This manual was compiled and edited by the Office of Undergraduate Studies and Community College Relations, University of South Florida, Tampa, Florida. Its purpose is to facilitate the planning and transfer of community college students in their progress toward a baccalaureate degree at USF. Should any discrepancy occur between this manual and the 1998-99 USF undergraduate catalog, the catalog takes precedence.

The University of South Florida and all colleges, departments, and programs therein establish certain academic requirements which must be met before a degree is granted. These requirements concern such things as curricula and courses, majors and minors, and academic residence. Advisors, directors, department chairs, and deans are available to help the student understand and arrange to meet these requirements, but the student is responsible for fulfilling them. At the end of a student’s course of study, if requirements for graduation have not been satisfied, the degree will not be granted. For this reason it is important for all students to acquaint themselves with all regulations and to remain currently informed throughout their college careers and to be responsible for completing requirements. Courses, programs, and requirements described in this counseling manual may be suspended, deleted, restricted, supplemented, or changed in any other manner at any time at the sole discretion of the University and the Florida Board of Regents.

The University of South Florida is committed to the principles of equal education and employment opportunities without regard to race, color, marital status, sex, religion, national origin, disability, age, Vietnam or disabled veteran status as provided by law and in accordance with the University’s respect for personal dignity. These principles are applied in the conduct of University programs and activities and the provision of facilities and services.

</table>

(INTernational AppLICants Must Apply At Least Two Months Earlier Than Deadlines Above)

Transfer students should apply as early as possible within a year of expected AA degree date.

Quota programs (as well as some graduate programs) may impose earlier application deadlines. Consult specific manual page or the general university bulletin (catalog).

All campuses observe the same admissions deadlines, but registration times do differ. Check with appropriate campus admissions office.

Provisional Acceptance

USF sends a “provisional acceptance” letter to transfer students upon receipt of their applications. However, it is imperative that students meet the terms listed on the acceptance letter and send an official “final” transcript as soon as possible to the USF Admissions office. Provisionally admitted students who do not receive the AA degree or do not have at least 60 transferable hours (as determined by the USF Admissions office) will have to meet freshman entrance requirements for admission.

AA Except for CLAST

Students who have failed one or more subtests of the CLAST but have completed all other AA degree requirements will be admitted to the University of South Florida and given full benefit for the AA degree. A transcript should be sent to USF with “all AA degree requirements met except for CLAST,” statement posted. Such students must register for and take CLAST during their first term of enrollment at USF.

CLAST Policies at USF

If all subtests of the CLAST have not been passed by the time students reach 70 semester hours (including transfer hours from the community college) they may not register for classes until they have scheduled a remedial course covering the content of the failed subtest(s) and have registered for the CLAST.

Students who have reached 96 semester hours and have not passed all four subtests of CLAST will be placed on administrative hold and will be permitted to register only for classes to remediate their CLAST deficiency.

If a student has completed 96 hours, has taken CLAST five times and has participated in at least three terms of remediation, application for CLAST waiver may be made. For application details, contact the Office of Evaluation and Testing, 974-2741.

When students successfully complete all subsections of CLAST, they should apply to their community college for their AA degree and have a transcript sent to USF indicating the awarding of the AA degree. This ensures that the community college awards students the degree to which they are entitled.

Repeat/Forgiveness

In order for repeated courses to qualify for the forgiveness policy, the repeated course must have been taken at the same institution as the initial course, and the institution where the course was taken must have a forgiveness policy. However, USF will honor repeat course forgiveness between institutions if they are part of the AA degree.

Courses Taken After the AA

Courses taken after the AA degree will be re-calculated into the GPA by the Office of Admissions. In some cases this could drop the overall admissions GPA below the 2.00 required for admission. Therefore, it is recommended that students complete all necessary coursework (both AA degree requirements and limited access program criteria) within the framework of the AA degree.

Reciprocity Rule for Residency

Effective immediately USF will accept the sending community college’s residency determination for their students who are applicants to the University. This is in accordance with the newly adopted statewide Residency for Tuition Purpose Reciprocity Rule.
UNIVERSITY OF SOUTH FLORIDA

Foreign Language Entry Requirement (FLENT)

All students entering the University of South Florida are affected by Section 240.233 of the Florida Statutes. Under this Statute, students must complete two years of the same foreign language in high school or the equivalent (eight to ten semester hours of the same language at the postsecondary level) prior to admission to a Florida public university. However, state universities have been allowed to admit students before completion of this requirement with the stipulation that those students must satisfy the requirement before they can receive a Baccalaureate degree. (Students who entered a Florida community/junior college prior to August 1, 1989 and maintained continuous enrollment until admission to USF are exempt from this entrance requirement.)

NOTE: American Sign Language will meet the foreign language entry requirement.

Students who have not met the foreign language entry requirement in high school are encouraged to complete the requirement (8-10 semester hours) at the community college they are currently attending, if possible.

Verification of Foreign Language Entry Requirement

To verify completion of this requirement, students must have an official high school transcript or an official college or university transcript mailed to the USF Office of Admissions as soon as possible upon making application to the University.

Foreign Language Exit Requirement

USF also has a foreign language exit (or graduation) requirement for the Bachelor of Arts (B.A.) degree that is separate from the foreign language entry requirement described above. Two years of high school level foreign language courses do not meet USF exit requirements. However, completing eight to ten semester hours of the same college-level foreign language with a grade of "C" or higher at a Florida public community college will satisfy both the entrance and exit requirements at USF.

Only the B.A. degree has a foreign language requirement for graduation. This requirement may be met by
• Completing one academic year (8-10 S/H) of the same college-level foreign language with "C" or higher.
• Passing departmental competency/placement examination.
• Achieving appropriate qualifying scores on CLEP.
• Obtaining a score of 500 or higher on the TOEFL examination for non-English speaking students.

NOTE: Some departments allow American Sign Language to meet the requirement, but appropriate departmental approval must be granted.

Limited Access Programs

Several high demand programs have additional admission criteria beyond general university admission requirements. Specific guidelines for admission to limited access programs provide equal access to AA degree holders from Florida community colleges, transfers from other SUS institutions, and USF students of equivalent status. Most programs require at least a minimum 2.5 overall college GPA. Potential transfer students with 90 or more hours will not be admitted to the University unless they meet the GPA requirement of their chosen limited access program major at the time of application. The following colleges and programs are limited access:

| College of Business (all majors) | Mass Communications |
| College of Engineering (all majors) | Mathematics (Accelerated BA/MA) |
| College of Nursing (all majors) | New College (Liberal Studies) |
| Liberal Studies | Social Work |

ORIENTATION

The Orientation Program is designed to introduce students to the campus and to the USF community. Orientation is mandatory on all USF campuses. Times and formats differ at each campus. During orientation students will receive academic counseling, select their courses, register for classes and become acquainted with the campus. Students should have personal copies of their college transcripts with them during their advising sessions. The earlier students attend the orientation sessions the more likely they will obtain the classes needed. Students will receive their orientation packet in the mail shortly after their Official Acceptance Letter arrives. For more information contact the Orientation Office at (813) 974-3060.

IMMUNIZATION POLICY

In accord with State University System policy, students are required to present documented proof of immunity to measles and rubella prior to registration for courses. All students under 40 years of age must submit proof of immunity to rubella. In addition, all students born after December 31, 1956 must submit proof of immunity to measles. As of Fall, 1990, two doses of measles immunizations are now required. Immunization/history cards are enclosed with all Official Acceptance Letters to facilitate completion of this requirement. Additional copies of the card as well as answers to questions about this requirement may be secured from USF Student Health Services. Completed cards should be returned to Student Health Services well in advance of the scheduled Orientation dates. Students may contact the Health Services Office at (813) 974-2331.
While attending USF, a student may choose to live either on or off campus. A housing application is sent with the acceptance letter. If a student chooses to live on campus, the housing application should be mailed with a copy of the acceptance letter to the housing office ASAP to secure a housing reservation. For information on campus housing, contact the Housing Office at (813) 974-4310.

The Off-Campus Housing Program provides vacancy listings of rooms, apartments, condos, and homes. It also offers roommate referral, information on renter’s insurance, furniture rental, and apartment discounts. Contact the Off-Campus Housing Program at (813) 974-3749.

INFORMATION SESSIONS AND CAMPUS TOURS

The Office of Admissions conducts Admissions Information Sessions on the Tampa campus every Monday through Friday (except University holidays) at 1:00 p.m. An appointment is not necessary to attend. These sessions conclude with a student-guided tour of campus and housing facilities. Comprehensive campus visitation programs are available on various dates throughout the year. More information about these expanded programs can be obtained by contacting the Office of Admissions at (813) 974-3350.

FINANCIAL AID AT USF

http://usfweb.usf.edu/enroll/finaid/finaid.htm

USF GENERAL EDUCATION PROGRAM

All new students and Former Students Returning will be required to take 45 semester hours to satisfy the complete liberal arts requirements. Thirty-six (36) semester hours will satisfy the general education course requirements and 9 semester hours will satisfy the exit requirements. These requirements are distributed as follows:

<table>
<thead>
<tr>
<th>General Education Requirements</th>
<th>Semester Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>English Composition</td>
<td>6</td>
</tr>
<tr>
<td>Quantitative Methods</td>
<td>6</td>
</tr>
<tr>
<td>Natural Sciences</td>
<td>6</td>
</tr>
<tr>
<td>Social Sciences</td>
<td>6</td>
</tr>
<tr>
<td>Historical Perspectives</td>
<td>6</td>
</tr>
<tr>
<td>Fine Arts</td>
<td>3</td>
</tr>
<tr>
<td>African, Latin American, Middle Eastern or Asian Perspectives</td>
<td>3</td>
</tr>
</tbody>
</table>

Exit Requirements (All students will be required to take the nine hours of the exit requirement at USF.)

| Major Works and Major Issues | 6 |
| Literature and Writing      | 3 |

Courses, as much as possible, will incorporate the dimensions of values and ethics, race and ethnicity, gender, and international and environmental perspectives. In addition, whenever relevant to the specific discipline, all courses are expected to require conceptual, analytical, and creative thinking and to promote creativity and discipline in writing and speaking.

NOTE: In accordance with the articulation agreement, Florida community college students will be under the General Distribution Requirements in the USF catalog at the time the student first entered the community college, provided the student maintains continuous enrollment. Also, Florida community college transfer students who have the AA degree or whose transcripts state that they have satisfactorily completed general education requirements at another Florida public college or university will have met USF’s general education requirements under the articulation agreement. However, USF recommends that community college students who plan to transfer to USF take courses within their general education programs at the community colleges that meet as much as possible the University’s general education requirements.
Florida Community College Associate in Arts graduates are guaranteed the following rights under the Statewide Articulation Agreement (State Board of Education Rule 6A-10.024):

1. Admission to one of the nine (9) state universities, except to limited access programs*.
2. Acceptance of at least 60 credit hours by the state universities toward the baccalaureate degree.
3. Adherence to university requirements and policies based on the catalog in effect at the time the student first entered a community college, provided the student maintains continuous enrollment.
4. Transfer of equivalent courses under the Statewide Course Numbering System.
5. Acceptance by the state universities of credit earned in accelerated programs (e.g., CLEP, AP, PEP, Dual Enrollment, Early Admission and International Baccalaureate).
6. No additional General Education Core requirements.
7. Advance knowledge of selection criteria for limited access programs.

Equal opportunity with native university students to enter limited access programs.

Should any guarantee be denied, students have the right of appeal. Each state university and community college shall make available established appeal procedures through the respective articulation officers.

*Limited Access is the designation given to programs that require additional admissions requirements which are more selective than general admission requirements. These may include the following: increased total GPA and test scores; additional courses and prerequisites; and auditions and portfolios.

• Program of Study at a Florida Community/Junior College for Students Planning to Transfer to USF
(State Mandated Common Prerequisites)

A student wishing to transfer to USF should complete the A.A. degree at a Florida community/junior college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured. If a student transfers without an A.A. degree and has fewer than 60 semester hours of acceptable credit, a student must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

MAC X233 Calculus for Business
STA X023 Introductory Statistics I or QMB X100

Accounting majors are not required to take ACG 2071 and may enroll in ACG 3103 upon completion of ACG 2021 and admission to the college of Business Administration.

Students should not take finance, management, or marketing courses at the community college which are offered at the upper division level at USF. Such courses are not accepted as substitutes for upper-level requirements without proper validation after enrolling in the College of Business Administration. Without validation, such courses transfer as elective credits.

• Admission Requirements to the University Program of Study

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university, and qualitative standards required.

To be admitted to the College of Business Administration, the student must first be accepted to the University of South Florida. Additionally, students must have completed a minimum of 60 semester hours, earned a 2.5 all-college grade point ratio, and completed the above courses with a 2.0 GPA, no grade lower than a “C” and a 2.0 GPA in all work attempted at USF, including any credit prior to salvage. Students meeting all other requirements and with a cumulative grade point average between 2.3 and 2.5 may apply to the College of Business, and will be considered on a case by case basis. Students working toward meeting the limited access criteria and who have completed 60 hours may be permitted to enroll in selected upper division courses.

Students must complete a minimum of 27 hours of upper level accounting courses, of which 18 credit hours must be taken in residence at USF, and sufficient elective hours to reach a 120 hour total.

PROGRAM OF STUDY AT THE UNIVERSITY

The foundation courses common to all majors in business consists of the 18 hours of prerequisites plus the following (three-hour) courses:

BUL 3320 Law and Business I (3)
ECO 3100 Managerial Economics (3)
FIN 3403 Principles of Finance (3)
QMB 3200 Business and Economics Statistics II (3)
MAN 3025 Principles of Management (3)
MKT 3023 Basic Marketing (3)
ISM 3431 Management Science POM (3)
GEB 4890 Business Policy (3)

Required Accounting Courses (Total 18 hours):

ACG 3103 Intermediate Financial Accounting I (3)
ACG 3113 Intermediate Financial Accounting II (3)
ACG 3341 Cost Accounting and Control I (3)
ACG 3401 Accounting Information Systems (3)
ACG 4632 Auditing I (3)
TAX 4001 Concepts of Federal Income Taxation (3)

Plus 9 hours of approved accounting electives (9)

The student’s program must also include coursework taken in behavioral sciences and humanities, such as psychology, anthropology, and sociology, and the political environment of business and society, such as political science, public administration, and ethics. College of Business Administration advisors will recommend courses that will satisfy the program requirements.

Accounting majors can use the forgiveness policy only once in upper level accounting courses. Accounting courses taken by accounting majors on an S/U basis will not be counted toward the 120 hour graduation requirement. Independent Research, ACG 4911, will not be accepted as credit toward the minimum degree requirements in the accounting concentration.
Accounting majors must earn a "C" grade in each of the sequential upper-level accounting courses before being allowed to go on to the next course: i.e., ACG 3103, ACG 3113, ACG 3341, ACG 4632, TAX 4001.

A minimum of 66-69 hours of business courses and a minimum of 54 hours of non-business courses, including Calculus and one course covering contemporary international issues are required.

The objectives of the baccalaureate degree program in accountancy are to provide students with accounting and business knowledge that will serve as a basis for careers in industry, government, non-profit organizations and public accountancy.

The baccalaureate program also prepares students for entry into the Master of Accountancy (M.Acc.) professional degree program. The State of Florida, like most states, requires a fifth year of education in order to sit for the CPA examination. Any further questions concerning the CPA examination should be directed to the faculty of the School of Accountancy.

• Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
(State Mandated Common Prerequisites)
Complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured from the university advisor listed above.

If you transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, you must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

Students are encouraged to complete the following prerequisites, or major, support, or elective courses if available, during the program of study at the community college, and when feasible in General Education/Gordon Rule courses.

AFA 2000 Introduction to the Black Experience In Africa & Its Diaspora 3
AFS 2250 Culture and Society in Africa 3
AMH 3571 African American History to 1865 3
AMH 3572 African American History since 1865 3

There are no State Mandated Common Prerequisites for this degree program.

• Admission Requirements to the University Program of Study
Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

• Requirements for the Major in Africana Studies
The major in Africana Studies consists of a minimum of 36 hours. Students may choose an area of emphasis in African-American Studies, African Studies, or Africana Studies (both). The requirements for the majors are as follows:

Required Core Courses for all areas (15 cr. hours):
AFA 2000 Introduction to the Black Experience In Africa & Its Diaspora (3)
AFH 3100 African History to 1850 (3)
AFH 3200 African History Since 1850 (3)
AMH 3571 African American History to 1865 (3)
AMH 3572 African American History since 1865 (3)

Required Electives (select 21 cr. hours):
African-American Studies (suggested)
AFA 4331 Social Institutions and the African American Community (3)
AFA 4335 Black Women in America (3)
AFA 4931 Selected Topics (1-3)
AMH 3700 Racism in American Society (3)

A minimum of 60 semester hours must be completed at the university unless prior approval is secured. If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements. Students should complete two lower level, introductory courses in Anthropology prior to entering the University. If not taken at the community college, they must be completed before the degree is granted. A grade of “C” is the minimum acceptable grade.

Admission Requirements to the University Program of Study

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

Requirements for the Major in Anthropology

The major in Anthropology consists of a minimum of 33 credit hours. ANT 2000 is prerequisite to all subsequent courses. ANT 3100, ANT 2410, ANT 3511 and ANT 3610 are required as intermediate level training in the main subdivisions of the field, and ANT 4034 and ANT 4935 complete the specific requirements.

Required Core Courses (21 cr. hrs.)

ANT 2000 Introduction to Anthropology (3)
ANT 2410 Cultural Anthropology (3)
ANT 3100 Archaeology (3)
ANT 2511 Biological Anthropology (3)
ANT 3610 Anthropological Linguistics (3)
ANT 4034 Theories of Culture (3)
ANT 4935 Rethinking Anthropology (3)

Majors are required to complete a minimum of 12 hours of 4000-level elective coursework, including courses from at least three of the four subfield areas shown below.

Archaeology

ANT 4124 Archaeological Field Methods (4)
ANT 4153 North American Archaeology (3)
ANT 4158 Florida Archaeology (4)
ANT 4162 South American Archaeology (3)
ANT 4163 Mesoamerican Archaeology (3)
ANT 4172 Historical Archaeology (3)
ANT 4180 Laboratory Methods in Archaeology (4)
ANT 4181 Museum Methods (4)

Physical Anthropology

ANT 4520 Forensic Anthropology (3)
ANT 4552 Evolutionary Biology of the Primates (3)
ANT 4583 Prehistoric Human Evolution (3)
ANT 4587 Human Variation (3)

Anthropological Linguistics

ANT 4620 Language and Culture (3)
ANT 4750 Language and Social Interaction (3)

Cultural Anthropology

ANT 4226 Anthropology of Art (3)
ANT 4231 Folklore (3)
ANT 4241 Magic and Religion (3)
ANT 4302 Sex Roles in Cross Cultural Perspective (3)
ANT 4305 Visual Anthropology (3)
ANT 4312 North American Indians (3)
ANT 4316 Ethnic Diversity in the U.S. (3)
ANT 4324 Mexico and Central America (3)
ANT 4340 The Caribbean (3)
ANT 4432 The Individual and Culture (3)
ANT 4442 Urban Life and Culture (3)
ANT 4462 Health, Illness and Culture (3)
ANT 4495 Methods in Cultural Research (3)
ANT 4705 Applied Anthropology (3)
MUH 4054 (See Advisor) (3)

Anthropology majors are urged to become competent readers and speakers of a relevant foreign language, to acquire communicative and quantitative skills appropriate to their interests, and to achieve at least a minimal level of computer literacy. Exceptions to course prerequisites require the consent of the instructor.

- Program of Study at the Community College or SUS School for Students Planning to Transfer to USF
  (State Mandated Common Prerequisites)
  Students must complete the prerequisite courses listed below prior to be admitted to the upper-division major. Students who do not complete
  these prerequisites can be admitted to the University, but not to the upper-division major. Unless stated otherwise, a grade of “C” is the minimum
  acceptable grade.
  
  EDF 1005 Introduction to Education
  EDG 2701 Teaching Diverse Populations
  EME 2040 Introduction to Educational Technology
  (Equivalent course or demonstrated competency may be substituted)

  Students should also complete 15 hour beyond those taken to meet General Education Requirements from the following liberal arts and
  sciences areas: a) fine arts or humanities; b) political sciences, sociology, economics, cultural geography, or speech; c) mathematics; d) natural
  sciences: and/or e) psychology. Among these 15 hours must be included one course in mathematics. At least one course taken to meet the natural
  science requirements in General Education must include a laboratory component.

- Admission Requirements to the University Program of Study
  Please be aware of the immunization, foreign language, and continuous enrollment policies of the university, and qualitative standards
  required.
  Admission will require an overall GPA of 2.5 with a minimum score of 960 on the SAT (840 if taken before April 1, 1995) or 20 on the ACT.
  However, an overall 2.25 GPA will be acceptable with a minimum score of 1030 on the SAT (940 if taken before April 1, 1995) or 22 on the ACT.
  Official grade forgiveness will be used as appropriate. Students must have passed all sections of CLAST.
  Professional education courses taken at the community college will transfer as general electives.
  Introduction/General Psychology and Sociology are recommended.

- Requirements for the B.S. Degree With Certification in EH
  Professional Education Core (25-29 credit hours)
  EDF 3214 Human Development and Learning (3)
  EDF 3604 Social Foundations of Education (3)
  or
  EDF 3542 Philosophy of Education (4)
  EDG 4620 Curriculum and Instruction (3)
  EDF 4430 Measurement for Teachers (3)
  EEX 4070 Exceptional Student Ed (2)
  Internship and Seminar (10-12)
  ESOL Course (1-3)

  *Students should see their advisors upon admittance to the College of Education for specific core requirements for their majors.

  Emotional and Behavioral Disabilities (EH Certification)
  Students seeking the B. S. degree with certification in EH are required to take the following courses:
  EED 4011 Introduction to Behavior Disorders (3)
  EED 4941 Undergraduate Supervises Practicum in Behavior Disorders (1-6)
  EEX 4011 Foundations of Special Education (3)
  EEX 4221 Educational Assessment of Exceptional Students (3)
  EEX 4243 Education of the Exceptional Adolescent Adult (3)
  EEX 4604 Behavior Management for Special Needs and At Risk Students (3)
  EEX 4846 Clinical Teaching in Special Education (3)
  EEX 4742 Narrative Perspectives on Exceptionality: Cultural & Ethical Issues (3)
  LAE 4314 Language Arts in Childhood Education (3)
  MAE 4310 Teaching Elementary School Mathematics I (3)
  RED 4310 Early Literacy Learning (3)
  RED 4511 Literacy in Intermediate and Middle Grades (3)

The remaining credit hours to meet the minimum requirements must come from among structured departmental courses that are applicable to the major and BCH 3023. At least eight (8) of these credit hours must be at the 4000 level or higher. A maximum of four (4) credit hours of Undergraduate Research (BSC 4910) or Biology Honors Thesis (BSC 4970) may be applied. A minimum of 20 hours of Biology courses must be taken in residency and be applicable to the major.
BUSINESS EDUCATION

COLLEGE: EDUCATION
SCHOOL: NONE
DEGREE: BACHELOR OF ARTS, BACHELOR OF SCIENCE
OPTION/TRACK: NONE
LIMITED ACCESS PROGRAM: YES

CAMPUS(ES) WHERE OFFERED/CONTACT:
TAMPA only / Program Director, Undergraduate Advising, Education, (813) 974-2458

- Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
  (State Mandated Common Prerequisites)
  Complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval
  is secured.

  If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, they must meet the university’s entering
  freshman requirements including ACT or SAT test scores, GPA, and course requirements.

  Students must complete the prerequisite courses listed below prior to be admitted to the upper-division major. Students who do not complete
  these prerequisites can be admitted to the University, but not to the upper-division major. Unless stated otherwise, a grade of “C” is the minimum
  acceptable grade.

  - EDF 1005 Introduction to Education
  - EDG 2701 Teaching Diverse Populations
  - EME 2040 Introduction to Educational Technology

  (Equivalent course or demonstrated competency may be substituted)

  Students should complete the following prerequisite courses listed below at the lower level prior to entering the University. If these courses
  are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of “C” is the
  minimum acceptable grade.

  - ACG X001 Financial and Managerial Accounting I
  - ACG X011 Financial and Managerial Accounting II
  - ECO X013 Economic Principles (Macroeconomics)
  - ECO X023 Economic Principles (Microeconomics)

  XXX XXXX Electives in Business Administration, 3 semester hours

  At least one course taken to meet the natural science requirements in General Education must include a laboratory component.

- Admission Requirements to the University Program of Study
  Please be aware of the immunization, foreign language, and continuous enrollment policies of the university, and qualitative standards
  required.

  Admission will require an overall GPA of 2.5 with a minimum score of 960 on the SAT (840 if taken before April 1, 1995) or 20 on the ACT.
  However, an overall 2.25 GPA will be acceptable with a minimum score of 1030 on the SAT (840 if taken before April 1, 1995) or 22 on the ACT.

  Official grade forgiveness will be used as appropriate. Students must have passed all sections of CLAST.

  Professional education courses taken at the community college will transfer as general electives.

• Admission Requirements to the University Program of Study
  This is a limited access program involving special admissions requirements. Please be aware of the immunization, foreign language, continuous enrollment policies of the university, and qualitative standards required.

Procedures for Applying to the College of Engineering
  Students should complete and submit an Engineering Admissions Application to the College of Engineering Advising Office. Freshmen and Sophomores must submit copies of high school transcripts, SAT and ACT test scores to the College of Engineering, Advising Office. This is in addition to records requested by the University’s Admissions Office. Transfer applicants must furnish transcripts from previously attended institutions to the College of Engineering, Advising Office. This is in addition to transcripts sent to the University’s Admissions Office. Applicants whose native language is other than English must submit TOEFL scores to the College of Engineering. The minimum TOEFL scores must be 550. Credentials must be received in the Engineering Advising Office 30 days prior to the date of applicable term. Failure to comply will result in the application being denied by the College of Engineering. Credentials will be held for one year. If application is not updated within that year, credentials must be re-submitted.

Engineering Admissions Requirements
  Transfer students must have completed the equivalent USF Engineering Calculus sequence with a 2.0 GPA; must have completed one year of equivalent USF General Physics and Chemistry courses with a minimum of 2.0 GPA; must have an overall GPA of 2.0 or better.

PHY 2049/2049L General Physics II with Lab or PHY 2049C, or PHY 2054C

Admission Requirements to the University Program of Study

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

BA in Chemistry

The B.A. degree in Chemistry provides a course of study for students whose careers will require a thorough understanding of chemistry required for a variety of professional activities such as in health-related professions, science teaching, business, law and other areas. Inherent in this program is a high degree of flexibility which permits tailoring a course of study to the student’s own educational objectives. The B.A. student whose goals change in the direction of graduate study should supplement this curriculum by addition and/or substitution of a selection of advanced courses from the B.S. program.

Required Chemistry Courses (33 cr. hrs.)
CHM 2045 General Chemistry I (3)
CHM 2045L General Chemistry I Laboratory (1)
CHM 2046 General Chemistry II (3)
CHM 2046L General Chemistry II Laboratory (1)
CHM 2210 Organic Chemistry I (3)
CHM 2210L Organic Chemistry I Laboratory (2)
CHM 2211 Organic Chemistry II (3)
CHM 2211L Organic Chemistry II Laboratory (2)
CHM 3120C Elementary Analytical Chemistry (4)
CHM 3400 Elementary Physical Chemistry I (3)
CHM 3401 Elementary Physical Chemistry II (3)
CHM 3402L Elementary Physical Chemistry Laboratory (1)
CHM 3610C Intermediate Inorganic Chemistry (4)

Required Chemistry Electives (6 cr. hrs.)
3000 level or above; may include not more than 1 hr. of CHM 4970 Undergraduate Research.

