Cicero, together with a consideration of eclectic thought.

LNW 4501 Seneca and Roman Philosophy (4) AS WLE
PR: Basic knowledge of Latin. Readings in the philosophic writings of Lucius Annaeus Seneca, together with an examination of Stoic, Epicurean, and Eclectic thought.

LNW 4634 Catullus (4) AS WLE
PR: Basic knowledge of Latin. Readings in Catullus. Study of techniques and tradition in Roman lyric poetry.

LNW 4644 Cicero (4) AS WLE
PR: Basic knowledge of Latin. Readings in the epistles of Cicero.

LNW 4654 Horace (4) AS WLE
PR: Basic knowledge of Latin. Readings in the Odes and Epodes of Horace; study of the Ode’s tradition.

LNW 4660 Vergil (4) AS WLE
Readings in Virgil’s Aeneid. Study of the tradition, techniques, and artistry of Roman epic poetry. Available to majors and non-majors.

LNW 4670 Ovid (4) AS WLE
PR: LAT 1121 or equivalent. Readings in Ovid’s Metamorphoses. Study of Ovid’s technique, style, and artistry.

LNW 4900 Directed Reading (1-4) AS WLE
Departmental approval required.

LNW 4930 Selected Topics (4) AS WLE
Study of an author, movement, or theme.

LNW 5900 Directed Reading (1-4) AS WLE
Departmental approval required. S/U.
MAC 1147 Precalculus Algebra and Trigonometry (4) AS MTH
PR: C (2.0) or better in MAC 1105, or C (2.0) or better in MAC 1140, or C (2.0) or better in MAC 1147, or 590 or better SAT Math score, or 26 or better ACT Math score, or 78 or better College-Level Math CPT score. No credit for mathematics majors or students with credit for either MAC 2241, MAC 2281, or MAC 2311. Linear equations and functions, mathematics of finance, differentiation and integration of algebraic, exponential and logarithmic functions with applications to business, finance and economics.

MAC 2241 Life Sciences Calculus I 6A QM CAMA (4) AS MTH
PR: C (2.0) or better in MAC 1140, or C (2.0) or better in MAC 1147, or 650 or better SAT Math score, or 29 or better ACT Math score, or 90 or better College-Level Math CPT score, and knowledge of trigonometry. No credit for math majors or students with credit in MAC 2233, MAC 2281, or MAC 2311. Differentiation and integration of algebraic, trigonometric, exponential, and logarithmic functions with applications to life sciences.

MAC 2242 Life Sciences Calculus II 6A QM CAMA (4) AS MTH
PR: C (2.0) or better in MAC 2241. No credit for Mathematics majors or students with credit in MAC 2282 or MAC 2312. Techniques of integration, differential equations, functions of several variables, series and Taylor polynomials.

MAC 2281 Engineering Calculus I 6A QM CAMA (4) AS MTH
PR: C (2.0) or better in MAC 1140 and C (2.0) or better in MAC 1147, or C (2.0) or better in MAC 1147, or 650 or better SAT Math score, or 29 or better ACT Math score, or 90 or better College-Level Math CPT score, and knowledge of trigonometry. No credit for mathematics majors or for students with credit in MAC 2333, MAC 2241, or MAC 2311. Differentiation, limits, differentials, extremes, indefinite integral. No credit for mathematics majors or for students with credit in MAC 2233 or MAC 2243 or MAC 2311.

MAC 2282 Engineering Calculus II 6A QM CAMA (4) AS MTH
PR: C (2.0) or better in MAC 2281. No credit for students with credit in MAC 2242 or MAC 2312. Definite integral, trigonometric functions, log, exponential, series, applications.

MAC 2283 Engineering Calculus III 6A (4) AS MTH
PR: C (2.0) or better in MAC 2282 or CC. No credit for students with credit in MAC 2313. Techniques of integration, numerical methods, analytic geometry, polar coordinates, Vector algebra, applications.

MAC 2311 Calculus I 6A QM CAMA (4) AS MTH
PR: C (2.0) or better in MAC 1140 and C (2.0) or better in MAC 1147, or 650 or better SAT Math score, or 29 or better ACT Math score, or 90 or better College-Level Math CPT score, and knowledge of trigonometry. No credit for students with credit in MAC 2333, MAC 2241, or MAC 2281. Differentiation, limits, differentials, extremes, indefinite integral. No credit for students with credit in MAC 2233 or MAC 2243 or MAC 2311.

MAC 2312 Calculus II 6A QM CAMA (4) AS MTH
PR: C (2.0) or better in MAC 2311 or CC. No credit for students with credit in MAC 2242 or MAC 2282. Antiderivatives, the definite integral, applications, series, log, exponential and trig functions.

MAC 2313 Calculus III 6A (4) AS MTH
PR: C (2.0) or better in MAC 2312 or CC. No credit for students with credit in MAC 2283. Integration, polar coordinates, conic sections, vectors, indeterminate forms and proper integrals.
MAD 3100 Discrete Mathematics 6A (3) AS MTH
PR: MAC 2281 or MAC 2311. No credit for Mathematics majors. An introduction to some of the aspects of discrete mathematics that are fundamental to digital computing. Topics include sets, numbers, algorithms, Boolean algebra, computer arithmetic, elementary combinatorics and an introduction to graph theory.

MAD 4401 Numerical Analysis 6A (3) AS MTH
PR: MAP 2302 and MAS 3105. Interpolation and quadrature, finite differences, numerical solution of algebraic and transcendental equations, numerical solution of differential equations, computer techniques.

MAD 4504 Theory of Computation 6A (3) AS MTH

MAD 5101 LISP: Programming With Algebraic Applications (3) AS MTH
PR: MHF 5306 or MAD 6510 or MAS 5311 or CI. Programming in LISP, functional languages, foundations of Lambda Calculus and algebraic applications (theorem proving and game playing).

MAD 5305 Graph Theory (3) AS MTH
PR: MAS 3105 or CI. Brief introduction to classical graph theory (4-color theorem, etc.), directed graphs, connected digraphs, condensations, incidence matrices, Polya’s Theorem, networks.

MAE 4310 Teaching Elementary School (K – 6) Mathematics I (3) ED EDE
PR: Admission to College of Education and two college level mathematics courses. Methods for teaching number ideas, computation skills, and mathematical reasoning in elementary (K – 6) classrooms.

MAE 4314 Mathematics for all Students (4) EP EDE
PR: EEX 4012 and MAC 1105 or higher minimum grade C-. CR: EDG 4943. Elementary, ESOL, & Exceptional Student Education methods for teaching, diagnosing, and remediating problem solving; numeration systems; whole number concepts and computation; fraction, decimal, and percent concepts and computation. Includes research perspectives.

MAE 4320 Teaching Mathematics in the Middle Grades (3) EDEDO
PR: Admission to Mathematics Education Program or CI. This course provides prospective middle school teachers the opportunity to develop concepts, skills, and pedagogical procedures for effective teaching of mathematics in grades 5-9.

MAE 4326 Teaching Elementary School (K – 6) Mathematics II (3) ED EDE
PR: MAE 4310. Methods for teaching informal geometry, measurement, probability, statistics, and algebraic thinking for elementary school (K – 6) classrooms.

MAE 4330 Teaching Senior High School Mathematics (3) ED EDO
PR: MAE 4320 or CI. The course is designed to prepare the student for a successful internship experience as well as an induction to teaching mathematics in the high schools of today. The experiences help bridge the perceived gap between theory and practice.

MAE 4551 Reading the Language of Mathematics (3) ED EDO
PR: MAE 4330 and MAE 4653 or CI. This course provides an opportunity to develop concepts, skills and procedures for effective communication (reading, writing, listening and speaking) in the mathematics curriculum. The State DOE required preparation in basic reading is covered.

MAE 4652 Technology for Teaching Secondary School Mathematics I (3) ED EDO
PR: Admission to Mathematics Education Program or CI. This course provides prospective teachers an opportunity to develop concepts, skills, and instructional procedures for integrating technology for teaching Geometry and Probability into secondary mathematics classrooms.

MAE 4653 Technology for Teaching Secondary School Mathematics II (3) ED EDO
PR: MAE 4652 or CI. This course provides prospective mathematics teachers with an opportunity to develop concepts, skills and instructional procedures for effectively integrating technology into teaching algebra and data analysis into the secondary mathematics curriculum.

MAE 4909 Directed Study: Mathematics Education (1-3) ED EDO
PR: Senior Standing and CI. To extend competency in teaching field.

MAE 4936 Senior Seminar in Mathematics Education CPST (3) ED EDO
PR: Senior Standing; CR: MAE 4940. Synthesis of teacher candidate’s courses in complete college program.

MAE 4940 Internship: Mathematics Education (1-12) ED EDO
CR: MAE 4936. S/U only. One full semester of internship in a public or private school. In special programs where the intern experience is distributed over two or more semesters, students will be registered for credit which accumulates from 9 to 12 semester hours.

MAE 5875 Abstract Algebra for Teachers (3) AS MTH
PR: MAS 3105 and MAS 4301 and Bachelor’s degree or CI. No credit for Mathematics majors. Groups, fields, vector spaces as they relate to high school algebra and geometry.

MAN 3025 Principles of Management (3) BU MAN
PR: Junior standing. Examines intrapersonal, interpersonal, group/team, organizational, and environmental (both stakeholder and societal) factors influencing the management task.

MAN 3240 Organizational Behavior Analysis (3) BU MAN
PR: MAN 3025. The course covers research literature relevant to organizational functioning including behavioral effects of power and authority, formal organization, structural variation, leadership, motivation, and communication.

MAN 3301 Human Resource Management (3) BU MAN
To develop a broad exposure to new approaches, techniques, and future trends in the management of personnel. A study of the major functions in personnel including job analysis, manpower planning, selection, performance evaluation, training, and wage and salary administration.

MAN 3401 Industrial Relations (3) BU MAN
Conceptualization of the administrative problems arising from unionization. Emphasis on the relationship between
MAN 4120 Managerial Behavioral Laboratory (3) BU MAN
PR: MAN 3240 or equivalent. Development of direct understanding of personal, interpersonal, and intergroup factors present in organizational interaction. Stress is on a series of experiential exercises and written application of results within a laboratory setting.

MAN 4129 Theory and Practice of Management Skills (3) BU MAN
This course involves the transference of management theories into practice. It requires the active involvement of students in developing and practicing the skills needed to be a successful manager.

MAN 4280 Organizational Development and Change (3) BU MAN
PR: MAN 3240 or CI. A lab course where students experimentally apply behavioral science techniques in an “action-research” framework to the cycle of planned change so as to build a more effective organization.

MAN 4282 Organizational Assessment (3) BU MAN
PR: MAN 3240. The analysis and measurement of factors which influence organizational effectiveness and the quality of work life. Data based cases will be used by students to assess managerial and supervisory skills and to measure organizational functioning and work design.

MAN 4402 Employment Laws (3) BU MAN
Federal and state regulation of the employment relationship, including wage and hour laws; EEO; affirmative action programs; employee benefits; insurance; workers’ compensation, safety, health, employee’s personal rights; collective bargaining legislation.

MAN 4430 Seminar in Negotiations and Administration of Labor Agreements (3) BU MAN
Case studies in contract negotiation, administration, grievance settlement, and arbitration. Assumes familiarity with industrial relations system.

MAN 4504 Operations Management: A Systems Approach (3) BU QMB
PR: ISM 3431 or equivalent. Studies the problems of “operations” in all types of enterprises in both the public and private sectors. Emphasis is placed on the application of various decision science methodologies to problem situations.

MAN 4507 Operation Production Systems (3) BU QMB
PR: MAN 4504 or CI. Study of closed loop production planning and control systems. Master production planning, inventory management, materials requirements planning, capacity, management, production activity. Relationship to organizational effectiveness.

MAN 4600 International Management (3) BU MAN
PR: MAN 3025, Senior Standing or CI. Examines the effects of international cultural differences on business practices within and outside the United States and provides methods to build synergies and establish/enhance competitive advantage via those differences.

MAN 4631 Global Perspectives and Management Choices (3) BU MAN

MAN 4702 Disaster Recovery and Business Continuity Planning (3) AS EIT
PR: Electives may be taken at any time after completion of the first semester. When organizations are interrupted by disasters, accidents, or natural events, a loss of money, data, and/or productivity occurs. The extent to which the loss affects the organization’s health depends on its ability to deal with these disruptions.

MAN 4802 Entrepreneurship and Small Business Management (3) BU MAN
PR: ACG 2021, ACG 2071, MAR 3023, or CI. Study of the factors involved in starting and managing a small- to medium-sized business. Emphasis on conduct of pre-business feasibility study, start-up of business, successful management of the firm, and options for succession or termination.

MAN 4804 Small Business Management Counseling (3) BU MAN
PR: MAN 4802 or CI. Field application in small business settings by (a) analyzing an on-going small business and developing recommendations for making improvements; or (b) conducting a feasibility study for a new enterprise and developing a strategy for implementation if favorable.

MAN 4905 Independent Study (1-3) BU MAN
PR: CI. S/U only. Specialized independent study determined by the students needs and interests.

MAN 4930 Selected Topics in Management (1-3) BU MAN
Topics to be selected by instructor and department chairperson for pertinent Management issues.

MAN 4931 Independent Research (1-4) BU MAN
PR: CI. Individual study contract with instructor and department chairperson required. The research project will be mutually determined by the student and instructor.

MAP 2302 Differential Equations 6A (3) AS MTH
PR: MAC 2283 or MAC 2313. First order linear and nonlinear differential equations, higher order linear equations, applications.

MAP 5316 Ordinary Differential Equations I (3) AS MTH
PR: MAP 2302 and MAA 4211, or CI. Existence and uniqueness theory, properties of solutions, linear systems, stability theory. Sturm-Liouville theory.

MAP 5317 Ordinary Differential Equations II (3) AS MTH
PR: MAP 5316 and MAA 5307 or CI. Topics selected from fixed point theory, comparison theory, oscillation theory, Poincare-Bendixson Theory, Lyapunov functions, eigenfunction expansions.

MAP 5345 Applied Partial Differential Equations (3) AS MTH
PR: MAP 5407 or CI. Separation of variables, the heat equation, wave equation, Laplace’s equation, classification, Green’s functions with emphasis on applications.

MAP 5407 Methods of Applied Mathematics (3) AS MTH
PR: MAP 2302 or CI. Sturm-Liouville theory, Fourier series, Green’s functions, matrix methods for linear systems of ordinary differential equations, and topics from calculus of variations, control theory, numerical solutions of differential equations.

MAR 2931 Selected Topics in Marketing (1-4) BU MKT
Not available for credit to upper-level students who have
been admitted to the College of Business. Topics to be selected by department chairman.

**MAR 3023 Basic Marketing (3) BU MKT**
PR: Junior standing. Survey of the marketing of goods and services within the economy. Attention is paid to the impact of marketing on other functional areas of business as well as society.

**MAR 3400 Professional Selling (3) BU MKT**
PR: MAR 3023 or CI. A study of the stages of the professional selling process, and the role of sales in today’s marketing environment. Emphasis on learning adaptive selling techniques and developing effective interpersonal communications skills. Sales careers are examined.

**MAR 3613 Marketing Research (3) BU MKT**
PR: QMB 2100, MAR 3023. A study of research methods and techniques applicable to problem solving in marketing. Attention is also given to defining information needs, determining the value of information, interpreting and reporting information for use in marketing decision making.

**MAR 3823 Marketing Management (3) BU MKT**
PR: MAR 3023. An applications oriented study of the marketing function at an intermediate level. Emphasis upon techniques for analysis and problem-solving. Builds upon the principles and concepts learned in MAR 3023, and provides a strong foundation for the remaining courses in the marketing curriculum.

**MAR 4156 International Marketing (3) BU MKT**
PR: MAR 3023. A study of procedures and problems associated with establishing marketing operations in foreign countries. Includes the institutions, principles and methods involved in the solution of these business problems as well as the effects of national differences on business practices and buyer behavior.

**MAR 4213 Logistics and Physical Distribution Management (3) BU MKT**
PR: MAR 3023 or CI. A study of logistics in the marketing of goods and services. Includes a description and analysis of the logistics environment as well as components of the physical distribution system with emphasis on information flows and the application of quantitative techniques used in establishing and controlling customer service levels.

**MAR 4231 Retailing Management (3) BU MKT**
PR: MAR 3023. A comprehensive study of the retailing structure, institutions, and environment. Includes pertinent management theories and practices in analyzing, organizing, planning and controlling retail operations, both large and small.

**MAR 4333 Promotion Management (3) BU MKT**
PR: MAR 3023 or CI. A study of the role of promotion in the marketing program of the firm, including the promotional tools available to the marketing manager and the various types of decisions made in the promotional area. Decision making process in development of a promotional program is emphasized.

**MAR 4403 Sales Management (3) BU MKT**
PR: MAR 3023 or CI. A study of sales management and strategy as a subset of marketing management. Emphasis is placed on developing the problem-solving and decision-making skills required of the sales manager in the modern market-oriented company.

**MAR 4453 Business to Business Marketing (3) BU MKT**
PR: MAR 3023. A study of the marketing of goods and services to the industrial and institutional sectors. Includes characteristics of the markets and channels of distribution, sales, management, research and promotional practices, marketing policies and strategies.

**MAR 4503 Buyer Behavior (3) BU MKT**
PR: MAR 3023. A study of the basic concepts of buyer behavior, including pre- and post-purchase attitudes and behavior patterns, information processing relating to the functional areas of marketing and the buyer’s decision-making process. Managerial applications to marketing are emphasized.

**MAR 4824 Marketing Management Problems (3) BU MKT**
PR: Senior Standing, MAR 3823, MAR 3613, MAR 4333. The integration of marketing knowledge applied to decision roles in managing the total marketing effort of firms, and coordination with other major functional areas on specific problems.

**MAR 4903 Independent Research (1-3) BU MKT**
PR: CI. Individual study contract with instructor and department chairperson required. The research project will be mutually determined by the student and instructor.

**MAR 4905 Independent Study (1-3) BU MKT**
PR: CI. S/U only. Specialized independent study determined by the students’ needs and interests.

**MAR 4933 Selected Topics in Marketing (1-3) BU MKT**
Topics to be selected by instructor and department chairperson.

**MAS 1100 Constructive Number Theory and Linear Algebra (2) US DEA**
PR: Acceptance in USF-Hillsborough County Mathematics and Science Program. Computational and constructive aspects of number theory. Topics include: properties of integers, Diophantine Equations, congruence, quadratic residues, polynomials over the integers, systems of linear equations, matrices and determinants.

**MAS 3105 Linear Algebra 6A (4) AS MTH**
CP: MGF 3301 and either MAC 2283 or MAC 2313. Linear systems, matrix algebra, vector spaces, linear independence, inner product spaces, Gram-Schmidt algorithm, linear transformations and matrix representations, determinants, eigenvalues, diagonalization, quadratic forms.

**MAS 4156 Vector Calculus 6A (4) AS MTH**
PR: MAS 3105 and either MAC 2313 or MAC 2283. Implicit function and inverse function theorems, parameterized surfaces, submanifolds on Euclidean space, exterior calculus of differential forms, differentiation of vector fields, line and surface integrals, Stokes’ Theorem, elementary continuous groups.

**MAS 4214 Elementary Number Theory 6A (3) AS MTH**
PR: MAC 2312. No credit towards Mathematics major. Divisibility, prime numbers, Fundamental Theorem of Arithmetic, Diophantine equations, the algebra of congruencies, number functions and other selected topics.

**MAS 4301 Elementary Abstract Algebra 6A (3) AS MTH**
PR: MAS 3105. An introduction to the basic algebraic structures; groups, rings, integral domains, and fields; homeomorphisms and isomorphisms.
MAS 5107 Advanced Linear Algebra (3) AS MTH

MAS 5215 Number Theory (3) AS MTH
PR: MAS 3105 and MAS 4301, or CI. Fundamental theorem of arithmetic, modular arithmetic, Chinese remainder theorem, Mersenne primes, perfect numbers, Euler-Fermat theorem, pseudo primes, primitive roots, law of quadratic reciprocity, factorization and primality testing algorithms.

MAS 5311 Algebra I (3) AS MTH
PR: MAS 3105 and MAS 4301 or CI. Group theory: Sylow theorems; classification of groups of small order. Ring theory: ideals, quotient rings, polynomial rings, Euclidean domains, principal ideal domains and unique factorization.

MAS 5312 Algebra II (3) AS MTH
PR: MAS 5311 or CI. Continuation of MAS 5311. Finite generated modules over a principal ideal domain, basic field theory, finite fields, Galois theory.

MAT 1033 Intermediate Algebra (3) ED EDI
PR: MAT 0024 with a grade of “C” or better or appropriate score on the Scholastic Aptitude Test, Mathematics (SATM) This course provides students with an opportunity to develop algebraic knowledge needed for further study in several fields such as engineering, business, science, computer technology, and mathematics.

MAT 1033L Intermediate Algebra Laboratory (1) ED EDI
PR: MAT 0024 with a grade of “C” or better or appropriate score on the Scholastic Aptitude Test, Mathematics (SATM) Note: students with SATM scores below a cut off”. CR: MAT 1033. This course provides students with an opportunity to develop algebraic knowledge needed for further study in several fields such as engineering, business, science, computer technology, and mathematics.

MAT 2936 Technology Seminar 6A (1) AS MTH
S/U only. A two hour/week technology seminar to acquaint students majoring in mathematics, physics, and other sciences with the computer tools necessary in scientific communication and document preparation.

MAT 4906 Independent Study 6A (1-4) AS MTH
PR: CI. S/U only. Specialized independent study determined by the student’s needs and interests. The written contract required by the College of Arts and Sciences specifies the regulations governing independent study.

MAT 4930 Selected Topics in Mathematics 6A (1-4) AS MTH
PR: CI. The course content will depend on the interest of faculty members and student demand.

MAT 4937 Mathematics Majors Seminar 6A (1) AS MTH
PR: MAS 4301.

MAT 4970 Mathematics Senior Thesis 6A (3) AS MTH
PR: Admission to Mathematics Honors Program and CC. S/U only. Course restricted to mathematics majors.

MAT 5932 Selected Topics (1-4) AS MTH
PR: CI. Each course covers a single topic outside the usual curriculum.

MCB 2000 Microbiology for Nursing and other Healthcare Professionals (3) NU NUR
Basics of microbiology for health professionals. Focus on disease states and the role of bacteria, viruses, fungi, rickettsiae and other pathogenic organisms.

MCB 2000L Microbiology Lab for Nursing and other Healthcare Professionals (1) NU NUR

MCB 3020C General Microbiology (4) AS BCM
PR: BSC 2010, BSC 2010L, BSC 2011, BSC 2011L, and CHM 2210 and MAC 1105 or higher-level MAC course or STA 2023. CP: PCB 3023 or PCB 3043 or PCB 3063 or PCB 3712. Structure and function of bacteria, archaea, viruses, and eukaryotic microbes. Laboratory includes media preparation and culturing, staining and enumeration techniques. Lecture and Laboratory. PCB 3063 is recommended.

MCB 3410 Cell Metabolism (3) AS BCM
PR: BIO 2010 and BIO 2010L. CR: CHM 2045 This course will provide a broad framework and overview of major metabolic pathways that occur in living cells with emphasis on integration and regulation of those pathways. For majors and non-majors.

MCB 4115C Determinative Bacteriology (5) AS BCM
PR: MCB 3020C, CHM 2210, MAC 1105 or higher-level MAC course or STA 2023. CP: PCB 3023 or PCB 3043 or PCB 3063 or PCB 3712 and CHM 2211. Survey of bacterial classification; detailed examinations of bacteria important to man in agriculture, in industry and as pathogens. Lecture.

MCB 4313 Industrial Microbiology and Biotechnology (3) AS BCM
PR: MCB 3020C. This course focuses on advanced principles of industrial microbiology/biotechnology. It will expose student to the many applications of industrial microbiology in daily life and through this exposure visualize future entrepreneurial opportunities.

MCB 4320 Molecular Microbiology (3) AS BCM
PR: MCB 3020C, PCB 3023, PCB 3063. Lecture based course building on principles from gen. microbiology to explore advanced topics in molecular microbiology. Emphasis is on: molecular genetics of bacteria and bacteriophages and genetic regulation of responses to the natural environment.

MCB 4404 Microbial Physiology and Genetics (4) AS BIN
PR: MCB 3020C and CHM 2210 and MAC 1105 or higher-level MAC course or STA 2023 and PHY 2053. CP: PCB 3023 or PCB 3043 or PCB 3063 or PCB 3712 and CHM 2211. Physiological, metabolic, and genetic phenomena pertinent to understanding the growth, development, ecology, regulation, and reproduction of microorganisms. Emphasizes the interdependence of physiological and genetic approaches. Lecture only.

MCB 4404L Microbial Physiology and Genetics Laboratory (1) AS BIN
CR: MCB 4404. Laboratory portion of Microbial Physiology and Genetics relating to biochemical characteristics and metabolic capabilities of bacteria. Laboratory only.
MCB 4905 Microbiology Undergraduate Research (1-4) AS BCM
PR: CHM 2210 & MAC 1105 or higher-level MAC course or STA 2023 and CI. CP: PCB 3023 or PCB 3043 or PCB 3063 or PCB 3712 & CHM 2211. S/U only. Junior standing and 3.0 GPA required. Individual investigation with faculty supervision. Written contract by Department is necessary prior to registration.

MCB 4934 Seminar in Microbiology (1) AS BCM
PR: Senior or advanced junior standing. S/U only. Biology majors may take for elective credit.

MCB 5206 Public Health and Pathogenic Microbiology (3) AS BCM
PR: MCB 3020C, CI. A comprehensive survey of pathogenic microbes responsible for disease in man and other animals and the impact of these infectious agents on the public health. These pathogens will be studied with respect to their morphology, cultivation, mechanisms of pathogenicity, laboratory diagnosis, and epidemiology.

MCB 5208 Cellular Microbiology (3) AS BCM
PCB 3023; MCB 3033 Cellular Microbiology is a lecture-based and literature-based course on the interactions between mammalian cells and microbial pathogens and/or their toxins, with a special emphasis on bacteria.

MCB 5655 Applied and Environmental Microbiology (3) AS BIN
PR: MCB 3020C. A study of the applications of microbiology to the food/beverage industry, agriculture, public health and bioremediation. This course is a microbiology elective and has a mandatory field trip.

MCB 5815 Medical Mycology (3) AS BCM
PR: MCB 3020C or CI. A modern biological survey of the medically important fungi (yeasts and molds) important to microbiologists and environmental scientists.

MET 4002 Climatology (4) AS GPY
PR: GEO 2200 or CI. An introductory survey of climatology. A qualitative study of the dynamics and general circulation of the atmosphere. Surface and upper level atmosphere linkages in the mid latitudes will be examined. Discussion of the regional climatic patterns and anomalies throughout the world.

MET 4010C Meteorology (4) AS GPY
PR: GEO 2200 or CI. The earth’s atmosphere and its processes; weather forecasting and analysis; instrumentation.

MGF 1107 Mathematics for Liberal Arts 6A QM CAMA (3) AS MTH
PR: C (2.0) or better in MAT 1033, or 440 or better SAT Math score, or 19 or better ACT Math Score, or 72 or better Elementary Algebra CPT score. This terminal course is intended to present topics which demonstrate the beauty and utility of mathematics to the general student population. Among the topics which might be included are: Financial Mathematics, Linear and Exponential Growth, Numbers and Number Systems, Elementary Number Theory, Voting Techniques, Graph Theory, and the History of Mathematics.

