- Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
  (State Mandated Common Prerequisites)
  Complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university.
  If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, they must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.
  Students must complete the prerequisite courses listed below prior to be admitted to the upper-division major. Students who do not complete these prerequisites can be admitted to the University, but not to the upper-division major. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

  EDF X005  Introduction to Education 3
  (waived for ITE majors with certification and teaching experience)
  EDG 2701  Teaching Diverse Populations 3
  (completing EVT 4651 and EVT 4562 exempts ITE majors from this course)
  EME 2040  Introduction to Educational Technology 3
  (equivalent course or demonstrated competency may be substituted)
  XXX XXXX Courses in an area of vocational specialization 15

  At least one course taken to meet the natural science requirements in General Education must include a laboratory component. In addition to EDG 2701, Lower division courses must include 6 credit hours with an international or diversity focus.

- Admission Requirements to the University Program of Study
  Please be aware of the immunization, foreign language, and continuous enrollment policies of the university, and qualitative standards required.
  Admission will require an overall GPA of 2.5 with a minimum score of 960 on the SAT (840 if taken before April 1, 1995) or 20 on the ACT. However, an overall 2.25 GPA will be acceptable with a minimum score of 1030 on the SAT (940 if taken before April 1, 1995) or 22 on the ACT. Official grade forgiveness will be used as appropriate. Students must have passed all sections of CLAST. Professional education courses taken at the community college will transfer as general electives.

- Requirements for the B.S. Degree
  Enrollment in the Industrial-Technical Education program is restricted to persons with employment experiences qualifying them to teach in Industrial, Technical, Health Occupations, or Public Service areas.
  Special provision is made for students to satisfy four (4) of the required six (6) years of work experience in a specific occupation by completing an Associate of Science degree program in a technological specialty or successfully completing an appropriate occupational competency exam. Acceptability of work experience will be determined by the program advisor.
  Students may validate up to 30 semester hours of credit through the Occupational Competency Testing Program, or appropriate licensure or certificate.