Required Supporting Courses (14-16 cr. hrs.)
MAC 2311 Calculus I (4)
MAC 2312 Calculus II (4)
or
MAC 2281 Engineering Calculus I (3)
MAC 2282 Engineering Calculus II (3)
PHY 2053 General Physics (3)
PHY 2053L General Physics Laboratory (1)
PHY 2054 General Physics (3)
PHY 2054L General Physics Laboratory (1)

Required natural science or engineering electives (8 cr. hrs.)

BS in Chemistry

The Bachelor of Science in Chemistry is a rigorous program which supplies the foundation in chemistry required for both the student who begins a chemical vocation immediately upon graduation as well as the one who pursues advanced study in chemistry or related areas. In accord with this goal, the curriculum for the B.S. degree in Chemistry meets the requirements for degree certification by the American Chemical Society. Because of the strong base developed in this curriculum, the B.S. in Chemistry also provides entry into other chemistry-related advanced studies.

Required Chemistry Courses (50 cr. hrs.)
BCH 3023 Introductory Biochemistry (3)
CHM 2045 General Chemistry I (3)
CHM 2045L General Chemistry I Laboratory (1)

• Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
(State Mandated Common Prerequisites)

Complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university. If a student wishes to transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, the student must meet the university's entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

The following are transferable courses from the Community College that will be accepted in the Math/Science/Engineering areas:

**Admission Requirements to the University Program of Study**

This is a limited access program involving special admissions requirements. Please be aware of the immunization, foreign language, continuous enrollment policies of the university, and qualitative standards required.

**Procedures for Applying to the College of Engineering**

Students should complete and submit an Engineering Admissions Application to the College of Engineering Advising Office. Freshmen and Sophomores must submit copies of high school transcripts, SAT and ACT test scores to the College of Engineering, Advising Office. This is in addition to records requested by the University’s Admissions Office. Transfer applicants must furnish transcripts from previously attended institutions to the College of Engineering. Advising Office. This is in addition to transcripts sent to the University’s Admissions Office. Applicants whose native language is other than English must submit TOEFL scores to the College of Engineering. The minimum TOEFL scores must be 550. Credentials must be received in the Engineering Advising Office 30 days prior to the date of applicable term. Failure to comply will result in the application being denied by the College of Engineering. Credentials will be held for one year. If application is not updated within that year, credentials must be re-submitted.

**Engineering Admissions Requirements**

Transfer students must have completed the equivalent USF Engineering Calculus sequence with a 2.0 GPA; must have completed one year of equivalent USF General Physics and Chemistry courses with a minimum of 2.0 GPA; must have an overall GPA of 2.0 or better.

**Environmental Engineering Concentration Within Civil Engineering**

COLLEGE: ARTS AND SCIENCES
SCHOOL: NONE
DEGREE: BACHELOR OF ARTS
OPTIONS/TRACKS: LATIN/LATIN-GREEK/INTERDISCIPLINARY

LIMITED ACCESS PROGRAM: NO

CAMPUS(ES) WHERE OFFERED/CONTACT:
TAMPA only / Coordinator of Advising, Arts and Sciences, (813) 974-2503

• Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
(State Mandated Common Prerequisites)
Students wishing to transfer to USF should complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured. If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, the students must meet the university's entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

Students should demonstrate proficiency at the intermediate level within the target language. This may be accomplished by completing 6-12 hours within the language or by demonstrated competency at the intermediate level. If this coursework (or associated competency) is not completed at the community college, it must be completed before the degree is granted. A grade of "C" is the minimum acceptable grade. Students are encouraged to complete the following prerequisites, or major, support, or elective courses if available, during the program of study at the community college, and when feasible in General Education/Gordon Rule courses.

ENC 1101 English I (3)
ENC 1102 English II (3)
EUH 2011 Ancient History I (3)
EUH 2012 Ancient History II (3)
Beginning and Intermediate Basic Preparation for Major (16)

LAT 1120, 1121, or GRE 1120, 1121

• Admission Requirements to the University Program of Study
Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

• Requirements for the Major in Classics
Major programs leading to the Bachelor of Arts degree are offered in Classics-Latin, Classics-Latin/Greek, and Interdisciplinary Classics. Major programs in Classics require a minimum of 36 hours of course-work. The minor is offered in Latin, Greek, and Interdisciplinary Classics. The minors consist of a minimum of 22 hours of course-work.

CLASSICS-LATIN:
(Basic preparation for the Classics-Latin major: a minimum of two years of high school Latin or LAT 1120 and LAT 1121. LAT 1120 and LAT 1121 may be used to satisfy foreign language requirements but do not count as credit toward the major.

Required courses for the Classics-Latin major - 24 hours selected from the following:

LNN 2660 Vergil (4)
LNN 4363 Martial (4)
LNN 4381 Livy (4)
LNN 4500 Cicero and Roman Philosophy (4)
LNN 4501 Seneca and Roman Philosophy (4)
LNN 4634 Catullus (4)
LNN 4644 Cicero (4)
LNN 4654 Horace (4)
LNN 4670 Ovid (4)
LNN 4900 Directed Reading (1-4)
LNN 4930 Selected Topics (4)

Supporting courses required for the major - 12 hours selected from the following:

ARH 4100 Prehistoric and Ancient Art (4)
ARH 4170 Greek and Roman Art (4)
CLA 3103 Greek Civilization (3)
CLA 3123 Roman Civilization (3)
CLT 3040 Classical Word Roots in Science (3)
CLT 3101 Greek Literature in Translation (3)
CLT 3102 Roman Literature in Translation (3)
CLT 3370 Classical Mythology (3)
EUH 2011 Ancient History I (3)
EUH 2012 Ancient History II (3)
EUH 3401 Classical Greece (4)
EUH 3402 Age of Alexander (4)
EUH 3412 Roman Republic (4)
EUH 3413 Roman Empire (4)
PHP 4000 Plato (3)
PHP 4010 Aristotle (3)

CLASSICS-LATIN/GREEK:
Required courses for the Classics-Latin/Greek major: 16 hours in advanced Latin (see Classics-Latin major above) and 8 hours in beginning Classical Greek. GRE 1120, 1121.

Supporting courses required for the Classics-Latin/Greek major: 12 hours selected from the list of supporting courses given for the Classics-Latin major above.

Continued
INTERDISCIPLINARY CLASSICS
Basic Preparation: Beginning Latin or Greek or high school equivalent (no major credit)

Required Courses
Two advanced courses in Latin or Greek. (See Classics-Latin and Classics-Latin/Greek) (8)
- ARH 4100 Prehistoric and Ancient Art (4)
- ARH 4170 Greek and Roman Art (4)
- CLT 3370 Classical Mythology (3)
- PHH 3062 History of Philosophy: Ancient & Medieval (3)
- PHP 4000 Plato (3)
  or
- PHP 4010 Aristotle (3)

Two courses from:
- EUH 2011 Ancient History I (3)
- EUH 2012 Ancient History II (3)
- EUH 3401 Classical Greece (4)
- EUH 3402 Age of Alexander (4)
- EUH 3412 Roman Republic (4)
- EUH 3413 Roman Empire (4)

One course from:
- CLA 3000 Ancient Civilizations (4)
- CLA 3103 Greek Civilization (3)
- CLA 3123 Roman Civilization (3)
- CLA 4160 Egyptian Civilization (3)
- CLA 4171 Mesopotamian Civilization (3)
- CLT 3101 Greek Literature in Translation (3)
- CLT 3102 Roman Literature in Translation (3)
- GRE 2040 New Testament Greek I (3)
- GRE 2041 New Testament Greek II (3)
COMMUNICATION

COLLEGE: ARTS AND SCIENCES
SCHOOL: NONE
DEGREE: BACHELOR OF ARTS
OPTIONS/TRACKS: INDIVIDUAL PROGRAM, HONORS PROGRAM

LIMITED ACCESS PROGRAM: NO

CAMPUS(ES) WHERE OFFERED/CONTACT:
TAMPA only / Coordinator of Advising, Arts and Sciences, (813) 974-2503

- Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF (State Mandated Common Prerequisites)
Students must complete SPC 2600, Public Speaking, before being admitted the Communication major. A student can be admitted to the University without SPC 2600, but it must be completed as part of requirements for the major. A grade of "C" is the minimum acceptable grade.

- Admission Requirements to the University Program of Study
Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

- Requirements for the Major in Communication
A major in Communication requires a minimum of 36 credit hours from departmental offerings. A final grade of "D" within a departmental course will not be counted toward a Communication major. Courses may not be taken S/U where a grade option exists. The requirements for the Communication major are:

I. Prerequisites (3 hours)
This course is a prerequisite for declaring the communication major.

   SPC 2600 Public Speaking (3)

II. Core Distribution Requirements (12 hours)
Students must take each of these four courses as early as possible in the major. These courses are prerequisites for taking many of the more advanced courses in the respective areas.

   COM 2000 Introduction to Communication (3)
   ORI 2000 Introduction to Communication as Performance (3)
   SPC 3301 Interpersonal Communication (3)
   SPC 2541 Persuasion (3)

III. Area of Concentration (9 hours)
Students must take a minimum of nine hours in one of the three areas of concentration.

   Performance Communication
   ORI 3950 Communication as Performance Lab (1-3)
   ORI 4120 Performance of Poetry (3)
   ORI 4310 Group Performance of Literature (3)
   ORI 4931 Performance and Video (3)
   SPC 4201 Oral Tradition (3)

   Interpersonal and Organizational Communication
   COM 3014 Communication, Gender and Identity (3)
   COM 3120 Introduction to Communication Theory in Organizations (3)
   COM 4020 Communicating Illness, Grief, and Loss-6A (3)
   COM 4124 Communication and Organizational Change (3)
   COM 4710 Writing Lives (3)
   COM 4942 Communication Intern Seminar (3)
   SPC 3212 Communication Theory (3)
   SPC 3425 Communication Theory (3)
   SPC 4431 Family Communication (3)
   SPC 4310 Relationships on Film (3)

   Public and Cultural Communication
   COM 4030 Women and Communication (3)
   SPC 3230 Rhetorical Theory (3)
   SPC 3513 Argumentation and Debate (3)
   SPC 3613 Rhetoric of the Sixties (3)
   SPC 3653 Popular Forms of Public Communication (3)
   SPC 3680 Rhetorical Analysis (3)
   SPC 3710 Communication and Cultural Diversity (3)
   SPC 4305 Communicating Emotions 6A (3)
   SPC 4632 Rhetoric of Social Change (3)
   SPC 4680 History and Criticism of Public Address (3)
   SPC 4683 Rhetorical Analysis of Mass Media (3)
   SPC 4714 Communication, Culture and Community (3)

IV. Departmental Electives (12 hours)
Students must take twelve additional hours of elective coursework in the Department of Communication at the 3000-level or higher, which must include at least six hours from outside the student’s “area of concentration.”
Communication Honors Program

The Honors Program in Communication provides an opportunity for exceptional undergraduate students in Communication to work closely with a faculty member in an intensive research experience. Each Honors student is required to complete and defend an undergraduate Honors Thesis. Application to the program ordinarily occurs during the second semester of the junior year or prior to completion of 90 semester hours. Admission to the program is based on the student's overall academic record, performance in communication courses, and recommendations of faculty. To be admitted to the program, a student should have at least a 3.5 GPA in all communication courses and a 3.0 cumulative GPA. Students are required to complete 3 hours of Honors Reading and 3 hours of Honors Thesis. Students interested in the Honors Program should consult the department for further information about admission and program requirements.

- Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
  (State Mandated Common Prerequisites)

  Complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university. If a student wishes to transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, the student must meet the university's entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

  Students should complete the following prerequisite courses listed below at the lower level prior to entering the University. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of 'C' is the minimum acceptable grade.

  The following are transferable courses from the Community College that will be accepted in the Math/Science/Engineering areas:

  **Math**
  - USF CC/C
  - MAC 2281 MAC 2311 Engineering Calculus I (3)
  - MAC 2282 MAC 2312 Engineering Calculus II (3)
  - MAC 2283 MAC 2313 Engineering Calculus III (3)
  - MAP 2302 MAP 2302 Differential Equations (3)

  **Physics**
  - USF CC/C
  - PHY 2048 PHY 2048 General Physics (3)
  - PHY 2048L PHY 2048L General Physics Laboratory (1)
  - PHY 2049 PHY 2049 General Physics (3)
  - PHY 2049L PHY 2049L General Physics Laboratory (1)

  **Science Electives**
  - (6)

- Admission Requirements to the University Program of Study
  This is a limited access program involving special admissions requirements. Please be aware of the immunization, foreign language, continuous enrollment policies of the university, and qualitative standards required.

  **Procedures for Applying to the College of Engineering**

  Students should complete and submit an Engineering Admissions Application to the College of Engineering Advising Office. Freshmen and Sophomores must submit copies of high school transcripts, SAT and ACT test scores to the College of Engineering Advising Office. This is in addition to records requested by the University's Admissions Office. Transfer applicants must furnish transcripts from previously attended institutions to the College of Engineering Advising Office. This is in addition to transcripts sent to the University's Admissions Office.

  Applicants whose native language is other than English must submit TOEFL scores to the College of Engineering. The minimum TOEFL scores must be 550. Credentials must be received in the Engineering Advising Office 30 days prior to the date of applicable term. Failure to comply will result in the application being denied by the College of Engineering. Credentials will be held for one year. If application is not updated within that year, credentials must be re-submitted.

- **Engineering Admissions Requirements**

  Transfer students must have completed the equivalent USF Engineering Calculus sequence with a 2.0 GPA; must have completed one year of equivalent USF General Physics and Chemistry courses with a minimum of 2.0 GPA; must have an overall GPA of 2.0 or better.

  **Bachelor of Science in Computer Science Curriculum**

  - CDA 4100 Computer Organization and Architecture (3)

• Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF

(State Mandated Common Prerequisites)

Students wishing to transfer to USF should complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured. If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

There are no State Mandated Common Prerequisites for this degree program.

Students are encouraged to take the community college Criminology or Criminal Justice programs. Because courses in these programs will not substitute for the USF major requirements listed below, these students should be aware of and look forward to revisiting many of the content areas at the junior and senior levels at USF.

Suggested Electives:
- ACG 2001 Accounting I (3)
- ACG 2011 Accounting II (3)
- AFA 2001 Introduction to the Black Experience (3)
- POS 1001 Introduction to Political Science (3)
- POS 2041 American National Government (3)
- POS 2112 State and Local Government (3)
- PSY 2012 Introduction to Psychology (3)

• Admission Requirements to the University Program of Study

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

• Requirements for the Major in Criminology:

A minimum of 42 semester hours is required of all undergraduate majors in Criminology including the following courses or their equivalents:

- CCJ 3024 Survey of the Criminal Justice System* (3)
- CCJ 3204 Substantive Criminal Law (3)
- CCJ 3610 Theories of Criminal Behavior* (3)
- CCJ 4501 Juvenile Justice System (3)
- CCJ 4934 Seminar in Criminology (3)

* These are gateway courses and must be taken first.

In addition to the above, the student must select and complete the course requirements from within one of the four areas of concentration described below.

1. Generalist:
   - CCJ 3621 Patterns of Criminal Behavior (3)
   - CCJ 3701 Research Methods in Criminal Justice I (3)
   - CCJ 4110 American Law Enforcement Systems (3)
   - CCJ 4273 Criminal Rights and Procedures (3)
   - CCJ 4306 American Correctional Systems (3)
   - CCJ 4700 Statistical Research Methods in Criminal Justice II (3)
   - CCJ 4934 Seminar in Criminology (3)
   - plus a minimum of 9 hours of Criminology electives.

2. Law Enforcement:
   - CCJ 3701 Research Methods in Criminal Justice I (3)
   - CCJ 4700 Statistical Research Methods in Criminal Justice II (3)
   - CCJ 4110 American Law Enforcement Systems (3)
   - CCJ 4273 Criminal Rights and Procedures (3)
   - CCJ 4306 American Correctional Systems (3)
   - CCJ 4450 Criminal Justice Administration (3)
   - CCJ 4511 Police and Juvenile Delinquency (3)
   - CCJ 4940 Internship for Criminal Justice Majors (3)
   - CJT 4100 Criminal Investigation (3)
   - plus a minimum of 3 hours of Criminology electives.

3. Corrections:
   - CCJ 3701 Research Methods in Criminal Justice I (3)

Students may earn up to 6 hours toward their major by successfully completing a Florida Criminal Justice Standards and Training Commission (FCJSTC) approved Basic Recruit Training Academy in Law Enforcement as part of the internship experience within the Law Enforcement area of concentration.
or
CCJ 4700  Statistical Research Methods in Criminal Justice II  (3)
CCJ 1110  American Law Enforcement Systems  (3)
CCJ 4273  Criminal Rights and Procedures  (3)
CCJ 4282  Correctional Law  (3)
CCJ 4316  Correctional Administration  (3)
CCJ 4331  Alternatives to Incarceration  (3)
CCJ 4341  Intervention Techniques and Strategies  (3)
CCJ 4306  American Correctional Systems  (3)
CCJ 4940  Internship for Criminal Justice Majors  (3)

4. Juvenile Justice:

</table>

plus a minimum of 3 hours of Criminology electives.

Note: No more than five (5) hours of CCJ 4900, CCJ 4910 or any combination of the two will be accepted toward the minimum number of hours in the major.

Transfer students should be aware that by University regulation they are obligated to establish academic residency by completing the equivalent of one academic year (30 semester hours) in "on-campus" courses. All undergraduate transfer students electing Criminology as their major will be required, moreover, to take a minimum of 30 credit hours in major coursework at the University of South Florida. These residence requirements are designed to ensure that transfer students who subsequently receive their baccalaureate degree from the University of South Florida with a major in Criminology will have been exposed to the same body of knowledge in their major as those students who complete all or a major portion of their coursework at the University of South Florida.

Any student who receives a grade of "D" or lower in more than one USF CCJ course will be automatically barred from continuing as a Criminology major.
DANCE

COLLEGE : FINE ARTS
SCHOOL : NONE
DEGREE : BACHELOR OF ARTS
OPTIONS/TRACKS : BALLET, MODERN DANCE, DANCE EDUCATION

LIMITED ACCESS PROGRAM : NO

CAMPUS(ES) WHERE OFFERED/CONTACT:
TAMPA only / Coordinator of Advising, Fine Arts, (813) 974-3660

• Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF (State Mandated Common Prerequisites)

Students should complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured from the university advisor listed above. If a student wishes to transfer without an A.A. degree and has fewer than 60 semester hours of acceptable credit, the student must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements. This is a non-limited access program with the above courses recommended.

Students should complete the following prerequisite courses listed below at the lower level prior to entering the University. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of "C" is the minimum acceptable grade. If students are coming to the University from a community college, the following prerequisite courses will be accepted as meeting lower level requirements.

- DAN 1603 Music for Dance or DAN 2610 Music for Dance I
- TPA 2200 Theatrecrafts: Stagecraft or TPA 2223 Theatrecrafts: Costume
- DAA X200-X209 Ballet Techniques, 9 semester hours
- DAA X200-X209 Modern Techniques, 9 semester hours

Although credit toward the major will be given for these courses, placement in upper level technique classes will continue to be based on individual proficiency. Other technique courses in other styles of dance may be accepted toward the major on a case-by-case basis at the discretion of the University.

Students are encouraged to complete the following required courses and/or electives (if available) during the program of study at the community college.

Modern Concentration-Dance Required Courses:
- Modern Dance Technique (12)
- Composition (Designing, Dance Movement, Choreography) (2)
- Basic Stage Lighting (2)
- Dance electives (e.g., jazz, ethnic presented for advisor's evaluation) (2)

Ballet Concentration-Dance Required Courses:
- Ballet Technique (12)
- Composition (Designing, Dance Movement, Choreography) (4)
- Basic Stage Lighting (2)
- Dance electives (e.g., jazz, ethnic presented for advisor's evaluation) (4)

Transfer dance credits must be presented for evaluation by faculty and dance advisor at time of entrance.

• Admission Requirements to the University Program of Study

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

• Requirements for the B.A. Degree

- DAE 4300 Dance Pedagogy: Pre-K and Elementary Methods (3)
- DAE 4942 Internship in Dance (10)
- DAE 4176 Seminar in Dance Education (2)

State mandated common prerequisites
- EDF 1005 Introduction to Education
- EDG 2701 Teaching Diverse Populations
- EME 2040 Introduction to Educational Technologies

The above courses are required for Dance Education
EARLY CHILDHOOD EDUCATION (For certification Age 3 through Grade 3)

COLLEGE: EDUCATION
SCHOOL: NONE
DEGREE: BACHELOR OF ARTS OR BACHELOR OF SCIENCE
OPTION/TRACK: NONE

LIMITED ACCESS PROGRAM: YES - THIS PROGRAM HAS ADDITIONAL ADMISSION REQUIREMENTS AS STATED BELOW.

CAMPUS(ES) WHERE OFFERED/CONTACT:
TAMPA / Program Director, Undergraduate Advising, Education, (813) 974-2458
St. Petersburg / Advisor, Education (813) 893-9533

• Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
(State Mandated Common Prerequisites)
Complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured.
If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, they must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.
Students must complete the prerequisite courses listed below prior to be admitted to the upper-division major. Students who do not complete these prerequisites can be admitted to the University, but not to the upper-division major. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.
- EDF 1005 Introduction to Education
- EDG 2701 Teaching Diverse Populations
- EME 2040 Introduction to Educational Technology
(Equivalent course or demonstrated competency may be substituted)

Students should also complete 15 hours beyond those taken to meet General Education Requirements from the following liberal arts and sciences areas: a) fine arts or humanities; b) political sciences, sociology, economics, cultural geography, or speech; c) mathematics; d) natural sciences; and/or e) psychology. Among these 15 hours must be included one course in mathematics. At least one course taken to meet the natural science requirement in General Education must include a laboratory component.

• Admission Requirements to the University Program of Study
Please be aware of the immunization, foreign language, and continuous enrollment policies of the university, and qualitative standards required.
Admission will require an overall GPA of 2.5 with a minimum score of 960 on the SAT (840 if taken before April 1, 1995) or 20 on the ACT. However, an overall 2.25 GPA will be acceptable with a minimum score of 1030 on the SAT (940 if taken before April 1, 1995) or 22 on the ACT. Official grade forgiveness will be used as appropriate. Students must have passed all sections of CLAST.
Professional education courses taken at the community college will transfer as general electives.
Introduction/General Psychology and Sociology are recommended.

• Requirements for the B.S. Degree
Professional Education (28-30):
- EDF 4111 Child Growth and Development (3)

- Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
  (State Mandated Common Prerequisites)
  Students should complete the following prerequisite courses listed below at the lower level prior to entering the University. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of "C" is the minimum acceptable grade.

  ECO X013 Economic Principles II (Macroeconomics) and
  ECO X023 Economic Principles I (Microeconomics)
  or
  ECO XXXX Any level economics course, 3 semester hours, and
  ECO XXXX Any level economics course, 3 semester hours

- Admission Requirements to the University Program of Study
  Please be aware of the immunization, foreign language, and continuous enrollment policies of the university.

- Requirements for the Major in Economics
  A student may earn a Bachelor of Arts degree with a major in Economics by satisfactorily completing 33 credits in Economics in addition to college requirements. The 33 credits must include at least:

  ECO 2013 Economic Principles: Macroeconomics (3)
  ECO 2023 Economic Principles: Microeconomics (3)
  ECO 3101 Intermediate Price Theory (3)
  ECO 3203 Intermediate Income & Monetary Analysis (3)
  ECO 4935 Economic Statistics (3)
  or QMB 3200 Business and Economics Statistics II (3)
  Economics electives numbered 3000 or higher (18)

  ECO 3100, Managerial Economics, may be substituted for ECO 3101. Either ECO 1000 (if taken before both ECO 2013 and ECO 2023) or QMB 2150 (if taken as a prerequisite to QMB 3200) may be substituted for a maximum of 3 hours of upper level elective credit. Students must obtain a grade of "C" or higher in ECO 3101 or ECO 3100 in order to enroll in any course for which ECO 3101, ECO 3100 or ECO 3203 is a prerequisite. At least 9 of the 15 hours of upper level economics electives must be in courses for which either ECO 3101, ECO 3100 or ECO 3203 is a prerequisite. No more than 3 hours credit can be applied toward a major from ECO 4905 and/or ECO 4914. At least 12 hours must be taken in residence at USF. Grades of "C" or better in ECO 2013 and ECO 2023 are required for graduation with a major in Economics. Economics majors working at the regional campuses cannot expect to fulfill all economics course requirements at these campuses.
ECONOMICS

COLLEGE : BUSINESS ADMINISTRATION
SCHOOL : NONE
DEGREE : BACHELOR OF ARTS, BACHELOR OF SCIENCE
OPTION/TRACK : NONE

LIMITED ACCESS PROGRAM: YES-THIS PROGRAM HAS ADDITIONAL ADMISSION REQUIREMENTS AS STATED BELOW.

CAMPUS(ES) WHERE OFFERED/CONTACT:
- TAMPA / Coordinator of Advising, Business Administration, (813) 974-4290
- LAKELAND (Partial) / Advisor, Business Administration, (941) 667-7011
- SARASOTA (Partial) / Advisor, Business Administration, (813) 359-4331
- ST. PETERSBURG (Partial) / Advisor, Business Administration, (813) 893-9542

• Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
  (State Mandated Common Prerequisites)
  A student wishing to transfer to USF should complete the A.A. degree at a Florida community/junior college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured. If a student transfers without an A.A. degree and has fewer than 60 semester hours of acceptable credit, a student must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements. Students should not take finance, management, or marketing courses at the community college which are offered at the upper division level at USF. Such courses are not accepted as substitutes for upper-level requirements without proper validation after enrolling in the College of Business Administration. without validation, such courses transfer as elective credits.

  ACG X021 Financial Accounting or ACG X001 and ACG X011
  ACG X071 Managerial Accounting I
  CGS X100 Computers for Business
  ECO X013 Economic Principles (Macroeconomics)
  ECO X023 Economic Principles (Microeconomics)
  MAC X233 Calculus for Business
  STA X023 Introductory Statistics I or QMB X100

• Admission Requirements to the University Program of Study
  Please be aware of the immunization, foreign language, and continuous enrollment policies of the university, and qualitative standards required.

To be admitted to the College of Business Administration, the student must first be accepted to the University of South Florida. Additionally, students must have completed a minimum of 60 semester hours, earned a 2.5 all-college grade point ratio, and completed the above courses with a 2.0 GPA, no grade lower than a "C" and a 2.0 GPA on all work attempted at USF, including any credit prior to salvage. Students meeting all other requirements and with a cumulative grade point average between 2.3 and .5 may apply to the College of Business, and will be considered on a case by case basis. Students working toward meeting the limited access criteria and who have completed 60 hours may be permitted to enroll in selected upper division courses.