MGF 1116 Mathematical Experience 6A (3) AS MTH
PR: Two years of high school algebra. Introduction to some important and interesting basic ideas in mathematics with an emphasis on a mathematical way of thinking. Concepts such as definitions, axioms and proofs are explained. Topics from number theory, combinatorics, algebra and geometry are used. Some topics are presented in their historical context and their impact on the development of mathematics is discussed.

MGF 2131 Chaos and Fractals 6A QM (3) AS MTH
PR: C (2.0) or better in MAT 1033, or 440 or better SAT Math score, or 19 or better ACT Math Score, or 72 or better Elementary Algebra CPT score. Computer experiments in the behavior of functions under iteration: periodicity, attractors, stability, complex numbers, Cantor set, fractional dimension, sensitive dependence.

MGF 3301 Bridge to Abstract Mathematics 6A QM (4) AS MTH
CP: MAC 2313 or MAC 2283. Techniques and logic of the construction of proofs. Topics will be selected from propositional logic, set theory, relations and functions, equivalence relations, Boolean algebra, cardinality, and limits.

MHF 4403 The Early History of Mathematics 6A MW (3) AS MTH
PR: MAC 2312 and upper-level standing. A study of the history and development of mathematics and its cultural impact from the formation of number systems to the Renaissance.

MHF 4406 The History of Modern Mathematics 6A MW (3) AS MTH
PR: MAC 2313. Traces the development of mathematical ideas in Western culture.

MHF 5306 Mathematical Logic and Foundations I (3) AS MTH
PR: MAS 4301 or CI. Two-course sequence covering: predicate calculus and classical model theory; transfinite set theory and the system ZFC; recursion theory and decidability.

MHF 5402 The Early History of Mathematics (3) AS MTH
PR: MAC 2312 A study of the history and development of mathematics and its cultural impact from the formation of number systems to the Renaissance.

MHF 5405 History of Modern Mathematics (3) AS MTH
PR: MAC 2313. Traces the development of mathematical ideas in Western culture. Special emphasis is placed on those concepts which led to the Calculus. This course is open to majors and non-majors alike.

MHS 3411 Multidisciplinary Behavioral Healthcare Services (3) BC FMH
PR: CI or Junior Standing minimum. Working in behavioral healthcare requires the application of specific knowledge
MHS 4902 Behavioral Health Systems Delivery (3) BC FMH
PR: MHS 3411 This course is designed to provide students with an understanding of the significant issues and trends in behavioral health delivery systems in America. Four major areas will be emphasized: 1) history and legislation; 2) systems delivery; 3) programs and policies; 4) selected at-risk populations. This course is not repeatable for credit and is open to non-minors in behavioral healthcare.

MHS 4052 Human Relations Skills in Counseling MW (4) ED EDG
Introduction to the theory of human relations dynamics and development of skills required for effective interpersonal relations. Lecture sessions and experiential training.

MHS 4408 Exemplary Practices in Behavioral Healthcare Treatment (3) BC FMH
PR: MHS 3411 This course explores exemplary clinical practices in public behavioral health service delivery. Best or exemplary practices are defined as those that have both a track record and their efficacy has been empirically validated. Modules may begin with a historical perspective of the treatment of a specific population or a treatment strategy but will primarily focus on emerging methodologies.

MHS 4425 Field Experience in Behavioral Healthcare (3) BC FMH
PR: MHS 3411, MHS 4002, MHS 4408 This experiential class allows the student to observe and participate with multidisciplinary staff of a provider agency. The student will attend team meetings, observe individual, group, and case management services. Assignments will be made to maximize the student’s time investment in the field. Observations and experiences will be discussed in biweekly class meetings. Students are required to spend 120 hours (an average of 8 hours per week for 15 weeks) in an agency. Advisor approval required two months in advance of semester.

MHS 4731 Writing for Research and Publication in Behavioral and Community Sciences 6A WRIN (3) BC FMH
This course is a writing intensive exit course that fulfills the Gordon rule requirement. Students will develop a research problem statement, complete a literature review, and learn to prepare manuscripts for publication.

MHS 4741 Research Processes in Behavioral Health (3-5) BC FMH
PR: 1 course in statistics; 1 course in research methods. Application of research processes used in the interdisciplinary field of behavioral health including research design, quantitative and qualitative methods, measurement, report writing, dissemination, and grant writing. Open to all majors.

MHS 4905 Independent Study: Guidance and Counseling Education (1-4) ED EDG
PR: DPR. S/U only. Specialized independent study determined by the student’s needs and interests.

MHS 4906 Directed Study (1-4) BC FMH
Directed study. Student must have a contract with an instructor.

MHS 4912 Independent Research in Behavioral Health (1-4) BC FMH
PR: 1 course in statistics; 1 course in research methods. Students will conduct an independent research project in behavioral health (mental health and/or substance abuse) under the guidance of a faculty mentor. May be repeated for maximum of 8 credits.

MHS 4931 Selected Topics (1-4) BC FMH
The course content will depend on student demand and instructor's interest. The course may be repeated for different topics up to 9 hours.

MHS 5020 Foundations of Mental Health Counseling (3) BC REH
PR: CC. A skill-building course on the utilization of one’s self in mental health counseling relationships. Includes study of the origin, history, professional functions and current issues in the discipline of mental health counseling.

MHS 5480 Human Growth and Development (3) BC REH
PR: RCS 5780, MHS 5020, Majors only. Human development theory as applied in psychotherapy and case management rehabilitation, mental health, and addiction settings.

MHS 5905 Directed Studies (1-4) ED EDG
Independent studies on a selected topic.

MLS 4038 Introduction to Medical Technology (1-2) AS CHM
PR: Senior standing and acceptance into an approved affiliated hospital. A hospital clinical course on principles and methods of medical technology, including professional ethics, safety regulations, quality control, phlebotomy, medical terminology, labor.

MLS 4860 Clinical Urinalysis and Body Fluids (2) AS CHM
PR: Senior standing and acceptance into an approved affiliated hospital. A hospital clinical course on laboratory methodology and diagnosis using urine and other fluids such as semen, spinal, pleural, peritoneal, and joint fluids.

MLS 4861 Clinical Immunology (2) AS CHM
PR: Senior standing and acceptance into an approved affiliated hospital. A hospital clinical course on the tissues, cells, and molecules of the human immune system, emphasizing the detection of serum antibodies and disease states.

MLS 4862 Clinical Hematology (6) AS CHM
PR: Senior standing and acceptance into an approved affiliated hospital. A hospital clinical course on cellular components of the blood as related to laboratory diagnosis and disease, including blood coagulation and morphological and biochemical aspects of blood cells.

MLS 4863 Clinical Microbiology (6) AS CHM
PR: Senior standing and acceptance into an approved affiliated hospital. A hospital clinical course emphasizing pathogens responsible for diseases in man, including morphology, physiology, and laboratory diagnosis of bacteria, fungi, parasites, and viruses.

MLS 4864 Clinical Chemistry (6) AS CHM
PR: Senior standing and acceptance into an approved affiliated hospital. A hospital clinical course on the analysis of chemical substances found in the body as related to the diagnosis of human disease, including topics such as instrumentation, electrophoresis, therapeutic drug-monitoring assays, tumor markers, and toxicology.

MLS 4865 Clinical Immunohematology (6) AS CHM
PR: Senior standing and acceptance into an approved affiliated hospital.
associated diseases, including blood group systems, transfusion
MMC 4200 History and Principles of Communications Law
(3) AS COM
PR: MMC 2100 and MMC 3602. Historical and constitutional
MMC 4203 Communication Ethics (3) AS COM
PR: MMC 2100 and MMC 3602 or CI. A study of the fundamental
MMC 4420 Research Methods in Mass Communications (3)
AS COM
PR: MMC 2100 and MMC 3602. An introduction to the theory
and practice of quantitative and historical research methods
and their application to the decision-making process in the
professional and philosophical perspectives of ethics, and
their application to the decision-making process in the
various professions of mass communications.
MMC 4503 Literary Journalism (3) AP COM
PR: JOU 2100 and MMC 2100 or CI. Students will read,
discuss, and analyze major works of literary journalism,
demonstrating their ability to think critically about the works
covered by submitting written commentaries about them.
MMC 4900 Directed Reading in Mass Communications (1-
3) AS COM
PR: Junior standing and CI. Reading and directed study in
special topics.
MMC 4910 Individual Research in Mass Communications
(1-3) AS COM
PR: Junior standing and CI. The course provides means for
a student to do independent study in an area not covered
by a numbered course.
MMC 4936 Selected Topics in Mass Communications Studies
(1-3) AS COM
PR: MMC 2100, MMC 3602 and CI. Courses designed to
meet current or specific topics of interest to instructors and
students.
MMC 4945 Media Internship-Seminar (3) AS COM
PR: CI and 15 hours in Mass Comm. courses and
completion of an 8-12 week paid media internship with
newspaper, broadcast station, or other media-related
agency approved by the School. S/U only. Reports on
experiences for discussion and evaluation.
MMC 4995 Leadership and Personal Development (2) US
MIS
Introduces to personal challenges & competencies critical
to effective leadership; teaches personal development life
skills relative to leadership, officer, profession; & Army profession;
focused on gaining understanding of ROTC Program & its
purpose in Army.
MSL 1002C Introduction to Tactical Leadership (2) US MIS
Presents leadership basics (eg: setting direction, problem-
solving, listening, briefs, giving feedback & use of effective
writing skills); explores dimensions of leadership values,
attributes, skills & actions in context of practical hands-on
exercises.
MSL 2101C Innovative Team Leadership (2) US MIS
Explores creative & innovative tactical leadership strategies
& styles. Develops knowledge of leadership values &
attributes by understanding Army rank, structure, & duties.
Broadens knowledge of land navigation & squad tactics.
MSL 2102C Foundations of Tactical Leadership (2) US MIS
Examines challenges of leading tactical teams in complex
current operating environment; highlights dimensions of
terrain analysis, patrolling & operation orders; develops
greater self-awareness, communication & team building
skills.
MTG 5256 Differential Geometry  (3) AS MTH

MTG 5316 Topology I (3) AS MTH

MTG 5317 Topology II (3) AS MTH
PR: MTG 5316. The fundamental group; elements of homotopy theory and homology theory.

MUC 2221 Composition (3) TA MUS
PR: MUT 1112 and DPR. Private instruction in original composition. Required of composition majors.

MUC 2301 Introduction To Electronic Music FA CAFA (3) TA MUS
History and repertory of electronic music; standard sound studio techniques; basic electronics as applied in electronic sound synthesis; mathematics for music, composition and electronic music.

MUC 3231 Composition (3) TA MUS
PR: Necessary competency at junior level determined by faculty jury. DPR. Private instruction in original composition. Required of composition majors.

MUC 3401 Electronic Music-Analog Synthesis I (3) TA MUS
PR: MUC 2301 and DPR. Composition for tape medium with analog synthesizers; use of sound recording studio; repertory or analog music synthesis; technical basis of analog systems design and construction.

MUC 3402 Electronic Music-Analog Synthesis II (3) TA MUS
PR: MUC 2301 and DPR. Composition for tape medium with analog synthesizers; use of sound recording studio; repertory or analog music synthesis; technical basis of analog systems design and construction.

MUC 3441 Electronic Music-Digital Synthesis I (3) TA MUS
PR: MUC 3401 or MUC 3402 and DPR. Computer assisted composition for conventional instruments; composition for tape medium with computer controlled analog synthesizers; direct digital synthesis; digital systems design and construction.

MUC 3442 Electronic Music-Digital Synthesis II (3) TA MUS
PR: MUC 3401 or MUC 3402 and DPR. Computer assisted composition for conventional instruments; composition for tape medium with computer controlled analog synthesizers; direct digital synthesis; digital systems design and construction.

MUC 4241 Composition (3) TA MUS
PR: Necessary competency at senior level determined by faculty jury. DPR. Private instruction in original composition. Required of composition majors, a minimum of six semester hours.

MUC 4403 Electronic Music-Real-Time Performance I (3) TA MUS
PR: MUC 3402 and MUC 3442 or equivalent. DPR. Composition for analog/digital equipment, performance applications; sound synthesis, interfacing electronics with conventional instruments.

MUC 4404 Electronic Music-Real-Time Performance II (3) TA MUS
PR: MUC 3402 and MUC 3442 or equivalent. DPR. Composition for analog/digital equipment, performance applications; sound synthesis, interfacing electronics with conventional instruments.
MUC 4620 Jazz Composition (3) TA MUS
PR: MUT 3354 and/or DPR. Private instruction in original jazz composition. Required of All Jazz Studies Comp. majors, minimum six of hours.

MUC 5625 Jazz Composition (2) TA MUS
PR: Cl. Required of all composition majors. Private instruction in original composition.

MUE 2090 Foundations of Music Education (3) TA MUS
PR: DPR. The course is designed to investigate music education practices in the schools. Through the experience and information offered in this course a student will be able to determine his/her commitment to professional music education.

MUE 3414 Creative Performance Chamber Ensemble (1) TA MUS
PR: MUE 2090. CR: MUE 3424 or MUE 3425. This course will provide students opportunities to apply concepts of informal learning, gained through various course work, in a non-traditional, student directed, music education performance setting. The course is repeatable for a total of four credits.

MUE 3421 Choral Techniques (1) TA MUS
A study of choral materials in a laboratory setting appropriate to elementary and secondary school music programs. Course content will change each semester.

MUE 3422 Wind Techniques (1) TA MUS
PR: MUG 3104 A two-semester sequence intended to equip music education students with basic performance, pedagogical, and rehearsal techniques, applicable to brass and woodwind instruments and ensembles.

MUE 3423 String Techniques (1) TA MUS
PR: DPR. A study of orchestral materials, in a laboratory setting, appropriate to elementary and secondary school music programs. Course content will change each semester.

MUE 3424 Progressive Music Education Methods I (3) TA MUS
PR: MUE 2090 This course will provide students a grounding in methods for music education settings outside the traditional general, band, choir and string programs.

MUE 3425 Progressive Music Education Methods II (3) TA MUS
PR: MUE 3424. CR: MUE 3414. This course will provide students a further grounding in methods for music education settings outside the traditional general, band, choir and string programs.

MUE 3475 Percussion Techniques (1) TA MUS
Introduction to percussion pedagogy for the music educator.

MUE 3930 Music Education Forum (1) TA MUS
PR: Status as a music education major; permission of the Music Advisor. Discuss MusEd professional organizations (MENC, CMENC, ISME, etc.). Students join CMENC and attend the FMEA conference. Add’l topics: classroom management, school safety, professional ethics, education law, and MusEd for special students. Required for MusEd majors 4 semesters @ 1 credit hour per term.

MUE 4210 Music For The Child (3) TA MUS
PR: Admission to the College of Education. DPR. Music fundamentals, the development of music skills and knowledge of music materials and teaching strategies for presenting music to children in the elementary school.

MUE 4311 General Music Methods (3) TA MUS
PR: MUE 2090 This course will consist of theoretical and practical training in teaching General Music Education K-12. It will include the study of philosophies, strategies and methodologies in contemporary General Music Education used in the USA and internationally.

MUE 4331 Choral Methods (3) TA MUS

MUE 4332 Instrumental Methods (3) TA MUS

MUE 4480 Special Ensemble Methods (2) TA MUS
This course is restricted to majors and is repeatable for up to 6 credits.

MUE 4936 Senior Seminar In Music (3) TA MUS
CR: MUE 4940. DPR. Synthesis of teacher candidate’s courses in complete college program. Required concurrently with internship.

MUE 4940 Internship: Music Education CPST (6-10) TA MUS
CR: MUE 4936. S/U only. DPR. One full semester of internship in public or private elementary and secondary schools. Restricted to majors. May not be repeated for credit.

MUG 3104 Basic Conducting (2) TA MUS
PR: DPR. The study and practical application of basic conducting techniques. Development of skills related to the conducting of musical scores.

MUG 3108 Advanced Conducting (2) TA MUS
PR: MUG 3104. Provides USF music education majors with a competency-based lab experience in conducting while placing an emphasis on developing advanced skills necessary to lead an ensemble in rehearsal and performance. Restricted to Music Education Majors.

MUG 4302 Instrumental Conducting (2) TA MUS
PR: MUG 3404 and DPR. A study of those techniques of conducting unique to instrumental music ensembles: baton technique, score reading, terminology, rehearsal management.

MUH 2020 The History of Blues and Rock FA CAFA HHCP (3) TA MUS
A study of the history of rock music: its roots, regions and countries of origin, evolution, styles, influences, social/cultural context, etc. Blues and rock are particularly American forms of music, but they reflect ancient practical as well.

MUH 2051 Folk And Traditional Music Of World Cultures FA AF CAFA (3) TA MUS
A comparative survey of the stylistic traits and functions of folk and traditional music, both sacred and secular, of diverse Western and non-Western cultures. For non-majors and music education majors; may be taken by applied music majors.

MUH 2632 Music In The United States FA (3) TA MUS
Designed for majors and non-majors, this course will use live performances, videotapes, and recordings to illustrate music as practiced in America from Colonial to present times. Included in the course will be study of the contributions of various ethnic/minority groups, and discussions of the relevant social issues connected with these contributions.
MUH 3016 Survey Of Jazz FA CAFA (3) TA MUS
For non-music majors. Not repeatable. This course introduces undergraduate students to Jazz music. Students will study historical, cultural, and social issues associated with the evolution of jazz music and learn to hear and discern specific musical traits found in jazz music.

MUH 3300 Music History/Medieval And Renaissance (2) TA MUS
PR: DPR. Required of music majors; a study of the historical development of musical styles of the Medieval and Renaissance periods and of the music of those periods.

MUH 3301 Music History/Baroque And Classic MW (3) TA MUS
PR: MUL 2111, DPR. Required of music majors; open to non-majors with DPR. A study of the historical development of musical styles of the Baroque and Classic periods and of the music of those periods.

MUH 3302 Music History/Romantic And 20th Century MW (3) TA MUS
PR: MUL 2111, DPR. Required of music majors; open to non-majors with DPR. A study of the historical development of musical styles of the Romantic and Twentieth Century eras and of the music of those periods.

MUH 4058 Intercultural Music In The Twentieth Century MW (3) TA MUS
PR: MUN 2051 or MUL 2111, DPR. An in-depth investigation of composers born after c. 1880, from all parts of the world, who have attempted to integrate elements from two or more cultures into their compositions.

MUH 4372 Representing the United States in Music 6A WRIN (3) TA MUS
PR: MUH 3300, 3301 or 3302. This course explores works by twentieth-century composers that define aspects of American life. We will examine a diverse selection of pieces and genres ranging from traditional European art music forms to jazz, rock, and hip hop.

MUH 4801 History Of Jazz (3) TA MUS
PR: MUT 1112, DPR. An in-depth study of the historical development of Jazz, including the representative musical literature and sociological implications.

MUL 2111 Introduction To Music Literature 6A HP FA (3) TA MUS
PR: MUT 1112, DPR. A survey of representative music exemplars of the past and present with emphasis on the study of styles and form. Required for music majors.

MUL 3001 Issues In Music FA AF (2-3) TA MUS
Open only to non-music majors. Lectures and live performances by artist faculty of significant works from the literature for the piano; analysis and illustration in performance of the abstract and aesthetic elements in music which vitally concern the artist-performer.

MUL 3012 Music in Your Life FA CAFA (3) TA MUS
Open only to non-music majors. A study in the art of music and its materials, designed to develop an understanding of basic principles of music and a technique for listening to music.

MUL 3600 Vocal Literature - Undergraduate (2) TA MUS
PR: Four terms of studio grade. Open to all USF undergraduate vocal performance majors that have completed four terms of vocal study with a passing grade. Other students may petition to enroll with the approval of the instructor. Provides a survey of standard vocal literature.

MUN 1100 University Pep Band (1-3) TA MUS
This course provides performance experiences with the Pep Band. The course is open to any major area. Fall Term participation in Marching Band is required prior to enrollment.

MUN 1110 University Marching Band (1-3) TA MUS
This course provides performance experiences with the Marching Band. The course is open to any major area.

MUN 3143 Wind Ensemble (1) TA MUS
PR: DPR. Open to all university students with the necessary proficiency in their performing media; study and performance of music for large combinations of voices, string, woodwind, brass, or percussion instruments.

MUN 3213 University Orchestra (1) TA MUS
PR: DPR. Open to all university students with the necessary proficiency in their performing media; study and performance of music for large combinations of voices, string, woodwind, brass, or percussion instruments.

MUN 3313 University Singers (1) TA MUS
PR: DPR. Open to all university students with the necessary proficiency in their performing media; study and performance of music for large combinations of voices, string, woodwind, brass, or percussion instruments.

MUN 3323 Bel Canto Women's Choir (1) TA MUS
PR: CI. Open to all university students with the necessary proficiency in their performing media (singing); study and performance of treble-voice music in combination with string, woodwind, brass, or percussion instruments.

MUN 3333 Singing Stampede (1) TA MUS
PR: CI. Open to all university students with the necessary proficiency in their performing media (singing); study and performance of male-chorus music and male-chorus music in combination with string, woodwind, brass, or percussion instruments.

MUN 3343 Chamber Singers (1) TA MUS
PR: DPR. Open to all university students with the necessary proficiency in their performing media; study and performance of music for small combinations of voices, string, woodwind, brass, or percussion instruments, and piano.

MUN 3383 University-Community Chorus (1) TA MUS
PR: DPR. Open to all university students with the necessary proficiency in their performing media; study and performance of music for small combinations of voices, string, woodwind, brass, or percussion instruments, and piano.

MVV 1311 Voice Principal (2) TA MUS
PR: DPR. Required of all music education and composition majors. Open to a limited number of non-music majors by audition only. Applied music courses are NOT available on S/U basis. Private and class instruction.

MVV 1411 Voice Major (3) TA MUS
PR: DPR. Required of all applied music majors. Open to a limited number of non-music majors by audition only. Applied music courses are NOT available on S/U basis. Private and class instruction.

MVV 2321 Voice Principal (2) TA MUS
PR: DPR. Required of all music education and composition majors. Open to a limited number of non-music majors by audition only. Applied music courses are NOT available on S/U basis. Private and class instruction.

MVV 2421 Voice Major (3) TA MUS
PR: DPR. Necessary competency at Sophomore level determined by faculty jury examination. Required of all applied music majors. Private and class instruction.

MVV 3331 Voice Principal (2) TA MUS
PR: DPR. Required of all music education and composition majors. Open to a limited number of non-music majors by audition only. Applied music courses are NOT available on S/U basis. Private and class instruction.

MVV 3431 Voice Major (3) TA MUS
PR: DPR. Necessary competency at junior level determined by faculty jury examination. Required of all applied music majors. Private and class instruction.

MVV 3630 Vocal Pedagogy - Undergraduate (2) TA MUS
PR: Four terms of studio voice. Open to USF undergraduate vocal performance majors that have completed four terms of vocal study (passing grade). Other students may petition to enroll with the approval of the instructor. Covers the fundamental principles of the teaching of singing.

MVV 4341 Voice Principal (2) TA MUS
PR: DPR. Required of all music education and composition majors. Open to a limited number of non-music majors by audition only. Applied music courses are NOT available on S/U basis. Private and class instruction.

MVV 4441 Voice Major (3) TA MUS
PR: DPR. Necessary competency at senior level determined by faculty jury examination. Required of all applied music majors. Private and class instruction.

MVV 5251 Applied Voice (2-4) TA MUS
PR: DPR. Open to senior and advanced undergraduate students who have completed recital requirements, special non-degree seeking students, and students who have a secondary applied music requirement. Private and class instruction.

MVV 1211 Applied Flute (1) TA MUS
PR: DPR. Course is open by audition only. One-half hour private lesson or one hour class per week for music students wishing to gain proficiency in an area other than their applied performance major and for a limited number of nonmusic majors who have had prior musical training.

MVV 1212 Applied Oboe (1) TA MUS
PR: DPR. Course is open by audition only. One-half hour private lesson or one hour class per week for music students wishing to gain proficiency in an area other than their applied performance major and for a limited number of nonmusic majors who have had prior musical training.

MVW 1213 Applied Clarinet (1) TA MUS
PR: DPR. Course is open by audition only. One-half hour private lesson or one hour class per week for music students wishing to gain proficiency in an area other than their applied performance major and for a limited number of nonmusic majors who have had prior musical training.

MVW 1214 Applied Bassoon (1) TA MUS
PR: DPR. Course is open by audition only. One-half hour private lesson or one hour class per week for music students wishing to gain proficiency in an area other than their applied performance major and for a limited number of nonmusic majors who have had prior musical training.

MVW 1215 Applied Saxophone (1) TA MUS
PR: DPR. Course is open by audition only. One-half hour private lesson or one hour class per week for music students wishing to gain proficiency in an area other than their applied performance major and for a limited number of nonmusic majors who have had prior musical training.

MVW 1311 Flute Principal (2) TA MUS
PR: DPR. Required of all applied music majors. Open to a limited number of non-music majors by audition only. Applied music courses are NOT available on S/U basis. Private and class instruction.

MVW 1312 Oboe Principal (2) TA MUS
PR: DPR. Required of all applied music majors. Open to a limited number of non-music majors by audition only. Applied music courses are NOT available on S/U basis. Private and class instruction.

MVW 1313 Clarinet Principal (2) TA MUS
PR: DPR. Required of all applied music majors. Open to a limited number of non-music majors by audition only. Applied music courses are NOT available on S/U basis. Private and class instruction.

MVW 1314 Bassoon Principal (2) TA MUS
PR: DPR. Required of all applied music majors. Open to a limited number of non-music majors by audition only. Applied music courses are NOT available on S/U basis. Private and class instruction.

MVW 1315 Saxophone Principal (2) TA MUS
PR: DPR. Required of all applied music majors. Open to a limited number of non-music majors by audition only.
Applied music courses are NOT available on S/U basis. Private and class instruction.

**MVW 1411 Flute Major (3) TA MUS**
PR: DPR. Required of all applied music majors. Open to a limited number of non-music majors by audition only. Applied music courses are NOT available on S/U basis. Private and class instruction.

**MVW 1412 Oboe Major (3) TA MUS**
PR: DPR. Required of all applied music majors. Open to a limited number of non-music majors by audition only. Applied music courses are NOT available on S/U basis. Private and class instruction.

**MVW 1413 Clarinet Major (3) TA MUS**
PR: DPR. Required of all applied music majors. Open to a limited number of non-music majors by audition only. Applied music courses are NOT available on S/U basis. Private and class instruction.

**MVW 1415 Saxophone Major (3) TA MUS**
PR: DPR. Required of all applied music majors. Open to a limited number of non-music majors by audition only. Applied music courses are NOT available on S/U basis. Private and class instruction.

**MVW 2321 Flute Principal (2) TA MUS**
PR: DPR. Required of all music education and composition majors. Open to a limited number of non-music majors by audition only. Applied music courses are NOT available on S/U basis. Private and class instruction.

**MVW 2322 Oboe Principal (2) TA MUS**
PR: DPR. Required of all music education and composition majors. Open to a limited number of non-music majors by audition only. Applied music courses are NOT available on S/U basis. Private and class instruction.

**MVW 2323 Clarinet Principal (2) TA MUS**
PR: DPR. Required of all music education and composition majors. Open to a limited number of non-music majors by audition only. Applied music courses are NOT available on S/U basis. Private and class instruction.

