• Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF
  (State Mandated Common Prerequisites)
  Students wishing to transfer to USF should complete the A.A. degree at the community college. Some courses required for the major may also
  meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed
  at the university unless prior approval is secured. If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable
  credit, the students must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.
  Students should demonstrate proficiency at the intermediate level within the target language. This may be accomplished by completing 6-12
  hours within the language or by demonstrated competency at the intermediate level. If this coursework (or associated competency) is not
  completed at the community college, it must be completed before the degree is granted. Students are encouraged to complete the following
  prerequisites, or major, support, or elective courses if available, during the program of study at the community college, and when feasible in General
  Education/Gordon Rule courses. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.