PROGRAM OF STUDY AT THE UNIVERSITY
The Foundation Courses common to all majors in business consists of the 18 hours of prerequisites plus the following (three-hour) courses:

- BUL 3320 Law and Business I (3)
- ECO 3100 Managerial Economics (3)
- FIN 3403 Principles of Finance (3)
- QMB 3200 Business and Economics Statistics II (3)
- MAN 3025 Principles of Management (3)
- MKT 3023 Basic Marketing (3)
- ISM 3431 Management Science POM (3)
- GEB 4890 Business Policy (3)

Students must complete a minimum of 18 hours of upper-level economics beyond the business core requirements. Students must obtain a grade of "C" or higher in ECO 3100 Managerial Economics or ECO 3101 Intermediate Price Theory, in order to enroll in any course for which ECO 3100, ECO 3101 or ECO 3203 is a prerequisite. No more than 3 hours credit can be applied toward a major from ECO 4905 and/or ECO 4914. At least 12 hours must be taken in residence at USF. Grades of "C" or better in ECO 2013 and ECO 2023 are required for graduation with a major in Economics.

Required Economics Courses:
- ECO 3203 Intermediate Income and Monetary Analysis (3)

At least 9 hours must be in courses for which ECO 3100, ECO 3101 or ECO 3203 is a prerequisite.

Sufficient additional business courses outside the student’s major are required for a minimum total of 60 hours of business courses. A minimum of 54 hours of non-business courses, including calculus, speech communication, and advanced writing are required. The remaining electives for the 120-hour graduation requirement may be taken in business or non-business areas, but must include one course covering contemporary international issues.
ELECTRICAL ENGINEERING

COLLEGE: ENGINEERING
SCHOOL: NONE
DEGREE: BACHELOR OF SCIENCE IN ELECTRICAL ENGINEERING
OPTION/TRACK: NONE

LIMITED ACCESS PROGRAM: YES-THIS PROGRAM HAS ADDITIONAL ADMISSIONS REQUIREMENTS AS STATED BELOW.

CAMPUS(ES) WHERE OFFERED/CONTACT:
- TAMPA / Coordinator of Advising, Engineering, (813) 974-2684
- LAKELAND (Partial) / Advisor, Engineering, (941) 667-7011
- SARASOTA (Partial) / Advisor, Engineering, (813) 359-4331

- Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF (State Mandated Common Prerequisites)
  Complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university. If a student wishes to transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, the student must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

  The following are transferable courses from the Community College that will be accepted in the Math/Science/Engineering areas:

  **Math**
  - USF C/C: MAC 2281 MAC 2311 Engineering Calculus I (3)
  - USF C/C: MAC 2282 MAC 2312 Engineering Calculus II (3)
  - USF C/C: MAC 2283 MAC 2313 Engineering Calculus III (3)
  - USF C/C: MAP 2302 MAP 2302 Differential Equations (3)

  **Chemistry**
  - USF C/C: CHM 2041 CHM 1045 General Chemistry I (3)
  - USF C/C: CHM 2045L CHM 1045L General Chemistry I Laboratory (1)
  - USF C/C: CHM 2046 CHM 1046 General Chemistry II (3)

  **Physics**
  - USF C/C: PHY 2048 PHY 2048 General Physics (3)
  - USF C/C: PHY 2048L PHY 2048L General Physics Laboratory (1)
  - USF C/C: PHY 2049 PHY 2049 General Physics (3)
  - USF C/C: PHY 2049L PHY 2049L General Physics Laboratory (1)

- Admissions Requirements to the University Program of Study
  This is a limited access program involving special admissions requirements. Please be aware of the immunization, foreign language, continuous enrollment policies of the university, and qualitative standards required.

- Procedures for Applying to the College of Engineering
  Students should complete and submit an Engineering Admissions Application to the College of Engineering Advising Office. Freshmen and Sophomores must submit copies of high school transcripts, SAT and ACT test scores to the College of Engineering, Advising Office. This is in addition to records requested by the University’s Admissions Office. Transfer applicants must furnish transcripts from previously attended institutions to the College of Engineering, Advising Office. This is in addition to transcripts sent to the University’s Admissions Office. Applicants whose native language is other than English must submit TOEFL scores to the College of Engineering. The minimum TOEFL scores must be 550. Credentials must be received in the Engineering Advising Office 30 days prior to the date of applicable term. Failure to comply will result in the application being denied by the College of Engineering. Credentials will be held for one year. If application is not updated within that year, credentials must be re-submitted.

- Engineering Admissions Requirements
  Transfer students must have completed the equivalent USF Engineering Calculus sequence with a 2.0 GPA; must have completed one year of equivalent USF General Physics and Chemistry courses with a minimum of 2.0 GPA; must have an overall GPA of 2.0 or better.

- Bachelor’s Curriculum - Electrical Engineering
  - CHM 2041 General Chemistry I (3)
  - CHM 2045L General Chemistry Lab (1)
  - CHM 2046 General Chemistry II (3)
  - EEL 3100 Network Analysis & Design (3)

ELEMENTARY EDUCATION

COLLEGE: EDUCATION
SCHOOL: NONE
DEGREE: BACHELOR OF ARTS OR BACHELOR OF SCIENCE
OPTION/TRACK: NONE

LIMITED ACCESS PROGRAM: YES - THIS PROGRAM HAS ADDITIONAL ADMISSION REQUIREMENTS AS STATED BELOW.

CAMPUS(ES) WHERE OFFERED/CONTACT:
TAMPA / Program Director, Undergraduate Advising, Education, (813) 974-2458
LAKELAND / Advisor, Education, (941) 667-7011
SARASOTA / Advisor, Education, (941) 359-4331
ST. PETERSBURG / Advisor, Education, (813) 893-9533

• Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
(State Mandated Common Prerequisites)

Complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured.

If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, they must meet the university's entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

Students must complete the prerequisite courses listed below prior to be admitted to the upper-division major. Students who do not complete these prerequisites can be admitted to the University, but not to the upper-division major. Unless stated otherwise, a grade of "C" is the minimum acceptable grade.

EDF 1005 Introduction to Education
EDG 2701 Teaching Diverse Populations
EME 2040 Introduction to Educational Technology

(Equivalent course or demonstrated competency may be substituted)

Students should also complete 15 hours beyond those taken to meet General Education Requirements from the following liberal arts and sciences areas: a) fine arts or humanities; b) political sciences, sociology, economics, cultural geography, or speech; c) mathematics; d) natural sciences; and/or e) psychology. Among these 15 hours must be included one course in mathematics. At least one course taken to meet the natural science requirements in General Education must include a laboratory component.

• Admission Requirements to the University Program of Study

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university, and qualitative standards required.

Admission will require an overall GPA of 2.5 with a minimum score of 960 on the SAT (840 if taken before April 1, 1995) or 20 on the ACT. However, an overall 2.25 GPA will be acceptable with a minimum score of 1030 on the SAT (940 if taken before April 1, 1995) or 22 on the ACT.

Official grade forgiveness will be used as appropriate. Students must have passed all sections of CLAST.

Professional education courses taken at the community college will transfer as general electives.

American History and American National Government are recommended.

• Requirements for the B.S. Degree

Professional Education Core (26-30 credit hours)

The required courses in the professional education core are as follows:

EDF 3122 Learning and the Developing Child (4)
EDF 3604 Social Foundations of Education (3)
EDG 4620 Curriculum and Instruction (3)
EDF 4430 Measurement for Teachers (3)
EEX 4070 Exceptional Student Ed (2)
Internship and Seminar (10-12)
ESOL Course (1-3)

The Elementary program also includes the following methods course in the Professional Education requirements:

EDE 4301 Teaching Methods in the Elementary School (3)

The major consists of 32 semester hours of elementary specialization courses as follows:

ARE 4313 Art for the Child and You (3)
HLP 4722 Health & Physical Education for the Child (3)
LAE 4314 Language Arts for the Child (3)
LAE 4414* Literature for the Child (3)
MAE 4310 Teaching Elementary School Mathematics I (3)
MAE 4326 Teaching Elementary School Mathematics II (2)
MUE 4210 Music for the Child (3)
RED 4310 Early Literacy Learning (3)
RED 4511 Literacy in Intermediate and Middle Grades (3)
SCE 4310 Teaching Elementary School Science (3)
SSE 4313 Teaching Elementary School Social Studies (3)

Students are advised that the Elementary Education specialization will require an enrollment of more than the traditional four semesters of the junior and senior years in order to complete the program specialization courses and the required sequence of internship.

*Approved Liberal Arts Exit Requirement

- Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF (State Mandated Common Prerequisites)

Students wishing to transfer to USF should complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured. If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

The transfer student should also be aware of the immunization, foreign language, and continuous enrollment policies of the university.

Students should complete the following prerequisite courses listed below at the lower level prior to entering the University. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

ENC 1101 Freshman English I
ENC 1102 Freshman English II
or
Six semester hours earned in courses taught in the English Department, each with 6,000 words of evaluated writing for a total of 12,000 words.

Suggested electives:
AMH 2010 American History I (3)
AMH 2020 American History II (3)
EUH 2021 Medieval History I (3)
EUH 2022 Medieval History II (3)

- Admission Requirements to the University Program of Study

Please be aware of the immunization, foreign language, and continuous enrollment policies of the University. This is a non-limited access program with the above courses recommended.

- Requirements for the Major in English:

The program in English provides options in English and American literature, creative writing, and professional and technical writing. The literature option covers the major periods of English and American literature. The creative writing option includes training in writing and coverage of English and American literature. The professional and technical writing option combines the study of English and American literature with an introduction to writing found in the professional workplace. The English Education program is described under the section for the College of Education. Major requirements for English majors are listed below. A grade of “D” will not be counted toward fulfilling the major requirements. Students may not use more than one Directed Study toward meeting the major requirements.

OPTION I: English and American Literature.
Twelve courses (36 hrs.) as follows:
Both of the following:
AML 3031 American Literature to 1860 (3)
AML 3032 American Literature 1860-1912 (3)

Four of the following:
ENL 3015 British Literature to 1616 (3)
ENL 3230 British Literature 1616-1780 (3)
ENL 3251 British Literature 1780-1900 (3)
ENL 3273 British Literature 1900-1945 (3)
ENL 3331 Early Shakespeare (3)
or
ENL 3332 Late Shakespeare (3)

Five of the following, at least two of which must be at the 4000 level:
AML 3051 American Literature 1912-1945 (3)
AML 3504 African American Literature (3)
AML 4111 Nineteenth Century American Novel (3)
AML 4121 Twentieth Century American Novel (3)
AML 4261 Literature of the South (3)
AML 4330 Selected American Authors (3)
ENG 4060 History of the English Language (3)
ENL 3015 British Literature to 1616 (3)
ENL 3230 British Literature 1616-1780 (3)
ENL 3251 British Literature 1780-1900 (3)
ENL 3273 British Literature 1900-1945 (3)
ENL 3331 Early Shakespeare (3)
ENL 3332 Late Shakespeare (3)
ENL 4122 British Novel Through Hardy (3)
ENL 4132 British Novel: Conrad to the Present (3)
ENL 4171 History of British Drama to 1912 (3)
ENL 4303 Selected Authors (3)
ENL 4311 Chaucer (3)
ENL 4338 Advanced Studies in Shakespeare (3)
ENL 4341 Milton (3)
LIN 4671 Traditional English Grammar (3)
LIN 4680 Structure of American English (3)
LIT 3022 Modern Short Novel (3)
LIT 3043 Modern Drama (3)
LIT 3073 Contemporary Literature (3)
LIT 3101 Literature of the Western World Through the Renaissance (3)
LIT 3102 Literature of the Western World Since the Renaissance (3)
LIT 3144 Modern European Novel (3)
LIT 3301 Cultural Studies and the Popular Arts (3)
LIT 3374 The Bible as Literature (3)
LIT 3410 Religious and Existential Themes (3)
LIT 3700 Survey of Poetry (3)
LIT 4011 Theory of Fiction (3)
LIT 4930 Selected Topics in English Studies (3)

**OPTION II: Creative Writing.**

This option is designed for aspiring writers of fiction or poetry. In addition to giving credit for writing through a variety of course offerings, it provides information about procedures for publishing.

**Writing requirements:**
- CRW 3112 Fiction I (3)  
- CRW 3312 Poetry I (3)  
- CRW 3121 Fiction II (3)  
- CRW 3321 Poetry II (3)  
- CRW 4120 Fiction III (3)  
- CRW 4320 Poetry III (3)  
- CRW 4930

Note: CRW 3111 must be taken before any other courses in the Fiction series, and CRW 3311 must be taken before any other courses in the Poetry series.

**Literature requirements:**
The student must select six Literature courses from those listed in Option I. Two courses must be from Group 1, two more from Group 2, and two more from Group #.

**OPTION III: Professional and Technical Writing.**

This 36-hour program allows undergraduates to concentrate their studies in professional writing, wherein they will master special writing skills demanded by industry, business, government, and the professions. Semester-long internships may be arranged by the English Department with local businesses, industries, and professional organizations. Interns will earn three credit hours and, in some cases, receive compensation for their duties.

Students choosing this concentration will also assure themselves of a core of liberal arts studies since they must take 21 credit hours of literature courses in addition to 15 hours of composition courses.

**Composition requirements:**
- CRW 2100 Narration and Description (3)  
- ENC 2210 Technical Writing (3)  
- ENC 3213 Professional Writing (3)  
- ENC 3310 Expository Writing (3)  
- ENC 4260 Advanced Technical Writing (3)  
- ENC 4311 Advanced Composition (3)  
- ENC 4931 Selected Topics in Professional and Technical Writing (3)  

**Literature requirements:**
The student must select seven literature courses from those listed in OPTION I as follows: Two courses from group "1," four courses from group "2," and one course from group "3."

Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF (State Mandated Common Prerequisites)

Complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured.

If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, they must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

Students must complete the prerequisite courses listed below prior to being admitted to the upper-division major. Students who do not complete these prerequisites cannot be admitted to the University, but not to the upper-division major. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

EDF 1005 Introduction to Education
EDG 2701 Teaching Diverse Populations
EME 2040 Introduction to Educational Technology
SPC X600 Public Speaking
Literature Course, 3 semester hours

( equivalent course or demonstrated competency may be substituted)

Students should also complete 9 semester hours in lower level English electives. These prerequisite courses, however, are not required for admission to the upper-level major. If these courses are not taken at the community college, they must be completed before the degree is granted.

At least one course taken to meet the natural science requirements in General Education must include a laboratory component.

Admission Requirements to the University Program of Study

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university, and qualitative standards required. Admission will require an overall GPA of 2.5 with a minimum score of 960 on the SAT (840 if taken before April 1, 1995) or 20 on the ACT. However, an overall 2.25 GPA will be acceptable with a minimum score of 1030 on the SAT (940 if taken before April 1, 1995) or 22 on the ACT. Official grade forgiveness will be used as appropriate. Students must have passed all sections of CLAST.

Professional education courses taken at the community college will transfer as general electives.

Requirements for the B.S. Degree

Professional Education Core (25-29 credit hours)
The required courses in the professional education core are as follows:

EDF 3214 Human Development and Learning  (3)
EDF 3604 Social Foundations of Education  (3)
EDF 3542 Philosophy of Education  (4)
EDG 4620 Curriculum and Instruction  (3)
EDF 4430 Measurement for Teachers  (3)
EEX 4070 Exceptional Student Ed  (2)
Internship and Seminar  (10-12)
ESOL Course  (1-3)

ENGLISH:
A minimum of 39 semester hours, including:
ENC 3310 Expository Writing  (3)
One of the following:
LIT 3101 Great Literature of the World  (3)
WST 4263 Third World Women Writers  (3)
Two of the following:

Tampa only/Program Advisor, Dr. Ingrid Bartsch - Program Office (813) 974-2739

- Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
  (State Mandated Common Prerequisites)
  Students wishing to transfer to USF should complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured. If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, the students must meet the university's entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

  There are no State Mandated Common Prerequisites for this degree program.

  The transfer student should also be aware of the immunization, foreign language, and continuous enrollment policies of the university. Students should complete the following prerequisite courses listed below at the lower level prior to entering the University. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of "C" is the minimum acceptable grade.

  For Science Concentration only:
  MAC 2233 & MAC 2234 Elementary Calculus (4)
  or
  MAC 2281 & MAC 2282 Engineering Calculus (4)
  or
  MAC 2311 & MAC 2312 Calculus (3)
  and
  BSC 2010, 2010L & BSC 2011, 2011L Biology I and II with Lab (8)
  and
  CHM 2041 & CHM 2045L General Chemistry with Lab (4)
  CHM 2046 & CHM 2046L General Chemistry II with Lab (4)
  plus
  STA 2023 Statistics (3)
  One approved Geology or Physics Course with Lab (4)

  For Policy Concentration:
  BSC 2010, 2010L & BSC 2011, 2011L Biology I and II with Lab (8)
  CHM 2041 & CHM 2045L General Chemistry with Lab (4)
  CHM 20446 & CHM 2046L General Chemistry II with Lab (4)
  plus
  STA 2023 Statistics (3)
  1 Approved Geology or Physics course with Lab (4)

- Admission Requirements to the University Program of Study
  Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

- Requirements for the Major in Environmental Science and Policy
  All students majoring in Environmental Science and Policy are required to see the advisor each semester prior to registration for the following term. The availability of elective courses that can be applied to the major changes regularly and all such courses must be approved by the program advisor.

CORE REQUIREMENTS FOR ALL MAJORS (41 hours)

All of the following:
- BSC 2010C Biology I - Cellular Processes (3)
- BSC 2011C Biology II - Diversity (3)
- CHM 2041 General Chemistry I (3)
- CHM 2045L General Chemistry I Laboratory (3)
- CHM 2046 General Chemistry II (3)
- CHM 2046L General Chemistry II Laboratory (3)
- EVR 2001 Introduction to Environmental Science (3)
- EVR 2001L Environmental Science Laboratory (3)
- EVR 2881 Introduction to Environmental Policy (3)
- EVR 4921 Environmental Science and Policy Seminar (3)
- PHI 3640 Environmental Ethics (3)
- PUP 4201 Environmental Policy (3)
  one approved statistics course
  one approved geology or physics course with lab.
- EVR 4910 Environmental Science and Policy Project (3)
  or
- EVR 4940 Environmental Science Internship (3)

Select either the Science or the Policy track.
Science (18-24 hours)
- MAC 2233 and MAC 2234 Elementary Calculus I and II (6)
- or
- MAC 2281 and MAC 2282 Engineering Calculus I and II (6)
- or
- MAC 2311 and MAC 2312 Calculus I and II (6)

Plus 4 approved science/engineering electives: only one of which may be an introductory course and 3 must be selected from within one of these areas - earth science, life science, or physical science.

Policy (18-22 hours)
- ECO 3302 Environmental Economics (3)
- and
- POS 3697 Environmental Law (3)

Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
(State Mandated Common Prerequisites)
A student wishing to transfer to USF should complete the A.A. degree at a Florida community/junior college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university prior to transfer. If a student transfers without an A.A. degree and has fewer than 60 semester hours of acceptable credit, a student must meet the university's entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

ACG X021 Financial Accounting or ACG X001 and ACG X011
ACG X071 Managerial Accounting I
CGS X100 Computers for Business
ECO X013 Economic Principles (Macroeconomics)
ECO X023 Economic Principles (Microeconomics)
MAC X233 Calculus for Business
STA X023 Introductory Statistics I or QMB X100

Students should not take finance, management, or marketing courses at the community college which are offered at the upper division level at USF. Such courses are not accepted as substitutes for upper-level requirements without proper validation after enrolling in the College of Business Administration. Without validation, such courses transfer as elective credits.

Admission Requirements to the University Program of Study
Please be aware of the immunization, foreign language, and continuous enrollment policies of the university, and qualitative standards required. To be admitted to the College of Business Administration upper division major, a student must first be accepted to the university. Additionally, a student must have completed a minimum of 60 semester hours, earned a 2.5 all-college grade point ratio, and completed the prerequisite courses below with a 2.0 GPA, no grade lower than a "C" and a 2.0 GPA in all work attempted at USF, including any credit prior to salvage. Students meeting all other requirements and with a cumulative grade point average between 2.3 and 2.5 may apply to the College of Business, and will be considered on a case by case basis. A student working toward meeting the limited access criteria and who has completed 60 hours may be permitted to enroll in selected upper division courses.

PROGRAM OF STUDY AT THE UNIVERSITY
The Foundation Courses common to all majors in business consist of the 18 hours of prerequisites plus the following (three-hour) courses:
BUL 3320 Law and Business I (3)
ECO 3100 Managerial Economics (3)
FIN 3403 Principles of Finance (3)
OMB 3200 Business and Economic Statistics II (3)
MAN 3025 Principles of Management (3)
MKT 3023 Basic Marketing (3)
ISM 3431 Management Science POM (3)
GEB 4890 Business Policy (3)

Students must complete a minimum of 18 hours of upper-level finance courses beyond FIN 3403.

Required Finance Courses:
FIN 4303 Financial Institutions and Markets (3)
FIN 4414 Advanced Corporation Finance (3)
FIN 4504 Principles of Investments (3)
Additional upper level Finance electives (9-15)
Total (18-24)

Finance electives may be selected from among those 3000 and 4000-level classes which have FIN, REE, and RMI prefixes. At least two electives must have an FIN prefix. The following electives Finance tracks are recommended for students with specific interests in the following areas: Corporate Financial Management, Management of Financial Institutions, Investments, Financial services.

Sufficient additional business courses outside the student's major are required for a minimum total of 60 hours of business courses. A minimum of 54 hours of non-business courses, including calculus, speech communication, and advanced writing are required. The remaining electives for the 120-hour graduation requirement may be taken in business or non-business areas, but must include one course covering contemporary international issues.

  Complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured.
  If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, they must meet the university's entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.
  Students must complete the prerequisite courses listed below prior to be admitted to the upper-division major. Students who do not complete these prerequisites can be admitted to the University, but not to the upper-division major. Unless stated otherwise, a grade of "C" is the minimum acceptable grade.
    EDF 1005 Introduction to Education
    EDG 2701 Teaching Diverse Populations
    EME 2040 Introduction to Educational Technology
    (Equivalent course or demonstrated competency may be substituted)

In addition, fifteen semester hours must come from the following areas: courses in elementary and intermediate grammar, composition and advanced conversation; culture and civilization in the target language.
At least one course taken to meet the natural science requirements in General Education must include a laboratory component.

- Admission Requirements to the University Program of Study
  Please be aware of the immunization, foreign language, and continuous enrollment policies of the university, and qualitative standards required.
  Admission will require an overall GPA of 2.5 with a minimum score of 960 on the SAT (840 if taken before April 1, 1995) or 20 on the ACT. However, an overall 2.25 GPA will be acceptable with a minimum score of 1030 on the SAT (940 if taken before April 1, 1995) or 22 on the ACT. Official grade forgiveness will be used as appropriate. Students must have passed all sections of CLAST.
  Professional education courses taken at the community college will transfer as general electives.

- Requirements for the B.S. Degree
  Professional Education Core (24-27 credit hours)
  The required courses in the professional education core are as follows:
  EDF 3214 Human Development and Learning (3)
  or
  EDF 3542 Philosophy of Education (4)
  EDG 4620 Curriculum and Instruction (3)
  EDF 4430 Measurement for Teachers (3)
  EEX 4070 Exceptional Student Ed (2)
  Internship and Seminar (10-12)

  A minimum of 27 credit hours beyond intermediate course requirements must be earned in the foreign language. Programs are available for Spanish (FLS), French (FLF) and German (FLG), Italian (FLI) and Russian (FLR).

  Foreign language
  grammar, conversation, composition (9)
  literature (6)
  culture and civilization (6)
  linguistics (3)
  language elective (3)

  Foreign Language Education
  9 credit hours in methods of teaching a language at the elementary and secondary levels, including a practicum.

  Fall Term:
  FLE 4314 Foreign Language Teaching in the Elementary School (3)

  Spring Term:
  FLE 4333 Foreign Language Teaching in the Secondary School (3)
  FLE 4370 Practicum in Foreign Language Teaching in the Secondary School (3)

- AMIH 2020 American History II
- World Civilization I, II (EUH Courses)
- POS 2041 National Government
- POS 2112 State and Local Government
- GLY 2100 Geology
- BOT 2010 Botany
- ANT 2000 Anthropology

• Admission Requirements to the University Program of Study

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

• Requirements for the Major in Geography

A major in geography consists of 37 credit hours as follows:

Required core courses (21 credit hours):

- GEO 3013 Introduction to Physical Geography (4)
- GEO 3402 Human Geography (4)
- GEO 4100C Cartography (4)
- GEO 4114C Geographic Techniques and Methodology (4)

or

- GEO 4164 Quantitative Methods (4)

GEO 4933 Geography Colloquium (1)

Plus one course with a GEA prefix (4)

Supporting Courses (16 credit hours): Students may select Option 1 (Environmental), Option 2 (Urban), or Option 3 (General).

Option 1: Environmental Studies

In addition to required Geography core courses, students in Option 1 select:

Required:

- GEO 4372 Global Conservation (4)

Two of the following (8 credit hours):

- GEO 4201C Advanced Physical Geography (4)
- GEO 4210C Process Geomorphology (4)
- GEO 4280C Hydrology (4)
- GEO 4340 Human Response to Natural Hazards (4)
- MET 4002 Climatology (4)
- MET 4010C Meteorology (4)

Any additional 4 credit hours in Geography excluding:

- GEO 1930 Geography of Current Events
- GEO 3901 Elements of Geography
- GEO 3931C Selected Topics

Continued
Option 2: Urban Studies
In addition to required Geography core courses, students in Option 2 select:
Required:
GEO 3602 Urban Geography (4)

Two of the following (8 credit hours):
GEO 4470 Political Geography (4)
GEO 4502 Economic Geography (4)
GEO 4604 Advanced Urban Geography (4)
GEO 4700 Transportation Geography (4)
URP 4052 Urban and Regional Planning (4)

Any additional 4 credit hours in Geography excluding:
GEO 1930 Geography of Current Events
GEO 3901 Elements of Geography
GEO 3931C Selected Topics
GEO 4900 Directed Reading
GEO 4910 Individual Research

Option 3: General Geography
In addition to required Geography core courses, students in Option 3 select:
One of the following (4 credit hours):
GEO 4210 Process Geomorphology (4)
GEO 4280C Hydrology (4)
MET 4002 Climatology (4)
MET 4010C Meteorology (4)

One of the following (4 credit hours):
GEO 3602 Urban Geography (4)
GEO 4421 Cultural Geography (4)
GEO 4460 Historical Geography (4)
GEO 4470 Political Geography (4)
GEO 4502 Economic Geography (4)
GEO 4604 Advanced Urban Geography (4)
GEO 4700 Transportation Geography (4)

Any additional 8 credit hours in Geography excluding:

CAMPUS(ES) WHERE OFFERED/CONTACT:
TAMPA only / Eleanor Snow, Department of Geology, SCA 203, 974-0319

- Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
(State Mandated Common Prerequisites)

Students wishing to transfer to USF should complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured. If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements. Students should complete the following prerequisite courses listed below at the lower level prior to entering the University. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

CHM 1045/1045L General Chemistry I (with lab) or CHM 1040 & CHM 1041 or CHM 1045C or CHM 1045E
CHM 1046/1046L General Chemistry II (with lab) or CHM 1046C or CHM 1046E
GLY 2010C Introduction to Physical Geology
GLY 2100 History of the Earth and Life or other GLY course
MAC 2311 Calculus I
PHY 2048C General Physics and Laboratory I or PHY 2048/2048L
PHY 2049C General Physics and Laboratory II or PHY 2049/2049L
PHY 2053C Physics
PHY 2054C Physics

The choice physics sequence depends on the area of geology specialization.