**MVW 2324 Bassoon Principal (2) TA MUS**
PR: DPR. Required of all music education and composition majors. Open to a limited number of non-music majors by audition only. Applied music courses are NOT available on S/U basis. Private and class instruction.

**MVW 2325 Saxophone Principal (2) TA MUS**
PR: DPR. Required of all music education and composition majors. Open to a limited number of non-music majors by audition only. Applied music courses are NOT available on S/U basis. Private and class instruction.

**MVW 2421 Flute Major (3) TA MUS**
PR: DPR. Necessary competency at Sophomore level determined by faculty jury examination. Required of all applied music majors. Private and class instruction.

**MVW 2422 Oboe Major (3) TA MUS**
PR: DPR. Necessary competency at Sophomore level determined by faculty jury examination. Required of all applied music majors. Private and class instruction.

**MVW 2423 Clarinet Major (3) TA MUS**
PR: DPR. Necessary competency at Sophomore level determined by faculty jury examination. Required of all applied music majors. Private and class instruction.

**MVW 2424 Bassoon Major (3) TA MUS**
PR: DPR. Necessary competency at Sophomore level determined by faculty jury examination. Required of all applied music majors. Private and class instruction.

**MVW 2425 Saxophone Major (3) TA MUS**
PR: DPR. Necessary competency at Sophomore level determined by faculty jury examination. Required of all applied music majors. Private and class instruction.

**MVW 3331 Flute Principal (2) TA MUS**
PR: DPR. Required of all music education and composition majors. Open to a limited number of non-music majors by audition only. Applied music courses are NOT available on S/U basis. Private and class instruction.

**MVW 3332 Oboe Principal (2) TA MUS**
PR: DPR. Required of all music education and composition majors. Open to a limited number of non-music majors by audition only. Applied music courses are NOT available on S/U basis. Private and class instruction.

**MVW 3333 Clarinet Principal (2) TA MUS**
PR: DPR. Required of all music education and composition majors. Open to a limited number of non-music majors by audition only. Applied music courses are NOT available on S/U basis. Private and class instruction.

**MVW 3334 Bassoon Principal (2) TA MUS**
PR: DPR. Required of all music education and composition majors. Open to a limited number of non-music majors by audition only. Applied music courses are NOT available on S/U basis. Private and class instruction.

**MVW 3335 Saxophone Principal (2) TA MUS**
PR: DPR. Required of all music education and composition majors. Open to a limited number of non-music majors by audition only. Applied music courses are NOT available on S/U basis. Private and class instruction.

**MVW 3431 Flute Major (3) TA MUS**
PR: DPR. Necessary competency at Junior level determined by faculty jury examination. Required of all applied music majors. Private and class instruction.

**MVW 3432 Oboe Major (3) TA MUS**
PR: DPR. Necessary competency at Junior level determined by faculty jury examination. Required of all applied music majors. Private and class instruction.

**MVW 3433 Clarinet Major (3) TA MUS**
PR: DPR. Necessary competency at Junior level determined by faculty jury examination. Required of all applied music majors. Private and class instruction.

**MVW 3434 Bassoon Major (3) TA MUS**
PR: DPR. Necessary competency at Junior level determined by faculty jury examination. Required of all applied music majors. Private and class instruction.

**MVW 3435 Saxophone Major (3) TA MUS**
PR: DPR. Necessary competency at Junior level determined by faculty jury examination. Required of all applied music majors. Private and class instruction.

**MVW 4341 Flute Principal (2) TA MUS**
PR: DPR. Required of all music education and composition majors. Open to a limited number of non-music majors by audition only. Applied music courses are NOT available on S/U basis. Private and class instruction.
audition only. Applied music courses are NOT available on S/U basis. Private and class instruction.

MVW 4342 Oboe Principal (2) TA MUS
PR: DPR. Required of all music education and composition majors. Open to a limited number of non-music majors by audition only. Applied music courses are NOT available on S/U basis. Private and class instruction.

MVW 4343 Clarinet Principal (2) TA MUS
PR: DPR. Required of all music education and composition majors. Open to a limited number of non-music majors by audition only. Applied music courses are NOT available on S/U basis. Private and class instruction.

MVW 4344 Bassoon Principal (2) TA MUS
PR: DPR. Required of all music education and composition majors. Open to a limited number of non-music majors by audition only. Applied music courses are NOT available on S/U basis. Private and class instruction.

MVW 4345 Saxophone Principal (2) TA MUS
PR: DPR. Necessary competency at junior level determined by faculty jury examination. Required of all applied music majors. Private and class instruction.

NSC 2212C Navigation/Naval Operations I: Navigation (3) US NVY
Piloting and celestial navigation theory, principles, and procedures. Tides, currents, weather, use of navigation instruments and equipment, and practicum. Laboratory required.

NSC 2221 Evolution of Warfare (3) US NVY
A survey of military history emphasizing principles of warfare, strategy and tactics, and significant military leaders and organizations.

NSC 2231 Principles of Naval Management I (3) US NVY
Theory and principles of management, focusing on the officer-manager as an organizational decision maker. Includes interpersonal skills, behavior factors, and group dynamics.

NSC 2931 Directed Study in Naval ROTC (1-3) US NVY
PR: Permission of Professor of Naval Science. Intensive individualized study in particular aspects of Naval Science that are not covered in regular course offerings. Enrollment is recommended for NROTC students who are anticipating attending the Naval Science Institute in Newport, RI, during
NUR 3026L Nursing Fundamentals Clinical (4) NU NUR
PR: NUR 3026 and NUR 3066. Clinical experiences in the fundamentals of nursing practice and foundations for clinical judgment. Focus is on developing effective communication and critical thinking in applying nursing process, physical assessment, and concepts of health and illness.

NUR 3066 Physical Examination and Assessment (2) NU NUR
CR: NUR 3026, NUR 3026L. Focus is on the use of techniques and instruments necessary for the examination of infants, children and adults. Emphasizes assessment phase of critical thinking to enable student to perform evaluations of health status throughout the lifespan.

NUR 3066L Clinical Experience in Health Assessment - RN (1) NU NUR
PR: Admission to nursing major or CI. CR: NUR 3066. Clinical experience on history taking, physical assessment skills basic to biopsychosocial assessment and physical examination of adults and children. Emphasizes diagnostic reasoning and identification of alteration in functional health patterns.

NSP 4224 Amphibious Warfare (3) US NVY
History of amphibious warfare emphasizing doctrine and techniques as well as an understanding of the interrelations of political, strategic, operational, tactical, and technical levels of war from the past.

NSC 3123 Naval Ships Systems II (3) US NVY
PR: NSC 2121. Capabilities and limitations of fire control systems and weapons, radar and underwater sound for target acquisition, threat analysis, tracking, weapons selection, delivery, and guidance. Various aspects of explosives, fusing and Naval ordnance.

NSC 3214C Navigation/Naval Operations II: Seamanship and Ship Operations (3) US NVY
PR: NSC 2212C. International and inland rules of the road; relative motion-vector analysis; ship handling, employment, and tactics, afloat communications; and operations analysis. Laboratory required.

NSC 4232 Principles of Naval Management II (Leadership and Ethics) (3) US NVY
PR: NSC 2231. Integration of professional competencies and qualities of effective leadership with emphasis on moral and ethical responsibilities, accountability, communications and military law for the junior officer.

NSP 4095 Registered Nurse First Assistant Course (3) NU NUR
PR: CI. This course will provide a foundation of knowledge and technical skills necessary for the experienced preoperative registered nurse to function in the role of registered nurse first assistant (RNFA).

NSP 4096 Internship for the Registered Nurse First Assistant (4) NU NUR
PR: CI. This course provides 120 hours of clinical experiences in the roles and responsibilities and technical skills required of the registered nurse first assistant (RNFA).

NSP 4485 An Interdisciplinary Perspective in HIV Disease 6A MW LW (3) NU NUR
Provides an interdisciplinary perspective on HIV disease. Topics include the etiology, spectrum, and treatment of HIV disease; international perspectives; issues of race, gender, and ethnicity; values, ethics, and their influences on responses to HIV; and how the media has shaped the epidemic.

NSP 4545 Substance Abuse Across the Lifespan (3) NU NUR
Introduction to concepts of substance abuse and theories of addiction. The applicability of theories and concepts of substance use/abuse to clinical assessment, diagnosis and intervention with client populations across the lifespan is explored.

NSP 4554 Psychiatric/Mental Health Nursing (3) NU NUR
PR: Admission to nursing major or CI. CR: NUR 3066. Focuses on the basic and clinical concepts of pharmacology in nursing practice. Examines pharmacotherapeutics; pharmacodynamics; pharmacokinetics; adverse reactions and contraindications; therapeutic indications and nursing implications.

NUR 3145 Pathophysiology for Nursing Practice (4) NU NUR
PR: Admission to the nursing major or CI. Central concepts of pathophysiology: cells, tissues, organs and systems. Provides essential knowledge base in pathophysiology across the lifespan for professional nursing practice.

NUR 3145 Pharmacology in Nursing Practice (3) NU NUR
PR: Admission to the nursing major or CI; CP: NUR 3125. Focus on the basic and clinical concepts of pharmacology in nursing practice. Examines pharmacotherapeutics; pharmacodynamics; pharmacokinetics; adverse reactions and contraindications; therapeutic indications and nursing implications.

NUR 3145 Medical Surgical Nursing I (3) NU NUR
PR: NUR 3026, NUR 3026L, NUR 3066, NUR 3125, NUR 3145; CR: NUR 3215 or NGR 5580L. Focuses on nursing assessment, prevention, and management of selected health care problems in adults of all ages. Critical thinking is used to analyze the effects of changes in health status and impact of nursing intervention for: patients with alteration in fluid and Electrolyte Balance, Hematologic System, Integumentary and Immunologic System, Cardiovascular System, Pulmonary System, Musculoskeletal, Sensory System (Visual/Auditory). Patient teaching is incorporated for each topic.

NUR 3145 Medical Surgical Nursing II (4) NU NUR

NUR 3535 Psychiatric/Mental Health Nursing (3) NU NUR
PR: NUR 3026, NUR 3026L, NUR 3066, NUR 3125, NUR 3145; CR: NUR 3535L. Explores mind, body, and spirit alterations in functional health patterns experienced by patients with acute and chronic mental illness. Examines psychopathology, psychopharmacologic therapies and community resources and the role of the nurse in psychiatry.

NUR 3535L Psychiatric/Mental Health Nursing Clinical (3) NU NUR
PR: NUR 3026, NUR 3026L, NUR 3066, NUR 3125, NUR 3145. CR: NUR 3535. Focus on clinical intervention using
critical thinking and communication skills with patients who require complex psychiatric rehabilitative care. Opportunities are offered to apply knowledge of psychopathology and psychopharmacologic therapies across the lifespan.

NUR 3805 Education Transitions for Registered Nurses (3) NU NUR
PR: Admission to the nursing major. Transition to professional nursing for the registered nurse, its theoretical perspective and empirical bases and essential skills for success in nursing education. Focus on developing a variety of learning strategies and approaches to academic achievement.

NUR 3826 Ethical Legal Aspects in Nursing and Health Care MW (3) NU NUR
PR: Cl. Nursing Majors. Introduction to contemporary bioethical and legal issues confronting health care providers in a variety of settings. Focuses on identification of legal and ethical principles underlying the decision-making process in nursing and health care.

NUR 3843 Problem Solving and Critical Thinking in Professional Nursing I (1) NU NUR
PR: Admission to Nursing major. The course is introduces the theoretical component of problem solving & critical thinking in professional nursing. The focus is developing critical thinking skills specific to problem solving in professional nursing.

NUR 3844 Problem Solving and Critical Thinking in Professional Nursing II (1) NU NUR
PR: NUR 3843. This course provides the opportunity for students to demonstrate achievement in problem solving and critical thinking in the nursing curriculum. The focus is applying critical thinking skills specific to problem solving in professional nursing.

NUR 4165 Nursing Inquiry 6A WRIN (3) NU NUR
PR: Admission to the nursing major or Cl. An introductory course in statistics is recommended. An analysis of the research process. Emphasis on identification of researchable nursing problems and evaluations of research that is applicable to nursing practice. Focus on evidence-based practice for nursing.

NUR 4194 An Interdisciplinary Perspective in HIV Disease 6A MW LW (3) NU NUR
Provides an interdisciplinary perspective on HIV disease. Topics include the etiology, spectrum, and treatment of HIV disease; international perspectives; issues of race, gender, and ethnicity; values, ethics, and their influences on responses to HIV; and how the media has shaped the epidemic.

NUR 4216 Medical Surgical Nursing II (4) NU NUR

NUR 4216L Medical Surgical Nursing Clinical II (5) NU NUR

NUR 4286 Geriatric Nursing: Population-based Perspectives on Nursing Care of Older Adults 6A LW WRIN (3) NU NUR
PR: NUR 3026, NUR 3066, NUR 3125, NUR 3145, NUR 3215. CP: NUR 4636, NUR 4636L. Focuses on the development of core competencies necessary to provide holistic, evidence-based and culturally sensitive nursing care to older adults.

NUR 4355 Child and Adolescent Health Nursing (3) NUR
PR: NUR 3215, NUR 3525 or NUR 3535, NUR 4216 and NUR 3215L, NUR 4216L and NUR 3525L or NUR 3535L or NGR 5580L. CR: NUR 4455, NUR 4635L or NGR 5680L; CP: NUR 4636. This course will explore the nursing care of children and adolescents within the context of the family. Focus on health promotion, risk factor identification, disease prevention, and health restoration in children and adolescents.

NUR 4455 Women's Health Nursing (2) NU NUR
PR: NUR 3215, NUR 3525 or NUR 3535, NUR 4216 and NUR 3215L, NUR 4216L and NUR 3525L or NUR 3535L or NGR 5580L. CR: NUR 4455; CP: NUR 4635L or NGR 5680L, NUR 4636. Focuses on the physiologic and psychosocial needs of women, newborns and families related to fertility and infertility, pregnancy and birth.

NUR 4467L Maternal and Pediatric Nursing Care Clinical (4) NU NUR
PR: NUR 4216, NUR 4216L; CR: NUR 4355, NUR 4455. Provides clinical experiences in diverse settings. Focuses on nursing care designed to prevent and reduce risk of disease and injury, promote health, and treat illness and injury in childbearing women, infants, children, adolescents and families.

NUR 4635L Integrated Nursing Clinical: Community/Public Health, Children and Adolescent Health, and Women's Health (3-7) NU NUR
PR: NUR 3215, NUR 3525 or NUR 3535, NUR 4216 and NUR 3215L, NUR 4216L and NUR 3525L or NUR 3535L or NGR 5580L. CR: NUR 4455, NUR 4635L or NGR 5680L, NUR 4636. Focuses on the physiologic and psychosocial needs of women, newborns and families related to fertility and infertility, pregnancy and birth.

NUR 4636L Community/Public Health Nursing Clinical (3) NU NUR
PR: NUR 3215, NUR 3525 or NUR 3535, NUR 4216 and NUR 3215L, NUR 4216L and NUR 3525L or NUR 3535L or NGR 5580L. In-depth examination of community health nursing, public health, epidemiology, culture, and environment essential to preventing illness and injury and promoting and preserving health among diverse populations at risk.
NUR 4645 Substance Abuse Across the Lifespan (3) NU NUR
Introduction to concepts of substance abuse and theories of addiction. The applicability of theories and concepts of substance use/abuse to clinical assessment, diagnosis and intervention with client populations across the lifespan is explored.

NUR 4655 Cultural Diversity in Health and Issues MW (3) NU NUR
Explore the impact of culture on health, illness and the meanings these terms carry for members of differing sociocultural populations. Health-related practices, values, strategies for health care and beliefs among cultural groups will be analyzed.

NUR 4807C Leadership & Education Transitions for RNs (3) NUNUR
PR: Admission to the RN-MS Sequence (NAS/NBM) Professional practice and principles of leadership and management for licensed RNs. Focuses on decision making and managing nursing care using multiple learning strategies for academic success. Clinical experiences build upon a practice background.

NUR 4827C Leadership and Management in Professional Nursing Practice (3) NU NUR
PR: NUR 4216, NUR 4216L, NUR 4636, NUR 4636L Principles of nursing leadership and management with an emphasis on decision-making, priority-setting, delegating, and managing nursing care. Focus on the preparation of the professional nurse to work collaboratively in the interdisciplinary healthcare environment. There will be in depth examination of process improvement with a focus on the quality indicator process. Clinical experiences for registered nurse students will be designed to build upon a practice background.

NUR 4905C Independent Study (1-5) NU NUR
PR: Permission of faculty. Open to majors and non-majors. Individual or group investigation of problems relevant to the health of individuals or groups. Project requirements individually planned with faculty preceptor.

NUR 4930 Registered Nurse First Assistant Course (3) NU NUR
PR: CI. This course will provide a foundation of knowledge and technical skills necessary for the experienced preoperative registered nurse to function in the role of registered nurse first assistant (RNFA).

NUR 4935S Selected Topics In Nursing (1-8) NU NUR
PR: Junior or senior standing or permission of faculty. Content will depend upon student demand and faculty interest and may focus on any area relevant to nursing practice. May involve class, seminar, and/or clinical laboratory.

NUR 4940 Internship for the Registered Nurse First Assistant (4) NU NUR
PR: CI. This course provides 120 hours of clinical experiences in the roles and responsibilities and technical skills required of the registered nurse first assistant (RNFA).

NUR 4948L Preceptorship (6) NU NUR
PR: NUR 4216, NUR 4216L; CP: NUR 4636, NUR 4636L and NUR 4635L, NUR 4455, NUR 4355, NUR 4838. Individually contracted 150 hours of clinical practicum collaboratively planned by students, faculty, and agency personnel. Opportunity to synthesize theory and clinical practice for professional nursing.

OCE 2001 Introduction to Oceanography NS CANP (3) MS MSC
This is a class in basic oceanography covering chemical (what is the sea made of), physical (tides, currents, waves), geological (ocean floor and coasts) and biological (all life in the oceans) aspects, and their interactions.

OCE 4930 Selected Topics in Marine Science (1-4) MS MSC
Selected topics in marine science including marine biology, marine chemistry, marine geology and geophysics, physical oceanography, and interdisciplinary topics relating to marine environments.

ORI 2000 Introduction to Communication As Performance (3) AS SPE
Designed to develop proficiency in the understanding and oral communication of literary and other written materials.

ORI 3950 Communication As Performance Laboratory (1-3) AS SPE
PR: SPC 2608 AND COM 2000 AND ORI 2000, each with a grade of C or above, or CI. The study, rehearsal, and performance of literature for Readers Theatre and Chamber Theatre productions.

ORI 4019 Performing Identity and Culture (3) AS SPE
PR: ORI 2000. Focuses on theory and practice of identity and culture as performed in ritual, community, and aesthetic contexts. Majors only; nonmajors by permit only. May not be repeated for credit.

ORI 4120 Performance of Poetry (3) AS SPE
PR: SPC 2608 AND COM 2000 AND ORI 2000, each with a grade of C or above, or CI. Critical appreciation of lyric and narrative poetry and communication of that appreciation to audience. Study of poetic theory and prosodic techniques.

ORI 4150 Performing Nonfiction (3) AS SPE
PR: ORI 2000. Explores the genre of nonfiction, including diaries, memoirs, travelogues, new journalism, personal essays, and weblogs, through performance. For majors; nonmajors by permit. May not be repeated for credit.

ORI 4220 Performing Young Adult Literature (3) AS SPE
PR: ORI 2000. Performance of literature written for young adults with an emphasis on cultural values and beliefs. For majors; nonmajors by permit only. May not be repeated for credit.

ORI 4310 Group Performance of Literature (3) AS SPE
PR: SPC 2608 AND COM 2000 AND ORI 2000, each with a grade of C or above, or CI. Designed to introduce the student to and give experience in various forms of group approaches to performance.

ORI 4320 Writing for Performance (3) AS SPE
PR: ORI 2000. Explores the intersection of writing and performance as aesthetic and communicative practices. For majors; nonmajors by permit only. May not be repeated for credit.

ORI 4410 Performance Art (3) AS SPE

ORI 4460 Performing Relationships (3) AS SPE
PR: ORI 2000. Explores interpersonal, organizational, and
intercultural theories of human relationships as realized in literary texts through performance. For majors; nonmajors permit only. May not be repeated for credit.

**ORI 4931 Performance and Video** (3) AS SPE

PR: ORI 2000. CR: ORI 3950. This course features adaptation, direction, and performance of literature for video productions.

**ORI 5930 Topics in Performance Genres** (3) AS SPE

Variable topics course.

**PAD 3003 Introduction to Public Administration** SS (3) AS PAD

Examination of organizational behavior and change, policy process, public management, financial administration, and personnel management from the perspective of public and social delivery.

**PAD 4144 Nonprofit Organizations and Public Policy** 6A MW (3) AS PAD

Role and importance of third sector (voluntary) organizations in American society; focus on public policy through service in a voluntary organization.

**PAD 4204 Public Financial Administration** (3) AS PAD

Analysis of problems in the growth and development of public budgetary theory and Federal budgetary innovations.

**PAD 4419 Personnel & Supervision in Today’s Organizations** (3) AS PAD

Introduces students to concepts, principles and practices of personnel management and supervision that influence the attainment of desired performance goals in today’s public and not-for profit organizations. Course participants will explore issues that influence the successful management of human resources in dynamic employment settings.

**PAD 4712 Managing Information Resources in the Public Sector** (3) AS PAD

Introduces students to the fundamental concepts, theories, principles and practices in public information management. Internet access is required.

**PAD 4930 Selected Topics in Public Administration and Public Policy** (3) AS PAD

Selected issues and topics in Public Administration and Public Policy with course content based on student demand and instructor’s interest. May be repeated for up to 6 credits as topics vary.

**PAD 5035 Issues in Public Administration and Public Policy** (3) AS PAD

Sr. & GS only. Selected issues and topics in Public Administration and Public Policy.

**PAD 5044 Environment of Public Administration** (3) AS PAD

Examination of the legal, political, and ethical environment in which public managers work.

**PAD 5333 Concepts and Issues in Public Planning** (3) AS PAD

PR: URP 4050 or URP 6056, GS or Sr. Analysis of basic concepts, issues, and strategies of planning, policy determination, collection of information, and decision-making.

**PAD 5605 Administrative Law and Regulation** (3) AS PAD

An examination of the constitutional and statutory base and limitations of the administrative process, administrative adjudication, rule-making, and the judicial review of such actions. An examination of the Constitutional and statutory processes within the cell.

**PCB 3023L Cell Biology Laboratory** (1) AS BCM

CP: PCB 3023. Laboratory portion of Cell Biology. Metabolic processes within the cell.

**PCB 3043L Principles of Ecology Laboratory** (1) AS BiN

molecular and population genetics. Lecture only.

PCB 3063L General Genetics Laboratory (1) AS BCM
CP: PCB 3063. Laboratory investigation techniques in general genetics including Mendelian and non-Mendelian relationships, and gene interactions.

PCB 3712 General Physiology (3) AS BIN
PR: BSC 2010, BSC 2010L, BSC 2011, BSC 2011L and CHM 2045, CHM 2046 and MAC 1105 or higher-level MAC course or STA 2023. Comparative analysis of animal structure and function: organ systems and activities of body tissue and organs. Functional responses of plants to both internal and environmental signals lecture only.

PCB 3713L General Physiology Laboratory (1) AS BIN
PR: PCB 3712. Laboratory portion of General Physiology.

PCB 4024 Molecular Biology of the Cell (3) AS BCM
PR: PCB3023, PCB3063. This lecture-based course will focus on advanced principles of molecular cell biology with emphasis on protein structure and function in key cellular pathways. The course is suitable for majors/nonmajors.

PCB 4026 Molecular Biology of the Gene (3) AS BCM
PR: PCB3023, PCB3063. This lecture-based course will provide fundamental knowledge of scientific concepts and principles of the molecular aspects of DNA metabolism in pro- and eukaryotes for majors/nonmajors.

PCB 4234 Principles of Immunology (3) AS BCM
PR: PCB 3023 or PCB 3063 or MCB 3020C and CHM 2210 and MAC 1105 or higher-level MAC course or STA 2023. CP: PCB 3023 or PCB 3043 or PCB 3063 or PCB 3712 and CHM 2211. Emphasis is on organization and functions of vertebrate immune system. Basic cellular and molecular mechanisms of immune responses in health and disease are addressed as well as the principles and applications of immunological methods. Lecture only.

PCB 4522C Experimental Genetics (3) AS BCM
Experimental analysis of genetic systems. Lec-Lab.

PCB 4663 Human Genetics (3) AS BCM
PR: PCB3023, PCB3063. A lecture-based course building upon principles introduced in Cell Biology and Genetics to explore advanced topics applied to human heredity and inherited disorders. Instruction includes problem solving, group activities, internet and individual projects.

PCB 4674 Organic Evolution (3) AS BIN
PR: PCB 3063. An introduction to modern evolutionary theory. Lecture on population genetics, adaptations, speciation theory, phylogeny, human evolution and related areas. Lec.-dis.

PCB 4723L Animal Physiology Laboratory (1) AS BIN
CR: PCB 4723. Laboratory portion of Animal Physiology.

PCB 4744 Mammalian Physiology (3) AS BCM
PR: PCB 3023. Detailed examination of mammalian physiology focusing on the cellular and molecular mechanisms that underlie and regulate physiological function.

PCB 4843 Principles of Neuroscience (3) AS BCM
PR: PCB 4723 and CHM 2210 and MAC 1105 or higher-level MAC course or STA 2023 and PHY 2053. CP: CHM 2211. Study of the mammalian brain’s structure and function, with an emphasis on human neuroanatomy, neuropharmacology, and neurophysiology. Topics include brain imaging, dementia, mechanisms of learning/memory, and neuropathological processes. Lecture only.

PCB 5256 Developmental Mechanisms (3) AS BCM
PR: ZOO 4695. Topics in modern developmental biology to be covered in lecture and through readings so as to gain a detailed understanding of cellular and molecular mechanisms of differentiation and pattern formation in various eukaryotic species for majors/non-majors.

PCB 5307 Limnology (3) AS BIN
PR: PCB 3043 and CHM 2210 and MAC 1105 or higher-level MAC course or STA 2023 and PHY 2053. CP: CHM 2211. An introduction to the physical, chemical, and biological nature of fresh-water environments. Lecture only.

PCB 5307L Limnology Laboratory (1) AS BIN
PR: CI. CP: PCB 5307. Laboratory portion of Limnology. Laboratory and field experience in the area of aquatic ecology.

PCB 5415 Behavioral Ecology (3) AS BIN
PR: PCB 3043 and PCB 3063 or PCB 4674 and CHM 2210 and MAC 1105 or higher-level MAC course or STA 2023. CP: CHM 2211. An emphasis on the evolutionary mechanisms that influence an organism’s behavioral responses to environmental events. The theoretical framework is presented and analyzed. Lecture only.

PCB 5525 Molecular Genetics (3) AS BCM
PR: PCB 3063, CI. Detailed examination of DNA, RNA and protein synthesis; the effects of mutations on proteins, cellular control; selected aspects of viral, bacterial, and fungal genetics.

PCB 5616 Molecular Phlogenetics (3) AS BCM
PR: PCB 3063. Provides a theoretical (lecture) and practical (computer lab) framework to allow students to carry out phylogenetic analysis using molecular data. Majors or nonmajors.

