INTERDISCIPLINARY SOCIAL SCIENCES (ISS)

The ISS program is designed to provide an interdisciplinary integration of the social sciences for students who are interested in a broad educational experience. ISS offers a wide choice of courses, and an opportunity to design a quality program geared toward individual needs and interests. Students plan their program in ongoing consultation with the advisor who approves each individual curriculum contract.

In addition to classes at the Tampa and regional campuses, students have the option of attending USF classes in the Interdisciplinary Social Sciences program at either the St. Petersburg Junior College campus in Clearwater or at the Pasco-Hernando Community College campus. For information about Clearwater classes, call (727) 424-8430 or (813) 974-4673, and for USF classes at Pasco-Hernando Community College, call (727) 424-8431 or (813) 974-9056.

Specific requirements for a B.A. degree in Interdisciplinary Social Sciences (ISS) are outlined below:

Recommended Prerequisites (State Mandated Common Prerequisites)

Students wishing to transfer to USF should complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university.

There are no State Mandated Common Prerequisites for the ISS degree program.

Some of the following courses if available, during the program of study at the community college, and when feasible in General Education/Gordon Rule courses, could count toward the ISS degree. A grade of "C" is the minimum acceptable grade.

AFA 2000 Black Experience (3)
AMH 2010 or 2020 American History (3)
ANT 2000 Introduction to Anthropology (3)
ECO 2013 Economic Principles (Macroeconomics) (3)
ECO 2023 Economic Principles (Microeconomics) (3)
GEA 2000 World Geography (4)
POS 2041 National Government (3)
or
POS 2112 State and Local Government (3)
SYG 2000 Introduction to Sociology (3)
WST 3015 Women's Studies (3)

Upper-level Coursework required for Interdisciplinary Social Sciences Majors

1. Required core courses for the major are:
   ISS 3010 Introduction to Social Sciences (3)
   ISS 4935 Seminar in the Social Sciences -MW (3)
   STA 2122 Social Sciences Statistics -6A OM (3)

2. The ISS student chooses between two cognates areas and completes twelve hours in each. Twenty available cognates (listed below) range from Africana Studies, to Criminal Justice, Sociology, and Women's Studies. In addition, three special electives emphasize cultural diversity.

3. Students should work out a program of study at the onset of their junior year, particularly before too many courses are completed in the College of Arts and Sciences. No student should assume that courses already completed in CAS will automatically count toward the ISS degree.

4. The completion of 42 approved hours of course work from the College of Arts and Sciences (CAS), with a minimum of 30 hours at the 3000 or above level.

5. Students must maintain a minimum grade point average of 2.0 in ISS to graduate.

6. ISS majors must satisfy two semesters of a foreign language in order to graduate.

7. Other personal curricula may be tailored for those highly motivated students, with a minimum grade point average of 3.2, developed with the approval of the advisor. This course of study will be directed toward the special educational interests of these students. An in-depth Honors Research Paper will be required of students taking this option.

No transfer courses with grades of "D" are acceptable for credit in the ISS major.

COGNATE AREAS - Students select two areas and take 12 hours in each. Cognates must be selected from the areas of study listed below:

AFA, ANT, CCJ, ECO, GEY, GPY, HTY, HUM, HUS, INT, ITT, LAS, LSH, PAD, POL, PSY, SOC, SOW, and WST.

INTERDISCIPLINARY CORE COURSES

Two of these courses, an introductory course (3010) and the senior seminar (4935), introduce and employ the interdisciplinary social science perspective. These courses involve students in the study of human life and experience; the various concepts, theories and methods used in the social sciences; and apply them to contemporary issues and questions. Social Science Statistics is the third core course required for majors in Interdisciplinary Social Sciences.