- Admission Requirements to the University Program of Study

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

- Requirements for the Major in Geology (B.S.)

Liberal Arts Requirements
The student is required to complete the University's Liberal Arts Requirements.

Free Electives 19-25 sem. hrs.
The student will choose, in consultation with his/her Geology adviser, such courses in the natural sciences that support his/her major interest in the field of geology. Courses in computer programming and additional mathematics are of particular value. Those students who anticipate continuing for a doctorate in graduate school are encouraged to take a foreign language, preferably French, German, or Russian. All geology majors are strongly urged to take a course in technical writing.

All entering students anticipating a major in Geology are advised to enroll in:

• Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
(State Mandated Common Prerequisites)
Students wishing to transfer to USF should complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured. If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

For those seeking the Bachelor of Science degree, students complete the prerequisite courses listed below prior to being admitted to the upper-division major. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

ACG X021 Financial Accounting or ACG X001
ACG X071 Managerial Accounting or ACG X011 or ACG X630
CSG X000 Computers in Business or EME X402, COC X317, CSG X101, X361, X001, or X060

For those seeking the Bachelor of Arts degree, students should complete STA X122 (Social Science Statistics) at the lower level prior to entering the University. If this course is not taken at the community college, it must be completed before the degree is granted. A grade of “C” is the minimum acceptable grade. Acceptable substitutes for STA X122 are: QMB 2150 or QMB X100, STA 2022, X013, X014, X040, X023, or X024. There are no other common prerequisites for the Gerontology program leading to the Bachelor of Arts degree.

• Admission Requirements to the University Program of Study
Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

• Requirements for the Major in Gerontology (B.A.)
The Bachelor of Arts Degree in Gerontology entails 37 semester hours of required course work. In this program the course of study is intended to provide students with a liberal education in gerontology and some exposure to the various career opportunities in the field of aging. This degree is especially appropriate for students who plan to pursue graduate or professional work in gerontology, or some other field, or who plan to work with older adults in careers other than Nursing Home Administration.

Required Courses:

GEY 3000 Introduction to Gerontology (3)
GEY 3601 Behavior Changes in Later Life (3)
GEY 3625 Sociocultural Aspects of Aging (3)
GEY 4327 Long-Term Care Administration I (3)
GEY 4360 Gerontological Counseling (3)
GEY 4401 Research Methods in Gerontology (3)
GEY 4640 Death and Dying (3)
GEY 4935 Special Topics in Gerontology (3)
GEY 4945 Field Placement (6)
HUS 3001 Introduction to Human Services (3)
HUS 4020 The Life Cycle (4)

A required prerequisite is STA 2122 Social Science Statistics.

B.A. students may, upon approval of the departmental advisor, arrange to complete the B.A. internship (GEY 4945) half-time over two semesters, or to substitute 6 hours of GEY electives for the internship. The departmental advisor will also consider other requests for course substitution as long as the 37 semester hours in Gerontology are attained.

Students interested in either the B.A. or the B.S. option should contact the Department as early as possible in their careers at the University of South Florida.
GERONTOLOGY

no other common prerequisites for the Gerontology program leading to the Bachelor of Arts degree.

• Admission Requirements to the University Program of Study
Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access
program with the above courses recommended.

• Requirements for the Major in Gerontology (B.S.)
The Bachelor of Science Degree in Gerontology is a 39 semester hour specialist degree which, in addition to providing students with a basic
education in gerontology, is intended to prepare them for entry level positions in Nursing Home Administration. It is especially appropriate for
students who intend to begin working immediately following completion of the degree program.

Required courses:

BUL 3320 Law and Business I (3)
GEY 3000 Introduction to Gerontology (3)
GEY 3601 Behavior Changes in Later Life (3)
GEY 4327 Long-Term Care Administration I (3)
GEY 4328 Gerontological Counseling (3)
GEY 4329 Long-Term Care Administration III (3)
GEY 4360 Gerontological Counseling (3)
GEY 4640 Death and Dying (3)
GEY 4945 Field Placement (9)
MAN 3025 Principles of Management (3)
MAN 3240 Organizational Behavioral Analysis (3)
MAN 3301 Human Resource Management (3)

Students also complete the following twelve (12) hours of prerequisites:

ACG 2021 Principles of Financial Accounting (3)
ACG 2071 Principles of Managerial Accounting (3)
CSG 2100 Computers in Business (3)

These courses are intended to reflect educational requirements mandated by the State of Florida and specified in Chapter 21z.11 of the Florida
Administrative Code.

Students in the B.S. program should understand that they will only be allowed to register for the full-time internship (GEY 4945) after successful
completion of all (or all but one) of the required courses in the B.S. major. Because the B.S. internship requires full-time effort, students will be
allowed to take no more than four (4) credits concurrent with the B.S. internship.

The gerontology prerequisite can only be satisfied by a student’s having taken GEY 3000 at this university or its equivalent at another institution.
The prerequisites of accounting can be fulfilled by taking ACG 2021 and ACG 2071 at this university or comparable work at another institution.

Students interested in either the B.A. or the B.S. option should contact the Department as early as possible in their careers at the University
of South Florida.

A minimum of 60 semester hours must be completed at the university unless prior approval is secured. If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements. Students should complete two lower level introductory courses in History prior to entering the University. Students are encouraged to complete the following prerequisites, or major, support, or elective courses if available, during the program of study at the community college, and when feasible in General Education/Gordon Rule courses. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

Western or World Civilization I, II  
American History I, II  
Latin American History I, II  
English - Essay Writing, Foreign Languages, Anthropology, Geography, Economics, Political Science, Philosophy, Literature, Humanities, Sociology, Black Studies.

• Admission Requirements to the University Program of Study

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

• Requirements for the Major in History

A minimum of 32 semester hours is required for a major in history. Twelve hours of 2000 level courses, or their equivalent, constitute the lower level requirements. At least 12 hours of course work must be drawn from the 3000-4000 level in addition to HIS 4104 Theory of History and HIS 4936 Pro-Seminar in History, which constitute the upper level requirements for the degree. A minimum grade of “C” or better must be attained in each course counted for the 32 hours of history.

Grades of “D” or “F” in history coursework will, however, be used in calculating the major GPA unless the course is retaken under the grade forgiveness policy.

It is recommended that history majors take ENC 3310, “Advanced Expository Writing,” SPC 2023, “Fundamentals of Speech Communication,” and LIS 2001, “Information Resources and Library Research,” and additional hours drawn from the following disciplines: Africana Studies, American Studies, Anthropology, Economics, Geography, Government and International Affairs, Psychology, Philosophy, Sociology, Women’s Studies, Literature, the Humanities, and the Fine Arts. Majors intending to pursue graduate work should take a minimum of two years of classical or modern foreign language. Open University courses are not eligible for major field credit.

Admission Requirements to the University Program of Study

This is a limited access program involving special admissions requirements. Please be aware of the immunization, foreign language, continuous enrollment policies of the university, and qualitative standards required.

Procedures for Applying to the College of Engineering

Students should complete and submit an Engineering Admissions Application to the College of Engineering Advising Office. Freshmen and Sophomores must submit copies of high school transcripts, SAT and ACT test scores to the College of Engineering, Advising Office. This is in addition to records requested by the University’s Admissions Office. Transfer applicants must furnish transcripts from previously attended institutions to the College of Engineering, Advising Office. This is in addition to transcripts sent to the University’s Admissions Office. Applicants whose native language is other than English must submit TOEFL scores to the College of Engineering. The minimum TOEFL scores must be 550. Credentials must be received in the Engineering Advising Office 30 days prior to the date of applicable term. Failure to comply will result in the application being denied by the College of Engineering. Credentials will be held for one year. If application is not updated within that year, credentials must be re-submitted.

Engineering Admissions Requirements

Transfer students must have completed the equivalent USF Engineering Calculus sequence with a 2.0 GPA; must have completed one year of equivalent USF General Physics and Chemistry courses with a minimum of 2.0 GPA; must have an overall GPA of 2.0 or better.

INDUSTRIAL-TECHNICAL EDUCATION (TRADE AND INDUSTRIAL EDUCATION)

COLLEGE : EDUCATION
SCHOOL : NONE
DEGREE : BACHELOR OF SCIENCE
PROGRAM : INDUSTRIAL-TECHNICAL EDUCATION

LIMITED ACCESS PROGRAM: YES - THIS PROGRAM HAS ADDITIONAL ADMISSION REQUIREMENTS AS STATED BELOW.

CAMPUS(ES) WHERE OFFERED/CONTACT:
TAMPA / Program Director, Undergraduate Advising, Education, (813) 974-2458
ST. PETERSBURG (Partial) / Advisor, Education, (813) 893-9533

- Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
(State Mandated Common Prerequisites)
Complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured.

If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, they must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

Students must complete the prerequisite courses listed below prior to be admitted to the upper-division major. Students who do not complete these prerequisites can be admitted to the University, but not to the upper-division major. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

- EDF 1005 Introduction to Education
- EDG 2701 Teaching Diverse Populations
- EME 2040 Introduction to Educational Technology

(Equivalent course or demonstrated competency may be substituted)

An additional 15 semester hours should be completed in a Vocational Specialty Area. At least one course taken to meet the natural science requirements in General Education must include a laboratory component.

- Admission Requirements to the University Program of Study
Please be aware of the immunization, foreign language, and continuous enrollment policies of the university, and qualitative standards required.

Admission will require an overall GPA of 2.5 with a minimum score of 960 on the SAT (840 if taken before April 1, 1995) or 20 on the ACT. However, an overall 2.25 GPA will be acceptable with a minimum score of 1030 on the SAT (940 if taken before April 1, 1995) or 22 on the ACT. Official grade forgiveness will be used as appropriate. Students must have passed all sections of CLAST. Professional education courses taken at the community college will transfer as general electives.

- Requirements for the B.S. Degree
Enrollment in the Industrial-Technical Education program is restricted to persons with employment experiences qualifying them to teach Industrial, Technical, Health Occupations, or Public Service.

Special provision is made for students to satisfy four (4) of the required six (6) years of work experience in a specific occupation by completing an Associate in Science degree program in a technological specialty or successfully completing an appropriate occupational competency exam. Acceptability of work experience will be determined by the program advisor.

Students may validate up to 30 semester hours of credit through the Occupational Competency Testing Program, or appropriate licensure or certificate.

Professional Education Core (25-29 credit hours)
The required courses in the professional education core are as follows:*

EDF 3214 Human Development and Learning (3)
EDF 3604 Social Foundations of Education (3)
EDG 4620 Curriculum and Instruction (3)
EDF 4430 Measurement for Teachers (3)
EEX 4070 Exceptional Student Ed (2)
Internship and Seminar (10-12)
ESOL Course (1-3)

Required: 36-38 semester hours.

ADE 4384 Working With the Adult Learner: Adult Education (3)
*EIV 4210 Program Management: Industrial-Technical Education (4)
EIV 4360 Special Teaching Methods: Industrial-Technical Education (4)
EVT 4085 History and Principles of Vocational Education (4)
EVT 4094 Professional Development in Industrial-Technical Education (1-3)
EVT 4165 Curriculum Construction: Industrial-Technical Education (4)
EVT 4365 Basic Teaching Methods in Vocational Education (4)
EVT 4367 Assessing Student Skill in Industrial-Technical Education (4)
EVT 4562 Vocational Education for Special Needs Students (4)
EVT 4946 Supervised Field Experience: Industrial-Technical Education (4)

*Another course may be substituted with advisor’s approval.
INDUSTRIAL-TECHNICAL EDUCATION

COLLEGE: EDUCATION
SCHOOL: NONE
DEGREE: BACHELOR OF SCIENCE

Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
(State Mandated Common Prerequisites)
Complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured. If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, they must meet the university's entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

Students must complete the prerequisite courses listed below prior to be admitted to the upper-division major. Students who do not complete these prerequisites can be admitted to the University, but not to the upper-division major. Unless stated otherwise, a grade of "C" is the minimum acceptable grade.

EDF 1005 Introduction to Education
EDG 2701 Teaching Diverse Populations
EME 2040 Introduction to Educational Technology
(Equivalent course or demonstrated competency may be substituted)

An additional 15 semester hours should be completed in a Technological Area of Specialization. At least one course taken to meet the natural science requirements in General Education must include a laboratory component.

Admission Requirements to the University Program of Study
Please be aware of the immunization, foreign language, and continuous enrollment policies of the university, and qualitative standards required.

Admission will require an overall GPA of 2.5 with a minimum score of 960 on the SAT (840 if taken before April 1, 1995) or 20 on the ACT. However, an overall 2.25 GPA will be acceptable with a minimum score of 1030 on the SAT (940 if taken before April 1, 1995) or 22 on the ACT. Official grade forgiveness will be used as appropriate. Students must have passed all sections of CLAST. Professional education courses taken at the community college will transfer as general electives.

Requirements for the B.S. Degree
Within the EVT program, students can pursue state certification in Technology Education. In general, students enrolling in the Technology Education program are expected to have successfully completed, at a community college, most of the technical laboratory courses required for Florida Teacher Certification. Teacher certification requires students to have 30 semester hours, with three (3) semester hours in each of the following areas:
(a) materials and processes, (b) drafting and design, (c) energy, (d) graphics, (e) electronics, (f) construction, and (g) industrial systems.

Students entering this program will have their transcripts evaluated to determine if all technical course requirements have been met. If the student has not completed the technical course requirements, the deficiencies may be corrected by enrolling in the required course(s) at a community college. Since this evaluation procedure is unique to the Technology Education Program, the application for admission should clearly indicate the desired major field as Technology Education.

The program of studies includes both course work and extensive field experience in school settings. This is to enable students to integrate theory with teaching practice.

Technology Education students must complete the General Education Requirements of 36 semester hours, the Professional Education Core Requirements of 40-41 semester hours, the Technical Course Requirements of 30 semester hours, and 23 semester hours in Adult and Vocational Education. The requirements in Adult and Vocational Education are as follows:

Professional Education Core (25-29 credit hours)
The required courses in the professional education core are as follows:
EDF 3214 Human Development and Learning (3)
EDF 3604 Social Foundations of Education (3)
EDF 3542 Philosophy of Education (4)
EDG 4620 Curriculum and Instruction (3)
EDF 4430 Measurement for Teachers (3)
EEX 4070 Exceptional Student Ed (2)
Internship and Seminar (10-12)
ESOL Course (1-3)

Required: 19 semester hours including:
EIA 3192 Technology Education and Society (4)
EIA 4360 Special Teaching Methods: Technology Education (3)
EIV 4210 Program Management: Industrial-Technical Education (4)
EVT 4165 Curriculum Construction: Industrial-Technical Education (4)
EVT 4365 Basic Teaching Methods in Vocational Education (4)

Plus electives selected with advisor approval.
INFORMATION SYSTEMS

Admission Requirements to the University Program of Study

This is a limited access program involving special admissions requirements. Please be aware of the immunization, foreign language, continuous enrollment policies of the university, and qualitative standards required.

Procedures for Applying to the College of Engineering

Students should complete and submit an Engineering Admissions Application to the College of Engineering Advising Office. Freshmen and Sophomores must submit copies of high school transcripts, SAT and ACT test scores to the College of Engineering, Advising Office. This is in addition to records requested by the University’s Admissions Office. Transfer applicants must furnish transcripts from previously attended institutions to the College of Engineering, Advising Office. This is in addition to transcripts sent to the University’s Admissions Office. Applicants whose native language is other than English must submit TOEFL scores to the College of Engineering. The minimum TOEFL scores must be 550. Credentials must be received in the Engineering Advising Office 30 days prior to the date of applicable term. Failure to comply will result in the application being denied by the College of Engineering. Credentials will be held for one year. If application is not updated within that year, credentials must be re-submitted.

Engineering Admissions Requirements

Transfer students must have completed the equivalent USF Engineering Calculus sequence with a 2.0 GPA; must have completed one year of equivalent USF General Physics and Chemistry courses with a minimum of 2.0 GPA; must have an overall GPA of 2.0 or better.

*Approved General Education Requirements
• Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF (State Mandated Common Prerequisites)

Students wishing to transfer to USF should complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured. If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

There are no State Mandated Common Prerequisites for this degree program.

Students are encouraged to complete the following prerequisites, or major, support, or elective courses if available, during the program of study at the community college, and when feasible in General Education/Gordon Rule courses. Unless stated otherwise, a grade of "C" is the minimum acceptable grade.

- One year each, if offered, of:
  - Biology I (BSC 2010, 2010L) and Biology II (BSC 2011, 2011L) (8)
  - Calculus (MAC 2233 and MAC 2234 or MAC 2311 and MAC 2312) (6 - 8)
  - General Chemistry (CHM 2041, CHM 2045L, and CHM 2046, CHM 2046L) (8)
  - General Physics (PHY 2053, 2053L, 2054, 2054L or PHY 2048, 2048L, 2049, 2049L) (8)
  - Introduction to Physical Geology (GLY 2010, GLY 2010L) and History of the Earth and Life (GLY 2100, GLY 2100L) (8)

• Admission Requirements to the University Program of Study

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

• Requirements for the B.A. in Interdisciplinary Natural Sciences

Concentrations exist in Interdisciplinary Natural Sciences-Biology (INB), Interdisciplinary Natural Sciences-Chemistry (INC), Interdisciplinary Natural Sciences - Clinical Laboratory Sciences (INL), Interdisciplinary Natural Sciences-Geology (ING), Interdisciplinary Natural Sciences-Mathematics (INM), and Interdisciplinary Natural Sciences-Physics (INP).

For Science Education and Mathematics Education Majors, only completion of a major consisting of a minimum of 45 hours in natural sciences courses applicable to majors in the natural sciences. In these emphases, there must be a minimum of 24 credit hours in a discipline of major concentration and a minimum of 16 credit hours in supporting courses outside the discipline of major concentration selected from natural science courses. At least two of the supporting courses must be at the 3000 level or above. The student must earn a grade of "C" or better in each course in the major concentration and in each supporting course.

For Biology (INB), Chemistry (INC), Geology (ING), Mathematics (INM), and Physics (INP) concentrations, there must be a minimum of 24 credit hours in a discipline of major concentration and a minimum core of supporting courses comprising a calculus sequence and the introductory science sequence from each of the following departments:

- BSC 2010C Biology I - Cellular Processes (4)
- BSC 2011C Biology II - Diversity (4)
- CHM 2041 General Chemistry I (3)
- CHM 2045L General Chemistry I Laboratory (1)
- CHM 2046 General Chemistry II (3)
- CHM 2046L General Chemistry II Laboratory (1)
- GLY 2010 Dynamic Earth: Introduction to Physical Geology (3)
- GLY 2010L Dynamic Earth Laboratory (1)
- GLY 2100 History of the Earth and Life (3)
- GLY 2100L Earth History Laboratory (1)
- MAC 2233 Elementary Calculus I (4)
- MAC 2234 Elementary Calculus II (4)
- or
- MAC 2311 Calculus I (4)
- MAC 2312 Calculus II (4)
- or
- MAC 2281 Engineering Calculus I (3)
- MAC 2282 Engineering Calculus II (3)
- PHY 2053 General Physics (3)
- PHY 2053L General Physics Laboratory (1)
- PHY 2054 General Physics (3)
- PHY 2054L General Physics Laboratory (1)
- or
- PHY 2048 General Physics (3)
- PHY 2048L General Physics Laboratory (1)
- PHY 2049 General Physics (3)
- PHY 2049L General Physics Laboratory (1)

The student must earn a grade of "C" or better in the major concentration and in each supporting course. Unstructured courses are not counted to fulfill the major requirements.

The Clinical Laboratory Sciences emphasis is designed to prepare students for application to a clinical program in Medical Technology or Cytology following graduation or employment in a laboratory. Students planning to apply to clinical programs in Medical Technology need to include
a course in Immunology. Students contemplating graduate study should pursue a major in the discipline of their interest, such as Biology, Chemistry, or Microbiology. For the Clinical Laboratory Sciences emphasis, completion of a minimum of 54 credit hours in natural sciences with a "C" or higher in each major and supporting course.

### Supporting Courses:
- **BSC 2010, 2010L** Biology I - Cellular Processes and Laboratory (3,1)
- **BSC 2011, 2011L** Biology II - Diversity and Laboratory (3,1)
- **CHM 2041, 2045L** General Chemistry I and Laboratory (3,1)
- **CHM 2046, 2046L** General Chemistry II and Laboratory (3,1)
- **MAC 2233** Elementary Calculus I (4)
- **STA 2023** Introductory Statistics I (4)

### Major Courses:
- **BCH 3023** Introductory Biochemistry (3)
- **or**
  - **CHS 4300** Fundamentals of Clinical Chemistry (3)
- **CHM 2210, 2210L** General Chemistry I and Laboratory (3,2)
- **CHM 2211, 2211L** General Chemistry II and Laboratory (3,2)
- **MCB 3020C** General Microbiology (4)

Two (2) Biology major electives including at least one with lab (min. 6 hours)
Select from the following list noting prerequisites where applicable:
- **BOT 4434C** Mycology (3)
- **MCB 4404, 4404L** Microbial Physiology & Genetics and Laboratory (4,1)
- **PCB 3023, 3023L** Cell Biology and Laboratory (3,1)
- **PCB 3063, 3063L** General Genetics and Laboratory (3,1)
- **PCB 4064C** Experimental Genetics (3)
- **PCB 5235** Principles of Immunology (3)
- **ZOO 4753C** Histology (4)

Majors sciences electives in Biology, Chemistry, or Physics to total minimum of 54 hours. Select from the following list, noting prerequisites where applicable, and not duplicating courses used to meet the above requirements:
- **BCH 3023** Introductory Biochemistry (3)
- **BCH 3023L** Basic Biochemistry Laboratory (2)
- **BCH 4034** Advanced Biochemistry (3)
- **BOT 4434C** Mycology (3)
- **CHM 3120C** Elementary Analytical Chemistry (4)
- **CHM 4060** Use of the Chemical Literature (1)
- **CHS 4300** Fundamentals of Clinical Chemistry (3)
- **CHS 4300L** Clinical Laboratory (2)
- **MCB 4115C** Determinative Bacteriology (5)
- **MCB 4404** Microbial Physiology and Genetics (4)
- **MCB 4404L** Microbial Physiology and Genetics Laboratory (1)
- **MCB 4502C** Virology (3)
- **MCB 5206** Public Health and Pathogenic Microbiology (3)
- **MCB 5815** Medical Mycology (3)
- **PCB 3023** Cell Biology (3)
- **PCB 3023L** Cell Biology Laboratory (1)
- **PCB 3063** General Genetics (3)
- **PCB 3063L** Genetics Laboratory (1)
- **PCB 4064C** Experimental Genetics (3)
- **PCB 4723** Animal Physiology (3)
- **PCB 4723L** Animal Physiology Laboratory (1)
- **PCB 5235** Principles of Immunology (3)
- **PCB 5525** Molecular Genetics (3)
- **PHY 2053** General Physics (3)
- **PHY 2053L** General Physics Laboratory (1)
- **PHY 2054** General Physics (3)
- **PHY 2054L** General Physics Laboratory (1)
- **ZOO 4753C** Histology (4)
- **ZOO 5235** Parasitology (3)

**NOTE:** Transfer students with credit for two semesters of anatomy and physiology with laboratories may substitute these courses for BSC 2011, 2011L.

Computer competency is essential for work in a modern laboratory. Students lacking computer skills should take CGS 2060.
INTERDISCIPLINARY SOCIAL SCIENCES

- SPEECH-LANGUAGE-HEARING SCIENCE (ISH)
- AMERICAN SIGN LANGUAGE (ISA)
- EDUCATIONAL INTERPRETING (ISI)

COLLEGE: ARTS AND SCIENCES
SCHOOL: NONE
DEGREE: BACHELOR OF ARTS
OPTION/TRACK: DEPARTMENT OF COMMUNICATION SCIENCES AND DISORDERS

LIMITED ACCESS PROGRAM: NO

CAMPUS(ES) WHERE OFFERED/CONTACT:
TAMPA / Coordinator of Advising, Arts and Sciences, (813) 974-2503
Coordinator of Advising, Department of Communication Sciences and Disorders (813) 974-2006

Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
(State Mandated Common Prerequisites)
Complete the A.A. degree at the community college. Some courses required for the Speech-Language-Hearing (ISH) or ASL (ISA) major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured.

Students entering the university without an A.A. degree and fewer than 60 semester hours of acceptable credit, must meet the university's entering freshman requirements including ACT and SAT test scores, GPA, and course requirements.

Students who plan to major in ISH and ISA are encouraged to complete the following prerequisites during the program of study at the community college:

- ANT 2000 Introduction to Anthropology (3)
- or
- PSY 2012 Introduction to Psychology (3)
- or
- SYG 2000 Introduction to Sociology (3)

And each of the following:
- BSC 1085 Human Anatomy & Physiology I (3)
- BSC 1085L Human Anatomy & Physiology I Lab (1)
- BSC 1086 Human Anatomy & Physiology II (3)
- BSC 1086L Human Anatomy & Physiology II Lab (1)

or equivalent work such as:
- BSC 3092 Human Anatomy & Physiology (5)

- STA 1023 Introduction to Statistics (or equivalent) (4)

Complete the foreign language requirement

NOTE: Students who select ASL as their foreign language and are seeking a bachelor of arts degree in ASL are required by the Department of Communication Sciences and Disorders to complete satisfactorily at least one upper level course in ASL at the University of South Florida or to demonstrate proficiency in ASL.

There are no State Mandated Common Prerequisites for this degree program.

• Admission Requirements to the University Program of Study
Admission to the program of study for Educational Interpreters requirement: ability to use ASL at the intermediate level of a standardized ASL competency test such as the Sign Communication Proficiency Index (SCPI) or other equivalent evaluation. It is further recommended that the candidate will have completed a community college interpreter training program curriculum.

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

• Requirements for the Major in Interdisciplinary Social Sciences
Speech-Language-Hearing Concentration (ISH) (min. 39 cr. hrs.)
Coursework is sequenced for the ISH concentration in Speech-Language-Hearing Science. All students must complete study in basic knowledge of the communication sciences and in basic knowledge of communication disorders. Upon admission to the concentration, each student will be assigned an advisor to provide guidance in academic planning.

The course of study includes:
- SPA 3002 Introduction to Disorders of Speech and Language (3)
- SPA 3004 Introduction to Language Development Disorders (3)
- SPA 3011 Introduction to Speech Science (3)
- SPA 3030 Introduction to Hearing Science (3)
- SPA 3101 Anatomy and Physiology of the Speech and Hearing Mechanism (3)
- SPA 3112 Applied Phonetics in Communication Disorders (3)
- SPA 3310 Introduction to Disorders of Hearing (3)
- SPA 4050 Introduction to the Clinical Process (3)
- SPA 4201 Phonological Development and Disorders (3)
- SPA 4210 Vocal Disorders (3)
- SPA 4222 Fluency Disorders (3)
- SPA 4363 Nature and Needs of Hearing Impaired (3)
- SPA 4562 Counseling of Communicatively Handicapped and Family (3)
- SPA 3380 Basic American Sign Language (Recommended) (4)
American Sign Language Concentration (ISA) (min. 30 cr. hrs.)