PEL 1121 Golf I (2) ED EDJ
S/U only. Introductory experience in the sport of golf. Fundamental skills, information, strategy, and participation.

PEL 1341 Tennis I (2) ED EDJ
S/U only. Introductory experiences in the sport of tennis. Basic skills, playing strategies, lecture, demonstration, and participation.

PEL 2122 Golf II (2) ED EDJ
S/U only. Continuation of PEL 1121. Emphasis on course play and refinement of strokes.

PEL 2342 Tennis II (2) ED EDJ
S/U only. Continuation of PEL 1341L. Refinement of basic skills, supplementary strokes, greater emphasis on tactics and playing strategies.

PEL 2441 Racquetball (2) ED EDJ
S/U only. Development and refinement of the skills and strategies of racquetball with opportunity for competition and tournament play.

PEM 2131 Weight Training (2) ED EDJ
S/U only. Knowledge and techniques necessary for increasing muscle function. Assessment of status and development of a personal program.

PEM 2441 Karate (2) ED EDJ
S/U only. Introductory experiences in the sport of Karate. Fundamental skills, strategy, information, and participation.

PEM 2930 Selected Topics (1-2) ED EDJ
S/U only. DPR. Activities offered are selected to reflect student need and faculty interest.
PET 1121 Swimming I (2) ED EDP
S/U only. Development and refinement of the essential skills and information necessary for enjoying swimming. Emphasis on personal safety.

PEN 2113 Lifeguard Training (2) ED EDP
PR: PEN 1121 or equivalent. S/U only. Knowledge and skills necessary for saving the lives of others in the event of aquatic emergency. ARC certification offered.

PET 1121 Swimming II (1) ED EDP
II  (1) ED EDP
PR: CC. This is the second of a two-course sequence of orientation and socialization into the profession and is intended to develop dispositions necessary for successful professional practice.

PET 2136 Skin & Scuba Diving (2) ED EDP
PR: PEN 1121 or equivalent. S/U only. Development of the essential skills and knowledge necessary for enjoying the sport of Skin & Scuba Diving. Correct utilization and care of equipment; emphasis on personal safety.

PET 2622C Care and Prevention of Physical Injuries (3) ED EDP
DPR. Principles and techniques of conditioning athletes for competition; prevention and care of injuries in physical education and athletic activities.

PET 3010 Personal/Professional Development Seminar (3) EDEDP
PR: Entry into the K-12 Physical Education Program. The purpose of this course is to introduce students to the historical, philosophical, and sociological foundations of physical education. It is also designed to help students understand all aspects of becoming a professional.

PET 3012 Professional Development in Physical Education I (1) ED EDP
PR: CC. This is the first of a two course sequence of orientation and socialization into the profession and is intended to develop dispositions necessary for successful professional practice.

PET 3013 Professional Development in Physical Education II (1) ED EDP
PR: PET 3012. This is the second of a two-course sequence of orientation and socialization into the profession and is intended to develop dispositions necessary for successful professional practice.

PET 3031 Motor Behavior (3) ED EDP
PR: CC. Study of the assessment, evaluation and motor development performance of children and adolescents and application of principles of motor skills acquisition in physical education instruction. Open to non-majors.

PET 3211 Stress Management (2) ED EDP
PR: Admission to the Exercise Science Program. This course will focus on the health and psycho physiological aspects of stress. A variety of topics will be addressed for self-regulating stress such as changing perceptions, time management, communication, biofeedback, exercise, and muscle relaxation.

PET 3310 Kinesiology (3) ME ATH
A study of the structure and function of the skeletal and muscular systems and of mechanical principles related to psycho-motor performance. Open to non-majors.

PET 3312 Biomechanics (3) ED EDP
PR: Admission to the Exercise Science Program or Permission of Instructor. This course will focus on the structure and function of the skeletal and muscular systems as well as the mechanical principles related to motor performance.

PET 3314 Professional Development Seminar (1) ED EDP
PR: Admission to the Exercise Science Program. This course will introduce the student to the exercise science field. Focus will be on professional conduct, job opportunities, organizations, certifications, and trends/issues. Students will develop skills to critique fitness/wellness information.

PET 3351 Exercise Physiology I (3) ME ATH
A study of the effects of physical activity on the body. Topics include acute and chronic adaptation of the cardiovascular, muscular, metabolic, hormonal, and energy systems to exercise. Open to non-majors.

PET 3353 Exercise Physiology (3) ED EDP
PR: Admission to the Exercise Science Program or Permission of Instructor. This course is designed to explore physiological adjustments and adaptations that occur as the result of exercise. The main focus will be on exercise-induced changes in the metabolic, cardiovascular, respiratory, neuromuscular, and endocrine systems.

PET 3361 Nutrition for Fitness and Sport (3) ED EDP
PR: Admission to the Exercise Science Program. This course will address weight management/weight loss, common diets, dietary supplements, ergogenic aids, and eating disorders. Content will focus on nutrition and weight management guidelines established by the American College of Sports Medicine.

PET 3365 Physical Activity Epidemiology (3) ED EDP
PR: Admission to the Exercise Science Program. A presentation of the background and main concepts of epidemiology and discussion and summary of original research. Major topics include coronary artery disease, cerebrovascular disease, peripheral vascular disease, diabetes, arthritis, and COPD.

PET 3384 Exercise Testing and Prescription (3) ED EDP
PR: Admission to the Exercise Science Program. This course will address weight management/weight loss, common diets, dietary supplements, ergogenic aids, and eating disorders. Content will focus on nutrition and weight management guidelines established by the College of Sports Medicine.

PET 3404 Emergency Response and Planning (3) ED EDP
PR: Admission to the Exercise Science Program. Students will develop emergency response knowledge and skills through ARC first aid emergency response, CPR/AED certifications and will proactively assess, develop and implement a plan of response for emergency situations in fitness/wellness centers.

PET 3421 Curriculum and Instruction in Physical Education (3) ED EDP
Physical Education majors only. Development of knowledge and skills related to the instruction process of physical education. Preparation of materials and planning instruction.

PET 3441 Instructional Design and Content: Middle School Physical Education (3) ED EDP
Physical Education majors only. The development of physical education content and instructional practices for middle school students. The focus is upon matching appropriate content and learning experiences to the unique needs of the pre- and early adolescent learner.

PET 3613 Measurement and Evaluation in Athletic Training (3) ME ATH
PR: PET 3696. This course is an introduction to the study
and practice of measurement and evaluation techniques used in the assessment and rehabilitation of orthopaedic injuries. AT majors only. Credit not repeatable.

**PET 3617C Upper Extremity Assessment** (3) ME ATH
Athletic Training majors only. The study and practice of techniques used when assessing athletic injuries to the upper extremity, head and spine.

**PET 3618C Lower Extremity Assessment** (3) ME ATH
Athletic Training majors only. The study and practice of techniques used when assessing injuries to the lower extremity, hip, pelvis, low back and gait.

**PET 3621C Athletic Training Techniques** (3) ME ATH
Athletic Training majors only. Overview course including basic components of the athletic training profession including the prevention, recognition and evaluation and immediate care of athletic injuries. Medical terminology, emergency procedures, and taping procedures will be covered.

**PET 3640 Adapted Physical Education** (3) ED EDP
Physical Education majors only. A study of characteristics, programming needs and teaching of physical education for students with disabilities.

**PET 3660 Athletic Training Administration and Policy** (3) ME ATH
Athletic Training majors only. Analysis and application of organizational skills and administrative structure of the athletic training profession, including current theory about budget management, medical record keeping, drug testing, facility design and maintenance, legal aspects of sports medicine, athletic physical examinations, medical ethics, current educational concepts, and administrative policy.

**PET 3670L Clinical Experience in Athletic Training II** (3) ME ATH
PR: PET 3671L. Athletic Training majors only. Performance of basic athletic training skills under the supervision of a clinical instructor at various sites. Students develop competence in introductory and mid-level athletic training skills. Weekly seminar also required.

**PET 3671L Clinical Experience in Athletic Training I** (3) ME ATH
PR: PET 3621C. Athletic Training majors only. Performance of basic athletic training skills under the supervision of a clinical instructor at various sites. Students develop competence in introductory athletic training skills. A weekly seminar is also required.

**PET 3696 Documentation in Athletic Training** (1) ME ATH
PR: Admission to Athletic Training Program. CR: PET 3613. Designed to prepare athletic training students with an introduction to the foundation of appropriate terminology, documentation, and communication methods as they relate to athletic training and sports medicine. Majors only.

**PET 3713 Theory and Practice of Teaching Group Exercise** (3) ED EDP
PR: Admission to the Exercise Science Program. In developing group exercise leadership skills, students will learn how to apply principles of teaching safe and effective exercises designed to enhance cardiovascular endurance, muscular strength/endurance, and flexibility.

**PET 3931 Selected Topics in Sports Medicine** (1-3) ME ATH
DPR. Topics offered are selected to reflect student need and faculty interest.

**PET 3940 Practicum in Fitness/Wellness** (3) ED EDP
PR: Admission to the Exercise Science Program. This course will provide the initial field experience in a community fitness/wellness center serving general populations. Students will gain practical experience with regard to teaching group exercise and conducting fitness testing and prescription.

**PET 4093 Strength and Conditioning** (3) ED EDP
PR: Admission to the Exercise Science Program. This course will provide students with the information necessary for designing and implementing a successful strength and conditioning program through assessment and analysis of fitness and sport movement.

**PET 4141 Trends and Tasks-Elementary Physical Education** (3) ED EDP
Taken concurrently with PET 4942 Physical Education Internship: Elementary. Physical Education Majors only. Current trends are evaluated from a historical and philosophical perspective. Non-teaching tasks are identified as part of the professional role. Evaluate and continue personal-professional development plan developed in previous semesters.

**PET 4142 Trends and Tasks-Secondary Physical Education** (1) ED EDP
Taken concurrently with PET 4944 Physical Education Internship: Secondary. Physical Education Majors only. Current trends are evaluated from a historical and philosophical perspective. Non-teaching tasks are identified as part of the professional role. Evaluate and continue personal-professional development plan developed in previous semesters.

**PET 4219 Exercise Psychology** (3) ED EDP
PR: Admission to the Exercise Science Program. A presentation of the basic concepts related to exercise behavior. The content will include topics related to the psychosocial dimensions of exercise behavior to include participation, motivation, and adherence. Theoretical models will also be presented.

**PET 4304 Principles and Issues in Coaching** (3) ED EDP
Physical Education majors only. The application of principles from philosophy, psychology, sociology, and physiology to competitive athletics and coaching.

**PET 4353 Exercise Physiology II** (3) ED EDP
PR: PET 3351. A study of Exercise Physiology focusing on the adult. Includes specific populations such as the obese, heart patients, arthritics, elderly, and high performance athletes. Open to non-majors.

**PET 4384 Exercise Prescription for Strength & Conditioning** (3) ME ATH
PR: PET 3351. Athletic Training majors only. Techniques in conducting health-fitness test and exercise prescription for adults. Includes cardiovascular strength, flexibility, body composition, health risk testing, exercise prescribing, and monitoring.

**PET 4401 Class Management, Safety, Ethics, Law, and Organization and Administration of Physical Education** (3) ED EDP
Physical Education majors only. This course will examine the various classroom management approaches, professional ethics, school law, safety, and the organization and administration of physical education programs.
PET 4402 Planning and Evaluating Fitness/Wellness Programs (3) ED EDP  
PR: Admission to the Exercise Science Program. This course will focus on the design of high quality fitness/wellness programs in worksite and other settings. Students will learn and apply the major components of program planning – needs assessment, development, implementation, and evaluation.

PET 4406 Individualized Fitness/Wellness Programming (3) EDEDP  
PR: Admission to the Exercise Science Program. In this course students will learn how to assess, evaluate, and design safe and effective programs for individual clients. Students will also learn how to incorporate appropriate activities for specialized clients or populations.

PET 4416 Administration of Fitness/Wellness Centers (3) EDEDP  
PR: Admission to the Exercise Science Program. This course will examine management issues in the areas of human resources, budgeting, marketing, legal liability, and risk management. Students will develop skills to manage safe/ effective programs and services in various fitness/wellness settings.

PET 4432 Instructional Design and Content: Physical Education Elementary (3) ED EDP  
Physical Education majors only. This is the first in a two-course sequence in which students study movement forms and instructional processes suitable for elementary age students. Majors only.

PET 4433 Instructional Design and Content: Physical Education Elementary II (3) ED EDP  
Physical Education majors only. This course prepares students to select, plan, conduct complex movement experiences for students K-6.

PET 4442 Instructional Design and Content: Physical Education Secondary (3) ED EDP  
Physical Education majors only. Development of knowledge and skills related to the teaching of selected movement activities such as team sports, gymnastics, and physical fitness. Focus is on understanding mechanical principles utilized within those activities as well as on instructional progression and the preparation of materials for instruction at the secondary school level.

PET 4550 Clinical Exercise Testing and Prescription (3) ED EDP  
PR: Admission to the Exercise Science Program. A presentation of concepts related to the clinical aspects of fitness assessment and exercise programming. Clinical conditions that will be considered include: cardiovascular disease, pulmonary disease, metabolic disease, arthritis, and geriatrics.

PET 4625 Advanced Athletic Training (3) ME ATH  
PR: PET 3617C and PET 3618C. Athletic Training majors only. Advanced techniques in athletic training including orthopedic assessment, casting and bracing and imaging techniques.

PET 4627 General Medical Conditions in the Athlete (3) ME ATH  
PR: PET 3617C and PET 3618C. Advanced theory of pathology in injury, management of tissue and bone healing environments, disease, internal illness and injury and other general medical conditions. Issues related to radiology and pharmacology are also discussed.

PET 4632C Therapeutic Modalities (3) ME ATH  
Athletic Training majors only. This course provides an introduction to the theoretical and practical applications of modalities for the prevention, management and rehabilitation of physically active individuals. Concepts pertaining to the use of pharmacology, thermotherapy, cryotherapy, electrical stimulation, hydrotherapy, fluidotherapy, ultrasound, biofeedback and manual techniques will be emphasized.

PET 4633C Therapeutic Rehabilitation (3) ME ATH  
Athletic Training majors only. Theories and applications methods of comprehensive therapeutic treatment and rehabilitation programs for injuries commonly sustained by the physically active.

PET 4672L Clinical Experience in Athletic Training III (3) ME ATH  
PR: PET 3671L. Athletic Training majors only. Performance of mid-level athletic training skills under the supervision of a clinical instructor at various sites. Students develop competence in mid-level and advanced athletic training skills. Weekly seminar also required.

PET 4673L Clinical Experience in Athletic Training IV (3) ME ATH  
PR: PET 4672L. Athletic Training majors only. Continuation of clinical experience utilizing new skills under the direction of an NATA certified/state licensed athletic trainer accompanied by a one-hour seminar each week. This course provides students with the opportunity to develop competence in a variety of mid-level and advanced athletic training skills. Students may be assigned to a USF athletic team and/or one or more off-campus clinical affiliations. Students at this level will develop instruction skills by acting as peer-supervisors for level I, II and III students.

PET 4905 Independent Study: Professional Physical Education (1-4) ED EDP  
PR: DPR. S/U only. Specialized independent study determined by the student's needs and interests.

PET 4908 Independent Study in Sports Medicine (1-3) ME ATH  
S/U Only. Specialized independent study determined by the student's needs and interests. Repeatable 1 time.

PET 4931 Selected Topics in Sports Medicine (3) ED EDP  
PR: PET 3310, PET 3351. Pertinent and timely topics in sports medicine will be discussed. Topics and issues may vary but could include psychology of injury, environmental issues, reimbursement, pharmacology, ethical/legal issues, and performance enhancement. A.T. majors only.

PET 4933 Seminar in Sports Medicine 6A LW WRIN (3) ME ATH  
PR: PET 4627. The advanced study, writing, reflection and discussion of current athletic training issues. Emphasis is on professional preparation, scientific inquiry, credentialing, governance, employment practices, ethics, and scope of practice issues.

PET 4935 Case Studies in Athletic Health Care (3) ME ATH  
Athletic Training majors only. Capstone course intended to provide a unifying opportunity to utilize concepts, principles and skills learned from other athletic training courses.
PGY 4941 Internship in Fitness/Wellness (9) ED EDP  
PR: Admission to the Exercise Science Program. This course will provide the final field experience in a community fitness/wellness center serving both general and special populations. Practical experiences will focus on all aspects of program development, delivery, and management.

PGY 4942 Physical Education Pre-Internship: Elementary (3) ED EDP  
PR: CC. A part-time internship in elementary school physical education. Focus on the nature of the total elementary school curriculum, characteristics of students, and application of appropriate content and instructional competencies.

PGY 4944 Physical Education Pre-Internship: Secondary (3) EDED P  
CC. A part-time internship in middle or high school level physical education with focus on the relationship of physical education to the needs of the adolescent and the implementation of appropriate content and methodology.

PGY 4946 Internship in Physical Education: Elementary (6) EDED P  
CC. A full-time internship in the elementary school in which the student undertakes the full range of teaching responsibilities in elementary physical education.

PGY 4947 Internship in Physical Education: Secondary (6) EDED P  
S/U only. Physical Education majors only. A full-day internship in middle, junior or senior high school physical education programs with focus on the implementation of appropriate content and methodology to meet the needs of secondary students.

PGY 2110C Color Photography (3) TA ART  
Development of knowledge and skills of color photography for publication and presentation. Emphasis is on the use of transparency and negative color materials in their application to the media.

PGY 2401C Beginning Photography (3) TA ART  
Introduction to the expressive possibilities of photographic media. Projects and assignments will introduce students to both traditional and experimental ways of working with light-sensitive materials with an emphasis on the interdependence of form, technique, and concept. The course will also provide an overview of significant trends and directions in contemporary art photography.

PGY 3001 Photography in American Culture (3) AS AMS  
PR: Majors only. A survey of photography as an art and a craft in America since the mid-nineteenth century. Attention devoted to technological innovations, leading personalities, major movements, and memorable icons. Open to majors and non-majors.

PGY 3410C Intermediate Photography (3) TA ART  
PR: ART 2201C, ART 2203C, ART 2301C, ART 3310C, ART 2050, ARH 2051, Pgy 2401C. Majors only. A mid-level course expanding the student's visual and technical skills while establishing the beginning of a personal artistic direction. Repeatable up to 9 hours.

PGY 3610C Photojournalism I (3) AS COM  

PGY 3620 Photojournalism II (3) AS COM  
PR: PGY 3610C. Laboratory required. Advanced process and practice of photography for publication.

PGY 3820C Digital Media I (3) TA ART  
Restricted to majors. This course builds upon the concepts introduced in Introduction to Multimedia Systems and focuses upon digital photographic creation and editing.

PGY 3930C Special Topics: Photography (3) TA ART  
PR: ART 2201C, ART 2203C, ARH 2050, ARH 2051, ART 2301C, ART 3310C, PGY 2401C, PGY 3410C. Majors only. A mid-level course expanding the student's visual and technical skills while establishing the beginning of a personal artistic direction by exposing the student to new ideas, technical skills and genres, including, but not limited to: color photography, digital photography, non-silver and documentary photography. Repeatable up to 9 hours.

PGY 4420C Advanced Photography (3) TA ART  
PR: Pgy 3410C (3 cr.), Pgy 3930C (9 cr.) and a 3.25 major GPA. Majors only. Continued problems in photography. May be repeated.

PGY 4822C Digital Media II (3) TA ART  
Restricted to majors. This course builds upon the concepts introduced in Digital Media I and focuses upon digital photographic, web and digital video creation.

PGY 5425C Art Photography III (4) TA ART  
PR: CI. Advanced work in photography and related media leading to development of personal/expressive statements.

PHC 3302 Introduction to Environmental & Occupational Health (3) PH EOH  
Introduces the principles of environmental health from a public health perspective. This course is designed for students with an interest in the environment, assessment of risk, human health issues, and control strategies to reduce health risks.

PHC 4030 Introduction to Epidemiology (3) PH EPB  
Course provides an overview of epidemiological methods and the application to understanding health- and non-health issues. Students will develop critical thinking skills and apply the concepts applied problems, both in and outside the field of health.

PHC 4069 Biostatistics in Society (3) PH EPB  
This course exposes students to the role of biostatistics in advancing healthcare and improving health through landmark studies and cases in a wide range of fields, including clinical trials, epidemiology, environmental studies, and healthcare evaluation.

PHC 4101 Introduction to Public Health (3) PH PHC  
A survey of policies and programs in public/community health with emphasis on specific needs and problems of Florida.

PHC 4406 Informed Decision Making in Public Health (3) PH EPB  
This course provides the skills, data and information for students to become informed consumers when making decisions regarding their health and safety. There are no prerequisites required.

PHC 4542 Stress, Health and College Life (3) PH CFH  
The purpose of this course is to examine the relationship between stress, as a multi-casual concept, health and disease. Focus areas include: the historical evolution and
current theories of stress as they relate to types of stressors, physiological reactions and predisposition to disease, and techniques related to the recognition and prevention of an unhealthy level of stress.

**PHC 4931 Health Care Ethics** (3) PH EOH

This course provides the student with a broad overview of health care ethics. Will cover ethical issues that concern a wide variety of health professionals who are interested in clinical situations, as well as public health professionals and researchers.

**PHC 4942 Field Experiences in Public Health** (2) PH EPB

This course provides students with an overview of field experiences in public health. Representatives from public health organizations will speak about worksites. Students will observe public health professionals in their practice environment.

**PHC 5933 Special Topics** (1-3) PH PHC

Provides students the opportunity to learn about the multiple ways to view controversial topics in public health. It covers current public health topics including biomedical issues, social and behavioral factors, and environmental issues.

**PHH 2000 Introduction to Philosophy 6A HP CAHU (3) AS PHI**

An introduction to major themes in philosophy, as well as central philosophical concepts, texts, and methods.

**PHH 3062 History of Western Philosophy: Ancient Philosophy** (3) AS PHI

A survey of Western philosophy from the Pre-Socratics to Late Antiquity.

**PHH 3280 Medieval and Renaissance Philosophy** (3) AS PHI

This course is a survey of medieval and early Renaissance philosophy in the Latin West, focusing on the thought of Augustine, Anselm, Peter Abelard, Thomas Aquinas, John Duns Scotus, and William Ockham.

**PHH 3420 Early Modern Philosophy** (3) AS PHI

A survey of Western Philosophy from the end of the Renaissance to the beginnings of the Enlightenment.

**PHH 3442 Late Modern Philosophy** (3) AS PHI

A survey of Western Philosophy during the Enlightenment.

**PHH 4440 Continental Philosophy** (3) AS PHI

A study of developments in post-Kantian European philosophy.

**PHH 4600 Contemporary Philosophy** 6A MW (3) AS PHI

Selected schools of twentieth century thought such as idealism, positivism, pragmatism, realism, and existentialism.

**PHH 4700 American Philosophy** 6A MW (3) AS PHI

Major traditions in American thought, Puritanism, the Enlightenment, Transcendentalism, Idealism, Pragmatism, and Analytic Philosophy in relation to American culture.

**PHH 4820 Chinese Philosophy** (3) AS PHI

A survey of Confucianism, Taoism and other aspects of Chinese thought. The course is available to both majors and non-majors and does not have laboratory sections associated with it.

**PHI 1103 Critical Thinking** 6A SS CASB (3) AS PHI

Critical thinking is the mind’s faculty for catching its own (potential or actual) mistakes, and correcting its own misapprehensions. We will hone this faculty by practicing the critical evaluation of real-world decisions.

**PHI 1401 Science and Society** 6A NS SS CANP (3) AS PHI

As consumers of scientific information, it is our social obligation to understand how scientific knowledge comes about. This course is about the process of scientific inquiry, and about scientific knowledge as the product of such inquiry.

**PHI 1600 Introduction to Ethics** HP SS CAHU HHCP (3) AS PHI

In order to promote reflection concerning how we should act and what kinds of people we should be, this course introduces students to ethical theories, concepts, problems, and methods.

**PHI 2101 Introduction to Formal Logic** 6A QM CAQR (3) AS PHI

This course is an introduction to the basic terms, concepts, and methods of formal logic.

**PHI 2630 Contemporary Moral Issues** SS (3) AS PHI

Open to all students. A study of contemporary moral issues concerning racism, sex, sexism, abortion, poverty, crime, war, suicide, and human rights in general.

**PHI 2631 Ethics and Business** SS (3) AS PHI

An application of traditional ethical theories to contemporary problems in business.

**PHI 3130 Formal Logic** 6A CAQR (3) AS PHI

PR: PHI 2101 or MGF 1106 or MGF 1107 or one semester of calculus. A study of predicate calculus, predicate calculus with identity, formal semantics, and elementary metalogic. Strongly recommended for philosophy majors.

**PHI 3404 Philosophy of Science** (3) AS PHI

How is science different from other methods of inquiry about the world? What distinguishes science from pseudoscience? From religion? How do we test scientific theories? What are the factors that lead scientists to accept a theory?

**PHI 3633 Biomedical Ethics** (3) AS PHI

This course will focus on the ethical issues arising from advances in medical practice, delivery of health care, and scientific research.

**PHI 3636 Professional Ethics** (3) AS PHI

An examination of the ethical problems that professionals will face in the complex, global society of the next few decades: confidentiality, divided loyalty, racism/sexism, etc.

**PHI 3640 Environmental Ethics** SS (3) AS PHI

A study of alternative theories of environmental ethics, including the application of these theories to contemporary environmental problems, such as pollution, resource depletion, species extinction, and land use.

**PHI 3700 Philosophy of Religion** 6A SS (3) AS PHI

Analysis of religious experience and activity and examination of principal religious ideas in light of modern philosophy.

**PHI 3905 Directed Study** (1-4) AS PHI

PR: CI. Approval slip from instructor required. Individual study directed by a faculty member.
PHI 3930 Selected Topics (1-4) AS PHI  
PR: CI. Selected topics according to the needs of the student.

PHI 4073 African Philosophy MW (3) AS PHI  
A descriptive and analytical study of African philosophical thought, featuring reflective comparisons of African and Western categories of thought.

PHI 4300 Theory of Knowledge 6A MW (3) AS PHI  
An examination of human knowledge; its scope and limits, and an evaluation of evidence, criteria of truth, the nature of belief, conditions for meaningfulness, theories of perception, and a study of memory and sense perception in the four major fields of nature, history, personal experience, and the a priori.

PHI 4320 Philosophy of Mind 6A MW WRIN (3) AS PHI  
A study of historical and current issues in philosophy of mind, including the nature and status of mind, mind/body dualism, the relationship of mind and body, the problems of other minds, the physical basis for intelligence.

PHI 4632 Feminist Ethics MW (3) AS PHI  
A study of the varied approaches to moral reasoning taken by feminist ethical writers such as Wolfstonecraft, Mill, Gilligan, Daly, Hoagland and others.

PHI 4670 Contemporary Ethical Theory (3) AS PHI  
A survey of contemporary ethical theory, focusing both on the literature about the status of ethical theorizing—morality, ethical skepticism, moral nihilism, narrative ethics—and on specific types of theories—deontological theories, consequentialist theories, rights-based theories, virtue theories.

PHI 4800 Aesthetics 6A MW (3) AS PHI  
A study of traditional and contemporary aesthetic theories with emphasis on creative process, the nature of the art work, the aesthetic response, expressiveness, form and content, as well as art and morality.

PHI 4905 Directed Study (1-4) AS PHI  
PR: CI. Approval slip from instructor required. Individual study directed by a faculty member.

