• Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
  (State Mandated Common Prerequisites)
Students wishing to transfer to USF should complete the A.A. degree at the community college. Some courses required for the major may also
meet General Education Requirements thereby transferring maximum hours to the university. If students transfer without an A.A. degree and have
fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT
test scores, GPA, and course requirements.

Students should demonstrate proficiency at the intermediate level within the target language. This may be accomplished by completing 6-12
hours within the language or by demonstrated competency at the intermediate level. If this coursework (or associated competency) is not completed
at the community college, it must be completed before the degree is granted. Students are encouraged to complete the following prerequisites, or
major, support, or elective courses if available, during the program of study at the community college, and when feasible in General Education/
Gordon Rule courses. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.