New students are not being admitted to the ISA Major for the 1997/98 year while the curriculum is being restructured.

General admission requirements and recommendations for ISA are identical to the ISH concentration in Speech-Language-Hearing Science. The specific course of study for the ISA concentration also assumes that the student has completed an A.A. degree or its equivalency. Upon admission to the concentration, each student will be assigned an advisor for the purpose of academic planning.

The following courses are included in the major:

- SPA 3002 Introduction to Disorders of Speech and Language (3)
- SPA 3004 Introduction to Language Development and Disorders (3)
- SPA 3030 Introduction to Hearing Science (3)
- SPA 3310 Introduction to Disorders of Hearing (3)
- SPA 3380 Basic American Sign Language (4)
- SPA 4332 Structure of Sign Language (3)
- SPA 4363 Nature and Needs of Hearing Impaired (3)
- SPA 4382 Intermediate American Sign Language (4)
- SPA 4383 Advanced American Sign Language (4)
- Other electives (6)

Educational Interpreter Training Concentration (ISI)

The specific course of study for the ISI concentration assumes that the student has completed an A.A. degree in Interpreter Training or its equivalent. Additionally, prerequisites include proficiency in ASL signing and interpreting skills. Upon admission to the concentration, each student will be assigned an advisor for the purpose of academic planning. Interested students should contact the coordinator of the Educational Interpreter Training Program in the Department.

The following courses are included in the major:

- EDF 3214 Human Development and Learning (3)
- EDF 4620 Curriculum and Instruction (3)
- EEX 4070 Integrating Exceptional Students in the Regular Classroom (2-3)
- EME 2040 Introduction to Educational Technology (3)
- ISS 3010 Introduction to the Social Sciences (3)
- SPA 3001 Introduction to Interpreting in Public Schools (3)
- SPA 3001L Introduction to Interpreting in Public Schools Lab (1)
- SPA 3003 Overview of Language Learning in Deaf Children (3)
- SPA 3003L Overview of Language Learning in Deaf Children Lab (1)
- SPA 3004 Introduction to Language Development and Disorders (3)
- SPA 3025 Introduction to Auditory Functions (3)
- SPA 4371 Legal, Ethical, and Technical Issues of Working with Deaf (3)
- SPA 4386 Interpreting in Public Schools I (3)
- SPA 4386L Interpreting in Public Schools I Lab (1)
- SPA 4387 Interpreting in Public Schools II (3)
- SPA 4387L Interpreting in Public Schools II Lab (1)
- SPA 4503 Practicum: Interpreting in Schools (4)

Minimum Grade for Majors

A student must receive a "C" grade or better in all courses within the major and those that are required prerequisites. Any student who receives a grade of "D" or lower in more than two USF Communication Sciences and Disorders courses will be automatically barred from continuing as an undergraduate major in ISH, ISA, or ISI. Grade forgiveness may be used for two courses only and may be used only for course work taken in the first year of study. Courses which comprise the second year of the major may not be repeated.

Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
(State Mandated Common Prerequisites)

Students wishing to transfer to USF should complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured. If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

There are no State Mandated Common Prerequisites for this degree program.

Students are encouraged to choose from the following courses if available, during the program of study at the community college, and when feasible in General Education/Gordon Rule courses. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

- AFA 2000 Black Experience (3)
- AMH 2010 American History I (3)
- or AMH 2020 American History II (3)
- ANT 2000 Introduction to Anthropology (3)
- CCJ 3020 Introduction to Criminal Justice (3)
- ECO 2013 Economic Principles (Macroeconomics) (3)
- ECO 2023 Economic Principles (Microeconomics) (3)
- GEA 3000 World Geography (4)
- POS 2041 National Government (3)
- or POS 2112 State and Local Government (3)
- SYG 2000 Introduction to Sociology (3)
- WST 3010 Women’s Studies (3)

Admission Requirements to the University Program of Study

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended. No transfer courses with grades of “D” are acceptable for credit in the ISS major.

Requirements for the B.A. degree in Interdisciplinary Social Sciences

Required core courses for the major are:
- ISS 3010 Introduction to the Social Sciences (3)
- ISS 4935 Seminar in the Social Sciences (3)
- STA 2122 Social Science Statistics (3)

The ISS student chooses between two cognate areas and completes twelve hours in each. Twenty available cognates (listed below) range from Africana Studies, to Criminal Justice, Sociology, and Women’s Studies. Three special electives—emphasizing cultural diversity—are added. It is suggested that the student work out a program of study at the onset of the junior year, particularly before too many courses are completed in CAS. No student should assume that courses already completed in CAS will automatically count toward the ISS degree.

Students must complete 42 approved hours of course work from the College of Arts and Sciences (CAS), with a minimum of 30 hours at the 3000 or above level. Students must maintain a minimum grade point average of 2.0 in ISS to graduate.

Other personal curricula may be tailored for those highly motivated students, with a minimum grade point average of 3.2, developed with the approval of the advisor. This course of study will be directed toward the special educational interests of these students. An in-depth Honors Research Paper will be required of students taking this option.

Students in Communications Sciences and Disorders major in ISS with an emphasis in (a) Speech and Hearing Science, (b) Interpreter Training for the Deaf, or (c) American Sign Language. Advising for this concentration is handled at the Communication Sciences and Disorders Department.

Cognate Areas - select two areas, and take 12 hours in each. Cognates must be selected from the areas of study listed below:
- AFA, ANT, CCJ, ECN, EVR, GEF, GY, HUM, HUS, INT, ISA, ISH, LAS, PAD, POL, PSY, SOC, SOW, and WST.

- Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF (State Mandated Common Prerequisites)
  Students wishing to transfer to USF should complete the A.A. degree at the community college. Some courses required for the major may also
  meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed
  at the university unless prior approval is secured. If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable
  credit, the student must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.
  There are no State Mandated Common Prerequisites for this degree program.

- Admission Requirements to the University Program of Study
  Please be aware of the immunization, foreign language, and continuous enrollment policies of the university.

- Bachelor of Independent Studies (BIS)
  The Bachelor of Independent Studies (BIS) Program is the State University System External Degree Program. The universities currently
  involved are Florida International University, Florida State University, the University of Florida, the University of North Florida, and the University
  of South Florida. The administrative office for the statewide program is located at USF in Tampa.
  Founded in 1968, the external degree program is for adults who find it difficult to attend regular university classes because of career or family
  commitments. The BIS student proceeds at his/her own pace and, for the most part, in his/her own setting. The exception is the summer seminars
  which require periodic, short-term campus residence.

Curriculum
  The curriculum consists of four study areas: the Humanities, Natural Sciences, Social Sciences and Inter-area Study. The first three areas of
  study are completed through a tutorial and a resident seminar. While the seminar is of short duration, the tutorial for each area requires a longer
  commitment of time. The student may begin in any of the first three study areas and is encouraged to start in his/her area of strength.

Tutorials
  The tutorial or guided independent study is predominantly print intensive, with core and suggested readings drawn from the BIS Guide to
  Independent Studies. In the Humanities tutorial, for example, the student reads across the disciplines of the Humanities Study Area which include
  Language, Literature, Philosophy, Art, Drama, and Architecture. Selected works are reviewed within the framework of historical periods. Tutorial
  objectives include knowledge of the basic principles of each of the genres and periods, the ability to visualize relationships between the disciplines,
  grasp of the nomenclature of the disciplines, and the capacity to apply basic concepts to current issues. The student is responsible for systematic
  interaction with the faculty mentor who directs the reading process and evaluates the student’s progress.
  In the Natural Sciences tutorial, the BIS learner studies Science – Science for the non-scientist. Emphasis is placed on the interrelationships
  of the disciplines of Science. Topics illustrative of this interdisciplinary approach to Sciences include Mathematics, Physics, Chemistry, Biology,
  Astronomy, Geology, Ecology, History, and Philosophy of Science, and the impact of Science on Technology. As is the case with other tutorials
  the learning objectives involve concepts, nomenclature, cross-disciplinary insights, and application of concepts/methods to current issues.
  In the Social Sciences tutorial, the student reads selected core and supplementary reading and completes written projects in each of the basic
  disciplines of the Social Science Study Area. These include Anthropology, Economics, Geography, History, Political Science, Psychology,
  Women’s Studies, and Sociology. Tutorial objectives include knowledge of the basic concepts and principles of each discipline, familiarity with
  major social science research techniques, understanding of the relationships among the different disciplines, and the ability to apply disciplinary
  or interdisciplinary concepts or models to current issues.
  Following each tutorial, the student completes a comprehensive examination in order to demonstrate that a satisfactory level of proficiency
  has been attained in the independent study component of a particular area. The area may be taken on or off campus. A major research paper
  is also undertaken in each of the tutorials. It is normally done at the end of a tutorial.

Seminars
  Students are required to attend two-week seminars on the USF campus. There is a seminar for each of the first three study areas (Humanities,
  Natural Sciences, and Social Sciences). Students complete seminars, and assignment(s) for seminars under the direction of a team of faculty
  members. Seminar faculty teams identify the subject matter and activities of each seminar. Humanities seminars, for example, are often theme-
  oriented but the focus is on interdisciplinary concerns. A number of historical periods may be approached through discussion of art, music,
  literature, and architecture. In a Natural Sciences seminar, the focus is on an interdisciplinary approach to learning about Science. Social Sciences
  seminar faculty focus on the knowledge gained in the tutorial with an emphasis on synthesis, extension, and application of this learning to selected
  topics such as energy, patterns of human behavior, and human rights.
  Seminar activities also vary with the study area. A visit to a museum or art gallery goes with a Humanities Seminar. In Science, laboratory
  experiences and field trips are utilized to show students the ways of Science and to allow them to experience the excitement of discovery. Many
  of these activities are described in a Social Sciences seminar syllabus are used in other seminars as well, i.e., lectures by faculty team members or guest
  lecturers, presentations by group members, group discussion, library research, learning journals, and a research paper.
  Students in all seminars may be asked to read materials related to the seminar theme prior to the seminar and to complete written assignments
  after the completion of the two-week seminar period. Seminars meet for two consecutive six-day weeks and activities take up a full day. Further
  study and assignments occupy the evening hours.

Undergraduate Thesis
  The fourth study area or Inter-area Study calls for a synthesis of the first three study areas via the preparation and defense of an undergraduate
  thesis. The student begins the Area with independent study leading to the completion of an undergraduate thesis prospectus under the direction
  of a primary adviser. Following approval of the prospectus by a committee composed of three faculty, the student writes the study under the
  direction of the committee chairperson. The final step is to complete successfully an oral examination on the thesis.

Courses to improve writing & speaking skills

- Admission Requirements to the University Program of Study

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

- Requirements for the Major in International Studies

The major consists of a minimum of 37 semester hours. At least 18 of these hours (six courses) must be from the International Studies Program offerings. The six required courses are:

- INR 3003 Introduction to International Studies (3)
- INR 3038 International Wealth and Power (3)
- INR 3081 International Studies Issues and Actors (3)
- INR 4936 Senior Seminar (3)

plus one topical and one area studies course chosen from the INT upper division electives. It is recommended that the student complete INR 3003 before taking INR 3081.

The additional 19 hours may be selected from international offerings or from course offerings of other departments, which are approved by the major adviser as having adequate international or cross-cultural content. Students may also take upper level electives from the International Studies curriculum. With the approval of the major adviser, credits earned in INR 4900 (1-3) and INR 4910 (1-3) may be used to augment or substitute for the foregoing requirements. Students are encouraged, but not required, to engage in study abroad programs, a large number of which have been approved by the USF International Affairs Center. Credits earned in such programs apply toward graduation and many also apply to the INT major.

Required Supporting Courses

- Students must pass a 2000 level foreign language course (that is, at least one semester of foreign language study beyond the first year introductory courses), or complete one year of study of a non-Western language. Students who are bilingual or who are already conversationally fluent or who can translate with facility from a foreign language text are exempt from the above course requirement, but the INT faculty may require demonstration of proficiency.

Students will be provided with academic advice and counsel about other courses offered throughout the university which may support and complement their major program. INT majors should plan their programs in conjunction with the adviser who is empowered to make appropriate substitutions when educationally justified.

LIBERAL ARTS AND SCIENCES

COLLEGE: NEW COLLEGE
SCHOOL: NONE
DEGREE: BACHELOR OF ARTS
OPTION/TRACK: NONE

LIMITED ACCESS PROGRAM: YES—THIS PROGRAM HAS ADDITIONAL ADMISSION REQUIREMENTS AS STATED BELOW.

CAMPUS(ES) WHERE OFFERED/CONTACT: THIS PROGRAM IS AVAILABLE AT NEW COLLEGE OF USF IN SARASOTA ONLY.
NEW COLLEGE OFFICE OF ADMISSIONS
5700 N. TAMMIAMI TRAIL
SARASOTA, FL 34243-2917
(941) 359-4269

PROGRAM OF STUDY AT THE COMMUNITY COLLEGE

Almost one-third of all New College students began their undergraduate careers at other colleges, many at Florida community colleges. New College provides an exciting opportunity for students seeking to continue their undergraduate education in a challenging individualized program in the liberal arts and sciences.

Transfer Credits: Liberal arts and sciences courses are evaluated individually to determine transfer credit. Generally courses with grades of "C" or above that are judged comparable in level and content with New College courses will transfer. Students may receive up to three contracts and one ISP in transfer credit. A statement of transfer credit policy is available from the New College Office of Admissions.

ADMISSION REQUIREMENTS TO THE UNIVERSITY PROGRAM OF STUDY

INTRODUCTION: WHAT NEW COLLEGE IS ALL ABOUT

As the honors college of the State University System of Florida, New College provides academically motivated students with extensive opportunities for accelerated intellectual growth.

With an 11:1 student to faculty ratio, a small and select student body has greater access to an excellent faculty than typically available in a state university. This environment provides students with individual attention to nurture intellectual development.

Since its affiliation with the University of South Florida in 1975, New College has been able to offer students the best of both worlds: the quality of a small private liberal arts education at the cost of a state university.

TRANSFER INFORMATION

Application Process:
- New College USF Application and fee
- SAT or ACT scores (officially reported)
- High School Transcript(s)
- College Transcript(s)
- Teacher recommendation (from recent academic course)
- Counselor recommendation (from an academic dean or advisor) - an additional academic Teacher Recommendation may be substituted.
- A graded paper from a recent course, preferably English or History
- Statement of reasons for transfer from previous college or university

Admission Decisions:
Success in the New College program requires academic ability and preparation, self-discipline, and motivation. Since the average profile of an admitted student is quite strong, it is recommended that the most rigorous possible course of study be followed. The prospective student should take every opportunity to demonstrate strength through academic records, standardized test scores, recommendations, writing samples, and the interview. No grade point or test score cutoffs are used in making admission decisions. The associate’s degree is not a requirement or guarantee for admission. The Admissions Committee evaluates all aspects of the application to assess whether the student is suited to the special nature of New College.

Admission decisions are made on a rolling basis. Fall applications are accepted no later than May 1, with review beginning January 1. Spring applications are accepted no later than December 1, with review beginning in late November. The Office of Admissions reserves the right to close the class earlier than the dates specified if enrollment goals have already been met.

PROGRAM OF STUDY AT THE UNIVERSITY

REQUIREMENTS FOR THE B.A. DEGREE

a) Seven Contracts: An academic contract is a semester-long program of study which may include classes, tutorials, and other educational activities.
b) Three Independent Study Projects (ISP): Each ISP is an intensive project carried out during the 4-week January Interterm.
c) Senior Thesis: The final major project in the student’s area of concentration.
d) Oral Baccalaureate Examination: An oral defense of the senior thesis before a faculty committee.

Transfer students must complete at least two years in residence at New College in order to be eligible for a New College degree. This would necessarily include: four contracts, two independent study projects, a senior thesis, an oral baccalaureate examination.

ACADEMIC CALENDAR: 4-1-4 Year

Two four-month semesters (fall and spring)
One four-week Interterm (January)
There is no summer session.
THE ACADEMIC CURRICULUM

In order to allow room for individual interests and talents, the New College curriculum is more flexible than that of most colleges. Students are encouraged to combine areas of study to suit their particular goals. They may select from a wide array of courses offered each semester, and arrange individual or group "tutorials" that stem from particular academic interests. The following is a list of areas of study offered by the College's three academic divisions, as well as some interdisciplinary and interdivisional programs.

HUMANITIES--Art History; Classics; Fine Arts; Language - French, German, Russian, Spanish, Latin, Greek; Literature; Music; Philosophy; Religion

NATURAL SCIENCES--Biology; Chemistry; Mathematics; Physics

SOCIAL SCIENCES--Anthropology; Economics; History; Political Science; Psychology; Sociology

INTERDISCIPLINARY AND/OR INTERDIVISIONAL PROGRAMS--Environmental Studies; Gender Studies; Medieval and Renaissance Studies; Public Policy; Urban Studies.

CAMPUS LIFE

New College is a co-educational, residential college. It attracts a diverse student body from across the United States, as well as several foreign countries. Its location on a 140-acre bayfront campus in Sarasota puts students in close range of cultural and recreational activities. Facilities include a $6 million library, a Conference Center/Auditorium, an indoor fitness center, and a fine arts complex.

FINANCIAL AID AND SCHOLARSHIPS

New College is able to offer students a top quality education at very low cost because the institution receives support from both the public and private sectors.

Federal and state need-based financial assistance programs are available to New College students. In addition, about 60 percent of the incoming students receive achievement-based scholarships.

REFERENCES

Changing Times lists New College as one of the "Better-Known Gems" in higher education, noting "New College . . . is one of the most challenging schools in the country . . . ."

Thomas Sowell, in his book, Choosing a College, states, "... the academic success of New College students--a higher percentage go on to Ph.D.'s than do students at Yale or Stanford--suggests that some very serious and responsible thought goes into their individual programs . . . ."

The Insider's Guide to the Colleges 1990 Edition reports that "(students) seeking a decidedly intimate, intense learning atmosphere that calls for a great sense of personal initiative and responsibility . . . will find New College tough to beat."

Richard Moll in his acclaimed book, The Public Ivys, recognizes that being the recipient "... of one award after another underscores the fact that New College is indeed an elite 'private' college at a low public price."

USA Today ranked New College 28th in its list of the 52 choosiest colleges.

Money magazine's Money Guide to Best Colleges Buys (1996 Edition) ranked New College the #1 Best Buy in the nation for the third year in a row. The editors evaluated more than 1,000 colleges.

In "Best buys in top colleges," Kiplinger's Personal Finance Magazine (October 1991) selects New College as one of 19 colleges offering "Better quality at a better price."

CGS X100 Computers for Business
ECO X013 Economic Principles (Macroeconomics)
ECO X023 Economic Principles (Microeconomics)
MAC X233 Introduction to Business
STA X023 Introductory Statistics I or QMB X100

Students should not take finance, management, or marketing courses at the community college which are offered at the upper division level at USF. Such courses are not accepted as substitutes for upper-level requirements without proper validation after enrolling in the College of Business Administration.

• Admission Requirements to the University Program of Study
Please be aware of the immunization, foreign language, and continuous enrollment policies of the university, and qualitative standards required.
To be admitted to the College of Business Administration, the student must first be accepted to the University of South Florida. Additionally, students must have completed a minimum of 60 semester hours, earned a 2.5 all-college grade point ratio, and completed the above courses with a 2.0 GPA, no grade lower than a “C” and a 2.0 GPA in all work attempted at USF, including any credit prior to salvage. Students meeting all other requirements and with a cumulative grade point average between 2.3 and 2.5 may apply to the College of Business, and will be considered on a case by case basis. Students working toward meeting the limited access criteria and who have completed 60 hours may be permitted to enroll in selected upper division courses.

PROGRAM OF STUDY AT THE UNIVERSITY
The Foundation Courses common to all majors in business consists of the 18 hours of prerequisites plus the following (three-hour) courses:

BUL 3320 Law and Business I
ECO 3100 Managerial Economics
FIN 3403 Principles of Finance
QMB 3200 Business and Economics Statistics II
MAN 3025 Principles of Management
MKT 3023 Basic Marketing
ISM 3431 Management Science POM
GEB 4890 Business Policy

Students must complete 18 hours of upper-level management courses beyond MAN 3025 Principles of Management.

Required Management Courses:
MAN 3240 Organizational Behavior Analysis (3)

Additional upper-level management courses (15-21)

Total (18-24)

Students are encouraged to seek additional curriculum advice from the Management Department.

Sufficient additional business courses outside the student's major are required for a minimum total of 60 hours of business courses. A minimum of 54 hours of non-business courses, including calculus, speech communication, and advanced writing are required. The remaining electives for the 120-hour graduation requirement may be taken in business or non-business areas, but must include one course covering contemporary international issues.

• Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
(State Mandated Common Prerequisites)
A student wishing to transfer to USF should complete the A.A. degree at a Florida community/junior college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured. If a student transfers without an A.A. degree and has fewer than 60 semester hours of acceptable credit, a student must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

ACG X021 Financial Accounting or ACG X001 and ACG X011
ACG X071 Managerial Accounting I
CGS X100 Computers for Business
ECO X013 Economic Principles (Macroeconomics)
ECO X023 Economic Principles (Microeconomics)
MAC X233 Calculus for Business
STA X023 Introductory Statistics I or QMB X100

Students should not take finance, management, or marketing courses at the community college which are offered at the upper division level at USF. Such courses are not accepted as substitutes for upper-level requirements without proper validation after enrolling in the College of Business Administration.

• Admission Requirements to the University Program of Study

To be admitted to the College of Business Administration, the student must first be accepted to the University of South Florida. Additionally, students must have completed a minimum of 60 semester hours, earned a 2.5 all-college grade point ratio, and completed the above courses with a 2.0 GPA, no grade lower than a "C" and a 2.0 GPA in all work attempted at USF, including any credit prior to salvage. Students meeting all other requirements and with a cumulative grade point average between 2.3 and 2.5 may apply to the College of Business, and will be considered on a case by case basis. Students working toward meeting the limited access criteria and who have completed 60 hours may be permitted to enroll in selected upper division courses.

PROGRAM OF STUDY AT THE UNIVERSITY
The Foundation Courses common to all majors in business consists of the 18 hours of prerequisites plus the following (three-hour) courses:

BUL 3320 Law and Business I
ECO 3100 Managerial Economics
FIN 3403 Principles of Finance
QMB 3200 Business and Economics Statistics II
MAN 3025 Principles of Management
MKT 3023 Basic Marketing
ISM 3431 Management Science POM
GEB 4890 Business Policy

Students must complete a set of six MIS courses and two approved MIS electives.
Required MIS Courses:
ISM 3230 Introduction to Business Application Development (3)
ISM 3232 Advanced Business Application Development (3)
ISM 3113 Systems Analysis and Design (3)
ISM 4212 Database Administration (3)
ISM 4220 Business Data Communications (3)
ISM 4300 Managing Information Resources (3)
Approved MIS Electives (6)
Total (24)

An approved 2-semester sequence in COBOL programming (two 3-hour courses) may be substituted for ISM 3232. An approved 2-semester sequence in COBOL is currently offered by the College of Engineering; however, these hours will NOT count as MIS or Business electives.
ISM (Introduction to Business Application Development) is to be taken before, or concurrently with, ISM 3113 (Systems Analysis and Design) which is a prerequisite for all other required MIS courses. Normally ISM 3113 should be completed by the end of the first semester of the junior year.
MIS majors must earn a "C" or better in all required MIS courses; they can use grade forgiveness for only one upper-level MIS course. No more than three hours of ISM 4950 may be counted as MIS electives (ISM 4905 will not count as an MIS elective).

Sufficient additional business courses outside the student's major are required for a minimum total of 60 hours of business courses. A minimum of 54 hours of non-business courses, including calculus, speech communication, and advanced writing are required. The remaining electives for the 120-hour graduation requirement may be taken in business or non-business areas, but must include one course covering contemporary international issues.

MAN 3025 Principles of Management
MKT 3023 Basic Marketing
ISM 3431 Management Science POM
GEB 4890 Business Policy

Students must complete a minimum of 18 hours in marketing beyond MAR 3023.

Required Marketing Courses:
MAR 3823 Marketing Management (3)
MAR 3613 Marketing Research (3)
MAR 4824 Marketing Management Problems (3)
Additional upper-level marketing courses (9-15)
Total (18-24)

Students may specialize in any of the following areas: Industrial/Sales Management, Promotion, or Retailing.

It is strongly recommended that marketing majors include courses in speech, computer science, finite mathematics, social psychology, and mass communications as part of their general electives.

Sufficient additional business courses outside the student's major are required for a minimum total of 60 hours of business courses. A minimum of 54 hours of non-business courses, including calculus, speech communication, and advanced writing are required. The remaining electives for the 120-hour graduation requirement may be taken in business or non-business areas, but must include one course covering contemporary international issues.
MASS COMMUNICATIONS

COLLEGE: ARTS AND SCIENCES
SCHOOL: COMMUNICATIONS
DEGREE: BACHELOR OF ARTS
OPTIONS/TRACKS: ADVERTISING, JOURNALISM: NEWS-EDITORIAL, MAGAZINE: PUBLIC RELATIONS; TELECOMMUNICATIONS: BROADCAST NEWS, BROADCAST PROGRAMMING AND PRODUCTION

LIMITED ACCESS PROGRAM: YES—THIS PROGRAM HAS ADDITIONAL ADMISSION REQUIREMENTS AS STATED BELOW

CAMPUS(ES) WHERE OFFERED/CONTACT:
- TAMPA / Coordinator of Advising, Arts and Sciences, (813) 974-2503
- ST. PETERSBURG (Partial) / Advisor, Arts and Sciences, (813) 893-9507

- Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
  (State Mandated Common Prerequisites)
  This is a limited access program. Students wishing to transfer to USF should complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured. If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, the students must meet the university's entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

- Admission Requirements to the University Program of Study
  Please be aware of the immunization, foreign language, and continuous enrollment policies of the university, and qualitative standards required.

- Requirements for the Major in Mass Communications
  To be admitted to the core curriculum in Mass Communications, students must have completed general education requirements including a minimum of 45 hours with a 2.7 minimum overall grade point average, and ENC 1101 and 1102 with a minimum grade of "C" in each. Applicants must establish a minimum score of 60 percent on the Mass Communications Diagnostic Test prior to entering MMC 2100 (Writing for Mass Media). (Students who transfer MMC 2100 or its equivalent must pass the Mass Communications Diagnostic Test with a score of at least 70 percent, which is the same score required for the successful completion of MMC 2100 at USF). Both courses in the Mass Communications core curriculum (MMC 2100 and MMC 3602) must be completed with a minimum grade of "C" before any other Mass Communications course may be taken. Students failing to achieve a minimum grade of "C" in both MMC 2100 and MMC 3602 will be disallowed as majors in the School. A 2.5 GPA in Mass Communications courses is required for graduation, and no student may graduate with a grade lower than "C" in any Mass Communications course.

  The Mass Communications major requires six hours of core curriculum courses (MMC 2100 and MMC 3602) and 28 hours of a combination of required and elective sequence courses for a total of 34 hours in Mass Communications within the 124-hour degree requirement. Six hours in Mass Communications writing courses (three hours in addition to MMC 2100) are a part of the graduation requirement.