PHI 4930 Selected Topics (1-3) AS PHI  
PR: CI. Approval slip from instructor required. Selected topics according to the needs of the senior students.

PHI 4938 Philosophy Capstone Seminar 6A CPST (3) AS PHI  
PR: Junior or senior standing; declared philosophy major. Exit course for philosophy majors. Topics will vary at instructor's discretion, but are expected to span conventional boundaries between the branches of philosophical inquiry.

PHI 5135 Symbolic Logic (3) AS PHI  
PR: PHI 2101 or CI. Study of topics such as the following: Metatheory of propositional and predicate logic, related metatheatric results, alternative logic.

PHI 5225 Philosophy of Language (3) AS PHI  
PR: Eight hours of philosophy, major in linguistics, or CI. An examination of semantically, syntactically, and functionally the theories of language with special attention given to the problems of meaning, linguistic reference, syntactical form, and the relations between scientific languages and ordinary linguistic usage. Seminar format.

PHI 5913 Research (1-4) AS PHI  
PR: CI. Approval slip from instructor required. Individual research supervised by a faculty member.

PHI 5934 Selected Topics (1-3) AS PHI  
PR: CI. Approval slip from instructor required. Selected topics according to the needs of the student.

PHM 3020 Philosophies of Love and Sex (3) AS PHI  
Discussion of philosophies of Love/Sex of Plato, Aristotle, Epicurus, Aquinas, Hume, Kant, Schopenhauer, Russell, Sartre, Marx, etc.

PHM 3100 Social Philosophy 6A SS HP (3) AS PHI  
An analysis of rival theories of social order and their philosophical foundations.

PHM 3400 Introduction to Philosophy of Law (3) AS PHI  
A study of the fundamental concepts of law from a philosophical standpoint including crime, justice, punishment, free speech, insanity.

PHM 4120 Major Black Thinkers MW (3) AS AFA  
PR: Junior or Senior standing. Survey of major themes and issues in African/African-American intellectual and political thought with an emphasis on theories of nationalism. Works of individuals such as Martin Delany, Booker T. Washington, W. E. B. DuBois, Marcus Garvey, Malcolm X, and Angela Davis are considered.

PHM 4331 Modern Political Philosophy 6A MW (3) AS PHI  
A survey of political philosophy from 1600 A.D. until 1900 A.D., including an examination of the ethical, metaphysical, and epistemological bases of these philosophies.

PHM 4340 Contemporary Political Philosophy 6A MW (3) AS PHI  
A survey of political philosophy in the twentieth century, including an examination of the ethical, metaphysical and epistemological bases of these philosophies.

PHM 5125 Topics in Feminist Philosophy (3) AS PHI  
A study of recent feminist philosophical approaches to epistemology, aesthetics and political philosophy. May also be taken for credit in Women's Studies.

PHM 5126 Social Issues in Biomedical Ethics (3) AS PHI  
An examination of the social and political issues arising from rapid changes in medicine and technology. Topics covered may include social issues related to the just distribution of health care, reproductive technologies, HIV and AIDS, eugenics, genetic testing, and maternal-fetal relations.

PHP 3786 Existentialism 6A HP (3) AS PHI  
A study of the religious and atheistic existentialists and the bearing of their views on religion, ethics, metaphysics, and theory of knowledge.

PHP 4000 Plato 6A MW (3) AS PHI  
The examination of Plato will include the dialogues Protagoras, Georgias, Meno, Republic.

PHP 4010 Aristotle 6A MW (3) AS PHI  
Study of Aristotle's philosophy.

PHP 4410 Kant (3) AS PHI  
Lecture and discussion of Kant's philosophy, especially the Critique of Pure Reason.

PHP 4740 The Rationalists 6A MW (3) AS PHI  
A careful study of the metaphysics and epistemologies of Descartes, Spinoza, Leibniz, and Malebranche.

PHP 4745 The Empiricists 6A MW (3) AS PHI  
A careful study of the metaphysics and epistemologies of Locke, Berkeley, Hume, and Thomas Reid.

PHP 4784 Analytical Philosophy 6A (3) AS PHI  
A study of the method devoted to clarifying philosophical problems through analysis of the language in which these problems are stated.

<td>Philosophy of Marxism 6A MW (3) AS PHI</td>
<td></td>
<td>AS PHI</td>
<td>A critical survey of Marxist philosophy from Marx and Engels to Mao Tse-Tung and Herbert Marcuse. Hegelian foundations of Marxist philosophy analyzed in detail.</td>
</tr>
<tr>
<td>PHT 5021</td>
<td>Professional Issues I (2) ME PHT</td>
<td></td>
<td>ME PHT</td>
<td>Foundations of systems thinking, decision making, professional expression, responsibility, and accountability (including legal/ethical concepts), culture and argumentation for the roles of the physical therapist in administration, consultation, critical inquiry, education and patient/client management. Restricted to majors.</td>
</tr>
<tr>
<td>PHT 5022</td>
<td>Professional Issues II (2) ME PHT</td>
<td></td>
<td>ME PHT</td>
<td>An introduction to critical injury and educator roles and responsibilities; explores the concepts of decision-making, evaluation of research, theories of learning, research and clinical pathways. Restricted to majors.</td>
</tr>
<tr>
<td>PHT 5023</td>
<td>Professional Issues III (3) ME PHT</td>
<td></td>
<td>ME PHT</td>
<td>Focus on legal, ethical, and professional responsibility and accountability of the physical therapist. Learners will further develop their abilities to make legal and ethical decisions. The class will examine state laws governing the practice of physical therapy and other health care services. Restricted to majors.</td>
</tr>
<tr>
<td>PHT 5171C</td>
<td>Foundational Science I (3) ME PHT</td>
<td></td>
<td>ME PHT</td>
<td>Introduction to the peripheral neuromuscular, skeletal, integumentary, and circulatory systems in normal and pathological states. Includes the anatomy and physiology of bones, joints, skin, nerves, and blood vessels, as well as the response of these tissues to injury and their potential for healing. Restricted to majors.</td>
</tr>
<tr>
<td>PHT 5172C</td>
<td>Foundational Science II (1) ME PHT</td>
<td></td>
<td>ME PHT</td>
<td>Emphasis on physiology of the peripheral sensorimotor and cardiopulmonary systems. Restricted to majors.</td>

<td>PHT 5184</td>
<td>Movement Science I (2) ME PHT</td>
<td></td>
<td>ME PHT</td>
<td>A basic introduction to movement science and its foundational principles from four different perspectives: biomechanics; kinesiology; exercise physiology; and motor control, learning and development. Restricted to majors. Repeatable for 2 cr.</td>
</tr>
<tr>
<td>PHT 5185</td>
<td>Movement Science II (3) ME PHT</td>
<td></td>
<td>ME PHT</td>
<td>PR: PHT 5184 Elaboration of movement science principles with emphasis on biomechanics, kinesiology, functional anatomy, exercise physiology, histopathology, motor control and connective tissue properties. Restricted to majors. Repeatable for 3 cr.</td>
</tr>
<tr>
<td>PHT 5271</td>
<td>Patient/Client Management I (3) ME PHT</td>
<td></td>
<td>ME PHT</td>
<td>Foundational principles of histology, pathology, histopathology, applied biomechanics, pharmacology and clinical medicine are introduced and applied to the physical therapy management of individuals with musculoskeletal disorders involving the limbs. Restricted to majors.</td>
</tr>
<tr>
<td>PHT 5272</td>
<td>Patient/Client Management II (2) ME PHT</td>
<td></td>
<td>ME PHT</td>
<td>Application of principles of patient/client management to patients with cardiopulmonary disease or dysfunction and diabetes in order to identify and write plans of care for related movement dysfunction. Restricted to majors.</td>
</tr>
<tr>
<td>PHT 5273</td>
<td>Patient/Client Management III (3) ME PHT</td>
<td></td>
<td>ME PHT</td>
<td>Learners apply principles of patient/client management to patients with progressive, non-progressive diseases and injuries of the nervous system. Restricted to majors.</td>
</tr>
<tr>
<td>PHT 5275C</td>
<td>Physical Therapy Science I (4) ME PHT</td>
<td></td>
<td>ME PHT</td>
<td>Introduction to physical therapy skills in examination, evaluation, and diagnosis for clients with uncomplicated musculoskeletal impairments involving the extremities. Emphasis on obtaining a history and performing physical therapy tests and measures leading to a differential diagnosis by application of principles of movement. Restricted to majors.</td>
</tr>
<tr>
<td>PHT 5276C</td>
<td>Physical Therapy Science II (4) ME PHT</td>
<td></td>
<td>ME PHT</td>
<td>Introduction to physical therapy skills used in examination, evaluation, diagnosis of and intervention for clients with activity limitations associated with cardiovascular, hematological, or pulmonary disorders. Major emphasis on selecting, justifying, administering, and interpreting physiological responses to physical agents and therapeutic exercises. Restricted to majors.</td>
</tr>
<tr>
<td>PHT 5277C</td>
<td>Physical Therapy Science III (3) ME PHT</td>
<td></td>
<td>ME PHT</td>
<td>Examination, evaluation, diagnosis, and intervention for movement-related problems secondary to impairments of the nervous system. Contemporary theories of motor development, motor learning and motor control will be introduced. Student knowledge will be demonstrated with clinical problem-solving scenarios. Restricted to majors.</td>
</tr>
<tr>
<td>PHT 5283C</td>
<td>Physical Therapy Procedures (3) ME PHT</td>
<td></td>
<td>ME PHT</td>
<td>Introduction to selected physical therapy interventions, obtaining a patient history, and conducting a systems screen. Restricted to majors. Repeatable for 3 cr.</td>
</tr>
<tr>
<td>PHT 5316</td>
<td>Medical Management I (1) ME PHT</td>
<td></td>
<td>ME PHT</td>
<td>Introduction to medical diagnostics, pharmacological principles, and common orthopedic surgical procedures as components of medical management including repair of bone and soft tissue. Restricted to majors. Repeatable for 1 credit.</td>
</tr>
<tr>
<td>PHT 5380</td>
<td>Medical Management II (1) ME PHT</td>
<td></td>
<td>ME PHT</td>
<td>PR: PHT 5316 Seminar on the medical and surgical management; epidemiology; pathophysiology; pharmacology of injuries and diseases of the cardiopulmonary system including repair and regeneration. Restricted to majors. Repeatable for 1 credit.</td>
</tr>
<tr>
<td>PHT 5822</td>
<td>Clinical Education I (3) ME PHT</td>
<td></td>
<td>ME PHT</td>
<td>Initial clinical practice experience for the development of patient care skills. The course is graded Satisfactory/ Unsatisfactory. Restricted to majors.</td>
</tr>
<tr>
<td>PHT 5906</td>
<td>Directed Independent Study (1-10) ME PHT</td>
<td></td>
<td>ME PHT</td>
<td>Directed independent study, content to be decided. Restricted to majors. Not repeatable for credit.</td>
</tr>
<tr>
<td>PHT 5934</td>
<td>Special Topics I (1-10) ME PHT</td>
<td></td>
<td>ME PHT</td>
<td>Exploration of physical therapy practice issues. Topics may vary each semester the course is offered. A seminar and/or lab course. Restricted to majors. Not repeatable for credit.</td>
</tr>
<tr>
<td>PHT 5960</td>
<td>Clinical Proficiency and Problem Solving I (1) ME PHT</td>
<td></td>
<td>ME PHT</td>
<td>Practicum for patient/client management of individuals with musculoskeletal related movement disorders complemented by direct patient care learning. Restricted to majors. Repeatable for 1 credit hour.</td>
</tr>
</tbody>
</table>
PHY 2054 General Physics II NS CANP (3) AS PHY
PR: PHY 2053, PHY 2053L. Must be taken concurrently with lecture and, if dropped, then dropped simultaneously. May not receive credit for both the PHY 2054L and PHY 2049L courses. Second semester of non-calculus based general physics. Topics studied include electricity and magnetism, optics and modern physics.

PHY 2054L General Physics II Laboratory (1) AS PHY
PR: PHY 2053, PHY 2053L. Must be taken concurrently with lecture and, if dropped, then dropped simultaneously. May not receive credit for both the PHY 2054L and PHY 2049L courses. Second semester of general physics lab for science students.

PHY 2049 General Physics I - Calculus Based NS CANP (3) ASPHY
PR: MAC 2282 or MAC 2312, PHY 2048. Must be taken concurrently with lecture and, if dropped, then dropped simultaneously. May not receive credit for both the PHY 2054L and PHY 2049L courses. First semester of a two-semester sequence of general physics (mechanics, heat, and fluids).

PHY 2048L General Physics I Laboratory (1) AS PHY
PR: MAC 2281 or MAC 2311. Must be taken concurrently with lecture and, if dropped, then dropped simultaneously. May not receive credit for both the PHY 2053 and PHY 2048 courses. First semester of a two-semester sequence of general physics (mechanics, wave motion, sound, thermodynamics, geometrical and physical optics, electricity, and magnetism) and laboratory for physics majors and engineering students.

PHY 2049 General Physics I - Calculus Based NS CANP (3) ASPHY
PR: MAC 2282 or MAC 2312, PHY 2048. Must be taken concurrently with lecture and, if dropped, then dropped simultaneously. May not receive credit for both the PHY 2053 and PHY 2048 courses. First semester of a two-semester sequence of general physics (mechanics, wave motion, sound, thermodynamics, geometrical and physical optics, electricity, and magnetism) and laboratory for physics majors and engineering students.

PHY 2049 General Physics II - Calculus Based NS CANP (3) ASPHY
PR: MAC 2282 or MAC 2312, PHY 2048. Must be taken concurrently with lecture and, if dropped, then dropped simultaneously. May not receive credit for both the PHY 2054L and PHY 2049L courses. Second semester of a two-semester sequence of general physics (mechanics, wave motion, sound, thermodynamics, geometrical and physical optics, electricity, and magnetism) and laboratory for physics majors and engineering students.

PHY 2053L General Physics I Laboratory (1) AS PHY
Must be taken concurrently with lecture and, if dropped, then dropped simultaneously. May not receive credit for both the PHY 2053 and PHY 2048L courses. First semester of a two semester sequence of general physics (mechanics, heat, wave motion, sound, electricity, magnetism, optics, modern physics) laboratory for science students.

PHY 2054 General Physics II NS CANP (3) AS PHY
PR: PHY 2053, PHY 2053L. Must be taken concurrently with lab and, if dropped, then dropped simultaneously. May not receive credit for both the PHY 2054 and PHY 2049 courses. Second semester of non-calculus based general physics. Topics studied include electricity and magnetism, optics and modern physics.

PHY 4744C Introduction to Electronics and Test Instrumentation (3) AS PHY
PR: General Physics or CI. Introduces the fundamentals of
analog and digital electronics used in measurements and instrumentation. Weekly labs give hands-on experience in breadboarding electronic circuits and using test instrumentation (oscilloscopes, digital multimeters, etc.)

**PHY 4823L Advanced Laboratory (3) AS PHY**
*PR: PHY 3822L. Experimental work primarily related to modern physics. Emphasis on experimental techniques used in current research.*

**PHY 4905 Independent Study (1-3) AS PHY**
*PR: CI. S/U only. Specialized, independent study determined by the student's need and interest. The written contract required by the College of Arts and Sciences specifies the regulations governing independent study.*

**PHY 4910 Undergraduate Research (1-4) AS PHY**
*PR: Senior or advanced junior standing and CC. S/U only. An individual investigation in the laboratory or library or both, under the supervision of the instructor. Credit hours and other contractual terms, are to be determined by student/instructor agreement.*

**PHY 4930 Undergraduate Seminar (1) AS PHY**
*PR: Senior or advanced junior standing or CC. S/U only. All undergraduate physics majors must enroll in this course at least once. Regular attendance is required. This course introduces students to the research areas in the Physics Department.*

**PHY 4936 Selected Topics in Physics (1-4) AS PHY**
*PR: Senior or advanced junior standing and CC. Each topic is a course in directed study and under the supervision of a faculty member.*

**PHY 5720C Electronics for Research (3) AS PHY**
*A rigorous introduction to the fundamentals of analog and digital electronics. Theoretical circuit analysis and weekly labs introduce practical use of diodes, transistors, analog and digital lcs, breadboarding techniques and electronics test instrumentation. Spring Semester.*

**PHY 5937 Selected Topics in Physics (1-4) AS PHY**
*PR: Senior or advanced standing and CC. Each topic is a course in directed study under the supervision of a faculty member.*

**PHZ 2102 Problems in General Physics I (1) AS PHY**
*CR: PHY 2048 or PHY 2053. First semester of a two-semester sequence on solving problems in General Physics I. A course designed to be taken with the lecture course and to help students with developing problem-solving skills.*

**PHZ 2103 Problems in General Physics II (1) AS PHY**
*CR: PHY 2049 or PHY 2054. Second semester of a two-semester sequence on solving problems in General Physics II. A course designed to be taken with the lecture course and to help students with developing problem-solving skills.*

**PHZ 3113 Mathematical Methods in Physics (3) AS PHY**
*PR: PHY 2049. CP: MAC 2283 or MAC 2313. The course is designed to develop the basic mathematical skills required in subsequent courses in physics, as well as form the basis for a fundamental understanding of the mathematics needed for the study of physics.*

**PHZ 4151C Computational Physics (3) AS PHY**

**PHZ 4434 Materials Physics NS (3) AS PHY**
*PR: PHY 2048, PHY 2049, PHY 3101. The physics and physical properties of materials. Strong emphasis is on the underlying physics of materials. Particular topics covered include crystal structure, phase, and electrical, thermal, optical, and magnetic properties of materials.*

**PHZ 4702 Applications of Physics to Biology and Medicine I (4) AS PHY**
*PR: PHY-2054, PHY-2054L or PHY-2049, PHY 2049L. The first semester of a two-semester sequence, to discuss the applications of the physical concepts introduced in the General Physics sequence to biological systems and for medical applications. Restricted to non-majors.*

**PHZ 4703 Applications of Physics to Biology and Medicine II (4) AS PHY**
*PR: PHY-2054, PHY-2054L or PHY-2049, PHY 2049L; PHY 2053 or CI. The second semester of a two-semester sequence, to discuss the applications of the physical concepts introduced in the General Physics sequence to biological systems and for medical applications. Restricted to non-majors.*

**PHZ 5115 Methods of Theoretical Physics I (3) AS PHY**
*PR: MAP 2302 or CI. Applications of mathematical techniques to classical and modern physics. Vector spaces including Hilbert space, orthogonal functions, generalized functions, Fourier analysis, transform calculus, and variational calculus.*

**PHZ 5116 Methods of Theoretical Physics II (3) AS PHY**
*PR: MAP 2302 or CI. Applications of mathematical techniques to classical and modern physics. Selected topics in complex analysis, differential and integral equations, numerical methods, and probability theory.*

**PHZ 5156C Computational Physics I (3) AS PHY**
*PR: CGS 5765 or CI. C programming applied to real science and engineering problems. Data analysis, numerical algorithms, modeling, parallel computation. Subjects selected from current research may include neurobiology, quantum magnetism, chaos, finance, materials science.*

**PHZ 5304 Nuclear Physics (3) AS PHY**
*PR: PHY 4604 or CI. Nuclear forces, nuclear models, nuclear structure, decay, nuclear reactions, and high energy physics.*

**PHZ 5405 Solid State Physics I (3) AS PHY**
*PR: PHY 3101, MAP 2302. CI. Crystal structure, x-ray and electron diffraction, mechanical and thermal properties of solids, electrical and magnetic properties of metals, band theory of metals, insulators, and semiconductors. First semester of sequence PHZ 5405, PHZ 6426.*

**POL 1120 Beginning Polish I (4) AS WLE**
*CR: POL 1120L. This course features all four major skills: listening, reading, speaking, and writing. Grammar exercises, dictation, readings and vocabulary-building are central in this first course. Knowledge of Russian can help. S/U available.*

**POL 1120L Beginning Polish Laboratory (1) AS WLE**
*CR: POL 1120. Concurrent enrollment with a lecture session is required, and, if dropped, then dropped simultaneously. S/U only. A laboratory designed to offer additional practice using various instructional technologies and media.*
and sex-based discrimination as embodied in statutory
individuals.
PR: POS 2041. Analysis of Supreme Court decisions and

and dictation, and vocabulary-building. Knowledge of Russian can help.
S/U available.
the role of interest groups and the state and federal
government in facilitating change.
POS 3182 Florida Politics and Government (3) AS POL
A study of Florida political culture, political parties and
elections, the legislative, executive, and judicial systems,
and policy patterns.
POS 3283 Judicial Process and Politics (3) AS POL
The organization, development, and functioning of American
court systems and the causes and consequences of
judicial behavior from an empirical perspective.
POS 3453 Political Parties and Interest Groups (3) AS POL
Analysis and understanding of role, functions, structure,
and composition of such, and their impact on American
governmental institutions.
POS 3691 Introduction to Law and Politics (3) AS POL
Nature of law, legal process, relationship to political life
of constitutional law, administrative law, the judicial process,
and private law.
POS 3697 Environmental Law (3) AS POL
Examines some of the major issues involving
environmental law. Specially, the course provides a survey
and analysis of statutes, both state and federal, regulating
water, air, soil pollution, and resource conservation and
recovery. It will also address questions pertaining to
problems of implementation, interpretation, enforcement,
and development of environmental laws.
POS 3713 Empirical Political Analysis (3) AS POL
Fundamentals of empirical political inquiry: systematic
data collection and quantitative analysis techniques.
POS 4204 Political Behavior, Public Opinion, and Elections
(3) AS POL
Analysis of economic and socio-psychological factors
influencing mass and elite political behavior; voting
behavior, public opinion, and political activism.
POS 4413 The American Presidency 6A (3) AS POL
The presidency as a political institution; analysis of powers;
legislative, administrative, political, and foreign policy
leadership; crisis management and decision making;
White House staffing; limits on power.
POS 4424 The American Congress (3) AS POL
Organization, procedures, committee system, party
leadership, relations with governmental and non-
governmental organizations and agencies, oversight,
decision-making processes, House/Senate comparisons.
POS 4614 Constitutional Law I (3) AS POL
PR: POS 2041. Leading social problems, principle
institutions, and the scope of powers. Analysis of Supreme
Court decisions, scholarly commentaries, and the writings
of leading public figures.
POS 4624 Constitutional Law II (3) AS POL
PR: POS 2041. Analysis of Supreme Court decisions and
scholarly commentaries on the constitutional rights of
POS 4693 Women and Law I (3) AS WST
Introduction to issues concerning the legal aspects of sex
and sex-based discrimination as embodied in statutory
and case law, focusing on constitutional and family law and reproductive freedom issues.

**POS 4694 Women and Law II** 6A MW (3) AS WST
PR: POS 4693 or CI. Legal position of women in American society and remedies available to challenge current laws and practices, with specific emphasis on employment and education issues as they relate to both women and men.

**POS 4905 Independent Study** (1-3) AS POL
PR: 3.0 average in Political Science and CI. Specialized study determined by the student's needs and interests.

**POS 4910 Individual Research** (1-3) AS POL
PR: 3.0 average in Political Science and CI. Investigation of some aspect of political science culminating in the preparation of an original research paper.

**POS 4936 Senior Seminar** (3) AS POL
PR: Senior standing and CI. An opportunity to work with others in a seminar format, exploring specialized topics.

**POS 4941 Field Work** (3-15) AS POL
PR: 3.0 average in Political Science and CI. Opportunity for students to obtain practical experience as aides to agencies of government and political parties.

**POS 4970 Honor Thesis** (3) AS POL
PR: Admission to Honor option. Writing of honor thesis under direction of faculty members.

**POS 5094 Issues in American National and State Government** (3) AS POL
Selected topics of study in American government.

**POS 5155 Issues in Urban Government and Politics** (3) AS POL
Selected topics and issues in Urban Government and politics.

**POS 5159 Urban Policy Analysis** (3) AS PAD
Application of policy framework for urban government & policies. Examine forms of government and how policies such as economic development, law enforcement, community policing, neighborhood policies (with non-profit groups) can be analyzed.

**POT 3003 Introduction to Political Theory** (3) AS POL
Examines various kinds of theory used in political science for understanding political life: normative theory, empirical theory, historicism theory, analytical theory, and critical theory.

**POT 3013 Classical Political Theory** (3) AS POL
Analysis of basic ideas of Plato, Aristotle, Cicero, St. Thomas, and other leading pre-modern political philosophers.

**POT 4054 Modern Political Theory** (3) AS POL
Analysis of basic political ideas of Machiavelli, Hobbes, Locke, Rousseau, Burke, and other modern philosophers.

**POT 4064 Contemporary Political Thought** (3) AS POL
Examines various political views and political phenomena in the nineteenth and twentieth centuries. Diverse theoretical types and salient political phenomena will be presented.

**POT 4109 Politics and Literature 6A LW** (3) AS POL
Critical examination of the connections between politics and literature.

**POT 4204 American Political Thought** (3) AS POL
Examines political writings in the U.S. and responses to critical periods in history, beginning with the Founding Fathers, and culminating in recent contributions and understanding contemporary political problems and solutions.

**POT 4661 The Politics of Identity, Difference and Inequality** MW (3) AS POL
PR: POT 3003. An analysis of how relationships of social identity and difference become the basis of social, political and economic inequality in modern society. It incorporates both contemporary and classical discussions of inequality.

**POT 4936 Selected Topics in Political Theory** (3) AS POL
Selected topics or thinkers in political theory.

**PPE 4003 Personality** (3) AS PSY
PR: PSY 3213 with a grade of C or better or CI. Methods and findings of personality theories and an evaluation of constitutional, biosocial, and psychological determinants of personality.

**PSB 3444 Drugs and Behavior** (3) AS PSY
This is a basic introduction to drugs and their effects on society and behavior. Specifically, drug regulations and laws will be covered as well as how drugs interact with the brain to alter consciousness.

**PSB 4004C Physiological Psychology** (3) AS PSY
PR: PSY 3213 with a grade of C or better or CI. Gross neural and physiological components of behavior. Structure and function of the central nervous system and theory of brain functions.

**PSC 2515 Energy and Humanity** NS CANP (3) AS PHY
Explores energy use and its environmental impacts, including climate change. Energy resources, including alternatives to fossil fuels, are discussed. Basic science concepts as well as contemporary technologies are covered.

**PSY 2012 Introduction to Psychological Science SS CASB** (3) AS PSY
This course is an introduction to psychology for majors and nonmajors. It presents psychological theory and methods in a survey of various areas of psychology including clinical, cognitive, developmental, health, industrial, social and biopsychology.

**PSY 3017 Psychological Science II SS** (3) AS PSY
PR: PSY 2012, psychology major or CI. Designed as an in-depth examination of the basic principles and concepts of psychological science. Extensive coverage will be given to the areas of learning, perception, physiological psychology, and cognition.

**PSY 3204 Psychological Statistics** 6A QM CAQR (3) AS PSY
PR: PSY 2012. Introduction to analyzing psychological data, in the context of behavioral research. Covers basic research design, descriptive statistics, analysis procedures, use of computer analysis packages, interpretation of outputs, and implications for research.

**PSY 3213 Research Methods in Psychology** (4) AS PSY
PR: PSY 2012 with a grade of C or better or CI. This course considers the logic of experimental design, concept of control and the analysis of experimentally obtained data. The laboratory section provides experience applying the concepts discussed in lecture. Two lectures plus two-hour lab.

