TAMPA only / Coordinator of Advising, Arts and Sciences, (813) 974-2503

• Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
  (State Mandated Common Prerequisites)
  Students wishing to transfer to USF should complete the A.A. degree at the community college. Some courses required for the major may also
  meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed
  at the university unless prior approval is secured. If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable
  credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.
  For those seeking the Bachelor of Science degree, students complete the prerequisite courses listed below prior to being admitted to the
  upper-division major. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

  ACG X021 Financial Accounting or ACG X001
  ACG X071 Managerial Accounting or ACG X011 or ACG X630
  CSG X000 Computers in Business or EME X402, COC X317, CSG X101, X361, X001, or X060

  For those seeking the Bachelor of Arts degree, students should complete STA X122 (Social Science Statistics) at the lower level prior to entering
  the University. If this course is not taken at the community college, it must be completed before the degree is granted. A grade of “C” is the minimum
  acceptable grade. Acceptable substitutes for STA X122 are: QMB 2150 or QMB X100, STA 2022, X013, X014, X040, X023, or X024. There are
  no other common prerequisites for the Gerontology program leading to the Bachelor of Arts degree.

• Admission Requirements to the University Program of Study
  Please be aware of the immunization, foreign language, and continuous enrollment policies of the university. This is a non-limited access
  program with the above courses recommended.

• Requirements for the Major in Gerontology (B.S.)
  The Bachelor of Science Degree in Gerontology is a 39 semester hour specialist degree which, in addition to providing students with a basic
  education in gerontology, is intended to prepare them for entry level positions in Nursing Home Administration. It is especially appropriate for
  students who intend to begin working immediately following completion of the degree program.

  Required courses:
  BUL 3320 Law and Business I (3)
  GEY 3000 Introduction to Gerontology (3)
  GEY 3601 Behavior Changes in Later Life (3)
  GEY 4327 Long-Term Care Administration I (3)
  GEY 4328 Gerontological Counseling (3)
  GEY 4329 Long-Term Care Administration III (3)
  GEY 4360 Gerontological Counseling (3)
  GEY 4640 Death and Dying (3)
  GEY 4945 Field Placement (9)
  MAN 3025 Principles of Management (3)
  MAN 3240 Organizational Behavioral Analysis (3)
  MAN 3301 Human Resource Management (3)

  Students also complete the following twelve (12) hours of prerequisites:
  ACG 2021 Principles of Financial Accounting (3)
  ACG 2071 Principles of Managerial Accounting (3)
  CSG 2100 Computers in Business (3)

  These courses are intended to reflect educational requirements mandated by the State of Florida and specified in Chapter 21z.11 of the Florida
  Administrative Code.

  Students in the B.S. program should understand that they will only be allowed to register for the full-time internship (GEY 4945) after successful
  completion of all (or all but one) of the required courses in the B.S. major. Because the B.S. internship requires full-time effort, students will be
  allowed to take no more than four (4) credits concurrent with the B.S. internship.

  The gerontology prerequisite can only be satisfied by a student’s having taken GEY 3000 at this university or its equivalent at another institution.
  The prerequisites of accounting can be fulfilled by taking ACG 2021 and ACG 2071 at this university or comparable work at another institution.
  Students interested in either the B.A. or the B.S. option should contact the Department as early as possible in their careers at the University
  of South Florida.