  Mass Communications majors are required to take a minimum of 90 hours in courses outside the journalism and mass communications areas, with no fewer than 65 hours in the basic liberal arts and sciences. (Liberal Arts courses are listed in materials available from the School program advisor.) To facilitate this, no more than 34 hours of Mass Communications courses may be applied toward the bachelor's degree within the 124-hour graduation requirement. Mass Communications majors taking more than 34 hours of Mass Communications courses, regardless of the departments in which those courses are listed, must add those hours to the 124 hours required for graduation. In particular, film and photography courses offered in other departments may be considered to be Mass Communications courses and added to the 124-hour degree requirement.

  A maximum of nine semester hours in Mass Communications courses will be accepted from a community college or other lower-level program toward a degree in Mass Communications. It is suggested that the nine hours include the equivalent of the School core curriculum and one sequence introduction course. Approval by an appropriate advisor is required.

  At least eighteen (18) hours of resident School courses are required.

  All material submitted by students as assignments in writing, reporting, editing, photography and electronic news gathering and production classes is subject to publication or broadcast. The School uses a variety of print and electronic media outlets.

  Sign Language may be used as an option by Mass Communications majors to fulfill the language requirement.

  The School sequence requirements are:

  School Core Curriculum
  MMC 2100 Writing for the Mass Media  (3)
  MMC 3602 Mass Communications and Society  (3)

  Sequence Requirements
  ADVERTISING REQUIREMENTS
  ADV 3000 Introduction to Advertising  (3)
  ADV 3101 Advertising Copywriting  (3)
  ADV 3300 Advertising Media Strategy  (3)
  ADV 4800 Advertising Campaigns  (3)
  ADV 4940 Advertising Practicum  (1)
  MMC 4203 Communication Ethics  (3)
  MMC 4420 Research Methods in Mass Communications  (3)

  Selective Requirements (9 hrs. required, selected with advisor's approval)

  Continued
Note: The following courses are required outside the School to complete sequence requirements: ACG 3074 Managerial Accounting for Business Majors, ECO 1000 Basic Economics, and MAR 3023 Basic Marketing. See specific courses for prerequisites.

JOURNALISM REQUIREMENTS

News-Editorial Option

JOU 2100 Beginning Reporting (3)
JOU 3101 Advanced Reporting (3)
JOU 4104 Public Affairs Reporting (3)

Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF (State Mandated Common Prerequisites)

Students wishing to transfer to USF should complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured.

A student who transfers without an A.A. degree and has fewer than 60 semester hours of acceptable credit must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

Students should complete the following prerequisite courses listed below at the lower level prior to entering the University. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

COP XXXX Computer Language Course (Pascal, FORTRAN, C, C+, or C++)
MAC X311 Calculus I
MAC X312 Calculus II
MAC X313 Calculus III

Students must also complete two laboratory-based science courses, 4 - 8 semester hours total, from the respective science majors: Biology, Chemistry, or Physics.

Admission Requirements to the University Program of Study

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

Requirements for the Major in Mathematics

The courses taken to satisfy the requirements below will constitute the major program referred to in the general graduation requirements of the College of Arts and Sciences. A minimum of 12 hours of 4000 level or higher mathematics courses must be taken in residency and must be applicable to the major.

Mathematics Requirement (Min. 45 cr. hrs.)

Majors must complete the following core courses:

COP 4313 Symbolic Computations in Mathematics (3)
MAA 4211 Intermediate Analysis I (4)
MAC 2311 Calculus I (4)
MAC 2312 Calculus II (4)
MAC 2313 Calculus III (4)
MAP 2302 Differential Equations (3)
MAS 3105 Linear Algebra (3)
MAS 4301 Elementary Abstract Algebra (3)
MAT 2936 Technology Seminar (1)
MAT 4937 Mathematics Majors Seminar (1)
MGF 3301 Bridge to Abstract Mathematics (3)
STA 4442 Introduction to Probability (3)

In addition, majors must complete three (3) courses from the following electives:

CGS 3422 Problem Solving Using Pascal or C (3)
MAA 4212 Intermediate Analysis II (3)
MAA 4402 Complex Variables (3)
MAD 4401 Numerical Analysis (3)
MAD 4504 Theory of Computation (3)
MAD 5305 Introduction to Graph Theory (3)
MAP 5345 Applied Partial Differential Equations (3)
MAP 5407 Methods of Applied Mathematics (3)
MAS 4124 Numerical Linear Algebra (3)
MAS 4156 Vector Calculus (3)
MAS 4214 Elementary Number Theory (3)
MHF 5405 History of Modern Mathematics (3)
MTG 4212 Geometry (4)
MTG 4302 Introduction to Topology (3)
STA 4321 Introduction to Statistics (3)
STA 5166 Computational Statistics (3)
STA 5228 Sampling Techniques (3)

Special topics courses, listed under MAT 4930, or other 5000-level mathematics courses can also be taken as electives, with the approval of an undergraduate advisor. In addition, one elective of high mathematical content can be taken from another department, with the approval of an undergraduate advisor and the chairman.

An undergraduate advisor will work with the student in recommending electives which are appropriate for the student’s interests and goals.
Mathematics-related Courses (6-8 cr. hrs.)

Majors, except for majors in mathematics for teaching, must take two courses with laboratories in the Departments of Biology, Chemistry, Geology, or Physics that are required courses for the major within those departments.

Majors will not receive credit toward graduation for the following courses:
- AST 3033 Contemporary Thinking in Astronomy
- QMB 2100 Business and Economic Statistics I
- QMB 3200 Business and Economic Statistics II
- PHY 2020 Conceptual Physics
- STA 2023 Introductory Statistics I
- STA 2122 Social Science Statistics

Majors wishing to take a course in statistics should take STA 4321 Introduction to Statistics.

- MAC X313 Calculus III

Students must also complete two laboratory-based science courses, 4 - 8 semester hours total, from the respective science majors: Biology, Chemistry, or Physics.

- Admission Requirements to the University Program of Study

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. For admission to the program, a student must have completed at least 30 hours of college credit including 8 hours of 3000-level or above mathematics courses, have an overall grade point average of 3.0 or above; and have a grade point average of 3.5 or above in all mathematics courses taken at the 3000-level or above. Further information is available on request from the Department of Mathematics (974-2643).

- Accelerated BA/MA Program

This program is designed for superior students having a solid background in high school mathematics and the ability to handle a fast-paced, challenging program leading to a B.A. and MA degree in mathematics in four to five years.

The program meets all the requirements for the BA degree, but requires the students to take those 5000 and 6000 level courses required for the MA degree during the last two years in the program. By awarding up to 20 hours of dual credit (undergraduate and graduate), the student also uses these courses to satisfy the requirements for the MA in mathematics.

The courses taken to satisfy the requirements below will constitute the major program referred to in the general graduation requirements of the College of Arts and Sciences. A minimum of 12 hours of 4000 level or higher mathematics courses must be taken in residency and must be applicable to the major.

Mathematics Requirement (Min. 45 cr. hrs.)

Majors must complete the following core courses:
- COP 4313 Symbolic Computations in Mathematics (3)
- MAA 4211 Intermediate Analysis I (4)

- Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
  (State Mandated Common Prerequisites)
  Complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured.

  If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, they must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

  Students must complete the prerequisite courses listed below prior to be admitted to the upper-division major. Students who do not complete these prerequisites can be admitted to the University, but not to the upper-division major. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

  EDF 1005 Introduction to Education
  EDG 2701 Teaching Diverse Populations
  EME 2040 Introduction to Educational Technology (Equivalent course or demonstrated competency may be substituted)
  Calculus and Analytic Geometry I, 4 semester hours
  Calculus and Analytic Geometry II, 4 semester hours
  Computer Programming Language (Microcomputer-based Fortran, Pascal, C or C++), 3 semester hours
  Mathematics Elective, 4 semester hours
  Elementary Statistics, 3 semester hours

  At least one course taken to meet the natural science requirements in General Education must include a laboratory component.

- Admission Requirements to the University Program of Study
  Please be aware of the immunization, foreign language, and continuous enrollment policies of the university, and qualitative standards required.

  Admission will require an overall GPA of 2.5 with a minimum score of 960 on the SAT (840 if taken before April 1, 1995) or 20 on the ACT. However, an overall 2.25 GPA will be acceptable with a minimum score of 1030 on the SAT (940 if taken before April 1, 1995) or 22 on the ACT. Official grade forgiveness will be used as appropriate. Students must have passed all sections of CLAST. Professional education courses taken at the community college will transfer as general electives.

- Requirements for the B.S. Degree
  Professional Education Core (25-29 credit hours)
  The required courses in the professional education core are as follows:*

  EDF 3214 Human Development and Learning (3)
  EDF 3604 Social Foundations of Education (3)
  or
  EDF 3542 Philosophy of Education (4)

  EDG 4620 Curriculum and Instruction (3)
  EDF 4430 Measurement for Teachers (3)
  EEX 4070 Exceptional Student Ed (2)
  Internship and Seminar (10-12)
  ESOL Course (1-3)

  Required courses are:
  MAD 3100 Discrete Mathematics (3)
  MAS 3105 Linear Algebra (3)
  MAS 4214 Elementary Number Theory (3)
  MAS 4301 Elementary Abstract Algebra (3)
  MGF 3301 Bridge to Abstract Mathematics (3)
  MHF 4403 The Early History of Mathematics (3)
  MTG 4212 Geometry (4)

  Mathematics Education: Fifteen hours in teaching mathematics at the secondary level.
  Required courses are:
  MAE 4320 Teaching Mathematics in the Middle Grades (3)
  MAE 4330 Teaching Senior High School Mathematics (3)
  MAE 4651 Reading the Language of Mathematics (3)
  MAE 4652 Technology for Teaching Secondary School Mathematics I (3)
  MAE 4653 Technology for Teaching Secondary School Mathematics II (3)
MECHANICAL ENGINEERING

COLLEGE: ENGINEERING
SCHOOL: NONE
DEGREE: BACHELOR OF SCIENCE IN MECHANICAL ENGINEERING
OPTION/TRACK: NONE

LIMITED ACCESS PROGRAM: YES - THIS PROGRAM HAS ADDITIONAL ADMISSIONS REQUIREMENTS AS STATED BELOW.

CAMPUS(ES) WHERE OFFERED/CONTACT:
TAMPA / Coordinator of Advising, Engineering, (813) 974-2684

- Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
(State Mandated Common Prerequisites)

Complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university. If a student wishes to transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, the student must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

The following are transferable courses from the Community College that will be accepted in the Math/Science/Engineering areas:

- Admission Requirements to the University Program of Study

This is a limited access program involving special admissions requirements. Please be aware of the immunization, foreign language, continuous enrollment policies of the university, and qualitative standards required.

**Procedures for Applying to the College of Engineering**

Students should complete and submit an Engineering Admissions Application to the College of Engineering Advising Office. Freshmen and Sophomores must submit copies of high school transcripts, SAT and ACT test scores to the College of Engineering, Advising Office. This is in addition to records requested by the University’s Admissions Office. Transfer applicants must furnish transcripts from previously attended institutions to the College of Engineering, Advising Office. This is in addition to transcripts sent to the University’s Admissions Office. Applicants whose native language is other than English must submit TOEFL scores to the College of Engineering. The minimum TOEFL scores must be 550. Credentials must be received in the Engineering Advising Office 30 days prior to the date of applicable term. Failure to comply will result in the application being denied by the College of Engineering. Credentials will be held for one year. If application is not updated within that year, credentials must be re-submitted.

**Engineering Admissions Requirements**

Transfer students must have completed the equivalent USF Engineering Calculus sequence with a 2.0 GPA; must have completed one year of equivalent USF General Physics and Chemistry courses with a minimum of 2.0 GPA; must have an overall GPA of 2.0 or better.

LIMITED ACCESS PROGRAM: NO, not in junior year. However, admission into the senior year hospital internship is competitive. Students may apply to six affiliated hospitals located in the State of Florida. A minimum GPA of 2.5 overall and in science is generally required in order to be considered. The mean GPA for students admitted last year was 3.1.

CAMPUS(ES) WHERE OFFERED/CONTACT:
TAMPA only / Science Advising Center, Arts and Sciences, (813) 974-2674

• Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
(State Mandated Common Prerequisites)

Students wishing to transfer to USF should complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured.

A student who transfers without an A.A. degree and has fewer than 60 semester hours of acceptable credit must meet the university's entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

Students should complete the following prerequisite courses listed below at the lower level prior to entering the University. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of "C" is the minimum acceptable grade. They may be completed at a community college or other institution or at USF. Courses available at USF are indicated with an asterisk.

1. General Biology I with lab (e.g. BSC 1010, 1010L; BSC 2010, 2010L*) (4)
2a. Human Anatomy and Physiology I with lab (e.g. BSC 1085, 1085L) (4) and Human Anatomy and Physiology II with lab (e.g. BSC 1086, 1086L) (4) or b. Human Physiology with lab (e.g. PCB 4703C; BSC 3092*) (4-5) and one of the following options:
   General Biology II with lab (e.g. BSC 1011, 1011L; BSC 2011, 2011L*) (4) or Genetics with lab (e.g. PCB 3063, 3063L*) (4) or Cell Biology with lab (e.g. PCB 3023, 3023L*) (4) or
   Human Anatomy with lab (e.g. BSC 1095, 1095L; ZOO 3733C) (4)
3. General Microbiology with lab (e.g. MCB 2010, 2010L; MCB 3030C*) (4)
4. General Chemistry I & II with labs (e.g. CHM 1045, 1045L, 1046, 1046L; CHM 2041, 2045L, 2046, 2046L*) (8) 5. Organic Chemistry I with lab (e.g. CHM 2210, 2210L*) (4-5) 6a. Organic Chemistry II with lab (e.g. CHM 2211, 2211L*) (4-5) or b. Quantitative Analysis (e.g. CHM 2120C; CHM 3120C*) (4) 7. Statistics (e.g. STA 2023*) (3-4)

• Admission Requirements to the University Program of Study

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program at the junior level with the above courses recommended.

• Requirements for the B.S. Degree

In addition to the Common Prerequisites listed above, the following courses are required for the degree at USF:

College Algebra (MAC 2102 or MAC 2132) (3)
Determinative Bacteriology (MCB 4115) (5)
Immunology (PCB 5235 or equivalent) (3)
Clinical Chemistry (CHS 4300) (3)

Ability to use computers is essential for work in a modern laboratory. Hospitals recommend elective courses in use of computers and in management.

Upon successful completion of this curriculum and acceptance by one of the affiliated hospitals, the student will complete 12 continuous months of training at that hospital. Hospital programs begin in July or early August each year, and some hospitals also have programs beginning in January or February. During this clinical training, the student will continue to be registered as a full-time student of the University and will receive a total of 30 credit hours of work in:

MLS 4031 Introduction to Medical Technology (1)
MLS 4860 Clinical Urinalysis and Body Fluids (2)
MLS 4861 Clinical Immunology (2)
MLS 4862 Clinical Hematology (6)
MLS 4863 Clinical Microbiology (6)
MLS 4864 Clinical Chemistry (6)
MLS 4865 Clinical Immunohematology (6)
MLS 4866 Clinical Laboratory Management and Education (1)

These courses, listed under "Interdisciplinary Arts and Sciences," will be taught at the hospital. A "C" or higher must be earned in each course. Students successfully completing this program will be granted a Bachelor of Science degree in Medical Technology.
Mental Retardation (K-12) - Special Education

College: Education
School: None
Degree: Bachelor of Arts or Bachelor of Science
Option/Track: No

Limited Access Program: Yes - This program has additional admission requirements as stated below.

Campus(es) Where Offered/Contact:
- Tampa / Program Director, Undergraduate Advising, Education, (813) 974-2458
- Lakeland / Advisor, Education, (941) 667-7011
- Sarasota (Partial) / Advisor, Education, (941) 359-4331
- St. Petersburg (partial) / Advisor, Education, (813) 893-9533

- Program of Study at the Community College or SUS School for Students Planning to Transfer to USF (State Mandated Common Prerequisites)

Students must complete the prerequisite courses listed below prior to be admitted to the upper-division major. Students who do not complete these prerequisites can be admitted to the University, but not to the upper-division major. Unless stated otherwise, a grade of "C" is the minimum acceptable grade.

- EDF 1005 Introduction to Education
- EDG 2701 Teaching Diverse Populations
- EME 2040 Introduction to Educational Technology (Equivalent course or demonstrated competency may be substituted)

Students should also complete 15 hours beyond those taken to meet General Education Requirements from the following liberal arts and sciences areas:
- Fine arts or humanities
- Political sciences, sociology, economics, cultural geography, or speech
- Mathematics
- Natural sciences
- Psychology

At least one course taken to meet the natural science requirements in General Education must include a laboratory component.

- Admission Requirements to the University Program of Study

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university, and qualitative standards required.

Admission will require an overall GPA of 2.5 with a minimum score of 960 on the SAT (840 if taken before April 1, 1995) or 20 on the ACT. However, an overall 2.25 GPA will be acceptable with a minimum score of 1030 on the SAT (940 if taken before April 1, 1995) or 22 on the ACT. Official grade forgiveness will be used as appropriate. Students must have passed all sections of CLAST.

Professional education courses taken at the community college will transfer as general electives. Introduction/General Psychology and Sociology are recommended.

- Requirements for the B.S. Degree

Professional Education Core (36-45 credit hours)
The required courses in the professional education core are as follows:

- EDF 3214 Human Development and Learning (3)
- EDF 3604 Social Foundations of Education (3)
- EDF 3542 Philosophy of Education (4)
- EDG 4620 Curriculum and Instruction (3)
- EDF 4430 Measurement for Teachers (3)
- EEX 4070 Exceptional Student Ed (2)
- Internship and Seminar (10-12)
- ESOL Course (1-3)

Mental Retardation (MR Certification)
Students seeking the B. S. degree with certification in MR are required to take the following courses:

- EEX 4011 Foundations of Special Education (3)
- EEX 4221 Educational Assessment of Exceptional Students (3)
- EEX 4243 Education of the Exceptional Adolescent and Adult (3)
- EEX 4604 Behavior Management for Special Needs and At Risk Students (3)
- EEX 4742 Narrative Perspectives on Exceptionality: Cultural & Ethical Issues (3)
- EEX 4846 Clinical Teaching in Special Education (3)
- EMR 4011 Introduction to Mental Retardation (3)
- EMR 4941 Undergraduate Supervised Practicum in Mental Retardation (1-6)
- LAE 4314 Language Arts in Childhood Education (3)
- MAE 4310 Teaching Elementary School Mathematics I (3)
- RED 4310 Early Literacy Learning (3)
- RED 4511 Literacy in the Intermediate and Middle Grades (3)
MICROBIOLOGY

COLLEGE: ARTS AND SCIENCES
SCHOOL: NONE
DEGREE: BACHELOR OF SCIENCE

PROGRAM OF STUDY AT THE COMMUNITY COLLEGE

- Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
  (State Mandated Common Prerequisites)

  Students should complete the following prerequisite courses listed below at the lower level prior to entering the University. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

  BSC 1010/1010L Introduction to Biology I-Cellular Processes (with lab)
  Acceptable substitutes: PCB X010, PCB X011, PCB X021, PCB X131, BSC X040, BSC 2012

  BSC 1011/1011L Introduction to Biology II-Diversity (with lab)
  Acceptable substitutes: ZOO X010, BOT X010, BSC X041, BOT X013

  CHM 1045/1045L General Chemistry I (with lab)
  Acceptable substitutes: PHY 2043/2043L, PHY 2048/2048L, PHY 2049/2049L, or equivalent

  CHM 1046/1046L General Chemistry II (with lab)
  Acceptable substitutes: PHY 2043/2043L, PHY 2048/2048L, PHY 2049/2049L, or equivalent

  CHM 2210/2210L Organic Chemistry I (with lab)
  Acceptable substitutes: PHY 2053/2053L, PHY 2048/2048L, PHY 2049/2049L, or equivalent

  CHM 2211/2211L Organic Chemistry II (with lab)
  Acceptable substitutes: PHY 2053/2053L, PHY 2048/2048L, PHY 2049/2049L, or equivalent

  MAC X311 Calculus I
  Acceptable substitutes: MAC 2233, MAC 2253, MAC X281

  MAC X312 Calculus II
  Acceptable substitutes: STA 2122, 2014, 2023, 2321 or equivalent; MAC 2234, 2254, 3282

- Admission Requirements to the University Program of Study

  Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

- Requirements for the Microbiology B.S. Major

  Department of Biology Courses - minimum 42 credit hours

  BSC 2010 Biology I - Cellular Processes (3)
  BSC 2010L Cellular Processes Laboratory (1)
  BSC 2011 Biology II - Diversity (3)
  BSC 2011L Diversity Laboratory (1)
  MCB 3030C General Microbiology (4)
  MCB 4115 Determinative Bacteriology (5)
  MCB 4404 Microbial Physiology and Genetics (4)
  MCB 4404L Microbial Physiology and Genetics Laboratory (1)
  PCB 3023 Cell Biology (3)
  PCB 3023L Cell Biology Laboratory (1)
  PCB 3043 Principles of Ecology (3)
  PCB 3063 General Genetics (3)

  Ten (10) hours from the following list:

  BCH 3023L Basic Biochemistry Laboratory (2)
  BOT 4434 Mycology (3)
  MCB 4502 Virology (3)
  MCB 4910 Microbiology Undergraduate Research (1-4)
  MCB 4934 Seminar in Microbiology (1)
  MCB 5206 Public Health and Pathogenic Microbiology (3)
  MCB 5815 Medical Mycology (3)
  PCB 5235 Principles of Immunology (3)
  ZOO 5235 Parasitology (3)

  A maximum of four (4) credit hours of Undergraduate Research (MCB 4910) or Biology Honors Thesis (BSC 4970) may be applied.

  Supporting Courses in the Natural Sciences - minimum 37 credit hours

  CHM 2041 General Chemistry I (3)
  CHM 2045L General Chemistry I Laboratory (1)
  CHM 2046 General Chemistry II (3)
  CHM 2046L General Chemistry II Laboratory (1)
  CHM 2210 Organic Chemistry I (3)
  CHM 2210L Organic Chemistry I Laboratory (2)
  CHM 2211 Organic Chemistry II (3)
  CHM 2211L Organic Chemistry II Laboratory (2)
  MAC 2233 Elementary Calculus I (3)
  MAC 2234 Elementary Calculus II (3)
  MAC 2281 Engineering Calculus I (3)
  MAC 2282 Engineering Calculus II (3)

Continued
MAC 2311  Calculus I  (3)
MAC 2312  Calculus II  (3)
or
MAC 2233  Elementary Calculus I  (3)
STA 2023  Introductory Statistics I  (4)

BCH 3023  Introductory Biochemistry  (3)

Liberal Arts Courses - minimum 45 credit hours

Free Elective Courses needed to complete 120 credit hours.
MUSIC

COLLEGE : FINE ARTS
SCHOOL : MUSIC
DEGREE : BACHELOR OF MUSIC
OPTION/TRACK : PERFORMANCE, COMPOSITION, JAZZ STUDIES

LIMITED ACCESS PROGRAM : NO

CAMPUS(ES) WHERE OFFERED/CONTACT:
TAMPA only / Coordinator of Advising, Fine Arts, (813) 974-3660

• Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF (State Mandated Common Prerequisites)

Students should complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured from the university advisor listed above. If a student wishes to transfer without an A.A. degree and has fewer than 60 semester hours of acceptable credit, the student must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

A music theory placement examination will be administered prior to initial registration in the music theory course sequence. Auditions for admission, level-ranking, and determination of USF credit hour requirements in applied study in the music performance program must be arranged through the School of Music. Secondary piano proficiency audition but credit hours are not required. Other secondary instruments will not apply toward performance or composition programs but may be applicable toward the Music Education degree (see Music Education program).

Students should complete the following prerequisite courses listed below at the lower level prior to entering the University. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of "C" is the minimum acceptable grade. If students are coming to the University from a community college, the following prerequisite courses will be accepted as meeting lower level requirements.

- MUT 1111 Music Theory or MUT 1121, 1122, 2126, or 2127
- MUT 1112 Music Theory or MUT 1121, 1122, 2126, or 2127
- MUT 2116 Music Theory or MUT 1121, 1122, 2126, or 2127
- MUT 2117 Music Theory or MUT 1121, 1122, 2126, or 2127
- MUT 1241 Aural Theory or MUT 1221, 1222, 2226, 2227, 1261, 2266, 2267, 1271, 1272, 2276, or 2277
- MUT 1242 Aural Theory or MUT 1221, 1222, 2226, 2227, 1261, 2266, 2267, 1271, 1272, 2276, or 2277
- MUT 2246 Advanced Aural Theory or MUT 1221, 1222, 2226, 2227, 1261, 1261, 2266, 2267, 1271, 1272, 2276, or 2277
- MUT 2247 Advanced Aural Theory or MUT 1221, 1222, 2226, 2227, 1261, 1261, 2266, 2267, 1271, 1272, 2276, or 2277
- MUN XXXX Chamber Music Ensemble, 4 semester hours
- MVK 1X1X Secondary Applied Music Courses, 2-4 semester hours
- MVK 2X2X Secondary Applied Music Courses, 2-4 semester hours

Secondary Piano Proficiency by Examination or MVK 1111, 1112, and 2122 or MVK 1111r, 1112r, 2121r, and 2121r or MVK 1211 and 2221

Electives: Music credits beyond those required may be used as program electives.

• Admission Requirements to the University Program of Study

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

• The B.M. Degree (Performance, Composition and Jazz Studies)

General Requirements
All students seeking a Bachelor of Music degree are required to (1) complete successfully the piano proficiency (jazz piano proficiency required instead for all jazz majors) and music theory-history-literature requirements; (2) present a partial recital during the junior year (except composition majors); (3) present a full recital during the senior year (except music education majors); (4) present a record of satisfactory recital attendance through registration in MUS 2010 (see the specific requirements for MUS 2010 as set by the music faculty). Students must be enrolled in applied music studio during the semester of the recital. Other procedures are mandated through the student handbook of the School of Music. Exceptions to all departmental procedures must be authorized through the Director of the School of Music.

Promotion to the next higher level in applied music is made only upon the recommendation of a performance jury conducted by that concentration’s faculty. Where appropriate for the degree, the student is required to complete a minimum of two semesters, but no more than three semesters at the 2000 or 3000 level of applied music. Failure to complete these levels within the three semester maximum brings automatic dismissal from the program. Students may repeat the 4000 level as necessary to fulfill the total credit hour requirement (3000 level for composition or music education). Credit for only 2 semesters of applied music at the 1000, 2000, or 3000, levels will be applied toward the degree.

Core Requirements for all Performance, and Composition Concentrations

Music Theory (22)
- MUT 1111, 1112 Music Theory (3,3)
- MUT 1241, 1242 Aural Theory (1,1)
- MUT 2116, 2117 Music Theory (3,3)
- MUT 2246, 2247 Aural Theory (1,1)
- MUT 4571 Twentieth Century Practice (3)
- MUS 4411 Sixteenth Century Practice (3)
- or MUS 4421 Eighteenth Century Practice (3)

Music Literature (3)
- MUL 2111* Introduction to Music Literature (3)
*This course also satisfies 3 hours of Historical Perspectives in the Liberal Arts Curriculum.