**PSY 4205 Experimental Design and Analysis** (3) AS PSY
PR: PSY 3213 with grade of C or better or CI. Detailed coverage of those research designs and statistical techniques having the greatest utility for research problems.
in psychology. Emphasis on topics from analysis of variance.

**PSY 4604 History and Systems of Psychology (3) AS PSY**  
PR: PSY 3213 with a grade of C or better or CI. The historical roots of modern psychological theories, investigation of the various schools of psychology such as behaviorism, Gestalt psychology, psychoanalysis, and phenomenological psychology.

**PSY 4913 Directed Study (1-3) AS PSY**

PR: PSY 3213 with a grade of C or better, admission to honors program in psychology and CI. A maximum of 3 credits of either PSY 4913 or PSY 4970 may count toward the major. The student, under supervision of a faculty member, will complete a thesis project.

**PUP 4002 Public Policy (3) AS POL**  
Examines the formation and implementation of public policy in areas such as the economy, health, etc.

**PUP 4203 Environmental Politics and Policy (3) AS POL**  
Examines the politics of environmental issues, formation and implementation of environmental policy.

**PUP 4323 Women and Politics 6A MW (3) AS WST**  
An analysis of the impact of gender on power and influence in American society, and women's changing role in the political process.

**PUP 5607 Public Policy and Health Care (3) AS POL**  
The study of health care policy as it relates to the policy process in the American setting.

**PUR 3000 Principles of Public Relations (3) AS COM**  
PR: MMC 2100 and MMC 3602. The underlying theory and professional practice of public relations within corporate and institutional structures and its vital role in society; ethical standards of practice, and relationships of the practice to the public media; public relations problem-solving process.
This course helps students develop the fundamentals of reflective and critical reading and on effective analytical reading utilizing multiple sources from various disciplines. The course meets the criteria for Gordon Rule writing requirements.

REA 2505 Vocabulary (3) AS ENG
A practical course in rapid vocabulary improvement for students in all areas. Stress is on words in context. Will not count toward the English major.

REA 2604 Strategic Learning (1) US REA
For students in academic difficulty, this course introduces students to advanced learning system used to understand individual learning preferences, analyze task demands, and then intentionally select effective strategies for each learning challenge.

REA 2930 Selected Topics (1-4) US REA
Topics will vary to meet the needs of students. Will not be counted toward the English major.

RED 4310 Reading and Learning to Read (3) ED EDE
PR: Admission to College of Education. This course will prepare pre-service teachers to understand the foundations of reading and the inherent learning principles to produce successful readers. The course focuses on appropriate instructional strategies to enhance reading development and reading across the curriculum.

RED 4335 Teaching Reading in Secondary English Curriculum (3) ED EDE
Analysis of the reading process; introduction to diagnosis of reading abilities; reading and study skill strategies to increase student achievement in reading.

RED 4348 Literacy Development (3) EP EDE
PR: BXE Majors only. CR: EDG 3943. This course for preservice teachers focuses on foundations of reading and learning principles that lead to successful readers, including ESOL and ESE students. Instructional strategies and materials for early literacy development are introduced.

RED 4511 Linking Literacy Assessment to Instruction (3) ED EDR
PR: RED 4310. This course will prepare pre-service teachers to use multiple assessment measures to assess and diagnose students’ strengths and needs in literacy learning. Based on individual student profiles, teachers will design instruction to enhance literacy development.

REE 3043 Real Estate Decision Making (3) BU FIN
PR: FIN 3403. Acquaints students with the range of knowledge required to engage in real estate decision-making in the United States. Integrates the institutional framework with which decisions are made, the elements of financial analysis, deal structuring and marketing, and the pricing, financing, and allocation of real property in the real estate markets.

REE 4303 Real Estate Investment Analysis (3) BU FIN
PR: FIN 4504. A comprehensive study of the determinants of the market and financial feasibility of the real estate investment decision. The development of market and site analyses, theories of urban development patterns, and the role of taxation will be studied along with the application of analytical techniques for decision making.

REL 2210 Hebrew Bible/Old Testament (4) AS REL
An introduction to the critical study of the Hebrew Scriptures against the background of the ancient Near East, with attention to the history and religion of the Hebrew people.
REL 2240 Introduction to the New Testament (4) AS REL
An introduction to the critical study of the New Testament in the context of Christian beginnings in the first century C.E. This will include readings from the Apocrypha, other Gospels, and letters.

REL 2300 Introduction to World Religions HP SS CAGCHHCP (4) AS REL
Introduction to World Religions is designed to give students a broad and general overview of the major religious traditions of the world. Students will be exposed to the history, primary beliefs, and information necessary for a primary understanding of each of the religions studied in the course.

REL 2306 Contemporary World Religions HP (4) AS REL
This course will explore the unity and diversity of religious traditions in our contemporary global context in order to understand the mutual interactions between religions and cultures. Emphasis will be placed on the role of religions in shaping human values which can either create or resolve social conflicts, and the impact these values can have on issues of race, ethnicity and religious diversity in a multicultural world.

REL 3000 Ancient Religions in Context (4) AS REL
Study of the religions in their cultural setting of the peoples of the Ancient Middle East and Mediterranean.

REL 3003 Introduction to Religious Studies (4) AS REL
This course introduces students to the academic study of religion. Religious thought and behavior are examined from a variety of methodological perspectives. Restricted to majors and minors. Required for the major and the minor in Religious Studies.

REL 3014 Introduction to Major Religious Texts (3) AS REL
The course provides an introduction to the study of some of the foundational texts of selected religious traditions by focusing on reading and interpretative strategies in order to understand the central beliefs and practices presented in these texts.

REL 3101 Religion and Popular Culture SS HP (3) AS REL
An exploration and analysis of the relationship between religion and popular culture, which will include inquiry into the definition and meaning of both religion and popular culture, the impact of secularization on traditional religious systems, and the widely diverse expressions of religion in contemporary popular culture.

Analyzes the modes of thought and of logical analysis of the Talmud of Babylonia; the way in which applied logic and practical reason work in a religious definition of the social order; the dialectical argument.

REL 4670 Judaism and Christianity After the Holocaust 6A MW LW (4) AS REL
This course will explore the impact of the Holocaust on Jewish and Christian thought and identity in the light of the history of religious and cultural anti-Semitism in Western civilization.

REL 4910 Undergraduate Research (1-4) AS REL
PR: Junior standing and CI. Individual investigations with faculty supervision.

REL 4911 Undergraduate Research (1-4) AS REL
PR: Junior standing and CI. Individual investigations with faculty supervision.

REL 4930 Selected Topics (3) AS REL
Course contents depend on student demand and instructor’s interest and may range over the whole field of Ancient Religions. Offerings on a semi-regular basis include the Bible as History 3.

REL 4931 Seminar in Religion (3) AS REL
PR: Majors and minors only or CI A course required for Religious Studies majors and minors, whose prior religious studies have prepared them for a cooperative creative and/or research effort in the area of religion.

REL 4936 Selected Topics (1-4) AS REL
PR: Junior standing. Individual investigations with faculty supervision.

REL 4937 Selected Topics: Fall Honors Seminar (3) AS REL
PR: Acceptance into the Religious Studies Honors Program. The course content will depend upon student demand and instructor’s interest.
REL 4938 Selected Topics: Spring Honors Seminar (2) AS REL
PR: Acceptance into the Religious Studies Honors Program. The course content will depend upon student demand and instructor's interest.

REL 4939 The Development of Religious Studies (4) AS REL
Course designed for senior majors and minors in religious studies. Discussion of key figures and methodological advances in the development of the field from the 18th century to present, with readings of classics in the development.

RMI 3011 Principles of Insurance (3) BU FIN
Analysis of insurable risks of both businesses and individuals. An examination of the characteristics of those areas of risk and uncertainty where the mechanisms of insurance are effective alternatives. The concept, contracts, and institutions involved in insurance are examined in relation to the socio-economic environment.

RMI 4115 Life, Health, And Disability Insurance (3) BU FIN
PR: QMB 3200, RMI 3011. The course will analyze the use of life, health, and disability insurance contracts as a method of dealing with the financial risks of death, sickness, and disability. It will include an analysis of cost determination of the various types of coverage.

RMI 4210 Property Insurance (3) BU FIN
PR: RMI 3011. Course dealing with recognition of personal and business property risks, and coverage that can be used in dealing with these risks. Considers the underwriting, marketing, and social problems associated with these coverages. Topics include commercial and residential fire insurance, inland marine and transportation coverages, and multi peril contracts. Not limited to Finance majors.

RMI 4220 Casualty Insurance (3) BU FIN
PR: RMI 3011. Course dealing with recognition of personal and business casualty risks and coverages that can be used in dealing with these risks. Considers the underwriting, marketing, and social problems associated with these coverages. Topics include workmen's compensation, public liability, auto liability, suretyship, and crime insurances. Not limited to Finance majors.

RTV 2100 Writing For Radio and TV (3) AS COM
PR: CRW 2100 or ENC 3310 and RTV 3001. The art and practice of script planning and writing for radio and television and for corporate videos.

RTV 3001 Introduction to Telecommunications (3) AS COM
PR: MMC 2100 and MMC 3602. A survey of the organization, structure, and function of the broadcasting industry.

RTV 3301 Broadcast News (4) AS COM
PR: MMC 2100 and MMC 3602. Methods in gathering, writing, and editing newscasts for radio and television.

RTV 3941 Radio Practicum (1) AS COM
PR: RTV 3001 and CI. For telecommunications sequence majors. S/U only. Practical experience outside the classroom where the student works for academic credit under the supervision of a professional practitioner. Periodic written and oral reports to the faculty member coordinating the study.

RTV 4220 TV Production and Direction (3) AS COM
PR: RTV 3001 and RTV 3301. A basic course in the techniques of producing and directing TV programs.

Restricted to majors only.

RTV 4304 TV News (3) AS COM
PR: RTV 4320. Advanced television reporting, integrating broadcast news writing, ENG production and television performance.

RTV 4320 Electronic Field Production (3) AS COM
PR: RTV 3001 and RTV 3301. Advanced producing, scripting, lighting, camera, and editing for video and news production. Introduction to computer editing and graphics.

RTV 4500 Telecommunications Programming and Management (3) AS COM
PR: RTV 3001. Program and management concepts, resources, costs, selection, and scheduling. Analysis of programming and management in terms of structures, appeals and strengths.

RTV 4942 TV Practicum (1) AS COM
PR: RTV 4220 and CI. For telecommunications sequence majors. S/U only. Practical experience outside the classroom where the student works for academic credit under the supervision of a professional practitioner. Periodic written and oral reports to the faculty member coordinating the study.

RUS 1120 Beginning Russian I (4) AS WLE
CR: RUS 1120L. The first course in the study of elementary Russian. Emphasis on the development of basic skills in comprehension, speaking and reading.

RUS 1120L Beginning Russian I Laboratory (1) AS WLE
CR: RUS 1120L. Concurrent enrollment with a lecture session is required, and, if dropped, then dropped simultaneously. S/U only. A laboratory designed to offer additional practice using various instructional technologies and media.

RUS 1121 Beginning Russian II (4) AS WLE
PR: RUS 1120 or CI. CR: RUS 1121L. The second course in the study of elementary Russian. Emphasis on the development of basic skills in comprehension, speaking and reading.

RUS 1121L Beginning Russian II Laboratory (1) AS WLE
CR: RUS 1121L. Concurrent enrollment with a lecture session is required, and, if dropped, then dropped simultaneously. S/U only. A laboratory designed to offer additional practice using various instructional technologies and media.

RUS 2220 Russian III (4) AS WLE
PR: First year Russian or equivalent. Review and development of basic skills in conversation, composition, and reading.

RUS 2221 Russian IV (4) AS WLE
PR: RUS 2220 or equivalent. Review and development of basic skills in conversation, composition, and reading.

RUS 2270 Overseas Study (1-6) AS WLE
Intensive study of the Russian language in Russia involving at least 20 hours per week of classroom instruction and cultural excursions conducted in Russian around Moscow and other parts of Russia.

RUS 3240 Conversation I (4) AS WLE
PR: Second year Russian or equivalent. Development of basic conversational skills.

RUS 3470 Overseas Study (1-6) AS WLE
Must be enrolled in the USF Summer Study in Moscow program. Two years Russian required. Intensive Russian at Moscow Linguistic University with excursions in Moscow.
RUS 3500 Russian Civilization 6A MW (3) AS WLE
A survey of the cultural history of Russia.

RUS 4241 Conversation II (4) AS WLE
PR: Previous course in series or equivalent. Development of conversational skills.

RUS 4402 Advanced Russian Conversation & Composition I (4) AS WLE
PR: RUS 4241 or CI. Third year Russian.

RUS 4403 Advanced Russian Conversation & Composition II (4) AS WLE
PR: RUS 4241 or CI. Third year Russian.

RUS 4471 Advanced Overseas Study (1-6) AS WLE
Must be enrolled in the USF Summer Study in Moscow program. Three years Russian required. Intensive Russian at Moscow Linguistic University with excursions in Moscow and Russia. Students from other institutions eligible.

RUS 4900 Selected Topics (1-3) AS WLE
Study of an author, movement or theme.

RUS 4905 Directed Study (1-3) AS WLE
Departmental approval required.

RUT 3110 Nineteen Century Russian Literature in English 6A MW LW WRIN (3) AS WLE

RUT 3111 Twentieth-Century Russian Literature in English 6A MW LW CPST WRIN (3) AS WLE
Survey of the major authors of 20th Century Russian literature in English. Major works of Babel, Bulgakov, Olesha, Pasternak, Solzhenitsyn, and Zamyatin.

SCE 4305 Communication Skills in the Science Classroom (3) ED EDN
Reading and communication skills important in understanding scientific and science education literature and communicating findings to others.

SCE 4310 Teaching Elementary School Science (3) ED EDE
PR: Admission to College of Education and completion of General Distribution Requirements in the Natural Science area. Techniques and materials for teaching science in the elementary school.

SCE 4313 Science for all Students (3) EP EDN
Designed to equip students with inquiry- and standards-based techniques and materials for teaching elementary school-aged children science. Includes strategies and resources for teaching English language learners and students with exceptionalities.

SCE 4320 Teaching Methods in Middle Grade Science (3) ED EDN
PR: Completion of 25 semester hours of Science or CC. Not designed for high school certification purposes. Survey techniques and materials unique to science, grades 5-9.

SCE 4330 Teaching Methods in the Secondary School-Sciences (3) ED EDN
PR: Completion of 26 hours in approved science areas, EDG 4620 or CP, and CC. Techniques and materials of instruction in secondary school sciences.

SCE 4863 Science, Technology, Society Interaction 6A MW (4) ED EDN
Achieve an historical and philosophical understanding of (1) the nature of the scientific enterprise: interaction of science, technology, and society (STS), (2) how to teach STS including the use of computers and related technologies, and (3) intricacies of sample STS topics.

SCE 4936 Senior Seminar in Science Education CPST (3) ED EDN
PR: Senior standing; CR: SCE 4940. Synthesis of teacher candidate's courses in complete college program.

SCE 4940 Internship: Science Education (1-12) ED EDN
CR: SCE 4936. One full semester of internship in a public or private school.

SCE 5325 Methods of Middle Grades Science Education (3) EDE
Design to equip students with inquiry- and standards-based techniques, empirical findings, and theoretical interpretations to the teaching and learning of science.

SCE 5337 Methods of Secondary Science Education (3) ED EDN
Course concentrates on goals, subject matter teaching strategies for high school curricula; assessment and using data to improve student achievement; and development pedagogical content knowledge as it pertains to the teaching and learning of science.

SCE 5564 Reading and Communication in Science Education (3) ED EDN
This course prepares secondary science teachers to teach literacy practices in science. It includes methods for selecting appropriate reading and language approaches. Communication in science and functional aspects of scientific literacy are examined.

SCE 5937 Selected Topics in Science Education (1-4) ED EDN
SLS 1101 The University Experience (1-3) US DEA
PR: Freshman only. An extended introduction to USF. Topics include purposes of higher education, structure and function of USF, career planning, selecting a major, study skills, managing time, academic advising, computer resources, and decision-making.

SLS 2401 Career Development Process (2) US DEA
Students will study vocational choice theories and participate in career decision processes. Development of self-awareness and knowledge of career opportunities and requirements necessary for decision making. Available to lower level majors or non-majors.

SOP 3742 Psychology of Women SS (3) AS WST
An examination of theories of female personality in historical perspective. Current research on sex differences, socialization, sexuality, psychology of reproduction. Emerging roles of women as related to social change and developmental tasks of the life cycle.

SOP 4004 Social Psychology (3) AS PSY
PR: PSY 3213 with a grade of C or better or CI. Survey of methods, empirical findings, and theoretical interpretations in the study of an individual's behavior as it is affected by others.

SOP 4330 Social Psychology of HIV/AIDS (3) AS PSY
PR: PSY 2012, PSY 3017, PSY 3213 Students study social psychology theory and research while working at an AIDS service organization. They use the research as a framework
for understanding, and developing solutions to, problems confronting the organization's staff and clients.

**SOP 4514 The Holocaust, Social Prejudice, and Morality (3) AS PSY**

PR: PSY 2012. Examines the Holocaust from social, psychological, and communication/language perspectives. Reviews root causes of prejudice, the manifestations of hatred in language, relationships, and the ultimate impacts on victims and survivors and rescuers.

**SOP 4714C Environmental Psychology (3) AS PSY**

PR: PSY 3213 with a grade of C or better or CI. Explores the influences of environment on behavior. Topics considered include crowding, privacy, territorial behavior, environmental design, and pollution effects. Designed for both psychology majors and non-majors.

**SOW 3101 Human Behavior and the Social Environment I (4) BC SOK**

PR: All provisional major courses. Restricted to Full Social Work majors, others by School permission. An integrating human behavior-social environment course emphasizing dynamics of behavior and environmental factors as they relate to social work practice with individuals, and families.

**SOW 3102 Human Behavior And The Social Environment II (3) BC SOK**

PR: SOW 3101, SOW 4341, SOW 4522. Restricted to Full Social Work majors, others by School permission. An integrating course emphasizing dynamics of behavior and environmental factors as they relate to social work practice with families, groups, organizations and communities.

**SOW 3203 Introduction to Social Work (3) BC SOK**

An introductory course tracing the development of social work as a profession including an examination of the knowledge, skill and attitudinal base of the profession and professional roles and functions.

**SOW 3210 The American Social Welfare System SS (3) BC SOK**

A general education introductory course which provides students with a framework for understanding the historical development of American social welfare, its value base, and its response to minorities, women, children, the elderly, and the disabled.

**SOW 3401 Research and Statistics For Social Work (3) BC SOK**

PR: SOW 3101, SOW 4343, SOW 4522. Restricted to Full Social Work majors, others by School permission. The purpose of this course is two-fold: to familiarize the student with research as it is practiced in the profession of Social Work; and to equip the student with those theoretical understandings necessary to be a critical consumer of social work research.

**SOW 4233 Social Welfare: Policy & Program (3) BC SOK**

PR: All provisional major courses, SOW 3101, SOW 3401, SOW 4341, SOW 4522, SOW 3102, SOW 4343. CR: SOW 4510, SOW 4510L. Restricted to Full Social Work majors, others by School permission. An advanced policy course taking an analytical approach to contemporary social welfare policy issues and current social welfare programs.

**SOW 4341 Multi-Methods of Social Work Practice I: Macro-System Intervention (5) BC SOK**

PR or CR: SOW 3101; SOW 4522. All provisional major courses. Restricted to Full Social Work majors; others by School permission. First practice course emphasizing development of skills and interventive methods with individuals, families and small groups. Course includes both didactic and experiential learning components.

**SOW 4343 Multi-Methods of Social Work Practice II: Macro-System Intervention (5) BC SOK**

PR: All provisional major courses, SOW 3101, SOW 4522, SOW 4341; must be taken as PR. CR: SOW 3401, and SOW 3102. Restricted to Full Social Work majors, others by School permission. Second practice course emphasizing intervention at the community and organizational level. Builds upon theoretical and practical content of SOW 4341. Course includes both didactic and experiential learning components.

**SOW 4510 Integrative Seminar (3) BC SOK**

PR: SOW 3302, SOW 3210, SOW 3101, SOW 4341, SOW 3102, SOW 4343, SOW 4522. CR: SOW 4233, SOW 4510L. Restricted to Full Social Work majors in senior year. Integrates content and theory from core classes with practice experiences students are having in field placement.

**SOW 4510L Field Placement (6) BC SOK**

PR: SOW 3302, SOW 3210, SOW 3101, SOW 4341, SOW 3102, SOW 4522, SOW 4343. CR: SOW 4233, SOW 4510. S/U only. Supervised field placement in a social welfare organization consisting of 32 hours per week in the field with a total of 480 clock hours per semester.

**SOW 4522 Multicultural America (3) BC SOK**

PR: All provisional major courses. The course focuses on the students' understanding of multicultural and intergenerational issues.

**SOW 4900 Directed Readings (1-9) BC SOK**

PR: Completion of four social work courses including SOW 3401, upper level standing, and School permission. Content dependent upon student interest and ability. A contract will be jointly developed by student and instructor specifying nature of work to be completed.

**SOW 4910 Directed Research (1-6) BC SOK**

PR: Completion of four social work courses including SOW 3401, upper level standing and school permission. Majors only. Directed Research is intended to provide students with research experience in areas of specific interest in social work. A contract will be developed between student and instructor specifying nature of work to be completed.

**SOW 4930 Variable Topics in Social Work (1-3) BC SOK**

Restricted to Social Work majors; others by School permission. Variable title courses to expand on the four sequence areas in the Social Work core curriculum. Allows focus on areas relevant to student's educational interest.

**SOW 5930C Selected Topics in Social Work (1-4) BC SOK**

PR: CC. Restricted to Social Work majors, both graduate and undergraduate; other by School permission. Course is taken as an elective. Various title course will selectively expand specific social work content areas.

**SPA 3002 Introduction to Disorders of Speech and Language SS (3) BC CSD**

PR: Junior standing and DPR. The scope of speech-language pathology as a profession and a field of study. An introduction to speech and language disorders, etiologies, major treatment approaches, and research findings.
SPA 3004 Introduction to Language Development and Disorders (3) BC CSD
PR: SPA 3002, SPA 3112 or DPR. This course introduces theoretical concepts and research findings concerning the normal developmental process of language learning as a basis for differentiating developmental delay or disorder of language.

SPA 3011 Introduction to Speech Science (3) BC CSD
PR: SPA 3030, SPA 3101 and SPA 3112. Concentrated study of the acoustic, physiological and perceptual aspects of sound as related to normal and pathological speech communication. Introduction to instrumentation and measurement procedures.

SPA 3030 Introduction to Hearing Science (3) BC CSD
PR: Junior standing, SPA 3101, SPA 3112, SPA 3310. Introduction to the field of hearing including: physics of sound, auditory anatomy and physiology, and psychophysics of hearing.

SPA 3101 Anatomy and Physiology of the Speech and Hearing Mechanism (3) BC CSD
PR: Junior standing. The neurological and anatomical basis of communication disorders. Comparisons of normal and pathological organic structures and their functional dynamics.

SPA 3112 Applied Phonetics in Communication Disorders (3) BC CSD
PR: Junior standing. Introduction to phonetic analysis of normal and disordered speech, including extensive training in transcription using the International Phonetic Alphabet.

SPA 3310 Introduction to Disorders of Hearing (3) BC CSD
PR: SPA 3030 and SPA 3101. The etiology, pathology, and management of disorders of the outer ear, middle ear, inner ear, retrocochlear, and central auditory systems.

SPA 3653 Overview of Language Learning in Deaf Children (3) BC CSD
PR: Admission to ITT Program. CR: SPA 3653L. This course is restricted to majors only. Overview of language development of deaf children from infancy through young adulthood, including various theories of language development in the deaf and communication/language of the deaf assessment techniques, and interpreting skills relating to learning processes.

SPA 3653L Overview of Language Learning in Deaf Children Lab (1) BC CSD
PR: Admission to ITT Program. CR: SPA 3653. This course is restricted to majors only. An exploration and overview of communication modes and language used in public school settings by deaf children. Includes a study of how systems overlap and a development of flexibility in using different modes and languages, and the implications for interpreters.

SPA 3673 Introduction to Auditory Functions (3) BC CSD
PR: Admission to ITT Program. This course is restricted to majors. An overview of hearing science and speech science relating to the educational environment. This course orient the student to the variables extent in oral-aural communication among children who have hearing impairment. It addresses techniques and methods of hearing measurement and amplification of sound as well as the interpreter’s role in audiological evaluation and speech language therapy.

SPA 4000 Communication Disorders in the Public Schools (3) BC CSD
PR: DPR. (Non-major course only). An examination of the speech, language and hearing problems affecting school-age children and the classroom teacher’s role in the detection, prevention and amelioration of communication disorders.

SPA 4050 Introduction to the Clinical Process MW CPST (3) BC CSD
PR: SPA 3004 and SPA 3310. Observation and participation in speech-language pathology and audiology services provided at USF-CSD clinical laboratory. Professional and ethical issues, oral and written communication skills are stressed through clinical and practical projects.

SPA 4201 Phonological Development and Disorders (3) BC CSD
PR: SPA 3004, SPA 3011. An examination of normal and deviant articulatory and phonological acquisition and behavior. Presentation of major theoretical orientations and the therapeutic principles based upon them.

SPA 4210 Vocal Disorders (3) BC CSD
PR: SPA 3011 and SPA 3310. A comprehensive study of the medical and physical aspects of voice disorders. Differential diagnosis, principles of therapeutic intervention, and procedures for children and adults will be stressed.

SPA 4222 Fluency Disorders (3) BC CSD
PR: SPA 4201. A comprehensive study of disfluent speech behavior. Differential diagnosis, principles of therapeutic intervention, and procedures for children and adults will be studied. Major theories and models of the development and origin of stuttering are also presented.

SPA 4335 Sign Language Codes (3) BC CSD
PR: DPR. A review of the sign systems (SEE I, SEE II, L.O.V.E., and Signed English) used to code messages through the use of sign. The student will have the opportunity to practice one of the sign systems.

SPA 4555 Counseling of Communicatively Handicapped and Family (3) BC CSD
PR: SPA 3011 and SPA 3310. Discussion of role of counseling in the treatment of communication disorders. Based on exploration of theoretical constructs, this course demonstrates application of therapeutic methodologies to reduction of communication handicaps.

SPA 4632 Nature and Needs of the Deaf and Hard of Hearing (3) BC CSD
A study of the effects of auditory disorders upon the organization and expression of behavioral patterns as they relate to motivation, adjustment and personality.

SPA 4906 Independent Study (1-10) BC CSD
Indep. Study will allow UG students to work independently under the supervision of Faculty members in the pursuit of content gained independently. The course is repeatable for a total of 10 credits. Majors only.

SPA 4910 Directed Research (1-10) BC CSD
Directed Research will allow the UG student to obtain supervised research experience under the direction of a Faculty member. The course is repeatable for a total of 10 credits. Majors only.

SPA 4930 Selected Topics (1-6) BC CSD
PR: DPR. Intensive study of topics in Speech-Language
Pathology, Audiology, and/or Aural Rehabilitation conducted under the supervision of a faculty member.

SPA 4962 Undergraduate Comprehensive Examination (1) BCCSD
PR: INT 4250. This purpose of this course is to ensure that graduates from ITT are thoroughly prepared for entry into the job market. For majors only and repeatable if necessary. It consists of 2 parts: individual meetings with an advisor and a comprehensive exam.