Music History (8)
- MUH 3301* Music History/Baroque and Classic (3)
- MUH 3302* Music History/Romantic and 20th Century (3)
- MUH 3300 Music History: Medieval and Renaissance (2)
- MUH 4058 Intercultural Music in the Twentieth Century (3)

Continued
or

MUH 4801 History of Jazz (3)

*Either course also satisfies 3 hours of Liberal Arts Exit Requirements in Major Works/Major Issues.

Conducting (2)

MUG 3104 Basic Conducting (2)

Senior Seminar (1)

MUS 4935 Music Senior Seminar (1)

Ensemble - Performance Majors (8), Composition (8)

All undergraduate students enrolled in applied music for 3 or 2 credit hours are required to be enrolled in a major ensemble appropriate to their performing medium.

Music Electives (12-13 hours)

Fine Arts Requirement (6 hours)

Music majors should take one 3-hour Fine Arts course certified in Historical Perspectives and one 3-hour Fine Arts course certified in the Fine Arts Perspective of the Liberal Arts Curriculum in order to graduate within 120 semester credit hours.

Core Requirements for Jazz Studies Performance and Jazz Studies Composition Concentrations

Music Theory (26)

MUT 1111, 1112 Music Theory (3,3)
MUT 1241, 1242 Aural Theory (1,1)
MUT 2116, 2117 Music Theory (3,3)
MUT 2246, 2247 Aural Theory (1,1)
MUT 3641 Jazz Theory and Improvisation I (2)
MUT 3642 Jazz Theory and Improvisation II (2)
MUT 3353 Jazz Composition and Arranging I (3)
MUT 3354 Jazz Composition and Arranging II (3)

Music Literature (3)

MUL 2111* Introduction to Music Literature (3)

*This course also satisfies 3 hours of Historical Perspectives in the Liberal Arts Curriculum.

Music History (9)

MUH 3301* Music History/Baroque and Classic (3)
MUH 3302* Music History/Romantic and 20th Century (3)
MUH 4801 History of Jazz (3)

* Either course also satisfies 3 hours of Liberal Arts Exit Requirements in Major Works/Major Issues.

Conducting (2)

MUG 3104 Basic Conducting (2)

Senior Seminar (1)

MUS 4935 Music Senior Seminar (1)

Elective Hours in Music (9)

Ensemble - Performance (8), Composition (8)

All students enrolled in applied music for 3 or 2 hours are required to enroll in a major ensemble appropriate to their performing medium.

Additional Requirements for Specific Concentrations

Performance Concentration

A total of 24 credit hours of applied music major is required with a minimum of 6 hours to be completed at the 4000 level and concurrent registration in MUS 2010 (Recital Attendance).

Performance majors in voice must "elect" to enroll for MUS 3201 for a total of 3 credits as a part of the Music Electives and MUO 3501 for 2 credits as a part of the Ensemble hours. Additionally, there is a program exit requirement of earned credit or the equivalent in beginning French, German, and Italian languages.

Performance majors in piano are required to "elect" to enroll in MVK 4640 for 4 credits as a part of the Music Electives.

The following requirements for the piano pedagogy emphasis are to be taken as a part of the Music Electives:

MVK 4640 Piano Pedagogy I (4)
MVK 4641 Piano Pedagogy II (4)

Junior and senior recital requirements may be fulfilled in one of the following ways; (1) lecture/recital, (2) ensemble performance, (3) recital.

Jazz Studies Concentration

Performance Emphasis

The following courses are required in addition to the core requirements:

MUT 3663 Advanced Jazz Improvisation I (2)
MUT 3664 Advanced Jazz Improvisation II (2)

Applied music (major) through the 3000 level (min. of 18 hours).

The first 4 semesters and a sophomore level jury are under the guidance of the traditional applied faculty for all wind students, after which they will move from that studio to the studio of the Associate Director of Jazz Studies for their final semesters of applied studies.

Jazz piano proficiency required.

Composition Emphasis

The following courses are required in addition to the core requirements:

MUC 2221 Composition (6)
MUC 4203 (3)
MUC 4204 (3)
Elective Composition (6)
Applied music (principal) with a minimum of 4 hours at the 2000 level.
Jazz piano proficiency required.

Composition Concentration
All students seeking a degree in music with a composition concentration are required to fulfill the senior composition requirements (with the approval of the entire composition faculty) in one of the following ways; (a) a complete public performance of works by the student composer, (b) the public performance of several compositions in various concerts throughout the composer's senior year, (c) the formal presentation to the composition faculty of an extensive portfolio of compositions plus the public performance of at least one of these works during the senior year, or (d) in other ways designated by the composition faculty.

Applied Music (Principal) (8)
A minimum of 8 credit hours of applied music is required with a minimum of 4 credit hours at the 2000 level and concurrent registration in MUS 2010 (recital attendance).

MUSIC EDUCATION

COLLEGE: FINE ARTS
SCHOOL: MUSIC
DEGREE: BACHELOR OF ARTS OR BACHELOR OF SCIENCE
OPTION/TRACK: NONE

LIMITED ACCESS PROGRAM: NO

CAMPUS(ES) WHERE OFFERED/CONTACT:
TAMPA only / Coordinator of Advising, Fine Arts, (813) 974-3660

• Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
(State Mandated Common Prerequisites)
Students should complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured from the university advisor listed above. If a student wishes to transfer without an A.A. degree and has fewer than 60 semester hours of acceptable credit, the student must meet the university's entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.
A music theory placement examination will be administered prior to initial registration in the music theory course sequence.
Auditions for admission, level-ranking, and determination of USF credit hour requirements in applied study in the music performance program must be arranged through the School of Music. Secondary piano proficiency auditions but credit hours are not required. Other secondary instruments will not apply toward performance or composition programs but may be applicable toward the Music Education degree (see Music Education program).
Students should complete the following prerequisite courses listed below at the lower level prior to entering the University. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of "C" is the minimum acceptable grade. If students are coming to the University from a community college, the following prerequisite courses will be accepted as meeting lower level requirements.

MUT 1111 Music Theory or MUT 1121, 1122, 2126, or 2127
MUT 1112 Music Theory or MUT 1121, 1122, 2126, or 2127
MUT 2116 Music Theory or MUT 1121, 1122, 2126, or 2127
MUT 2117 Music Theory or MUT 1121, 1122, 2126, or 2127
MUT 1241 Aural Theory or MUT 1221, 1222, 2226, 2227, 1261, 1261, 2266, 2267, 1271, 1272, 2276, or 2277
MUT 1242 Aural Theory or MUT 1221, 1222, 2226, 2227, 1261, 1261, 2266, 2267, 1271, 1272, 2276, or 2277
MUT 2246 Advanced Aural Theory or MUT 1226, 1261, 2266, 2267, 1261, 1261, 2266, 2267, 1271, 1272, 2276, or 2277
MUT 2247 Advanced Aural Theory or MUT 1221, 1222, 2226, 2227, 1261, 1261, 2266, 2267, 1271, 1272, 2276, or 2277
MUN XXX Chamber Music Ensemble. 4 semester hours
MVX 1X1X Secondary Applied Music Courses, 2-4 semester hours
MVX 2XX Secondary Applied Music Courses, 2-4 semester hours
Secondary Piano Proficiency by Examination or MVK 1111, 1112, and 2122 or MVK 1111r, 1112r, 2121r, and 2121r or MVK 1211 and 2221

• Admission Requirements to the University Program of Study
Admission will require an overall GPA of 2.5 with a minimum score of 840 on the SAT (950 if taken after April 1, 1995) or 20 on the ACT. However, an overall 2.25 GPA will be acceptable with a minimum score of 940 on the SAT (1030 if taken after April 1, 1995) or 22 on the ACT. Official grade forgiveness will be used as appropriate. Students must have passed all sections of CLAST.
Introduction/General Psychology and Sociology are recommended.
Music students must be accepted by audition in their performance area by the School of Music. A music theory placement examination will be administered prior to initial registration in the music theory course sequence.

• Requirements for the B.S. Degree
The music education curriculum is designed to serve students who wish to develop a high level of musical expertise and have a commitment to help develop similar musical potential in other people. All students seeking a degree in music education are required to pass an audition in their respective performance area and to take a music theory placement test prior to registering for any music theory class. Students may obtain the dates for these examinations from the music office. Special requirements for all music education majors; successful completion of the piano proficiency requirements as defined by the music and music education faculties; participation in a major performing ensemble each semester the student is enrolled in applied music; and the presentation of a one-half hour recital in the major performing medium during the last semester of enrollment in applied music.

Students are to present a record of satisfactory recital attendance through registration in MUS 2010 (see the specific requirements for MUS 2010 as set by the music faculty).

Note exceptions applicable to this program.

TAMPA only / Nursing, (813) 974-9305

- **Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF**  
  (State Mandated Common Prerequisites)

  The University and the College of Nursing work closely with the community colleges within the 15 county USF service area. The University's Liberal Arts requirements and College of Nursing's prerequisite/support courses may be completed through the A.A. degree at the community college. A minimum of 60 semester hours must be completed at the university unless prior approval is secured from the university advisor listed. If a student wishes to transfer without an A.A. degree and has fewer than 60 semester hours of acceptable credit, the student must meet the university's entering freshman requirements including ACT or SAT test scores, GPA, and course requirements. The A.A. degree satisfies admission requirements only if courses are carefully selected and include the required major prerequisite/support courses.

  The College of Nursing requires certain courses within the Liberal Arts requirement for the natural, social and behavioral sciences, and mathematics as listed under the heading "Specific Course Requirements." Students must complete the prerequisite courses listed below prior to being admitted to the upper-division major. Students who do not complete these prerequisites can be admitted to the University, but not to the upper-division major. Unless stated otherwise, a grade of "C" is the minimum acceptable grade.

- BSC X085C Human Anatomy & Physiology I or Any Human Anatomy & Physiology I course, 3-4 semester hours
- BSC X086C Human Anatomy & Physiology II or Any Human Anatomy & Physiology II course, 3-4 semester hours
- DEP X004 Human Growth & Development or Any Human Growth & Development course, 3 semester hours
- CHM XXXX Comprehensive General Chemistry (CHM 1032 or higher), 4-6 semester hours
- HUN X201 Human Nutrition or Any Human Nutrition course, 3 semester hours
- MCB X010C Microbiology or Any Microbiology course, 4 semester hours
- PSY X012 Introduction to Psychology or Any General Psychology course, 3 semester hours
- STA X014 Statistics or Any Statistics course, 3 semester hours
- SYG X000 Introduction to Sociology or Any Introduction to Sociology course, 3 semester hours

**Admission Requirements to the University Program of Study**

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university.

In order to be considered for full admission to the college, the applicant must:

- Submit an application to USF by the appropriate deadline.
- Submit an application and all supporting materials, including official transcripts, to the College of Nursing by the appropriate deadline.
- Maintain a minimum grade point average of 2.5 with a grade of "C" or better in each Liberal Arts course required for the major.
- Complete prior to enrollment in the major all those Liberal Arts courses required for admission to the major.
- Complete all Liberal Arts/General Education requirements or equivalent courses required for the major with not more than two (2) repeated courses and not more than one (1) repeat of any given course.
- Complete the College Level Academic Skills Test (CLAST) and the writing and computation course requirements of 6A-10.30 (Gordon Rule).
- Complete an approved cardiopulmonary resuscitation (BCLS) course prior to enrollment.
- Priority will be given to individuals who have completed all prerequisite courses by the application deadline.

**Degree Requirements**

Students will be certified for the Bachelor of Science degree with a major in nursing upon completion of 124 semester hours composed of Liberal Arts requirements, science support courses (natural, social/behavioral), required nursing courses, upper level electives or exit requirements. A minimum grade of "C" or better must be attained in each course in the major and cumulative grade point ratio of 2.0 or better must be maintained throughout the program. At least 40 semester hours must be upper level work (courses numbered 3000 or above).

**Nursing Courses - Basic Baccalaureate Sequence**

**Junior Year (2 semesters)**

- **NUR 3113**: Culture of Nursing  
- **NUR 3114**: Introduction to Clinical Judgement  
- **NUR 3114L**: Introduction to Clinical Practice  
- **NUR 3064C**: Health Assessment Across the Life Span  
- **NUR 3829**: Ethical Legal  
- **NUR 3145**: Pharmacology in Nursing Practice  
- **NUR 3215**: Adult Health I  
- **NUR 3215L**: Clinical Practice in Adult Health II  
- **NUR 3284C**: Gerontological Nursing

**Senior Year (3 semesters)**

- **NUR 4216**: Adult Health II  
- **NUR 4216L**: Clinical Practice in Adult Health II  
- **NUR 4165**: Nursing Inquiry  
- **NUR 4041**: Culture in Nursing Practice  
- **NUR 4616**: Family Health  
- **NUR 4616L**: Clinical Practice in Family Health  
- **NUR 4636**: Community Health  
- **NUR 4636L**: Clinical Practice in Community Health  
- **NUR 4765C**: Rehabilitation Across the Life Span  
- **NUR 4838**: Leadership/Management  
- **NUR 4525**: Psychiatric/Mental Health  
- **NUR 4525L**: Clinical Practice in Psychiatric/Mental Health  
- **NUR 4766**: Critical Care  
- **NUR 4948L**: Preceptorship

In addition to the requirements listed above, a minimum of 10 credits in upper level electives including exit requirements will be required for graduation. Planning with an academic advisor prior to enrollment in upper-level electives is strongly recommended.

- Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
(State Mandated Common Prerequisites)
Students wishing to transfer to USF should complete the A.A. degree at the community college. Some courses required for the major may also
meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed
at the university unless prior approval is secured. If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable
credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

There are no State Mandated Common Prerequisites for this degree program.

Students should complete the following prerequisite courses listed below at the lower level prior to entering the University. If these courses are
not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of "C" is the minimum
acceptable grade.
Mathematics (any courses).
Foreign Languages (Beginning and Intermediate German, French, Classical Greek, or Latin) (1120-1121 level and 2200-2201 level)
Classics (CLT, CLA for example)

- Admission Requirements to the University Program of Study
Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access
program with the above courses recommended.

- Requirements for the Major in Philosophy
Majors in philosophy must complete at least 30 credit hours made up as follows:
PHH 3062 History of Philosophy: Ancient and Medieval (3)
PHH 3420 History of Philosophy: Modern (3)
PH 2100 Introduction to Formal Logic (3)
or
PHI 5135 Symbolic Logic (3)
PHI 2600 Ethical Theory (3)

At least one of the following:
PHI 4300 Theory of Knowledge (3)
PHI 5225 Philosophy of Language (3)
PHI 4320 Philosophy of Mind (3)

6 credit hours of 4000 or 5000 level Philosophy courses
9 credit hours of Philosophy electives

Honors Program
The Honors Program in Philosophy allows superior students to pursue philosophical studies at a more advanced level than is customary in
undergraduate philosophy programs. Students in the Honors Program will be required to do independent research, to participate in an Honors
Seminar, and to write and defend an undergraduate thesis.

Admission Criteria:
Students must complete
PHI 2100 Introduction to Formal Logic (3)
PHH 3062 History of Philosophy: Ancient and Medieval (3)
PHH 3420 History of Philosophy: Modern (3)

with a grade point average of 3.6.

Students must have an overall grade point average of 3.0, and their grade point average in Philosophy must be at least 3.5.
Students must be nominated for admission into the Philosophy program by a faculty member in Philosophy, and a majority of the faculty who
have taught the student must approve the student's admission into the program.

Program Requirements:
Students must complete the requirements for the Philosophy major in accordance with the following provisions:
students must take either PHH 4440 Continental Philosophy or PHH 4600 Contemporary Philosophy

students must take one course from each of the following groups:

Group 1
PHI 3404 Scientific Method (3)
PHI 4320 Philosophy of Mind (3)
PHI 4300 Theory of Knowledge (3)
PHI 5225 Philosophy of Language (3)
PHP 4784 Analytical Philosophy (3)

Group 2
PHI 2600 Ethical Theory (3)
PHI 3601 Contemporary Moral Issues (3)
PHI 3700  Philosophy of Religion          (3)
PHI 4800  Aesthetics                      (3)
PHM 3021  Philosophies of Love and Sex   (3)
PHM 3400  Introduction to Philosophy of Law (3)

Group 3

PHP 4745  Empiricists                     (3)

Students must take an Honors Seminar in their senior year.

Students must write a senior thesis and undergo an oral examination on the thesis before a committee of two faculty members, with the Chair as an ex officio member of every such committee.

Students cannot receive a grade lower than a "B" in any Philosophy course, and their grade point average in Philosophy must be at least a 3.5 to remain, or be graduated from the Philosophy Honors program.

Students must complete 35 credit hours in Philosophy, including the 3-hour thesis course and the 3-hour Honors Seminar.
PHYSICAL EDUCATION

COLLEGE : EDUCATION
SCHOOL : PHYSICAL EDUCATION, WELLNESS, AND SPORT STUDIES
DEGREE : BACHELOR OF ARTS OR BACHELOR OF SCIENCE
OPTION/TRACK : PHYSICAL EDUCATION-ELEMENTARY (K-8)

LIMITED ACCESS PROGRAM: YES-THIS PROGRAM HAS ADDITIONAL ADMISSION REQUIREMENTS AS STATED BELOW.

CAMPUS(ES) WHERE OFFERED/CONTACT:
TAMPA only / Program Director, Undergraduate Advising, Education, (813) 974-2458

• Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
(State Mandated Common Prerequisites)
Complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured.

If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, they must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

Students must complete the prerequisite courses listed below prior to being admitted to the upper-division major. Students who do not complete these prerequisites can be admitted to the University, but not to the upper-division major. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

EDF 1005 Introduction to Education
EDG 2701 Teaching Diverse Populations
EME 2040 Introduction to Educational Technology
(Equivalent course or demonstrated competency may be substituted)

The following courses are recommended to be completed before entering the programs:
- Anatomy & Physiology with Lab, 3-4 semester hours
- Care & Prevention of Athletic Injuries, 3-4 semester hours
- or Anatomy & Physiology II with lab
- First Aid, 3 semester hours

• Admission Requirements to the University Program of Study
Please be aware of the immunization, foreign language, and continuous enrollment policies of the university, and qualitative standards required.
Admission will require an overall GPA of 2.5 with a minimum score of 960 on the SAT (840 if taken before April 1, 1995) or 20 on the ACT. However, an overall 2.25 GPA will be acceptable with a minimum score of 1030 on the SAT (940 if taken before April 1, 1995) or 22 on the ACT. Official grade forgiveness will be used as appropriate. Students must have passed all sections of CLAST.

• Requirements for the B.S. Degree
The two-year program is offered beginning in the junior year and includes mandatory attendance during the summer session between the junior and senior years.

CORE COURSES FOR ALL TRACKS:
- PET 3010 Personal/Professional Development Seminar (3)
- PET 3310 Kinesiology (3)
- PET 3351 Exercise Physiology I (3)

SARASOTA (Partial) / Advisor, Arts and Sciences, (813) 359-4331
ST. PETERSBURG / Advisor, Arts and Sciences, (813) 893-9507

- Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
(State Mandated Common Prerequisites)

Students should complete any two introductory courses with a POS, INR or CPO prefix (ideally POS 1041 or POS 2041, and POS 1112 or POS 2112) at the lower level prior to entering the University. If these introductory courses are not taken at the community college, they must be completed before the degree is granted. A grade of "C" is the minimum acceptable grade.

- Admission Requirements to the University Program of Study

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

- Requirements for the Major in Political Science

A minimum of 36 credit hours is required to satisfy the requirements of the major. Students must take the 12 credit hours of required core courses in political science. No more than six credit hours can be taken from POS 4905, POS 4910, and POS 4941. (A GPA of 3.0 is required to enroll in these courses; special exception may be granted by the Chair for students with a GPA between 2.70 and 2.99).

Students transferring credit hours toward a major in political science must complete a minimum of 21 credit hours within the Department, regardless of the number of credits transferred, in order to satisfy the requirements of the major.

The undergraduate curriculum in political science is composed of the following:

Required Core Courses (12 cr. hrs.)
CPO 2002 Introduction to Comparative Politics (3)
or
INR 2002 Introduction to International Relations (3)
POS 2041 American National Government (3)
POS 3713 Empirical Political Analysis (3)
POT 3003 Introduction to Political Theory (3)

Note that either CPO 2002 or INR 2002 must be taken as a core course. However, the other course not taken as a core course may be taken as an elective.

Students should complete POT 3003 and POS 3713 by the end of the first semester of their junior year; students transferring with 45 credit hours or more must complete these courses within their first two semesters in residence at USF. A grade of "C" or better is required in all core courses.

Electives from the seven fields (24 cr. hrs.) with at least one course from Field I, one course from Field II or III, and one course from any of Fields IV, V, VI, or VII; no course from a given field or field grouping can be taken until the core course has been completed.

Field I - Political Theory
POT 3013 Classical Political Theory (3)
POT 4054 Modern Political Theory (3)
POT 4064 Contemporary Political Thought (3)
POT 4204 American Political Thought (3)
POT 5626 Issues in Political Philosophy and Law (3)

Field II - Comparative Government and Politics
CPO 4034 Politics of the Developing Areas (3)
CPO 4930 Comparative Government and Politics of Selected Countries or Areas (3)
CPO 5934 Selected Topics in Comparative Politics (3)

Field III - International Relations
INR 3102 American Foreign Policy (3)
INR 3038 International Issues and Actors (3)
INR 3336 Intelligence and U.S. Foreign Policy (3)

CAMPUS(ES) WHERE OFFERED/CONTACT:
TAMPA only / Coordinator of Advising, Arts and Sciences, (813) 974-2503

• Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
(State Mandated Common Prerequisites)

Students wishing to transfer to USF should complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured. If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

There are no State Mandated Common Prerequisites for this degree program.

Students are encouraged to complete the following prerequisites, or major, support, or elective courses if available, during the program of study at the community college, and when feasible in General Education/Gordon Rule courses. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

AMH 2010 American History I 3
AMH 2020 American History II 3
ENC 3310 English--Essay Writing 3
EUH 1000 World Civilization I 3
EUH 1101 World Civilization II 3
POS 2112 State and Local Government 3
SPC 2600 Public Speaking 3

• Admission Requirements to the University Program of Study

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

• Requirements for the Pre-Law Plan in Political Science

The area of Political Science offers a pre-law plan designed for the undergraduate considering a career related to law; Field VII of the undergraduate curriculum (Law and Politics). The courses making up the field are of particular interest to law-oriented students, but may be taken by others as well. Majors are guided to those courses which develop skills and provide information needed for good performance in the study of law. Students receive the skills and information needed for entry into a number of law-related positions in business and government. An integral part of this plan is a high degree of student access to the Political Science's pre-law advisor.

Prior to admission to law school, a student must take the Law School Admission Test (LSAT). This test is given by the Educational Testing Service of Princeton, New Jersey.

The Law School Admission Test is given simultaneously several times each year at the University of South Florida and numerous other testing centers throughout the state. Students should plan to take the test at least one year prior to planned enrollment in law school. Additional information is available from the Department of Government and International Affairs, University of South Florida.

(Pre-law is not a prescribed program of study. No specific college major is required for admission to law school. Those students intending to pursue the study of law must obtain a Bachelor’s degree in an arena of personal choice. It is generally agreed that knowledge and understanding of the political, economic, and social context within which legal problems arise facilitate a career in law.)

TAMPA only / Science Advising Center, Arts and Sciences, (813) 974-2674

• Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
(State Mandated Common Prerequisites)

Students are encouraged to complete the A.A. degree and include the following courses, if available, during the program of study at the community college:

One year each, if offered, of:
- General Chemistry (CHM 2041, 2045L and CHM 2046, 2046L) (8)
- Organic Chemistry (CHM 2210, 2210L and CHM 2211, 2211L) (8-10)
- General Physics (PHY 2053, 2053L and PHY 2054, 2054L or PHY 2048, 2048L and PHY 2049, 2049L) (8)
- College Mathematics (some schools require calculus) (8)

Depending upon the professional school, additional science courses may be required or strongly recommended as indicated in the preceding sections. Exposure to a health profession is also required.

There are no State Mandated Common Prerequisites for this degree program.

• Admission Requirements to the University Program of Study

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

• Health Professions Programs

The College of Arts and Sciences offers programs designed to prepare students for admission to professional schools of medicine, osteopathic medicine, dentistry, optometry, podiatric medicine, and veterinary medicine. Usually these professions require four years of preprofessional preparation followed by four years of training in a professional school. A few well prepared students with exceptional qualifications may be admitted to some professional schools as early as the completion of the junior year of preprofessional work. The preprofessional programs do not meet requirements for a degree, but students should plan to also complete a degree while at USF because, while not specifying a major, professional schools prefer students with a bachelor's degree. Most preprofessional students major in the sciences because of their interests in the health sciences, and because of the considerable overlap between the preprofessional curriculum and the degree requirements for majors in the biology and chemistry departments. Entrance into all professional schools or programs is competitive, and students should begin establishing a record of excellence with the first semester. Furthermore, it is essential that students pursue courses developing a sense of understanding of cultural and humane values and basic social problems.

The College of Arts and Sciences provides academic advising in the Science Advising Center. The office maintains a library of current catalogs and books on admission requirements for professional schools and is an important resource center for preprofessional students. Students considering one of the health professions should contact the College of Arts and Sciences during the first semester at USF to declare their interest in a health professions program. Students are then assigned to the Science Advising Center for curriculum planning, and each semester the office provides students with updated academic records. At the time of application to professional schools, students are provided information about admission tests and the application process, and they are assisted in the process of obtaining faculty evaluations.

- Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
  (State Mandated Common Prerequisites)
  Students wishing to transfer to USF should complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured. If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.
  The transfer student should also be aware of the immunization, foreign language, and continuous enrollment policies of the university. Students should complete the following prerequisite courses listed below at the lower level prior to entering the University. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of "C" is the minimum acceptable grade.

  PSY X012 Introduction to Psychology or Any other lower level Psychology course
  STA XXXX Any level Statistics course
  BSC XXXX Any level Biology course or Any lower level Zoology course

- Admission Requirements to the University Program of Study
  Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

- Requirements for the Major in Psychology
  Majors must complete at least 34 semester hours in the field. A minimum grade of "C" or better must be attained in each course in the major.
  All majors must complete:

  2000/3000 Level Requirement (6 semester hours)
  Successful completion of: PSY 3044 (3 semester hours) and one of the following:
  - INP 2101 Applied Psychology (3)
  - PSY 3022 Introduction to Contemporary Psychology (3)
  - PSY 3044 Contemporary Problems in Psychology (3)
  - SOP 3742 Psychology of Women (3)

  Methods Course Requirement (7 semester hours)
  Successful completion of: PSY 3213 and one of the following:
  - CLP 4433 Psychological Tests and Measurement (3)
  - PSY 4205 Experimental Design and Analysis (3)
  or another methods course approved by the undergraduate advisor in Psychology.

  4000 Level Requirement (21 semester hours)
  Successful completion of 7 additional Psychology courses numbered at the 4000 level selected as follows: At least two courses from each of the two groups below:

  Group I
  - EXP 4204C Perception (3)
  - EXP 4304 Motivation (3)
  - EXP 4404 Psychology of Learning (3)
  - EXP 4523C Cognitive Psychology (3)
  - PSB 4013C Physiological Psychology (3)
  - CLP 4143 Abnormal Psychology (3)
  - DEP 4005 Developmental Psychology (3)
  - INP 4004 Industrial Psychology (3)
  - PPE 4004 Personality (3)
  - SOP 4004 Social Psychology (3)

  Group II
  - PSY 4913 Directed Study (1-3)
  - PSY 4970 Honors Thesis (1-3)
  - PSY 4932 Honors Seminar may not count toward the major.
  - PSY 4205 Experimental Design and Analysis is recommended for students planning graduate training. Functional mathematics and biological science are also recommended.

  Otherwise, students majoring in psychology are encouraged to complete a varied undergraduate program.

- Note: No more than a total of 3 hours of the following courses may count toward the major:
  - PSY 4913 Directed Study
  - PSY 4970 Honors Thesis
  - PSY 4932 Honors Seminar may not count toward the major.
  - PSY 4205 Experimental Design and Analysis is recommended for students planning graduate training. Functional mathematics and biological science are also recommended.

  A prerequisite for all 4000-level courses is a grade of "C" or better in both PSY 3044 Experimental Psychology and PSY 3213 Research Methods in Psychology. For students minorin Psychology or those majoring in Interdisciplinary Social Sciences, a grade of "C" or better in any college-level statistics course will substitute for the PSY 3213 requirement.

  There are no State Mandated Common Prerequisites for this degree program.

- Admission Requirements to the University Program of Study
  Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

- Requirements for the Major in Religious Studies
  A total of 36 credit hours chosen from Religious Studies courses. Transfer students may not apply more than 12 hours taken elsewhere toward the major at the University of South Florida. Only letter grades will be counted toward the (minimum of 24 credit hours taken at the University of South Florida for transfer students or) 36 (for non-transfer students) credit hours necessary to complete the 36 credit hours required for the major. Students taking Religious Studies as a second major need to complete only 30 credit hours. To do so they must make a written request to the Undergraduate Director at the time they declare their major.

  All majors must take:
  REL 3003 Introduction to Religion (3)
  REL 4949 The Development of Religious Studies (3)
  REL 4931 Seminar in Religion (3)
  An additional 27 credit hours chosen from Religious Studies courses. Students are expected to study at least two different religious traditions.

  All transfer student must take a minimum of 24 hours in Religious Studies courses at the University of South Florida.

  It is the prerogative of the Department of Religious Studies to determine whether courses taken at other universities may be applied toward the major at the University of South Florida. This will be decided as soon as the student becomes a major in the Department of Religious Studies at the University of South Florida.

  The department's course offerings are sufficiently varied that a student should expect to enroll in its scheduled classes. No more than three directed studies courses may be applied toward the major. Any student who wishes to take any type of directed study, including REL 3900, must have the (written) approval of his/her instructor, and the director of undergraduate studies.

  - Physics with Lab, 8 semester hours  
  - Biology with Lab, 8 semester hours or Chemistry with Lab, 8 semester hours  
  - Calculus, 9 semester hours

- **Admission Requirements to the University Program of Study**

  Please be aware of the immunization, foreign language, and continuous enrollment policies of the university, and qualitative standards required. Admission will require an overall GPA of 2.5 with a minimum score of 960 on the SAT (840 if taken before April 1, 1995) or 20 on the ACT. However, an overall 2.25 GPA will be acceptable with a minimum score of 1030 on the SAT (940 if taken before April 1, 1995) or 22 on the ACT. Official grade forgiveness will be used as appropriate. Students must have passed all sections of CLAST.

  Professional education courses taken at the community college will transfer as general electives.

- **Requirements for the B.S. Degree**

  Professional Education Core (25-29 credit hours)

  The required courses in the professional education core are as follows:

  - EDF 3214 Human Development and Learning (3)  
  - EDF 3604 Social Foundations of Education (3)  
  or  
  - EDF 3542 Philosophy of Education (4)

  - EDG 4620 Curriculum and Instruction (3)  
  - EDF 4430 Measurement for Teachers (3)  
  - EEX 4070 Exceptional Student Ed (2)  
  - Internship and Seminar (10-12)  
  - ESOL Course (1-3)

  Science:

  A minimum of 32 semester hours in the discipline of major concentration (Biology, Chemistry, or Physics) and a minimum of 16 semester hours within the natural sciences outside the concentration area.

  Science Education:

  As a minimum, satisfactory completion of the following courses:

  - SCE 4305 Communication Skills in the Science Classroom (2)  
  - SCE 4320 Teaching Methods in Middle Grade Science (3)  
  - SCE 4330 Teaching Methods in the Secondary School Sciences (3)

  and one choice from among science/technology/society interaction, history of science, or scientific method. These courses deal with philosophy of science, communication skills and the teaching of science at the middle grades and secondary school levels. In addition, a Physics major will need a three credit hour course in computer applications in physics.

SOCIAL WORK

COLLEGE : ARTS AND SCIENCES
SCHOOL : NONE
DEGREE : BACHELOR OF SOCIAL WORK
OPTION/TRACK : NONE

LIMITED ACCESS PROGRAM : YES - THIS PROGRAM HAS ADDITIONAL ADMISSION REQUIREMENTS AS STATED BELOW

CAMPUS(ES) WHERE OFFERED/CONTACT:
TAMPA only / Coordinator of Advising, School of Social Work, Arts and Sciences, (813) 974-2063

- Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
(State Mandated Common Prerequisites)

This is a limited access program. Students wishing to transfer to USF should complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured. If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

Students should complete the following prerequisite courses listed below at the lower level prior to entering the University. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of “C” is the minimum acceptable grade. Students will be admitted to the Pre-Social Work program upon completion of these five courses:

- American Government
- Biology
- Introduction to Economics
- Macroeconomics or Microeconomics
- Introductory Psychology
- Introductory Sociology or Introduction to Social Problems

Once the following courses are completed and other admissions criteria are met, students may be admitted to the School of Social Work.

Cross-Cultural Issues, 3 semester hours.
SOW 3302 Introduction to Social Work, minimum grade = B.
SOW 3203 American Social Welfare, minimum grade = B.

- Admission Requirements to the University Program of Study

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a limited access program.

Admission to the B.S.W. program is a three-stage process, i.e., common prerequisites, foundation, and core curriculum. Any student who holds a minimum of Sophomore standing and has completed common prerequisite work in political science, biology, economics, psychology and sociology (see specific requirements below) may declare a presocial work major. This is done by filing a declaration of major form with the College of Arts and Sciences, Records and Advising Office. All pre-majors will be assigned to an advisor within the School who will assist the student in selecting courses. Many students will have already taken most of the common prerequisite courses as part of general distribution at USF or in their course of study at a community college. After completion, a student will be ready for foundation courses in the pre-social work major, a final step in applying for admission to the B.S.W. program as a full major. It is necessary to be admitted as a major before taking core social work courses.

Admission requirements for the social work major are as follows:

1. A student must have completed a minimum of one semester as a pre-social work major;
2. A student must have completed required common prerequisites and foundation courses (see listing);
3. A student must complete an application for admission and file it with the School of Social Work before the beginning of the semester in which admission is sought; dates will be posted in the Social Work office;
4. A student may be asked to complete an admission interview with a favorable action from the Undergraduate Committee.
5. A student must achieve a grade of “B” or better in SOW 3302, Introduction to Social Work, and SOW 3203, The American Social Welfare System, to be considered for admission.
6. A student must have successfully completed CLAST. CLAST may be repeated and the applicant may reapply to the program after successful completion of CLAST.

- Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF  
(State Mandated Common Prerequisites)

Students wishing to transfer to USF should complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured. If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements. Students should complete two lower level introductory courses in Sociology prior to entering the University. If these courses are not taken at the community college, they must be completed before the degree is granted. A grade of “C” is the minimum acceptable grade. Students are encouraged to take the following prerequisites, or major, support, or elective courses, if available, during the program of study at the community college, and when feasible in General Education/Gordon Rule courses.

- STA 2122 Social Science Statistics (3)  
- SYG 2000 Introduction to Sociology (3)  
- WST 2010 Introduction to Women's Studies (3)

- Admission Requirements to the University Program of Study

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

- Requirements for the Major in Sociology

The major consists of a minimum of 36 credit hours of Sociology coursework plus ISS STA 2122: Social Science Statistics or its equivalent. All university-wide regulations regarding transfer credits and credits needed for graduation apply, at least 27 of the 36 hours of coursework in Sociology must be USF credits. Only courses in which a grade of “C” or better is attained will count toward the minimum hours although lower grades are included in calculating the major GPA.

The minimum of 36 credit hours in Sociology must include the following four core courses (12 hours):

- SYG 2000 Introduction to Sociology (3)  
- SYA 3010 Classical Theory (3)  
- SYA 3300 Research Methods (Prerequisite: STA 2122 Social Science Statistics or its equivalent) (3)  
- SYA 4935 Senior Seminar (Students earning a grade less than “C” in this course must take an additional course in Sociology. In that event, the minimum number of Sociology credits is 39) (3)

The remaining 24 hours of sociology coursework may be comprised of any of the courses offered by the Sociology department with the exception of SYG 2412 Marriage. This course counts toward the total number of hours needed to graduate but it does not count toward the minimum number of sociology hours needed for the major. No more than three hours of SYA 4910 Individual Research may count toward the 36 hour minimum.

Students are encouraged to make an appointment to talk with the Sociology Department Undergraduate Advisor when they have questions about major requirements or about which electives offered each semester would best meet their educational and career goals.

Students are encouraged to complete the following prerequisites, or major, support, or elective courses if available, during the program of study at the community college, and when feasible in General Education/Gordon Rule courses. Unless stated otherwise, a grade of "C" is the minimum acceptable grade.

- ECN 1101 English I (3)
- ECN 1102 English II (3)
- Social Science (any HIS, SOC, ANT, etc.) (6)
- Humanities (any HUM) (6)
- Beginning and Intermediate "Target Language" (XXX 1120, 1121, and 2200) (14-19)

• Admission Requirements to the University Program of Study

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

• Requirements for the B.A. Degree

Required courses for the major (15 cr. hrs.)
- SPN 3300 Composition (3)
- SPN 4301 Expository Writing (3)
- SPW 4100 Survey of Spanish Literature I (3)
- SPW 4101 Survey of Spanish Literature II (3)
- SPW 4131 Survey of Spanish-American Literature (3)

Supporting courses required for the major:
17 hours in 3000, 4000 or 5000 level courses planned with the advisor.
SPECIFIC LEARNING DISABILITIES (K-12) - SPECIAL EDUCATION

COLLEGE: EDUCATION
SCHOOL: NONE
DEGREE: BACHELOR OF ARTS OR BACHELOR OF SCIENCE
OPTION/TRACK: NO

LIMITED ACCESS PROGRAM: YES—THIS PROGRAM HAS ADDITIONAL ADMISSION REQUIREMENTS AS STATED BELOW.

CAMPUS(ES) WHERE OFFERED/CONTACT:
- TAMPA / Program Director, Undergraduate Advising, Education, (813) 974-2458
- LAKELAND / Advisor, Education (941) 667-7011
- SARASOTA / Advisor, Education (941) 359-4331
- ST. PETERSBURG / Advisor, Education, (813) 893-9533

- Program of Study at the Community College or SUS School for Students Planning to Transfer to USF
  (State Mandated Common Prerequisites)

  Students must complete the prerequisite courses listed below prior to be admitted to the upper-division major. Students who do not complete these prerequisites can be admitted to the University, but not to the upper-division major. Unless stated otherwise, a grade of "C" is the minimum acceptable grade.

  - EDF 1005 Introduction to Education
  - EDG 2701 Teaching Diverse Populations
  - EME 2040 Introduction to Educational Technology (Equivalent course or demonstrated competency may be substituted)

  Students should also complete 15 hours beyond those taken to meet General Education Requirements from the following liberal arts and sciences areas: a) fine arts or humanities; b) political sciences, sociology, economics, cultural geography, or speech; c) mathematics; d) natural sciences; and/or e) psychology. Among these 15 hours must be included one course in mathematics. At least one course taken to meet the natural science requirements in General Education must include a laboratory component.

- Admission Requirements to the University Program of Study

  Please be aware of the immunization, foreign language, and continuous enrollment policies of the university, and qualitative standards required.

  Admission will require an overall GPA of 2.5 with a minimum score of 960 on the SAT (840 if taken before April 1, 1995) or 20 on the ACT. However, an overall 2.25 GPA will be acceptable with a minimum score of 1030 on the SAT (940 if taken before April 1, 1995) or 22 on the ACT. Official grade forgiveness will be used as appropriate. Students must have passed all sections of CLAST.

  Professional education courses taken at the community college will transfer as general electives. Introduction/General Psychology and Sociology are recommended.

- Requirements for the B.S. Degree

  Professional Education Core (25-29 credit hours)

  The required courses in the professional education core are as follows:

  - EDF 3214 Human Development and Learning (3)
  - EDF 3604 Social Foundations of Education (3)
  - or EDF 3542 Philosophy of Education (4)
  - EDG 4620 Curriculum and Instruction (3)
  - EDF 4430 Measurement for Teachers (3)
  - EEX 4070 Exceptional Student Ed (2)
  - Internship and Seminar (10-12)
  - ESOL Course (1-3)

  Specific Learning Disabilities (LD Certification)

  Students seeking the B.S. degree with certification in LD are required to take the following courses:

  - EEX 4011 Foundations of Special Education (3)
  - EEX 4221 Educational Assessment of Exceptional Students (3)
  - EEX 4243 Education of the Exceptional Adolescent and Adult (3)
  - EEX 4604 Behavior Management for Special Needs and At Risk Students (3)
  - EEX 4742 Narrative Perspectives on Exceptionality: Cultural and Ethical Issues (3)
  - EEX 4846 Clinical Teaching in Special Education (3)
  - ELD 4011 Introduction to Specific Learning Disabilities (3)
  - ELD 4941 Undergraduate Supervised Practicum in SLD (1-6)
  - LAE 4314 Language Arts in Childhood Education (3)
  - MAE 4310 Teaching Elementary School Mathematics (3)
  - RED 4310 Early Literacy Learning (3)
  - RED 4511 Literacy in the Intermediate and Middle Grades (3)
THEATRE

COLLEGE: FINE ARTS
SCHOOL: NONE
DEGREE: BACHELOR OF ARTS OR BACHELOR OF FINE ARTS
OPTIONS/TRACKS: THEATRE ARTS, DESIGN, EDUCATION, PERFORMANCE

LIMITED ACCESS PROGRAM: NO

CAMPUS(ES) WHERE OFFERED/CONTACT:
TAMPA only / Coordinator of Advising, Fine Arts, (813) 974-3660

- Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
  (State Mandated Common Prerequisites)
  Students should complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured from the university advisor listed above. If a student wishes to transfer without an A.A. degree and has fewer than 60 semester hours of acceptable credit, the student must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

  Students need not have completed a concentration of courses in theatre in order to consider a Theatre major at USF. Admission to upper-level Theatre Performance program is by audition for each level of Scene Study. Admission to upper-level Design sequence is by portfolio review. If the student does not succeed in passing the audition or portfolio review certain Theatre program requirements may have to be repeated (i.e., TPP 3111 Workshop in Text Analysis, or TPA 3004 Means of Visual Expression) until successful completion of the audition or portfolio review can be achieved.

  Students should complete the following prerequisite courses listed below at the lower level prior to entering the University. If these courses are not taken at the community college, they must be completed before the degree is granted. Unless stated otherwise, a grade of “C” is the minimum acceptable grade. If students are coming to the University from a community college, the following prerequisite courses will be accepted as meeting lower level requirements.

  THE 2000 Introduction to the Theatre or any introductory course from 001-035 at the 1 or 2 level
  THE 2300 Script Analysis or THE 2305, 3 semester hours
  TPA 1290 Production Involvement or THE X825, 1 semester hour
  TPA 2200 Theatre Crafts: Stagecraft or TPA 2210, 3 semester hours
  TPP 1190 Studio Theatre-Cast or TPP 2190, 1 semester hour
  TPP 2100 Voice-Body-Improvisation or TPP 2210, 3 semester hours
  PLUS nine hours of any combination of THE, TPA, and TPP courses.

- Admission Requirements to the University Program of Study
  Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

- Requirements for the B.A. Degree with a major in Theatre
  The student may choose one of four areas for the B.A. degree. Performance, Design, Theatre Arts, or Theatre Education. Common to all is the following core:

  Core Curriculum (35 hours)
  First Year (11 credit hours)
  THE 2020 Theatre Fundamentals (2)
  TPA 2200 Theatre Crafts: Stagecraft (3)
  TPP 2110 Voice-Body Improvisation (3)
  Choice of one:
  TPA 2223 Theatre Crafts: Lighting (3)
  TPA 2232 Theatre Crafts: Costume (3)

  Second Year (10 credit hours)
  THE 3110 Theatre History (4)
  TPA 3004 Means of Visual Expression (3)
  TPP 3111 Workshop for Text Analysis (3)

  Third Year (8 credit hours) - Choice of two:
  THE 4320 Theatre of Myth and Ritual (3)
  THE 4330 Shakespeare for the Theatre (3)
  THE 4360 19th Century Theatre Revolution (3)
  THE 4401 O'Neill and After (3)
  THE 4435 Theatre of Pluralism (3)
  THE 4442 Comedy of the Classic and Neo-Classic Stage (3)
  THE 4450 Drama - Special Topics (3)
  plus 2 credits of THE 3925 for PI* (3)
  THE 4180 Theatre Origins may substitute as a second literature course.

  Fourth Year (6 credit hours) - Choice of one:
  THE 4180 Theatre Origins (4)
  THE 4562 Contemporary Performance Theory (4)
  plus 2 credits of THE 4927 for PI* (4)

Theatre Crafts Lab: TPA 2200 Theatre Crafts Stagecraft, TPA 2223 Theatre Crafts Lighting, TPA 2232 Theatre Crafts Costume has a laboratory (LAB) in addition to the regularly scheduled class sessions. LAB guidelines are available in the Theatre office.

*Production Involvements: All Theatre Majors must complete 4 PI’s (Production Involvements) as part of their graduation requirements. PI’s must be taken under THE 3925 Production Involvement and/or THE 4927 Advanced Production Involvement for a total of 4 PI’s. Students may register for PI credit beginning in the second semester of the sophomore year upon completion of 45 credit hours and are expected to register each consecutive semester until completion of the four involvements. PI assignments are made by faculty committee following the student’s completion of a PI request form and registration in the course. PI guidelines and request forms are available in the Theatre Office.
Audition and Portfolio Review: All students desiring admittance into the Scene Study sequence must audition and those entering the upper level design sequence must present a portfolio. This normally occurs after the completion of the sophomore year.

Required Courses for Areas of Study:

**Performance Area**
(54 hours minimum with core) - 19 hours as follows:

**Third Year (10 credit hours)**
- TPP 3500 Body Disciplines (2)
- TPP 3790 Voice Preparation (2)
- TPP 4150 Scene Study I (3)
- TPP 4152 Scene Study II (3)

**Fourth Year (9 credit hours)**
- TPP 4140 Styles of Acting (3)
- TPP 4180 Advanced Scene Study (3)
- TPP 4920 Senior Workshop for Actors (3)

**Design Area**
(55 hours minimum with core) - 20 hours Theatre, 4 hours Art as follows:

**Second Year (3 credit hours)**
- Complete Theatre Crafts sequence with TPA 2223 Lighting or TPA 2232 Costume
- ART 2301C Beginning Drawing (3)

**Third Year (9 credit hours)**
- TPA 4208 Stagecraft and Drafting (3)
- Choice of two depending on design concentration:
  - TPA 3221 Lighting: Theory and Practice (3)
  - THE 4264 History of Costume (3)
  - THE 4266 Architecture and Decor (3)

**Fourth Year (8 credit hours)**
- Choice of 2 depending on design area:
  - TPA 4020 Light Design (4)
  - TPA 4040 Costume Design (4)
  - TPA 4060 Scene Design (4)

**Theatre Arts Area**
The Theatre Arts area is intended for the student who, in consultation with the Theatre Advisor, wishes to construct his/her own degree program from a broad spectrum of theatre courses. In addition to courses in performance and design, areas of study available are Puppetry, Playwriting, Stage Management, Directing, Literature and Criticism.

(55 hours minimum with core) - 20 hours as follows:

**Third Year (3 credit hours)**
- TPP 4230 Laboratory Workshop in Performance (3)
- TPP 4150 Scene Study I (3)
- TPP 4310 Directing I (3)

**plus fourteen hours to be selected from the Theatre Department’s course offerings in consultation with the Theatre Department Advisor**

**Theatre Education Area**
*NOTE: The Theatre Education Track is currently under revision.*
Completion of the Theatre Education concentration certifies students to teach in Florida, grades K-12. In addition to Department of Theatre requirements, students must meet the College of Education’s upper level entrance requirements.

**Theatre Courses:**
(54 hours minimum with core) - 20 hours as follows:

**Choice of one:**
- TPP 4230 Laboratory Workshop in Performance (3)
- TPP 4150 Scene Study I (3)
- TPP 4310 Directing I (3)

**Education Courses:**
**Foundations:**
- EDF 3214 Human Development and Learning (3)
- EDF 3604 Social Foundations of Education (3)
- or
- EDF 3542 Philosophy of Education (4)
- EDG 4620 Curriculum and Instruction (4)
- EDF 4430 Measurement for Teachers (4)
- EEX 4070 Integrating Exceptional Students in the Regular Classroom (2-3)
- EME 2040 Introduction to Educational Technology (3)

**Special Methods:**
- EDG 4320 Introduction to Creative Drama (3)
- THE 4761 Methods of Teaching Theatre for Adolescents (3)
- THE 4723 Theatre for Pre-Secondary Schools: Performance Process (3)
- or
- THE 4722 Theatre for Pre-Secondary Schools: Production Process (3)

**Practice Experience:**
- EDG 4940 Internship (3)
- EDG 4930 Seminar (3)
WELLNESS LEADERSHIP

COLLEGE : EDUCATION  
SCHOOL : PHYSICAL EDUCATION, WELLNESS, AND SPORT STUDIES  
DEGREE : BACHELOR OF ARTS OR BACHELOR OF SCIENCE  
OPTION/TRACK : WELLNESS LEADERSHIP  

LIMITED ACCESS PROGRAM: YES—THIS PROGRAM HAS ADDITIONAL ADMISSION REQUIREMENTS AS STATED BELOW.

CAMPUS(ES) WHERE OFFERED/CONTACT:  
TAMPA only / Program Director, Undergraduate Advising, Education, (813) 974-2458

• Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF  
(State Mandated Common Prerequisites)  
Complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured.

If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, they must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

Students must complete the prerequisite courses listed below prior to be admitted to the upper-division major. Students who do not complete these prerequisites can be admitted to the University, but not to the upper-division major. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

Anatomy & Physiology with Lab, 3-4 semester hours  
First Aid, 3 semester hours

• Admission Requirements to the University Program of Study  
Please be aware of the immunization, foreign language, and continuous enrollment policies of the university, and qualitative standards required. Admission will require an overall GPA of 2.5 with a minimum score of 960 on the SAT (840 if taken before April 1, 1995) or 20 on the ACT. However, an overall 2.25 GPA will be acceptable with a minimum score of 1030 on the SAT (940 if taken before April 1, 1995) or 22 on the ACT. Official grade forgiveness will be used as appropriate.

• Requirements for the B.S. Degree  
The two-year program is offered beginning in the junior year and includes mandatory attendance during the summer session between the junior and senior years.

CORE COURSES FOR ALL TRACKS:  
PET 3010 Personal/Professional Development Seminar (3)  
PET 3310 Kinesiology (3)  
PET 3351 Exercise Physiology I (3)

ADDITIONAL COURSES REQUIRED FOR WELLNESS LEADERSHIP TRACK:  
ADE 4384 Working with the Adult Learner (3)  
GEY 3601 Behavior Change in Later Life (3)  
HLP 4941 Wellness Internship (15)  
HUN 3201 Nutrition (3)  
PEP 3940 Practicum in Health Promotion/Wellness (4)  
PEP 3951 Communications Skills for Wellness Leaders (3)  
PEQ 3170 Aquatic Exercise (2)  
PET 3080 Survey of Wellness Programs (3)  
PET 4353 Exercise Physiology II (3)  
PET 4384 Health Fitness Appraisal & Exercise Prescription (3)  
PET 4404 Organization & Administration of Wellness Programs (3)

in addition to the above courses, students in Wellness Leadership must also take PEM 2131 Weight Training (for majors only) and PET 3931 Teaching Aerobic Dance/Exercise. These courses must be taken after acceptance into the Wellness Leadership Program.

There are no State Mandated Common Prerequisites for this degree program.

Students are encouraged to take the following prerequisites, or major, support, or elective courses, if available, during the program of study at the community college, and when feasible in General Education/Gordon Rule courses. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

Social Sciences
Liberal Arts
WST 3010 Intro to Women's Studies
Courses to improve reading and writing skills

• Admission Requirements to the University Program of Study

Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access program with the above courses recommended.

• Requirements for the Major in Women's Studies

The major in Women's Studies provides a well-rounded Liberal Arts education based on the best and most current scholarship on women in many disciplines. Its subject is not only the evolution of historical attitudes, ideologies, and practices concerning women but also an analysis of the current status of different classes, races and groups of women.

Women's Studies offers excellent undergraduate preparation as well for (1) those who wish to apply to law school or to graduate study in a variety of fields, e.g., Urban or Medical Anthropology, Counselor Education, Criminal Justice, Gerontology, History, Rehabilitation Counseling, Social Work, Women's Studies; (2) those who want to focus on women in specific disciplines or professions; and (3) those whose training would benefit from a close scrutiny of the major issues facing women today.

Majors must complete 36 hours distributed as follows:
Required Core Courses (6 hours)
WST 3011 Issues in Feminism
WST 4935 Seminar in Women's Studies

and at least 1 course from each of the following 6 areas of concentration (18 hours) and 12 hours of electives

MULTICULTURAL ISSUES
AFA 4335 Black Women in America
ANT 4302 Sex Roles in Cross Cultural Perspective
WST 3275 Women in the Developing World
WST 4260 Research Issues on Women of Color
WST 5266 Women of Color: Activism and Social Change

HUMANITIES
AMS 3370 Southern Women: Myth and Reality
REL 3145 Women and Religion
WST 4335 Women and Film
WST 4262 Literature by American Women of Color
WST 4263 Third World Women Writers

THEORY/PHILOSOPHY
WST 4342 Classics in Feminist Theory
PHI 4632 Feminist Ethics
PHM 5125 Topics in Feminist Philosophy
WST 5001 Feminist Research and Methodology
WST 5318 Feminist Spirituality

SCIENCE
AMS 3370 Southern Women: Myth and Reality
WST 4335 Women and Film
WST 4262 Literature by American Women of Color
WST 4263 Third World Women Writers

THEORY/PHILOSOPHY
WST 4342 Classics in Feminist Theory
PHI 4632 Feminist Ethics
PHM 5125 Topics in Feminist Philosophy
WST 5001 Feminist Research and Methodology
WST 5318 Feminist Spirituality

The following courses, not included within the six areas of concentration, may be used to complete elective hours:
WST 3010 Introduction to Women's Studies
WST 3360 Men and Sexism
WST 4900 Directed Readings
WST 4910 Directed Research
WST 4930 Selected Topics
WST 5034 Selected Topics
STA 2122 Social Science Statistics

Students electing to major in Women's Studies should consult the Undergraduate Advisor for timely scheduling of classes.