SPA 4970 Honors Thesis (1-10) BC CSD
The student, under the supervision of a Faculty member will formalize, conduct, analyze and report in writing a research project in the Department of Communication Sciences and Disorders. The course is repeatable for a total of 10 credits. Majors only.

SPA 5120 Psychoacoustics (3) BC CSD

SPA 5132 Instrumentation (3) BC CSD
PR: SPA 5120, SPA 6930, SPA 5506. Instruction in the use of clinical and laboratory instrumentation. Emphasis placed on electronic circuitry, signal generation, filtering, and calibration. Hands-on experience with equipment typically used in clinical auditory research will be provided.

SPA 5133C Speech Science Instrumentation (3) BC CSD
PR: DPR or SPA 3011 or equivalent. Underlying principles and laboratory exercises in the use of audio recording, acoustic analysis, and clinical instrumentation.

SPA 5153 Quantitative Problem Solving in Speech Pathology and Audiology (3) BC CSD
Covers fundamental mathematical and statistical concepts underlying the field of Communication Sciences and Disorders and application of these concepts to practical and clinical problems. Not restricted to majors or repeatable for credit.

SPA 5204 Advanced Clinical Phonology (3) BC CSD
The principles of generative phonology will be applied to the assessment and treatment of phonological disorders. Emphasis is placed on making a child's phonology more functional for communication purposes.

SPA 5303 Auditory Anatomy and Physiology (3) BC CSD
Provide a comprehensive understanding of the physiological acoustics of the auditory periphery, neuroanatomy and electrophysiology of the central auditory system, and psychoacoustic principles as they relate to clinical audiologic measurement paradigms.

SPA 5312 Peripheral and Central Auditory Tests (4) BC CSD
PR: DPR. The study of behavioral and electrophysiologic clinical tests designed to assess the functions of the peripheral and the central auditory system. Tests that incorporate nonspeech stimuli and those that utilize speech stimuli will be included.

SPA 5328 Rehabilitative Audiology for Adults (3) BC CSD

SPA 5403 Language-Learning in the School-Age Years (3) BCCSD
PR: SPA 4201 and DPR. Metalinguistic and metacognitive development are linked to the interactional demands of classroom and clinical discourse; observational tools are applied to evaluation and intervention planning.

SPA 5506 Speech-Language Pathology and Audiology Practicum (1-8) BC CSD
PR: DPR. Participation in speech-language pathology and audiology practicum in the University Communication Disorders Center and selected field settings.

SPA 5552 Diagnostic Principles and Practices (3) BC CSD
PR: Admission to the graduate program or DPR. The administration, evaluation, and reporting of diagnostic tests and procedures used in assessment of speech and language disorders.

SPC 2541 Persuasion SS (3) AS SPE
Examines the role of persuasion in public and social life. Students will be introduced to key concepts and theories of persuasion from a variety of historical and contemporary perspectives. Students will use these concepts to create, analyze, and respond to persuasive messages.

SPC 2608 Public Speaking CAHU SS (3) AS SPE
The nature and basic principles of human communication; emphasis on improving speaking and listening skills common to all forms of oral communication through a variety of experiences in public discourse.

SPC 3212 Communication Theory (3) AS SPE
PR: SPC 2608 and COM 2000 each with C- or above or CI. The study of source, message, and receiver variables in human communication; communication settings; descriptive and predictive models of communication; communication as a process.

SPC 3230 Rhetorical Theory HP (3) AS SPE
PR: SPC 2608 and COM 2000 each with C- or above or CI. This course surveys the foundations and historical evolution of major concepts, issues, theorists, and approaches to the study of rhetoric from Plato to recent contemporary theorists.

SPC 3301 Interpersonal Communication SS CASB (3) AS SPE
A study of interpersonal communication in informally structured settings with emphasis on the understanding, description, and analysis of human communication.

SPC 3425 Group Communication 6A (3) AS SPE
PR: SPC 2608 and COM 2000 each with C- or above or CI. A survey of theory and research in group communication. Group discussions and communication exercises to increase awareness of the dynamics of human communication in small group settings.

SPC 3513 Argumentation and Debate (3) AS SPE
PR: Junior standing or CI. Study of principles of argumentation as applied in oral discourse, analysis of evidence and modes of reasoning. Practice in debate preparation and delivery.

SPC 3602 Advanced Public Speaking (3) AS SPE
PR: SPC 2608 and COM 2000 each with C- or above or CI. Study and application of communication strategies in speaking extemporaneously and from manuscript. The course includes study of selected public addresses as aids to increased understanding of speaking skills.
SPC 4631 Rhetoric of the Sixties HP (3) AS SPE
Survey of the rhetorics associated with the civil rights movement, the Great Society, the anti-Vietnam War movement, the counterculture, the black power movement, and the women's movement.

SPC 4632 Rhetoric and Social Change 6A MW (3) AS SPE
PR: COM 2000 with C or above or consent of instructor (CI). Analysis of public communication with emphasis on various presentational forms.

SPC 4680 Rhetorical Analysis (3) AS SPE
PR: SPC 2608 and COM 2000 each with C- or above or CI. This course introduces students to fundamentals of message analysis. Student examines persuasive strategies and language in oral and written discourse.

SPC 4714 Communication, Culture and Community MW (3) AS SPE
Examines the relationships among culture, communication, institutions, and public and private life. Students explore the possibilities and problems of contemporary forms of community through service in a volunteer organization.

SPC 4714 Directed Readings (1-3) AS SPE
PR: Senior standing, COM 2000, a minimum GPA of 2.5, 15 hours of core requirements and 9 elective hours completed, and/or CI. Individualized reading with professor to complement undergraduate research projects.

SPC 4714 Honors Readings (3) AS SPE
PR: Admission to Communication Honors Program, COM 2000 AND SPC 2608 with grades of C or better. Focused readings directed toward preparation of a proposal for an undergraduate honors thesis.

SPC 4905 Undergraduate Research (1-3) AS SPE
PR: Senior standing, COM 2000, a minimum GPA of 2.5, 15 hours of core requirements and 9 elective hours completed, and/or CI. Individual investigations with faculty supervision.

SPC 4930 Selected Topics (1-3) AS SPE
PR: Senior standing, minimum GPA 2.5. 15 hours of core requirements and 9 elective hours completed, and CI. Variable topics.

SPC 4932 Senior Seminar in Communication (3) AS SPE
PR: Senior standing, minimum GPA 2.5. 15 hours of core requirements and 9 elective hours completed, and CI. Variable topics.

SPC 4932 Senior Thesis (3) AS SPE
PR: Admission to Communication Honors Program. Involves individual research and preparation of an undergraduate honors thesis.

SPC 5238 Topics in Rhetorical Analysis (3) AS SPE
Introduces a variety of critical perspectives applied to rhetoric in specialized contexts. Topics vary depending upon interest of students and faculty.

SPC 5930 Topics in Discourse (3) AS SPE
Variable topics course.

SPE 3256 Sport in Society: Contemporary Issues (3) ED EDP
A study of organized sport in society. Individuals will be able to understand issues such as race, social class, gender, politics, religion, economics, media, physical disabilities, sexual orientation, and ethics as they relate to sports.

SPN 1120 Beginning Spanish I (4) AS WLE
CR: SPN 1120L. Not open to native or near-native speakers of Spanish. Development of basic skills in listening and reading comprehension, speaking and writing of Spanish.

SPN 1120L Beginning Spanish I Laboratory (1) AS WLE
CR: SPN 1120. Concurrent enrollment with a lecture session is required, and, if dropped, then dropped simultaneously. Not open to native or near-native speakers of Spanish. S/U only. A laboratory designed to offer additional practice using various instructional technologies and media.

SPN 1121 Beginning Spanish II (4) AS WLE
PR: SPN 1120 or equivalent. CR: SPN 1121L. Not open to native or near-native speakers of Spanish. Continued development of basic skills in listening and reading comprehension, speaking and writing of Spanish.
SPN 1121L Beginning Spanish II Laboratory (1) AS WLE
CR: SPN 1121. Concurrent enrollment with a lecture session is required, and, if dropped, then dropped simultaneously. Not open to native or near-native speakers of Spanish. S/U only. A laboratory designed to offer additional practice using various instructional technologies and media.

SPN 1130 Accelerated Spanish For Near-Native Speakers and Others (1-6) AS WLE
PR: CI. Accelerated course for near-native speakers and others with some knowledge of Spanish capable of making rapid progress.

SPN 2200 Spanish III (3) AS WLE
PR: SPN 1121 or equivalent. May NOT be taken concurrently with SPN 2201. Not open to native or near-native speakers of Spanish. Continued development of basic skills in listening and reading comprehension, speaking and writing of Spanish.

SPN 2201 Spanish IV (3) AS WLE
PR: SPN 2200 or equivalent. May NOT be taken concurrently with SPN 2200. Not open to native or near-native speakers of Spanish. Continued development of basic skills in listening and reading comprehension, speaking and writing of Spanish.

SPN 2240 Conversation I (3) AS WLE
PR: SPN 2201. Not open to native or near-native speakers of Spanish. For development of basic conversational skills.

SPN 2241 Conversation II (3) AS WLE
PR: SPN 2240 or equivalent. Not open to native or near-native speakers of Spanish. To improve fluency in spoken Spanish.

SPN 2270 Overseas Study (1-6) AS WLE
PR: SPN 1121. Prior departmental approval and early registration are required. An intensive study-travel program in a Spanish-speaking country.

SPN 2340 Advanced Spanish for Native Speakers I (3) AS WLE
PR: Native and near-native oral/aural proficiency. May not count as Spanish major elective. Course for native and near-native speakers of Spanish due to home environment and/or residence in a Spanish speaking country, but without formal training in the language. Emphasis on cultural exploration and the grammatical problems of such speakers.

SPN 2341 Advanced Spanish for Native Speakers II (3) AS WLE
PR: SPN 2340. May not count as Spanish major elective. Continuation of SPN 3340. Course for native and near-native speakers of Spanish due to home environment and/or residence in a Spanish speaking country, but with limited or no training in the language. Emphasis on grammar problems affecting such speakers.

SPN 3300 Advanced Spanish Grammar and Composition (3) AS WLE
PR: SPN 2201 or equivalent. Not open to native or near-native speakers of Spanish. A study of syntax, grammar and writing.

SPN 3440 Spanish for Business and International Trade I (3) AS WLE
PR: SPN 2201 or equivalent. A study of vocabulary and business practices of the Spanish speaking world. Overview of cultural differences within the Spanish speaking world, with emphasis on their impact on business and international trade.

SPN 3441 Spanish for Business and International Trade II (3) AS WLE
PR: SPN 3440 or equivalent. Open to Spanish and Business majors and minors. Continuation of SPN 3440. A study of vocabulary and business practices of the Spanish speaking world. Overview of cultural differences within the Spanish speaking world, with emphasis on their impact on business and international trade.

SPN 3500 Spanish Civilization (3) AS WLE
PR: SPN 2201 or equivalent. The culture and civilization of Spain. For majors and non-majors.

SPN 3520 Spanish American Civilization (3) AS WLE
PR: SPN 2201 or equivalent. Readings and discussions on the culture and civilization of Spanish America. For majors and non-majors.

SPN 4301 Expository Writing (3) AS WLE
PR: SPN 3300 or SPN 2340. Practical training in contemporary Spanish structure, usage and stylistic devices.

SPN 4410 Advanced Conversation (3) AS WLE
PR: SPN 2241 or equivalent. Not open to native or near-native speakers of Spanish. Intensive practice in the formulation and expression of ideas in standard Spanish.

SPN 4470 Advanced Overseas Study (1-6) AS WLE

SPN 4700 Spanish Linguistics (3) AS WLE
PR: LIN 3010 or equivalent (may be taken concurrently with CI) and SPN 2201 or equivalent. An introduction to Hispanic linguistics: Phonology, morphology, syntax, and lexicography.

SPN 5525 Modern Spanish American Civilization (3) AS WLE
PR: SPN 3520 or equivalent or graduate standing. Advanced readings and discussions dealing with Spanish American civilization and culture, including a study of social, artistic and political trends. Text and discussion in Spanish.

SPN 5567 Modern Spanish Civilization (3) AS WLE
PR: SPN 3500 or equivalent or graduate standing. Advanced readings and discussions dealing with contemporary Spanish civilization and culture, including a study of recent social, artistic and political trends. Texts and discussions in Spanish.

SPT 3100 Masterpieces of Hispanic Literature (3) AS WLE
This course analyzes major literary works from Spain and Latin America. Through a selection of works from the medieval period to the present students will view the intellectual and cultural history of the Spanish speaking world.

SPT 3520 Spanish American Civilization (3) AS WLE
Readings and discussions on the culture and civilization of Spanish America. For majors and non-majors.

SPW 3030 Introduction to Hispanic Literary Studies (3) AS WLE
PR: SPN 3300 or SPN 2340. Prose fiction, drama, poetry, and essay; techniques of literary analysis.

SPW 4100 Survey of Spanish Literature I (3) AS WLE
PR: SPN 3030 or equivalent. A study of Spanish literature from its origins through the 17th century.
employed by social sciences teachers that are effective in
This course is designed to study techniques and strategies employed by K-6 social studies teachers that are effective in motivating teenage youth to acquire the information, skills, and modes of reasoning unique to the social sciences. Students are expected to plan and present instructional plan(s) demonstrating use of various methods, techniques, and material that achieve concrete outcomes. Theoretical foundations of social studies are also studied. Field work is required.

SSE 4334 Teaching Secondary Grades Social Science (3) EDE
PR: SSE 4333. This course is a continuation of SSE 4333 with further development of the instructional techniques and strategies and the information, skills, and modes of reasoning unique to the social sciences with an emphasis on the secondary school environment. The teaching profession, school settings, legal, and classroom management issues are also studied. Fieldwork in a high school is required.

SSE 4335 Teaching Social Science Themes (3) EDI
PR: SSE 4333 for Undergraduate Students; SSE 5331 for Graduate Students; SSE Majors only. The course is a laboratory-based, capstone course in which knowledge, skills, and dispositions are demonstrated by students teaching social studies content using the thematic approaches adopted by the National and State accrediting bodies.

SSE 4380 Global And Multicultural Perspectives in Education MW (3) ED EDW
PR: EDG 3604 and EDG 4620, or DPR. Examination of the major issues surrounding global and multicultural perspectives in education. Available to non-Education majors.

SSE 4600 Reading and Basic Skills in the Social Studies Class (3) ED EDW
Reading skills and other basic skills as applied to the social studies are examined. Students plan and present instruction appropriate to the social studies classroom. Fieldwork in middle or senior high schools is required. Restricted to majors.

SSE 4670 Economics USA: Principles of Economics for Teachers (3) ED EDW
S/U only. A television course focusing on content and teaching methodology related to micro/macro economic principles.

SSE 4936 Senior Seminar in Social Science Education CPST (3) ED EDW
PR: Senior standing; CR: SSE 4940. Synthesis of teacher candidate’s courses and preparation for the professional interview and application process.

SSE 4940 Internship: Social Science Education (1-12) ED EDW
CR: SSE 4936. S/U only. One full semester of internship in a public or private school. In special programs where the intern experience is distributed over two or more semesters, students will be registered for credit which accumulates from 9 to 12 Semester hours.

SSE 5331 Foundations, Curriculum & Instruction of Social Science Education (3) ED EDI
Social studies curriculum, methods of instruction and social, philosophical and psychological foundations are examined. Students are expected to plan and present instructional plan(s) appropriate to middle and secondary
SSE 5332 Methods & Strategies in Social Science Education (3) ED EDI
Social studies methods and strategies are examined with an emphasis on the secondary school environment. The teaching profession, school settings, and current issues are examined. Students are expected to plan and present instructional plan(s) appropriate to senior high school demonstrating command of the course content.

SSE 5641 Reading and Basic Skills in the Content Area (3) ED EDI
Reading skills and the other basic skills as applied to the social studies are examined. Students are expected to plan and present instructional plan(s) appropriate to the social studies classroom demonstrating command of the course content. Fieldwork in a middle school is required.

SSE 5644 Economic Decision-Making for Teachers (3) ED EDW
PR: Admission to College of Education or DPR. Provides teachers (K-12) with content related to the operation of businesses in a market economy. Teachers analyze economic/business concepts from the perspective of individuals currently operating businesses in the Tampa Bay area. Focus of the instruction is on the application of content to K-12 instructional programs.

SSE 5946 Practicum in Social Science Education (3) ED EDI
PR: SSE 5331. The course is a practicum course in which pre-service teachers apply the knowledge, skills, and dispositions learned in prerequisite program courses to teach the social studies themes adopted by the National Council for the Social Studies.

STA 1022 Basic Statistics 6A QM (3) AS MTH
PR: C (2.0) or better in MAT 1033, or 440 or better SAT Math score, or 19 or better ACT Math Score, or 72 or better Elementary Algebra CPT score. No credit for Mathematics majors. Basic philosophy of statistical thinking. Acquisition of data. Techniques for organizing and presenting statistical data. Sample mean, variance and standard deviation. Statistical decisions—estimation and hypothesis testing. Design of experiments, linear association and prediction. Statistical software: MINITAB.

STA 2023 Introductory Statistics I 6A QM CAQR (4) AS MTH
PR: C (2.0) or better in High School Algebra or Elementary Algebra CPT score of 72 or better. Descriptive and Inferential Statistics: Principles of Probability Theory, Discrete and Continuous Probability Distributions: Binomial Probability Distribution, Poisson Probability Distribution, Uniform Probability Distribution, Normal Dist and more.

STA 2122 Social Science Statistics 6A QM CAQR (3) AS ISSS
Students are taught the fundamental vocabulary and symbols of statistics as well as commonly used statistical procedures in social sciences. Students conduct analyses, interpret results and make conclusions about research questions.

STA 3024 Introductory Statistics II 6A (3) AS MTH
PR: STA 2023 or CC. Factorials, ANCOV; multiple curvilinear regression; response surfaces; Latin squares, Split Plots, incomplete designs; distribution free methods.

STA 4321 Essentials of Statistics 6A (3) AS MTH

STA 4442 Introduction to Probability 6A (3) AS MTH
PR: MAC 2313. Introduction to probability theory using calculus. Basic ideas of probability and random variables, discrete probability functions, continuous probability densities, joint distributions, transformations of random variables, moments and generating functions of random variables, limit theorems.

STA 5166 Statistical Methods I (3) AS MTH
PR: STA 4321 or CI. Statistical analysis of data by means of statistics package programs. Regression, ANOVA, discriminant analysis, and analysis of categorical data. Emphasis is on inter-relation between statistical theory, numerical methods, and analysis of real life data.

STA 5228 Sampling Techniques (3) AS MTH

STA 5326 Mathematical Statistics I (3) AS MTH
PR: STA 5446. Sample distribution theory, point & interval estimation, optimality theory, statistical decision theory, and hypothesis testing.

STA 5446 Probability Theory I (3) AS MTH
PR: STA 4442 and MAA 4212 or CI. Axioms of probability, random variables in Euclidean spaces, moments and moment generating functions, modes of convergence, limit theory for sums of independent random variables.

STA 5526 Non-Parametric Statistics (3) AS MTH
PR: STA 5326 or CI. Theory and methods of non-parametric statistics, order statistics, tolerance regions, and their applications.

SUR 2101C Engineering Land Surveying (3) EN EGX
Principles of land surveying for engineering practice. Traverses, levels, boundary surveys, route surveys, coordinate geometry, and mapping.

SYA 3110 Classical Theory (3) AS SOC
PR: SYG 2000 or CI. The analysis of the philosophical foundations, central principles, and historical development of Sociological theory. Required for Sociology majors and minors.

SYA 3120 Contemporary Theory (3) AS SOC
PR: SYA 3110 and SYG 2000 or CI. An examination of recent trends in sociological theory. Emphasis is on theories examining symbolic interactions, lived experience, popular culture, and social structures.

SYA 3300 Research Methods (3) AS SOC
PR: STA 2122 or equivalent. Introduction to the scientific method and its application to social science research. Research design, sampling techniques, and critical evaluation of social research. Required for Sociology majors.

SYA 3310 Qualitative Inquiry 6A LW (4) AS SOC
PR: SYG 2000 or CI. DPR. Exploration of human relationships and behaviors, organizations, and the larger culture through research techniques such as interviews, participant observation, life histories, and narratives.
SYA 4304 Sociological Research Experience (1-3) AS SOC
PR: SYG 2000 and class standing of sophomore, junior or senior. A flexible-unit course for advanced undergraduate students interested in participating in an ongoing faculty research project. Students will complete selected research tasks (background research, data collection and data analysis) with faculty supervision.

SYA 4910 Individual Research (1-3) AS SOC
PR: Four courses in sociology, including SYA 3300, upper level standing, at least 3.0 overall GPA, or CI. DPR. Content depends on the interest of the student. A contract between the student and the sponsoring faculty member must be signed before class registration.

SYA 4930 Topics in Sociology (3) AS SOC
Selected specialized topics in Sociology. Topics such as AIDS in society, drugs in society, problems in education, sociology of childhood, public life, socio-biology. Content will vary by semester and by section. See class schedule for specific contents each semester. This course, in different content areas, may be repeated for credit.

SYA 4935 Senior Seminar MW CPST (3) AS SOC
PR: Senior standing, SYG 2000, SYA 3110, SYA 3300 plus 6 hours of Sociology electives. Majors only. DPR. The opportunity for senior sociology majors to apply sociological theory and methods to topics of relevance in today's society.

SYA 4949 Sociological Internship (1-6) AS SOC
PR: Senior or graduate standing in Sociology plus CI. Supervised placement in community organization or agency for a minimum of 10 hours of volunteer work per week, and a weekly seminar on applying sociological skills and methods in the placement setting.

SYD 3441 Peasant Perspectives AF (3) AS SOC
PR: SYG 2000 or 6 hours of other Social Sciences Gen. Ed. coursework or CI. Examines the applicability of sociological concepts to peasant life around the world, and explores the roles played by “western” societies in creating and sustaining the conditions under which peasants live.

SYD 3700 Racial and Ethnic Relations SS HP CASB (3) AS SOC
This course introduces students to a sociological understanding of race and ethnic relations. Students will analyze sociological theories on race and stratification through readings, lectures, discussion, multimedia, and group research projects.

SYD 4410 Urban Sociology (3) AS SOC
The social structure of the community in modern industrial societies. Analysis of community change.

SYD 4411 Urban Life CPST (3) AS SOC
PR: Senior Standing. This exit course introduces students to the theory and practice of urban and community research. Students will conduct supervised individual and group research on a Tampa Bay neighborhood of their choice.

SYD 4800 Gender and Society (3) AS SOC
Historical and current issues surrounding gender in America. Emphasis on exploring the causes, meaning, and consequences of gender differences, interpersonal relationships, and institutional participation.

SYG 2000 Introduction to Sociology SS CASB (3) AS SOC
This course introduces undergraduate students to the discipline of sociology. During the semester, we will analyze sociological theories, core concepts, and issues through readings, lectures, discussions, films, and hands-on research assignments.

SYG 2010 Contemporary Social Problems SS CASB (3) AS SOC
This course introduces students to a sociological understanding of “contemporary social problems.” Drawing on such concepts as culture, deviance and social institutions, we will analyze varying definitions, causes and solutions to these problems.

SYG 3011 Social Problems Through Film (3) AS SOC
PR: SYG 2000 or SYG 2010. Examines, through films, how sociologists define and study social problems, and investigates the role of the popular media in the construction of social problems. Explores the solutions aimed at social problems in a comparative, international perspective.

SYG 3235 Latina Lives 6A AF LW WRIN (3) AS SOC
PR: SYG 2000 or SYG 2010. An exploration of the experiences of Latinas in the U.S.by examining the sociological themes of migration, work, family, oppression, activism, identity construction, spirituality, and sexuality through short stories, poetry, and scholarly research.

SYO 3120 Sociology of Families (3) AS SOC
With a goal to understand American families in the present, this course will examine variations in family types by social class, race, ethnicity, and historical era. Exploration of current controversies about how families should be organized and about what they should do for their members as well as social policies related to families.

SYO 3200 Sociology of Religion (3) AS SOC
PR: SYG 2000 or CI. An examination of the meanings of religion lived in experiences in the contemporary United States. Includes the construction and maintenance of religious meanings and communities, the impact of those meanings and communities on daily lives, use and impact of religious discourse in daily lives, social movements motivated by religious beliefs.

SYO 3460 Sociology of the Media (3) AS SOC
PR: SYG 2000 or SYG 2010. Imparts a familiarity with and working knowledge of the main theories, research, and findings in the sociology of the media. Fosters critical thinking abilities by applying this sociological knowledge to the deconstruction of media images.

SYO 3500 Social Organization (3) AS SOC
PR: SYG 2000 or CI. Social organization in the broadest sense, including institutions and associations, as well as variations in role and status.

SYO 3530 Social Inequalities in a Global Society (3) AS SOC
Introduction to the major concepts and theories used to explain inequality. The topics of race, gender, and sexual orientation will be treated in relation to class, rather than as a parallel dimension of stratification.

SYO 4250 Sociology of Education (3) AS SOC
PR: SYG 2000 Application of sociological theory to the social institution of education. Primary attention directed toward the social organization of educational systems.

SYO 4300 Political Sociology (3) AS SOC
PR: SYG 2000 or CI. An examination of the social factors that affect government, politics, and political behavior.

SYO 4370 Occupations and Professions (3) AS SOC
PR: SYG 2000 or CI. A comparative analysis of professions, particularly medicine, law, teaching, allied health
professions, engineering. Focus on the process of professionalizing service occupations like police work, business management, public administration and social work.

**SYO 4400 Medical Sociology (3) AS SOC**
PR: SYG 2000 or CI. The study of disease and the sick person including the analysis of health practices, beliefs, and practitioners, the hospital as an organization, the cost, financing, and politics of health care.

**SYO 4430 Disability and Society MW WRIN (3) AS SOC**
PR: SYG 2000 or CI. Examination of the applicability of sociological concepts to the experience of disability, and of disability as a means to a better understanding of the nature of social experience.

**SYO 5365 Industrial Sociology (3) AS SOC**

**SYO 3000 Social Psychology SS CASB (3) AS SOC**
Course explores social forces shaping individual perceptions/behaviors/personality/identity. Addresses our participation in society, how people influence each other, how we act based on beliefs and why & this is important.

**SYO 3004 Constructing Social Problems (3) AS SOC**
Examination of how activists, media, politicians, and scientists construct public images of social problems; analysis of the process of forming social policy and how public images of social problems shape the characteristics of social service agencies.

**SYO 3060 Sociology of Sexualities (3) AS SOC**
Explores the interactions, among and between people, and people and institutions that form the boundaries through which sexualities are understood in the United States. Addresses interactions with and within medical and religious institutions, racial/ethnic cultures, families and popular culture.

**SYO 3562 Family Violence (3) AS SOC**
An exploration of the complexity of the causes and consequences of physical and emotional violence among family members. Topics include the meanings and behaviors of violence, the process of help-seeking, and social interventions for offenders and victims. Open to nonmajors.

**SYO 4012 Emotions in Society (3) AS SOC**
PR: SYG 2000 or SYG 2010. Examines a variety of issues including: child-rearing; invention of adolescence; child abuse; children’s schooling; juvenile delinquency; dating; children in the movies; children as consumers; youth culture and rebellion; transition into adulthood.

**SYO 4530 Sociology of Juvenile Delinquency (3) AS SOC**
Sociological issues in defining delinquency; the nature of adolescence and delinquency; sociological theories of the causes of delinquency; types and consequences of social control applied to delinquents.

**SYO 4550 Drugs and Society (3) AS SOC**
PR: SYG 2000 or SYG 2010. Explores the social construction of substance use in the United States. Examines individual users and the popular perspectives on the causes of substance use and abuse such as the medical, psychoanalytic, and sociological models.

**SYO 4640 Leisure in Society (3) AS SOC**
Sociological examination of leisure in the United States and other countries. Topics include changing leisure time patterns, relationships between leisure and work, personality, family, community, subcultures, religion, and social class.

**SYO 4650 Sport in Society (3) AS SOC**
An examination of the broad issues concerning sport in both a historical and contemporary perspective. Sport will be viewed in relation to social institutions, economic considerations, mass media, and the sport group as a micro-social system.

**SYO 4763 Sociology of Childhood and Youth (3) AS SOC**
PR: SYG 2000 or SYG 2010. Examines a variety of issues including: child-rearing; invention of adolescence; child abuse; children’s schooling; juvenile delinquency; dating; children in the movies; children as consumers; youth culture and rebellion; transition into adulthood.

**SYP 3562 Consumer Culture 6A MW LW WRIN (3) AS SOC**
PR: SYG 2000 or CI. The exploration of how Americans’ purchasing behavior connects to larger historical shifts in our economy, including disenchantment, alienation, inequality, and the rise of the credit card society.

**SYP 4510 Sociological Aspects of Deviance (3) AS SOC**
The examination of the social construction of deviance: how deviance is defined, implications of deviance designations. Applications of theories of deviance to questions such as motivations of deviants and implications of criminal justice processing of deviants.

**SYP 4763 Sociology of Childhood and Youth (3) AS SOC**
PR: SYG 2000 or SYG 2010. Explores the social construction of substance use in the United States. Examines individual users and the popular perspectives on the causes of substance use and abuse such as the medical, psychoanalytic, and sociological models.
THE 4401 American Drama 6A MW LW WRIN HHCP (3) TA TAR
PR: Sophomore standing. THE 2020. The study of theatrical production in its cultural context, including theatre architecture, scenography, acting and directing from Greek antiquity to the Elizabethan era. Normally fifteen plays will be read.

THE 4360 The 19th Century Theatre Revolution 6A LW (3) TA
PR: Sophomore standing. THE 2020. A study of theatrical production in its cultural context including theatre architecture, scenography, acting and directing from Shakespeare to the contemporary stage. Normally fifteen plays will be read.

THE 4174 New British Theatre and Drama 6A MW LW (3) TA TAR
PR: THE 2305 and Junior Standing. A study of contemporary theatrical practice and key dramatic texts in the British Isles. This course is restricted to majors.

THE 4180 Theatre Origins 6A MW LW (3) TA TAR
PR: THE 3110 or THE 3111 and one of the following: THE 4320, THE 4330, THE 4360, THE 4401, THE 4434, THE 4435, THE 4442, THE 4480. Open to senior non-majors with CI. An analysis of the development of theatre out of myth, ritual, and liturgy. Emphasis placed on what attempts to understand the resulting phenomena (e.g. Aristotle’s Poetics) can teach us about the nature of our art. Either THE 4180 or THE 4562 is required of all theatre majors.

THE 4264 History Of Costume (3) TA TAR
PR: Sophomore standing. Open to upper level non-majors with CI. A survey of costumes from ancient Egypt to the 20th Century with an emphasis on cultural and social influences. (A requirement in the design track/costume.)

THE 4266 Architecture And Decor (3) TA TAR
PR: Sophomore standing. Open to upper level non-majors with CI. A survey of architecture and furniture from ancient Egypt to the 20th Century. (A requirement in the design track/scene.)

THE 4320 Theatre of Myth and Ritual/Northern European (950-1600) & Oriental (400-1200) 6A MW LW (3) TA TAR
PR: THE 3110 or THE 3111. Open to upper level non-majors with CI. An investigation into the interrelationship of myth, ritual, and theatre. Considers northern European liturgical and secular plays as compared with Hindu, Chinese, and Japanese drama.

THE 4330 Shakespeare for The Theatre 6A MW LW WRIN HHCP (3) TA TAR
Study of select Shakespeare plays through current and past performance. Examination of texts, filmed rehearsals, scholarly sources, and commercial movies. Performance required in face to face sections.

THE 4360 The 19th Century Theatre Revolution 6A LW (3) TA
PR: THE 3110 or THE 3111. Open to upper level non-majors with CI. Survey of the European art theatre revolution against the romantic realism of the commercial stage and its effect on subsequent theatre activity.

THE 4401 American Drama 6A MW LW WRIN HHCP (3) TA TAR
THE 4401 examines seminal American plays and high quality film adaptions derived from them. Each play is examined as a script for performance and as an object in an aesthetic, social and historic context.

THE 4434 Caribbean Theatre 6A MW LW CPST (3) TA TAR
PR: THE 2305 and THE 3110 or THE 3111. A study of plays and popular theatrical forms of the Caribbean including carnival and calypso. The student will investigate the social and political forces that shape the culture of the Caribbean.

THE 4435 Theatre of Pluralism 6A MW LW (3) TA TAR
PR: THE 3110 or THE 3111. Open to upper level non-majors with CI. The practice of theatre as it reflects cultural heritage, gender, race and sexual orientation. Study of contemporary scripts, critical and artistic statements.

THE 4442 Comedy of The Classic And Neo-Classic Stage 6A LW (3) TA TAR
PR: THE 3110 or THE 3111. Open to upper level non-majors with CI. A study of comedic function in scripts from Greek and Roman, Restoration and French Neoclassic of the late 17th century and other plays from the late 18th and late 19th centuries which reflect similar characteristics.

THE 4480 Drama-Special Topics (3) TA TAR
PR: THE 3110 or THE 3111. Open to upper level non-majors with CI. A study of a significant playwright or grouping of playwrights, e.g. Moliere, Brecht, recent American dramatists.

THE 4562 Contemporary Performance Theory 6A MW LW CPST HHCP (3) TA TAR

THE 4593 Honors Seminar (2) TA TAR
Enrollment limited to upper level majors who have been formally admitted to the department honors program. Not available S/U. Readings in the literature, history and theory of the stage in preparation for Theatre Honors Practicum. Past topics have included New German Theatre, Popular Theatre, New American Theatre, Jacobean Theatre.

THE 4594 Honors Practicum (3) TA TAR
PR: THE 4593. Honors Practicum grows out of the Honors Seminar and engages students in workshops or production with guest artists. Past artists have included the Free Theatre of Munich, the San Francisco Mime Troupe, playwrights Eric Overmeyer, Jeff Jones and Gary Hill.

THE 4595 Honors Thesis (1-3) TA TAR
PR: THE 4594. A practical or written thesis related to the seminar and practicum and approved by the departmental honors committee.

THE 4761 Methods of Teaching Theatre for Adolescents (3) TA EDD
Methods of effective drama and theatre instruction in middle school, junior and high schools, recreation centers, community, and professional theatres.

THE 4905 Directed Studies (1-4) TA TAR
Independent studies in the various areas of Theatre. Course of study and credits must be assigned prior to registration.

THE 4930 Selected Topics In Theatre (1-8) TA TAR
PR: CI. The content of the course will be governed by student demand and instructor interest. May be lecture or class discussion or studio format.

</table>

THE 5909 Directed Studies (1-6) TA TAR
PR: CI and CC. Independent studies in the various areas of Theatre. Course of study and credits must be assigned prior to registration.

THE 5931 Selected Topics In Theatre (1-8) TA TAR
PR: CI. The content of the course will be governed by the student demand and instructor interest. May be lecture or class discussion or studio format.

THE 5909 Directed Studies (1-6) TA TAR
PR: CI and CC. Independent studies in the various areas of Theatre. Course of study and credits must be assigned prior to registration.
TPA 4012 Design Studio II (3) TA TAR
PR: TPA 4011. This course will include studio design project activities in the areas of costume, lighting, and scenic design. The course work will stress the nature of collaborative work and the various stages and processes involved with the development of a design from the first meeting to the final paper/model design. Evaluation of the project will emphasize the process followed in the development of the design including thumbnail/idea sketching, research, and production concept. The course will include seminar (production) discussions, lectures, demonstrations, individual and group work, and individual student presentations.

TPA 4013 Design Studio III (3) TA TAR
PR: TPA 4012. This course will include studio design project activities in an individual's selected primary and secondary areas of costume, lighting, and/or scenic design. The course work will stress the nature of collaborative work and the various stages and processes involved with the development of a design from the first meeting to the final paper/model design.

TPA 4077 Scene Painting (2) TA TAR
PR: TPA 3007. Open to upper level non-majors with CI. A practical course in the painting of stage scenery: media and application.

TPA 4273 Stage Properties: Techniques And Materials Studio (2) TA TAR
PR: TPA 3007. Open to upper level non-majors with CI. Demonstration of and experience with materials used in construction of stage properties. Modeling of prototypes and basic casting techniques. Organization of shop.

TPA 4293 Production Involvement II (1) TA TAR
PR: TPA 2292 or CI. The rehearsal, construction, and performance of major theatrical works. Assignments are made by a faculty committee following the student's completion of a PI request form, available in the Theatre Office, and enrollment in this course.

TPA 4298 Advanced Design Practicum (3) TA TAR
PR: TPA 4011. This is a studio/laboratory course in the practical aspects of production. The course is intended to provide realized production experience to the advanced theatre design student in such areas as costume, lighting, and scenic design; stage properties design; technical direction; and theatrical production craft/skill areas. The student will be individually mentored by a faculty member through the process of developing and realizing a production design/craft/skill.

TPP 2110 Voice-Body-Improvisation (3) TA TAR
Exploring the elements basic to acting skills, a participation course. Required of all theatre majors. Open to non-majors.

TPP 2190 Studio Theatre Performance I (1) TA TAR
PR: TPP 2110, THE 2020. A practical laboratory involving the rehearsal and performance of a major production. Activities may include acting, directing, stage management, and the activities of the performance production crews. Placement by audition. If cast in production student must accept role. Required of all Theatre majors. May be repeated. Open to non-majors with CI.

TPP 2500 Body Disciplines (3) TA TAR
PR: TPP 2110. A laboratory course in various disciplines or systems and understanding the body’s motive powers, with focus on their use for the stage performer.

TPP 3121 Improvisation I (3) TA TAR
PR: TPP 2110. An intensive study in improvisation as an enhancement of the actor’s skill. Exercises and theatre games as flexible forms which accommodate improvisation and physical invention are examined and used to develop group creativity.

TPP 3155 Scene Study I (3) TA TAR
PR: Audition and all core 2000 level courses. Identify and investigate the fundamental elements of acting as applied to scene exploration, rehearsal, and presentation.

TPP 3230 Laboratory Workshop In Performance (3) TA TAR
PR: Audition and TPP 2110. May be repeated twice for a total of 9 hours credit. Open to upper level non-majors by audition only. The content of the course will be governed by student demand and instructor interest.

TPP 3580 Special Skills In Movement (3) TA TAR
PR: TPP 2110 or CI. May be repeated for credit. Open to upper level non-majors with CI. Stage combat, circus and acrobatic techniques, and other special techniques of movement.

TPP 3790 Voice Preparation For The Actor (3) TA TAR
PR: TPP 2110. A concentrated laboratory on freeing the breathing function, developing body and oral resonance, and strengthening muscles used on the formation of speech sounds.

TPP 3920 Acting Studio I (8) TA TAR
PR: Audition, all lower level core theatre courses and junior standing. An intensive and comprehensive ensemble workshop that explores the basic principles of acting and the skills necessary for play, scene and character analysis. An emphasis is placed on the integration of body, voice, mind and emotions. This course will be taught by the Performance faculty.

TPP 3921 Acting Studio II (8) TA TAR
PR: TPP 3920. A continuation of Acting Studio I with greater emphasis on addressing individual needs in order to explore emotionally complex characters and scenes in an intensive and systematic way. This course will be taught by the Performance faculty.

TPP 4140 Styles Of Acting (3) TA TAR
PR: TPP 4180 and audition or CI. Examination of the actor’s craft and skills needed to fulfill the demands of classical theatre forms.

TPP 4180 Advanced Scene Study (3) TA TAR
PR: Audition and TPP 3155 or TPP 3921. An acting workshop focusing on application of character development and rehearsal techniques over a sustained period leading toward a project showing at semester’s end.

TPP 4193 Studio Theatre Performance II (1) TA TAR
PR: TPP 2190. A practical laboratory involving the rehearsal and performance of a major production. Activities may include acting, directing, stage management, and the activities of the performance production crews. Placement by audition. If cast in production student must accept role. Required of all Theatre majors. May be repeated. Open to non-majors with CI.

TPP 4221 Audition Workshop for Actors (3) TA TAR
PR: TPP 3155 or TPP 3921. Preparation for professional audition; discussion of professional objectives.
include aspects of teaching verbal skills and comprehension as well as writing. It involves a practicum at the English Language Institute on campus.

TSL 4941 ESOL Practicum (1) EP EDX
PR: BXE Majors only. FLE 4317 and FLE 4316. Students will apply knowledge and skills in the areas of ESOL methods, culture, curriculum, assessment, applied linguistics and second language acquisition to teaching English language learners. Restricted to education majors. Not repeatable.

TSL 5085 ESOL I - Theory and Practice of Teaching English Language Learners (3) ED EDX
This course is for undergraduate degree holding, preprofessional (preservice) teachers to learn about appropriate instruction, assessment and learning opportunities for Limited English Proficient (LEP) students in the content areas.

TSL 5086 ESOL II - Secondary Language & Literacy Acquisition in Children & Adolescents (3) ED EDX
PR: FLE 5430. This course is designed to provide students with a critical understanding of instructional delivery which caters for the linguistic and literacy needs of minority / heritage communities.

TSL 5242 ESOL III - Language Principles, Acquisition & Assessment for English Language Learners (3) ED EDX
PR: FLE 5431. This course provides an overview of the components of language, linking them to methods and techniques of providing comprehensible instruction to LEP students.

TSL 5325 ESOL Strategies for Content Area Teachers (3) ED EDX
Course designed for public school teachers working with limited English Proficient (foreign) students in the classroom. The new ESOL requirements specify that this course be offered to content area teachers and to ESOL teachers.

TSL 5371 Methods of Teaching English As A Second Language (3) AS WLE
Analysis of the methods of teaching English pronunciation and structure to speakers of other languages.

TSL 5372 ESOL Curriculum and Instruction (3) AS WLE
Analysis of the methods of teaching English pronunciation and structure to speakers of other languages.

TSL 5440 Language Testing (3) AS WLE
PR: TSL 5371. Lecture course on testing English as a second/foreign language.

TSL 5525 Cross-Cultural Issues in ESL (3) AS WLE
PR: LIN 5700. Lecture course on cultural issues in Teaching English as a Second/Foreign language.

TSL 5940 ESOL Practicum (1-3) ED EDX
PR: FLE 5345 and FLE 5145. Must be taken in the semester prior to final internship. This course is restricted to Education majors and will not be repeatable for credit. A structured field experience with Limited English Proficient (LEP) students.

TTE 4003 Transportation and Society (3) EN EGX
This course provides a multidisciplinary introduction to transportation and its impacts on society. It explores how transportation interacts with the economy, the environment and the social and political nature of society

TTE 4004 Transportation Engineering I (3) EN EGX
PR: EGN 3321. Principles of surface transportation system development, design, and operations; administration,
modal characteristics, capacities, and functional classifications; vehicle kinematics, human factors and minimum design standards; traffic flow theory and queuing, capacity and signalization; transportation planning and economics.

**TTE 4005 Transportation Engineering II (3) EN EGX**
PR: TTE 4004. Techniques for the geometric route design of surface transportation systems; horizontal and vertical alignments. Spiral curves, superelevations and earthwork analysis; drainage, soils, and a rigid and flexible pavement design; right-of-way acquisition and Environmental Impacts; site layout & design, and operation of alternate models including bus, air, rail, water, and pipeline facilities and terminals.

**TTE 5205 Traffic Systems Engineering (3) EN EGX**
PR: TTE 4004 or equivalent. Traffics models, intersection analysis, capacity analysis, data methods collection, parking studies, volume and speed studies, freeway management, and advanced technologies.

**TTE 5501 Transportation Planning and Economics (3) EN EGX**
PR: College Algebra & CI. Fundamentals of urban transportation planning: trip generation, trip distribution, modal split, traffic assignment. Introduction to environmental impact analysis, evaluation an choice of transportation alternatives.

**TTE 5620 Air Transportation (3) EN EGX**
This is a course for graduate students in the College of Engineering who are interested in air transportation. It covers topics such as, airport management, air traffic flow management, air transport economics, and etc. No registration restrictions.

**URP 4050 City Planning and Community Development (3) AS POL**
An introduction to the development, role, and components of city planning, and the political and actual policies of government in attempting to regulate or control urbanization.

**URP 4052 Urban and Regional Planning (4) AS GPY**
PR: GEO 2400, GEO 3602. The geographic foundations of the modern city, metropolitan development, and the trend toward megalopolis. Examined are the political problems of conflicting jurisdictions at the local, county, state, national, and international levels.

**URS 3002 Introduction to Urban Studies (3) AS ISS**
An interdisciplinary introduction to the process of urbanization in the United States and the diverse communities it has created. Study of the Tampa Bay region is emphasized.

**VIC 3001 Introduction to Visual Communications (3) AS COM**
PR: MMC 2100 and MMC 3602. Survey of visual communication theory, techniques and contemporary application in the visual media. Critical examination of visual communication in newspapers, magazines, television, motion pictures and new media.

**VIC 3943 Visual Communication Practicum (1) AS COM**
PR: Senior standing and CI. For visual communications option majors. S/U only. Practical experience outside the classroom where the student works for academic credit under the supervision of a professional practitioner. Periodic written and oral reports to the faculty member coordinating the study.

**WOH 3293 Islam in World History AF HP (4) AS HTY**
This course examines the origins, spread, and development of Islam within the context of the main global historical processes and events of the past 1500 years.

**WST 2250 Female Experience in America HP CAHU HHCP (3) AS WST**
This course explores the lives and experiences of women and girls in America from 1870 to the present, examining how issues of gender, race, class, ethnicity, and sexuality shaped both their experiences and our historical understanding of their lives.

**WST 2600 Human Sexual Behavior SS CASB (3) AS WST**
The dynamics of human sexuality: biological, constitutional, cultural, and psychological aspects. The range of sexual behavior across groups. Sources of beliefs and attitudes about sex, including sex roles and especially human sexuality.

**WST 3015 Introduction to Women’s Studies SS AF CASB (3) AS WST**
This course introduces the interdisciplinary field of Women’s Studies through a critical examination of the way gender, race, class and sexuality are socially constructed and demonstrates how activism is inherent in Women’s Studies discourse.

**WST 3210 European Feminist History: Pre-18th Century 6A HP (3) AS WST**
Survey of European feminist history prior to the 18th century (focusing primarily on Western Europe). Examines women’s lives, roles, ideas, as well as origins of Western attitudes toward relation of power to gender, race and class. No prerequisites.

**WST 3220 European Feminist History: Enlightenment to the Present HP (3) AS WST**
A survey of European feminist history from the 18th century through the 20th century (focusing primarily on Western Europe). Examining women’s lives, roles and ideas, as well as the dominant attitudes toward women over this time period.

**WST 3225 Women, Environment and Gender MW CANL (3) AS WST**
PR: BSC 1005 or BSC 2010, any Introductory science course from biology, chemistry, physics, public health or WST 4320. Investigation of intersection of women’s studies, gender and environment with focus on women’s health. Exploration of hypothesis formulation and testing, current issues.

**WST 3311 Issues in Feminism SS CASB (3) AS WST**
Survey of major issues relevant to the female experience: marriage and the family, sexuality, work, creativity.

**WST 3370 Women and Social Action SS (3) AS WST**
Course focuses on ordinary women working collectively in diverse social settings to empower themselves and others to challenge gender stereotypes; to reduce harassment, poverty, violence and homelessness; to enhance healthcare and family life and to confront barriers in education, the media and the criminal justice system.

**WST 3412 Women in the Developing World (3) AS WST**
Survey of status of women in Asia, Africa, Latin and Caribbean America, compared to that in USA, Canada,
West Europe, Marxist-Leninist countries. (May also be taken for credit in Government and International Affairs.)

**WST 4320 Politics and Issues in Women's Health CASB (3) AS WST**

This course will focus on celebrating women's health and wholeness: mental, physical, emotional, spiritual, social, economic, and understanding the potential negative effects of institutional and interpersonal oppression on health and wellness.

**WST 4335 Women and Film (3) AS WST**

A study of representation of women in films and the responses of feminist film theorists and filmmakers.

**WST 4350 Women and Science MW (3) AS WST**

An examination of selected issues related to women and the natural and physical sciences including: historical participation of women in science, current status of women in science, and feminist critiques of science as a discipline.

**WST 4410 Postcolonial Women Writers (3) AS WST**

Will not be counted toward the English major. Introduces the literature of women from various Anglophone countries in Africa, the Caribbean, and South Asia; some U.S. writers will be included to represent a third world diasporic consciousness.

**WST 4522 Classics in Feminist Theory MW CAHU HHCP (3) AS WST**

Introduces students to first and second wave feminist theories, which explain the pervasiveness of sexist, racist, classist, heterosexist bias in our everyday lives.

**WST 4561 Contemporary Feminist Theory (3) AS WST**

PR: Completion of one upper division Women's Studies course. An exposure to and exploration of a wide range of current feminist theories and debates, as well as an examination of the possible political and practical implications for various theoretical positions.

**WST 4900 Directed Readings (1-3) AS WST**

PR: Registration requires instructor’s written consent and signed contracts from instructor of choice. To provide advanced students with interdisciplinary research experience in areas of specific interest.

**WST 4910 Directed Research (1-3) AS WST**

PR: Registration requires written contract signed by student and instructor of choice. To provide advanced students with interdisciplinary research experience in areas of specific interest.

**WST 4935 Seminar in Women's Studies (3) AS WST**

PR: Women’s Studies Major and 24 credit hours in Women's Studies. Recognizing the interplay between personal connections and intellectual experience, this capstone course is designed to focus on topical areas related to women’s studies and facilitate linking student learning experience to future plans.

**WST 5028 Feminist Spirituality (3) AS WST**

Open to non-majors. Focuses on the many voices of contemporary feminist spirituality, emerging from women’s experiences in diverse religious, ethnic and cultural traditions, and representing a range of theoretical perspectives from biblical feminism to goddess worship and wicca.

**WST 5308 Seminar in Women's Studies 6A LW (3) AS WST**

Study in special areas such as Women and Work, Reproductive Law, Women and Health.

**WST 5934 Selected Topics (1-4) AS WST**

PR: DPR. Study of current research methods and scholarship on women from a multidisciplinary perspective.

**WST 5940 Internship in Women's Studies (3-6) AS WST**

PR: Majors only. All required courses in MA program, CC. Permit. Student placement in an approved intern setting for a minimum of 240 hours of supervised experience. S/U only.

**YOR 1120 Yoruba I (4) AS WLE**

This course is designed to familiarize students with modern orthography and to develop skills in reading, writing, speaking, and understanding spoken Yoruba. Pronunciation in Yoruba and achieving basic communicative competence in the language are among the skills to be attained in the course.

**ZOO 2303 Vertebrate Zoology (3) AS BIN**

PR: BSC 2010, BSC 2010L, BSC 2011, BSC 2011L. The origin, diversity, and adaptations of the vertebrates. Phylogenetic systematics (cladistics) will be used as the basis for determining evolutionary relationships of organisms. Monophyletic groupings provide a framework for examining behavior, physiology, and ecology in an explicit evolutionary context. Vertebrates common to Florida and the southeastern United States will be emphasized.

**ZOO 2710C Anatomy of Chordates (4) AS BIN**

**ZOO 3205C Advanced Invertebrate Zoology (4) AS BIN**

PR: BSC 2010, BSC 2010L, BSC 2011, BSC 2011L, CHM 2045, CHM 2046, plus completion of one of the following Biology core courses: PCB 3023 or PCB 3043 or PCB 3063 or PCB 3712. Phylogeny, taxonomy, development, physiology, macro-, microanatomy and natural history of marine/freshwater dwelling invertebrate phyla (including protists and excluding parasites and insects) covered in integrated manner. Extensive lab work/Some fieldwork.

**ZOO 3713C Comparative Vertebrate Anatomy (4) AS BIN**

PR: BSC 2010, BSC 2010L, BSC 2011, BSC 2011L & CHM 2045, CHM 2046 & MAC 1105 or higher-level MAC course, or STA 2023. CP: PCB 3023 or PCB 3043 or PCB 3063 or PCB 3712. Anatomy of selected vertebrate types emphasizing evolutionary trends. Lecture and Laboratory.
ZOO 4233 Parasitology (4) AS BIN  
PR: BSC 2011, BSC 2011L and CHM 2210 and MAC 1105 or higher-level MAC course or STA 2023. CP: PCB 3023 or PCB 3043 or PCB 3063 or PCB 3712 and CHM 2211. Fundamentals of animal parasitology and parasitism, the biology of selected animal parasites, including those of major importance to man. Lecture and laboratory.

ZOO 4512 Sociobiology MW (3) AS BIN  
This course is restricted to seniors. Not for major's credit. An analysis of Animal and human behavior such as sex, territoriality, and aggression in the context of evolution.

ZOO 4513 Animal Behavior (3) AS BIN  
PR: PCB 3023 or PCB 3043 or PCB 3063 & CHM 2210 & MAC 1105 or higher-level MAC course or STA 2023. CP: CHM 2211. An introduction to comparative animal behavior, with analysis of types of animal behavior, their function and evolutionary origin. Lecture only.

ZOO 4694 Developmental Biology (4) AS BCM  
PR: PCB 3023, BSC 2011, BSC 2011L, BSC 2010, BSC 2010L CHM 2045, and CHM 2046. This course will use a problem solving approach to provide fundamental knowledge of scientific concepts and principles involved in the mechanisms underlying patterns of embryonic development for majors/nonmajors.

ZOO 4753C Human Histology and Histopathology (4) AS BCM  
PR: PCB 3023, PCB 3063 & CHM 2210 & MAC 1105 or higher-level MAC course or STA 2023. CP: CHM 2211. The study of cellular and tissue organization as the basis of function in the human body. Functional morphology in normal and diseased states will be emphasized using an organ system approach.

ZOO 5456 Ichthyology (3) AS BIN  
PR: Senior or GS in Biology; ZOO 2701C, Cl. PCB 4674 is suggested. Evolution, systematics, structure, behavior, physiology, and ecology of fishes.

ZOO 5456L Ichthyology Lab (1) AS BIN  
CR/PR: ZOO 5456 Laboratory portion of Ichthyology relating to evolution, systematics, structure, behavior, physiology and ecology of fishes.

ZOO 5463C Herpetology (4) AS BIN  
PR: Cl. Major aspects of amphibian and reptilian biology emphasizing fossil history, evolutionary morphology, sensory physiology, life history and reproductive behavior. Lec.-lab. Field trip.

ZOO 5555C Marine Animal Ecology (4) AS BIN  
PR: PCB 3043, senior standing, Cl. Investigation of energy flow, biogeochemical cycles, and community structure in marine environments. Lec.-lab.
